Michigan MIRROR

By Gene Alleman

Who's out on the end of a limb—Kim Sigler or the state legislature? That was the interesting question at the state capital this week, following clock adjournment of the special session of the state legislature at midnight Wednesday, April 28.

Governor Sigler's pet reforms, such as his proposed streamlining of state government by a new state department of administration, four-year terms for state and county elective officials, and power to permit the governor to appoint the attorney general and secretary of state, were rejected by a Republican-dominated legislature.

And this during a presidential and state campaign year!

Rejected also were other planks in the Sigler program: Removal from the November ballot of proposed repeal of the sales tax; diversion amendment; removal of a cap for a state constitutional convention; and a one-mill state property tax.

Legislators were of a majority opinion that the folks back home were not enthusiastic about these reform ideas. They also inclined to a belief that too many things were going to the voters in the Sigler reforms would add only to general confusion.

Rebuffed by the legislature, Governor Sigler declared, "My fight to try to improve Michigan's government is only beginning."

Previously he had warned legislative committees that he might call solons back for a second special session, should they decline to submit his program to the voters. He also considered making an appeal direct to the "jury"—the people—by circulating petitions to place the reform amendments on the November ballot.

There is every probability that he will employ the second and later method rather than the first. Sigler now has the new campaign gear wrapped up and tied, all ready to be tested. He is a dynamic public speaker, he enjoys audience contacts; he likes a good scrap. Never lacking in high courage and still convinced that he is right in his convictions, how better government can be achieved, Governor Sigler is not likely to back down because of the legislators' rebuff. He is more apt to take his fight direct to the people.

The legislature did approve the governor's recommendation that a (Continued on page eight)

Receive Auto Weight Fees

Amount Is Larger Than Last Year's

The State Highway Department announced on Thursday that Wash-tenaw county will receive \$479,900 as its share of the weight taxes collected through auto tag fees during the first quarterly period this year. This amount is approximately 7.6 percent more than was received for the same period last year. Of this amount, \$148,817 will be given to cities and incorporated villages in the county while the remainder, \$331,083, will be divided among the 1948 cities and villages in the amount of \$6,668.49, according to figures given by Kenneth Hallenbeck, manager of the county road commission.

The increase in the amounts of returns for the first quarter as compared with the amount for the same period in 1947, is explained by the fact that all vehicles, including trucks, were required to buy full-year plates this year. For this reason, third quarter payments are expected to be less than last year because no half-year licenses will be included as they were last year.

High Track Team Shows Pluck Tho' Downed by U. High

U. High took the measure of the Bulldog track team last Friday afternoon at Ann Arbor, as they bumped the inexperienced "locals," Knickerbocker, Baldwin and Palmer were the only winners for Chelsea, but Vogel could have added a fourth first with any kind of breaks from the U. High judges. Knickerbocker won the 880 in 2:17 and placed second in the broad jump. Baldwin took the shot put with a heave of 39 feet, one-fourth inch and Myers placed third in this same event. Vogel placed first in the pole vault at seven feet, six inches. Vogel placed second in the 100 yard dash and it was in the 100 that Vogel could have gotten the nod.

Doug and Weatherill of U. High both hit the tape together, but Weatherill was the nod to the "Big Winner." To round out the point winners, Taylor ran third in the 440.

MRS. RUTH ZEEB

Contestant in 'Best Teacher' Contest of '48

Mrs. Zeeb Named as One of Ten Finalists in National Contest

Three teachers of the Chelsea Public school and a teacher in a rural school near Chelsea have been picked as nominees for "The Best Teacher in the United States," in the 1948 Best Teacher contest conducted by the Quiz Kids radio program. In addition, the rural teacher, Ruth Zeeb, teacher at the Red School on Manchester road at Pritchard road, has been notified by John Lowellen, Quiz Kids Program Director, that she is one of the ten teachers, out of more than 35,000 nominated, who are still under consideration for one of the three prizes to be made for a person on the radio program, probably late in May.

A nomination letter written by Donna Fowler, seventh grade student in Chelsea public school, resulted in Miss Mabel Fox being nominated.

Lyndal White, also a seventh grade student, entered a letter that nominated Miss Brown to that honor.

The third Chelsea school teacher to be picked as a nominee is Miss Virginia Betley. The letter resulting in naming her to the honor was written by Arlene Hialst, a ninth grade student.

Mrs. Zeeb's name was entered as a nominee as the result of a letter written by Irven Knickerbocker, a pupil at the Red School.

Congratulations were sent to Miss Fox, Miss Brown, and Miss Betley by John Lowellen, Quiz Kids Program Director, stating that being nominated in the 1948 Best Teacher contest means that "you have done such a good job that at least one of your present or former students has written us that he thinks you are the best teacher in the United States and has told what you have done for him that makes him think so."

"No teacher could receive a higher honor than to be thus chosen by his or her own pupils. Good teachers make good schools—good schools are a community's greatest asset."

In addition to being named the "Best Teacher in the United States," the first prize winner will receive a \$1,500 award for a year of academic training in addition to \$1,000 in cash. Second and third place winners will each receive \$1,000 in cash, according to the letter received by Mrs. Zeeb.

Mrs. Zeeb and Irven Knickerbocker were interviewed Friday morning at the school, by Dr. Willard Olson, Professor of Education and Psychology and Director of Research in Child Development at the U. of M., Ann Arbor, one of the three university professors who are to select the winners.

Stating to Mrs. Zeeb that the chances of her winning either recognition or material award in the contest were still three to one-third to one, Mr. Lowellen explained that educators located near the ten teachers under consideration as winners had been asked to interview the teachers and the pupils who sent the nominating letters, and reports made by these educators are to have a hearing on the naming of the winners. Letters of inquiry about the teachers, he said, were also being sent to the respective superintendents.

Whether Mrs. Zeeb wins an award or not, the closing words of Mr. Lowellen's letter express the sentiments of all her friends in the community. "May I commend you on having done the kind of teaching that could inspire a letter such as that received from Irven Knickerbocker."

For better schools, sign the petition to raise bonding period to 20 years, and to control the mileage by majority vote.

Baseball Nine Hits Stride for Two Victories

Tobin Allows Only Four Hits in His First Starting Role

By DWIGHT GADD

Chelsea 0, Milan 4

Milan's Big Reds came back last Wednesday, April 28, after being rained out Tuesday, and evidently Chelsea felt sorry for them for they gave them a very easy 4-0 win.

Just as in the other three games lost, errors played a big part in Milan's scoring. However, two misjudged flyballs from Al Benjamin's bat were costly as one went for a double and the other a triple. Both of these should have been easy outs, but he still scored twice.

Milan scored two in the second inning on two hits. Benjamin opened the inning with a triple and scored on Keller's single. Keller got all the way around to score on two helpful errors. In the fourth, they added their other two runs on one hit, a walk and two more errors.

Dinsmore was the winning pitcher for Milan as he went all the route, struck out eight, walked three and allowed but two hits. Hansen pitched as good a game for the Bulldogs, striking out seven and walking three, but his support was not as good as Dinsmore's.

FOE Banquet Marks 50th Year of Club

Ernest Hoult of Detroit, state president of the Fraternal Order of Eagles, was the main speaker at the Eagles' anniversary banquet held Sunday evening at the Municipal building, following initiation of a class of candidates at the Eagles' hall during the afternoon.

A highlight of the after-dinner program was a demonstration of the floor work of the Ritual and Degree team of Ann Arbor's FOE Aerie No. 2154, which had put on the initiation work at the hall in the afternoon.

The members' snappy uniforms, with bright blue coats and caps, trimmed with gold braid and buttons, and white trousers with matching blue stripes down the sides, added greatly to the beauty of the demonstration. The team executed a number of formations with a precision of steps and timing that could result only from pasting practice. Lewis Page was the piano accompanist for the marching.

Tom Tucci was master of ceremonies and introduced Mr. Hoult, who during his very interesting talk gave a resume of the work of the Fraternal Order of Eagles which is celebrating its Golden Anniversary this year, and congratulated the local organization on the completion of its very successful first year. He said the Chelsea Aerie, No. 2636, was carrying on projects which would be a credit to a much older organization and stated that the local Aerie's sponsorship of the Senior Girl Scouts, Troop No. 4, was in line with the policy of the national organization in regard to combating juvenile delinquency.

Mr. Hoult said members of the organization had changed somewhat since the beginning of the order fifty years ago. At first, he said, their idea was to band together to help only each other, but as the organization grew the leaders saw that different social programs were necessary and the many projects sponsored by the FOE for the betterment of conditions for everyone, and mainly the underprivileged, the sick, weak, and aged, are the result of these policies. "The FOE is not a selfish organization," Mr. Hoult stated. (Continued on page two)

Chelsea Study Club Names Dates for Rummage Sale

May 21 and 22 are the dates set for the Spring Rummage Sale sponsored by the Chelsea Study Club. It is hoped by committee members that all friends who have so generously helped in the past years will again offer their outgrown—and discarded—household articles. The committee suggests that it is convenient to have a rummage sale box-handy-at-house-cleaning time in which to accumulate articles to contribute. Articles which have outlived their usefulness in one home may be just what are needed in another.

A suggested list of desirable articles which are welcomed as donations is as follows: Men, women's and children's clothing; children's outgrown toys and books; records; household furnishings, such as drapes, curtains, bedspreads, pictures, dishes, and knick-knacks.

Articles may be brought to the Town Hall the morning of May 20 or the numbers 4741 or 6741 may be called and articles will be picked up.

Village Will Adopt 'Fast Time' Sunday

The Village Council voted at the regular meeting Monday night to put Chelsea on daylight savings time, the change to be made at 12:01 a.m. Sunday morning, May 9. (Midnight Saturday.) While the change to "fast time" is unpopular with farmers in the county and with many of the townspeople it can readily be seen that, with Ann Arbor on the new time and with so many Chelsea residents employed there, it would be difficult for Chelsea to stay on the old "slow time." The Council vote was four to one in favor of the change.

This change-in-time will make a difference in the hours for the special election to be held in Chelsea next Tuesday, May 11. As elections in the state must be conducted on the official state time (Eastern Standard) which is from 7 a.m. until 8 p.m., with the Village on new time the polls will actually be open from 8 a.m. until 9 p.m., fast time.

At Monday night's meeting, also, the Council voted to award the contract for re-surfacing and repairing the streets of Chelsea to T. J. Flynn & Co. of Detroit. The company is to begin work on the streets here about June 15.

Other business transacted at this meeting was appointment of A. D. Mayer and Ed. Keusch to act on the Board of Review; permission granted to the local VFW Post to hold the Buddy Poppy Sale on the streets of the village on Saturday, May 22, and the employment of Floyd Gentner as relief police officer for one night a week.

VFW Aux. To Send Donna Kalmbach to Legion Girls' State

At a recent meeting of the American Legion Girls' State committee, Mrs. Lyle Christwell, Mrs. Meale Barr, Sr., and Mrs. Julius Eisele, Donna Kalmbach was elected to represent the Auxiliary at Volvengine Girls' State to be held in Ann Arbor from June 15 through June 22. Marlene Heydlauff was elected as alternate. While attending Girls' State, Donna will stay in a dormitory on the campus.

A girls who attend Girls' State will be taken on visits to the U. of M. hospital and all points of interest on the campus. They may select the sports they wish to participate in, as well as compete for recognition in a hobby show.

It has been an annual custom of the Auxiliary the past six years, to send a representative to Girls' State. Girls who have attended as representatives of the local Auxiliary during this time are Mary Christwell, Mary Kathryn Weber, Catherine Jean Eisenbeiser, Helen Hankerd and Wilma Paul.

It is significant that of these six, two are now in training as nurses, and three are attending college. The sixth girl, Wilma Paul, is graduating this year from Chelsea High school. Auxiliary members are of the opinion that attendance at Girls' State has helped these girls to decide, through their experiences there, what they seem best fitted to undertake as their life work.

Polis To Be Open from 8 a.m. Until 9 p.m. 'Fast Time'

Qualified voters in the Village of Chelsea will go to the polls next Tuesday, May 11, to vote in a special election on the controversial issue of whether or not they shall change from village government to a city form.

Discussion has been underway on the proposition for several months and now the outcome is to be decided in the Special Election called by the Village Council after petitions bearing the signatures of 150 persons, were presented the first week in February.

Ballots will be cast in the regular polling place at the Municipal building next Tuesday, with the

Special Meeting

To provide everyone with an opportunity to ask questions and to clarify any confused statements, a meeting has been arranged for May 10 at the Chelsea High School Study hall.

John Iglauer, of the Michigan Municipal League, and a member of the committee, will be present to help answer any questions presented.

PTA Petition Asks Change in School Law

Petitions being circulated by the PTA requesting that a change to a 20-year bonding period and to majority control of the village be placed on the Fall ballot, are being extremely well received, according to PTA spokesmen.

Many circulators are reporting no refusals whatever; all villages and communities in the county report that they expect to meet, and probably exceed, their quotas.

In Chelsea, the first petition completed was that circulated by Charles Cameron, High School principal; the first lady to complete her petition was Mrs. William Geddes.

The village has been blocked out into small territories so that each petition-carrier has only a small area to cover; but there are still some unassigned territories. If your area has not yet been contacted, have patience; someone will come. The PTA would welcome volunteers to carry petitions, as the membership is relatively small. The work should be completed within the next two weeks.

Mr. and Mrs. Frank Schmitz and son Rudolph, spent the week-end at the home of Mrs. Schmitz's brother, Frank Niner, in Hudson.

Chorus to Present Operetta on Friday

On the evening of Friday, May 7, at 8:15 o'clock, the Chelsea High School Chorus will present the gay and charming operetta, entitled "The Tea House of Sing Lee."

Inspired by the contrast between the ancient and conservative customs of the Chinese and the modern, progressive views of today's America, the production promises to be both entertaining and amusing. While the setting is distinctly Chinese, both atmosphere and performers combine the two civilizations into a flavor reminiscent of each.

Cast in the principal roles are Ellen Jane Geddes, Mary Paul, Joanne Schneider, Sonia Weatherwax, Robert Taylor, David Slane, Elden Moore, David Myers, and Paul Niehaus, who will all be colorfully supported by the members of the Chorus.

A volunteer orchestra, composed of students from the University of Michigan Symphony orchestra will play for the evening, under the direction of Bertram D. Gable, director of vocal music at Chelsea High school. Virginia Quatt, regular Chorus accompanist, will be at the piano.

FOE Instrumental in Establishing Day of National Recognition for Mothers

Next Sunday, May 9, is Mother's Day. In this connection it is interesting to note that a young professor at Notre Dame, Frank E. Hering, at the invitation of Otto P. DeLuse, program chairman for a memorial service held by the Indianapolis Fraternal Order of Eagles in the winter of 1904, is credited with making the first public plea in America for a Mother's Day, according to a bulletin received from FOE headquarters. Later, Hering became the worthy President of the Order and still later, editor of the Eagles' magazine. Hering's address was given at English's Opera House in Indianapolis and just inside the doors of the lobby is a bronze tablet commemorating the event.

In 1912, the Grand Aerie passed a statute calling for the observance of a Mothers' Day annually by all aeries, and this action gave impetus to a movement throughout the country for setting aside a certain day each year to be celebrated as Mothers' Day. Two years later, in 1914, Congress set the second Sunday in May as the nation's Mothers' Day. This date was sponsored by Miss Ann Jarvis, of Philadelphia, who had been campaigning for a National Mothers' Day for several years.

Mr. and Mrs. Baker were formerly Chelsea residents for several years and have many friends here.

Mr. Baker was employed in the office of the Central Fibre company for some time while the family resided here.

Their Florida address is P.O. Box 1761, Fort Lauderdale.

The final High School PTA meeting of the current year was held Monday evening, May 3, in the Home Ec. room at the High school.

With the president, Mrs. H. T. May 21 and 22 are the dates set for the Spring Rummage Sale sponsored by the Chelsea Study Club. It is hoped by committee members that all friends who have so generously helped in the past years will again offer their outgrown—and discarded—household articles. The committee suggests that it is convenient to have a rummage sale box-handy-at-house-cleaning time in which to accumulate articles to contribute. Articles which have outlived their usefulness in one home may be just what are needed in another.

A suggested list of desirable articles which are welcomed as donations is as follows: Men, women's and children's clothing; children's outgrown toys and books; records; household furnishings, such as drapes, curtains, bedspreads, pictures, dishes, and knick-knacks.

Articles may be brought to the Town Hall the morning of May 20 or the numbers 4741 or 6741 may be called and articles will be picked up.

Village Will Adopt 'Fast Time' Sunday

The Village Council voted at the regular meeting Monday night to put Chelsea on daylight savings time, the change to be made at 12:01 a.m. Sunday morning, May 9. (Midnight Saturday.) While the change to "fast time" is unpopular with farmers in the county and with many of the townspeople it can readily be seen that, with Ann Arbor on the new time and with so many Chelsea residents employed there, it would be difficult for Chelsea to stay on the old "slow time." The Council vote was four to one in favor of the change.

This change-in-time will make a difference in the hours for the special election to be held in Chelsea next Tuesday, May 11. As elections in the state must be conducted on the official state time (Eastern Standard) which is from 7 a.m. until 8 p.m., with the Village on new time the polls will actually be open from 8 a.m. until 9 p.m., fast time.

At Monday night's meeting, also, the Council voted to award the contract for re-surfacing and repairing the streets of Chelsea to T. J. Flynn & Co. of Detroit. The company is to begin work on the streets here about June 15.

Other business transacted at this meeting was appointment of A. D. Mayer and Ed. Keusch to act on the Board of Review; permission granted to the local VFW Post to hold the Buddy Poppy Sale on the streets of the village on Saturday, May 22, and the employment of Floyd Gentner as relief police officer for one night a week.

PTA Petition Asks Change in School Law

Petitions being circulated by the PTA requesting that a change to a 20-year bonding period and to majority control of the village be placed on the Fall ballot, are being extremely well received, according to PTA spokesmen.

Many circulators are reporting no refusals whatever; all villages and communities in the county report that they expect to meet, and probably exceed, their quotas.

In Chelsea, the first petition completed was that circulated by Charles Cameron, High School principal; the first lady to complete her petition was Mrs. William Geddes.

The village has been blocked out into small territories so that each petition-carrier has only a small area to cover; but there are still some unassigned territories. If your area has not yet been contacted, have patience; someone will come. The PTA would welcome volunteers to carry petitions, as the membership is relatively small. The work should be completed within the next two weeks.

Mr. and Mrs. Frank Schmitz and son Rudolph, spent the week-end at the home of Mrs. Schmitz's brother, Frank Niner, in Hudson.

Chorus to Present Operetta on Friday

On the evening of Friday, May 7, at 8:15 o'clock, the Chelsea High School Chorus will present the gay and charming operetta, entitled "The Tea House of Sing Lee."

Inspired by the contrast between the ancient and conservative customs of the Chinese and the modern, progressive views of today's America, the production promises to be both entertaining and amusing. While the setting is distinctly Chinese, both atmosphere and performers combine the two civilizations into a flavor reminiscent of each.

Cast in the principal roles are Ellen Jane Geddes, Mary Paul, Joanne Schneider, Sonia Weatherwax, Robert Taylor, David Slane, Elden Moore, David Myers, and Paul Niehaus, who will all be colorfully supported by the members of the Chorus.

A volunteer orchestra, composed of students from the University of Michigan Symphony orchestra will play for the evening, under the direction of Bertram D. Gable, director of vocal music at Chelsea High school. Virginia Quatt, regular Chorus accompanist, will be at the piano.

and it is possible to visit her during the day, they urge everyone not to miss doing so. They remind sons and daughters to write to mothers who live at a distance, and ask everyone whose mother is still living to do something special for her on Mothers' Day.

We pay you tribute, Mother dear... On this your special day... May God be with you, may He bless... Your life in every way... We love you and honor you... For all that you have done... To mold and build the character... Of daughter and of son... For all your smiles and gentle words... Your kind and helping hand... Your faith in us, and for the way... You always understand... For every act of sacrifice... And for your loving pride... As well as all the silent tears... Your heart has ever tried... We wish you happiness today... And all throughout the year... We love you and we honor you... God bless you, Mother dear!

The Eagles of Ann Arbor have extended an invitation not only to Chelsea Eagles, but to everyone in the community to attend a special Mothers' Day program at the Ann Arbor Eagles Temple on Mothers' Day, beginning at 2 p.m. A Gold Star mother is to be present and will receive a bouquet of roses. A fine program has been arranged in honor of all mothers.

Friday, May 7, beginning at 11:45 a.m., an FOE Mothers Day radio program is to be presented by Ted Malone, himself an Eagle. The program may be tuned in here on either station WXYZ, Detroit, or WHRV, Ann Arbor.

Eagles' Banquet (Continued from page one) He concluded his talk by saying "It is up to us to see that we have the wide leadership necessary to keep the United States the wonderful country that it is."

Edward Dowley of Jackson, rendered two piano selections, "Now's the Time to Fall in Love," and an original composition of his own: "Tom Tucci," at the insistence of Harold Baitz, gave an amusing impersonation of Phil Harris, radio entertainer, and greetings and congratulations were extended by representatives of Jackson and Ann Arbor series.

A birthday cake baked and decorated by Mrs. George Brett-Schneider, marked the place reserved for Ed. Keyes of Jackson, as a surprise to him because he was celebrating his fiftieth birthday on Sunday.

Mr. Tucci presented the present officers of the local organization: Junior Past Worthly President, Arnold Swift, Vice-President, Herschel O'Dell, Secretary Harold Baitz, Treasurer George Doe, and Chaplain Dan Parsons. Howard Bergman, president, was in presence. It was announced that George Doe has been elected president for the coming year.

Girl Scouts of Troop No. 4, with their leader, Mrs. Helen Ott, presented the local Aerie with a large Eagles' flag which the girls had made themselves. About four by five feet in size, it is of white silk with gold fringe edging. The insignia "E. O. No. 2836" is in light blue. Herschel O'Dell, vice-president of the Aerie, accepted the flag and Miss Mabel Fox, a guest at the dinner, was called on for a few words. She said she was proud of the sponsors of Girl Scouts Troop No. 4, and because of the Aerie's sponsorship of the

troop, it is the only Scout group in Chelsea with a permanent place to meet. She said the Aerie has shown its interest by actually visiting the meetings to see what the table decorations at the banquet were the work of the Senior Girl Scouts, who also assisted in serving the dinner which wives of Eagles' members had prepared. Places were marked with colorful paper cut-outs of wooden shoes which held cut-out bouquets of cutlery and upon unfolding were found to contain the dinner menu and the names of the Aerie's officers.

Larger matching cut-outs were used at intervals down the center of each table. At the conclusion of the program Mr. Hoult announced that the FOE state convention is to be held in Detroit, June 10, 11, 12 and 13, and urged Chelsea Eagles to attend the event.

It was also announced that Mrs. Eleanor Tucci has been appointed to organize a ladies auxiliary here, for wives, mothers and sisters of Eagles. She asked the cooperation of all eligible female members in getting the auxiliary started as soon as possible.

South Side Sluggers Win Two Straight

Chelsea's younger set, playing in a sandlot baseball league, met for the second game Saturday, May 1, with the South Side Sluggers, Bill Clark, captain, battled it out with the Sly Fox team led by Alfred Knickerbocker.
The South Siders made it two in a row over their opponents with a lop-sided 29 to 8 victory which gives them undoubted first place in the league, since they also won the first game the two teams played.
The two teams will tangle again Saturday, May 8, on a vacant lot in the southwest part of the village.

A. J. Munn and William Miller met in a head-on collision in front of the residence of O. J. Wainworth on East Middle street about 6 p.m., Tuesday. Mr. Munn was riding a bicycle going east on the south side of the street, and Mr. Miller was riding on a motorcycle and turned on to Middle from East street. Mr. Munn injured his face, neck and wrists, and the front wheel of his bicycle was smashed in pieces. Other than a punctured tire, Mr. Miller escaped with only slight injuries. Both men were thrown from their machines when they came together.

RAILROAD STRIKE

Look who gets squeezed!

Union leaders representing less than one-tenth of railroad employes reject recommendations of President's Emergency board—refuse to negotiate except on their own terms—threaten to paralyze nation by strike!

In contrast, this small group of railroad union leaders are attempting to flout the intent and spirit of the Railway Labor Act, and dictate their own terms. They have dictated a paralyzing railroad strike. You will be the victim!

How long will the American public stand for the undemocratic, arbitrary, and abusive use of the right to strike and the disregard of the obligation to provide transportation? How long can the American people permit a few dictatorial union leaders to defy the processes provided for peaceful settlement of disputes?

Force seldom produces settlements that are either fair or lasting. Moreover, a point is often reached when personal interests must be held subordinate to the greater public welfare. That is why the railroads have accepted the Emergency Board recommendations. That is also why the leaders of these three unions should reconsider their decision to call a paralyzing strike.

Report on City Government for Chelsea...

The joint committee of the Chelsea Chamber of Commerce and the Chelsea Kiwanis Club have submitted their final report on Proposed Change to City Government to their clubs.

The report is of such importance to the citizens of Chelsea that it is being published, in this issue, in its entirety.

About six months ago this joint committee was appointed by the Chelsea Kiwanis Club and the Chelsea Chamber of Commerce to make a study of the City form of government, to ascertain the benefits Chelsea would receive by changing from the present form of government to the City form of government.

Numerous committee meetings have been held wherein plans were laid, questions were discussed, pro and con, and all information possible was gathered and discussed.

Two meetings were held at the Chelsea High School to give the people of Chelsea an opportunity to learn more about City government.

Mr. Iglauer, from the Michigan Municipal League, attended both meetings. At the first meeting Mr. Iglauer gave a very unbiased talk on the subject, followed by a question and answer period.

Letters were written to some of the Cities, that are comparable to Chelsea in population, asking their opinions of the City form of government after having been operating under this form for some time.

Many villages have become cities in the past few years, among them are our neighboring towns of Reading, Saline, Williamston, South Lyon, Bronson, and Fowlerville.

No city has ever been known to change back to a village, which proves that there must be definite advantages in being a city.

QUESTIONS and ANSWERS We have listed below some of the more important questions and their answers.

Q. Would our taxes be higher? Ans. No. As long as we receive the same benefits as we are now receiving. It takes just so much money to do so much. This is true, whether Chelsea is a City or a Village.

Q. Could we conduct state and city elections at the same time? Ans. Yes. Thereby eliminating the cost of an extra election.

Q. Is it true that we would eliminate numerous duplications? Ans. Yes. We would have only one assessor instead of two, which we have at the present time.

Q. Would Chelsea be required to have a City Manager? Ans. No. Becoming a city does not give Chelsea a right to employ a City Manager, this right is written into the Charter.

Q. Would Chelsea be required to have a City Manager? Ans. No. Becoming a city does not give Chelsea a right to employ a City Manager, this right is written into the Charter.

ADVANTAGES LISTED

In brief, we have listed below some of the most important advantages:

1. Eliminates duplication of services. 2. Gives Chelsea two supervisors on the Board of Supervisors, instead of one, as we now have.

3. Saves the citizens the inconvenience of double registrations, voting in two places, paying taxes to two treasurers, as mentioned before it saves all these duplications.

4. Eliminates a possibility of Chelsea having to pay their proportionate share of any debt or obligation that the township might incur.

5. Allows Chelsea to hold their elections at the same time as state elections, thereby realizing a savings on the cost of an extra election.

6. Provides a more efficient and responsive municipal government.

7. Gives Chelsea an opportunity to bring their Charter up-to-date.

8. Chelsea would receive its proportionate share of all the township property when settlement is made with the township after City incorporation.

9. Completely eliminates the township tax.

It has been brought to our attention that Chelsea would realize a large income from township taxes if the property south of town should develop into a taxable organization.

This thought has been given much time and study. Our conclusion is that Chelsea would not benefit by remaining a Village.

In the first place Chelsea would definitely eliminate the township tax if it became a City, and in the second place, we do not see a reason for a township real estate tax, inasmuch as the township now realizes more revenue from various state tax returns to more than pay its expenses.

We submit below the 1947 township report to verify the above statement.

1947 SYLVAN TOWNSHIP REPORT

Township Report from March 25, 1947 to March 25, 1948

Bal. on hand March 25, 1947. \$ 2,982.62 Income—

Delinquent, Sales, Liquor and Intangible Taxes 4,890.83 State conservation land 7.44 Transferred from poor fund 1,000.00 1947 Tax Roll (Real Estate Tax) 1,907.25

Total \$ 10,788.14 Disbursements

Total expenditures \$ 3,600.72 1947 unpaid tax 47.54 Bal. on hand March 22, 1948 7,139.88

Total \$ 10,788.14

As we see it, we could not realize any more township tax from any organization because the township does not need it.

The following organizations have gone on record as approving the City form of government and recommends it to the citizens of Chelsea as an improvement over the present system.

CHELSEA KIWANIS CLUB, CHELSEA CHAMBER of COMMERCE, VILLAGE COUNCIL.

Exchange Teacher To Speak at Library

Miss Josephine Davis, an Ann Arbor teacher who last year taught in Chelsea, England, will tell of her experiences while there in a talk at the Chelsea Public Library at 1 p.m. on May 15. Miss Davis will be remembered as the speaker who gave such an extremely interesting discussion at a Grade PTA meeting during the cold weather. She is the one who suggested that this town, named indirectly for the English city, should undertake the project of collecting and sending books, particularly children's books, for the library in the English city. Chelsea, England, was severely bombed during the war. The library and contents were utterly ruined, so that at present the city is entirely without library facilities. It is hoped that people having books in good condition, not more than ten years old, particularly those children's books which are ageless, will contribute generously. A good collection is already at the library, but many more books are needed. People wishing to contribute funds for purchase of new books (which can be obtained at a library discount) or for transportation may send or bring such contributions to the library. While no admission will be charged for the talk, it is hoped that people will come laden with books or cash; it is also hoped that everyone interested, or even curious, will come to hear Miss Davis, whether or not they have a contribution.

Legion Auxiliary Plans for Parade on Decoration Day

At the American Legion Auxiliary's regular meeting, Tuesday evening, May 4, in the Home Ec. room at the High school, members heard a report from the Wolverine Girls' State committee chairman, Mrs. Lyle Chriswell, who stated that Donna Kalmback was the committee's choice as the auxiliary's representative this year. Mrs. Edwin Eaton told of French letters she had received telling of the receipt of CARE packages sent by the Auxiliary. She also reported on the progress of plans for the entertainment of veterans the Ypsilanti hospital—the first week in July. Mrs. Paul Maroney and Mrs. Lyle Chriswell were appointed as delegates to the State convention to be held in August, and Mrs. Julius Eisele and Mrs. Merle Barr, Sr., were appointed alternates. The Auxiliary voted donations of \$25 each to the wheel chair fund at Battle Creek hospital. The latter donation is especially for mental patients at the hospital who are not able to handle money. Both of these donations are from the Rehabilitation Fund. The Auxiliary made plans at the meeting for a magazine drive to provide a wheel chair and also planned for the Decoration Day parade on May 31. Members were asked to plan to help arrange bouquets for the decoration of graves. These bouquets will be made up on Sunday evening, May 30, and donations of flowers for this purpose are again to be brought to the Agriculture room at the High school. The Legion and the Auxiliary will meet after the parade for a pot-luck at the Legion Home. It was announced that the annual Dues Luncheon of the Auxiliary is to be held June 22.

MICHIGAN MIRROR (Continued from page one)
amendment to remove salary limitations of state officials and legislators be placed before the voters in November. Last week Attorney General Eugene F. Black ruled that the governor's expense allowance of \$10,000 a year was unconstitutional. Legislators came back promptly, voting a "grant" of \$12,500 to the governor for a total compensation of \$20,000 instead of \$17,500.

Ironically enough it was Black, selected personally by the governor for attorney general, who has displayed consistent independence to date by saying exactly what he thinks. Black has often done so bluntly and non-diplomatically in opposition to the man who picked him for the office.
Mr. Black has no concern for his political future. He expects to retire from office at the end of his present term. Particularly irritating to Mr. Black is the fact that 12 employees of his department receive more compensation from the State of Michigan than he does. This doesn't make sense to the young Port Huron attorney.

As Mr. Black was hand-picked by Governor Sigler at the 1946 Republican state convention for the post of attorney general, the legislators were cool to the governor's recommendation that the constitution should be amended whereby this office would become appointive rather than elective.
It all adds up to one thing, as we have often observed. People do not think alike. Presented with identical information, they react differently. Honest differences of opinion are to be expected as a natural course of events in a democracy.

The important thing is that the people should have access to complete information. This often comes through a popular debate of issues in which both sides are presented, and the people thus have an opportunity to choose.
4-H Plowing Contest Postponed; Will Be Held This Saturday
Washtenaw County's 4-H tractor maintenance clubs will attempt to hold their annual plowing contest Saturday, May 8.

Because of the heavy rains earlier last week the contest had to be postponed for a week. It will be held as previously planned at the Charles Schultz farm on the Ann Arbor-Saline Road.
From all indications this should be a good contest. As high as six contestants are expected to compete from both Milan and Chelsea and several will be present from Saline, Dexter and Ann Arbor.
The contest will start at 1:30 day light saving time. However, contestants will arrive in the morning to make final adjustments in their equipment.

Testing of Poultry Shows Results in Improved Flocks
Great strides have been made in disease eradication and improvement of Michigan poultry. C. G. Card, head of the Michigan State college poultry department, reports:
The National Poultry Improvement Plan and the National Turkey Improvement Plan, both working to stamp out the disease, are jointly sponsored by the Michigan State Poultry Improvement Association, MSC poultry department and the U. S. Department of Agriculture.
The results of the past few years' testing, retesting and check testing have improved the livability of chicks and poulters produced last year to a very high level. Livability tests are based on cards sent out with each sale of chicks and poulters by the hatchery. At the end of 14 days, the farmer returns this livability card to the Michigan State Poultry Improvement association office where results are tabulated.
In 1947 cards were received which accounted for 781,448 chicks and poulters. The mortality percentage was 8.5 per cent on the birds and the livability, percentage 96.5.
Other significant steps in the movement to provide good chicks and poulters is the fact that 648,000 chicks in 2,500 flocks were blood tested and leg banded. In addition, 70,650 turkeys in 220 flocks were tested and leg banded.
Fifty-five per cent of the total hatcheries in Michigan, representing over 60 per cent of the total capacity, are now cooperating with the Michigan State Poultry Improvement association.
Lists of hatcheries cooperating can be secured from county agricultural agents, agricultural teachers, FFA and 4-H leaders, or by writing to the Michigan State Poultry Improvement Association, East Lansing.

Steam Hot Cloths
Hot cloths for relieving pain are best prepared by putting them in the upper part of a steamer with the water boiling underneath. The cloths then can be kept ready without the trouble of wringing them out every time you need them.

PREPARING FOR THE FUTURE

Is anyone planning on attending college? You have heard this question before, no doubt, and you will keep hearing it. This question is asked to high school girls and boys to find out if they are taking the right subjects to help prepare for their futures. It certainly would be a disappointment if you were planning on going to college to find out too late that you haven't taken the required subjects. This is also true if you plan on working after graduation. You should take subjects and courses which will be a benefit to you. So, as you are deciding on what subjects to take next year, think of what you want to do in the future so you won't be disappointed later on.

THE GREATEST EVENT OF THE YEAR

You have the time; you have the dough. Don't miss "The Tea House of Sing Lo." This is one feature you can't miss. Bring Joey, Moni and Pop, and Sis. It starts at fifteen after eight; get a good seat and don't be late. The characters are Myers and Bob. You'd better come early, there might be a mob. Joan and Sonja will be singing there; this is really so much for such a small fare. Mary and Eidean are two who are leading; a theater, we'll probably be needing. We can't miss Ellen Jane, David and Paul; if they weren't there, there'd be no play at all. These characters do their very best; the High School Chorus does all the rest. They'll be presented at the Chelsea High school, come in; don't stand outside and drool. The orchestra, from Ann Arbor, will be. You're getting a lot for such a small fee. Call off your plans, call off your date; get your tickets now; don't pause or wait.

SMALL TALK

What happened to the lights and sound effects in the Speech play? Could we recommend a good sound effects man? Could anybody tell us why all the boys were sitting on the sidelines at last Thursday's noon dance? What did the fairies do with the presser foot that they took from the Home Economics I class? Marlene, do you always fascinate the Ag boys like that? Corkey, was that theme you wrote about Oscar's car really true? Is it that bad? Somebody ask Joyce. Why are so many seats being changed in first-hour study hall? Must be some of the laws are being enforced. Think so? Do you think someone should remind "Foy-Eye" that operetta practice begins at 7:00?

Could anybody tell us where that hammer came from last Friday in Chorus? Shall we ask Bill Lyons and Peggy Schaalbe? Anybody collecting gum wrappers? You'll find plenty of it on the stage in the gym. Just ask Paul Niehaus. Maybe somebody should tell Mae

Slane (tactfully, of course) that nails can't be pounded in with pencils. Did you notice all the new couples at the Sponge Dance last Friday? Do you think the girls had anything to do with it? Of course there were the old (Continued on page eleven)

In short, as one owner has put it, "Now it seems that Fireball power is wearing velvet gloves!" Add all this to other things - to steady-going size and weight, to gentle coil springing, to big, cushiony low-pressure tires on the widest rims in the industry—and you've got something too good to miss. So we suggest - get your hands on a '48 Buick, any '48 Buick, and see just what we mean. You'll meet a ride story so sweetly convincing, you'll want to get an order in - but quick! From where I sit . . . by Joe Marsh

"What's Your Opinion, Mister?"

Fellow from one of those public opinion polls was in Andy's Garden Tavern, querying Andy's patrons on everything from that "new look" to the next election.

And it occurred to me that there's nothing more typically American than collecting other folks' opinions, as well as giving out with one's own. And from where I sit, it's a mighty healthy habit.

So long as people can discuss both sides of a question that comes up—whether it concerns short skirts, versus long, beer compared with cider, or the larger issues of party versus party—we're sure of the individual liberty that has made this country great.

For it isn't differences of opinion that matter. The important thing is tolerance for differences of opinion—whether they affect the right of an individual to vote, to speak his mind, or to enjoy a glass of beer. They're all parts of the freedom that we cherish!

SPONGE DANCE

The big "Sponge Week" ended with the much awaited dance last Friday, which was sponsored by G.A.A. There were many new couples making the stag line much shorter.

Among the new couples were Edward and Ferguson, Marilyn and Marty, Aisla and Betty Ingram, R. Lentz and Fritz, Ted and Margaret Mary, Mary Ann and Merle and Phyllis K. and Kenny. The still older couples, such as Joyce and Oscar, Joyce and Jim and Leslie and Kathleen, along with the newer couple, were there enjoying the music from the most famous-band leaders.

The decorations which were draped from the walls, greatly brightened the gymnasium. A decorative May pole in the selected colors, pink and blue, was torn down before the end of the dance. On the stage curtains were attractive dummies representing the

girl lassoing the boy which typified "Sponge Week". Towards the end of the evening delicious refreshments of cake, milk and sandwiches were served. There were a few more dances after refreshments were served, ending a very successful week-end dance. Hats off to all those who made this success possible.

Olive Trees and Taxes

Many years ago, when the Balkan province of Macedonia was a center of contention among Turks, Bulgars and Greeks, the Turks, in possession at the time, set out to make the province unattractive to rival nationalities. They adopted the device of putting up taxes on olive orchards to the point that forced the unfortunate owners of olive orchards to cut them down. As olive growing was an important industry, the trick worked.

Grass Lake—As hundreds of happy folk gathered in and around the Norvell Town Hall last Friday evening, Andy Adams opened the auction sale which gave the Norvell Baptist church \$940 to finish paying the church basement debt and to exceed by over \$400 the goal set for the sale. There was hardly a person present who didn't join in the fun as when the sale closed around 11:30 the church was again free of debt.

The final \$25 payment was given by Harvey Ray, 30 years of age, who as a boy attended the Norvell church dedication.—The Grass Lake News.

Buchanan—Friday evening will be unveiled as "shopping night" in Buchanan this Friday evening, with business houses representing practically every type of commercial enterprise in the city remaining open for the event until 9:00 o'clock.

The selection of Friday night was made at the April meeting of the Buchanan Business Association, where that date was voted unanimously.

Although Saturday night is the generally-accepted shopping night in the farming district of the Midwest and West, in an industrial community where five and five-and-one-half working days prevail, Saturday evening in this district has increasingly become the occasion of trips for entertainment or as a time for taking off on week-end trips.—Berrien County Record.

Medical Society Endorses Plan to Inoculate Dogs

At its last meeting the Executive Council of the Washtenaw County Medical Society passed the following resolution:

"The Executive Council of the Washtenaw County Medical Society urgently recommends compulsory rabies inoculation of all dogs in Washtenaw county before license may be granted, in order to protect the lives of the residents of the county."

This resolution has been mailed to Otto C. Chairman of the Board of Supervisors. The Executive Council was pleased to note the Board's interest in dog vaccination, expressed in its resolution passed April 13. This resolution stated that the provision of Public Act No. 171 of the Acts of 1947, requiring that all dogs be vaccinated before license were granted, would receive immediate study upon the quarantine of dogs in this area for rabies.

Dr. Harry Towseley, President of the Society, said, "It is extremely important that the citizens of the county recognize the seriousness of the rabies situation. The death of a four-year-old child caused by the bite of a rabid dog has focused the public attention upon a danger, which has existed in this county for some time. We sincerely hope that the people in the county will inform their Supervisors of their interest in requiring the vaccination of all dogs."

Narrow Escape from Death in Car Mishap

Mr. and Mrs. William Blaess and their two young children, Linda, two years old, and David, seven weeks old, narrowly escaped serious injury Monday evening when their car, headed east, and driven by Mr. Blaess, overturned at US-12 and Baker road after a bolt in the steering mechanism broke. Mr. and Mrs. Blaess, with Linda between them in a child's car seat, were in the front seat of the car and the baby was in a basket on the back seat. When the bolt

broke the car left the highway and turned completely over, landing right-side up in a field beside the road.

Although all the bedding in the baby's basket was thrown on the floor of the car the baby himself was still in the basket after the car came to a stop. All the occupants of the car were badly shaken up, but none suffered any serious injury, it was discovered upon examination at St. Joseph's Mercy hospital, Ann Arbor, where they were taken. All were released after examination. The car itself was badly damaged, Mr. Blaess stated.
