Friend of Farmers

Despite the general contempt in which it is held, the skunk is an animal whom farmers may regard as their friend. It is quite useful because it eats many mice, grubs, beetles, potato bugs, grasshoppers and other pests. When left alone the skunk is non-aggressive. A person can pick up a skunk without danger, if he knows just how. The great horned owl does this, and bobcats and foxes prey upon it.

Club and Social Activities

WCS MEETING
Mrs. W. G. Price was in charge of the devotional service which opened the meeting of the WCS of the Methodist church, held Wednesday, May 6, at 2 p.m., at the church.
The topic for the month's program was "Japan," and talks pertaining to the topic were given by Mrs. A. A. Palmer, Mrs. O. W. Morrow and Mrs. Nellie Kelly.
Refreshments were served by the evening group of the Philanthropic Circle while the Central Circle held a bake sale at the close of the meeting.

FAMILY DINNER
Mr. and Mrs. Robert Schroen entertained at a family dinner at their home Sunday following the baptism of their baby son, Duane Robert, at St. Paul's church, with Rev. P. H. Grabowski officiating.
Guests at the dinner were the baby's godparents, Mr. and Mrs. Olen Hart, with their son, and Mr. Schroen's mother, Mrs. Fred Schroen of Ann Arbor.
In the afternoon they were joined by Mrs. Schroen's parents, Mr. and Mrs. Charles Kern of Saline, and Mrs. Charles Holtsinger and Mr. and Mrs. Gene Holly of Ann Arbor.

"20-30" CLUB
The "20-30" club of Salem Grove Community met at the home of Mr. and Mrs. Austin Artz, Friday evening, May 7, with twenty-two members and one guest present.
Election of officers was held, resulting as follows: president, Arnold Lehman; vice president, Austin Artz; secretary, Lois Clark; treasurer, Betty Pabst; publicity chairman, Irene Hartman; cheer committee chairman, Doris Lehman.
Games were enjoyed in the basement recreation room and a pot-luck lunch followed.
It was announced that the next meeting is to be held at the home of Mr. and Mrs. Arnold Lehman.

LIMANEERS
The Limaneers met Thursday, May 6, at the home of Mrs. Harry Knickerbocker, with fourteen members and two guests, Mrs. Harvey Knickerbocker and Mrs. Vivian Baldwin, present.
Luncheon at 12:30 o'clock started the afternoon's activities, after which the business meeting was conducted by the president, Mrs. Carl Schlosser.
It was announced that Mrs. Nina Wahl will entertain the Limaneers at her home on Thursday, June 10.
With Mrs. Lionel Vickers on the entertainment committee, games and contests were enjoyed, Mrs. Leo Weiss being the winner of the door prize while the following ladies won prizes during the afternoon: Mrs. M. W. McClure, Mrs. Harvey Knickerbocker, Mrs. Harry Prudden and Mrs. Fred Gentner.

BIRTHDAY AND MOTHERS' DAY DINNER
Mrs. George Clark, whose birthday occurred during the past week, was honored on Sunday with a joint birthday and Mothers' Day dinner given at the home of her son and daughter-in-law, Mr. and Mrs. Stephen Clark, on Sunday.
Present, in addition to the son and his family and Mr. and Mrs. Clark, were their daughter and granddaughter, Mrs. Ruth Wylston and Patricia Wylston of Detroit.

CONGREGATIONAL LADIES' GUILD
About thirty members of the Ladies' Guild of the Congregational church attended the regular Guild meeting at the church on Friday afternoon, May 7.

Miss Virginia Lee of China, who is studying for her Master's degree in English Literature at the U. of M. at Ann Arbor, was present as the afternoon's speaker and very interestingly related the story of Christian Missions in China.
Mrs. Edwin Eaton was in charge of the devotional service which opened the meeting and at the close of the meeting refreshments were served by the Dorcas Chapter.

Better Highways Coming
Longer life for asphalt highways is promised by chemical research. Experiments have been made showing how to make asphalt cling to the stone of a roadbed even in periods of heavy rain, thus averting premature disintegration of the pavement.

Pre-Nuptial Showers Honor Bride-To-Be

Miss Caroline Breitenwischer, whose marriage to Glen B. Britten of Jackson, will take place in St. Paul's church next Sunday, was guest of honor at two pre-nuptial showers during the past week.
On Tuesday evening, after the regular meeting of the Rebekah Lodge of which she is a member, Miss Breitenwischer was given a surprise miscellaneous shower and was presented with many lovely gifts. The meeting and shower were held at the R. of P. hall.

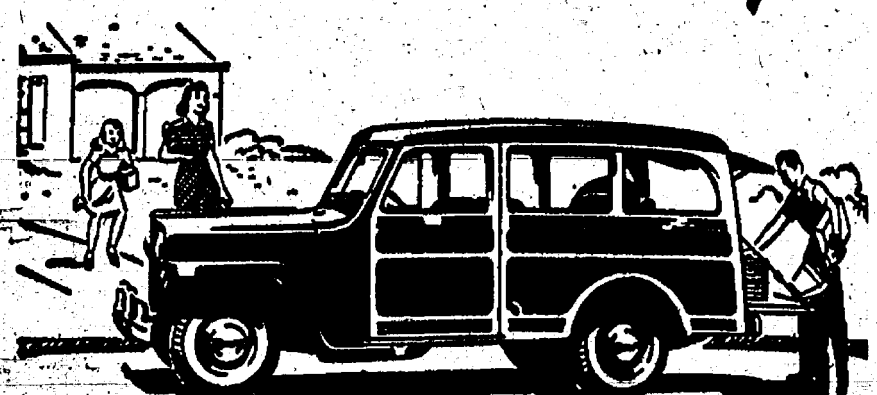

Wednesday evening Miss Breitenwischer and her mother, Mrs. Wilbert Breitenwischer, went to South Lyon where a towel and linen shower was given at the home of Mrs. Leonard Abder, a former classmate of the bride-to-be at Alexandra School of Cosmetology, in Ann Arbor. The guests were all former students at the school.

The refreshment table was centered with a beautifully decorated cake topped with miniature figures of a bride and groom.

Blue was accented in the color scheme carried out in the table decorations and in the umbrella under which the gifts for the honor guest were piled.
The diversion of the evening, after the presentation of the gifts, consisted of making a scrap book for the bride-to-be, as a memento of the occasion.

4-H TRACTOR CLUBS
Washtenaw County 4-H Tractor clubs were forced to postpone their annual plowing match once more as a result of the heavy rain last Thursday and Friday.
If weather permits the contest will be held as previously planned at the Charles Schultz farm on the Ann Arbor-Saline road next Saturday, May 15 at 1 p.m.

Everybody Likes the 'Jeep' Station Wagon

THE FAMILY like it because of its economy of operation, its comfort and distinctive styling—plus the roominess of its all-steel body. It carries six and still has space left over for parcels and luggage.

FARMERS like it because the removable seats make it a highly practical, dual purpose vehicle—ideal for personal transportation, unsurpassed for all around utility. Seats and interior are washable.

BUSINESS MEN like the "Jeep" Station Wagon because it is not only an efficient and economical courtesy car but is also ideal for many other uses, including light hauling and delivery service.

SLS COOKS 4-H CLUB

The meeting of the SLS Cooks 4-H club was held at the home of Shirley Toney, last Saturday afternoon. The first year girls made rhubarb sauce; the baking girls made rolls; the girls that belonged to Girl's Day made party sandwiches; and the Food Preservation girls judged cans of fruit.

The meeting was opened with the flag pledge, then we decided when and where the next meeting would be held. There were 18 members present, including: Shirley Toney, Arlene Halst, Doris Halst, Barbara Collyer, Helen Peterson, Marion Petersen, Joan Shepard, Beverly Nagel, Delores Nagel, Hildegard Malder, Lottie Malder, Deloris Zahn and Dorothy Zahn.

The meeting was closed with the 4-H club pledge.

Refreshments of sandwiches, ice cream and cookies were served by the hostesses.

The club's next meeting will be held at the home of Arlene and Doris Halst, May 23, at 2:30 p.m.—Dorothy Zahn, Reporter.

DEXTER CLEAN-UP WEEK
At a special meeting of the village council on Thursday, May 13, the village president, Dr. A. J. Wall, proclaimed the week of May 10 to 15, inclusive, as Dexter Clean Up Week and the village council authorized hiring of summer trucks to make curb-pickups throughout Dexter on the 13 and 14 of May.—The Dexter Leader.

Whooping Cough
Whooping cough is found throughout the world. It is more common among the female sex, and its pattern of occurrence is much like that of summer diarrheal diseases. Highest death rate now occurs in rural rather than urban populations. It takes its heaviest toll during the first seven months of life.

TAKE A LOOK AROUND

When one begins to think of the really short time a person spends on this earth, isn't it silly to waste most of it the way we do? Like squabbling over petty, vain remarks, being moody for no reason whatever, and quarreling with those persons who mean the most to us, parents and friends.

Take a look around and just see how many things we, as Ameri-

cans, have. How lucky we are to have homes, food, clothing, parents, and friends. More than half of the people in the world are without these things that we seem to take for granted.

Let's look around for a change to see a few of these things instead of getting only our own reflections. The world would be a much happier place to live in if everyone used more consideration for his fellow man and appreciated others' doings.

JOURNALISM SHORT COURSE

A High School Journalism Short Course at Michigan State college is going to be held this summer for students who are interested in Journalism and would like to learn more about this field. This course is to be offered from June 28 to July 17.

For ten days, students will spend five hours a day in discussion groups, clinics, lectures, and work shops, led by men from the college Journalism staff. The following five basic topics will be emphasized during the short course: News Gathering and Reporting, Feature Writing, Pictorial Art, Principles of Advertising, Printing Problems and Standards.

Students attending this course would eat and sleep in college dormitories and enjoy recreation

on the picturesque Red Cedar campus.

At the present time there are some students from Chelsea High school who would very much like to attend this course. Money other than that in the Journalism Club treasury will be needed to send two or three students from this school. Thirty-one dollars would be needed to send each person.

The Short Course is designed to make high school students better journalists, high school papers and annuals better publications. If two or three students from this school would be able to attend it would help carry next year's responsibilities of the school paper and annual.

HI-Y NEWS

The Hi-Y Dance was a great success, say the Hi-Y members anyway.

Hi-Y members have finished packing and shipping the food to the Navajo Indians. This food was received from all those who saw the Rose Bowl pictures.

The Hi-Y is going to buy a trophy and present it to the best athlete of the year. This trophy will remain in the school, for it is honorary only. Each varsity letter owner will have one vote for each sport he participates in for the deciding of the winner. This trophy will be dedicated on Class Night.

FFA NEWS

A week ago last Wednesday the FFA played a softball game with the Saline FFA and beat them 28 to 4.

The boys are making plans to

sell the trailer, made in Farm Shop by FFA, to the highest bidder.

Richard Carlson and LaVerne Haney are doing a fine job in harvesting and marketing asparagus. A lot of credit should also go to the boys who do the picking.

SMALL TALK

Oh! Why did it have to rain on Thursday, of all days, Home Ec. girls?

Mr. Newkirk, what are you doing to the baseball boys lately? (Winning two games in a row!) I guess the School Board will have to build a new library, especially for the sixth hour study hall kids, eh, Miss Fox?

Oh! Doris, what happened yesterday? Did you forget about your date or can you blame it on "Mon"?

Arden, since when are you giving the girls rides on your bike on the handlebars?

Can anyone tell me what's the big rush at noon for the school bus? Could it be they go to the athletic field every noon?

Marybelle, did you take the long way around to Lansing for the Home Ec. field trip?

Why were all the girls on the Home Ec. field trip asking the college boys around the campus where certain buildings were?

Seems there are some very good poets in this hour English class! The sixty-four dollar question is the Student Council election. Will it be the Juniors or the Sophomores?

Tulips seem to be the favorite flower of the Junior class!

I wonder why certain people enjoy opera practice so much! Coyne, how did all of those new dents get on your car? Could it be those women drivers? I wonder!

Becky, how come a certain boy wants you to wear a red flag?

Say Doug, since when are you giving out ice cream cones to little girls?

Helen, did you get a white or a yellow excuse for being absent Thursday?

Last Friday's third hour study hall was pretty noisy wasn't it, Doug?

Say Nancy, why didn't you go to the library last Thursday during third hour?

Marianne, why were you so sticky when you got home last Thursday from the Home Ec. field trip?

JOURNALISM AWARDS

A pin committee, made up of Journalism students, has ordered a pin in various colors of metals. Eighteen first-year students will have bronze pins; silver pins will

be received by seventeen second-year students. The eight third-year students will be honored with gold pins.

The club will decide the policy of awarding these tokens, and if a student is an above average pupil in Journalism, he will probably receive one.

The emblem will bear a scroll, the lamp of knowledge, and a quill. If there are any fourth-year students, the fact will be shown by adding a separate lamp of knowledge to the pin as a guard.

STUDENT COUNCIL NEWS

At the meeting of the Student Council, May 8, there was a discussion about the school picnic, that may be at Portage Lake. There was also a discussion on the rules for the Reception for this year.

Plans for electing the winners of the trophy, to be given by the Hi-Y for outstanding ability or participation in sports, were made.

CAMPAIGN SPEECHES

The campaign for officers of the

Student Council for next year was carried on by members of the Junior and Sophomore classes.

The campaign speeches for the Junior candidates, David Knickerbocker for president, and Audrey Taylor for vice-president, were made by Bob Stofer and Charlotte Otte.

Here's the A-B-C of Dynaflo Drive*

A First, there's a highly efficient new-type pump like this, filled with oil. Driven by the engine, it spins, shooting out oil under pressure from the channels indicated by the pencil.

B Then there is a true turbine, like this, with its blades curved sharply to catch the speeding oil. Entering in the openings indicated, oil makes the turbine spin too, thereby turning the rear wheels.

C Finally, there is this unique "supercharging assembly"—three ingenious elements not found on any other car. Mounted between the pump and turbine, they control the force and direction of oil to adjust driving power to different driving conditions—starting, accelerating, hill climbing, etc.

*Optional at extra cost on Roadmaster models only.

PUT all these together and they spell Dynaflo—the first American passenger car drive that requires no changing of gears in normal driving.

Functioning entirely on their own in an oil-filled drum, these parts give you the equivalent of low gear, second gear, high gear—and an infinite number of "gears" in between.

When you start, they give you smooth starting power. When you want to accelerate, they give accelerating power. When you cruise, they give an efficient cruising ratio—all without gear changing on your part.

Just set a lever and press the gas treadle—the

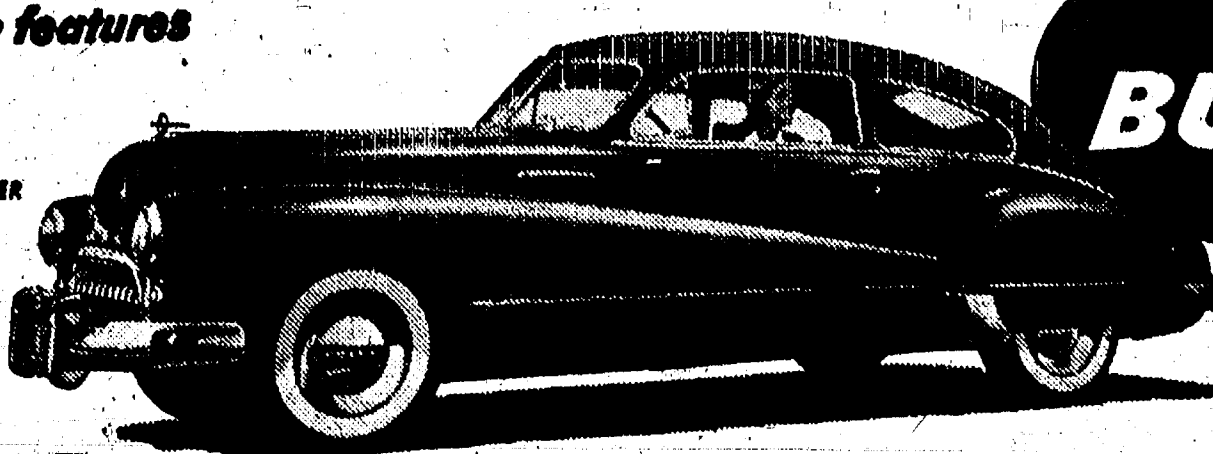

power plant does the rest. Once started, you'll never need to touch the selector lever in normal driving until you're ready to park or back up.

You get good engine braking on hills—with more in reserve at a touch on the lever. You get smoothness unimaginable—a new "sweetness" to the whole car—a relief from things-to-remember that makes all-day driving noticeably less tiring.

Look into Dynaflo if for no other reason than to be up to date on what's newest in automobile drives. Your Buick dealer will take your order with or without a car to trade.

Max Roedel of Detroit spent the first of this week at the home of his mother, Mrs. Alice Roedel. Mr. Roedel is making arrangements to open a drug store in Detroit. The Federal Petroleum company's drive-in gasoline station will open Saturday, located on the corner of South Main and Orchard streets. Beginning with the first of the old Baptist church, last Fall, the new station will be completed this week.

The wholesaling as well as retailing of gasoline and other petroleum products in the local territory has been initiated by Staebler Bros., who this week established Nathaniel Struble in this territory as wholesale agent. Mr. Miller is in charge of the retail service station, corner of South Main and M-17.

Julius Niehaus has been making an excellent record in his musical career for the past several years. Last summer he served as soloist at the Olive Methodist church in Chicago and the St. Mark's Episcopal church at Evanston. He toured the Middle West doing chautauqua work. His concert numbers were praised highly and attracted much attention.

Friday and Saturday of this week the Senior class of Chelsea High school will present a comedy, "Nothing But the Truth." The cast of characters is as follows: Clarence Vogel, Robert Bennett, Geo. Washington II, Gorton Riethmiller, Dick Donnelly, "a dashing young Romeo"; Alfred Mayer as E. M. Ralson, a broker who was broke; Leonard Witherell as Clarence Van Dusen, one of the reasons why men leave home; Carl Fletcher as the Rev. Bishop Doran; Ruth Dancer as Mrs. E. M. Ralson, the boss of her family; Hazel Anderson as Gwen Ralston, the charming deb. of Bolis this season; Lucile Broesamle as Ethel Clark, a hair-raising prima donna; Agnes Ellsworth and Lois Grabb as Mabel Jackson and Sally Jackson, both seen and heard; Vera Harvey, Martha the maid.

Higher Yield Noted by Top-Dressing of Winter Wheat

Application of a spring top-dressing for winter wheat is advisable at this time of year, according to A. G. Weidemann, soils research specialist at Michigan State college.

Top dressing usually refers to the application of some form of commercial nitrogen or barnyard manure. To be effective, the nitrogen should be in the form of nitrates or ammonia (preferably nitrates) and be applied in late March or early April before soil nitrogen becomes available.

Ammonium nitrate is the commercial form available at present and is relatively inexpensive in comparison to other forms. Experiments have indicated that from 12 to 22 pounds of nitrogen is about the proper amount to use per acre on wheat that needs nitrogen. On sandy loam soil on the college farm, the ten-year average yield was 35.6 bushels where 12 pounds of nitrogen were top-dressed on wheat that was fertilized in the fall with 300 pounds per acre of 12-12-6. This was an increase of 3.96 bushels due to the nitrogen. Under the same conditions, a five-ton application of manure in early spring resulted in 39.7 bushels as a ten-year average or an increase of 7.1 bushels due to the manure. Not more than five tons of manure should be used per acre.

Not all wheat should be top-dressed with nitrogen or manure. If wheat is top-dressed on heavy soil it should be done with caution. If manure or legumes are used in the rotation, top-dressing may cause lodging of the crop. It should also be done with caution if seedlings are to be made in the wheat as the heavy growth of wheat will rob the seedlings of moisture and may smother them.

The following boys have been elected from the Chelsea Sunday schools as delegates to the Boy's conference which will be held in Milan on Friday and Saturday of this week: Paul and Reuben Wagner, John Traub, George Gottschling, Austin Palmer, Robert Pate, Herbert Kuhl, Leonard Shepherd, George Spieglberg, Lloyd Monlock, Herbert Mase and Lloyd Kalmbach.

Monday night a bolt of lightning struck a tree in Oak Grove cemetery, which was uprooted. The crash of thunder following the flash of lightning awoke many. A number of property owners had windows broken by the concussion. St. A. Mages had five windows broken, R. D. Walker one. Negus one, Mrs. Wm. Fletcher one, Bert Taylor one, and the transom over the main entrance to the Wilkinson building was broken along with others.

The Chelsea band has ordered new uniforms which they expect to arrive in time for use on Decoration Day. The uniforms will be made of dark blue cloth, trimmed with a black braid. There are 18 members in the band and the new suits will cost \$235. The band has \$200 of the amount on hand, some of that amount having come from last year's earnings and the remainder from a contribution by the business men. There remains \$35 to be raised.

Rain and electrical storms in the vicinity of Monday and Tuesday were very severe. The orchards of J. F. and R. B. Waltrous, A. W. Chapman and Mrs. D. Spaulding, south of town, were covered with enough water to enable a person to take a comfortable boat ride. The marsh land of H. S. Holmes, Mrs. Thos. Taylor, Martin Meriel and others east of Chelsea were well submerged. The low land of F. H. Sweetland, Geo. Ward and other property owners west of here were miniature lakes.

Homer H. W. C. and J. H. Boyd have sold the historic old grist mill at Sylvan Center to Albert Hinderer of Lima, who will tear it down and move it to his farm in Sylvan, known as the F. L. Davidson place. The old mill was built in 1852 and in 1882 and for its construction were raised by subscription. The mill was the old-fashioned store equipment and did a thriving business for many years. The mill was started by the Sylvan Milling Co., and finally became the property of Orlando Boyd in 1892, and has been in continuous possession of the family since. Orlando and Homer H. Boyd operated the mill as co-partners for several years. After the brothers dissolved partnership, Orlando operated it until about 16 years ago.

Airplane Spraying
Airplane spraying requires only 1 1/2 to 2 gallons of spray solution, in oil or water, per acre. Flying from 4 to 12 feet above ground, a pilot can cover a swath equal to the width of the wing tips, and up to 200 acres per hour. The equipment is such that the pilot can operate it himself.

VETERANS

From the OFFICE OF VETERANS' AFFAIRS, Lansing

OVA Serves Veterans in Tuberculosis Hospitals
The Office of Veterans' Affairs was instrumental in establishing a standard order of procedure for sanatorium superintendents for use when admitting veterans to tuberculosis sanatoria. This procedure was accomplished by enlisting the aid of the federal Veterans Administration, the State Department of Health and the Executive office.

The procedure protects both the veteran and the state. It protects the veteran by causing the execution and filing of Veterans Administration Form 10-P-10, which is an application for hospital treatment or domiciliary care at the expense of the federal government, within 72 hours of admission. It also requires the preparation and filing of a tuberculosis medical certificate within the 72-hour period.

If the application is adjudicated to be service-connected, the veteran becomes a patient of the federal government. This adjudication forms the basis for a pension in the amount of \$138 per month during the time the veteran is hospitalized, thereby providing care for the veteran's family. The OVA follows up the application if adjudication is not made within a reasonable time.

The procedure also calls for a card to be signed by the veteran and mailed to the Office of Veterans' Affairs.

From where I sit... by Joe Marsh

Jeb Had the Folks in Stitches!

At the Friday Night Social, Jeb Crowell had the audience in stitches—doing a take-off on the blustering character who belittles everybody and everything that isn't from his own home town.

Well, we can laugh at that sort of character because from where I sit, Americans are just the opposite. We like to boast a bit perhaps, about the paint job on the new barn, or the mislaid style of cooking—but we aren't intolerant of people who don't think or act exactly the same way we do.

ans' Affairs designating the veterans' organization to which the veteran wishes to give his power of attorney. The OVA then makes contact between the veteran and the veterans' organization to which the veteran wishes to give his power of attorney and arranges for a service officer to call upon the veteran and assist him in all his problems, such as insurance, homestead exemptions, etc. This procedure protects the state by making sure that veterans who are entitled to federal care receive it, thus relieving the state of the cost.

Cite New Ideas on Wall Washing Job

Washing painted walls is a current dread of housewives in the throes of house cleaning. More efficient cleaning is suggested by Mary C. Wiseman, Home Demonstration Agent, who recommends a reverse of the time-worn method of washing from the top down. Her advice is to start washing from the bottom and work up.

Reason for this is that when you wash from the top, streams of the washing solution run down over the dirty wall and make streaks which are almost impossible to remove. Streaks can be prevented by washing walls from the bottom up towards the top. Water which runs down over the clean surface can be removed easily without danger of leaving permanent streaks. Wash side walls first and then the ceiling.

For a good washing solution use one tablespoon of trisodium phosphate and one tablespoon of lye soap in one gallon of warm water. The phosphate and soap are available at any drug store and the solution is effective and inexpensive. Rinse the walls thoroughly with warm water. Old terry cloth towels make excellent washing cloths. They are very absorbent and the rough texture acts like a soft brush to help remove the dirt.

It's a good idea to try washing a small area of the wall in a place that doesn't show to make certain that the paint is washable. Be sure to place step ladders so that they are steady and there will be no danger of falling.

WITH GM HYDRA-MATIC DRIVE

It's the smash hit of the year . . . the big success story of 1948 . . . the car that has all America singing its praises! Everywhere it goes, the Futuramic Oldsmobile goes over in a big way. Watch how people gather 'round to inspect that massive Futuramic front end . . . those flowing Futuramic fenders . . . that smartly tailored Futuramic interior.

Then watch the face of the lucky driver. He's got that "Futuramic Feeling." It's more than just the smoothness of a coil-cushioned ride. It's more than just the simplicity of "no-clutch, no-shift" Hydra-Matic Drive. It's even more than the breath-taking thrill of stepping down on the accelerator and feeling that surge of power as WHIRLAWAY goes into action. That "Futuramic Feeling" is a combination of all these Oldsmobile features—topped off with a goodly measure of pride at driving the best looking of all the new cars on the roads today!

candidates, Ronnie Eder for president, and Bob Tenney for vice-president. On the day of the election Jim Clark made the speeches.

A ROSE BY ANY OTHER NAME . . .
We decided to take a toll of some of the Christian names in school. This is what turned up, and we quote:

Miss Fox: "I was called 'Muggins' for my first six months because my parents couldn't agree. They finally decided on Mabel. I was supposed to have been named Wilhelmina Lorraine."

Miss Sealer: "My first name is Martha, but I don't go by it because my mother was afraid I'd be called 'Mattie'."

Mr. Cameron: "I was named after my uncle Charles. When my parents got through naming six before me they began running out of names. Of course, my uncle at that time was an executive in a steel works."

Miss Larson: "My name, Mary Lou, was my father's favorite song."

Mrs. Claire: "My name is German, of course, and I was named after Princess Irene of Germany."

Mr. Richards: "I was named after Marshall Field, who is the owner of Marshall Field's in Chicago. At that time he was just becoming well-known."

Well, what do you think?

JUNIOR NEWS

Committee for the Junior and Senior reception are as follows: Donna Kaimbach is the general chairman; Thelma Ferguson, Mae Slane, Joanne O'Dell and Mary A. Gage make up the invitation committee. The program is in charge of Doris Clifton, Ellen Jane Geddes and Helen Wohlhoff.

Mary K. Palmer, Audrey Taylor, Helen Jarvie, Joyce Hughes, Dave Slane, Elden Moore, and Bob Merkel, make up the decoration group. Bob Stoffer, Joyce Hughes, Dave Slane, Thelma Ferguson, and Bill Lyons have volunteered to obtain the music.

The check and powder room are under the management of Dorothy Barth, Maxine Smythe, Gladys Hafner, Joyce Eiseemann, and Betty Wheeler. The task of seeing that the table and chairs are set up goes to Paul Kaimbach, Keith Bradbury, Norman Koch, Lloyd Aberle and Jim Palmer.

Table decorations are in the charge and planning of Clara Salts, Audrey Knickerbocker, Rose Tarnacki, Myrna Roberts and Betty Joseph. Marjorie Proctor, Doris Downer, Mary A. Gage and Bob Merkel have undertaken the management of the menu and food.

EIGHTH GRADE VISITING DAY

Last Friday, May 7, the eighth grade pupils of the rural schools visited Chelsea High school. The day started with a general meeting at 9 o'clock. After the meet-

ing they visited several classes. At 11, lunch was served in the Home Economics room.

At 12:30, boys interested in agriculture stayed in the gymnasium. While others visited in the gymnasium.

From 1:30 to 3:30 it had been planned to go to the athletic field for soccer and basketball, but because of rain, movies and games were held in the gymnasium.

We hope everyone had a good time.

GRADE SEVEN

Dean Clark had a birthday May 3. He played the birthday game and won. Eleanor Schmidt, Douglas and his twin, Richard Schneider also won their birthday games.

Donna Fowler has been ill for a number of weeks.

Janet Lotridge has measles and Billy Clark has scarlet fever. We hope that Donna, Janet and Billy will be back with us soon. We wrote notes to each of them.

Our seed-catalog bouquet has grown to two—a rose bouquet on the front bulletin board and a mixed bouquet at the rear.

We finished our scrapbook and sent it out last Friday. The people who sent it were D. Hindover, L. White and E. Schmidt. R. Schneider, L. Alstaeter and E. Schmidt put the scrapbook together.

GRADE SIX

On April 30, grade six went to the home of Mrs. Mast, near Dexter. There is a house, a school and a church, each being over a hundred years old. Daniel Webster gave a hundred dollars to the building of the church. Because of this they named the community after him.

Mrs. Mast collects antiques. Of great interest was the fireplace which had a crane kettle and an oven, such as the early settlers cooked with. Mrs. Mast showed antique coffee grinders, spinning wheels, candle molds, oxen yolk and lanterns.

On our way home the children picked wild flowers. Later, they made "May baskets" and filled them with the flowers for their mothers.

Mrs. Mast gave the group a sampler which they call "Woody." B. Franklin brought a cage to keep it in. We looked up information on it and found that it eats insects and is an amphibian.

The check and powder room are under the management of Dorothy Barth, Maxine Smythe, Gladys Hafner, Joyce Eiseemann, and Betty Wheeler. The task of seeing that the table and chairs are set up goes to Paul Kaimbach, Keith Bradbury, Norman Koch, Lloyd Aberle and Jim Palmer.

The first part of the concert will be in Dexter on the 24th, and the second in Chelsea on the 25th.

COMMENTS, CRITICISMS AND COMPLAINTS

Your inquiring reporter, while poking his nose into everybody's business, heard a few comments on the opera. A few people commented that while it did not start on time by the end of the performance they were willing to for-

Our Citizens of Tomorrow

In the upper left-hand corner of the above group of pictures is that of Karl and Robert Riemschneider, sons of Mr. and Mrs. Lawrence Riemschneider, 175 Park street. Karl, who was eight years old January 30, is a second grade pupil at Chelsea Public school.

Miss Jane Kompass is his teacher. Robert, his brother, will be three years old next August 7. Both boys attend Sunday school at the Methodist church.

Barbara Jean Bertke is pictured with her sister, Marcia Ann, in the middle of the top row. They are the daughters of Mr. and Mrs. Roy Bertke, South Main street. Barbara Jean, five years old Dec. 4, while her sister was two years old last Sunday, May 9. Both are regular attendants at St. Paul's Sunday school. Barbara Jean having received a perfect attendance pin for attending every Sunday during 1947. Her attendance record so far this year is perfect and she's hoping the present epidemic of measles will pass her by so she won't be forced to remain at home and spoil her record. Mrs. Lucile Kelly is her teacher at the public school, where she attends kindergarten. Both girls were baptized at St. Paul's church by Rev. P. H. Grabowski.

In the upper right-hand corner is the picture of Richard Labon, with his brother, Francis. They were baptized at St. Mary's church, Richard by Father Lawrence Dorr, and Francis by Father Lee Laige. Sons of Mr. and Mrs. Joseph Labon, 315 Garfield street, they don't have to worry about hair cuts—their father's a barber. Richard is a

second grade pupil at St. Mary's school. He was eight years old April 25, while Francis was five on Feb. 2.

In the bottom row, reading from left to right, are Shirley Ann and Paul Henry Messner, Norma Jean and Helen Jane Morgan, and Charles and Carol Cameron. Shirley Ann and Paul Henry are children of Mr. and Mrs. Paul Messner, 133 North street. They attend Sunday school regularly at the Methodist church. Shirley Ann, who is ten years old, is in the fourth grade at the public school. Paul Henry is five years old.

Norma Jean, 12, Helen Jane, 7, daughters of Mr. and Mrs. Harry A. Morgan, live with their parents on McKinley road. The former is a seventh grade pupil at Chelsea Public school, while Helen Jane is in the second grade. Both girls attend the Methodist Sunday school and, in addition, Norma Jean is a member of the Junior choir.

Charles Cameron, more familiarly known as "Tink" or "Tinker," was six years old March 1, is a kindergarten pupil at the public school, with Carol, attending Sunday school at the Methodist church. He was baptized by Rev. Bert A. Ede, former pastor of the church. His sister, Carol, who will be five years old next Nov. 18, will enter kindergarten in the fall. She was baptized by Rev. E. R. Major. Charles and Carol are children of Mr. and Mrs. Charles S. Cameron. Their baby brother, James (Jimmy) was ill, with a cold at the time the picture was taken and could not be with them in it for that reason. Mr. Cameron is the principal at Chelsea High school.

gives anything . . . What E. Moore would have done had he been able to work his lighter? A former band director of Chelsea High thought that the opera was very good and everyone played their part very well.

While some lines were lost due to poor articulation and rapid speech, in general the acting, costume staging was excellent. The presence of the University's "Little Symphony" helped greatly.

It is common opinion that Bob Taylor, in the title role, was the surprise hit of the evening, and Mary Paul's acting and singing were excellent. Several said that the make-up was the best they had ever seen in any play. The students of Chelsea High wish to congratulate the Chorus and their director, Mr. Gable.

APPOLOGIES!—CORRECTION
Last week's "B" honor roll should have included the names of Sophomore Virginia Christwell and Freshman Duane Gentner.

THE OPERETTA
Some comments were as follows: Norman O'Connor, "It was pretty good; especially Dave Myers."

Harry Ann Schuder, "The part seemed to be made for Bob Taylor."

Joan Hughes, "Few members of the cast could not be heard very clearly."

Ruth Bailey, "Characters did not come across very well."

George Alperitz, "Director did very well with the things he had to work with."

COMMUNITY CHEST FUND OK'D
Rochester—Budgets for the Avon Community Chest and the Avon Youth Service and Recreation Association for the ensuing year were formally approved by the directors of the Community Chest at a meeting in the Town Hall last Wednesday afternoon.

Ten organizations were included in this year's Community Chest and will share in a budget of \$5,780. The Avon Youth Service and Recreation Association were considered in a separate budget and were approved \$4,325, including \$2,250 specially earmarked for operational expenses of the Youth Center.—The Rochester Clarion.

Manchester—The Manchester village council voted Monday evening to turn the village clocks ahead one hour at Midnight Saturday evening. The change will put the village on Daylight Savings Time, the same as Ann Arbor. All local churches, factories and business places will be affected by the move. Neighboring communities are expected to follow the precedent set by the last cities.—The Manchester Enterprise.

Buchanan—John H. Chamberlain, 58, died suddenly Wednesday afternoon, April 28, while plowing with a tractor at his home, on the side road between the Tichenor school, Range Line road and the former Jarvis home.

His daughter, Stella Chamberlain, was in the field with him pulling roots from the ground where he was plowing. He had made a round with the tractor and stopped opposite where she was working. She saw him slump forward over the wheel as he stopped and then jerk backward. She ran and held him in the seat managing to couple to disengage the plow coming from the tractor. She arm-supported his body with one arm and the tractor with the other to the home. Two neighbors came and helped lift his body from the tractor.—Berrien County Record.

Stockbridge—Ground has been broken for the new Legion Building on South Clinton street, on the corner tract recently purchased by the Legion from the Frone Bros. A 24x48' cinder block hall is being erected at the present time.—The Stockbridge Brief-Sun.

Frankfort—Frankfort perch fishing was still spotty this week as a few anglers left town with fine catches while several others reported only mediocre results. Very few people went home completely licked, but the perch fishing could not measure up to what it was just one year ago.

According to those who kept track in 1947, May 3 was one of the best perch fishing days while May 9 seemed to represent the peak of the run. May 3 this year was very little better than average.

It was thought that the run would be a little bit earlier this spring because of the unusually warm weather. The perch apparently haven't seen it that way.—The Benzie County Patriot.

Northville—A Scarlet Fever outbreak may occur in Plymouth and Northville. Dr. David Littlejohn, director of the Wayne County Health Department, today issued the following warning:

"Scarlet fever and 'strep' infections have recently appeared in Plymouth and Northville. During the last ten days there has been reported five cases of scarlet fever in Plymouth City, two in Plymouth Township and one in Northville. For each case of recognized scarlet fever, where there is a rash present and a physician has been called, there are probably quite a few other cases or persons with a 'strep throat.' Scarlet fever with a rash and 'strep' throat with or without a rash, are actually all one and the same disease. An exposure to a case of 'strep throat,' either severe or mild, may result in a severe case which will be called scarlet because it has a rash.—The Northville Record.

BOY SCOUT NEWS

May 10—Nineteen scouts and the scoutmaster were present at the meeting. Board of Review was held and Jerry Lesser, Dannie Murphy and Bill Cutler passed tenderfoot tests and Richard Schneider passed merit reading badge tests. The reviewers were James Nutt and Charles Cameron from the Kiwanis club.

The Scouts talked about the jamboree to be held May 22. Thirteen scouts are going.

There was considerable talk about what to do with our money. One thing suggested was to get a lease on some land. This land subject will be acted on later.

The meeting was dismissed by the Scoutmaster, Mr. Alpervitz. —Scribe, Richard Schneider.

Overseas Aid for Children Campaign

(Continued from page one)

Overseas Aid-United Nations Appeal for Children, President Truman stated that the "Crusade for Children" has his official endorsement. He said, in part, "In contributing to American Overseas Aid and the United Nations Appeal for Children, thoughtful Americans will be giving an effective demonstration of their traditional humanitarian concern for the welfare of people in distress and providing an example of our democracy in action."

Everyone in the community is being urged to contribute generously to this very worthy and humanitarian cause. It has been said that a contribution to the "Crusade for Children" is a contribution toward future world peace; that children who find kindly, loving help to be their portion instead of the cruelty and hate to which they have been subjected will surely be more likely to grow up with friendly feelings toward the peoples of the world who befriended them than they would be if they felt no one cared about their suffering.

Contributions may be made to any of the campaign workers or directly to the secretary, Mrs. Walter Mohrloch, 3000 Constitution will help to provide, among other things, food, clothing and medicine irrespective of race, creed or political belief; equipment and supplies for hospitals; medical care for nursing and expectant mothers; preventive public health centers and clinics; and aid for handicapped and crippled children.

Deadline Nearing on School Petitions

Petitions to place on the Fall ballot, two changes in the school law—the extension of the bonding period to twenty instead of the present five years, and the changing on the millage control from a two-thirds to a majority vote—are circulating rapidly.

Only nine or ten days remain to complete the task, as all petitions have to be in Lansing by the end of May, in order that the huge task of checking may be completed before the petitions are filed with the Secretary of State.

Chelsea petitions are being circulated by Mrs. Amanda Husted, Mrs. Robert Wagner, Mrs. Norman Eisenmann, Mrs. William Godes, Mrs. Clarence Breitenwischer, Mrs. George Brands, Mrs. P. G. Schall, Mrs. George Barlow, Mrs. Elton K. Musbach, Mrs. Charles Ritter, Mrs. Veal Whipple, Mrs. A. D. Mayer, Miss Ida Keusch, Mrs. Tuvi Rihimaki, Mrs. O. Johnson, Mrs. Ted Baumer, Mrs. Stanley Beal, Mrs. Theo. Jarvin, Mrs. Joan Conlon, Mrs. R. D. Gadd, Mrs. H. T. Moore, Miss Mabel Fox, Mrs. Martin Steinbach, Al Mahar, Bob Wagner, Charles Cameron, Dwight Gadd and Harold Bair.

People wishing to sign, but who have not been contacted, are urged to call any of the above.

DEATHS

Addison B. Shutes

Addison B. Shutes, a resident of Chelsea and vicinity since 1904 when he came here with his wife and sons from Bridgewater township, died Monday at his home on East Middle street at the age of 83 years. He had suffered a stroke last Thursday, which resulted in his death.

Mr. Shutes was born on the Shutes homestead in Bridgewater township Nov. 18, 1864, a son of Charles and Caroline Benham Shutes and, following his marriage to Mrs. Shutes, the former Lillian Dillingham, on Nov. 2, 1892, in Clinton, lived on the homestead until coming here in 1904. The family lived first on the farm on Pritchard road, which later was occupied by Walter Wolfgang until he sold it recently.

The Shutes family lived there ten years and then moved to a farm on Freer road in Lima township, where they lived for 12 years, coming from there to the present residence where they have since lived.

Mr. Shutes was a member of the Methodist church and a charter member of Chelsea Lodge No. 101, IOOF.

Survivors include his wife, one son, Leon, and two grandchildren. Another son, Glenn, died about two years ago.

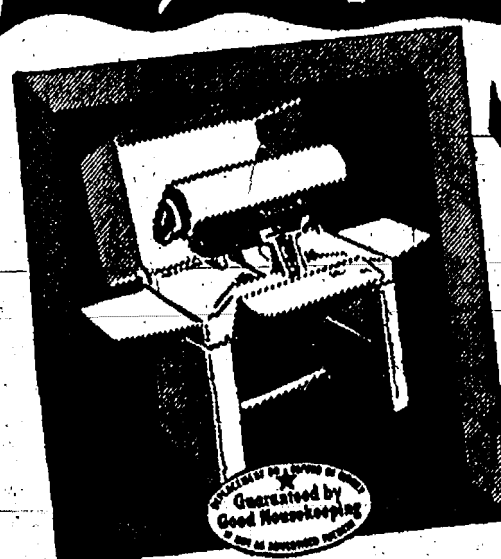

Funeral services will be held at 2 o'clock this afternoon (Eastern Daylight Time) at the Miller Funeral Home and burial will take place in Oak Grove cemetery. Rev. Orville W. Morrow is to officiate at the services.

APPEARED ON RADIO

Judy Davison, daughter of Mr. and Mrs. Lowell Davison, played a piano solo, Mendelssohn's "Fuer Elise" at Prokates in Ann Arbor, which was broadcast by remote control, over station WJRV, during the children's program beginning at 11:45 Saturday morning. Those who heard the program said that Judy played very well.
