

Independents Defeat Saline To Close Untied-Unbeaten Season for Divisional Title

Team Boasts Total of 177 Runs Made in 14-Game Schedule

By 'BILL' SCHATZ

Behind the brilliant pitching of "Lefty" Barth, the Independents defeated Saline by a score of 3 to 2 Sunday afternoon on the Saline diamond. This game was played because of an earlier postponed game, and by copping this one the Independents have made a complete sweep of the entire summer schedule.

The following summary gives scores against each rival, starting with Grass Lake, the first victim of the current season.

May 30—Ind., 17; Grass Lake, 3.
July 18—Ind., 17; Grass Lake, 2.
June 6—Ind., 7; Novi, 1.
July 25—Ind., 9; Novi, 0.
June 13—Ind., 13; Pinckney, 8.
Aug. 4—Ind., 19; Pinckney, 6.
Aug. 20—Ind., 14; Ann Arbor, 6.
Aug. 8—Ind., 14; Ann Arbor, 3.
June 2—Ind., 13; Saline, 2.
Sept. 6—Ind., 8; Saline, 2.
July 4—Ind., 18; South Lyon, 6.
Aug. 22—Ind., 7; South Lyon, 6.
July 11—Ind., 11; Chelsea Milling, 4.
Aug. 29—Ind., 16; Chelsea Milling, 5.

In my estimation this is some record. Getting down to our total runs for the season we find the Independents have scored a total of 177 against 47 in a game schedule. Other words the Independents collected nearly four runs for each one earned by the opposition.

Power with the bats, on the mound and in the field have totaled one fine cooperative fighting club.

Play-offs for the championship start with a double-header Sunday, Sept. 12.

League Round-Up . . .

Brighton—Brighton clinched first place in the Western Division by taking two games Sunday. In the first game at East Lansing Zeks Vogt pitched and batted the House of Dougherty to a 7-3 win over the Faller Brushmen. Vogt struck out 19 men and contributed a home run, a triple and a single to the 18-hit attack.

In a game under the lights at Stockbridge, Hank Green gave up two infield hits as the Brighton club banged out a 7-4 win. Green pitched no-hit ball for seven and two-thirds innings, but Don Clark and Morrie Price beat out two infield rollers. Green struck out 19 men.

Webberville—Webberville pulled into a tie with Fowlerville by taking the double-header, defeating the Fowlerville team in the first game and squeaking past Fowlerville in the night-cap 8-7.

Pinckney—In the Eastern Division Pinckney clinched the fourth place by beating Grass Lake 7-4.

Fowlerville—In the second annual All-Star game held at Fowlerville, the Eastern Division All-Stars made a two straight over the Eastern Division All-Stars by the score of 9-6. Last year the Western Division had things all their way with a score of 18-6, but this year the Western Stars had to come from behind. The Eastern team scored two in the first and added two in the sixth to take a three-run lead. The Western combine scored one in the fifth and four in their half of the sixth and four in their half of the seventh and eighth.

Division Play-offs Scheduled Sunday, Sept. 12, the Division play-offs will be held. At Saline, the Eastern Division will see the unbeaten Chelsea Independents take on Saline in the opener at 11 a.m. The Ann Arbor Autos play the Pinckney VFW at 2 p.m., the winners of the two games being matched for a third game at 4:30 p.m.

The Western Division play-offs will be held at the Fowlerville fairgrounds, with the defending champion, the House of Dougherty of Brighton, playing either Fowlerville or Webberville at 11 a.m. (slow time) and Stockbridge playing whichever team Brighton does not play, at 2 p.m. The winners will play at 4:30 p.m.

Fire of undetermined origin caused slight damages to the attic of the Albert Turner cottage at Cavanaugh Lake Monday afternoon. The Chelsea Fire Department responded to the alarm where it was credited with locating and putting out the blaze in record time. The fire was discovered shortly after a heavy bolt of lightning and thunder had seemed to strike close by, during the electrical storm which broke the month-long drought. However, it could not be determined whether lightning had started the blaze.

About 1:45 a.m. Tuesday the department answered a call on U.S. 12 near Lima Center where a car caught fire from defective wiring. The rear half of the car, a 1942 Oldsmobile sedan, was destroyed.

The driver of the car was Rev. E. D. Tyler, of 4510 South Dearborn, Chicago, Ill.

Five Candidates Spar in Non-Partisan Probate Judge Race

Next Tuesday, Sept. 14, is Primary Election Day, when candidates will be selected for the November elections. In recent years, the primaries have not been as much of a contest as it has been in certain cases this year, especially for the office of congressman from the Second Michigan district, which includes Washtenaw, Lenawee, Monroe and Jackson counties, and the non-partisan contest for two nominations for the office of probate judge. There are five men seeking the nomination in the latter group, William R. Kelly, city attorney for East Ann Arbor, Albert J. Napp, former county prosecutor, and three others.

The Republican nomination for congressman from this district is being sought by three men in addition to Congressman Earl C. Michener, of Adrian, who has held the office for 22 years. They are Attorney Philip C. Kelly, of Jackson; Henry C. Barnes, Jr., a businessman in Ann Arbor, and Attorney George Meador of Ann Arbor, formerly Chief Counsel for the Senate War Investigating committee.

Democrats seeking the nomination for congressman are Redmond M. Burr and Preston W. Slosson. Both are from Ann Arbor. Slosson being a professor of history at the U. of M., and Burr, a former railroad agent.

Governor Kim Sigler is unopposed for the Republican nomination for governor, but there are three seeking the Democratic nomination. Burnett J. Abbott, Victor E. Bucknell and G. Mennen Williams.

For United States senator, Homer Ferguson, Republican, is unopposed, and Frank E. Hook is the only Democratic candidate.

In the Second Legislative district in the county there are two candidates for the Republican nomination for state representative, the incumbent, Joseph L. Warner, and George L. Ennen, of Ypsilanti.

Woodrow Goble is the unopposed Democratic candidate. He was formerly president of a UAW-CIO Local No. 782.

For state senator, the incumbent, Edgar F. Down, a former superintendent of schools at Ferndale and Pleasant Ridge, is seeking the Republican nomination, opposed by George N. Higgins of Pontiac, former senator. Democratic candidates are Odlin H. Johnson of Pontiac and Leslie A. Wikel of Ann Arbor.

Clyde D. Fleming, Republican county treasurer, is seeking re-nomination to the post. He is opposed by William F. Verner, Ann Arbor city treasurer. The unopposed Democratic candidate is William H. Kennitz.

Charles N. Menefee of Ann Arbor, Robert V. Fink and Edward D. Deane, both of Ypsilanti, all will automatically be placed on the November ballot. Two of the three are to be elected at that time for the office of circuit-court commissioners.

Other candidates for nominations, all unopposed, are as follows:

Republicans (all incumbents), Prosecutor Douglas K. Reading; Sheriff John L. Osborn; County Clerk Luella M. Smith; Register of Deeds Allan A. Seymour; Drain Commissioner Ceilon L. Hill; and Coroner Edwin C. Ganzhorn.

Democratic candidates, also unopposed, are George J. Burke, Jr., for prosecuting attorney; Joe E. Beeler, for sheriff; Thomas C. Walsh, county clerk; Katherine E. Swope, register of deeds; Daniel D. Levitt, drain commissioner; and William H. Dickinson, Sr., coroner.

A back-to-school reminder to drivers and pedestrians alike to "Take It Easy" is being issued by Automobile Club of Michigan in the form of the above poster. It and others are being distributed as part of a series to Michigan police chiefs and parochial and public elementary schools. The series will attempt to prevent the traffic death of any Michigan school child crossing the streets during the 1948 opening school days. After rising a third in 1946, traffic deaths of children between ages of 5 to 14 have decreased by 12 percent in 1947 in the face of greater traffic volumes. Auto Club encourages school safety patrols, teachers, and police forces to unite in reducing accidents every year. A diligent safety patrol boy in each city is annually given a four-day all-expense trip to Washington, D.C., for the AAA safety patrol convention.

To the Voters of

Washtenaw County . . .

The pressure of my daily duties as Municipal Judge at Ann Arbor has prevented me from personally calling upon you in anticipation of next Tuesday's Primary Election.

However, I want you to know that I am a candidate for the office of Probate Judge. My candidacy is based on more than twenty-two years of service as a lawyer and judge among you. This experience has brought me a deep appreciation of the importance of the work of the Probate Court, and the manner in which it affects the lives and property rights of many people, including many minors.

As Probate Judge it will be my earnest endeavor to make the court, and especially the juvenile division of the court, one in which every citizen of Washtenaw County may take pride.

I will sincerely appreciate your vote and your support in next Tuesday's Primary Election.

Sincerely,
Judge Jay H. Payne

Married by Former Pastor in Ceremony at Marine City, Mich.

Miss Lois Eileen Fortman of Ann Arbor, daughter of Mr. and Mrs. Byron H. Fortman of Chelsea, became the bride of Wayne C. Fairfield, also of Ann Arbor, at a double-ring ceremony performed at 4 o'clock Friday, Sept. 5, at Marine City, by Rev. F. W. Mumby, pastor of the Methodist church there and a former pastor of the Chelsea Methodist church.

Mr. Fairfield is a son of Mrs. Charles Fairfield, of Ann Arbor, and the late Mr. Fairfield.

The bride chose for her wedding, a street-length dress of sheer white tulle featuring a high neckline and draped details at the left side. With this she wore a brown satin, open-crowned hat which was bonnet-shaped and was trimmed with blended salmon-colored roses. It was finished with a brown, shoulder-length veil. Her shoes, purse and gloves were of the same shade of brown, while her three-quarter-length coat was of salmon-colored wool. To effectively complete her costume, she wore a corsage of deep lavender baby orchids and a choker necklace and bracelet set with amethysts, a gift from the bridegroom.

Mrs. Virgil Fairfield, sister-in-law of the bridegroom, in a pink, light-weight wool suit with brown accessories, was the bride's only attendant. Her corsage was of white roses.

Serving as best man was the bridegroom's brother, Virgil Fairfield.

A wedding supper for the bride and party and members of the couple's immediate families, was served at Hagleys, on the shore of the St. Clair river, after which the new Mr. and Mrs. Fairfield left for a ten-day honeymoon. After Sept. 13, they will be at home at 122 N. Thayer street, Ann Arbor.

The bride, a graduate of Chelsea High school with the class of 1944, has been employed as a dental assistant to Dr. R. B. Foy, Ann Arbor.

Mr. Fairfield, now employed at Albert Bataillon and Son, Ann Arbor, graduated from East Tawas High school in 1943.

Clark and General Motors stocks. He was a rich man.

When Bill died several years ago he left a million dollars to build a new St. Joseph's church at Escanaba, including a rectory, auditorium and gymnasium. Kate donated \$150,000 for a new public school and convent in the village of Garden. When she died early this summer she left about \$2,500,000 to Escanaba—a new Catholic Central high school, public high school, city hall, court house, public office building and city recreational facilities.

Thus the wealth from the woods at Garden and the Upper Peninsula has come back, in part, to the land in which Bill and Kate Bonifas got their start. Remember this when you visit the Garden peninsula, just west of Manistique.

Boy Scouts Conclude Successful Summer Camping Session

trip on Wednesday, remaining overnight until Thursday noon, and spending most of their time swimming, canoeing on Bruin, Watson, Patterson and Blind Lakes, and working on Second and First Class requirements for advancement.

Included in activities at Bruin was a weekly aquatic carnival on visitor's day (Wednesday) in which the boys participated in canoeing races, canoe tilting and other competitive games.

A total of some forty boys also participated in the 25-mile canoe trips from the Outpost Camp at Bruin Lake to Camp Newkirk. After two days of encampment on the shores overlooking beautiful Bruin Lake, the group shoved off, two or three to a canoe, and began the rugged trip across Bruin, Watson and Half Moon and Highland Lakes, into the Portage River. The journey continued down this stream, nicknamed the Portage Ditch by the boys, and over or around—on some five portages (dams, trees or other stream blocks) to Little Portage and Big Portage Lakes. From here, the route led into the Huron River and easy sailing henceforth except for rocks and some "rapid water" areas at Dover and Hudson Mills.

Invariably the Scouts arrived back tired and ready for sleep. The average time required to traverse the 25 miles was about eight to ten hours. The record for the summer is an even seven hours, held by Scouts Terry Feebiss, Troop 31 and Fritz Kessler, Troop 38.

Newkirk and Bruin Lake campers had their fill of food this summer, according to camp officials. Upon checking records after camp it was learned that over the four weeks' period some 132 campers and counselors, on a basis of one week attendance each, consumed 737 quarts of milk and 163 loaves of bread.

Love That Education . . .

It's like this about the first day of school when summer vacation is over—there just isn't much you can say about it. At least that's the way most of the young brides-and-joys feel as they wander disconsolately back into the classroom after two or three bookless months. But be of good cheer, children, and take a look at these cheery tots who anyway are acting as though they like school. And bear in mind that on some older and wiser day you will recall your hich in the school room and think: "I never had it so good."

Patterned for the Particular

and distinguished by DYNAFLOW DRIVE

If you're the kind of person who likes to look behind the labels when you buy, then you're the very person for whom this brawny ROADMASTER was conceived.

We made it big not just for show, but for the very practical benefits in riding qualities to be obtained from bigness.

We gave it our huskiest power plant not simply to get impressive horsepower ratings, but to provide the brilliant action we think a fine car should have.

We mounted each wheel on its own soft, coil spring not merely out of tradition, but because such springing lays the basis for more uniform comfort for back-seat passenger and driver alike.

We made handling light with a woman's touch in mind, provided deep, soft cushions and smart interior finish in the interests of gracious hospitality.

And finally we reserved for this, the largest and finest of all Buicks, the newest and silkiest form of power transmission.

Only Buick ROADMASTER of all cars on the road has Dynaflo Drive—only this strapping carriage, patterned for the particular in all details, has the drive in which

flowing oil replaces both the usual clutch and the familiar low-second-high gear sequence.

From such things has come a swing to ROADMASTER which makes prompt action advisable in placing a firm order. Your Buick dealer will accept yours either with or without a car to trade.

When better automobiles are built BUICK will build them

BUICK alone has all these features

- * DYNAFLOW DRIVE * TAPER-THRU STEERING * RIGID TORQUE-TUBE (Roadmaster Series only) (Super and Roadmaster)
- * FLEX-FIT COIL RINGS * ROAD-RITE BALANCE * QUADRUPLEX COIL SPRINGING
- * SOUND-SCORER TOP LINING * VIBRA-SHIELDED RIDE * SAFETY-RIDE RIMS (Super and Roadmaster)
- * HI-POINT FIREBALL POWER * DUCOMATIC SPARK ADVANCE
- * TWIN SMART MODELS * BODY BY HYMER

From where I sit... by Joe Marsh

One Great American Trait

I always think it does a newspaper editor good to get out from behind his desk and see how folks in other parts of America look, and think, and act.

And that's what I've been doing these past weeks, touring the country from Michigan to Texas, California to Maine. It's a mighty encouraging experience. Not only because of the different points of view you run into—but because of the tolerance which reconciles those different points of view.

I mean the tolerance of a Penn-

sylvania farmer for the habits of his city cousins; the tolerance of folks who vote one way towards those who vote another; the tolerance of those who prefer spring water towards those who enjoy a moderate beverage like beer.

From where I sit, it's that great American trait of tolerance—respect for individual tastes and liberties—that makes this country strong. Let's never lose it!

Why You Should Vote for Albert J. Rapp for Probate Judge

Next Tuesday, September 14, 1948, you will be called upon to nominate a successor to Hon. Jay G. Pray, who is retiring from the office of Probate Judge.

After a careful study of his public record, we heartily recommend the candidacy of Albert J. Rapp for the office of Probate Judge of Washtenaw County, for the following reasons:

- He is a self-made man, obtaining his legal education by attending Law School nights after working days for the New York Central Railroad, while being married and maintaining a home for his family.
- He would not have served Washtenaw County as Prosecuting Attorney from 1931 to 1941 if he had not been competent and efficient, during which period he assisted in solving the problems of hundreds of unfortunate juveniles involved in broken homes.
- Having been a successful attorney and counselor-at-law for 21 years, he is fully qualified and competent to judicially exercise the functions and duties of Probate Judge in the settlement of estates of deceased persons, and to protect the rights and interests of that class of persons who are unable to defend themselves, such as widows, orphans, neglected and dependent children, juvenile delinquents, insane, feeble minded and epileptics.
- He is likewise judicially qualified to preside over the Juvenile Division of the court as he is married, has a daughter and two grandsons, and as a parent, he has learned by actual experience the obligations devolving upon him in the rearing of children along lines of kindly discipline, of sympathetic understanding of their problems, and a humanitarian interest in the future welfare of all juvenile delinquents should they be brought before the Court.
- We therefore urge you, your family and your friends to be sure and Vote for ALBERT J. RAPP, Non-partisan candidate for Probate Judge, at the Primary Election to be held next Tuesday, September 14, 1948.

Twenty-one players entered and finished the golf tournament at Holmes Recreation field on Friday. Prizes were given as follows: Max Schoenhals, first; C. O. Bahnmiller, second; John Bacon, third. Each player was given an unknown handicap.

The required fifty members have signed for the purpose of maintaining the grounds and at the rate they have been signing it is expected at least 60 members will be signed before the week ends. This absolutely assures Chelsea that the gift and grant from the H. S. Holmes estate will be accepted. The grounds are in fine shape and every day from 50 to 75 players can be seen on the field.

Defense Day in Chelsea, this Friday, promises to be the biggest event of the year. A program will follow the parade in the afternoon. Musical selections will be by George Atkinson and J. W. Nicholas; xylophone solo by Georgia Smith; band music will be played by a forty-piece band and the Kiwanis Club and Kiwanis quartette will sing several songs.

Miss Bertha Marie Messner, daughter of Mr. and Mrs. Charles Messner, and Carl M. Knapp, son of Mr. and Mrs. Frank Knapp of Ann Arbor, were married Wednesday afternoon at the St. Paul's church, Rev. P. H. Grabowski officiating. The young couple was attended by Miss Norma Messner, sister, and Mr. Herman Wellhoff, cousin of the bride. Immediately after the ceremony the wedding supper was served at the home of the bride, Mrs. Knapp.

Last week, Friday, five men in a Cadillac car drove up to the bank at Gregory with four of them entering the bank and the fifth remaining at the wheel of the car, with the car motor running. They forced Howard Howlett, assistant cashier of the bank into the vault, scooped several thousand dollars in currency and bonds into bags and made their escape.

Robert Reed, a patron who entered the bank during the hold-up, was also forced into the vault with Howlett and the two effected their release about five minutes later with the aid of a screw driver and flashlight. Approximately \$5,000 was taken, but that amount was corrected by insurance. While no trace of the robbers has as yet been reported, notes for large amounts have been found on the Fred Durkee farm at Clear Lake, which are believed to have been in the loot taken from the Gregory bank. The notes were found by Chris Mays.

City of Contrasts

Tripoli is the capital and largest city of Libya, with more than 100,000 inhabitants. Its Moslem mosques and Christian cathedral, its rambling Old Quarter and the substantial European structures of the new hint at the story of the diverse peoples and cultures meeting there. A Tripoli crowd, halted for a passing automobile, donkey or camel, may, for example, include a British, French or Turkish army officer, an Italian peasant from a nearby farm or a Greek fisherman.

Miss Flora Kempf left last Friday for New York City, where she met her sister, Mrs. C. S. Winans and her daughter, who landed in that city Monday afternoon from Paris. Mrs. Kempf returned to her home here and Mrs. Winans and daughter went to Cambridge Mass. for a visit with her son Hubert. Mrs. Winans and daughter expect to arrive in Chelsea the last of next week. Chelsea relatives of Hon. C. S. Winans, have received word from him stating that he and his son are safe at Neuremberg, Bavaria, where he was recently transferred as the American consul.

Late Riser May Fire First Shot as Game Season Opens at Noon

Lansing—The late riser on opening day in southern Michigan this year will be able to get in first shooting for waterfowl, pheasants and other small game. Opening hour in this zone is noon on October 15, the conservation department reminds hunters.

Shooting for ringnecks and small game animals will open at 7 a.m. each day after the opening day, except on the second day, when the earliest shooting hour is 10 a.m. in the southern counties. These hours also apply in this zone to rabbits, squirrels and ruffed grouse.

Hours for waterfowl shooting after the first day will be from half hour before sunrise to one hour before sunset. This will mean hunting as early as 6:18 a.m. and as late as 5:18 p.m. in some sectors, depending on date and time zone.

SPECIAL ELECTION DATE SET

Williamston—At a special meeting Monday evening, the City Council set Oct. 5 as the date for the special election to settle the sewer, sewage disposal and water question here. The election is required by the filing with the City Clerk of petitions bearing a sufficient number of signatures, demanding a referendum upon the question. There were 197 such signatures, about 100 being the required number.—The Williamston Enterprise.

NEW POLICE QUARTERS

Buchanan—The Buchanan police department is working at odd times and nights fitting up their new home in the quarters in the American Legion building lately vacated by the Betsy Ross headquarters office. The partition which was formerly up front has been moved back to seven feet from the north end, where a private office is being set up, including the police radio, radio log and records. The new arrangement will be more convenient in many ways for police department and the public.—The Berrien County Record.

DOG QUARANTINE EXTENDED

Northville—Dr. V. George Chabot, Northville's Health officer, announces that the dog quarantine has been extended from Aug. 31 to Sept. 30. This action has been taken, he said, from the current rabid dog threat throughout the community. Dr. Barret of Wayne county's department of health, said that one case of rabies had been reported in Redford township, nine cases in Livonia, ten cases in Canton, one case in the City of Plymouth, two in Plymouth township and the village of Northville.—The Northville Record.

TARGET SHOOTING ACCIDENT

Manchester—Doreen L. Hackman, 17, of RFD 2, Brooklyn, was wounded on the right hand while target shooting on a farm on Farmington road, near Norvell, Sunday afternoon about 4:30 p.m. Washtenaw county Sheriff's Deputy, Charles Scheiber, of Manchester, said the bullet was fired from a .22-caliber rifle by Eugene Kendall, 17, of RFD 1, Grass Lake. Kendall told the officer he mistakingly thought the gun's safety mechanism was in operation. The bullet was removed from Hackman's hand by a Manchester physician.—The Manchester Enterprise.

COACH DEPARTS

Manchester—Last week Ben McCabe of Manchester was contacted as a prospective junior varsity coach at Harvard. He has just received word that the job is his if he wants it. And, Mr. McCabe assures us that he certainly does want this chance, so he and Mrs. McCabe are busy packing—and will soon be making their departure. Art Valpey, a former coach here, is now head coach at Harvard. Others beginning on the staff from this locality include Dave Nelson of Hillsdale college; Forest "Butch" Jordan of the U. of M., as coach in football and assistant wrestling coach; George Madar, the U. of M. end coach, will be head football coach at Harvard.—The Manchester Enterprise.

NEW LEGION HOME PLANNED

Stockbridge—At the last meeting of the Munith-Fitchburg-American Legion Post, it was announced by Hank Reno that a building site had been donated to the organization by Richard Reno. This building site lies about two miles south of Munith at the junction of Portage Lake road and Coon Hill road. It has a frontage of 300 feet and is 200 feet deep. On this spot will be erected a building 40x80 feet. Excavation is expected to start within a couple of weeks. It

is tentatively planned to build a basement with a temporary roof this fall. This will provide a place for the meetings and winter functions of the Legion. Final construction will be postponed pending the raising of more funds.—The Stockbridge Brief-Sun.

NEW FIRE ARRANGEMENTS

Dexter—Because of failure of the Dexter Village Council and the Dexter Township Board to reach a satisfactory financial agreement,

the rural residents of Dexter township are without fire protection from the Dexter village department. However, according to John Sterling, supervisor of Dexter township, satisfactory arrangements have been made by the Dexter township board with three other fire departments and Dexter township rural residents must now contact one of the following in case of fire: Chelsea Fire Dept., Pinckney Fire Dept., or the Michigan State Cassidy Lake Technical

School Fire Dept. This protection, according to John Sterling, is better fire protection than most townships have who must depend upon one local department for aid.—The Dexter Leader.

National Anthem Is Song of High Courage

Francis Scott Key was a prisoner on board a British frigate in Baltimore harbor during the terrifying night of September 12, 1814.

It was the War of 1812. British troops, at the height of their victories, had burned the Capital, White House, Treasury and other public buildings in Washington. Now they were shelling Fort Mifflin.

Crouching on the deck of the ship where he was being held, Francis Scott Key watched the battle. The harbor raged with exploding shells, and cannons boomed through the night. Staring into the darkness, he

could see the outlines of the fort revealed starkly with each flash of warlike light. Above it flew the American flag.

All night he watched, looking at the top of the flag. When dawn rolled in from across the Atlantic, he could see that the defenders of Fort Mifflin had not struck their colors.

Suddenly he took an old envelope from his pocket and began to write on the back of it...

"O, may, can you see..."

Frantically he scribbled out the rest of the now-immortal lines and finished, "... In the land of the free and the home of the brave."

That was the morning of September 13, 1814, and Francis Scott Key had written "The Star-Spangled Banner," now the United States national anthem, revered by every American as a magnificent expression of hope and courage which would not accept defeat.

Rural Tele-news

THE RINGS YOU CAN'T HEAR—Many improvements in telephone service come about so gradually that it's sometimes easy to overlook the results. Take the matter of ringing on rural lines, for example. Ten years ago, nearly every rural-line telephone customer served by Michigan Bell heard the rings of all other parties on the line. Today 87 out of every 100 hear the rings of no more than half the parties on their line.

METAL MUNCHER—Squirrels occasionally gnaw holes in the lead sheathing around telephone cables. To prevent damage from moisture reaching the wires through these and other types of punctures, many cables are kept filled with gas. When the gas escapes, lowered pressure sets off an alarm in the telephone central office. Sensitive devices help tell where the break has occurred and a repairman can go out and clear the trouble, in most cases before service is interrupted.
