

High School Football Squad Shows Good Defense Despite Romulus' Powered Victory

Robbins Suffers Fractured Rib in Hard-Fought Game

By DWIGHT GADD

The Chelsea Bulldogs took it on the chin last Friday night as they bowed to Romulus, 21 to 0, in the Huron League opener for both clubs.

It was just too much for Willie Campbell, a big, fast, rough negro, who is Romulus' fullback. He scored 14 of his team's 21 points and looked very good. The Romulus forward wall had it over the Chelsea line in both weight and size, but certainly not in fight. Even though felled, the Bulldogs looked better than in the previous week's game at Dexter, which they won by being opportunistic.

Romulus jumped to an early lead and the ease with which they did it had all but the staunchest rooters fearful of the outcome. Chelsea received, but fumbled the kick-off and Romulus recovered on the Chelsea 38-yard line. Two plays later Romulus returned the favor and it was Chelsea's ball on their own 27.

Three plays later seven yards, but on fourth down Dave Knickerbocker's punt was partially blocked then fumbled by Romulus and Chelsea recovered on their own 34.

After running off one first down the attack stalled, and this time Knickerbocker's kick, he punted from his own 36, was blocked and recovered on the Chelsea 10. In two plays Romulus scored with Campbell plunging between left guard and tackle for the final five yards. Campbell also bucked over the extra point on a fave conversion play to put Romulus ahead 20 to 0, midway of the first quarter.

Chelsea received, but couldn't get going. Knickerbocker's kick was hurried and it was short, to give Romulus the ball on the Chelsea 31. Four plays into the second quarter Romulus had their second score with Peterson, the Eagles' left half, taking it over from four yards out. Campbell again bucked over the extra point from the fave placement formation and Romulus led 28 to 0.

On 14 Bulldogs again received and again fumbled on the first play from scrimmage and Romulus recovered on the 33. The Bulldogs dug in to hold this time, however, and took the ball on downs on their own 28.

From there the local boys put on a very fine drive as they marched straight down-field. Knickerbocker's kick was hurried and it was short, to give Romulus the ball on the Chelsea 31. Four plays into the second quarter Romulus had their second score with Peterson, the Eagles' left half, taking it over from four yards out. Campbell again bucked over the extra point from the fave placement formation and Romulus led 28 to 0.

Catholic Assn. Meets Here Last Sunday

Southwest Deanery Hears Address by Rt. Rev. Msgr. Peek

The second quarterly meeting of the Southwest Deanery of the National Council of Catholic Women was held in Chelsea, Sunday afternoon, Sept. 26, in St. Mary's auditorium, with 138 ladies in attendance.

The meeting was called to order at 2:30 p.m. by the president, Mrs. John Marvin of Adrian, and the opening prayer was offered by Rt. Rev. Msgr. Warren G. Peek, pastor of St. Thomas Church, Ann Arbor.

Rev. Lee Laige, pastor of St. Mary's church, Chelsea, welcomed the group and said that it was inspiring to women take such an active part in the work of the Council.

Discussions and reports followed, regarding motion pictures, Displaced Persons, Chaplains Aid, Shrines, Family Life Conference, Blood Banks, and War Relief.

The president introduced a new board member, Mrs. Armin Schmalz of Chelsea, who will act as publicity chairman for the Council. Mrs. Norbert Merkel serves in the capacity of Motion Picture chairman.

Preceding his address, Rt. Rev. Msgr. Peek announced that the statue of the "Pilgrim Virgin" of Fatima would be in Ann Arbor on Oct. 5, and extended an invitation to everyone to take part in the ceremonies.

He chose for his topic, "What is expected of a Parish Council, and how to accomplish it?" He stated that one must feel a responsibility in order to participate in the Eternal Priesthood of Christ. To achieve this, three things are necessary: prayer, study, and action. The cause of Christ will prosper if we avail ourselves of these fundamental principles. The human mind can do great things if attuned to the mind of God.

In conclusion, Msgr. Peek pointed out the words of Pope Pius XII, when he said that he thanked God that he was placed at the head of his Church during such troubled times and trying times.

Mrs. J. E. Borrow, social aid chairman of the Juvenile Court in Chelsea, outlined her type of work and cited examples of some of the cases. She said the problems of abandoned and neglected children are most important, and that churches could help a great deal in effecting solutions.

The president gave some very interesting highlights on the 24th Annual Convention of the NCCW, which she attended recently at New Orleans.

After the closing prayer, which was led by Msgr. Peek, the meeting was turned over to Mrs. G. L. Staffan, who announced the following program: Vocal solos by Miss Patricia Murphy and Miss Mary Jane Eder, after which the entire group sang the hymn, "Mother, Dear O Pray For Me."

Refreshments were served by the ladies of the Chelsea Fire Department. Other visiting guests were Rev. Bernard Hoy of Hudson, and Rev. D. Edmund Ferrin of Monroe.

The next meeting will be held in December at Wayne, the date to be announced later.

Navy Announces Its College Training Program Schedule

The Navy announced recently that the third nation-wide competitive examination for its College Training Program has been scheduled for Dec. 11, 1948, and will be open to high school seniors or graduates within the age requirements. Successful candidates will be given a four-year college education at government expense and will be commissioned as officers of the Navy or Marine Corps upon graduation.

The program is open to male citizens of the United States between the ages of 17 and 21, and state and territory on the basis of its high school population. Those who are successful in passing the aptitude test will be interviewed and given physical examinations; then, if found in all respects qualified, their names will be submitted to state and territorial Selection Committees composed of prominent citizens and naval officers. The Navy expects to enter about 2,350 students into the program commencing with the fall term of college, 1949.

The students selected by these competitive examinations will be assigned to the 52 Naval Reserve Officers' Training Corps units which are located in various universities and colleges in the United States. If accepted by the colleges, they will be appointed Midshipmen, U.S.N.R., and will have their tuition, books, and normal fees paid for by the government. In addition they will receive pay at the rate of \$50.00 a month for the four-year period. Upon graduation they may be commissioned as officers in the Regular Navy or Marine Corps and required to serve on active duty for two years. At the end of this time they may apply for retention in the Regular or Marine Corps, or transfer to the Reserve and return to civilian life.

Applications are available at high schools, colleges, Offices of Naval Officer Procurement and Navy Recruiting Stations.

Carl Chandler, teacher at Chelsea High School, who is acting as the Navy's local civilian representative, will be pleased to provide specific information about the program, including the time and place of the competitive examination, the method of making application, and the specific age and scholastic qualifications.

FIRE PREVENTION

(Continued from page one)

Check the smoking habits of your family. Let no person smoke in bed. See to it that there are sufficient ash trays in the various rooms. Check your cigarettes to be sure they are completely extinguished when discarded.

Have your furnace or heating equipment, its flues and chimney cleaned and thoroughly checked for faults, cracks, loose bricks or rusted out places.

Be sure that every gasoline container is so marked that it cannot be mistaken for kerosene. Allow no one to use inflammable cleaning fluids for clothing, floors or furniture within the house.

Do not use electrical appliances that misbehave. Do not overload lighting circuit. Have all worn wiring and poor sockets replaced. When fuses blow out, when lights flicker, when equipment does not work properly, you and your family are in danger. Something is wrong.

The same is true for gas appliances. Any smell of gas requires that the entire supply of the house be shut off until a check has been made by an employee of the gas company. The smell of gas means that gas has escaped into the room or basement. Attempting to light the fire or heater may blow up or burn up the entire house.

Clean up your attic, basement and closets; especially get those oily dust mops out of closets, and dispose of old paint cloths, oily dusting rags, old paints and var-

nish. Such things can cause spontaneous fires without warning in less than an hour's time.

Use only a metal container for furnace ashes and be sure it is not near kindling, papers, or the wood-on coal bin.

Screen your fireplace; keep lighted candles far from blowing curtains and drapes; and supervise fall bonfires carefully.

Do not leave children alone in the house. Be sure that you have checked the furnace, turned off the iron and all electrical appliances, the gas stove, and the non-automatic water heater when you leave the house. Turn off and disconnect your electric flatiron whenever you leave the room for any length of time.

He concludes with the reminder to "give a thought to these and other fire hazards in your home or on your farm. Homes are hard to get, property is valuable and life is irreplaceable."

Girl Scout work was discussed at some length, but no decision in regard to the problem was reached and the matter was tabled until the next meeting.

Miss Bernie Pond

Becomes Bride of Philip Skentelbury

Miss Bernie Pond of Detroit, and James Philip Skentelbury were united in marriage in a double-ring ceremony performed at noon Saturday at the home of the bridegroom's parents, Rev. and Mrs. W. H. Skentelbury, in the presence of twenty-five guests, all close relatives and friends of the couple. Rev. Skentelbury read the marriage service.

The bride chose for her wedding a street-length dress of royal blue satin, with which she wore a corsage of baby orchids.

Her only attendant, Mrs. Robert Bloom, of Jackson, wore a dress of blue crepe and a corsage of pink chrysanthemums.

Following the ceremony a two-course luncheon was served.

Guests at the wedding were all from out of town, coming from Kalamazoo, Battle Creek, Dundee, Ann Arbor and Detroit.

Following a short trip to Cleveland and other points in Ohio, the couple will return this week to Marquette, where they will make their home at 420 North Third street.

The bride has been a junior bookkeeper for a Detroit wholesale drug firm, while the bridegroom, who served 40 months in the U. S. Navy, is now a radio engineer at Station WDMJ at Marquette.

Miss Mary Lou Piatt Married Saturday in Ann Arbor Ceremony

Miss Mary Lou Piatt of Chelsea, and Charles W. Brown of Ann Arbor, were married at nine o'clock Saturday morning in St. Thomas church, Ann Arbor, with Father Kenneth MacKinnon officiating at the double-ring ceremony in the presence of one hundred and twenty-five guests. Baskets of gladiolus decorated the altar for the wedding.

The bride is the daughter of Mrs. Kenneth Piatt of Chelsea, and the late Kenneth R. Piatt, Sr. Mr. Brown's parents are Mr. and Mrs. Cleon T. Brown of Ann Arbor.

The bride's gown of ivory satin was made with a fitted bodice with a keyhole neckline and long-sleeved sleeves and was trimmed at the neckline with seed pearls. The skirt was fully gathered and was finished with a long train. A tulle of satin-covered lilies centered with seed pearls, held her finger veil in place. Her bouquet was of white roses. She was given in marriage by her brother, Kenneth R. Piatt.

The matron of honor, Mrs. Eldon J. Condit of Ann Arbor, a sister of the bridegroom, wore gold colored taffeta with an off-shoulder net yoke edged with a bertha of taffeta. The full skirt featured a bustle and she wore mitts and headpiece of the same gold color as her gown, and carried a colonial bouquet of talliesman roses.

Two sisters of the bride, the Misses Shirley and Minnie Mae Piatt, in matching gowns of green taffeta, made like Mrs. Condit's, were the bridesmaids. Their colonial bouquets were of pink roses and they wore green mitts and headpieces.

Beverly and Robert Condit of Ann Arbor, niece and nephew of the bridegroom, acted as flower girl and ring bearer, the former wearing a white colonial-style gown made with a hoop skirt and a bonnet to match tied with a bow under the chin. She carried a tiny bouquet of pink roses.

Eldon J. Condit of Ann Arbor, served as best man and William Delley of Ann Arbor, and Glenn Eskine of Chelsea, were the ushers.

A wedding breakfast was served at the American Legion Home in Ann Arbor, where the reception also took place. At the reception Mrs. Lawrence Fowler of Cavanaugh Lake, a cousin of the bride, cut the cake. An aunt of the bride, Mrs. Harry Stoffer, and an aunt of the bridegroom, Mrs. Ethel Dickson of Ann Arbor, poured and Mrs. James Pine was in charge of the guest book.

The bride, who is employed at King-Seelys in Ann Arbor, is a graduate of Chelsea High school, while the bridegroom is a graduate of Ann Arbor High school and Cleary Business college, Ypsilanti. He is employed as an accountant at Ypsilanti State hospital. During World War II he served in the Infantry for thirty-four months and was on overseas duty in the European theater for fifteen months.

The couple will be at home, after a week's trip to Niagara Falls and other points, at 4400 Scio Church road, Ann Arbor.

For going away the bride wore a gabardine suit of hunter's green

with brown accessories and a gardenia corsage.

Prenuptial showers for the bride were given by Mrs. Eldon Condit at her home in Ann Arbor; Mrs. Albert Stapish, Mrs. Harold Boltz, Mrs. Wilbert Smith, Mrs. Ted Jarvis and Mrs. Irvin Wells at the Masonic Hall in Chelsea, and by Mrs. Charles Bycraft and Mrs. James Pine at the home of Mrs. Bycraft.

THINGS TO WATCH FOR
The Bulldogs play at Roosevelt tomorrow afternoon.

Hi-Y initiation will be held Tuesday, Oct. 5.
The Grade PTA meets tomorrow night at 8:00 p.m. in the Home Ec. room.

School will be closed Oct. 7 and 8 for the MEA convention in Detroit.

WATCH YOUR CRITICISM!
Some criticisms, although they are meant to do no harm, often turn out to be destructive. One who criticizes others should offer only constructive thoughts. If a person offers his opinion of some other work which does not live up to his own standards, he should give ideas towards the improvement of that work. In some cases there are many factors which couldn't have been helped. Therefore destructive criticism is useless. Remember this: "If you can't say anything helpful about something or someone, say nothing."

at all." If that doesn't help, remember that the Golden Rule has always proved its point, "Do unto others as you would have them do unto you."

We're poor at composing poetry or song, we're just supposin' the whole day long.

Here are the things we dream't up today, each of them brings some thought your way.

So come with us now—(we're not imposin') and try to see how you are at supposin'—that:
Joyce H. and Mary Ann S. met some Army men... The spectators showed some pep... Lee Max sat with Jana Lou on the bus every morning... Charlotte O. hadn't been at camp last summer... We had a "no-home-work" week... Miss Searles hadn't left Chelsea High... Mary Lou P. had—Kenny? Chorus had a steady pianist... The women of Chelsea High caught a man... The seniors had a decent stand... Bob R. hadn't called Margie "Muscles". There weren't 85 more days till Christmas?

THE FORTY-NINERS
Mary Ann Gage, known as "Gaggle", will reach her seventeenth birthday Oct. 7. She entered Chelsea High as a Freshman. Her favorite sports are football and basketball, but she detests baseball. After working at the bakery Mary Ann decided her favorite food was chocolate cup cakes. When not busy she likes to relax in an easy chair with a good book or go to see a good movie. She likes comedies such as the "Bride Goes Wild".

Seniors! Please don't turn that magazine money in late, because at present that is Mary Ann's pet

peeve. Her plans for after graduation at present are indefinite, but she thinks she would like to attend business school.

Just the other day "Jimmy" the know-it-all, told one of the Journalism club members this bit of news:
On April 26, 1931 a little girl was born in Detroit. As this little blond-haired, blue-eyed girl was growing up, she enjoyed the pleasant surroundings of Warren, Mich. As most children do, she grew up and started high school. This is where Chelsea High school enters the picture for in her sophomore year she moved to Spring Lake. This senior girl enjoys the extra curricular activities, but in the evening when she comes home from school she looks up and remembers the lad in the Air Corps. Who is the mystery girl? Why, of course, it is Charlotte Otte.

Hi-School News...

SENIORS—The magazine campaign that the Seniors have sponsored for the last ten days will end today. The goal for this campaign was two thousand dollars. It is yet too early to tell whether the quota was reached or not.

The Senior stand committee met with Mr. Chandler and has made preliminary plans for the stand. The first stand will be set up for the home football game, Oct. 8. There will also be a stand at the Chelsea Community Fair.

JUNIORS—The Juniors held a class meeting and elected the following officers: president, Corky Edson; vice-president, Ronnie Eder; secretary, Roslyn Reule; treasurer, Dorothy Howard; and treasurer, Dorothy Howard.

The class rings are here and will be distributed as soon as everyone pays for his own.
The Juniors have decided to have a "dart-throwing" booth at the Community Fair. For prizes they will give older and doughnuts.

SOPHOMORES—The Sophomores decided to sell popcorn and ice cream at the Community Fair. They also plan to have a dance, if possible.
The class has set a date for Freshman initiation party to be Oct. 12.

Grade News...

SEVENTH GRADE elected Donald Schneider as president and Sandra Baldwin, who had next to the most points, as vice-president.

Famous Last Gasps

Jeanette Bertke is secretary and Marjorie Roberts is the seventh grade reporter.

In art we are drawing a picture, then we make the background of black.

We are learning a poem entitled "The Little Road", which is very pretty. We are making our first book report this year.

Grade seven has secured permission to have a pony-ride concession at the Community Fair. Three ponies will be borrowed, a ride on which will be sold for a small fee.

SIXTH GRADE—The following officers were elected in the sixth grade: president, Billy Scott; vice-president, Johnny Lantis; secretary, Paul Jennings; and treasurer, Sally Vogel.

FIFTH GRADE—There is a new student in the fifth grade, Edwin Bailey, from Ohio. Last Thursday we took band tests to see how many could play instruments.

THIRD GRADE—The third grade is enjoying art classes from Mr. Fisher.

SECOND GRADE—The second grade, group 2, has chosen canaries and fairies as reading groups.

FIRST GRADE—The Grade PTA has presented both first grades with \$10.00 each for the purchase of new toys and books for winter enjoyment.

KINDERGARTEN—Peter Flintoff's great-grandmother has made a crocheted mat for the kindergarten playroom. We are very pleased and wish to thank her. We also wish to thank all parents who have made it possible to purchase new toys.

THE VACUUM CLEANER
WE PICKUP ALL THE DIRT

Who is the originator of the name on the study hall desk? Seema as if Don Yates is being seen there quite often.

Last hour study hall seems to have changed its tune and tempo in the last week or so. Would the two new arrivals from shop, Lyons and Stofor, have any bearing on the situation?

Does anyone in this vast institution of learning have the faintest idea of what "pasteurized land" might be? The Senior English class is still wondering!

Stofor really seems to be on the ball this year in classwork. Would the absence of a certain someone be the cause of it all? Or could it be a new-found ambition to attend Michigan State Normal next year? Don McClear seems to resent be-

this year. The Student Council will charge them \$1.50 for the use of the victrola. P. Kelly and A. Taylor were appointed to buy records with this money.

HI-Y NEWS
The first meeting of the Hi-Y was held Thursday, Sept. 23. At the meeting the plan was adopted that the initiation should be held Oct. 5.

Also the Hi-Y will feed the players after the games and sponsor dances after the games. The officers were elected as follows: president, Fritz Weber; vice-president, Bill Lyons; treasurer and chaplain, Bob Stofor.

GAA
The girls' fall sports started last Tuesday. By popular request there is going to be girls' track instead of baseball this fall. Mae Slane was appointed treasurer.

CHORUS
Mr. Gable is conducting a community choir at the Methodist church on Wednesday evenings at 7:30 o'clock for the purpose of presenting the "Messiah" at Christmas. Joanne O'Dell was appointed treasurer.

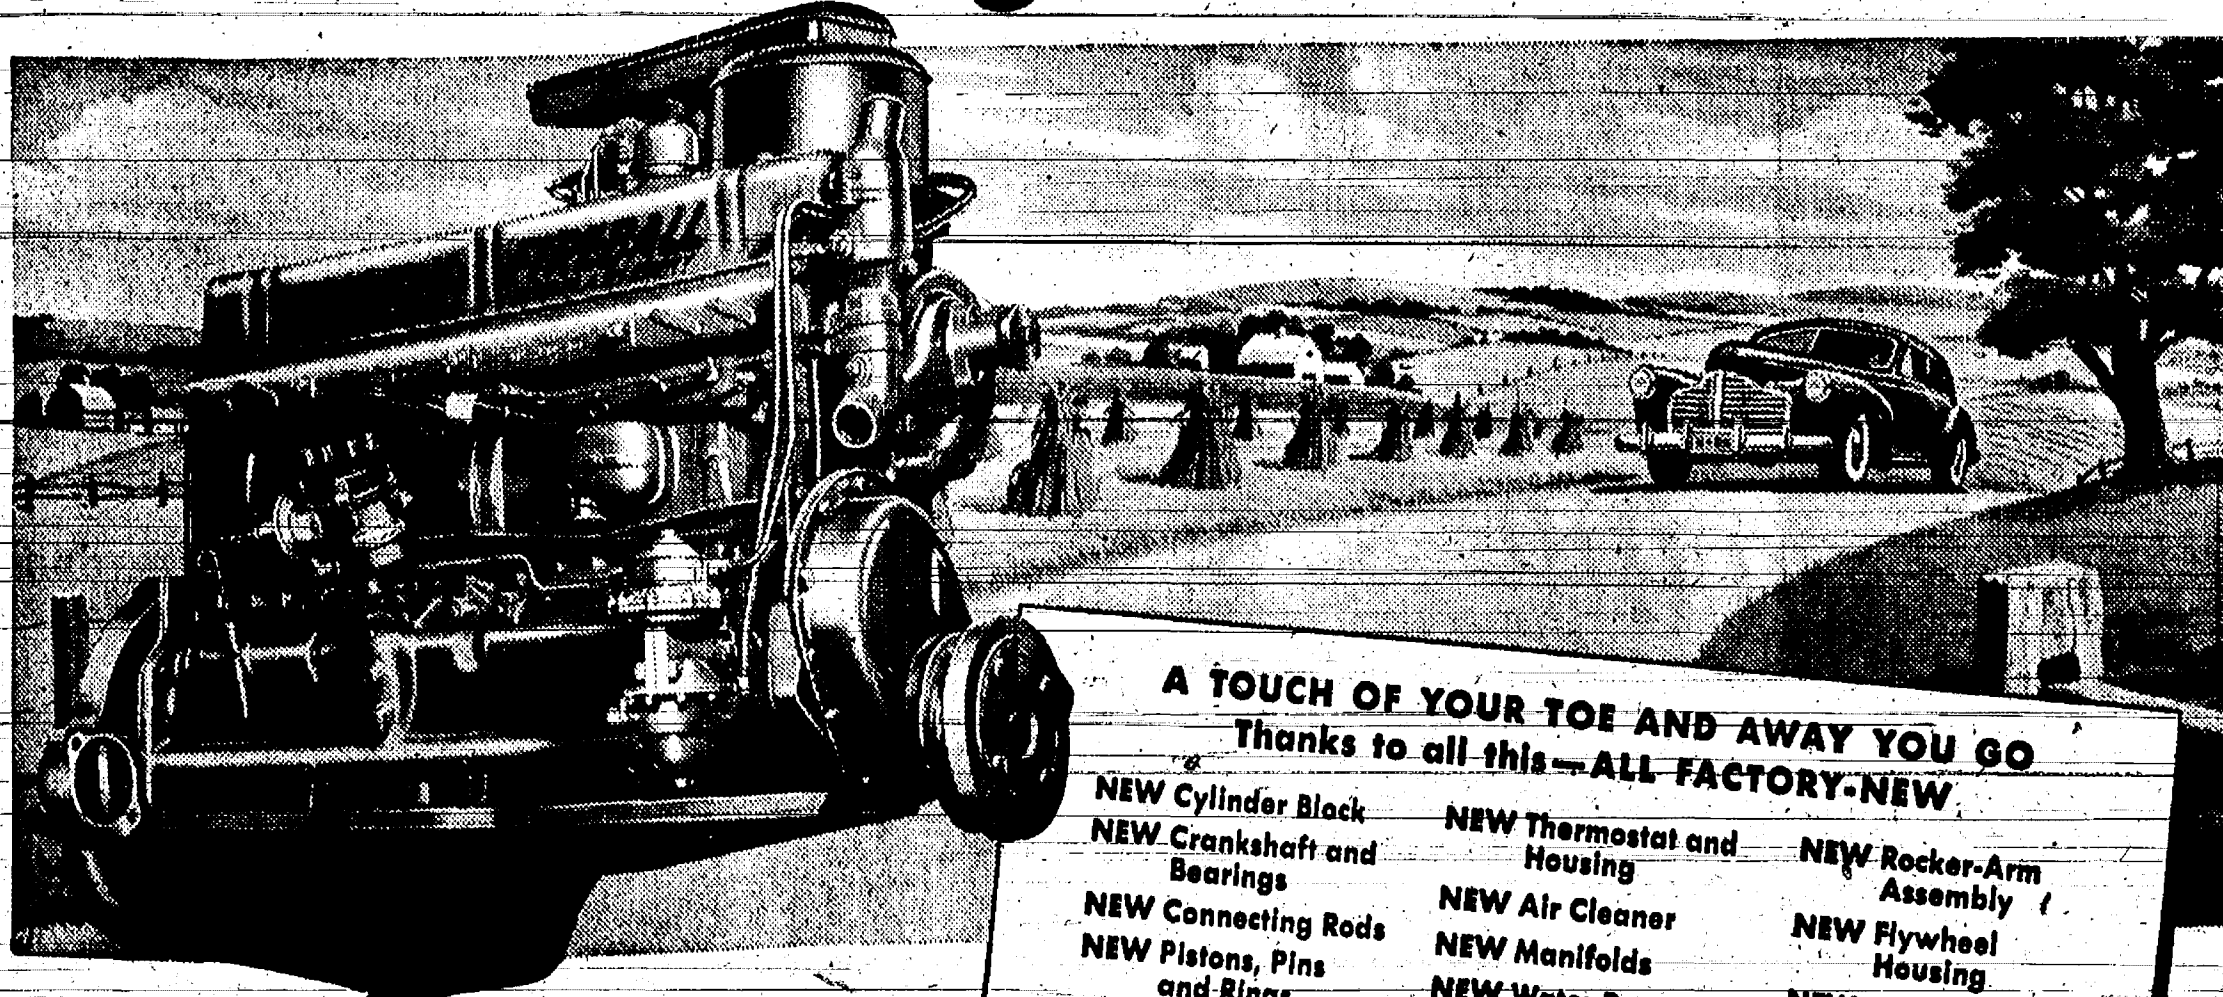

BAND
The band plans to play at all of the home football games and at least one other game. There are 28 pupils enrolled in band this year.

FEA
The boys in FEA are making plans for the Community Fair. They have planned to have games and food for sale.

The lower class went to Bauer's to see Walter's fat-stock project. At the first meeting of the year FEA elected two new officers as follows: vice-president, David Myers and the reporter, Bob Robbins. They also talked about buying some land to put projects on this year.

JOURNALISM CLUB
It has been decided that the new members of the Journalism club must have a "B" average in English to qualify.

Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond, then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the resident house numbers of any section of a Township, City or Village have been changed, such change shall not affect the right of such voter to cast his vote. Corresponding change in the registration records may be made by the Clerk or upon election day upon proper showing.

From where I sit... by Joe Marsh

Now that the bandstand has been painted, and the park re-landscaped, we have about the nicest village green in the county.

And it's all because, at the last town election, folks got out and voted—85 per cent of them! That way, they passed the amendment calling for park improvements—over those opposing it.

Reminds you again how important the right to vote is in this country. And it's a right we can retain only by exercising it! ... like all the other individual liberties—from freedom to enjoy a glass of beer or ale, to a woman's right to vote along with men.

Folks can thank themselves that on summer-evenings they'll be able to listen to band concerts in a well-kept park... enjoying a bottle of beer or soda pop (whichever they prefer). Because from where I sit, that's a freedom they've earned by exercising a still more important freedom: Voting!

GIL DODDS

(Continued from page one)

ton early this February climaxed his comeback trail which has seen him win 31 consecutive races and capture 21 indoor mile events in a row. Gil's 1948 season was cut short by a season with the mumps after three races and a slight leg injury kept him from participating in the Olympic games this summer.

In 1943 Dodds won the Sullivan award presented to the "amateur athlete who has done the most to advance the cause of sportsman-ship during the year," and in 1947 he received the annual track writers trophy for outstanding contribution to the sport.

The bespectacled Nebraskan in his spare time acquired his Bachelor of Divinity degree at Gordon College of Theology and Missions at Boston in June, 1946. He is now doing graduate work at Wheaton college.

Previous to establishing the new world's record for the mile at the Millrose Games, Gil had already broken the record existing at that time, with a 4:06.4 mile, run in March, 1944, at the Chicago News Relays.

Dodds is the son of Rev. and Mrs. J. G. Dodds of Akron, Ohio. Gil and his wife, Erma, their five-year-old son, Jack, and baby daughter, Jann Lucinda, now reside at Eola, Illinois.

Mrs. Maxwell is spending some time in Tiffin, Ohio, and plans to return to Chelsea for a visit with Mrs. Bollinger before leaving for Idaho. Her trip here and to Ohio was planned as a surprise after previous plans to visit here caused disappointment when circumstances forced their cancellation.

THE CLEFT ROCK
By Alice Tisdale Hobart.
A gripping story laid in the Central Valley of California, where feudal land holdings and vigilante violence have been often challenged but never conquered. A story of struggle against a niggardly nature to get water on an arid land and of a conflict between father and son in one generation and this son and his son in the next.
