

COMMUNITY FAIR OPENS TOMORROW

The Michigan political campaign has reached the interesting stage of alternating jousts and jitters.

Encouraged by public opinion polls, Michigan Republican leaders have been cocksure and confident of a GOP landslide in November.

Some voters have even wondered who is running for governor on the Democratic ticket: Mennon Williams or Attorney General Eugene C. Black.

It all contributes to October jitters. Call for a constitutional convention, five proposed amendments to the constitution and one referendum will also come before Michigan voters in November.

Disinterested exists at present regarding changes in the proposed constitution, far-reaching and they merit thoughtful consideration.

Should a constitutional convention be called to recommend revision of the state constitution? That's the question submitted by the state legislature for voters' decision this fall.

The present constitution, as amended, diverts sales tax revenue to schools. It freezes gasoline tax revenue for highway use.

No. 1 of the proposed constitutional amendments would define the order of succession of state officials, as follows: Governor, lieutenant governor, secretary of state, attorney general, state treasurer.

No. 2 of the proposed amendments is the controversial repeal of sales tax diversion. Such a diversion was approved by a majority of voters two years ago under a campaign sponsored jointly by cities and school teachers.

No. 3 amendment to the ballot would permit the legislature to fix compensation of the governor, secretary of state, state treasurer, auditor general and attorney general.

At present, the 1900 constitution sets their salaries at sums so low the legislature has had to authorize "expenses" for the governor and administrative board salaries for other state officials.

The fifth proposed amendment would liberalize the present 15-mill limitation of real estate taxes by authorizing the following: Extending from 5 to 20 years the period for which millage might be raised from 15 mills up to 60 mills; decreasing the two-thirds majority to a simple majority.

Milan Fleven Gains Revenge by Swamping Bulldogs 34-0 in First Home Appearance

To Meet Powerful U. High Squad in Ann Arbor Friday

By DWIGHT GADD Chelsea High school bowed very low in their first home appearance of the season last Friday night as the Big Reds of Milan smothered the Bulldogs, 34-0, to avenge last year's upset defeat, a 14-12 thriller.

The Bulldogs were not as bad as the score would lead anyone to believe, but Milan was that good, if you follow me. Chelsea just ran into one of the finest high school teams in this part of the state on a night when they were really "hot."

While Milan was rolling to five touchdowns and fifteen first downs, the best Chelsea could do was to penetrate only once as far as the Big Red 20-yard line, early in the fourth quarter, only to lose the ball on downs.

Milan's scores came as follows: First quarter—Chelsea's opening kickoff was very poor and the Bulldogs' Milan right end, fell on it on his own 40. Sixty yards and 10 plays later, Tooman smashed over his own left tackle from a yard out for the score.

Second quarter—Midway of the period, Bowling intercepted one of the Bulldogs' passes on the Milan 41-yard line. After covering the 59 yards in nine plays, with Opp going the final yard through center, Bausman hit for his third conversion. Score, 21-0.

Third quarter—Chelsea again couldn't gain after taking the kickoff, and Slane's punt went out of bounds on the Milan 37. With the same number of plays as in the 63 yards to pay dirt, for their fourth score, Terrington, quarterback, getting the marker from a yard out. Bausman converted. Score, 28-0.

Fourth quarter—Heydlauff intercepted a Milan pass on the Chelsea seven, but three plays later only one yard and Slane's kick was partially blocked and downed by the 18. Benjamin scored from one yard out, plunging through center, for the final marker. Bausman's attempted conversion this time hit the cross-bar and bounded back onto the field.

Tomorrow afternoon the Bulldogs travel to Ann Arbor to meet up-and-coming powerhouse Romulus Eagles last Friday, 10-6. According to reports that the Bulldogs could be in for a rough afternoon, but many teams have come back strong after a bad defeat, so maybe Chelsea can, too. Kickoff time is at 8:30. See you at game time!

Gas Tax Funds Apportionment Is Made to Counties

Lansing—Vouchers for the payment of \$2,000,000 in gas tax money to the counties of the state for the second half of 1948 McNitt Act payments have been prepared by the Highway Department and sent to the Auditor-General's office for payment, under the provisions of the McNitt Act.

The Chelsea Home Friends sent a lovely chrysanthemum plant to the Postlethwaite's room at the Home and at the dinner Mrs. Postlethwaite was presented with a corsage and her husband was given a flower to wear on his coat-lapel, as a remembrance of the occasion, from the Home.

On Sunday, during the regular worship service at the Methodist church Mr. and Mrs. Postlethwaite were honored in recognition of their anniversary. Called to the front of the church they were congratulated by the pastor, Rev. O. W. Morrow, on behalf of the congregation, and were presented with a plant.

Pre-Fab. House Is Completely Set Up Here in One Day

People who regularly pass the corner of Lincoln and Garfield streets each morning and evening stopped suddenly Friday evening, when they reached the corner, and rubbed their eyes to make sure they weren't "seeing things."

Unbelievable as it seemed, they found that it was true. The house is a new, factory-built model which is to be the home of Mr. and Mrs. John Steele and family.

Factory-built in sections, the whole house was set up and enclosed in one day, ready for inside finishing and putting on the roofing.

A couple driving by the corner Friday night stopped to look at the place and the woman was overheard saying "I tell you there was nothing there but the basement wall this morning," and the man was heard to answer, "Oh, you're mistaken, I'm sure. You must be mixed up on your corners. That basement wall must have been on some other corner."

Unbelievable as it seemed, they found that it was true. The house is a new, factory-built model which is to be the home of Mr. and Mrs. John Steele and family.

Park Clean-Up Bee Will Be Continued Next Thursday

Work on the Pierce Memorial Park clean-up will be continued next Thursday, Oct. 21, at 1 p.m. The work got off to a good start last week before rain forced the men to quit for the day before 8 o'clock. It is hoped that the weather next week will be better so that a full afternoon's work may be accomplished.

Because of the Community Fair this week it was thought best to postpone the work on the park project until next week.

Brush hooks, axes and shovels are the tools most needed in the work, and anyone having any of these is asked to bring them along. Everyone who can possibly do so is urged to come out and help.

Factory workers are urged to come out after leaving their jobs. Work will be continued until dark if the weather permits, and those who are through work at 3:30, 4 or 5 o'clock can still get in several hours of work on the clean-up job.

Kiwanians Launch Ticket Sale for Amateur Night

J. A. Mowbray of Detroit, an automotive engineer connected with the Standard Oil company, was the speaker at the Kiwanis club meeting held in the Municipal building, Monday evening. This being "Petroleum Progress Week," he outlined in an interesting way, the progress of the industry from its origin to the present time, and told of the many by-products of the industry.

After the meeting, the committee for the Amateur Show and for the Halloween Party met to discuss the progress of their plans for these two events. Alfred Mayer, chairman of tickets, coordinated the group into four parts under the leadership of Walter Leonard, Rev. O. W. Morrow, G. L. Staffan and James Nutt. The group selling the largest number of tickets is to be treated to a dinner by the losers.

The Dexter-Chelsea Youth for Christ, who have made arrangements for Gil Dodds' appearance, have also included on the program, Edwin Campbell of Detroit, a trumpet player who is often heard on the radio program "Echo of Heaven."

Tents Being Erected To House Exhibits at Chelsea Impl. Co.

Friday and Saturday of this week will see the 1948 version of the Chelsea Community Fair attracting contestants and visitors from miles around. This being the first fair for the community since the war years, hopes and anticipations are that this year's fair will be an unusually successful one, and from all advance indications it will reach that goal.

The fair will be held on the grounds of the Chelsea Implement Co., one-half mile south of the village limits, on highway M-92. Fair manager, Anton Nielsen, reports that many more entries have been received in all exhibits than anyone on the Fair Board had anticipated.

Hundreds of entries in the many classes of competition, embracing nearly everything from apples to a hobby show, have been received from 4-H Club and FFA members, organizations and individuals.

With the Fair officially opening at 9:00 a. m., Friday, judging exhibits will start shortly thereafter at 10:00 a. m., and continue throughout the day.

A highlight of Friday's program is the chicken supper and fish dishes which will be served on the fairgrounds between 6 and 8:30 p. m. Mrs. Everett Van Riper and Mrs. Anton Nielsen are co-chairmen of the chicken supper committee, with other members of the committee being Mrs. Arthur Barth, Mrs. Robert Lantis, Mrs. Doris Whitaker, Mrs. Harold Widmayer, Mrs. Gottleb Bollinger and Mrs. Jack Bradbury. Mrs. John P. Cook is in charge of the fish dishes and Mrs. Herbert Roy is assisting her.

Saturday morning the show will open at 9:00 a. m., also, judging of the afternoon's program will be the horse pulling contests and the tractor backing contest. A large number of entries have already been made and much competition is assured for those participating.

At 8:30 Saturday evening a free entertainment program will be presented in the Chelsea High school auditorium. The same members of the committee will be the managers and operate the business for the next two years while Mr. and Mrs. Smith vacation in the West. The Smiths plan to leave here the latter part of November.

NEW STATION MANAGERS Mr. and Mrs. Charles Smith, owners of the Sunoco service station on US-12, five miles west of Chelsea, have leased their business to their son and son-in-law, Charles Smith, Jr., and Kenneth Livingston, who will be the managers and operate the business for the next two years while Mr. and Mrs. Smith vacation in the West. The Smiths plan to leave here the latter part of November.

Both New and Used Clothing Drive at St. Mary's School

Reports from various war-torn countries, state that the lack of clothing has become a menace to the health of the people. They again plead for used clothing, such as warm underwear, dresses, suits, sweaters, overcoats, stockings, night clothing, bedding, soap and blankets and other items, and towels, for those whose inadequate and depleted clothing supplies make it impossible to face another winter. This drive will be held by St. Mary's Church, Oct. 17 to 31. Donations are to be left at St. Mary's School.

Now that the new clothing drive for children for the Pope's Storehouse has been extended, a second appeal is made to each and every Catholic woman in the parish to re-spond. Winter is coming and these poor children, especially the babies, are very much in need of sweaters, clothing, such as layettes, especially coats, blankets and hats and shoes. The donor's name and address must accompany each package and these donations can be left at St. Mary's School, also.

AMENDMENTS—NOV. 2 If you want Our schools to thrive, Vote "No" on Two And "yes" on Five.

School Authorities Commend Action of Village Council

The following letter of commendation was received by the village president this week from Supt. A. C. Johnson: Hon. M. W. McClure, Village President, Chelsea, Michigan. Dear Mr. McClure: The Board of Education has asked me to convey to you and to the members of the village council their appreciation for the action of the council for having stop signs installed at the corners of East and Park streets and East and East Middle streets.

Surveys made of the various corners in our village indicate these corners to have exceptional heavy traffic, both pedestrian and automobile, during the hours pupils are on the streets. The large percentage of our pupils must cross these streets while travelling to or from school and the speed at which cars travel on East and East Middle streets presented a real danger to the pupils. Our observation of conditions since the installation of the new signs, has been that the stopping of vehicular traffic at these points has greatly decreased the possibility for accidents.

We are certainly glad the council took this action now rather than wait until a child's life was lost. Yours very truly, Chelsea Agricultural Schools. (Signed) Albert C. Johnson, Superintendent.

Rod-Gun Club Reports Huge Success for Annual Jamboree

The Chelsea Rod and Gun Club held its regular meeting Tuesday evening at the K. of C. hall, with 61 members and three guests present. Eleven new members were taken into the club at this meeting. The president of the club, Ray Canine, read the report of the Jamboree given by the club two weeks ago, and the affair was pronounced a success in every way and is to be continued as an annual event of the club.

A special meeting is to be called in the near future with a view to making plans to locate property on which to construct a clubhouse, which, it was said, would require the concerted efforts of all club members if the project is to be a success. Rolland Spaulding gave a report at the meeting of the MUCC directors meeting he attended at Clare on Saturday and Sunday, showing in the prevention of stream pollution and the Conservation Commission's efforts to obtain complete control of bag limits on all game.

After the business meeting lunch was served by the lunch committee.

Hunters Urged to Report Kill of Banded Pheasants to Gun Club

The Chelsea Rod and Gun Club, in cooperation with the state conservation department, urges that anyone shooting a banded pheasant report that fact to either Rolly Spaulding or Ray Canine. These designated persons will take information as to where and when the bird was shot and forward that information to the conservation department for their use in study of wild fowl habits.

These, in particular, will be appreciated: fresh apples, potatoes, canned fruit, jellies, preserves. My friends, this is a great home for aged people. Remember, its cost is \$931 per person to care for these good folks for a year. So our help is appreciated. It is a service of love and the young people will aid you in getting the gifts to the Home. ST. PAUL'S WOMEN'S GUILD
More than a hundred women, including members of the Women's Guild of St. Paul's church and their guests, the members of the Guilds of Bethel church, Freedom township, St. John's church, Francis Corners, attended the meeting held at St. Paul's church hall on Friday, Oct. 8. Also guests at the meeting were Rev. and Mrs. T. W. Menzel of Bethel church.

A short business meeting was held and was followed by a devotional service conducted by Mrs. Elmer Schaefer on the topic, "The Christian Woman and Her Christian Citizenship."

Mrs. Paul Schaefer introduced the guest speaker, Mrs. V. J. Bartell of Detroit, vice-president of the National Evangelical and Reformed Women's Guild, who spoke on the topic, "The Romance of the Duplex Offering Envelope."

She brought out, in a very interesting manner, the fact that the contributions "for others," placed in what is called the red side of

the weekly offering envelope, are helping tremendously in the overall work of the Church but that the need for more generous support on the part of individuals is still very great.

Touching on all phases of the work supported by the money accumulated from donations placed in this red side of the envelope, she made each project easily understandable and gave her listeners a much clearer idea of the workings of the many projects of the Evangelical and Reformed church which are supported wholly or in part by these contributions.

Following Mrs. Bartell's talk, refreshments were served at tables in the church hall dining room by the month's committee, Mrs. L. Roy Satterthwaite, Mrs. Arthur Schaefer, Mrs. Reuben Grieb, Mrs. Lewis Schneider and Mrs. J. N. Strieter.

Mrs. Ruth Drissler, W. Riemenschneider, Married Saturday

The home of Mr. and Mrs. M. W. McClure was the scene of a very pretty wedding at three o'clock Saturday afternoon, when Mrs. Ruth Drissler became the wife of Walter Riemenschneider. Mrs. McClure's brother, in a candlelight ceremony performed by Rev. E. O. Davis, pastor of Salem Grove Methodist church.

The marriage service was read before the fireplace in the living room, where pink and white chrysanthemums, in large vases, and tall, white, lighted tapers, in twin candle holders, made an effective background for the bridal party as the vows were repeated.

For her wedding, the bride chose a brown suit with pink accessories. She wore a gold necklace and earrings set with pink and white brilliants, a gift from the bridegroom, and a corsage of pink rosebuds tied with gold ribbon.

Mr. and Mrs. Martin Miller attended the couple. Mrs. Miller wearing for the occasion a street-length dress of a deep aqua color and a corsage of gardenias.

The bridegroom's mother, Mrs. Philip Riemenschneider, wore black with white accessories. Her corsage was also of gardenias.

Before the ceremony, a recording of Lohengrin's Wedding March was played and Nelson Eddy's recording of "Oh, Promise Me" was very softly played during the rites.

A recording of the "Lord's Prayer" by Malotte, effectively concluded the service.

Refreshments were served from the damask-covered table in the dining room. A beautiful effect was achieved by centering the table with a lovely arrangement of pink and white chrysanthemums and placing silver candelabras, each holding three tall, white, lighted tapers at either side of the flowers. White and silver napkins, together with the silver table service and the beautifully decorated bride's cake, completed the lovely setting.

Among the sixteen guests present for the wedding were Mr. and Mrs. T. S. Hewett and son, Philip Dane of Royal Oak.

Mr. and Mrs. Riemenschneider will make their home on the bridegroom's farm at Cavanaugh Lake.

TRUTH IS STRANGER THAN FICTION

Murder, mystery, humor, romance, biography, or adventure - take your pick. Are you interested in any of these books?

What you read depends entirely on you. If your reading is limited to only one or two types of books your perspective will be slightly warped.

If a casual reading of the comic strips or an occasional murder

mystery is the extent of your literary knowledge, you're considered as lazy. Find something new, different and intriguing, such as a biography.

"Oh, who wants to read a boring biography?" perhaps is your reply. Have you ever tried one? You're apt to find them fascinating and interesting, at least as much so as that juicy murder you have been concentrating on the past week.

So the next time you pick up that new murder mystery pause and try a biography - perhaps an adventure story instead. You know "Truth is stranger than fiction," and just where could you find more truth than in a biography?

GALLOPING POLL

The Galloping Poll has been run

ing again. This time the purpose was to find out if high school pupils think they should work. The questions received a variety of answers among which are: For working - "You have to go to work sometime, so it might as well be now." "It helps to teach you the value of money." "It is good experience to work and gives you extra spending money for school." "There is nothing to do around here so you might as well work." Against working - "High school pupils should have fun and be able to go out for sports." "You can't work and devote enough time to studies also." "Life has a long time for work but not much time for play." "It takes up all your time and you can't have fun."

There were some very indifferent people who replied, "It depends upon the person and the situation." Your inquiring reporters also found that about one-third of the high school pupils do have jobs.

Here are the facts, what do you think?

Six feet tall and eyes of blue. Hair of brown has this senior too. "Boys' Ranch" is his favorite show. Egg Foo Young as food ranks high. "The Girl I Love" will bring a sigh. To be a rancher is his aim; Raising animals is now his game. Seventeen years has not been a bore to him. Who? Of course, it's Elden Moore.

April 3, 1931 was a special day at the Smythe home. Maxine Anne then made her first appearance. She has grown to the height of 5'7" and has dark brown hair and eyes. Mangold, teacher at Dexter, who is on the election committee; and on the resolutions committee are Virginia Goley from Ann Arbor, who is chairman, and Supt. A. C. Johnson of Chelsea.

ASSEMBLIES

Chelsea Flyweights Are Flying Again

Chelsea's "Flyweights" junior football players are back on their feet again this year after losing their first game of the year to Dexter, 27-0. They played Dexter again last Saturday and beat them, 7-0. The only score of the game came in the first quarter when Alfred Knickerbocker swept around right end for 15 yards and a touchdown. Melvin Leach plunged the line for the extra point. A game was also played on Sunday with Dexter, ending at 7-6. Dexter made the first score this time, in the first quarter. Then Chelsea came back in the second quarter with a pass to A. Knickerbocker from the 15-yard line, for a touchdown. Chelsea plunged over for the winning point after touchdown. Dexter threatened in the third quarter when they got down to the Chelsea 9-yard line, but a fumble by Dexter, recovered by Larry Hulec, ended that drive. A long 20-yard pass took Chelsea out of the hole. The playing was rough. Both teams had to go 100 yards for their touchdowns. The players were Melvin Leach,

Roy Patsch, A. Knickerbocker, Larry Hulec, Bill Hollifield, Merrit Hamubub, Bill Roberts, Tom and Ricard Elais, Neil Blieser, Emmett Hanker, Bruce Hoffman, Skip Wheeler, Jim Hafner and Daniel Murphy. The next game will be at Dexter, Sunday, Oct. 17, if we can get three cars to take us there. If any one can take the team to Dexter, Sunday, contact either Larry Hulec, Daniel Murphy or Alfred Knickerbocker. —Alfred Knickerbocker.

It Wasn't So Very Long Ago

Items taken from files of The Standard of years past:

24 Years Ago Thursday, October 16, 1924 William H. Schatz, who has been confined to his room at the Dalton Hotel in Jackson with an attack of appendicitis, is recovering and is expected to return to his home Saturday or Sunday. About 25 members of the WRC went to the Methodist Old People's Home, Friday afternoon, and presented an interesting program of readings and solos after which a scrub lunch supper was served. The first regular meeting of the SFL club for this year was held Monday evening, Oct. 13, at the home of Mrs. Emanuel Bahmiller. Officers for the year were elected, resulting as follows: President, Miss Lillie Wackenhut; secretary, Mrs. Waldo Kusterer; corresponding secretary, Mrs. Lester Winans; treasurer, Miss Amanda Koch. Arrangements have been completed with N. A. Kessler, specialist in agricultural engineering, to assist with a ditch blasting demonstration on the farm of Ernest Raymond, Sharon township, Tuesday afternoon, Oct. 21. A glycerine explosive will be used and a sufficient length of ditch will be blasted so that all those who are interested in this kind of work will be able to see how the work is done. Receipt of a letter from Madrid, Spain, by D. C. McLaren, president of the Kampf Commercial & Savings Bank, has brought to light what Mr. McLaren believes to be one of the cleverest swindles ever attempted. In the letter it is stated that the writer is under arrest for bankruptcy and that in return for the needed assistance in putting up the necessary amount of money to release him and recover his baggage he will present his beneficiary with one-third of the \$300,000 in checks hidden in a secret pocket in the luggage. The Current Literature Club, with a large number of invited guests, were most delightfully entertained Monday evening by Mrs. Florence Howlett who has just returned from Europe. She saw, in four weeks, more of that land beyond the seas, than the ordinary traveler could compass in a much longer time because of her rare good fortune in being one of a traveling party of our American Consul at Prague. Through the Winans she received many favors and courtesies denied the ordinary traveler.

34 Years Ago Thursday, October 15, 1914 John Daley of Sylvan, exhibited in the Standard office last Friday, three potatoes that weighed six pounds. Young and Hafey have completed the carpenter work for George W. Scherer of Francisco, of what is said to be the most handsome cement block porch in that vicinity and possibly within the county. Mr. and Mrs. W. C. Pritchard, D. J. Pritchard and Guy Chambers of Forest City, Illinois, spent several days of the past week in this vicinity. W. C. Pritchard has purchased the Uprake farm and expects to move here with his family the first of the year. Mrs. C. R. Page, the former Caroline Rickett, died at the U. of M. hospital at Ann Arbor, Tuesday, Oct. 13, at the age of 89 years. Funeral services, with Rev. C. J. Dole officiating, were held at two o'clock Friday afternoon at the residence on North street. Paul Noto, aged 28 years, a member of the Chelsea Fruit Co., was in the Mill Lake area by the accidental discharge of his shotgun about five o'clock Wednesday afternoon when he used the gun as a hammer to pound the lock in place. The young man was accompanied by John Eder, Jr. and Ralph Gieske who had warned him previously that it was dangerous to use the gun in that way. Miss Barbara Swickorath of Chelsea, and Harry Long of Detroit, were married at 4:30 Wednesday morning, Oct. 14, 1914, in the Church of Our Lady of the Sacred Heart by Rev. Father Conidine. The bridegroom is a postal clerk in the Detroit postoffice and following a wedding breakfast at the home of the bride's parents, Mr. and Mrs. Hubert Swickorath, the couple left for their home in Detroit. Clarence Hauser, a pupil in the eighth grade of the Chelsea Public school, met with a severe accident at recess time Friday afternoon when he fell as he was attempting to swing himself back and forth on a stamper at the foot of the basement stairs. He fell striking his head on the cement floor and was unconscious for several minutes. Drs. Palmer and Schmidt were summoned and the boy was removed to the home of his mother on Congdon street. His head was badly bruised and he suffered a ruptured eardrum. Private William Schrader, who is stationed at Fort Knox, Ky., was home on a week-end pass and spent from Saturday noon until Sunday noon with his parents, Mr. and Mrs. Walter Schrader, Sr., and other members of his family.

GREGORY AIRPORT
The flyers are very disappointed if Dawn Patrol is cancelled, because there is such a wonderful fellowship among the flyers, which makes the breakfast a pleasant and memorable occasion.
Once again there was very little flying from the airport this week, due to the weather conditions. It rained several days and when the rain and clouds cleared, the winds were too high to make flying safe for most planes. However, the flyers were very fortunate to have good flying weather Sunday morning, which permitted them to attend Dawn Patrol.
Dawn Patrol was held at Brooklyn Field in the Irish Hills. It was another wonderful breakfast. There were many prizes given away. Money on display was two sacks of cigars. There were many land and sea planes there. The Brooklyn Field is fortunate in having a lake nearby so those owning seaplanes may attend. Besides Dewey Breniser, Al Barbour and Ed. Gilmore attended the Dawn Patrol from the Gregory airport.
