

Milan's State Champs Swamp Bulldogs as Tschirhart Goes on Spree To Net 31 Points

Next League Game at Flat Rock This Friday Evening

By DWIGHT GADD
Milan's "Big Red" roared into town last Friday night, and behind the great sharpshooting of lanky Carl Tschirhart, downed a game but out-fought "Bulldog" quintet, 58-34.

The story of the game can just about be told in Tschirhart alone, for he netted 31 points himself, in the best offensive show seen here in a good many years, if not ever. He made an unbelievable 54 per cent of his shots as he poured in 15 field goals and one free throw. Chelsea put up a stiff fight during the first half, but for Tschirhart's "red-hot" display, the game could have been close and a thriller all the way. Chelsea jumped to an early lead on baskets by Crocker and Knickerbocker, but Milan tied it up and went ahead 11-9 at the end of the first quarter. After netting only six points in the first stanza, Tschirhart went to work in the second, as he poured in nine more to put the "Big Red" ahead 24-18 at the intermission. At this time it still was anyone's ball game, for no one present, not even the most rabid Milanite, thought Tschirhart would continue to "hit" so accurately.

But he dispelled all such fears and hopes in a torrid third quarter in which Milan scored 19 points with 14 of them being contributed by Tschirhart. Chelsea could make only one shot during this third quarter, and that was the ball game, as Milan led 43-24 going into the final eight minutes.

It is very possible that Tschirhart would have gone much higher had he not been injured slightly towards the end of the third quarter for he had 28 points up to that point. After a four-minute rest, he returned to action, but he'd cooled off too much and could make only one more basket. Milan got 15 to Chelsea's 10 to make the final score 58-34, but it was that wild third period which broke Chelsea's hearts and enabled Milan to win their tenth straight of the-sided score.

Despite the loss, a good amount of Chelsea's fans played a fine game. It was just too much Tschirhart. Dave Crocker, Chelsea center, led the losers' attack with 10 points and played a fine all-around game as he bottled-back Hassan Benjamin for control of the backboards.

Tomorrow night the Bulldogs will engage Flat Rock on the Ram's home court in the third league encounter for both clubs. It's a long trip to Flat Rock, but let's have a large following there to support this scrappy outfit. First game is at 7:00 o'clock.

See you at game time!

Spring Co. To Enlarge Plant

45,000 Sq. Ft. Floor Space To Be Added

Building of an addition to the Chelsea Spring company's plant here is to begin the middle of March, according to a statement made this week by Lowell Davidson, local plant superintendent. The contract for the steel structural work has been let to R. C. Mahon and Company, of Detroit. The new addition will provide 45,000 square feet of floor space at the north concrete foundation plant where in place for some time. The building will be used as additional manufacturing room. New machinery and equipment is planned, in line with the general expansion program of the company.

At a time when other plants in this vicinity have laid off large numbers of employees, the Spring company is working full time and has even taken on some of the workers laid off at other plants, Mr. Davidson said.

Mrs. Mary Schanz Dies at Her Home

Mrs. Mary Schanz died Saturday, Jan. 22, at her home, 1525 Fletcher road, after a long illness. She was 84 years old on June 8 of last year, having been born in Wurttemberg, Germany, in 1864. She came here with her parents, Bernhard and Barbara Grau-Oker, when she was ten years old. Mrs. Schanz was the widow of the late John Schanz. She is survived by two daughters, Miss Ida Detling and Mrs. Dorothy Russell, one sister and a brother, John B. Oker, of Ann Arbor. A son, Fred Detling, preceded her in death. Funeral services were held at St. Mary's church at ten o'clock Tuesday morning. Father Leo Laige officiated and burial took place in Mt. Olivet cemetery.

Mrs. David Winans and son, Davy, returned home Sunday after spending the past week in Fenton at the home of Mr. and Mrs. Howard Park.

Blaze Destroys Farm Home on L. Ramp Property

Fire of undetermined origin, discovered about ten o'clock Sunday evening, destroyed almost completely the house on the property of Waterloo Mink Ranch No. 2, on the east side of Francisco road, just north of US-12. Owner of the property is Louis Ramp of Waterloo, but the house was occupied by Mr. and Mrs. Steve Lake and their two young children. The family lost all of their clothing in the fire and neighbors and friends are trying to supply clothing for the children, especially. The youngest of the children is a 2-year-old boy, and the older child is a 4-year-old girl.

All the bedding was lost also, and everything on the upper floor was a total loss. The family has been staying with neighbors across the road. Mr. and Mrs. Austin Artz, and with friends, since the fire.

The house was remodeled last summer at a cost of more than \$2,000, it was reported. No estimate was given of the full amount of damage.

The Chelsea fire department responded to the call, but the fire had gained such headway that it was impossible to save much of the building.

Some time after the Chelsea department was on the scene the Grass Lake fire department arrived also, in answer to an alarm called in.

County Board Forms Extra Ext. District

Mrs. Wilbur Hatt attended the Board meeting held Monday afternoon in the Court House in Ann Arbor. Mrs. Hatt is county treasurer and junior district representative of District No. 4 of the Extension groups.

Plans for the year 1949 were made at this meeting. It was decided that leaders' pins will be awarded to new leaders at the spring parties instead of at the Achievement Day programs as has been the custom. It was suggested that the deadline for these spring parties should be April 1, and that county dues be sent in by March 1.

The suggested new system of electing members to the Executive Board was discussed. It is planned to appoint three delegates from each district at the spring parties for the fall elections.

Chairmen were appointed to work for Achievement Day and Mrs. William Bahnmiller of Chelsea, was made chairman of the hospitality committee. She is also to act on the arrangements committee. Mrs. Hatt was appointed a member of the program committee.

A new district was created to be known as District No. 6, with the following Extension Groups from Chelsea, extending District No. 3, being placed in the new district: South Saline, Milan, Lincoln, Lincoln Evening, Progressive, and York. These groups are all in the southeast section of the county.

Mrs. Anna Brown, county agent, announced that there are now 51 Extension Groups, with an enrollment of 833 members, in Washtenaw county.

There is to be a special session, "Adolescent Escapism," on March 1 and 2, in Ann Arbor, it was announced. This is not a leaders' training meeting and anyone planning to attend is asked to send her name to the Ann Arbor office.

The next leaders' training meetings are to be held Feb. 3 and 4. There will be one in Ypsilanti, another in Ann Arbor, and a third at Rows' Corners. The topic will be "Adolescent Adjustment."

Mrs. A. Eschelbach Marks 87th Birthday

Mrs. Adeline Eschelbach was honored at a dinner, given at 6:30 Sunday evening, in celebration of her 87th birthday, at the home of her daughter and her husband, Mr. and Mrs. Louis Kuhl, where she makes her home.

The 35 members of her family present at the dinner were Mr. and Mrs. Edward Schelldinger and son, and Mr. and Mrs. Ray Davis, of Lansing; Mr. and Mrs. Oliver Bell and family, and Mr. and Mrs. Elmer Eschelbach, of Detroit; Mr. and Mrs. George Eschelbach and family, of Dearborn; Mr. and Mrs. Philip Vogel, of Ann Arbor; Mr. and Mrs. Oscar Eschelbach and daughter, Shirley, and Ted Westphal, of Manchester; Mr. and Mrs. Armine Kuhl and daughter, of Sharon township, and Mr. and Mrs. Erwin Halst and family, Mr. and Mrs. Milton Hoffman, and George Halst, of Lima township.

Council Sets Date for Election on City Govt. Issue

At a special meeting of the Village Council, held Monday evening, Jan. 24, the date for the election on the issue of a Home Rule City form of government for Chelsea was set for March 14, to coincide with the regular spring election date.

At this special meeting also, Homer Nixon, who was appointed Superintendent of the Chelsea Electric Light and Water department at the Jan. 17 council meeting, was appointed in addition, to be Superintendent of Public Works. This appointment was made to eliminate duplication in departmental activities and to improve the efficiency of all public works in the village, it was stated.

All service calls for all departments of public works are to be made directly to Mr. Nixon in the future.

Churches Will Hold Teacher Institute Here

Three Protestant Groups To Meet in Joint Sessions

The Congregational, Methodist, and St. Paul's churches of Chelsea are conducting a joint institute of church school teachers' training, beginning next Sunday evening, Jan. 30, at 7:15 o'clock, at the local Congregational church. The session will be from 7:15 until 9:15 p.m.

In this training course there will be two divisions in session at the same time: (1) the kindergarten and primary division on methods of teaching, led by Mrs. N. F. Kennedy, of Ypsilanti; and (2) junior division teachers' "use of the Bible," led by Rev. Harry J. Lord, of Chelsea. In the second session the instructors will change groups but handle their respective subjects. Each session will last 50 minutes.

The Institute will be opened on Sunday evening with a period of devotion, led by Rev. W. H. Skeelby, of the Congregational church.

The Institute will include four additional sessions on Wednesday evenings as follows: Feb. 2, 9, 16 and 23. Each session will begin at 7:15 and close at 9:15. Rev. Lord and Mrs. Kennedy will be the leaders for all the sessions.

It will receive the wholehearted support it deserves. Organized in the fall of 1948 by Bertram D. Gable, choral music director of the Chelsea High school, and accompanied by Elizabeth Powell, former organist of the Methodist church, the Chorus welcomes all who are interested in music. Anyone who can attend rehearsals is cordially invited. The only requirement for membership is your interest in singing and your desire to support this new addition to the life of the community.

Rehearsals are held in the Methodist church each Wednesday evening at 7:30 o'clock.

Burning Oil from Pipeline Causes Much Excitement

Billowing clouds of black smoke originating about a mile west of Chelsea, Saturday afternoon, attracted considerable attention, most people believing there was a disastrous fire of some kind. However, investigation proved that the smoke came from well-controlled oil fires set by employees of the old oil pipeline which was put through this section about ten or twelve years ago from the Mt. Pleasant oil fields to Toledo.

A leak in the pipe line had allowed large quantities of oil to collect on the top of the water of the creek which bisects the Weinberg farm, and also in the marsh of the George English farm. Pits were dug at these points and the oil was pumped into them and set afire.

Before the fires were started, employees of the pipeline, here to do the work, telephoned the fire department, advising them of their plans. This was done to avoid unnecessary run for the department in answer to calls by unauthorized persons who might see the fires and send in alarms, it was stated.

Some observers believed the residue of oil in the pipe was being pumped out and burned, as the pipeline has not been in full use for some time. Basis for this belief was the fact that other similar fires had been set along the pipeline route. These observers said this would be the logical method to use in disposing of the oil remaining in the pipes, should plans of the company call for digging up the old line. However, no confirmation of the plans of the company was available.

OPENS ELECTRIC SHOP
William (Bill) P. Hitchingham, electrical contractor, has recently opened the Chelsea Electric Shop at 115 Park street, in the Chelsea Apartment building. Mr. Hitchingham was associated with a Detroit firm before starting his own shop. Mr. and Mrs. Hitchingham have made their home in Chelsea for the past seven years.

Go South, Young Groundhog

On February 2—known of old as Candlemas Day—the toady groundhog, hibernating for the winter, normally is expected to leave his warm underground lair and go topside to tread the good earth and test for shadows. If he sees his shadow—you know what. In all probability he never even so much as looks for his shadow. But then, most well-adjusted groundhogs don't buy train tickets to Florida for the winter, either. So anything can happen; and there either will be six more weeks of winter or there won't.

Community Chorus Plans Easter Music

After presenting a successful performance of "The Messiah" here last Christmas, the Chelsea Community Chorus has resumed its Wednesday evening rehearsals in preparation for an Easter cantata.

This is the first organization of its kind in Chelsea and it is expected it will receive the wholehearted support it deserves. Organized in the fall of 1948 by Bertram D. Gable, choral music director of the Chelsea High school, and accompanied by Elizabeth Powell, former organist of the Methodist church, the Chorus welcomes all who are interested in music. Anyone who can attend rehearsals is cordially invited. The only requirement for membership is your interest in singing and your desire to support this new addition to the life of the community.

Rehearsals are held in the Methodist church each Wednesday evening at 7:30 o'clock.

Veterans Institute To Hold Open Meeting for Guests, Monday

A special program will be presented by the Michigan Orchard Supply company of South Haven, at the regular meeting of the Chelsea Veterans Institute group to be held Monday evening, Jan. 31, in the Agriculture room at Chelsea High school at 8:00 o'clock.

An agricultural engineer will be at the meeting to discuss the two films which will be shown, one dealing with "Irrigation" and the second, "Water Supplies," for both fruit and farm crops.

An invitation is extended to the Veterans Institute group of Saline, and Manchester, as well as Chelsea, and anyone in the community who may be interested, is urged to attend.

4-H Tractor Club Is Organized Here

On Wednesday, Jan. 19, 16 boys met at the Chelsea Implement company to form a tractor club. The following officers were elected: president, B. Robbins; vice-president, O. Bares; secretary, N. O'Connor; treasurer, D. Myers; reporter, B. Koselka.

The name "Chelsea 4-H Tractor and Engineering Club" was chosen. Meetings will be held every Wednesday night at 8:00 p.m., and dues of 15 cents per week will be collected.

Members of the new club include the following: D. Schrader, J. Lantis, E. Schiller, J. Herriek, H. Koselka, J. Heydlauff, K. Proctor, C. Koch, R. Koch, J. Lightner, J. Robards, M. Merkel, and W. Bauer. Anyone under 21 years of age who is interested in joining is invited to attend the next meeting.

Rev. and Mrs. M. W. Byckner attended the American Lutheran Tri-County Conference held Tuesday at Blissfield.

Four Injured in Auto Accident Sun. Near Lima Center

Miss Elsa Hertler sustained a fractured pelvis, Mrs. Mary Hertler, back injuries, Mrs. Herman Schuler, a broken foot, and her daughter, Peggy, cuts and bruises, in an automobile accident which occurred about 5:30 Sunday afternoon near Lima Center on US-12. All of the injured persons were from Ann Arbor and were riding in a car being driven east on the highway by Miss Hertler.

It was reported that witnesses told officers who investigated the accident that another car going in the same direction forced the Hertler car into the ditch; that it slowed down, and then immediately continued on its way.

The injured women were taken to St. Joseph's Mercy hospital, Ann Arbor.

Meth. Study Series Termed 'Successful'

The last of the All-Church programs held each Sunday during January at the Chelsea Methodist church, took place Sunday evening, Jan. 23. The series of four meetings were very well attended.

Gerald Carr, of Cassidy Lake, took charge of the discussion of community problems Sunday, substituting for W. E. Pengelly, scheduled to be in charge, who suddenly became ill with an attack of influenza.

Rev. William Johnson, of the Milan Methodist church, was the evening's speaker and very interestingly related the story of his church's experience of giving aid to a Methodist church in Germany during the past year. He began by telling how he got in touch with the German pastor a year ago and received in answer, a graphic description of conditions there.

One thousand pounds of clothing was distributed to the members of the German church, and used clothing has been sent during the year. Rev. Johnson stated. Letters received from the German people of the church there state that they are praying that the American Armed Forces will remain in Berlin because they fear the Russian Communists. A letter from the German pastor, Rev. Johnson said, stated "this work of your church is a monument in the hearts of our people which means much more than monuments of stone. Words in the English language cannot be gotten to express my people's great appreciation for this Christian thoughtfulness and aid."

In the question period which followed his talk, Rev. Johnson was asked what effect this relief project has had on the local church, and he answered that it has revolutionized his church; that there is a great feeling of friendliness between the two churches; and that it would be impossible for the two groups ever to fight against each other. This, in itself, Rev. Johnson said, was a step in the right direction toward the goal of world peace. Another effect of the project on the local church was increased giving toward the local budget and the mission budget, the treasury of the church showing a balance on hand at the end of the year, after all obligations were met, of \$1,900.

The Youth Fellowship group portion of Sunday's program was under the direction of Wayne Betz, and the moving picture "My Name Is Han," was shown, with Alton Gieske operating the projector, as he has for each of the four meetings.

Charles Cameron, chairman of the evening programs, stated at the close of Sunday's program, that the series of meetings had proved to be so successful that he was sure the church board would heartily approve should Rev. Johnson wish to hold another such series next year.

Local Union To Hold Election Next Thurs.

Amalgamated Local 437, UAW-CIO will hold their annual election Thursday, Feb. 3 at the Union hall, South Main street.

Polls will be open between the hours of 2 to 6 p.m., and union members are reminded that they must have their identification card to be eligible to vote, according to Julius L. Herman, chairman of the election committee.

Judy Murphy, who has been a patient at St. Joseph's Mercy hospital, Ann Arbor, the past two weeks, with an attack of pneumonia, was expected to return home before the end of this week.

Public Invited To Attend Meeting on Thursday, Feb. 10

A group of about 45 people, selected by the Chelsea Agricultural School Board of Education as a cross-section of all the people in the district, including the rural and village areas, was invited by the Board to attend a meeting at the High School Monday evening, Jan. 17, to form a committee which would assist the School Board in an advisory capacity on matters pertaining to school planning. At that meeting considerable discussion of the matter took place but no definite action was taken, although the general opinion of those present seemed to indicate that the Board should go ahead with the plan, and another meeting of the group was set for Monday evening, Jan. 24.

At this time the group of 45 men and women was designated as a planning committee and was divided into four sub-committees, each with specific problems of its own to discuss at separate meetings and bring back its findings to the planning committee, which, in turn, will report to the School Board. The School Board then would take any official action on matters brought to its attention in this way.

At the Jan. 24 meeting, the nominating committee of the planning committee, together with members of the Board of Education selected E. W. Eaton as chairman of this planning committee as chairman of the planning committee of four sub-committees were assigned the following duties:

- 1) Study of annexation of additional rural districts in this area;
- 2) Educational planning;
- 3) Financial planning; and
- 4) Publicity.

Mr. Eaton, as chairman of the committee as a whole, is to appoint a chairman for each of these four committees.

Another meeting of the entire group is planned for Thursday, Feb. 10, at which time Wilfred Clapp, head of the school plant division of the Department of Public Instruction, is to be present and speak. The public is invited to attend this meeting.

In view of the fact that the birth rate in the Chelsea Agricultural School district has increased from 63 in 1942 to 105 in 1947, additional facilities to provide the educational needs of this ever-increasing number of prospective students, as well as for those already attending double sessions in the lower three grades here, has caused considerable concern, not only to the School Board, but to all interested persons in the community, and the Board's action in forming this planning committee to assist in promoting the provision of much-needed school facilities, was taken with these needs in mind.

Some of the rural school districts in this area have indicated their desire to join the larger district, and this problem also needs investigation and recommendations for action, all of which can best be accomplished by a committee specially designated to do this in the opinion of School Board members.

The financial committee's duties are self-evident—that of studying ways and means to accomplish the goal of providing much-needed additional school facilities while the duties of the publicity committee will include keeping the public informed of all plans and recommendations of the planning committee.

Knights of Pythias Hold Installation Monday Evening

Installation of Edward Lantis, Chancellor, and his staff of officers took place at the K. of P. hall Monday evening in connection with the District meeting of the K. of P. Lodge. Members were present from K. of P. lodges in Ypsilanti, Milan, Dundee, Ann Arbor, Plymouth and Pontiac, which comprises District No. 6, of the organization.

Ray Burrell, of Ypsilanti, past grand outer guard, was the installing officer, and the Ypsilanti unit formed degree team put on the work in the first degree.

Present at the meeting and installation was Vice-Grand Chancellor Clarence L. Smith, of Pontiac. At the close of the meeting the ladies of the Pythian Sisters Lodge served a lunch to the 55 members and guests present.

The next district meeting is to be held in Milan in March.

Roof of Peat Factory Ripped Off by Wind

During the terrific windstorm that struck this area in the early morning hours on Wednesday of last week, the roof was blown off the building known as the old peat plant in the peat marsh behind the Ahnemann residence on Van Buren street. The roof landed in the field north of the building and was badly smashed.

Other damage reported after last week's issue of The Standard went to press, included a number of smashed television aerials.

Collections Lag in Polio Fund Drive

Mrs. Walter Mohrlock, local chairman for the "March of Dimes" drive, reported Tuesday that contributions for the fund are coming in rather slowly. She said that several organizations had sent in their contributions but there were still many more to be heard from. If last year's total of about \$850 is to be equaled here this year, contributions in the next few days will need to be exceptionally generous, and response in the coin boxes will have to be stepped up.

Coin boxes, with their transparent fronts, distributed in all business places in the community, when checked early this week, did not seem to be filling up as fast as they should if the needed goal is to be reached.

Mrs. Paul Messner, president of the FOE Ladies' Auxiliary, which is in charge of the "Mile of Dimes" drive this year, reported to Mrs. Mohrlock that members of her organization had completed plans for taking turns at presiding at the booth when it is set up Friday and Saturday in its usual place in front of the Chelsea State Bank.

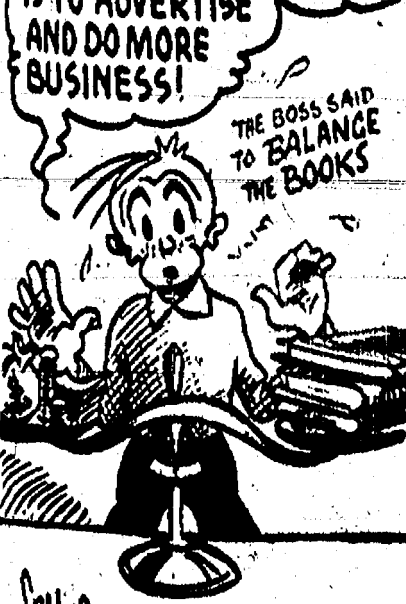

Response on this feature of the drive has always been very good in past years, and if this year turns out to be no exception to the rule, should help considerably in efforts of the committee to raise money for the fund.

As reported by Judge Jay H. Payne, county chairman of the "March of Dimes" drive, there were 17 new cases of poliomyelitis in Washtenaw county last year. These were helped by the fund, as well as the 51 old cases who were given re-examinations, braces, etc. Spring, Ga. and another receives surgery care here.

All of this much-needed care is made possible by the funds collected during this annual drive. Results of this care show that having available funds for hospitalization and equipment has aided in minimizing the danger of paralysis and the victims of the disease and this reason alone, if for no other, the drive for funds becomes a worthy cause.

County Democrats

To Hold Convention

Washtenaw county Democrats will hold their spring convention at 8 p.m., Friday, Jan. 28, in the Circuit Court room of the County Courthouse in Ann Arbor.

Principal business of the convention called by county vice-chairman Margaret Price, will be the election of 16 delegates and 18 alternates to the state Democratic convention. At this county meeting, which is open to the public, the Democrats will plan a coordinated campaign for the April 4th election, party spokesmen report.

Delegates to the convention will be those persons elected for a two-year term in the primary election last fall, according to Mrs. Price.

Hit-Run Drivers

Escaping detection is becoming an increasingly difficult task for hit-and-run motorists due to improved police methods. Police now have a strobophotometer that can tell more than 2,000,000 colors apart so that a speck of automobile paint, found at the accident scene, can be compared with paint on various makes and models as an aid in finding the car involved. In addition, a photograph of tire marks generally enables police to learn the make and size of tire.

Traffic Volume Up at Straits Crossing

Lansing—Official figures compiled by the Michigan State Ferry, released by Highway Commissioner Charles M. Ziegler, show 552,404 vehicles were transported across the Straits of Mackinac on the state vessels during the calendar year 1948, compared to 501,109 in the year 1947, an increase of 10.2 per cent. Passengers carried by the state ferries last year totaled approximately 1,500,000. This was the largest volume of business in the 25-year history of the state ferry service.

HONORED ON BIRTHDAYS

Mrs. J. P. Cook and Mrs. Clarence Bahnmiller were very happily surprised Sunday evening with a celebration of their birthdays given at the home of the latter. Twelve guests were present and enjoyed a pot-luck supper at six o'clock, followed by an evening of euchre. High prizes were awarded to Mr. and Mrs. J. P. Cook, and low prizes went to Mrs. Otto Mayer and Elmer Weinberg. Mrs. Mayer also was awarded the traveling prize.

Mrs. Cook and Mrs. Bahnmiller were each presented with a beautiful luncheon cloth as gifts from the group.

Groundhog Brings Two Winters

Just as we start getting over the wear and tear of Christmas and New Year's Day, along comes February with Groundhog Day and its implied threat of another six weeks of winter.

Candlemas day, February 2, seems to be the day when we foretell the length of the winter. It is a custom that was carried across the sea from England by the first American colonists.

As a result, we have taken over the woodchuck or groundhog as our major weather prophet. If he comes out of his long winter sleep on February 2 and sees his shadow because the sun is shining, he will become frightened and dart back into his nest to sleep for another six weeks and we will have winter for that length of time.

An old Scottish rhyme says:

"If Candlemas is fair and clear

There'll be two winters in the year."

And rural America puts it this way:

"February, second day,

Give half your corn

And half your hay."

There is another rhyme which the Scots have that starts out:

"If Candlemas Day be dry and fair

The half of winter's to come

and mair.

If Candlemas Day be wet and foul

The half o' winter's gone a' ruts."

In the meantime, keep your rubbers on.

What to Do About Mildew

Mildew is a fungus present in the air. In hot, damp darkness, it develops rapidly, in cottons and linens particularly, causing a sour odor and grayish-brown stains. The older the stains, the more difficult they are to remove. Fresh stains may often be washed out in soap and water. Stubborn stains may require bleaching. For white cottons or linens only, washing in hot suds, moisten with lemon juice and salt and dry in the sun. If stain is old, bleach with hydrogen peroxide. Rinse well. For any washable colored fabric, wash in warm suds. Old stains are difficult to remove. Avoid letting damp clothes stand in a basket during hot, damp weather.

WESTERN WASHTENAW

FARMERS' CLUB
Twenty members of the Western Washtenaw Farmers' club attended the meeting held Friday, Jan. 21, at the home of Mr. and Mrs. Oscar Kalmbach.

Blue crepe paper bands extending the length of the table which was centered with a potted philodendron placed on a mirror and flanked by salmon-colored candles, made a most effective setting for the usual excellent dinner with which the meeting was opened.

The dinner committee included Mr. and Mrs. Walter Riemenschneider, Mr. and Mrs. Lydia Riemenschneider, and Mr. and Mrs. N. W. Laird.

The evening's program featured several vocal duets by Mrs. Joseph Czapla and Mrs. Kalmbach, and also group singing.

Following the business meeting, a lengthy discussion was held on current events.

RECEIVES DEGREE

Victor Hindelang of Somerset road, Detroit, a former Chelsea resident, received a Bachelor of Science degree at the College of Commerce and Finance, University of Detroit, during the last week.

Club and Social Activities

KOPY KATS' SEWING CLUB

There were seven members and two guests present for the meeting of the "Kopy Kats" Sewing club, held Wednesday evening, Jan. 19, at the home of Mrs. Gale Gilson. A dessert luncheon was served after the evening's work and an exchange of patterns.

The next meeting is to be held Thursday, Feb. 10, at the home of Mrs. George Hafner.

LUCKY SEVEN CLUB

Mrs. Victor Miller entertained the "Lucky Seven" Sewing club at her home Friday evening, Jan. 21, at which time one birthday was celebrated, that of Mrs. Louis Stapish. Mrs. Stapish, who makes a hobby of collecting salt and pepper shakers, was presented with a set by her "mystery sister" and displayed her gift at the meeting.

Dainty refreshments were served by the hostess after the evening's work, and it was announced that the next meeting is to be held at the home of Mrs. Stapish, on Friday evening, Feb. 4.

BIRTHDAY

Mrs. Donald Walz entertained five little girls at her home Tuesday afternoon for the pleasure of her daughter, Diane Marie, on her second birthday. The guests enjoyed a grab bag and the balloons with which each was presented.

They were served refreshments, including a beautiful pink and white birthday cake, which had held the two lighted candles.

Diane Marie was the recipient of a number of gifts.

Mrs. Howard Walz was a guest at her granddaughter's party. Mrs. John Hude also attended.

On Sunday, Diane Marie was honored at a family dinner given at the home of her grandparents, Mr. and Mrs. Howard Walz.

A birthday cake was a feature of the dinner and the honor guest received several birthday gifts.

Announce Marriage

at Angola, Indiana
Mr. and Mrs. Blair Pierson announce the marriage of their daughter, Norma Jean, to Richard Kern, son of Mr. and Mrs. Lynn Kern.

The wedding took place Tuesday, Jan. 18, at Angola, Indiana. Mr. and Mrs. Kern will make their home at 120 South street.

ENTERTAIN PEDRO CLUB

Mr. and Mrs. W. B. Zogelman entertained their pedro club at their home Saturday evening, Jan. 22, at 3815 W. 12th street. Mr. and Mrs. Glenn Britten, of Jackson, and Mrs. Ernest Mansfield, of Homer, Mr. and Mrs. Joe Kastl, of Manchester, and Mr. and Mrs. Willis Reynolds, of Plymouth, guests at the party were Mr. and Mrs. Wilbert Bretwisch, both of whom won first prizes. Mrs. Reynolds and Ernest Mansfield received the consolation prizes.

Refreshments were served after the games.

CHELSEA STUDY CLUB

The home of Mrs. Wilbur Hinderer was the meeting place for the Chelsea Study club Tuesday evening, Jan. 26.

A very interesting program was presented by Mrs. J. V. Fisher, on the topic, "Make Me A Child Again," which she described as a refresher course for the grandmothers present, but which proved itself equally enjoyable to the young mothers as well.

Books, magazines and records were used by Mrs. Fisher in the discussion of her topic.

Mrs. H. T. Moore and Mrs. Leigh Palmer were the assisting hostesses for the meeting and served refreshments after the program.

ELEMENTARY PTA

Dr. Katherine B. Green, child psychologist of the University of Michigan—Extension department, was the guest speaker at the Elementary PTA meeting held Wednesday evening, Jan. 19, in the Home Ec. room at the high school.

She gave a very interesting talk on the subject, "How Can the Home and School Cooperate?"

Forty-six members were present at the meeting.

During the business session, it was voted to contribute ten dollars to the current infantile paralysis drive, and it was announced that all contributions from Chelsea lodges, clubs and other organizations for the school children's Milk Fund were now in.

The PTA as a whole, expressed appreciation to all contributors who so generously supported the fund-raising project to help provide milk for the school children who could not manage to pay for their own.

The next meeting will be held jointly with the High school PTA for the Founder's Day program in February.

VFW AUXILIARY

The combined December-January social meeting of the VFW Auxiliary was held Monday evening, Jan. 24, at St. Mary's hall, with about 25 members present.

Games were enjoyed during the evening and refreshments were served by the combined committees headed by Mrs. Tolvo Rihimaki and Mrs. Norman Perkins, assisted by Mrs. Frank Reed.

CHILD STUDY CLUB

Mrs. Philip Gentile of Detroit, whose appearance here was arranged through the University of Michigan Extension Service, was the speaker at the "Husband's Night" program of the Chelsea Child Study club, held Tuesday evening, Jan. 26, at the home of Mr. and Mrs. Russell McLaughlin.

"The Changing American Family" was the title of her talk, in which she brought out the fact that today's environment which includes such wonders as the telephone, radio, television, atomic energy, etc., has affected the viewpoint of the younger generation so that their outlook on life is much different than was their elders at the same age.

However, she said, the home must still be the firm basis for the family's recreational, religious, social and character-building activities, in spite of the steady change from an agricultural world to a technological one.

Mrs. Gentile was introduced by the program chairman, Mrs. P. E. Sharrard.

The business meeting was called to order by the president, Mrs. Hugh Sorensen, who asked that anyone planning to attend the meeting of the Federation of Women's Clubs in Ypsilanti on Feb. 28, would contact her or Mrs. Russell Baldwin.

Refreshments were served by the hostess assisted by Mrs. Lawton Steger, Mrs. Thomas Young, Mrs. P. E. Sharrard, Mrs. Thomas Harris and Mrs. John Alber.

Peterson-Rohde Vows Exchanged at Salem Grove Parsonage

Marriage vows were exchanged by Miss Elsie Peterson and Rudolph Rohde, in the Salem Grove Methodist parsonage, Saturday afternoon, Jan. 22, at 4:30 o'clock.

Rev. E. O. Davis, pastor of Salem Grove church, read the marriage service.

Miss Peterson is the daughter of Mr. and Mrs. Nelson Peterson, and the bridegroom is the son of Mr. and Mrs. George Rohde, of Howell.

He has been employed in this vicinity as a carpenter. The bride is a 1948 graduate of Grass Lake High school.

Following a wedding trip through the southern states, the couple will be at home, after Feb. 1, at Cavanaugh Lake.

For her wedding, the bride wore a grey gabardine suit with which she wore accessories in blue and a corsage of white roses.

Her maid of honor, Miss Mildred Notten, in a suit of brown-checked wool with brown accessories, wore a corsage of yellow daisies.

Assisting his brother as best man was Robert Rohde.

In the evening, at 7:30 o'clock, a reception was held at the home of the bride's parents for the immediate families of the couple.

Pre-nuptial affairs honoring the bride were a miscellaneous shower given by Mrs. Glenn Rentschler and Mrs. Dittman Wahl, assisted by several of the family and friends at the Salem Grove church on Jan. 14, and one by Mrs. Frank Dault, at her home on Cavanaugh lake, on Jan. 17.

CARD OF THANKS

I wish to express my appreciation to the Rebekahs, blood donors, and to all those who so kindly remembered me with candy, plants, and visits during my stay at the hospital and during my convalescence.

Miss Vivian Kalmbach Married to J. K. Dent in Pennsylvania

Mr. and Mrs. Max Kalmbach of Gregory, announce the marriage of their daughter, Vivian Emma Kalmbach, of Detroit, to James K. Dent, also of Detroit, on Jan. 26, at Mercer, Penn. Because of the illness of the bridegroom's father, Rev. Frederick Dent, the ceremony was performed by Rev. Dent at his home in the presence of about 30 relatives and close friends.

Following the ceremony dinner was served to the relatives and friends at a hotel in Mercer.

Mrs. Dent is a graduate of the Stockbridge High school with the class of 1938, and obtained her Bachelor of Science degree in Home Economics at Michigan State college in 1942. She was a member of Tower Guard, Mortarboard and affiliated with Sigma Kappa Sorority. She was employed last year as a teacher of Home Economics in the Detroit Public schools, was an employee of the Detroit ordinance district during the war, and for the last three years has held the position of assistant director of the Home Service department in the Michigan Consolidated Gas company of Detroit.

Mr. Dent received his Bachelor's degree in Pennsylvania, in 1939, and his Master's degree in Business Administration at the U. of M. in 1947, where he was affiliated with Phi Kappa Psi fraternity.

During the war he served with the air forces for three and one-half years, most of the time of which he spent in England, as assistant director of Operational Research in the 2nd Air Division. For the past one and one-half years he has been Economical Statistician with General Motors, in Detroit. On Feb. 1 he will join the staff of the U. of M. Survey Research Center as Survey Director.

Mr. and Mrs. Dent will be at home to their friends and relatives at 608 Washtenaw, Ypsilanti.

Those attending the wedding from this vicinity were Mr. and Mrs. Max Kalmbach, and Douglas Kalmbach, of Chelsea.

Miss Rose Kiss Weds Vincent Dorer in Saturday Ceremony

Miss Rose M. Kiss, daughter of Mr. and Mrs. Tibor Kiss, and Vincent E. Dorer, son of Mr. and Mrs. August Dorer, were married at ten o'clock Saturday morning at St. Mary's rectory, with Father Lee Laige officiating.

A slate grey gabardine suit with matching feather-trimmed hat, and a blouse trimmed in gold and silver sequins and beads was chosen by the bride as her wedding ensemble. Her corsage was of yellow rosebuds.

Miss Lorna Kiss, in a grey crepe dress with rose and silver sequin and bead trimming, and wearing a pink carnation corsage, was her sister's only attendant.

The bridegroom's brother, Robert Dorer, was best man.

A wedding breakfast was served after the ceremony at the home of the bride's parents, to the bridal party and members of the immediate families of the couple.

The 18 guests present were seated at a table covered with a banquet cloth embroidered in a scenic pattern in natural colors. The cloth was one given to the bride's mother by her parents. The color scheme of pink and white was carried out in the table decorations which included pink and white snapdragons, accented with yellow daisies. The wedding cake centered the table.

The couple left for a week's honeymoon in Chicago, and after Jan. 30, will be at home at 6945 Wilkner road.

The bride attended Chelsea High school and has been employed at the Central Fibre Products company.

The bridegroom, a graduate of Chelsea High school with the class of 1938, served three years in the U. S. Navy during World War II, and months of which he spent in the South Pacific where he was stationed on the U. S. S. Murray. He was discharged Jan. 23, 1946, and returned to his former position at the Federal Screw Works, where he is now employed.

The

N. LAKE EXTENSION GROUP

SOCIAL MEETING
The North Lake Extension club was entertained at the home of Mr. and Mrs. Reuben Lindemann, Saturday evening, Jan. 15, with 86 guests attending.
After a pot-luck supper, euchre was played with ladies' first prize won by Mrs. Geo. Kunzelman and consolation prize going to Mrs. Ernest Hopkins.
Men's prizes were awarded as follows: first, Duane Noah; consolation, Christ. Eltsalmonna. Mrs. Lawrence Noah won the traveling prize.
John Sullivan will be host to the club Saturday evening, Jan. 29.

N. LAKE EXTENSION GROUP

The regular January meeting of the North Lake Home Extension club was held at Mrs. Reuben Lindemann's on Tuesday, Jan. 18. Ten members attended the all-day meeting, beginning with a pot-luck dinner at noon, which was followed with a short business meeting.
The lesson on "New Finishes for Fabrics" was given by Mrs. Junior Colby and Mrs. Reuben Lindemann, after which the club worked on cancer pads and voted to donate money to the "Cancer Fund," also to the "March of Dimes."
The next lesson will be given Feb. 15, at the Homer Stofor home.

Chelsea will play the Flat Rock basketball teams there tomorrow night.

The next home game will be with the Roosevelt team, Feb. 4.
The Senior and Junior Bands of the Chelsea Public schools will present their annual mid-winter concert in the High School gym on Tuesday, Feb. 15, at 8:00 p.m. Details of the program will be announced later.

OPINION POLL

In an effort to find out how many people know why polio boxes were placed in their home rooms, the inquiring reporters presented the following question to several students: "Why do you think there is a 'March of Dimes'?" The reporters were surprised at the answers received. One hundred percent of the students asked replied that the drive was to help infantile paralysis victims recover from their plight. However, the hall poster showing the amount of money received from the students for this cause shows small contributions.

The inquiring reporter then wondered why people didn't contribute to "The March of Dimes" if they knew that it was for a worthy cause. Again they began their search. The clue was soon found in the statement, "I don't believe the money even helps people with

infantile paralysis because I know a little boy who had it and he wasn't even benefited by all this money." How could a student of Chelsea High be so completely ignorant? Don't the pupils realize that this money not only goes for medicine but for research in order that scientists might combat polio?

If people know what "The March of Dimes" stands for, why don't they support it? If they use the reason given in the above paragraph by one pupil, they are to be pitied for their complete lack of knowledge.

MARCH OF DIMES FUND
A preliminary and incomplete report on "The March of Dimes" campaign in Chelsea High school, at the close of school, Friday, Jan. 21, follows.

Kindergarten, \$18.00; First, \$16.45; Second, \$10.08; Third, \$5.08; Fourth, —; Fifth, —; Sixth, \$8.65; Seventh, \$15.86; Eighth, \$5.49; Ninth, \$8.66; Tenth, \$5.76; Eleventh, \$1.95; Twelfth, \$5.86. Contributions to the above date total \$126.82.

ASSEMBLY

Extra! Extra! Chelsea High School Vanishes!

The citizens of Chelsea are dumbfounded as to its whereabouts! Could this have been due to that slight-of-hand artist, the Magician? The students of Chelsea High school were presented with an assembly given by Rew, the Magician, last Wednesday, Jan. 19. He performed many acts which astonished his audience. One of the most unbelievable acts of all times was performed on our stage. It was the astonishing feat of the "floating lady." For this act, he chose from the audience Karen Chase, who consented to participate. The minds of many students were clouded with doubt, but were soon cleared when before their eyes they saw Karen, suspended by no visible support, in mid-air. He then left, leaving

his audience in bewildered suspense.

ATHLETIC BOARD

Athletic Board requested that the Student Council have pep meetings for baseball games to stimulate interest in and attendance at the games.
Because the old Athletic Board constitution was lost, the present board is writing a new one.

HI-Y

On Saturday, Jan. 22, the Hi-Y club and its guests went on a hay-ride. Transportation was furnished by Oscar Barcia.

Hi-Y members plan to go to Ann Arbor every Monday night to go swimming.

RADIO PROGRAM

Whoops, there goes the bell! (The teachers can't say they don't hear it any more.) Get out the street lights and safety patrol boys, for here comes the mad rush. Music??? Is that the Seniors singing again??? Of course not, it's the radio (?) in the study hall.

After everyone had gotten him- self situated and quieted down on Jan. 17, the students and teachers listened to the Speech class play, "The Importance of Being Earnest," by Oscar Wilde. Who were the actors? Why, of course, Jonney Pop, Jack, Coyne Holiday, Algeron, Joyce, Crawford, Gwendolyn, J. Malott, Cecily, Craig Nelson, Marjorie, Mary Palmer, Lady Bracknell, Phyllis Kelly, Miss Prism, Helen Jarvis, announcer, Jean McClure and P. Schaible, sound effects. By the way, Speech class, who fell in love with whom? Anyway, the performance was well done.

As the radio program, "Peculiarities of the Presidents," by the American History class, began last Monday, the study hall gradually quieted down. Much credit is due the History class for securing their own material and writing their own script for the program. Script committee was headed by Shirley LeVan, with Dorothy Howard as chief of staff.

After the announcer, C. Dreyer, had finished the preliminaries, G. Widmayer, the narrator, started the program off to a good start. One did learn some very interesting things about the past presidents at that assembly. Mike Franklin, K. Reule, K. Honey, M. Johnson, D. Maroney and P. Murphy, who took part in the broadcast, and all others who helped prepare for the program, are to be congratulated for such a fine job.

RED CROSS

Miss Belle McKinney, county and school nurse, visited the Red Cross class last Thursday, Jan. 20. She gave an interesting talk on "The County Health Department."

The girls are finishing their semester course in Red Cross, and those who are eligible will be awarded a Red Cross certificate. Next semester Mrs. Parker will continue her Red Cross program.

in the towns of Milan, Saline, and Lincoln.

THE FORTY-NINERS

Among the Forty-Niners, there's a certain blond-haired girl who likes to wear anything blue. She is Helen Joyce Jarvis, and she was born in Ann Arbor, Aug. 27, 1931. Helen's day might go something like this: first, of course, to school she goes. After 3:45 she makes a quick dash to get to work on time at a local laundry store. After work she might enjoy a dinner of T-bone steak and french fries (oh, the calories, she thinks). Then she has to make a big decision—whether she should go to the football game or to the movies to see "Green Dolphin Street" and home afterwards to listen to Jean Pierce's "Blue Bird of Happiness." No doubt she'll be wearing the "new look," because "it keeps you warm in the winter, and the mosquitoes off in the summer."

During her four years at CHS, Helen has belonged to Journalism, Chorus, and G.A.A. She has been a cheerleader and captain of a bowling team. "Yes," she says, "your parents should not choose your friends, but they should have a voice in the matter." To the curfew question she says, "Yes, Chelsea should have a curfew."

SENIOR DOINGS

—It Won't Be Long Now!
The "Forty-Niners" have selected their graduation announcements, and are being measured for their caps and gowns.

Grade News...

FIRST GRADE—Mrs. Hale's first grade class was especially proud last Thursday because they had already received \$8.45 for the infantile paralysis fund, and along with Mrs. Maroney's first grade class they have a total of \$16.45.

SEVENTH GRADE—In spelling the Seventh graders had a spell-down which Judy Davison won on the word "abundant." Since this is the second semester, Seventh grade students are starting Science. Mr. Benjamin is their teacher.

They are still planning their Junior High party to be held tomorrow night. Plans for a Valentine party and a skating party are also being considered.

EIGHTH GRADE—The Eighth grade boys defeated the Seventh 28 to 14, in a game of basketball. For the Junior High party on Jan. 28, the committees are as follows: decoration, Janet Lotridge, Shirley Rihimaki, Priscilla Yoel and Eleanor Schmidt; refreshment, Frank Roberts, Gary Wortley and Dick Keizer; entertainment, Phyllis Moody, Norma Morgan, Joyce Messner, and Maryellen Moore; ticket, Sue Barlow and John Bat-sakes.

MOVIES
The Ninth and Tenth grade English classes Friday saw a movie based on the book "The Man Without a Country." The students enjoyed it very much.

HOME NURSING

What is the proper procedure for bathing a baby? How do you treat a person with an infected arm? All these questions and many more have been answered by movie and demonstrations in the Red Cross class for the last three weeks. Movies have been shown on how to care for a child from six weeks to six years, how to give a baby a bath, how to plan a schedule for a bath day, and (Continued on page eight)

Here's our Price

and here's what's in it!

PRINTED here are current prices on Buick cars—delivered locally—complete and ready to run.

We invite you to compare them, dollar for dollar—with particular eye to what the price includes.

Every Buick price here includes such present-day "musts" as an underseat heater, a fine-toned radio, back-up lights built into the car rather than hung on the bumper, windshield washers installed at the factory.

ROADMASTER prices include Dynaflo Drive, that super-smooth transmission available only on Buicks.

Every price includes super-soft tires—plus the extra comfort of the widest rims in the industry. Every price includes Fireball valve-in-head power—plus new self-setting valve lifters.

So your dollars buy a matchless combination of ride and room and performance, of style and size—and stepped-up visibility. And you get the four-square deal described in the panel.

So go ahead and shop the cars. Check the prices. Check what's in them. Check the deal you get. You'll end up at a Buick dealer, getting your order in!

"MORE CLEARLY THAN EVER"
"Buick's the Buy"

White sidewall tires, as illustrated, available at extra cost. When better automobiles are built BUICK will build them.

HERE'S OUR FOUR-SQUARE SELLING POLICY!

1. NO PRICE PADDING! We guarantee our prices to contain nothing but charges that were standard practice in figuring prewar delivered prices. You receive an itemized bill of sale showing all charges. And we display our prices in our showroom.
2. NO "LOADING" OF UNWANTED ACCESSORIES. All cars are delivered with accessories as ordered. We pledge ourselves to add no "extras" you do not want.
3. NO COMPULSORY TRADE-INS. Selling used cars is part of our business. Naturally we like to take cars in trade. But you do not have to sell your car to us! We will take your order, and deliver your car, without requiring a car in trade!
4. NO COLLUSION WITH "GRAY MARKETERS." We will not knowingly be party to a sale of Buick cars to any individual who operates in the "gray market." Our interest is in delivering cars to bona fide customers.

THE HI-LIGHT

(Continued from page seven)

how to care for persons suffering from heart diseases. Demonstrations on how to give a local hot bath, applying hot and cold compresses, washing a sick person's hair, and proper procedures on preparing and applying a hot water bottle, an ice cap, and an electric pad, have been given.

Besides all the movies and demonstrations, the students have also learned how to plan a sick person's schedule for a day, how to prepare a suitable diet pertaining to his illness, the correct way to take pulse, temperature and respiration, how to care for the patient's personal grooming, and how to carry out the doctors' orders.

The home nursing unit ended the Red Cross course for the year. During the time the course was taught, four units of study were taken up: First Aid, Home and Farm Accident Preventions, Nu-

trition, and Home Nursing, all of which proved interesting and helpful.

GIRLS' BASKETBALL

"Six, eight; six, eight"—This is a conversation that could be heard at the Saline gym last Friday at 4:00 o'clock. The two girls' coaches were talking about how long quarters the girls should play.

Finally a compromise was reached at seven minutes. With this settled the game got under way.

The two teams seemed evenly matched, and at the end of the quarter the score read 5 to 6 in favor of Saline. The second quarter didn't go too well for Chelsea. At the half Saline had increased its lead by four points, making the score 7 to 12. Again in the second half the teams seemed evenly matched. The Chelsea girls though, couldn't seem to gain any points. When the final gun sounded, the score read 19 to 12 in favor of Saline.

The girls played three fine

quarters. Except for the second quarter, the game would have been evenly matched throughout. The Chelsea girls played a commendable game.

CHANCE TO HAVE A GOOD TIME

A box social will be the big event of the evening on Jan. 31, at 7:00 o'clock, sponsored by the YTA.

The enjoyment of the evening will take form in old-fashioned dancing, games of many kinds, and cards. The entertainment will be followed by a box lunch. These boxes are to be packed and decorated by the girls, and the most attractively decorated box is to be selected by vote.

The Junior and Senior High School people are especially invited to come.

Why not come, everyone, and see how much fun a box social can really be?

CARD OF THANKS

I wish to thank all my relatives and friends for their many acts of courtesy and the congratulations extended to me on my 90th birthday anniversary.

C. of C. Plans Spring Membership Drive To Start Year's Activities

Chelsea Chamber of Commerce, meeting Jan. 18, decided at that time to hold a membership drive early in February. M. W. McClure was appointed chairman of this committee, and he in turn appointed Waldo Kusterer, Raymond Canine, Melvin Lesser and James Nutt to serve on his committee.

Lowell Davidson presented a short review of the doings of the committee arranging to bring the city form of government before the voters of Chelsea. A committee made up of E. W. Eaton, James Daniels and F. W. Merkel, was ap-

pointed to represent the Chamber and to work with Mr. Davidson's committee.

Walter Harper discussed future plans concerning Pierce Memorial park. His committee is holding a meeting at which they are to be both the county and state Park commissions in planning future developments. The outcome of this meeting will be reported at the Feb. 15 meeting to be held at the Municipal building.

A committee was appointed to decide on means of raising funds to build a wading pool and rest room shelters for the park. This group consists of A. D. Mayer and Paul F. Niehaus, co-chairmen.

It was suggested that all merchants be asked not to park their

Mrs. A. L. Steger's Brother Dies in N. D.

Chelsea relatives of William J. Breitenbach, of Minot, North Dakota, have been notified of his death there, on Friday, Jan. 21. Mr. Breitenbach was born in Lyndon township Sept. 27, 1882, and lived in this vicinity during his boyhood. His parents were John and Margaret Breitenbach.

He is survived by his wife, Ellen; a daughter, Mrs. Stanley Chial, of Moorhead, Minn.; a son, William, Jr., of Tacoma, Wash.; three sisters, Mrs. H. W. Wolfe and Mrs. Dean Munro, of Jackson, and Mrs. A. L. Steger, of Chelsea; two half-sisters, Mrs. Agnes Stackhouse, of Tulsa, Okla., and Mrs. E. M. Perkins, of Battle Creek, and six grandchildren.

Three factors have made it possible for American agriculture to lead the world in food production—scientific farming, mechanization of equipment, and efficient management.

DEATHS

Mrs. Frederick Postlethwaite
Mrs. Frederick Postlethwaite, a resident of the Chelsea Methodist Home for the past 15 years, died at the Home early Sunday morning, at the age of 84 years. Her only close survivors are her husband, at the Home, and a niece, Mrs. Sarah Alice Roff, of Detroit. Also surviving are a number of great-nieces and great-nephews.

Mrs. Postlethwaite and her husband came to the Home in 1933 from Detroit where they were members of the Cass Community Methodist church and became members of the Chelsea Methodist church. They celebrated their 60th wedding anniversary in October, 1948, at the Home.

Mrs. Postlethwaite was the former Sarah Alice Lund. She was born at Ingrove, Yorkshire, England, on April 24, 1864, and was married to Frederick A. Postlethwaite on Oct. 15, 1888. The couple lived in England until coming to Detroit in 1913, remaining there for 20 years before entering the Home. There were no children.

Funeral services were held at the Home at ten o'clock Wednesday morning, with Rev. Orville V. Morrow officiating. He was assisted by Rev. Matthew J. Betz, of the Home. Burial was made in Oak Grove cemetery.

Red Cross Thanks Community for Vets' Christmas Gifts

Mrs. Leigh Palmer, local Red Cross chairman, recently received a letter from Mrs. G. H. England, vice-chairman of supply for the Washenaw County Chapter of the American Red Cross, telling how the Christmas gifts from the Chelsea community for hospitalized war veterans, were distributed.

The letter reads as follows: "Many thanks, Mrs. Palmer, for your help in making Washenaw county a 'good giver.' There are 25 patients (veterans) at Leland Tuberculosis Sanatorium and we used the cash donated by your community in making purchases of Christmas gifts for them. There is little else we could do there to make their Christmas more cheerful, as they are not allowed much in the way of parties or entertainment. We also purchased 40 gifts for the Veterans' Readjustment Center here in Ann Arbor."

The response with gifts from individuals in this community was not as great as it had been the previous December, but a splendid response from members of the Chelsea Study club and Chelsea Child Study club, helped considerably.
