

**Bulldogs End  
Cage Season  
with Victory****Chelsea, Manchester  
Open Dist. Tourney  
at Michigan Center**

By DWIGHT GADD

Chelsea ended their regular season on a note of victory last Friday night at Lincoln Consolidated, as they splintered the Bulldogs' 45-28, for their fourth league win and their eleventh of the campaign.

Contrary to their usual habit, the Bulldogs blew hot in the opening quarter, jumped to a 17-7 lead, and then played fairly even ball with their hosts for the remainder of the game.

Marty Tobin, Chelsea guard, led the victors as he notched 14 points in his best output of the season. Lincoln forward Tom Spears, was close behind, as he pumped in 13 for the losers.

The Bulldogs hit from all over the court in the first eight minutes and the ten-point lead they attained wasn't threatened at any time after that. Vogel, Crocker, and Schrader, with six, five, and four points, respectively, paced this early-point spree.

Chelsea outscored Lincoln in the second quarter also, but only by a 9-6 margin, as the locals coasted off a little in their shooting. The Bulldogs left the floor at halftime on the comfortable end of a 26-13 score, however.

The last half continued much as the second quarter, as both teams hit for eight points in the third stanza, but the Bulldogs outscored their foes 11-7 in the final period to round out the game, 45-28.

With a league record of 4 wins and three losses, Chelsea tied U. High for third place in the league behind Milan and Saline. Their overall season record was a good 11-5 mark, and considering the fact that the varsity line-up had four sophomores and a junior, it promises of better things to come.

And now it's State tournament time again, with most District teams being run-off this week. Chelsea has been assigned to the "A" tournament at Michigan Center this year, and it promises to be one of the best, for four of the six teams entered boast winning records.

The other teams are Michigan Center, Manchester, Hanover-Horton, Brooklyn, and Napoleon. Michigan Center, Jackson county east-side champions, are slightly favored because of their 15-2 season record, they'll be on their home court, and they got the luck of the draw.

The other two teams in their half of the bracket are Napoleon and Brooklyn, both with only .500 season records. Hanover-Horton, Jackson county west-side champions, have a 12-4 mark, while Manchester has the same season total as Chelsea, 11-5. Chelsea is one of the two teams to defeat Michigan Center this year, the other top teams stack up fairly even.

Thursday March 3, (tonight) at 7:30, Chelsea and Manchester will open the tournament, followed by the Michigan Center vs. Brooklyn clash at about 9:00 o'clock. Tomorrow night, Friday, March 4, at the same time, Hanover-Horton will engage the winner of tonight's first game, and Brooklyn will meet the winner of tonight's second game. The two winners will then meet Saturday night at 8:00 for the title.

The Chelsea-Manchester battle appears as a toss-up, and a "rubber" game for the season. Chelsea whipped the Dutchmen 34-27 here at home in their first meeting of the season, and then Manchester dumped the Bulldogs on their floor, 31-21. The home floor has been a 9-7 points difference and both squads have identical 11-5 records. See you at game time!

Chelsea ABA Elects Two New Directors

Robert Gilbert and Gordon Van Riper were elected as directors of the Chelsea Artificial Breeders' Association at the annual meeting held Friday evening, February 26, in the Municipal building.

County Agricultural Agent H. S. Osler was present and gave a talk. The principal speaker of the evening was A. C. Baltzer, extension dairyman from Michigan State college.

Other numbers on the program were two vocal solos by Mr. and Mrs. Henry Oring, Jr., and a male, "Farm Safety".

After the meeting refreshments were served by the wives of the directors and included ice cream and cake.

**Time To Register for  
Township Elections**

Sylvan township residents who are not registered will have to register on or before March 15 to be eligible to vote at the April 4 election. Registrations will be accepted by the township clerk, Walter Kanteleiner, at any time and on the last day, March 15, registrations will also be accepted at the Town Hall.

The township caucus will be held Saturday, March 12, also at the Town Hall.

**Weight Limits Set  
for Trucks During  
Thawing Period**

"Truck loading to comply with Michigan law will be rigidly enforced this spring," warned Kenneth Hallenbeck, County Road Commission manager.

"Cooperation by the majority of truckers has been evident during the road break-up period each year, but many thousands of dollars of damage has been done by the irresponsible few who prefer to play hide-and-seek with deputies at the expense of other motorists and truckers who pay the highway bill," Hallenbeck said.

A set of the latest model portable weighing scales was recently received by the Road Commission and will be placed in the hands of a uniformed deputy sheriff, who may, under the law, upon finding a vehicle overloaded, arrest the driver and then there require him to unload to the allowable weight.

Vehicles which use only concrete roads and whose axle spacing is 9 feet or more are permitted 825 pounds per inch width of tire, during the reduced loading period, but not to exceed 13,500 pounds gross weight on any one axle. On all other roads these amounts are reduced to 450 pounds per inch width of tire, but not to exceed 11,700 pounds total weight of vehicle and load on an axle.

Owners of vehicles having unusual axle spacings, such as less than 9 feet, may obtain legal loading information from the county road office in Ann Arbor, the Michigan State Police or the State Highway department.

**World Day of  
Prayer To Be  
Observed Fri.****Women To Gather  
for Union Service in  
St. Paul's Church**

This prayer, and other like prayers for peace and unity, in private and public utterances will be voiced around the world on March 4, the first Friday in Lent, by Christian women of more than seventy countries. The official observance in Chelsea will be a Union Service at St. Paul's Church, Friday.

The program and participants for the "Farm Family Progress Day" celebration to be held by the Farmers Home Administration for its cooperating families in Washington and Jackson counties, on Thursday, March 3 (today), were announced today by FFA County Supervisor, Clayton Ingerson.

The program will be held at the Jackson City Library.

Main speaker for the occasion will be Elmer Davis, Farm Management Specialist. In addition to the program will be a presentation of the 8 families named winners of the Progress Day competition. Members of the USDA Council served as judges, and during the past several weeks have selected the FFA families whom they consider have made the most advancement in farm, family, and community living.

**School Problems  
To Be Discussed  
by Farm Bureau**

E. W. Eaton, chairman of the Chelsea Agricultural school district, and Jennings Campbell, actively associated for some time with the Lincoln Consolidated School Board, are to speak at the meeting of the Sylvan Farm Bureau which will be held Friday evening, March 11, at 8 p.m., in the Municipal building.

Mr. Eaton is to speak on school problems of the Chelsea area, and Mr. Campbell will discuss the effects of consolidation in the Lincoln district. Mr. Campbell will be accompanied by Clyde Brining, of Ypsilanti.

Invitations have been extended to all Farm Bureau members to attend the meeting and hear these timely subjects discussed by authoritative speakers.

The Institute opened on Sunday evening, January 30, at the Congregational Church with a goodly number of teachers present from the participating churches. The following Wednesday evenings through February 23 the Institute was held at each of the churches, respectively. Two standard courses were taught: "The Use of the Bible with Children" and "Methods in Teaching".

The Institute was directed by the Reverend Harry J. Lord, Religious Educational Secretary of the Michigan Council of Churches, Lansing, Michigan, who was assisted by Mrs. Bernice Kenady, Religious Educational Secretary of the Ann Arbor District of the Methodist Church.

**Chelsea Boys  
Win District  
FFA Contest****All Now Eligible for  
Regional Meet To Be  
Held in Jackson**

The Chelsea FFA boys who went to Saline Tuesday to take part in contests at the annual FFA District meeting, took top honors in all three contests, public speaking, demonstration, and parliamentary procedure. Other teams competing were from Manchester and Saline.

Walter Zeeb placed first in public speaking, Zeeb and Kenneth Proctor, Jr. placed first in an irrigation demonstration, and Zeeb, Arden Muebach, J. Neil Lantz, Bob Robbins and Keith Bradbury won first honors in parliamentary procedure.

The parliamentary procedure test was unanimously declared the winner by the judges. In the public speaking and demonstration contests the Chelsea boys had a close race with the Manchester and Saline contestants, winning by points in the final judging.

The Chelsea boys are now eligible to compete in the FFA Regional meeting to be held at Jackson High school next Tuesday, March 8.

Winners at the Regional meeting will go to East Lansing to try for state honors on March 22 and 23. The Chelsea boys were accompanied by Saline by other FFA boys and by Mrs. Marshall Richards, Mrs. Elton Muebach and D. A. Riker. The latter acted as one of the judges.

Marshall Richards, FFA director here, was unable to accompany the boys Tuesday because of illness.

**March of Dimes  
Falls Far Short of  
Last Year's Total**

Mrs. Walter Mohrlock, local chairman of the March of Dimes drive, reported this week that the total amount collected here during the drive was \$680.35. This was about \$170 less than last year's total. Mrs. Mohrlock said however, that she was gratified with the amount collected this year, and thought it was exceptionally good in view of unfavorable conditions, such as unemployment, etc.

NOTICE is hereby given that a Republican Township Caucus for the purpose of placing in nomination candidates for Township Offices of the Township of Sylvan, County of Washtenaw, State of Michigan, and for the purpose of transacting such other business as may properly come before it, will be held at Sylvan Town Hall on Saturday, the 12th day of March, 1949, at 2:30 o'clock p.m.

By Order of  
Walter P. Kandlehner.  
**Bird Banding**  
Bird banding has solved the riddle of where most birds winter. Many stop during the cold weather in southern United States; other species stop in Central America; and yet others fly far south of the equator, spending their winters in Central South America.

**A** STRANGE surprising gladness stirs my heart  
At night when heaven's first lights, dim and far,  
Swing in the dusk and each one suddenly  
Becomes the silver wonder of a star,  
Becomes a shining splendor on the hills,  
Unfading, steadfast, calm and high and white.  
Stars are so beautiful, so steeped in peace,  
They rest me more than anything at night.

There is an ancient comfort in the star—I treasure it: "Lift up your eyes and see."  
"He calleth them by name—not one hath failed."  
Oh, often through His stars God comforts me.

## Let us show you all the new features of this great car

Here is what thoughtful people everywhere have been looking for and hoping for!

Here, at last, is a car that gives you all the best features of modern design without demanding sacrifices of your family's comfort, safety or convenience. It was designed to fit YOU ... instead of you having to fit into it.

You don't have to wriggle into the new De Soto. You walk in ... and you keep your hat on. The steering wheel doesn't hit your knees. There's more leg room for all passengers, front and back. And not only are the windows and windshields bigger.

You can see out of them ... because you're sitting on luxurious chair-high seats.

Yes, it's a thrill to look at. But you won't have to rebuild your garage to get it in. A dented fender doesn't mean an expensive body job. And you can still change a tire, if you have to.

Ride? The smoothest you ever had. Drive? De Soto lets you drive without shifting. New features? Come in and see them all. No matter what car you thought you were going to buy, compare it with this brilliant new De Soto. Then decide.

There's "HITTING JACKPOT" every Tuesday night, all CBS stations

## Cuts Made by Glass of Fluorescent Tubes Termed 'Dangerous'

Even the slightest cut made by the broken glass of fluorescent light tubes is dangerous and requires the treatment of a physician; it should not be treated by ordinary first aid methods, the Michigan Department of Health warned today.

The injured person should tell his doctor that he has been cut by a piece of glass from a fluorescent light tube and not merely by a piece of glass.

Fluorescent tubes are coated internally with a powder which, when it gets under the skin or into a cut, causes slow healing, chronic inflammation or painful tumor-like growths.

Broken tubes and glass particles from them should be handled only with gloves, and should be buried underground deep enough so that children will not cut themselves by playing with them or stepping on them.

Precautions should be taken also to avoid inhaling the dust from broken tubes; it may cause lung

damage, the Department added. Fluorescent tubes are coated with a powder called "phosphor" which makes the tube fluoresce or glow. Phosphors normally contain beryllium and small amounts of mercury. These two substances are poisonous.

Fluorescent lighting is perfectly safe, when the tubes are handled with care. Danger exists only in handling broken tubes, in inhaling dust from broken tubes or in inhaling the dust in the course of manufacture of the tubes.

### Delusions About Lightning

One popular belief, that lightning never strikes the same place twice, has been disproved definitely. Still another, that lightning is a single flash of high-voltage electricity between cloud and earth has been found erroneous. Photographic studies of lightning show that lightning consists of as many as 10 separate strokes to the ground.

### Treasure Treves

Few people can explore an old building without hoping for a secret passage or mysterious box with digging instructions. In the fireplace of a house near Quebec, one man turned up an 18th-century box with charts that led to an exciting, though unsuccessful, hunt for the still lost French treasure buried before the British siege of Quebec.

## REGISTRATION NOTICE

FOR

### Biennial Spring Election MONDAY, APRIL 4, 1949

TO THE QUALIFIED ELECTORS OF THE  
TOWNSHIP OF SYLVAN  
PRECINCTS NO. 1 and 2, COUNTY OF WASHTENAW  
STATE OF MICHIGAN

Notice is hereby given that in conformity with the "Michigan Election Law," 1, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday; the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth day before any regular, special or official primary election and the day of such election.

NOTICE IS HEREBY GIVEN THAT I WILL BE  
AT THE FOLLOWING PLACES ON  
MARCH 1 TO MARCH 14, 1949, at MY STORE  
MARCH 15, 1949, at SYLVAN TOWN HALL  
and on  
Tuesday, March 15, 1949 - Last Day

The Twentieth day preceding said Election  
As provided by Sec. 3, Chapter 3, Part II, P. A. 306, 1929  
and Sec. 1, Chapter 3, Part II, P. A. 1939, Act 31,  
P. A. 1941, and Act 291, P. A. 1946.

From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTER-  
ING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

#### ELECTOR UNABLE TO MAKE PERSONAL APPLICATION, PROCEDURE

SEC. 16. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards, and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registration officer and designate his title.

#### REGISTRATION OF ELECTORS REQUIRED; REGISTRATION ON ELECTION DAY, IDENTIFICATION OF ELECTOR

SEC. 1. The inspectors of election at any election or primary election in this State, or in any District, County, Township or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the precinct in which he offers to vote; but the name of a qualified elector may be registered on the day of any election or primary election up to 4 P.M. of said day; PROVIDED, That he shall, under oath, state that he is a resident of such precinct, is at least 21 years of age and has resided in the State for at least 6 months and in the Township or City 20 days next preceding such election, designating particularly the place of his residence, and that he possesses the other qualifications of an elector under the constitution, and that, owing to the sickness or bodily infirmity of himself, or of some member of his family, or owing to his absence from the Township or City on public or private business, and without intent to avoid or delay his registration, he was unable to make application for registration on final days set for such registration; PROVIDED FURTHER, That he or she is accompanied and identified by a registered voter known to a member of the election board; PROVIDED FURTHER, That the Board of Supervisors of any County may by resolution duly adopted discontinue the registration of electors on primary and election days and such registration shall not be taken in such County thereafter on primary and election days unless and until the Board of Supervisors rescinds its action in connection therewith.

#### TRANSFER OF REGISTRATION; APPLICATION, TIME

SEC. 19. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk, a signed request, stating his present address, the date he moved thereto and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Such transfers shall not be made within the 30 days next preceding any election or primary election, provided that no such transfer shall be made by any person to vote in any Township, City or Village in which he had not resided 20 days next preceding any election or primary election.

#### TRANSFER OF REGISTRATION ON ELECTION DAY

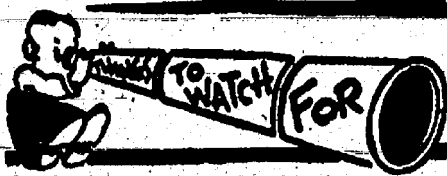

SEC. 20. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village shall have the right to make application to the Clerk, at the time of any election or primary election day by executing a request over his or her signature for such transfer and presenting the same to the election board in the precinct in which he is registered. Upon receiving such request the inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and if the signatures correspond then the inspector shall certify such fact upon said request and the applicant for transfer shall then be permitted to vote in such precinct for that election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote. When the resident house numbers of any section of a Township, City or Village have been changed, such change shall not affect the right of such voter to cast his vote. Corresponding change in the registration records may be made by the Clerk or upon election day upon proper showing.

WALTER F. KANTLEHNER,  
Township Clerk.

CO-EDITORS  
Joyce Hughes, M. K. Palmer  
Mae Slane—General Manager

The basketball team is playing Manchester at 7:30 tonight in the District tournament at Michigan Center.

Report cards will be handed out next Wednesday.

The Junior play, "Murder in Rehearsal," will be presented Friday, March 18.

The County Institute for teachers will be held in Ann Arbor, Friday, March 18. School will be closed that day.

Parents' Night is planned for March 22.

Spring vacation will be from April 1 to 11.

#### FIRE PREVENTION

"The rooms in this school are not fireproof. We do not know exactly how fast fire would spread if this school ever caught on fire," Mr. Johnson declared to the student body at an assembly held Feb. 22. During the past year several changes have been made in the school building to insure more safety if there were a fire. Fire drills are held frequently in an attempt to show the pupils what should be done in case of a real fire.

Quietness is important during one of these drills so that further instructions may be given if necessary.

Mr. Johnson also asked how many students know where to look for the telephone number of the fire department. Most students knew the answer was the telephone book, on the cover.

The Chemistry class also demonstrated various types of fire extinguishers. Marlene Heydlauff introduced the demonstration teams and told what fire was composed of. Erla Mae Wanous discussed spontaneous combustion.

After the fire prevention assembly was held a related movie was shown. It was quite an old picture but nevertheless it suggested many helpful ways of preventing fire, such as cleaning cluttered cellars, checking insulation, and keeping matches in metal containers. Nearly everyone realizes the danger of these things, but a good reminder certainly doesn't hurt.

Also as an added feature, the movie "Sea-side Holiday" was shown. On Prince Edward Island there are all kinds of entertainment such as swimming, fishing, clam-bakes, golfing, and horseback riding. After seeing the movie everyone was quite convinced that his honeymoon (?) is going to be spent on Prince Edward Island.

#### WHAT IS YOUR OPINION OF THE OPPOSITE SEX?

The following opinions, though not actually stated by the students, seem to fit their personalities perfectly.

Dave Crocker, sophomore—A very good hobby and a steady part-time job.

Pat Scott, junior—They're some-

thing you want when you don't have and something you don't want when you do have!

Bob Merkel, senior—Fools rush in where angels fear to tread.

Marlene Heydlauff, senior—Wish I had one to form an opinion about.

Joan Hughes, junior—I'd die of boredom without them.

Walt Zeib, junior—Opposite sex? What's that, girls?

Stanton Walker, freshman—They sure make life more interesting.

Bob Stofer, senior—You can't live with them and you can't live without them.

Jean McClure, junior—I think he's (?) wonderful.

Margie Proctor, senior—They're beasts at times, but what would we do without them? They certainly know how to cause heart trouble.

Dorothy Howard, junior—Generally speaking they're OK, but there are a few exceptions (?).

Joanne Schneider, sophomore—At times they're so dumb it's pitiful, and sometimes they're too smart for their own good. (Art class!)

Betty Wolfe, junior—Personally, I think they're a blot on the whole human race.

Doris Downer, senior—I think they're a great invention.

#### OPINION POLL

"What can we do to prevent fire in the school?" was the question put before the student body last week. In response, exactly three opinions were given. This was a very poor response to a question as serious as this. At the splendid fire-prevention assembly, Mr. Johnson asked the students to give any information that would be helpful in making our school safer. This neglect on the students' part should not happen again. After all, school is their business, too.

#### RECENT MOVIES

This week more than usual, the students at Chelsea High witnessed many things via the movie screen. Both the biology and agriculture classes saw the movie "Soil Conservation by Use of Farm Machinery," produced by the John Deere company. It emphasizes the dangers of soil erosion and showed means to prevent it. The three main topics that were discussed were terracing, contour plowing, and strip cropping.

The agriculture class had two other movies, "Food Production," which explained how our state laboratory test different foods and the regulation of some for the protection of the consumer, and "Harvest Parade," which showed how the different crops in Michigan are harvested and what can be done to protect the food after it is harvested.

Both movies were exceptionally good, and our school is one of the first to see these new movies put out by our state departments," was the comment of Mr. Richards.

Another movie that was shown last week was "The Secretary Transcribes."

It showed how two different girls working in the same office got along. It showed many short-cuts which could be worked out when one is working in an office.

The movie was enjoyed by both shorthand classes.

### Why Don't We Do This More Often?

#### WATCH YOUR FEET

Spring will be here in just a few weeks. Soon baseball practice will start and the boys will be going out to the field with cleats on their shoes.

Everybody likes to get out of school and into the warm air, but at this time of year the ground is very soft and the mud is everywhere.

The people of the community don't like to look out of their windows and see footprints, cleat marks, and bicycle tracks in their lawns after they have worked so hard to get them to look nice; nor do they like to see mud tracked all over their sidewalks.

Remember, kids, it takes just as long to cut across a lawn as it does to walk to the corner on the sidewalk.

#### GIRLS' BASKETBALL

Chelsea girls traveled to Dexter last Thursday for possibly their last game. (There is a chance they may still play Manchester.) The Dexter girls went into the game with an unbeaten record, while Chelsea went into the game with 2 wins, 2 losses, and 2 ties.

Unlike other years, this year there have been honorary captains for each game. The girls that have had this privilege are: J. Hughes, M. Johnson, M. Slane and D. Howard. The honorary captain for the Dexter game was M. Schrader.

Chelsea won the toss and took the center throw. The regular girls started. Chelsea made the first basket, but Dexter then started going. The score at the half read 12 to 2 in favor of Dexter.

The girls played a good game, although they did come out on the wrong end of the score. They are looking forward to the Manchester game and hope to end the season with a victory.

RECEIVE FLAGS  
The Women's Relief Corps pre-

sented the elementary grades with silk flags on George Washington's birthday. This was a very appropriate time to give us the much needed flags. Carol Cameron accompanied them.

## The New '49 PONTIAC

Pontiac—Division of General Motors

North...South...East...West  
*America likes Pontiac best!*

In their own words below, the automotive editors of America's leading newspapers graphically record the nation-wide triumph which the 1949 Pontiac scored on its introduction a few weeks ago. Read what they say. Then come in and see the great new car that has created the greatest public enthusiasm in Pontiac history.

San Francisco: "Pontiac's 'forty niners' shot quickly into popular favor on their initial showing here stop their 'new look' and astonishing low price tags winning immediate approval and rightly so from record crowds because of these two

features to say nothing of their mechanical advancement and improved riding qualities." LEON J. PINKSON, AUTOMOTIVE EDITOR, SAN FRANCISCO CHRONICLE

Detroit: "Public reception of new Pontiac was up to the highest expectations of company's officials. It looks like another good year for the division judging by customers' enthusiasm." SILVER FREEMAN, AUTOMOTIVE EDITOR, DETROIT TIMES

New York: "Beauty of appearance combined with advanced utility and styling features of Pontiac models drew much attention from big crowds at dealers' showrooms in New York." BERT PIERCE, AUTOMOTIVE EDITOR, NEW YORK TIMES

Chicago: "Chicago welcomed the new 1949 Pontiac with a 24-gun salute of approval judging by the enthusiastic reception and the long lines crowding dealer showings stop. The new Pontiac should prove to be one of 1949's biggest highway hits." MAURICE RODDY, AUTOMOTIVE EDITOR, CHICAGO SUN-TIMES

Memphis: "The greatest and most enthusiastic public reception in Pontiac's history here stop. Many orders taken regardless of no definite date of delivery stop. If production can meet public demand I predict the biggest year Pontiac ever had." AGE BAILEY, AUTOMOTIVE EDITOR, MEMPHIS COMMERCIAL APPEAL

## SHORT STORY

## Tale Of A Mouse

By M. J. COLLINS

STAN JACKSON owned the service station beside the pine grove a few miles outside the town. It was a good location and Stan made a fair living. He was a happy-go-lucky sort and everyone liked him, but he had one great fault. He loved to talk. Once he got started it was hard to head him off. Mice were his pet subject at that moment, and he claimed it everyone started to catch them systematically, the country would be saved a million every year.

This was Saturday and he'd been busy all day, and so had the cash register. "What's going on now?" Highway Patrolman Clancy asked as he stepped in. Stan looked up from the corner where he was bent over fixing something. "I'm trying to catch a mouse," he answered, "and having a time of it, too."

"Trying to save a million dollars, I'll bet," Clancy laughed. "Listen, Stan," Clancy turned serious. "There's been a lot of service stations robbed lately. Don't leave too much cash around."

"Oh, they'd never bother with a place like this," Stan's mind wasn't on Clancy's warning. "Now if I could only catch that mouse," Clancy fled.

The next few hours were busy ones for Stan. The farmers, in town for the evening, were his main customers, but now they were gone and he could close.

Hardly had he settled down when there was a "snap."

"Ah," he cried. "I've got you this time!" Jumping to his feet, he rushed back to the corner. He pushed the box aside, but the mouse was gone, and so was the cheese. Perplexed, Stan scratched his head.

This mouse had put it over him for almost a week. "I'll get you yet!" he muttered shaking a fist.

THE CAR grinding to a stop woke him up. Hardly before he was out of the chair, the door opened and a man stepped in. "Good evening," Stan said. "The man looked hard and grim. "Stand where you are!" The voice sent chills up and down Stan's spine. "Put up your hands."

An automatic's snout was pointed where Stan had always considered his heart was. Right now, it was pounding in his mouth. His hands shot up with all possible speed. A flashy girl came in and stood beside the man.

"Wise guy," the man sneered. "Yeah, wise guy," the girl said. Stan's eyes stole toward the cash register. There was almost \$200 in it.

If Clancy were only here. Stan's ears were straining for the sound of the motorcycle. "Here," the man said curtly, "hold the gun on him." She took

The man looked hard and grim. It while he emptied the register. The sight of his vanishing money made Stan see red.

"Don't try it, sap!" the woman said coldly, motioning him back. A pair of small, beady eyes stared out of a hole in the wall. The mouse started to run across the floor. The girl screamed and, dropping the gun scrambled up on a chair.

Cursing, the man turned. All the fury in Stan's fist crashed into his face. He went crashing into the wall and slumped.

In the excitement the sound of the motorcycle had gone unnoticed. Clancy stepped inside, surveyed the scene and quietly asked, "What goes on?"

Stan sighed with relief. "You're just in time."

"I think so," Clancy said, dryly, taking the gun out of the shaking hand. "This might go off and damage someone . . . even you."

After the two had been taken away, Stan served Clancy coffee in the rear. Clancy asked, "How did you get the drop on them?"

"Well," Stan replied, "he handed the gun to the girl. Mi-gosh, wait!" he cried, rushing out front. In a few seconds he was back. "Look at this," he cried, holding up the trap. The mouse was pinned by the tail.

"Ah! Success!" Clancy chuckled. "The mouse proved my argument," Stan beamed. "It saved the country \$200."

### Activities...

#### STUDENT COUNCIL

"What can the students of Chel-  
sea High do to help improve the  
school?" will be the topic discussed  
at the "Boy and Girl" meetings to  
be held on March 23. The girls  
will meet in the study hall and the  
boys in the gymnasium."Is your locker a fire trap?" If  
so, you had better have it cleaned  
out by March 1, as the Student  
Council is sponsoring a locker in-  
spection on that day.The drive to collect funds for the  
"Heart Disease" campaign has  
been turned over to the Hi-Y club.

#### RED CROSS

The Junior Red Cross Council  
has donated \$12.50 to the National  
Children's Fund. This money was  
taken from the money collected  
from the membership drive. The  
rest of the money that was collect-  
ed will be used to help in the filling  
of gift boxes within the next few  
weeks.The Junior Red Cross Council is  
also helping the Senior Red Cross  
committee with posters and flags  
for the community Red Cross drive.Home Ec. I girls are still con-  
tinuing their unit on cotton dresses.The Home Ec. II girls have fin-  
ished the curtains for the room  
and are ready to hang them. They  
followed the design used by theHome Ec. III girls on the couch.  
The girls are awaiting the three  
new gas stoves to begin their unit  
on "Vegetables for Dinner."  
Home Making III girls are using  
the book "The Family and Its Re-  
lationship" by Groves, for their  
unit on "Successful Marriage."

#### CHORUS

The award committee has been  
appointed and consists of two  
members from each class including  
the officers of chorus. Other com-  
mittees concerning the operetta  
have been chosen and are as fol-  
lows: publicity, costumes, staging  
and ushers.The chorus is planning a concert  
to be held some time in May.

#### Grade News...

##### KINDERGARTEN

Diane Holmes had a birthday  
last Friday. She brought birthday  
napkins and cupcakes for the class.

##### FIRST GRADE

The first graders enjoyed their  
visit last Friday to the fourth  
grade to see their castle. The class  
was very happy to have been in-  
vited and they enjoyed the visit  
very much.

##### SECOND GRADE

Both second grade classes have  
planned a train trip for today.  
They will leave by school bus for  
Ann Arbor where they will board  
the train for Chelsea. Four meth-  
ers will also go along. They are  
Mrs. Keezer, Mrs. Gage, Mrs.  
Papsdorf and Mrs. Carl Mayer.The class has had a great deal of  
fun and learned by pretending  
they were buying tickets and sit-  
ting in the coaches.

#### FIFTH GRADE

The fifth grade has three new  
pupils, Darrell and Deanna Shook,  
a brother and sister from Jackson,  
Ohio, and Jimmy Hemstreet from  
Leslie.The class has a display for read-  
ing and science of outdoor life. In-  
cluded in the display are shells,  
sand, cotton, copper, iron ore, to-  
bacco and coconut. They also have  
a bulletin board of pictures.

#### SIXTH GRADE

Have you seen them? You  
haven't? Well they are displayed  
in the back of our room. What am  
I talking about? Why, the pic-  
tures of Belgian ladies, of course.  
We drew them. We also made logs  
and hatchets for George Washing-  
ton's birthday.The heart disease campaign is  
on now, Feb. 23-28. Our class is  
donating. How about you?  
Donald Messner had a birthday  
Feb. 23. "Happy Birthday, Don-  
ald."

## JUNIOR HIGH NEWS

The Seventh grade went to the  
Chelsea Public Library, Thursday,  
Feb. 24. We studied many different  
ways to use books.Our history class is making  
scrapbooks of the South American  
countries. Also some of the stu-  
dents that are making maps are:  
K. Keeny, J. Davisson, B. Smith,  
D. Satterthwaite, S. Baldwin, J.  
and K. Widmayer.Bill Fletcher, one of our fellow  
classmates, won his birthday game  
Feb. 23. "Happy Birthday, Bill."

#### FORTY NINERS

Have you seen a tall, green-  
eyed Senior girl around school,  
who also has dark brown hair worn  
in curly bangs one day and just the  
opposite on the next? Do you  
know who was born Jan. 30, 1931  
and went to McLaren grade school  
before entering CHS? Who drools  
over the sight of baked ham, sum-  
mer or winter, when she is "dressed  
up" in blue jeans and thinking of  
her top song, "I've Got My Love  
To Keep Me Warm." (Hm-m-m,  
who can that be?) Well, if I told  
you she really likes baseball, "The  
Babe Ruth Story" heading the  
movie list, and dancing, would you  
know who I mean? This particular  
girl would thoroughly disagree  
with you if you said that students  
should earn all of their spending  
money, because she knows how  
much studying goes along with the  
fun of high school. Who can it  
be that has older brothers and  
sisters to tease her and likes to  
wear pastels and plaids to school?  
What other Senior Miss can be so  
quiet one day and so much fun on  
the next. Here's another tip: she  
can really "sew a fine seam."  
Haven't you made up your mind  
yet about her identity. Who elsecould it be, but Dorothy Ellen  
Barth?One little heavenly messenger  
was conversing with another little  
messenger, on Jan. 7, 1931, about  
the situation that had prevailed  
for so long in their district. The  
first said, "I wish I had something  
to do." The second answered, "So  
do I—life tiresome up here?"  
Suddenly bells rang, lights blinked  
it was the Head One calling his  
helpers? The two little messengers  
learned that it was their duty to  
take a little, blond, hazel-eyed  
baby to someone who would care  
for it and call it her own. The  
baby was named Audrey, and the  
little messengers decided Knicker-  
bocker would be a fine last name  
for her.As the child became older, she  
decided that she liked chocolate  
cake better than any other food,  
selected her own friends, though  
she saw to it that her parents liked  
them too, and couldn't help singing  
and thinking about her number one  
song, "I'm Always Chasing Rain-  
bows." She attended Manchester  
High school in her freshman year,  
but even though she has changed  
schools, she hasn't changed her  
mind about her favorite pastimes:  
movies like "Tap Roots," bowling,  
seeing a basketball game and do-  
ing house work. Audrey likes to  
be different. She has no pet peeve  
and thinks some people carry the  
"new look" too far. She adds, how-  
ever, that it really isn't a very  
new look any more. Extra curricu-  
lar activities have been: GAA,  
Chorus and Journalism. Her opin-  
ion of curfew is just plain "No,"  
but she thinks daily chores are  
alright and that high school stu-  
dents should earn some spending  
money, but not all of it. After  
graduation, Audrey is hoping to  
enter nurses training through the  
St. Joseph's hospital in Ann Arbor.

## Valve-in-Head- and Fireball too!

It seems that valve-in-head en-  
gine design is becoming quite  
the thing, now that gasolines are  
stepping up in octane rating and  
higher compression ratios begin  
to be worth while.Well, that's dandy as far as  
Buick is concerned.For more than forty-five years,  
Buick engineers have been work-  
ing with, developing and learning  
all about valve-in-head engine  
design.So quite some time ago Buick  
applied a principle, possible only  
in valve-in-head design, which  
still remains a Buick exclusive.It is Fireball design -- and it's an  
interesting engineering story.It comes from a specially shaped  
piston, designed to roll each fuel  
charge into a compact, whirling,  
ball-shaped mass. It goes a step  
beyond high-compression ratios,  
because it means better mixing  
of fuel -- and so better burning.Result: More good from each  
fuel charge. A touch more life,  
pop, ginger. More of that happy,  
satisfying feel of power and zip  
that give Buick its good name as  
a performer.So remember, as more and  
more cars climb on the valve-in-head bandwagon, that Buick is  
still calling the tune. Still ahead  
in knowledge and experience and  
development of a principle that  
has always been recognized for  
its greater basic efficiency.With self-setting valve lifters  
adding new quiet and washing  
out tappet noise, it's plain that  
"Buick's the buy!" on engine  
design as in other ways.Come satisfy yourself on that  
score -- and get a firm order in  
either with or without a car to  
trade.

For An Onion Flavor

Next time you are making sand-

wiches, slip the knife with which

you are slicing tomatoes into an

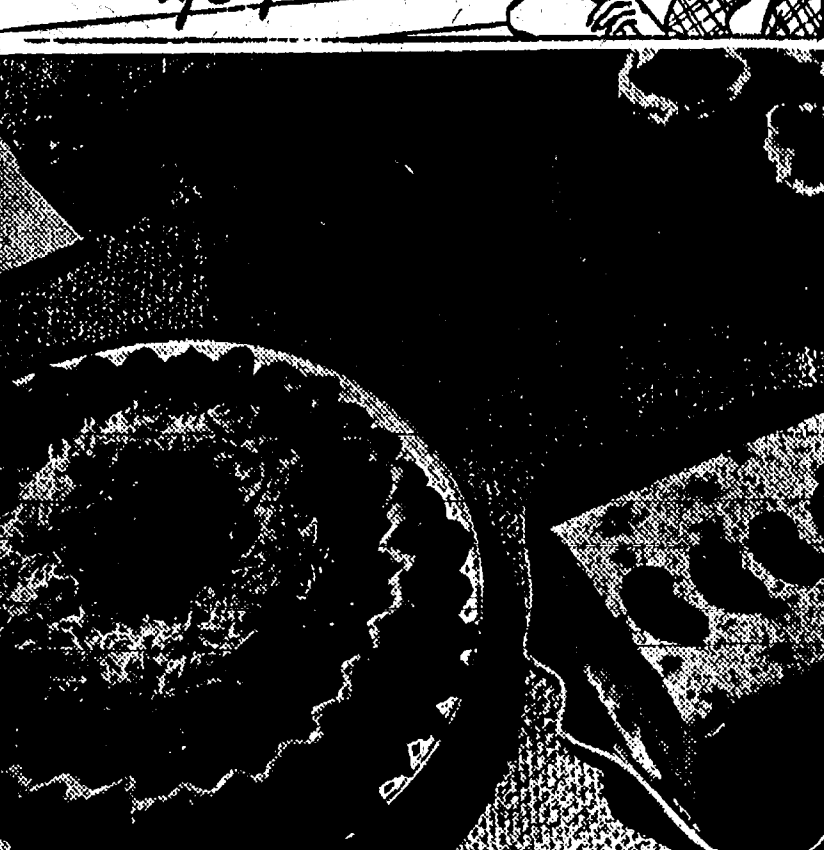

onion several times while slicing

each tomato. This will give a de-

licate onion flavor, but the onion

taste will not be strong enough to

be unpleasant.

## CHERRY FAVORITES

FOR A MONTH which is short,

February has more than its quota

of holidays. Just in case you're

entertaining for even one of these

days, we've planned a number of popu-

lar desserts from which you can take

your choice.

Youngsters and older folks alike

will enjoy colorful desserts whether

they're for family dinner or a party.

You may serve them ice cream,

cake or pudding, or pie, if that's

your favorite dessert, and it's bound

to be a hit.

Here are a number of top-notch

cherry dessert recipes which may

be used during this month or any

other. Starting with a cherry pie

filling, you'll find that several other

desserts can be made from it.

Filled cup cakes, cherry sundae

topping or a cherry frozen pudding,

all are made using the same, easy

basic cherry sauce that is used for

pie filling. The sauce may be stored

in the refrigerator for later use or

for quick snacks when company

drops in to call.

YOU'LL FIND that canned cher-

ries are convenient to use and

somewhat lower in price than

last year. The following recipes

call for water-packed cherries. If

you use those packed in syrup, re-

duce the sugar in the recipe to 1/4

cup.

## All-Purpose Cherry Sauce

(Makes 2 1/2 cups)

1 No. 2 can red sour pitted cher-

ries

1/2 cup sugar

2 tablespoons cornstarch

1/2 teaspoon salt

2 tablespoons butter

Heat the drained liquid from the

cherries. Combine sugar, corn-

starch and salt. Stir into the boiling

liquid and cook until thick and

clear, stirring constantly. Remove

from heat; add butter and cher-

ries.

## Cherry Pie

Fill an 8-inch baked pie shell with

2 1/2 cups of the all-purpose cherry

sauce. Garnish with 3 tablespoons

shredded coconut mixed with 1 ta-

blespoon-grated sharp cheese.

## Cherry Sundae

(Serves 4)

1 cup all-purpose cherry sauce

1 pint ice cream

Prepare the cherry sauce. Divide

the ice cream into 4 servings. Top

each with cherry sauce. Serve

sauce hot or cold.

Cherry Filled Cup Cakes

2 1/2 cups all-purpose cherry

sauce

10 cakes

Prepare the cherry sauce. Cut off

tops of cup cakes and scoop out

centers. Fill with cherry sauce.

Serve with vanilla-flavored whipped

cream.

Frozen Cherry Pudding

(Serves 8)

1/2 pint whipping cream

1/2 cup all-purpose cherry

sauce

3 drops almond flavoring

Whip cream until stiff; fold in

cold cherry sauce and flavoring.

Four into freezing tray of mechan-

ical refrigerator and freeze until

firm but not hard.

IF YOU'RE looking for other

cherry recipes with which to cele-

brate any event, you'll like the fol-

lowing selection. The first is a de-

licious cookie:

LYNN SAYS:

Food Tricks Make

Dishes Appealing

Did you know that a bit of curry

powder in corned beef hash will put

it in the elegant class? You can

stuff green peppers with the mix-

ture for a meal in one dish.

Use the tough portions of broc-

coli cooked and pureed, mixed with

cream sauce and hard cooked eggs

for a nice vegetable dish.

Sliced stuffed olives with cream-

ed veal or veal stew add both color

and flavor to it.

## It Wasn't So Very Long Ago

Items taken from files of The Standard of years past.

### 24 Years Ago

Thursday, February 19, 1925  
George Goodwin has sold to Peter Cole, a parcel of land on section six, Lyndon township. Fred Heydlauff, Miss Ricka Kalmbach, Mrs. Fred Notten, spent Wednesday in Ann Arbor.

Dr. and Mrs. A. L. Steger were guests of relatives in Detroit on Wednesday.

Martin Merkel has purchased a new International tractor to use on his farm.

Ladies of the Chat'n Sea club enjoyed a beautifully appointed Valentine party at the home of Mrs. E. L. Sutherland on Tuesday evening.

Gottlob Hutzler, a resident of Chelsea for the last forty-five years, died at his home on Railroad street on February 18.

Clara E. Wellhoff, daughter of Mr. and Mrs. Fred Wellhoff, and Herman C. Eisele, son of George Eisele of Freedom were married at St. Paul's parsonage on February 14, by Rev. P. H. Grabowski.

A pretty wedding of much interest locally took place in Peterborough, Ontario, uniting Hazel Sweeney, daughter of Mrs. Mary Sweeney of Peterborough to James P. McCarthy of Chelsea.

At the Republican county convention, held in Ann Arbor, Otto D. Lulich of Chelsea was named a member of the resolution committee.

**Deer Feeding.**  
Nearly 1,000 tons of alfalfa hay and concentrated deer food were distributed in Wisconsin's deer yards during 1947 to feed an estimated number of only 25,000 deer. The cost of this operation \$72,000, along with the required payment of deer damage claims amounting to over \$55,000 in 1947, has brought about the general concession by game biologists that deer feeding is a waste of effort and money.
