Chelsea, N. Lake Dog Vaccination Clinics Successful

Approximately 1,400 dogs were vaccinated for rabies in the dog vaccination clinics recently sponsored by the Washtenaw County Health department and the Washtenaw County Veterinarians Association.

Spokesmen for the Health department state that they believe the vaccination of dogs for rabies has been responsible for the near elimination of rabies in Washtenaw county during the past months.

The numbers of dogs vaccinated in the various villages were as follows: Saline, 118; Dexter, 148; Willow Village, 100; Chelsea, 148; Manchester, 91; North Lake, 56; Whitmore Lake, 106; East Ann Arbor, 77; Milan, 149; Ypsilanti, 160; Ann Arbor, 280.

A car owned by Paul Howard and driven by Leonard Risner was badly damaged when it struck a Detroit Edison utility pole near the railroad crossing at the Methodist Home about 2:15 a.m. Sunday. Occupants of the car were not injured.

According to a report by Police Officer Frank Reed who was called to the scene, the driver apparently lost control of the car as it was traveling east on Cavanaugh Lake road, crashing into the utility pole north of the railroad tracks.

New Location Favored for Court House

Sylvan Group Wants New Building on County Fairgrounds

The Sylvan Farm Bureau had as its guests at the meeting in the Municipal building Friday evening, members of the Lima-Sylvan Farm Bureau. About 100 persons were present.

At a previous meeting a motion had been made to send to Howard Heath, Farm Service editor on radio station WPAG, a statement of the opinion of the Farm Bureau members on the county courthouse question. This opinion was given at Friday's meeting, the Bureau going on record as being in favor of building a county courthouse for the county and by the county on the county fairgrounds site in the western edge of Ann Arbor.

Robert C. Johnson, superintendent of the Chelsea Agricultural Schools, gave a 20-minute talk on present and future school problems in the Chelsea area. He then answered questions on the subject.

This was followed by a talk given by Jennings Campbell, of the Lincoln Consolidated School district. He explained how the consolidated districts had resulted in a greatly improved system at the Lincoln school.

Clyde Breinings, of Ypsilanti, State Farm Bureau Director, was present and spoke on Michigan Farm Bureau automobile insurance and Mrs. E. G. Van Riper explained how to insure the group.

The program period closed with two lively songs, "The Four Musical Crows," a quartet composed of Mrs. Wilber Hatt, Mrs. Harley Hatt, Mrs. Walter Wolfgang and Mrs. Gordon Van Riper. Guests at the meeting were Mr. and Mrs. J. J. Waggoner of the Dexter Farm Bureau, Mr. Samuel I. Whitman and Mrs. George Barlow of the publicity committee of the Chelsea Agricultural Schools Planning committee, who expressed interest in the views on school consolidation as brought out by the evening's speakers.

A pot-luck lunch was served and then dancing was enjoyed with music being furnished by Fred Gentner and Mr. and Mrs. Henry Orbring. Cards also furnished diversion for those who wished to play.

The reception committee for Friday's meeting included Mr. and Mrs. Anton Nielsen and Mr. and Mrs. Leon Sorenson. Those on the kitchen committee were Mrs. Walke Wolfgang and Mrs. William Pritchard.

It was announced that a Patrons' Farm Bureau meeting is to be held Tuesday evening, March 22, at the Municipal building. An interesting program is being planned and will include movies, talk on paints and fencing by George Fansler, of Lansing, of the Farm Bureau services. Refreshments are to be served. The public is invited to attend this meeting.

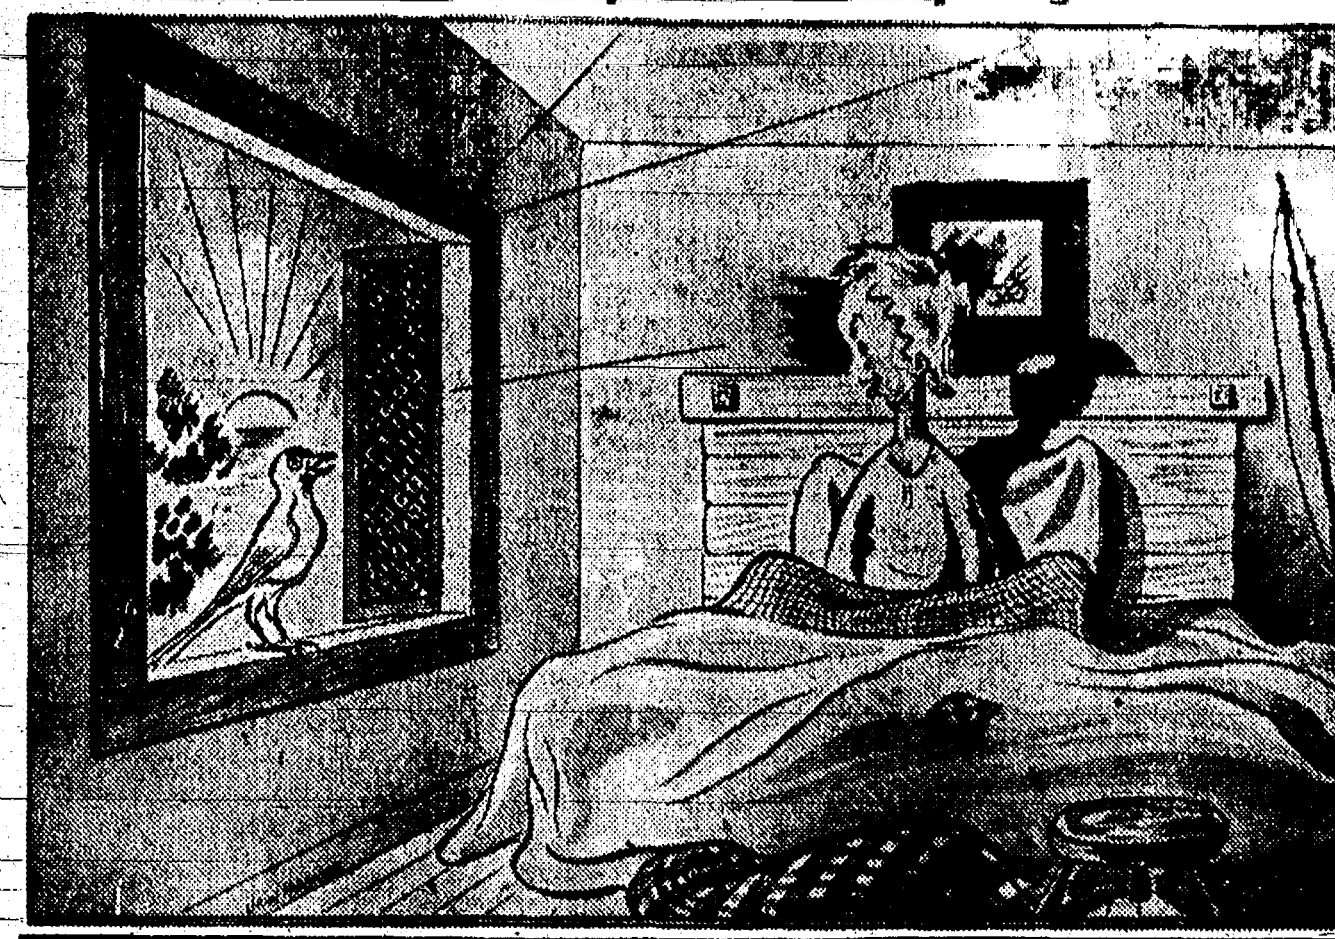

Captains in Red Cross Campaign Asked To Report by Friday

The local Red Cross annual drive for funds is progressing satisfactorily according to a report by the chairman of the drive, Mrs. John P. Keusch. However, she emphasizes that she is hoping that solicitors will endeavor to complete their calls at their earliest opportunity. Solicitors are being requested to contact their captains by Friday of this week to report the amounts collected and the progress made.

The drive here is being conducted by forty solicitors working under four captains, Mrs. Anna Dvorak, Mrs. John Chaplin, Miss Ida Keusch and Mrs. Armin Schneider.

The official Red Cross drive is on until March 31, but with the well-organized plan of solicitation it is hoped the drive here could be completed in much less time and indications now seem to be that it will be completed within the next week.

District IV Extension Groups Hold Annual Spring Party

120 Women Meet at Methodist Church

The annual spring party of Washtenaw County Extension Groups of District No. IV was held at the Chelsea Methodist church on Thursday, March 10. Ladies of the Philathea Breakfast Club of the church prepared and served a chop-suey luncheon to the 120 members and guests present. Forthright gave a spring-like touch to the table settings.

The group met at 12 o'clock for get-acquainted games in charge of the Dexter Extension Group, and after the luncheon the Lima Center Group was responsible for community singing. Mrs. Vincent Vines, Lima Center recreation chairman, led the singing, while Mrs. Harry Knickerbocker played the piano accompaniment. This same group also was in charge of community singing immediately after the business session which was held mid-hour during the program.

The Webster "A" Group put on an amusing skit called "Train to Looon Town," with the following members of the group taking part, appropriately costumed: Mrs. Clarence Bristle, Mrs. Neil Nixon, Mrs. Willis Otto, Mrs. Grace Nixon, Mrs. Fred Wheeler, Mrs. Louie Danlavy, Mrs. Emil Kaiser and Mrs. Matt Wheeler. Mrs. Bristle was recreation chairman of the group.

The program continued with members of the South Sylvan Group giving what they called a radio program, "Mrs. Art Link-splatter's House Party," the props including a microphone made from a kitchen strainer. Mrs. Alice Bergman, recreation chairman of the group, acted as announcer. The radio skit included the songs, "Down By the Station," and "The Pussy Cat Song," sung with appropriate action by a quartet composed of Mrs. Helen Wolfgang, Mrs. Margaret Hatt, Mrs. Kathleen Hatt and Mrs. Janis Van Riper. In a take-off on radio give-away programs Mrs. Grace Van Riper and Mrs. Amy Gentner were named winners in two contests, "Peeking in a Purse," and "Oldest Old Maid Present."

Mrs. William Denham, Jr., recreation chairman of Webster "B" Group, had arranged for readings by two members of her group, Mrs. Lawrence Wheeler and Mrs. Guy Wheeler, and these were the next numbers on the program.

During the business session, in charge of Mrs. Wilber Hatt of Chelsea, junior district representative of District No. IV, three women were nominated for election as representative of the district to the county board.

Local Police Force Cooperates in State Safety Campaign

From March 14 to April 30 there will be a state-wide safety check on all motor vehicles, for defective equipment which might cause accidents on the streets and highways. You can help make cities, villages, and Michigan highways safer if you will obey the traffic laws.

Here are some of the traffic laws you must obey to prevent accidents.

1. Be sure your brakes are in good condition.
2. Be sure your car has the proper lights.
3. Stop for all flashing red or red traffic control lights.
4. Keep your car under control at all times.
5. Do not speed. The legal speed limit is 25 miles per hour, or less, in both business and residential districts.
6. Be sure your car is properly parked.
7. Bring your car to a stop at all stop streets.
8. Stop and sound your horn when leaving the alleys.
9. Do not park on crosswalks or in alleys.
10. Do not block driveways.
11. Give the proper signal when stopping or making a turn.
12. Watch for pedestrians at all times.
13. Do not double-park at any time. Children are more liable to be struck down by a passing vehicle.

Heiber and Son, and later in the building where Seitz's Farmers' Exchange is now located. Funeral services for Mr. Smith were held on Tuesday.

Red Cross Provides Answers to Most Common Questions Asked by Veterans

Home Service section of the Washtenaw County chapter of the American Red Cross receives hundreds of questions by letter and phone every month. Some of these questions are very general, others are quite specific. Most of them involve services or benefits for active servicemen, veterans or their dependents. It seems quite probable that many more individuals would raise questions if they knew where to make inquiry. It is also quite possible that seeing the question answered would remind them to do something about it.

With these possibilities in mind, Red Cross Home Service is preparing a list of questions most frequently asked and the answers to make inquiry. They will appear weekly in The Chelsea Standard.

Persons having questions which have not been answered or who are needing help with their problems, may write or call the Home Service section of the Washtenaw County chapter of the American Red Cross, which is located at 211 Nichols Arcade, Ann Arbor, phone 2-5646. The Ypsilanti branch office is located at 209 W. Michigan avenue, Ypsilanti, phone 305. All of the necessary forms for applying for the various benefits are available in either office.

Since the deadline for applying for Michigan Veterans' Military Pay is March 19, 1949, we have today answered the questions most frequently asked concerning this benefit.

In the future we will answer inquiries concerning family allowance, allotment, National Service Life Insurance, disability compensation, non-service connected pension, widow's pension, hospitalization, outpatient care, education benefits, on-the-job training, and G.I. loans.

Questions and Answers

May I still make application for Michigan Veterans' Military Pay? (Yes, if you act at once. The deadline for filing for Michigan Veterans' Military Pay is March 19, 1949.)

Where may I file for this benefit? Any notary public can certify your application. It must then be mailed to the office of the Adjutant General, Military Pay Section, Lansing 1, Mich.

Where can I obtain application blanks? The American Red Cross office at 211 Nichols Arcade in Ann Arbor and the branch office at 209 W. Michigan avenue in Ypsilanti have application blanks. There is also a notary public available in each office.

How may I obtain application blanks? The Home Service section will assist you in completing the application if you need help in doing so.

What documents will I need to complete the application? You will need your Honorable Discharge, the original, NOT a copy. (Continued on page three)

Heart Association Funds Campaign Here Nets \$168.97

The American Heart Association campaign proceeds here amounted to \$168.97, it was reported Monday by David Strieler, chairman of the committee for Herbert J. McKune Post, No. 31, American Legion, which sponsored the Chelsea campaign.

This amount was raised solely by contributions in the heart-shaped coin containers in business places and in the schools, and by contributions from Chelsea clubs and organizations. Mr. Strieler expressed his gratification for the contributions, all of which were voluntarily made.

FFA To Send Delegates to State Meeting

More than 300 Future Farmers of America from 150 Michigan high schools will meet at Michigan State college at East Lansing, March 22 and 23 for the organization's twenty-first annual state convention.

Representing Chelsea High school at the meeting will be delegates Keith Bradbury and Oscar Bareis, Jr.

Walter Zeeb, who placed second in the regional contest at Jackson High school last Wednesday, is the alternate for the first place winner, Robert Felton, of Springport, in the public speaking contest.

At last Wednesday's regional contests in Jackson, Chelsea's parliamentary procedure team, Walter Zeeb, Arden Musbach, J. Neil Langis, Bob Robbins and Keith Bradbury and the irrigation demonstration team composed of Zeeb and Kenneth Proctor, Jr., both placed third. The teams each receive a fifteen dollar prize. Walter Zeeb's prize for winning second place in public speaking is twenty dollars.

All three Chelsea entries took first place at the FFA District meeting at Sable on March 1, thus qualifying for competition at last week's regional meet at Jackson.

The meeting is sponsored by the office of vocational education of the department of public instruction of Michigan and Michigan State college. Visitors will be housed in the guesthouse village. Winners in the state public speaking contest and parliamentary procedure demonstration contests will give demonstrations for the delegates.

The national FFA organization will be represented by Paul Lindholm, national vice-president from Ortonville, Minnesota. Jerry Jorgensen, Williamston, president of the Michigan association, will present a report of the national convention and a brief discussion of the aims and accomplishments of the state association.

A banquet is planned for Tuesday evening, March 22. Dr. John A. Hannan, president of the Michigan State college, will give the main address. He will be introduced by Dr. Lee Thurston, state superintendent of public instruction.

Other highlights of the conference will be the election of officers and the awarding of Honorary state farmer degrees.

William Schatz, chairman of the reusitator committee, explained about the project to purchase a reusitator here, and a donation of \$50 was voted by the C. of C.

W. Spaulding; secretary, Lowell Davidson; treasurer, Howard Flintoff; director for three years, L. R. Heydlauff; director for two years, David Mohrlock.

copy or photostat. Veterans of the Navy, Marine Corps, or Coast Guard will need their certificate of service and NAVPERS 553, NAVMC 553, or NACCG 553.

Am I eligible for Michigan Veterans' Military Pay?

Only the office of the Adjutant General of the State of Michigan is qualified to answer this question.

NO ONE ELSE has any right or responsibility to tell you that you are or are not eligible. If you have been told that you are not eligible and have any doubts in the matter, we recommend that you file at once and let the proper authorities determine eligibility.

I have lost my discharge papers. How can I apply for Michigan Veterans' Military Pay?

We would suggest completing page one of the application and then sending a letter with your application explaining the fact that the documents are lost and that a Certificate in Lieu of Lost or Destroyed Discharge Certificate will be submitted as soon as obtained.

How can I obtain a Certificate in Lieu of a Lost or Destroyed Discharge Certificate?

An application for the certificate is sent to the branch of service in which you served. Applications are available in the American Red Cross offices and Home Service workers will assist you in completing the application and will give you the name and the address to which you forward it.

As a widow, mother, or father of a serviceman who died in service, am I entitled to Michigan Veterans' Military Pay?

You are entitled to make application by letter to the office of the Adjutant General, Military Pay Section, Lansing 1, Mich. You will be sent an application which can only be obtained from that office.

When you have received the application your Red Cross Home Service worker will be glad to assist you in completing the application.

My husband obtained his Michigan Veterans' Military Pay (\$220) in Dec. 1947. He died on June 20, 1948. The results of a service-connected disability. Am I entitled to additional Michigan Veterans' Military Pay?

Presumably yes, you are entitled to make application to the office of the Adjutant General by letter and you will be sent an application blank to be completed and returned to that office. It is presumed that you will be entitled to the difference between the amount that your husband received and the maximum of \$500 payable for death in service or death of service-connected causes.

I am a disabled veteran, veteran's widow, veteran's mother or father. I am unable to get out to file for Michigan Veterans' Military Pay. How can I file?

Call your Red Cross office immediately. A Home Service worker will call and complete your application for you.

If you have any question regarding Michigan Veterans' Military Pay do not delay in making inquiry or filing application. After March 19 it will be forever too late to do so.

SCHOOL CHAMPS
Wait! There is the whistle! The class tournaments have begun!

Monday the Sophomores and seniors played (or rather tackled) it out in more of a football than a basketball game, but the sophomores still came out on top. The score was 48-18 with high point being Dave Slane for the Seniors with five points, and S. Knickerbocker for the Sophomores with 17 points.

Next the Juniors and Freshmen had a little escapade. The Juniors gave them a pretty rough time and the final score was 61-13. High point men in this game were Dick Merkel for the Freshmen with seven points and Robert Vogel for the Juniors with 18 points.

The next day, Tuesday came and the Sophomores played the Juniors. This game also proved to be quite a shock—as the Sophomores swamped the Juniors by a score of 41-28. High point men were Robert Vogel with 13 points for the Juniors and Dave Crocker, Martin Tobin and S. Knickerbocker each with ten points, for the Sophomores.

Thursday was the big moment for the Sophomores and faculty. Both teams strutted out on the floor as if they were sure of themselves and tossed those long shots about. Once more the whistle blew and the game began. The Sophomores held a decided lead the first three quarters, but in the last quarter the faculty began to catch up and even got one point ahead. But the Sophomores came through with another victory; the score being 38-36. Even with the help of C. Slane, R. Vogel, and D. Myers besides Mr. Magiera, Mr. Cameron and Mr. Benjamin, the Sophomores proved to be the champions of the high school. High point men in this game were S. Knickerbocker with 13 points for the Sophomores, and Mr. Magiera with 14 points for the faculty.

THE 49ers
She was born September 10, 1931, in Indiana. She attended Goldberg Elementary, Hutchins Intermediate, and Northwestern High schools. Although the Detroit schools may be in much better condition than Chelsea High, she likes Chelsea better.

She has some favorites such as: sport, football; song, "Make Believe"; costume, jeans and sweaters; and recreation, bowling. People who are always late are her pet peeve.

She doesn't think Chelsea should have a curfew because it isn't large enough.

"Our parents should not choose our friends," and "students do not have time to work while in high school," are her opinions.

"Do daily chores develop character?" When asked this question this girl answered, "No, muscles."

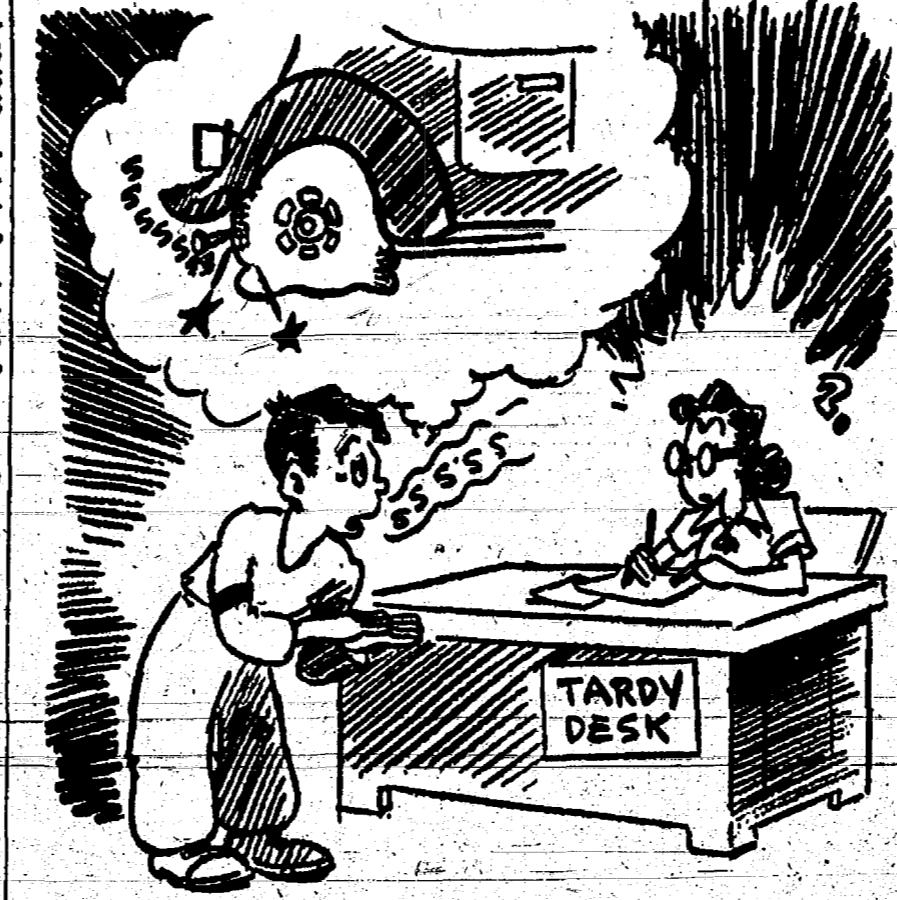

Who is this girl who thinks all this? It is none other than Joyce Malott.

While looking through some of the old Chelsea Standards in the newspaper file, I chanced upon an

Truth Is Stranger Than Fiction...

extra edition published on March 14, 1931. The head lines read "Extra! Extra! Chelsea has a new Arrival". The cause of this excitement was none other than David Knickerbocker.

Because he may some day become famous, you should know his background. He began his education in Chelsea at the Public schools, where he is now a senior. While in school he has been a member of the football, baseball, basketball, and track teams. He was captain of the football squad in 1945. Being very versatile, he has belonged to band, chorus, speech club, student council, and Hi-Y. Holding first the office of vice-president, David is now president of Student Council. He was president of his class during both his sophomore and junior years.

David enjoys anything to eat, just so it's food. The movie "Sitting Bull" between the "First Movement", and football are a few of his favorites. His opinion of the "new look" is "It's not bad, but a person has to rely on his memory now." David believes that one's parents should not choose one's friends, but that circumstances sometimes depends on the people involved. He also thinks that students should earn their own money, as the experience will be a valuable asset when they become older. People who talk about others behind their backs are pet peeves of his, so you had better beware if it is one of your habits.

MOVIES
"Tricks for Typists" was the movie seen by the typing classes last Monday. How to type post cards, envelopes, how to get multiple carbons in the typewriter straight, and how to type on a tablet were among the many helpful hints shown.

"The Homemaker I girls saw 'Slide Fasteners'. How to put in the various kinds of zippers was shown. Zippers for a neck opening, a skirt placket, and a dress placket were among those explained in the movie. This movie was very important to the girls.

"Problems of Housing" was shown to the Homemaker III girls. The movie told of the things a house should do, such as, protect from the weather, give light, and others.

"Irish Linen" was another movie, showing how linen is grown and the steps required in producing linen fabrics, which the Homemaker III girls saw.

"Getting Started" and "Build to Your Design" explained to the shop students how to go about building their model cars to be entered in the Fisher Body contest. About twenty boys are planning to enter this contest.

Better farming methods were shown to the members of the agricultural classes in "Planning to Prosper", "The Next Step", and "Control of Quality". The first movie was based on the subject of soil erosion and the methods used to prevent it. The second, showed farm water systems and methods of plumbing on the farm. The third movie concerned the manufacture of tractors.

SENIOR DOINGS
The plaque from the Curtis Publishing Company for outstanding magazine sales has been received and is displayed on the bulletin board in Mr. Chandler's room. For three successive years, Senior classes from this school have been rewarded by this company.

As the class must have the annual to the publishers by May 1, staff members are engaged in those preparations. Authors of the gittatory prophecy, history, and class will have been chosen and are beginning their duties.

PATRON OF ERIN

St. Patrick Typifies Irish Spirit

ST. PATRICK'S DAY... truly a "great day for the Irish" and understandably so. Sure, and it's no mystery why the Irish hold the good St. Patrick as their patron saint; for no other personage could so closely approximate within himself the characteristics which are so beloved by Irishmen.

First, St. Patrick was a fighter, and who is there who doesn't know that this trait of the sons of Erin is so renowned as to make the phrase "fighting Irish" one of honor and acclaim.

St. Patrick fought Druidism, drove this pagan faith out of Ireland and brought Christianity to its people.

St. Patrick drove the snakes out of Ireland, and whether that story is apocryphal doesn't matter—it's a good story and replete with all the legend and color that so delight the Irishman's heart.

A few people, the Irish, so steeped in legend and lore that the historian is hard put to sift folklore from fact, truth from tradition. But there is no mystery in that, either. A country of beautiful lakes and glens and mountains and valleys, clothed with the mystery of lonely places, Ireland, naturally, brought its poets to people it with fairies and

to enrich it with fantasies and myths always so dear to its people. The harp, symbol of the music that is forever singing in Irish hearts, and the shamrock, three-leaf clover epitomizing the Trinity of God and an emblem of the Irishman's faith, which is as real to him as the air he breathes or the earth upon which he walks, leap instantly to mind whenever Ireland is mentioned.

So, the veneration accorded by the Irish to St. Patrick becomes increasingly clear as the old story is retold.

The first time St. Patrick arrived in Ireland he was in chains. Then only 18, he had been sold as a slave. After serving as a shepherd for six years, during which time he learned the Celtic tongue, he made his escape. He traveled 200 miles to the westward where he found a ship at Westport ready to sail for Britain. He took passage and landed among friends. He took up the study of the ministry and under the famous Bishop St. German he was accepted into the priesthood and with the saint he worked against Pelagianism and paganism in Britain.

But in his heart and mind was a dream of a converted Ireland. Finally, Pope St. Celestine appointed Patrick to the mission of gathering the Irish into the Christian fold. Then it was, in 433, that the saint departed on his memorable journey.

In Ireland, St. Patrick faced a mighty problem. The Druids were ready to meet him with all their power. But that did not dishearten the saint. Many are the miracles related to explain how he conquered his enemies.

Learning that the chieftains of Erin were to assemble at Tara, summoned by Leoghaire, the supreme monarch of Ireland, St. Patrick regarded it as a providential opportunity to reach all chieftains at once. So, on Easter Sunday, March 25, 433, St. Patrick marched before the great assembly. It was there he plucked the shamrock and explained the meaning of the Trinity. At last he was granted the privilege of preaching the faith throughout the length and breadth of the land.

The Irish owe much to St. Patrick and it's not soon they'll be forgetting it. St. Patrick brought Ireland into contact with western Europe, also with Rome, and he introduced methods of education, as well as religion, into the country.

The program closed with the hymn, "Faith Of Our Fathers."

the minutes of the previous meeting and reading of communications by the secretary, Mrs. Evelyn Rowe, nominations of candidates for the March 28 election of officers were filed. Delegates were named as follows: the president-elect and Mrs. Ruth Perkins, with Mrs. Anna Dvorak and Mrs. Mary Kniss as alternates.

Two motions were made and adopted: the first to donate five dollars to the Red Cross drive and the second to send a message to the national president when she makes her scheduled visit soon to Ann Arbor.

BIRTHDAYS AT HOME

Twelve ladies at the Methodist Home are being honored at the regular monthly birthday dinner being held at the Home today (Thursday). If candles for each year of their age were to be used a total of about nine hundred and sixty-five would be necessary. Ages of the honored ladies range from the middle sixties to eighty-eight and eighty-nine years.

Each of the twelve ladies will

receive a special birthday gift provided by the organization called the Chelsea Home Friends. This group also provides cake for each member of the Home who attends the birthday dinner. The birthday cake itself is provided by the Home and in this instance will carry out the St. Patrick's Day color scheme.

This is the first birthday dinner to be served in the newly redecorated dining room which appropriately enough is finished in a green tint. The drapes are all freshly cleaned and the entire room presents a nice appearance.

Those who are celebrating their birthdays are the Misses Ella Andrews, Julia Goodyear, Martha Leoman, Lillie Macomber and Rachel Mosher, Mrs. Jennie Bleakly, Mrs. Jennie Church, Mrs. Viola Day, Mrs. Minnie Harlow, Mrs. Margaret Medley, Mrs. Josephine Smith and Mrs. Nellie Sabin.

JOHN H. MCCARTHY

Demo. Candidate for Highway Com. Will Speak Here

Washtenaw county will receive visits next week from five candidates for state offices to be voted on at the April elections. John H. McCarthy, Democratic candidate for State Highway Commissioner, and Mrs. Rosa Falk, Democratic candidate for Regent of the University of Michigan, each will make several appearances in the county on next Thursday, March 24. Also touring the county on that date will be the two Democratic candidates for the State Board of Agriculture, Harvey C. Whetzel and Dr. Connor D. Smith; and James T. Bolan, of Adrian, Democratic candidate for the State Board of Education.

John H. McCarthy, candidate for election to the position of State Highway Commissioner, is a former Chelsea resident, having lived here about 14 years ago. He graduated from the University of Michigan in Civil Engineering and Business Administration in 1929. In 1933 McCarthy entered the Michigan State Highway department, where he served in several capacities. In 1938 he was promoted to Metropolitan Engineer in Wayne county, where his work included such things as supervision of major Detroit street widenings (Gratiot, Woodward and Michigan Avenues), and development of the Willow Run and Detroit Industrial Expressways.

His wife is the former Margaret Carson of Ypsilanti. They have three sons. Mrs. McCarthy has a number of friends in Chelsea. She will be present at the meetings next Thursday.

The group will appear in Chelsea at the Town Hall at 4 p.m. The meeting has been sponsored jointly by the Sylvan Township Democratic committee and UAW-CIO Local No. 437.

The "Sports Night" scheduled to be held at Dexter High school tonight (Thursday) has been postponed by the superintendent of the Dexter schools and will be held at a future date to be announced later.

Chelsea boys scheduled to appear in the event are Lyle Christwell, L. C. Harris, Don Harley, Johnny Popovick, Ted Siane and others.

Take Plant Food Delivery Now to Be Sure Of Sufficient Supplies for Spring Needs

Fertilizer Bought Now Will Be on Hand for Spring Planting Operations.

CHICAGO—Prompt action in ordering fertilizer now is essential if farmers want to be certain of having supplies on hand for 1949 spring seeding, declared the Middle West Soil Improvement Committee.

"The need for continuing the 'take delivery as available' practice is just as critical now as in war days," says a statement by the committee.

"Shortages of some raw materials are threatened. Supplies of nitrogen may fall below the volume predicted some months ago. Production days may be lost in some fertilizer factories because storage room is overcrowded with the finished product. Only if this plant food is moved out of warehouses and on to farms, can production schedules be maintained.

"And even if factories are able to work overtime, it is doubtful if 1949 spring supplies will meet demands for all grades and analyses wanted.

"The job of making, shipping and delivering fertilizer can no longer be crowded into a last-minute, spring rush period. Only if farmers order and take their supplies early can fertilizer manufacturers and producers of raw materials space their operations over a time period sufficient to meet most demands."

Mr. and Mrs. Geo. Beeman, Jr., and daughter, also Miss Barbara Stoker of near Grass Lake, and Donald Beeman were Sunday dinner guests of Mr. and Mrs. Wilbur Beeman and son.

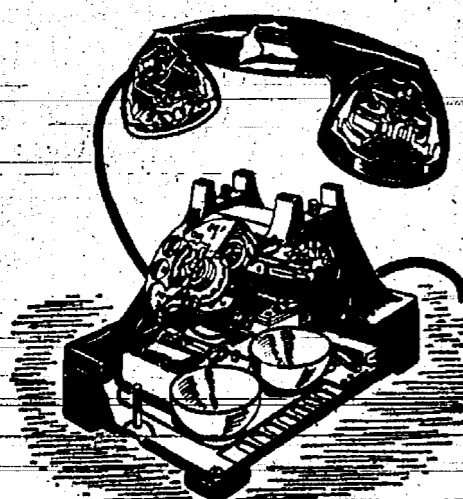

Mr. and Mrs. Walter Vicary, Mrs. Annabelle Woolley and Judy and Walter Gochanour, spent Sunday afternoon with the former's cousin, Mrs. Ada Harkness and son Howard of near Munith.

At a special supper meeting of the Waterloo PTA on Friday, March 18, A. C. Johnson, superintendent of the Chelsea Agricultural Schools, will give a talk on the "Community School and Its Future." A pot-luck supper will be served in the Gleaners Hall at 7:30 o'clock. Showing of movies will be an added feature. It is hoped that the public will attend. Bring your own table service, rolls, and a dish to pass.

MEA Cites Some Pertinent Facts Concerning Schools

The Michigan Education Association, in its annual report, has compiled the following facts about schools of Michigan:

1. School building construction has not kept pace with needs.

2. The following factors have contributed to the Michigan school building dilemma: (1) 15-mill limitation, (2) depression era, (3) war period, (4) growth in population, (5) increased birth rate.

3. During the eight year period, 1923-1931, the average yearly school building expenditure was \$22,000,000. During the 15-year period, 1931-1947, the average yearly expenditure for buildings was only \$5,000,000.

4. In Michigan, there are more than 184,000 boys and girls attending school in leased, rented and temporary quarters, in basement rooms, or in unsafe, unsanitary and obsolete buildings, and 25,000 children who are attending school in buildings which are more than 65 years of age.

5. Michigan has immediate need for 6,000 classrooms.

6. Michigan's emergency building needs total more than \$100,000,000.

7. The total school building needs amount to more than \$300,000,000.

8. Within the next five years Michigan will need at least 22,000 new teachers.

9. There were 35,000 more children born in 1947 than in 1943 and it is predicted that the birth rate within the next ten years will be 30 per cent higher.

—Publicity Committee, Educational Planning.

The above facts also affect Chelsea and its educational facilities, according to members of the publicity committee, a sub-committee of the School Planning committee which is studying school problems here with a view to offering recommendations to the School Board.

Public Schools To Close Friday for Teachers' Institute

Chelsea's Public schools will be closed tomorrow, Friday, March 18, so that teachers may attend the annual convocation exercises in connection with the annual county teachers' institute at the Rackham building in Ann Arbor.

Julius W. Haab, Washtenaw County Superintendent of Schools, will preside as chairman at the morning session which will include an address, "Enduring Affirmations," by James P. Adams, provost of the University of Michigan; group singing directed by Andrew McCulloch of the Milan Public schools; a film, "The 49th State," and an address, "And Gladly Teach," by Charles Ansapach, president of Central Michigan College of Education, Marquette, Mich.

Members of St. Thomas Catholic church, Ann Arbor, are to give the opening invocation. Chelsea's superintendent, Albert C. Johnson, is scheduled to preside at the afternoon session which begins at 1 o'clock with a film, "The Bill of Rights."

There will be a Michigan Education Association meeting conducted by Randall Castas, president of Washtenaw Chapter of the MEA, preceding the convocation at which Alexander G. Ruthven, president of the U. of M., will preside at 2:15 p.m.

The concluding address, "Learning From Children," will be given by William Blatz, professor at the University of Toronto.

Deane Rogers' Home Damaged by Fire

The Chelsea fire department was called out at 8:20 Tuesday evening when the home of Mr. and Mrs. Deane Rogers at the corner of Garfield and South streets was discovered to be on fire.

The firemen were highly complimented for the way they kept the damage at a minimum, as the whole attic was ablaze when they were called. They were unable to enter because of the smoke and intense heat and had to gain entrance from the outside. Considerable damage from smoke and some water damage resulted in the lower portions of the house, but actual fire damage was confined to the attic and a closet on the second floor. Cause of the fire was undetermined.

Tom Young, assistant fire chief, said that this was the first time the fire whistle had sounded for a fire in Chelsea since Dec. 17. Two night calls have been answered in this period but the alarm was not sounded for these. He said he felt Chelsea had been extremely fortunate this winter in the matter of fire prevention.

"RAFF" THE STORY OF AN ENGLISH SETTER

By F. E. Reuchitzer
Sixteen-year-old Bruce Kendrick chose his dog from a litter of puppies belonging to his father's kennels. A black patch around the pup's eye and his raffish look inspired Bruce to name his dog "Raff." It's a heart-rending story.
