

If you are a Democrat, are you ashamed of it? Or, do you apologize because you vote Republican? This is the big issue in the current legislative debates on the advisability of eliminating the secret primary. This system of primary voting now used in Michigan does not require electors to declare party affiliation.

Democrats, who were largely responsible for initiating the secret primary in 1939, are now too sure of the small towns to make great use of the old system where voters must reveal their party in order to vote. Many Republicans, on the other hand, are saying that the present system, by destroying party responsibility and ultimately will lead to "destruction of the two party system."

Repeal of the two-year-old lobbyist registration act is being considered. This is the law that was passed by the Michigan Legislature as part of his better government program. Rep. Howard R. Carl (R. M. Clemens), who has introduced a repeal bill, says that "the law is not being enforced to control the real lobbyists. All it does is discourage people from using their constitutional rights to talk to their representatives." At present, 246 lobbyists are registered.

Another Sigler innovation, however, is doing much better than ever. The new Department of Administration which combines many of the functions of State government and which is less than a year old, seems to be gaining new friends every day. Although originated by a Republican administration, Democratic Governor Wilkins is giving the Department his full support. Just the other day he described it as "the one place in state government you can go and find someone who can tell you about any part of the government. I think that the people of Michigan want to be sure there is no encroachment on this department so it can continue to develop and function."

Local self-government got many pats on the back at the U. S. Conference of Mayors meeting in Washington last month. Mayor George Walsh of Grand Rapids is the retiring president of this group. Gen. Dwight D. Eisenhower told the mayors that the maximum amount of local self-government is a fundamental of democracy. He also urged the cities (Continued on page six)

New Fire Chief

THOMAS YOUNG

At a special meeting of members of the Chelsea Fire department held on Tuesday, March 29, the following officers were elected: Chief, Tom Young; assistant chief, Kenneth Schanz; captain, Ted Palmer; first lieutenant, Donald O'Brien; second lieutenant, William O'Brien; secretary, James Gaken; and treasurer, Claude Spiegelberg. Howard Brooks, former chief of the department, declined the nomination for re-election, saying that he had put in his full fifty years as a member of the department and was now ready to "take things easy."

Official appointments of Young and Schanz as chief and assistant chief were made at Monday night's council meeting on recommendation of the fire department as evidenced by the election results.

Seven Win Places on Washtenaw County Honor Roll

Leaders of 4-H clubs in this vicinity reported the various awards received by members of their groups at the Spring Achievement Day program in Ann Arbor on Tuesday afternoon.

The 4-H club whose leader is Mrs. Alfred Kuhl, received awards as follows: second year sewing, Audrey Haab, first, Marian Zinke; third year sewing, Wanda Eschelbach, Arlene Loeffler and Helen Elsmann; seconds, and Ruth Beuerle, third.

"Merry Stitches" club members, led by Mrs. Wilber Hatt, with Mrs. Harriet Hatt, as assistant, were awarded two red ribbons and two white ribbons. The red ribbon winners were Lella Trinkle and Louis Hatt, in second year clothing projects, while Leona Hatt and Shirley Weir received the white ribbons on fourth year clothing projects. Leona Hatt also carried a first year children's garment project for which she was awarded a gold star.

The "Flying Fingers" club received a gold star for its secretary's book and one of its members, Donna Kalmback, was named on the County Honor Roll and also chosen to attend state club week. In the first year group Beth Irwin received first prize for the apron she exhibited.

In the second year group Carol Wingate's apron, Gertrude Widmayer's outfit of corduroy skirt and waist with separate blouse and Kathleen Widmayer's cotton dress and slip also took second prizes.

The third year group represented by Norma Franklin and Janet Widmayer, received second prizes for their respective exhibits of cotton slip, corduroy skirt and waist and cotton slip and dress.

In the fifth year group Jean Schweinfurth and Joyce Wingate received second prizes on suits and blouses they made; Jane Proctor in (Continued on page six)

Report No Injuries In 3-Car Collision Friday Evening

A three-car collision occurred on US-12 and the Manchester road Friday evening when William Pritchard's car, going north on the Manchester road, and a car going east on US-12, driven by George Paxton of Pleasant Ridge, collided. The Paxton car in turn, and another eastbound car driven by Richard Fagan of Detroit, then came together.

According to reports of the accident given to Police Officer George Doe who was called to the scene, the right front of the Paxton car struck the left front of the Pritchard car when Paxton allegedly was attempting to avoid the collision by swinging around the front of the Pritchard car. The impact swung the Paxton car around into the path of the third car which collided head-on with the right front end of it, according to the report.

Pritchard's car came to a stop in the field at the northeast corner of the intersection, the report stated.

No one was injured.

Pfc. PAUL G. DIUBLE

Body of Pfc. Diuble Returned to Scio for Final Resting

The body of Pfc. Paul G. Diuble, who lost his life during World War II, has been returned for burial and funeral services will be held at the Salem Lutheran church in Scio township Friday afternoon at 2 o'clock. Rev. Arthur Wacker, pastor of the church will officiate and burial will follow in the church cemetery. The body will be at the Michigan Funeral Chapel in Ann Arbor from Thursday until Friday noon.

Born June 18, 1921, he was inducted into the army on Sept. 24, 1942, at Camp Custer. Pfc. Diuble trained at Camp Wolters, Texas, and Camp Beal, Calif., and attended the "Watchmakers" college at Elgin, Ill., graduating from there. He was then sent to Camp Bowie, Texas, for additional training before leaving for England in 1944, following a furlough which he spent at home in May.

In September of that year he was sent to Holland where he was killed on Oct. 3, 1944. He was awarded the Purple Heart.

He survived by his mother, Mrs. Ernest H. Diuble, of 8970 West Liberty road, Lima township; a brother, Norman, at home; and three sisters, Mrs. Earl Layton, Mrs. Russell Downing and Mrs. Alton Blass, all of Ann Arbor.

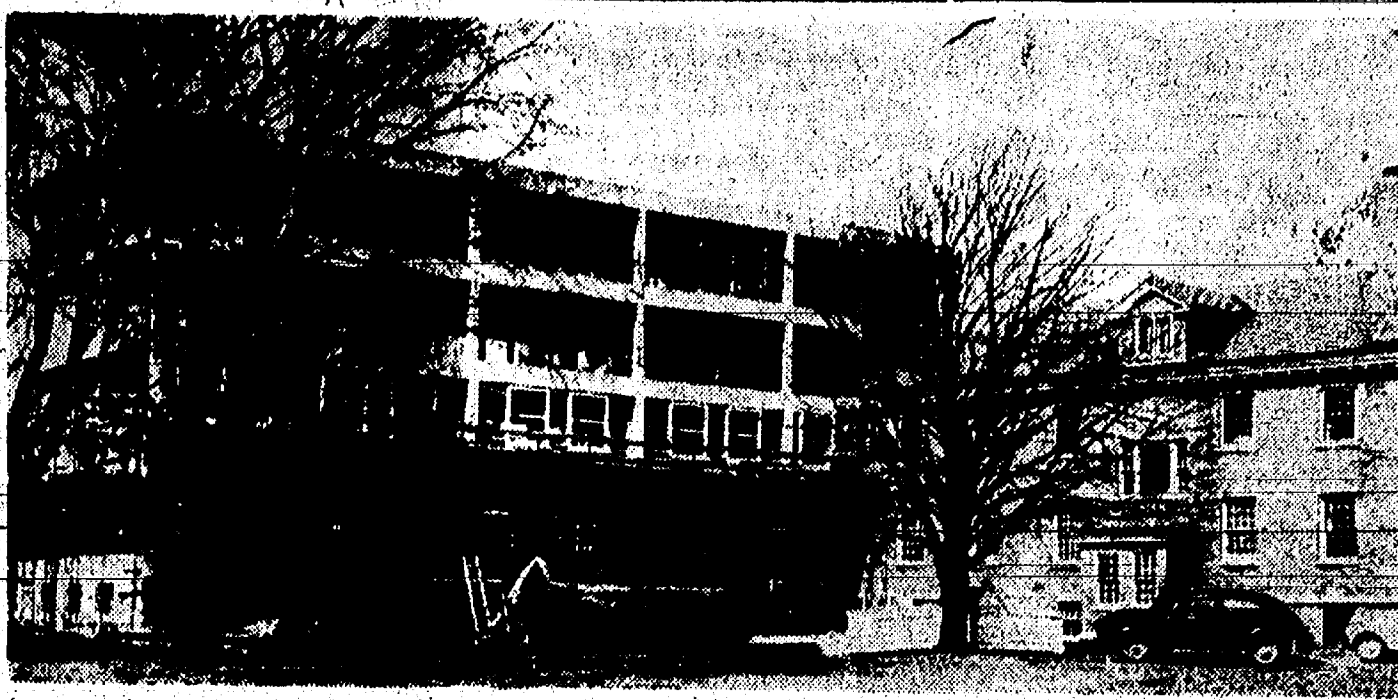

His father died on May 27, of last year. A sister, Louise, died in 1945, and a brother, Alton, was killed in a motor accident in 1940.

Committee States Half-Day Session in View with Present Building Facilities

"Do we want adequate facilities to educate our children or shall we allow the children in the Chelsea Agricultural district to undergo what has happened to others in Detroit and similar communities?" Chelsea Agricultural Schools' Planning Committee spokesmen asked.

Of the 154,865 children in elementary schools in Detroit they say, 2,600 are on half day sessions (not counting kindergarten); 12.7 percent of the children are inadequately housed according to standards set by the Detroit Board of Education. About 35 percent, or 14,700 of the 42,100 enrolled pupils attend high school in two shifts daily due to overcrowding traceable to lack of class room space.

The average class size in kindergarten is 38 children to a teacher, in the elementary grades 38, in the intermediate 39 and in the high school 38. It has been stated by authoritative sources that in order to establish the proper instructional relationship between teacher and

FORTY-SEVEN NEW ROOMS will be added to the capacity of the Chelsea Methodist Home when the new wing now under construction, as shown in the above photo, is completed. This new wing will provide living quarters for approximately 145 more resident members of the Home.

New Wing Under Construction on Methodist Home

Work is progressing on the new addition to the Methodist Home, for which ground was broken on Wednesday, October 27, 1948. The new wing is four stories high and will contain forty-seven rooms. There will also be a room for storage space in addition to sun parlor and an elevator.

Steel girders are in place and the concrete roof is ready for final tar coating which will be added later. The laying of brick for the outside walls is almost half-completed. The front of the new wing will be finished to match the original portion of the building which was built in 1907.

Additional since that time include the south wing, now called Ella Hanley hall, built in 1915 by the Dr. and Mrs. M. High Hall, added in 1926, and the S. S. Kresge wing erected in 1942.

Completion of the new wing will make it possible to provide living quarters for approximately 145 resident members of the Home.

The estimated cost of the new wing is \$250,000. One hundred thousand dollars of this amount was a gift from Mr. and Mrs. O. C. Kimball, of Hillsdale. A number of bequests have been received also. In addition, a campaign to finance the project was carried on in 1947 throughout the Detroit Conference of the Methodist Church.

It is expected the new wing will be ready for occupancy in August, according to Rev. M. J. Betz, superintendent of the Home.

Spring Speech Contest To Be Held Here

The annual Spring speech contest, sponsored by the Michigan High School Forensic Association will take place in the Study hall of Chelsea High school at 7:30 p.m. Tuesday, April 12.

High school students from Milan, Saline, Adrian and Chelsea which comprise District I of Region IV, will compete for district honors.

Winners of this contest will be eligible to enter the regional contest to be held on May 6.

Chelsea contestants competing in the four divisions of the contest are as follows: division I, oratorical declamations, Phyllis Kelly; division II, dramatic declamations, Joyce Crawford and Linda Bradbury; division III, orations, Marlene Heydau and Jean McClure; division IV, extemporaneous speaking, Mary Kay Palmer.

Mrs. John Magiera is the speech class instructor.

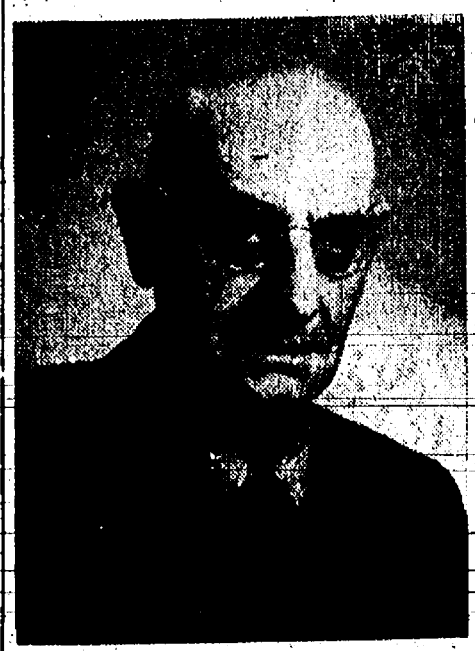

The public is invited to attend.

Committee Appointments Made Monday

Village President M. W. McClure made the following appointments at Monday night's council meeting: president pro tem, Dudley Holmes; street commission, Graham Sprague, Lynn Kern; sidewalk committee, Walter Gage, Victor Kohman; finance committee, Loew Davidson, Dudley Holmes; Electric Light and Water commission, entire council; building and recreation committee, entire council; village attorney, John Kaushy; village health officer, Dr. Otto K. Engleke; deputy health officer, Grace Ward; chief of the fire department, Thomas Young; deputy chief of fire department, Kenneth Schanz.

The latter two appointments were made on recommendation of

50 Years as Fire Chief

HOWARD BROOKS

members of the fire department when Howard Brooks, a member of the department for 50 years, declined re-appointment as chief of the department.

The council is proceeding with plans for curbing the south side of Chandler street and both sides of Elm street.

The council will meet at 7:30 p.m., Monday, April 18, in the council room of the Municipal building to consider any objections to the construction of this curbing and the special assessments against abutting frontage, amounting to one-half the cost thereof.

A discussion was held on the possibility of making a public parking lot on the Winters lot on West Middle street, and also fire continuing parking on the north side of West Middle street for some distance beyond the business district. These two matters were referred to the street commission for study and submission of recommendations to the council.

Fire Dept. Welcomes Rains as Big Help in Halting Grass Fires

On Wednesday afternoon of last week the fire department was called out for the second time to fight a grass fire in the peat marsh in the southeast part of the village.

Two other alarms were called in over the week-end, but the fire alarm was not sounded for these.

A grass fire on Lincoln street near the Boyer residence started a tree on fire and was put out by two members of the fire department sent to the scene.

Tom Young, newly-elected fire chief, personally answered a call to a grass fire behind the Fred Pringle house on Chandler street. Young, with the help of a group of boys who had been playing ball nearby, put out the fire.

Attend Convention of Catholic Women Held in Detroit

Mrs. Wallace Wood and Mrs. Carl Lentz attended the eleventh annual convention of the Detroit Archdiocesan Council of Catholic Women in Detroit last Thursday as delegates of St. Mary's Altar Society. Others from Chelsea who attended were Mrs. Armin Schneider and Mrs. N. I. Morke.

The convention was held in the Book-Cadillac hotel and was preceded by a Mass held at St. Alloysius church with Most Reverend Stephen S. Wosnicki, D. D., officiating.

Mrs. George L. Ennen, of Ypsilanti, president of the Archdiocesan Council, presided at the convention and Mrs. Owen Cleary, also of Ypsilanti, gave an address of welcome at the morning session and extended greetings at the beginning of the afternoon session. Rousing business and discussion panels were held during the morning.

Following the luncheon at noon, the featured speaker of the afternoon was Rev. Daniel A. Lord, S. J., of St. Louis, Mo., who spoke on the topic, "Women and the Blessed Sacrament."

Edward Cardinal Mooney, D. D., also spoke before the convention group.

An enjoyable feature of the afternoon program was the singing of Catholic hymns by a Filipino girl, Alita Martelino, and by a Rumanian girl, Mary-Louise Shmina. Each sang a hymn in her own native tongue, accompanied on the piano by a Polish girl, Genevieve Grabowska.

Cancer Society Launches '49 Funds Drive

Mrs. William Weber, local chairman of the Washtenaw County Chapter of the American Cancer Society, was in Ypsilanti to attend a meeting Monday evening for chairmen and volunteer workers in the annual drive for funds which the society is sponsoring during April.

She was accompanied by Mrs. Robert Hochstetler, Mrs. Mary Kniss, Mrs. Ed. Keusch and Mrs. Stella Light.

The county's quota in the drive this year has been raised, thus necessitating raises in the quotas of all county units. Chelsea's quota is set at \$500 which is almost a hundred dollars more than was raised here last year.

Canisters are being placed in business places this week and a tag day is being planned for the end of the month. In addition, all homes in the village are to be visited for the purpose of distributing literature bearing on the importance of early detection of cancer and also explaining the many ways in which the money gathered during the month's drive is to be used for research, education and medical service in the fight on cancer.

Contributions will not be solicited at the homes but will be accepted if offered voluntarily.

Special aim of the Washtenaw County drive this year is to obtain money enough to buy radium to be used in the treatment of cancer.

Mrs. Weber hopes to contact every organization in Chelsea and ask support of the drive for funds.

Mrs. Weber is being assisted with arrangements for the drive by Mrs. Armin Schneider and Mrs. Ed. Keusch.

Welcome Extended to Two Families of Displaced Persons

Two Chelsea families this week each welcomed a family of displaced Europeans for whom they will provide homes here and assist until they are able to support themselves.

The Chelsea families who applied through church channels for these families to be sent here are the Pielemeier family and Mr. and Mrs. Carroll Ordway. Both received word on Tuesday that they were to be at the Michigan Central depot in Detroit at 7:30 a.m. Wednesday to meet the newcomers who had arrived in Boston on the S. S. Marine Flasher that morning.

Albert Pielemeier, Miss Dorothea Pielemeier and Miss Edna Ritterskamp went to Detroit to greet the couple for whom they have prepared living quarters in the tenant house on their farm. The couple has been in Germany for some time and can speak German although they were originally from the Ukraine. They are Mr. and Mrs. Alexander Tschernyschewitch.

The Ordways welcomed into their own home a couple with a 5-year-old child who were formerly residents of Latvia. The Ordways were on hand when the train pulled into the Detroit station with their family on board. The parents are Nikolaus and Benita Bundze, and the child's name is Aija.

Both families have farm backgrounds in their native countries according to information given their friends, and the men will probably be employed on the farms where they are to make their homes.

CHS Baseball Schedule Is Announced

By DWIGHT GADD
Chelsea High school's baseball team opens its season next Thursday, April 14, at the local athletic field, and from then until May 25 they will play a 13-game schedule—five games at home and eight away.

With almost an all-veteran lineup this season, it could be a banner year, but to date the team would fit Mike Gonzales' oft-quoted statement of "good field, no hit."

Tentatively, they stack up pretty well but their lineup will have to improve to insure a winning season.

The infield this year will have Bob Vogel at first, George Heydlauff at second, Bob Stoffer at shortstop, and either Don or Ted McClure at third. In the outfield are Stan Knickerbocker in center, and Crocker, or whichever McClure is not on third, in left. The catching department will be ably handled by Dave Slane and Dan Maroney, and the pitchers are Marty Tobin, fine young hurler from last season, Dave Crocker, Buddy Johnson, and Ted McClure. Infield reserves are Jerry Herriek and Stan Winchester, and the outfield spares are Allan Erke and Jerry Lehman.

The 1949 Chelsea schedule:
April 14: Dexter, here.
April 19: Roosevelt, here.
April 22: Milan, there.
April 26: Lincoln, here.
April 29: Saline, there.
May 3: Dundee, here.
May 6: Flat Rock, there.
May 10: Stockbridge, there.
May 13: Manchester, here.
May 17: Clinton, there.
May 20: Dexter, there.
May 24: Tecumseh, there.
May 25: Pinckney, there.

Frank Reed Recovers Stolen Car, Sunday

The alertness of Frank Reed, local police officer, resulted in the arrest of two men from Detroit who were taken to Ann Arbor and held for investigation on charges of driving a stolen automobile.

Reed first noticed the two men as they were coming toward the car parked by the side of the road on Old US-12 near the Philip Stoll residence about 11:45 p.m. Sunday. They had run out of gas, they said, and had obtained some from a farm nearby.

Because of their nervous actions Reed became suspicious. He drove on and then contacted the sheriff's department in Ann Arbor by radio, giving the license number of the car. He was told the car was a stolen one and belonged to Christina and Danny Jacobs, 1818 Henry street, Detroit.

Returning to the car, Reed took both men to Ann Arbor, where they identified themselves as William Watson and Harold Baker, of Detroit.

Chairman of Board Defeated in County Supervisor's Contest

Republicans throughout Washtenaw county and the state came back in strength at Monday's biennial spring election to elect their entire state ticket and defeat a Democratic-CIO coalition for state offices. Even in Wayne county, a usual fortress of strength for the Democrats, the Democratic margin was slight.

Washtenaw county's contest for supervisor posts provided one major upset when Henry F. Hicks, Ypsilanti township farmer, who was running as a sticker candidate, defeated Otis A. Toozie, Chairman of the Board.

Of the 24 incumbent supervisors seeking re-election, Toozie was the only one defeated as electors returned the other 23 to office for another term. The new board will now be composed of 20 Republicans and seven Democrats.

Three other new supervisors were elected.

Sylvan...
About 375 votes were cast in Sylvan township, the unopposed Republican ticket elected receiving votes as follows:

Supervisor:	Precinct No.	1	2
Fred G. Broesamle	173	196	
Walter F. Kantlehner	173	195	
Treasurer:			
Lula U. Bahnmiller	175	196	
Comm. Highways:			
Leonard Loveland	173	193	
Justice of Peace:			
(2 elected)			

Water:			
Raasenscheider	172	190	
Howard F. Brooks	175	199	
Member Bd. of Review:			
Elmer J. Weinberg	172	172	
Constables (4 elected):			
Roy Broesamle	168	193	
John Frymuth	172	195	
Walter Zeeb	171	192	
Carl Bagge	172	191	

The incumbent justices of the Supreme Court, George E. Bushnell and Edward M. Sharpe, carried the township by large majorities on the non-partisan ticket, and all Republicans on the state ticket also had large majorities here. The only contest showing any signs of a race here was that of State Highway Commissioner. The incumbent, Ziegler, polled 269 votes, while Democrat John McCarthy received 181 votes.

State election returns Tuesday showed Charles Ziegler leading over John McCarthy by about \$12,000 to 328,000.

George Bushnell and Edward Sharpe were well in the lead for re-election as State Supreme Court justices; Vera Baits and Alfred Connolly were about 100,000 votes ahead of their Democratic opponents for Regents of the U. of M.; Lee M. Thurston (R), 80,000 ahead of E. Burr Sherwood (D) for Superintendent of Public Instruction; Stephen S. Nisbet, with the same majority over James Boland (D), for member of the State Board of Education; and Winfred Armstrong (R) and Sarah Van Hoesen (R), leading by a much smaller majority about 68,000 over Connor Smith (D) and Harvey Whetzel (D) for member of the State Board of Agriculture.

Kochs Tell How Giant Oregon Pine Is Brought to Earth

A. E. Koch of Spokane, Wash.,
a Chelsea Standard subscriber,
sent in a clipping taken from the
Spokane Daily Chronicle and wrote,
"Coeur d'Alene is just 35 miles
from Spokane. I thought this
might be of interest to you folks
in the east. This is the way we
grew them in the west!"
The clipping reads as follows:
"The giant is dead!"
"Ever since the coming of the
white man to shores of Lake Coeur
d'Alene, a giant ponderosa (yel-
low) pine has stood guard on the
hilltop which overlooks Beauty bay.
Even before Columbus set sail on
his memorable voyage the giant
of the forest had been growing for
65 years. According to the annual
growth rings the tree has been
growing for 519 years.
"Now the big tree has been
felled."
"For several years the great tree
has been showing signs of dying."
"Last fall lightning struck it.
The inevitable had come and in
order to salvage the vast amount
of lumber the big pine contained
it had to be cut."
"Sunday the giant fell with a

crash after four hours of under-
cutting and sawing.
"There were about 30 spectators
on hand to see the end of the great
landmark, which was close to U. S.
highway 95E."
"The great pine showed a dia-
meter of 7 feet and 4 inches at
the butt. It was 73 feet up to the
first limb, and there the tree mea-
sured 54 inches through. The tree
was 196 feet tall. For the last few
years the top 36 feet of the tree
had been dead and a log 42 feet
long snapped away in topping. This

left a big stick 154 feet long from
which will come about ten 16-
foot logs.
"The tree is expected to yield
18,000 feet of lumber."

Raccoon, Fighter
 Raccoon is a fine swimmer, and like a monkey, he has four hands instead of feet. Many a good hound has been drowned because a coon sat on top of his head until he quit bubbling.
 Bird of Mexico
 Caracara, also known as the Mexican buzzard or eagle, is the national emblem of Mexico. This bird is still extant and has been observed in Arizona, Texas, New Mexico and Florida.

not to depend too much on the federal government to solve their problems.

The Mayor's conference adopted some interesting resolutions. Among them was a proposal for a survey of federal taxes and functions as they relate to American cities. Plans call for this survey to be made along the lines of the Hoover Commission reports on the executive branch of the federal government which are now receiving so much publicity and attention in Washington.

Price of milk would be reduced two cents a quart, according to a booklet published by the Michigan Agricultural Conference, if two serious cattle diseases could be eliminated from Michigan dairy herds. The diseases are known as brucellosis and mastitis. The booklet says that "Brucellosis alone deprives the Michigan milk consumer of something like \$25 million worth of milk each year enough to supply 557,000 children and adults with their whole milk requirements for one year."

The Conference says that these and other diseases can best be fought by scientific methods. It recommends that inadequate facilities at Michigan State College be modernized. The legislature is being asked to appropriate \$2.2 million for this purpose.

Governor Williams is the third

highest paid governor in the country. A recent survey shows that the chief executives of New York and California each draw \$25,000 a year. Michigan is third with a \$22,500 a year governor's salary.

A concerted drive is being started to increase state aid to local health departments from the present \$200,000 to \$2 million a year. Supporters say that local public health services are breaking down because of inability to match salaries paid in other states. Michigan, they say, ranks 30th among all states in appropriations for this purpose, although State, counties, and cities are now spending about \$4.8 million for public health programs.

NOTICE OF MEETING

TO CONSIDER OBJECTIONS

TO SPECIAL ASSESSMENTS

The Village Council will meet at 7:30 p.m. on Monday, April 18th, 1949, in the Council Room of the Municipal Building to consider any objections to the construction of curb and gutter along

The Chelsea Ration Board announced that, during sugar rationing, will not be issued after May 1. Fire of undetermined origin destroyed the residence of Fred Wood on Kilmer road in Sylvan township.

Albert J. Partlow, S-1C, who has spent the past twenty months overseas in Trinidad and Puerto Rico, spent a 30-day leave at home with his wife and friends of Chelsea.

Mr. and Mrs. Tibor Kiss received the certificate of "Award of the Bronze Star Medal Citation" received by their son, Pfc. Adrian T. Kiss.

The combined efforts of everyone in Chelsea resulted in a total collection of \$7,359.00 for the Red Cross, going over the quota by \$859.00.

John A. Glick, of Glick's Department Store, announced that this week marks the first anniversary of this firm in Chelsea. Mr. Glick purchased the store from the W. P. Schenck Estate one year ago.

Voting in Sylvan and nearby townships was very light on Monday of the biennial spring election. In Sylvan township, the Republican ticket was unopposed and following were elected: Supervisor, Fred G. Broesamle; clerk, Walter Kantlehner; treasurer, Lula Bahnmiller; commissioner of highways, Leonard Loveland; justices of the peace, Elmer E. Brown, Howard Brooks, Walter Riemenschneider; member board of review, full term, L. T. Freeman; to fill vacancy, Albert Winans; constables, Harry Prudden, Geo. Zeeb, Robert Lantis, Geo. Atkinson.

Sunday will be observed at the Methodist Old People's Home as a special observance of those who have attained the age of ninety years or over.

Floyd E. Gentner attended the rabbit show and convention of Michigan Rabbit Breeders Assoc. at Lansing on Saturday. The rabbit show was larger in number of rabbits shown than in the last two years.

With approximately 1,100 votes cast in Sylvan township at the Monday election, Theo. H. Bahnmiller, Republican, defeated his Democratic opponent by more than 300 votes for re-election as supervisor of Sylvan township.

Donald J. Dancer, A. H. Schumacher, Robert L. Novessa, Peter Kinsey, Paul P. Belser, and Clarence W. Maroney, members of Olive Lodge No. 156, F. and A. M., were visitors to the Elks Lodge No. 13, Ypsilanti, where they attended a banquet and witnessed the exemplification of the Master Mason's degree.

A movement has been started by businessmen of the village in an effort to induce village authorities to purchase some of the buildings in the group formerly occupied by the Lewis Spring & Axle Co. north of the Michigan Central tracks. It is believed that if the village owned these buildings, factories could be brought to Chelsea, which would furnish employment to more than one hundred men.

President Roy Harris made the following appointments and named committees for the coming year: Pres., Pro Tem, J. E. Weber; Fi-

nance Comm., H. B. Murphy, B. B. Turnbull and Ernest Adam; Street Comm., J. E. Weber, H. B. Murphy, J. D. McManus; Sidewalk Comm., Ernest Adam, J. D. McManus, J. W. Schenk; Health Officer, Dr. A. A. Rev. E. Thieme of Rogers Corners held Confirmation service on Sunday for the class of Edwin Horvath, Edwin W. Hilda, Elsie-Marie and Irene Koch.

The choir of St. Paul's Evangelical Church gave a cantata at the church under the direction of P. F. Niehaus, with Miss Oleta Hutzel presiding at the organ.

Repulse were swept into office at the annual election on Monday. Howard Boyd won in Sylvan township for the office of supervisor. In Lima township, Alvin J. Easton was the favored candidate.

The Chelsea Screw Co. is reported to be working thirteen hours daily and Sunday with a full force of men, but are unable to keep up with the demand for their product. Efforts are being made to recruit help from nearby towns.

F. W. Merkel opened a new hardware business on South Main St. For several months Mr. Merkel has operated a tire and accessory business. The tire and accessory business has been made a part of the hardware business, thus widening the range of service available to customers.

It is reported that some of the farmers in this vicinity have their oats sown.

The Church of Our Lady of the Sacred Heart sent 175 dozen eggs to St. Vincent's Asylum, Detroit, as an Easter donation to the orphanage.

Several of the residents of South Main street have had mail boxes installed in front of their residences and will have their mail delivered by the rural carriers.

The board of directors of the Kemper Commercial & Savings Bank promoted John L. Fletcher to the position of cashier to succeed the late Geo. A. Be Gole. Howard S. Holmes was chosen as auditor in the bank.

The election in Sylvan township on Monday was nearly a full vote, 681 ballots being cast. The heads of 389 Republican tickets were marked; 238 Democratic, and 34 tickets were not marked for any ticket. J. Wilbur Van Riper was the successful candidate for supervisor of Sylvan township; Fred C. Hais, for Lima twp.; John Young, for Lyndon twp.

Dairy Herd Inspected, Classified for Type by Holstein Assoc.

Brattleboro, Vt. March 31.—Cooperating with the Holstein-Friesian Association of America in an effort to improve the Holstein-Friesian breed of dairy cattle, Lowell Spike, of Chelsea, has recently had his herd inspected and classified for type under the Association's official inspection program.

Inspector was S. B. Hall, Troutdale, Ore., one of the nine officials appointed by the Association to handle this assignment throughout the nation.

Among the 15 animals classified in this herd, one was designated "very good," the second highest score an animal can receive; and eight scored "good plus."

This is the first time this herd has been classified.

Type classification, in which animals are compared with the ideal Holstein-Friesian animal in regard to body conformation, combines with production testing as a means of proving sires, locating outstanding brood cow families, and improving the breed. Cooperating breeders not only contribute to the progress of American dairy farming as well.

LARRO DAIRY FEEDS

There's no profit for you in the lower half of your milk pail.

That milk just pays for the maintenance of your herd. Your profit is in the extra milk you get over and above this maintenance milk.

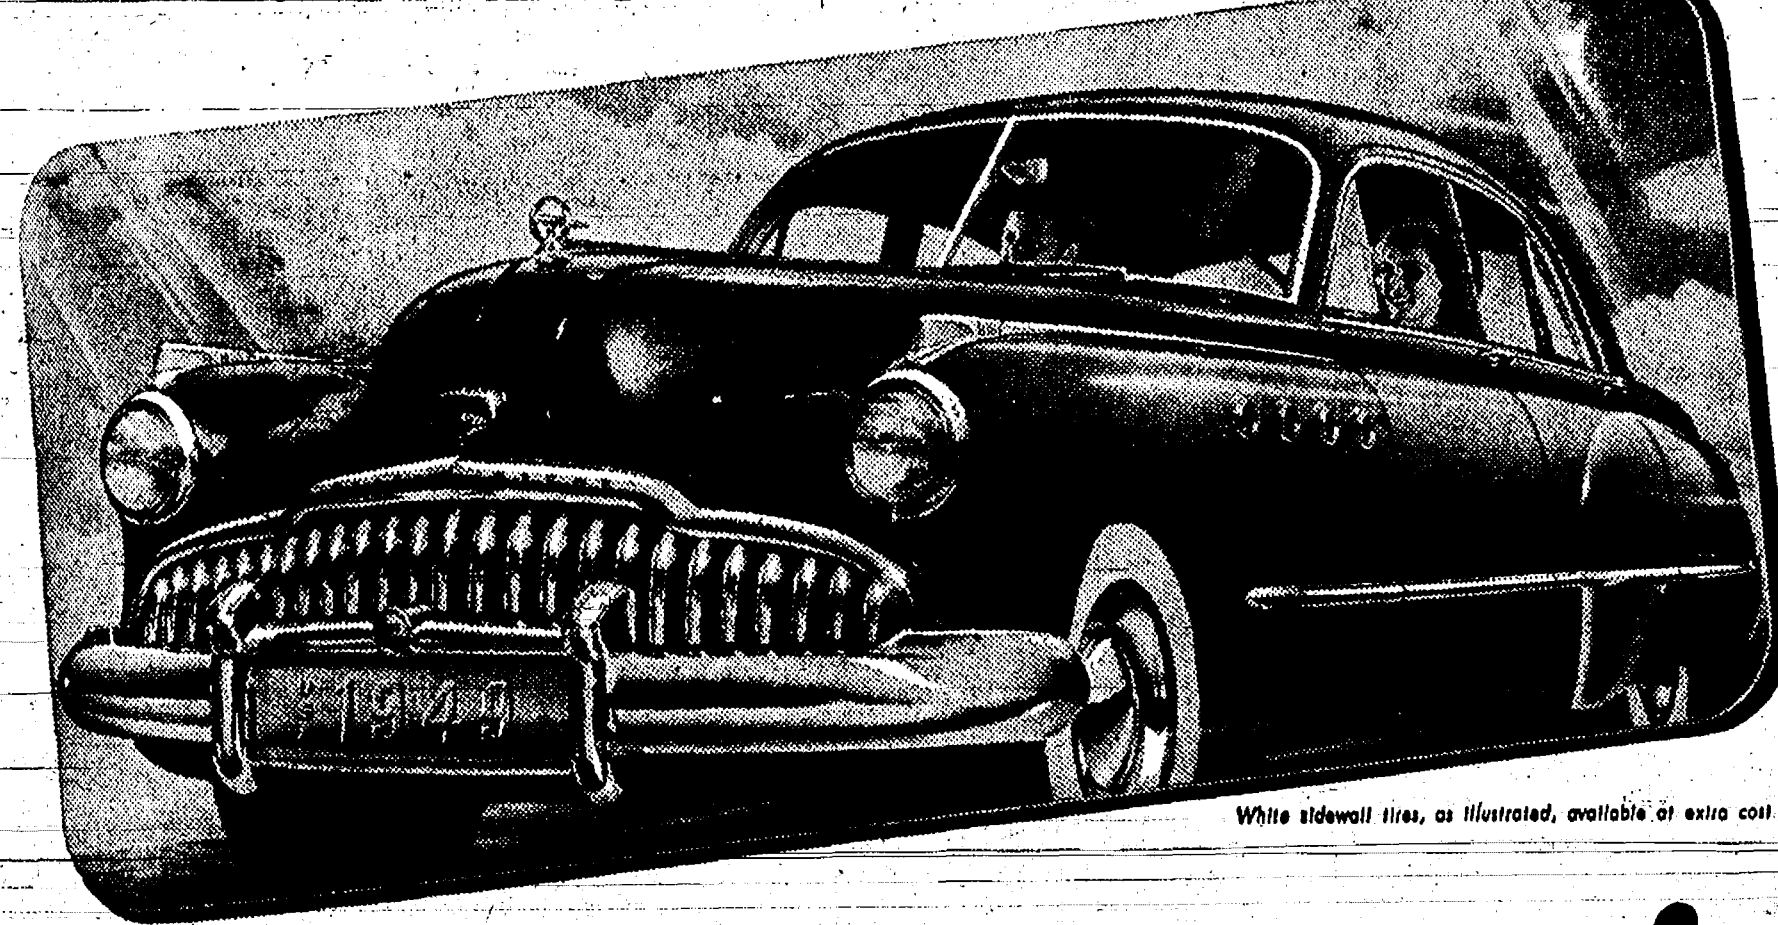

Help your cows produce their full limit of "profit" milk. Feed them Larro "Farm-tested" Dairy Feed the year round. It's a milk-producing, fitting and freshening feed.

Yes, get the extra milk . . . by getting the facts about Larro. See us today.

it's ROADMASTER!

WHEN this sight greets you in your rear-view mirror—mistake, better give over!

Overtaking you is just about the ablest performer on the road today—and wise drivers long ago learned the only thing to do with ROADMASTER is give it road room and a salute as it passes.

Reason is—ROADMASTER is something excitingly new in fine cars.

Big, yes—stretches a gorgeous eighteen feet, with all that such size means in comfort and inside stretch-out space.

But part and parcel of every one of its 4,400-odd pounds is the fastest footwork on the highway. Action is the key of every part, from its 150-hp Fireball power plant to the swift, sleek, unbroken surge you get from Dynaflo Drive.

As a matter of fact, action's even invited by the price tag. By the pound, by the inch, by any yardstick you want to lay against it, it's the buy of the fine-car field.

For proof, just gather a few delivered prices on other cars and bring them around. We'll show you so much more for your dollar you'll waste no time getting an order in.

BUICK alone has all these features

Silk-smooth DYNALOW DRIVE • FULL-VIEW VISION from enlarged glass area • SWING-EASY DOORS and easy access • "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRIFLEX COIL SPRINGING • Lively FIRMAL STRAIGHT-TOOTH POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS • Crisp-Line VENTIPORTS • Low-pressure tires on SAFETY-RIDE RIMS • DUREX BEARINGS, main and connecting rods • BODY BY FISHER

SYMPHONY

"Some Sunday Morning, 'The Red, Red Robin' will come bob-bob-bobbin' along. He has flown here from 'Those Far Away Places' and is thinking 'How Sweet Home' for 'Molly and Me' after the 'Apple Blossom Wedding.' Molly will wear her 'Old Gray Bonnet' with the 'Lavender Blue' veil. The wedding march will be the 'Anniversary Song' and the solo 'My Darling' will be the main feature.

For the 'Honeymoon' they'll go 'Cruising Down the River' on a Sunday afternoon—or if they get 'So Tired' of the 'Stormy Weather' they'll probably take a 'Slow Boat to China'—preferably the 'Stanley Steamer.' Almost any day about 'Three O'clock in the Morning' some cat from 'Across the Alley on the Alamo' will 'Come Y'out' because he's 'Hankering' just 'Hankering' for them to be his 'Tea for Two.' It is no longer 'Full Moon and Empty Arms' for him since he met his 'Gloria' who used to be a 'Rambling Rose.'

Have you ever been a "tree"? Have you ever spread newspapers on the floor and then finger-painted a fascinating picture of the way you feel on an impression of something you have never seen? Have you ever read a story or acted out a story with young children? Have you ever made a battle shield? All these things have been accomplished by the grade school.

When you get old and gray perhaps you will remember the fun you had in the third grade and forget all the story problems that put you in a complete "fog."

Where did you first learn that "please" and "thank you" were magic words? Maybe it meant you could do something special for the teacher or begin work on a special project.

Often times when we reach the age of high school and even older we forget how we used to act and how the world was. When we look at the children in the grade school we think of them as just "kids." But really they are more than just "kids." They are the future plumbers and electricians of the community. We often think that they deserve a little respect and attention. It is too often that we inflict those well-known phrases of "you're too little," "You don't know how," and "Go away, I'm busy," on the younger generation. To them all of schooling is important, for every day they actually learn something new and fascinating.

It is indeed a great experience to find suddenly that you can carry a tune in music class. The praise of the teacher is impetus that keeps the children working harder to attain their goals.

The example that you set as adults and older members of the "family of school" impresses the children. They see you walking on the grass after they have been told not to. They see you acting smart and they copy you. When you look at them, what do you think? Perhaps that they are just dumb and don't count anyway. But in reality they are actually a mirror-picture of yourself and how you act. How about thinking twice before you scold out from behind a parked car or play baseball in the street? You are older and know that they must look out for cars coming the other way. But the grade school youngsters who pattern their lives after you have not had the experiences to know these things. Because of an accident these future citizens might miss out on the exploration of a map to find their home city, the train ride which means so much to them, or even the ever important 6x9.

When you were in the "grades," you did want to miss a minute of school—remember? Why not be thoughtful of these youngsters every day? Sure, it may take a minute of your time to tell them the answer to one of their ever-present "whys." But as the older-than-they are we owe that much to them.

Have you ever stopped to push a grade "schooler" in a swing? Have you ever pitched a baseball to that freckle-faced "kid"? Have you ever?

OPINION POLL

"Good gravy, do I have to have that and on such short notice," exclaimed the journalism student. As usual he was being told the day before it was due that he was to have an assignment that would take a week to do properly—the opinion poll.

As usual, yours truly was given this assignment "right off the bat," so he decided to ask the students what they thought of the opinion poll. The answers ran something like this:

"It started out all right, but the editors have fallen down in their duty of notifying the students soon enough so as to get anything done. As a result, it has fallen very rapidly."

"It's stupid." "The kids don't take an interest in it." "Questions are not interesting. If the questions concerned the students' more maybe they would respond."

"It isn't advertised enough." "Good idea, but nobody interested in it."

"It is a pretty good way to find out kids' ideas, but everybody is too lazy to write out an opinion and put his answer in the box."

"Keep it going as long as you have sensible questions. Advertise it more."

By this, your reporter came to the conclusion that it was falling very rapidly—and that some remedies are: Editors should give longer notice—not the day before it is due; if the journalism club itself would take more interest in it, maybe the whole school would.

People We Could Do Without . . .

Above all, the point stressed was that there must be more publicity if the students are to know what the question is about. Another thing is that the people assigned to the poll must have more time to think about, prepare, and conduct their poll.

THE CHELSEA AMAZONS

"One, two, three strikes! You're out!" will soon be the tune as the GAA girls begin their spring sports. Reviewing the winter sports: the basketball girls' record during the season was two wins, three losses and two ties. The bowling girls did very well. Mary Jane Jarvis bowled 188 for the highest game. The girl with the highest average was Marilyn Johnson, with 142. Joanne Eisenmann raised her average the most during the season, starting with 82 and ending with 112. The Juniors' team, "The Pin Spillers," ended in first place after winning 19 games and losing 7. "The Strikers" and "The Jokers" teams tied for second place with 12 wins and 14 losses, and the third place team was "The Sophomores." All during the season the girls have paid a penny for each split they have had. The money will be divided into prize money and for having a pot-luck supper later on. Girls of both sports received awards at the Athletic Board supper last Wednesday.

With winter sports over, the girls will be concentrating on their spring sports. Those offered this year are softball and tennis. The girls' softball team has already been challenged by the Dexter softball team on April 20 and May 12. The girls hope to develop a good team before those dates. The girls' fourth and seventh hour gym classes have also begun their spring sports.

duced each speaker with a clever joke. After a dinner of scalloped potatoes, meat loaf, corn, cole slaw, relish, dishes, jello, cake and milk, a movie of the 1946 Army-Navy football game was shown.

SHORTHAND AWARDS

Congratulations are certainly in order for the following students who received the Gregg shorthand awards: Gertrude Widmayer, Betty Wheeler, Marjorie Proctor, Myrna Roberts, Mary Ann Gage, Joyce Eisenman and Dorothy Barth. The honors were given for perfection in writing shorthand. The other members of the class are striving to earn awards later in the year.

SPEED DEMONS

With the coming of spring comes another important event, that of the Chelsea thinclade. Twenty boys turned out for the first introductory session.

The schedule is as follows at the present:

April 14—Lincoln-Tecumseh.
April 16—River Rouge. Meet at Ann Arbor.
April 20—Dundee.
May 2—Milan.
May 8—Roosevelt, Ypsilanti.
May 7—Aubion.
May 16—Huron League. Meet at Ypsilanti.
May 26—Romulus.

THE FORTY-NINERS

Gladys Hafner made her first appearance in the world in Chelsea on Feb. 16, 1931. Gladys attended St. Mary's Home entering Chelsea High. Her favorites are: food, three decker bacon and tomato sandwiches; sport, tennis; movie, "Sitting Pretty"; song "You Were Only Pooling"; and recreation, bowling.

She likes "the new look" if people don't go to extremes. She thinks that Chelsea should have a

curfew or otherwise high school students do not get the proper amount of sleep. Gladys thinks that our parents should not choose our friends because they do not know the personality of the persons as well as we do. She believes that students could receive a small allowance, but should be able to earn some of their own spending money. Gladys also thinks that daily chores develop "character," and that they help to keep many out of trouble.

Who likes the "new look" very much? (Continued on page nine)

decide on any other car at any price!

Compare the others with "The Car Designed with YOU in Mind"

You cannot compare the new cars merely by looking at pictures . . . or by watching them on the highway. You've got to get behind the wheel yourself.

That's why we urge you to come and see this new De Soto before you decide on any other car. You notice the difference right away. De Soto's doors are wide. You walk in . . . and keep your hat on. The steering wheel doesn't hit your knees. You're on chair-high seats, so that you get all the benefit of the larger windows and windshield.

You've got full stretch-out leg room, front and back. And you've got more luggage space in that

flush-floor trunk than you ever dreamed of before.

Yes, De Soto is lower. It's got a longer wheelbase (all passengers ride between the axles). But there's no penalty for these advantages. Overall length and breadth are not increased. You needn't rebuild your garage. You can still change a tire. And a dented fender doesn't mean an expensive body repair job.

Let us show you all the new features of the car that lets you drive without shifting. Compare it for beauty, comfort, safety and value. Then decide.

Infant Suffers Severe Injuries in Mixup with Auto

Paul Gage, 18-month-old son of Mr. and Mrs. H. G. Gage, 481 Steinbach road, suffered severe head injuries late Monday afternoon when he was knocked down by the family automobile driven by his father. The boy had walked under the right front fender of the parked car and was concealed from sight when Mr. Gage and his father, Elba Gage, walked around it to see if the little fellow was in the driveway. Mr. Gage had just returned home and had stopped in the driveway before going on to the barn to unload a trailer load of grain. As the car started up a neighbor noticed the youngster and shouted to Mr. Gage who stopped the car immediately. The little boy had been facing toward the tire and as the car started was pushed against the fender support which cut the scalp away from his head. A local physician stitched the scalp in place. Examination seemed to indicate that the skull was not injured.

J. W. Dresselhouse Dies at Sharon Home After Long Illness

John William Dresselhouse died Monday morning at his home, 3200 Sharon Hollow road, following a long illness. He was 86 years old. Born in Freedom township November 29, 1862, he was a son of Mr. and Mrs. Henry Dresselhouse. On April 11, 1888, he was married to Eva Haselschwerdt and they have lived in Sharon township since that time. Mr. Dresselhouse was supervisor of Sharon township from 1904 to 1919 and had also served the township previously as clerk, treasurer, and justice of the peace.

He was a member of the Sharon Evangelical and United Brethren church and was formerly an officer of the church as well as superintendent of the Sunday school for many years.

Survivors, in addition to the wife, are three sons and six daughters, Elmer Dresselhouse, of Jackson, William Dresselhouse, of Manchester township, Merle Dresselhouse, of Sharon township, Miss Mabel Schaub, of Dexter, Mrs. Ruth Ray, of Bellevue, Mrs. Hazel Young, and Mrs. Ruby Reithmiller, of Jackson, and Mrs. Jennie Reardon, of Ann Arbor. There are also nine grandchildren and four great-grandchildren.

Funeral services were held at 2 o'clock Wednesday afternoon at the Sharon Evangelical and United Brethren church with Rev. A. A. Weinert officiating. Burial was in Rows Corners cemetery.

Mr. and Mrs. Claude S. Rogers and family, of Ann Arbor, spent Sunday at the home of the former's parents, Mr. and Mrs. Dor Rogers.
