Michigan MIRROR

By Gene Allaman

Michigan's bi-partisan state government, featuring a Democratic governor and a Republican-controlled administrative board, has yet to solve the problem of averting a treasury deficit. Now that the April election is in the bag, legislative leaders are talking of adjournment by May. The next few weeks will tell the story.

There is the widening gap in the viewpoints of Governor Wilentz and the Republican-controlled legislature. The governor still considers a "popular mandate" for his liberal policies. While he received the April election returns with "disappointment and surprise," he reaffirms his conviction that the majority of the people favored more spending by state government. He wants to enact the state corporation profits tax. He now hints that the decline in sales tax revenue may make it necessary for the legislature to adopt a 5 per cent profits tax, instead of a 4 per cent, as he originally proposed.

The state budget office is now estimating, said the governor, the current treasury deficit (1949-50 fiscal year) at \$22,000,000. If the revenue drop continues, as some economists forecast, then the operating deficit for the 1949-50 fiscal year (July 1 to July 1) might rise to \$41,000,000. State employees are to get 3 per cent more pay, and if these requests are granted, the inflated budget would be boosted \$13,000,000 more.

Republican legislative leaders are willing to adjust state appropriations to current needs, providing the increase is "reasonable." There is where the two parties cannot agree. The G.O.P. bill to revise state unemployment benefits is an example. This measure would increase the base rate from \$20 to \$24 for 20 weeks, an adjustment of 20 per cent. The Democratic proposal would go to the better \$40 to \$50 for 26 weeks, a 50 per cent increase in payment and 30 per cent more time.

If the April election had brought the election of Democratic state officials — highway commissioner and superintendent of public instruction — the state legislature would have been more inclined to accept Governor Wilentz' claim of a "popular mandate." Because of some uncertainty what the voters might do, some key legislative measures have been stalled in committee while legislative leaders wait for the election results.

What should the legislature do about the prospective treasury deficit? Rep. John Eaple, veteran chairman of the house ways and means committee, had indicated that he favors a general reduction in state appropriations, but no decision on new taxes at this time. He feels that the legislature might set more intelligently later on, in the general interests of the taxpayer.

Root of the financial trouble, of course, is the constitutional amendment twice upheld by voters — which earmarks a little more than 75 per cent of all sales tax revenues for local government. This leaves only 22 per cent for state needs. This tremendous flow of funds back to local units of government is without parallel in any other state of the United States. There is not one that even approaches it.

A number of legislative bills have been introduced, and now are in process of legislative consideration, which would abolish state services outright. Governor Wilentz has said repeatedly that the state (Continued on page eight)

Methodists Give Items for Their Kitchen

WSCS Group Sees Many Useful Items Already Furnished

The regular meeting of the WSCS of the Methodist church was held at the home of Mrs. Warren Daniels, Wednesday afternoon, April 6. A large group of members attended and it was reported that the meeting was most enjoyable.

Mrs. A. W. Wilkinson was in charge of the devotional service which included singing "The Church's One Foundation," and a reading from by Mrs. Wilkinson, "A Place Of My Own," by Adela Rogers St. John.

Mrs. M. J. Betz continued with the program topic, "Building Christian America." She told of the seven national agencies which are supported by the various denominations in the United States and Canada, and stressed the similarity of their beliefs, three of which are as follows: (1) The Brotherhood of Man; (2) The Fatherhood of God; and (3) The Christ, the Bible and the Holy Spirit.

The seven agencies work for the moral and social welfare of all people as well as for the Indians, share croppers, Negroes, Puerto Rican migrants and many others. Through the efforts of these agencies have been established three "World Days" which all Protestant churches observe together. They are the World Day of Prayer, the beginning of Lent, World Fellowship Day in May, and World Community Day in October.

Following the program the guests visited the garage where a large table was literally covered with gifts for the refurbished church kitchen. An electric mixer and an electric refrigerator donated by two local merchants were outstanding gifts, for which the ladies expressed appreciation, in addition to many other useful articles and contributions of money from regular members of the WSCS.

A short business meeting was held and was followed by tea served by the ladies' committee, Mrs. E. J. Cummings, Mrs. Betty Dancer, Mrs. Ruth Walker and Mrs. Beth Hollidge.

The May meeting will be held at the Methodist Home with Mrs. Beth Hollidge and Mrs. M. J. Betz as hostesses. A Stephen Foster program is to be given and will be in charge of Mrs. Rena Walworth.

Easter Seals Will Be Sold Until Sunday

Response in the Kiwanis-sponsored sale of Easter seals has been very good to date, Paul F. Niehaus, chairman of the sale, stated on Tuesday. He urges those who have not yet sent in their contributions to do so as soon as possible.

The current Easter Seal drive, which opened March 17, continues until Easter Sunday, in 48 states, Hawaii and Alaska. Receipts from this sale will be used to aid persons with all types of handicaps, including many who have cerebral palsy.

"It is interesting to note," said Mr. Niehaus, quoting from statistics of the National Society for Crippled Children and Adults, "that although cerebral palsy is only second to poliomyelitis among child disabilities, very little has been accomplished to offer the proper rehabilitative facilities for these children. The National Society for Crippled Children and Adults sponsor of the nationwide Easter Seal drive, however, initiated a national program for the cerebral palsied several years ago. Research specialists of the National Society discovered that these persons, often severely disabled because of damage to brain tissue resulting in lack of muscular coordination and control, lack adequate facilities for rehabilitation."

Tri-County Baseball League Organizing

The Tri-County Baseball league has started operations for another season. The league has a nucleus of 12 teams already, with plenty of room for any teams wishing to enter.

April 24 has been set as the final date for new teams seeking entry this year. Any team entering at this time should contact Guy Jamison at 2440 Howard St. at the meeting on April 24 at Howell in the American Legion hall. The meeting will be held at 8 p.m.

Resuscitator Fund Total Has Almost Reached Goal

William Schatz and Fire Chief Thos. Young, acting as the Resuscitator Fund committee, have announced that \$627.00 of the necessary \$750.00 has now been raised. They plan to close the campaign this week-end, Saturday, April 16, and request all persons and organizations planning to make donations to please do so at once.

It is planned to list all donations to the fund in The Chelsea Standard as soon as the list is compiled by the committee.

Providing a resuscitator for Chelsea, which will be a safety measure within reach of everyone having access to the local telephone directory, has been designated as a fine worthy project and response to the committee's appeal for funds has been gratifying, according to the committee members. They are hoping that the final \$123 will be forthcoming before the end of the week.

Miss Sophia Schatz Dies at Home Following Stroke

Miss Sophia K. Schatz, who had been a patient at St. Joseph's Mercy hospital, Ann Arbor, for the past three weeks, died there Sunday morning. Miss Schatz had suffered a stroke at her home, 404 Garfield street, on Friday, March 18, and was taken to the hospital the next day.

Miss Schatz had lived in the home on Garfield street since she was about two years old, having come to Chelsea with her parents, Joseph and Barbara Roos Schatz. She was born in Ann Arbor on Dec. 17, 1880. The family moved to home on Kalmbach road in 1861, living there for a short time before coming to Chelsea. For the past 16 years her brother Herman, has been living with her.

For 18 years she was employed as a forelady at the old Chelsea bean house which was first owned by Dr. J. Wood and later by D. C. McLaren. The building stood on part of the property now occupied by the Chelsea Lumber, Grain and Coal Co., and was destroyed by fire some years ago.

A life-long member of St. Paul's Evangelical and Reformed church, of which her father was one of the founders, she was confirmed with the class of 1896 by Rev. Morris Graupner.

She was a member of the former Ladies' Aid Society of the church, an honorary member of the Women's Guild and a charter member of the Mission Club of the church.

Survivors are her two sons, Elmer and George of Chelsea, two brothers, Harvey of Fresno, Calif., and Herman, at home; one niece and two nephews. Two brothers, Henry and William, preceded her in death.

Funeral services were held at the Miller Funeral home, Wednesday afternoon, 2:30 o'clock, with Rev. P. H. Grabowski officiating. Burial was in Oak Grove cemetery.

This Week's Public Issue:

Should The State of Michigan Abolish The Secret Primary System?

(Editor's Note: Here are some of the pertinent facts on a public issue as prepared by the University of Michigan. This material is designed to present both sides of the question to the voters in order that they may make an intelligent choice on current issues. Your club or discussion group may also find this column helpful.)

Background
In 1909 when Michigan first adopted the practice of having elections instead of conventions for nominating certain candidates for public office, each party had its own ballot. Originally voters were registered according to party affiliation and could vote only in the primary of the party chosen before the election. In 1913 they were permitted to ask at each election for any ballot they chose, but this asking had to be done "publicly" and so their choice of party was not secret. In 1937 a Democratic legislature passed an act requiring the primary ballots of all parties to be given to every voter. This was not at all a secret primary system, but it was a secret primary system, no one could know in which party primary he had voted. A bill introduced in March 7 would abolish the secret primary system and again require the voter to ask publicly for the party ballot of his choice. Democratic legislators are opposing the bill.

Some of the main points advanced on this issue are:

Yes
1. Under the present system, it is possible for voters of one party to "sell" the primary of the other and thus nominate weak candidates who may be easily beaten in the final election. A party should have the right to name its own candidates and anyone who wishes to help them should be willing to state his party affiliation.

No
2. When there is no important contest in their own primary election, it is common practice now for many voters of one party to vote in the primary of the other party when a candidate with views similar to theirs is involved in a close contest. They may thus nominate a man who does not really represent the majority sentiment in his own party. Candidates so nominated, when later elected, feel no responsibility to the party or organization. This makes for a lack of party discipline and therefore for irresponsible actions by elected officials.

3. The cost of printing ballots could be reduced if each voter were to receive the list of candidates of one party only.

4. In certain areas there is prejudice against voters known to vote an unpopular ticket. Employers have sometimes threatened workers with the loss of their positions in such cases. The fact that the abolition of the secret primary is proposed by legislators of one party and is opposed by those of the other party suggests that this is a partisan bill designed to change the election laws for the benefit of one party as against the other. The secret primary is therefore necessary for the preservation of free and fair elections.

5. It is difficult to cite any instance, occurring since the 1937 Act went into effect, in which the voters of one party have made a deliberate effort to "raid" the primary of the other to name a weak candidate. Any injustices done by occasional crossing of party lines to vote for a favorite candidate in another party primary are more than offset by the advantages of preserving the secrecy of the ballot.

6. The savings which could be effected under the proposed law are not great, since a large number of surplus ballots would have to be printed for all parties involved in the primary.

VFW Auxil. Officers Are Installed

National President Officiates at Mass Installation Meeting

Officers of Chelsea's VFW Auxiliary were installed at a mass installation of officers of 11 auxiliaries held Saturday afternoon in the Women's League at Ann Arbor. The 1949-50 officers were installed by the national president of the Auxiliary, Mrs. Helen Murphy, of Union, N. J., who was making an official visit to Ann Arbor. Mrs. Murphy was escorted by the department conductors and her team of eight color bearers.

The meeting was called to order by the department president, Mrs. Augusta White, of Ann Arbor. Approximately 120 officers were installed during the afternoon.

Following the installation ceremonies, Mrs. Murphy introduced the past department president, Mrs. Dorothy Mann, who spoke of the advancement at the National Home at Eaton Rapids.

Mrs. Murphy was again presented and spoke on the topic "Our Duty as Officers." She also spoke of her coming trip to Europe with Mrs. Evelyn Rowan, of Gallup, N. Mex. The ladies were to leave this week to visit shrines and cemeteries in Europe as representatives of the National Auxiliary.

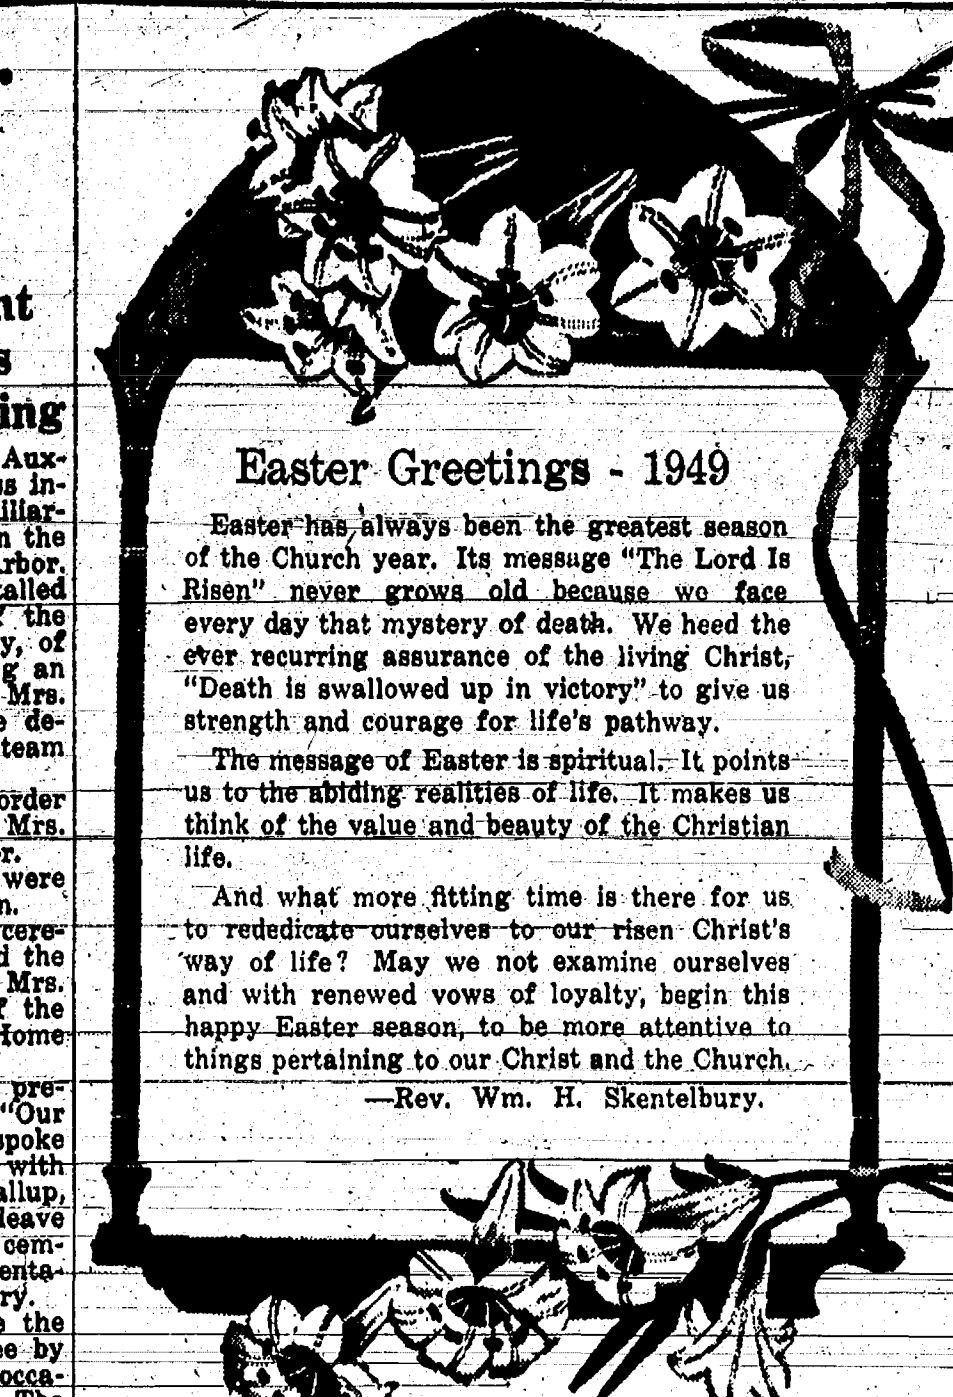

For the installation service the altar was draped with a three by nine-foot flag loaned for the occasion by Mrs. Clayton Fox. The flag was the one which had covered the casket of her son, Kenneth Fox, when his body was returned to Ann Arbor for burial. Kenneth Fox Post was named in his honor.

All Chelsea officers of the VFW Auxiliary were present for the installation with the exception of three, Eulalie Packard, Gertrude O'Dell and Evelyn Rowe. New officers of the Chelsea Auxiliary are as follows: president, Alura Geer; senior vice-president, Dorothy Lentz; junior vice-president, Anna Werner; chaplain, Ruth Perkins; secretary, Janet Hutzler; treasurer, Vera Heim; conductress, Mary Ritter; guard, Stella Light; patriotic instructor, Mrs. J. J. Juerksen; flag bearer, Ethel Reed; banner bearer, Eulalie Packard; color bearers, Sally Weiss, Cletea Frayer, Gertrude O'Dell and Florence Walker; musician, Magdalen Weber; historian, Myrtle Price; trustee for one year, Margaret Birch; trustee for two years, Evelyn Rowe; trustee for three years, Mary Knies.

Annual Institute Set For May 10-12 at U-M

Ann Arbor — The 17th annual Adult Education Institute, attended by more than a thousand Michigan club women, will be held at the University of Michigan, May 10-12.

Lectures and demonstrations will be presented on current advances in science, medicine, politics, and fine arts. There will also be a daily class in parliamentary law.

Mrs. Winter To Celebrate 90th Birthday

Mrs. Christena Winter will celebrate her 90th birthday on Monday, April 18, and if she follows her usual Monday custom, will probably be observed by her neighbors hanging out her weekly washing which she will have done herself. Mrs. Winter, tiny and always very neat-appearing with her pure white hair smoothly combed, does all of her own housework at the home on Washington street, where she and her son Fred have lived for almost 40 years. Her husband, Henry Winter, died about 30 years ago.

Mrs. Winter was born in 1859 in Waterlootown on the old Heydlauff homestead which is now a part of the Waterlootown project. The home stood well back from the road not far from the St. Jacob's Lutheran church. She attended German school there, was confirmed and in 1885 married at the church. Her parents were Andrew and Christena Heydlauff. She was the second oldest of a family of eight children of whom she and her youngest brother, George Heydlauff, of Kalmbach road, are the only survivors.

Following her marriage to Mr. Winter, they made their home in the country, living for a time near Sugar Loaf Lake and for two years before moving into the present home on Washington street. Mrs. Winter lived on the Skinner farm north of Chelsea, now known as the Kiss farm.

The Winters had a family of seven children, five of whom are living: Mrs. Will Prudden of Belleville, Mrs. Bertha Weaver of Detroit, Mrs. Will Winter of Sylvan township and Fred, at home.

Mrs. Winter has seven grandchildren and four great grandchildren.

Members of her family plan to visit her on Sunday, but no special celebration is being planned because of the illness of her son-in-law, Will Prudden.

'Over the Top' for Local Red Cross Drive

Final figures on the amount collected in Chelsea during the Red Cross drive for funds show the amount to be \$1,542.75 which is \$542.75 more than the quota set at the beginning of the drive.

Mrs. John Keusch was local chairman of the drive and Mrs. Anna Durock was the division chairman. Mrs. John G. Chaplin, Mrs. Armin Schneider and Miss Ida Keusch.

With Audrey Lake as leader, the Junior Red Cross was very active during the campaign, delivering the Red Cross flags to the merchants in front of whose place of business the flags were displayed during the campaign; arranging window displays and lamp post signs.

Mrs. Keusch said that the Junior Red Cross workers, the division chairmen and block workers share the credit for the exceptionally fine success of the campaign as well as all who contributed so generously to the fund.

Mohrlock-Winter Cars Collide Last Wednesday Eve.

Cars driven by Grant Mohrlock and William Winter were involved in an accident on Cavanaugh Lake road about a mile west of Chelsea about 9:30 last Wednesday evening.

As reported by Frank Reed, Chelsea police officer who was called to the scene, the car Mohrlock was driving was traveling east while Winter, on his way home after visiting his wife at an Ann Arbor hospital, was traveling west. The crash occurred, it was reported, when Mohrlock's car swung to the north side of the road, the left front of his car striking the left front of the Winter car. Both cars were badly damaged.

Mohrlock, a passenger in Winter's car, suffered cuts about the head and multiple bruises.

Winter received knee and hand injuries and his daughter Doris, 12 years old, who was riding with him, was bruised and cut about the face.

Mrs. Lester Czarnecki and her two children of Bluffton, Ohio, are spending this week at the home of her parents, Mr. and Mrs. Everett Van Riper. Mr. Czarnecki plans to spend Easter here and they will all return home on Sunday. Mary Ellen Van Riper was the guest of her sister in Bluffton last week.

Local Churches Anticipate Large Attendance This Year for Annual Easter Programs

Proclamation To the People of Chelsea

History and Christian tradition teach that Christ enriched the life of all of us by His life, teachings, example, and death. Men have come to reverence and observe the death of our Lord and have set aside "Good Friday" as a time of self examination, worship, and reflection upon the eternal truths of the Christian faith.

Since it is recognized that one of man's greatest needs is redemption for his spiritual being, therefore in order to lend encouragement to the redemptive practice of worship and to make it more convenient for all Christian people of Chelsea to attend their respective places of worship, I, M. W. McClure, President of the Village of Chelsea, request all commercial enterprises to discontinue business on "Good Friday," April 15, 1949, from twelve noon until three o'clock.

By Order of Village President, M. W. McClure.

Need Permit from Officers for Grass Fire

Conservation Officer Don Boyer and Fire Chief Thomas Young warn that there is a state law in regard to burning of grass and weeds without a fire permit when the ground is not snow-covered. These permits may be obtained from a conservation officer or the sheriff's office. The conservation office telephone number is Chelsea 7701.

No permit is necessary if a fire break sufficient to check the fire has been freshly plowed around the area where the fire is set, or if the area is such that there is no chance of the fire getting out of control.

If, when burning without a permit, a fire should get out of control and spread to another land, the person setting the fire can be held liable for criminal or civil action. These warnings are necessitated because of the disregard of fire danger by some people and also because of the expensive runs made by the fire departments.

In cases where a burning permit is considered necessary, the burning officer will give information in regard to the proper time to do the burning and will supply equipment, if needed. Those who plan to burn off grass and weeds are advised to have sufficient manpower and equipment on hand to keep all burning under control.

In case of fire on state-owned land, instead of calling the local fire department, call the conservation officer or the Cassidy Lake school, Chelsea 3431, daytime, or 2-4956 at night.

Protestant Churches To Hold Union Good Friday Service

Chelsea churches are planning for record attendances at church services beginning tonight (Thursday) and culminating in the Easter morning service on Sunday.

At St. Mary's church, Holy Hour will be observed at 7:30 o'clock this evening (Thursday); Good Friday services will be held from 2 until 3 o'clock in the afternoon and Easter Sunday's first Mass begins at 8:00 a.m., and the second Mass starts at 10:00 a.m.

The Protestant churches are joining for a Union Good Friday service at the Methodist church at 1:30 Friday afternoon. Rev. W. H. Skentelbury is to preside at the service which will be preceded with a half-hour period of organ meditation by Miss Elva Wakold.

Rev. M. J. Betz will take part in the worship program and Rev. O. W. Morrow and Rev. P. H. Grabowski will preach. The High School chorus under the direction of Berttram Gable, will present two anthems, "Jesus, Word of God," "Agnus Dei," by Mozart and "The Lord is My Shepherd," by Schubert.

At the Congregational church tonight (Thursday) a candlelight service will be held. There will be reception of new members and reception of the catechism class into church membership. Those in the class are Phyllis Vogel, Karo Chase, Sue Barlow and Priscilla Yoell.

There will also be Communion. On Sunday there will be the regular Easter service and Sunday school.

At the Methodist church there will be a baptismal service tonight (Thursday) at 7:30, and two groups will unite with the church. The first division is accepted into preparatory membership and the second group into full membership. There will also be Holy Communion at tonight's service.

Sunday's first service at the Methodist church will be the Easter sunrise service at 6:15 a.m., under the auspices of the Youth Fellowship. The committee in charge includes Bill Moody, Stanton Walker and Nancy White. Mrs. Viola Gray, of West-Des Moines, Iowa will be the speaker.

Easter breakfast will be served, following the service, on the ground floor of the church. Chairman of the breakfast is Lyman Walker. Others on the committee are Charles Cameron, Dwight Gadbary and Gerald Carr.

At 10 a.m. the Easter worship service will be held and Rev. O. W. Morrow will preach on the subject "The Spur of Immortality." The choir will present the anthem "As It Began To Dawn," by Vincent.

Church school will meet at 11:15 in keeping with Easter which she will display at the assembly and the annual Easter offering for Missions will be taken.

St. Paul's church members will have the opportunity to see the (Continued on page eleven)

Police Are Checking Autos for Safety

DOES YOUR AUTO RESEMBLE this 1911 Oakland super deluxe model? If so, better keep it off the highways, say Police Officers George Doe and Frank Reed, who are shown above giving Ted Balmer's sedan "the works" in part of a nation-wide safety check of lights and brakes. Verdict: brakes, OK; kerosene lamps, NG. According to local officers this model is still in better condition than many vehicles frequenting our highways.

The village of Chelsea has joined more than 200 other Michigan cities in a concerted effort to reduce traffic accidents by reducing the number of defective brakes and defective lights on vehicles being driven today according to local police officers.

"Police officers will check the brakes and lights of the vehicle of each motorist they stop for a moving traffic violation and will stop all motorists driving at night with defective lights," they said.

All motorists are urged to have all of their safety equipment checked by their regular service man, and repairs if necessary.

Our police department members have attended a special training school utilizing a uniform training manual prepared by the Safety and Traffic Committee of the Michigan Association of Chiefs of Police, so motorists are assured of uniform consistent treatment throughout the state.

Emphasizing the importance of maintaining a vehicle in safe driving condition, local officers said, "A study of accident records shows that vehicle defects were reported in 13% of the fatal accidents in 1948 in Michigan according to reports received by Michigan State Police."

This program, sponsored by the Michigan State Safety Commission, and is supported by the Advisory Committee composed of 69 organizations interested in safety.

Lafayette Grange is Host to Lecturers

Lafayette Grange Hall at Lima Center was the scene of an all-day meeting for lecturers of granges of this district on Thursday, April 7. The district includes Wayne, Jackson and Washtenaw counties.

The state lecturer, Mrs. Bert Wermuth, of Holly, conducted the meeting, with the district deputy, Thomas E. Willis, of Concord, presiding. Mr. Willis is Pomona Master of Jackson county.

Representatives were present from Oakland county in addition to those from the three counties comprising the district.

An Easter Prayer

By Dr. J. F. Newton

O Lord and giver of life,
who art awakening the
earth to the singing loveliness
of springtime, awaken
our spirits to the wonder
and glory of this day. As
Christ arose victorious over
the shadow of the cross and
the darkness of the tomb
so may we rise above the
things of earth which pass
away; through Jesus Christ
our Redeemer and Lord.
Amen.

ST. PAUL'S MISSION CLUB

Twelve members and four guests
were present at the regular meet-
ing of St. Paul's Mission club held
Thursday afternoon at the home
of Mrs. Fred Sager.

Mrs. Louis Eppler was in charge
of the opening devotion and a
short program was given as fol-
lows: reading, "Housecleaning
Time," Mrs. Alvin Vail; poem,
"Easter," Mrs. Hason Lehman;
reading, "Bag Carpets," Mrs. B.
Dalton; of Danville; poem, "Gar-
dens Don't Happen," by Edgar
Guest, Mrs. J. N. Strieter; and a
poem, "April Fool," by Mrs. Dal-
ton.

Work was continued on the lay-
ettes which are being made for
the World Service project and on
a quilt which is nearing comple-
tion.

The group was seated at a large
table in the basement recreation
room for the refreshments which
were served by the hostess at the
close of the afternoon.

Table decorations included an
Easter bunny filled with colored eggs
and also a pot of tulips which was
a gift from Mrs. Sager's daughter,
Mrs. Dalton, of Danville, who was
a guest at the meeting with her
young granddaughter.

Schoolmaster Club To Meet at U. of M.

Ann Arbor--School teachers and administrators will meet at the University of Michigan April 28 and 29 for the 62nd annual meeting of the Michigan Schoolmasters' Club.

About 2,500 persons are expected for the sessions of the Schoolmasters and several related organizations. On Thursday, April 28, there will be the annual conference on teacher education and on problems in school and college cooperation. On Friday there will be the sessions of the Schoolmasters' Club and also a conference on teacher supply and demand.

Friday, April 29, will also be Michigan High School Forensic Day. Activities of the day will bring more than 1,000 high school students to the University campus and will be climaxed by the high school championship debate. Opponents in the debate will be Grand Rapids Union High and Lansing Eastern High.

Three general sessions are planned for the Schoolmasters' Club. At the first, Friday morning at 9:30 in the Rackham Lecture Hall, the speaker will be Herold C. Hunt, general superintendent of schools, Chicago. The second will be the University Honors Convocation for some 1,500 students of high scholarship. President James B. Conant of Harvard University will be the Convocation speaker.

Final meeting of the Schoolmasters will be a dinner program in the Michigan Union Friday night, with Kenneth McFarland, superintendent of schools at Topeka, Kans., as the speaker.

SENIOR SCOUTS

The meeting was called to order by our vice-president, Maryellen Moore. The minutes were read and dues were collected.

We went swimming Wednesday evening to complete all activities to earn the swimmer's badge.

We have just received the Senior Scout hats and pins to go with our uniforms. The pin will be 25 cents and the hat is \$1.50.

We also decided to have a bake sale, but the date is not yet set. The secretary and treasurer will receive new account books.

We also make Easter favors for the Methodist Home.

Refreshments were served after the meeting.

—Scribe, Shirley Pierce.

Mrs. Emma Smith, and Mr. and Mrs. Henry Ziel, of Detroit, spent Friday at the home of Mrs. Lydia Zahn.

New '49 PONTIAC

Pontiac—Division of General Motors

The Most Beautiful Thing on Wheels!

We are, of course, very proud and happy that people everywhere are calling the new Pontiac "the most beautiful thing on wheels." Pontiac is a brilliantly beautiful automobile—as handsome a car as ever rolled over America's streets and highways.

Every line of Pontiac's new Fisher Bodies gives an instant impression of fleet gracefulness.

But Pontiac's real beauty cannot be fully appreciated until you drive the car yourself. For the new Pontiac is beautifully engineered, too—to give you a kind of automobile performance that simply must be experienced in order to be believed.

Pontiac for 1949 offers a totally new kind of ride—a ride as smooth and comfortable as a car can be. And either of Pontiac's famous engines, six- or eight-cylinder, is a sweetheart for power. Remember, too, Pontiac is still the lowest-priced car in the world offering the ease of Hydra-Matic Drive—available on all models at extra cost.

Take a long look at the next new Pontiac you see—then come in and give the car a really thorough examination. That's the way really to appreciate why people are calling Pontiac "the most beautiful thing on wheels."

Cubist Movement
Juan Gris, with Picasso and Braque, was one of the founders of the Cubist movement. Gris, a master of plastic relations, held that it made no difference how elements appeared in shape, color, and perspective as long as a harmonious whole was effected. "My art," he said, "is the art of synthesis, a deductive art."

GRANDPA OF THE CABLE TRAIN—Possibly you've seen modern tractor-drawn cable trains burying Long Distance telephone cable across the Michigan countryside. Back in 1882, two pioneer telephone men hitched a locomotive to a farmer's plow, turned a deep furrow five miles in length and "planted" an assortment of wires to determine the effect of soil conditions on them. From this early experiment came facts helpful in developing modern underground cable!

BRAIN TEASER—You can probably stump most of your friends on this one. In which case does your voice travel the longest distance to reach the person you're talking to: (a) —When you telephone your neighbor on the next farm? (b) —When you speak to somebody across the room? Answer: When you talk across the room. When you telephone your neighbor, your voice just goes an inch or so to the mouthpiece. From there on it travels as an electric current right to the listener's telephone receiver.

SUPPOSE you could reach only one other telephone. Your telephone wouldn't be worth very much to you, would it? Actually, today you can reach more telephones than ever before ... doctors, vets, equipment dealers, friends, relatives. And we're still adding new telephones at record speed. This means more people you can call—more jobs your telephone can do for you.

Sylvan Farm Bureau Walk on Farm Woodlot Management

The April meeting of the Sylvan Farm Bureau was held Friday evening, April 8, at the home of Mr. and Mrs. George Erke.
Ray E. Pfeiffer, farm forester, was the evening's speaker. Taking as his topic, "Farm Woodlot Management," he made the statement: "Woodlots could be greatly increased by non-grazing and a regulated cutting program."
During the business session it was decided that because of the increasing number of members, future meetings are to be held in the Municipal building. There are to be three hostesses, elected alphabetically, for each meeting.
A radio program committee was appointed and is to arrange for a radio program in the near future. Those on the committee are Mrs. Walter Wolfgang, Mrs. Everett Van Riper and Gordon Van Riper.
A potluck dessert lunch was served and cards were enjoyed.

ST. MARY'S ALTAR SOCIETY

The regular monthly meeting of St. Mary's Altar Society was held at St. Mary's hall-Wednesday evening, April 6.
A donation was voted for the current school fund and it was decided that the annual Mother and Daughter banquet is to take place on May 4. The Mother and Daughter Communion Sunday is to be on May 1.
Reports of the eleventh annual diocesan convention of the Detroit Archdiocese Council of Catholic Women, held in Detroit March 31, were given by the delegates of the local society, Mrs. Wallace Wood and Mrs. Carl Lentz.
After the close of the business session, cancer dressings were made.

ST. PAUL'S WOMEN'S GUILD

The Women's Guild of St. Paul's church met in the church hall for the regular monthly meeting Friday afternoon, April 1. Forty-nine members, five guests and nine children were present.
The program and devotional period opened with a Lenten reading by Mrs. Herbert Paul.
Mrs. Elmer Mayer was the devotion leader and Mrs. P. C. Schaeble and Mrs. Lawrence Dietle were the program leaders.
The devotional period included Scripture reading and prayer by Mrs. Mayer; hymns by the assembly and a reading by Mrs. Bruce Peabody.
The program, on the topic, "Worship Through Symbolism," included explanations and illustrations of the various symbols of the Christian religion given by Mrs. Schaeble and Mrs. Dietle. "The Old Rugged Cross" played on the piano by Mrs. Carl Mayer introduced and closed the program and by special request of one of the members present, the song was sung by Mrs. J. M. Oesterle and Mrs. J. N. Strieter.
After the business session lunch was served in the church dining room by the month's committee, Mrs. E. J. Bahnmiller, Mrs. Alma Bahnmiller and Mrs. William Bahnmiller, assisted by Mrs. William Beach.

VFW AUXILIARY

The VFW Auxiliary held its regular meeting at St. Mary's hall Monday evening with 20 members present.
Mrs. Alura Geer, the newly-elected president, was in charge of the meeting, and Mrs. Evelyn Rowe was elected a trustee for two years.
The retiring president, Mrs. Mary Kniss gave the new officers their charges and also presented the Auxiliary with a check for twenty-five dollars which had been given to her by the Amalgamated Union to be used for the benefit of veterans at the Howell sanitarium.

Mrs. Kniss was presented with a past president's pin and a life membership in the National VFW Home in honor of her year's work. It was voted to send five dollars to the National Home to be used toward the cost of the new organ for the new chapel which is to be dedicated in May.
It was also voted to contribute ten dollars to the Cancer Fund. Announcement was made of a district rally to be held in Leslie, May 1; also that the Chelsea banner and flag are to be carried in the parade which will be held in connection with the rally.

Mr. and Mrs. Harold Messner and children, with Mr. and Mrs. Donald Conter and family of Grass Lake, and Mr. and Mrs. Max Hoppe spent from Wednesday until Saturday at Au Gres where they enjoyed excellent fishing.

CONFIRMATION DINNERS

Mr. and Mrs. Ernest Guenther entertained at dinner Sunday following the confirmation service at St. Paul's church in honor of their sons, Earl and Dean, who were members of the class.
Guests at the dinner were Mrs. John Schwartz of Ann Arbor, Mr. and Mrs. Reuben Guenther and three children, of Dexter; Mr. and Mrs. Reuben Fritz and children, of Chelsea; Mr. and Mrs. Paul Guenther and children, and Mr. and Mrs. Elton Guenther.

Duane Hall, who was confirmed at St. Paul's church Sunday morning, was honored with a dinner at the home of his parents, Mr. and Mrs. LeRoy Hall, Sunday evening. Those present were his two grandmothers, Mrs. Nettie Hall and Mrs. Amanda Mohr; also Mrs. Sarah Mayer of Ann Arbor, Mr. and Mrs. J. N. Strieter, Mr. and Mrs. Alfred Mayer and family, Mr. and Mrs. Carl Mayer and family, Mr. and Mrs. Otto Mayer, Mr. and Mrs. Elmer Mayer and Mr. and Mrs. Elmer Lehman.

Mr. and Mrs. Ezra Feldkamp had as their guests at a dinner on Sunday, Mrs. P. C. Schaeble, Fred Feldkamp and Mr. and Mrs. Ernest Horning, of Freedom township; George Rothfuss, Mr. and Mrs. William Walker and Mrs. Elizabeth Grieb, of Lima township; Mr. and Mrs. Herman Hashley and daughter Janice, of Dexter; Mr. and Mrs. Ben Maurer, of Manistowick; Miss Ada Dresselhouse, of Clinton; and Mr. and Mrs. Joseph Wright and Mr. and Mrs. Walter Beutler, of Chelsea, and the latter's grandson, Rodney Beutler, of Jackson.

The dinner was given in honor of the Feldkamp's son Norman, who was a member of the confirmation class at St. Paul's church.

Guests for dinner on Sunday at the home of Mr. and Mrs. Bruce Peabody in honor of their son, Bruce, who was confirmed at St. Paul's church, were Mr. Peabody's mother, Mrs. Nancy Peabody, who spent the week-end here; Mr. and Mrs. H. R. Laros of Flint; Mr. and Mrs. Alfred Weinmann, and son and Mrs. Jennie Hinchey. Supper guests were Mr. and Mrs. Laros, Mr. and Mrs. Otto Hinderer, Mr. and Mrs. Sam Bohmet, Mrs. Arthur Schairer, Miss Marjorie Schairer, Miss Marjorie Schairer, and Mr. and Mrs. Alfred Lipphart and daughter Lynn.

Mr. and Mrs. Luther Hindinger of Ann Arbor, Mr. and Mrs. Whitney Riedel, of Jackson, were dinner guests at the home of Mr. and Mrs. Wilber Hinderer Sunday following the confirmation of their daughter at St. Paul's church. Other relatives and friends called during the afternoon and evening.

The following were Sunday dinner guests of Mr. and Mrs. Oscar Bareis in honor of their son Richard, a member of the confirmation class of the St. Paul's church: Mr. and Mrs. Harold McVay and sons Dennis, Donald and Douglas, of Stockbridge; Eliza McVay and Mrs. Louise Glenn of Leslie, Mr. and Mrs. Merle McVay, Mickey and Vicki, Mr. and Mrs. Carl Heller and son Earl, of Chelsea, and Mrs. Bertha Bareis and son Arthur, of Lima.

Dinner guests on Sunday at the home of Mr. and Mrs. Norman Schmidt, in honor of their daughter, Eleanor, who was confirmed at St. Paul's church at the morning service, were Mrs. John Ashfall and Mrs. Fred Taylor, of Grass Lake; Mr. and Mrs. Carl Ashfall of Dexter, and Eleanor Archibronn, of Munith.

SALEM GROVE WSCS

Mrs. Erie Notten was hostess for the April meeting of the WSCS of the Salem Grove Methodist church held Wednesday afternoon, April 6, at her home, with the president, Mrs. George Heydlauff, presiding.
Mrs. Glenn Rentschler led the devotional period which included Scripture reading from Corinthians 13:1-13, and the hymns, "When I Survey The Wondrous Cross" and "More Love To Thee." The lesson for the meeting was in charge of Mrs. Engel Quatt and included a talk on labor problems by Mrs. Max Hoppe and a reading, "Latin America," by Mrs. Leon Sanders. Mrs. Hoppe concluded her talk with the poem "The Village Blacksmith."

During the business session routine reports were given and plans were completed for the supper to be held April 28.

This was followed by election of officers as follows: Mrs. Oscar Kalmbach, president; Mrs. Engel Quatt, vice-president; Mrs. Reuben Hartman, missionary secretary; Mrs. Max Hoppe, local secretary; Mrs. T. G. Riemenschneider, treasurer; Mrs. Glenn Rentschler, corresponding secretary; Mrs. Geo. Heydlauff, secretary of girls' work; Mrs. Harold Wahl, secretary of literature and publications; Mrs. Dillman Wahl, secretary of supplies; Mrs. Austin Arts, secretary of children's work; Mrs. Clarence Lehman, secretary of publication; Mrs. T. G. Riemenschneider, Mrs. Albert Schweinfurth and Mrs.

Truman Lehman, status of women committee; Mrs. Chester Notten, spiritual life committee chairman; Mrs. Albert Schweinfurth, chairman of fellowship committee; Mrs. Nelson Peterson, membership chairman; Mrs. Leonard Loveland, organist.

It was decided that the next meeting is to be held at the home of Mrs. Quatt, in Francisco, and installation of the newly-elected officers will take place at that time.

The meeting was closed with the hymn, "I'll Go Where You Want Me To Go," followed by the Lord's Prayer.

Edwin Beutler accompanied Mr. and Mrs. Carl Beutler to Detroit Sunday to spend the afternoon and evening with the latter's aunt and cousin Mrs. Frances Beutler, and Mrs. Clarence Bice and family.

EASTER

by Evan B. Johnson

A brave little blade of green ventures up through the loams a tiny flower shyly, reverently, lifts its head to greet the smiling skies a myriad of buds, anxious to blossom, study the twist of restless branches of the tree whose thirsty roots clutch the bosom of the good earth, drinking deeply of the sap of eternal life.

Again it is Easter, the Season of Faith's Fulfillment.

Fire Department Has Three More Calls for Week-End Grass Fires

The Chelsea Fire department answered three calls over the week-end two on Saturday afternoon, and one on Sunday. All three calls were for grass fires which Fire Chief Thomas Young said were either preventable or the result of carelessness. Saturday afternoon about two o'clock about 100 acres was burned over on property belonging to the Michigan Conservation department on Hankard road near Blind Lake. About 3:30 the same afternoon a grass fire on the Lowell Scripser farm at Musbach and Cavanaugh Lake roads was feared to be threatening buildings on the place and the fire department was called. The third call was about four o'clock Sunday afternoon when a grass fire raced through the cottage at Crooked Lake. It is feared that the trees might be seriously damaged. 39

CARD OF THANKS

We wish to thank all our neighbors and friends for the kindness they have shown us during our recent illness; also Rev. D. Bishop, Mr. and Mrs. R. Vergin.

Club and Social Activities

PAST CHIEFS
The Past Chiefs of the Pythian Sisters were entertained Monday evening, April 4, at the home of Mrs. J. E. Bagge with Mrs. Marjorie Diette as assisting hostess. Eighteen members were served a delicious supper and this was followed by a short business meeting. Cards were the evening's diversion.

ATTEND CARD PARTY
Four members of the local WRC attended a benefit card party Tuesday evening, April 5, at the home of Mrs. Mabel Bair, Mrs. Mary E. Bair, Mrs. Florence Walker, and Mrs. Ruth Walz. Mrs.

Christwell received the door prize and Mrs. Walz received a high score prize.

FAREWELL DINNER

A farewell dinner was given Sunday at the home of Mr. and Mrs. George McClure who plan to move soon to Utica. Those present were Mrs. Viola Tuohy, Mr. and Mrs. Paul Tuohy and son Ronnie, Mr. and Mrs. C. C. Morrison, and Mr. and Mrs. Paul Tovey and daughters, all of Toledo, Ohio, and Mr. and Mrs. George Atkinson and children, Mr. and Mrs. M. W. McClure and daughter Jean, and Mrs. Lydia Riemenschneider, of this vicinity.

CAVANAUGH LAKE GRANGE

Cavanaugh Lake Grange met Tuesday evening, April 5, at the home of Mr. and Mrs. Max Hoppe. Because of the absence of the

master, Franklin Van Valkenburg, the overseer, Henry Notten, opened the meeting. It was decided to have a memorial service at next month's meeting which will be held in the Salem Grove church basement.

The evening's program was opened with the songs "Grange Get Together" and "We're Here For Fun."

Roll call was answered with quotations, and was followed with a reading, "Prediction of World Affairs," by Mrs. Max Hoppe.

A most interesting talk on the topic, "Habits of Wild Animals," was given by Darrell Kniss, state predatory animal control officer with the state conservation department.

Homemade ice cream and cakes were served by the hostess at the close of the program.

BIRTHDAYS OBSERVED

Mrs. Louise Bitterskamp and Mrs. Mary Pielemeyer were honored at a family birthday dinner at the Pielemeyer home Thursday evening. Mrs. Bitterskamp's birthday was on Thursday and Mrs. Pielemeyer's on Sunday. Both are 82 years old.

An out-of-town guest at the dinner was W. A. Yocum, of Free-landville, Ind., who spent last week here with his daughter, Mrs. Herbert Paul. Also guests, in addition to members of the family, were Mr. and Mrs. A. Chernyshevich.

LIMANEERS

There were 12 members and four guests present for the meeting of the Limaneers held Thursday, April 7, at the home of Mrs. Lee Weiss. The guests were Mrs. Reuben Hartman, Mrs. Andrew Leland and Mrs. Alvin Pommerning of this vicinity, and Mrs. James Farr, of Crosswell.

Games were played under the leadership of the program chairman, Mrs. I. H. Lounsbury, and prizes were awarded to Mrs. Weiss, Mrs. Carl Schlosser and Mrs. Herman Hasley. Mrs. Pommerning received the door prize.

Mrs. Walter Bowler invited the group to meet at her home for the May meeting. Mrs. Fred Gentner will be the assisting hostess.

HOME FROM WINTER TRIP

Mrs. Lina Whitaker returned home Saturday after spending the past two and one-half months in the south and west. Leaving here Jan. 28, she spent two weeks in Florida and then went to Fullerton, Calif., to the home of her daughter, Mrs. Henry Glazier, and family, where she remained until last week. On Sunday, in celebration of her birthday, she shared honors with her grandson, Edson, at a dinner given in honor of his confirmation at morning at Salem Grove Methodist church.

Guests at the dinner were Mr. and Mrs. Kenneth Rowe and children, Betsey and Kenny, Mr. and Mrs. Burleigh Rowe and family, and Mrs. Joe Lents and daughter, all of Wayne, and Ehlert Notten, of Chelsea.

The table centerpiece was an arrangement of camellias and sweet-peas which Mrs. Whitaker had brought home with her from California.

George Webb's Mark 56th Anniversary

Mr. and Mrs. George Webb were honored with a family dinner given at their home at North Lake Sunday, in celebration of their 56th wedding anniversary. They were married April 13, 1893.

With them for the day were their daughters and one son, as well as ten grandchildren. Their other son, Dr. Raymond Webb, of Hollywood, Calif., could not be present.

Those who attended Sunday's celebration were Mr. and Mrs. Fred Janke of South Lyon, Mr. and Mrs. Lyle Engle and children, of Detroit, and Dr. and Mrs. Harmon Webb and family, of Detroit.

In addition to the ten grandchildren present, the Webbs have five other grandchildren and four great-grandchildren.

To Be Honored on 56th Anniversary

Mr. and Mrs. Fred Sager, who were married 56 years ago yesterday, April 13, 1893, are to be honored at a dinner which will be given on Easter Sunday at the home of their daughter, Mrs. J. B. Dalton, in Danville.

All members of their family, which includes a son, three daughters, seven grandchildren and four great-grandchildren, and their families, are expected to be present. These include Mr. and Mrs. J. B. Dalton, Mr. and Mrs. Wayne F. Dalton and children, and Mr. and Mrs. Lawrence Moran and family, all of Danville; Dr. and Mrs. H. T. Fuller and their son and daughter, Dick and Shirley, of Mt. Morris; Mr. and Mrs. C. A. Brady, of Birmingham; and Mr. and Mrs. Herbert Sager and sons, of Ann Arbor.

SOME OF THE TWENTY-FOUR children who attended the Chelsea Child Study Club's Easter Egg Hunt are shown above as they grouped around a bonfire to roast marshmallows at the Edmund Kayser home on Cavanaugh Lake. From left to right, the adults shown are Mrs. P. B. Sharrard, Mrs. Andrew Leland and Mrs. Lawton Steger.

'Time of Their Life' Had by Children at Easter Egg Hunt

Thirty-four children had a rollicking good time at the Chelsea Child Study Club's Easter Egg hunt at Cavanaugh Lake last Saturday. The hunt was held at the home of Mr. and Mrs. Edmund Kayser. The children were accompanied by fourteen mothers. Four of the fathers were present also.

Except for a slight chill in the air, the day was ideal for the event. The younger children found their eggs hidden near the house while the older boys "blazed a trail" farther away to find theirs. After the hunt, which began about noon, a wicker roast was enjoyed. Marshmallows were roasted and milk and ice cream were served.

As the youngsters departed for home each was given a balloon by Mrs. Kayser. The vari-colored balloons had been tied to trees about the place, giving a gala appearance to the setting for the hunt.

The next regular meeting of the club is to take place April 26 at the home of Mrs. Howard Hopper on South Main street.

H. Knickerbockers

Honored Saturday on Silver Anniversary

Mr. and Mrs. Harry Knickerbocker were honored Saturday evening with a celebration of their twenty-fifth wedding anniversary at their home on Freer road. The party was arranged by Mrs. Knickerbocker's mother, Mrs. Vivian Baldwin.

About 60 relatives and friends were present from Detroit, Jackson, Clinton, Manchester, Gregory, Grosse Pointe Woods, and Chelsea. Also present were Mr. and Mrs. Roy Kalmbach who were the attendants at the wedding on April 11, 1924.

A bouquet of white snapdragons and carnations, a gift from Mrs. Baldwin, decorated the living room table, while a beautiful anniversary cake centered the lace-covered dining room table from which a buffet supper was served. The cake was baked and decorated by Mrs. Knickerbocker's cousin, Mrs. Edward Visel. Topped with a silver bell, the cake was iced in white and the decorations were pink icing roses and silver ornaments. White candles in crystal holders completed the table setting.

Mrs. John Chander of Detroit, and Mrs. Henry Knickerbocker poured, and Mrs. Kalmbach was in charge of the guest book. The honored couple received many lovely gifts.

ENTERTAINS AT SHOWER

Mrs. Philip Vogel entertained fourteen friends from Ann Arbor at a shower at her home here Saturday afternoon in honor of Mrs. Jack Cheesman, of Ann Arbor. Mrs. Cheesman was one of the attendants at Mrs. Vogel's wedding last year.

Mrs. Vogel served a luncheon and then games were enjoyed with Mrs. Douglas Newton receiving the door prize.

Mrs. Cheesman was the recipient of many lovely gifts.

Supt. Johnsen Addresses Rural PTA

Superintendent Albert Johnsen of the Chelsea Agricultural schools, spoke at Rogers Corners school Friday evening at the regular meeting of the PTA of the school. Subject of his talk was the advantages to be gained by joining the Chelsea school district.

Mr. Johnsen was introduced by Karl Koengeter, a member of the sub-committee of the planning committee designated as the annexation committee. This committee, under the chairmanship of Kenneth Proctor, also present at Friday's meeting, is studying and working toward the possible addition of rural districts to the Chelsea Agricultural district. Mrs. Hugh Sorensen, a member of the publicity committee of the planning committee, also attended the meeting.

Following Mr. Johnsen's talk, a question and answer period was held and after the close of the meeting Mr. Johnsen, Mr. Proctor and Mr. Koengeter held an informal conference with members of the Rogers Corners school board. The consensus of opinion seemed to be that Chelsea's district would join when the proper time came.

The Chelsea committee members said they were appreciative of the reception and the friendly cooperation evident at the meeting.

The committee members who attended the meeting spoke of the very interesting 4-H club exhibit on display at the school, of which

Rod-Gun Club Delays Action on Clubhouse

Four new members were elected into membership at Tuesday evening's Rod and Gun club meeting at the K. of C. hall. Forty-nine members attended the meeting.

Ferd Merkel reported on the possibility of obtaining three different campsites and consideration of campsites and buildings was voted continued for three more months.

Roland Spaulding reported on the directors' meeting of the Michigan United Conservation Club held at Lansing a week ago, and there was a discussion of matters brought up at the district meeting held in Chelsea during the past month.

These matters included discussion on the length of the rabbit hunting season and the possibility of a change in the matter of pheasant hunting for 1949 being discontinued in the state. A vote was taken at the district meeting and the vote showed the group not in favor of the proposal.

Lunch was served at the close of Tuesday's meeting by the committee.

Let's hope you never see smoke come from your silo caused by spontaneous combustion. But if it should happen, take a tip from the Kansas farmer who conferred hastily with extension agents and then called a chemical company to bring a number of cakes of dry ice. The ice was dropped at the top of the silo and the fire went out. The dry ice or carbon dioxide method has also been used to fight fires in hay mows.

Miss Hildegard Fontana is the teacher. Miss Fontana is also president of the PTA and was in charge of Friday's meeting.

MR. and MRS. ALEXANDER CHERNYSHEVICH

Search for Freedom Ended for Two European Families

Mr. and Mrs. Alexander Chernyshevich and Mr. and Mrs. Nikolaus Bundze and their 5-year-old daughter, who arrived in Chelsea from Germany last Wednesday are now nicely settled in the homes provided for them here. Mr. and Mrs. Chernyshevich are comfortably settled in an apartment in the tenant house on the Pielemeier farm and are adapting themselves to their new life here. They have already attended two services at St. Paul's church and met many friends of the Pielemeiers, through whose efforts they came to this country with the displaced persons quota.

Mr. and Mrs. Chernyshevich were residents of Ukraine until after World War I when the former's father lost the farm he owned. The families of both Mr. and Mrs. Chernyshevich then moved to Poland where they resided for 20 years. They met and married in Poland and had a daughter. They lived in Poland until during World War II (in 1944), they were taken to Germany "after the Russians came." Here they worked as slave laborers in factories and during their stay in Germany their 8-year-old daughter died. "After the Americans came to Germany," Mr. Chernyshevich said, "we were freed immediately and no longer had to live in a camp where we were crowded together with many others. We then had a room of our own where we lived until arrangements were made for us to come to America."

Mr. Chernyshevich speaks fluent German and both he and his wife have been trying to master the English language in preparation for their life in America.

After the American armies arrived in Germany, Mr. Chernyshevich was employed by them in his capacity as an expert mechanic which was his work in Poland. He has several recommendations from the American Army as to his ability and dependability.

Mr. and Mrs. Donald Bacon of Tucson, Ariz., and Mr. and Mrs. Frank Andrews and Mrs. Lula Houghton, of Detroit, visited at the home of Mr. and Mrs. Henry Schneider on Tuesday. Other visitors at the Schneider home during the past week were Reynolds Bacon of Farmington, and Mr. and Mrs. George Bacon of Fort Wayne, Ind. The George Bacons came here with Dr. and Mrs. H. C. Dunstone of Fort Wayne who spent the day with Mrs. Dunstone's parents, Mr. and Mrs. L. P. Vogel.

Mr. and Mrs. Timothy Smith, and Mrs. Mary French and daughter Rose, of Ann Arbor, were Sunday visitors at the home of Fred Wood.

Mr. and Mrs. Bundze who are living with Mr. and Mrs. Carro Ordway on Steinbach road, both speak excellent English. They told of the way in which they had to leave their native Latvia and said that they were separated for a period of two years before they were reunited inside Germany where he had been taken as a drafted laborer, working first for the Germans in his native country for what he believed was to be a week or two, he and other Latvian workers were pressed into service for work farther and farther from their homes. Upon reaching Riga, they were told they were to be drafted to work in Germany. Mr. Bundze was unable to communicate with his wife and for about three months she heard nothing from him. She later made her way to Germany after feeling at 3 o'clock one morning with her 8-months-old baby after receiving warnings to be ready to leave in five minutes because Russian tanks were entering the town. Their daughter, now five years old, is with them here.

His work the first winter in Germany, Mr. Bundze said, was digging graves for Russian tanks. "These were huge traps which it was supposed would stop the Russian tanks," he said. During this time food was scarce and he was insufficiently clothed for the severe weather.

When asked about their impressions of America, Mrs. Bundze clasped her hands together and said "I'm so very, very happy to be here."

The Chernyshevich and Bundze families became acquainted on the S. S. Marine Flasher on which they traveled to the United States from Hamburg, Germany. Speaking together of their destination one day, they found they were both headed for the same town.

Both couples were brought here after applications made last fall through church channels by the Pielemeiers and the Ordways.

Maynard Oesterle of Eden Theological Seminary, St. Louis, Mo., is spending a few days of his spring vacation with his parents, Mr. and Mrs. John Oesterle and other relatives here.

Huge New X-ray Machine Built for Cancer Treatment

Cambridge, Mass. — A five-million-volt X-ray machine soon to be put into operation at the Massachusetts Institute of Technology may improve the radiation treatment of cancer.

Under a grant from the American Cancer Society, MIT, first in the world to use a two-million-volt machine, will experiment with more powerful rays to treat cancers which cannot be reached at lower voltages.

Scientists will then be capable of exploring the therapeutic properties of the entire X-ray energy range from one to five million volts.

Doctor John Trump, director of MIT's radiation work, pointed out that the increased voltage will bring tumor-destroying rays more effectively to deep-seated malignancies and may reduce some of the damage done to surrounding normal tissues by smaller machines.

Deep X-ray therapy today generally uses 200,000 volts, a voltage introduced only about ten years ago. About 30 per cent of such rays can penetrate four inches beneath the skin surface. When the voltage is stepped up to 2,000,000 about 52 per cent of the radiation

is effective at four inches, and at 4,000,000 volts 64 per cent is registered at this depth. Beams of relatively low-voltage

Photo by Sylvan Foto Service

MR. and MRS. NIKOLAJS BUNDZE and AIJA

X-rays show pronounced scattering when they enter the body, an effect which increases the difficulty of concentrating the dose on particular regions. Scattering virtually disappears at the higher voltages. The diffuse and scattered effect of lower voltages—destroying normal as well as diseased tissue—is replaced by a more precise effect in extremely high voltages.

Dr. Trump said that radiation produced by two-to-three million volts should be the preferred energy for deep-seated cancer, but that some cases may receive greater benefit by still higher values.

Value of Arrow Poison

Curare, ancient South American arrow poison developed as a pain killer by modern medical research, has proved to be a valuable addition to anesthetics used by the throat surgeon. Curare is used to supplement and reduce high doses of common anesthetics.

government, for the most part, was sufficiently run and that he saw no need to eliminate state services. He would retain them, amplify them to meet new needs, and then balance the budget by imposing new taxes. The corporations, he feels, would be an indirect burden on the taxpayer at the most.

The State Senate has reversed an old policy of secret sessions for confirmation of appointments by the governor. This change was sponsored by Sen. Colin L. Smith (Big Rapids) who said newspaper correspondents should have access to senate debate instead of having to rely on second-hand reports of what had been said.

Now that the April election is out of the way, the legislature may be counted on to clear the decks fairly quickly of important bills. Weeks have been devoted to study of these measures. Only the voters' verdict on April 4 was needed to break the log jam.

U. of M. Will Be Hosts to HS Students

Ann Arbor—University Day will be observed at the University of Michigan on Friday, April 22.

The day, as planned by the Michigan Union with the support and approval of University officials, will give high school students from all over the state an opportunity to become better acquainted with the University.

The Michigan Union, the men's social center on the campus, sponsored University Day as an annual event before the war. A student committee, headed by Richard C. Allen, of Milwaukee, Wis., is in charge of staging the first post-war revival.

A program designed to keep each high school visitor busy from 9:45 a.m. to 4:15 p.m. has been arranged. An assembly, at which an official welcome will be extended by a University official and the Men's Glee club will sing, is scheduled as the opening event. Detailed plans for the day also will be announced.

Guided tours of the campus and a visit to the Open House at the College of Engineering will be the chief attractions during the day. Luncheons will be served in University residence halls at noon. Space will be available for those students who prefer to bring their own lunches.

Salt for Cattle
Salt, preferably in the coarsely pulverized form, should be accessible to cattle of all ages at all times.

FIVE POLIO PRECAUTIONS ARE LISTED FOR PARENTS

Warning that the 1949 polio season is just around the corner, the National Foundation for Infantile Paralysis today issued a list of precautionary measures to be observed by those in charge of children during the epidemic danger period which usually runs from May through October, reaching its peak during the hot, mid-summer months. The five easy-to-follow health rules for children are:

1. Avoid crowds and places where close contact with other persons is likely.
2. Avoid over-fatigue caused by too active play or exercise, or irregular hours.
3. Avoid swimming in polluted water. Use only beaches or public pools declared safe by local health authorities.
4. Avoid sudden chilling. Remove wet shoes and clothing at once and keep extra blankets and heavier clothing handy for sudden weather changes.
5. Observe the golden rule of personal cleanliness. Keep food

tightly covered and safe from flies or other insects. Garbage should be tightly covered and, if other disposal facilities are lacking, it should be buried or burned.

The National Foundation also listed the following symptoms of infantile paralysis: headache, nausea or upset stomach, muscle soreness or stiffness, and unexplained fever. Should polio strike in your family, call a doctor immediately. Early diagnosis and prompt treatment by qualified medical personnel often prevent serious crippling, the National Foundation pointed out.

The organization emphasized that fear and anxiety should be held to a minimum. A calm, confident attitude is conducive to health and recovery. Parents should remember that of all those stricken, 60 per cent or more recover completely, while another 25 per cent are left with only slight after effects.

If polio is actually diagnosed, contact the chapter of the National Foundation for Infantile Paralysis serving your community. The chapter will pay that part of the cost of care and treatment which patient or family cannot meet.

War Surplus Charcoal Dangerous To Poultry

Recently a supply of war surplus charcoal, named Whetlerite, found its way into Michigan to be used for poultry mashers, reports Dr. C. F. Clark, State Veterinarian and W. C. Geagley, State Chemist, both of the Michigan Department of Agriculture.

A few instances were found where this was used in poultry mashers and wherever used the poisonous content is such that losses, when it was fed, were heavy. This product was made for gas masks during the war and the charcoal contains copper in poisonous amounts for livestock feed.

Warning has been sent out cautioning anyone who is mixing feeds and using any form of charcoal to be sure to check carefully to see that this Whetlerite Type A-S is not used. Mr. Geagley reports that known purchasers of this product have been notified. Wherever known, the material has been removed from sale.

Bright sun shining—new greenery showing—soft breezes calling you onto the highway—this is the season that Buick of yours was made for!

This is the time when you'll want to hear the sweet hum of its eager power, feel the lazy comfort of its easy stride, get the springtime feel of its thrilling action.

And you can have all that—with just a little attention to some simple things to shake the winter out of its bones.

For instance—the rusty sludge that has accumulated in your radiator should be cleaned out. Transmission and rear end may be low on lubrication, and should be checked. Crankcase oil should be changed to a summer grade.

The underside of your car has taken a lot of splashing on wet roads. Some of the chassis grease has been washed out, some of it fouled with mud and grit.

So it's time to drain out the dregs of winter. Time for a little of the knowing, loving care every Buick gets at the hands of our Buick-trained men, armed with Buick-developed tools, Buick-established methods, Buick-engineered parts.

It doesn't take long, doesn't cost much. But it goes a long way toward making old Buicks step out again like lively spring colts. How about stopping in—this week—to see about a spring rejuvenation for your faithful Buick?

Check your car—

Check accidents!

Driving is twice the fun when you have complete confidence in your car—when you know that tires, brakes, steering, lights and the like won't let you down.

Altogether, there are 10 points to be checked for safety on any car. Bring your Buick in to us for a thorough going-over before setting off on your spring safaris. We'll take the worry and fuss off your hands—so you can be carefree at the wheel.

Suggests Rules Necessary For Good Refinishing

Refinishing furniture is one job that calls for plenty of work space and ventilation. These early spring days are ideal for setting up your workshop on the porch.

If furniture is worth refinishing, it is worth doing well. believes Jessie Marion, extension home furnishings specialist at Michigan State College. The first

step is to remove all of the old finish and this takes patience. Solvents to remove paint and varnish may be made at home or bought ready-mixed. Commercial removers are generally recommended, as they are more efficient. They can be purchased in paint stores or departments.

If the remover is liquid, shake the container well. "Lay" it on the furniture with a brush, but do not brush it in. Let stand only until the old finish wrinkles or is soft; then lift off the gummy substance with a putty knife. Work with the grain of the wood and be careful not to injure it. To remove the softened finish from carvings and turned surfaces, use a softwood stick.

Don't be discouraged if one application of the solvent does not remove the old finish completely. Two or three applications may be necessary. After removing all of the old finish, consult your directions about a filler. Some of the new solvents do not require filling. If a filler is required, use the one recommended by the directions. Do not use one that is explosive.

New State Forester

GEORGE S. MCINTIRE

Lansing — Appointment of George S. McIntire as state forester is announced by conservation director P. J. Hoffmaster.

Succeeding Marcus Schaaf as chief of the conservation department's forestry division, McIntire assumes charge of the 3,600,000 acres embraced in Michigan's 22 state forests.

Schaaf retired March 31 after 39 years of state service.

McIntire became assistant state forester in March, 1929 after five years of service with the old Land Economic Survey that appraised cutover land in both Michigan peninsulas.

A native of Iowa, McIntire was graduated from Iowa state college with a bachelor of science degree in forestry. He is a senior member of the Society of American Foresters and a World War I veteran.

As state forester, McIntire will supervise state forests and nurseries and the department's expanding program of cooperation with commercial forest and farm woodlot owners.

Importance of Cooling Milk Is Stressed

Michigan dairy plants and producers have been advised of the necessity of cooling all milk and cream received for processing or manufacture. F. M. Skiver, Chief of the Bureau of Dairying of the Michigan Department of Agriculture, says that letters have gone to 1,100 milk and cream buyers in Michigan telling them of the requirements of the law which prohibits the receiving of milk or cream at a temperature above 60 degrees.

Rejections due to improper cooling are usually heavy during the first warm days of spring, and extra care must be taken to see that farm cooling tanks have plenty of fresh water and that milk and cream is allowed to stand in the cold water long enough to properly cool each can. "The increasing number of electric milk coolers on farms has greatly reduced the problems of cooling. In some areas 90 to 95 per cent of the farmers have electric milk coolers," Skiver stated.

Both state and city milk inspectors will be concentrating their work on checking milk and cream for quality and temperature during the next few weeks.

Coffee, Haitian Mainstay
Since the founding of the Haitian republic 144 years ago, coffee has been the mainstay of its economy. In recent years such products as sugar, sisal and bananas have been developed largely by foreign capital and under foreign control, but the great crop upon which more than any other, Haiti's many peasants depend for the little money they must have for their purchased necessities is coffee.
