

H. S. Baseball Team Drops Two Games

Bulldogs Commit 14 Errors in Losing to Dundee, Flat Rock

By DWIGHT GADD

Last week the Bulldog baseballers couldn't find the handle on the ball and as a result they bobbled away two games as they lost to Dundee, 4-3, and Flat Rock, 5-2, while committing 14 errors in the two games.

On Tuesday, May 3, Chelsea played host to Dundee but they carried their "kind host" tactics too far, as they gave the Vikings three runs on no hits in the first inning as they committed five errors. Dundee added another unearned run in the second inning on a walk, another error and a single. After that Tobin received scoreless support while pitching two-hit ball, but the damage had been done.

Chelsea got two of the runs back in the second inning as Crocker got on base via a passed ball third strike, Vogel singled, and Stofor tripled to drive in two runs. The Bulldogs got their last run in the third inning on hits by McClellan and Crocker plus an infield out.

Chelsea got ten hits while Marty Tobin was holding Dundee to three.

It was a tough one for Tobin to lose.

Summary: R H E
Chelsea 3 10 6
Dundee 4 3 2
Batteries—Chelsea: Tobin and Slane; Dundee: Mead and Schultz.

Last Friday's game at Flat Rock followed much the same pattern as the Dundee game, although the Bulldogs didn't waste so many hits but did make two more errors.

Flat Rock got their runs mostly as gifts, for they got only one error out of five. The Rams scored two in the third on two hits and two errors; two in the fourth on two hits and three errors, and one in the fifth on no hits, a walk, and two errors.

Chelsea notched their first run in the fifth as Heydlauff walked, stole second, and came home on a single. Knickerbocker walked in the seventh when Stofor batted for Tobin and drew a walk, took second on an infield out, and again Stofor Knickerbocker singled him across.

Tobin again pitched a good ball game only to meet defeat because of very wobbly support—the second time in three days. He seems to be filling the role for a Bulldogs' Art Houtman.

Chelsea 2 5 8
Flat Rock 5 6 1
Batteries—Chelsea: Tobin and Slane; Flat Rock: Brklacich and Oestrike.

These clean-up jobs will be held each Thursday afternoon throughout the spring season and everyone is urged to contribute as much time as possible. Walter Harper, chairman of the Park committee, will be glad to arrange other more suitable hours for any group of persons who may find Thursday afternoons inconvenient.

Police Urge Motorists To Check Their Auto

At the end of the first month of the state-wide Brake and Light Check Program, reports from 120 law enforcement agencies show that 66,820 traffic violators have been stopped. One out of 13 of 25 had no tail lights, 1 out of 6 had no tail light, and 1 out of 13 had other defects, according to Chelsea police.

Reports from departments indicate that motorists are being most cooperative in having their unsafe equipment repaired when it is called to their attention.

In the village of Chelsea, 70 motorists were stopped for traffic violations last week. One defective brake was found, and 2 defective lights were discovered. This brings the total of defective brakes and lights found during the first month of the accident prevention program to 17, police added.

They urged all motorists to take their cars to their regular service man for a thorough check-up and not

PART OF THE CURRENT repair and improvement work being performed on village streets is the gravel surfacing of Wilkinson street on the western edge of the village. At the time Wilkinson street was graded and curbing put in last year, a light gravel covering was applied. Now, as shown above, a heavy application is being laid to form a permanent base for the street. A Klump Brothers dump truck is shown above as it spreads a load of gravel to be smoothed out by a grader operated by the T. F. Flynn Co. of Detroit, who have the contract for street repairs.

Cancer Society Drive Tops Last Year's Collections

Figures released this week by Mrs. William Weber, Chelsea chairman of the Washtenaw County chapter of the American Cancer Society, show a total of \$438.07 was raised here from all sources during the annual drive for funds during the month of April. This includes donations from individuals, and organizations and the amount raised on Tag Day, Saturday, April 30. This amount tops last year's total of \$417, and according to reports from the Ypsilanti headquarters on Monday, was the highest amount raised by any comparable community in the county as reported to date.

Mrs. Weber and her chairman, Mrs. Armin Schneider and Mrs. Ed. Keusch, were commended by county headquarters spokesmen for the success of the drive here; however, they themselves, credited the success of the drive to the generosity of the people of the community and of the organizations here.

Women of church organizations of the four churches in Chelsea assisted with the sale of tags on Tag Day. Starting out with a total of 1,000 tags they ran out before the day was over and last afternoon donors were given red plastic sword-shaped pins to show that they had made contributions.

At the second step, on the Bradbury farm, Keith Bradbury's Lincoln sleep was inspected. The Lincoln breed is also rather new here, with not many sheep of that kind in Michigan.

At the Proctor farm, the last stop of the afternoon, Kenneth Proctor, Jr., showed his Hereford Steers which he is feeding for the Fat Stock Show, and also one Duroc sow.

The tour Thursday was part of the local Livestock Club project. This club was organized last year with businessmen and farmers of the community as sponsors with the Community Fair in mind.

Because of conflicting dates for the park clean-up project and the tour, no businessmen were with the boys on the tour, but several of the farmers accompanied the group.

Also with the group was Marshall Richards, FFA director at Chelsea High school.

Mr. Johnson, the new 4-H club agent, is from Flint, where his family still resides pending location of living quarters somewhere in Washtenaw county.

VFW Auxiliary Will Sponsor Girls' Group

The regular business meeting of the VFW Auxiliary was held Monday evening, May 9, at St. Mary's hall with 16 members present.

Business transacted at the meeting included voting to sponsor the Junior Girls' Auxiliary for another year, also to send gifts of one dollar each to the June graduates at the VFW National Home at Eaton Rapids.

Mrs. Vera Helm and Mrs. Cleotear Frayer were elected as delegates to the District meeting and Alura Gees and Mrs. Florence Walker were elected to attend the Michigan Safety Conference in Detroit on May 18 as representatives of the local Auxiliary. VFW Auxiliary groups are the only women's division to take part in the conference which will be held at the Rock-Cadillac hotel.

Mrs. Mary Kniss was named as a committee of one to look into the matter of the sort of flags needed by the newly organized DAV of Ann Arbor, with the view in mind of presenting one to the new organization.

Mrs. Annika, hospital chairman of the Auxiliary, announced plans for a June party.

It was announced that dedication of two buildings at the National Home at Eaton Rapids is to take place on May 29. The new buildings are a chapel and a guest house. For those not acquainted with the National Home, it was said, the dedication service which is open to the public will afford an opportunity to inspect this place which furnishes a home for orphans and semi-orphaned children can live together while the mother is employed; a place that

Project Tour Made Thurs. by Stock Club

The newly-appointed 4-H Club Agent, Don Johnson, who started his work in Washtenaw county May 1, accompanied the FFA boys on their livestock tour last Thursday, thus affording the boys an excellent opportunity to become acquainted with him.

Graydon Blank, from the Extension Service at Michigan State College, was in charge of the tour and at each stop gave pointers on disease control, feeding and management of the livestock.

The first stop was at the Bareis farm where Oscar Bareis displayed three Yorkshire hogs. This is the Canadian Bacon type of hog and is a new breed in this community.

At the second stop, on the Bradbury farm, Keith Bradbury's Lincoln sleep was inspected. The Lincoln breed is also rather new here, with not many sheep of that kind in Michigan.

At the Proctor farm, the last stop of the afternoon, Kenneth Proctor, Jr., showed his Hereford Steers which he is feeding for the Fat Stock Show, and also one Duroc sow.

Chelsea High Home Economics Room

"ADEQUATE FOR THE PURPOSE" is what Planning committee members say of the Home Economics wing built in 1940. At the present time 77 pupils are enrolled in the Homemaking courses, some of whom are shown in the above picture.

The Home Economics room at Chelsea High school is one of the few features of the present school building which are adequate for the purposes for which they are being used. Publicity committee members have stated.

The old kitchen was torn down and the new Home Economics wing was built in 1940. Overall size of the room is approximately 30 by 50 feet. It is equipped with three sink units; four stoves, two each of gas and electric; five electric sewing machines, and plenty of storage space for dishes and utensils.

Seventy-seven pupils take Home Economics as one of their subjects.

Divided into five groups, the class periods vary from 55 to 60 minutes in length. Classes are held each school day.

The teacher this year is Mrs. Laurene Martin. She will remain in the position the coming year, also.

Activities of the Annexation committee were also reported by publicity committee members this week. These activities included a meeting last Thursday evening at the Beach school for the purpose of familiarizing people of the district with the procedure in regard to annexation of their district to the Chelsea Agricultural Schools district, should they desire to do so.

Albert Johnson, superintendent of the Chelsea schools, was the speaker.

Also present at the meeting were two members of the Chelsea School Board, Russell McLaughlin and Harold Widmayer; the Annexation committee chairman, Kenneth Proctor, Sr., and a publicity committee member, Mrs. Russell Baldwin.

Its attractive cover includes an aerial photograph of the expressways and roadway system at Willow Run.

The map is issued through the road commission which is made up of George Gill, chairman, James C. Hendley, vice-chairman, H. L. Frisinger, member, and Kenneth H. Hallenbeck, superintendent and manager.

Blood Donors Still Needed for Youth

John Geer, who suffered second and third degree burns on Wednesday evening last week when his clothing was set afire by flames from his blazing motorcycle, is now a patient at the Veterans' hospital in Dearborn. He was taken to St. Joseph's Mercy hospital in Ann Arbor following the accident and was removed to the Dearborn hospital two days later.

Mrs. Mabel K. Foster, at whose home the young man lived, said that he suffered second and third degree burns from the waist down and also on one arm. The arm was pinned beneath the burning motorcycle when it fell over as he leaped from it.

The accident occurred about 6:30 p.m. shortly after he had returned from work at Michigan Center where he is employed as a steel construction worker on the Frost Gear building. As reported, Geer had just turned from Park street onto Main street when the mishap occurred. A passerby put out the flames on his clothing and the Chelsea Fire department put out the motorcycle fire.

Friends of the young man have been furnishing blood for the many transfusions he has had during the week and Mrs. Foster said Tuesday that more blood donors were still needed.

The regular meeting of the WCS of the Methodist church was held at the Methodist home Wednesday, May 4. A large group of ladies, including the guests from the home, were in attendance.

Miss Alice McKeever spent the devotional hour talking on the Gospel of John in a most interesting manner, concluding her talk with a prayer.
Mrs. Rena Walworth then began the program on the life and musical career of Stephen Foster. She opened the program period with a musical introduction which included some of his better-known compositions. She continued with the story of his life, beginning with his birth on July 4, 1826, mentioning his boyhood, his growing-up period and his courtship and marriage.

At various appropriate intervals a quartet, Mrs. Ruth Cameron, Mrs. Ruth Walker, Mrs. Helen Gahberry and Mrs. Jean Johnson, sang "My Old Kentucky Home," "Old Black Joe," "Jeannie With The Light Brown Hair," and "Beautiful Dreamer."

The committee, consisting of Mrs. Louise Gaunt, Mrs. Minnie Broesamle, Mrs. Ada Knickerbocker and Mrs. Winifred Palmer, served ice cream to the members and their guests, after which a short business meeting was held. During the meeting Mrs. Gertrude Daniels, president of the WCS, thanked all who had helped in the work of renovating the church.

The theme for this year "Working Together" has been stressed at every meeting.

NEIGHBORLY SHARING LETS YOU REACH THE VET IN A HURRY!—When you have an emergency, such as a horse suddenly taken sick, you want to reach the veterinary in a hurry. It means a lot to be able to put a telephone call through right away. Courteous sharing of rural lines makes everyone's service good. Spacing out calls... giving up the line when others have emergency calls to make... always being careful to hang up the receiver after each call... are neighborly ways of sharing the line.

Mr. and Mrs. Donald H. Kleiner, who were married Sunday, May 1, in Clare, returned on Friday from their wedding trip and are now residing in the Bohnet apartments on Orchard street.

Lawrence Rank was the soloist, singing "O Perfect Day" before the ceremony, and "Because" at the close of the service. The accom- panist was Miss Alma Rank.

The bride was gowned in white satin fashioned with a long-line fitted bodice finished with a key- hole neckline and long sleeves. The full skirt extended into a long train. Her veil, of fingertip length, was held in place with a beaded tiara and she carried a bouquet of pink and white rosebuds finished with white streamers of ribbon.

A ring of pearls, a gift from the bridegroom, completed her costume.

Miss Josephine Bailey of Spring- field, was her sister's maid of hon- or, while Miss Phyllis Bailey of Ypsilanti, another sister, was bridesmaid. The former wore a floor-length gown of blue satin, while the latter's was rose-colored. Both carried bouquets of pink roses.

From where I sit... by Joe Marsh
How Would You Say It?

Curley Lawson's cousin from back East and a few of us got talking when he was here visiting, and I couldn't help noticing how different he said things.
For instance, he said, "Lifting that 200-pound bag of cement almost killed me." "You mean sack of cement?" asks Curley. (That's the way we'd say it.) "No," interrupts young Elliott who'd spent a lot of time down South, "He means a 'poke of see-ment.'"

It was good for a chuckle, any way. Bag, sack or poke—we knew what he was trying to say. It just depends on where you are in the U. S., which way sounds right.
From where I sit, whenever we criticize someone for sounding funny to us, we ought to think how we sound to them. It's the same as choosing your liquid refreshment. I'm accustomed to a moderate glass of beer—you may like ginger ale—but who's to say the other's wrong? I'd say we're both right!

LOOK at its clean and sweeping lines so un-
mistakably Buick—the room expressed
in its broad beam—the level-going smooth-
ness shown in its sizable length.

Now—slip in. Settle back. Take in the
spread-out room everywhere—even to extra
room overhead from super-soft seats that
cradle you deeper.

Then notice this: You can really see!
See more of everything easier—through its
higher and wider windshield set in narrower
corner posts—through its deep side win-
dows, and its one-piece rear window that
makes parking and backing up so much
simpler.

Your whole outlook is broadened and driving
becomes safer and more fun because
high visibility here goes along with comfort.

COMPLAINTS

Isn't everyone tired of hearing complaints? When does a day pass without some griping about this, that or the other thing? Yes, we all have this habit. It is a common practice among us, but what can we accomplish by this fault? Of course things don't and can't always turn out as each individual hopes and plans for. One certain day, someone will want the sun to shine because he is going on a picnic while his next-door neighbor probably wants rain so he can catch up on his sleep.

Just what good does it ever do to complain? People will probably listen to you and promptly forget your troubles because they have enough of their own anyway. We should all realize that we have many more things to be thankful for than we have to complain about. It has been said that gratitude should be the biggest surplus in the world.

JUNIOR-SENIOR RECEPTION

The biggest social event of the year will be held this Friday night, the Junior-Senior Prom.

The Junior class has worked very hard to make this a party that will be remembered for years to come. The very capable general chairman of the prom is Marilyn Johnson.

The invitation committee has sent formal invitations to the Senior class and to all High School teachers.

The theme for decorations is "The 49-ers." After much thought the decoration committee, which is as follows: Joan Hughes, chairman, Nelly Atkinson, Phyllis Hoffman, Mary Ann Schrader, Virginia Quatt, John Popp and Dean Wortley, has turned the gym into a very impressive scene of "night on a prairie."

The table decoration committee: Gertrude Widmayer, chairman, Emily Rothman, Marianne Bauer, Evelyn Hinderer, has arranged a beautiful centerpiece of lilies. The very original place cards have a small gold nugget in the left-hand corner and the person's name written in gold.

Then there is the food, for what high school student, or for that matter, who, can go without food? The committee: Marlene Schneider, chairman, Pat Scott, Bette Wolfe, and Norman O'Connor, has planned a very tempting menu of baked ham, diced potatoes, mixed salad, an appetizer of grapefruit, juice and crackers, and to top it all off, cherry pie-a-la-mode.

After this tempting banquet the

assembled students and teachers will enjoy music furnished by a chosen committee from the Junior class, Virginia Quatt, chairman, Arden Musbach, Roslyn Reule, Norman O'Connor, Shirley LeVan and Bob Toney.

STUDENT COUNCIL PLANS PICNIC

Though it is a little late, the Junior class should be congratulated for having the most parents present on Parents' Night. The Student Council rewarded the class with \$5.00.

The Student Council decided to try something different in the way of election procedure. Next year, the Student Council nominations will be carried on by the petition method. It will be necessary to secure these petitions from the Student Council. At least 50 names will have to be signed to each.

The Senior High students will be seen heading towards Portage Lake on June 1 for the annual high school picnic. The Freshmen will be in charge of the clean-up. The Sophomores, transportation; the Juniors, entertainment; and the Seniors are just invited.

SEEING HAMLET

On Friday, a group of English students from Chelsea High went to Ann Arbor to see the movie of Shakespeare's "Hamlet," at a downtown theatre.

Not often does a movie of this type come near, and students should be thankful for the opportunity to see it. If more adults took advantage of this chance to see a really true, great classic such as "Hamlet," more might be made available.

HOME EC. STUDENTS VISIT MICHIGAN STATE

The second and third year Home Ec. girls attended the annual Home Ec. Day at Michigan State College last Tuesday. The morning was spent touring the campus through the nursery school, dormitories, home management house, field house, and the Home Ec. department, where numerous exhibits were on display. After lunch a program was held in the Union building, consisting of a panel discussion on all vocations open to girls interested in home economics, dancing by the Physical Education department, a speech of welcome by President Hannah of the college, and a play given by the Dramatics department. The day was enjoyed very much by all who attended.

FRESHMEN DISCUSS MANNERS

Knock! Knock! This is the sound that you will hear when you enter the homerooms of the freshmen; as they have their discussions on various ways of improving Chelsea High school. The topic of the discussion last week was "Manners" that could be improved around the school. They discussed some bad manners, examples of which were: boys rushing in front of the girls at the drinking fountain; boys pushing at several of our recent girls. Now let's look on the bright side of the question. Most of the freshmen agreed that the boys do try to help girls in distress (?) How about that, girls? Several of the other good manners discussed were those at various school parties and assemblies, which by the way, are very excellent. Let us remember that good manners anywhere in this world are very essential.

When the sophomores recently visited the home rooms of the freshmen, their discussion was about the good qualities of a leader, among them being: faith in God; being a good sport; being an able leader; an honest person, and a very charitable person. Let's keep up this fine work, freshmen!

49-ers
On July 23, 1931 a new baby boy

entered the Miller family. This boy has now grown up and is a senior at Chelsea High school, where he has attended school all his life. He may be found in the following places under the following circumstances: at a rip-roaring football game, at which Chelsea is in the lead; eating French fries, his favorite food (from the Senior stand of course); attending the movie, "The Three Musketeers," with a (?) young lady, or enjoying a game of bowling while humming his favorite tune "Baby Face." With all these clues you have probably guessed that this person is George Miller. George's pet peeve is people who ask too many questions. When asked such questions as "What do you think of the new look?" "Should Chelsea have a curfew?" and "Should students earn their own money?" his answers Chelsea does not need a curfew; were: "The new look is 'okay'; Chelsea does not need a curfew; and students should earn their own money to learn the value of it."

Who was born May 3, 1931 (Chelsea, naturally)? Who attends practically all of his school's football games? Whose favorite food is ice cream, and movie "The Fuller Brush Man"? Who has no pet peeve or special song? Haven't you guessed yet? Well, here's another clue. He belongs to the FFA and was once secretary of this organization. In case you're still wondering, the lad's name is Paul Kaimbach. Paul thinks that daily chores "sometimes" develop character.

MOVIES
An interesting movie was shown to the first-hour Home Ec. class last Friday. This movie about manners at a dinner party, showed how one should and should not act at a dinner party. Usually one thinks that the host and hostess should be displaying their best manners when they have a dinner. This wasn't the case in the movie for the other guests of the party certainly saw where their manners could be improved.

Last week the Safety Patrol boys were shown a movie illustrating how the boys should take care of the areas under their supervision. The movie showed how the safety patrol boys should operate with the signals. Captain of the safety patrol.

Maxine Rudd's classmates have written her some more letters. Patty Aldrich has gone to Kentucky, and the class hopes she will return soon.

The class is getting ready for guest day; as yet the date has not been set.

The class went outlast Tuesday with Mr. Fisher for Art and last Thursday with Mr. Gable.

To Save Curtains
Rough, jagged edges on curtain rods tear too many curtains. To avoid this, try the following plan: When curtains are laundered and ready to be put up, dip one end of the curtain rods in melted paraffin and allow to harden. Then slip the paraffin end of the rod through the curtain and it will prevent sharp edges from snagging the curtain.
