Annual Fall Event Opens for Three Days Next Thursday; **Hundreds of Prizes Offered**

Plans for the Chelsea Community Fair to be held next week at the Bowser plant on Old US-12, are now completed, according to Fair officials and committee chairmen. The Fair will be held Thursday, Friday and Saturday, Oct. 6, 7 and 8, and will include all types of exhibits, tractor backing and horse pulling contests and special entertainment for each of the three evenings. In addition, merchants are cooperating by offering prizes which are to be given away at the conclusion of Saturday night's program.

Merchants will follow the custom inaugurated at last year's "Chelsea Days" celebration in awarding their prizes. Boxes will be placed in the stores that are offering prizes and anyone who cares to do so may sign the cards provided and drop them into the box. No purchase need be made and no obligation is incurred.

The boxes from each store will be opened separately at the Fair Saturday night and the prize winners announced at that time. Prizes may be picked up later at the stores awarding them.
