### Protestant Church Women Unite in Program To Observe World-wide Community Day

#### Goal Is To Provide Sewing Materials for Needy Overseas

Plans are being completed by a committee of women from St. Paul's, the Methodist and Congregational churches for the World Community Day dedication service which will be held next week, Friday, Nov. 4, in St. Paul's church hall. Women of the Methodist and Congregational churches are preparing a special program for the afternoon and St. Paul's ladies will be in charge of the opening devotional service. The meeting will begin at 2 o'clock.

This year's World Community Day project is concerned with providing clothing for the women of Europe and Asia so that they can make, with their own hands, the clothing necessities for themselves and their families.

Not only the women belonging to the various church organizations, but all women of the churches are urged to attend the gathering at St. Paul's and to bring with them whatever they care to donate in the way of yard goods, fabric, buttons, snap, tape for hems or seams, and trimmings desired. Needles and shears would be welcome additions and may be included if desired.

The package must be packed according to the following rules: take a piece of light cardboard 18" x 24" in size, fold material to balance when shipped, and place it flat on the table. On that base build your pile of material and clothing.

(Good garments are not excluded from this project for they are certainly needed, but the aim is to

### Second Hearing on Road Closing Set for December 2

James C. Hendley, vice-chairman of the Washtenaw County Board of Road Commissioners, advised The Standard this week that another public hearing has been scheduled on the question of road closing in the John Hanna "mystery project."

The hearing, Mr. Hendley said, is to be held in the Municipal building in Chelsea, on Friday, Dec. 2, beginning at 2 o'clock.

A hearing was held Aug. 26 at the Red School on Manchester road in regard to closing of Pritchard, Warthley, Deckert, Burtis, and part of Heim road. A transcript of the hearing was taken and is still being studied by the board.

The hearing, Dec. 2 will give residents of the community an opportunity to express their views on the original question brought up following receipt of a petition requesting closing of the above roads, and will also afford the opportunity of being heard on a new petition sent to the Road Commission last week.

The petition, signed by 30 persons, requests the closing of the portion of Heim road beginning at Sylvan road at the west and ending at the west end of the portion mentioned in the original petition.

The date for the meeting here in December was set at the Board's regular meeting last Friday after Superintendent Manager Kenneth H. Hallenbeck turned over the petition which had been sent in during the previous week.

At a special council meeting held Monday evening, the board was signed by the village for the purchase of new fire-fighting equipment for Chelsea's fire department.

The new equipment includes a KIB-3 International chassis purchased from the Chelsea Implement company at a cost of \$3,160 which is to be outfitted with fog apparatus supplied by the Fire Apparatus company of Logansport, Indiana. Complete equipment will include a tank of 500 gallons capacity, a three-stage pump capable of supplying pressure of 800 pounds per square inch and two 150-foot reels of booster hose each fitted with a fog gun.

The fog system is an effective fire fighting system which uses much less water than with ordinary methods and it is expected that the 500-gallon tank of water will be sufficient to fight most fires in rural areas.

Additional water can quickly be drafted from creeks, ditches, etc., in the rural areas. The fog system also eliminates a great extent of water damage to property.

It will take from thirty to sixty days for delivery of the complete equipment after delivery of the chassis to the Boyer plant to be outfitted. The equipment from the Boyer company will cost approximately \$3,572.

Mr. Chief Thomas Young said Tuesday that officials and members of the department had witnessed a number of demonstrations of equipment during the past three months since the decision was reached to purchase new equipment. He said that the choice of equipment was a difficult one to make and that the equipment chosen was the one best suited to the needs of the community although it was not the cheapest that could be obtained.

"ACRES OF GOLD" is what Raybey Leaser found in the 14-acre corn field on the A. H. Pommerening farm on Jerusalem road. The above picture was taken last Thursday as Mr. Leaser was finishing the field with his two-row mechanical picker. The 14-acre, planted with DeKalb 404 "Acres of Gold" hybrid corn on May 15, produced a yield of about 2,000 bushels for an average of 143 bushels per acre. Mr. Pommerening states that the plot is worked on a four-year crop rotation plan of corn, oats, wheat and hay. Arthur Barth farms the land for Mr. Pommerening.

### Halloween Party To Be Held Monday

#### Four Prizes Being Offered for Best Floats in Parade

Charles S. Cameron, general chairman of the Kiwanis Halloween party and parade has announced completion of arrangements for this annual event which will take place Monday, October 31. He gives the following schedule for the evening's festivities: 6:30 p.m. Children meet in the High School gymnasium to receive costumes; 7 p.m. Parade forms in front of gymnasium; 7:30 p.m. Cider and doughnuts served around bonfire on school grounds after parade; 8:15 p.m. Entertainment in the gymnasium.

The line of march for the parade is: East street to Orchard; west on Orchard to Main street; north on Main to East Middle; east on East Middle to East street; south on East street to Harrison and east on Harrison to the east end of the school playground where the bonfire is to be located and where judging for prizes will take place.

Judges are Mrs. Howard Pittsford, Mrs. J. W. Davison, Miss Gertrude Young, Mrs. A. L. Steger and Miss Mabel Fox.

Prizes on costumes will be awarded in four classes: prettiest; most original; funniest; and spookiest. Prizes in each class will be \$3 for first; \$2 for second, and \$1 for third.

Mr. Cameron emphasized that competition in floats entered in the parade is not confined to the school groups. Any club, 4-H group, Girl Scout or Boy Scout group, church organization, etc., is eligible to enter a float. Four prizes are being offered on floats: \$20 for first prize; \$15 for second prize; \$10 for third and \$5 for fourth prize.

Leading the parade will be the High School band and the fire trucks. Then will come the floats. (Continued on page ten)

### Additional Awards for Fair Exhibits

In auditing records of awards to prize winners at the Community Fair, officials have found that the following persons who were not listed in the list printed last week, were awarded prizes as follows:

Vegetable display—2nd, Mrs. Roy Miller.

Outs—2nd, Roy Broesamle, Grass Lake.

### Kiwanis Amateur Show To Be Held Saturday Night

Waldemar Grossman, general chairman of the Kiwanis Amateur Show committee, said yesterday that plans are now complete for this annual event by which the club raises money to finance the annual Kiwanis Halloween party. Try-outs for the show were held at the Methodist church Monday evening, Oct. 26, beginning at 8 p.m. Parade forms in front of gymnasium; 7:30 p.m. Cider and doughnuts served around bonfire on school grounds after parade; 8:15 p.m. Entertainment in the gymnasium.

The show, which will be held in the High School gymnasium, Saturday evening, Oct. 29, beginning at 8 p.m., will be opened with several numbers played by the Waterloo band. Joe Stanley will play on his marionette for the pleasure of the audience while the ballads are being counted.

Together, the committee promises an evening of fine entertainment to all who attend.

### Manchester Will Be Included in Local 'Free' Calling Area

Manchester will be added to Chelsea's flat rate calling area about the middle of December at no extra cost to subscribers in this community, Nicholas J. Prackman, manager for the Michigan Bell Telephone Company, announced today.

The addition of Manchester to Chelsea's extended-area plan follows close on the heels of the inauguration of the new service between here and Ann Arbor last July 31.

Prackman said the 15c toll charge now applying on calls to Manchester will be eliminated when the "cutover" takes place. Until then, however, customers making such inter-city calls will be charged the regular toll rates.

In placing calls to Manchester, customers in Chelsea will dial the code "12" followed by the number of the telephone they wish to reach. Manchester subscribers will follow the same procedure when calling Chelsea, using the dial code "6."

Starting the day of the "cutover," Chelsea's calling area will extend beyond the 17,454 telephones in its own and the Ann Arbor exchange to include the 753 telephones in the Manchester exchange as well as a total of 18,220.

The new service plan is being introduced between here and Manchester upon the request of both cities, Prackman said.

### Grid Team Jumps into League Lead

#### Win from Dundee Plus Milan's Loss Puts Bulldogs First

By DWIGHT GADD

Chelsea High's Bulldogs mixed a slashing ground attack with a few passes to scuttle the undermanned ship of Dundee's Vikings 27-6, last Friday night here at the local athletic field and this win coupled with U. High's "upset" victory over powerful Milan put Chelsea into first place in the league standings on a 4-3 record to date. Milan, Flat Rock and U. High are tied for second place with 3-1 records.

The contest was just as one-sided as the score indicates, and but for a lot of fight and spirit by the Vikings, it would have been much worse. Dundee gained only 10 yards during the first three quarters and did not register a first down until two minutes of the first quarter were gone. They got the rest of their net gain of 72 yards during the last half of the fourth quarter when they drove to a score against the Chelsea reserves. The Bulldogs meanwhile rolled up 59 yards and led in first downs, 12 to 4.

Chelsea's first score came the second time the Bulldogs got their hands on the ball, as they smashed 67 yards in just seven plays, with John Batsakes the fast little wide-around left end for the final nine yards to score standing up. George Heydlauff missed his try for the point after, but he came through on his next three for his best night of the season.

In the second quarter the Bulldogs got a touchdown via the gift route as Dundee fumbled on their own 29 and Walt Bauer recovered for Chelsea. It took them just seven plays to cover that distance with Hob Robbins the power-boy at fullback blasting through center for the last 14 yards. After Heydlauff's conversion the score stood 13-0 at the half.

Chelsea took up right where they left off after the half as they put on the longest sustained march of the night by smashing 66 yards for their third score. Stan Knickerbocker notched this one as he rammed 42 yards around right end on a pitch-out from Heydlauff for the longest run of the night and after Heydlauff's successful try for the point after, the score stood 20-0.

Late in the third quarter the Bulldogs started their last scoring drive and on the first play of the last quarter Knickerbocker passed (Continued on page ten)

### Board Feels Plan Defeated Because of Site; Will Offer Choice of Three Locations

#### Polls Will Be Open in High School Gym from 2 Until 8 p.m.

The Board of Education of the Chelsea Agricultural School district decided at a meeting held Monday night to re-submit the issue of the proposed new elementary school building program to the electors on Thursday, November 3. The decision was reached by the board after consultation with members of the site committee, a sub-committee of the Planning committee appointed by the board last year to assist in studying the school situation here and make recommendations. Members of this site committee were present at Monday's meeting for an overall discussion of the school building program and also to attempt to discover why the issue as submitted to the electors for approval October 12, was turned down. The majority of those present came to the conclusion that a number of those who voted "No" on the issue October 12 did so because of their objection to the proposed location of the site in the Maywood-Pierce area. The board members state that their proposal to build the school on this site was submitted after the architects had made borings in the area and drawn up a topographical map showing it to be satisfactory for the school building as planned. The basement type of school building is the modern trend in school building at present, officials said.

The type of construction of the proposed building, they state, with its modern lighting and heating, would ultimately probably pay for itself because of the low maintenance cost, once the equipment is installed.

In an effort to submit the plan in the democratic manner of adding by the wishes of the majority, provisions have been made by the board to give electors of the district an opportunity to express their wishes in regard to a site for the proposed new school. On November 3, the day of the election on the same plan as submitted at the October 12 election, another place will be provided in the gymnasium where electors may cast their ballot in an advisory vote on proposed sites. Results of this advisory vote would then guide the board in making a decision on a site preferred by the majority of electors, should the bond issue and millage question be approved. It is pointed out by the board that any school site must be approved by the State Department of Public Instruction. The department rules that a site for elementary school purposes in a town the size of Chelsea must be at least 15 acres in size.

A rating chart for choosing school sites, recommended by the State Department of Public Instruction, was used by the site committee in making its recommendations to the school board. Their ratings on the Maywood-Pierce area and two other proposed sites are as follows: (1) acreage, Athletic Field area, Palmer farm area (adjacent to the cemetery and Madison street) and Maywood-Pierce area, all rated O.K.; (2) central location, Athletic and Palmer areas, fair; and Maywood-Pierce area, good; (3) disturbing noises, Athletic area, Maywood area, good, Palmer area, poor (because of trains); (4) obnoxious odors, good in all three areas; (5) pleasant surroundings, Athletic area, good, other two, fair; (6) public services, O.K. in all three areas; (7) natural drainage, Athletic area, good, other two areas, fair; (8) buildings on site to be purchased or obliterated, Athletic area, none, Palmer area, all the farm buildings, Maywood area, one small building; (9) how terrain lends itself to school site, Athletic area, good, Palmer and Maywood areas, fair; (10) safety of major-

ity of pupils traveling to site, all three areas, good.

The Athletic Field area of 22 acres would cost \$18,000; the Palmer farm of 60-70 acres plus buildings \$24,500; and Maywood-Pierce area of 17 acres, \$12,000. The Palmer farm area would necessitate building some distance back on the property because of the drop-off just east of Madison street. Owners of the property will not sell only part of the farm so buildings and all acreage would have to be purchased.

In looking over the Palmer area earlier this week, it was suggested by officials that there might be a possibility a school could be built near to Madison street providing houses now located there were purchased. This, of course, would add to the purchase price of the site.

A balance of approximately \$20,000 is on hand in a building and site fund.

The proposal as submitted on October 12 and which will be re-submitted November 3 is for approval of the School Board plan to raise the millage required to retire a bond issue of \$350,000, plus interest on a ten-year plan. Millage necessary to meet this is .12 mills. The amount of tax delinquency remained small, would probably be levied as follows: 11 mills (\$11 per \$1000 of county equalized valuation) for 3 years; 7 mills (\$7 per \$1000 valuation) for 4 years and 4 or 3 mills (\$4 or \$3 per \$1000 valuation) the remaining 3 years of the 10-year period.

The election to be held next Thursday, November 3, will take place in the High School gymnasium between the hours of 2 and 8 p.m.

### Two Cavanaugh Lake Cottages Are Entered by Fancy Thieves

Norbert Merkel called Police Officer George Doe Sunday morning when he went to his Cavanaugh Lake cottage and discovered a screen pulled off a window which had then been opened. Upon investigation, Doe reported, nothing seemed to have been disturbed inside the house. However, the cottage next door, owned by George Krausman, of Detroit, had been entered he discovered and the entire place was thoroughly ransacked. Entrance was gained by breaking a side window. An upstairs cupboard had been forced open and a bottle of wine and one of whiskey had been stolen, but nothing else appeared to be missing. Sheriff's department officers examined the place for fingerprints at Doe's request.

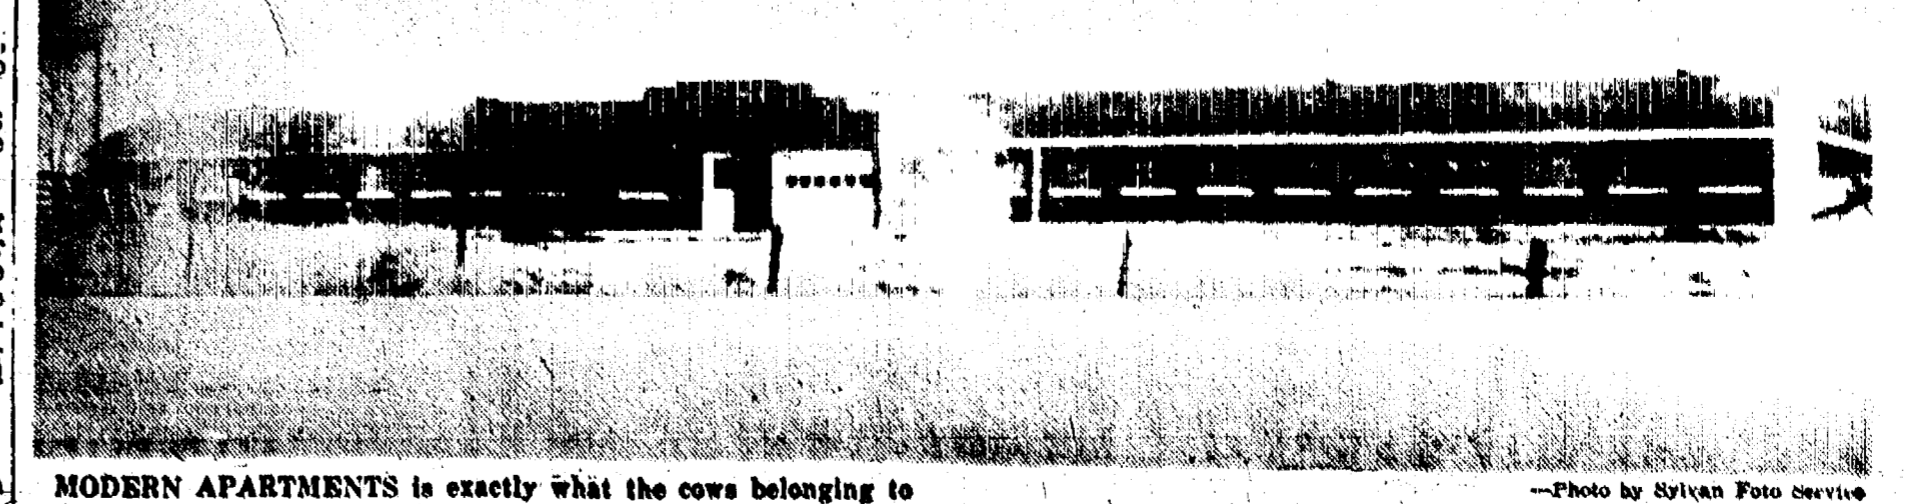

No one had been at the Merkel or Krausman cottages for about two weeks so it was not known just when the cottages were entered. Neighbors remembered seeing a car parked in the vicinity during Friday night's windstorm and it was thought possible that the cottages were entered at that time.

### Argus Denies Rumors of Sub-leasing Plant

Rumors that the Argus company has sub-leased its Chelsea plant to another firm which would begin operations here soon were denied in a statement made yesterday by an Argus company spokesman in Ann Arbor. He said the company plans to sub-lease the plant if possible, but that no arrangements with any prospective lessee are pending at this time.

This will be disappointing news to Chelsea residents who had been hoping the plant would soon be in operation again.

Mr. and Mrs. Frank Visel visited relatives and friends in Ann Arbor on Sunday.

## Steinaway-Gucker Nuptials Held

At St. Paul's Evangelical and Reformed church Saturday evening, Miss Edna B. Steinaway, became the bride of Frank Gucker of Ann Arbor, in a double-ring ceremony performed by Rev. P. H. Grabowski. The bride is the daughter of Mr. and Mrs. Adolph B. Steinaway of Lima Center, while the bridegroom is the son of Mrs. Frank Gucker and the late Mr. Gucker, of 849 Tappan, Ann Arbor.

Altar decorations were arrangements of large white chrysanthemums and baby's breaths in tall floor vases and the seven-branched candelabras placed at either side. White satin ribbon bows marked each pew in the sanctuary.

Preceding the ceremony, Duane Bauer of Whitmore Lake, a cousin of the bride, sang "O Perfect Love." During the ceremony he sang "The Lord's Prayer." Mrs. Carl Mayer, pianist, and also played the traditional wedding music.

The bride, given in marriage by her father, was gowned in white satin. Alencon lace outlined the low round neckline and the bertha collar. Matching lace trimmed the long, fitted sleeves and the bustle effect peplum at the back of the skirt from which the cathedral-length train extended. A tiara of braided tulle finished at the sides with pearl clusters held the finger-rings in place. She carried a bouquet of white roses and peonies centered with a white orchid. A single-strand necklace of pearls completed her costume.

Mrs. Veryl E. Steinaway, 736 Miller avenue, Ann Arbor, sister-in-law of the bride, was her only attendant, wearing for the occasion a turquoise satin gown with fitted bodice and very full skirt. A row of tiny, satin-covered buttons trimmed the front of the bodice and bows of matching satin were fastened to the skirt in a scalloped effect. She wore long mitts of matching satin and carried a bouquet of rose-colored chrysanthemums. Matching flowers were entwined in her braided headpiece of turquoise satin.

Veryl E. Steinaway of Ann Arbor, a brother of the bride, was best man, and L. Dean Steinaway, another brother, and William Jewell of Linda Vista avenue, Ann Arbor, were the ushers.

For her daughter's wedding, Mrs. Steinaway chose a wine-colored dress with which she wore black accessories. Mrs. Gucker wore grey crepe and a wine-colored hat. Both wore corsages of Amazon lilies. The bride's grandmother, Mrs. Fredericka Esch, of Ann Arbor, also wore a similar corsage.

A reception followed immediately after the ceremony and was held in the church hall. Mrs. Clarence Haeuser of Ann Arbor, the bride's aunt, cut the cake, and Mrs. Harry Rose poured. Also assisting were Mrs. Glenn Sharpe and Mrs. Wayne Van Orman, both of Detroit. Mrs. Alton Steinaway of Dexter, was in charge of the guest-book.

Now enjoying a week's trip in the east, the couple will be at home on "P" street in Dexter after Nov. 1. When she left the bride wore a coral-colored suit with brown accessories and the orchid from her bouquet.

The bride, a graduate of Chelsea High school and Cleary college, is employed as a bookkeeper at the Alloy Metal Abrasive company in Ann Arbor. Mr. Gucker is a graduate of Walled Lake high school. He spent more than two years in the service during World War II and is now the owner and operator of the Dexter Bowling Club, in Dexter.

PAUL P. BELSER

### Paul Belser Named to High State Masonic Position

Paul P. Belser was named E. Grand Captain of the Host of the Royal Arch Masons of Michigan at the annual convention held in Port Huron, Friday and Saturday, Oct. 21 and 22. Mr. Belser is secretary of Chelsea's Olive Chapter No. 140, R.A.M. He and Mrs. Belser and Jay Weinberg, high priest of the local chapter, and Mrs. Weinberg, spent the two days in Port Huron.

Richard William Lewis, originator of the Masonic annual guest idea which swept the nation during the early part of the present decade, was elevated to the position of Most Excellent Grand High Priest.

A native of Gratiot county, Lewis is a Past High Priest of Birmingham Chapter No. 98, and the first Royal Arch Mason from either of these locations to hold the office of Michigan's premier Capitular Mason.

Other officers elected are: Fred W. Moore, of Flint, R. E. deputy high priest; Paul F. Becker, of Bessemer, R. E. king; Verne E. Nelson, of Kalamazoo, R. E. scribe; Roy Austin E. DuPlan, of Port Huron, R. E. chaplain; Guy A. Birge, of Detroit, R. E. treasurer; Roy Andrus, of Owosso, R. E. secretary; Donald H. Webb, of Lansing, E. principal scribe; Penn F. Naylor, of Detroit, E. Royal Arch captain; George J. Ristow, of Albion, grand master of the third veil; Robert S. Spencer, of Midland, grand master of the second veil; John G. Cotton, of Grand Rapids, grand master of the first veil; Grant M. Church, of Kalamazoo, grand sentinel.

**'KOPY KATS' SEWING CLUB**  
Mrs. Flora Weber was hostess for the meeting of the "Kopy-Kats" sewing club held Monday evening, October 24. Two regular members were absent. There were two guests at the meeting.

Sewing and crocheting was the evening's work which was followed by delicious refreshments served by Mrs. Weber.

**ENTERTAINS FRIENDS**  
Virginia Barth entertained 30 friends Saturday evening at her home on Jerusalem road. Twelve games of "Double or Nothing" were played, after which dancing was enjoyed.

Prizes were won by Mrs. Jack Elischer of Dexter and Jim Campbell of Grand Rapids, with the consolation prize going to Janice Hashley and Raymond Schairer. Sweet cider and doughnuts were served.

**S. SYLVAN EXTENSION**  
South Sylvan Extension Group met at the home of Mrs. Walter G. Long on Thursday afternoon, Oct. 20, with 3 members and one visitor present. The meeting was called to order at 1:30 o'clock by the acting chairman, Mrs. Everett Van Riper.

Following routine business the group voted on a candidate for the county chairman election and then discussed plans for the chairman's meeting held in Ann Arbor on Wednesday, Oct. 26.

Roll call disclosed the fact that 55 lamp shades had been completed by the group and the check on canning and freezing for the report, as requested by the college at Lansing, showed a large amount of fruit, vegetables and meat prepared by the members this year by the members.

The leaders, Mrs. Wolfgang and Mrs. William Rouse, presented the ribbon for the third prize award won by the Group on the exhibit at the Chelsea Community Fair and then gave the day's lesson on "Meals for Middle Years."

The next meeting of the Group is to be held at the home of Mrs. Raymond Liebeck on Nov. 16.

**ELEMENTARY PTA**  
One hundred and ten, including the children and parents, attended the meeting of the Elementary PTA held in the High School gymnasium Wednesday evening, October 19. This was the annual membership drive meeting.

### LUCKY SEVEN SEWING CLUB

Halloween decorations were used throughout the house for the first fall meeting of the "Lucky Seven" Sewing club, held Friday evening, Oct. 21, at the home of Mrs. Wilbert Breitenwischer. All members were present.

Refreshments were served by the hostess following an evening of sewing and crocheting.

The next meeting is to take place Nov. 4 at the home of Mrs. Louis Staplah.

### BIRTHDAY DINNER

Mr. and Mrs. Mac Packard entertained at a birthday dinner Sunday in honor of their son and daughter, Gary and Gloria, whose birthdays occur on the same day of the year although there is a difference of five years in their ages. Present for the occasion were Mrs. Ruby Boyer and sons, Duane and Winston, of Mullen, and Mrs. and Mrs. Laurence Boyer and children.

### VFW SOCIAL MEETING

A quilt was tied for the VFW Junior Girls' Auxiliary at Monday night's social meeting of the VFW Auxiliary. Twelve members were present.

Cards were the evening's entertainment and Mrs. Anna Werner received the door prize. Refreshments were served by the following committee: Mrs. Werner, Mrs. Florence Walker, Mrs. Mary Wheeler, Mrs. Eva Schiller and Mrs. Ethel Reed.

### ENTERTAIN AT PARTY

Mrs. Alvin Vall and her daughter Helen entertained 20 relatives and friends at their home Sunday afternoon for the pleasure of Mrs. Charles Winans. Games were enjoyed and dainty refreshments were served by the hostess.

Mrs. Winans was the recipient of a number of lovely gifts. Out-of-town guests at the party were Mrs. Louis Monzillo, of Detroit, and Mrs. William Eisenmann, of Carlisle, of Ann Arbor.

### 30th WEDDING ANNIVERSARY

Mr. and Mrs. Charles Smith, of Winters road, celebrated their 30th wedding anniversary with a dinner at their home on the Sunday following the anniversary date which was Oct. 13.

Present for the occasion were Mr. and Mrs. John Smith and son, Mr. and Mrs. Frank Staron, Mr. Staron's sister and grandson, and Mr. and Mrs. Roy Donohue, of Detroit; Mr. and Mrs. Joseph Winters, Jr., Mr. and Mrs. Joseph Winters, Jr., and family; Mr. and Mrs. Delmar Barton and family; Louis Winters and Irene Kavan, all of Dearborn; Mr. and Mrs. Guy Rule, of Lansing; Joseph Kasper, Sr., of Grass Lake; and Mr. and Mrs. Kenneth Livingston and Mr. and Mrs. Charles Smith, Jr., and son, of Cavanaugh Lake.

Entertainment during the afternoon was according music furnished by Louis Winters.

The honored couple received a number of gifts as mementos of the occasion.

**VFW Officers Will Attend District Meet**  
Officers of ten VFW posts in the area will attend a special district meeting Friday, Oct. 28, at Pinckney, according to VFW District Commander Joseph F. Attwood, Lansing, who called the meeting.

Officers of posts of the VFW in the following communities will attend to discuss their problems and work out new projects: Ann Arbor, Howell, Williamston, Chelsea, Webberville, Fowlerville, Danaville, Pinckney and Brighton.

Carl L. Benjamin, commander of Chelsea Post No. 4076, has been named chairman for the meeting while Gene Mann, commander of Pinckney Post No. 7201, will be co-chairman. Donald Longnecker, Brighton, was named secretary for the meeting. District Commander Attwood will serve as moderator and advisor to the session.

The meeting will convene at 8 p.m. in the Pinckney fire hall.

**Detroit Woman Hurt in Auto-Truck Crash**  
Mrs. Lyllis Collings of Detroit, was slightly injured Monday afternoon when her car, traveling west, ran into the rear of a truck ahead of her which had slowed down on an upgrade 500 feet west of Kilmer and Notten roads on US-12.

The truck, also going west, and driven by Justin T. Hakes, was slowing down in response to signals from the driver of another truck parked beside the road with a flat tire. Police Officer George Doe reported.

Mrs. Collings' car was severely damaged.

**Farm Bureau Plans Patrons' Night Event**  
Plans are being completed for the Farm Bureau patrons' meeting to be held Wednesday, Nov. 2, at the Lima Center Grange Hall. The meeting will be of interest to all farmers in the community. Farm Bureau members state, and everyone is welcome to attend. Refreshments will be provided and there will be movies and other entertainment to provide fun for all who attend.

The program, as arranged, will include Niles Vermillion of Lansing, manager of the Farm Bureau Insurance of Michigan, as speaker; also Irwin Pidd, of Dexter county Farm Bureau insurance agent.

Edwin Beutler returned home Monday after spending almost two weeks at the home of his daughter, Mrs. Alvin Jedele, and family, near Saline.

parasol brought in the past matron's jewel and a gift, both of which were presented to Mrs. Van Riper by the group. She carried the gift and the jewel in a tiny gold basket.

Clive Weir was presented with a past patron's pin and then the newly installed worthy matron spoke briefly. At the conclusion of her talk she asked to have the outgoing chaplain, Mrs. Helen Baxter, and the outgoing treasurer, Mrs. Lila Ashfal, brought forward and she presented each with a sheaf of red roses on behalf of

herself and her officers. She mentioned that Mrs. Baxter had been a member of the OES for 20 years and Mrs. Ashfal for 20 years. Decorations in the chapter room were effectively arranged fall flowers, pumpkins and corn. In the downstairs dining room, where refreshments were served later, fall flowers were used as decorations. The newly installed worthy matron and associate matron poured.

All available space in the chapter room was filled with spectators for the installation service.

**Olive Chapter, OES, Installs New Officers**

Newly-elected and appointed officers of Olive Chapter No. 108, OES, for the 1949-50 year, were installed in ceremonies held at the Masonic hall on Wednesday evening, Oct. 19. Mrs. Esther Lucht was the installing officer. Mrs. Helen Baxter, installing chaplain; Mrs. Alene Steinbach, installing marshal; Mrs. May Luck, assistant installing marshal; and Mrs. Hazel Wacker, installing organist. Mrs. John Osterle was guest soloist for the installation service.

For the opening ritual of presenting the Bible the Past Matrons' group formed a cross before the altar.

The outgoing worthy matron, Mrs. Janis Van Riper, introduced the installing officers and the officers-elect were presented as follows: Mrs. Helen Leggett, worthy matron; Clive Weir, worthy patron; Mrs. June Robinson, associate matron; Harvey Knickerbocker, associate patron; Mrs. Lenore Schmidt, secretary; Mrs. Esther Lucht, treasurer; Mrs. Leila Weir, conductress; Mrs. Lillian Sander, associate conductress; Mrs. Mae Ormsby, chaplain; Franklin Gee, marshal; Mrs. Ada Knickerbocker, organist; star points, Mrs. Della Gee, Ruth, Mrs. Mildred Collyer, Esther, Mrs. Ruth Schradler, Martha, and Mrs. Doris Smith, Electa; Mrs. Norine Whipple, warder, and Henry Leggett, sentinel.

Mrs. Leggett, after her installation, was escorted to her station by her husband; Mrs. Robinson was escorted by the outgoing worthy matron, Mrs. Van Riper, and Clive Weir and Harvey Knickerbocker were escorted by their wives. Mrs. Martha Deane was absent and will be installed as Ada at a regular meeting of the chapter.

In a candlelight ceremony arranged by Mrs. Van Riper in honor of Mrs. Leggett, the newly installed worthy matron, Shirley Weir, as the good fairy, lighted the candles at the star point stations and those on the altar. A miniature tree, placed on the altar, held a doll with ribbons extending from its gown in the 17 colors representing the 17 officers who will work with her this year. Matching ribbons hung from the bottom "branches" of the tree and as each officer's name was called, she or she approached the altar and tied the matching colored ribbon to the one fastened to the doll's gown. The ceremony was planned as a symbol of the ties of loyalty and devotion pledged to the new worthy matron by her staff of officers.

Mrs. Van Riper, outgoing worthy matron, was taken into the circle of the Past Matrons' group in a ceremony during which the members of the group formed a star with colored streamers and encircled it with a "golden chain" made of gold-colored paper links. ## LIMA CENTER EXTENSION

The Lima Center Extension Group held an afternoon meeting at the home of Oscar Stierle, Wednesday, October 19, with 18 members and one guest present.

The meeting was called to order by Mrs. Jack Bradbury who asked the members to have ready for the next meeting a report of the number of quarts and pounds of fruit, vegetables and meats canned and frozen during the present year.

The request for such a report has come from Michigan State College.

The project lesson, "Meals for Middle Years," was given by Mrs. Floyd Fowler and Mrs. William Bahnmiller.

In keeping with the lesson a delicious lunch was served by the hostess and much enjoyed by the members.

It was announced that the Group won second prize on its exhibit of lampshades at the Community Fair and also had won first prize at the Ann Arbor 4-H Achievement Day showing.

The next meeting is scheduled for November 9 at the home of Mrs. Lewis Heeslewerdt.

LYNDON FARM BUREAU

Lyndon Farm Bureau members held their October meeting with Mr. and Mrs. Edmund Cooper.

Twenty-seven members were present. The chairman, Edward Bradley, called the meeting to order.

Minutes were read and approved. The group paid two dollars toward funds for the education of a German lady to be brought here.

Mrs. Edna Cooper gave a report on the meeting held in Dixboro of the seven counties. Guy Barton and Ed Cooper reported about the meeting held in Dexter. Homer Stoffer then started the discussion on "Free Groceries, Bankruptcy and Regeneration."

After much discussion it was voted to hold the Farm Bureau meetings the second Friday in the month, meeting in November with Mr. and Mrs. Edward Bradley. Visiting then was enjoyed with the hostess serving a pot luck lunch.

## Cub Scouts Awarded Prizes in Contest on Fire Prevention

The regular Cub Scout Pack meeting was held in the Home Ec. room at the High school Saturday evening beginning with a pot-luck dinner. Halloween table decorations were made by Den No. 1, under the leadership of Den Mother Mrs. Lawrence Riemen-schneider. Mrs. Edmund Kayser's group, Den No. 5, supplied the leaves and branches which added to the fall motif. Mr. and Mrs. Kayser furnished and made the coffee and Mrs. Alma Geer supplied the necessary cream and sugar. Twenty-five families were represented by the 72 men, women and Cub Scouts present.

The program for the evening, under the leadership of Cubmaster Willard Pearson, centered on "Fire Prevention." Edmund Kayser assisted in presenting the program. Each den put on a fire prevention skit.

In the fire prevention poster contest, prizes were awarded as follows: 8-year division, first prize, Robert Weiss, second, George

Mayer; 9-year division, first, Freddie Wenk, second, Douglas Collier; 10- and 11-year division, first, Richard Leland, second, George Collier.

The posters were judged by Alfred Mayer and Wallace Wood, local insurance agents, who also gave the prizes.

A "trading post" where toys, etc., were exchanged by the boys, was a feature of the evening's activities and was followed by the presentation of awards by Cubmaster Pearson as follows: wolf badges and pins, Freddie Wenk and Russell Moore; lion badge and pin, Ronald Foster; cards and bobcat pins to new members, Robert Weiss, Pat Merkel, George Mayer, Jimmy McKelvie, Jimmy Mahar, John Howe and Jerry Shoot.

The next Pack Committee meeting, it was announced, will be held at the Lorenz-Wenk home, 245 Jefferson street, Nov. 11 at 7:30 p.m.

When sewing rayon jersey sew from the bottom of the seams up and set your machine for a longer stitch and looser tension than for other materials, advises Florence Rann, clothing extension specialist at Michigan State college.

From where I sit... by Joe Marsh

## Now They're Sitting Pretty

Squint Miller, who's working as a telephone lineman, was telling me about some birds that got into a fight with his company.

Seems a couple of woodpeckers set up housekeeping in a telephone pole. Nobody minded them living there, but they kept pecking at the wires—causing one short circuit after another.

Finally, the telephone people—who had nothing personal against the birds—just stopped up the hole where they lived. But they kept coming back. At last, the company

donated that pole to the woodpeckers and set up a brand-new one for their own use!

From where I sit, we'd all be better off if we were as tolerant with our own kind as that telephone outfit was with the woodpeckers. Let's consider the other fellow's point of view—whether it's his right to live where he wants, or to enjoy a friendly glass of temperate beer or ale when and if he pleases.

## Head your Buick for our fountain of youth

NOW's the time when Autumn calls you out for a ramble in your Buick.

Slide under the wheel and answer that call! Take a Fireball cruise through the countryside, with your heart growing lighter and the years slipping off your shoulders at each mile!

Just one reminder, though. Make sure your Buick is in top shape to keep step with you. First bring it in to us—and

let us clean summer's dust out of your air filter, flush out tired summer crankcase oil with its grit and goo, check your carburetor adjustment to see that you're getting the most powerful, most economical mixture with October's cooler, heavier atmosphere.

We can do this quickly, economically, with a sure touch. Our thorough Buick training and long Buick experience in doing each job the factory-designated way have earned us a reputation—we're the "Fountain of Youth" for Buicks.

To make it easy, we've printed a Fall Check List below. Just tear this out, drive in this week and hand it to us—and when you head out for the open road there'll be a happy smile on your face!

Tear out this check list—  
bring it in with your Buick

Fall Checkup—lights, brakes, tire wear, front-end alignment, oil filter unit, battery, car heater.

Adjust—Carburetor, distributor.

Clean—Air cleaner.

Flush—Crankcase, cooling system.

Estimate—Antifreeze requirements.

Also—Lubricate (bumper-to-bumper lubrication and inspection).

## SLEEP, SWEET SLEEP

Students and teachers! Have you got bags under your eyes? Are they red or swollen?

If you have these symptoms then you aren't getting the sleep that you are required to have. Every child needs to have a certain amount of sleep, but some need more than others. If you are that kind of person that lacks the "get up and go" feeling, then you should do something about it. Most of us feel that this is not an important question, but after all, how can you do your work if you aren't alert enough to hear what the teacher is saying? So come on kids and catch up on a few more winks.

## AS OTHERS SEE YOU

"What you think you are is your ideal."

What people say you are is your reputation. What you know you are is your character.

Did you ever stop to wonder what impression you make on other people, especially older folks? This would be an embarrassing question for most of us to answer truthfully. Yet it is a question only we ourselves can answer (although at times other people, I'm sure, would like to answer this question for us). Too many of us seem to feel it is an unimportant one. Most of us grow up with our own definite and personal characteristics, or what we generally speak of as personality, and we never consider changing our attitudes. All of us know that personality includes many things, and it is doubtful if most of us use our personality where it is most effective. For isn't it true that we are impressed by the person who always has a friendly smile for everyone, the young and old, every day? Very few of us think of old people as even existing because we are young and we are always too busy—but is that a suitable excuse for forgetting to speak?

You would be surprised at the enjoyment an old person receives from the friendly "hello" of a young person, although it may come from an unfamiliar face. They are the ones who are not apt to forget a face as we do oftentimes. We are told to respect our elders and surely this respect

includes understanding them along with thinking well of them. It is no wonder that they think young people are disrespectful, for we don't even have time for the simple every-day "hello." It has been said that our generation is weaker but wiser and this statement is obviously correct. Yes, we are wiser in some fields, but weaker in those fields which will confront us all our lives and bring us and others the most happiness and self-satisfaction.

Below is a poem, the lesson of which would be well for all of us to know and practice.

## "SOMEBODY'S MOTHER"

(Author unknown)

The woman was old and ragged and gray  
And bent with the chill of the winter's day.  
The street was wet with the recent snow,  
And the woman's feet were aged and slow.

She stood at the crossing and waited long  
Alone, unaided, for the trolley's throng.  
Of human beings who passed her by,  
None heeded the glance of her anxious eye.

Down the street with laughter and shout,  
Came the boys like a flock of sheep,  
Hailing the snow piled white and deep.

Past the woman so old and gray  
Hastened the children on their way.  
Nor dared a helping hand be lent  
So meek, so timid, afraid to stir,  
Lest the carriage wheels, or the horses' hooves,  
Should crowd her down in the slippery street.

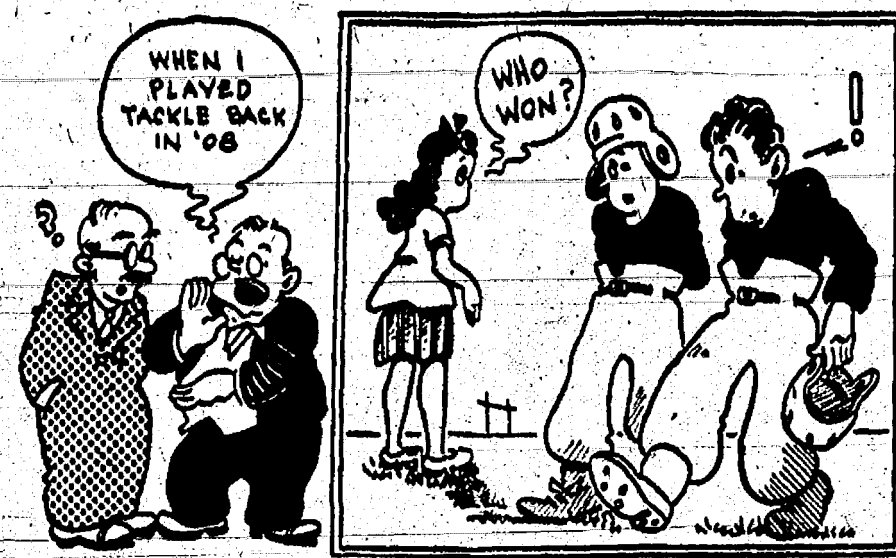

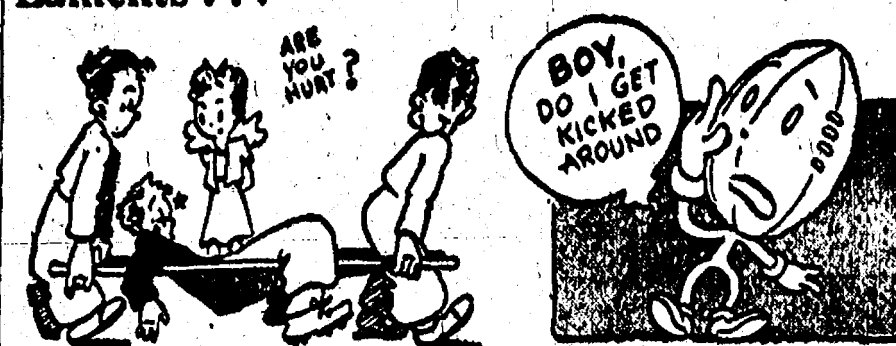

At last came one of the merry troop,  
The radiant leader of all the group.  
He paused beside her and whispered low,  
"I'll help you across if you wish to go."

Her aged hand on his strong young arm  
She placed, and so, without hurt or harm,  
He guided her trembling feet along,  
Proud that his own were firm and strong.

Then back again to his friends he went,  
His young heart happy and well content.  
"She's somebody's mother," boys you know,  
For all she's aged and poor and slow."

And I hope some fellow will lend a hand  
To help my mother, you understand,  
If ever she's poor and old and gray,  
When her own dear boy is far away.

## Laments...

And "somebody's mother" bowed low her head  
In her home that night, and the prayer  
Was, "God be kind to the noble boy  
Who is somebody's son and pride and joy."

So students, let's all of us try  
To be a little more understanding,  
Friendly and considerate of old people.  
Remember—we are young now,  
as they once were, but we will  
also be old some day, as they are.

"Time." This movie told about the earliest methods man used to tell time, such as the sun dial and the water clock. The movie also showed pictures of the first pendulum clocks down to the latest clocks. It also told how we get our standard of correct time by observing the stars.

## Class News...

### FRESHMEN

The Freshmen are going to sell salt water taffy in the hall. Eleanor Schmidt, Norma Morgan and Alfred Knickerbocker are on the committee to obtain information. The class is also going to enter a float in the Halloween parade. Gene Lake, Donna Hinderer, Eleanor Schmidt and Maryellen Moore are on the float committee.

### SOPHOMORES

The Sophomores have cancelled the hay ride they were planning.

### JUNIORS

"Oh, I hope mine fits!" "Isn't it pretty?" "Of course it is—wait to wear Joe's." Yes, the Juniors have received their rings. They are very pretty, some are plain gold and others are with stones. The rings are oblong in shape and have an inscription "Chelsea H. S." on a raised section in the center of the ring. On the sides of the ring are the class numerals "1951."

### HAY HOLIDAY

The Latin club members have started their plans for a hay ride in November. The date hasn't been set as yet.

### FFA

The new members of the FFA, or Greenhands, were initiated on Wednesday, Oct. 19. The Greenhands had to wear old overalls to school and also wear red handkerchiefs around their necks. Also they made wooden hats which were painted green and they were required to tie them on their belts. The Ag. boys are planning a field trip to the new dairy barn on the Klingler farm.

## EIGHTH GRADE

Members of the eighth grade are making preparations for the float they plan to enter in the Halloween parade. Lynwood Noah had a birthday last week. Six week's tests have been completed.

## SEVENTH GRADE

The following pupils had perfect attendance records for the first six weeks: D. Aberle, G. Batsakas, D. Downer, J. Haas, W. Hoppe, P. Hopkins, N. Klingler, M. McMannis, C. Miller, D. Messner, C. A. Steinbach, E. Smith, J. Talbot, S. Vogel, R. White, L. Wenk, A. Wenk, L. Walker, A. Welch, J. Welch and E. Whitaker. Flowers were supplied last week by Sally Vogel, Reellen Lotridge, and Edson Whitaker. Nerissa Klingler won the birthday game Monday.

## Grade News...

October seems to be the month for birthdays. During the last two weeks birthdays have been reported in the grades from kindergarten to the fifth.

## KINDERGARTEN

In the kindergarten, Wuonita Webb's birthday was yesterday. Kathleen Joseph's birthday was Oct. 28. Barbara Hafner treated the afternoon class to ice cream and cake in honor of her birthday, Oct. 19. The same day, Dick Schenk also celebrated his birthday by treating the morning class to ice cream and cake. Tuesday, Diane Newkirk served cake to the afternoon class in honor of her birthday. The two kindergarten classes are decorating their room for Halloween.

## FIRST GRADE

Judy Martin of the first grade was six years old Oct. 13. Lawrence Dieterle celebrated his birthday in school Monday; however, he was seven years old Sunday.

## SECOND GRADE

The second grade visited the fire station Friday, Oct. 14. The class project now is making fire engines. Becky Stratton, a new pupil, entered the second grade Oct. 10.

## Bicycle Registration

In cities having bicycle registration ordinances both bicycle thefts and accidents are greatly reduced, the Bicycle Institute of America reports. Registration of bikes with police departments offers the same protection and proper instruction in safety as car owners receive from their registration of the family automobile.

# No Mass Production Here!

Each and every prescription that is brought into our laboratory presents a new and exacting task to our pharmacists. A task which in its performance demands careful and painstaking accuracy in every step of the compounding operations. It is because prescription medicine depends upon such high precision for its effectiveness, that there can be no "mass production" here. Every prescription must—and does—receive the undivided attention of a skilled pharmacist. It's "hand-made" to the exact specifications your doctor's diagnosis determines for your individual conditions and needs.

High Tension Line  
at R. Lesser Home  
Causes Second Fire

A high tension wire which broke and fell on electric wires leading to the house caused a fire for the second time within a year at the farm home of Mr. and Mrs. Reuben Lesser on Manchester road early Saturday morning.

The first time the mishap occurred earlier this year it was caused by sleet.

The break in the high tension wire Saturday and its subsequent fall on the wires leading to the house resulted in charging the house with electricity and caused the fire.

The Lesser family was forced to wait 45 minutes before a Consumers Power Company representative from Jackson arrived to shut off the current so they could proceed to put out the fire, it was reported.

Chief Young said after the fire that "the company's customers in this area should be assured of some prompt service in instances such as this." He said he planned to contact officials of the company at Jackson this week and suggest that some solution be found so that it would not be necessary to wait until someone could reach here from Jackson before current is off.

Monday morning company men from Jackson placed stakes on the Lesser farm in preparation for removal of the high tension wires to a location involving less danger to the house in case of falling wires in the future.

On Tuesday a Consumers Power company crew began setting the poles to relocate the high tension line. The wires will now run behind the Lesser farm buildings instead of across the front and no longer cross the service line running into the house.

Damage to the house included holes in the roof, insulation ruined and ceilings in an upstairs hall and bedroom water-soaked.

Watch Attempts To  
Locate Huge Turtle

Mr. and Mrs. W. G. Price, with Mr. and Mrs. Glenn Barbour of Parma, spent Sunday at Chubbuck, Ind., as guests of Mr. and Mrs. George Dafforn, Mrs. Price's sister and brother-in-law.

The Dafforn home is only about four and one-half miles from the Gale Harris farm where for several months a search has been going on in a small lake for a reportedly huge turtle weighing in the neighborhood of 500 pounds.

Mrs. Price said her relatives told her that more than 2,000 persons visited the farm on the previous Sunday to watch efforts of the owner of the farm and men with special pumps attempt to drain the lake and locate the turtle.

The Harris farm formerly belonged to a relative of Mrs. Price and her own former home is only a few miles away.

Mr. Price and Mr. Barbour went to the Harris farm Sunday to watch activities in the turtle hunt. They were told the farmer was now charging 25 cents a car for sightseeing privileges at the lake.

Mr. and Mrs. Wm. E. Gaunt and Ruth Wells of Detroit, spent Sunday, and Bill Gaunt of Ann Arbor, spent Saturday and Sunday at the Edwin Gaunt home.

## Football..

(Continued from page one)

to Ted Slane, left end, for the final 25 yards of a 55-yard push. After Heydlauff's conversion was good, Chelsea led 27-0 and Dundee then drove for their only score, a 50-yard march in ten plays, with Bob Benson, left half, plunging the final seven yards off left tackle to make the final score read, 27-6.

This put Chelsea on top in the league under very queer circumstances. Just four weeks ago Milan blasted Chelsea 34-2, and appeared headed for a league title for sure as they rolled over five straight opponents and averaged just what they best Chelsea by 34 points every game. The following week, after the Milan game, Chelsea bounded back to beat U. High 13-6, although they were edged by the bigger Cubs in all the statistics, and then along came U. High to laughter Milan, 36-6, last Saturday.

The Cubs must have seen the Michigan game Saturday afternoon and decided to "make like big brother" on the field Saturday night.

Tomorrow night's battle with Flat Rock now looms bigger than ever for both teams and while comparative scores tend to favor Flat Rock, last weekend shows that means very little. Flat Rock lost to Milan, 19-7, so they are tough and it's all in the Bulldogs' collective laps as to how much they want to keep first place. It's

collect 80 per cent new materials.) Wrap your bundle in a yard and one-half of blue denim (for patching overalls), tie it securely and bring it to St. Paul's church hall on World Community Day, Nov. 4.

The women of the Protestant churches in Chelsea have assisted in the World Community Day projects of the United Council of Church Women, carried out through the channels of Church World Service, the past four years.

In 1945 the project was for a million diapers and a thousand lavettes. In 1946, half a million "Kiddie Kits" for children under five years; in 1947, half a million "Boxes and Bundles" for six- to 12-year-olds, and in 1948, half a million "Pack a Towel" bundles for teen-agers.

Financial contributions will be used to defray costs of sending materials overseas and to support a program for bringing displaced orphans to homes in America; also toward continuing the UCCW program in peace education and Christian world relations to advance this year's World Community Day theme: "Peace Is Possible."

near future, village officials say. In announcing the signing of contracts for the new equipment, Chief Young says that while this equipment adds much to safeguarding Chelsea and vicinity, it is still possible that buildings can be lost. Circumstances can make it impossible to prevent certain fires, he said, citing for example, the experiences of some neighboring communities where buildings were lost through circumstances beyond firefighters' control the first time their newly-purchased equipment was used. He wished to make it clear, he said, that while the new equipment is a much-needed and long-desired addition to the department, it can not be considered to be absolute insurance against loss by fire.

The Elwin Huice family of Boston, were weekend visitors at the homes of relatives here and on Sunday at the home of Mrs. Theodore "Bahn" Miller and Mr. and Mrs. Don Stoll.

## "WITH A FEATHER ON MY NOSE"

By Billie Burke

This is the story of a beautiful red-headed actress who lived in a glittering era and gave great fame and happiness but never knew security. Celebrities crowd the pages and she tells what "The Great Ziegfeld" couldn't say about her life with Flo Ziegfeld.
