## Dexter Fire Dept. Calls Local Unit for Assistance

About 4:35 Saturday afternoon the Chelsea fire department was called to the John Hanna "mystery project" when fire of undetermined origin in a woods about a mile south of Pritchard road threatened the woods on the Albert Hindender farm. Grass, stumps and tree-tops were burning in a large area and the Chelsea firefighters put the fire out all around the outside edge of the area before returning to town at 6 o'clock.

The center portion was left to burn itself out after nearby residents were advised to watch the fire and call if any new outbreak occurred.

About 4 a.m. Friday the Chelsea department made a run to Dexter when the Dexter department called for help in fighting a fire in the LaRosa store. The store is in the center of the business district and the fire was getting close to oil storage tanks. However, the Dexter department had the fire under control when the Chelsea department reached the scene. The Chelsea men remained only long enough to ascertain that the fire was not needed, and then returned home.

## Water Supply Cut Off

Chelsea's water supply was shut off for a period of about ten minutes over the noon hour on Monday while water department employees made necessary adjustments on the pumps at the pumping station, Homer Nixon, superintendent of the Electric Light and Water and Public Works department, said that air finding its way into the pumps interfered with their operation, causing the failure of the water supply.

The shut-off lasted such a short time that many residents did not even know of it.

## Gridders Lose Close Decision to Flat Rock

### Local Team Superior in Everything But Scoring for Evening

By DWIGHT GADD

Chelsea's Bulldogs traveled to Flat Rock last Friday night and in as tough and heart-breaking a game as has been seen by faithful Chelseaites in many a moon, bowed to the Rams and the scowls of Dame Fortune, 6-0. It dropped the Bulldogs from first place to fourth in the close Huron league race.

In every phase of the game but two, the score and the breaks, the Bulldogs held a wide margin of superiority, but it evidently just wasn't to be their night. They routed up 16 first downs to Flat Rock's 8, did everything all night but score. It was the second year in a row that Flat Rock has beaten Chelsea by one touchdown on a few breaks and held the Bulldogs scoreless. It appears as if the Rams have a jinx on the local crew.

No team ever fought harder in defeat than did the Bulldogs last Friday night. They launched three separate drives, only to see them fail because of one reason or another when a break could have spelled the difference.

Flat Rock scored their lone touchdown early in the second quarter on a 73-yard march which took 14 plays against the stubborn Bulldog defense. The key play in this drive was a pass interference penalty called against Chelsea, and it was one that was very doubtful. Stan Kickerbocker, defensive halfback, and Chuck Bodary, Ram left end, went high in the air on an Ostrick pass, intended for Bodary, and the officials called Stan for pushing, which is really quite hard to do when both are high in the air after the ball. This offense on third down with eight yards to go on the Chelsea 40 and gave Flat Rock an automatic first down on the Chelsea 30. After this gift break the Rams pushed on downfield to score with Jerry Klauza, left half, passing to Kon Ostrick, quarterback, for the final seven yards. The point after was batted down in the end zone and the score remained 6-0.

Chelsea's drives in an attempt to at least tie it up ended once on the 11-yard line and on three other occasions ended inside the 20-yard line. Bob Robbins, Chelsea fullback, was the outstanding back for the Bulldogs as he fought and ripped his way through the Rams, but every man on the field was putting out his best effort. The Chelsea bench stood the most pathetic figure of all, Capt. Bob Vogel, who has been out for three weeks now with a broken bone in his right foot. Little Bobby gave all he had too, in shouting encouragement, but Lady Luck had a heart of stone.

Tomorrow night the Bulldogs tangle with the Parma Panthers and it appears that the local lads are in for a rough night. Parma is a Class C school but is playing a Jackson county league which is composed of both C and D schools. At present, the Panthers are tied for the league lead with Springfield who they tied three weeks ago. Their only loss this year was to the Jackson High "B" team in their first game of the season, and they have won four to date. Their most recent victory was a prized win over Vandercook Lake; champions of the regular Jackson county league. They have two good backs in Dave Moffitt, left half, and Dave Regier, fullback, and a schoolboy tackle in Jim Boldry, a 6-foot 2-inch, 225-pound kid, and a awe-inspiring end in a consistent scoring threat all year. It should be quite a battle.

See you at game time!

## Community Fair Board Elects Officers

A meeting of the Chelsea Community Fair Board was held at the High school on Wednesday evening, Oct. 26. Tentative dates for next year's fair, contingent on the date of the Saline Fair, were set for Sept. 28-29 and 30, and Oct. 5, 6, and 7. The financial report was not complete because of unavoidable delays in awarding prize monies, etc.; it was believed however, that there would be no deficit.

Officers were elected for the coming year as follows: John Glick, president; Everett Van Riper, vice-president; Mrs. Barbara Riemschneider, secretary, and Dr. P. E. Sharrard, treasurer.

The Board of Directors, Lowell Spike, Jack Clark, Harry Lesser, Doris Whitaker, Kenneth Proctor, Sr., Philip Nielsen, Paul F. Niehaus, Gordon Van Riper, Lloyd Heydlauff, Paul Schable, Harold Widmayer, Mrs. Walter Wolfgang, Mrs. T. G. Riemschneider, Homer Lewis Hasselchwert, Van Riper, Stoffer, Mrs. Everette Steele, Darwin Downer, Arthur Kuhl, Carroll Ordway, George Kuhl, Wilber Hatt and Dr. A. L. Brock.

WINNERS IN THE KIWANIS Amateur Contest show last Saturday night at the High School. From left to right is shown Waldemar Grossman, general chairman of the Amateur Contest; Charles S. Cameron, chairman of the talent committee; Leonard Stark, 17, of near Rogers Corners, who won second prize of \$15 for his fine vocal presentation of "The Lord's Prayer"; five-year-old Sharon Richardson, of Parma, who completely captivated the large audience as well as capturing first prize of \$25 with her acrobatics and singing; Norman O'Connor, local pianist, who "boogie-woogie" number won him third place and a \$10 cash award; and John Keusch, Kiwanis club president. Thirty-one acts were entered in the contest and each act received a \$3 award for taking part. Entrants were from Saline, Manchester, Parma, Jackson, Dexter, Grass Lake, Pinckney, Gregory, Ann Arbor, Stockbridge, Sugar Loaf Lake, and Chelsea.

## Hearing on Road Closing To Be in Sylvan Town Hall

The meeting scheduled to be held here Dec. 2 as a hearing on the matter of closing a portion of Heim road, will take place in the Sylvan Town Hall and not in the Chelsea Municipal building as previously announced.

The meeting date was set following receipt by the Washtenaw County Board of Road Commissioners, of a petition signed by 39 persons which requested the closing of a short section of Heim road, west edge of Section 34. A request to close Heim road east to this point is contained in the petition presented to the Board last summer signed by John Hanna and his wife and a number of others.

A hearing on that petition was held August 26 and involved the closing of Heim road east to the eastern section of Heim road, ending at the west boundary of Section 34.

The Dec. 2 hearing will include discussion of the first petition as well as the one received two weeks ago, Road Commission spokesmen have announced.

## More Than 200 Honor Peaces on 50th Anniversary

More than 200 guests attended the open house given in honor of Dr. and Mrs. Harvey G. Pearce by their son and daughters on Tuesday, Oct. 25, in celebration of their Golden Wedding anniversary. The guests were from New York, Chicago, Detroit, Flint, Fontana, Howell, Carleton, Pinckney, Ann Arbor, Stockbridge, Unadilla, Dexter, Chelsea, Munith, Jackson, and the North Lake community. The reception was held at their North Lake home, Glennhawn Farm.

Among those present were Dr. Pearce's only surviving brother, Harrison H. Pearce, with his wife, Doris, of New York, who spent several days with the Peaces. This was the brother's first visit to the old homestead in 55 years.

Rev. Edwin B. Pearce officiated at a re-marriage service for his parents. Dr. Addie Lesson and Harrison Pearce stood with Dr. Pearce while Mrs. Webster H. Pearce and Mrs. Harrison Pearce stood with Mrs. Pearce during the renewal of their marriage vows.

Five couples, all of whom are present or former residents of the North Lake area and already have or soon will celebrate Golden Wedding anniversaries, were present at the reception and had their pictures taken together. They are Mr. and Mrs. Perry Noah, Mr. and Mrs. George Webb, Mr. and Mrs. Will Brown, Dr. and Mrs. Pearce, and Mr. and Mrs. Reinhold Verrin. The latter will be married 50 years next March.

Chrysanthemums and marigolds carried out the gold color scheme at the reception. Centering the table was a large anniversary cake made by Mrs. Edwin B. Pearce. Mrs. Donald Clark, Mrs. Florence Boyce and Mrs. Webster H. Pearce poured, and the Pearce daughters and granddaughters served the guests. The daughters are Mrs. May Pearce Tandy, Mrs. Peter Van Gammeren and Mrs. Donald Clark, all of Detroit.

Dr. and Mrs. Pearce received many beautiful and useful gifts as well as many greetings from all over the United States.

Dr. Pearce was formerly pastor of the North Lake Methodist church. He and Mrs. Pearce were married Oct. 25, 1899, in Newport.

Dr. and Mrs. Pearce were in Detroit for a reception at the East Grand Boulevard Methodist church Friday evening.

## Fellowship Club Meets This Evening

Dr. John Lavelly, doctor of philosophy at Albion college, is to be the main speaker at tonight's Methodist Fellowship club supper at the church. Albion college students will provide special music.

The dinner is to be served at 6:30 p.m., with the main dish provided. Those who attend are to bring their own table service and a dish to pass.

After the supper, special entertainment will be provided for the children while the after-dinner program is given.

## APPOINT NEW TRUSTEE

The Library Board has appointed Mrs. John Fischer as trustee to fill the vacancy caused by the resignation of Mrs. Luella Rogers.

Mr. and Mrs. Eugene Ulrich of Ann Arbor were Saturday evening guests of Mr. and Mrs. William Bahnmiller.

## Urgent Need for Local Blood Donors

To collect donations of blood to make plasma for use in emergency in this community, a blood collection center will be set up in Ann Arbor, Tuesday and Wednesday, November 15 and 16, and in Ypsilanti, Thursday and Friday, November 17 and 18. Dr. Frederick B. Williamson, president of the Washtenaw County Medical Society, announced today.

Healthy persons between the ages of 21 and 60 in Washtenaw county will be asked to give a pint of their blood at that time. This is a part of the state-wide free blood plasma program. All the blood donated here will be processed in the Michigan Department of Health Laboratories and returned to University, St. Joseph's Mercy, Beyer Memorial, and Saline General hospitals. It will be available free from cost, to save the lives of Washtenaw county men, women and children who need it.

Sick people in this area were given approximately 54 units of blood plasma since May 1949, in treating emergency or surgical cases.

"One person out of every 50 in Washtenaw county will need blood plasma this year. To be certain that no person dies in our hospitals from lack of blood plasma and blood derivatives at least one person in every 25 in Washtenaw county must give blood now," the doctor said.

"Blood plasma is one of the greatest medicines we have of the medical profession know. If one person is to have blood plasma to save his life, another person must give that blood. We know the people of Washtenaw county will come through," Dr. Williamson concluded.

The need for donations of blood to make plasma is very urgent as at the present time in Washtenaw county there is only one pint of blood plasma on hand. With approximately three hundred and forty pints per year being the normal requirement.

Persons who wish to make a donation should register with the Red Cross Headquarters in Ann Arbor, 2-5446 or Ypsilanti 305.

## Football Pep Rally To Be Held Tonight

Tonight at 7 o'clock a big pep rally will be held on the playground of the Chelsea Agricultural schools, in anticipation of Friday night's football game with Parma on the local athletic field.

Entertainment for the evening will be a bonfire, speakers, and the band which will lead the crowd in a snake dance through town.

This rally is open to the public and is held in honor of all the dads of the football players, who will be honored guests at Friday night's game.

## Carl Mayer Named Local Postmaster

Carl Mayer received official notice this week of his appointment as Chelsea postmaster. The notice from the U. S. Postoffice department stated that his appointment had been submitted by the president in September and was approved on Oct. 19.

Mr. Mayer said he was not advised as yet when he was to begin his duties as postmaster.

# Election Held Today on School Bonding Issue; Get Facts-Not Rumors

## Board Urges All To Get True Facts - Then To Vote

It has been brought to the attention of school officials that many false rumors have been circulated in regard to the proposed school program, the site, the amount of taxes that would have to be paid, etc. They advise people to get the real facts from authoritative sources rather than to base their opinions on rumors that have no source in facts.

As an example, they say, a rumor was widely circulated just before the Oct. 12 election to the effect that "if you want to figure out your taxes for the new school, look at your last year's tax receipt which plainly states that the school tax levy is 1 mill. Multiply the amount of tax you paid by 11 and you'll see how much the 11-mill levy will amount to as your tax for the new school."

This entirely false explanation of the tax rate was accepted as truth by a number of persons who did not trouble either to do their own figuring or to investigate the truth of the statement by consulting someone who could give the correct answer.

By calling the township supervisor or the Washtenaw county treasurer these persons would have received the correct information that while the printed tax forms do state, "School 1 mill," the actual rate for school purposes last year was 8 mills.

Checking this week with Sylvan township Supervisor Fred Broesamle and with Washtenaw county Treasurer W. F. Vernor, it was found that the misleading entry is the result of an old statute and has simply remained on the forms for many years. It has no meaning whatever, at the present time, Vernor said.

## Huge Crowd at 'Open House' for New Dairy Barn

Approximately 2,000 persons attended the 20th Century Dairy Barn "Open House" last Thursday at the Klingler Brothers' farm on Peckens road. The weather was perfect for the occasion and plenty of parking space had been provided in a field adjacent to the barn. Buses from Clinton, Saline, Chelsea and other neighboring schools brought boys from their agricultural classes to inspect the new type barn. There was plenty of sweet cider and doughnuts for all who attended.

Ralph Klingler, who, with his brother, Wilbur, planned and supervised the construction of the barn, said Tuesday that about 200 visitors went through the barn last Sunday and there have been many visitors each day since the official Open House day last Thursday.

The barn, a one-story building of tile construction with glass block windows, specially designed ventilation system, mechanized gutter cleaner and feed dispenser is said to be one of the most modern structures of its kind in Michigan. It is 40' x 200' in size and contains 96 modern "comfort stalls."

## Electors May State Site of Their Choice on Advisory Ballot

The election on the school building program and bond issue as proposed by the Board of Education of the Chelsea Agricultural Schools school district is being held today in the High School gymnasium from 2 p.m. until 8 p.m. Two proposals are being submitted: Proposal No. 1 being to permit a 15-mill tax levy for a period of 15 years and Proposal No. 2 being for the purpose of giving the school board permission to issue school bonds in the amount of \$350,000 plus interest to pay for a proposed new elementary school building and its equipment and for necessary work on the present school building.

The issue was turned down at an election held on October 12 but is being re-submitted at this time with provisions for an advisory vote on site preference. A place has been provided in the gymnasium where electors may vote for their choice of the three sites now considered (Athletic Field area, Palmer farm area, or Maywood-Pierce area) or indicate the name of any other site they might prefer. The advisory vote on the site would in all probability be considered by the school board as the people's choice for any future planning should the present issue be defeated today, officials say.

To be eligible to vote on Proposal No. 1 (raising the millage) an elector must be at least 21 years of age; a citizen of the United States; a resident of the state of Michigan for at least six months and a resident of the Chelsea Agricultural Schools school district for at least 20 days. To vote on Proposal No. 2, electors must have the above qualifications and, in addition, must own property, jointly or individually, or be the husband or wife of such property owner.

## Wash. Scouts Will Elect New Officers

### Scouting Awards Will Be Made Following Dinner

The biggest meeting of the Boy Scouts will be held Sunday, Nov. 13, Joe Juncker, Scout Executive has announced. A business session will be held at 5 p.m., at which time officers of the Council will be elected and Council officers.

## Halloween Party Reported as Being 'Howling' Success

Each year after the Kiwanis-sponsored Halloween party here, comments are heard to the effect that "it was bigger and better than ever." This year is no exception, everyone seeming to agree that the parade and the entire party really were exceptionally fine.

The judges, with Mrs. Howard Plintoff as chairman, named the following as prizewinners: funniest group, first award to Homer Kuhl and his two children who portrayed a mother pushing a baby buggy; second award to Leona Heydlauff and Mary Helen Baldwin, dressed as men in long handle" underwear; third award to Mrs. Mildred Weinberg and her son, Hugh, as a mammy pushing her baby in an old-fashioned baby buggy.

In the "spookiest" division: first award to Bruce Hoffman for portrayal of an old man with a cane; second award to Ted Nixon, dressed as a stiff-necked scarecrow; third award, Barrie Fisher, dressed as a witch with a yellow broomstick.

In the "prettiest" division: first award, Marilyn Honbaum and Gloria White as ballet dancers; second award, Judy Kyrle as a cat; third award, Alice Ann Wenk and Nerissa Klingler as George and Martha Washington.

In the "most original" group: Jimmy, Barbara and David Collins, as the Three Bears; second award, Douglas and Ronald Warren, as Amos and Andy; third award, Marie Madden, scarecrow with large pumpkin head.

(Awards in the above groups were \$5 for first, \$2 for second, and \$1 for third awards.)

Floates: Cub Scouts, first prize of \$20 for their float representing a wild animal cage drawn by a tractor decorated to represent an elephant; second prize of \$15 to the eighth grade, representing the "Old Woman in a Shoe"; third prize of \$10 to Chelsea Child Study club for their awning-covered "Child's Hat Shop"; fourth prize of \$5 to the Seniors for their representation of "The Old Lamp-lighter."

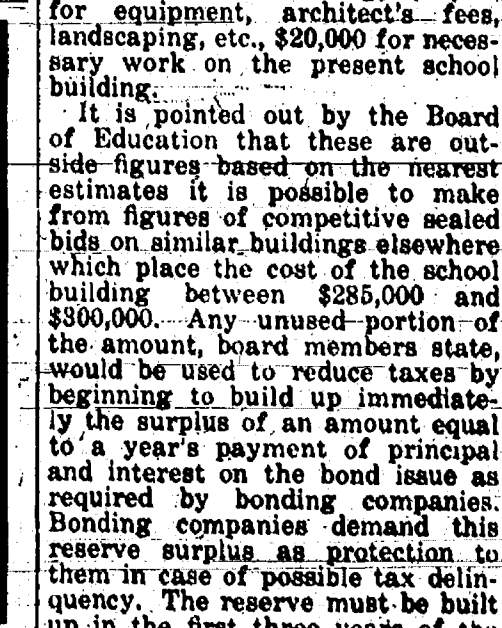

## Bridge Repaired on Chelsea-Dexter Road

Supt.-manager K. L. Hallenbeck of the Washtenaw County Road Commission said early this week that work on the Dexter-Chelsea road bridge near the old cement plant crossing was to begin immediately. The bridge is to have a new deck which will eliminate the noise now so noticeable because of the loose planking.

CHICKEN SUPPER

DR. ELBERT K. FRETWELL

ating committee reports made. At 6 p.m. the appreciation dinner will take place and the program to date is as follows:

Following the dinner, the Lyra Male Chorus of Ann Arbor will sing. Then recognition will be given Scouts who have achieved the Eagle rank during the past twelve months. Veteran recognition of Scouts with many years' service and Training awards, Scouters' Keys, and Scouters' Awards will be presented to those Den Mothers, Committeemen, and Unit Leaders who have completed at least three years of training and have functioned well in their various positions. Silver Beaver awards will be presented to those outstanding Scouters in the Council who, through their untiring efforts in scouting and kindred activities, have done most for their community. This is the highest local scout award. Report of election of officers will be announced following the Silver Beaver presentations. A sextet of Scouts from Troop 75, Dunbar Center will sing several selections. Dr. E. K. Fretwell, Chief Scout of the United States, will give an address, followed by an appropriate closing ceremony depicting the "Whole Scout Family."

The meeting is to be held at Charles McKenny Hall in Ypsilanti.

Active as a Scout Leader for more than 30 years, Dr. Fretwell has been Chief Scout of the Boy Scouts of America since September 1, 1948 when Arthur A. Schuck succeeded him as Chief Scout Executive.

Before becoming Chief Scout Executive on February 1, 1943, Dr. Fretwell was Professor of Education at Teachers College, Columbia University. He has been identified with the Boy Scouts of America since its earliest days and served on its National Executive Council.

Breaking down the \$350,000 of the proposed bond issue, according to figures given by the Board of Education it is shown that the amount includes the following: \$300,000 for the proposed new elementary school building; \$30,000 for equipment, architect's fees, landscaping, etc., \$20,000 for necessary work on the present school building.

It is pointed out by the Board of Education that these are outside figures based on the nearest estimates it is possible to make from figures of competitive sealed bids on similar buildings elsewhere. The place the cost of the school building between \$225,000 and \$300,000. Any unused portion of the amount, board members state, would be used to reduce taxes by beginning to build up immediately the surplus of an amount equal to a year's payment of principal and interest on the bond issue as required by bonding companies. Bonding companies demand this reserve surplus as protection to them in case of possible tax delinquency. The reserve must be built up in the first three years of the planned ten-year term of bond retirement.

Interest on the school bonds has been figured at 4 1/2 percent in order to submit outside figures of interest computation, however, most school bonds carry an interest rate of only 2 percent or less, school officials say.

Should either of the two sites costing less than \$20,000 (approximately) be chosen for the building and site fund be chosen after the advisory vote today, the surplus from this fund would also immediately be used to reduce taxes. Figures on the costs of the three sites as given last week and again this week by the Board of Education are as follows: Athletic Field area, \$19,000; Palmer farm area, \$24,500; Maywood-Pierce area, \$12,000.

The proposed bond issue, as previously explained, is planned on a ten-year period of retirement, but, because of requirements of bonding companies, the issue as voted upon must be for a 15-year period at 15 mills. As planned the tax levy would probably be arranged as follows: 11 mills (\$11 per \$1000 of county equalized valuation) for 3 years; 7 mills (\$7 per \$1000) for 4 years; and then 4 or 3 mills (\$4 or \$3 per \$1000) for the remaining 8 years of the ten-year period. Figured on the overall average of \$1500 valuation (which would cover most homes in Chelsea) the cost for each taxpayer would probably average the cost of a package of cigarettes per week, school officials have figured.

Chelsea school officials recently talked with school officials at Manchester where a \$100,000 school building program is being carried through on a 14-year program. The issue as approved 3 to 1 by the electors was for a 14-mill tax levy for a period of 20 years and the actual starting tax levy there is 9 mills. The county equalized property valuation of the district at Manchester is only \$1,500,000 (Continued on page ten)

### LIMA TOWNSHIP

Mrs. Raymond Koch returned to her home last Wednesday, having recently undergone a major operation at the St. Joseph hospital in Ann Arbor.

The pupils and their parents of McLaron schools enjoyed a Halloween party Friday evening. At seven o'clock in the evening the children dressed in costumes went on a hayride and upon returning to the school joined their parents. Cider and donuts were served.

After a six-week motor trip to the West Coast and back Mr. and Mrs. Mose La Chapelle returned home October 18. They had made the scenic trip with Mr. and Mrs. Peter La Chapelle of Green-Bay, Wis. Going via the northern route to Washington and down the coast

to California, they particularly enjoyed the redwood forest and returned by visiting points of interest in Arizona, Utah and Missouri.

Mr. and Mrs. S. E. Wood were very pleasantly surprised Sunday morning when the Sunday School class with Mr. and Mrs. John P. Lips in charge came to their home with greetings of cheer, a gift of assorted fruits and sang songs for them. The visit was greatly appreciated.

Mr. and Mrs. Robert La Chapelle and sons, Jerry and Robert, of Detroit, spent from Thursday through Sunday at the home of the former's parents, Mr. and Mrs. Mose La Chapelle. On the previous week end Mr. and Mrs. C. F. Ogden and family of Grosse Pointe Shore were guests of the La Chapelles.

No more lugging heavy baskets of damp clothes up basement stairs. Never again put up a clothes-line. No torn garments from wind-whipped wash. No gusts of soot and dirt smudging clean clothes. No wading through snow — no taking cold going from a steamy basement to a frigid outdoors.

In a matter of minutes the Hamilton automatic GAS clothes dryer fluff-dries a washing machine load of damp clothes. Waves of clean gas-heated air billow through the garments, flooding them with ultra-violet rays from the exclusive Hamilton SUN-E-DAY lamp.

Come in for a demonstration. Delivered and installed for only a small down payment. Use the Hamilton two years while completing payments in small monthly amounts. Remember, gas dries clothes automatically in 1/4 the time at 1/4 less cost.

### Methodists Hold Final Meeting of Current Series

Speaking of the conclusion of the series of Sunday evening church services held at the Methodist church the past four weeks, Rev. O. W. Morrow said, "The month of October has been most favorable for the planned series of four Sunday evening meetings held at the local Methodist church, Sunday evening, October 23, with the interest running high, the series culminated."

"The youth fellowship members under the leadership of Wayne Betz, elected to forego the district rally held at Wayne, and remained for the completion of their course of study of the Sunday evening series as well as to give support to the entire program of the local church. The adult group followed the unfolding of facts of Methodism's tireless and significant service in Continental Europe since the middle of the nineteenth century."

The final assembly period carried two pertinent messages for the series: an address by Rev. Adolf Bergman, Samaritan, Michigan, a displaced person, on the subject, "Displaced Persons," and the sound motion picture, "And Now I See."

Rev. Bergman originally was of Latvia, living between the two large states of Germany and Russia. He said he knows from first hand knowledge that Russia does not keep her word; that she is brutal and that children, women, and men have suffered at a distress from her policies since 1940.

In passing, the speaker referred to protect the Baltic states, but got the young and adult men into her army and other military interests by declaring that they were to serve when as a matter of fact it was a procedure at the command of the Soviet Union. In passing, the speaker referred to the Nazis as a more smooth in operations but equally as unreliable and cruel, Rev. Morrow reported.

"The displaced person is that for the sake of his life," said Rev. Bergman, who was a pastor to the displaced persons of the Baltic states and who for the past three years has been pastor of the Methodist denomination in the state of Michigan and now at Samaritan. The pastor was accompanied by his wife who, too, came from Latvia, originally.

Herbert L. Sanborn was general chairman during the series of Sunday evening services. Charles S. Cameron, as a committeeman, was instrumental in securing "nationals" as special speakers for two of these meetings. Rev. Morrow secured the two pastors who addressed two of the meetings, namely, Rev. Adolf Bergman, Samaritan, Michigan, and Rev. James Roberts, South Lyon, who since speaking here, had the misfortune to be involved in a car collision which resulted in his wife receiving three broken ribs and himself nine broken ribs. Rev. Roberts is in Saratoga hospital, Detroit.

The Auxiliary planned to join the Legion Post for an Armistice Day dinner and it was announced that next month's Auxiliary meeting will be held in the Home Ec. room at the High school.

Refreshments were served by the committee, Mrs. Ethel Buehler, Mrs. Florence Fox, Mrs. Virginia Brock, and Mrs. Veronica Dumouchel. The Halloween motif was carried out in the table decorations. When the refreshments had been served two poems appropriate for the month were read, one on Armistice Day and the other pertaining to Thanksgiving.

Games were played and prizes were awarded to Mrs. Alma Eisele, Mrs. Myrtle Schooley, Mrs. Esther Waddell and Mrs. Matilda Hinderer. The door prize was won by Mrs. Cloteal Prager.

A "traveling basket" was started at the meeting and was presented to Mrs. Ethel Reed.

Mr. and Mrs. Ed. Schulz entertained her sister and husband, Mr. and Mrs. Geo. Worden, of near Munith, on Sunday.

The Kenneth Stanfield family of Stockbridge, spent Sunday afternoon with her parents, Mr. and Mrs. Arthur Walz.

Mr. and Mrs. Leigh Beeman, and Mr. and Mrs. Donald Beeman spent Sunday with Mr. and Mrs. John Beeman in Lansing.

Mrs. Louise Beeman, and Mrs. Martha Harvey are spending a week with relatives in Woodland, in Barry county.

Miss Clara May Oesterle and daughter Payo, spent Sunday with Mr. and Mrs. Lloyd Price in Munith.

Mrs. Francis Marsh of Jackson, and Mrs. Leon Marsh and daughter Marleon, called on Mr. and Mrs. Elmer Marsh Sunday afternoon.

Mrs. Wilbur Beeman, Mrs. Elmer Marsh and daughter Shirley, attended the installation of officers of the OES, No. 150, of Grass Lake, last Wednesday evening.

Mrs. Genia Pickett of Henrietta, Mrs. Florence Walz of near Munith, and Mrs. George Moenkel attended a birthday dinner for Kenneth Moenkel at his home in Stockbridge. Those also present were Mrs. G. W. Meyer and Mrs. Oscar Schiller of Albion, Mr. Schiller and Mrs. Ida Mueller of Jackson, Mr. and Mrs. Reuben Moenkel, G. W. Meyer and son and Claude Mills.

Mr. and Mrs. Levi Dudley and Frank Shaden were Sunday dinner guests of Mrs. Amelia Biehn.

Mr. and Mrs. Walter King of Ashland, Ohio, spent the week-end at their cottage at Bruin Lake.

Mr. and Mrs. George Liebeck and children of near Munith, and Mrs. Josie Cranna spent Friday evening with Mr. and Mrs. Clinton Johnson. The occasion was in honor of the birthday of Mrs. Cranna.

Mr. and Mrs. Emory Pickell have a new Pontiac.

Sunday dinner guests at the Clair, Barnum home were Mrs. Sarah Barnum and Mr. and Mrs. Lawrence Camburn.

Earl Richmond, who was recently injured in an explosion, is recovering at the Foote hospital in Jackson.

Mr. and Mrs. Russell Stephens and Connie, of Detroit, spent the week-end with Mr. and Mrs. Clyde Purchase.

Friday afternoon callers of Mr. and Mrs. Claude Rose were Miss Ethel Mackenzie, of Detroit, Clippert and Louis Szabo of Detroit.

Claude Jackson of Byron, spent the week-end with his parents, Mr. and Mrs. William Jackson. His wife and children spent Sunday here.

Mr. and Mrs. Ernest Corser and family of Detroit, spent the week-end at the Walter Corser home. Mrs. Corser who spent the past two weeks in Detroit, returned home.

Members of the Chelsea American Legion Auxiliary who attended the Second District meeting at Dundee last Sunday are Mrs. Lucille Barr, Mrs. Agnes Hummel, Mrs. Ruth Christwell, Mrs. Margaret Weber and Mrs. Roxie Maroney. They were accompanied by Dundee by Merle Barr, Sr., and Paul Maroney.

The new president of the district, Mrs. Gladys Taylor of Brooklyn, and other new officers were installed at the meeting. The Ann Arbor drill team installed the officers, with Mrs. Owen McGuilough of Bluffield, in charge.

The Chelsea group also attended the banquet given in connection with the district gathering. The banquet was held at the Dundee Odd Fellows hall.

IN MEMORIAM In loving memory of our dear son and brother, Elmer Trinkle, who passed away 13 years ago, November the first.

Though death may part us for a while, It never can erase The memories of our loved one's smile.

Or of our dear one's face, For memories will always stay As years go passing by, And there is comfort in the thought That love can never die.

Sadly missed by his parents, Mr. and Mrs. Walter Trinkle, and by his sisters, Mr. and Mrs. O. F. Montgomery and Family, Mr. and Mrs. W. B. Zogelman and Family.

CARD OF THANKS I wish to thank my relatives, friends and neighbors for the lovely flowers, cards and gifts and for the visits paid me while I was at the hospital and since my return home. All was gratefully appreciated by myself and my family. Adam Eppler

### ATTEND WRC INSTALLATION

Mrs. Harold Bair and Mrs. George Hafner were in Grand Ledge Friday to attend a dinner followed by a regular meeting and inspection of the Grand Ledge WRC, during which two district officers from Mason, one from Lansing, and one from Grand Ledge were installed in special ceremonies. These four officers complete the staff of officers for WRC District No. 11 of which Mrs. Bair is the newly-elected president.

### FOE AUXILIARY

Three new candidates were initiated at the meeting of the Foe Auxiliary held Tuesday evening, Oct. 25, in the Foe hall. The new members are Margaret Dault, Maxine Dault and Clarice Keeser. Twenty-one members attended the meeting.

The grand prize in games played during the evening was won by Ann Hoover.

Refreshments were served by the committee with Kathleen Hatt as chairman.

A membership drive was planned at the meeting. Mrs. Estella Light was appointed sales manager of the drive and Mrs. Kathryn Brettschneider and Mrs. Dorothy Shriver were named captains.

### DESSERT BRIDGE CLUB

Mrs. J. E. McKune entertained the Dessert Bridge club Monday, Oct. 31.

### BIRTHDAY HONORED

Mrs. Elizabeth Hayes was honored with a birthday party given at her home Friday evening, Oct. 21, by her son, Earl Hayes, and his wife, of Jackson, and by two nieces, Miss Clara Hayes of Jackson, and Mrs. Edward Beuerle and her husband, of Ypsilanti; also, her brother, Herman Schatz. They brought well-filled baskets with them, the contents being served later as refreshments.

### WOMAN'S CLUB OF CHELSEA

The Woman's Club of Chelsea was entertained Tuesday evening, Oct. 25, at the home of Mrs. A. E. Wilkinson. Roll call response was Bible verses, and the program topic, presented by Mrs. Edwin Eaton, was "Women in Scripture." Mrs. H. T. Moore, Mrs. William Geddes, Mrs. John Fischer and Mrs. M. J. Betz each presented sketches of several Bible personalities as part of the program.

The local school situation was discussed at some length and, during the business session, it was voted to buy two uniforms for Girl Scout leaders.

Refreshments were served after the meeting by Miss Nina Belle Wurster and Mrs. Carl Mayer.

### PNG CLUB

The PNG club met Thursday, Oct. 28, for an afternoon meeting at the home of Mrs. Emerson Lesser. Eleven members were present for a chicken pie luncheon served by the hostess.

Games were the afternoon's entertainment.

### N. LAKE EXTENSION CLUB

Mr. and Mrs. Junior Colby were hosts to the North Lake Home Extension club Saturday evening, Oct. 29. About 50 guests attended.

Following the delicious pot-luck supper progressive euchre was played with prizes being awarded as follows: ladies, first, Mrs. Max Kalmach, consolation, Mrs. Leon Heimerding; men, first, Homer Stoffer, consolation, Ernest Hopkins. The traveling prize was won by Robert Farrell.

The next party will be held Nov. 19 at the home of the Laurence Noaks.

### CHILD STUDY CLUB

The Chelsea Child Study club held a guest meeting at the home of Mrs. Howard Flintoft Tuesday evening, Oct. 25. Twenty-five members were present and 15 teachers from the Chelsea Agricultural School attended as guests.

Mrs. C. W. Sunday of the Ann Arbor Story Tellers League, gave a very interesting talk on how to tell stories.

Mrs. Thomas Murphy gave a report on the state convention of the Michigan Child Study association held at Mt. Pleasant, Oct. 20. Other members of the club who attended the convention are Mrs. Parker Sharrard, Mrs. Thomas Young, Mrs. Hugh Sorensen and Mrs. John Aiber.

At the close of the meeting refreshments were served by the hostess, assisted by Mrs. Richard Riemenschneider, Mrs. Harold Hopper, Mrs. Donald Fogg, Mrs. Woodrow Griffith and Mrs. Waldemar Grossman.

For the next meeting on Nov. 8, Child Study club members will be guests of the Woman's Club of Chelsea. The meeting will be held in the Public Library.

Miss Iska Boottger of Saline, has arrived to spend the winter here at the home of her sister and brother-in-law, Mr. and Mrs. Warren Geddes.

### Honor Lyndon Couple on 15th Anniversary

Coming as a complete surprise to Mr. and Mrs. Eugene McKernan who were invited to attend a euchre party at the Lyndon Town Hall Friday evening, relatives, friends and neighbors numbering 57 in all, gathered there to honor them on their 15th wedding anniversary.

A delicious pot-luck lunch was served after which a social evening was enjoyed. Homer Stoffer, in behalf of the group, presented the happy couple with a set of dishes and a purse of money.

### HONOR 56th ANNIVERSARY

On Sunday, Oct. 23, Mr. and Mrs. J. J. Bareis were guests of their family who took them out to dinner in celebration of their 56th wedding anniversary. Members of their family at the dinner with them were Mr. and Mrs. Fred Bareis of Jackson, and Mr. and Mrs. Dan DeLong and Mr. and Mrs. Ray Hurshey, of Tecumseh.

### OBSERVE BIRTHDAY

Miss Beryl McNamara, of Detroit, spent Tuesday here with her aunt, Mrs. Anna Hoag, at the home of Mr. and Mrs. George P. Staffan, the day being Mrs. Hoag's birthday.

Mrs. Hoag was remembered with many cards and greetings including a shower of birthday cards from members of the Past Matrons' group of the O.E.S. of which she is a member. The Chat 'N'

Seau of the Congregational church of which she has also been a member for a number of years, sent her a chrysanthemum plant.

### ATTEND FELLOWSHIP

Six members of the Ladies' Guild of the Congregational church attended the women's fellowship meeting of the Jackson Association of Congregational churches at Hudson last Wednesday, October 26. During the meeting a memorial service was held in memory of the late Mrs. W. H. Skentelbury. The service included two solos, "The Lord's Prayer" and "Ave Maria" by Mrs. Charles Stucky, of Hudson. Mrs. William Hainsworth, of Dexter, presided at the meeting.

The Chelsea Guild members who attended the meeting were Miss Florence Ward, Mrs. Norman Perkins, Mrs. Elmer Lindemann, Mrs. May Luick, Miss Ruth Skentelbury and Mrs. R. Miller.

### JACKSON CUB-SCOUTS VISIT LEIGH BEACH FARM

On Friday, after school, 26 Brownie Scouts of Troop 7, Jackson, accompanied by a group of mothers, enjoyed "Halloween fun on the farm" with their leader, Dorothy Fern Beach at the farm home of her parents, Mr. and Mrs. Leigh Beach. A tour of the farm included a long hike through the woods and was followed by supper, singing and games.

Sunday dinner guests at the home of Mr. and Mrs. Walter Trinkle were Mr. and Mrs. W. B. Zogleman and children.

### Salem Grove WSCS Observes Opening of 'Week Of Prayer'

On Tuesday, Oct. 25, the WSCS of Salem Grove Methodist church observed the opening day of the Week of Prayer and Self-Denial with a meeting at the church. Women of the Mt. Hope church were their guests. About 45 women were present.

The afternoon's program was presented as follows, with Mrs. Chester Notten presiding as chairman: responsive reading, led by Mrs. Notten; vocal duet, Mrs. Oscar Kalmach and Mrs. Glenn Rentschler; Scripture, Matthew 9:35-38, Mrs. Harold Wahl; song, "From Greenland's Icy Mountains," by the assembly; readings by Mrs. Harold Wahl and Mrs. Chester Notten; talks by Mrs. Vern Panzer, Mrs. Engel Quitt and Rev. Vern Panzer on the subjects, "The Maynard-Columbus hospital, Nome, Alaska," "The New Wesley Building, Knoxville, Tenn.," and "Hiroshima College and Aoyama College, Tokyo," respectively; song, "We Give Thee But Thine Own," by the assembly; closing prayer, by Rev. Panzer.

An offering taken at the meeting is to benefit the Maynard-Columbus hospital which was recently destroyed by fire.

Tea was served in the church basement following the prayer service, with Mrs. Oscar Kalmach and Mrs. Engel Quitt pouring.

Chrysanthemums decorated the table.

### SAVAGE SCHOOL CLUB

The Savage School club held a family night gathering Tuesday evening in the Home Ec. room of the Chelsea High school. There were 41 persons present. A baked ham supper was en-

joyed and was followed by an evening of euchre, seven tables being in play. High prizes were won by Mrs. Albert Forner and Tommy Franklin, while Mrs. Floyd Rowe and Walter Zeib were awarded consolation prizes.

# How can Marathon make such a powerful gasoline

AND SELL IT AT THE PRICE OF "REGULAR"?

## Here's the "How"...

You're looking at Marathon's new multi-million-dollar CATalytic cracking unit. It's the most modern, most efficient, ever built. The simple fact is that it gets more gasoline power out of a gallon of crude oil than was ever before thought possible.

It's the efficiency of this newest and most advanced refining method that enables Marathon to bring you a really new kind of gasoline performance... an unbelievably smooth, cat-quick pickup from any speed. Yes, and to do it at the price of "regular" gasoline.

Convince yourself with ONE tankful of

Percy (in the fur coat) would have saved himself a small bank account if he'd REMEMBERED to bring his car in for winterizing. A few minutes spent in checking tires, lubrication and ignition... another minute to charge his battery and fill the radiator with anti-freeze and he'd hardly know it was cold outside. Don't tread in Percy's footsteps. Drive in for winterizing today!

## EDITORIAL

The lockers and desks in Chelsea high have presented some great problems. Here are a few of them.

Have you cleaned out your locker lately? Probably not. The lockers which are put in our school for the students' benefit should be taken care of by their users. Most lockers accumulate a great amount of waste paper during a period of time and need cleaning out very often.

During the school year Chelsea high usually has one day set aside as locker inspection day. This is a fine idea but one day is not enough. From now on let's make it a point to inspect our own lockers at least once a week.

This same waste paper problem affects the desks too, especially in study hall. These desks very often have a great amount of waste paper in them. How does it get there? Some student decides to clean out his notebook and doesn't want to go up to the waste basket, so in the desk goes the debris.

We're all in a great part of the day, so let's try to keep our desks and lockers as clean as possible. This is our duty, not the janitor's.

### ADVICE FROM ME!

Here I am, boys and girls! I hope you are all glad to see me, although I know most of you are not. If you had studied, you would be glad to see me. If you weren't, I would like to give some advice which, if followed, will make me much easier to accept.

I didn't like the grades that were put on me any more than you did. I can't do anything about it; you're the one that has to get busy and study. Wouldn't you like to see your name on the Honor Roll? This is only the first marking period and you can get it there if you get to work and study.

The next time you hear my name mentioned you won't have to groan and say, "What's he doing? He's doing more studying." You will be proud to take me home if you will study. So let's all get down to work and see if more people can't get better looking cards.

### PEP RALLY

Something new, something different—a big pep rally—will be held here at school this evening. There will be a bon-fire on the playground. The cheerleaders, the players, and the coaches will be there, so you can expect a lot of noise and cheers. After the cheers and speeches there will be a snake dance through town. Why don't all of you treat yourselves to a good time by coming to the rally and giving the team support and encouragement by your cheers?

### EAST LANSING BOUND

Scene: School bus.  
Characters: Journalism class.  
Bound for: Michigan State college for Journalism Day.  
The bus has pulled out with the journalists singing at the top of their lungs. Upon arrival they were welcomed by Prof. Applegate and plans for the day were explained to approximately 1,000 students from many Michigan high schools. The assembly was broken up into smaller groups and we attended these classes.

The first was the Exchange, which dealt with trading papers with other schools. The next class concerned editorials and materials for writing articles. Another class was about features and how to make them interesting to everyone. The last was the "column" which featured how to write on small things dealing with people and how to make it interesting to all.

Most high schools can improve their yearbooks and Chelsea is certainly no exception. There are several good features about the Chelsea annual, but there are improvements that should be made.

Many suggestions for a better annual were given by speakers at Journalism Day, held Oct. 21, at

Michigan State college, which was attended by the local club.

Some of the ideas given were as follows: The dedication page is no longer used in most yearbooks; an appropriate theme should be chosen and carried throughout the book. Most schools believe it advisable to have underclassmen on the yearbook staff. In this way there is always someone who knows about editing the book.

School annuals don't contain enough informal pictures. These pictures should be neatly arranged on the page. The names must always be put under these pictures, not written on them. Too many schools forget this. These pictures should be scattered throughout the book and certain pages should be set aside for informal poses. Every sport and activity should be covered—this includes the important dances such as the Junior-Senior prom and the spring dance.

One of the most important ideas given, was that pictures and cartoons be used in the advertising section to put some life in it. The photographs should picture high school students in and around the place of business. Pictures such as these will further the merchant's cause as more people will read and take notice of this section.

These are the articles in the annual that might be improved. The question is, will they be?

The journalists gathered a good deal of information which will help them greatly. Everyone had a wonderful time.

WE PICK UP ALL THE DIRT!

It seems you have to be a football player to get good grades in some of the classes. Pretty tough on girls, isn't it?

One of the senior girls seems to be rather warm lately. She has to open the window in all of her classes. Maybe she has a new "arm-strong heater".

What were those chuckles heard last Thursday in all the study halls? Could it be the seniors reading their play and getting a big laugh out of it?

It seems that some high school students have grown too old for tricks or treats. So now it's just "tricks" and "treats".

There is a saying going around "What happens?" You don't know, do you?

Wonder what happened to Ted B's face? Maybe he was getting ready for Halloween early?

### Organizations ...

#### STUDENT COUNCIL

The motion was made and seconded that a member of the speech class should give a talk to the pupils of the school on the need of helping a foreign school, or adopting one. This was appointed to see Mrs. Mageria about this speech.

The chaperons for the buses traveling to the Flat Rock game were Miss Hilda Eisemann, Miss Dorothy Eisemann, and Mr. and Mrs. Armin Schneider.

The motion was made and seconded that 15c admission should be charged for the puppet show to be held Nov. 10.

The Student Council talked about having a man and his trained monkey come and present a show. Kay Murphy was appointed to look into this matter.

Student Council approved the plan for a rally to be held Nov. 3.

#### HI-Y

The Hi-Y boys held their monthly evening meeting Wednesday, Oct. 26, at St. Paul's church. Games and songs were enjoyed by everyone. Refreshments were also served. Mr. Downing of the Manchester school and formerly of Chelsea, gave a very interesting talk. Mr. Downing is the Chelsea Hi-Y.

Plans for a Hi-Y rifle match are being delayed pending approval by the school board.

The Hi-Y boys are making plans to send two representatives to a "Youth in Government" conference in Lansing early in December. The boys will take over the state government for the day. Each group, including our own, will have a bill prepared to be "enacted" as law.

### OVER THE AIR WAVES

The 50 voices of the Chelsea

## The Power that made Buick Famous

If you want to know what's "the newest thing" in automobile engines, look at the Buick engine pictured here, and you'll see the words "valve-in-head."

But it happens that this isn't new with Buick. As a matter of fact, the valve-in-head engine was invented back in 1902—U. S. Patent No. 771095—and immediately, Buick adopted the principle, which became the first in a long string of "Buick firsts."

Not everyone went for the idea—then. In spite of the fact that this engine "breathes" more freely—gets fuel in and exhaust gases out more easily—others hung onto their pet ideas.

Then came the airplane, with its

need for maximum power from every drop of fuel—and every maker of internal combustion airplane engines adopted the valve-in-head principle.

And more recently—with the hope that higher-octane fuels will become available—a lot of automotive engine designers are taking a new look at the valve-in-head idea.

But just for the record, we'd like to point out that Buick got there first.

And ever since, Buick has gone steadily ahead, building up a name as "valve-in-headquarters." Buick engineers reshaped pistons to put Fireball wallop in these engines. They stepped up compression

ratios as fast as better fuels came along.

So perhaps you'll want to remember, when you hear the term "valve-in-head," that this is the type of power that made Buick famous.

If others want to climb on the bandwagon, we say "more power to them"—and no pun is intended.

But Buick has been doing more with valve-in-head right from the start.

And—we might add—it stands to reason that Buick is not through making this type of engine better and better.

The Trademark of Quality...

**JOHN DEERE**

RESPECTED  
EVERYWHERE

Wherever modern farming is practiced, you will find quality John Deere Equipment ... and enthusiastic John Deere boosters.

These farmers, as their fathers before them, have found that the leaping deer trademark is the label of farming equipment correctly designed ... properly built ... to give them the maximum service, over the longest period of

time at the lowest possible cost.

With today's modern power equipment doing increasingly more of farming's muscle work, quality of farm equipment—both in design and construction—has assumed a new and even greater importance. That's why it pays to look for the John Deere trademark on the farm equipment you buy.

## FFA REPORTS ON BARN

The FFA boys of Chelsea High school have given the following comments on Klingler's 20th Century dairy barn:

J. Lightner: "Very good electric gutter cleaner."

J. Lightner: "Good hook-up for vacuum and water pipes."

N. O'Connor: "Good lighting; he needs two slots."

M. Leach: "Good milk coolers."

W. Zeeb: "Sanitary as a hospital."

W. Bauer: "Why four types of cows? Is it an experimental station?"

B. Bycraft: "Why don't they raise their own food?"

D. Bott: "I like the new windows."

R. Guenther: "I would like to own the place."

K. Proctor: "It is a nice place, but I would rather have the money."

D. Schrader: "Good place for a dance hall."

A. Musbach: "Too big."

J. Roberts: "I like the barn and also the 500 acres."

A. Barreis: "Good barn, but—"

A. Erke: "Where is he going to keep the feed?"

B. Robbins: "Unsatisfactory way of taking care of the milk."

J. N. Lantis: "It is a swell looking barn anyway you look at it, but cost too much."

P. Smith (Ag. teacher): "A barn like this should be a pleasure to work in, and if good cows are kept and milk prices remain high it should be profitable."

## MUSICAL ESCAPADES

The Chelsea band will play at the Parma game, Friday, Oct. 4. This night will be called "Dad's Night." All fathers will be permitted to enter the game free of charge, and they will all be seated in one large group.

The band will also furnish music for the pep rally which will take place the night of Nov. 3.

The band marched and played in the Halloween parade which took place Oct. 31.

## SPORT LIGHTS

The first meeting of the basketball girls was held in Miss DeRose's room last Wednesday. A point chairman was elected and also a food chairman. They are Jean McClure and Gertrude Widmeyer.

The basketball girls received a letter from Manchester about planning a league. They are sending two representatives, Peggy Schallable and Mary Ann Schrader. There will be students from six different schools present at this meeting.

## ART DESIGNS

The Art I and II classes went yesterday, Nov. 2, to the "Contemporary Living Show" at the Art Institute in Detroit.

The latest designs of everyday living things such as modern furniture, silverware, textiles, glassware, pottery, household articles, toys and jewelry were shown in this exhibit.

A number of rooms by contemporary designers were shown.

## LATIN LINGO

The Latin students are now learning the difference between Continental and Classical Latin.

## Assemblies...

Mr. Cameron, the main speaker of the assembly held last Friday, congratulated the students who were on the honor roll. Everyone who was not on the honor roll should try harder this six weeks and see if he cannot be on the honor roll also.

During the assembly, called for a number of reasons, Mr. Cameron stated the activities that would be in progress over the week-end and on Monday evening. On Saturday evening, of course, the Amateur Show will be held by the Kiwanis club. Also, Saturday evening was set aside for the smaller

children to go begging. On Monday evening the annual Halloween party was held for the children.

It was also stressed by Mr. Cameron that 160 students signed up to ride on the buses to the Flat Rock game. One bus was reserved for the teachers and the other four buses transported the students.

The assembly was concluded by a short pep meeting with Mr. Cameron in charge. He said this one was to be different from all the other pep meetings ever given.

Both coaches, Mr. Stuits and Mr. Mageria, expressed their confidence in the team. It really was different—Mr. Cameron didn't tell any stories. However, it was closed in the usual manner by the student body's singing of the school song.

The bookkeeping class saw a movie entitled "Bookkeeping and Accounting." This movie told about the various ways bookkeeping may be used. It also showed the different types of work accountants perform.

A movie was shown to Mr. Fisher's art class entitled "Drawing in Pencil." This movie featured an artist who drew pictures of stone, trees, grass, and sky. He made all of these sketches using only one pencil. The movie followed the drawing of the artist from the thumb-nail sketches through to the large, perfected drawings.

The chemistry class saw two movies last week. One was entitled "This Changing World." This movie told the story of the different industries. It also told about the mining and processing of nickel. The movie stressed the great changes industries have brought about in our standards of living.

The second movie shown to the chemistry class was entitled "Properties of Water." It explained the chemical and physical properties of water.

Mr. Mageria's seventh grade history class saw a movie about coffee. This movie showed the different areas where coffee is grown and the processes coffee must go through before it reaches the consumer.

The biology class saw a movie entitled "Realm of the Wild." This was one of the movies put out by the State Agricultural department. It dealt mainly with the balance of nature. The movie showed how the conservation department keeps up the forests and wild life.

## ST. MARY'S School Notes

**SAFETY TALK**  
Vernon R. Martin, from an auto insurance agency in Detroit, spoke to the pupils on Friday, Oct. 23. He urged all to obey and respect the patrol boys, reviewed the laws regarding bike riders and cautioned the children as to how to cross the street when leaving the school bus. Mr. Martin then spoke to members of the patrol, stressing such features as promptness, good example and cheerfulness. Each pupil received a very attractive safety picture to color.

**BIRTHDAY GREETINGS**  
November birthday greetings are extended to: Joseph Chiswell, Kathleen Tuttle, Leo Hafner, Susan Steger, Helen Lentz, Robert Weber, Myra Oesterle, Mary Lou Ghidotti, Jean Marie Young, Rose Ann Hoffman.

**PERFECT ATTENDANCE**  
Perfect attendance for October is as follows:  
First Grade—Joseph Chiswell, Guy Devine, Donald Forner, Gordon Glick, Gilbert Glick, Judith Glick, Francis Labon, Nadine Lentz, Ruth MacDonald, Linda Steele, Richard Wood.  
Grade Two—Patricia Bennett, Walter Braden, Jerry Dault, Leo Hafner, Matthew Murphy

## YOUR OLD TRUCK MAY TRADE FOR \$25 TO \$200 MORE THAN YOU THINK

THESE FOLKS MADE MONEY ON A FORD TRUCK TRADE!

Why Don't You?

"My old truck was just about ready for retirement, so when I heard about the big trade-in allowances my Ford Dealer was making, I decided to deal. If I had waited a few months longer, I would have had to take a couple of hundred dollars less for my old truck."—Ray Glig.

"When I decided to trade in my old truck, I did a little shopping around to see how good a deal I could make. The best deal was at Ford. My old truck brought me \$75 more from my Ford Dealer than it would have at three other places."—Ben Fleishman.

"My old truck was facing some big repair bills. So, when I heard that my Ford Dealer was making big trade-in allowances, I went down to see. In addition to a dandy allowance, I figure I made a fair \$200 on a Ford Truck trade. Used truck prices were slipping so fast that in 90 days, the kind of truck I traded in was selling for \$200 less."—Leonard Doble.

"When I heard my Ford Dealer was making the best truck deals in town, I decided to check. I made up my mind on the spot, and I'm tickled pink I did. Used truck

## World Community Day Service To Be Held Tomorrow

All women of the Congregational, Methodist and St. Paul's churches are urged by committees in charge to attend tomorrow's World Community Day program at St. Paul's church hall. The program will begin at 2 o'clock and at the conclusion a social hour is to be enjoyed and refreshments will be served in the downstairs dining room by the ladies of St. Paul's church.

During the program the "Pieces for Peace" bundles will be dedicated. The committee advises those who do not have materials for a complete bundle of their own to bring whatever articles they have and bundles will be packed later from these donations.

Directions were given on page 1 of last week's issue of the Standard in regard to acceptable materials for the bundles and proper packing of completed bundles.

The World Community Day program is a project of the United Council of Church Women and is carried out through the channels of Church World Service. The Chelsea Protestant churches have participated in the World Community Day projects, as far as donations were concerned, for the past four years but this is the first year they have united for a special service of dedication. Committees hope to make the event an annual affair as has been done with the World Day of Prayer on the first Friday in Lent.

Because this World Community Day service is being held on the regular meeting date of St. Paul's Women's Guild the Guild meeting has been postponed and will be held next Friday, November 11, at 2 p.m.

## Wash. Farm Bureau Women's Committee Elects New Officers

The Women's Committee of the Washtenaw County Farm Bureau held its fourth quarterly meeting at the home of Mrs. Alfred Kuhl on Fletcher road, Thursday, Oct. 27. A pot-luck dinner was served at noon.

In the afternoon the meeting was called to order by Mrs. J. J. Waggoner, Chelsea, chairman. Mrs. Walter Wolfgang gave an interesting report on the Workshop Conference. Reports were also given by Roadsides, County Road Clean-up, and Cancer Detection committees.

In the afternoon the meeting was followed with the results being as follows: president, Mrs. Walter Wolfgang, Chelsea; vice-president, Mrs. Glenn Bird, Superior; secretary-treasurer, Mrs. Lester Wright, Ypsilanti. Group chairmen: southeast quarter, Mrs. Fred Phelps, Saline; southwest quarter, Mrs. Wade Scudder, northwest quarter, Mrs. Jack Bradbury, northeast quarter, Mrs. George Fredericks, Ann Arbor. Delegates and alternates were also elected to the state meeting at Lansing on Nov. 9. Herman Howelsen was present and talked to the group. The next meeting will be held in January, the place to be announced later.

## Cub Scouts Enjoy Wiener Roast Outing at Kayser Home

On Wednesday, Oct. 26, Cubmaster Willard Pearson and Mrs. Pearson, assisted by Loren Knickerbocker, Andrew Leland, Willard Guest and Loren Wenk, took the Cub Scouts, about 30 in all, to the home of Mr. and Mrs. Edmund Kayser where they enjoyed a wiener roast. The group made the trip out in the Pearsons' truck.

Following the wiener roast the group enjoyed songs and ghost stories as Halloween fun.

The Cub Scout leaders and members were happy to win first prize on their float in the Kiwanis-sponsored Halloween parade Monday evening. Their float represented a cage of the wild animals (beavers, weasels and lions) represented in their cubbing achievement ranks. The "cage" was drawn by a tractor decorated to represent an elephant driven by a "rajah" (Andrew Leland). The elephant leader was Loren Wenk; Willard Pearson appeared as Tarzan; Edmund Kayser was Daniel Boone; and Lawrence Riemenschneider was the drum beater.

The float was prepared at the Leland home under the direction of Mr. and Mrs. Leland. They were assisted by Mr. and Mrs. Edmund Kayser, Mr. and Mrs. Lawrence Riemenschneider, Willard Pearson and Loren Wenk. Mothers of the Cub Scouts made the boys' costumes.

The Cub Scout Committee meeting is scheduled for Friday, Nov. 11, at 7:30 p.m., at the Loren Wenk home.

(approximate figure), about 75 per cent less than Chelsea's almost \$6,000,000 county equalized valuation.

If Manchester, with its \$1,500,000 valuation can successfully carry out its school building program of \$100,000, or 6.6 per cent of their valuation, the Chelsea district should be able to handle without any difficulty, a \$350,000 program on the strength of their \$5,250,000 valuation, school officials state. Chelsea's \$350,000 program would amount to only 5.8 per cent of the district's valuation, according to figures submitted by school officials.

Something must be done about providing additional school facilities for the Chelsea district. School Board members reiterated. If the plan they are recommending today is not approved as the solution, they say, it will be their responsibility to continue in their attempts to solve the problem in some other manner. They state, however, that the plan as it is being re-submitted today, is the result of much study and planning on their part and is being presented for approval of electors as the plan they feel, is best suited for the needs of the district.

## Wild Raspberries

## Ripening in October

Derrill Knies, predatory animal control officer for this district and Don Boyer, conservation officer, were in the vicinity south of Saline last week checking on pheasant hunters and came upon a wild raspberry bush bearing ripe berries, as well as blossoms and unripened berries. To verify their report they brought in to the Standard office a sprig with about a dozen ripe berries and a number of blossoms and green berries on it.

Mrs. W. G. Price said last week that a forsythia bush at her home on US-12 at Lima Center was budded and ready to burst into bloom.

## Old-Time Fireman

## Finally Identified

In the picture printed in the Oct. 13 issue of The Standard, showing fire department members lined up across Main street some time in 1900, one man could not be identified. Since that time, Ed. Gentner, long-time Chelsea firefighter, now retired, informed Fire Chief Young that the unidentified man was the late Hector Cooper. He is shown in the top row of the picture between Milo Shaver and Rha Alexander.

In the list of surviving members of the group as printed, the name of Rha Alexander was unintentionally omitted.

Sunday dinner guests at the home of Mr. and Mrs. H. D. Littler were Mr. and Mrs. Clarence Malcolm of Dearborn, and afternoon callers were Mr. and Mrs. George Gibbs of Garden City.
