Milk Keeps You In Good Form  
You won't be out of step with activities this year if you resolve to have a quart of milk 365 days in a row. Good health accompanies milk.  
Maxwell the Milkman fiddles a tune of good sense. His score reads: drink three glasses of milk daily and supplement them with foods of a high milk content like a cereal, rice pudding and custard.  
**WEINBERG DAIRY**

"I give all the credit to the fishing tackle I located through the telephone directory Yellow Pages."

No wonder they're calling them  
**"TOP CHOICE FOR 'FIFTY'"**

They're greater in power—higher in compression—a standout in styling—dreams to drive—and now there's a Buick beauty for 1950 to fit practically any budget.

No, we just couldn't hold back the whole big Buick line for 1950. They're too good-looking—too much fun to drive—too jam-packed with stepped-up, higher-compression, ready-to-ramble power—to be kept under cover.

So maybe you've already seen some 1950 Buicks on the highway. Maybe you've noticed the extra "git up and travel" they have—glimpsed the wide, curving windshields (one piece in most models)—noted, approvingly, that the typical Buick taper is now found in all Buick fenders.

Maybe you've even heard some things... That there are more than a dozen-and-a-half models to choose from. That there are three power plants in the Buick line—all of higher compression, all stepped up in power.

That all models are big and roomy inside—some rear seats are better than a foot wider than before!—yet in every instance, shorter over-all, so easier to handle, park and garage.

Above all, maybe you've heard of exciting news on price... That Dynaflo Drive, for instance—standard on ROADMASTER models, optional on all others—now costs 20% less than on 1949 models.

That in the full line—SPECIAL, SUPER and ROADMASTER series—there is a Buick to fit practically every budget above the very lowest! Pictured above is the 1950 SUPER 4-door Sedan, one of the new Buick body types for 1950. At your Buick dealer's are more actual models, the whole story on others. Hadn't you better see him—right now—and see if you, too, don't find Buick "top choice for 1950"?

WHATEVER YOUR PRICE RANGE  
**"Better buy Buick"**

ALL THAT'S BEST IN MODERN COOKERY

Start the new year with a new range that will give you new cooking freedom and convenience. Trade in your old stove for a liberal allowance on a "CP" automatic gas range that will bring you all the late cooking features.  
High speed top burners that cut cooking time 1/3. Low temperature oven controls that reduce meat shrinkage up to 35%. Only gas can give you full circulating fresh air oven heat that assures even browning on all sides. Simmer burners that permit "waterless cooking" that preserves precious vitamins. A clock that turns the oven on and off and cooks an entire meal deliciously while you are away.  
Your choice of these "CP" cooking marvels delivered and installed in your kitchen for only a few dollars down.

# 1950 CHEVROLET

introducing *POWERGLIDE* automatic transmission

Optimal on De Luxe Models at Extra Cost

The Styling De Luxe 4-Door Sedan

*FIRST...and Finest...at Lowest Cost!*

Chevrolet for '50 brings you the best of everything at lowest cost... greater beauty... finer performance with economy... outstanding driving ease, comfort and safety!

Here, in Chevrolet for '50, are the finest values the leader has ever offered to the motoring public. These thrilling new Chevrolets are available in 14 surpassingly beautiful Styleline and Fleetline body-types. They bring you a choice of two great engines and two great drives—the *Automatic Power-Team*\* and the *Standard Power-Team*—described in detail below. And they also bring you quality feature after quality feature of styling, riding comfort, safety and dependability ordinarily associated with higher-priced cars, but found only in Chevrolet at such low prices and with such low cost of operation and upkeep.

Come in. See these superb new Chevrolets for 1950—the smartest, liveliest, most powerful cars in all Chevrolet history—and we believe you'll agree they're **FIRST AND FINEST AT LOWEST COST!**

---

**ONLY LOW-PRICED CAR TO OFFER A CHOICE OF STANDARD OR AUTOMATIC DRIVING**

**THE AUTOMATIC POWER-TEAM\***

(Built by Chevrolet—Proved by Chevrolet—Exclusive to Chevrolet)

NEW POWERGLIDE AUTOMATIC TRANSMISSION—for finest Automatic Driving (with no clutch pedal—no clutch pushing—no gearshifting). It combines with Chevrolet's new Economy High-Reduction Axle to bring you an entirely new kind of driving... low-cost automatic driving that is almost 100% effortless... it's the simple, smooth and thrifty automatic transmission, NEW 105-H.P. VALVE-IN-HEAD ENGINE (with Power-Jet carburetor and Hydraulic valve-lifters). Here's the most powerful, as well as the most thoroughly proved engine, in the low-price field... giving performance extraordinary... together with traditional Chevrolet economy in over-all driving.

Optimal on De Luxe Models at Extra Cost

**THE STANDARD POWER-TEAM**

(Outstanding for Standard Driving Ease... Performance... and Economy)

HIGHLY IMPROVED, MORE POWERFUL VALVE-IN-HEAD ENGINE (with Power-Jet carburetor and larger exhaust valves). The fine standard Chevrolet engine now made even finer... giving you more power, more responsive pickup, greater over-all performance... plus the outstanding economy for which Chevrolet has always been noted. THE FAMOUS SILENT SYNCHRO-MESH TRANSMISSION (with Extra-Easy Hand-E-Gearshift). Long recognized, by automotive engineers and the motoring public alike, as the pattern of smooth, quiet gear transmissions... assuring extremely simple and easy gearshifting... in fact, owners say easiest car operation, next to automatic driving itself.

## 680 Pounds of market broiler per ton of feed!

That's right—Larro feeders are getting extra weight per bird by feeding Larro Broiler Feed in both forms—mash and pelleted.

Start with the mash. Then, at the end of the fourth week, begin scattering pellets on top of the mash each forenoon and afternoon. Use quantities the birds will clean up in about 30 minutes. It sharpens their appetites—puts on 4 to 8 ounces more per bird... more than pays for the extra time involved. Larro feeders are getting 3½-pound birds in 12 weeks.

Get the facts and you'll get Larro

THE BETTER YOUR FEED THE BIGGER YOUR PROFIT

# Ford for power

Feel the "go" of the '50 Ford's 100-horsepower engine. It's the same type engine now used in America's costliest cars—but the '50 Ford brings it to you for hundreds less than most "sixes." And it's a quiet engine, too. It actually whispers while it works.

# Ford for style

Ford's "Fashion Car" styling—now more beautiful than ever—is protected by new, baked-on colors, "built to live outdoors." New sparkling upholstery fabrics are long lived, too. Even seat life has been lengthened through the use of non-sag front seat springs under foam rubber cushions.

# Ford for price

To ride in a '50 Ford, you'd think you were riding in one of America's costliest cars—yet Ford is America's lowest-priced car with a V-8 engine. This hundred horsepower "eight" is yours for hundreds less than most "sixes." Quality feature after quality feature such as Ford's low, level "Mid Ship" Ride—Ford's sound-conditioned "Lifeguard" Body—Ford's 35% easier acting King-Size Brakes—make the '50 Ford the one fine car in its field.

SEE... HEAR and FEEL the difference at your FORD DEALER'S

Mrs. Ligos had previously spent a week here with Mrs. Misaleles but had returned to her home when she became ill. Mrs. Cora Riggs of Royal Oak, was a guest Saturday at the home of Mr. and Mrs. Harvey Heiningger. Sod Crops Profitable Sod crops are one of the best profit builders on a farm, the Middle West Soil Improvement Committee points out. More grass and legumes means you can carry more cattle or hogs per acre. A good legume grass sod builds soil structure and mellowes the land for crops following. To get good top growth and root development, lime the soil according to tests and add plenty of phosphate and potash.
