Drums are being beaten again to ease the traffic bottleneck at the Straits of Mackinac by building a bridge. Who would pay for it? Everybody and nobody. Linking the lower and upper peninsulas has been a dream of Michiganans for many years. During the highway department regime of Murray Van Wageningen, a bridge authority was created by the legislature. A causeway to the bridge was half-completed in 1941 on the St. Ignace side at a cost of around \$1,000,000.

World War II intervened, and the project was sidetracked. Now, under the inspired leadership of Stewart Woodfill, president of the Mackinac Island Grand Hotel, it has been revived. Gov. Williams has been asked to include it in his plan for the 1950 special session of the state legislature starting March 15.

The Mackinac Bridge Citizens' Committee, of which Mr. Woodfill is chairman, estimates that the Straits bridge could be built for approximately \$50,000,000. One-half of this amount, or \$25,000,000, would come from the U. S. Treasury at Washington. Would this sum come out of the state's allocation of federal aid for state highway construction? Or would the amount be appropriated outright by Congress as a grant for a local improvement?

The committee's literature states that "the highway from Detroit to Sault Ste. Marie via the Straits of Mackinac, is one of the few highways in the United States that has been designated by the Congress as part of the interstate highway system of the United States." Furthermore, the federal government may grant 50 per cent of the cost of improvement of these interstate highways, it is explained.

Thus the assumption is clearly given that the \$25,000,000 federal grant for building the Straits bridge would come out of Michigan's federal aid for highways. The bridge would be constructed in lieu of new highways elsewhere.

The committee also throws out the possibility that Congress might authorize outright grants of money for local improvements, such as a Straits bridge.

The remainder of the bridge cost, also \$25,000,000, would be financed by a toll paid by motor vehicle users—automobiles, trucks and motor buses.

The Citizens' Committee estimates that a minimum of \$1,000,000 motor vehicle would use the bridge during its first year—1955. The \$25,000,000 share of the bridge cost, when financed by self-liquidating bonds bearing four per cent interest, would impose an interest load of \$1,000,000 in the first year. The toll revenues would be \$1,000,000. Maintenance and operation would cost \$300,000. Around \$600,000 would be available the first year to retire bonds.

To review the plan, the financing would be accomplished by \$25,000,000 from the U. S. Treasury—either in federal aid for highways and hence as a substitute of new roads elsewhere, or as an outright gift—plus \$25,000,000 bonds to be paid off by bridge tolls.

At a time when billion dollar treasury deficits have recurred with clock-like regularity at Washington for 16 out of 18 consecutive years, \$25,000,000 does not seem to be much money.

This thing called "federal aid" has the magic of being everybody's money. Like state aid, it seems the lure of being a gift. Both federal aid and state aid imply that everybody pays the bill. If you don't pay your share, someone else will. If we don't take money for a local post office, then this money will be spent elsewhere.

You are familiar with the ring-around-the-rosy story—of taking money from Washington and Lansing.

Anti-Rabies Campaign To Be Launched

Dogs Must Be Vaccinated Before License Is Issued

The probability that Washtenaw county might have another year free from rabies or hydrophobia in dogs and livestock received quite a boost today with the announcement that the County Health Department and Washtenaw county Veterinary Medical Association and the dog warden in the Sheriff's department were sponsoring dog vaccination clinics throughout the county between Feb. 1 and 10.

An intense program for anti-rabies vaccination of dogs followed the adoption in May 1948, of a resolution by the Board of Supervisors requiring that all dogs be vaccinated before a license would be issued. This resolution was passed under provisions of Act 171 of Public Acts of 1947 of the State of Michigan. It was felt necessary after 13 cases of rabies in dogs and livestock and one death in a four-year-old girl in East Ann Arbor were reported in the first five months of 1948. According to local authorities, not a single case of rabies has been reported since July 1948.

Under Act 171 of Public Acts of 1947 of the State, and the resolution passed by the Board of Supervisors in 1948, rabies vaccination in dogs must be repeated annually.

This year according to state law it will be necessary to have all dogs licensed before March 1, 1950. In previous years the deadline in this county has been June 1.

These clinics are designed to serve those throughout the county who may find it difficult to get their dogs into their own veterinary office for vaccination. An effort will be made to hold the clinics in the same locations in which they were held last year.

In 1949 the clinics were held in Ann Arbor, Ypsilanti, Chelsea, Manchester, Dexter, Saline, Milan, Whitmore Lake, North Lake, and Willow Run Village.

A fee of \$1.50 will be charged for each dog vaccinated in the clinics.

The specific time of day and place where the clinic will be held will be announced later.

Last year approximately 1,400 dogs were handled in clinics, and somewhere in the neighborhood of 6,000 were cared for in private veterinarians' offices. The dog population in the county is estimated to be somewhere near 10,000.

With the appointment of a new dog warden, Don Riddick, in the sheriff's office, complete enforcement of the law regarding rabies vaccination and dog licensure may be anticipated in 1950. Full penalty for violation of the law is a fine and license a dog will be revoked by local authorities, county Health Department spokesmen say.

L. P. Vogels Leave for Voyage to Panama

Mr. and Mrs. L. P. Vogel left Tuesday for New York where they remained overnight prior to sailing Wednesday on the S. S. Ancon for the Panama Canal zone. They plan to spend some time with their son, Col. Herbert D. Vogel, and his wife, at their Balboa Heights home. Colonel Vogel is engineer of maintenance at the Panama Canal for the U. S. Army, a post to which he was assigned last July. The Vogels expect to be away about a month. On Saturday Mrs. J. E. McKune was hostess at a luncheon for Mrs. Vogel, followed by bridge, and a going-away gift was presented to Mrs. Vogel.

Dexter To Vote on Reorganizing Schools

Legal petitions asking for an election on the matter of reorganizing 12 local school districts into a rural agricultural school have been completed and filed with County Superintendent of Schools, Julius Haab. Kenneth Letsinger, Superintendent of Dexter schools, made this announcement last week. All the petitions carried the majority of signatures to carry through the election request. The districts included the schools of Church, Featt, Podunk, Merrill, Gallagher, Hudson, Mary Hawkins, Easton, Arnold, Smith, Parker and Dexter Graded—The Dexter Leader.

Taking Bids for Carrying U. S. Mails

Sealed proposals for carrying the United States mails (including parcel post mails) on mail messenger route No. 237480 between the post office at Chelsea, Michigan, and the Michigan Central railroad, each way, as often as required, will be received until Jan. 26, 1950, it was announced by Postmaster Carl J. Mayer today.

Miss Alma Pierce is ill at her home on Pierce street.

Rare Jungle Lily Blooms for First Time in Four Years

For the past week Mr. and Mrs. Conrad Schanz have been displaying to callers at their home a huge jungle lily which has blossomed for the first time since they purchased the bulb four years ago. The blossom, of a deep velvety red, is six inches across and nine inches deep, with a stamen of the same color extending four inches beyond the throat of the flower. The plant has no leaves, but the stem of the flower is about three feet tall. Mr. and Mrs. Schanz have been told that the proper botanical name of the plant is Anorophallus. It is also called a Rivera, they were told at the seed store where they bought the bulb.

During the summer the plant is set outdoors and has large leaves. Previously, Mrs. Schanz said, she has kept the plant dormant in the cellar during the winter, but this year thought she would find out what it would do if kept in the light and watered, with the result that the plant has blossomed.

The bulb is potted in garden soil. Except for this it is very similar to plants owned by Mrs. John Schieferstein and Miss Gora Peitrop. Theirs, however, blossom from the bulb without its being planted in soil or set in water.

Fire Goes Out Before Fire Truck Arrives

The Chelsea Fire department was called out at 4 a. m. Friday to answer an alarm called in from the Donald M. Brown home, 12345 S. 12 St. (formerly the Munson Building home). Mr. Brown had been awakened by a noise in the basement and, smelling smoke, went to the basement door to investigate. Flames shot out at him and he fled. He had been in the kitchen and had been eating. He had been eating. He had been eating.

Others on the list are: David Bertke and Donna Hinderer, each five non-consecutive years; Barbara Bertke (six years old), three consecutive years; Mr. and Mrs. Roy Bertke, Eileen Eisele, Edward Wenz, Marcel Bertke (three and one-half years old) and Leo Satterthwaite (two and one-half years old), each one year. The latter two are in the Beginners' department.

The list shows that the entire Roy Bertke family has a perfect attendance record for the year and, in addition, the family has also been present at all Sunday church services during the year. It is also interesting to note that another family group, Mrs. LeRoy Satterthwaite and her two sons, attended Sunday school each Sunday of the year.

Those who completed their first year of perfect attendance, and bars denoting the number of years will be awarded the others who already have won their pins. The awards have been ordered and are to be presented as soon as the pins and bars arrive.

New Officers Are Installed by Local Relief Corps

Past Department President, Leah Flansburg, of Jackson, was introduced as installing officer by the retiring president of the local Woman's Relief Corps, Mrs. Alice Moore, at Monday night's installation meeting at the home of Mrs. Sylvan Town Hall. Assisting the installing officer were Blanche Flowers, Myrtle Bailey, Bertha Patterson, Celia Gaw, Nina Sharpe, Louise Paul, and Bessie Tims, all of the Jackson Corps.

New officers installed are: Florence Walker, president; Ruth Walz, senior vice-president; Catherine Haffner, junior vice-president; Mabel Bair, treasurer; Helen Kilmer, chaplain; Pearl Herman, conductor; Addie Fitzmaur, guard.

Mrs. Walker, the newly-installed president, named the following appointive officers: Ruth Christwall, secretary; Ruth Walz, press correspondent; Minnie Broesamle, musician; Wyola Miller, assistant conductor; Rose Whitaker, assistant guard. These in turn were installed.

Color bearers are Evelyn Rowe, Flora Weber, Margaret Gilbert and Nellie Whitmer.

Standing committees appointed are: relief, Blanche Mohrlock, Carrie Dancer; hospital, Nellie Whitmer, Helen Kilmer; auditing, Alice Moore; executive, Mabel Bair, Catherine Haffner, Evelyn Rowe.

Ruth Walz was appointed general chairman for the district convention to be held in Chelsea next fall. Mrs. Florence Walker will act as co-chairman.

Mrs. Moore presented all of the past year's officers with a small gift of pins, she herself received a gift from the Past Presidents' club.

Mrs. Walker was presented with numerous gifts, and the installing officer and her assistants also received gifts.

The Corps voted to make a \$5 contribution to the March of Dimes fund.

PANCAKE SUPPER

A pancake supper will be held Wednesday, Jan. 25 from 5:30 to 7:30 p. m. at the Chelsea Methodist church hall, sponsored by Men's Brotherhood class of Building Fund for the Methodist church. Pancakes and sausage, all you can eat, cafeteria style.

Max Irwin Dies at Old Homestead

Max H. Irwin died Saturday afternoon on the Sharon township farm which had been the Irwin homestead since 1837 when it became the property of his grandfather, James Irwin, through government land grant. Mr. Irwin was born there on Nov. 15, 1875, a son of John B. and Amy Rice Irwin. His maternal grandfather, also a Sharon township pioneer, built the old Sharon Hollow mill.

Mr. Irwin graduated from the Ann Arbor High school after transferring there from the Grass Lake High school. He studied at Michigan State college, then the Michigan Agricultural college, from 1890 to 1892. He had specialized in dairy studies but was also a draftsman and was employed in that capacity for about four years by the Detroit Shipbuilding company. Later, he was an engineer on a Great Lakes freighter for some time.

For the last six or seven years he had contributed farm articles to the Jackson Citizen-Patriot.

Survivors are two daughters, Mrs. A. G. White and Mrs. A. C. Johnson, both of Chelsea; two sons, Frederick, of Chelsea, and Donald, at home; also, eight grandchildren.

Funeral services were held at the Staffan Funeral Home at 1:30 p. m. Tuesday, with Rev. John Bunney of the Manchester Methodist church officiating. Burial followed in North Sharon cemetery.

Eleven Members of St. Paul's Have Perfect Attendance

Eleven members of St. Paul's Sunday school achieved perfect attendance records for the year of 1949. Duane Satterthwaite heads the list with six consecutive years of perfect attendance. His mother, Mrs. LeRoy Satterthwaite, is next with six non-consecutive years to her credit.

Others on the list are: David Bertke and Donna Hinderer, each five non-consecutive years; Barbara Bertke (six years old), three consecutive years; Mr. and Mrs. Roy Bertke, Eileen Eisele, Edward Wenz, Marcel Bertke (three and one-half years old) and Leo Satterthwaite (two and one-half years old), each one year. The latter two are in the Beginners' department.

LISTENING INTENTLY for a signal which will enable him to establish contact with a fellow "ham" on his amateur radio set, is Walter Mayer, of Essexville, son of Mr. and Mrs. George Mayer. Mayer is a radio engineer for the third Michigan state police district, by trade, and a "ham" off duty.

C. of C. Looking for Funds To Use in Developing Park Site

At the Chamber of Commerce meeting Tuesday evening, Superintendent Albert C. Johnson, of the Chelsea Agricultural Schools, led a discussion of the local school question in the current effort of the Board of Education to discover the reasons for defeat of plans as submitted for school expansion last fall and to ask Chamber members for suggestions in regard to the matter.

Explaining that it will soon become impossible to continue operation of the school in its present overcrowded condition, Mr. Johnson said members of the Board of Education would welcome suggestions for a workable plan to increase school facilities which would meet with approval here.

Chamber President Tom Smith appointed Ferd Merkel and John Kusch to work with Walter Harper, park chairman, in studying ways and means to raise money for the Pierce Memorial Park project.

He also appointed a committee to look into the possibilities for efficient rubbish disposal around the business places in the community. Members of this committee are Thomas Young, John Glick and Lloyd Heydlauff.

Tuesday's meeting was held in St. Paul's church hall.

Phone Almanac Now Ready for Free Distribution

The Michigan Bell Telephone company announced today that the 1950 edition of the perennially popular "Telephone Almanac" is now available to the public without charge, at all of its business offices.

Those of this year's almanac is the romantic and interesting account of man's efforts to communicate with his fellow-men. Words and pictures trace his progress in this endeavor from the day when he used drums, horns and cannon, to the present day use of radio, relay, teletype and a telephone in his automobile.

In addition to the traditional astronomical observations and other useful information, the new edition contains the usual Rebus, or brain-teasing word picture puzzle.

Train Service Here 'Curtailed' Due to Present Coal Shortage

Due to the coal shortage, the 9:27 a. m. eastbound train and the 2:30 p. m. westbound train have been temporarily discontinued, according to an announcement made by the New York Central railroad's Chelsea office.

The only train service to and from Chelsea at present is Train No. 316 which stops here at 6:30 a. m. to pick up Detroit passengers only, and arrives in Detroit at 7:45 a. m. This train stops here daily except Saturday and Sunday.

Also running daily except Saturday and Sunday is westbound Train No. 321, which leaves Detroit at 5:35 p. m. and stops at Chelsea at 6:42 p. m. only to discharge passengers from Detroit. This schedule went into effect Jan. 8, 1950.

Accept Low Bids

Four bids were submitted to the Village Council for the purchase of a new police car, the lowest being that of Spaulding Chevrolet Sales, which was accepted.

Four bids were also submitted for garbage and rubbish collection from Feb. 1, 1950 to Jan. 31, 1951. Robert Lantis, lowest bidder, was awarded the contract.

Former Chelseaite Is Member of 'Exclusive' Club

Walter Mayer, of Essexville, son of Mr. and Mrs. George Mayer, of Chelsea, who has been interested in amateur radio since he was a sophomore at Chelsea High School about 20 years ago, has finally realized an ambition for which he has been striving the entire 20 years. Chelsea friends of his will be interested to learn that during the past month, speaking through his own microphone, he has been able to establish radio contact with a man in Burma, a country with which he had never before been able to establish radio contact. The man to whom he talked identified himself as Maung Aye Maung, of Rangoon, Burma.

Mayer has now contacted 175 nations during his twenty years as a "ham" (which is the name applied to amateur radio station operators). If he can now manage to establish radio contact with Tibet he will be eligible for membership in the "Worked All Zones" club, an honorary award to "hams" who have established contacts in each of 40 zones into which the world has been divided for radio "ham" purposes. It is believed by Mayer that there is one "ham" operating in Tibet.

Mayer already is a member of the "DX Century" club. He earned this honor in October 1947 when he had contacted his 100th country. (DX is code for "distance").

Whenever "hams" contact each other by radio they send out congratulatory cards and of the 175 nations contacted by Mayer has already received 159 confirmations through the mail.

Mayer is employed as a radio engineer for the Third Michigan State Police district with headquarters at Bay City.

Mrs. H. Dominick Dies Friday at U. of M. Hospital

Mrs. Hazel L. Dominick of Sugar Loaf Lake, who has been ill for more than two years, died in University hospital, Ann Arbor, Friday night. She had been a patient there for three and one-half weeks.

Residents of Detroit until three years ago, the family moved to their present home, 18710 Edgewater Drive, to be nearer Mr. Dominick's work at the Kaiser-Frazier plant.

Mrs. Dominick was born in Detroit Aug. 16, 1911, a daughter of Leo and Emma Tracine Walters. She and her husband, George Dominick, were married in Toledo, on May 2, 1928, and made their home in Detroit until they moved here.

Survivors include the husband and a daughter, Phyllis, at home; her parents, in Detroit; and three sisters, Mrs. Inez Boylan, Mrs. Mildred Richmond and Mrs. Irene Melvor, all of Detroit.

Burial took place in Oak Grove cemetery following funeral services at 2 o'clock Tuesday afternoon at the Miller Funeral Home. Rev. Dalton M. Bishop officiated.

County Nurse Tells Kiwanis Club of Department's Work

Miss Belle McKinney, Washtenaw county health nurse, was the guest speaker at the Kiwanis club meeting held in the Methodist church Monday evening. In her talk, she mentioned the recent dental fluoride treatments given in Chelsea for school children of the surrounding community, and presented a general resume of the work of her department throughout the county.

H. T. Moore, newly-installed president of the Kiwanis club, presided at the meeting. He and Mr. and Mrs. Paul F. Niehaus and Col. P. S. Holmes had just returned from the Kiwanis mid-winter conference held Sunday and Monday in Battle Creek.

At the conference, Mrs. Niehaus was the piano accompanist for the community singing, part of which was led by Mr. Niehaus.

Polio Funds Campaign Is Underway

Among the clubs and lodge groups in Chelsea which have already responded with generous contributions to the "March of Dimes" fund in the present campaign, Mrs. Walter Mohrlock, local chairman, announced yesterday, are the following: Women's club, \$25; Pythian Sisters, \$5; Child Study club, \$25.

The annual fund-raising campaign opened Monday, Jan. 16, and continues through Jan. 31. Mrs. Mohrlock said distribution of the 1950 "March of Dimes" coin collectors is now also underway. They will be placed in all business places and in both the Public and St. Mary's schools.

"This year," Mrs. Mohrlock said, "the coin collector, with its attractive color display, simulates a miniature respirator. It is like a genuine life-saving respirator—is designed to make its own great contribution to the fight against polio."

"The dimes and dollars of men and women, boys and girls in Chelsea, placed in one of these coin collectors, will help empty real iron lungs, give patients a new lease on life and health," Mrs. Mohrlock added.

Mrs. Mohrlock is planning to have the "Millie O' Dimes" board in its usual spot in front of the Chelsea State Bank on two successive Saturdays this year. The board will be in place on Jan. 21 and 28, according to present plans.

Reports show that epidemic aid funds of the National Foundation, were depleted by 1949's record high infantile paralysis epidemics which more than 40,000 children and adults were stricken with the crippling disease. These funds were expended not only in caring for new cases, but in continuing treatment for thousands of patients stricken during the serious outbreaks of 1948.

"We are faced with the certainty that about 17,000 victims of 1949 must be cared for during most of 1950, the greatest carry-over case load in the 12-year history of the National Foundation," stated the March of Dimes chairman.

"That alone calls for a record-breaking March of Dimes campaign. But, further, we must stand ready to help new victims of outbreaks we know will hit many areas next summer."

"When we add to all this the cost of continuing vital research and the educational programs of the National Foundation, the need comes clear that only united community effort can boost the March of Dimes to a total sufficient to do a job almost twice as big as ever before."

Chelsea's contribution to the National Foundation for Infantile Paralysis in 1948 was \$832.22, while in 1949 the total reached only \$680.35. With the need so much greater this year, Mrs. Mohrlock stated, generous contributions are urgently needed if Chelsea is to raise its fair share of the county's quota. Each contribution, whether large or small, will be welcomed and those who plan to contribute are asked to do so as soon as possible to help bring the drive to an early, successful conclusion here.

While all the funds raised in the county remain to be used locally, while the remainder is sent to the National Foundation for infantile paralysis for its research program.

JANUARY 16-31

March of Dimes

THE SUPPORT of American newspapers in emergency fund drives to combat infantile paralysis is appreciated by the National Foundation for Infantile Paralysis. The 1950 appeal is scheduled for January 16-31.

Acting public relations director Dorothy Ducas expressed her thanks recently for aid extended by American newspapers during the 1949 polio epidemic emergency drive.

"It is gratifying to know that publishers realized the obligation of the National Foundation to inform the public of the grim facts of record incidence and overwhelming costs," she said. "Their assistance helped make it possible for us to fulfill that obligation."

The drive was a stop-gap measure to raise funds so that the National Foundation would be able to continue its help to infantile paralysis patients until the regular January March of Dimes. The epidemic last summer, expected to boost the 1949 toll to a record of more than 40,000 cases, wiped out the national epidemic aid fund of the National Foundation.

The epidemic emergency developed so rapidly that it was not possible to organize a full appeal staffed by volunteers. "Although infantile paralysis is no longer on the front pages," Miss Ducas added, "the long and costly program of follow-up care and rehabilitation for this year's victims of the disease is continuing."

Origin of "Mahogany"
The origin of the word, "mahogany," is obscure. It is probably an English version of the name used by African slaves in Jamaica, when the English took the island from Spain in 1655. The Spanish word, "caoba," is the earliest name for mahogany.

PERSONAL NOTES

Mr. and Mrs. Walter Trinkle were Wednesday evening visitors at the home of Mr. and Mrs. Donovan Sweeney.

Mr. and Mrs. Bill Lubahn and son, Larry, were Sunday dinner guests at the home of Mr. and Mrs. Elden Weinberg.

Mr. and Mrs. Raymond Schmitts and family and Mrs. Frank Schmitts were in Dearborn Sunday to visit Richard Schmitts who is a patient at a hospital there recovering from an operation. They were accompanied home by Frank Schmitts who had spent several days at the Richard Schmitts home.

Mr. and Mrs. Elmer West and son James, of Boyne City, spent the week-end here with Mr. and Mrs. Ed. Hennon.

Donald Bacon, of Tucson, Ariz., is spending some time at the home of Mr. and Mrs. Henry Schneider. Sunday afternoon callers there were Mr. and Mrs. Foster Fletcher and sons, of Ypsilanti.

Mr. Gerald Wenk of Fort Davis, Texas, has advised his mother, Mrs. Eleanor Wenk, that he is leaving there today with his unit. He is to go first to Virginia and Florida, and then to Puerto Rico for about three months.

Mrs. A. C. Plikerd and son Jimmy, and Mrs. B. H. Elden, of Sylvan, Ohio, spent Tuesday here with Mrs. H. T. Moore.

Mr. and Mrs. Mervin Hadley, of Jackson, spent Tuesday evening here at the home of the former's parents, Mr. and Mrs. Fred Hadley.

Mrs. Fred Hadley and son, Don, visited her son-in-law and daughter at their home in Ann Arbor, Monday evening.

Raymond Steinbach, a member of the Chelsea High school band, played in the All-State band at the Mid-Winter Conference at Hill Auditorium in Ann Arbor, last Saturday. Raymond played in the clarinet section.

Mr. and Mrs. William Schulz and Mr. and Mrs. Joseph Albee, of Detroit, stopped for a short visit with Mrs. Joseph Thahammer and Mr. and Mrs. Alfred Faulkner on Sunday evening, enroute home from Toledo.

Gottlieb Sager, who was injured while working in the woods at his farm home several weeks ago, received "get-well" cards and messages from widely scattered points in the United States as the result of an account of the accident published in The Standard. The cards arrived from friends spending the winter in Florida who had read the story, and another came from an old friend who now lives in Oregon.

Mr. and Mrs. Alvin Jedele and family, of near Sailing, were Chelsea visitors on Saturday and Sunday. On Saturday, Mr. Jedele spent the day at the Carl Beutler home, while Mrs. Jedele and the children visited at the home of her father, Edwin Beutler. Saturday evening, the Jedeles, Mr. and Mrs. Carl Beutler and a friend, Mrs. Ellen Gable, of Ypsilanti, were supper guests at the Edwin Beutler home. Sunday afternoon the Jedeles returned to spend the afternoon and evening with Edwin Beutler.

Mrs. Richard Braund and daughter, Susan, of Pasadena, Calif., who are spending some time here with her parents, Mr. and Mrs. Herman Dancer, spent several days last week in Coldwater with her sister, Mrs. M. A. McKeith and family. Mr. and Mrs. McKeith and daughter, Patty, accompanied them on their return to Chelsea Saturday, and spent the week-end here. Mr. Braund, who is in Chicago on business, also spent the week-end here, and Sunday guests were Mr. and Mrs. A. E. Fulk, of Whitmore Lake.

Mrs. David Schneider fell at her home Monday morning and fractured her right hip. Her daughter and her husband, Dr. and Mrs. F. L. Arner, of Bellevue, were called here Tuesday afternoon and Mrs. Arner remained to assist for a time in the care of her mother. Mrs. Schneider, who was 94 years old last September, broke her left hip almost ten years ago and since her recovery had been doing her own house-keeping with the assistance of her

son Reuben, who lives with her at the family home.

Mrs. Ernest Adam was a week-end guest at the home of Mr. and Mrs. William Weltner in Detroit.

Elmer H. Allan of Lehigh road, was in Mercy hospital, Jackson, Friday of last week for an operation on his nose.

Mrs. Edith Rieniets of Detroit, a teacher at the Tau Beta Community House, visited Miss Ruth Skentelbury Sunday.

Mrs. Leona Deming of Ann Arbor, spent from Friday until Sunday here at the home of Mr. and Mrs. Ed. Hennon.

Mary Jo Quinlan and Vincent Meagher of Detroit, spent Saturday here as guests of the Misses Margaret and Anne Miller.

Norman Schmidt entered St. Joseph's Mercy hospital, Ann Arbor, for treatment on Wednesday of last week.

Mr. and Mrs. Harry Prudden spent the week-end in Vicksburg at the home of the former's brother and his wife, Mr. and Mrs. Louis Prudden.

Mr. and Mrs. Ralph Kinner and son David of Rosedale Gardens, were Sunday guests at the home of Mrs. Kinner's parents, Mr. and Mrs. Howard Brooks.

Mr. and Mrs. Warren Wheelock, Mrs. Carrie Klingler and Mr. and Mrs. Amos P. Binder and daughters, all of Wayne, were Sunday dinner guests of Mr. and Mrs. Wilbur Klingler.

Commander K. M. Broesamle, U.S.N., who had spent the last 12 days in Ann Arbor and at the home of his mother, Mrs. Minnie Broesamle, left Sunday night for his home at Corpus Christi, Texas.

Mr. and Mrs. Willard Ferry and Mr. and Mrs. Gale Gilson visited Mr. Gilson's parents, Mr. and Mrs. George Gilson, at their home in Charlotte on Sunday of the past week.

Mr. and Mrs. Elmer West and son James, of Boyne City, and Mr. and Mrs. Ed. Hennon, spent Sunday in Unadilla with the latter's brother, Dewey Johnson, and family, and Mrs. Josie Cranna.

Mr. and Mrs. John Warren and sons, Douglas and Ronald, returned Saturday from a three-week vacation in Florida. Mr. and Mrs. L. B. Van Conant, of Allenton, stayed at the Warren home and Mr. Conant took charge of the barber shop for Mr. Warren while the family was away.

Friends of Staff Sergeant and Mrs. Earl Brown of Washington, D. C., have received announcements of the birth of a son, David Earl. The baby was born on New Year's Day. Mrs. Brown is the former Roberta Carter Mayer of Grass Lake, and was employed for some time in Chelsea.

Mr. and Mrs. Harold Whipple and their son and daughter, Carolyn and Bud, were Sunday dinner guests at the home of Mrs. Christina Nicolai. On Monday, Mrs. Paul Seitz and son, Raymond, and Mrs. Floyd Girbach of Ann Arbor, spent the afternoon with Mrs. Nicolai.

Rev. Wm. H. Skentelbury, Rev. O. W. Morrow and Rev. P. H. Grabowski attended sessions of the Michigan Pastors' Conference held in Ann Arbor Monday, Tuesday and Wednesday under the auspices of the Michigan Council of Churches and the U. of M. Extension Service.

More than 40 members attended the Sylvan Farm Bureau meeting held in St. Mary's hall Friday evening, Jan. 13. Hosts for the evening were Mr. and Mrs. Henry Oettinger, Jr., Mr. and Mrs. William Pritchard and Mr. and Mrs. Anton Nielsen.

Gordon Van Riper, as discussion leader of the group, spoke on the topic, "Who Sets the Farm Prices?"

The program for the current year's meetings was planned following suggestions from some members present for more summer picnics, for dances, movies and speakers at more of the meetings. A suggestion which proved popular with the group was that the men in the organization put on a supper.

Next month's meeting is planned to be held together with the Lima-Silo Farm Bureau group for a discussion on "What To Do in Case of Fire." Fire Chief Thomas Young is to be a guest at the meeting and has been asked to provide a guest speaker.

Eachre was the evening's diversion following the business session and, later refreshments were served by the hosts of the evening.

CRCT CLUB
Mrs. Ruth Carter entertained members of the CRCT club at her home Monday evening for the regular January meeting. Twelve members were present.

The program period included a book review of "Genevieve Bowring" by Mrs. Harold Shepard. Mrs. Vearl Whipple also gave a short review of the book, "Personnel Policy Development" by Lee M. Thurston, Superintendent of Public Instruction.

Refreshments were served by the hostess at the close of the meeting.

LAFAYETTE GRANGE
The following program was given at the Lafayette Grange meeting held in the Lima Center Grange hall Tuesday evening: songs, "Be Faithful, O Patron," and "The Dear Old Farm," by the assembly; reading, "Reminiscing in 1975," by Mrs. Fred Seitz; reading, "The Reddest To America Is Government Red Ink," by Albert Pielemeier, followed by discussion; reading, "From A Letter On The Idle Rich," by Mrs. Walter Beutler.

A short business meeting preceded the program and pot-luck refreshments were served at the close of the meeting.

CHAT 'N' SEAU
The Chat 'n' Seau met at the home of Mrs. Harold Spaulding Tuesday evening, Jan. 17. Miss Nina Crowell and Mrs. Delores Beach were accepted as new members, bringing the total attendance of members to 18. One guest was also present.

In the games which were the evening's entertainment, prizes were won by Mrs. Otto Hinderer and Mrs. Martin Steinbach.

Refreshments were served after the games.

Next month's meeting is to be held Feb. 21, at the home of Mrs. Elmer Lindemann.

BAPTISTAL DINNER
Charles Burkhardt Winans II, baby son of Mr. and Mrs. Charles B. Winans, was baptized in St. Paul's church on Sunday, following the morning services. Rev. P. H. Grabowski officiated. Sponsors were an aunt and uncle of the baby, Helen Vail and John Winans. A dinner followed at the home of the baby's maternal grandparents, Mr. and Mrs. Alvin Vail. Present in addition to Mr. and Mrs. Charles Winans and son, were the sponsors, Miss Vail and John Winans, the paternal grandparents, Mr. and Mrs. Elmer Winans, and the baby's great-grandparents, Thomas Vail, and Mr. and Mrs. E. M. Elsmann.

PHILATHEA EVENING GROUP
Mrs. David Mohrlock and Mrs. Wilbert Smith were co-hostesses for the January meeting of the Philathea Circle's evening group, held at the home of Mrs. Mohrlock, Tuesday evening, Jan. 17. The opening devotional service was in charge of Mrs. George Atkinson.

The program centered on character sketches of Mary, the Mother of Jesus, and Miriam, the sister of Moses, as taken from the current study book, "Women of the

Scriptures. Mrs. Willard Carlson presented the first sketch and Mrs. Jay Weinberg the second.

During the business session Mrs. James Daniels was elected secretary-treasurer of the group, and a donation was voted for the church building program, the present amount being \$25.

Approximately \$40 was turned in at the meeting on the silver-dollar "talent" money project undertaken by the group during the past two months to raise additional funds for the building program.

Refreshments were served at the close of the meeting by the two hostesses.

PHILATHEA AFTERNOON GROUP
A 1 o'clock luncheon meeting of the Philathea afternoon group of the Methodist church, was held Wednesday, Jan. 11, at the home of Mrs. Walter Mohrlock, with Mrs. Lawton Steger and Mrs. Lester Schulze as assisting hostesses. Eighteen members attended the meeting.

With Mrs. Edwin Gaunt presiding, the opening devotional service of Scripture and prayer was presented by Mrs. Mary Clark.

The program was given by Mrs. Walter Harper and included character sketches of Sarah, Hannah, and Mary, from the book, "Women of the Scriptures."

A report was given at the meeting in regard to the Christmas box nurses' training is being sponsored by the group. Letters from the girl were also read.

During the business session, there was a discussion in regard to providing new chairs for the church dining room and the group voted to buy two dozen chairs as its share of the project.

METHODIST CENTRAL CIRCLE
The Central Circle of the Methodist church held its January meeting at the church, Tuesday, Jan. 12, with 22 members and one guest present. The latter, Mrs. J. Fisher, of the Methodist Home, became a member of the Circle during the meeting.

The matter of purchasing new chairs for the church dining room was brought to the attention of the group and members decided to immediately make a contribution toward the cost of the chairs. An offering for the purpose, taken at the meeting, amounted to more than \$20.

Mrs. Harry Littoral was in charge of the opening devotional service and at the close of the meeting refreshments were served.

ATTEND INSTALLATIONS IN WRC DISTRICT
Mrs. Mabel Bair, president of District No. III, WRC, is currently visiting local corps in the district. Saturday evening, accompanied by Mrs. Evelyn Rowe, Mrs. Ruth Christwell and Mrs. Florence Walker, she attended installation ceremonies of the Governor Crapo Corps in Flint. Monday evening of last week she was in Ann Arbor for the installation of officers of the A. C. Easterbrook Corps.

Others who went to Ann Arbor with her were Mrs. Catherine Hafner, Mrs. Myrtle Price, Mrs. Florence Walker and Mrs. Ruth Christwell. On Tuesday evening, Jan. 10, Mrs. Bair, with Mrs. Walker and Mrs. Hafner, attended the Edward Pomeroy Corps installation ceremonies in Jackson.

PNG CLUB
Mrs. Lawrence Fowler entertained members of the Past Noble Grands club for an afternoon meeting at her home on Thursday, Jan. 12. It was announced that an evening meeting is to be held at the home of Mrs. George Barth on Wednesday, Jan. 25. One birthday is to be celebrated at that meeting.

Mrs. Geno Coltre was elected treasurer at Thursday's meeting. Other new officers for the year, previously elected, are, Mrs. Alfred Weinmann, president; Mrs.

Polio Weapon

Held in the palm of a man's hand is the "baby lung," one of the weapons against infantile paralysis, developed by the army - a force - donations made by Americans during the 1950 March of Dimes will purchase many of these and other such polio-fighting equipment. This year's drive-January 16-31-is vital because of funds used in 1949's record epidemic.

Russell Bernath, vice-president; and Mrs. Harold Bair, secretary.

A dessert luncheon, served by the hostess, preceded the afternoon's meeting.

KOPY-KATS SEWING CLUB
Mrs. Gale Gilson entertained the "Kopy-Kats" sewing club at her home Tuesday evening. Seven members were present.

Patterns were exchanged and after the evening's work, the hostess served refreshments.

ST. PAUL'S MISSION CLUB
The Mission club of St. Paul's church met Thursday afternoon, Jan. 12, at the home of Mrs. J. N. Strieter, with nine members and one guest present.

Mrs. Adolph Duerr was in charge of the devotional service which included a meditative reading and prayer. She also gave a reading, "Thoughts For The New Year," during the program period.

Other readings were "Belief," by Mrs. Fred Sager; a children's poem, "Send Them To Bed With A Kiss," by Mrs. Fred Seitz; and "Happy New Year," by Mrs. Strieter.

Work was continued on a quilt the club is making and on scrapbooks being prepared for hospitalized children. Seventy card booklets were also completed.

Mrs. Strieter served refreshments at the close of the meeting.

SYLVAN-EXTENSION GROUP
Mrs. Roy Miller was the hostess for the regular January meeting of the Sylvan Extension Group held at her home on Thursday afternoon, Jan. 12. The business meeting was in charge of the chairman, Mrs. Albert Schweinfurth, and roll call was in charge of Mrs. Franklin Van Valkenburg. With Mrs. Vern Panzer giving a resume of the life of St. Francis of Assisi, each member responded to roll call with thoughts about the current poem.

Further plans were discussed for the family party to be held Jan. 28 at the home of Mrs. Fred Layher.

A skit "John and Mary Talk Things Over," was given by Mrs. Dorr Whitaker and Mrs. Harold Widmayer as an introduction to the lesson on "Descent And Distribution of Property," as given by the leaders, Mrs. T. G. Riemschneider and Mrs. Oscar Kalmbach.

It was announced that next month's regular meeting is to be

held Feb. 9, at the home of Mrs. Oscar Kalmbach.

Mrs. George Sanderson was awarded the door prize at Thursday's meeting.

Tuttles Forego Trip to Florida After Auto Accident

Mr. and Mrs. Jay Tuttle, who started for Florida last week, met with an accident in southern Indiana and returned home again as soon as repairs to their car were completed.

Forced off the road, which was icy at the time, the Tuttle car ran into a barn. Mr. Tuttle suffered severe eye cuts and both he and Mrs. Tuttle were shaken up and bruised by the experience.

Scripter-Rosentreter Nuptials Performed at Angola, Indiana

Iris Mariah Scripter, daughter of Mrs. Lula Scripter, was married Saturday, Jan. 14, at Angola, Ind., to John Rosentreter, of Dexter. Mr. Rosentreter's parents were the late Mr. and Mrs. Gustave Rosentreter, of Dexter.

For her wedding the bride wore a teal blue satin street-length dress and gray accessories. A single-strand necklace of pearls, a gift from the bridegroom, completed her costume.

Mr. and Mrs. Rosentreter are making their home at 553 West Middle street. Both are employed at the Vokar plant in Dexter.

N. LAKE HOME EXT. CLUB

The North Lake Home Extension club met at the home of Mrs. Leo Heatley, Jan. 10, with 13 members, two guests and six children present.

The pot-luck dinner was served at 12:30 p.m., after which the meeting was called to order by the chairman and the lesson which followed was given by Mrs. Junior Colby and Mrs. Homer Stofor, the leaders.

The next all-day meeting will be held at the home of Mrs. Reuben Lindemann, Feb. 14, with a pot-luck dinner.

Many a story gets its start at club meetings—probably the sense of "rumor" of some members.

Molasses Bran Muffins
(Makes 1 dozen)

2 cups whole bran

2 cups molasses

1 egg, beaten

1 cup sifted all-purpose flour

1/2 teaspoon salt

1 teaspoon soda

Soften whole bran in molasses and milk (5 to 15 minutes). Add egg to first mixture.

Sift together flour, salt, and soda. Combine with bran mixture.

Fill pans 2/3 full and bake in moderately hot oven (400°) about 20 minutes.

*Corn Flake Honey Rolls
(Makes 1 dozen)

2 cups sifted all-purpose flour

3 teaspoons baking powder

1/2 teaspoon salt

4 cup fat

1/2 cup milk

3 tablespoons melted butter

3 cups corn flakes

1/2 cup seedless raisins

1/2 cup honey

Sift together flour, baking powder and salt. Cut in fat until a coarse even texture is obtained.

Add milk, stirring enough to make a soft dough. Turn onto lightly floured board and knead about 30 seconds. Roll dough to 1/4 inch thickness. Brush with melted butter. Combine slightly crushed corn flakes, raisins and honey; spread over biscuit dough, roll as for a jelly roll and cut into one-inch slices. Place slices on greased baking sheet. Bake in moderately hot oven (400°) about 15 to 20 minutes.

Oatmeal Fruit Bread
(Makes 1 large or 2 small loaves)

1/2 cup fat

1/2 cup firmly packed brown sugar

1 egg, well-beaten

1 cup chopped Brazil nuts, pecans or walnuts

1/2 cup cooked dried prunes

1/2 cup cooked dried apricots

1 tablespoon grated orange rind

1 cup rolled oats

2 cups sifted all-purpose flour

3 tablespoons baking powder

1/2 teaspoon soda

1/2 cup buttermilk or sour milk

Cream fat; add sugar gradually. Add egg to creamed mixture. Stir in nuts, prunes, apricots, orange rind and rolled oats. Sift together flour, baking powder, soda and salt. Add dry ingredients alternately with buttermilk to creamed mixture. (To make sweet milk sour, add 1 tablespoon vinegar to 1 1/2 cups sweet milk.) Turn into greased loaf pan, 9x5x3 inches and bake in moderate oven (350-375°) about 1 hour. Cool on rack. If desired, decorate the top of the loaves before baking with whole pitted prunes, apricots and nuts.

Add grated orange rind to apple sauce; serve on hot or ready-to-eat breakfast cereal.

On weekends and special occasions, serve breakfast buffet style; provide a tray for each member of the family, and give them a choice of fresh fruits and ready-to-eat cereals with the usual milk, bread and butter.

Mix together two or three varieties of ready-to-eat cereals in a large wooden salad bowl, provide a serving fork and spoon, and let the family help themselves.

Many people who figure the world has an opening for them usually find it—they end up in the hole.

LIBRARY BOOKS

The second grade is enjoying the new story books which have just been added to the class room.

READING FUN

Pupils from the first grade are very pleased that they have little books which they may read by themselves.

BIRTHDAY PARTY

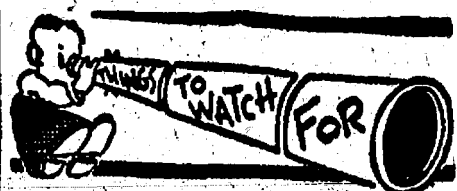

Mrs. Devine and little Roberta came to school on Monday, Jan. 9. They brought a treat of ice cream and cake for the first and second grades. This was to help Guy celebrate his seventh birthday.

Skiing

Skiers who like to keep the run of their skis "slick as glass" find it is literally possible now with a new patented invention that bonds a layer of fiber glass to the sliding surface of the ski.

The Hi-Light

Edited by the Journalism Club of the Chelsea Public School

Flat Rock will play here tomorrow night. Report cards will be handed out next Wednesday.

A Parent-Teacher conference is being planned for the evening of Jan. 31, from 7 to 8:30 p.m. The High School PTA will meet Monday evening.

FADS

The latest so-called "fad" around school is the boys wearing faded-out blue work shirts and overalls

with a bright red hankie hanging out of their back pockets. When asked their reason for doing this they commented, "The girls are getting too dressy so we're going to be different." Their object evidently is to discourage the girls.

The following day the girls appeared in white shirts with bow ties, suspenders and red hankies. Their purpose was to show the boys that they can't tell or show them how to dress. The girls just won't take suggestions!

The boys followed through with suits and white shirts, with some very flashy new ties. They really looked swell, though uncomfortable, and they had a slightly choked look on their faces. The next move may prove very interesting.

Questions such as "Don't the boys want the girls to look nice?" "Are the girls really over-doing it?" "Don't the girls want the boys to look neat?" and "What will be the next fad?" will have to be answered and a decision reached before the clothes merry-go-round will cease.

EDITORIALS

ARE WE REALLY GROWN UP?

Have you ever stopped to ponder this question? We want to be treated like grown-ups and given adult privileges; the question is, do we deserve them? Do you actually try to act grown-up or do you do childish things simply to outsmart the next person? We've heard in so many homes a remark that goes something like this: "Susie does it, why can't I?" We never stop to consider that our parents are wiser and have reason and good ones to go, for the things they tell us to do.

Until we can accept responsibility without grumbling and learn to take disappointment and correction gracefully, then and only then, will we be adults.

It would be a good idea for some of us to give this problem some serious thought. Boys and girls in high school should be relatively adult and should try to act accordingly. Think it over and see if you don't agree.

CHELSEA DEFEATS U. HIGH
The girls' basketball team won their game with U. High last Friday, by a score of 13 to 16.

Chelsea opened the scoring and continued their lead all through the game. The score at the half was Chelsea 7, U. High 6. During the second half both teams really began to score, but when the game was over Chelsea was two points ahead.

The starting line-up for Chelsea was P. Schaible, J. McClure, M. Johnson, P. Scott, M. Schrader and J. Hughes. Substitutes were R. Eismann, J. Murphy and G. Widmayer. M. Johnson was high-point scorer for Chelsea with nine points while J. McClure made six points for U. High.

The girls' games start at 4 p.m., and the next two are home games. Stockbridge plays here Jan. 18, and U. High will play here Jan. 26. Everybody is invited to attend these games and there is no admission. If you want to see some good basketball, don't miss these games.

Organizations ...

DEMOCRACY HOLDS ITS STAND

Student Council is a great power in our high school. All plans for school parties must have the organization's approval before they can take place.

Student Council not only controls the great majority of school activities, but also provides assemblies to which most grades are invited, if the assemblies are on their level of thinking.

At the Student Council meeting last week it was decided that the \$72 the Student Council raised and sent to the "Save Children Federation" would be used to sponsor a school in France, where it seems to be needed most.

Mr. Cameron asked the Student Council representatives to announce that conduct on the buses must be improved, because when students are reported to have practiced bad conduct on the buses going to the games they will not be allowed to ride the buses to the games any more.

It was voted upon to use the money in the General Treasurer's fund to buy a slide projector for the school.

MUSICAL NOTES

A group of 18 band members from Chelsea attended the annual Young People's concert on Thursday, Jan. 12, at Hill Auditorium in Ann Arbor. The program was enjoyed by everyone who attended.

This year the band is definitely planning on participating in the Regional contest. The required number for the Class "C" schools was chosen on Jan. 15.

Rural Tele-news

BEARING FRUIT

Michigan Bell's rural construction program continues to produce more telephone service for Michigan farmers and their families. There are now 73,000 more telephones in the rural areas we serve than before the war. This required setting 78,000 poles and stringing 37,000 miles of wire. Since V-J Day we've spent \$15,000,000 on rural telephone construction.

LET'S TAKE IN A FREE MOVIE

Michigan Bell maintains a library of interesting and entertaining films, which are provided without cost to clubs, Granges, Farm Bureau groups, schools, church gatherings, and meetings of all kinds. These films show many phases of the telephone business. To obtain a free catalog listing many interesting telephone movies, or to arrange for the films, simply call your Telephone Business Office.

THE FARMER AND THE TELEPHONE

If you made a list of the equipment that helps the Michigan farmer work his farm efficiently, more profitably, you'd undoubtedly include the telephone. For the telephone is one of the world's greatest time-savers... and time is money on the farm. The telephone is important for ordering supplies from town, getting the latest market prices, selling, or simply talking over mutual problems with friends and neighbors. It's easy to see how a telephone on the farm is worth a lot more than it costs.

DESOTO GOOD GULF PRODUCTS PLYMOUTH

HOTTEST ENGINE NEWS of 1950

That's the word spreading about Buick's brand-new F-263 valve-in-head engine, already proving itself in the hands of new SUPER owners.

CALL it if you will the biggest power-story of the year. Call it another triumph in Buick's long history of coming up with car performance beyond compare.

But, sir, when you step into the sleek-lined traveler pictured here—hang on to your hat.

For you'll be riding behind a power plant that is not only new but a major sensation of the 1950 season.

You'll be commanding the very latest word in valve-in-head power—the newest accomplishment of the organization with the country's longest stretch of experience in this engine design.

Here every fist-size fuel charge now delivers a huskier wallop. Shorter, lighter connecting rods mean that pistons flash with faster and livelier action.

Heavier crankshafts, floated on bigger,

more rugged bearings, take this greater load and transmit its stepped-up surge to the drive shaft and rear wheels.

And you, behind the wheel, breathe your face in smiles at the lift you find! At the trigger-quick take-off—the mile-eating cruising stride—your easy disdain for the passing gas pumps.

You and your SUPER are really stepping out—and Buick's good name as "a sweetheart on the road" gains still more lustre.

Nor is road-thrill the only blessing this new power plant brings. Simpler design makes service easier, so upkeep diminishes as a problem. Hydraulic valve-lifters keep valves properly seated for efficient operation—and for

quiet unbroken by tappet noise.

And you can have this power either with Buick's easy-shifting Synchro-Mesh transmission or the silken luxury of Dynaflo Drive.*

Either way, this SUPER is certainly something to see. To this top-notch new power it adds style and room, comfort and a wide outlook, soft easy stride and handier new over-all length.

Even the price justifies a prompt trip to your Buick dealer to learn more about Buick for 1950. You'll soon see why so many folks are already saying, "Whatever your price range—better buy Buick!"

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Features like these mean BUICK'S THE BUY

HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with bumper-guard grilles, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, clear-up view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and maneuvering • SAFETY • EXTRA-WIDE SEATS cradled between the coils • DYNAFLO BUICK RIDE, from oil-cooling springs, Safety-Ride tires, low-pressure tires, on all ROADMASTERS, optional at extra cost on SUPER and SPECIAL models • MINUTEN MODELS with body by Fisher • WIDE CHOICE OF EQUIPMENT adding flexibility to prices that bracket every price range above the lowest.

What Is Color?

So far as is known, nothing on earth has color in or of itself. Light is the source of color. Color is a sensation produced by the action of visible rays upon the retina of the human eye—it is an impression taken into the mind through the sense of sight, responding to the wave lengths of light.

Safety Precautions Urged in Cleaning Danger of Fire, Vapor Inhalations Are Cited

Housewives in rural areas sometimes find it inconvenient to send clothes out to be dry cleaned and therefore do the work themselves. For this purpose, they may go to a nearby automobile service station and buy gasoline or to a hardware store or general store and buy "cleaning fluid."

Gasoline is intended to make motors operate and should never be employed as a solvent because of its great flammability. There are some specially refined petroleum products available with cleaning and degreasing properties somewhat like those of gasoline but

Stand so vapors will be carried away from you, not towards you; do the work outdoors.

With considerably less fire hazard, although any petroleum product can burn if it is brought in contact with a source of ignition. When a small amount of solvent is to be used the work can be done indoors safely enough. If the fluid can burn, just be careful to use it where there are no nearby sources of ignition and don't smoke or light matches while you are handling the fluid.

However, when a large job is to be done, such as cleaning an entire dress or a pair of overalls or removing grease from a number of tools which may require two or three quarts of solvent used over a period of perhaps half an hour. Do the work outdoors, stand so that vapors will be carried away from you; not towards you, and allow the cleaned articles to dry thoroughly before you bring them indoors. When you are finished, if your hands feel dry, wash with lukewarm water and rub a cream containing lanolin into the skin.

Brahman Cattle May Vie With Many Domestic Kine

Cattle imported from India may some day compete with established beef cattle breeds in the markets of the midwest, according to many livestock experts. One Nebraska farmer, a hybrid corn pioneer, believes Brahman will be as popular as domestic breeds in the next few years.

Corn belt farmers scattered thinly from Nebraska to Ohio are experimenting with Brahman and crosses of Brahman on regular beef herds.

Do Brahman beef calves weigh 80 to 100 pounds more by weaning age and dress out two to four per cent higher than the usual run of cattle? Do they make economical feedlot and pasture gains and endure heat and insects better than other cattle? These are some of the questions to which it is hoped answers will be found through the studies and experiments being conducted.

Farmer Hikes Spud Yield By Using Clover Manure

Using red clover as a green manure crop enabled a Duluth, Minn., farmer to beat his county's potato yield by as much as 300 bushels per acre.

Leon Massey harvests between 390 and 400 bushels of potatoes per acre as compared to a county average of 120 bushels. He does it by turning over one year's growth of clover every fourth year in his crop rotation.

Lower-Priced Hudson shouts "Value!" for all to hear!

- MOST ROOM!
- BEST RIDE!
- SAFEST!
- BIGGEST DOLLAR VALUE!

Available with Hudson's new
SUPER-MATIC DRIVE

You don't have to buy an under-sized car just because you're economy-minded. For the new, lower-priced Hudson is a big, powerful car... priced for average pocket-books... styled to hold its own in the finest company!

You instantly see that it's the most beautiful of them all. Free-flowing, low-built design flashes the fact that here is the lowest center of gravity in any American automobile. And you know instinctively that as a result, the Pacemaker hugs the road more tenaciously... and is therefore America's best-riding and safest car!

You'll see, too, that this new member of the Hudson family has full road clearance, and more head room than in any other mass-produced car built today, thanks to "step-down" design with its recessed floor. And amazing head room is only one

kind of interior spaciousness you'll find in the new Pacemaker. "Step-down" design gives you more space because it gives you new space that is wasted in other makes of cars. With normal outside width, this compact automobile brings you seat cushions that are up to 12 inches wider than those in cars of far greater outside dimensions!

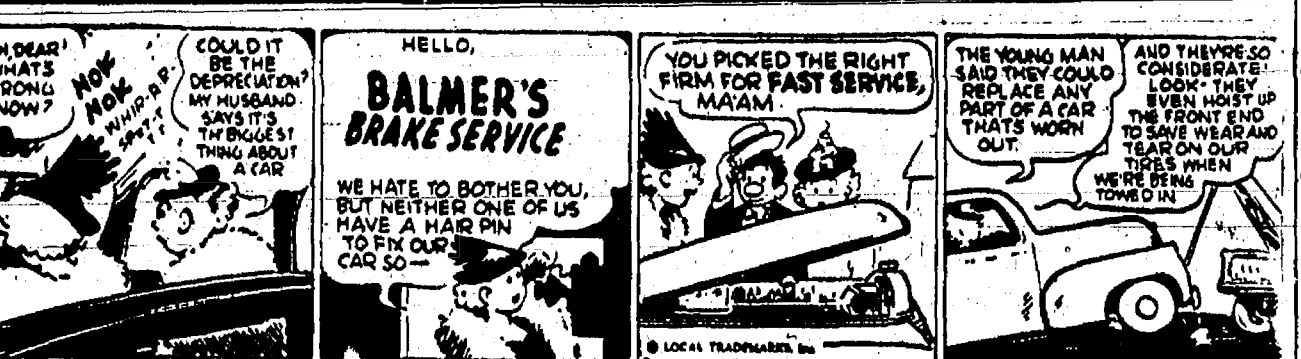

And for dazzling get-up-and-go, there's the new high-compression Pacemaker engine—a lightning-like performer with saving ways!

No matter how much or how little you intend to pay for your next car, we invite you to look at Hudson's lower-priced Pacemaker... it has a "value" message you'll like to hear!

No Restrictions on Number of Recruits Air Force May Take

There are no restrictions on the number of men who may enlist in the Air Force during the month of January, according to Sgt. J. Norwood E. Bowdoy, in charge of the Ann Arbor Army and Air Force Recruiting station.

"There have never been more profitable opportunities open to qualified young men than are offered in the United States Air Force today," Sgt. Bowdoy states.

At the same time, the sergeant announces that the Army has temporarily closed its doors to new recruits. During January, the Army is only accepting re-enlistments of men discharged from the Army within the last 90 days, in order to insure that its strength will be kept within budgetary limitations.

High school graduates and men 17 to 34 years of age, with or without prior service, who can meet the requirements for enlistment in the Air Force, may now capitalize upon a chance to continue their education, obtain job and financial security and definite and progressive advancements in numerous Air Force career fields.

As to the engineering feasibility of the bridge, the revived bridge authority would provide the technical answer.

So there you have the story in a nutshell. As for every project that calls for more government spending, the taxpayer—rich and poor—must ultimately foot the bill. That goes for a Straits bridge.

We wish by this means to thank the Manchester and Chelsea fire departments, all our neighbors and friends and everyone who helped at the time of our fire. We deeply appreciate the prompt assistance which helped prevent more serious damage.

Survey Being Made of Veterans' Needs in Farm Training

With the establishing of the GI Training Program in 1946, many of the eligible veterans have taken advantage of some training that is being offered. However, there are some who still have an opportunity and especially those who are interested in the "On-the-Farm" training.

A Veterans Institute was organized by the Saline School Board in May 1948, to train any eligible veteran in a farming program.

Since then more than 80 veterans are receiving or have received some training in the various farming programs. They are now enrolled from the entire county, with several from the surrounding counties of Lenawee, Wayne and Livingston.

The law required that any eligible veteran, desiring training, be enrolled in some training program before July 25, 1951, and as a result are requesting a survey be made by all institutes to determine the number of eligible veterans who desire to enter the program, in order that suitable plans may be made before the closing date, according to a letter received from Ralph C. Wenrich, Associate Superintendent for Vocational Education, Lansing.

Any veteran desirous of taking advantage of the program should contact one of the following teacher-trainers as soon as possible: D. A. Riker, Chelsea; Clyde Hazen, Manchester; Clare Collins, Saline; Olen Warty, RFD 1, Ypsilanti; or Charles Osgood, Saline.

Those who are already on a waiting list in one of the three schools, should not make a second application as they will be admitted to class when there is an opening.

To be eligible, a veteran must be on a satisfactory farm of sufficient size, with available stock and equipment, able to attend classes for instruction weekly, and devote some time on the farm to applying new methods in the program. In return for this experience he is reimbursed by the government monthly from \$66 to \$97.50, depending on whether he is married or single.

"THE CONQUERORS" By Thomas B. Costain

A new type of history in narrative form. Costain writes into the history of the Norman conquest of England, all the feeling for color, drama and sheer humanity that he brings to his historical novels.
