Governor G. Mennen Williams' program for the state corporation profits tax is "strictly political," according to John L. Lovett, general manager, Michigan Manufacturers' Association.

"It is the application of the philosophy of the present leaders of the CIO," states Lovett.

"I wish I might say to the business men of Michigan that its state government wants you to stay here. I wish I might say to those young men who want to go to business that Michigan is a friendly state. I wish I might say to those with capital to invest that Michigan welcomes you."

"I wish I might say that in the statehouse there is a governor whose administration wants to make Michigan a better place to work in and better to own a business in."

"I regret that I cannot make that statement truthfully. At every crossroads in the state the governor is telling the people that he wants to make the corporations of Michigan pay a four per cent income tax."

It is a characteristic of indirect taxes to pyramid the taxation cost to the consumer, observes Lovett. As the income tax must be added to the cost of the product, the corporation has to add its overhead if it is going to stay in business at a selling price. Thus the four per cent tax may easily become six per cent by the time it is added into final selling price paid by the consumer.

"As the people of Michigan on four different occasions voted by a large majority against a state income tax, Lovett believes that a corporation income tax would be promptly taken to court for test of constitutionality."

"Corporations in Michigan now pay approximately 50 per cent of the property taxes paid in the state," states Lovett. "This tax cost amounts to about \$200 million a year. General Motors Corporation in the city of Pontiac pays 44 per cent of the total taxes of that city. Ford Motor Company pays a bigger proportion and it would pay a similar proportion in Saginaw, Bay City or Lansing."

"Furthermore, corporations in Michigan pay a rather high unemployment compensation tax rate, as compared with corporations in adjoining states such as Illinois, Indiana, Ohio and Wisconsin."

Our minimum is one per cent, while in these other states the unemployment compensation tax rate goes down as low as four tenths of one per cent."

"We used to say that Michigan was a good place to run a factory because we had highly skilled labor which was very productive," continued Lovett. "We paid high wages and got the best workers. Now, however, with the restrictive output theory of the unions you can no longer rely upon the better quality of Michigan labor."

"Utilities in Michigan have spent millions of dollars in bringing natural gas and cheap fuels. That is important to the state. However, in the last few years has seen a gradual reduction in the number of industries operating in Michigan. Just in mid-January, two firms which had been in Detroit for 50 years announced they were moving to adjoining states."

"The Chicago Pneumatic Fuel Company came to Detroit with the Burroughs Adding Machine Company. The Diamond Farm Specialties company was born and developed in Michigan."

"In Muskegon at least five old reliable and substantial industries have closed their doors. There are vacant plants in Jackson and Port Huron."

Large automobile companies are carrying on a widespread decentralization program. Why? "There is a general feeling among Michigan corporations that the state is unfriendly, that corporations are

Dundee's Vikings sailed into town last Friday night and while aboard their ship they evidently were out of touch with the sports pages, making them ignorant of the fact that Chelsea was good and was favored to win quite easily, and without this knowledge they upset the Bulldogs 43-16, and Chelsea's regular season on a rather sour note.

It was the Bulldogs' fourth loss of the season and their second in league play, while it was only Dundee's second win in the league.

Also, the loss knocked Chelsea out of undisputed second place in the standings, as it enabled Flat Rock to tie them, both clubs having the season with league records of five wins and two losses.

Both clubs started slow and the score stayed low and close until just before the quarter's end when Dundee hit for two quick baskets to lead 11-7 as the second period opened.

The second quarter saw both teams produce as many points as the other, as Chelsea overcame that four-point first quarter deficit by sinking 19 points, while Dundee kept pace with 14 to give the Bulldogs a very uncomfortable lead at half time, 20-26.

After this second-quarter awakening, however, the fact that the mind of their first flowers that the Bulldogs had been a good last-half team all year, everyone, including your reporter, figured that the Bulldogs would romp to win number 14 after the intermission. Again, Dundee failed to live up to such things and the process was just vice-versa.

Chelsea pushed their lead to 20-25 as the third quarter opened, only to have Dundee close the gap with a rush and lead 30-29 midway of the quarter. Then, at 31-30, it was the last ray of sunshine for Chelsea, as the Vikings shut the gate and forced ahead, 37-31, by the end of the quarter.

In the fourth quarter, Dundee stretched their lead to ten points but Chelsea fought back to the original six-point deficit as both teams scored 12 points to make the final read, 49-43, for the Vikings.

Dave Crocker paced the local scoring for the night with 17 points, but was forced to surrender high-point honors to the victors, Jack Rauch who netted 19. Rauch was ably assisted by Jack Goodridge's 14 points and Ray Smith's 12, but none of the Bulldogs rose up to help Crocker at all.

Chelsea salvaged some prestige for the evening as the "Pups" scored 33 points in the second half, 33-32, for their fourth straight win.

Perhaps this defeat came at a perfect psychological moment, coming as it did just before the start of the tournaments. Last night Jackson-St. Mary's and East Jackson tangled to decide who would win Chelsea tomorrow night, March 3, at 7:30. This recent Dundee defeat may provide the spark for a fine tournament performance so let's have a large following for the Bulldogs tomorrow night at the Jackson-High School gym. You had better plan to go early, though.

See you at game time!

Directors Re-Elected  
to Chelsea ABA Board

Lowell Spike, Floyd Fowler and Vincent Ives were re-elected as members of the Board of Directors of the Chelsea Artificial Breeders' Association at the annual meeting held Friday evening in the Lima Center Grange hall. About 60 persons were present.

Don Johnson, associate Washtenaw county agricultural agent, was present and spoke briefly. This was followed by a talk by A. C. Baltzer, secretary-treasurer of the Michigan ABA.

Mr. Baltzer also showed colored moving pictures which he took last summer in Denmark, Holland, England, Sweden, the Isle of Jersey and the Isle of Guernsey. Pictures were taken during Mr. Baltzer's European travels when he was there to attend the International Grasslands conference.

Light refreshments were served at the close of the program.

## Church Flue Repaired

Leakage in the flue of the large furnace at the Methodist church, which made it impossible to properly heat the auditorium last week, caused the fire to go out early on Sunday. Services were held on the ground floor of the church and under Gerald Carr, a member of the church, found the leak and repaired it. The fire was started and the stoker put in operation and on Monday the church was well heated again.

Girl Scouts To Hold  
Father-Daughter  
Banquet Next Week

The Fathers and Daughters banquet planned here for March 9 (next Thursday), is the first ever to be held in Chelsea by Girl Scouts and Brownies, although in some districts it is already an annual affair. Chelsea leaders are hoping the first banquet will prove so successful here that it will be the first of many annual banquets to be held in future years. All fathers of Girl Scouts and Brownies are urged to be present with their daughters. The banquet is to be held in the Congregational church and will begin at 6:30 p.m.

All clergymen in Chelsea are being invited to attend the banquet.

There is to be an Ann Arbor speaker—who will show pictures of the Waterloo project area. Also expected to be present to speak on the work of the Girl Scouts Cedar Lake camp, is Miss Frances Young, camp director, and executive director of the Ypsilanti Girl Scouts' program.

Girl Scout and Brownie leaders, headed by Mrs. Edward Hartford, are arranging the banquet. The program they have provided for the evening is to be over by 8:30 o'clock, they said.

Easter Seal  
Sale Begins  
Next Thurs.

Easter Seal workers today began final preparations for the opening of the 17th annual Easter Seal drive, which opens Thursday, March 9, under the sponsorship of the Chelsea Kiwanis club.

Volunteer workers have begun the task of addressing and stuffing the Easter Seal letters containing sheets of Easter Seals, preparatory to mailing them on the eve of March 9.

Those in charge of activities locally are working under general direction of Paul F. "Jerry" Niehaus.

The colorful seals, significant of the Easter season will go into hundreds of local homes to help raise funds for the many activities of the Crippled Children's Society on behalf of the community's crippled children and adults.

To get them into the mail, the local Easter Seal committee, one of 2,000 throughout the United States participating in the drive, has enlisted the assistance of volunteer workers.

"The enthusiasm demonstrated by the volunteers who are participating in the annual drive is so great that we feel confident we will exceed our goal of \$400," Mr. Niehaus said.

"With many crippled children and adults in our midst and our own village, needing the finest available aid to help them become useful, happy people, he continued, "we have a wonderful spur to keep us working at top efficiency during the drive. We want to be able to give every single crippled child every help and every advantage he needs and deserves. We can't possibly fail them when they need us."

Chelsea's quota for the 1950 Red Cross campaign is \$1,250.

Local Students Return  
to Ferris Institute  
Following Bad Fire

Jerome Burg, a student at Ferris Institute's College of Pharmacy which was hit by a disastrous fire last week on Tuesday, returned to Big Rapids on Tuesday morning of this week after spending the week here with his parents, Mr. and Mrs. J. V. Burg. Classes are being resumed this week in Chelsea and other available buildings throughout the city.

The fire destroyed the Commerce building and the building housing the Pharmacy college which contained newly-installed modern pharmacy equipment. School dormitories were not burned.

Jack Merkel is another Chelsea student at Ferris, and Cameron Colquhoun left Tuesday morning with Jerome Burg to enter the nursing this semester to study drafting.

Nation-Wide Appeal  
for Overseas Relief

The Protestant churches of the United States plan to make a nation-wide, simultaneous appeal for overseas relief and reconstruction on Sunday, March 12. This will be known as the "One Great Hour of Sharing."

Newspapers, magazines and the radio will carry the message and set forth the need.

This week there will be two broadcasts in connection with this program. On Thursday, March 2, Mutual broadcasts from 9:30 p.m. to 10 p.m., and on Saturday, March 4, NBC broadcasts from 4 p.m. to 4:30 p.m.

Mr. and Mrs. Lloyd Heydlauf left Sunday with Mr. and Mrs. Phil Willis of Grass Lake, for a short vacation trip to Florida.

Kiwanis Club's  
Farmers' Night  
Is Well Attended

The Chelsea Kiwanis club gave its annual dinner in honor of farmers of this vicinity Monday night at the Methodist church. Of the invited guests 92 attended, the total number of members and guests present being 108.

Anton Nielsen served as master of ceremonies for the program which followed the dinner. This included several popular piano selections played by Norman O'Connor, prizewinner in the Kiwanis Amateur show last year.

A boy from Cassidy Lake gave an excellent exhibition of tap dancing, with Norman O'Connor at the piano, and then Bill Willard, Ed. Meade, Burt Staffen and Bill Lucht of Ypsilanti and Ann Arbor, entertained in their imitable manner with a number of vocal selections. This quartet calls themselves "The Four Hoarsemen," described by a Kiwanis spokesman as a neat pun since their voices were, were anything but hoarse.

World Prayer Day  
Observed Locally  
by Sixty Women

The World Day of Prayer service was held, as scheduled, at the Methodist church Friday afternoon. Because of the heavy snow which blocked many side roads in the country, the attendance was not as large as expected. Sixty women were present for the service and for the tea which followed.

Mrs. A. E. Hollidge, of the Methodist Home, presided during the service and Mrs. A. A. Palmer sang "The 23rd Psalm."

The guest speaker, Leonard Bischoff, a student at the University of Michigan, gave a most interesting description of his home country, British Guiana, in South America. He explained the school system there, saying there were no institutions of higher learning and those who wished college education were forced to attend schools elsewhere. He said he had met a number of American missionaries in his home country and that he believed they were doing a fine piece of work there. He told of the ideal climate in British Guiana, which stays between 75 and 85 degrees the year around. British Guiana, he said, is smaller than the state of Michigan, with only half of it populated. The remainder is dense forest. Approximately one-half million people live there, and British Guiana, with its beautiful scenery, would afford anyone a fine picture of God's handiwork.

Mrs. O. W. Morrow, wife of the Methodist church pastor, and Mrs. W. R. Daniels, president of the Methodist WSSS, poured at the tea which followed the service.

The World Day of Prayer program leaflets give a list of books for recommended reading for church women. Miss Dorothea Pielemeler said this week that she has a number of these books and would be glad to lend them to anyone who wishes to read them.

Mr. and Mrs. Veal Whipple visited the latter's parents, Mr. and Mrs. William Curtis, at their home near Merrill, over the weekend.

Some Plants  
Find Orders  
Are Cut-Back

Chrysler Strike Hits Harder Here Than Coal Shortages

Approximately 25 per cent of the Central Fibre Products company's orders have been curtailed, partly because of the continued coal strike and partly because of the current Chrysler strike. Last week twelve employees were laid off because of the order curtailment, and an equal number will have to be laid off within ten days if the situation does not improve in the meantime. Harold Jones, vice-president of the company, said approximately 100 persons are normally employed at the plant.

At the Chelsea Spring company, between 70 and 80 men have been laid off in the past two weeks, the Chrysler strike receiving the greater share of the blame by Lowell Davidson, speaking for the company. The coal strike had caused one of the company's suppliers of raw materials to cut off shipments to the company, but this had not yet caused any layoffs, Davidson said.

At the Federal Screw Works, the Chrysler strike is also causing more concern at present than the coal strike. Stuart R. Barker, vice-president and secretary of the company and general manager of the local plant, said that the situation, to date, in regard to the coal strike remains the same as it was two weeks ago, the company having steel enough to continue operation for a reasonable length of time. All effects will be noticed, he said, when customers become affected by the strike to the extent that they find it necessary to cancel shipments of orders from the local plant.

Edwin Eaton, vice-president of Chelsea Products, said the company was still getting along nicely in spite of the coal strike, and that no lay-offs had yet been caused by the strike. Effects on company customers will determine any possible effects on the products plant.

Schools are still managing on their own, James K. Daniels and H. T. Moore, say they are still keeping their customers supplied with fuel. Daniels said he bought more coal on Tuesday and until finds it impossible to purchase new supplies he anticipates no real hardship here.

Melvin Lesser Named to Post of Village Fuel Administrator

At the request of Governor G. Mennen Williams, Village President M. W. McClure Tuesday evening appointed a fuel administrator here. McClure has named Melvin Lesser to act in that capacity. To date, no real hardship has been encountered here because of the coal strike, he said.

The first duty required of Lesser will be to make an inventory of the amounts and type of coal on hand in all institutions and public buildings and in the hands of dealers as well as any in transit. Public buildings and institutions include the schools, Methodist Home, Convalescent home, etc.

He will also be expected to get dealers to cooperate on deliveries and may arrange for confiscation of fuel, if it should become necessary.

Dealers here have already cooperated wherever possible, McClure said, indicating that Lesser's job as fuel administrator here should not be too difficult to carry out in that respect.

Friday evening visitors at the Lewis Wahl Home were Mrs. Dillman Wahl and daughters, of Clear Lake.

High School PTA Votes Contribution  
To Help Build National Headquarters

The Chelsea High School PTA voted at its meeting Monday evening to send two delegates to the State PTA convention at Kalamazoo in April. It was also voted to send five dollars to the National Memorial fund. The fund is to be used for a new PTA national headquarters building to be erected in Chicago.

Joseph Fisher and Miss Esther Schell, Chelsea High school teachers, were appointed as additional members to act on the prop and stage committee.

Charles Cameron, principal of the High school, announced that 45 students of his civics classes are completing the project of preparing questionnaires which are to be distributed to electors in the Chelsea-Agricultural school district next week in regard to the proposed new school building program here. The civics class students' project involves proper distribution of the questionnaires to all qualified electors in the school district. The students are doing this, Mr. Cameron emphasized, as

FFA Teams  
Win Honors  
in Contest

Tuesday, Feb. 21, the Chelsea FFA entered a parliamentary procedure team, demonstration team and public speaking team in the district contest at Saline. These teams competed against FFA teams from Milan, Manchester and Saline high schools for the right to represent this district in the regional contest.

The contest began at noon and no decisions were given by the judges until after the last speech in the public speaking contest. The competition was so keen that at no time did anyone feel confident that he had won, a representative said.

When the judges announced the winners it was found that Chelsea had fared well. In the demonstration contest the Chelsea team, made up of J. Neil Lantis and Kenneth Proctor, and demonstrating the "Benefits of the Pen Type Barn," was second to the Saline team, whose demonstration was on "Farm Safety."

The local Parliamentary Procedure team defeated teams from all the other schools of Saline and won the championship. Team members were Walter Zeer, Jr., president, Norman O'Connor, secretary, J. Neil Lantis, Arden Musbach and Bob Robbins.

Walter Zeer, Jr. won the Public Speaking contest again this year. Duane Girbach of Saline was second to Walter and both speakers were of such high calibre that the judges found it difficult to reach a decision. Robert Kothe of Manchester was the third speaker in this contest. All three speakers were on some phase of self conservation.

Mrs. Kent Walworth served as one of the judges of the public speaking contest.

On March 7 the winning teams will enter the regional contests at Kalamazoo, where they will attempt to win so as to represent the region in the state contest to be held at East Lansing.

Third Union Lenten  
Service To Be Held  
in Congl. Church

The first Lenten service of the 1950 season, held at the Methodist church last week, Wednesday evening, was well attended in spite of the inclement weather. Bad driving conditions, because of the snow, kept most country folk out of the homes and at the end of the month (and in between). However, old-timers are prophesying that it will "go out" like a lamb.

A pot-luck supper for 16 members and seven guests preceded Monday's VFW Auxiliary meeting held at St. Mary's hall. The supper was served by the month's committee, Mrs. Thelma Franklin, Mrs. Eulalie Packard, Mrs. Catherine Dorner and Mrs. Florence Minkel.

Following a short business meeting, games were the evening's entertainment feature.

To Hear Counsellor  
at Legion Home

Donald Bachman, who has been selected to take charge of the new Veterans Administration Counselling Center in Ann Arbor, will be present at the meeting tonight (Thursday) of the Herbert J. McKune Post of the American Legion which takes place at the Legion Home at Cavanaugh Lake at 8 p.m. Problems concerning veterans' status, GI insurance, dividends, etc., will be discussed by Mr. Bachman and in addition, he is prepared to answer questions of all kinds regarding veterans' problems.

Herbert J. McKune Post urges all veterans in the community who wish to hear Mr. Bachman, or who have questions on which they seek official information, to attend tonight's meeting. All veterans are invited, whether they are members of any of the service organizations or not, American Legion spokesmen state.

Winter Digs  
in Seriously  
During Week

Some real winter weather was packed into the past week, the snow which began a week ago Monday, continuing most of the week. On Friday many side roads were drifted and cars were becoming stuck. Over the week-end most places were cleared up. While there has been a little more snow since Sunday, the main trouble has been a heavy freezing rain which coated everything with ice Monday night and made early morning driving on Tuesday hazardous. Rising temperatures, rain and snow during the morning and early afternoon all combined to break up the icy glaze before the day was done.

Because of the icy roads buses were about an hour late on Monday morning runs, but were able to run on schedule again in the afternoon.

School buses were all late because of orders to drive very slowly. All buses made their regular runs.

A large number of pupils were absent on Tuesday, but school spokesmen attributed this to illness rather than the stormy day.

Yesterday, March 1, could be said to have "come in like a lion" at least there was considerable wind in the pre-dawn hours, followed by snow during the morning. In spite of the promise of the old saying, the month has been known to display the genuine characteristics of the beginning and at the end of the month (and in between). However, old-timers are prophesying that it will "go out" like a lamb.

**Overdoses of Aspirin**  
A warning that aspirin acts as a poison when taken in too large doses is given by three Philadelphia doctors. Excessive amounts of the drug have a toxic effect on the brain, kidneys and other organs. Drs. Bernard L. Lipman, Sidney O. Krasnow, and Robert A. Schless point out in the American Journal of Diseases of Children, published by the American Medical Association. They report five cases of poisoning from overdoses of aspirin. Three patients were children, and there were two deaths in the series.

VEW Auxiliary Group

Attends Initiation

at Ann Arbor Home

Thursday evening eight members of the local VEW Auxiliary met with the Ann Arbor Auxiliary in the Ann Arbor group's new hall for initiation of new members. Thirty nine of the 52 candidates for membership were present, with Mrs. Katherine Beck, department president, as initiating officer.  
One hundred members and guests were present from Bellevue, Dundee, South Lyon, Ypsilanti and Chelsea. Those from Chelsea were Mrs. Iza Carly, Mrs. Dorothy Lentz, Mrs. Ethel Reed, Mrs. Alura Geer, Mrs. Janet Hutzler, Mrs. Clara Hutzler, Mrs. Anna Werner, and Mrs. Magdalen Weber.

Guest Speaker

Rev. O. W. Morrow, of the Methodist church, spoke at the Kiwanis meeting, South Lyon Monday evening. Wednesday evening he preached at a Lenten service in the Garden City Methodist church, and tonight (Thursday) he is to preach the Lenten sermon at the Munitz Methodist church.

Farm Family's Diet

Farm families eat more milk and grain products, more potatoes and sugar and fats than city families. But they eat less meat, poultry, fish, fruit, and vegetables except potatoes, beans and peas.

### Youthful Polio Victim Will Soon Return to Kindergarten Classes

Curtis Hanselman, who was stricken with polio last September and had been a patient at Farmington Convalescent hospital since October, returned to the home of his mother, Mrs. Ruby Hanselman, Sunday evening. He is very much improved and it is believed he will be able to return to school in a week or two.

Guests at the Hanselman home Sunday evening at a quiet "welcome home" party for Curtis were Mr. and Mrs. George Cantrell and their son Bobbie Joe. Mrs. Hanselman served refreshments of ice cream and cake.

Curtis was a pupil in the kindergarten at the Public school when he became ill.

Thursday, Feb. 28, 1946—  
The Chelsea basketball champions are the Kiwanis club, after a thrilling 29-25 victory over the Chelsea Midgets. Hats off to the new champions and their manager, Willard Guest, for a fine season.

The organization of the Chelsea Flying club has been announced by a group consisting of G. L. Staffan, Dr. John Doyle, Wallace Franklin, Howard Holmes and Harold Howe. A two-passenger BT-13 has been purchased by the group. Additional membership is welcomed.

Philip Tompkins and Paul Rudd were injured and two Jackson women killed when the two cars collided in the middle lane on New US-12 Sunday. One car was occupied by five Jackson ladies and the other by the two Chelsea boys. The accident was very dangerous at the time of the accident because of sleet and snow.

"Anchors Aweigh" will be presented March 4 and 5 at 8 p.m. The musical revue is being sponsored by the Kiwanis club and brings a host of Chelsea residents to former residents, who have moved their talents, at the case of Joseph Bauer, the director, promises some fine entertainment.

### 14 Years Ago ...

Thursday, Feb. 27, 1936—  
Postmaster H. D. Witherell received an order from the Second Assistant Postmaster General to consolidate the three rural Chelsea routes into two by March 10.

Wayne Rossbach of the St. Louis Cardinals arrived in Chelsea on Tuesday for a visit with his parents before reporting at Springfield, Mo., on April 1.

Wm. Rademacher, 43, died suddenly of a heart attack Feb. 26 at the local office of the Waterloo Project Administration, where he was employed. He is survived by the widow, two sons, at home, and one brother of Detroit.

Work on the remodeling and redecorating of St. Paul's church was started this week. The principal changes will be the building of a platform across the entire front of the church with a niche for the altar and the installation of a new Hammond organ.

Residents of Chelsea and vicinity were glad to have relief from the extreme cold weather which lasted nearly 40 days. On Saturday it was from eight to 19 below zero in this area. Light and Water department has been more than busy thawing out water pipes in the yards.

Thursday, March 4, 1926—  
Mrs. Sarah Smith celebrated her 85th birthday anniversary at the home of her daughter on Monday. Remembrances were received from California, Ann Arbor, and cards from many local friends.

With 395 ballots cast, the bond issue approving erection of a new school auditorium and gymnasium was passed by a margin of six votes at the special election at the Town Hall on Tuesday.

Dr. Walter N. Koelz of Waterloo, who represented the National Geographic Society with the last Michigan expedition, will sail again this summer. The University of Michigan expedition will attempt to establish weather stations in Greenland.

The village election next Monday will be one-sided, as only the Independent party is in the field with F. E. Storms for president; Paul Maroney, clerk; A. E. Winans, treasurer; H. R. Schoenhals, O. D. Schneider, Roy Harris, trustees; and John B. Cole, assessor.

### 34 Years Ago ...

Thursday, March 2, 1916—  
E. H. Chandler was surprised when a number of friends called on him to help celebrate his birthday anniversary on Feb. 29.

**Earth's Core** Heat at the earth's center is generated in part by the dropping of the metallic components toward the center, but largely by radioactivity. Since it is impossible to penetrate far enough into the earth's center to determine the heat, the temperature has been calculated by measuring the radioactivity of meteorites, which are believed to be similar to the earth's core. 33

**First Sherbet** Though the glory of the Roman empire faded, another romantic figure in the pages of history re-introduced ice cream to civilization more than a thousand years later. Marco Polo, the Italian adventurer, brought from the Far East a recipe for an exquisite frozen food which contained milk. Before long people all over Italy were enjoying what we call sherbet. 33

## Marilyn Brooks, Douglas Vogel Are Married Saturday

Announcement has been made of the marriage of Marilyn Brooks, daughter of Mr. and Mrs. Douglas Brooks of Manchester, and Douglas Vogel, son of Mr. and Mrs. Clarence E. Vogel, of Chelsea. The wedding took place Saturday, Feb. 25, in Angola, Ind. The couple was attended by Mr. and Mrs. Arnold Wilson of Tipton. The bride is a 1948 graduate of Clinton High school and is now attending Michigan State Normal college at Ypsilanti.

Mr. Vogel served in the U. S. Navy for a year following his graduation in 1948 from Chelsea High school. He received his honorable discharge in Sept. 1949. He is now employed in his father's store.

Mr. and Mrs. Vogel will make their home in Chelsea.

## Club and Social Activities

### WRC PAST PRESIDENTS

The Past Presidents of the Woman's Relief Corps were entertained by Mrs. Lyle Christwell on Thursday evening, Feb. 23, at the home of Mrs. Harold Bair. A short business session was followed by a social evening. Prizes in games were awarded to Mrs. Bair and Mrs. George Hafner, while Mrs. Claire Rowe received the door prize.

Refreshments were served by Mrs. Christwell and Mrs. Bair after the games.

### FOE AUXILIARY

Twenty members were present for Tuesday's meeting of the Foe Auxiliary, with four new members being initiated. The new members were Mary Corey, Marie Corey, and Doris Campbell, of Grass Lake, and Lola Joseph, of Chelsea.

Mrs. Edna Badger, state Foe Auxiliary chaplain, was a visitor at Tuesday's meeting.

Plans were discussed for the supper to be given the winners in the membership drive by the losers. Mrs. Dorothy Shriver is captain of the losing team while Mrs. Kathryn Bretschneider's team won.

The Auxiliary voted a \$10 donation for the Eagles Memorial fund.

### WOMAN'S CLUB

The Woman's Club of Chelsea enjoyed a talk by Miss Ruth Skenebury as the program feature of Tuesday's meeting at the home of Mrs. Mary Corey. Miss Skenebury, who spent ten months traveling in South America last year, showed colored pictures of people and places which proved of great interest to her audience. Miss Skenebury's experiences in South America, which she related in a manner which brought out many humorous incidents, included teaching for two months, working for a short time, and visiting many points of interest not usually seen by the casual tourist. Members reported that her presentation of the story of her trip was very much enjoyed.

A short business session was held, and at the close of the evening, refreshments were served by Mrs. Wallace Franklin and Mrs. Leon Fox.

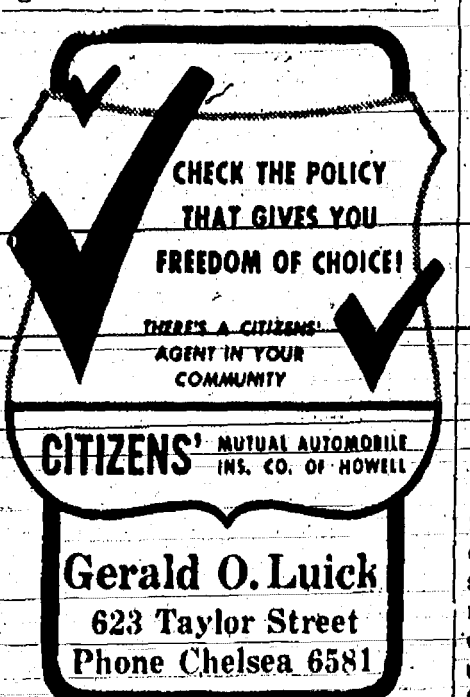

Seventeen members were present at the meeting.

### Engagement Told

Mr. and Mrs. Russell F. Perry announce the engagement of their daughter, Elaine Joyce, to Charles C. Hafner, son of Mr. and Mrs. William Hafner, of Chelsea. No date has been set for the wedding.

### ON DANCE COMMITTEE

Kalamazoo - Mary Ann Gage of Chelsea has been chosen as a member of the committee in charge of arrangements for a dancing party to be called "Wind Whirl," which will be sponsored Friday evening, March 3, in the ballroom of Waukegan Hall by Chi Omega Kappa fraternity of business education students at Western Michigan college.

## RED CROSS HAS RECORD NUMBER SERVING U. S. MILITARY FORCES

With U. S. military forces at five times their prewar strength, a record number of American Red Cross workers are serving them throughout the world.

More than 2,000 Red Cross representatives today are stationed at 1,300 military installations and 123 hospitals here and overseas. About 1,400 staff workers are serving troops in this country. The others are working at occupation and defense posts abroad. Only during the peak years of World War II were a larger number on duty.

The duties of these Red Cross workers are as varied as the locale in which they work, involving a wide range of welfare services that contribute to military morale. They may include tending over a soldier's wife with grocery and rent money until her family allowance check comes through, or getting a welfare report on an Eskimo serviceman's mother via weather bureau radio. Sometimes it means getting word of a family emergency to a sailor with the fleet in the Mediterranean.

Service of the Red Cross worker in a military hospital may be helping a man through the difficult hour when he learns that he will never be well again or removing the worry that often stands in the way of his recovery.

Under Federal statute and regulations of the Army, the Navy, and the Air Force, the American Red Cross furnishes volunteer aid to the sick and wounded of the armed forces and acts in matters of voluntary relief and as a medium of communication between the people of the United States and their armed forces.

In the last year Red Cross staff members handled more than 102,000 welfare cases in military hospitals. More than 500 professional Red Cross workers are stationed at 40 army hospitals, 26 navy hospitals, and 14 air force hospitals. Coverage is also given in England and wherever the problem or wherever the serviceman is stationed, the chances are good that a Red Cross worker will be found.

## VISIT IN GERMANY

Mary Jane Eder and her brother, Donald Eder, are leaving today (Thursday) by plane for New York, from where they will sail for Germany. In Lorch, Wuertemberg, they will visit their maternal grandmother, Mrs. Wilhelm Hinderer, whom they have

never seen. Their grandfather, the late Karl Hinderer, visited here in 1929.

Miss Eder and her brother plan to be away about a month. People who profit by their mistakes will find they really have made no mistakes.

## St. Mary's Cagers

## Defeat Junior High

St. Mary's Junior High basketball team defeated Chelsea Junior High last Saturday at the Chelsea High School gymnasium, by the score of 41-42.

St. Mary's high scoring players were Neil Buehler, 21 points; Skip Wheeler, 12 points. Chelsea's high point men were Donald Rowe, 12 points, and "Butch" Downer, nine points.

Before the three-minute overtime period the score was tied at 42-42. In the last minute of overtime play Skip Wheeler and Neil Buehler each made two points.

Charles Cameron was referee and was assisted by Bill Clark and Alfred Knickerbocker.

This Saturday morning, March 4, at 9:30, the two teams meet again at St. Mary's gym. The public is welcome to observe these games.

## Engineer of Progress

John Fritz was a leader in developing inventions and improvements for iron and steel plants during the latter half of the 19th century. Foremost of his many innovations was a rolling mill three rolls high.

## 4-H Teaches Love For Home, Nation

MARCH 4-12 is National 4-H week. The objective is to increase membership and to help rural boys and girls to understand, to love, and to take advantage of the opportunities they find in their own homes and communities.

Including nearly two million members, the 4-H movement is the greatest voluntary rural youth organization in the United States. There are 175,000 volunteer local leaders, guided by about 11,000 well-trained men and women. These guides represent the county, state, and national agricultural extension service.

## Basic Scout Course To Be Attended by Local Leaders

A basic training experience for all troop scouters and others interested, will be conducted by the Middle District Training committee, beginning Friday, March 3. Several adult leaders from Chelsea are planning to attend.

This training will emphasize what is necessary in the proper operation of any troop. Principal themes will be: patrol and troop organization, patrol and troop program planning, patrol and troop meetings, patrol and troop hiking, patrol and troop camping, and helping the individual boy to grow.

It is planned that the course will consist of six evening meetings and two outdoor sessions. Scoutmasters, assistant scoutmasters, commissioners, dade and organization and extension committees are especially urged to attend, and all others are cordially invited, says Dan S. Ling, Council Chairman of Leadership Training for scouters, at the Middle District, will meet at 7:45 Friday evening, March 3, at Bethlehem Evangelical church, 423 South Fourth avenue, Ann Arbor.

Twin boys were born recently to an economics professor. Could that be construed as an optimistic trend for the future?

## DEATHS

## Grace G. Reynolds

Miss Grace Golden Reynolds, a resident at the Methodist Home for more than 10 years, died there late Thursday evening at the age of 78 years. Miss Reynolds was the daughter of a Methodist minister and a granddaughter of another Methodist minister, Rev. William Taylor, a charter member of the Illinois Conference of the Methodist Church, whose first presiding elder (now called district superintendent) was Peter Cartwright.

Miss Reynolds was born Feb. 14, 1872, in Eau Claire, Wis., a daughter of Rev. Joseph B. Reynolds. Her mother was the former Prudence M. Taylor. She lived for a number of years in Hastings, Neb., and following her mother's death, in Greenville, where she made her home with the family of Rev. J. B. Pinckard. She entered the Methodist Home from Coldwater on July 25, 1939.

Survivors of Miss Reynolds are a sister, Mrs. J. C. Lee of Hastings, Neb., a brother, W. E. Reynolds, of Denver, Col., and a niece, Mrs. H. Glenn Henderson, of Kalamazoo.

Funeral services were held at the home, at 1:30 o'clock Saturday afternoon, followed by burial in Oak Grove cemetery. Rev. M. J. Betz, superintendent of the home, officiated.

## Mrs. Arlo Dysinger

Mrs. Arlo Dysinger, the former Emily Blanche Lewick, died Sunday at Lake City, where she and her husband had been making their home since 1944. A daughter of the late William G. and Mary Elizabeth Lewick of Chelsea, she was born here May 7, 1897.

She was married to Mr. Dysinger on June 21, 1922 and they made their home in Milan until going to Lake City.

Survivors, in addition to her husband, are a daughter, Mrs. Jeanne Michelson, and two grandchildren, of Ypsilanti, and three sisters, Mrs. Elmer Schairer and Mrs. Homer Parks, of Ann Arbor, and Mrs. Reuben Sadt, of the Chelsea-Manchester road.

Funeral services were held in Lake City yesterday afternoon.

## J. George Mayer

George Mayer died early Tuesday evening at his home, 828 Elm street, following a two-month illness.

Born in Freedom township on June 15, 1890, he was a son of John G. and Anna Neuhing Meyer. His full name was John George Mayer.

He was married on Sept. 30, 1908, in Lima township, to Amanda Toney, who survives. They made their home on the Toney farm for about three years before coming to their present home in 1912.

Mr. Mayer was a carpenter, his last employment at his trade having been at the Federal Screw Works plant where he worked from 1940 to 1944.

He was a member of St. Paul's Evangelical and Reformed church. Surviving, in addition to Mrs. Mayer, is one son, Walter, of Essexville, near Bay City. Also surviving are a number of nieces and nephews.

Three sons preceded him in death, Norman, who died following an automobile accident in 1940; Willis, who lost his life in 1945, while serving as a Naval flier in the South Pacific during World War II; and LeRoy, who died in 1946.

Funeral services are to be held at the Staffan Funeral Home at 2 o'clock tomorrow afternoon (Friday). Rev. P. H. Grabowski will officiate and burial will follow in Oak Grove cemetery.

Friends may call at the funeral home.

## MICHIGAN MIRROR

(Continued from page one)

confronted with an unfriendly administration, and that with other advantages elsewhere, Michigan is longer in inviting," states Lovett.

It is the judgment of Lovett, an spokesman for Michigan corporations, that without a thorough investigation of the possibilities of economy in state and local governments. Conceding that the sales tax amendment diverts 78 per cent of the sales tax revenues back to the home governments, Lovett believes "it is embarrassing to some townships and local communities to have so much money they don't know what to do with it."

Lovett would either do away with the sales tax and come forward with some other direct form of taxation or he would require local communities to assume many of the burdens the state is now attempting to carry with reduced revenues.

In conclusion let me say that "there is no need for a new tax. If the time ever comes when we need new taxes in Michigan, let's be honest about our proposals."

"Let us not try to say to the people of the state that by an indirect tax they are not paying a tax. Direct taxation is the only honest type of taxation. Then we are not building up a pyramid of concealed charges against the consumer."

A final shot: "I believe any impartial investigation would show that the state does not need any new revenues of any kind," said Mr. Lovett.

This in brief, is the case of the state corporations against the Williams corporation profits tax program.

Net exports of wheat from the United States have exceeded 300 million bushels only in 1914-15, 1920-21, and each of the past four years, according to the U. S. Department of Agriculture.
