* MORE RESULTS! Pre-selected and coated seeds mean less chance for failure.

* EARLIER PLANTING! 2 to 3 weeks earlier planting possible. Weather that kills ordinary seeds is countered by pellets!

* FASTER GROWTH! Pelleted seeds have a flying start toward earlier maturity than ordinary seeds.

* NO "THINNING-OUT!" No wasteful sowing, just space-plant pellets singly and eliminate laborious "thinning-out!"

* ELIMINATE TRANSPLANTING! Grow direct from pellets, get fruit the same time! These seedlings stand frost better than transplants!

North Lake Couple Mark Golden Wedding

MR. AND MRS. REINHOLD VERGIN

Mr. and Mrs. Reinhold Vergin will observe their golden wedding anniversary on Saturday, March 25. As they have no family, the North Lake Methodist church, of which they are members, is honoring them with an open-house reception at their home 13882 North Lake road, from two until four o'clock in the afternoon and from seven until nine in the evening.

The Vergins have been residents of the North Lake area for over 30 years, coming here from Akron, Ohio, in 1919. Until retiring two years ago they ran a boat livery at the lake.

Both Mr. and Mrs. Vergin were born in West Prussia, Germany; he on July 21, 1874, and she on June 28, 1873. She was the former Hedwig Feber, the only child in her family.

Mr. Vergin came to the United States in 1888 and went to Pittsburgh, Pa., to live. They became acquainted when Mrs. Vergin came to Pittsburgh in 1899, and on March 25, 1900, they were married there by Rev. E. Brandt, pastor of the Lutheran church. They remained in Pittsburgh for some time and then moved to Canton, Ohio. Mr. Vergin had worked as a barber while in Pittsburgh and also in Canton. They moved from Canton to Turkeyfoot Lake, near Akron, where they operated a lake resort until coming to Michigan and the North Lake area.

With the observance of their golden wedding, the Vergins become eligible for membership in the "50 Club" of the North Lake church. This includes four other couples who have celebrated 50th anniversaries. The others are Mr. and Mrs. George Webb, Mr. and Mrs. Perry Noah, Dr. and Mrs. Harvey Pearce, (now spending the winter at Fort Myers, Fla.), and Mr. and Mrs. Will Brown, Sr. Incidentally, the house the Vergins live in at North Lake is the birth place of Mr. Brown.

The only living relative of the couple is a brother of Mr. Vergin, Karl Vergin, living in the British zone in Germany.

LYNDON HOME EXTENSION CLUB

The Lyndon Home Extension club met March 16 with Mrs. Austin Bott as hostess at the home of her daughter-in-law, Mrs. Norman Bott.

Following the one o'clock pot-luck dinner, Mrs. George Beaman, the club's chairman, presided at the business meeting, appointing Mrs. Mary Clark secretary pro tem because of the absence of the secretary. Nine members, three guests and four children were present for the meeting.

Chosen by vote as the work programs for the next year were the following: etching, sewing, leather work and painting.

The club will meet April 27 with Mrs. Howard Boyce, it was announced.

TIMELY TOOLS

The bell rings and the students settle down, ready to begin another class period. The teacher tells the students to take out a paper and pencil, because he has a little quiz for them. Right then and

there a calamity takes place. Johnny has to ask Jimmy for some paper. Bob has to borrow a pencil etc. These trivial little things like forgetting a pencil can cause a great commotion.

Every student should realize that it is his job to take necessary equipment to class. How can he expect to do work when he doesn't have the tools with which to work? Would he expect a carpenter to go to work and have to borrow a hammer and nails? No, of course not, so why should he come unprepared?

The next time you borrow something, stop and think, "Couldn't I have bought some paper this noon," or whatever it is you're borrowing. More than likely, you will find that your accomplishments will be greater, when you have the tools to work with.

FAMOUS SAYINGS

Have you ever noticed what familiar sayings are used in school? The roving reporters

have picked up a few of them. After reading them you will agree with them that they fit each person.

Miss Fox, "Sit down and shut up!"
B. Vogel, "Well—sorta."
G. Widmayer, "John and I aren't speaking."
Mr. Chandler, "There's no excuse for this!"
R. Ruele, "Is bus number two in yet?"
J. N. Lantis, "Looking for trouble?"
Mr. Fisher, "Art I!"
Mr. Quilatt, "Oh, for John's sake!"
M. Leach, "Take it easy son!"
K. Galbreath, "Watch it kid!"
M. Schrader, "Anyone seen Spook?"
C. Lewis, "Girls! Have I got a trunk load of dirt!"
D. Otto, "y-y-y!"
P. Murphy, "Wanta hear a good joke?"
Mr. Stuits, "I'm serious, I hate girls!"
D. Myers, "Ya, my golly!"

Miss DeRose, "Throw him a fish!"
D. Schrader, "Gee-Zoo!"
R. Guenther, "Hi-Snuff!"

JEAN McCLURE—ALL "A"
Due to extended illness, Jean McClure, received permission to hand in work late. When all her work was done, and her grades all recorded, Jean became the third person to earn a spot on the all-A honor roll for the fourth marking period. Congratulations!

NOON HOUR ACTIVITIES

A noon-hour council of five members has been appointed by Mr. Stuits in an effort to re-organize noon-hour activities. The problems concerned are the division of the playground, the use of the gym, the possibilities of buses transporting pupils to the athletic field at noon this spring, and keeping the pupils orderly at noon hour. A courtesy squad, consisting of about 10 members, will be appointed to enforce the rules and to deal with those disobeying any of the rules. This is being done in an effort to improve the school's appearance and also the pupils' conduct at noon. The co-operation of everyone will help make this plan a success.

JUNIOR BOYS WIN CLASS TOURNAMENTS

The new class champions of the boys' basketball are the Juniors. This glory was bestowed upon them two weeks ago after a fast and furious game with the faculty. The tournaments started on Monday with the Seniors playing the Sophomores and the Juniors playing the Freshmen. These two games proved to be rather push-overs with the upper classmen winning. The next day the teams were supposedly more evenly matched. The Juniors and Seniors played. The Juniors seemed to have a little more of what it takes; the score ended 46 to 44. On Wednesday was the big day. It was a battle between brains and brawn—the faculty and the Juniors. It was a very close game with the lead changing several times. Towards the end though the faculty seemed to slow down. They were tired, I guess. When the final whistle blew the brains had won—meaning the faculty, of course, by a score of 38 to 33. This was the last game, so now the Juniors are champions for this year.

SENIORS WIN CLASS TOURNAMENTS

The Senior girls won the class tournaments which were held last week on Monday, Tuesday and Wednesday. The Seniors vs. Faculty game was played March 20. Monday, Juniors defeated the Freshmen by a score of 18-10. D. Rowe, E. Ferry, and R. Beurlie, divided the scoring honors with six points each.

Seniors won their game with the Sophomores 14-12. J. Murphy was high-point man with nine points. Tuesday, the Seniors defeated Juniors 19-6 to win the tournament.

In a consolation game the 10th graders defeated the Freshmen 18-6. Again J. Murphy led in making points with eight to his credit.

Wednesday, the Juniors were defeated by the Sophomores in a challenge game, by four points, the final score was 13-9. M. Klobashar and J. Murphy lead the scoring honors with four baskets apiece.

The chemistry class saw three movies last week. One, put out by the Firestone Rubber company, showed the complicated processes involved in the manufacture of rubber. It showed the many chemical processes from the original raw rubber to the many forms familiar to us today, especially rubber tires. The other two movies were about the petroleum industry, and included the chemical composition of petroleum, the modern methods used to obtain more and better gasoline, and the many products made from crude petroleum.

The biology class saw a movie entitled "As Maine Grows," showing ways in which would enable the United States to grow more and better potatoes. It illustrated the importance of modern implements in potato growing and also how the Conservation department is working with the farmers to protect their potato crops from

Maine was given as an example of excellent and prosperous potato production, and it was discovered that although Maine is a small state, it nevertheless raises 48% of all the seed potatoes produced in the United States and ships them all over the world. It also showed the Potato Festival, over which the Potato Queen and her Court reign, which has become an annual celebration as soon as the potato blossoms appear.

Organizations . . .**DEMOCRACY IN ACTION**

The Student Council further discussed the coming of Parents' Night.

Key, Murphy was appointed to get information from seventh grade about how many parents each student would have attending Parents' Night.

It was decided that the Student Council members be required to read the Student Council minutes in each home room.

The subject of the Student Court will be brought up in the home rooms again and a definite decision will be made on it.

There will be a definite day for locker inspection. This day is March 22.

The seventh grade will be allowed to have a fudge and cake sale to raise money for the Red Cross.

Stanley Toney was appointed to take charge of the shades in the gym.

Ralph Guenther, Jean McClure and Marlene Schneider were appointed to see about giving an

assembly to remind the students about rules at dances.

HOME ECONOMICS

What have the "homemaking" girls been doing lately? The record reads as follows: "Homemaking" sewing, 11—40; work, 11—40; talking about homes, 8th grade—party.

Want to know more? OK—The Homemaking girls are learning to make cotton dresses. They call their work, "Springtime Cottons" and have waited a long time to start work on it.

While the girls in second year took a trip to Ann Arbor to see a demonstration of foods given by the Home Service Division of the Michigan Consolidated Gas company, the eighth graders planned and gave a sponge-cake party for the eighth grade boys. The third year girls are studying about choosing and furnishing a home.

After this interesting study they will be on the lookout for a young gentleman (one to be found, one to be found) with whom they can share this home and incidentally to pay for the elaborate plans.

RED CROSS

The Red Cross council met on March 8 to discuss the gift-box drive. It was decided that each home room in grades seven through twelve will be requested to fill five boxes before March 31. Either the money or the articles may be contributed. Each box costs approximately two dollars.

FFA

Chelsea's FFA held its regular meeting March 13 and elected R. Guenther and G. Henick to represent Chelsea at the State convention to be held in Lansing. The Parliamentary Procedure team plans to go to Lansing, also.

The chapter is preparing to sell the "Farm Quarterly" and "Breedsers Gazette" and would appreciate any subscriptions you desire to place for anyone of these two magazines.

BAND

The band, under the direction of Robert Sohn, presented an assembly on March 21 to demonstrate to the students and teachers of Chelsea High what they will be required to do on Saturday when they compete in the district contest at Pease auditorium, Ypsilanti. They played the march, "Scoutmaster," the overture, "Bella Across the Meadow," and the required number, "Overture Argentina," in addition to a few other selections not entered in the contest. Last, but not least, they demonstrated their sight-reading ability by playing a number they had never before seen. This is important, as the contest judges try to get a piece "right off the press" in order to be sure bands have not previously tried it. The sight-reading contest is conducted privately.

SPEECH CONTEST

Chelsea High school has again been selected as the place where the district spring speech contest will be held. The annual competition will be in the fields of dramatic and oratorical declamation, oration, and extemporaneous speech. The contest is scheduled to begin at 7:30 p.m. on March 29, in the High school study hall. Milan, Saline, Brighton and Chelsea High schools will be represented in the contest. The public is invited.

Biographies . . .

What senior boy drives a '34 Ford, is an outstanding baseball player, and was born in Munith, Aug. 12, 1932?

Arden Muebach attended Munith Public school before he came to Chelsea. Since his entrance here, he has made many friends and participated in several different activities. He has gone out for all three sports—football, basketball, baseball and has held the offices of vice-president of H-Y and treasurer of FFA. In addition to all this he held a part-time job at a local restaurant.

Certainly Arden didn't receive his nick-name "Moose" because of his size since he is only 5'9" tall and weighs 138. When he went out for football last fall the coach began calling him "Mooseback," thus the nick-name.

Arden has had an active high school career and is well-liked by all his fellow-students, who wish him great success and happiness in the future.

August 19, 1930, in Waterloo a little bundle of joy arrived at the Bauer's residence. Marianne attended Pumpkin college for her first eight years and then enrolled at Chelsea High. Her favorite food is chili and she enjoys watching a GOOD basketball game. Marianne's most embarrassing moment was the time she fell down the stairs and put on a show for the whole student body. Through high school Marianne has been engaged in many school activities. Some of them were bowling, chorus and in 48 she took part in the opera. Marianne has never been employed at any job except baby-sitting, but she intends to get a job in a dress shop after graduation.

Know her? She was born Nov. 22, 1932 in Chelsea, attended St. Mary's school before coming to high school. For her favorites this "Sweet Miss" likes—food, chicken; sport, basketball; and recreation, bowling. This girl is athletic-minded for she has taken GAA three years. Her GAA career includes bowling, volleyball and track. Mary Harker's pet peeve is people who tease in a mean way. Mary plans for the future and life after graduation are indefinite.

SENIOR NEWS

Monday, March 20 brought a close to the booster plate campaign.

More than 75 per cent of the eighth grade have bought saving stamps this week.

The eighth graders have challenged the seventh graders to a spell-down consisting of the few best spellers in each grade.

The girls gave demonstrations on care of clothes and care of your room for Home Ec.

Beverly Smith had a birthday March 19 and Cynthia Paul had one on March 16.

SEVENTH GRADE

The seventh grade has taken the challenge the eighth grade issued. Alice Wenk had a birthday on March 19.

The grade received Student Council permission to help a candy, cake and cookie sale to raise its Junior Red Cross quota. The successful sale was held on Tuesday.

Grade News . . .

SIXTH GRADE

Nancy Atkinson was victorious in the sixth grade spelling bee after correctly spelling the word "struggle." Sharon Dancer was a close contender for the title.

FIFTH GRADE

Another winner of The Detroit News Metropolitan Spelling Bee was Gene Owens of the fifth grade. The word that Gene won with was "daily."

Lynda Mayer's classmates in the fifth grade hope she is enjoying her visit to Florida with her grandparents.

Five March birthdays were celebrated in the grade school. Those pupils who were honored were: David Geer and Douglas Ball of the morning and afternoon kin-

dergarten classes respectively; David Johnson in the first grade; Marjorie Hopburn in the second grade, and the fifth grade observed the birthday of Evelyn Moore.

FIRST GRADE

Some of the pupils in the first grade made workbooks containing things on the farm.

SECOND GRADE

A model train made from shoe boxes was completed by Miss Gregory's second graders. This bright train with its many colorful cars attached to its little engine stretches across the floor.

DEATHS

Herman W. Podewill

Chelsea friends and relatives of Mrs. Herman W. Podewill were notified Sunday of the sudden death of her husband Saturday afternoon at St. Joseph's hospital, Ann Arbor. Mrs. Podewill, the former Lillie Kappler, was a Chelsea resident before her marriage on Sept. 10, 1928. Mr. and Mrs. Podewill made their home in Ann Arbor at 203 North Seventh street.
Surviving in addition to Mrs. Podewill is a daughter, Rosalind. Mr. Podewill was 48 years old at the time of his death.
Funeral services were held at the Muehligh chapel in Ann Arbor at 3 o'clock Tuesday afternoon and burial took place in Bethleh-hem cemetery. Rev. Carl A. Brauer officiated.

Esra J. Moeckel

Esra J. Moeckel, a resident of the Waterloo township area his entire lifetime, died suddenly Thursday evening at his home on Gordon street of heart and Alvinia Schultz Moeckel, he was born in Waterloo township on Dec. 14, 1883.

On Dec. 7, 1910, he was married to Mina Barber, who, with their only daughter, Odema Moeckel, survives. Also surviving are four sisters, Mrs. Charlotte Van Ness and Mrs. Lula Thelen, of Jackson, and Mrs. Philip Seitz and Mrs. Alfred Lindauer, of Chelsea.
At the time of his death Mr. Moeckel was a member of the Waterloo township Board of Review.

Funeral services were held at 2 o'clock Sunday afternoon at the Milner Funeral Home in Stockbridge, with Rev. Clarence Harrington, of the Waterloo V. M. church officiating. Burial took place in Mt. Hope cemetery at Waterloo.

American Legion
Post, Auxiliary
Observe Birthday

The annual birthday party of the American Legion was observed here with a dinner and social evening at the Legion home at Cavanaugh Lake. The Post and the Auxiliary joined forces for the celebration under the general chairmanship of Grant Schooley. The party was held Thursday evening, March 16.

The St. Patrick's day theme was carried out in the table decorations and also in the ice cream which was centered with green-tinted, shamrock-shaped molds of the cream.

Following the dinner, Albert Doll, chairman of the building committee, told the assembled group of the progress of plans for the new addition to the Legion home to be built in the spring.

Cards were enjoyed later by those who wished to play.

Boy Scouts To Hold
First Meeting in
More Than Year

The first meeting in more than a year for Troop 25 of the Boy Scouts is to be held next Wednesday, March 29, in the Boy Scout room in the Municipal building. The meeting will begin at 7 p.m.

Boy Scouting has been inactive in Chelsea for some time and its re-activation now is timely inasmuch as six Cub Scouts will be eligible to join the troop immediately.

Cub Scouting has been increasingly active during the past year and a growing number of boys will be ready for the 11- to 13-year age group of Boy Scouting.

William J. Sullivan is the new Scoutmaster of Troop 25 and a half-dozen men are at present attending a leaders' training course at Ann Arbor each Friday evening for six weeks.

The Boy Scouts are sponsored locally by the Chelsea Kiwanis club.

Scout officials urge all interested boys in the community between the ages of 11 and 13 years to attend this first Boy Scout meeting next Wednesday.

Hard Wood
Hard wood resists penetration of nails and screws. But rubbing soap on the nails or screws eases the job and helps prevent the wood from splitting.

BIRTHS
