

Michigan MIRROR

By Gene Alleman

Keeping Michigan industry in Michigan has become one of the biggest post-war problems before the Michigan Department of Economic Development, a new promotional state agency set up by Governor Kim Sigler.

Because of the interest taken by this state news-letter in the development of new industries for Michigan, the "Michigan Mirror" writer was privileged recently to view a presentation made by the state department in the interest of a proposed \$250,000 industrial advertising fund to be paid by industry itself.

A group of 50 business leaders gathered recently at Michigan State College with the State Economic Development commission to study the problem. Other states are spending large sums of money to woo industry into their borders. While the Department of Economic Development, cooperating with local chambers of commerce and utilities, has been successful in attracting many new industries to Michigan, there has been a noticeable migration of industry from Michigan to other states.

Don Weeks, acting director of the state department, presented the program to the group in the form of large charts. The group is headed by Walker L. Oisler, executive vice-president of the Detroit Edison company. Dan Gerber, president of the Chrysler Motor company, Fremont, presided at the meeting. Oisler's group includes representatives of manufacturing, banking, public utilities, organized labor, retail business and community groups.

"One of the biggest problems is keeping Michigan companies in Michigan," said Weeks in presenting the charts.

"In recent years and in recent months Michigan has suffered severe losses."

The following information on industries which have moved away from Michigan is taken from the official record of the State Department of Economic Development, as presented to the citizens' group: American Lady Corset Co., moved from Detroit to Greenville, N. C.; Diamond Power Specialty (Continued on page two)

Census Takers Begin Duties Last Saturday

Mrs. Ethel Knickerbocker and William Kadenbauer began their duties as official census enumerators for Chelsea last Saturday morning. Mrs. Knickerbocker has been assigned the area west of Main street from the railroad tracks to the village limits; also the east end of Main street beginning on East Middle street and continuing to Madison street on the east and the village limits on the south. Rademacher is in charge of the remainder of the village. After they finish the village they will help out in the rural areas. They are working under Mary Ellen Kelleher, more known as Mrs. L. J. Jackson, division chief in charge of the northern part of Washtenaw county.

PROCLAMATION

To the People of Chelsea:
History and Christian tradition teach that Christ enriched the life of all of us by His life, teachings, example, and death. Men have come to reverently observe the death of our Lord and have set aside "Good Friday" as a time of self examination, worship, and reflection upon the eternal truths of the Christian faith.

Since it is recognized that one of man's greatest needs is nourishment for his spiritual being, therefore in order to lend encouragement to the redemptive practice of worship and to make more convenient for all Christian people of Chelsea to attend their respective places of worship, I, M. W. McClure, President of the Village of Chelsea, request all commercial enterprises to discontinue business on "Good Friday," April 7, 1950, from twelve noon until three o'clock.

By Order of Village President,
M. W. McClure.

Churches To Observe Good Fri.

Special Services
Are Being Planned
for Easter Sunday

Good Friday will be observed here tomorrow with special services at St. Mary's church and at the Methodist church. The Congregational church and St. Paul's Evangelical and Reformed church will follow the annual custom of joining with the Methodist church for a union service beginning at 1:30 p.m., while St. Mary's church will begin the day's observance with the Mass of the Pre-Sanctified at 8 a.m. and will hold an afternoon service from two until three o'clock. At the afternoon service Father Laige will give a dissertation on the Seven Last Words and the service will be concluded with the Stations of the Cross.

Rev. O. W. Morrow will preside at the union service at the Methodist church and Rev. P. H. Grabowski, of St. Paul's church and Rev. W. H. Skentelbury, of the Congregational church will be the speakers. The former will take for his text the fifth word of Christ on the cross, "It is Finished," and Rev. Skentelbury will speak on the sixth word, "It is Finished." The High School Chorus will provide special music.

At St. Mary's church the traditional Exposition of the Blessed Sacrament began at 8 o'clock Mass this morning and will be concluded at the Holy Hour service at 7:30 this evening. Saturday at 8 a.m. Mass there will be the blessing of fire, the paschal candle, baptismal water and Easter water. Easter Sunday High Mass will be celebrated at 8 a.m. and second Mass will take place at 10 a.m.

Tonight (Thursday) the three Protestant churches are having special Holy Communion services beginning at 7:30 o'clock. At the Congregational and Methodist churches there will also be baptismal services and reception of members. The Congregational church service will be a candle-light one.

Easter Sunday services at the Methodist church will include a sunrise service at 6:30 a.m. under the direction of the Youth Fellowship. Mrs. Charles S. Cameron will speak at this service which will be followed by breakfast at 8:30. The regular worship service will be held at 10 o'clock and Rev. Morrow will speak on "The Right To Hope."

Village Committees Named at Monday Council Session

The following appointments were made by Village President M. W. McClure at the regular council meeting Monday evening: president pro-tem, Lynn W. Kern; street and curb committee, Lynn Kern, Anton Nielsen, sidewalk committee, Joseph C. Dreyer, Charles J. Williams; police committee, Anton Nielsen, Joseph C. Dreyer; fire department committee, Dudley Holmes, Charles J. Williams; finance committee, Dudley Holmes, Walter Gager; electric light and water committee, Nestor of the three Protestant churches are urging everyone to make a special effort to be present for the Union Good Friday service and for Easter Sunday services.

Phoney Phone Calls Imperil Police, Fire Service

For a period of approximately 30 minutes around 1:30 Monday afternoon, Chelsea was in a precarious position as regards fire and police protection because of another instance of prankish calls to the fire department. These calls have been a nuisance to the fire and police departments for some time.

The situation Monday might have had serious consequences if emergency fire or police protection had been needed just then because the fire department telephone line was tied up for a full half-hour when the youngsters who dialed the number failed to replace the telephone receiver. Adding to the gravity of the situation was the fact that just at that time, also, because of new cables being installed in the village, wires for the police light at the intersection of Main and Middle streets, as well as the wires for the fire siren, were disconnected. This made it difficult (Continued on page seven)

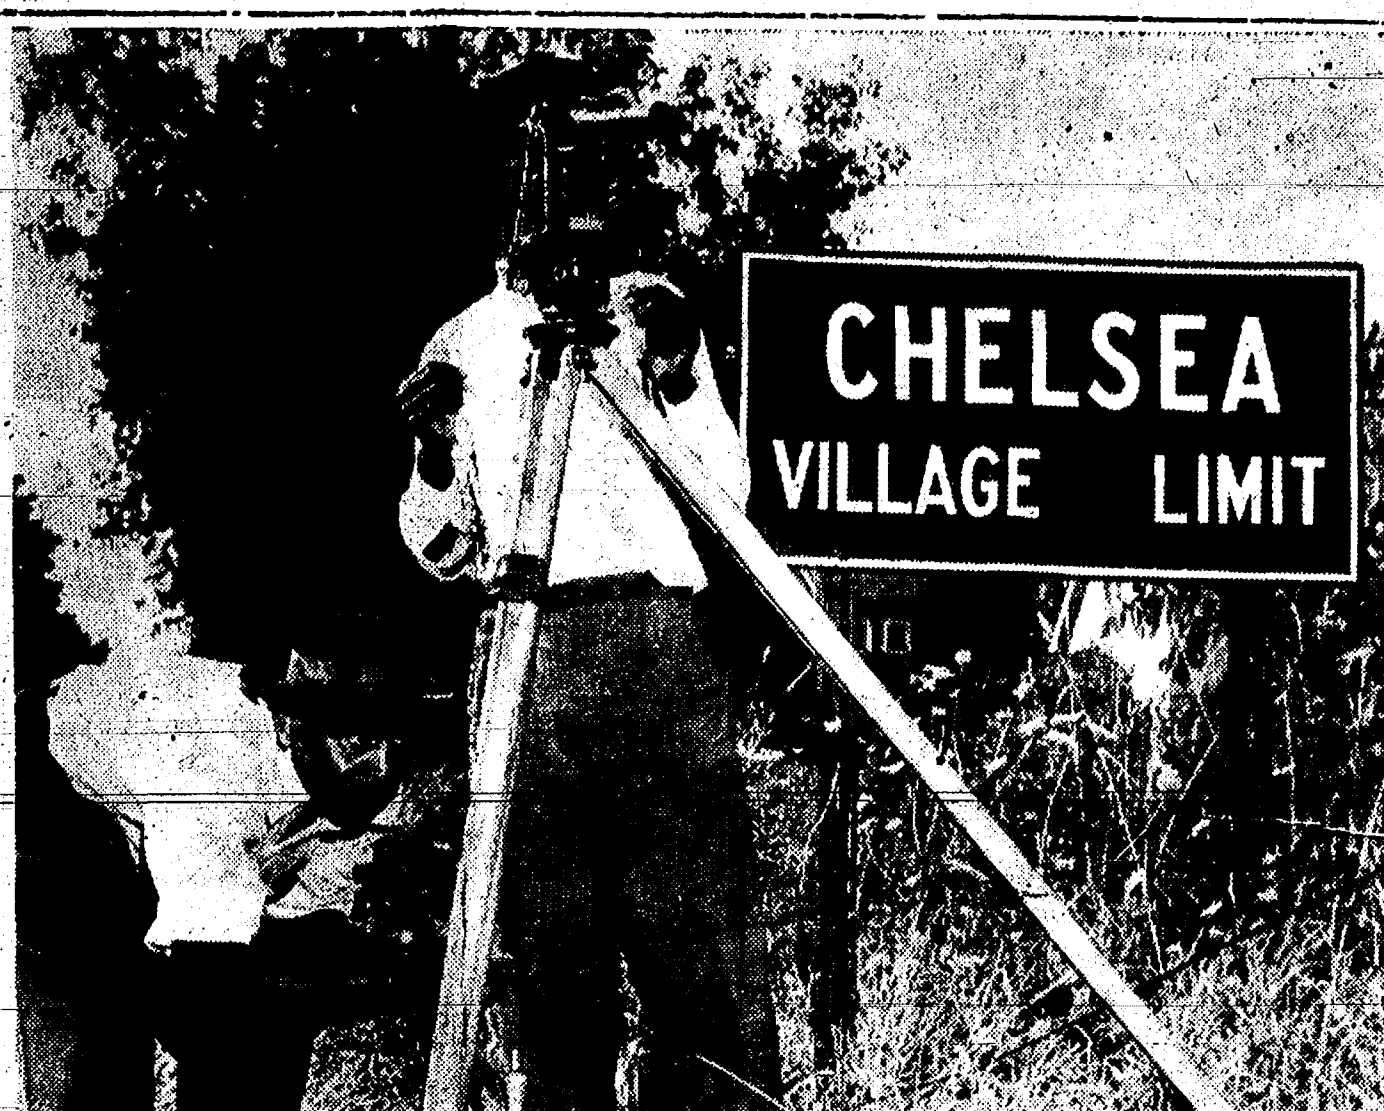

Courthouse Issue Loses by 2-1 Vote

Sylvan township's vote on the courthouse issue Monday was as follows: tax increase proposal, 149 yes and 181 no; bond proposal, 147 yes, 126 no. By precincts the vote was: Precinct 1, tax increase proposal, 62 yes, 80 no and Precinct 11, 87 yes, 62 no; bond proposal, Precinct 1, 61 yes, 65 no, and Precinct 11, 86 yes, 60 no.

While the votes here gave both propositions small majorities, both issues lost in the county. The tax increase was defeated by approximately 400 votes while the \$2,400,000 bond issue proposal was rejected by a majority of 225 votes.

In the townships of the county both proposals lost by almost two to one against both propositions. Ann Arbor's four to one majority in favor of both proposals was wiped out in the tabulation of votes for the entire county.

Sunday afternoon callers at the home of Mrs. Eva Dancer were Mr. and Mrs. Howard Dancer and family, of Ann Arbor, and Mr. and Mrs. Donald Dancer, and daughters, Sharon and Carol Ann.

TAKEN EARLY LAST SUMMER, the above photo shows a crew of surveyors working on North Main street shortly after the state highway department originally approved replacement of the bridge at the north village limits on M-92. At last it begins to sound as if positive action will be taken on the much-needed improvement.

Local Kiwanis Club Honors Community Octogenarians

Chelsea Kiwanians had as their guests Monday evening, 12 octogenarians of Chelsea and vicinity out of 23 who had been invited. Those who attended were Ed Chandler, 86; Schuyler Foster, 83; Fred Sager, 82; Adam Eppler, 83; Harry Middleton, 80; George Engle, 86; Ed Hammond, 81; Alfred Kaercher, 84; Henry Dancer, 80; Edw. Nichols, 89; Henry Strahle, 81; and Herman Schatz, 82. All expressed appreciation and thanks for having been invited to attend the meeting and several gave short talks. Among the latter was Schuyler Foster who said he was the first Scoutmaster of the first Boy Scout troop ever organized in Chelsea. Of the 40 boys in that troop one became an Eagle Scout. He was George Klein, now living in Florida. A step-son of Martin Gottschling, of Chelsea, he attended school here as George Gottschling.

Monday's meeting was held in the dining room of the Methodist church.

Others invited but, unable, for various reasons, to attend the meeting are: Archie Wilkinson, 83; Henry Penn, 84; James Dann, 83; J. Reule, 81; John Wellhoff, 90; Fred Loeffler, 82; Sam Guthrie, 90; Ben Lawrence, 88; John Schaeferstein, 81; Jacob Harris, 82, and Daniel Myers, 92.

Mrs. Eva Dancer returned home Sunday after spending the past two months at the home of her daughter and husband, Mr. and Mrs. Victor Hoek, in Grand Rapids. While Mrs. Dancer was away she also visited her sisters, Mrs. Herman Bauer and Mrs. Elvay Clum, at their homes in Hastings.

Represent FFA in State Contest

THE CHELSEA HIGH SCHOOL FFA Parliamentary Procedure team, shown above, received a silver award rating at the state contest in Lansing on March 21. Members of the team are, from left to right (front row) Walter Zeeb, Jr., Norman O'Connor, (back row) Arden Musbach, J. Neil Lantis and Robert Robbins. This team was awarded first place in the regional contest at Pittsford, defeating the Blissfield and Litchfield chapters, to become the first local group to reach the state contest in recent years.

Members of the Chelsea FFA chapter Parliamentary Procedure team received a silver award rating at the state contest held in Lansing, March 21.

First place winner in the contest was the Ionia team, with Marlette as runner-up. Other teams winning silver awards were Grand Blanc and Cassopolis. Teams from seven regions competed at the state contest.

Spokesmen for the Chelsea team say they hope to trade places with the Ionia team next year and the boys are already talking about their chances of winning.

P. H. Smith, FFA instructor at the Chelsea High school, said that the boys on the Chelsea team gave a very creditable account of themselves at the state contest even though they did not win first place as they had hoped.

The team won the chance to compete in the regional contest by winning first place in the district contest at Saline several weeks ago.

At Pittsford, Walter Zeeb, a member of the parliamentary procedure team was second to the boy from Springport and won a gold rating in public speaking in the regional contest held there. He had been winner of first place at the district contest at Saline.

Signal Light Is Ordered for Crossing

The Washtenaw county Board of Road Commissioners this week was in receipt of a copy of an amended order for installation of a flasher signal at the Mott road crossing of the New York Central railroad. Supt.-Manager K. L. Hallenbeck said yesterday. The order comes from the Michigan Public Service commission and is to go back, for final disposition to the Ingham County Circuit Court, where the Board of County Road Commissioners appealed the original order last summer. The road commission had been ordered to install the flasher after the Chelsea Agricultural school's Board of Education requested the installation at this point where school buses have to cross the tracks daily on their routes to and from the school. The Board of Education contended that the crossing is a dangerous view and cited several fatalities which have occurred there in the past.

Cost of the flasher installation is estimated at approximately \$7000, Hallenbeck said, with the railroad and the road commission each paying half. Hallenbeck said, "The whole township is bound to suffer if the road commission is forced to comply with the installation order because this one project alone would cost more than the entire amount of money received by Sylvan township from the gasoline tax."

Hallenbeck also said that if the Mott road flasher is installed he anticipated a flood of requests for similar installations at many other unprotected crossings in the county and concluded by stating that future action of the Board of County Road Commissioners in regard to the amended order has not yet been decided upon.

Albert C. Johnson, superintendent of the Chelsea Agricultural schools said yesterday that he had received no official information of any action of the Michigan Public Service commission in regard to a decision on the flasher signal order.

Parents' Night

In spite of bad road conditions and rainy weather the annual Parents' Night at the Chelsea Agricultural school was very well attended, school officials reported. The gymnasium was filled for the program which followed parents' visits to the rooms of their children.

Numbers presented by the grade school band and the High school band and chorus during the program were the object of much favorable comment by those who attended the evening's activities.

Construction Promised This Year so North Main May Be Surfaced in '51

Village President M. W. McClure, who has been waging a one-man crusade for a new bridge at the North Main street entrance to Chelsea for the past 14 months, received assurance yesterday from State Highway Commissioner Charles M. Ziegler that the bridge will be under construction this year.

The information was included in a letter received yesterday by McClure and printed herewith, together with a self-explanatory letter written by Ziegler a day earlier answering one written by McClure just after a recent accident at the bridge. McClure has kept in touch with State Highway officials by letter and telephone in his efforts to push construction of the bridge and the North Main street improvement.

Announcement that North Main street was to be curbed and paved from the railroad tracks to the bridge and that the present bridge was to be replaced was made last summer. At that time it was announced that work on the bridge would be started in the fall and paving of North Main street would be done this spring or summer. Surveying of North Main street was completed last fall. Then, later in the fall came the disappointing news that the Bureau of Public Roads' engineer in Washington did not approve the location of the bridge downstream a short distance to allow for a sweeping curve. At that time Ziegler informed McClure that the Washington Bureau wanted the bridge built in a location which would coincide with future relocation of M-92, northwest from the present end of Main street.

Ziegler promised at that time that he would do everything possible to have construction of the bridge underway from the earliest possible time. That he has kept that promise is revealed in the two accompanying letters.

April 4, 1950
Mr. M. W. McClure
Village President
819 E. Washington Street
Chelsea, Michigan

Dear Mr. McClure:

Since writing you the letter, dated April 3, I have been given the information that approval of the bridge under way from the Engineer of the Bureau of Public Roads for the bridge has just come in.

This is not in accordance with the jog to the west on the Mill Lake road, but still adjusts the location of the federal route from the northwesterly to such an extent that we can still build the bridge and still have reasonable alignment, and serve both the Mill Lake county road and the proposed future location of the federal route to the northwest.

We will build the federal location to the northwest which would hold up the bridge as well, because we would not have enough funds to build both at this time, which would be necessitated without the above change in federal route.

We will therefore proceed immediately with the completion of plans. I cannot say just how long this will take, but certainly the bridge can be put under construction during 1950, and I can assure you this will be as early this year as possible. This would, however, assure the completion of the bridge in plenty of time to do the Main Street widening and reconstruction in 1951.

Sincerely,
Charles M. Ziegler
State Highway Commissioner.

April 3, 1950
Mr. M. W. McClure
Village President
819 E. Washington Street
Chelsea, Michigan

Dear Mr. McClure:

Replying to your letter of March 20, I wish to assure you that we are, and have been, working on the situation with regard to a new bridge on M-92 at the north limits of the Village of Chelsea. I realize that this is an extremely hazardous situation.

As you know, however, in order to more adequately fit local conditions I suggested that you go north out of the village; that the new bridge be built upstream on a reasonable curve; then the trunkline location remain as it is, going west from the bridge about one-half mile; thence curving

north at the gas station at that corner. This would not only take care of the new development on this east and west road but would also provide a use for a portion of this route as a connection with the county road which extends on west from the gas station corner serving Mill Lake and the other lakes to the west.

M-92, however, is a federal route and because of our financial condition it is necessary that we use as much of these federal funds as possible on a dollar-for-dollar matching basis in our trunkline construction. If we were to construct this bridge and adjacent road entirely from state funds, this would further reduce our state funds which are now inadequate to fully match available federal money.

The federal government collects from Michigan motorists over 70 million dollars each year from federal gas taxes, oil taxes, and excise taxes on motor vehicles, tires, parts, and so forth and Michigan only receives back in highway money approximately 15 million dollars each year under the present congressional act. We do not like to lose any of this money which is allocated on a time limit basis and see still further money collected from the highway user go to other states.

We have been trying to get the Bureau of Public Roads to approve of our suggested alignment but to date have been unable to secure this approval. He is insisting that M-92 go straight north in line with your street in Chelsea (I believe this is Main Street) and locate the bridge in accordance with this alignment. The route suggested by the federal engineer would extend Main Street straight north from the new bridge and then swing to the northwest to again intersect present M-92. To my mind this would perpetuate a very dangerous situation.

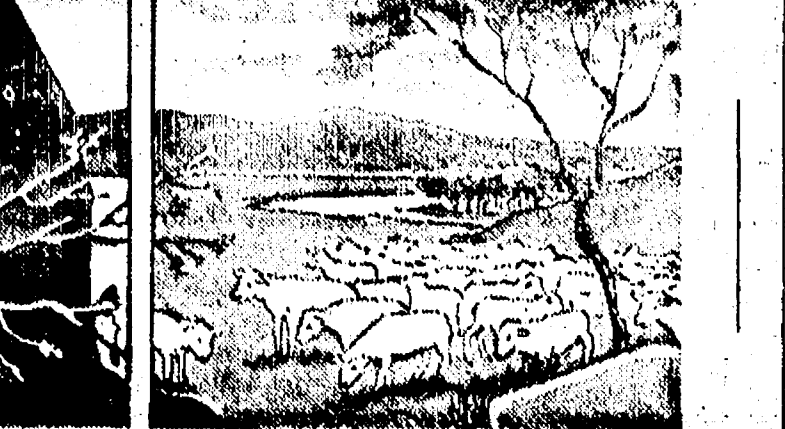

If the trunkline location were carried straight north on an extension of Main Street and the bridge were so located, all local and county road traffic from the Mill Lake area would of necessity have a right angle turn onto this bridge. As this county road is further improved, and as new building on this route continues as a sort of expansion to the village of Chelsea, traffic will get heavier and heavier on this county road.

It seems to be that by building the bridge for a relocation of M-92 straight north you would be building into this situation a very considerable permanent hazard.

Naturally the bridge construction should take place first on our widening program on North Main St. and the approaches to the bridge are paved.

In short the above is the situation. (Continued on page six)

"Today 21 other Michigan companies are known to be considering locations in other states," pointed out Mr. Weeks. "In each known case the state department is making every possible effort to hold the company in Michigan."

In reviewing the situation of attracting industries to Michigan, it appears that little attention has been given to the problem of keeping industry in Michigan, as illustrated by the above examples of industries which have migrated to other states.

Why have these industries left Michigan?
What were the reasons which prompted manufacturers to close up their Michigan plants and seek employment conditions elsewhere?

In view of the state corporation profits tax, now pending before the state legislature, it would seem that answers to these questions are pertinent to 1950 political issues.
Industries mean payrolls; payrolls mean purchasing power in the community. It is obvious that the industrial prosperity of Michigan must depend to a large degree upon making Michigan an attractive place to work and to live.

Still \$100 Short of Quota in Sale of Easter Seals

Paul F. "Jerry" Niehaus, chairman of the 1950 Easter Seal drive yesterday reported that the campaign has brought in 75 per cent of its goal of \$400.00 in Chelsea. The campaign, now almost over, has been carried to 800 homes in Chelsea and first returns of contributions for the Easter Seals now total \$300.00, according to Mr. Niehaus.

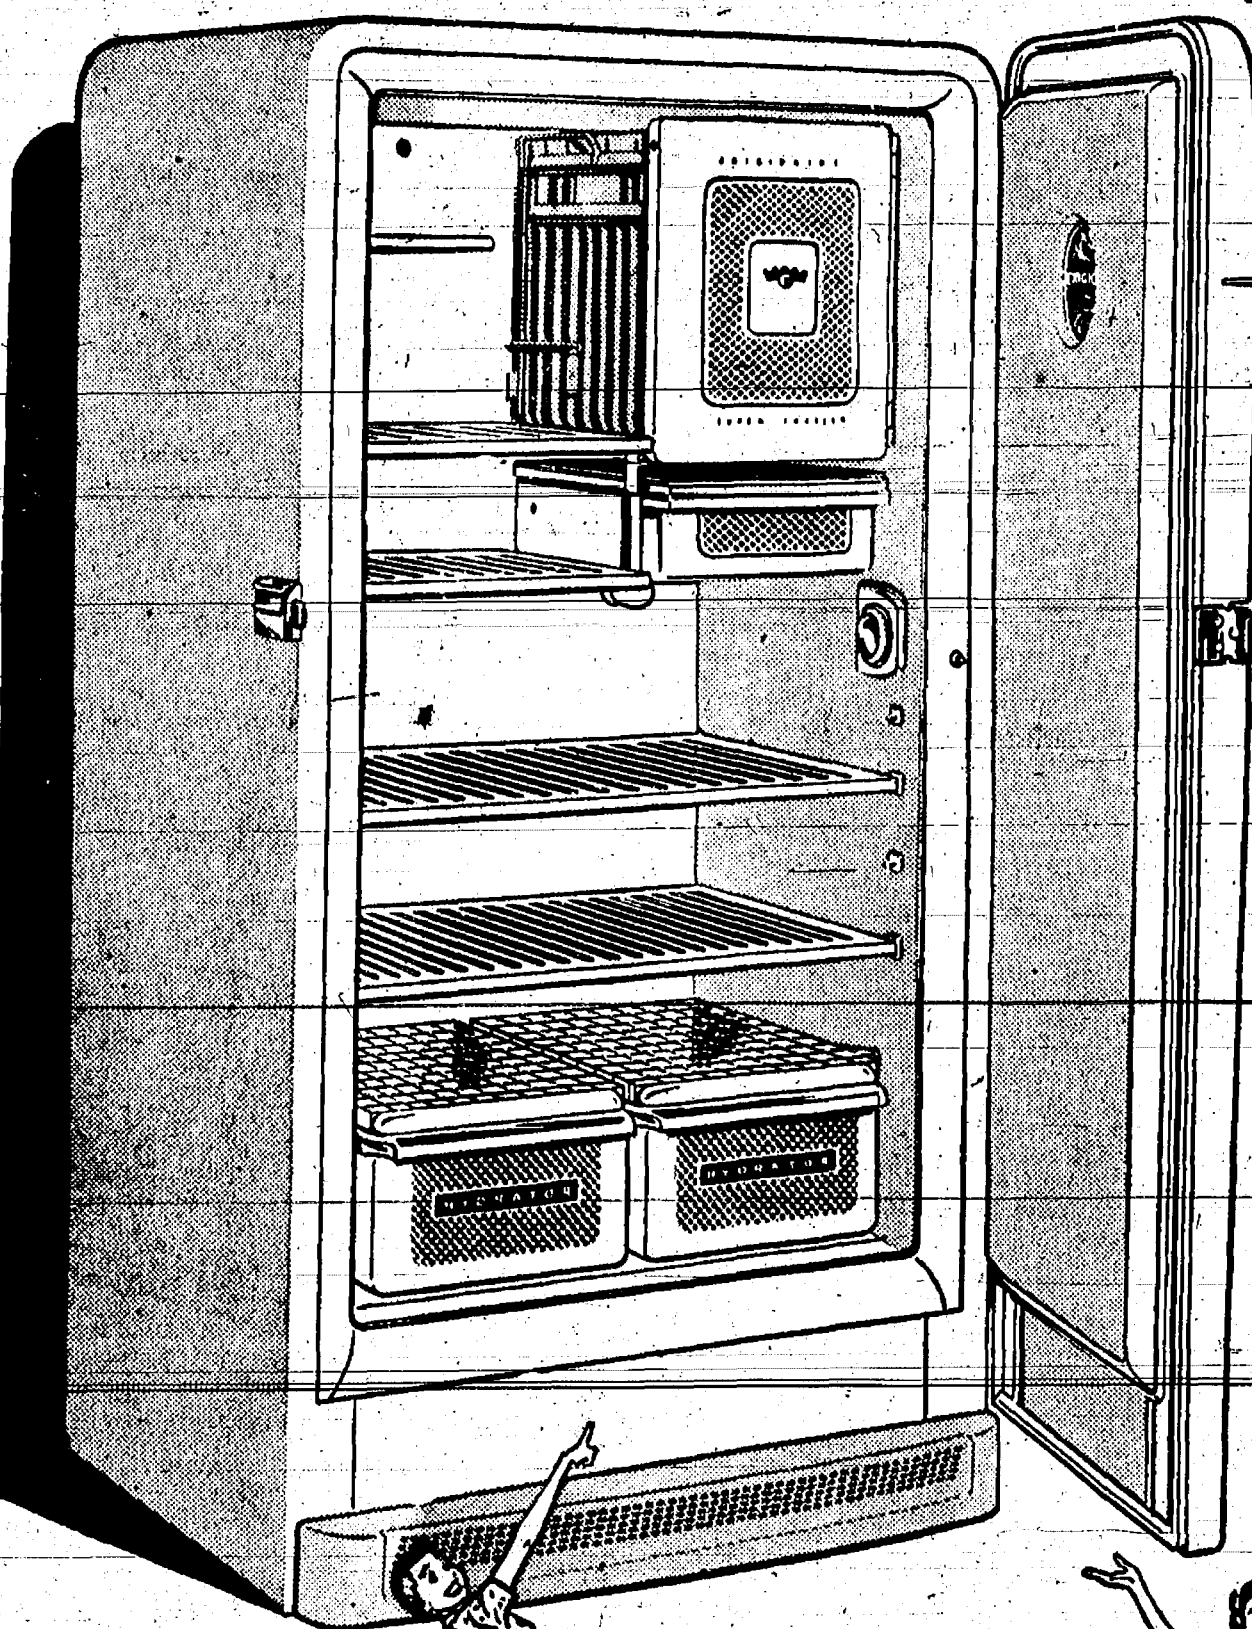

The Washtenaw County Crippled Children's Society is one of the 2,000 affiliated organizations cooperating with the National Society for Crippled Children and Adults in a nationwide campaign to raise funds to supply services to crippled of all ages. Funds raised here are utilized in this community to give direct aid to crippled children and adults in the form of educational and direct services. The national Easter Seal goal is \$7,000,000 of which a large percentage will go to aid the nation's 8,000,000 handicapped children. All but a small percentage of the total funds are used in the communities in which they are raised, the remainder going to the National Society to support its program of education, research and service.
Anyone who did not receive an Easter Seal through the mail may purchase them at Foster's Men's Furnishings store. The drive will end Easter Sunday, April 9.

PERSONAL NOTES

Mr. and Mrs. Clarence J. Fleming called on their daughter, Mrs. Delia Farrell at Henry Ford hospital, Detroit, on Sunday; also, on their new granddaughter, Joan Marie Farrell.

Mrs. Amanda Schiller left Friday to spend about two weeks at the home of her son, Elwyn, and family.

Mrs. Elwyn Schiller returned Friday from Tecumseh hospital where she underwent an appendectomy.

Guests expected for Easter at the home of Rev. and Mrs. O. W. Morrow are Mrs. Morrow's brother and his wife, Mr. and Mrs. George Lord, Detroit.

Morrow's niece, Ruth Lord, of Albion College, will also be here.

Sunday dinner guests at the home of Mr. and Mrs. Willard Carlson were Mr. and Mrs. Walter Maas and daughter, Elaine, of Utica, Mr. and Mrs. L. F. Stafford and Sharon McNeill, of Rives Junction, and Willard Carlson, Jr., of Davidson.

Mrs. Leo Woods, of Marshall, who spent the past month here at the home of her brother, Wilbert Breitenwischer, returned to Marshall on Sunday.

Mr. and Mrs. Breitenwischer accompanied her home, stopping enroute at the home of Mr. and Mrs. Glenn Britten, in Jackson, where they were dinner guests.

Callers Sunday at the home of Miss Lillian Foster were Kenneth Tomlinson and Helen Brigham and her father, of Owosso. Mrs. Gertrude Hammond, who had spent several days here with Miss Foster, returned to her home in Owosso with them.

Mr. and Mrs. W. B. Zogelman and children were supper and overnight guests Saturday at the home of Mr. and Mrs. Glenn Britten in Jackson. For Sunday dinner and supper they were guests at the home of Mr. and Mrs. Donald Skinner, also in Jackson.

Mr. and Mrs. Alfred Lindauer and daughter, Lorretta, attended a dinner given Sunday at the home of Mr. and Mrs. Ray Warner, in Jackson, in honor of Arthur Lindauer, of Ann Arbor, and Orm Osborn, of Jackson, who birthdays occur on April 11 and 12 respectively.

Mr. and Mrs. E. M. Eisemann, Mr. and Mrs. Norman Eisemann and family, Mr. and Mrs. Alvin Vail and daughter, Helen, and Mr. and Mrs. Charles Winans and son were guests at a confirmation dinner in honor of the formers' grandson, Robert Eisemann, at the home of his parents, Mr. and Mrs. Waldo Eisemann, in Ann Arbor. Also guests at the dinner were Mr. and Mrs. William Eisemann, of Ann Arbor.

'LUCKY SEVEN' SEWING CLUB
Mrs. Otto Riegger was the hostess for a regular meeting of the "Lucky Seven" sewing club which was held at her home Tuesday evening, March 28. Two members were absent, including Mrs. Wilbert Breitenwischer whose birthday was to be observed.

Refreshments were served by the hostess, after the evening's work and it was announced that the next meeting is to be held on April 14 at the home of Mrs. Lawrence McDonald.

Mr. and Mrs. D. S. Bull and family of Luther, are spending this week with Mr. Bull's parents, Mr. and Mrs. Alfred Faulkner. They also visited at the home of her brother and his wife, Mr. and Mrs. Harold Harrison and other relatives and friends.

Miss Isora Foster, of Wyandotte returned home Monday after spending the past week with her father, Schuyler Foster. Mr. Foster is at present spending some time at the home of his son-in-law and daughter, Mr. and Mrs. Virgil Walling, of Dexter.

Track Team Opens Season Today at Dexter

Cheelsea High's track team opens its 1950 schedule this afternoon as they travel to Dexter for a dual meet with the Dreadnaughts at 2:30, and with 20 boys on the squad, Coach John Magiera hopes to make a better showing than Bulldog track teams have in recent years.

Without a track and field of their own, the team members won't be able to perform before the hometown fans, and it also makes them take to the field in each meet without the proper "feeling" on a regular track. However, it is hoped that this condition will be alleviated in the near future, and these conditions call for an extra bit of cheer for all of the team members.

Following are the team members and the events in which they'll be entered:

Corky Dreyer—high jump, pole vault, 100-yd. dash.
Robert Toney—broad jump, high jump, relay.
Dave Myers—shot.
Bill Moody—shot.
Don Schrader—quarter mile, shot.
Ken Proctor—880.
Charles Eder—100, 220.
Gary Wright—100, 220.
Bob Robbins—broad jump, high jump, relay.
Norman Bauer—high jump, hurdles.
Ray Steinbach—mile.
Oscar Bollinger—880.
John Bauer—mile.
Duane Burt—mile.
Vic Gautier—440.
Jerry Herrick—pole vault, high jump, relay.
Fred Fischer—220, high jump, hurdles.
Norman Feldkamp—broad jump.

James Roberts—220, hurdles.
John Lightner—shot.

Many of these boys will run in other events besides the ones mentioned but these are what they're listed in as the season starts.

1950 Track Schedule
April 6—At Dexter, 2:30.
Also meets with E. Jackson and Manchester to be scheduled, if possible between April 18-25.
April 27—At Lincoln, 3:30.
May 5—U. High at Wines Field, 3:30.
May 12—Huron League meet.

Triannual:
May 16—At Milan, 3:30.
May 20—Regional meet.
May 27—State meet.

BIRTHDAY DINNER
Miss Amanda Koch entertained a birthday dinner Sunday for her nephew, Paul Barbour. Those present were Mr. and Mrs. Paul Barbour and son and Mr. and Mrs. E. J. Bahnmiller. Afternoon visitors were Mr. and Mrs. Emanuel Loeffler and daughter, Ruth, of Ann Arbor.

Dexter Approves School Consolidation

The school reorganization issue was carried at Dexter, March 30th, when the following vote was cast by the electors of the 12 districts involved:

Dexter graded district, For 364; Against 52.
Outlying districts, For 276; Against 135.

This is the climax to an issue that has been "hanging fire" for several years. Work was started on reorganization when Don Wilber was superintendent here and some of the ground work was laid at that time.

Last December, circulation of trial petitions was completed and circulation of legal petitions began. These were completed about Jan. 10th and were then filed with the County Superintendent and his clerk. In turn passed them on to the State Superintendent of Public Instruction where they were approved and the election ordered.

The schools involved are Mary Hawkins, Church, Peatt, Podunk, Merrill, Gallagher, Hudson, Easton, Arnold, Smith, Parker, and Dexter Graded.

—Dexter Leader.

Saturday afternoon callers at the home of Miss Jessie Everett were Mr. and Mrs. C. J. Everett, of Okemos. Sunday afternoon callers were Mrs. L. E. Gav and daughter, Mrs. Daron Hardin, of Detroit, and Mr. and Mrs. Harmon Everett and family, of Lansing.

FOE Auxiliary

Forty-five members and guests were present at Tuesday evening's FOE Auxiliary meeting when the losers in the recent membership drive gave a chicken dinner for the winners. Mrs. Lottie Curtis was chairman of the dinner for the losers headed by Mrs. Dorothy Shrider. Mrs. Kathryn Breitschneider was captain of the winning membership team.

After the dinner a "hat sale" was held and a prize was awarded

Mrs. Nancy Parsons for having the "prettiest hat" made of kitchen utensils and Mrs. Dorothy Lentz received the prize offered for the funniest hat.

Games concluded the evening's social hour.

WELCOME BACK, DUANE.
The year 1949 was a crucial year for a boy who was well liked

by everyone and who had many friends here at Chelsea High school. This boy, Duane Gentner, was stricken with polio and confined to a hospital, where he kept up his schooling. He is now back in school and will graduate with his class, the "Class of '51". Welcome back Duane, it's been a long time since you have been here and everyone is glad to see you back.

EDITORIAL

Don't walk on that soft lawn! Walk on the sidewalks, that's what they're made for. Why do you think the village appropriated funds for the sidewalks? So you could walk on the lawn? You know better than that.

If you had to take care of a lawn, would you appreciate having somebody tear up the sod that you worked so hard to get? Of course you wouldn't, so why do

it to others? Even though you may lose a minute or two by taking the long way, wouldn't you rather be a minute late and save the owner many hours of hard work getting the lawn back in shape? So think twice before you take that short-cut. Be a help instead of a hindrance to the community.

CHLSEA GIRL WINS

The District Speech contest was held at Chelsea last Wednesday, March 29. The four schools competing were Chelsea, Milan, Saline, and Brighton.

The contest consisted of seven oratorical declamations, seven dramatic declamations, and three orations.

Roseanne Zeeb represented Chelsea in the oratorical declamations.

Lois Eisele and Shirley Pierce, placing highest in the declamations, gave dramatic declamations.

The competition was very keen and the contest very close. In the oratorical declamations Alice Kelly from Brighton won first and Edgar Cord from Brighton won second.

In the dramatic declamations Lois Eisele from Chelsea placed first and Barbara Goble from Saline placed second.

Elaine Jones from Milan and Shirley Hills from Brighton won first and second respectively in the orations.

These girls will now go to the regional contest to be held in May.

Congratulations should be given to the three local people that competed, for they all did a very fine job.

TRACK MEET

The track boys, with Coach Mageria, will travel to Dexter to meet the Dexter team at 2:30 today. This is the first of seven meets in which Chelsea will participate.

These boys have practiced daily despite the fact that the athletic field hasn't been in shape for their daily workouts.

These track boys have two big aims this season—being qualified for the Regionals and the State track meets, both of which are to be held during May.

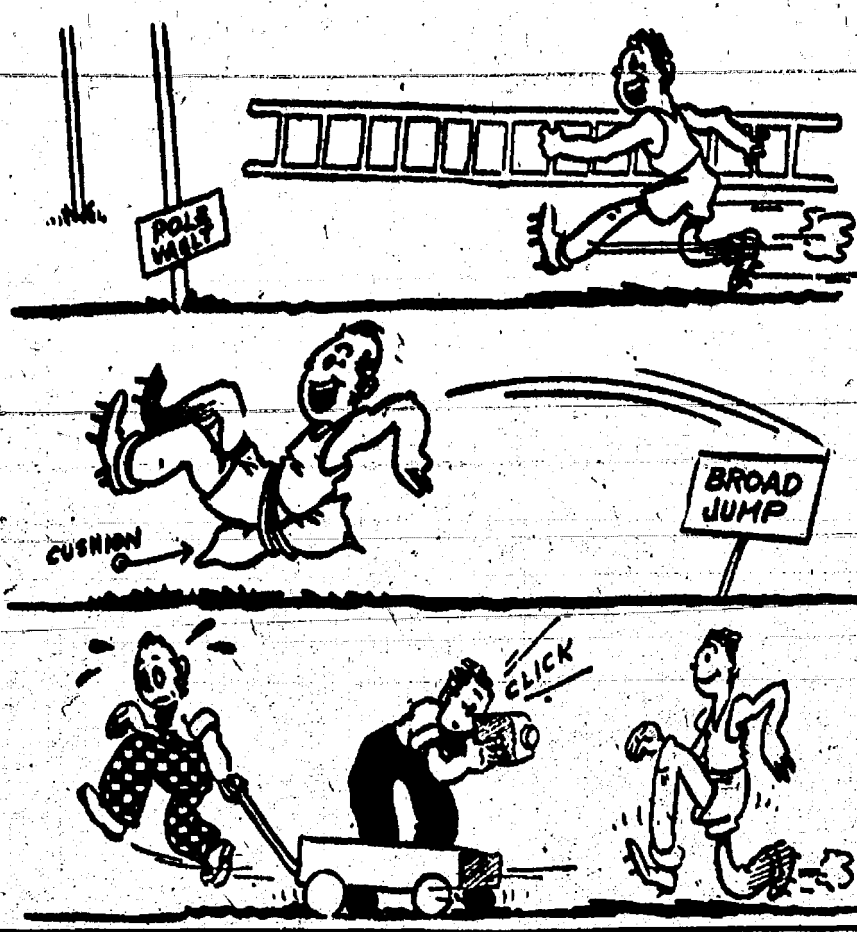

The track boys need your support, your interest, your cheers if they are to be successful in their contests.

Won't you support your team?

ATTENTION—Baseball Fans!

The Chelsea High baseball team plays its first game with Stockbridge on April 10th at the local field. Also there will be two other home games on the 14th, with East Jackson, and the 18th, with Dexter. Other home games are Milan, April 18th, Saline, April 25th, Flat Rock, May 5th, Climax, May 9th, Pinckney, May 10th, and Vandercook Lake, May 19th. There are also nine games away.

Season tickets may be bought from baseball players or from the athletic board. The team is looking forward to a good season and to a large attendance by the local fans.

The team is bolstered with the return of nine letter-winners from last year and should have the best year in many seasons. See you at game time.

TABLE TOURNAMENTS

The ping-pong tournaments were held last week with Donald Rowe as champion. He eliminated Robert Berke, Bruce Franklin, Kenneth Galbreath and Alfred Knickerbocker in the finals. There were approximately 12 boys competing for this title. Good going, Donnie!

DEMOCRACY IN ACTION

The baseball team will be allowed to have an assembly Monday, April 3.

The plans for the journalism dance were accepted. The dance will be held April 21.

May 16 is set aside for an honor assembly. The purpose of this assembly will be to give credit where credit is due.

HI-Y

D. Bott, D. Lake, C. Holiday, Mr. Benjamin, and R. Steinbach went to Hillsdale Tuesday, March 28, to attend the district conference.

D. Bott received the honor of being elected district secretary for the coming year.

The cast for the play, "Lunatics At Large," is as follows: Mr. Hyde, Stan Knickerbocker; Frisella, John Popp; John Alden, C. Summers; Lady Macbeth, Corky Dreyer; Don Cutter, R. Toney; Dr. Janet, G. Heydlauff; Lucille Cutter, D. O'Dell; Mrs. Adair, R. Seeley; Elaine, R. Eder; Wing, Fred Fisher; Gregg, M. Tobin; Claire, Ralph Guenther; Amos Burke, Bill Kossika; Britt, N. O'Connor.

BAND AND CHORUS

Saturday the Chelsea High band under the direction of Mr. Sohn received the rating of second division in the District contest held in Ypsilanti. Some of the members listened to other bands play in the auditorium and spent the day in Ypsi waiting for the results to be posted around six o'clock.

Parents' Night the band and chorus presented a program in the gymnasium following classes. The band played their contest numbers and the chorus sang a selection of songs.

HOME ECONOMICS

The third year girls are now studying home furnishings for the entire house.

The eighth grade girls are making cotton blouses as class projects and summer skirts as home projects.

Pythian Sisters Are Hosts to District Meeting

The regular monthly meeting of District No. 16 of the Knights of Pythias was held at Chelsea Lodge No. 194 Monday evening, March 27th with the officers and members of Chelsea Lodge acting as hosts.

The meeting was presided over by District Deputy, Glen Davis of Plymouth and the roll call showed that all lodges in the district were represented. Milan and Plymouth.

The annual contest between the officers of the lodges of the district in the opening and closing ceremonies was held at this meeting with Ypsilanti and Plymouth being the only ones able to muster all their officers due to the bad roads, sickness and working of the officers.

Kenneth Buckley, Grand Prelate and Past Chancellor John Harrington of Muskegon acted as judges. Plymouth Lodge No. 238 was winners by the score of 57 to 32 points.

Ypsilanti was short three officers which caused their defeat. They have held the trophy for the last year, winning it at Milan last year.

Short talks were given by Grand Prelate Buckley, Grand Master at Arms Frank Henderson of Plymouth, Grand Secretary Chas. A. Murray of Ypsilanti, and Past Chancellor Murray Wandy of Ann Arbor.

The trophy was presented Ernest Rossow, Chancellor Commander of Plymouth Lodge by Frank Henderson, winner of the trophy last year, with a few well-chosen words.

A very fine lunch was served by the members of Chelsea Lodge following the meeting.

The April meeting will be held in Milan with the date to be set later by the officers of the District and Milan Lodge.

Sorority Organized Here for Young Set

A chapter of Beta Sigma Phi, an international organization which was created for young women in search of social cultural activity, is being organized in Chelsea. Ann Arbor Epsilon Nu chapter of Beta Sigma Phi sorority is the sponsor of the new Chelsea group. During the past two weeks new pledges have been interviewed by Mrs. James Donelson, Extension Officer of Epsilon Nu chapter, and her committee.

Formal initiation of the new Chelsea chapter will be held April 10, at 8:45 p.m. in the church hall of St. Paul's Evangelical and Reformed church. Preceding the initiation will be a banquet in honor of the new pledges. The banquet will be served by the Women's Guild of the church.

Mrs. William T. Ade, president of the Ann Arbor Epsilon Nu chapter will officiate at the candle-light initiation service. Initiation will be followed by installation of officers of the new chapter.

The name of the new chapter is to be announced when the group is officially informed of its title by international headquarters in Kansas City, Mo.

The new pledges are: Mrs. Merle Barr, Miss Margaret Foutch, Miss Rosemary Hummel, Mrs. Richard Kern, Mrs. Richard Kinsey, Miss Jane Kompass, Mrs. Charles Lancaster, Miss Rosemary Lyons, Mrs. Raymond Seitz, Mrs. David Strieter, Miss Barbara Tobin, and Miss Helen Vail.

Names of officers will be announced on the night of the initiation.

Beta Sigma Phi now has a membership of approximately 50,000 members who compose more than 3,500 chapters in every state in the United States, in all Canadian Provinces, in Alaska, Hawaii, England, Scotland, the Canal Zone, Guam and Cuba. Beta Sigma Phi was founded in 1931 by Walter W. Ross.

Plans Early Fall Wedding

Mr. and Mrs. Joseph Czaplak have announced the engagement of their daughter, Agnes, to Douglas C. Mullen, Jr., son of Mr. and Mrs. Douglas C. Mullen, Sr., of Toronto, Ontario, Canada. The couple plans an early fall wedding.

Club and Social Activities

PAST CHIEFS CLUB

The Past Chiefs' club of the Pythian Sisters met Monday evening, April 3, at the home of Mrs. Margaret Dietle. With Mrs. Inez Bagge as assisting hostess, a dessert supper was served to the 14 members present.

This was followed by a short business session during which it was voted to contribute two dollars to the Cancer Fund.

Cards were the diversion for the remainder of the evening.

PNG CLUB

Mrs. Russell Bernath entertained members of the PNG club at her home Thursday evening.

Following the dessert supper a short business meeting was held and then games were enjoyed. Prizes in the games were awarded to Mrs. Wilbert Breitenwischer and Mrs. Ross Munro.

The next meeting will be held April 12 at the home of Mrs. Claire Rowe.

ENGAGEMENT

Mr. and Mrs. Wm. O'Dell of 232 South street, announce the engagement of their daughter, Joanne O'Dell to Robert Gross, son of Mrs. Ella Gross of 620 North Lima Center road.

Miss O'Dell is employed in the office of the Federal Screw Works, and Mr. Gross is employed at Michigan Molded Plastics in Detroit. No wedding date has been set.

Miss Ruth Paul Becomes Bride of Jackson Man

Ruth Paul, of Jackson, daughter of Mr. and Mrs. Herbert Paul, became the bride of Richard E. Nott, of Jackson, in a quiet ceremony performed in St. Paul's church at seven o'clock Thursday evening, March 30, in the presence of the couple's immediate families. Rev. P. H. Grabowski, pastor of the church, officiated.

The bride wore a street-length dress of multi-colored print with which she wore a pink hat, pink accessories and an orchid corsage. Wilma Paul, in blue silk with white accessories, was her sister's only attendant. Her corsage was of mixed spring flowers.

Arthur Paul, the bride's brother, acted as best man.

After the ceremony a reception for a few relatives and friends was held at the home of the bride's parents, Mrs. Richard Fredette, a friend of the bride, poured.

The bride has been employed in Jackson for the past three years.

Mr. Nott, who is a son of Mr. and Mrs. Erwin Nott, of Stockbridge, is employed by the McLaughlin, Ward company, of Jackson.

Upon their return from a short wedding trip, Mr. and Mrs. Nott will make their home in Jackson.

S. A. Albert Notten, Jr., was home over the week-end from the USS Albany stationed at Philadelphia.

Name 4-H Achievement Show Dates

Donald R. Johnson, associate county agent, has announced that the Annual 4-H Spring Achievement Day will be held April 11 and 12 at the Ann Arbor High school. This event marks the close of the winter 4-H Club program. The 4-H club members and leaders have held a minimum of six business meetings carrying out the goals of the club, discussing their work and problems with which they are confronted.

Besides these business meetings each club holds many work meetings at which time the members work on their projects, under the supervision of the volunteer adult leader.

All 4-H clubs carry out a recreation program for the membership. Often parents are invited to the social functions. These events provide needed recreation for the membership and the community.

All this represents much hard work on the part of the club members and especially the local volunteer leaders. These 4-H club boys and girls and leaders take great pride in showing to the public what they have done. The Achievement Day exhibits will enable the public to observe the work of the 4-H Clubs. One cannot appreciate the efforts and accomplishments until they see them themselves. The exhibits in the lower hall of Ann Arbor High will be open for public inspection April 12 from 10:00 a.m. to 3:00 p.m., everyone is welcome.

There will be 34 clubs exhibiting 391 projects. Some projects include up to five articles. It is estimated approximately 1,400 project articles will be on display. The projects will include clothing, knitting, handicrafts, electricity, conservation, health and safety, personal accounts, girls' room, 4-H club girl, dairy and egg production. 4-H club members' ages range from 10 to 20 inclusive.

The beginners learn to make small, easy to make articles. Each succeeding year the project gets bigger and harder to make. An example of this: 1st year clothing girls learn to make hems, patches, buttonholes and make a simple apron while advanced girls make wool dresses, suits, formals, etc.

Spring Achievement Day serves another very important function other than public showing. On April 11 starting at 4:00 p.m. all project articles will be judged. Appropriate ribbons will be given each member. County honor roll and state show exhibits will be chosen. A county winner will be chosen in the Dress Revue April 12 to represent Washtenaw county in the state style show. In 1949, Donna Kalmbach of Chelsea was State Winner and represented the 10,000 Michigan 4-H clothing club girls in the National Contest. There is keen competition for all 4-H members for awards, ribbons, and various prizes.

The Achievement Day program will be held in Ann Arbor High school auditorium starting at 1:45 p.m. The program will include Dress Revue, musical entertainment, announcement of award winners and presentation of special awards.

Basketball Team Elects Marty Tobin To Be '51 Captain

The Chelsea High school basketball team has honored Marty Tobin and Dave Crocker by electing Marty, honorary captain, and Dave, the most valuable player. Coach John Magiera has announced that the following players have earned varsity letters: Marty Tobin, Dave Crocker, Corky Dreyer, George Heydlauff, Bob Vogel, Stan Knickerbocker, Ted Slane, Bob Toney, Arden Musbach, Don Schrader, Buddy Johnson and David Myers. Of the above named boys the following are seniors: Bob Toney, Bob Vogel, Corky Dreyer, Arden Musbach and David Myers.

Out of eighteen games played this year, thirteen were won and only five lost.

Baseball Team Opens 1950 Schedule Monday with Stockbridge Foes

By DWIGHT GADD

Next Monday afternoon the great American pastime sport, baseball, gets its start locally as the Bulldogs of Chelsea High open a very full 18-game schedule by opposing Stockbridge here at the local athletic field at 2:30. Then, in big league style, they are scheduled every day the rest of the week, with even a "western" overnight swing included for good measure, as they travel to Climax.

The infield is set with letter-winners all the way around, with Bobby Vogel on first, Ted Betts on second, Don McClear on third, and George Heydlauff at short. While this line-up isn't official, it is the one that will start the season according to all reports. Joe Greenwood will be the reserve first sacker, and Dave Crocker will serve as utility infielder along with his pitching assignments. Tom Ball and Gene Lake round out the reserve list in the infield.

In the outfield it's still anybody's guess, except in left field, where Arden Musbach will hold down his regular spot. Center and right aspirants are Alfred Knickerbocker, Dick Merkel, Jerry Lehman and George Winchester, plus two more of the pitchers, Ted Slane and Buddy Johnson. We won't even hazard a guess for these two remaining outfield posts.

This year the high school will have seven tickets for the nine home games carded. Weather permitting, let's see a large crowd at all of these home affairs.

See you at game time!

on Friday for a game under the lights, and then lay over for a game on Saturday afternoon with Fortage High of Kalamazoo. Quite an imposing opening week schedule for a Class "C" school.

This year's team is ably supplied with veteran talent in all positions except the outfield and it could hang up an enviable record for coming teams to shoot at. Coach Nott, a four-year regular catcher at Western, definitely has the "know-how" needed, and his years behind the plate certainly will prove helpful in instructing young pitchers.

The pitching staff has three of

last year's fingers, Marty Tobin, Dave Crocker and Buddy Johnson, plus Ted Slane, who has joined the pitching department this year, and these four should give the Bulldogs good mound work. Receiving will be handled by Stan Knickerbocker, Richard Bareis, and Danny Maroney, with "Knick" getting the nod because of experience, it appears from where we sit.

N. SYLVAN GRANGE.

Because of muddy, impassable roads, attendance at the April meeting of North Sylvan Grange was smaller than usual but a social hour was much enjoyed by those present and a lunch was served. There was no program.

The meeting was held at the home of Mrs. P. M. Broesamle, Tuesday evening.

EASTER

By EVAN B. JOHNSON

A brave little blade of green ventures up through the loam; a tiny flower shyly, reverently, lifts its head to greet the smiling skies; a myriad of buds, anxious to blossom, studs the twigs of restless branches of the tree whose thirsty roots clutch the bosom of the good earth, drinking deeply of the sap of eternal life.

Again it is Easter, the season of faith's fulfillment.

CARD OF THANKS
I wish to thank my many friends for the nice cards and beautiful flowers sent to me during my stay in the hospital and also I wish to thank the ladies of St. Mary's Altar society who donated blood.

Mrs. Frank Fenn.

World's First Sundae
Sunday blue-laws caused another milestone in ice-cream history. Fearing youngsters were frittering away much of the Lord's Day in soda fountains, town fathers in Evanston, Illinois, outlawed soda selling on the Sabbath. So fountains produced "Sunday" — everything but charged water. The idea spread. Soon everybody was eating sundaes.

Phoney Phoners...
(Continued from page one)
for Mrs. Thomas Harris, the police
and fire department telephone op-
erator, to get in touch with George
Doe, the police officer on duty at
the time.
However, as soon as she was
able to contact Doe, he immedi-
ately arranged to have the tele-
phone call traced. It was found
that in this instance the call ori-
ginated in a home where young
children were playing with the
telephone while their mother was
busy washing in the basement.
Mrs. Harris had heard the mother
tell the youngsters to replace the
receiver but the mother evidently
did not check to see if her order
was obeyed before going to the
basement.
Because of this incident which
could have resulted in serious con-
sequences, Doe urges all parents
and others in charge of young chil-
dren to make certain that the
youngsters do not play with the
telephone at any time. He says
that the fact that it is now pos-
sible to trace the calls in such
short order should serve as a
warning to older pranksters who,
in the past, have called in false
fire alarms and made other nuis-

ance calls over both the fire and
police department telephones. Of-
ficials plan to prosecute any such
offenders apprehended in the fu-
ture, Doe said.

4 Years Ago ...

Thursday, March 21, 1946—

Captain Merle S. Barr arrived in New York on Feb. 21 after serving in England, France, Belgium and Germany for over two years.

He received his honorable discharge at Fort Sheridan, Illinois.

Eight cars of an eastbound freight train were derailed and tore up the track for about a mile before the engineer discovered something was wrong. The accident occurred about a mile west of Chelsea.

The Chelsea High school band returned from the District Band and Orchestra festival held at Michigan State Normal college in Ypsilanti with an "excellent" rating.

The band is enabled to enter the State contest in Lansing Sunday. Vincent De Matteis is the director.

The Chelsea Kiwanis club celebrated its 22nd anniversary with a dinner and program at the Ypsilanti Hotel on Monday.

Walter J. L. Ray, Past Governor of the Michigan District, Kiwanis International, was the main speaker. Attendance awards were given out during the meeting with Paul A. Neuma attending.

34 Years Ago ...

Thursday, March 22, 1916—

Officials of the local Red Cross announced Saturday that the local quota for food relief money was \$240.00.

By early Wednesday, \$240.00 had been raised.

Mrs. Martha Runciman died March 15 at the age of 77 years.

She was survived by a son and two daughters and 11 grandchildren and one great-grandchild.

As a result of the dog quarantine which has been spread over Washtenaw county, at least four dogs have been shot in Chelsea.

John Taylor, proprietor of the Chelsea Quality Bakery, was stricken with a heart attack while shopping Friday morning.

He was taken to the hospital and died Sunday.

Buick Care keeps Buicks best

THE HI-LIGHT
(Continued from page four)
The movie was all about the life of Dr. Jenner and his great contribution to the world—the vaccination serum to prevent smallpox. Dr. Jenner's success began when the "Plague" hit a small village he was living in. Jenner, being a very sympathetic man, decided to do something about it. Upon visiting a small boy, a victim of the so-called cow-pox, Jenner came upon the idea of having a serum taken from the infected skin and injected into the arm of the child, which is known today as anti-toxin. He then decided to open a free vaccination clinic, but people scorned his foolish idea. Later he cured another small boy and proved to the world the success of his invention. Thus began the fame of a great man, Dr. Jenner, who will be remembered for many centuries.

The Home Economics I girls saw a short movie "Slide Fasteners" on Thursday of last week. The movie showed how to put a zipper in a blouse, in a skirt, and in a dress. Since the girls are sewing,

"Heck, mister, if you want somethin' to wear around your neck, look under 'Men's Furnishings' in the telephone directory Yellow Pages."

Come treat your Buick to our big Spring Special!

Here's rollicking good news for you! We can take that noble Buick of yours, and in a few short hours we'll put new life—new pep—new spring zing into it!

You'll hardly know your own car. You'll have to lay a gentle toe on that gas treadle—or look for your hat in the back seat.

Because our mechanics are Buick specialists right to their fingertips—men who know your car and its needs from long experience. Because they use Buick methods, special Buick tools, factory-engineered parts, to bring out the best in your Fireball baby. And because that big 17-step maintenance and tune-up routine we show below is just about the finest, most complete way to get your motor ready for really lively spring driving!

Just check those 17 big items in your mind. How long since your Buick has had these important attentions? And how about coming in this week?

GUESS WHO
He was born on Oct. 28, 1932 in Chelsea. Before turning to Chelsea High he attended Freer school. His favorites are food, roast beef; sport, football; recreation, cards. Have you guessed yet? He has been a member of the Hi-Y and has held the office of reporter in the FFA. His happiest moment was when he received his wrist watch. His most embarrassing moments are when his father and mother tease him about some girl, whom he says he never knew—him, we wonder! Come on now, this is your last chance. After graduation he plans to attend Michigan State College and then enter into the trucking business in Chelsea. Well, if you haven't already guessed, our mystery personality is J. Neil Lantis.

Biographies . . .
Evelyn Marie Hinderer is a quiet little girl who has a sweet friendly smile for everyone. She was born in Chelsea, Sept. 30, 1931. She attended Easton Grade school before entering Chelsea High. Her favorite costume is a pretty party dress with lots of lace and ruffles, and her favorite sport is basketball. She enjoys spending a quiet evening at home reading a good book or listening to records. She has made the B honor roll regularly and is a member of the chorus. Evelyn has a bright future ahead of her and will someday attain the success she deserves.

The time is April 23, 1932 and a little boy is just coming into the world. To his mother he is called Ronnie. Neither of them expects, however, that he will grow up to be a very active boy. Let's look further into the future and see what his school days will be like.

He will just love to eat both frog-legs and shrimp. He will see the movie "Stardust" and enjoy playing football but his favorite recreation will be "women." In high school everyone will remark about how active he is. He will take part in the following things: Student Council, Latin club, Hi-Y, football, basketball, track, and athletic board. In his junior year he will be vice-president of his class while in his senior year he will be secretary.

Class News . . .
Mrs. Hale has been teaching Miss Betty's classes lately. This has been because of illness in Miss Betty's family. The tenth graders have recently ordered their class rings and have been promised delivery early in the Junior year. Ring measurement and a three-dollar deposit have been made. The food committee has met and began discussing food possibilities for the Junior and Senior Reception.

CAMPING TRIP
Last Saturday morning at 8:15 a bus load of teachers and students left for Cedar Lake camp. They arrived at the camp at 8:30, registered, were assigned to cabins and given KP instructions. After they had put their belongings in their cabins they assembled at the lodge for the first class in forestry. An instructor in conservation showed movies on the felling and cutting of the trees and then the group went on a hike, which demonstrated many things, such as how to measure a tree in board feet and how to cross a stream without a bridge or stones or anything. All understood the instructions. Miss DeRose had to be carried across.

At 12:30 all sat down to a wonderful dinner and found appetites in excellent condition. Again at 1:30 the group assembled and had a class in the use of a rifle. They were given a lecture on how to use a rifle and then were taken out to range to put into practice what had just been taught. Although there were only two bullseyes a lot of the students and faculty overcame their fear of a gun. After this, came a rest until supper at 6:30.

After supper the group square danced and had a grand march, then had ballroom dancing with the girls having the privilege of cutting in on the boys. At 10:30 hamburgers and cookies were served. When everyone had eaten their fill the group retired to cabins with the understanding that lights would be out at 11:30.

Sunday breakfast was at 7:30. After the KP staff had cleaned everything the group left for church. The remaining people took private hikes, slept, or did anything they wanted. At 2:00 p.m. all camp members assembled at the lodge for group discussions and evaluations. The studied conclusion was that everyone had a wonderful time and is looking forward to the next one.

Last week we played "How do you Like Your Neighbor?" and "Sunset Chairs." We enjoyed them very much. During the business meeting we discussed our plans for summer Girl Scouts. Twenty-four of the girls are going to attend cooking school at the Michigan Consolidated Gas company in Ann Arbor. It will not be until May. They will go one day a week for three weeks. At the end of that time they will receive cooking badges. Mrs. Fowler brought us our folders and application blanks for camp. She answered some of our questions. — Nancy Atkinson, scribe

Rural Roads Improve in Spite of Rain

Lyndon township roads are in the best condition of any in the surrounding community, according to Wilbert Breitenwischer, Chelsea district foreman. Goodband and Hadley roads in that township which were closed last week are now open again, Breitenwischer said.

Breitenwischer said that the continued rain is serving to settle the roads to a great extent, since the frost is now out of the ground, but is making the muddy, impassable spots even worse than they were. Fletcher road was still closed last week, as well as many township roads in Sylvan and Lima townships.

Farmers have done some dragging in an effort to make roads passable. A number are improved this week and school buses are now operating on some gravel roads. Last week they traveled only on hard-surfaced roads. Pumpkin College was re-opened Tuesday morning after being closed for a week. Jewett-Stone school opened Monday and closed again on Tuesday after Mrs. Yearl Whipple, the teacher, experienced a terrific struggle to get through the mud on her way home Monday afternoon. Jerusalem road, on which the school is located, is in bad shape both east and west of the school. On Tuesday, after the thunder showers and a night rain it was discovered a culvert was

Ed Chandler, the only man who attended the Michigan Consolidated Gas company's cooking school at the Sylvan theatre last Thursday, was the winner of a baked ham and is shown (left) as it was presented to him by Village President M. W. McClure, manager of the Chelsea branch of the gas company. There were also 399 women at the cooking school, this being the figure arrived at by subtracting the number of men in attendance (1) from total number of persons reported to have been present. Ed Chandler, one of Chelsea's "grand old men" is 86 years old. However, born on February 29, 1864, he has celebrated only 20 birthdays on his actual birthdate, (the year 1900 not having been a leap year and so minus a February 29).

washed out on Jerusalem road east of Fletcher road. Breitenwischer and Kenneth L. Hallenbeck, superintendent-manager of the Wahtenaw county Road Commission, both said that the only way conditions will become better is for the weather to let main clear and windy for a week

or two until the mud dries up sufficiently to allow road trucks to get through. At present, Hallenbeck said, farmers were requesting road trucks to stay off the roads in some places instead of calling for them as they did in the beginning of the present break-up. Superintendent Albert C. Johnson said public school attendance was fairly good in spite of the road conditions. Pupils are either walking or riding on tractors to points where they can board the school buses. All the school buses are operating although not on their complete routes. They operate on gravel roads as far as road conditions permit safe travel, Johnson said.

Re-Activated Scout Troop Meets Again

At seven o'clock Wednesday evening, March 29, the first meeting of the re-activated Boy Scout Troop 25 was held in the Boy Scouts' room in the Municipal building. Present for the meeting were six boys who graduated from the Cub Scouts last week, five former-Boy Scouts who re-registered, 15 boys who are becoming new Scouts and four boys who were visitors from the local Cub Scouts pack.

The meeting opened, in traditional Boy Scout fashion, with the Scout oath, Scout law and pledge to the flag and this was followed by ceremonies during which troop committeemen and the scoutmaster and assistant scoutmaster received their official pins. With Kenneth Runciman of the Kiwanis club as institutional representative, each of the following became one of the eight new Scouts by tying his rope to the others with a square knot. Andrew Leland, Howard Flintoft, Loren Knickerbocker, and Dr. E. J. Sutter, troop committeemen; William Mende, scoutmaster; John Wehnitz and Mac Peckel, assistant scoutmasters; David Hoffman, Eagle Scout and patrol leader; Cub Scouts; re-registered Boy Scouts and new Boy Scouts.

A chair game was played before the boys retired to troop quarters to study for their tenderfoot examinations. This was followed by the game "Crows and Cranes." During the scoutmaster's "three minutes," Scoutmaster Mende told of an incident which recently occurred near here in which a former Boy Scout administered artificial respiration to a boy who had come in contact with a live wire. All the boys in the group had become frightened and ran home, he said, but because of the training the former Boy Scout had received during his scouting days he knew exactly what to do.

Refreshments were served after the closing ceremony. Boys from the local Explorers group who are acting as temporary patrol leaders for the newly-re-activated troop are Dick Merget, Alfred Knickerbocker, Bill Moody and Douglas Kolb.

Red Cross Offers Two New Courses

Two new Red Cross courses, one an instructor's course in water safety, and the other in standard first-aid, are scheduled to begin in April, according to an announcement made today at the Washington county Red Cross headquarters.

Persons taking the instructor's course in water safety will meet Chelsea Red Cross, Monday through Thursday, at 7 p.m., beginning April 17, at the University intramural pool, for a review of swimming and life-saving skills. This preliminary course will be followed by the regular course, which will be held from April 24 through May 5. The course is open to anyone holding a current senior life-saving certificate and who is at least 18 years old.

Five instructors in the course will make it possible to give individual instruction to swimmers when needed. Instructors include: Gerald Greenlich; Jack Manthei; Fritz Gareis; Austin Sholes and Miss Ruth Harris.

Anyone planning to take the course is asked to register by calling Red Cross headquarters, Ann Arbor 2-5546. Instruction is free. The standard first-aid course, which is open to the public, will be given for five weeks, beginning at 7 p.m., Tuesday, April 19. The course will meet on Tuesday and Thursdays. The instructor will be Miss Miriam E. Brown. Instruction in this course is also free, and persons are asked to register by calling the Red Cross.

Mrs. Herman Rothman, of Waterloo, was a caller Monday at the home of Mrs. Carrie Wahl. Sunday evening visitors of Mrs. Wahl were Mr. and Mrs. J. Lewis Wahl and Mr. and Mrs. Herman Mayher and son, Donald, of Dearborn.

A COMMITTEE from the Woman's Relief Corps of Chelsea is shown above as they presented a beautiful American flag to Beach school last Thursday afternoon. From left to right, are Mrs. Howard Gilbert, Mrs. Edward Walker, Mrs. W. G. Price, Philip Bareis, Mrs. Harold Bair and Mrs. Nellie Whitmer.

Beach School Is Presented with American Flag

The presentation of an Ameri-
can flag to Beach school by mem-
bers of a committee from the Wo-
man's Relief Corps, was described
by the teacher, Mrs. Lona Dutil,
as "very impressive and colorful."
The white of the Relief Corps mem-
bers' uniforms furnishing a beau-
tiful background for the color
bearers and the flags they car-
ried.

Mrs. Price, patriotic instructor
of the Corps, presented the flag
to Philip Bareis, the pupil who ac-
cepted it for the school. Pupils
of the school assisted by the teacher
and a group of mothers presented
an inspiring and appropriate pro-
gram. The following students took
part: Carolyn Bareis, Margaret
Moore, Kenneth Ives, Harlan Van-
buriacum, Marian Moore, Anne
Koselka, Philip Bareis and Rose
Ann Ball.

Assisting Mrs. Price in the pre-
sentation was Mrs. Florence Wal-
ker, the Corps president, Mrs. Bair,
the chaplain, Mrs. Gilbert and
Mrs. Whitmer, flag bearers.

Bill Koselka, a senior at Chel-
sea high school, was present and
took pictures of the presentation
ceremonies.

Value of Landscaping
Planned-planting of trees and
shrubs may control climate on a
good-sized lot by as much as 10 to
15 degrees. By proper landscaping
and planting, the comfort and liv-
ability of the home and its surround-
ings can thus be increased greatly.
The home can be made cooler in
summer and warmer in winter and
at the same time the home owner
can save on fuel bills.

First we had a short business
meeting at the Brownies' meet-
ing, Monday, April 3. Then the
Brownies had to decide for a
baseball game, the "Boston Red
Sox" and the "Tigers." Judy Ko-
back was captain of the "Tigers"
and Kay Vogel was the other cap-
tain. Some of the few who played
on the "Tigers" team were Judy
Wagner, Harriett Johnson and
Priscilla Neal. Those on the "Red
Sox" team were Carol Barr, Ann
Morris and Nancy Mayer. We
didn't finish the game on account
of rain. The "Red Sox" were
ahead, 4 to 2.

There will be no Brownie meet-
ing next week.

FORD'S WINNING Friends Faster

THAN ANY OTHER CAR IN AMERICA!

FIRST IN RATE OF SALES GAIN
Official 1949 new car registration figures show Ford's
sales up 48.1% in Michigan, the greatest increase
over the previous year—in the entire industry! Here's
the proof that Ford's winning friends faster than
any other car in America.

FIRST IN ECONOMY Ford's economical
to buy and to own. It's built to last, and the '50
Ford is thrifter than ever. Here's certified proof of
Ford's great gas economy: in the recent 751 mile
Mobilgas Grand Canyon Economy Run, supervised
by the AAA, a Ford Six with Overdrive won the
economy championship of its class—the three full-
size cars of the low-price field.
(Optional at extra cost.)

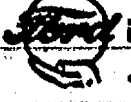

FIRST IN FASHION For the second straight
year Ford was awarded the New York Fashion
Academy Gold Medal as "Fashion Car of the Year."
And Ford is the only car ever to be so honored
two years in a row.

FIRST IN VALUE with the
quietness and quality you'd expect of
the finest cars. Just listen to the
solid thud as you close Ford's secure
doors. Relax on the new non-sag, foam-
rubber cushioned front seat. Then check
Ford's easy handling and solid roadability.
"Test Drive" it today for the smooth and
lively power of either of Ford's great
engines—the famous 100-h.p. V-8, or
the advanced 95-h.p. Six.

Come in Today and see
for yourself...

Legion Auxiliary Chooses Girls' State Delegate

The regular monthly meeting of the American Legion Auxiliary was held Tuesday evening, April 4, in the Home Ec. room at the High school with 23 members present.

The drawing took place at this meeting for the name of the girl who is to be sent to Girls' State this summer as a representative of the local Auxiliary. Chosen from the names submitted by the Girls' State committee chairman, Mrs. Erma Mayer, was Lois Eisele, with Mary Lois Weinkauf as alternate.

Mrs. Blossom Umstead, reporting for the Ways and Means committee, said that the rummage sale held March 25 was very successful.

Announcement was made of the Second District meeting which is to be held Sunday, April 23, at Tecumseh; also the "Hospital Workers' School" at Dearborn on April 14. Anyone who wishes to enroll in the latter may notify the secretary.

Other business at the meeting included discussion of a Mother and Daughter banquet to be held next month.

The meeting was concluded with discussion of a message from the national president, Marie L. Shee, as read by the Auxiliary's Child Welfare chairman, Mrs. Al-
Eisele from an article in "National News," the organization's publication. The article was head-
lined "No Child Has A Chance Who Hasn't Been Taught to Pray and Love God."

At the close of the discussion period refreshments were served by Mrs. Roxie Maroney, Mrs. Sue Hulce, Mrs. Doris Lehman and Mrs. Selma Rowe. Easter decorations were used on the table.

The door prize for the evening was awarded to Mrs. Florence Fox.

Mr. and Mrs. Clinton Smyth and family attended the silver wedding anniversary of Mr. and Mrs. Glen Bertke of Manchester last week. Miss Maxine Smyth spent the week-end with her parents, the Clinton Smyths.

DEATHS

Mrs. K. Bigley

Mrs. Reuben Lesser, accompanied by her sister, Mrs. Max Ziegler, of Dexter, left Friday morning for Denver, Colorado, to attend funeral services for their aunt, Mrs. Katherine Bigley. Mrs. Bigley resided in this vicinity before her marriage. She was a sister of the late Mrs. George Koengeter, mother of Mrs. Lesser and Mrs. Ziegler, and had visited here at intervals. She had been planning to come to Michigan again in April. She died suddenly on Thursday at a funeral service was held at Denver on Saturday. She was 70 years old last November 19.

Mrs. Bigley is survived by a son, Henry, and a daughter, Mrs. Charles Larson, both of Denver; also four grandchildren, and a number of nieces and nephews including Mrs. Lesser and her sister and their brothers, Clarence and Arthur Koengeter, of Ann Arbor. Other nieces and nephews residing in this vicinity are Fred, Gottlieb and Emanuel Bolliger, Mrs. Fred Prining and Mrs. Edwin Downer and Fred, Herman and George Weber, of Ann Arbor, and their brother, Reinhold, former Chelsea residents.

Henry Weber

Funeral services were held Friday afternoon in the Whitmore Lake Methodist church for Henry Weber, a former Chelsea resident and brother of Mrs. Carrie Richards, of Chelsea. Rev. Asa Compton officiated and burial took place in Washtenaw Memorial Park.

Mr. Weber had resided in Whitmore Lake since he was 25 years old. He was 85 years old at the time of his death which followed a long illness. Born in Sylvan township on November 12, 1864, he was a son of Christian and Christine Kalmbach Weber.

He was married to Marie Eisenbeiser, of Chelsea, on Dec. 28, 1893. She survives in addition to the two sisters and the brother here. Also surviving is a son, Freeman Weber, of Whitmore Lake, and a granddaughter, Mrs. Carvel Coe, of New Hudson.

Among those from Chelsea who attended the funeral were Mrs. Richards, Mrs. Hepper, John Weber, Mrs. Hoppe, Mr. and Mrs. Max Hoppe, Mr. and Mrs. Irwin Klump, Miss Ricka Kalmbach, Mrs. Bertha Notten, Mr. and Mrs. Oscar Kalmbach and Walter Kalmbach.

Mr. and Mrs. J. Lewis Wahl and Mrs. Carrie Wahl were Sunday dinner guests at the home of Mr. and Mrs. Dillman-Wahl of Clear Lake.

Report 'Sun Dogs,' Not Flying Saucers

Last Thursday a number of people in the community were concerned over the appearance of a rainbow-hued halo around the sun and a huge circle of light parallel to the earth's horizon and directly overhead at noon. During the morning there had been "sun dogs" at either side of the sun, making it seem as if that celestial body had two satellites. The unusual display which may occur once or twice a year or at longer intervals, according to astronomers, was said to be caused by the reflection of sunlight as it shone on layers of ice crystals.

The ice crystals form above a thin layer of clouds high above the earth's atmosphere.
