Bulldogs Win
Two Games
To Set PaceSchool Baseball
Squad Now Boasts
Seven Victories

By DWIGHT GADD

Chelsea High's Bulldogs continued their rampaging quest of baseball victories last week as they blasted an inept Ann Arbor St. Thomas here on the home grounds Thursday, April 20.

Marty Tobin, making his first start since his perfect game, came up with another fine performance as he held the Irish to one hit while fanning 11 and walking three. Chelsea meanwhile was coming Irish hurler Rickelman for all of their nine hits and 12 runs in the first four innings.

St. Thomas had Tobin in trouble only in the first inning when he walked the first man, then retired the next two men to face him only to have Roos single for the

The track meet with Lincoln High, at Lincoln, will be run off this afternoon (Thursday) as originally planned. The meet begins at 3:30 p.m.

only Irish hit. He then bore down and fanned Bisson, Irish first baseman, to end the threat. In the bottom of the first the Bulldogs put together two hits, three walks and four Irish errors for five runs. Crocker and McClear accounted for the two Bulldog hits, both singles. In the second, three hits, singles by Lehman and Crocker and a double by Stan Knickerbocker, brought in an honest run to boost the lead to 6-0.

Chelsea matched their first inning output in the third as hits by Vogel, Tom, Heydlauff, and Crocker again, plus two errors and a hit batsman, raised the score into double figures, 11-0, giving Tobin a fine working margin.

The twelfth, and last run was an Irish gift in the fourth on two walks, a stolen base by Musbach, and a wild pitch. Rickelman was removed at this point and Chelsea's successor, Salvatorelli, during the last three innings.

Tobin and Knickerbocker; Rickelman, Salvatorelli and Collins.

Friday, the 21st, Chelsea played Lincoln in their second game of the season, and blasted the Raisinbitters on their home grounds, 14-4.

Fireballer Dave Crocker strong-armed his way to his third win in as many starts, and accounted for the same number of hits as he gave by clouting five for five.

Lincoln scored first in their half of the first inning as a walk and the only two errors of the day for Chelsea gave the Raisinbitters a short-lived lead, 1-0.

In the top of the second inning Chelsea overcame the Lincoln lead by scoring three runs on hits by Vogel and Crocker, a walk to Al Knickerbocker, and three Lincoln errors. They added two more in the third on a single by Stan Knickerbocker, and three successive errors by the Lincoln shortstop to take a comfortable 5-1 lead.

Crocker hit a wild streak as he faced Lincoln in the first three innings and walked the first three men to face him, to load the sacks with none out. An outfield fly and a looping single to right by Heilmann, Lincoln left fielder and clean-up hitter, scored two of the free-pass base-runners to cut Chelsea's lead to 5-3, but was as close as they got.

Muebach's double and Crocker's third single highlighted a three-run fifth inning, and a walk to Stan Knickerbocker, singleton in the sixth for a 9-3 Chelsea lead.

The Bulldogs then really lowered the boom in the top of the seventh. Heydlauff started the inning with his first hit of the day, a single to left, and after Al Knickerbocker grounded out, Lehman, Crocker and Stan laced his boomer single, Vogel singled, to account for the final five runs. Lincoln added their last run in the bottom of the seventh as Crocker eased up, and served doubles to two Lincolinites.

Lincoln	4	5	8

Crocker and Knickerbocker; Flower and Fabb.

Last Tuesday, April 25, Saline was to have provided the opposition here, but their seniors were on their trip so the game was postponed until a later date which is as yet undecided. The game would have suffered a similar fate due to rain on Tuesday anyway.

To date, the team has a fine record for the first half of their season, as they have won seven, lost one, and tied one in nine outings. Crocker leads the mound crowd, with three wins and no losses, date with three wins and no losses.

(Continued on page 12)

Weight Limits
Removed on All
Trunk Line Roads

Weight restrictions on state trunk lines, which include M-22 in this area, were removed by the State Highway Department Sunday night. Restrictions on county black-top roads, however, are still in effect. Sup't. Manager Kenneth L. Hallenbeck, of the County Road Commission, said yesterday. He believes these will probably be removed by the end of the week.

Because of the confusion to truck drivers resulting from the state rulings, and county restrictions, Hallenbeck said it was deemed advisable to lift county restrictions on gravel roads in Washtenaw county, and this was done at midnight, Monday.

State trunk lines in this area and county gravel roads are now open to truck traffic in accordance with the state law for reduced loads during March, April and May of each year.

Postal Dept.
Cuts Mail
Deliveries

In accordance with instructions of the Postmaster General, Carl Mayer, Chelsea postmaster, has ordered mail delivery in the residential areas to be reduced to one delivery a day, Monday through Saturday. The one delivery a day rule went into effect here on Monday, April 24. Two deliveries are still being made daily in the business area and one daily delivery of parcel post packages is being continued here.

Window service at the post office beginning next Monday, May 1, will be available daily, 8 a.m. until 6 p.m. with Saturday hours being 8 a.m. to 12 noon. The window service is now available from 7 a.m. to 6 p.m. weekdays.

The reason given for the reduction of delivery service which has been ordered generally throughout the country is that it is deemed a necessary step in an attempt to cut down operating costs in an effort to offset a \$551,000,000 operating deficit. It is believed the one delivery a day will serve to cut down the number of postal employees by approximately 13,000 by the end of the fiscal year 1950. At the close of the 1949 fiscal year 517,690 employees were on the rolls of the Post Office Department.

Builder Show
To Be Held
in Ann Arbor

The annual Ann Arbor Junior Chamber of Commerce Merchants' and Builders' show will be held this year Wednesday, April 26 through Sunday, April 30, at the fairgrounds, Jackson avenue, in Ann Arbor. This year's show is reported to be bigger and better than any other show in the history of the event. There will be approximately 70 exhibits, occupying about 135 booths.

Displaying merchants have promised that there will be many new products for use in the home, garage and basement, as well as sporting goods, appliances, building materials and everything for the home. Many of the exhibitors are planning to give away something and also contribute door prizes which will be given away throughout the show.

The entire show occupies two buildings and will be held rain or shine, as everything is under cover.

In the transportation building the automobile merchants of Ann Arbor have planned an exhibit of new models available.

There is plenty of free parking space, and free admission to the show is free to everyone. The Ann Arbor Junior Chamber of Commerce extends a special invitation to every person in Washtenaw and surrounding counties to attend this show.

Among the projects started by the group of Chelseaites known as "Friends of the Library" is the Memorial Bookshelf. This is a shelf of particularly valuable, especially significant, outstandingly beautiful books, each one of which is dedicated to some friend or relative. While such a shelf has long been in practice in other libraries, it is new in Chelsea; therefore, it is noteworthy that the shelf is growing so rapidly.

Among the books already donated are "Norman Rockwell—Illustrator" by Aupitt; "The World's Great Madonnas," by Maus; "Audubon's Birds of America," by Rogers; "Remember Distinctly," "Art Then and Now," "Driftwood Valley," by Stone; "The Mature Mind," by

Overstreet; "Alternative to Euclid," by Hart; "The Book of Furniture and Decoration," by Orson.

Donors to date have been Mrs. R. A. McLaughlin, Mrs. Chandler Rogers, Mrs. Dorr Rogers, Mrs. Roberta Downes, Mrs. Faye Palmer, Chelsea Woman's Club; Miss I. C. Brown, Dr. J. E. V. Fisher, Mrs. and Mr. E. E. Winans, Mrs. Sidney Schenk. Other donors are in process of making a decision.

The Book committee of the Library Board has made up a booklet suggesting suitable books for the shelf. Anyone interested may view it on request. Both "Friends of the Library" and the Library Board hope to see the project continue to expand.

Library Memorial Bookshelf Project
Continues To Win Favor of Patrons

Chelsea FOE
To Send Food
for BerlinersMove Planned To
Bolster Resistance
to Communist Plans

Chelsea Eagles will ship a half-ton of food to West Berlin early in the month of May. Local party leaders are planning to send the food to Berlin to bolster the resistance to Communist plans to "march on Berlin" late in May and was voted at last Thursday's meeting of the local Aerie, secretary Harold Bair has announced.

Nationally, the campaign to aid the refugees and unemployed in Western Berlin is headed by Admiral Richard J. Byrd, former Undersecretary of State, Summer Welles and General Lucius D. Clay, former military governor of Germany.

The United States government will allocate surplus food commodities, powdered milk, eggs and other staple food items. Eagles lodge in the United States and Canada are defraying the costs of shipping and delivery to Berlin. The first boatload of food supplies for Berlin was scheduled to leave the port of New York on April 20, with the Grand Worthy President of the Eagles, William Mostyn, representing the Eagles at the ceremony. Mayor Ernest Reuter of Berlin will accept the shipments in Berlin for the people of his city. It is expected that several hundred tons of food will be shipped by the Eagles before the end of May.

Eagles join other patriotic groups in this demonstration of solidarity with the free people of Berlin, said Hursch O'Neil, local Aerie president. "The stigma of Berliners may have been worn thin by hardship, tension and unemployment, but their determination to resist Communist domination still remains unshaken. Whether the May demonstration of Communist strength turns out to be a ploy or a propaganda parade, the help from overseas will stiffen the backs of the west Berliners."

The resolution adopted by the Aerie at the last meeting, stated in part, "We believe in standing firm against totalitarian pressures and threats. We believe the problem of Berlin should receive a sympathetic response from all peoples in the world. We believe that the right is not just for freedom in Berlin, but for man's hope for freedom in our times."

Arrangements for shipping the "Project Berlin" food have been made with the International Rescue Committee, New York City, a non-sectarian organization which has specialized for years in its assistance to anti-totalitarian refugees. Food supplies will be distributed to the needy in Berlin by the city government of western Berlin, through Ernest Keutner, mayor of the western sectors of the city.

Albion College Band
Attends Kiwanis
Dinner Monday Eve.

Members of the Albion College band, here to present a concert at the high school gymnasium Monday evening, were guests at the Kiwanis club dinner in the Methodist church. Father John Manning, pastor of the Albion Episcopal church, and a member of the Albion Kiwanis club, who was with the band, and Dr. Conway Peters, director of the band, spoke briefly at the meeting.

Joe Stanley, local martini player was present and reported on his recent visit to Percy Jones hospital to entertain the veterans.

LIMA COMMUNITY 4-H CLUB
The Lima Community 4-H club held a meeting Wednesday, April 19 at the Lima Center Grange hall. The new president, Robert Breuninger, conducted the meeting. Officers are planning a meeting at which they will outline the program schedule for the coming year.

A baseball game and hayride will be held in the near future. The evening was spent in square dancing and playing games. Refreshments were served.

BOY SCOUT MEETING SLATED TO PLAN JAMBOREE TRIP
A meeting of all Boy Scouts going to the national jamboree this summer, together with their parents, will be held at 7:45 this evening (Thursday), at Mack school, Ann Arbor.

T. Bruce Rider, chairman of the Washtenaw-Livingston County jamboree committee, said yesterday that the session would include information on all phases of the trip.

Names of box owners should be inscribed on the side of the boxes visible to the carrier as he approaches them and boxes and supports should be kept painted. Boxes should be maintained in a condition that will assure proper protection to mail placed therein. Any boxes not of the present standard type which are of such design that they cannot be properly served by the carrier from his vehicle should be replaced with boxes of the approved type. Patrons who have unapproved boxes of top-opening, revolving door or other type are not required to discard them—provided the boxes have been in use by the present owners for several years and are maintained in good, serviceable condition.

The recommended height for rural mail boxes is for the bottom of the boxes to be 3 1/2 to 4 feet above the surface of the ground.

DO YOU REMEMBER THE DAY...

...WHEN WE WERE HAPPY IN MAY?

PTA Carnival
Will Be Held
Friday Night

Mrs. Darrell Larson, general chairman of the Elementary PTA Carnival, and her staff of officers and committee members have all plans completed for the carnival which is to take place tomorrow evening, beginning at 7 o'clock, in the High School gymnasium.

A new feature this year is a shadow booth which is expected to be very popular with all age groups. Mrs. Howard Flintoft and Mrs. Eugene Fisher are in charge of this booth. Also new this year is a nail-driving booth in charge of Russell McLaughlin.

Another new feature added to this year's carnival is a potato-peeling contest in charge of Al Reed Meyer.

Girl Scouts will have a refreshment booth; Cub Scouts plan a "peep" show; Brownies will sell popcorn and lappel pins; novelties and plants are to be on sale in a special booth in charge of Mrs. Dudley Holmes and there will be a parade post booth, fish pond and all the usual features of this annual money-raising project of the PTA group. This is the only means by which the Elementary PTA raises money for its work of providing special equipment for the grades.

Recently a radio was purchased by the PTA for use in the Riemenschneider school. The movie projector now in use at the Chelsea school was provided some time ago by the PTA.

The carnival has proved to be a very successful affair here since it was first held several years ago and Mrs. Larson and her staff of workers are hoping this year will be no exception. They urge everyone in the community to plan to attend.

Dates Set by Postal
Dept. for Rural Mail
Box Improvement

The U.S. Post Office Department has designated the first week of May, 1950, as Rural Mail Improvement Week in an effort to encourage patrons of the rural delivery service to provide suitable mail receptacles and to erect them in such manner that they will be readily accessible to the carrier and present a neat appearance.

Names of box owners should be inscribed on the side of the boxes visible to the carrier as he approaches them and boxes and supports should be kept painted. Boxes should be maintained in a condition that will assure proper protection to mail placed therein. Any boxes not of the present standard type which are of such design that they cannot be properly served by the carrier from his vehicle should be replaced with boxes of the approved type. Patrons who have unapproved boxes of top-opening, revolving door or other type are not required to discard them—provided the boxes have been in use by the present owners for several years and are maintained in good, serviceable condition.

Extension Groups
Hold Spring Party
at Methodist ChurchMac Packard Is
Named Head of
Local VFW Post

Newly-elected officers of VFW Post No. 4076, of Chelsea, were installed Monday evening during installation ceremonies held in the new VFW Home at Ann Arbor.

The installing officer was Joseph Mann, of Detroit, a past department of Michigan commander.

The Chelsea men who were installed are: Mac Packard, commander; Julius Eisele, senior vice-commander; junior vice-commander, Fred Harris; quartermaster, Ren Hutzler; trustee for three years, Albert Kasper.

Including the installed officers, eight men from Chelsea were present at the ceremonies.

Census Job
Nears End
for Chelsea

The 1950 census enumeration is practically completed in Chelsea, according to Mrs. Mary Ellen Kelley, of Whitmore Lake, crew leader for this area. Except for calls which they hope to complete as soon as possible, the Chelsea enumerators, Mrs. M. L. Knickerbocker and William Rademacher, believe they have listed the names of every person in the village. Mrs. Knickerbocker said there is a possibility that a few might have been missed, especially in cases where there are small apartments the enumerators did not know existed. If there are any persons not yet enumerated in the area extending south of the railroad tracks to the village limits they are asked to telephone Mrs. Knickerbocker whose number is 2246. If any were missed north of the railroad tracks to the village limits they are asked to contact William Rademacher.

Unofficial tabulation indicates that Chelsea's population will number approximately 2600 persons when the census is completed. This would be an increase of about 350 over the 1940 census figure of 2246.

Mrs. Kelley yesterday expressed her appreciation to the people of Chelsea for the spirit of cooperation shown to the Chelsea enumerators.

Organizing
Vacation
Bible School

Mrs. Herbert Sanborn, director of the vacation Bible school held in Chelsea last June under the sponsorship of the three Protestant churches in the community, is now making preparations for the 1950 sessions. Committees from the three sponsoring churches, the Congregational, St. Paul's and Methodist, are soon to map out a plan for the year's work, the date for the two-week session, etc. The immediate need at present is for volunteers who will offer their time and services as teachers or assistants for the vacation Bible school now so that they may plan to attend an institute to be held in Ann Arbor on May 18. At the institute, which is one of a number held throughout the state during April and May, information of great value to vacation school workers is made available through talks and demonstrations by trained workers in the field of Christian education.

Mrs. Sanderson said yesterday that if there are women in the community who feel they would like to help with the vacation school but cannot give the full two weeks of time, they may offer their services for as much time as they can give. Knowing the number of workers available for full or part-time as soon as possible will help materially in planning the activities for the vacation Bible school session, Mrs. Sanborn said. She concluded her plea for offers of assistance with the slogan: "Why not make vacation church school your volunteer church service?"

Annual Affair Draws
125 Delegates from
Washtenaw Clubs

The annual spring party of District IV of Washtenaw County Extension groups was held in the Chelsea Methodist church on Thursday, April 20.

Representatives numbering 125, were present from the following Extension groups: Delhi, Webster, South Sylvan, North Lake, Sylvan, Lyndon, Dexter, Townline, Lima Center and Chelsea.

Get-acquainted games took place before the 12:30 luncheon, which was served by ladies of the Methodist church. Also preceding the luncheon was a program or organ music played by Mrs. P. M. Broesamle. The get-acquainted games were in charge of the Webster group of which Mrs. Clarence J. Bristle is recreation chairman.

Those who assisted her were Mrs. Willis Otter, Mrs. Emil Kaiser, Mrs. Fred Wheeler, Mrs. S. T. Wheeler, Mrs. Grace Nixon, Mrs. Horace Whitney, Mrs. Chalmers Alexander and Mrs. Frank Klein-schmidt. The Webster group also made name cards for each person present.

The Delhi Extension group, of which the newly-elected county chairman of the executive board, Mrs. Alvin Marsh, is a member, assisted her in making arrangements for the party. Mrs. Clifford Poppenger of the group, painted flowers in water colors on all the programs, which added a colorful touch to the appearance of the tables in the dining room.

Exhibits of all groups were on display in the league room of the church. Mrs. Earl Quackenbush, chairman of the judging committee, announced the Sylvan group as winner of first place for its very complete lampshade exhibit. This exhibit the exhibit eligible for showing at Achievement Day in Ann Arbor.

Mrs. Alvin Marsh, junior district representative and county chairman, presided during the afternoon program, and Mrs. Wilber Hatt, senior district representative and secretary of the county executive board, was in charge of the business session. At this time Mrs. Walter Wolfgang, of the South Sylvan group, was elected junior district representative. She will take office in the fall upon the retirement of Mrs. Wilber Hatt.

Mrs. Anna Brown, county extension club agent, was present and spoke briefly during the business meeting. Mrs. Brown also made a surprise appearance on the program when Mrs. Walter Wolfgang, "driver" of the "Automobile" in South Sylvan group's skit, "Automobile Trip," stepped to Mrs. Brown's seat in the audience and escorted her to the stage where she seemed to enjoy her role as "passenger." Others in the skit were Mrs. Reuben Lesser, Mrs. Everett Van Riper, Mrs. Fred Gauthier, Mrs. Harley Hatt, Mrs. Joe Metel, Mrs. Raymond Lisbeck, Mrs. Leon Chapman, Mrs. Gordon Van Riper, and Mrs. William Reule. The latter two took the parts of mother and baby, respectively.

North Lake group's offering was an original poem read by Mrs. Grover Colby, Jr., and Sylvan group followed with a short skit, "Stop the Music," in which Mrs. Roy Miller, Mrs. Emerson Lesser played the piano selections for this number.

Lyndon's skit, named "Don't Get Excited," was given by Mrs. Tom Materson as the mother, and Mrs. John Malone, as a teen-age daughter. Also offered during Lyndon group's part of the program was a most amusing humorous reading, "The Mouse," given by the group's oldest member, Mrs. Mary Daniels, who prefers not to have her real age mentioned. She said, "I don't feel old." As an encore she recited also a poem, "A Mother's Beautiful Hands."

A member of the Chelsea group, Mrs. Willard Guest, gave a monologue, "Mabel At The Movies." Dexter group presented a skit, "While You Wait." Townline group gave one called, "Pictures Come To Life," those taking part being Mrs. Guy Wheeler, Mrs. Lawrence Wheeler, Mrs. Raymond Layner, Mrs. William Denishaw, Jr., and Mrs. John Wheeler, Jr., assisted by Mrs. Jean Wheeler and Lima Center group concluded with a number called, "Back Seat Driver," by Mrs. Fred Seitz and Mrs. William Bahnmiller.

Mrs. Vincent Ives, of the Lima Center group, acted as piano accompanist for group singing and also for an impromptu duet, "Bless Thou My Soul," by Mrs. John Oestle and Mrs. Oscar Kalbach, sung at the close of the program.

Mrs. Wilber Hatt introduced past county chairmen present: Mrs. P. W. Smith, Mrs. William Bahnmiller and Mrs. Earl Quackenbush. She also presented the Chelsea group, which was organized during the past year, and was present at a district meeting for the first time.

Army Positions Now Available to Women

Immediate enlistment in the Women's Army Corps or the Women's Air Force is now offered to a limited number of qualified young women. It was announced today by Sergeant Norwood Broadway, Recruiting Officer for the counties of Washington and Livingston.

"Although enlistments for the women's branches of the Regular Army and Air Force are on a quota basis, opportunities for enlistment are greater today than at anytime since the WAC/WAF recruiting program was instituted 18 months ago," the Sergeant said.

Young women desiring further information regarding enlistment in the WAC or WAF are requested to call or visit the local Recruiting Office, The Army Bldg., Ann Arbor, Mich., Ph. 2-0456.

Classes Begin for Expectant Mothers

The first of a series of seven classes for expectant mothers was held in the dining room of the Methodist church last Thursday afternoon. Miss Belle McHenry, Washtenaw county health nurse is conducting the classes which are being held at 2 o'clock each Thursday afternoon.

At today's class, Miss McHenry said, she will show movies on human reproduction.

Miss McHenry said the attendance last week was very good and interest in the series was very gratifying. She also said that anyone interested in the classes who could not be present for the first session last week is welcome to begin classes today or come to any of the remaining five sessions which will be concluded June 1.

William Koseika, CHS Senior of 1950, Awarded Michigan State Scholarship

William J. Koseika, a senior at Chelsea High school, has been named to receive a Michigan State College scholarship. The Michigan State College scholarships for the 1950-51 school year have been awarded to 875 high school seniors in 67 Michigan counties, according to Prof. A. J. Clark, chairman of the MSC scholarship committee.

The awards are the second annual series made available to state high school graduates under a scholarship plan inaugurated by MSC in 1948.

Grants were awarded on the basis of honor scholastic average, financial need, and good citizenship characteristics displayed in high school.

The scholarships cover all tuition and course fees at Michigan State College for one year, and the full sum may be renewed for four years if the student maintains a high scholastic average, Prof. Clark said.

A total of 750 scholarships are made available under the program, compared to the 64 awarded previously each year.

Scholarship grants were made available for one student from each public high school in Michigan and 100 were reserved for distribution at large among the larger schools in the state.

William is the son of Mr. and Mrs. Frank Koseika of 1741 North Lima Center road. He will be eighteen years old next month. He has attended Chelsea High school the past two years, having attended the Huron Valley Agricultural school at Milford from the fifth through the tenth grades while the family lived at Milford to be near Mr. Koseika's work. Before moving to Milford, William had attended the Beach rural school on the Chelsea-Dexter road.

While at Milford, he was very active in the Boy Scouts. He is an Eagle Scout and was a leader of Cub Scouts at Milford. While

at the Milford school also, he was on the football squad and on the track team. He has been on Chelsea's football squad the past two years. He is treasurer of the Chelsea Hi-Y club.

William is much interested in 4-H work and is concluding his second year as president of the Lima-Seio 4-H Community club. He is also president of the Lima 4-H Club.

William plans to study agricultural engineering at college.

WOOD 'N' VOLT CLUB

Members of the Wood 'N' Volt 4-H club and their parents were entertained Sunday evening at the home of Mr. and Mrs. Harley Hatt. Exhibits of the members' work projects were on display and each member was presented with a certificate and a gift by the leaders.

The members in turn presented gifts to the leaders, Mrs. Kathleen Hatt and Vernon Satterthwaite; the assistant leaders, Mrs. Harley Hatt and Mrs. Walter Wolfgang; and to Mr. and Mrs. Vernon Satterthwaite who opened their home for the 4-H club meetings during the past winter.

Light refreshments were served at the close of the evening. Approximately thirty-five members and guests were present.

Goodwill Industries To Collect

Goodwill Industries of Detroit will send its trucks to Chelsea on Wednesday and Thursday, May 3 and 4. In a house-to-house collection at that time they will pick up all discards such as clothing, shoes, household articles, furniture, paper, books, toys, and miscellaneous articles. All items are desperately needed at the present time.

The discards collected are used as raw materials with which handicapped people work. All the donations are unloaded, sorted, cleaned and repaired. Material beyond repair is sold as salvage. The reconditioned merchandise is sold in one of the three Goodwill stores in Detroit.

Goodwill Industries is a self-supporting, non-profit corporation. The operating expense is financed through the sale of renovated discards. Your discards mean "not charity but a chance" to disabled persons of every race and creed. It is a chance for them to receive employment, training, rehabilitation, and aid to a personal growth.

If you have a contribution, no matter how small or apparently worthless, save it for the Goodwill.

Tests Prove 2,4-D Weed Killer Harmless When Eaten by Livestock

If you're one of those many farmers worrying about the effect of 2,4-D and similar weed killers on pasture consumed by livestock, you need not be too concerned.

Tests by Dr. E. H. Grigsby and E. D. Farwell, Michigan State College researchers, show that even when herbicides were used in strengths two to four times normal application, the sprayed pasture had no harmful effect upon livestock it carried.

For the tests, the botanist and animal husbandman selected a pasture on the Michigan Agricultural Experiment station that had a good stand of alfalfa and bromegrass. This pasture was divided into nine 3-acre lots and applications of eight common weed-killers were made. Each lot was divided into two parts, and only half of each was sprayed at the start. Stock was put in each part and the remaining half was sprayed at the end of the first week.

Horses, dairy and beef cattle, sheep, swine and chickens were used.

Animals were weighed throughout the tests and showed no appreciable changes. Milk production records were kept on the dairy cattle and those on sprayed plots showed no drop in production.

Analysis of the forage after it was sprayed, to determine the

amount of chemical it carried was made by the Dow Chemical Company, Midland, which cooperated in financing the tests.

Grigsby's and Farwell's report, in the February issue of the Michigan Agricultural Experiment Station Quarterly, says: "Under the conditions of this experiment, none of the herbicides seemed toxic to the types of livestock used. Under

average farm usage, animals would not be exposed to quantities of chemical as large as were present in these trials.

The experiment will be continued to determine if products from livestock, such as milk and eggs, show any contamination from the chemicals. Grigsby said stock showed no preference for the sprayed material, contrary to opinions by some people that livestock would choose sprayed vegetation over that not sprayed.

All common weed killers likely to be used in pasture improvement work were tried in the experiment. Herbicides used included: dinitrophenol, pentachlorophenol, TCA, 3 types of 2,4-D and 2,4,5-T.

Grigsby thinks 2,4,5-T may be preferred over 2,4-D for pasture spraying since it has known superiority for the control of brush. Many pasture weed problems include some types of brush.

TIME—USED OR WASTED?

"But I didn't have time," comes the wall from every corner of the classroom. All too often this is the student's excuse. They never seem to have time to read that book for a report, or to finish a home project that was assigned to them three weeks previously. Yet a baseball game, or a club meeting is dashed to as if all-important. The result—a history test is flunked the next day. Who's to blame for that low mark? Why that mean old teacher, of course! Let's not put assignments off to the last minute! Then there won't be any need too look for someone to blame.

Biographies . . .

A late Valentine arrived in Chelsea in the form of a baby boy on Feb. 15, 1932, and it was signed "John Popp." His school years have been spent in Chelsea and in Chicago at Holy Trinity High. Some of his favorites are food in the form of banana cream pie. Basketball is his choice in sports. His favorite movie was "Knock on Any Door," and his favorite song is "Mule Train." During idle hours John finds pool a good form of recreation. For a costume, he chooses jeans and a plaid shirt. He says his pet peeve is "Boys flirting with my girls." During his years in high school he has been active in Hi-Y, basketball, chorus and the Junior play. He doesn't think Chelsea should have a curfew because the town is too small, or that parents should choose their children's friends. Johnny also thinks that daily chores develop character.

Back in the year 1931—Dean Wortley graced Chelsea with his presence, and has continued to live and to attend school here. Dean, who is a senior this year, is a sports enthusiast for he enjoys football, hunting and fishing. Dean's favorites also include fried chicken, the movie "The Green Years," and the popular song "Always." He thinks that students should have a job so they could learn the value of money and thus not spend it so freely. He also believes that parents may help choose, to a certain extent, their child's friends.

This boy is formally known as Snuff. He was born on July 22, 1931, in Lima township. He has been an active member of Chelsea school for 12 long years; during that time he has been in Hi-Y, Student Council and on the Annual staff. You might see him eating a chicken leg while lazily sitting by his television set, watching Arthur Godfrey. He likes basketball and bowling but his greatest ability is in the photographic field. He has had jobs doing office work. Snuff's happiest moment was when he received his new camera and he definitely thinks that students should do daily chores for it gives them responsibility. This senior will soon be graduating along with the others and his nickname will fade away as time goes on, but we won't forget him as Ralph Guenther. Ralph plans to go into photography after graduation.

It was a hot history day when the stork flew over Munith and dropped a little bundle named Elaine at the Pickett home. The date was June 21, 1932, and this little bundle has grown up to be 5 feet 2 inches. She has attended Munith, Unadilla grade schools, Stockbridge, Vandercook Lake and Chelsea high schools. Elaine has

Time Passes . . . Will You?

been active in GAA and band. Her favorite pastime is playing hill-billy music while eating corn bread and drinking buttermilk. Elaine's happiest moment was when she became a senior. She believes students should have daily chores and they should have the right to choose their own friends. Elaine's plans for the future are just to do something in the Navy.

DEMOCRACY IN ACTION

An assembly on the rules and regulations for parties and dances was given Friday, April 21. Important party rules include the one that states parties must be over by 11 p.m. and the building must be vacated by 11:30 p.m. Student Council retains rights to inspect upon properly prepared plans submitted well in advance. No outsider (anyone not attending this school at the present time) will be admitted without a guest ticket. No smoking will be allowed in the building. No person who leaves the party after once being admitted may return without special permission of the sponsor. Students should not be in entrance hall, balcony, on stage, or in Home Ec. room during parties except with permission and for special purposes. The plans for the Student Council dance, which will be held May 19, were discussed. Kay Murphy was asked to speak to the Junior class about leaving up decorations from the prom. The rule was made that if any student wishes to adjust the shades in the gym he must get permission before doing so. The Student Council decided that discussion of Constitution should be postponed until April 28 when their next meeting will take place.

FFA

The FFA boys attended the auction at the Eder farm on Monday afternoon, April 17. The FFA softball team traveled to Saline on Wednesday, April 19 to display their talents at the first of the season. The boys played well and came home with a score of 25 points to Saline's 2. The winning pitcher was Ed Schiller.

BAND

The director and members of the band are completing plans for a concert to be presented Tuesday, May 16.

Activities . . .

CHEM TOUR

Last Tuesday the Chemistry class visited part of the 2,500 acres at Dow Chemical company. During an afternoon tour of the buildings the class visited the potassium bromide, epsom salts, and the glass blowing departments. An interesting tour was also conducted through Dow's chemical laboratory and their new offices. These offices are newly done in plastic. At the end of this exciting and interesting tour each member of the class was given a whisk broom as a gift from Dow's. The chaperons were Mr. Benjamin and Mr. Maroney.

SENIORS VISIT STATE CAPITOL

The state capitol at Lansing is one of the highest in the 48 states, being surpassed only by the height of the capitol of Wisconsin, which is 14 inches higher. The seniors were enlightened by these and many other interesting facts during their visit to the state capitol last Wednesday. The class also saw the Senate and House of Representatives in session.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern. The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands. After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives. Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman . . . upon either the ground of safety or that of efficiency and economy of operation."

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point: "The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good . . . Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected." The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding." The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels Is Outstandingly Good . . ."
PRESIDENTIAL FACT FINDING BOARD REPORT
Read these excerpts from official reports of Presidential Fact Finding Boards:
"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."
"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation . . ."
Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

Dexter Community Forum To Hold Spring Session Next Thursday Evening

The spring session meeting of the Dexter Community Forum will be held Thursday, May 4, at 8 p.m. in Dexter High School auditorium.

The subject to be discussed, "What Price Communism and Socialism?" is one of world-wide significance and of vital interest to every loyal American. Members of the panel are experienced and highly qualified to lead forceful discussions on these two world-wide subjects. The following will serve on the panel: Upton S. Wilkinson, Dr. Wallace R. Teed, Edmond Devine, Rev. Adolf Bergman, and Prof. Marshall Knappen who will act as moderator.

The panel members vary in their professions but are one in their keen interest in the world issue to be discussed. Prof. Knappen is very well known to Dexter citizens for his participation in the United Nations program of the forum. For four years Dr. Knappen was Chief of Religious Affairs in the office of the military government in Germany, with the rank of Lt. Col. His main interest is in American foreign policy. He has written books in that field, the one best known is "And Call It Peace." Dr. Knappen has an unusual background. He was a Rhodes scholar and received his A.M. from Oxford University in England and his Ph.D. from Cornell University.

Upton S. Wilkinson of Jackson, has been a businessman and merchant in that city for 29 years. He is a prominent member of Kiwanis and is very active in the "Small Business Men's Association." He has received his knowledge of Communism and Social-

ism through practical experience. Well known for his civic contributions in Washtenaw County is Dr. Wallace R. Teed. He is the public relations director for the Washtenaw Medical Society and holds the same office in the State Medical Society. During the war he was commander in the Navy Medical Corps. Dr. Teed is a surgeon in Ann Arbor and is the Secretary-Treasurer of the St. Joseph Hospital.

The Chief Assistant Prosecuting Attorney for Washtenaw County, Mr. Edmond Devine received his Doctor of Jurisprudence from the University Law School and his M.L.L. from the Catholic University Law School at Washington, D.C. For two years he was with the Federal Bureau of Investigation. At present he is a lecturer in Criminal Law at the University of Michigan Law School.

The program committee felt especially pleased to be able to secure Rev. Adolf Bergman who can speak from personal experience. For more than 20 years Rev. Bergman was a Methodist minister in Latvia, which is now behind the "Iron Curtain." During the war he was in German and Russian forced labor camps and after his release acted as consultant to the Danish Red Cross in Danish and Baltic affairs. At the present Rev. Bergman is a pastor in two Michigan Methodist churches.

This is a wonderful opportunity to hear this very important subject discussed and have your questions answered authoritatively. Bring your friends. Public is urged to attend.

Jackson Woman Named District Pres. of Rebekah Lodge

Miss Mildred Cogswell of Home City Rebekah Lodge No. 228 of Jackson, was elected president of District No. 12 at its 25th annual session Wednesday, April 19, at the 1000 temple in Hanover. More than 150 members of the nine lodges of the district were present.

Other officers elected were as follows: vice-president, Mrs. Velma Wolfe of the Chelsea Lodge No. 130; Mrs. Madeline Bardon of Parma No. 430 Lodge, and Mrs. Tillie Farrand of the Martha No. 2 Lodge of Jackson.

Phoenix Lodge No. 335 of Hanover, was hostess. Mrs. Adda Gibson of Lansing, Assembly president, Mrs. Lillian Stanley of Bay City, Assembly Warden, Mrs. Mattie Healey of Detroit, Assembly conductor, and Mrs. Phyllis Bromley of Baldwin, Michigan Assembly outside guardian, and Mrs. Medora Sleech of St. Ignace were honored guests.

Mrs. Margaret Burley of Hanover, Michigan District president, presided at the meeting. Mrs. Marjorie Barnes, Noble Grand of the Phoenix Lodge, gave the address of welcome with the response being given by Mrs. Francis Wood of Jackson, Past District president.

In observance of the silver anniversary, Mrs. Grace Ashworth of Home City Lodge No. 228, Jackson, gave a resume of 25 years of District No. 12.

Exemplification of the work was by the Starlight Lodge of Brooklyn, Home City Lodge No. 228, Jackson, Ruth Lodge, No. 89, of Springfield, and Clark Lake Lodge No. 458 of Clark Lake, Parma No. 430 of Parma, and Martha No. 2 of Jackson.

Dinner was served by the women of the Methodist church of Hanover. Tables were appropriately decorated for the Silver anniversary.

During the evening program the Chelsea lodge conducted a public memorial service. Members of the Vandercook Community lodge presented a comedy skit. The meeting closed to meet in 1951 at Home City Lodge No. 228, Jackson.

Infirmiry Auxiliary Cheers Residents

The usually dull days at the Washtenaw county Infirmiry have been noticeably brighter the past months, with members of the Infirmiry Auxiliary arranging, and stimulating other groups to arrange, all sorts of entertainment for the folks who live there.

Friday evening, April 28, the Saline Women's club will be in charge of the regular monthly party at the Infirmiry, with Mrs. Edwin Hering, president, at the helm. They will bring the ice cream and cake which they will serve to the 100 residents and hospital patients. The cakes will be festive birthday creations in honor of those residents having April birthdays. There will also be entertainment, consisting of an accordion rendition by Mrs. Michael Sheehan, singing by Mrs. Mabel Gleason. Accompanist will be Mrs. Merritt Martin.

Another new note on the calendar of Infirmiry residents is the monthly story-telling hour by members of the Ann Arbor Story Telling League, with Mrs. Karl Karsian in charge. This will come on the second Friday evening in the month at 7 o'clock.

There are also weekly movies, given the first three Wednesday evenings by the Auxiliary and on the fourth Wednesday the Business and Professional Women's club of Ann Arbor gives this much-looked-forward-to "theatre party."

Sunday afternoons, Chaplain Malcolm B. Ballinger of the First Methodist church, holds a service on the porch for any of the residents and patients who care to attend.

NEW MEMBERS of the Chelsea Chapter of Beta Sigma Phi are shown above in a picture taken at the formal initiation ceremony held April 10 in St. Paul's Church hall. The members are, from left to right: Mrs. Marie Barr, Mrs. Charles Lancaster, Mrs. Richard Kern, Mrs. David Strieter, Mrs. Richard Kinsey, Miss Margaret Foutch, Miss Rosemary Hummel, Mrs. John Alber, Mrs. Raymond Seitz, Miss Helen Vail and Miss Rosemary Lyons. Miss Barbara Tobin was absent at the original initiation and will be inducted privately.

Chelsea's new chapter of Beta Sigma Phi was officially launched Monday, April 10 with the formal initiation of members at a banquet held in St. Paul's Church hall. The dinner was served by ladies of St. Paul's Women's Guild, under sponsorship of the Ann Arbor chapter of Epsilon Nu and given in honor of the new pledges.

Mrs. William Ade, president of the Ann Arbor chapter, presided at the initiation ceremony which was held in candlelight. Yellow roses, the sorority flower, decorated the tables on which the yellow candles were placed.

Officers were installed as follows: president, Mrs. Raymond Seitz; vice-president, Miss Helen Vail; treasurer, Miss Rosemary Lyons; recording secretary, Mrs. Marie Barr; corresponding secretary, Mrs. David Strieter.

Pledge pins were presented to each member and some sorority songs were introduced with group singing. Mrs. Ade announced that Zeta Beta would be the name of the chapter, and discussed the purposes and aims of Beta Sigma Phi with the group. Guides were passed out to help the pledges during their first meetings which will be held twice each month. Members of Zeta Beta expressed their appreciation to Mrs. Helen Donelson, Miss Jacqueline Fox,

and to the other members of the Ann Arbor group who gave so much time and effort toward organizing the local group.

The first regular meeting was held at the home of Mrs. David Strieter on Monday, April 24, with one member absent. Mrs. J. Raymond Seitz, president, gave instructions to each committee and pledge training manuals were passed out.

On Sunday, April 30, the group will go to the Washtenaw Country Club near Ann Arbor as guests of Ann Arbor Epsilon Nu chapter, to celebrate Founders' Day.

Regular meetings of the group will be held on the first and third Monday of the month, with the next meeting to be held May 8, at the home of Mrs. Marie Barr.

Largest Fountain

Buckingham fountain, in Grant park operated by the Chicago park district, is the largest fountain in the world. The bottom pool is 280 feet in diameter. It has a water capacity, with all basins filled of 1,500,000 gallons and during major displays uses 14,000 to 15,700 gallons a minute. The central jet is forced skyward 135 feet above the lower basin, 45,000,000 candlepower is required for lighting.

Post-Confirmation Dinner Honors Janet Widmayer

Mr. and Mrs. Harold Widmayer entertained Sunday at a dinner for the pleasure of their daughter, Janet, who was a member of the confirmation class at St. Paul's church on Palm Sunday. The dinner in her honor had been planned for that time but bad road conditions forced its postponement.

Fifty-five guests were present from Detroit, Howell, Jackson, Homer, Napoleon, Manchester, Grass Lake and Chelsea and vicinity.

Pussy willows and forsythia, together with white candles in crystal holders arranged in groups of three to represent the Holy Trinity, formed effective table decorations. The children's table was centered with an arrangement of candles molded to represent miniature children and animals.

Pictures of confirmation classes of other years were on display and proved to be of special interest to many of the guests present.

Dr. E. J. Sutter was in Detroit from Monday until Wednesday night to attend meetings of the Michigan State Dental Society.

PERSONALS

Ed Wahl, of Grass Lake, visited his mother, Mrs. Carrie Wahl, Sunday afternoon.

Mr. and Mrs. Edmund K. Miller, Sr. spent Sunday afternoon with Mr. and Mrs. George Wheeler, at their home in Ypsilanti.

Mr. and Mrs. Wayne Wiseman and Mr. and Mrs. James Pearce, of Detroit, visited Sunday at the home of Mrs. M. J. Baxter who later accompanied them for an afternoon trip to Marshall.

Clifton Sadler and a friend, of Rushville, Indiana, were Sunday dinner guests at the home of Mr. and Mrs. J. Lewis Wahl. The Wahl's met Mr. Sadler while on their vacation in the Smoky Mountains last summer and his Sunday visit here was a happy surprise.

Jay Talbot of Springfield, accompanied by his brother, Ralph Talbot, who was home on leave from the U. S. Navy, and a friend, Kenneth Parker, of Springfield, visited his mother, Mrs. George Knoll this last week. Ralph was to report for duty on April 23 in Rhode Island, for assignment on maneuvers.

S. African Red Cross Worker To Address Methodist WSCS

Mrs. Jean Van Rooyen, who for 11 years taught house crafts to the natives in South Africa and is now associated with the South African Red Cross Mobile Unit, is to be the guest speaker at a one o'clock luncheon meeting of the WSCS of the Chelsea Methodist church on Wednesday, May 3. Reservations for the luncheon are to be made with Mrs. John Fletcher or Mrs. Warren Daniels. The morning Philathea group, under the chairmanship of Mrs. Fletcher, will serve the luncheon.

Mrs. Van Rooyen is expected to speak on the general topic of her work and observations of the life and people of South Africa. Her sympathetic understanding of the problems of living under such adverse conditions as are found in the parts of South Africa where she spent so much time and her compassion for her talks a quality not often found in narrations on missionary subjects.

WSCS officers are to be nominated and elected at this meeting and officers are urging all members to be present.

PTA CARNIVAL FRIDAY, APRIL 28

10 GALLONS OF NEW BLUE SUNOCO WILL PROVE IT'S A Sensational GASOLINE!

That's Why We Suggest
MAKE THE 10 GALLON TEST

Stepped-Up To Give
NEW HIGH

- Anti Knock
- Performance
- Power
- Value

For best results, don't dilute New Blue Sunoco with other gasoline. Wait until your tank is nearly empty—then put in 10 gallons of New Blue Sunoco. Compare it. Feel the difference! We believe you'll never go back to ordinary gasoline.

NEW BLUE SUNOCO Still Sells at Regular Gas Price

More Nitrogen Gives Bigger Grain Yields. Extra Pasture and Hay INCREASED use of nitrogen fertilizer offers big opportunities for producing higher yields of small grains and more pasture and hay crops, declared Prof. C. J. Chapman, extension agronomist of the University of Wisconsin. Prof. Chapman cautions, however, that nitrogen will give its crop boosting results only where the soil has a solid foundation of minerals built up by regular additions of phosphate and potash fertilizers and by a crop rotation that includes well-fed, deep-rooted legumes. Citing examples of small grains' response to nitrogen, where phosphate and potash are in good supply, Prof. Chapman reported that 500 pounds of 0-20-20 made a yield of 56 bushels per acre on one farm. But when 100 pounds of ammonium nitrate was added, 91 bushels per acre. Chapman said it is profitable to use some nitrogen on small grains at seeding time, but liberal additions of phosphate-potash fertilizers are needed where seedlings of clover and alfalfa are made. The seedling-legume plants make a vigorous start early in the growing season and thus withstand competition from the heavy growth of straw due to the nitrogen. Must Learn to See A child learns to see just as he learns to swim, and unless he develops the proper coordination of the eyes and the muscles and nerves used in seeing he is likely to have trouble in school.

"INSURANCE FOR EVERY NEED" Corner Park and Main Chelsea, Michigan

here is a distinctive note of excellence in every service we direct

The people of Chelsea and vicinity have recognized for more than three generations the leadership that Staffan Funeral Home has maintained in their professional field. Staffan's patrons benefit by their aim of always being first to offer improvements. Staffan's were the first in Washtenaw county to provide a limousine, first to provide a funeral chapel and today they have the new Hammond Electric Organ to provide greater beauty to each service.

Club and Social Activities

VFW-AUXILIARY

The VFW Auxiliary met at St. Mary's hall Monday evening, April 24, with eighteen members present. Preceding the social part of the meeting a short business session was held for the purpose of electing two delegates to the district convention which is to be held in Grand Rapids June 1-4. Mrs. William Weber and Mrs. Anna Dvorak were the two delegates elected.

Refreshments were served by the evening's committee.

OES PAST MATRONS

The Past Matrons of Olive Chapter No. 108, OES, entertained their husbands and the Past Patrons and their wives at a dinner at the Masonic hall Wednesday evening with twenty-nine present.

Euchre and canasta were the entertainment for the evening and prizes were awarded as follows: in euchre, Mrs. Albert Ashai and Franklin Gee, high; Mrs. James Munro and Paul Belser, low; in canasta, Mrs. Helen Baxter.

HONORED ON BIRTHDAY

Mrs. Louis Eppler was the recipient of a bouquet of carnations telegraphed to her in observance of her birthday last Wednesday by nieces and nephews in Frommen, Wuertemberg, Germany.

She also received flowers from a nephew and his family in Columbus, Ohio, and a hand-wrought iron wall bracket made by another nephew, Ernest Schuler, of Arizona. In addition, she was remembered with gifts and cards from friends here and from various points throughout the country.

Mrs. Eppler said her birthday this year was one of the happiest she has ever observed, in spite of the fact that she has been ill for several weeks and spent most of the day in bed.

Observe Golden Wedding Anniversary

Mr. and Mrs. Emanuel Wacker

Mr. and Mrs. Emanuel F. Wacker, who have been residents of the Lima-Freedom township area almost their entire lifetime, observed their golden wedding anniversary on Tuesday, April 25. Because Mrs. Wacker has not been very well for some time, no special plans were made for a formal celebration, but friends and relatives called during the week and they were remembered with many cards, flowers, gifts and messages of congratulation.

On Sunday they were honored at a family dinner at their home, 1235 Fletcher road, where they have resided the past forty years. Present for the dinner were their sons and their families, Mrs. Norman Wacker and family, of Whitmore Lake, Mr. and Mrs. Arthur Wacker and family, of Manchester, and Mr. and Mrs. Lawrence Wacker, of Chelsea, while afternoon callers were Mr. and Mrs. Albert Schiller with their son and daughter and grandchildren; also, Mrs. Clara Sott and Mr. and Mrs. Junior Sott, of Pleasant Lake, Mr. and Mrs. William Frey, of Ann Arbor, and Mr. and Mrs. E. M. Eisenmann and Mr. and Mrs. Alvin Yail and daughter, Helen, of Chelsea.

The Wackers were married in Zion Lutheran church at Rogers Corners on April 25, 1900. For approximately ten years they lived on Lima township farms before going to their present home where they have since resided. For a number of years Mr. Wacker operated a saw-mill and a grist-mill located just across the road from the family home. He now operates a grocery store next door to his home. Mr. Wacker formerly was highway commissioner for Lima township.

Mrs. Wacker is the former Mary Barbara Koch, a daughter of the late Martin and Katherine Haarer Koch with whom she came to this country from her birthplace in Wuertemberg, Germany, when she was five years old. Mr. Wacker's parents were George and Louise Essig Wacker of Freedom township. He was born in Freedom township on May 11, 1877. Mrs. Wacker was 74 years old on December 16.

The Wacker family includes their three sons and four grandchildren, all of whom were present for the dinner on Sunday.

Mr. and Mrs. Wacker are members of St. Paul's Evangelical and Reformed church.

WOMAN'S CLUB

The Woman's Club of Chelsea met Tuesday evening at the Methodist Home with Mrs. Beth Holidge as hostess. This was the club's annual meeting and all annual reports were given and then Mrs. Edwin Eaton presented the program under the title "Our American Way of Life."

Refreshments were served by Mrs. Leigh Palmer and Mrs. John Fischer and during this social period Mrs. Eaton informally told of incidents of the trip to New Orleans from which she and Mr. Eaton returned Tuesday morning.

Richard Bahnmiller, of Kalamazoo and Martha Nason, of Western Michigan College, spent the week-end here with the former's mother, Mrs. Clarence Bahnmiller. Guests for Sunday dinner were Mr. and Mrs. Charles Bahnmiller, of East Dearborn and afternoon visitors were Mr. and Mrs. Harley Prudden, of Ann Arbor.

RETURN FROM CALIFORNIA

Mr. and Mrs. Henry Schneider have returned home after spending ten weeks with relatives in California. They visited their daughter and her husband, Dr. and Mrs. Horace Getz, at Altadena, and Mr. Schneider's sister, Mrs. Charles Walker at Berkeley, Calif. On Sunday the Schneiders were entertained at dinner at the home of the Foster Fletchers in Ypsilanti, the occasion being a celebration of Mrs. Schneider's birthday. Also present at the dinner were Donald Bacon and Armin Schneider, Mrs. Armin Schneider and daughter, Joan, being away on a visit with relatives in Wisconsin.

Exceeded Expectations
 "If the Nation's Capital continues to grow during the remainder of the present century as rapidly as it grew between 1910 and 1940, it will have a population of more than 800,000 at the beginning of the next century," wrote President William Howard Taft in the National Geographic magazine of March, 1915. Current census bureau estimates show populations of 870,000 for the District of Columbia proper and 1,402,000 for the Washington metropolitan district.

Pigs Saved
 In 1949 United States hog raisers saved 13 per cent more pigs than they did in 1948. In Alabama, pigs saved jumped to 23 per cent.

Prize Livestock
 Livestock owners bringing their animals home after competition in state and county fairs are advised to keep them apart from home herds for 30 days—just in case they may have picked up a contagious disease that is slow in showing up. The American Veterinary Medical Association says there is always a chance that show stock may be exposed to infection in transit or while on the fair grounds, yet it may take three weeks before signs of illness become apparent. In the meantime, quarantining them protects the home herd from exposure.

Items taken from files of The Standard of years past.

4 Years Ago ...

Thursday, April 11, 1946
 A total of \$2,702 was collected for the Red Cross for 1946. Mrs. L. J. Paul, chairman for the campaign, stated that the committee had complete cooperation throughout the drive.

Mrs. Louise Klink and Junior Altenbern were united in marriage on April 6 at St. Paul's Church. Rev. Grabowski performed the service in presence of the immediate family. The couple will reside in Lyndon township.

Ernest Aldrich, 88, died April 6 at his home after several months of illness. The funeral services were performed by Rev. Skottelby at 10 a. m. at St. Paul's Church. Surviving are his widow, four daughters, and six sons.

The Grade School P.T.A. is sponsoring an old fashioned auction sale on April 11. Merchants and other interested friends have donated liberally to the project with several hundred dollars worth of merchandise going up for sale.

Mrs. Minnie Widmayer, 74, died suddenly at her home in Center, Michigan, on April 5. Her husband preceded her in death, and she is survived by a son and daughter, a sister, and a brother.

Thursday, April 18, 1946
 Fifty-six members of the Chelsea Business Men's Association attended the second regular monthly meeting held in the Municipal building. President F. W. Merkel stressed immediate action on the critical housing shortage.

Lt. Roland White spent several days of last week with Mrs. White and her parents. Lt. White returned April 6 from Germany. He reported Monday in New York for further assignment.

The Chelsea High School Band won a third rating of Class C Bands at the State Band Contest held at the Music Building Auditorium in East Lansing on April 13. Mr. V. DeMatteis is the director of the band.

Mrs. and Mr. Harvey Heininger were in Toledo on Sunday where they attended a family gathering at the home of Mrs. Anna Heininger, celebrating her 25th wedding anniversary.

Methodist Old People's Home waded the estate of James Walter Price, late supervisor of the American Life Insurance Co. Several trusts were left in the will, including part for a brother. The rest was left for charity.

"Her Step Husband," a three-act comedy presented by St. Paul's Evangelical League on Monday and Tuesday evening was a complete success. The cast included Paul F. Niehaus, Wilbur Hinderer, Austin Faust, Olea Hutz, Esther Loeffler, Helen Lauer, and Anna and Olea Seitz.

Conrad Schanz purchased a group of nine buildings yesterday on a farm near the county infirmary on M-17. The farm is to be subdivided.

Thursday, April 25, 1946
 Chelsea High school has named the two students with the highest records of the class of 1946. They are valedictorian June Vail, and salutatorian, Neil W. Beach. Both students are planning to enter the U. of M. after graduation.

Because of a reduction in the output of gas from Michigan fields, and the shortage of pipelines, local gas cannot accept orders for heating purposes after April 15, it was stated by Charles Henderson, manager of Michigan Consolidated Gas company in Ann Arbor.

The Chelsea MOMS met at the home of Mrs. John Fisher and gave prizes to their bills, and gave the rest of the money to the greenhouse fund and to discontinue the club.

Miss Barbara White and John Clark were married on Monday in the Methodist church, with Rev. Everett Major officiating. Only members of the immediate families were present.

Luther Kusterer received his honorable discharge in Indiana on April 14. He served in France and Germany with the 100th Infantry Division.

Thursday, April 29, 1926
 Herman Orthing, 69, died Thursday at his home in Sylvan township. He is survived by the widow, a son, a daughter, three sisters, and four grandchildren.

Wilbert Bristle, oldest son of Mr. and Mrs. Emanuel Bristle of Lansing, died at the hospital on Wednesday morning following an accident on Tuesday when he was kicked by a horse. He suffered a fractured skull and a broken leg.

Having completed the contract awarded for the erection of the new high school auditorium, construction is expected to begin within a few days. The contract was given to the J. W. O'Connor Construction company of Kalamazoo at a cost of \$25,000. Heating and plumbing was awarded to Lige and Company, a plumbing company of Indiana, at a cost of \$10,000.

The boys' and girls' basketball teams of St. Mary's school were given a banquet by the manager, Wm. G. Kolb, and their parents, at the recreation hall Thursday. Edward Keusch acted as toastmaster.

Thursday, April 16, 1938
 The Central Fibre Products Co. purchased the Houdelle-Hershey Corporation's brick building on North Main street last Friday. Extensive improvements will be made so the building can be occupied some time this summer. Jabez Bacon is president of the company. D. H. Bacon is secretary and E. J. Eaton is production manager.

George Sidwell, a representative of the Michigan Municipal League, addressed the Kiwanis Club Monday evening. He discussed the advantages of incorporation of Chelsea as a city. Mr. Sidwell made an extensive study on this and believes that Chelsea and Sylvan township would be greatly benefited.

The dedication services of St. Paul's church will take place April 19. Former pastor of the church will be the speaker. A musical program will be presented in the evening. All services are open to the public.

Mrs. Fred Hall, 61, died Saturday at her home on South Main street. She leaves her husband, a daughter, two sons and four grandchildren.

Thursday, April 20, 1916
 Miss L. Taylor and Mrs. Leon Shaver were married April 19 at the Plymouth Congregational church parsonage in Jackson. Miss Mary Heim of Chelsea and Mr. Cleon B. Wolff of Ann Arbor were the attendants.

Robert Glenn died at his home in Florida on April 18. He was the son of John and Glenn, pioneer residents of Dexter township. He is survived by his widow, two sons, and one daughter, five grandchildren and five great-grandchildren. Funeral services will be held at the North Lake M.E. church.

Other deaths are: Mrs. John

Thursday, April 23, 1938

The Herbert J. McKune Post No. 31, of Chelsea, was awarded a set of "source" records by the Department of Michigan at the district meeting held in Monroe on April 19, for being the year with the highest membership per centage in the district. This places the local post in fifth place in the state.

A capacity crowd attended the dedication services at St. Paul's church on Sunday, with more than 450 persons present at each of the three services.

The Chelsea Dairy Products, Inc., started taking in milk last Friday subject to Detroit Department of Health inspection. The local creamery has a contract with Detroit for the exclusive right to the entire supply of whole milk purchased in this territory.

Mr. and Mrs. David Alber of McKinley street, entertained at a family dinner Sunday in honor of Mrs. Alber's mother, Mrs. Han- nington, who celebrated her 83rd birthday anniversary. Mrs. Taylor is in good health.

24 Years Ago ...

Thursday, April 15, 1926
 St. Mary's basketball team won the Class C title of the independent basketball tourney played Saturday at Ann Arbor with more than 25 to 23 over Huntington, Ind. Much praise was given to the team for their hard work and splendid efforts.

Mrs. George Ward died at her home April 14 after many months of illness. She was a daughter of Mr. and Mrs. Lawyer Riggs, pioneer residents of Chelsea. Surviving are her husband, a daughter and one grandson.

Miss Florence Burgess married Roy Morford of Grand Rapids on April 11 at St. Paul's parsonage. After a wedding trip to Petoskey they will reside in Grand Rapids.

Thursday, April 22, 1926
 Mrs. J. R. Riemschneider, 65, died Sunday at her home after a lingering illness. Her husband, H. P. Riemschneider died two years ago, and she is survived by two daughters, a brother and a grandson.

Methodist Old People's Home waded the estate of James Walter Price, late supervisor of the American Life Insurance Co. Several trusts were left in the will, including part for a brother. The rest was left for charity.

Thursday, April 20, 1916
 Miss L. Taylor and Mrs. Leon Shaver were married April 19 at the Plymouth Congregational church parsonage in Jackson. Miss Mary Heim of Chelsea and Mr. Cleon B. Wolff of Ann Arbor were the attendants.

Robert Glenn died at his home in Florida on April 18. He was the son of John and Glenn, pioneer residents of Dexter township. He is survived by his widow, two sons, and one daughter, five grandchildren and five great-grandchildren. Funeral services will be held at the North Lake M.E. church.

Other deaths are: Mrs. John

Thursday, April 27, 1916
 Next Sunday being the close of the pastorate of Rev. C. J. Dole here, the Congregational society will have a reception to Rev. Dole and his family on Wednesday evening. Rev. Dole will go to Cleveland where he has accepted the pastorate of Grace Congregational church.

Miss Emma Schroeder and Elmer Lantis were married at the home of the bride's parents in Grass Lake township on April 20. The couple will reside at the Starr seed farm.

Pupils of the high school of St. Mary's are preparing a benefit play, a three-act comedy, "The Anti-Ants," on Wednesday evening. The cast is as follows: Raymond Steele, Margaret Shanahan, Mary Hummel, Wilamina Burgh, Herbert McKune, Louis Eder, Audrey Cleveland and Loretta Weber.

James S. Allen, who has been the manager of the Chelsea telephone exchange since July 1, 1915, has been assigned to the management of the Wyandotte exchange. During their residence, Mr. and Mrs. Allen have made many friends who believe Mr. Allen's promotion is well deserved.

Bill Farms
 The legume birdfoot trefoil, apparently to be the best answer to the hill farmers' problem, according to a Cornell experiment. It will help get poor soil in production, increase pasture yields and reduce the need for buying high amounts of protein feed.

RONALD H. NELSON

The new head of the animal husbandry department at Michigan State College will be Dr. Ronald Nelson. He will succeed George Brown, for 48 years a member of the department and for 41 years its head, who retires effective July 1. Dr. Nelson has degrees from the University of Wisconsin, Oklahoma State and M. College and Iowa State College and has been a member of the animal husbandry staff since 1946.

Kiwanians Converge on Miami for Annual Convention

Business and professional leaders, representing large cities and small towns in every section of the United States and Canada, today were preparing to leave Miami to attend the 35th annual convention of Kiwanis International.

The southern resort city will become the capital of the community service organization from May 7 to 11 when 10,000 Kiwanians assemble for a five-day series of meetings that will feature nine internationally known speakers from the fields of government, business, religion, and education.

Capt. Eddie V. Rickenbacker, president of Eastern Air Lines and World War I flying ace, is the newest addition to the speaking program, according to an announcement today from the Chicago headquarters of Kiwanis International.

Rickenbacker, it was learned, will discuss America's domestic situation.

H. R. Moore, president of the Kiwanis club of Chelsea, said the delegation to converge upon Miami for the convention will represent a majority of the 3,100 Kiwanis clubs in this country and Canada.

In line with the theme of the meeting, "Aggressive Citizenship," delegates will participate in panel conferences on various activities that are sponsored by Kiwanis, Moore said. These will include, among others, public and business affairs, support of churches in their spiritual aims, boys and girls work, and agriculture and conservation.

The convention will be opened Sunday evening, May 7, by the Rev. Marshall R. Reed, bishop of the Methodist Church in the Detroit area.

There will not be any Chelsea delegates in attendance this year.

Bohnet, who died on April 17 at the age of 66. She is survived by her husband and five children. Mrs. George Peckens died on April 15 at her home. She leaves four children and a number of grandchildren. Mrs. Peckens died at her home in Chelsea on April 19. His widow, one daughter, one son, a sister and a brother are surviving him. Mrs. John Keenan died on April 16. She is survived by three daughters and one son and three grandchildren. Mrs. John Daly, who celebrated her 57th wedding anniversary in October, died April 16. She leaves her husband, five sons, four daughters, 22 grandchildren and 11 great grandchildren.

Thursday, April 27, 1916

MICHIGAN MIRROR

(Continued from page one)

error can then point with alarm to the failure of the legislature to enact his program.

There isn't a Chinaman's chance that the legislature will tax corporations \$10,000,000 for bigger and better public benefits.

Governor Williams knows this. He already has his issue for reelection.

● The Michigan State legislature now in special session at Lansing has a hot political potato in its collective lap.

With present revenues in sight totalling \$230 million Governor Williams has proposed that the legislature authorize expenditures of \$340 million for the coming fiscal year, 1950-51.

Simple arithmetic indicates that a deficit of \$110 millions would be inevitable unless the state legislature was to turn to new taxation.

● Here Governor Williams produces the figure rabbit out of the hat by suggesting that the legislature re-considers the state corporations profits tax to be paid largely by industry.

From the Republican point of view, the Governor's message to the legislature consisted of 99 percent of "politics" and 1 percent of "policy."

● As the Republican leaders bottled up the corporation profit tax in committee during the 1949 general session, there is little likelihood that the legislature will reverse its position in 1950 which is a political campaign year.

While Governor Williams may try to put the Republicans on the defensive by attacking the "reactionary" attitude with regard to expanding social needs, the legislative fireworks following the message fully indicated that the Governor himself would be under heavy fire for having proposed a 47.8 percent increase in state spending.

● It is interesting to note that the Governor advocates an increase of only \$4.6 millions for operating state agencies, while he advocates new state aid to home governments in the sum of \$25. millions.

Of the \$340 million total in legislative appropriations, as recommended by the Governor, \$130 million would go to state agencies including colleges, \$158.3 million to local governments, \$27.9 million for capital outlay, and \$13.7 million for construction for new roads.

● Like the bag of Santa Claus on Christmas eve, the spending program of Governor Williams has something on tap for nearly everyone. Improvement of local airports is proposed whereby the state could qualify for federal aid and engage in a \$7 million airport improvement program. Thirty-six airports in 84 communities would be benefited.

● In the Governor's budget for \$25 additional millions for state aid to local governments, \$5 millions would go to public schools under the sales tax diversion amendment. The state would contribute \$9 millions additionally to the public school employee's retirement system. Old age assistance and aid to dependent children would account for an additional \$8.7 millions.

● Out of the net increase of \$4.6 millions for state agencies, \$2.6 millions would go to colleges to supplant declining revenues from students; \$929 thousand for mental health.

● Declaring that Michigan had not kept pace with social needs as indicated by her expanding population, the Governor proposed \$27.9 millions to construct new buildings at institutions such as mental hospitals, Wayne University, University of Michigan, Michigan State college and Western Michigan University at Ypsilanti. A 50-bed addition would be constructed to the Michigan Tuberculosis Sanatorium at Gaylord, and other construction undertaken for a total of \$650 thousand.

● Declaring that "our whole economy is being hampered by the lack of adequate trunk highways," Governor Williams advocated that the legislature spend \$18.6 additional millions for road repair and construction. These improvements would be financed by the general fund to be covered by the corporations profits tax along with other needs.

Governor Williams took the position that a corporations profits tax would not be paid indirectly by the consumers, despite assertions of Michigan automobile manufacturers that approximately 50 percent of the cost of a 1950-made automobile consists of direct and indirect taxes.

Within 60 days the issues of the 1950 campaign should be well crystallized.

Confused the Germans
 Comanche, a tribe of buffalo-hunting Indians who spent their early days raiding Spanish ranches, often were used in pairs during World War I to transmit telephone messages. Their language, which caused the German code experts a great deal of confusion.

Cattle Erret
 The cattle egret, like the rest of the heron family, does not live on water creatures. It catches insects disturbed by the feet of grazing livestock. Well known to parts of Africa and South America, it was first recorded in Australia by the National Geographic Society-Smithsonian Institution Arnhem land expedition in 1948.

SURE MARK of a GREAT BUY

**BUICK PRICES BEGIN AT
\$1821⁰⁰**

DELIVERED

State and local taxes, if any, and optional equipment extra. Dynaflo Drive standard on all ROADMASTERS, optional at extra cost on SUPER and SPECIAL series. Prices may vary slightly in adjoining communities due to shipping costs. All prices subject to change without notice.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

He likes comfort—since every car bearing this grille rides on soft coil springs all around.

Most of all, he has an eye for a buy. For this bold new design means Buick—and in every series, SPECIAL, SUPER and ROADMASTER, Buick means a better all-round buy.

For proof of that—go look, try and compare. You'll find that, dollar for dollar, your Buick dealer has the top values—and that goes for cars bracketing every price range above the very lowest.

YOU know many things about the man behind the wheel when this bold front comes winging your way.

He knows style—he is traveling behind the boldest and freshest forecast of things to come that is on the roads today.

He's a practical person—likes the idea of plenty of protection out front without spending money on such extra items as bumper guards.

He likes convenience—the easier parking made possible through the precious inches of over-all length saved by this design—not to mention freedom from "locking horns" with the car ahead.

And he's foresighted—knows that accidents do happen sometimes—and he goes for the idea of a front-end design that can be repaired by replacing single bars instead of a whole grille work.

You could add that he likes power—for behind this smart forefront there's a big bonnetful of Fireball horsepower.

(ED. NOTE: This is one of a series of articles on your American Red Cross.

For further information call 2-2446 or 6515, or in person to American Red Cross Headquarters in Ann Arbor, Nichols Arcade.)

During war and peace, American Red Cross Home Service does 24-hour duty as a means of communication between the armed forces and the home, and the veteran and his government.

In wartime service men and women depended upon Home Service to shoulder the burden of financial worries, problems at home and personal difficulties.

Now is peacetime, its responsibilities broaden. Servicemen still look to Home Service to assist them in getting evidence to substantiate application for hardship discharges when it is financially necessary, in obtaining leaves when someone is ill or dies at home, and to lend money for a necessary trip home. But added to these duties are the far broader obligations Home Service fulfills toward veterans and their dependents.

Let's look at several typical examples of Home Service activity in Washtenaw county. (The names, of course, have been changed, but cases like these are on file at Red Cross Headquarters in Ann Arbor.)

Mrs. Wentworth was recently notified that her husband had been killed while on active duty with the United States Army Air Forces. She received a letter of sympathy from her husband's commanding officer explaining the circumstances surrounding his death. She was also notified that she was entitled to certain death benefits and her husband's CO. advised that she contact the American Red Cross Home Service worker in her community.

The worker learned that Mrs. Wentworth was entitled to National Service Life Insurance benefits as soon as the Veterans Administration was notified of her husband's death. Red Cross advised power of attorney for the widow (government records are confidential) and had necessary papers photostated (a Red Cross service), and the Field Director at the VA central office represented Mrs. Wentworth when her claim was processed. Home Service also helped her obtain six months gratuity pay from the Army Finance Officer and since she was eligible for a pension under the old age and survivors insurance clause of the Social Security Act because of a young son, assisted her in obtaining necessary papers and filing for the benefit. Finally, taking the biggest burden from her shoulders, the Red Cross worker helped arrange for her husband's burial in a national cemetery.

This is an example of some of

the bigger jobs that Home Service handles, but no job is too large or too small. Home Service does little things like calming worried parents when a son in service fails to write home for a long time and helping veterans file for state bonuses. Probably one of the most difficult services to perform offered by Home Service is that of helping veterans file for pensions on service-connected disabilities that were considered 0% disabling at the time of injury. A small wound that seemed insignificant may, in later years, bring on arthritis, serious stiffness, or a multitude of disabling problems. In these cases, affidavits must usually be secured from the serviceman's army or navy buddies—a difficult job at best, since the government has no record of the injury. That's why it's important that veterans file notice of such injuries with Red Cross Home Service immediately.

N. Lake Extension Club Entertained at Lindemann Home

Mr. and Mrs. Eugene Lindemann entertained members of the North Lake Home Extension club and their guests at their home Saturday evening, April 15, and Mrs. Lindemann also was hostess for the regular April club meeting on Tuesday, April 18. Forty were present for the party on Saturday with euchre being the evening's diversion following the pot-luck supper. Prizes were awarded as follows: first to Mrs. Ernest Hopkins and Ernest Girbach; consolation awards to Mrs. Chris Fitzsimmons and Leo Heatley, traveling prize to Mrs. Leo Heatley.

The next party, with a pot-luck supper as usual, is to be held Saturday, April 29, with John Sullivan as host.

The regular Extension meeting on Tuesday, April 18, was attended by eleven members and one guest. After the pot-luck dinner and a short business session, plans were completed for the District party held on Thursday at the Methodist church in Chelsea. This was followed by the lesson on "Room Arrangement No. 1," very ably presented by the leaders, Mrs. George Kunzelman and Mrs. Homer Stoter.

The May meeting will be held at the home of Mrs. Ezra Leaser on May 9. This is to be an all-day meeting.

Red Cross Home Service Performs Services in Peace as Well as in War

During war and peace, American Red Cross Home Service does 24-hour duty as a means of communication between the armed forces and the home, and the veteran and his government.

In wartime service men and women depended upon Home Service to shoulder the burden of financial worries, problems at home and personal difficulties.

Now is peacetime, its responsibilities broaden. Servicemen still look to Home Service to assist them in getting evidence to substantiate application for hardship discharges when it is financially necessary, in obtaining leaves when someone is ill or dies at home, and to lend money for a necessary trip home. But added to these duties are the far broader obligations Home Service fulfills toward veterans and their dependents.

Let's look at several typical examples of Home Service activity in Washtenaw county. (The names, of course, have been changed, but cases like these are on file at Red Cross Headquarters in Ann Arbor.)

Mrs. Wentworth was recently notified that her husband had been killed while on active duty with the United States Army Air Forces. She received a letter of sympathy from her husband's commanding officer explaining the circumstances surrounding his death. She was also notified that she was entitled to certain death benefits and her husband's CO. advised that she contact the American Red Cross Home Service worker in her community.

The worker learned that Mrs. Wentworth was entitled to National Service Life Insurance benefits as soon as the Veterans Administration was notified of her husband's death. Red Cross advised power of attorney for the widow (government records are confidential) and had necessary papers photostated (a Red Cross service), and the Field Director at the VA central office represented Mrs. Wentworth when her claim was processed. Home Service also helped her obtain six months gratuity pay from the Army Finance Officer and since she was eligible for a pension under the old age and survivors insurance clause of the Social Security Act because of a young son, assisted her in obtaining necessary papers and filing for the benefit. Finally, taking the biggest burden from her shoulders, the Red Cross worker helped arrange for her husband's burial in a national cemetery.

From where I sit... by Joe Marsh

His Punch is His Signature

Was on the train up to Central City the other day and when the conductor came around, I asked him why their ticket punches make such odd-shaped holes in the ticket.

"Every conductor in the country has a different design for his punch," he tells me. "Some even show up a fellow's preferences. Now take mine. The hole it makes looks like a beer goblet."

Sure enough! Then he went on to say that the punch is just like the conductor's signature. Makes it easy to trace tickets... to check up if something happens.

From where I sit, even though your ticket is punched differently from mine, it still gets you where you're going. Just like people with their opinions. You might like coffee, another person, tea—and I'll settle for a temperate glass of beer. But what does it matter, so long as we respect the right of the other to have tastes and opinions? We're all trying to go in the same direction — towards a friendlier, more pleasant world for all of us.

(Continued from page one)

while Tobin has two wins and the questionable tie, and Johnson, has two wins and the only loss, an eight-inning, one-hit affair which was fought in the mud at Climax. Tobin's tie game should have been a win, too, so all three records could easily have been three wins and no losses. Crocker has allowed 13 hits while fanning 25 and walking 15, and seen the opposition score nine runs while he was on the mound. Tobin, with his two wins being a perfect no-hitter and a one-hitter, has allowed but five hits against two runs, and has struck out 27 while walking only five. Johnson has given up 12 hits and watched the opposition score five times while he has been on the mound, sent 18 men down on strikes, and also walked but five. All told, they have struck out 74 men for an 8.22 per game average, walked 25 for a 2.77 per, and allowed 30 hits, a won't-forget record. The opposition has scored 16 runs in the nine games so far, for a 1.77 average. Compared with those figures, Chelsea stands out just as their record would indicate.

The Bulldogs have collected 75 hits and 74 runs for averages per game of 8.33 and 8.22, respectively. The fielding has gone wrong on only 16 plays, for an average of 1.77 errors per game, while the opposition has booted 37 for a 4.11 average. The team, and Coach Ned Stuts, may very well be the best team in the area, the excellent in high school baseball.

In the hitting department six of the regulars are over the .300 mark, including two of the pitchers, as Tobin roams in the outfield and Crocker handles second base when they're not on the mound. Crocker has 15 out of 30 for .500; Stan Knickerbocker, 487 on 14 for .30; Heydlauff, 421, 16 for .38; Vogel, 375, 9 for .24; Lehman, 368, 7 for .19; and Tobin, 333 on 7 for .21. Not bad there, either.

All in all, the season so far is a success in every way. Tomorrow, Friday, April 28, the team will travel to Jackson for an afternoon game with St. Mary's, and next Tuesday, May 2, they will make their third league start of the season at Dundee.

BIRTHDAY PARTY

Six residents at the Methodist Home who observe their birthdays during April were honored at a joint birthday party given for them at the Home April 13. Of the six honored members, only four were seated at the daffodil-decked birthday table in the dining room. The fifth woman, Miss Sara Lovejoy, is in the hospital, and Mrs. Nettie Mains, was away visiting relatives and friends in Ann Arbor. Those present for the celebration were the Misses Jeannette Wilsey, Hulda Abbott, and Evelyn Rodda, and Mrs. Alice Fathers. Each was presented with a gift and all members of the Home enjoyed ice cream and cake furnished by the Chelsea Home Friends.

HEAR NO EVIL

Although it's wise to avoid malicious gossip, only a monkey shuts his ears to reality. And cancer is a grim reality. We must open our ears to the life-saving truths which will teach us and our neighbors the safeguards against cancer. For humanity's sake - and our own preservation - we must support the crusade against this mortal enemy of man.

DEATHS

Ida Booth

Miss Ida Booth, a resident at the Methodist Home since Sept. 29, 1949, died at the Home Friday morning. She had suffered a cerebral hemorrhage Wednesday evening and never regained consciousness.

Born in Toronto, Ontario on July 30, 1869, Miss Booth was a daughter of Joseph H. and Frances Sutton Booth.

She came to the Home from Detroit where she had been employed for many years in the business office of the Michigan Bell Telephone Co.

Funeral arrangements were made by relatives and employees of the telephone company and were held at the Harris funeral home in Detroit. Burial took place in Woodmere cemetery.

Mrs. Blanche Sharpe, of South Euclid, Ohio, is one of two nieces who are the only close survivors.

Fred Lake

Mrs. William Geddes received word of the sudden death of her uncle, Fred Lake, at Lakeland, Fla., Saturday morning. Mr. Lake was a former resident of Pinckney where he was born on July 6, 1867. He had spent his winters in Florida for many years and had made his home there for the past four years. Prior to leaving for Florida he spent the summer here with Mr. and Mrs. Geddes and made a number of friends in the community.

The body is to be brought to Pinckney where funeral services will be held at the Swarthout funeral home at 2:30 Saturday afternoon.

Mr. Lake is survived by the niece, Mrs. Geddes, and three nephews, in addition to his sister, Mrs. Herman Hoyt, the former Mrs. Grace Stanton, who lives in Florida.

Otter Crest

Cape Foulweather, now popularly known as Otter Crest, on the Oregon coast near Newport, was discovered and so named in March, 1778, 14 years before the Columbia river was discovered by Captain Gray. Today a lookout is on the cape, 500 feet above the sea, providing spectacular seascapes for many miles in both directions.

Twelve Youths Join Scouts as Tenderfoots at Wednesday's Meet

Twelve boys became tenderfoot Boy Scouts at the investiture ceremony held at the regular meeting in the Municipal building on Wednesday, April 19. Following is a list of the boys who received their tenderfoot cards and pins: Eddie Wenk, Paul Weber, William Geddes, Irvin Knickerbocker, Ronald Foster, George Collier, James McLaughlin, William Eisenberger, Richard Ringe, Hugh Weinberg, Conrad Hafner and Bruce Hoff. It is believed by scout leaders that eight more boys will soon be awarded tenderfoot ratings. There are now 25 boys registered in Chelsea's Troop 25.

On Sunday afternoon Dr. E. J. Sutter, Loren Knickerbocker, Mac Packard and Andrew Leland accompanied the newly-elected patrol leaders on a hike for the purpose of laying out a hike to be taken by the troop next Sunday afternoon.

The hike next Sunday will begin at 1 p.m. at the Municipal building. The boys will be doing work toward their second class badges on the hike and they have already begun work toward second class badge requirements at both troop and patrol meetings.

Extension Party ...

(Continued from page one)

Mrs. Brown presented leaders' pins to the following new leaders: Mrs. George Fingston, of Delhi group; Mrs. George Kunzein and Mrs. Grover Colby, of North Lake group; and Mrs. Jesse Wheeler, of Townline group. She also presented a county chairman's pin to Mrs. Alvin Marsh and called the roll of those she named "old-time leaders." Mrs. Clifford Poppenger, of Delhi; Mrs. Fred Klager and Mrs. Patrick O'Malley, of Dexter; Mrs. Floyd Fowler and Mrs. William Bahnmiller, of Lima Center; Mrs. Walter Wolfgang and Mrs. William Rauls, of South Sylvan; and Mrs. Oscar Kaimbach and Mrs. T. G. Riemenschneider, of Sylvan group.

Mrs. Brown mentioned at the district party that there are now 52 extension groups in the county, with a total membership of 860 women.

Mrs. Helen Thomas, of Eaton, Ind., is spending this week here with her sisters, Mrs. Paul Shnyder, of Cavanaugh Lake, and Mrs. J. H. Boyd.

Mr. and Mrs. Henry Ahnemiller returned home Saturday after spending the winter in St. Petersburg, Fla.

Sunday dinner guests of Mr. and Mrs. Wilbur Hinderer were Mr. and Mrs. Frank Tirt and daughter, Joyce, of Manchester.
