Republican leaders are headed for a showdown with Governor Williams on the latter's assertion that the proposed state corporation profits levy is not a "consumers' tax."

Owen J. Cleary, Republican state central committee chairman, has attacked the \$112,816,000 tax raising levy as mere groundwork for "deal socialism." The average Michigan citizen, Cleary says recently, "is tax-ridden almost to the point of desperation now, and resents being hoodwinked by a government that tells him there is such a thing as a tax he doesn't pay."

In the meantime, Governor Williams hammers away at every opportunity on the theme that Michigan corporations should share some of their swollen profit with the consumer. If corporations decline to reduce prices, which seems to be the intention of the governor's staff, then the government should step in and give the poor consumer a break by financing public services. It is another way of sharing the wealth—all at the other person's expense.

In a recent Michigan Mirror column we quoted Don Weeks, acting director of the state department of economic development. This department is seeking to raise \$250,000 in contributions to keep Michigan industry in Michigan to attract new business to the state.

Migration of industry from Michigan is not a supposition; it is a fact. After reviewing the names of corporations which had decided to pull stakes and go elsewhere, the Michigan Mirror raised a pertinent question: "What were the conditions here that prompted manufacturers to close doors and move away? We wondered whether the state corporation profits tax was a contributing factor. Certainly, the issue should be met squarely; an answer should be found, if possible."

Of the 19 industries listed by Weeks and cited in our column, the governor's staff reports that 12 left the state prior to the time when Governor Williams first advocated the profits levy.

Furthermore, 10 of the 19 industries moved to states which already had corporate profits taxes ranging from 4 to 7 percent, so we are told.

"All of the others moved to states already having a higher total of business taxes than are paid in Michigan. Three nearby states have no corporation profits tax—Illinois, Indiana and Ohio—along with corporation profit levies total 32."

Weeks was prodded by the governor's staff to compile a list of reasons why some Michigan industries had left. His report to Governor Williams is illuminating. Whereas none of the corporations gave the proposed profits levy as a specific reason for abandoning Michigan as a location, many corporations were motivated by an undesirable "labor situation" and a desire to "retrench" from high operating costs.

Fruehauf Trailer Company, for example, left Detroit for near Cleveland "in apparent resentment over some labor situation and in dissatisfaction with its local tax assessment."

"Crest Industries" moved in 1948 from Detroit to Edgemoor, South Carolina, to get into a lower priced labor market and to accept substantial local inducements."

Lewis, the Detroit Pneumatic Tool Company left Detroit for Utica, New York "to escape wage pressures of the automobile industry" and to consolidate its Cleveland and Detroit operations at the new Utica plant.

"Business Week" on April 8 said Michigan manufacturers were concerned over the prospect of rising taxes, state and local, and over the pressure of high labor costs as well as by automobile makers in connection with the UAW-CIO. Non-automotive manufacturers are at a cost disadvantage, said Business Week.

Council Passes Ordinance Designed To Regulate Use of Firearms in Village Limits

Move Is Prompted by Damage Done with Air Rifles

The ordinance regulating use of firearms, ordered drawn up at the last Council meeting, was adopted upon passage at Monday's regular meeting. The ordinance prohibits carrying or possession of firearms, including air rifles, when loaded, within the village limits. It also forbids the firing of any firearms, including air rifles, within the village limits. In addition, the ordinance provides that no person shall permit any minor under his control or custody to be in possession of any loaded firearms, including air rifles. Violation of the ordinance is to be considered a misdemeanor and upon conviction, provision is made for a fine of not to exceed \$100 and costs of prosecution or confiscation of the firearm or air rifle. The firearm or air rifle may be seized at the time of arrest for violation of the ordinance.

The ordinance was passed as a direct result of numerous complaints that windows were being broken and other damage caused by youngsters shooting with air rifles. The ordinance is to be strictly enforced, village officials state.

Street Repair Is Underway

Work on the street improvement program for this season, as announced by the Village Council on April 20, was begun this week. In addition, the Elynn company, which has contracted for the work, began work on Wilkinson street Monday morning. This is the first of five streets in the village which are to receive a two and one-half inch surfacing of asphalt mix. The others to be similarly surfaced are Chandler, Washington, Jackson and Buchanan streets. A number of other streets in the village are to receive seal coat and oil treatment.

Deaf Youngster Proves Progress in Return Visit

Honor guests at Monday's Kiwanis meeting were Miss Helen Magulski, an instructor in the Rackham school at Ypsilanti, who specializes in teaching deaf children, and Miss Jean Eisenbeiser, a Chelsea girl who is now a senior at Michigan State Normal College and is much interested in practicing the teaching of the deaf at Rackham school. They brought with them a boy and girl who are attending the school. Both were born deaf and the girl appeared here last year at a Kiwanis meeting. Those who saw her last year were amazed at her progress in that length of time, commenting on her speech and lip reading. The boy has been with the school only a year and already shows remarkable progress, according to the Kiwanis spokesmen.

H. T. Moore, Kiwanis president, is to be Chelsea's representative at the national Kiwanis convention in Miami, Fla., May 7-11.

Reception To Be Held in Ann Arbor for Former Gov. Kelly

A reception for former governor Harry F. Kelly will be held Friday, May 5, at the VFW Memorial Hall, 314 East Liberty street, in Ann Arbor, commencing at 8 p.m. The reception is open to the public and is sponsored by the Washtenaw county Kelly-for-Governor club.

Kelly, a veteran of World War I and Michigan's only two-term governor in the last 20 years, is an announced candidate for the nomination for governor on the Republican ticket.

Grade PTA Carnival Called 'Successful'

Mrs. Darrell Larson, Elementary PTA president and general chairman of the Penny Carnival held at the school last Friday evening, attributed its wonderful success to the wholehearted cooperation of the various committees and to the generous support of contributors and of those who attended. The carnival added \$240 to the PTA treasury for its work for the coming year.

Popular features of the carnival, new this year, were the nail-driving, hooking in charge of Russell McLaughlin, and the potato-peeling contest over which Al Mayer presided. The latter was won by Willard Pearson. Judges were Mrs. Clinton Collyer and Mrs. Frederick Wagner. The door prizes were awarded to Mrs. Elwood Kester, Mrs. Carl Mayer and Edmund Kayser.

UAW-CIO Local To Sponsor Chelsea Baseball Team

UAW-CIO Local 437 is sponsoring a baseball team this season for the first time. Tryouts and the first practice will be held Sunday, May 7, at 1:30 p.m. at the Chelsea Athletic field.

Regular practices are scheduled for Wednesday and Friday each week at 6 p.m.

Ned Stuits, Chelsea High School coach, will be manager and Walter Braden will act as traveling secretary.

The team will be entered in the Tri-County league. Some games will be played in Chelsea and night games are to be included in the non-league program.

Last Lecture Series Number To Be Given Monday Eve.

"Far Eastern Problems" is Dr. Mischa Titiev's subject for Monday evening, May 8 when he will address the lecture series members in the Chelsea Public Library at 8 o'clock.

This will be the last lecture of this season and promises to be of much interest.

Mischa Titiev, Associate Professor of Anthropology at the University of Michigan, was born in Russia but was educated in the United States.

At the University, Dr. Titiev teaches the following subjects: Cultures of the Far East; Problems of Race; The People of Asia and Their Civilization; and The North American Indian.

In 1945-46 Dr. Titiev was in the Far East Division, Office of Strategic Services. He spent about five months in the China-Burma-India theatre as technical representative attached to the U. S. Army. In the fall of 1948 he returned from an extensive field trip in Chile and Peru.

High School PTA Re-Elects Entire Slate of Officers

The final meeting for the present school year of the High School PTA was held in the Home Ec. room at the High school Monday evening. New officers for the coming year were nominated, elected and installed and it was voted to support the summer recreation program being promoted by Ned Stuits if he succeeds in his efforts to finance such a program here.

The complete slate of officers presented by the nominating committee chairman, Mrs. Olie Johnson, was unanimously elected as follows: Mrs. Stephen Slane, president; Mrs. Lyman Walker, vice-president; Mrs. Lloyd Keeny, secretary (re-elected); Mrs. Olie Johnson, treasurer; Charles Cameron, principal of Chelsea High school, acted as installing officer.

PTA support of the proposed summer recreation program includes a contribution of \$50, providing the plan is adopted, and appointment of Mr. and Mrs. Elynn Hoyer as representatives to attend a general meeting, planned for last night, at which plans for the proposed program were to be discussed.

It was also voted to carry over to next year the proceeds of the PTA-promoted candy sales, which are to be used for purchasing new stage equipment when a sufficient amount has been accumulated. Refreshments were served by Mrs. J. C. Bradbury, Mrs. Clifford Bradbury and Mrs. Stephen Slane at the close of the meeting.

DONNA KALMBACH

Donna Kalmbach Chosen for Honor Society at MSC

Donna Kalmbach, daughter of Mr. and Mrs. Oscar Kalmbach, is one of thirty-five inductees into Toward Guard, women's sophomore honor society at Michigan State College.

Two coed honor societies selected 45 new members in the May Day sunrise ceremonies at Michigan State College to touch off a full month of celebrations leading to the 92nd annual Commencement June 4.

Both societies—Mortar Board and Toward Guard—require top scholastic standings and outstanding records of service in extra-curricular activities. Acceptance to the groups constitutes one of the highest honors bestowed on Michigan State women students.

Pres. John A. Hannah, Secretary Karl H. McDonald, other college dignitaries, and parents and society members were among the 200 persons on hand for the ceremonies. "Tapping" of new members was held at Beaumont Tower, followed by a breakfast in the MSC Union at 8 a.m.

Mr. and Mrs. Oscar Kalmbach attended the ceremonies Monday morning.

Hi-Y To Present Mystery Comedy Friday Evening

Murder in a madhouse! That's what happens in the Hi-Y play "Lunatics at Large," a mystery comedy in three acts by James Reach. Murder mysteries in the past have been laid in every conceivable setting, from a locked hotel room to a football stadium, holding 80,000 spectators. But as far as we know, this play presents for the first time the ultimate in bizarre settings—a killer loose in an insane asylum.

But don't get the idea that, despite its unconventional idea, this is a morbid horror play or anything of the sort. The Hi-Y cast advises their patrons to come prepared to laugh from beginning to end, for that's the kind of entertainment it is.

Included in the cast of 14 will be seven of the most glamorous damsels ever to come out of the ranks of the Hi-Y. Underneath the wigs and greasepaint, believe it or not, will be John Popp, Corky Dreyer, George Heydloff, Don O'Dell, Richard Seely, Ronnie Eder and Ralph Guenther. Playing much more conventional men's parts will be Stanley Knickerbocker, Cal Summers, Bob Toney, Fred Fischer, Marty Tobin, Bill Kossaka and Norman O'Connor.

Chairman time is 8 p.m. Friday, May 5 (tomorrow night), at Chelsea High School gymnasium.

Extension Group's Handicraft Displayed

In observance of National Home Extension Week, exhibits of extension women's work are being shown in store windows all over the country. Locally, the exhibit is on display in the Chelsea Hardware store. It is the Sylvan Extension Group's lampshade exhibit which won first place for completeness at the District IV spring party held at the Methodist church here on April 29. It shows all stages of the art of lampshade-making as studied by all extension groups during the past year. The Sylvan Group's exhibit is to be shown in Ann Arbor on Achievement Day next fall.

Extension groups are steadily increasing all over the country. In Washtenaw county, according to figures quoted by Mrs. Anna Brown, Washtenaw county Extension agent, there are now 52 extension groups with an enrollment of 890 women in the county, as compared with 27 groups and an enrollment of 415 ten years ago.

John Rae To Head County Bond Drive

John W. Rae of Ann Arbor, former prosecutor of Washtenaw county and president of the Ann Arbor Junior Chamber of Commerce, has been appointed chairman of the Washtenaw county Savings Bonds committee, according to an announcement made by the state chairman, Frank N. Isbey, of Detroit.

Cancer Drive Is Extended Two Weeks

Mrs. Ren Hutzel, local Cancer chairman, has announced that a cancer exhibit will be in Chelsea on Saturday, May 6, which has been designated as Cancer Education Day. The exhibit will be located at the corner of Main and Park streets, according to present plans. Pamphlets on cancer detection, etc., will be distributed by personnel on duty at the exhibit.

Mrs. Hutzel has also announced that May 13 is tentatively set as the date for a Cancer tag day to be held here. The current Cancer Drive has been extended until May 15.

There has been some response to the appeals for contributions sent to local organizations, Mrs. Hutzel said, but contributions have not been coming in as quickly as she had hoped. She believes response will be better this week and next as most organizations have their meetings during the first two weeks of the month.

Cassidy Tech Youths Admit Local Thefts

Robert Rudd, whose Cavanaugh Lake home was burglarized between 7 and 9 p.m. on March 21, reported that he had recovered \$57 of the money which was part of the loot taken. He said the money was found in the trunk of the Cassidy Lake Technical school and that photostatic copies of his service discharge papers, a government check for approximately \$150, and identification papers were found buried under a cabin at the Cassidy Lake camp and war bonds and personal papers were burned.

Sheriff's department detectives who investigated the case reported that the two Cassidy Lake youths, William O. Major and Donald McDonald, admitted the burglary. They had been tracked to the camp by detectives from the Washtenaw county sheriff's department and State Corrections officials carried on the investigation from that point.

The two inmates were transferred to Ionia Reformatory and sent to Ann Arbor on writs of habeas corpus to answer the burglary charges some time this week, according to sheriff's department spokesmen.

McDonald is reported to have admitted the burglaries at the Arnold Lehman and Louis Bertrams homes on M-22 last winter, and also two other cottages at Cavanaugh Lake.

Majors' 8-Year-Old Son, Paul, Dies of Rheumatic Fever

Chelsea friends of Rev. and Mrs. E. R. Major of Ottumwa, Iowa, were notified on Sunday of the death of the Majors' eight-year-old son, Paul. He had been taken to the hospital on April 11, suffering from rheumatic fever, and died there on Saturday, April 29. The message received here also stated that Rev. Major himself is in the hospital with an attack of the mumps and will not be able to take part in the dedication of his newly-built church next Sunday.

Rev. and Mrs. Major and family have lived in Ottumwa since leaving Chelsea three years ago next month. Rev. Major had been pastor of the Chelsea Methodist church for two and one-half years and while they lived here Paul attended the Chelsea public school.

The family was living at 25, 1441, while the family was living at Big Beaver, Mich.

Survivors, in addition to the parents are two sisters, Nora Raye and Kay, and a brother, Glenn; also, the maternal grandparents, Mr. and Mrs. Ray Anderson, of Nebraska.

Funeral services were held on Tuesday.

The family had requested that no flowers be sent. Instead, friends here contributed to a fund which, as a memorial to Paul, will be used to help support a village preacher in India.

S. Boyce Hospitalized with Bad Concussion

Spencer Boyce was seriously injured about 1:30 a.m. Saturday while at work in the woods on his Lyndon township farm. He and his 15-year-old nephew, Dean Clark, were engaged in sawing logs into fence posts and had just moved the power saw when the accident occurred. A falling log struck Mr. Boyce on the head and it was at first feared his neck had been broken. His nephew ran for help and an ambulance was called and took him to St. Joseph's Hospital in Ann Arbor. Examination disclosed that no bones were broken and that Mr. Boyce had suffered severe concussion. He was much improved yesterday and members of the family were told by his physician that he would probably be discharged from the hospital and return home by the end of this week.

Robert Daniels, a member of the class of '51 in the School of Business Administration at the U. of M. has been named business manager of The Michigan Daily, a new publication, for the school year 1950-51.

He graduated from Chelsea High school as salutatorian of the Class of '47. Throughout his high school career he was active in athletics and in his senior year was editor of the Annual.

Daniels' parents are Mr. and Mrs. Warren Daniels.

Legion Auxil. to Buy Chair for Veteran

The \$25 given to the American Legion Auxiliary some time ago by Amalgamated Local No. 437, UAW-CIO, for the Auxiliary's rehabilitation work, is to be used as part of the purchase price of a wheel chair to be presented as a gift to some disabled veteran.

This disposition of the Union's gift was decided upon at Tuesday's regular monthly meeting of the Auxiliary which took place in the Home Ec. room at the High school. A letter from a veteran member had received a wheel chair as a gift was read at the meeting and undoubtedly influenced the members in making their decision for the proposed use of the \$25.

After mentioning how the wheel chair helped him to "help himself" and not be constantly dependent on others, the veteran wrote, "I consider it one of the finest things that was ever done for me."

Announcement was made at the meeting that the Auxiliary earned enough money from its recent magazine subscription campaign to purchase another hospital bed which will be made available for use by anyone in need of it.

The date for the annual dues luncheon was set for June 20, at 6:30 p.m. It will be held at the Legion Home at Cavanaugh Lake.

Plans were also announced for a pot-luck dinner at the Legion Home after the Memorial Day services—the Mother and Daughter banquet at the Home on May 17, and the annual Poppy Day.

Members were asked to be at the High school the evening of May 29 to assist in arranging flowers for Memorial Day.

A report of the Second District meeting was given and a letter of appreciation for eight Mother of Day cards and handkerchiefs for veterans' use, donated by the local group, was read.

A memorial service was held in honor of Mrs. Lena Alber and Mrs. Alice Knickerbocker, the two members who died during the past year.

Refreshments were served by Mrs. Ernest Guenther, Mrs. Reuben Grieb, Mrs. Edward Visel and Mrs. George West.

Baseball Team Loses Huron League Lead; Trackmen Also Lose

Thinclads Bound Back for Win over South Lyon Squad

Chelsea High's track squad absorbed two more defeats last week, but on Monday of this week they notched their initial win of the season, a 57-48 romp over South Lyon, to insure their appearance, at least once, in the winners' circle.

On Wednesday, April 26, the Bulldogs fell before East Jackson, 60-44, but made a creditable showing by winning five of the 12 events, while taking four seconds and eight thirds.

Chelsea's winners were John Bauer in the mile, Norman Bauer in the 440, Bob Toney in the 800, grove Myers in the shot put, and Corky Dreyer in the pole vault.

The following afternoon, Thursday, April 27, the Bulldogs traveled to Lincoln and were trounced, 86-24, by the always-strong "Raisers." The Bulldogs' only wins were by Norman Bauer in the 440, and Dave Myers in the shot put.

Last Monday, May 1, the Bulldogs finally broke into the winners' column by edging South Lyon, 57-48. The locals won seven firsts and tied for another, and also copped four seconds, and a like number of thirds.

The Chelsea winners were Bob Robbins in the 100-yd low hurdles, John Bauer in the mile, the medley relay foursome of Steinbach, Wright, Proctor and Bott, Norman Bauer in the 440, the 380 relay team of Proctor, Wright, Robbins and Fischer, Dave Myers in the shot put, and Corky Dreyer in the broad jump. This tie was a three-way affair in the high jump, between Dreyer and Toney of Chelsea, and Proctor of South Lyon.

Tomorrow, May 5, Chelsea meets another squad that is always strong, the Cubs of U. High. The meet will be run off at Wines Field in Ann Arbor. Next Wednesday, May 10, the team will take to the road for a return engagement with South Lyon. Against the perennially powerful Cubs the Bulldogs can't hope for too many points, but perhaps they can do the trick again at South Lyon.

Lyra Chorus Will Present Concert Here

The Men's Club of the Congregational church, through its president, Col. P. S. Holmes, has announced that the Lyra Male Chorus, of Ann Arbor, is appearing here again this year and will present a concert in the church at 8 p.m., Thursday, May 11. The Lyra Chorus appeared here a year ago, also as guests of the Congregational church organization, and all who heard the concert at that time enjoyed the performance and will want to plan to attend next week.

The members of the Lyra Chorus will be guests at the Men's Club dinner which will precede the concert.

The chorus is a non-profit organization and there will be no charge for the concert. Congregational church members and the public are invited to attend.

A free-will offering will be accepted at the concert and the proceeds will be used by the Lyra Male Chorus for its project of sending worthy students to the Interlochen music camp.

Coach Ned Stuits Seeks Financing for Recreational Program

Ned Stuits, coach at Chelsea High school, announced yesterday that there is a possibility that a summer recreational program for all ages will become a reality in Chelsea this summer.

Stuits has been working on the proposed project for the past few weeks and has appeared before the Village Council in an effort to obtain financial backing for the program. A meeting was being held last night to enlist the support of all organizations, industries and businesses in the community. Presidents of all local organizations and representatives of industries were invited to attend. The High School PTA has already started the ball rolling with a \$50 contribution, Stuits said.

The proposed eight-week program would include softball, basketball, swimming and lifesaving instruction, arts and crafts of all kinds, and activities of various types for all ages.

Stuits says that many communities of comparable size have successfully carried out these summer recreational programs. He is certain if Chelsea adopts the plan it will prove so successful and popular that there will be no question of its continuance another year.

Overconfidence Is Blamed for Defeat After Victory String

By DWIGHT GADD
Chelsea High Bulldogs boosted their unbeaten streak to six straight last Friday as they won an extra inning tilt from Jackson St. Mary's, 5-4, but on Tuesday an underdog Dundee nine edged the local team, 6-5, to break the string, and knock Chelsea from the top of the Huron league. Both games were poorly played and the Bulldogs looked far from the team that they were in their first nine games.

In Friday's game at Sharp park in Jackson, the Bulldogs notched their winning run in the top of the first extra inning, the eighth, after a close, exciting regulation seven innings.

Chelsea threatened in the second inning but it wasn't until the fourth that they opened the scoring for the afternoon. An error, a double by McClear, and a walk, plus two infield outs, let in the first two Chelsea runs.

St. Mary's took the lead in their half of the fifth as they scored three unearned runs on one hit, one walk and two errors.

The Bulldogs tied it up in the top of the sixth without the benefit of a hit, and took the lead again in the seventh as they combined singles by Heydloff and Crocker with a walk; good for one run and a 4-3 lead.

An error and two hits gave St. Mary's another unearned run in the last of the seventh, however, and sent the game into extra innings.

The host Gaels returned the run-giving favors in the eighth, as the eighth as Chelsea punched over the deciding run on two singles and an error, but Chelsea nearly returned the favor as they let St. Mary's threaten in the last of the eighth on a walk and a single before finally ending it.

Summary R H E
Chelsea.....5 6 4
St. Mary's.....5 6 4
Tobin and Knickerbocker;
Stachowitz and Carroll.

Friday's game was just a preview of what was to come Tuesday at Dundee. The Bulldogs were very over-confident, just as they were when Dundee upset them in basketball, so the Vikings followed the same pattern and did it again.

Dundee opened the scoring in their half of the first inning as they pounced on Chelsea's hurried Buddy Johnson, for a double and two singles, good for one run. The Vikings increased their lead to 4-0 in the last of the fourth as they scored three times on a walk, a stolen base, and three singles; and appeared to be well on their way to routing the favored Bulldogs.

Chelsea struck hard and fast in the first half of the fifth though, and with the help of three hits, a walk, two stolen bases, and two walks, took the lead, 5-4. Vogel opened the inning with a walk, then Musbach tripled, Tobin and Al Knickerbocker were safe on errors, Crocker tripled, and Stan Knickerbocker singled, to account for the five runs.

Tobin took over for Johnson at this point as Buddy had twisted his back earlier in the game, but Marty didn't have his usual stuff, and after retiring the side in order in the fifth, he fell victim to a three-hit, two-run Viking rally in the last of the sixth, and that was the ball game.

The Bulldogs made a fine attempt in the top of the seventh to pull the game out of the fire, as two singles and a walk put them in scoring position, but they couldn't get one home, so that's the way it ended, 6-5.

Summary R H E
Chelsea.....5 6 4
Dundee.....6 9 3
Johnson, Tobin and Knickerbocker; Steian and Mey.

Tomorrow the Bulldogs tangle with Flat Rock here at home, and from all indications, they'll have to play better ball than their last two after retiring the Vikings in the fifth, they fell victim to a three-hit, two-run Viking rally in the last of the sixth, and that was the ball game.

Next Tuesday, May 9, Chelsea will play host to Climax, and will attempt to avenge their first loss of the season, that 2-1 affair in the mud at Climax. These should be two excellent games.

Mrs. Paul Reichert Dies at Indiana Home

CARD OF THANKS

I wish to thank our many friends, relatives, Brother Odd-fellows and Sister Rebekahs of Stockbridge lodge, American Legion of Grass Lake and Munith, members of the Waterloo Band, Ladies' Aid society of U. B. church and the "Willing Workers" club of Waterloo for all their greeting cards and letters of good wishes, many lovely gifts of fruit and candy, vegetables, fish dressed chickens, books, magazines; visits at the hospital and in our home. All of this was appreciated very much and helped while away the long weeks and hours during my illness. Thank you all so much.

CANCER

The more all of us know about cancer the more we can control it. Through all the years, ignorance, fear and superstition have kept us from fighting cancer as intelligently as we can. Today, doctors know more about treating it than they did even ten years ago.

BUT PEOPLE MUST GO TO THEM IN TIME.

What's the secret of the "UNRUFFLED" RIDE?

SOME car makers say springs make the ride—and so we give every Buick four of the soft, gentle coil springs practically all cars use on front wheels only.
Some say the drive is important—how power is transmitted to the rear wheels.
We agree—and use a torque-tube drive, that takes up all the thrust, freeing rear springs of driving pulsation.
Some stress tires—so you'll find low-pressure casings on every Buick, mounted on our own kind of Safety-Ride rims. Some play up shock absorbers—we make ours fast, soft and sure in action, to wash out all "after-bounce."

Then there are frames—and car weight—and engine mountings, which on Buick are a very special kind used nowhere else.
They're all important—yet the plain truth is no one of these things—or two or three—gives a ride you can truly call "unruffled."
We feel it takes all of them—springs, tires, shock absorbers, drive, engine mountings—carefully and precisely brought into balance with each other.
You can see why we think so in any Buick—SERIAL, SUPER or ROADMASTER.
You can feel it on cobblesstones and car tracks, washboarded gravel and weather-pocked macadam, country lane and city street. You even feel it on boulevards, which grow still smoother when you travel them in a Buick—especially when it has Dynaflo Drive!
So we would like you to try a ride that is truly "unruffled." Free of harshness—undisturbed by jounce and jitter—level—steady-going—smooth.
Just ask any Buick dealer for a chance to try out any Buick. You'll find it "the ride of a lifetime"—and the buy of a lifetime too!
*Dynaflo Drive is standard on ROADMASTER, optional at extra cost on SUPER and SERIAL models.

Only Buick has Dynaflo—and with it goes!

Report cards were handed out yesterday.

The Junior-Senior Reception will be held on Friday, May 12.

The track team will compete against U. High in Ann Arbor tomorrow.

The baseball team will play Flat Rock tomorrow and Climax on Tuesday, May 9. Both games are here.

The Seniors will start their trip by leaving Detroit by boat at 3:30 p.m. on May 18. After exploring Mackinac Island and the Soo, they will return on May 21.

THE LATEST FAD

Have you been having trouble recognizing your friends lately?

Well, it's all because of the latest fad, fake glasses with an enormous nose and a floor-sweeping mustache otherwise known as the "Groucho Marx Face."

The seniors started this fad with the fake glasses and a huge, rubber nose, and now mustaches have been added. They have also been wearing Scotch Plaid hats.

If you haven't one of these articles, you had better get it today. Remember though, do not wear them in class, as the teachers may get more frantic than they are.

Addenda: The eighth graders have been writing features as a part of English. The above "feature" was written by Marjorie Senecal. The Journalism Club is going to publish a few of the best features written.

FIELD TRIP

Tuesday, April 25 the Seventh Grade went by school bus to the Water Tower Recreation Area, U.P. reaching their destination they hiked around looking for birds,

snakes and bees. A tired but happy group of pupils arrived, to their consternation, in time for their seventh hour classes.

EDITORIAL

ARE YOU A GUM CHEWER?

Did you ever stop to think of how many people chew gum, and what they do with it afterwards? I believe that at least 98 per cent of the people stick their worn out gum on the nearest object handy. This, at school, is usually the desk. Have you ever put your hand inside the desk you are sitting at and run it smoothly over it? Did you like what you found? No? Well the only way to solve the problem is to all cooperate.

Let's all keep our gum out of public places. It won't take any more time to walk to the wastebasket, and I'm sure you'll be much happier when you accidentally touch the inside of your desk.

THE VACUUM CLEANER

WE PICK UP ALL THE DIRT

Have you noticed the peculiar things the Seniors are wearing on their heads? They seem to be getting younger instead of older. When will the boys in American History learn that they should be seen but not heard?

Seems as though Maurine and Nelly are interested in Dexter again, what happened?

How are the "girls" in the Hi-Y Play coming?

Does anyone know if Shelly is going to the Prom?

Why is someone going to quit teaching if Rose Ann takes Chemistry next year?

Who went to a prom in Wisconsin?

Have you noticed how red P. Platteau's face is? She is getting sun-burned a little early.

Pat, Winona, and Joan have been doing a good job on the Journalism Board. It surely looks nice.

Boys, have you asked your dream to the prom yet? Better hurry!

MICHIGAN MIRROR

(Continued from page one)

Personal comment: The long costly strike of the UAW-CIO against the Chrysler Corporation as an ideal manufacturing state. If automobile costs are increased further through pension agreements and other benefits, will be still higher costs serve to attract new industry to Michigan? Or will the costs tend to encourage Michigan industry to leave?

Governor Williams contends that corporations will pay his proposed \$112,000,000 increase in government spending out of their profits. The consumer will not have to pay. The levy would be an added cost absorbed by business.

Retort by G.O.P. Chairman Cleary: "New deal socialism!" Take your choice.

Mrs. Harold Bair To Open Gift Shop

Mrs. Harold Bair plans to open a gift shop Saturday, May 13, at her home, 147 Orchard street. Articles will be those made by Mrs. Bair and by other women of this vicinity.

Mrs. Bair developed the knack of making articles by hand while convalescing from an illness several years ago. Since that time her interest has continued with the result that by crocheting, tatting, sewing, knitting, working with leather and oilcloth, she makes articles which will be sold at her shop.
