IF YOU WANT your lawn mowed

I wish to thank all my relatives, friends, K. of C,'s, Altar Society, and American Legion Auxiliary for the flowers, gifts and the many cards and letters, received during my three weeks in the hospital and since my return home. Mere words seem inadequate to express my deep appreciation of your thoughtfulness. You will never know how many rays 57 sunshine know how many rays of sunshine and cheer you brought to me. Many, many thanks again and a special thank you to the five ladies and four men who so kindly donated blood.

Mrs. Wm. G. Kolb. CARD OF THANKS

I wish in this way to express my thanks and appreciation to my relatives and friends for their cards and gifts and all who remembered me in any way while I was at the hospital and since my return home.

Why just listen to reasons?

COME SEE FOR YOURSELF!

THIS TIME we'd like to tell you about 1 something that you cannot see in this picture—something, in fact, you cannot know about from looking at someone else in a passing Buick-or from viewing a Buick on our showroom floor.

It's the feel you get from a Buick in

You are going to find out that it is something like traveling on your own private, jet-propelled cloud—only firmer.

Maybe you know a stretch of washboard road, where you have to slow down, or bounce and jitter.

Try that in a Buick and see how you keep a level, comfortable boulevard smoothness.

Maybe you're always on edge to dodge dips and chuckholes. Those also lose

wheel of a Buick-or in the rear seat.

In a few simple words—the ride of any Buick-Special, Super of Roadmaster -is out of this world.

We could give you a lot of reasons. Soft coil springs on all four wheels, for example—the firm linkage of the torquetube drive—the distribution of weight big soft tires on wide rims—the way Buick engines are mounted.

most of their jolt when you're at the Even Dynaflow Drive*-always silksmooth and free of geared-drive harshness-plays its part in the maryelous

> But why simply listen to reasons? Experience is still the best teacher.

Come see for yourself why the Buick ride is called "matchless" - and how little it costs to replace a litterbuggy with one of these level-striding honeys.

Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

ONLY BUICK HAS Dynaflow AND WITH IT GOES!

HIGHER-COMPRESSION Fireball volve-in-head power in three engines. (New F-263 engine in SUPER models.) . NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights . WIDE-ANGLE VISIBILITY, close-up road view both forward and back . TRAFFIC-HANDY SIZE, less over-oil length for easier parking and goraging, short turning radius . EXTRA-WIDE SEATS cradled between the axies . SOFT BUICK RIDE, from all-call springing, Safety-Ride rime, low-pressure tires, ride-steadying torque-tube . WIRE ARRAY OF MODELS with Body by Fisher.

the title of the movie which il-iustrated the correct care and methods of bathing the baby.

What I wanted to know was what the baseball coach was doing with a snapping turtle? Was it to hurry (?) the players around the bases or retrieve the balls hit into Wolverton's Nursery? Later I learned it was a gift to Mr. Stuits for his biology classes. Then another question arose to my mind. What happened to the turtle after the classes had seen it? Was it set free, or did it decorate a dinner table?
