## Michigan MIRROR

By Gene Alliman

A hard-hitting political campaign in prospect for 1950, according to spring trends in Michigan.

Governor G. Mennen Williams caused no raising of eyebrows among Republican legislators when he accused them in a speech before the Michigan CIO Council of being controlled by "big business."

The heir to the Mennen soap millions declared that "special interests" have been served and the people's interests neglected by the "do-nothing" record of the legislature, he said, included inaction on a fair employment law, failure to remedy outrageous unemployment compensation law, hostility to public housing needs and winking of private utilities by granting them higher rates.

It has been the consistent contention of the Democratic governor that \$112 more millions in government spending should be raised solely by a tax on business profits.

Williams has persisted in the socialist belief that corporations should be made to dole out post-war profits for public benefits. In fact, corporations would readily absorb the cost, he added. The cost would not be transferred to the consumer in the form of higher prices. It would be added expense of doing business in Michigan.

And so when the governor called a special session of the legislature in 1950, recommending \$112 more millions to be spent by governments, the stage was obviously set for a ready-made campaign issue. The Republicans would be counted on to mount a business-friendly campaign of re-election.

Williams neatly created a situation whereby the GOP could be attacked for "reactionary" negligence of the people's interests. Actually, as his critics see it, the special session was about 50 percent window dressing in the business-friendly campaign of re-election.

Until the Republicans agree upon their nominees at the September primary, the Republican replies will be voiced by legislators and by Owen J. Cleary, state central committee chairman.

Since the governor has chosen the familiar class lines of "rich vs. poor" for his campaign, the Republicans may be caught on the horns of a dilemma. They must either agree with an attack on the "Truman-Williams welfare state" and the "growing menace to socialism," or they must defend it.

Cleary calls the Williams corporation tax "one of the most brilliant examples of intellectual dishonesty that has yet been presented to the people."

Williams counters: "The Democrats have prevented 'the imposition of new consumer taxes directly on wage-earners, farmers and small businessmen.'"

## Baseball Team Loses League Title Chance with Defeat by Ypsi

Win Last League  
Game Monday  
from Pinckney

By DWIGHT GADD

In their last league game of the season last Monday, Chelsea really slaughtered Saline in a slug-fest, 18-7, to tie for third place in the standings.

The Bulldogs scored in four of the six innings they went to bat, with the fourth being the big one as they punched across ten runs and sent fifteen men to bat.

In the first, a single by Heydlauff and a double by Lehman accounted for the first run, and in the second inning, singles by the same two men, plus a walk and three Saline errors brought in four more runs to make it 5-0.

Saline got their first run in the top of the third on a walk, an error, and a single, and then notched three more in the top of the fourth on three hits and a walk to close the gap to 5-4, only to have the roof fall in on them in the last of the same inning.

Three errors, four walks, and four hits—a single by Heydlauff, Tobin's triple, Crocker's grand slam homer with the bases loaded, and Lehman's double—accounted for the 10 Chelsea markers, and boosted the score to 15-4.

Saline got three more runs in the top of the sixth on three hits but Chelsea got them right back in their half of the inning on singles by Crocker, Stan Knickerbocker, and Vogel, plus McClellan's double to make the final score read, 18-7.

After a discouraging league season, this was a happy note on which to end it.

Chelsea had another easy win on Monday as they downed their rivals from Pinckney, 6-1, at the local athletic field, for their thirteenth win of the season.

Marty Tobin went the route for the Bulldogs, scattering three hits, and had the game under control all of the way. Pinckney's lone run was unearned, coming in the top of the fourth on a single, walk, error, and passed ball.

Chelsea scored in all but the second and fifth innings, getting one in the first and fourth and two in the third and sixth. George Heydlauff, with a single and a double in three trips, and Don McClellan, with a single and a triple in three trips, led the Chelsea attack.

In the first, Heydlauff doubled, took third on a balk, and scored on Lehman's infield-out.

Both of Chelsea's runs in the third came on errors as the Pinckney catcher and center fielder engaged in one of those ante-over-second games. Heydlauff and Leh-

man singled for the only hits of the inning.

The Bulldogs added their singleton in the fourth when Stan Knickerbocker was safe on an error and McClellan tripled him home. They added their final two in the sixth on two walks, a single by McClellan, and an outfield fly.

Tomorrow the Bulldogs will entertain Vandercook Lake here at the local field, and next Tuesday, May 26, the annual rivalry with Manchester will be renewed at the Dutchmen's home field. Tomorrow's game will be the last home appearance for the local team. (Continued on page eight).

## Library Friends Hold Annual Meeting Monday

The Friends of the Chelsea Public Library Association held its annual meeting in the library rooms at 8 p.m. Monday, May 15. The meeting was well attended and a growing interest was very evident. The charter membership list now stands at 54.

The primary interest of the organization is to make friends of the library, help to provide much-needed equipment, and stimulate gifts of money and especially of worthwhile books to the library.

The executive committee of the association is elected annually and the following will serve until May, 1951: Mrs. Dudley Holmes, Mrs. Karl Koengster, Harold Jones, James Daniels, and H. C. Schneider.

All citizens are invited to join this "Friends of the Chelsea Public Library Association."

## Cub Scout Leaders Hold Round Table

Dr. Floyd Peyton of Ann Arbor, in charge of the Washtenaw-Livingston Cub Scout program, and Joe Junker of Ann Arbor, scout executive, were in Chelsea Monday evening, May 8, for a Cubbers' round-table session at the High School. Forty out-of-town Cub Scout workers and leaders were present. Cubmaster Willard Pearson was in charge of the opening and closing ceremonies and a representative of Pack 106 held group singing. Movies were shown by a representative of Pack 145 and by Dr. Peyton.

Cub Scout activities for the summer were planned and the gathering was concluded with a lunch served by Den Mothers of Chelsea.

## Democratic Dinner

Washtenaw county Democrats are to be special guests of the Ypsilanti Democratic committee at a dinner on May 27 at McKenry hall honoring Gov. and Mrs. G. Mennen Williams. The dinner, which will attract Democrats from all areas of the state, is planned to mark the close association of the governor's family with that city. While final arrangements are still to be completed, it is expected that in addition to Gov. Williams, a nationally known public figure will address the meeting.

CANCER TAG DAY SCENE: The above picture was taken last Saturday in Chelsea when county and local workers cooperated in this annual fund-raising project of the American Cancer Society. Mrs. Ren Hutzel (second from left) is Chelsea's Cancer Drive chairman. Dropping a contribution into the canister held by Mrs. Hutzel is Mrs. Carl Lentz, VFW Auxiliary president. To the right and behind Mrs. Hutzel is Glen Halsey, a worker in the campaign, and directly in front are Donna Gates (at left) and an unidentified friend of hers, both from Ypsilanti. At the right of the picture are Mrs. Clara Hutzel, Mrs. Ralph Gates of Ypsilanti, and Mrs. Paul Pierce. Mrs. Gates, a former cancer patient, is commander of the Washtenaw county chapter of the American Cancer Society. Donna is her daughter. Mrs. C. Hutzel and Mrs. Pierce were passersby who stopped to examine cancer education literature on display. More than \$160 was raised for the Cancer fund on Saturday.

## 20 Persons Involved in Sunday Crash

Cars were parked along the Manchester road near the US-12 intersection most of Sunday afternoon as people thronged to the spot after news quickly spread throughout the community that a large number of children and adults had been injured in an automobile-truck crash there. First reports greatly exaggerated the number of injured and the extent of their injuries and even stated that several of the accident victims had been killed. The official report of the mishap, as given by Police Officer George Doe, lists twenty persons injured, eleven of them being children ranging from two to 14 years of age.

Eight of the children were riding on a truck loaded with household goods and chickens being moved from Kentucky to Stockbridge and three of the children were in a car driven by Reuben Gibson, of Detroit. Also riding on the truck were the parents of the eight children and their nephew, Arthur Allen, who was driving.

The parents are Mr. and Mrs. Boone Allen, from Royalton, Kentucky. Their children, all suffering various cuts and bruises, are Ella Fay, 3, Willie 4, Geraldine and Bertie, 8, Maxine, 10, Edith, 11, Howard Lee, 12, and Virgil, 14.

Those in the Gibson car were Gibson and his wife, Corrine, his mother, Dora Gibson, and Georgia Ann Miller, all of Detroit; Eugene Adam and Effie Miller, 2, 4 and 6 years old, respectively, and their mother, Mrs. Swella Ann Miller, of Wayne.

All the injured were taken to St. Joseph's Mercy hospital, Ann Arbor, for treatment. Doe said, and Edith Allen was later removed to U. of M. hospital with possible serious head injuries. Some of the occupants of the Gibson car were later removed to the hospital at Eloise, and Gibson himself is being held in the county jail under \$1000 bond to appear on May 25 for a hearing on charges of malicious driving, Doe stated.

As reported by Doe, the accident occurred shortly before 2:30 p.m. The truck, he was told, was crossing the pavement from the south when the Gibson car, traveling west, collided head-on with the right front end of the loaded truck. The car was completely demolished; the truck badly damaged and the load of household furnishings, chickens and riders scattered over the roadway.

The wreckage was quickly cleared off the pavement but it was several hours before the household goods were loaded on another truck and hauled away.

## Seniors Leave Today on Lake Cruise

The seniors of Chelsea High school are leaving Detroit at 8:30 this afternoon (Thursday) on the S.S. South American for a lake trip. They will visit the Soo and Mackinac Island and return home on Sunday.

Accompanying the fifty-four seniors as chaperones are Mr. and Mrs. Clarence Lake and Joe Fiecher, the art teacher at the school. The party left Chelsea by bus at noon.

## Education Board Releases Pamphlet on School Facts

The pamphlet prepared by the Board of Education of the Chelsea Agricultural Schools entitled "Some Facts About Our Schools," were put in the mail this week. Most qualified electors in the community, as well as others interested in the school problems, have already received their copies.

Repeating statistics to show that school membership will increase by about one-third during the next four or five years, the pamphlet continues by giving the result of the recent survey in regard to wishes of electors as to the type of school desired. Replies, numbering 753, were received from electors; the results being as follows: 428 electors favored constructing an elementary school for \$276,000; 106 electors favored constructing a high school; 88 electors favored constructing both an elementary and a high school. "It is clear that a majority of electors favor the construction of an elementary school," the pamphlet states.

Many who have studied the problem are convinced that the best answer is to construct two seven-room schools, one south and one north of the railroad tracks, according to the pamphlet. Among the reasons advanced in support of this plan are: (1) The cost of constructing two 7-room schools would be about the same as one 14-room school; (2) The same number of teachers would be required in either case; (3) Transportation of town pupils would be practically eliminated; (4) Additional costs would be in the extra site and some extra for maintenance, however, the transportation costs for town pupils to a single site, when considered over a period of years, would more than offset this; (5) The schools would be nearer the homes of many more youngsters so that nearly all town pupils could go home for lunch; (6) Eliminate dangers of railroad crossing for many town pupils.

A number of additional reasons for favoring the idea of two smaller elementary schools are included, as well as other pertinent information about the school situation.

## Memorial Poppy Sale To Be Held May 27

Making memorial poppies to be worn in honor of the war dead on Poppy Day, May 27, is providing employment for thousands of disabled veterans in hospitals throughout the country. The work not only enables the veterans to earn much-needed money, but also is valuable as an occupational therapy.

Poppies which will be worn here are being made by patients at the Veterans hospital at Dearborn under the direction of the Rehabilitation department of the Auxiliary. They will be distributed on the streets here on Poppy Day by volunteer workers. Contributions received for the little red memorial flowers will go entirely into the rehabilitation and child welfare funds of the American Legion and Auxiliary.

Week-end guests at the home of Mr. and Mrs. Warren Geddes were their daughter, Mrs. Anna Monaghan and her sons, Thomas and James, of Traversa City, and their other daughter, Eva Geddes and George Wright of Detroit.

## C. of C. Sponsoring Work 'Bee' Tonight at Pierce Park Site

Everyone Invited  
To Help Further  
Early Completion

According to plans discussed at Tuesday's regular monthly meeting of the Chelsea Chamber of Commerce, the organization's "No. 1" project is to be the continued development of Pierce Memorial Park. David Mohrlock and Lloyd Heydlauff, park committee members, together with the committee chairman, Walter Harper, have been untiring in their efforts to accomplish as much work as possible on the park-site.

The money-raising project now being carried on with the cooperation of local businessmen, is to be concluded with special ceremonies at the park on June 20. It is the aim of the park committee to have the parksite present a creditable appearance by that time and C. of C. volunteers, as well as others in the community, are urged to turn out for a "bee" at the park at 6:30 this evening (Thursday).

More grading is being planned and more picnic tables and fireplaces have been secured. Swings are to be built for the youngsters and other playground equipment put in.

The chamber transferred \$300 from their general fund to the park fund at Tuesday's meeting, and a gift of \$100 from the Chelsea Products company was received.

Tuesday's meeting was held at St. Paul's church hall with 42 members being present. Rev. Walter Geake, of Howell, was the guest speaker. His topic, "The Dangerous Age," was interestingly presented.

The C. of C. voted to support the Community Fair, and a request for a contribution to the proposed summer recreation program was referred to the finance committee for a decision on the amount to be contributed.

The secretary was instructed to write to the Michigan State Police in regard to the possible installation of a stoplight and speed control zone at the intersection of M-92 and US-12.

Results of the poll of business places announced last month as a method of coming to a decision on the matter of stores remaining open or closed on Thursday afternoons, were reported. Of 35 letters sent to businessmen who have been closing Thursday afternoons, 35 were returned. Of this number 29 voted to continue the practice and the remainder expressed a desire to remain open. All answers showed willingness to abide by the decision of the majority, however, so stores will continue to close Thursday afternoons.

Bob Vining and Ted Faist were introduced as new members of the organization.

## Dust Treatment Is Available for Roads

Washtenaw county road employees will apply calcium chloride dust-layer on state trunkline M-92 as soon as the material arrives, according to a road commission spokesman. The dust layer will be applied at state expense.

County roads will receive no such general dust layer treatment but people desiring the treatment in front of their homes and farms may arrange to have the work done by county road crews by paying for it at the rate of \$3 per 100 feet. Residents in this area who plan to have the dust layer applied are advised to place their orders at the Chelsea yards of the county road commission on West Middle street as soon as possible.

When enough orders are received for a given area the county equipment will be sent out to that area to apply the calcium chloride.

The dust layer will be applied at the price quoted for a width of 16 feet. The maximum order accepted is for 300 feet. Orders for the calcium chloride treatment must be accompanied by the money to pay for the number of feet ordered.

EXCAVATION OPERATIONS are in progress for the new 24-40-foot addition to the American Legion Home at Cavanaugh Lake. When completed, the room will be used as dining space and for dancing and other activities. Three large picture windows will face the lake. Estimated cost of the one-story structure of cement block construction is \$4,000, exclusive of the heating plant which is to be installed next fall.

FLAG PRESENTATION: Mrs. William Weber, Americanism chairman of the VFW Auxiliary, is shown above presenting an American flag to Boy Scout Troop 25 at their May 10 meeting in the Home Economics room of the High school. Following the presentation and acceptance of the flag the entire troop gave the pledge of allegiance. Pictured (from left to right) are William Ebenbeiser (with James McLaughlin almost completely concealed behind him), Hugh Weinberg, Gary Packard, Scoutmaster William Mende, Bruce Hoffman, Glen Weir, Mrs. Weber, Richard Leiland, Conrad Haffner, and Andrew Leland, chairman of the troop committee.

ENTHUSIASTIC CREW: Legionnaires pictured above with picks, shovels and wheelbarrow appear to be ready for work on the new addition to the American Legion Home at Cavanaugh Lake. In reality, however, they're merely posed with the implements as a gesture to show that work on the new building has been started. The construction job is being done under contract. Legionnaires will have plenty of opportunity to put their shovels and rakes to use, however, after the building is completed. It is expected that volunteers from the Legion will do the finishing-up jobs such as grading and landscaping the grounds, painting the building, etc. Shown (from left to right) are Albert Doll, Sr., Carl Mayer, Richard Hoelzer, Walter Gage, the contractor, Grant Schooley, Frederick Wagner, Julius Elsie and Paul Maroney.

## Guest Editorial . . .

Reprinted from The Ann Arbor News of May 18, 1950

It appears that the Board of Supervisors will make a major mistake if it does not give Washburn county a zoning ordinance which would insure its continuing to be a desirable area in which to live.

By a single vote, the board refused even to ballot on the question of adoption of a zoning ordinance earlier this week. The supervisors who either oppose zoning, or who feel themselves not directly concerned, tabled the proposition indefinitely by a 15 to 14 vote. With that sentiment, the issue would doubtless have been defeated, had it ever reached a yes and no vote.

This refusal to adopt a zoning ordinance to parallel and supplement the county's building code is not in the best interests of the county. Only five townships have had the foresight to arm themselves with their own zoning restrictions. This means that in 15 townships—or three-fourths of the township—undesirable business and interests can set up shop wherever they please to the possible detriment of the immediate neighborhood.

The arguments against zoning are substantially that it would further limit the township's "home rule." But it has been pointed out that no township would be forced to join the zoning program. It might also be pointed out that, lacking a protective ordinance, the townships may one day be exerting their "home rule" over an area not nearly so valuable as one which could have been shielded by the armor of well-planned, well-enforced zoning.

If it discards completely the idea of enacting a zoning law—either county-wide or on an individual township basis—it will be missing the boat. What it may get instead is a dirty flotilla of tags and unkempt rafts.

Mrs. William Weber was in Manchester on Sunday to call on Mrs. John Bauer, who has been named "Catholic Mother of the United States for 1950." Mrs. Weber was in nursing training at Mercy hospital, Jackson, with three of Mrs. Bauer's daughters, Mrs. Mary Connelly, Sister M. Bernard and Sister Mary Rita and has known the family for some time. The Bauer family includes four daughters who are nuns, two sons who are priests and two sons who are brothers in religious orders. Another daughter, now deceased, was also a nun. Mrs. Bauer is the mother of fourteen children, eleven of the thirteen surviving sons and daughters having been present for a family gathering recently.

Mrs. John Walz and her sister, of Rives Junction, were Friday visitors at the home of Mr. and Mrs. Fred Sager.

Mr. and Mrs. Adam Eppler, with Miss Augusta Harris of Lpsilanti, spent from Friday until Sunday with their daughter, Gertrude, at Bowling Green, Ohio.

Mr. and Mrs. Yearl Whipple spent the week-end with the latter's parents, Mr. and Mrs. William Curtis, at their home at Merrill.

Mr. and Mrs. Harry Culp and daughters, Christine and Carolyn, of Grand Ledge, took Mrs. Culp's mother, Mrs. Edwin Kosbbe, out to dinner Sunday.

Mrs. C. Jay Everett of Okemos, spent Saturday afternoon at the home of Miss Jessie Everett. Sunday afternoon visitors were Mr. and Mrs. L. E. Gay of Detroit.

Mr. and Mrs. Herbert Sanborn moved on Wednesday into the Brook home on Orchard street. Dr. and Mrs. A. L. Brock left the day before for Florida where they plan to make their home for some time.

Mr. and Mrs. Harold Bair and daughter Shirley visited the former's uncle, Martin Goltzy, in Detroit on Sunday. They also went to Pontiac to visit Mr. Bair's parents, Mr. and Mrs. George Bair of Flint, who were spending the day at the home of another uncle, LeRoy Goltzy.

Mothers' Day guests of Mrs. Louis Eschelbach were Mr. and Mrs. Luke, Mr. and Mrs. Albert Eschelbach, of Ann Arbor, Mr. and Mrs. Loren Hinderer and daughter, Karen, of Saline, and Rudolph Eschelbach and daughter, Alice.

Mrs. Delos Farrell and baby daughter, Joan Marie, of Dearborn, are spending this week with her parents, Mr. and Mrs. Clarence Fleming. Mr. Farrell accompanied them here on Sunday and remained to spend the day. He plans to return for them this week-end.

## The Hi-Light

Edited by the Journalism Club of the Chelsea Public School

The Seniors will leave this noon for their trip to Mackinac Island and the Sault. They will return to Detroit at 9 a.m. May 21, and to Chelsea at 11:30 a.m.

The Vandercook Lake baseball team will play here tomorrow. The Chelsea baseball team will play Manchester there on Tuesday.

The Band Parents Club will meet Wednesday, May 24 at 7:30 p.m. in the Home Economics room.

### SOUTHERN BELLES

AND BEAUS  
The Reception and Prom, the two most important social events of the year for Juniors and Seniors, were held in the gymnasium last night.

The reception menu consisted of chilled tomato juice, crackers, relishes, glazed Virginia ham, es-

calloped potatoes, buttered peas, perfection salad, hot buttered rolls, coffee, milk, ice cream, and cake. Grace was given by Ray Skentlebury. John Lightner was the toastmaster; George Heydlauff gave the welcome; Marilyn Johnson, the response; Mr. Johnson, the introduction; Maurice Hoffman, Ruth Guenther, Ted Slane, George Heydlauff, Stanley Knieker, Erbooker, and Buddy Johnson entertained after the dinner.

The gym was decorated to follow the theme of a southern plantation. Red, yellow, pink, and white roses were entwined around huge pillars set up on the floor, and around the balcony. Art decorations on the wall, lawn furniture, a trellis, and a white picket fence on the stage completed the effect. A mass of pink, yellow, green, and white formalis swayed the music of Ken Norman's band.

The Juniors deserve credit for making the prom a success, and much credit goes to Mr. Fischer, Mrs. Martin and Miss Schell for devoting their time and energy.

### EDITORIALS

SENIORS AND GRADUATION

In a few weeks the entire student body will join in the enthusiasm of the Seniors when they graduate. The Seniors have worked long and hard (well, long anyway) for this day, so naturally they are proud of this big occasion.

Every student in school wishes he were in these seniors' robes now — but unfortunately each has to wait his turn too.

Because the Seniors have worked so hard and set such a wonderful example for the rest of the students, we certainly wish them the best of luck and good going in their future.

### YOUR ROVING REPORTER

As I walked through study hall last week I noticed writing on the windows. I also noticed many posters with "Vote for Dick Merkel" and "Vote for Stanton Walker" and "Vote for Ted Slane" and "Vote for Donna Noah."

Later I found out that there was to be an election for president and vice-president of the Student Council for next year. On Wednesday (the day of the big election) I observed the students exercising their right to vote. They knew it was their duty to vote, (too bad some of their parents don't do the same in the school, village, county, state, and national elections). On Friday it appeared as though Ted Slane was elected to the presidency; and, according to the best possible sources, a tie exists between Stanton Walker and Donna Noah for the vice-presidency. This is the first

time that there was a tie, and it was not yet decided what to do about it.

### DEMOCRACY IN ACTION

There will be no square dancing for the Student Council dance because of the lack of someone to call. Students may reserve tables if they want to.  
The Student Council accepted the Junior High plans for their party May 17. The Council also

approved the Latin Club plans of their trip to Detroit to Bridge Stadium.  
Another election will be held for the election of Vice-President of the Student Council because of the tie in the first voting. The students in grades nine through twelve will

President Roosevelt's Board said—

President Truman's Board said—

Still the leaders of the Railroad

Firemen's Union say—

# "STRIKE!"

This ridiculous strike is an affront to every citizen of the nation. It's not for more money. It's not because of hours. It's only for soft feather-bedding spots for additional unnecessary firemen to go along in diesel locomotives just for the ride. A leading liberal newspaper calls the demands of the union leaders "horse-feathers!"

• The reckless leaders of the firemen's union want to force down the throats of the railroads and the public a ridiculous "make-work" proposal which has been twice ruled out by Presidential Fact Finding Boards duly appointed under the provisions of the Railway Labor Act.

This demand of union leaders for additional and unnecessary firemen to ride in diesel locomotives was rejected—after months of hearings—by a Board appointed by President Roosevelt in 1943.

It was again rejected in 1949 by a Board appointed by President Truman. Recent meetings with the National Mediation Board have brought no change in the attitude of the union dictators.

Union Leaders Defy Intent of Law  
The union leaders helped write the Railway Labor Act. Yet in an attempt to jam through this scheme of pure

"feather-bedding" by leading the members of their union out on strike and threatening paralysis to large areas of the nation, they are defying the spirit and intent of the very law which they helped to create.

This strike is not for higher wages. It is a strike to force the railroads to employ many more thousands of firemen who are not needed! It would be indefensible waste. The railroads have refused to place this additional and unnecessary burden on the public.

But more important than any other consideration, is the action of these few irresponsible union leaders in seeking to force a crippling strike upon the

### This strike is one of the silliest strikes in history!

What are these reckless union leaders trying to do? They seek to cause thousands of their members to strike, and throw hundreds of thousands of other employees on and off the railroads out of employment, with loss of pay to them and their families, plus a severe blow to industry and the citizens of the nation.

What's the strike all about? If the union has its way—what happens? The present members of the union won't get one cent more pay. They will merely have been assessed for a costly and indefensible drive in an attempt to provide more dues-paying members for the union by creating "feather-bedding" jobs for additional and unnecessary firemen. This is certainly one of the silliest strikes in history!

nation for their own selfish purposes. There is no other possible answer to such a demand but "No!"

The railroads in making such a reply believe they have the whole-hearted support of the people in whose interest they are willing to fight this out, despite the loss and inconvenience that all will suffer.

It is time to put an end to such un-American demands.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

## PERSONAL NOTES

Mrs. Martin Miller spent Sunday in Detroit with her son and daughter and their families. Maynard Osterle, of Webster, Missouri, spent from Friday night until Monday morning at the home of his parents, Mr. and Mrs. John Osterle, and Mrs. Wilbert Zogler.

Mrs. M. W. McClure left by plane Monday morning for San Antonio, Texas. From there she went to Charlotte to be with her mother, Mrs. Lydia Bismerschneider, who is seriously ill. Mrs. Bismerschneider had spent the winter with her daughter, Mrs. Steinman, of Charlotte, and had been planning to return to Chelsea soon.

S. A. Albert Notten Jr., has returned to the U.S.S. Albany at Philadelphia after spending a seven-day leave at home. Rev. P. H. Grabowski, of St. Paul's church, left Monday afternoon to attend the conference of the Michigan-Indiana Synod at South Bend, Ind.

home of Mr. and Mrs. Otto Goetz were Mrs. Helen Beckman and Mrs. Elsa Hackbarth and daughter, Nancy, and L. J. Volbrecht, of Ann Arbor, Mr. and Mrs. Fred Hall and children, of Flat Rock, Mr. and Mrs. Merle Lohman, of Leslie, and Mr. and Mrs. Lee Andrews and son, Ronnie, of Lansing.

Mrs. Edwin J. Sutter was elected secretary of the Chelsea Child Study club at the May 9 meeting instead of Mrs. Thomas Murphy as reported to The Standard last week.

## Limestone Quarries of State Form Study Sites for Wayne U. Students

Examining a piece of limestone in one of Michigan's many quarries are three Wayne University coeds from Michigan communities: Evelyn Cole, of Okemos (left), who is working with the rock hammer; Shirley Noll, of Crystal, holding a specimen sack; and Florence Heedeker, of Newaygo.

About 350 million years ago Michigan lay under a great inland sea, in whose salty waters lived billions of tiny creatures. As they died, their shells and skeletons sank to the bottom, and later were covered by earth.

Today the sea is gone, and the marine deposits have become compact layers which we know as limestone. An important resource in itself, this limestone is also a protective covering for other underground treasures, says Dr. Willard H. Parsons of Wayne University's geology department in Detroit.

Limestone formations stretch below the surface of every county in Michigan, he points out. In the Lower Peninsula the formations are shaped like a stack of shallow bowls, with the deepest portions at the center of the state.

In this deep-buried portion, Michigan's oil and gas deposits are found. Sealed far beneath the surface and held in the porous limestone layers, the oil pools and gas pockets remain until tapped, as in Isabella, Midland, Gladwin, and Barry Counties. The limestone deposits in these interior

areas are thus more important as sealed pouches for natural treasures than as quarry sites.

It is at the bowl's edges in the lake-bordered counties—Monroe, Wayne, Huron, Arenac, Alpena, Presque Isle, Cheboygan, Emmet, and Charlevoix—that limestone quarrying itself is most profitable. Here the limestone is close to the surface, and near cheap water transportation.

In the Upper Peninsula, as in the Lower, quarry sites have been chosen near water transport, with Mackinac and Schoolcraft Counties noteworthy centers. Outcroppings occur in many Upper Peninsula spots, however, forming some of the scenic wonders of the area, like the Burnt Bluffs near Fayette. Aware of limestone's importance, 600 Wayne University students will make field trips to various quarries within the state this year. They will be studying Michigan's gray, white wealth of stone—basic ingredient in the making of iron, fertilizers, chemicals, and building materials; and a "foundation stone" of Michigan's prosperity.

### Years Ago ...

Thursday, May 2, 1946—Miss Carolyn Cushman and John Storer were married April 30 at the home of the bride's parents in Manchester. Rev. John Hume of the Manchester Methodist church officiated.

Wm. G. Kolb announced the purchase of the R. B. Dexter grocery and took possession of the business this week. New equipment and lighting will be installed and the store will be painted, Mr. Kolb stated.

L. G. Palmer will have the grand opening of his new tire and appliance store located on East street on May 4. The new tire and supply store, will be operated by John V. Perring and Mrs. Lindsey will be the book-keeper.

The following local delegates were chosen from the 4-H club to represent the county at the State 4-H Club Week held at Michigan State college in June: Clara Miller, Audrey Knicker, Doris Downer, Roy Yenkel, Robert Toney, and Carl Hansen. These delegates were chosen on the basis of outstanding work, length of service and cooperation in the 4-H club.

### 24 Years Ago ...

Thursday, May 6, 1926—George J. Knapp, aged Civil War veteran, dropped dead in the postoffice lobby on Monday. He is survived by his widow, a daughter and one son. Rev. P. H. Grabowski officiated at the private funeral.

Rev. E. L. Sutherland, former pastor of the Congregational church here, has accepted the position of field agent for Cleary college in Ypsilanti.

Mr. and Mrs. Jacob Haarer of Lima celebrated their golden wedding anniversary on Tuesday when about 75 guests gathered at their home.

Miss Reno O. Feldkamp became the bride of Harold H. Geyer on Wednesday at the home of Mr. and Mrs. Jack Feldkamp in Manchester. The couple will make their home in Ann Arbor.

Philip Schweinfurt died at his farm home on April 30 at the age of 76. He was active in various phases of community life. He was president of the board of trustees at the time of his death. His widow and five children survive.

### 34 Years Ago ...

Thursday, May 4, 1916—Three alarms for the fire department were made during the week. One at the residence of George Shanahan on West Summit street, being quickly extinguished; another at the property of Mrs. J. G. Wagner, was in an unoccupied house and was put out with a few pails of water. The last one was located west of the Chelsea Roller Mill and the unoccupied building burned.

Miss Pearl Mohrlock and Henry Gilbert were married at the home of the bride's parents in Lyndon. The couple will make their home on the Gilbert farm at North Lake. Twenty-five Chelsea businessmen went to Ann Arbor Tuesday to meet State Highway Commissioner Rogers, who is endeavoring to locate the new route for the lake highway through Sylvan and Lima townships. The other possible route was through Dexter and a portion of the Boland right-of-way purchased so as to avoid two grade crossings on the Michigan Central. Nothing definite was decided.

FILLER Friday, May 19, 1780, was known as "The Dark Day" in New England, according to an old calendar belonging to Martin Gottschling. On that date, at midday it was so dark that persons could not be distinguished a few feet distant. Fowls went to roost, work in the fields was suspended and indoor work was carried on by candlelight. The cause of the darkness was a combination of clouds, and smoke from forest fires.

## Club and Social Activities

### CHELSEA EXTENSION GROUP

Mrs. Al Mahar entertained the Chelsea Extension Group members at her home for a regular meeting Thursday evening, May 11. It was decided to postpone the lesson until the May 25 meeting which is to be held at the home of Mrs. William Hitchingham. Canasta was enjoyed and refreshments were served by the hostess.

KIWANIS Members of the Chelsea High school swing orchestra were dinner guests of the Kiwanis club at Monday's regular weekly meeting at the Methodist church. Following the dinner, several selections were played by the orchestra. Those who play in the group are Edward Benjamin, the leader, Paul J. Niehaus, Raymond Steinbach, Jana Lou Weinberg, Louis Dreyer and Norman O'Connor.

### SYLVAN EXTENSION GROUP

The Sylvan Home Extension club met Thursday afternoon at the home of Mrs. Albert Schweinfurt for the regular meeting. Mrs. Peters was a guest.

In observance of her golden wedding anniversary Mrs. George Heydauff was honored. Mrs. Kenneth Proctor read two poems "My Haircut" and "When Grandma Was A Little Girl" and Mrs. Heydauff was presented with a plant from her "mystery sister." Roll call was answered with garden hints and it was voted to take up the project of making cotton gloves. Some members also elected to bring aluminum for making etched trays. The day's lesson was on "Room Arrangement No. 11." Refreshments served by the hostess concluded the meeting.

# PONTIAC!

America's Lowest-Priced Straight Eight Lowest-Priced Car with GM Hydra-Matic Drive

Power-Packed Silver Streak Engines—Choice of Six or Eight World Renowned Road Record for Economy and Long Life The Most Beautiful Thing on Wheels

Naturally we like to hear people talking about Pontiac's new low price—Pontiac value is something to talk about.

But it gives us even more pleasure to tell a new car buyer the full story of Pontiac's all-around goodness—goodness which is far beyond Pontiac's modest price.

There's nothing better than Pontiac for beauty—Pontiac is the most beautiful thing on wheels! Nothing will give you more satisfying performance than either one of Pontiac's famous, power-packed Silver Streak engines. And no car has a better road record for dependability and economy.

Today's Pontiacs are so big—so good—so beautiful that they create a completely new idea of what your new car dollars can buy. Dollar for dollar, you can't beat a Pontiac!

Measles Epidemic Hits Chelsea with Thirteen Cases

Thirteen cases of measles have been reported to the Washtenaw County Health Department from the Chelsea area, Health Department spokesmen said yesterday. Dr. Otto K. Engelke said there are undoubtedly a number of other cases which have not been reported because the cases are not under the doctors' care.

Dr. Engelke advises parents to report measles cases themselves, directly to the Health Department, if their children have not been under a physician's care. He said it was to the advantage of the entire county to have all measles cases reported as the State Health department apportions to counties in direct proportion to the number of reported cases, the immune globulin used as a serum to cut down the severity of attacks where exposure is known to have taken place.

The immune globulin is furnished to physicians by the Health department, which in turn, is supplied by the Red Cross. The immune globulin is a by-product of blood plasma and is not very plentiful. For that reason, it is apportioned to counties according to the number of reported cases. Youngsters or adults known to be exposed to measles should go to their family physician who, if he considers it advisable, will administer the serum. Dr. Engelke stated: "Most of the Chelsea cases have been very severe this year, with temperatures reaching 105 degrees in some instances."

Since the first of the year 625 cases of measles have been reported in Washtenaw county, the peak having been reached in late March and April. Chelsea seems to be getting in on the "home stretch" in this periodic outbreak which occurs about every three years.

Boy Scout Patrol Become Firefighters

Sunday afternoon a Boy Scout patrol composed of Buddy Guest, Glen Weir and the patrol leader, Don Mshar, were enjoying a "cook-out" in the Waterloo area when they noticed a grass fire near Sylvan Trout Pond. They said the fire was getting a good start when they noticed it, and using Boy Scout fire-fighting tactics, they fought the blaze and put it out. They said the fire appeared to have been caused by a campfire which had not been properly extinguished before it was left.

THANK YOU

I wish to extend my thanks and appreciation to my friends, relatives and neighbors for the kindnesses shown me during my stay in the hospital and since my return home. Your cards, flowers, and calls were greatly appreciated.

### LAFAYETTE GRANGE

The program given at the Lafayette Grange meeting Tuesday evening and arranged by the lecturer, Mrs. W. G. Price, included the following readings: "Origin of the Michigan Grange," by Albert Pielemier; "Mother's Perfect Day," by Mrs. Louis Grossman; and "No Time," by Mrs. Jack Bradbury.

Mrs. Jack Bradbury and her husband placed high and low, respectively, in a musical quiz conducted by Mrs. Price, and group singing completed the program period.

### CHAT 'N' SEAU

The Chat 'n' Seau club, with 20 members and one guest present, met at the home of Mrs. Leon Shutes Tuesday evening. Mrs. Rex Miller and Miss Ruth Skentelbury were on the committee.

Miss Skentelbury provided the games for the evening's entertainment-features and prizes were awarded to Mrs. M. J. Baxter, Mrs. Nina Belle Wurster, Mrs. Otto Hinderer and Mrs. Elmer Lindemann.

The June meeting is to be held at the home of Mrs. Ben Widmayer.

**S. SYLVAN EXTENSION**  
The South Sylvan Extension Group met at the home of Mrs. Fred Center at 1:30 p.m. on Thursday, May 11, with 20 members present. Mrs. Frances Alber presided during the business session and the lesson on room arrangement was given by Mrs. William Reule and Mrs. Walter Wolfgang.

It was decided to have a theater party in place of the meeting planned for June 8.

Refreshments, served by the hostess, concluded the meeting.

**WRC**  
At the WRC meeting held Monday evening in the Sylvan Town Hall it was voted to contribute five dollars to the Cancer fund.

Mrs. Catherine Hafner was named delegate to the department convention to be held in Bay City June 7, 8 and 9. Mrs. Minnie Drossamle is the alternate delegate.

Mrs. Drossamle is to be hostess for a WRC social party to be held May 23 at 7:30 p.m. Members are to bring their own table service. The usual games will be the evening's diversion.

Plans were announced for arranging the bouquets for decorating soldiers' graves on Memorial Day. Members will meet at the High school at 8 p.m. Monday, May 29, to make up the bouquets. Anyone having flowers to contribute is asked to bring them to the school that evening.

WRC members are to attend Memorial church services in a body on May 28.

Mr. and Mrs. Herman Hoyt, of Lakeland, Fla., who are now in Detroit for a time, spent the weekend here with Mrs. Hoyt's niece, Mrs. William Geddes, and family.

### PNG CLUB

Mrs. Lawrence Fowler was presented with a housewarming gift by members of the PNG club who met at her present home on South street for the first time Thursday evening for a regular meeting.

Sixteen members and two guests were present.

Mrs. Lawrence McDonald was presented with a shower of gifts in celebration of her birthday.

Dainty refreshments were served by the hostess.

### N. LAKE HOME EXT. CLUB

Mr. and Mrs. Henry Gilbert were hosts to the North Lake Home Extension club Saturday evening, May 13. About 40 guests attended the pot-luck supper which was followed by progressive euchre in which prizes were awarded as follows: high scores, Mrs. Ezra Lesser and Laurence Noah; low, Mrs. George Kunzelman and Mrs. Leo Heatley.

The next party will take place at the Lyndon Town Hall on Saturday evening, May 27. A pot-luck lunch will be served at the close of the evening.

### MAYFLOWER CHAPTER

Twenty-nine members were present for the luncheon meeting of Mayflower chapter of the Congregational church Friday afternoon.

The May group, with Mrs. Otto Luick as chairman, was in charge of the pot-luck meal which was served in the church dining room.

Following the luncheon the regular meeting was held and was opened with a devotional service led by Miss Florence Ward.

The program period included a most interesting book review given by Miss Nina Belle Wurster.

She reviewed Jessamyn West's "The Friendly Persuasion" which tells the story of a Quaker family of early times and relates many amusing incidents of the daily lives of its members.

Mrs. M. J. Baxter presided during the business session and announced that the chapter will meet with the Women's Guild of St. Paul's church at St. Paul's church hall on Friday, June 2, at 2:30 p.m., and will hold a regular chapter meeting on June 9 at the home of Miss Nina Belle Wurster.

After the close of the meeting chapter members enjoyed viewing an exhibit of old Bibles which the junior Pilgrim-Fellowship group had arranged the previous Sunday.

The Bibles are the property of people in the community, a number being identified with some of the pioneer families of Chelsea.

### PERSONALS

Mr. and Mrs. Howard Jewell, enroute to their home in Charlevoix after a Florida visit, spent the week-end here as guests of Mrs. Inez Bagge and Mr. and Mrs. Alvin Schiller.

Mrs. and Mrs. Ned Stuits were in Grand Rapids Wednesday to attend funeral services for an uncle, John G. Stuits, who died of a heart attack at Brownsville, Tex., where he had been associated with atomic research projects.

Mrs. Effie Gage, who is spending some time at the home of her son, Nathan Pierce, near Grass Lake, was a weekend guest at the home of Mr. and Mrs. E. M. Eise-mann. Additional dinner guests on Sunday were Mr. and Mrs. Nathan Pierce and Mr. and Mrs. Elmer Pierce and son, Donald; also, Mr. and Mrs. Roy Hanselmann and daughter, of Whitmore Lake. Afternoon callers were Mr. and Mrs. William Eise-mann; of Ann Arbor; and Mr. and Mrs. Edward Kipfmiller and daughter and Mr. and Mrs. Alvin Vail.

## Mother-Daughter Banquets . . .

### ST. MARY'S

Mrs. Norbert Merkel gave the toast to the daughters and Mary Virginia Lonsway responded with the toast to the mothers at St. Mary's Mother and Daughter banquet at the school hall on Wednesday, May 10.

Other numbers on the program were a piano selection by Mrs. Henry Orbring, Jr., a vocal solo, "Mother Machree," by Mary Jane Eder, accompanied by Margaret Mary Dumouchel; and group singing.

Gifts were presented to the following: Mrs. Agnes Young, the oldest mother present; Mrs. George Merkel, the youngest mother; Mrs. Maurice Hoffman, the mother with the most daughters present (five); Mrs. Donald Wahl, the mother with the youngest child (two months old).

### METHODIST

One hundred and sixty mothers and daughters attended the Mother and Daughter banquet given at the Methodist church Thursday evening, May 11. Men of the church served the banquet which had been prepared by the afternoon group of the Philanthropy Circle.

Table decorations carried out a yellow and white color scheme with the use of forsythia and cherry blossoms, yellow candles and novel menu cards to which spring flowers were attached.

Mrs. Warren Daniels, MSCS president, welcomed the group and Mrs. Lyman Walker, program chairman, presented orchid corsages to Mrs. Campodell Jones, as the oldest mother present; Mrs. Donley Boyer, the youngest mother, and Mrs. Claire Smith, who was present with the most daughters (four). The orchids were provided through the courtesy of Mr. and Mrs. Loren Turner.

Three Albion College students presented a program of readings, piano selections and a story for the children.

### PUMPKIN COLLEGE

Pupils of Pumpkin College school gave a Mothers' Day tea Friday, May 12, at the home of Mrs. Homer Stofer. Twelve mothers were guests at the tea and were seated at small tables decorated with sprays of forsythia to carry out a gold and white color scheme.

Four sixth grade girls, Ruth Beeman, Arlene Paxton, Bernice Miller and Mary Lou Otto, baked the cakes at Mrs. Stofer's home in the morning and then served the mothers at the tea which began at 4:30 o'clock.

The remainder of the 26 pupils of the school enjoyed an outdoor lunch, and games.

Mrs. Stofer has been assisting the teacher, Miss Kathryn Miller, all winter in demonstrating handicraft projects to the school children. An exhibit of place mats and a completely furnished doll

house had been arranged at the schoolhouse and mothers went in to see it before attending the tea.

## BASEBALL

(Continued from page one)

Another bad first-inning—and another loss. This one was for the chips though, and Ypsi Roosevelt edged Chelsea, 4-2, last Friday at Briggs Field in Ypsilanti to just about clinch the Horizon League title for the 1950 season.

Bulldog hurler Marty Tobin matched Roosevelt's star, Bob Prater, but his support cost him the game. Both men struck out eight, while Prater walked three and allowed four hits, and Tobin walked two and gave up but three hits.

Chelsea's gift to the Roughriders in the first inning was three runs, with none of them earned, again. A walk, a single, three successive errors by centerfielder Al Knickerbocker, shortstop George Heydlauf, and third baseman Don McClear, and another single, gave Roosevelt their three runs, and the ball game.

Chelsea scored their two runs in the top of the sixth, one of them earned and the other a gift. Crocker opened the inning with a triple but was cut down at home on Lehman's grounder to the pitcher who made the play at the plate with Lehman going to second. Stan Knickerbocker singled, scor-

ing Lehman, stole second, and took third on the catcher's wild throw to second. Vogel walked, stole second, and again the catcher's throw was wild, letting Knick score for the second, and last, Chelsea run.

Roosevelt added an insurance run in the sixth on a single and another outfield error. This loss dropped Chelsea to fourth place in the league. Flat Rock is on top with a 4-1 record; Roosevelt is second, with 3-1; Milan is third, with 4-2; and Chelsea is fourth, with 3-2. It's too bad the Bulldogs had to throw away their chances for a championship this year but you don't win titles giving away runs in every game.

**SYLVAN FARM BUREAU**  
Mrs. Lina Whitaker, Mr. and Mrs. Robert Steele and Mr. and Mrs. John Brooks, Sr., were hosts and hostesses for the May meeting of the Sylvan Farm Bureau, held in the basement of the Salem Grove church Friday evening.

The first committee reported at the meeting on the progress to date in regard to a township tank truck for additional rural fire protection. The report stated that Supervisor Fred Brosamle had suggested another meeting with the committee.

The discussion topic for the evening was, "How Can Road Be Financed?" The conclusion reached, given as the group's opinion, was that the county make "better use of the money we already have."

The program on the topic "I Am An American" was presented by the program of Walter Wolfgang which included an appropriate reading by Henry Ottinger, Jr.; a talk by Rev. Vern Panzer, "Why I Am An American"; the song, "God Bless America"; by the group, and a movie, "The Heritage We Guard," shown by Jack Turner from the conservation office at Ann Arbor.

It was announced that the annual picnic is to be held on June 11, the place to be announced later.

**LIMA LIVESTOCK 4-H CLUB**

The Lima Livestock 4-H Club met with Mary Ellen and Nancy Van Riper Thursday evening, May 11. Four members were chosen as delegates to the county 4-H Council convention in Ann Arbor on May 31. The four are: Bill Koselka, Mary Ellen Van Riper, Loren Trinkle and Richard Bareis. The next meeting will be held June 4 at the home of Reuben Lesser, Jr.

**Douglas Fir**

Lumber cut from the same tree or log of Douglas fir consists of several classes of grades suitable for a variety of purposes. The inner part of the log will usually be tight-knotted although coarse-grained, while finer-grained material is found toward the outer edges. In larger, older logs the tight-knotted center-area may be surrounded with a layer of lumber with black or loose knots which eventually give way to a layer of clear wood.

Spinach-Stuffed Fillets Make Novel Treat  
(See Recipes Below)

## HERE ARE SOME novel sugges-

tions for luncheon main dishes that are ideal when entertaining. Their preparation is simple, so the hostess may keep cool and charming.

## Spinach-Stuffed Fillets

(Serves 6)

1 pound spinach or kale

1 onion, chopped

1 tablespoon butter

Salt, pepper

1 egg, beaten

¼ cup bread crumbs

½ pounds fish fillets

Wash spinach thoroughly. Cook

spinach and onion together with

only water that clings to leaves.

When tender, drain and chop. Add

butter and seasonings to taste.

Cool. Meanwhile cut fillets in two-

inch strips. Add egg and bread

crumbs to cooled spinach. Spread

the mixture on each fillet, roll and

fasten with toothpicks. Place, cut

side up, in greased baking dish and

bake at 400° for 20 minutes.

**Chicken Fondue**

(Serves 4)

¼ cup finely chopped celery

1 tablespoon butter

1 cup milk, scalded

1 cup soft bread crumbs

1 cup diced cooked chicken

on meat or 6 ounce can

1 tablespoon finely-grated

onion

¼ teaspoon pepper

3 eggs, separated

¼ teaspoon salt

Cook celery in butter several

minutes. Combine with milk,

bread crumbs, chicken, onion and

pepper. Add salt to egg whites and

beat until shiny and whites form

peaks that fold over when beater

is withdrawn. Beat yolks. Pour

milk mixture into yolks stirring

constantly. Pour yolk mixture

gradually over egg whites folding

at the same time. Pour into un-

greased 1½-quart casserole. Place

casserole in a pan of hot water.

Bake in a moderate oven (375°)

until a knife inserted in center

comes out clean, about one hour.

**"Chair Warmers"**

Chinese proverb: Salesmen who

cover chair instead of territory al-

ways on bottom.

## Luncheon Ideas

MANY WOMEN would like to entertain a few friends for luncheon, but they worry about what to serve, and how it can look pretty. Should it be elaborate?

Does it have to be practically a dinner? These

are two of the primary ques-

tions that come up with the un-

derstandings of a customed

hostess.

For the luncheon, at which you

want to gather together a few

friends, casually plan a simple

menu that can be easily served.

You'll enjoy your guests so much

better.

Even though you entertain six or

more for luncheon, the menu should

be simple and not a dinner. Serve

small portions of food, daintily and

pleasantly. Make them feminine, and

not too fattening. Your guests, di-

et or maintaining weight, will

appreciate this type of meal more

than heavy foods which they'll

have-to-go-home-to-prepare-for-

the menfolk.

A good plan for luncheon in-

cludes a clear soup, fruit cup or

vegetable or fruit juice for a first

course, but this may be omitted

for very simple luncheons.

Plan a main dish and serve it

with hot breads. Use a vegetable

garnish or a salad that can be

served on the same plate with the

main dish.

**HERE ARE TWO pie recipes**

which you will enjoy using with

any of the above main dishes.

**Frozen Lemon Pie**

(Serves 6)

1½ cups vanilla wafer

crumbs, finely rolled

2 tablespoons melted butter

3 eggs, separated

¼ cup lemon juice

¼ cup sugar

1 teaspoon finely-grated

lemon rind

¼ pint whipping cream

Line a refrigerator tray with one

cup crumbs mixed well with but-

ter. Combine egg yolks, sugar, lem-

on juice and lemon rind. Cook on

low heat until

mixture thick-

ens, stirring con-

stantly. Chill

and fold in

whipped cream.

Beat egg whites

until they stand

in peaks and fold into lemon mix-

ture. Pour into lined tray and

sprinkle with remaining crumbs.

Freeze until firm. Cut in triangles.

**Rhubarb Deep-Dish Pie**

(Serves 10)

8 cups rhubarb cut in 1½-

inch pieces

1½-2 cups sugar

¼ cup cornstarch

¼ teaspoon nutmeg

¼ cup butter

1 tablespoon orange rind

### JOURNALISM EXCURSION

"Huray! We're off to college for a day!" was the shout of twenty Journalism students last Thursday morning as they clambered aboard a school bus on their merry way to the University of Michigan.

Students from all over Michigan assembled in the Rackham Building to start the 23rd Annual Journalism Day.

After Provost Adams extended a welcome to all, there were optional discussions for the pupils to attend. Some of these were: Yearbooks, Photography and Careers in Journalism.

These "kids" sun-burned as they were, boarded the school bus with their advisor and came back

### Movies . . .

"Nickie and Its Allies," a picture showing the steps in producing nickie, was shown to the chemistry class. This movie showed the vast expanse of a Canadian factory, and gave many details in the manufacture of nickie, an element that is essential to economic and industrial life.

The art classes viewed a movie that illustrated the use of water colors. "Watercolors in Action" demonstrated the direct technique, a method whereby little preliminary sketching is done before painting.

The seventh grade science class saw a projection about southern water birds. "Water Birds," showed feeding, migration, and other characteristics of various birds, including pelicans, ibis, flamingos, ducks, and geese.

A picture dealing with the life of Mark Twain was shown to the ninth grade. It brought forth the coincidence that Mr. Twain was born and died under Haly's Comet.

"Naturally Yours," a movie showing the care of hair, was shown to the homemaking I class. The movie showed the correct ways to shampoo, style, and set the hair. It emphasized the good grooming program air-line style.

"Rio-de Janeiro," a movie in technicolor, and another movie entitled "West Indies" were shown to the seventh grade history class. The movies showed the beautiful homes, buildings and resorts. A tour of the islands that make up the West Indies and the important imports and exports of these islands made up the movie on the West Indies.

### Activities . . .

GAA

The GAA girls went swimming May 10 at the Y.M.C.A. They learned how to swim and dived, under the supervision of Mrs. Harvey.

### HOME EC.

The Home Ec II girls have been preparing dinners which they served during the noon hour. Guests at these dinners were mothers and teachers. The girls' concrete dinner project, planning, the menu, budgeting their money, and doing the marketing.

The Home Ec III girls have been studying a unit entitled "Managing Our Homes." They are learning complete management of time, energy and money budgeting.

### H.I.Y.

Because of the money the club made on the play they are now happy to announce that the tide has gone out and they no longer stand in water up to their necks but upon dry ground.

### FFA

The FFA boys are planning their annual summer trip. This

year they will travel through the Wisconsin Delta - the dairy land of Wisconsin. The tentative date for this excursion is August 7-14. The committee is now working on transportation and lodging.

### ASSEMBLY

Who do you think are the best candidates for president and vice-president for the future Student Council? The assembly Wednesday morning was for the purpose of electing both. Rose Anne Zeeb talked for Stanton Walker and Dick Merkel, and Lois Eisele spoke for Teddy Slane and Donna Noah. Dave Hoffman gave instructions for voting, which continued throughout the day.

### Grade News . . .

Mrs. Eiseemann visited the first grade. Joyce Block and Nancy Irwin celebrated their birthdays on the 14th and 19th of May. Because of measles there has been a large number of children absent from school.

### JUNIOR HIGH NEWS

7th GRADE . . . Robert Keizer and Billy Scott had birthdays on May 6 and 11 respectively.

The 7th grade is sponsoring the Junior High party after the 8th grade day on May 17. Sally Vogel, the class president, has assumed much of the responsibility for planning the party. Refreshments were home-made cake, cookies, and dixie cups.

### 8th GRADE . . .

The 8th graders are planning their schedules for next year and the coming years in high school. This is very important and they are putting much time and thought on it.

## NO APOLOGY IS NEEDED

When guests say "please pass the butter", they expect a good host or hostess to do just that without the necessity of offering apologies.

There is no better sign of good living than having plenty of butter on the table as well as in cooked foods. The best recipes call for butter. It's butter that adds zest and enjoyment to every meal for Nature has endowed it with an inimitable, delicious flavor.

And butter is chock full of nourishment for it is made entirely of the richest part of milk—Nature's Most Nearly Perfect Food. Four pints of cream go into every pound of butter.

Little wonder we all mean just what we say, when we make the request:

## 4-H Forestry Champions Know Woodlot Potentialities

One of 1949's state 4-H Club forestry champions and a local club advisor examine young pines that started him out on a forestry career. Four-H forestry lessons will later pay dividends in regular cash crops harvested on well-managed farm woodlots.

As an incentive to local farm boys and girls to turn their woodlots and small timber tracts into money-making properties, four college scholarships of \$300 each are being offered again this year in the 4-H Club forestry project. All 4-H Club members, working under Extension Service supervision and enrolled during the current year in a 4-H Club forestry project, are eligible to compete for national awards.

As in previous years, top awards will be made on a sectional basis—the boy or girl having the best forestry record in each of the four Extension Service sections of the Nation. In addition to the scholarships, national winners will be given all-expense-paid trips to the 29th National 4-H Club Congress to be held in Chicago, November 26-30 inclusive. Medals will be awarded to each state winner.

This is the third consecutive year American Forest Products Industries, a national non-profit association of wood-dependent industries, has sponsored the 4-H Club forestry project. In the past, two years' competition, eight of the college scholarships and free trips have been won by farm youths from the states of Arkansas, Georgia, Idaho, Montana, New York and Wisconsin, the latter two states

having had national winners both years. "It is most gratifying to see the upsurge of interest in forestry that is being shown by 4-H Club members everywhere," declared Charles A. Gillett, managing director of American Forest Products Industries, in announcing the association's continuing sponsorship of the scholarship awards for 1950. "These young people are learning the basic fundamentals of sound timber management and how to apply them to the farm woodlots of America. Certainly this assures an even greater progress in private forest management in the next half century and an ever increasing wood supply for this Nation and the world."

The local county extension agent will supply detailed information about the 4-H forestry project and the 1950 awards awaiting those boys and girls who excel in forestry.
