Michigan MIRROR

By Gene Alleman

July 1, 1950 will be a red letter day for Michigan's newest educational institution, Ferris Institute, in Big Rapids.

It marks the occasion when this trade school, founded 64 years ago by Woodbridge N. Ferris, becomes a state vocational training center. When the state legislature in April, 1949, voted to accept the institute as an outright gift, it did two things:

First, recognition by the State of Michigan that Ferris Institute would be a big gap in our present education system. Ferris has specialized in vocational education. Not every high school graduate can afford to attend college; not every graduate has capacities to attain a college degree. But nearly every high school graduate may learn a useful trade, a valuable livelihood, by taking a program of vocational training.

The legislature also paid recognition to the fact that Ferris Institute was a going concern with assets of more than \$1,000,000. Its tradition of practical education is liberal in scope; thousands of men and women with no formal education than the eighth grade have profited by pursuing practical studies at Ferris.

High school youths may attend specialized trade courses in the following: watch and clock repair, architectural or machine drafting, refrigeration and air conditioning, radio repair and electronics, stenographic and secretarial, higher accounting, business administration, B.S. degree in pharmacy, B.S. degree in commerce of science teacher training, college preparatory (high school), advertising-salesmanship, and now printing.

Some of these courses are short in time; others run for four years. The one-time superintendent of schools at Pittsfield, Illinois, also named the founder of Ferris Institute. Mr. Ferris founded the school Sept. 1, 1884 as the Big Rapids Industrial School. Later, the name was changed to Ferris Industrial School and in 1899 shortened to Ferris Institute.

In 1912 when Republicans were feuding over the Progressive movement, Ferris was elected governor on the Democratic ticket. He then became United States Senator and was elected Michigan Governor in 1928 while serving as senator from Michigan. Arthur H. Vandenberg was named as his successor.

The school has had its ups and downs and during the depression lost 90 per cent of its enrollment dwindled to less than 30 students compared with nearly 1200 today.

When the school officially becomes a state institution on July 1, Ferris Institute will have achieved the educational recognition having trained more than 75,000 men and women for the actual duties of life.

President Byron Brophy is proud of this tradition. He is determined to carry on the founding spirit of Woodbridge N. Ferris in the new coming era of public service.

You'll hear much about Ferris Institute in the years ahead.

Mrs. R. Hutzel Named Dept. Conductress at VFW Convention

Chelsea's VFW Auxiliary delegates at the department convention held in Grand Rapids last week-end proudly reported on their return that one of the local Auxiliary members, Mrs. Janet Hutzel, was elected department conductress. The local Auxiliary also received second place honors and an award of ten dollars for its Americanism scrapbook compiled by Mrs. Eulalie Packard. Mrs. Carl Lentz, local president, and Mrs. Anna Dvorak were the Chelsea delegates.

Mrs. Hutzel served as department youth activities chairman of the past year. She and the other officers elected at Sunday's session of the convention were immediately installed, with Mrs. Dorothy Mann, past national VFW Auxiliary president as installing officer.

The newly-elected department president is Mrs. Emma Applewhite of Lansing.

Three-Million Dollar Fire Razes U. of M. Classroom Building

Haver Hall Burned by Raging Fire Tuesday Afternoon

Haver Hall, on the University of Michigan campus, Ann Arbor, was destroyed by fire of undetermined origin which was discovered near the roof shortly before 5 o'clock Tuesday afternoon. The fire was not brought under control until after 7 o'clock in the evening.

Situated at the corner of State street and North University avenue, the building was an Ann Arbor landmark. It was originally used as the Michigan Law School, having been built for that purpose in 1868. It was completed in 1865 at a cost of approximately \$119,000 and an addition was built in 1898. Replacement now would cost in the neighborhood of three or four million dollars, it was estimated by university officials. This amount includes the library of the Bureau of Government, which was located in the building. The library contained more than 30,000 volumes and municipal, state and federal government documents. It was said a large number of the books and documents are irreplaceable.

Between four and five hundred students were in the building taking final examinations when the fire was discovered but all escaped safely.

Haver Hall has housed the journalism, sociology and history departments of the University and the Bureau of Government since 1920.

FOE Elects New Slate of Officers

Harry "Happy" Chandler, of Jackson, acted as grand worthy president and Ed Ward, also of Jackson, acted as grand worthy conductor for the installation of FOE Aerie officers here last Thursday evening. Chandler, an Eagle for 35 years is the fourth oldest past state president and served one term as grand worthy conductor. Ward, an Eagle for 39 years, is the sixth oldest past state president. Other Jackson Eagles present as guests at the installation were Don Black, present fifth vice-president of the State Aerie; Robert Budd, president of the Jackson Aerie, and John O'Connor, past president of the Jackson Aerie. All gave the Jackson Aerie a grand salute during the ceremony after the installation ceremonies lunch was served by the Chelsea group.

Officers of Chelsea's Aerie who were installed: Hurehel O'Dell, junior past worthy president; Elton Gaenther, president; Kermit Sharp, vice-president; Joseph Stanley, chaplain; Harold Bair, secretary; George Doe, treasurer; LeRoy Bauer, conductor; Alton Gieski, outside guard; Carl Lentz, Dan Parsons and Tom Tucci, trustees for one, two and three years respectively.

4-H Delegates Attend Leadership Training Camp at Wildenwoods

Gertrude Widmayer, Audrey Coy, Betty Pidd, Robert Toney, Kenneth Proctor, Jr., and Ken Bradbury, from this vicinity, and Allen April, from Ann Arbor, were the Washenau county delegates of 4-H clubs who attended the 4-H leadership training camp at Wildenwoods near Hartsville, from June 2 through 4. Marjorie Proctor was also a delegate but was unable to attend.

Representatives of 4-H clubs in 14 counties attended the three-day training period which included a tour of the 1600-acre Crouse farm of which Wildenwoods is a part. The tour took place on Saturday afternoon. During the morning a general discussion was led by Esther Anson, associate professor of home education at Michigan State College. The discussion topic was, "Youth Looks Ahead."

On Sunday the delegates and the county 4-H club agents and Home Demonstration agents present attended church services in the Hartland Music Hall and Saturday evening they all enjoyed square dancing.

REV. MORROW TO SPEAK AT DETROIT CHURCH AT THE REQUEST OF Rev. LeRoy L. Lord, former pastor of the Methodist Home here, and now pastor of the Thoburn Methodist church in Detroit, Rev. O. W. Morrow will preach at the Detroit church on conference Sunday, June 18.

Local 437 Baseball Team Victors over Stockbridge

McClanahan Hurlers Team to Second Win Chelsea Local 437 baseball team won their third game last Sunday in as many starts, as McClanahan hurled a five-hitter to defeat the Stockbridge Independents, 3-0.

Chelsea scored all of their runs in the first two innings off starting pitcher Ed Marshall. In the first, McClanahan led off with a double, took third on E. Miller's infield out and scored on A. Pollock's bouncer then shorted Stuits and Crocker then singled but Braden forced Crocker to end the inning.

In the second Barth led off with a single, went to second on a passed ball, and took third while Miller was grounding out. McClanahan struck out but seemed to be too much for Marshall as he then walked S. Policht, E. Miller, and A. Policht, forcing Barth in from third.

With two out and the bases loaded Campbell replaced Marshall and walked Stuits, forcing in S. Policht with the second run of the inning. Crocker forced Stuits at second to end the threat and the scoring for the afternoon.

From this point on it was a pitcher's battle with neither side in serious trouble.

McClanahan struck out 10 while walking two as he went the distance for his first win of the current season. S. Policht collected two doubles and McClanahan got a double and a single to help the winning cause.

The local team now has two wins in their first two starts. The next home game is against Pinckney, Sunday, June 25.

CHS Alumni Banquet Plan Completed

Plans are now completed for the Alumni banquet at Chelsea High School on Saturday, June 10, beginning at 6:30 p.m., according to committee in charge of the affair.

As planned, the program will be opened with the invocation by Rev. W. Brueckner, and Oscar Schettler, pastor of the First Lutheran Church, class of 1914, will act as toastmaster.

The welcome to the class of 1950 is to be given by James Daniels, class of 1939, and Merilyn Johnson, president of this year's class, with "The Four Horsemen" a barber shop quartet from Ann Arbor, will entertain with vocal numbers, and the remainder of the evening will be given over to dancing.

Don Alber has acted as program committee, Jack Winans, High School, in charge of decorations and are on the floor committee; and Mrs. Doris Smith, Paul Maroney and Mrs. George Walworth are on the nominating committee.

The reception committee includes Mr. and Mrs. Howard Holmes, Mr. and Mrs. Lloyd Hagedauff, Mr. and Mrs. Walter Geyde, Miss Audrey Harris, and Mr. and Mrs. Richard Kern.

Officers who arranged for this year's affair are: George Winans, president; G. L. Stafford, secretary; Helen Vail, secretary; and David Strieter, treasurer.

Marjorie Proctor, Jerry Herrick Named to County 4-H Council

Delegates from 4-H clubs all over the county were in Ann Arbor last week Wednesday voting for Washenau County 4-H Council members. All 4-H clubs were allowed one representative for each ten members enrolled. The 4-H Council, composed of county leaders, township chairmen and elected members, act in an advisory capacity to the county 4-H club agent in helping him to formulate and carry out 4-H club programs for the year.

Marjorie Proctor and Jerry Herrick, from this vicinity, were honored by being elected council members-at-large. Other council members elected and the sections of the county they represent are: Carl Muhlolland, of Ypsilanti, northeast; Philip Ward, of Ypsilanti, southwest; Irene Krueger, of Manchester, southwest; Shirley Lee of Chelsea, northwest; and Linda Waggoner, of Dexter, central.

County leaders are James Bradbury, of Dexter; Mrs. Leonard Burmeister, of Ann Arbor; Robert Mast and Jack Bradbury, both of Dexter.

Three Servicemen To Graduate with Seniors

In addition to the 54 seniors at Chelsea High School who graduated during commencement exercises last night, Merrill Yolkum, John Charles Geer and Irving Slane received diplomas. The three young men, previously enrolled in high school here, entered the service and have passed a general education test put out under direction of the U.S. Armed Forces Institute which entitles them to their high school diploma.

Next month's meeting is to be held Tuesday evening, July 4, at the home of Mr. and Mrs. Vincent Ives.

Awards Presented to Honor Graduates at Class Day Activities

Freshmen Asked To Enroll Now at Local High School

Charles S. Cameron, principal of Chelsea High school, has announced that 21 new freshmen who plan to enter high school in the fall are to register at his office today or tomorrow, June 8 and 9; also Monday, Tuesday or Wednesday of next week, June 12, 13, and 14.

Freshmen may register any of these days from 9 a.m. until 3:30 p.m. in Mr. Cameron's office at the High school.

Petitions To Nominate Candidates

The Chelsea Agricultural Schools Board of Education, at its meeting Monday evening, passed a resolution to conduct its election of school board members here on July 10 in accordance with the legislative ruling passed in 1949 that allows for the nomination of candidates by petition and election by ballot at polls open the entire day. School board members have previously been elected at the annual school meeting held the second Monday in July, the nominations being presented from the floor at the meeting.

Candidates who desire to file petitions may obtain them at the office of the superintendent at the High school. Petitions must bear the signatures of at least 25 qualified school electors in the district and must be filed with the secretary of the Board of Education on or before June 20. Harold Widmayer is the present secretary of the board.

The terms of Mrs. Florence Mayler and Harold Widmayer expire this year.

At Monday's meeting also, it was voted to send Russell Alastator to the building maintenance conference at Michigan State College from June 28 through 30.

Recreation Program Will Start June 19

The opening date for the summer recreation program here has been set for June 19. The Recreation Council officers. The next meeting of the Council is to be held Wednesday evening, June 14.

Additional contributions have been received during the past week, including checks for \$25 from the Chelsea Knights of Columbus and the American Legion and several smaller contributions from individuals.

Receives BA Degree at Michigan State

Robert M. Eaton received his B.A. degree from the School of Business Administration at Michigan State College during commencement exercises on Sunday, June 4 in the field house on the East Lansing campus. He majored in accounting and plans to return to MSC in the fall for a term of study.

Vice-President Alben Barkley was the speaker at the exercises. Robert is a 1944 graduate of Chelsea High school and served for two years in the army before entering Olivet College in 1946. He transferred to Michigan State in 1949.

Chas. Meserva Named Relief Police Officer

Charles Meserva has been appointed relief police officer for Chelsea to fill the vacancy caused by the resignation of William Grossman. Meserva will work one day and one night each week. This makes it possible for the regular officers, Frank Reed and George Doe, to have six-day work weeks.

Next month's meeting is to be held Tuesday evening, July 4, at the home of Mr. and Mrs. Vincent Ives.

Annual Affair Is Held Tuesday Eve. at High School

NYC Terminates Night Operator Positions Here

Beginning on Monday of this week, the Chelsea office of the New York Central railway went on a new schedule which calls for closing the office nights from 5 p.m. to 11 p.m. Only one of the three men who have been on regular duty here will remain, Robert Davine.

Watson Hart has been assigned as relief operator for Ypsilanti and Ann Arbor, and began his duties at Ann Arbor last night. Fred Johnson, the third operator here, had not yet made his choice of two assignments offered him.

Hart has been at the Chelsea depot as night operator for the past 12 years. He first came here in 1926, from Dexter, and remained until 1932 when he was assigned to Grass Lake. He worked at Grass Lake until 1937 and then returned here to the post he held until this week.

A gradual program of elimination of operations at the Chelsea office has been noted for some time. The express office was closed some time ago and the Western Union telegraph business transferred to Ann Arbor. The revised train schedules, calling for no passenger pick-ups at night, has been in effect for several months, thus making the local office still more inactive.

The train arriving here from Detroit at about 7 p.m. will stop to let passengers, and the 6:30 a.m. train to Detroit will stop as it nears the depot and if possible a train to Detroit will stop here, but there will be no activity at the depot from 5 p.m. until 8 a.m.

Monday dinner guests at the home of Mrs. Elba Geer were Mrs. Lillian Hoppe who recently arrived from California to spend some time at the home of Mr. and Mrs. Henry Schneider, and Miss Lillie Wackenhut.

Look at the FUN you're missing!

SURE, we know—a car is a "necessity" these days. A modern family "couldn't get along without one." Or so you tell yourself.
Come, come, sir! We know, and so do you, the real reason you got the new-car fever—and the kind of car you are hankering for.
You want a car with some fun in it, don't you?
A car you'll get a big bang out of every time you see it parked in front of your house—every time you slip into its front seat—every sweet and easy mile you travel in it.
Well, come see what this beauty does for you.

bonnet snaps into purring life at your toe-touch.
And then note—
How smoothly you slip away from the curb—especially when Dynaflo* is handling the power transmission.
How firm and steady the whole car feels. How it holds on curves, free of "heel-over" and sway. How each coil-sprung wheel quicksteps over bumps and rough spots that mean jounce and jiggle on most cars—how buoyantly road-free a Buick is.

Fun? You bet it's fun—too much fun to miss.
And there's no reason to miss it, really, for this strapping traveler is priced under many sixes. Starts at figures just an easy step above the so-called Lowest Price cars.
What's keeping you from trying one, when the nearest Buick dealer is ready to demonstrate without obligation any time you want to call on him.

Only Buick has Dynaflo—and with it goes!

FOUR-WAY FOREFRONT
This rugged front end (1) sets the style, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

BON VOYAGE

On June 2 the goal had finally been reached! For four long years the seniors had worked for this goal, many times discouraged, but urged on by faculty and parents. Now they have received their diplomas — not just mere slips of paper — but visible proofs representing their high school days. After graduation many think, "Well, I'm through." Graduation is only a milestone in this great business of living. During school the graduates stored up knowledge and now they can put this knowledge to use.

SENIOR EXCURSION

Today seems to be a "Holiday" and there are bright "Hughes" everywhere. The sun is shining brightly so the weather didn't "Hinder" us any. "Guenther," being a "Hoppy" (man), wanted to go to "Schulz" place, but "Frankly" (in) we thought a picnic would be better. So we started on a picnic to the "Lake." On our way we stopped at "Vogels" Market to pick up our picnic supplies. We bought some "Popp" and "White" cake and proceeded on our way. Just as we were passing a house surrounded by a "Pickett" fence with a black "Scott" (ie) in the yard, the "Geer" in both "Wheeler" broke. There was a "Klo-buchar" (throwbar) in the "O'Co" (s)nnor" of the trunk but it was broke. "We Atkinson, Koselka," the farmer, if we could "Bauer" a wheel. He refused so we "Stoll" it anyhow, afterwards we were rather "(em)-Bareis(ed)." On the way to the "McClure Lake" we "Wedm(a)yer(ed)" huge "Muschbach" growing along the road and we also passed a number of signs, reading as follows: "Which twin has the 'Toney'?" "Which 'Zeeb(ra)' has the stripes?" "Who did 'Brad-bury'?" "Have you tried 'Johnson' and 'Johnson' head-aid?" Passing a moving "(Le)Van" we arrived at our destination. There was a "Reule" about driving down too far, but being stubborn we did the opposite and soon found ourselves "Myers(ed)" in the mud. We decided to go swimming and "Schalbe" (shily) testing the water we slowly ventured in. "Schrader and Schneider Landed (tis)" in deep water and "Murphy" thought they were not "Worth(ley)" pulling out, but "Frankly(in)" I do. After we finished "Ed(er)ing"

we "Hankered" for some apple "Pi(ati)" and "(By)Craft" cheese. We were "Drey(er)" so we got some water from the "(Chris) well."

As our visit ends, all is "Quiatt" except for the singing of the "Robbins," when suddenly we heard a "Wolfe" whistle and turning, we saw a beautifully tanned man saying, "What 'che say babe?" Why it's "Dan Maroney!"

HONOR ASSEMBLY

Some additional students were honored at the assembly which was held on Friday instead of on Monday, as had been originally scheduled. Among those mentioned were the boys who diligently guided the children across the streets during the past year. These Safety Patrol Boys were: D. Myers, captain, A. Musbach, lieutenant, B. Vogel, lieutenant, D. Crocker, C. Dreyer, B. Weber, K. Galbreath, B. Koselka, D. McClure, B. Toney, O. Bareis, S. Knickerbocker, D. Otto and L. C. Harris.

The ten top seniors according to their scholarship rank in the class were also mentioned. They are as follows: F. Schable, F. Murphy, J. McClure, M. Johnson, G. Widmayer, R. Eder, D. Thomas, P. Scott, V. Quiatt, and M. Schneider.

A great honor has been given Don Schrader and Stanley Knickerbocker who were chosen to attend Boys' State this summer. They were given this opportunity by the American Legion and the Kiwanis Club who are sponsoring their trips.

The American Legion Auxiliary has chosen Lois Eisele to attend Girls' State.

CARPET SWEEPER

Anyone wanting to know the exact date of Milton's birth should consult "Bright Boy" Eder, an authority on English literature.

Dorothy Thomas has broken all records by getting an A-plus-plus (how far can you go?) in art. It seems to be raining frequently around the Schrader household; anyway Mary Ann has been having wedding showers.

Since Winona got her new watch with little marks instead of numbers, she has had to learn to tell time all over again, poor girl!

Lavender (and old lace) seems to be a favorite combination with Pat Murphy these days.

It is hoped that Bill Koselka doesn't have as much trouble with blonds at Michigan State as he had here in high school.

It was heard from reliable sources that quite a party was held at Schable's after Class Night, Tuesday.

The two senior girls who have locker number 26 downstairs have lost more articles in one year than the average person loses in a life time. It's a good thing their heads are fastened on.

The Juniors and underclassmen sadly bid the seniors good-bye. Well, they bid them good-bye, anyway.

Why does Jeanne Schultz call Cedric "Stogie"?

Roslyn had plenty of time to study for tests over the week-end as her usual car was perambulating around in Waldon Woods.

Harvey Koselka depreiated the value of the fire escape second hour Friday. He must have thought he was a new addition to the government class.

DEMOCRACY IN ACTION

One week ago today the Student Council held its last meeting for this school year.

Each committee for the school picnic, which is to take place today, gave a report on its plans. Each homeroom representative was asked to take count of how many would not be able to go on the school picnic if the buses did not run their regular routes to pick them up.

The Student Council accepted the GAA plans for their roller skating party which was scheduled for June 8.

Donna Noah, Kay Murphy, and Ted Slane, next year's Student Council president, were appointed to write up the school picnic rules to be put in the announcements so that every student will be acquainted with them.

Corley Dreyer, president of the Student Council, will get the life guards for the picnic.

HI-Y

The Hi-Y has scheduled a meeting for tonight at which time there will be induction of new officers. The address will be given by Rev. Skentebury. There will also be refreshments and games. All sophomore boys who are interested in joining the club next year are urged to attend this meeting.

Plans are being made to send the president, John Lightner, and possibly the vice-president, George Heydlauff, to a HI-Y summer

camp at Camp Hayo-went-ha on Torch Lake.

ATHLETIC BOARD

The Athletic Board revised its constitution, with these new revisions to be effective next year. The budget for next year has been completed. The football and basketball schedules for the coming year have also been completed.

Faculty Vacations?
The members of the faculty and Mrs. Claire as well as the students look forward to summer vacation. Some of the teachers have made definite plans for the summer months which include further study, employment, and travel; others are just going to spend a relaxing vacation.

Mr. Fischer's summer will be centered in Muskegon, where he will be director of YMCA camp. He also plans to travel. Miss DeRose is going to Florida, fly to the Bahama Islands, and also participate in a MSC summer course.

Travel, study, and camp work are all included in Mr. Benjamin's vacation, for in addition to visits to Lake City, and Washington, and the attendance at a scientific course in Cleveland, he is going to take part in two camps one of which is in Muskegon.

79 Cases of Measles Reported Here in May

Seventy-nine cases of measles were reported to the Washtenaw county Health Department from Chelsea and vicinity for the month of May, according to Health Department records.
 Department spokesmen again remind people that it is important to report all cases of measles to the Ann Arbor office of the Health Department because the immune globulin used as a preventive serum is distributed by the state to local health departments in direct ratio to the number of reported cases of measles. Cases under a doctor's care are reported by the doctor. Where no doctor has been called, parents are requested to report cases directly to the Health Department.
 The total number of cases of measles in Washtenaw county for the month is 181.
 Margarine
 It is estimated that nearly two million cotton and soybean-farm families produce the vegetable oil used in margarine.
