## Legion Auxiliary Holds Annual Dues Luncheon

The annual Dues luncheon of the American Legion Auxiliary was held at the Legion Home at Cavanaugh Lake Tuesday evening. Twenty-five members and four guests were present, including Mrs. Gladys Taylor and Mrs. Mary Jane Choate, of Brooklyn, district president and secretary, respectively.

The 6:30 p.m. luncheon was followed by a business session during which the rehabilitation chairman, Mrs. Lucie Maroney, reported that the Legion Auxiliary was asked to cooperate with the Washtenaw county Veterans Council and, in accordance with this request the names of the president, Mrs. Magdalen Weber, and rehabilitation chairman, Mrs. Maroney, were sent in as required. Mrs. Maroney also reported on the Poppy Sale and urged members to bring their gifts for the "Gift Shop" to the September meeting.

Delegates to the State Legion Auxiliary convention at Grand Rapids in August were announced to be Mrs. Weber and Mrs. Agnes Hummel, president and secretary of the local Auxiliary. Alternates are Mrs. Alma Eisele and Mrs. Loretta Doll.

Mrs. Weber appointed a nominating committee as follows: Mrs. Emma Mayer, Mrs. Evelyn Rowe and Mrs. Matilda Hinderer.

At the close of the business session, it was reported, a very interesting talk was given by Mrs. Taylor, the visiting president of District No. 11.

Mrs. Choate was the recipient of the evening's door-prize.

MRS. KARL LUCKHARDT

## Constance Freysinger, Karl Luckhardt Married Saturday

In a double-ring ceremony performed at 4 o'clock Saturday afternoon at the home of Mr. and Mrs. Robert Freysinger on Lincoln street, their daughter, Constance, became the bride of Karl A. Luckhardt, son of Mr. and Mrs. Otto Luckhardt of Sager road. Rev. Alvin L. Siemsen of St. Paul's Evangelical and Reformed church, Saline, read the marriage service in the presence of 40 guests. Recordings of the "Lord's Prayer" and "Wedding March" were played by Marian Allan, a friend of the bride. Miss Allan also cut the wedding cake at the reception, and Mrs. L. D. West of Ypsilanti, a sister of the bride, was in charge of the guest book.

A tea at the home followed the wedding ceremony and in the evening, a reception for 200 guests was held at the Lima Center Grade Hall.

Following a trip through northern Michigan, Mr. and Mrs. Luckhardt will be at home at 221 East Middle street.

For her wedding the bride wore a floor-length gown of white marquisette and lace. An off-shoulder ruffle, edged with lace, of the marquisette and the full marquisette skirt—featuring a peplum-effect yoke of the lace. The fitted bodice, of lace, was finished with short puffed sleeves and she wore long matching mitts. Her shoulder-length veil was held in place with a beaded tiara. Her flowers were white roses arranged in a shower bouquet.

Mrs. Eber L. Squiers of Dearborn, another sister of the bride, was maid of honor. The lavender gown she wore was styled to match the bride's and was complemented with a lavender shoulder-length veil fastened to a tiara of rosebuds. She also wore matching mitts. Her bouquet was of pink carnations and blue bachelor buttons.

John Marshall of Ann Arbor, a brother-in-law of the bridegroom, was best man.

For going away the bride wore a two-piece suit dress of powder blue eyelet batiste. Her accessories were all white.

Pre-nuptial parties included a linen shower given by Mrs. Eber L. Squiers, a miscellaneous shower by Mrs. Leon Koch, and a surprise shower party given for both the bride and bridegroom by Mr. and Mrs. Eugene Larmee and Mr. and Mrs. George Hertel.

## Jane Wilkinson Awarded Degree

Jane Wilkinson, daughter of Mr. and Mrs. Archibald Wilkinson, received her Master's degree in science at Purdue University at West Lafayette, Ind., on Sunday, June 18. She leaves Sunday from Quebec for a trip to Europe and will be one of a number of students who will take a short graduate course at the University of Zurich, in Switzerland.

Her mother and Mrs. Warren Daniels attended the commencement exercises last Sunday.

Camp Cesspool and Septic Tank Conditioner works on a new and proven principle. It starts septic action immediately. It corrects the chemical structure of the material in the cesspool or septic tank. It feeds the bacteria and they work and reproduce by the millions to convert sludge into liquid. If your cesspool or septic tank is too small for your requirements, use Conditioner and see results. 3, 6, 12, AND 30 LB. CONTAINERS

MR. AND MRS. MELVIN STOFER

## Audrey Lake Becomes Bride of Melvin Stofer at North Lake Church

Audrey Lake, daughter of Mr. and Mrs. Clarence Lake, and Melvin Stofer, son of the late Mr. and Mrs. George Stofer, were married Saturday afternoon in the North Lake Methodist church, in the presence of the immediate families. Rev. Dalton Bishop read the marriage service at 3:30 in the afternoon.

The bride wore a white organdy gown with cap sleeves. The bodice was finished with a V-shaped neckline and tiny white collar and was tied at the waistline with a white sash. She wore a waist-length veil held in place with a pearl-trimmed tiara and carried a bouquet of white carnations centered with a red rose. Marilyn Stofer, the bridegroom's sister, was the bride's only attendant. Her gown was of white eyelet-embroidered organdy over

blue taffeta and was finished with a blue sash. She wore a corsage of blue carnations and the bride's brother, Gene Lake, the bride's brother, served as best man.

A reception was held immediately after the ceremony at the home of the bride's parents, Linda Bradbury, Jean Schulz and Shirley LeVan, friends of the bride, assisted with the serving at the reception.

The rehearsal dinner was given Friday evening at the home of the bridegroom's uncle and aunt, Mr. and Mrs. Homer Stofer, where he has made his home.

Following their wedding trip, during which they will spend some time at Charleston, Ill., Mr. and Mrs. Stofer will be at home at 14567 North Territorial road, after June 24.

For going away the bride wore a light blue dress trimmed in white. Her accessories were white and her corsage was of red roses. The bride is a graduate of Chelsea High school, while the bridegroom was graduated from Pinkney High school.

## Club and Social Activities

### CHAT 'N' SEAU

Mrs. Ben Widmayer was hostess for the Chat 'n' Seau meeting held at her home Tuesday evening. Assisting here were Mrs. Walter Wolfgang, Miss Minnie Allan and Mrs. Fred Gentner. Twenty-one members and four guests were present.

Games were the evening's diversion and were followed by refreshments.

Mrs. Otto Hinderer has invited the group to meet with her at her Cavanaugh Lake home for the next regular meeting on July 18.

### WRC

The WRC meeting was held at Sylvan Town Hall Monday evening. Plans were made to go to Ypsilanti State hospital on July 26 for one of the Corps' regular hospital parties for veterans.

The group will hold a picnic at Herman's Summer Resort on July 11, it was announced. Announcement was also made of the district convention which is to be held here Oct. 25 and 26.

## Chelsea Teacher Plans Early Fall Wedding

Mr. and Mrs. Carl D. Schlosser of Lima, announce the engagement of their daughter, Jane Lenore, to Raymond J. Schairer, son of Mr. and Mrs. Arthur G. Schairer, of US-12, Ann Arbor.

Miss Schlosser teaches first grade in the Chelsea Agricultural school and Mr. Schairer assists his father in farming. The wedding will take place in early fall.

## J. Moore Graduates from Normal School

Joanne Moore, daughter of Mr. and Mrs. H. T. Moore, graduated Saturday from Michigan State Normal college at Ypsilanti. A 1946 graduate of Chelsea High school, she received her Bachelor of Science degree at Saturday's Commencement exercises. She will teach in the Jackson schools next fall. At present, she is acting as counselor at Cedar Lake Girl Scout camp.

Joanne was honored with a reception given at her home here after the commencement exercises, by her parents. Fifty guests were present from Toledo and Sylvania, Ohio, Williamston, Devils Lake and Chelsea.

### Violet Land

Approximately 90 per cent of violets used for commercial purposes in the United States are grown in the area surrounding Rhinebeck, Dutchess county, New York. The soil in the area is termed ideal for the growing of violet plants.

### Reading for Children

A child should not be encouraged to read before the age of six because his eyes are not ready for near-point concentration, and he may damage his vision, according to the American Optometric association.

## NEW WAY TO RAKE HAY

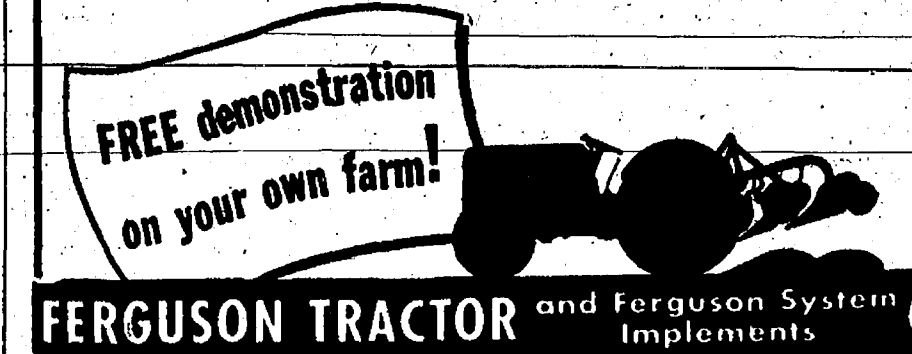

The Ferguson Side-Delivery Rake is designed specifically for tractor operation. It greatly reduces leaf-shattering... safeguards the quality and value of your hay!  
This rake is truly unique. New six-bar offset reel handles hay gently. No pitching, kicking and tossing even at high speeds. Instead, your hay is lifted gently, up and over into light fluffy windrows with the precious leaves turned inward.  
True "sideward" raking action reduces the distance from swath to windrow by 50 per cent. There is far less rolling and churning... no sudden jarring.  
Tractor-mounted... power take-off driven... Finger Tip Controlled. And it's surprisingly low in price.

**ONE FOR THE BOOK**—Telephone directories go with telephones just like ham goes with eggs. And last year Michigan Bell published more than 3,500,000 directories. Over 8,550,000 pounds of paper were purchased through Western Electric Company, the Bell System's supply division. Printing the directories took 124,000 pounds of ink and 65,000 pounds of glue were used for binding. It takes a lot of everything to provide telephone service.

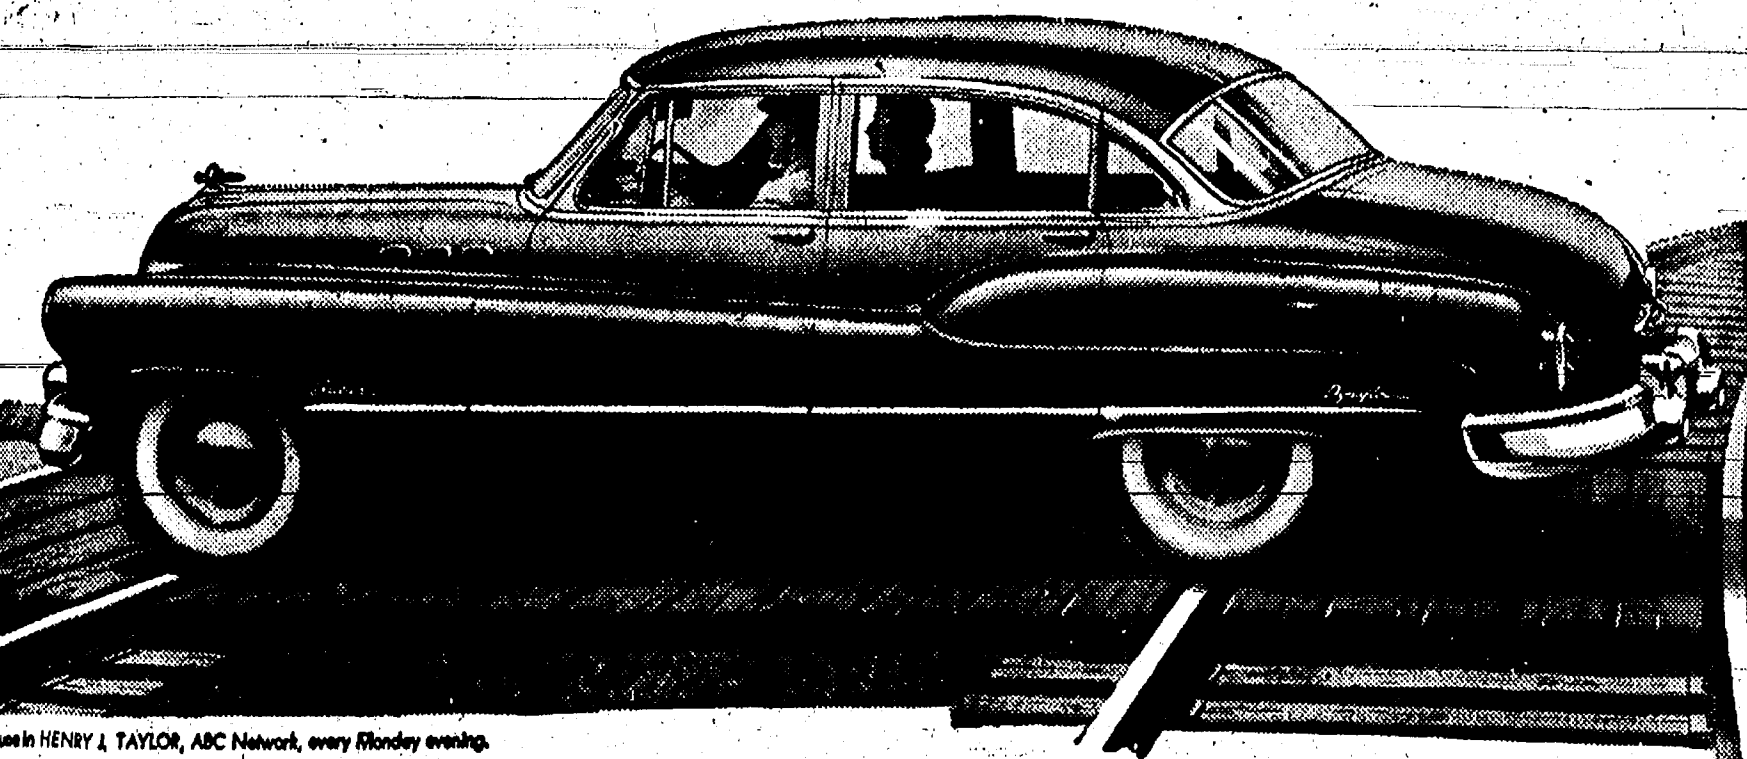

**AS SIMPLE AS A-B-C**—Money for new construction needed to provide more and better rural telephone service has to come from investors. And investors only put their money in businesses that show a fair profit. So, no fair profit for Michigan Bell, no investors. No investors, no money for new construction. That's why it's important for you to have Michigan Bell financially healthy.

**A TRIP SAVED**—During planting this Spring, a Michigan farmer's tractor broke down. He was about to drive into town to get a spare part from the dealer there. But fortunately, he thought to telephone first. The dealer didn't have the right part. So he called the dealer in another nearby town and located the needed part. Saving needless trips and wasted hours is but one great value of the telephone.

## Crossings should be Seen and not Felt

WHEN the sign says "Stop, Look and Listen," the prudent driver does. But after that-what? Must you still move forward at a cautious crawl or pay toll in jar, jitter and jounce?

Not, good sir, when you're at a Buick's wheel.

You step on the throttle, move easily, swiftly forward. Your wheels dance—your tires drum-roll over rail and plank.

But four gentle coil springs, one on each wheel, are working their magic—and you hear rather than feel the rough spot you have crossed.

That, of course, is only one kind of rough going you can meet in your travels. It's only one kind of discomfort your Buick's built to master.

For beside gentle coil springing, every Buick rides on soft, low-pressure tires. Every one is steadied by a rigid torque-tube. Every one boasts a rigid, weaverproof frame—soft, sure shock absorbers—even special engine mountings to minimize vibration.

They can have the special added smoothness of Dynaflo Drive,\* cushioning power-thrust in spinning oil.

So rough spots seem to level out

\*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

at your coming. Boulevards take on a new smoothness. You know what riding comfort is—why the Buick ride is called matchless.

So how about it?

Come climb into a Buick and see for yourself what we mean. You'll get a style-thrill and a power-thrill along with your ride-thrill—and a story on price that eliminates your last excuse for not traveling in the Buick manner!

**Only BUICK has Dynaflo—**

### Who ever heard of a "3"

### turning into a "4"?

That's no hocus-pocus. It can happen!

In fact, that's what does happen to every \$3 you invest in U.S. Savings Bonds. Every \$3 turns into \$4 at the end of 10 years.

There's no trick to it, but it does seem like magic—and it's almost magic the way you can buy those Bonds.

Here's all you have to do. Just come to this bank and arrange for regular purchase of U.S. Bonds.

Then at the end of ten years, look what's happened! All those \$3's have turned into \$4's. Just like magic and just as wonderful!

MR. AND MRS. EDWIN LANTIS

### Mary Ann Schrader Speaks Vows to Edwin Lantis

At 2 o'clock Saturday afternoon, in St. Mary's church, Mary Ann Schrader became the bride of Edwin Lantis, son of Mrs. Clara Lantis and the late Lloyd Lantis. Father Leo Laige officiated. A reception followed at the home of the bride's parents, Mr. and Mrs. Walter Schrader, Sr., at 1850 Wilkinson street. Approximately 25 relatives and friends from Pontiac, Bay City, Detroit and Napoleon, were present.

The bride chose for her wedding

a navy blue crepe, street-length dress with white accessories and a corsage of white roses. For going away later, she changed to a pastel pink dressmaker suit with brown and white accessories.

Upon returning from a week's trip through Wisconsin and upper Michigan, the couple will be at home at 127 Orchard street.

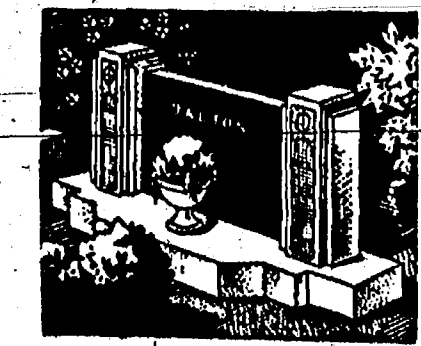

Phyllis Kelly of Detroit, and Robert Shanahan were the couple's attendants at the wedding.

Miss Kelly wore for the occasion a pink, waffle-weave plique dress complemented with white accessories and a corsage of pink roses. The bride was a June graduate at Chelsea High school.

Mr. Lantis, a graduate of Chelsea High school in 1947, attended Howe Military Academy in Indiana for three years prior to his graduation. He is now employed with the Lantis Construction company.

Pre-nuptial affairs honoring the bride included a shower at her parents' home, June 1, given by Mrs. Ray Franklin and the bride's sister-in-law, Mrs. Walter Schrader, Jr., and another, given Tuesday, June 13, by Gertrude Widmayer at the Widmayer home.

Mrs. Eva Cummings has moved from the Schiller apartment on Main street to an apartment at the Ulrich home at 119 East street. Mr. and Mrs. Robert Gillette and son, who formerly resided at the East street address, have moved to Jackson.

### Bruin Lake Scout Camp in Readiness for Youthful Invasion

The Washtenaw - Livingston Council, Boy Scouts of America, is rapidly completing preparation to open the gates of new Bruin Lake Camp in the Pinckney Recreation Area to over 800 Scouts this coming summer. Present plans call for five one-week periods to begin Sunday, June 25 and continue through Saturday, August 5. The camp will not be operated July 2-7 due to the National Jamboree at Valley Forge and the July 4 holiday period.

Since construction began approximately one year ago many capital improvements have been added to one of the finest natural settings for camping in southeast Michigan. Headlining the list is the new dining hall and kitchen built to accommodate 60-70 campers. Several wells have been dug, a marksmanship range constructed and general waterfront improvements have been made. Before the camp season begins several smaller buildings are planned for use as headquarters and dispensary.

Marksmanship, the art of handling a rifle safely and expertly has been added to the program under the direction of Charles J. Barclay, camp program director.

According to Loren Loomis, camp director, very little space remains available to unregistered campers. The first four periods are full. The fifth is available for 25 more Scouts. Those not yet registered and desiring to come to camp must register thru their Scoutmaster this week or be left out.

### 'Ham' Operators Will Hold Open House Sunday at Bruin Lake

Radio "hams" who are credited with furnishing emergency communication which has proved of great value in saving lives and property during catastrophes and have provided comfort and peace of mind to many by relaying messages that could not be sent through regular channels because of power failure, etc., are conducting national contests in Canada and the United States the coming week-end.

Marion Longworth, local "ham" enthusiast, announced yesterday that he and 25 men from the Ann Arbor Radio Association will take part in the contest for the 24-hour period from 4 p.m. Saturday to 4 p.m. Sunday. They will be at the Bruin Lake Boy Scout camp and invite all interested persons to come out and watch as they operate the six transmitters—one for each amateur frequency band. The University of Michigan is furnishing a heavy-duty generator to provide power to operate the transmitters and receivers without the use of commercial power lines. The idea of the "meet" is to experiment with preparations for possible emergencies when no power would be available. Contestants will experiment to determine the greatest distance range which can be secured with the smallest amount of power.

The transmitters will be housed in a building at the camp. Longworth said. They will be kept running continuously for the entire 24-hour period.

would be paid ostensibly by the government—but actually by the taxpayer in the form of withholding taxes. The so-called "high cost" of eye glasses, due to the secret kickback, thus has become a matter of national concern to practicing physicians and surgeons.

● The Michigan State Medical Society has organized a "good citizenship campaign" among its members. This program is aimed at getting out the vote at the August 6-7 election.

● The American press, in its vigilance to prevent Government seizure of unwarranted power over the people, has been the Nation's strongest defense against State Socialism," Whitaker declared.

● The citizens of our country will be a captive people, held captive by their own Government, within another five years, if the trend toward concentration of power in Washington is not halted. The American press, standing alone, cannot long prevent that disaster.

● The American people must be aroused to come to their own defense; they must be told the blunt truth—that a Welfare State is a slave state—and that the cancerous growth of Government dependency is the most dangerous sickness in our world today.

● American doctors have become the second-greatest force in the Nation, second only to the American press, in alerting the people to the danger of a Socialized State.

● The doctors are mobilizing all over this country not only to protect their profession and the public health from the scourge of socialized medicine, but to fight for the right of every American to practice his own trade or profession as a free man in a free country.

**Industrial Tale**  
About half of New York state's production of industrial tale is used in the making of paint filler. Mines in New York state annually produce approximately 150,000 tons of tale.

**Fertilizer**  
Fertilizers, which are changed in the winter, can be stored easily on most farms. A dry place is needed on a board floor that permits air circulation.

## Two High School Journalism Students Attend MSC Course

Last Monday Leola Altstetter and Verna Mary Clark left for East Lansing to enroll in the annual two-week Journalism program offered by Michigan State college. The girls have been members of the Chelsea Journalism club, and have contributed to the "Hi-Light" regularly. Both girls are entering their senior year in the local high school.

During the short course classes are offered in newspaper composition; writing of news stories, features, editorials; advertising and business management; art work; and public relations. Also offered are various courses along similar lines designed to assist people in the preparation of the annual yearbook, known locally as the "Senior Reminder."

Born to Mr. and Mrs. Alfred Burkhardt, a daughter, on June 16, at Foote hospital, Jackson.

Mr. and Mrs. Gottlieb Bollinger returned home from an eastern vacation where they visited Mrs. Bollinger's brother, Albert T. Kopp, of Boston. Mrs. Bollinger hadn't seen her brother for more than 25 years. They also visited several nieces and nephews in Jamaica Plain, Mass., and stopped over at Plymouth Rock, Long Island, and New York City before starting for home. While coming through Connecticut Mrs. Bollinger reports they missed a big bank robbery by three minutes.

## CARD OF THANKS

I wish in this way to express my sincere appreciation to the blood-donors, the Ladies' Auxiliary of Chelsea F&M for the beautiful flowers, and for those who visited me while I was a patient in the hospital.

Mrs. Howard Bergman.

## CARD OF THANKS

We wish to thank our kind neighbors, relatives and thoughtful friends for their kind expressions of sympathy and beautiful flowers; also our appreciation to the choir of Zion Lutheran church, Rogers Corners, and to Rev. M. W. Brueckner for his comforting words during our recent bereavement in the loss of our dear father and grandfather.

Mr. and Mrs. Rudolph Zahn, and Family.

## CARD OF THANKS
