

Michigan MIRROR

By Gene Alleman

From now until November election day, Michigan bi-partisan government will be somewhat of a farce. The governor's efficient press secretary, Paul Weber, is preparing a constant line of attack to run down Republicans claims to promote the Williams campaign for re-election. You may safely expect plenty of righteous and angry statements from both sides. Remember, 1950 is an election year.

After vetoing the \$10,880 Louis A. Kunzig salary from the civil service budget, Governor C. W. Williams staged a friendly rescue act for the civil service commission's full constitutionality. He vetoed a legislative cut of \$40,500, explaining that the state constitution required one per cent of the state salary total for maintenance of the civil service. The \$40,500 reduction would have been unconstitutional, said Williams. The commission had previously agreed to the cut.

The governor signed the legislative bill \$271,000,000 omnibus appropriation bill quite reluctantly. He said he was forced to sign it to prevent "financial chaos" although the amount was \$70,000,000 less than he asked for and \$14,000,000 less than the current year's total. Williams is disputing the public claims of economy while legislative leaders are pointing to the record as a real achievement—the first check on rising government expenditures since 1938.

Operations and payrolls of Michigan's mental hospitals will have to be trimmed after July 1, according to Charles F. Wagg, state mental health director. New vacancies will remain unfilled to the extent of 200 to 250 jobs. While cutting \$1,370,000 from the state budget, the legislature added \$100,000 to hire additional psychiatrists and adjust pay of those already in service.

Legislative bills to remedy social waste of public funds in welfare administration were permitted by Governor Williams to become law without his signature. The senate committee on social aid and welfare, headed by Cullen Smith reported Jan. 12 that "mild" (Continued on page 12)

Frederick Seitz Dies Tuesday at His Farm Home

Frederick John Seitz who had made his home in Lima township his entire lifetime, died Tuesday afternoon at the home on Fletcher road where he was born 71 years ago. He was the third oldest in a family of nine children, the parents having been Philip and Rosina Zahn Seitz. Mr. Seitz was a member of St. Paul's Evangelical and Reformed church, the Lafayette Grange and the Farmers' Guild, Local 254.

Born December 7, 1878, he had farmed in the Lima township area since boyhood. He was married on August 6, 1908, to Emma Seitz, and they made their home on a Lima township farm for a time, returning later to the family home to care for his mother until her death in 1938.

Survivors, in addition to Mrs. Seitz are a daughter, Estel born May 1907; two sons, Paul, of Ann Arbor, and Walter, of Detroit; three daughters, Mrs. Emma Mast and Mrs. Rose Edwards, of Ann Arbor, and Mrs. William Bowering of Baldwin Park, Calif.; four brothers, Philip, of Lima township, John, of Ypsilanti; George, of Chelsea, and Jonathan, of Ann Arbor; six grandchildren and a number of nieces and nephews.

A prayer service will be held at the residence, 476 Fletcher road, at 1:30 P.M. Friday, followed by funeral services at 2 o'clock at the First Lutheran church, Rev. P. H. Grabowski is to officiate and burial will take place in Oak Grove cemetery.

Friends may call at the residence.

Local 437 Takes Fifth League Win Will Meet Strong Webberville Team Sunday Afternoon

The Chelsea UAW-CIO Local 437 team took their fifth straight league game Sunday as they outlasted the Pinckney Independents 8-3. Pinckney scored one in the first, two each in the sixth and seventh, and three in the ninth, all on only three hits. The Chelsea boys chipped in five errors and 10 walks to keep the game exciting for the fans.

Harold "Lefty" Barth started on the mound for the local team and struck out nine of the opposition while being tagged for two hits and five runs in the six innings he worked. He was relieved in the seventh and put out the fire but was nicked for three runs in the ninth.

Chelsea scored three in the third, one in the fourth, two in the fifth and one each in the sixth and seventh. As they came to bat in the ninth the score was tied but Knickerbocker got his fourth single leading off and scored second. Then scored. Healy's fourth hit of the game, to end the ball game. Chelsea collected 15 hits as everyone connected but the two pitchers.

The local team now has a record of five wins and no defeats in the league which is the same record as their next opponent, the Webberville Independents. This game will be played at Webberville Sunday and should be a slam-bang affair.

Tri-County Baseball League Round-Up

LEAGUE STANDINGS		
Chelsea	5	0 1,000

Willton 000 000 030—3 4 6
Corbin, Avery (8) and Betcher; Brandenburg, Anderson and Stevens, Wessendorf.

The Heat's On!

After a period of comparative quiet with regard to enforcement of the two-hour business district parking limit, village officials stated yesterday that the ruling will be strictly enforced, beginning now.

This policy is in line with their recent action of forbidding delivery trucks to double-park while loading or unloading. It is hoped that enough long-term parking may be eliminated to make it possible for the delivery trucks, as well as shoppers, to park next to the curb while transacting their business.

Rev. David Bryce Begins Duties as Methodist Pastor

Rev. David Bryce, the newly-appointed pastor of the Chelsea Methodist church, took over his duties here on Sunday, June 25. He and his family moved here from Deerfield the end of last week after Rev. and Mrs. O. W. Morrow and their niece, Cynthia Lord, had vacated the parsonage. Rev. Morrow was assigned to the Prairie and Unionville churches in the Saginaw Bay area at the annual Detroit Conference two weeks ago. He held his first service there last Sunday.

Rev. Bryce is a son of Rev. Robert Bryce who was formerly pastor of the Grass Lake Methodist church. He has now been assigned to the Deerfield Methodist church where the newly-appointed pastor served until his appointment to the local church. Rev. David Bryce has been a fully ordained pastor for the past two years. Before his ordination he served the church at Samaria, near the southern boundary of Michigan, for one year, and had one year of pastoral work while still in college. A graduate of Flint High school, he graduated from Adrian College, attended Oberlin Graduate School of Theology and received his B. D. degree at Garrett Biblical Institute at Evanston, Ill.

The Bryces have two children, a daughter, Laura, three and one-half years old, and a two-year-old son, Chris.

Stolen Plates Get Soldiers in Difficulty

Chelsea Police Officer Frank Reed, enroute to Chelsea from Ann Arbor about 10:35 p.m. Sunday, stopped a car about a mile west of Baker road on US-12 after he noticed it had passed three cars going uphill in a no-passing zone. The car was without a tail-light, and an interesting and enjoyable experience for the boys chosen to attend.

Representatives from gun and conservation clubs throughout the state will attend the camp period. The program is well-planned by the camp staff and includes schooling, recreation periods, and leisure time as well. Conservation topics are stressed. The entire program is described as "highly beneficial" and an interesting and enjoyable experience for the boys chosen to attend.

School officials emphasize that registration is unnecessary for the election of two school board members to be held on July 10. Electors, to be qualified to vote at the election, are not required to be property owners but (1) must be citizens of the United States; (2) must be 21 years of age or over; (3) must be residents of the state for at least 6 months and residents of the school district for at least 20 days.

The elections is to be held in the High School gymnasium from 2 p.m. to 8 p.m. on Monday, July 10. Candidates' names, according to law, must appear on the ballots in alphabetical order. Thus, the name of Parker Sharrard will appear at the top of the ballot; Ruth Walker, second, and Harold Widmayer, present secretary of the Board of Education who is seeking re-election, third. Officials point out that it is permissible, according to law, to write in other names, if desired.

There will be no annual school meeting this year. Extra copies of the school's financial report as it will be printed in The Standard next week, will be available at the gymnasium on the day of the election. A bulletin report to electors of the district will also be passed out that day, according to school officials.

David Yoell and Gerald Platt, as they appeared when they left Sunday for the Michigan United Conservation club's junior camp at Ludington state park. Shown (from left) are Lyle Haselwerdt, president of the Chelsea Rod and Gun club; Walter Scott, club member who took the boys to camp Sunday; Ernest Guenther,

another club member, who plans to go to Ludington Saturday to bring the boys home; and David and Gerald. David lives with his grandparents, Mr. and Mrs. Roy Thomas, on Flanders street. Gerald is a son of Mrs. Harriett Platt of Van Buren street, and the late Kenneth R. Platt.

Rod-Gun Club Sponsors Two Boys For Camp Period

The Chelsea Rod and Gun club is paying all transportation and enrollment costs for David Yoell and Gerald Platt at the Hamlin Lake group camp in Ludington state park. The boys are attending the June 25 to July 1 period of camping which is the first week of a program that continues through July 22 under the direction of C. J. Mefort of Central Michigan College of Education and the Michigan United Conservation club junior camps.

The program is well-planned by the camp staff and includes schooling, recreation periods, and leisure time as well. Conservation topics are stressed. The entire program is described as "highly beneficial" and an interesting and enjoyable experience for the boys chosen to attend.

School Board Members To Be Elected July 10

School officials emphasize that registration is unnecessary for the election of two school board members to be held on July 10. Electors, to be qualified to vote at the election, are not required to be property owners but (1) must be citizens of the United States; (2) must be 21 years of age or over; (3) must be residents of the state for at least 6 months and residents of the school district for at least 20 days.

The elections is to be held in the High School gymnasium from 2 p.m. to 8 p.m. on Monday, July 10. Candidates' names, according to law, must appear on the ballots in alphabetical order. Thus, the name of Parker Sharrard will appear at the top of the ballot; Ruth Walker, second, and Harold Widmayer, present secretary of the Board of Education who is seeking re-election, third. Officials point out that it is permissible, according to law, to write in other names, if desired.

There will be no annual school meeting this year. Extra copies of the school's financial report as it will be printed in The Standard next week, will be available at the gymnasium on the day of the election. A bulletin report to electors of the district will also be passed out that day, according to school officials.

D. Hoffman Is Attending Jamboree

David Hoffman, Chelsea's Eagle Scout, left yesterday for Valley Forge, Pa., to attend the international Boy Scout Jamboree. David is the only Eagle Scout in this community at the present time and is only the third boy from this area who has ever attained this highest Boy Scout rank. George Klein and Andros Gulde, Jr., are the others who were Eagle Scouts here in the past. David received his Eagle rank in Oct., 1949.

The jamboree begins tomorrow, June 30, and continues through July 6. David is patrol leader of Jamboree Troop 27. He joined a group of 99 Boy Scouts and leaders who boarded a train at Ann Arbor at 2 o'clock yesterday afternoon. On the train they met other Boy Scouts from Michigan and were joined on the same train by others of the 6,700 Scouts and leaders from Indiana, Illinois, Wisconsin and Michigan, the four states comprising Region 7. This region will account for one-seventh of the entire number of Scouts and leaders attending the Jamboree from all over the world. It is estimated that 47,000 are to be present.

In addition to the daily program which will include demonstrations of Scout activities of all countries represented, tours of Philadelphia have been arranged. Scouts will be given the opportunity to attend church services of their own denominations Sunday morning, and a big Independence Day show and program is planned for July 4. David is attending the Jamboree under the sponsorship of the Chelsea Kiwanis club, sponsors of the Boy Scout program in Chelsea. He is a counselor this summer at the Bruin Lake Boy Scout camp.

Fire Dept. Called to Frisinger Farm

The Chelsea Fire department answered a call to the Frisinger farm on Freer road Monday afternoon about 3 o'clock. The wood-shingled roof of a small building used as a tool shed and garage caught fire from sparks of a bonfire about 25 feet away from the building. The fire was brought under control before any extensive damage resulted.

Dr. Teed Lashes Out at 'Socialistic Trends'

The guest speaker at the June 26 meeting of the Kiwanis club was Dr. R. Wallace Teed of Ann Arbor. Speaking on the topic, "Socialism," he began by mentioning a number of the proposals

Recreation Program Is Popular

Approximately 700 children were accommodated at the playground, the athletic field and at the swimming sessions the first five days of the summer recreation program last week, according to figures submitted by Recreation Council spokesmen. There is still a problem in regard to transportation facilities to and from Portage Lake, Jackson county, where the Wednesday and Friday swimming periods are held. Volunteer drivers have been pressed into service to help provide transportation. The rented bus can carry only 70 youngsters and at least a hundred are on hand for each session. School buses have not been available for the recreational program, to date.

Contributions toward the cost of the summer recreational program were received this week as follows: St. Mary's Altar Society, \$5; Warren Daniels, \$25; UAW-CLC Local 37, \$50; and several smaller amounts from private contributors. Unless promised contributions are turned in soon and additional contributions are made it will be necessary to cut short the planned eight-week summer program. The number of youngsters interested and taking part in the various activities proves the program's popularity and Recreation Council members are hoping for community support in making the full eight-week period possible.

Because of the forth of July holiday next week there will be no recreation program on Monday and Tuesday, July 3 and 4. Activities will begin again Wednesday, July 5, as shown on the schedule printed in this issue of The Standard.

Those who are taking part in the swimming program pay 10 cents each to share a basket for their clothes at the lake. There has been some confusion, workers state, some children believing that the charge is 25 cents per child.

Work Bee in Park Is Today

Chamber of Commerce members are planning a "work bee" at Pierce Memorial Park at 2 o'clock this afternoon in an effort to have the park ready for the dedication celebration planned for next Thursday, July 6.

The dedication ceremonies are to begin at 6 o'clock in the evening and will include selections by the Chelsea High school band. A softball game on the park diamond is planned for boys under 14 years of age and playground equipment is to be ready for the children. People in the community are being urged to bring out picnic suppers as a large number of picnic tables are being put in place for their use at the park. Free ice cream is to be provided. Farmers, factory workers, all Chamber of Commerce members, and any interested men in the community are invited to turn out for this afternoon's "bee" to help C. of C. members prepare for the grand opening of the park next Thursday.

Firemen Are Awarded Certificates

Chelsea firemen who took the firefighting course of study last winter under Assistant Fire Chief Ray Howard, of Jackson, have completed the 30-hour course and received their certificates. A certificate has also been awarded the department, itself, to be hung in the fire hall.

The certificates are issued by the Office of Vocational Education, Department of Public Instruction. Each of the Chelsea men who received one had to pass a written examination with a satisfactory mark to be eligible. Those who received certificates are: Howard Brooks, honorary chief; Thomas Young, chief; Kenneth Schanz, assistant chief; C. Balmer, captain; Bill O'Dell and George Ackison, lieutenants; Jim Gaken, secretary; treasurer; Joe Wright, Frank Reed, Reuben Hieber, Herbert Roy, Melvin Lesser, Claude Spiegelberg, Howard Walz, Mac Packard and Don Alber.

The cost of the course of study to the village was \$120 and \$48 of this amount will be reimbursed by the state upon notification of its successful completion. This will bring the actual outlay for the worthwhile project to only \$72.

19 Giant Strawberries Fill Quart Basket

Many strawberry growers in this vicinity report that berries this year are larger than ordinary and that crops are almost of bumper proportions. Hearing various reports from adjacent counties on the size of berries, Walter Schrader, Sr., of Wilkinson road, decided to see how his Robinson variety of strawberries compared with some of these alleged "record breakers." Carefully picking the berries into a quart basket he found that 19 berries, picked in his patch, filled the box to capacity.

Awarded Degree

Rev. Vern A. Panzer, pastor of Salem Grove Methodist church, received an M.A. degree in English from the Graduate School of the University of Michigan, on June 17. He is continuing work for a doctor's degree for later teaching in a Christian college.

WHAT A CROWD!—Approximately 80 of the 120 youngsters who gathered on the playground last Wednesday, are shown in this photograph taken as they were awaiting the bus ride to Big Portage Lake for their afternoon of supervised swimming under the summer recreation program. The Recreation Council has

rented one bus which seats approximately 70 youngsters. The overflow crowd has been taken care of by volunteer transportation. Recreation program directors, Mr. and Mrs. Robert Harvey, are shown in the center of the group.

LET'S GET BACK IN STEP, AMERICA!

Police Offer Reminder of Increased Dangers in Excessive Speeds

The faster you drive, the longer it takes to stop, that is the fact. Good drivers know that the higher the speed the more distance required to stop, according to local police officers.

The question, Chelsea police said today, is "Do you know how much distance is required to recognize the need to stop, apply the brakes, and come to a full stop at any given speed?" And, more important, do you always drive with the full realization that you must be able to stop in an emergency?

"We'd all be safer drivers," police said, "if we'd remember three things: the driver has to see and recognize the need to stop before he can start stopping. After he stops, the greater the speed the longer it takes for the brakes to

more interval called "reaction time" before he is actually doing the third thing, putting on the brakes. All this time—until the brakes finally stop the car—the car is moving toward that thing the driver doesn't want to hit!"

Here are the figures from the National Safety Council on how long it takes an average driver to see an emergency, react, and stop an average car:

At 20 miles an hour—43 feet (including 22 feet of reaction time).
At 30 miles an hour—80 feet (33 feet of reaction time).
At 40 miles an hour—128 feet (44 feet of reaction time).
At 50 miles an hour—186 feet (55 feet of reaction time).

"The faster you go the longer it takes!" repeated the police. And that's simply because the car is moving faster while you are seeing and reacting to the need to stop, and the greater the speed the longer it takes for the brakes to

counteract the energy of that speed. Safe, experienced drivers know that. All drivers should remember it."

Safer speeds are the goal of the Michigan State Safety Commission's program this month, a part of Chelsea's continuing traffic safety program.

4,700 Children Are Given Free Immunization

Approximately 4,700 children were given protection against diphtheria and smallpox by the Washtenaw County Medical Society in the county-wide immunization clinics recently completed.

5,018 children were vaccinated for smallpox and 3,858 were immunized against diphtheria. Some children were protected against both diseases.

Assisting the Society this year as in the past were the County Health Department, The Ann Arbor School Health Service, school officials and members of the staff of the pediatrics department of the University of Michigan hospital.

No charge was made for vaccination and immunization given to children.

Immunizations recorded were as follows:

Chelsea	151	193	285
Whitmore Lake	100	119	128

Vision Tests
Twenty-nine states have no law requiring vision testing in schools.

Present Auditor Gen. Seeks Congress Job Vacated by Michener

MURL K. ATEN

Murl K. Aten, 48, Michigan's two-term Auditor General said today he will be a candidate for the Republican nomination for Congress from the second congressional district.

Aten, who has served as court clerk, friend of the court, county clerk and prosecutor in Jackson County in the last 30 years, has stacked up an enviable record as Auditor General in four years.

He has policed state spending in the public interest. Frequently he has stopped payment on state vouchers because he felt the expenditures unwarranted. Each time he was upheld by the State Supreme Court. His office, for the first time in Michigan's history, gave the legislature an audit of state government in 1949.

As a member of the Republican "Policy Committee," Aten has a strong voice in Republican party affairs. This group, working closely with the legislature, pushed through the Republican "economy budget" for 1950-1951, which is \$15,000,000 under this year's spending and is the first halt in public spending in Michigan since 1933.

Attesting his ability as a law enforcement officer and as a lawyer, Aten played an important part in obtaining convictions of four hoodlums in the Hooper slaying in 1945-1946. He was Jackson County Prosecuting Attorney at that time. Norvell, Michigan, is married and has three children, two girls and a boy. Starting out in public life as chief clerk of the Jackson Municipal court in 1923, Aten later served as friend of the court and was elected county clerk from 1934 to 1940. He was named assistant prosecutor in 1942 and elected as prosecutor in 1944. Two years later Aten, after receiving the Republican nomination for his present job, was elected to the office of county prosecutor and auditor general at the same election, the only man in recent state history to turn the trick.

Aten is a Methodist. He is a member of the Kiwanis Club, a charter member of the Jackson Hills Twelve, member of the Masonic Lodge Chapter No. 3 R. A. M. and of Moose Lodge No. 156. He lives outside of Jackson in Sandstone Township and is a lifelong resident of Jackson County.

New Farm Bulletin

To meet the increasing interest in the use of more and better grasses and legumes in a farming program, Michigan State college has published a new bulletin that is available without charge to the public.

"Grasses and Legumes on Michigan Farms," Circular Bulletin #17, is the new publication by the Michigan Agricultural Experiment station. The publication covers all phases of research, observation and recommendations from studies made by the college on grasses and legumes. Specialists and researchers from many departments compiled and edited material in the new "grass handbook."

The new bulletin is available from county agricultural agent offices in each county and by mail from the Bulletin Office, Michigan State college, East Lansing.

EFFECTIVE JUNE 20

New telephone rates for Michigan Bell customers

THE Michigan Public Service Commission has authorized increased local rates for Michigan Bell telephone service, beginning June 20, 1950. The increase was granted after a thorough 18 months' study of Michigan Bell's application, which was filed in December, 1948. It does not change the long distance rates now being charged.

The revised rates represent increases of from 25c to 75c a month for residence service. Increases for business customers range from 50c per month upward.

Each Michigan Bell subscriber will receive specific information about the new rates with the first telephone bill dated on or after June 20.

The reason for the new rates is a very simple one. The costs of providing telephone service have climbed much faster than revenues. And the rate increases granted have lagged far behind the increases in costs.

In the last ten years, for example, general increases in basic wage levels alone have added \$35,000,000 a year to operating costs. But during the same period, telephone rate increases, including the present one, will

have added only \$21,000,000 a year to revenues. Only recently we received demands from the telephone union for changes in its contracts which, if granted, will add still more to our expense. This, of course, is not provided for in the rate increase just granted.

Even with the present increase, the average telephone bill has risen less than half as much as the prices of things that make up the cost of living. In terms of value—in terms of the working hours needed to pay for it—telephone service is cheaper now than before the war. A telephone in the average home costs less per day than a package of cigarettes, a quart of milk or a gallon of gasoline.

Michigan Bell must keep on adding to its telephone plant in order to expand and improve its service to meet the needs of Michigan people. That requires that more money be invested. And to attract that money from investors, your telephone company must have adequate earnings.

This rate increase, although much less than the amount needed, will help to strengthen Michigan Bell's financial condition—and thus help us to provide you with the kind of telephone service you want, when and where you want it.

A financially healthy telephone company is good for everybody

PERSONALS

Mrs. Kathleen Hatt, with Mr. and Mrs. Don Johnson, of Dexter, attending the wedding reception of Mr. and Mrs. Emory Mulholland, at Ypsilanti.

Mr. and Mrs. Vearl Whipple visited Mr. and Mrs. Jack Shafer and Mrs. Virginia Baker and children at their homes in Detroit on Sunday.

Mr. and Mrs. Harley Hatt were in Jackson Tuesday evening to call on Mrs. Eben Casey, of Leslie, who is a patient at Foote hospital.

CARD OF THANKS

We wish to extend our most heartfelt thanks and appreciation for the many acts of kindness, the beautiful floral offerings, and the messages of sympathy received from our kind friends, neighbors and relatives during our recent bereavement in the loss of our most beloved brother, Clinton C. Johnson, of Union City. We especially thank the Rev. W. M. MacKay, the pallbearers and the members of Olive Lodge No. 156, F&M.

Fred Johnson, Josephine-Henson, Ella Brannon, Mrs. E. C. Leslie, Edith Simmons, Isabelle Johnson.

CARD OF THANKS

I wish to extend my sincere thanks to my friends, relatives and neighbors who so kindly remembered me while at the hospital, and since my return home.

Mrs. Harold Widmayer.

CARD OF THANKS

We wish to thank the good and kindly-thinking neighbors, all our friends and relatives for their floral offerings, kind words and deeds during our recent bereavement. Also our deep appreciation to Rev. Orville Morrow for his comforting words; the Rebekahs for their many acts of kindness, and Dr. V. Fisher, Wm. H. and E. C. Schatz.

Need Well-Balanced

Nutrient Supply to Maintain High Yields

MAINTAINING high crop yields year after year depends on getting and keeping a well-balanced supply of nutrients in a soil well conditioned with organic matter, declared the Middle West Soil Improvement Committee in a recent statement.

"No one element is the sole answer to high production over extended periods," says the statement. "It is true that some soil for a time gives startling responses to one element. But the reason for this is that such soil is deficient in that one element, while well stocked with others."

"Take, for instance, a soil lacking in potash. As soon as potash is added, the crop response is tremendous. But continued additions of potash alone will soon pull down

the available supply of nitrogen, phosphate and other nutrient elements. When that happens there will be no response from potash until these other elements are added.

"All this emphasizes the fact that an adequate, well-balanced nutrient level is essential to continued high crop production. But for the top in profitable production this high mineral nutrient level must be coupled with practices that give a plentiful stock of organic matter to give the soil good condition and promote the maximum use of nutrients; 2—Good drainage to save essential moisture and draw off excess water; 3—Adequate soil ventilation to provide crop roots with all the oxygen they need.

"Farmers can condition their soil by the use of lime to provide needed calcium and overcome acidity, the use of good rotations and well-fertilized deep-rooted legumes to increase and maintain organic matter supplies."

Early Railroad
The Erie railroad, completed from the Hudson river to Lake Erie in 1851, was the first road to reach "western waters."

Decorating Duplicators
In addition to being useful and durable, the finish on the duplicating machines used in offices must have an attractive appearance and must remain presentable over a long period of time. This finish must have good adhesion and a reasonable degree of flexibility. It should not be a "dust-catcher" and must lend itself to easy cleaning.

Blue Whale
The blue whale, largest species of the giant sea mammals, measures about 25 feet in length at birth, usually exceeds 70 feet within two years, and may be almost 100 feet long when full grown.

PERSONAL NOTES

Mr. and Mrs. O. D. Woodward of Flint, spent Sunday here with Miss Josephine Walker.

Mr. and Mrs. S. Lancaster of Granite City, Ill., are visiting at the home of their son and daughter-in-law, Mr. and Mrs. Charles Lancaster.

Mr. and Mrs. Dalton Craven and family of Wayne, spent Sunday at the Harold Craven home. Their daughter Renee, remained to spend her vacation here.

Mrs. Lewis Wahl and her mother, Mrs. Frances Briston, of Dexter, returned home Saturday after spending a week visiting relatives in Belleville and Kingston, Ont.

Mr. and Mrs. Robert Leftwick and son Robert, of Laguna Beach, Calif., spent from Monday afternoon until Wednesday morning at the home of Mr. and Mrs. Henry Schneider.

Mr. and Mrs. Colin Lanning and son Larry, of Cleveland, returned home Friday after spending several days with relatives here. Their daughter, Gretchen, remained to spend the summer at the home of Mr. and Mrs. Henry Orbring, Jr.

Mr. and Mrs. Hoyt Joyner and sons, Bobby and Jimmy, of Pontiac, spent the week-end here at the home of Mr. and Mrs. Harold Bair after attending the Jimmy Hunt dance recital in Ypsilanti on Saturday. The Bair's daughter, Shirley, took part in the recital.

Mrs. Gertrude Hammond of Owosso, and her son, Charles, with his wife and son, of Elsie, came Saturday evening for a week-end visit with her sister, Miss Lillian Foster. Mrs. Hammond remained to spend this week with Miss Foster.

Mrs. Alfred Faulkner spent from Monday until Wednesday in Ypsilanti at the home of her son-in-law and daughter, Mr. and Mrs. D. S. Bull, and family. Cathy Ann Bull, who had spent the past three weeks here, accompanied her and remained at home.

Mr. and Mrs. William Bernard and their five children, of Houston, returned to their home Monday after spending ten days here as guests at the homes of Mr. and Mrs. Edward Blacklaw and Mr. and Mrs. Stephen Clark. Mrs. Bernard is a sister of Mrs. Blacklaw and Mrs. Clark.

Mr. and Mrs. Arthur Faist and son, Richard, of Lynwood, Calif., and Mrs. Faist's sister, Mrs. Lou Norman, of Los Angeles, left Tuesday after spending the past ten days at the home of the former's mother, Mrs. Mary Faist. The California folks plan to visit relatives in Oklahoma on their home.

Mrs. Harold Bair, in her official capacity as district WRC president, visited during the past week at the Tim Lewis Relief Corps in Diamonddale, the Eli P. Alexander Corps at Williamston, and the John Gillyuly Corps at Fowlerville. Tuesday afternoon of this week, accompanied by Mrs. George Hafner, she visited the Edward Pomeroy Corps, in Jackson.

Ed. Wahl, of Grass Lake, was a caller Sunday evening at the home of his mother, Mrs. Carrie Wahl. Mrs. A. W. Cavanaugh of Dundee, is visiting at the home of her brother, Rev. W. H. Skentelbury. Mary Ann Gage spent Monday and Tuesday in Monroe as the guest of Nancy Osborne.

The Robert Vinings have moved into the Bahnmiller house on East Summit street, recently vacated by the Edwin Dickelmanns who are now residing at 117 Madison St.

Mr. and Mrs. Edward Visel and son Barry, and Mrs. F. A. Roethlisberger spent the week-end in Fort Wayne, Ind., with the latter's daughter and her husband, Mr. and Mrs. O. E. Beers.

Marriage Vows Are Spoken by Betty Jane Piper

Mr. and Mrs. Robert Dorer are now at home at 218 Cedar Lake following their marriage in St. Mary's church here on Saturday, June 17. The bride is the former Betty Jane Piper. Her parents are Mr. and Mrs. Merle Wilkinson of Eagle. Mr. Dorer is a son of Mr. and Mrs. August Dorer.

For the wedding the bride wore a powder blue suit with navy accessories and a corsage of white and pink roses. Her sister, Mrs. Gerald Juenker, who was her only attendant, wore a navy blue dress with white accessories and her flowers were white carnations and pink roses.

Jerry Dorer assisted his brother as best man.

Father Lee Laige, pastor of St. Mary's church, officiated. Seventy-five guests were present for a reception at the couple's Cedar Lake home after the ceremony. Mrs. James Gaken, sister of the bridegroom, and Mrs. Jerry Dorer, his sister-in-law, poured, while Mrs. Philip McGibney cut the cake.

"PINCHED" FOR GOING TOO SLOW

And it all happened in Chicago as Roy Monsen, owner of "Matilda," reputedly the oldest gas-propelled car still operating in the country, meets Policeman Samuel Scarpella while en route to Chicago Fair of 1950. Built in 1894 at cost of \$15,000, automobile has top speed of 10 m.p.h. It will be a feature of "Frontiers of Freedom" historical pageant at the Fair. With Monsen is Mrs. D. W. Hankins, daughter of one of the car's builders.

More than one million dollars of mobile equipment, including either originals or exact replicas of some of the greatest mechanical discoveries that have contributed directly to the building of the American economy, will be used as stage properties for the mammoth "Frontiers of Freedom" historical pageant which will dramatize 270 years of American history and progress in 14 scenes running 63 minutes at the Chicago Fair of 1950 this summer.

Included among the stage properties will be such novelties as an authentic oil derrick gushing simulated oil, a replica of "The Kitty Hawk," the Wright Brothers' plane, a century-old Baltimore clipper ship, a two-deck Erie canal boat, a copy of the first McCormick reaper, the 1828 Tom Thumb and 1831 John Bull railroad trains, modern diesel locomotives, a jet plane, the most modern cotton picking machine, a self-propelled harvester thresher and many others.

"Frontiers of Freedom" will be shown four times daily in a lake front theater seating 6,000, and having the largest outdoor stage in the world. Dedicated to dramatizing American achievements in science, agriculture, commerce and industry, the Chicago Fair of 1950 opens June 24 and runs through Labor Day.

Mrs. Mildred Weber and family, Robert Schock, all of Ypsilanti, spent Sunday at the home of Mr. and Mrs. Arthur Weber and daughter Nancy, Don Weber, and Mr. and Mrs. Howard Bush and brother, Austin.

Ronald Spiegelberg Married Saturday

Friends of Ronald E. Spiegelberg of Manchester, formerly of Chelsea, were interested to learn of his marriage Saturday evening, June 17, to Dorothy Sarah Ruhlig of Dexter. The ceremony took place in St. Paul's Lutheran church in Ann Arbor. Rev. Carl A. Brauer, pastor of the church, and Rev. A. F. Schroeder of Huntley, Ill., officiated.

Vincent Ives of Chelsea, was one of the ushers at the wedding, and Mrs. Ives, who is a sister of the bridegroom, assisted at the reception held at the home of the bride's parents, Mr. and Mrs. Emil Ruhlig, in Dexter.

The bridegroom's parents were the late Mr. and Mrs. Erwin I. Spiegelberg, former Chelsea residents. The family later moved to Manchester.

Last week Mrs. Hartford gave badges to the girls who were not able to attend the Court of Awards. The group went on a hike around town and saw several interesting things. The hike is to go toward second class rank which some of the girls are working for. This week the group is going on a trip to Windsor where they will meet with another group of Girl Scouts for a lunch.

—Nancy Atkinson, scribe.

Black Bear
Second most widely distributed big game is the black bear. Once native to all 48 states, it is still found in 34. Although its total in the 1947 census was only 131,000, with Maine and Washington states leading, it has steadily increased through the decade of the Fish and Wildlife service censuses.

"I'm famished for a cup of tea, madam, but I simply would not trouble you to make it for me. If you'll lend me your telephone directory, I shall consult the Yellow Pages and find a first-class restaurant."

Toy Balloon Drifts from Chicago to Toth Farm on Sylvan Road

A toy balloon which had evidently traveled about 250 miles before it dropped into a field on the Toth farm on Sylvan road, was discovered Monday afternoon by 11-year-old Stephen Toth. Attached to the balloon was a postcard stating that the balloon had been entered in a toy balloon contest, sponsored by the Norwegian Lutheran Children's Home of Chicago, by Mrs. R. Lindblow of 7222 Myrtle avenue, Chicago. The completely addressed card bore a message requesting the finder to immediately mail it.

When Stephen first saw the yellow balloon, he said, he thought it was a large flower. Before he could retrieve it, a tractor working in the field had passed over it and caused it to burst.

According to the message on the card attached to the balloon, the contest balloon was released in Chicago on Sunday, June 25.

Mrs. Lillian Depew of Ann Arbor, spent Sunday here at the home of Miss Jessie Everett.

Guests at the Everett home Thursday and Friday were Mrs. P. P. Everett and daughter Mabel, of Tiffin, Ohio.

HAROLD L. WARD

Ann Arbor Realtor Seeks Congressional Post Nomination

Harold L. Ward of Ann Arbor, has announced his candidacy for the Republican nomination for the Second District congressional seat in the September primaries.

Ward, a native of southern Michigan, has spent most of his life in agricultural activities. He is a life member of the American Farm Bureau and a member of the National Grange. He has done considerable work in the promotion of the sales of Michigan agricultural products. At present, along with the operation of farming, he is engaged in the real estate business in Ann Arbor. Ward is one of three past presidents of Michigan's oldest farmers' club. He has been active in Boy Scout work and the promotion of youth camp activities and facilities.

Ward was graduated from the University of Michigan, majoring in political science and economics. He has completed three years of special study in labor and tax legislation.

Mr. Ward, who is 31 years old, is the only brother of seven sisters, all of whom are, or have been, teachers in Michigan public schools. Mr. and Mrs. Ward and children make their home at 1805 South University avenue, Ann Arbor.

In announcing his candidacy for the Republican congressional nomination, Ward said, "I feel that I can in a most capable manner represent both the rural and urban residents of this district because of my life-long interest in agricultural and civic affairs."

Night Driving

The fact that three out of every five fatal accidents occur at night (with only 30 per cent of the driving occurring between dusk and dawn), indicates that darkness produces a new and dangerous set of driving conditions calling for less speed and more caution.

Diddle, diddle, dumpling, my son John,
Went to bed with his work shoes on.
His WOLVERINE Shell Horsehide were so comfortable, so soft,
He hated like the dickens to take them off!

No Other Work Shoe
Leather In The World
Like...

WOLVERINE Triple-Tanned SHELL HORSEHIDE

"TAIN'T funny, wearing work shoes that dry out stiff-as-a-board after soaking. So needless, too. WOLVERINE Shell Horsehide dry out soft—stay soft—because they are tanned that way by the secret Wolverine tanning process. Cost less to wear on any job—farm or factory—because they wear longer. Come in, try on a pair.

WOLVERINE SHELL HORSEHIDE WORK SHOES**GLICK'S****Audubon Society Pyans Field Trip for Sunday, July 9**

Thirty-five members and friends of the newly-formed Washtenaw Audubon Society conducted their first field trip Sunday morning June 26 to the Newcomer tract at Base Lake, Girvin Dunstan, president, has announced. Coming from Ann Arbor, Ypsilanti, Chelsea, Dexter, Clinton, and as far away as Jackson, they were shown the nests of a large variety of birds, observed the actual trapping and banding of three Towhees, and were briefed on census-taking methods by H. Lewis Batts, University of Michigan graduate student who is conducting research at the tract.

One of the visiting groups discovered the nest of a Grasshopper Sparrow, among the smallest and most easily overlooked birds of the sparrow family.

At a brief business meeting, it was announced that the Washtenaw chapter of the Audubon Society now has 65 members. The group was set up less than three weeks ago. Mrs. Marion Eich, 2026 Day Street, Ann Arbor, will accept applications for new members.

The next field trip was planned to take place two weeks from Sunday, on July 9, and will include visits to other local University research areas.

Among those attending from Chelsea were Dr. and Mrs. Joseph Fisher.

Harold H. Russell Dies Suddenly of Heart Attack

Friends and relatives of Mrs. Dorothy Schanz, the former Dorothy Russell, have been advised of Mr. Russell's sudden death following a heart attack at his home Monday night. The Russells' home is at 2800 Packard road, Ann Arbor.

Mr. Russell had been a Detroit Edison company employee for 28 years. He was 50 years old.

Survivors, in addition to his wife are his mother, Mrs. Mary McWilliams, of Ann Arbor; two sons, Robert, of Zukey Lake and Donald, in the U. S. Navy; and a grandson.

Funeral services are being held at 2 o'clock this afternoon (Thursday) in the Staffan-Hilfinger Funeral Home in Ann Arbor. Burial is to be in Forest Hill cemetery, Ann Arbor.

Father-Son Team Attending Internat'l. Scout Jamboree

D. S., of Detroit, and his son George, who is a star rank scout, are attending the International Boy Scout Jamboree at Valley Forge, Pa., from June 30 to July 6. On July 7 they are leaving on a special tour and will visit historic spots in the East, have a swim in the Atlantic Ocean at Atlantic City, view New York from top of the Empire State building and will board a train for home at New York.

Scoutmaster Webb is one of the leaders of National Jamboree Troop 32 and will be one of several scoutmasters leading the Scouts who have planned to go on the special tour from District III Headquarters, Detroit Area Boy Scout Council.

Dr. Webb is a son of Mr. and Mrs. George Webb of North Lake.

Mr. and Mrs. William Peters and family spent the week-end in Detroit and on Sunday attended church services at Salem Lutheran church on Iroquois avenue in memory of Mrs. Peters' mother, Mrs. Amelia Lange, who died 13 years ago. Mrs. Peters also called on a friend, Gertrude Wolf, who is ill. She and the children spent Sunday afternoon at the home of her sister-in-law, Mrs. Anton Lange, and family, while Mr. Lange and Mr. Peters attended the ball game.

Sentiment in favor of American independence was crystallized during the spring of 1776 by publication of a pamphlet entitled "Common Sense," by Thomas Paine.

The first celebration of July 4 was not held on July 4. It was held on July 8, 1776.

July 4 is not a national holiday by United States law.

Use of Red
Red is a color to be used judiciously. On too large areas it is overpowering, irritating. Used as an accent color, it lends life and gaiety to less interesting surfaces. Many women like to use it as an accent color in kitchens, but such a warm color should not be used in too large quantities in a room that is so frequently overheated by meal preparation.

From where I sit... by Joe Marsh

Maybe This'll Wake Us Up!

Because a couple of thoughtless drivers threw a newspaper out of their car yesterday, Miss Gilbert, our school principal, nearly had a bad accident.

She was following them on the highway and the paper flattened over her windshield, so she couldn't see. In a minute her little coupe was across the line—right in the path of an oncoming trailer-truck. It missed... but only just!

The parties were recognized and soon as I heard about it I ran over to Sheriff Harper—demanded they be brought up on charges. But

Harper says: "Hold on, Joe. Let's talk this out, over supper and a glass of beer at Andy's."

He pointed out that those men aren't criminals. Just careless, like a lot of us seem to be getting these days, judging from the trash you see along roadsides. From where I sit, this near accident may be the lesson we need to make us stop littering our roads—and start showing a little tolerant consideration for our neighbors!

Joe Marsh

Sidewalk Bike Rider Proves To Be Dangerous Hazard

Mrs. John Lyons suffered painful leg bruises Monday afternoon when a small girl on a bicycle ran into her as she was leaving a store on the east side of Main street. Mrs. Lyons said the little girl stopped and said she was sorry and then went on without identifying herself.

There is a ruling that there can be no bicycle riding on the sidewalks in the business district. Bicycles must either be parked in the rack in front of the Municipal building while riders are on business downtown or must be wheeled by hand through the business section.

If accidents should occur, as in the case of Mrs. Lyons, bicycle riders should stop and give their name and address just as motorists are required to do, officials point out.

Car-Truck Collision Injures Two Girls

Joyce Smith of Ypsilanti, received back injuries and Elizabeth Gelfelt of Birmingham, lip and face cuts, when a panel truck and a car collided on McClure road about 7 p.m. Saturday, according to a sheriff's deputy report. The girls were riding with a number of Girl Scouts in the truck being driven by Marvin Stadler of Ypsilanti. The accident occurred at a bend in the road about five miles west and south of Bush road, as the car and truck, traveling in opposite directions, attempted to pass each other. George Klink was the driver of the car which was considerably damaged. He was not hurt. The injured girls were taken to St. Joseph's Mercy hospital in Ann Arbor, by ambulance.

MICHIGAN MIRROR (Continued from page one)

ions of dollars have been wasted due to lax administration, especially in Detroit. The state puts up 50 cents of each relief dollar expended. The legislative bills were aimed at a tightening of practices which have contributed to higher welfare expenditures.

Stewart-Woodfill, president of Mackinac Island's Grand Hotel, offers this bit of convincing logic why a bridge should be built at the Straits: Assuming that no federal aid should be used, the bridge would pay for itself on the \$1,000,000 annual loss to the state due to ferry operation deficit, depreciation of ferry and dock equipment, and interest on invested funds lost to the state. In 1949 the ferry fleet lost \$619,500. This amount, if used to finance the bridge, would retire the bridge bond issue and leave the crossing toll-free. The legislature authorized a study commission.

Add to the list of total losses from the University of Michigan fire that destroyed Raven Hall, the results of months of research for the state reorganization study. One of the 27 state government functions now being studied by experts are state agencies dealing with labor, workmen's compensation and unemployment compensation.

Assistant Provost John A. Perkins, former state controller who is director of the project, Robert S. Ford, who is head of the university's Bureau of Government and Gordon Gary of the Bureau of Government had just about completed their report when—poof!—it all went up in smoke.

Perkins, Ford and Gary are now trying to put down on paper as much as they can remember.

Michigan 45,000 dairymen are observing June Dairy Month by pointing to these facts. Cash re-

ceipts of milk products were near \$200 millions in 1949 for 30 per cent of Michigan's total farm income. The investment in production, processing and delivery exceeds a billion dollars.

Agricultural economists of Michigan State College forecast "slightly lower" farm produce prices in the second half of 1950, as compared with 1949. Farm income nationally is down 20 per cent from the 1948 peak.

Local Music Students Present Recital

On Wednesday evening, June 21, at St. Paul's church, Alice Gwen Schultz presented her Chelsea students in a recital of music in the following numbers:

Sharon Dancer and Nancy Atkinson, duet from "Carmen" by Bizet;

Nyla Kurts, "Forest Dawn" by Thompson, and "Fuddles" by Gost;

Carol Ann de 'Mint, "Dreamy Daisies," by Stairs and "Jolly Blacksmith," by Handel;

Nancy Mayer and Janet Bernath, duet, "Narcissus" by Nevin, and "Shepherd's Hey" by Edward McDaniels, "Busy Beaver" by Stevens;

BIRTHS

Born, to Mr. and Mrs. Ernest Wenk on Wednesday, June 21, at Saline hospital, a daughter, Carolyn.

Mr. and Mrs. Walter Blumenauer of Pleasant Lake, are the parents of a daughter, Joyce Marie, born at Saline hospital on Monday, June 19. Mrs. Blumenauer is the former Elsie Loeffler.

Sisters Honored at Silver Jubilee of St. Joseph's Academy

Sister Mary Genevieve, the former Dorothy Weber, of Chelsea, was one of 32 Sisters of St. Dominic who were honored at a Silver Jubilee celebration at St. Joseph's Academy in Adrian on Sunday.

Sister Mary Genevieve is a daughter of Mrs. Simon Weber, now living at Clark Lake, and the late Mr. Weber. Mrs. Weber was unable to attend the Jubilee but sisters and brothers of the honored nun were present. Among these were Mrs. Bertilla Forner and Sylvester Weber of Chelsea.

The celebration included High Mass at 9 o'clock, a dinner at noon and a program during the afternoon.

Sister Mary Genevieve taught at New Baltimore the past year.

DEATHS

Perry Edward Martin

Perry Edward Martin, a resident of this community for the past three years, died Sunday at the Evans-Marshall Convalescent Home in Ann Arbor where he had been cared for the past ten days. He had been ill about a year. Prior to moving to the home at 1909 Cavanagh Lake road he had been an Ann Arbor resident for thirty years.

He was instrumental in organizing the Market Growers' Association; was a former president of the Ann Arbor A. F. of L. Building and Construction Trades Council; a former president of the Poultry and Pet Stock Association and was a member of the A.F.L. Plumbers' and Steamfitters' union. During the war he was employed as a steamfitter at the Willow Run bomber plant and before that had been employed at the University of Michigan.

Mr. Martin's parents were James and Clydenia Martin. He was born at Thamesville, Ontario, on December 27, 1881.

Survivors are his wife, the former Marion McCrae to whom he was married in Windsor on April 9, 1905; five daughters, Mrs. Lowell Scripser, of Chelsea and Mrs. Robert Peiske, Mrs. Raymond Ticknor, Mrs. Harold Schauer and Mrs. Edward Savers, of Ann Arbor; two sons, David and Kenneth of Ann Arbor; 22 grandchildren and seven great-grandchildren.

Funeral services, with Rev. Vern A. Panzer, of Salem Grove Methodist church officiating, were held at 1:30 Wednesday afternoon at the Ruchel Funeral Chapel in Ann Arbor. Burial was in Washington Memorial Park, Ann Arbor.

The fire siren became stuck on a "high note" when it was blown for the noon hour at 11:30 Monday and blew steadily for about ten minutes before it could be stopped.

Mrs. Bertha Hudson and Clarence Green, of Leslie, were callers Sunday at the home of Mrs. Mary Hatt.

Mr. and Mrs. Clifford McNeil and family were Sunday afternoon visitors at the home of Mrs. Elsie McDald.

"King, Doctor of Ugh!"
By Marshall Paul Wees, M.D.
Here is one of the extraordinary true stories of World War II. The personal account by Dr. Marshall Wees of what happened when the Navy ordered him to a tiny island paradise in the Pacific to look after the natives.

Out of heart-felt gratitude for his unselfish work, the people of Fassarria make him their king.
