Michigan MIRROR

By Gene Allaman

Selection of the Upper Peninsula as the location of the 1950 National Convention of the Outdoor Writers Association of America is a timely reminder that this region of approximately 16,000 square miles, larger in area than any New England state except Maine, is perhaps better appreciated by out-state travelers than by many native sons and daughters of Michigan.

This observation is prompted by an enthusiastic letter written by Clay Perry, author of *Chesapeake Bay*, a native of Wisconsin and a long-time resident of Massachusetts, has made five trips to the "Fabulous Upper Peninsula." He wrote an article for the *Saturday Evening Post* in 1941 entitled, "As Easy As Falling Off a Log," dealing with the log-birding event at Gladstone, held annually around the Fourth of July.

Perry writes: "I doubt that there is a similar sportsman's paradise in the middle of the United States that can compare with the Fabulous Upper Peninsula. No one has ever visited in this country and Canada is there so much to offer as Michigan's Upper Peninsula."

"There is fishing unequalled anywhere else in its variety for inland waters. Trout, bass, lake trout, walleye pike, pickerel, perch, etc."

"You can find more deer in the Upper Peninsula than almost anywhere else in the United States. As for scenery there are the wondrous wonders of the Upper Peninsula to see. Among them is the famous Big Spring, Kitchikippi, near Marquette, the Pictured Rocks at Munising, all of the beautiful shores of Lake Superior and Michigan, Mackinac Island, historic, scenic, luxurious as to its Great Hotel-no automobiles allowed, only horse-drawn carriages and bicycles."

Evidently the Outdoor Writers Association agreed with the enthusiasm of Clay Perry as they accepted an invitation of the Escanaba Chamber of Commerce to hold the 1951 National Convention at Escanaba, central headquarters for the Upper Peninsula.

The writer of the "Michigan Mirror" is also not a native son of Michigan. We have traveled extensively throughout Michigan, particularly in the Upper Peninsula, and we frankly share Mr. Perry's spirit of friendliness to this vast North Country region of Michigan. If you have not visited this region in many years, or possibly not at all, we would like to suggest that you begin your travels through this "Fabulous Upper Peninsula" by a visit to historic Mackinac Island, thence north to Sault Ste. Marie to take a glance or two at the Canal and Locks whose Centennial will be observed in 1955.

Your trip west should include a day to visit the Tahquamenon River falls near Newberry, accessible either by boat from Soo Junction or by highway. At Munising be sure to take a boat ride to the Pictured Rocks. Thence west to Marquette for a view of the huge cross-shaped rock. Deposits were discovered in 1844 near Negaunee by William R. Burt.

Continuing west you arrive at L'Anse au Loup, entrance to the picturesque Copper Country. This is the land of the beautiful Keweenaw Peninsula and the one-time center (1883) of the greatest copper-producing region in the United States. The Calumet and Hecla company financed with \$10 million capital, produced over \$160 million in dividends from the most productive and richest mine in America.

Drive out the Keweenaw Peninsula to Eagle Harbor, take the Breckway Mountain Scenic Drive-Copper Harbor, visit Fort Wilkins State Park, and return by the central route back to Houghton. Thence to Ontonagon, and Silver City where you can drive to the Porcupine Mountain State Park and climb by easy trail to an escarpment giving a breath-taking view of the Lake of the Clouds. If time permits, continue west to Ironwood and visit the falls along Lake Superior. Otherwise, you can go back eastward to the Iron Range at Iron River, Crystal Falls, and Iron Mountain.

On your way back be sure to visit the Big Spring, Kitchikippi near Marquette at Indian Lake. Thence eastward over the US-2 Shore Drive to St. Ignace. This stretch of pavement is new and it affords one of the most beautiful views of Lake Michigan in the entire Upper Peninsula.

We would not suggest that you attempt such a circle tour in only one week's time, two weeks would be ideal. We will guarantee that you will have made the circle, from the Sault to the Copper Country and thence southward by way of Escanaba to St. Ignace, that you will have seen the most beautiful of Michigan's vast North Country, beyond the Straits of Mackinac.

MSC HONOR STUDENTS TO BE BANQUET GUESTS

Donna Lou Kalmbach, who has just completed her first year at Michigan State College, will be a guest of President John A. Harlan at an "All-A" banquet in September. A group of 61 students, among them Miss Kalmbach, received "all-A" records during the spring quarter and will be so honored.

GRASS FIRE—A junk dealer's acetylene torch which he was using to cut apart a car he was wrecking to haul away, started a grass and brush fire Friday afternoon that burned over a 30-acre plot on the Louin Wheeling farm on Sylvan road in Sharon township and spread 30 feet beyond the fence on the McAtee farm to the north. Four Chelsea firemen went out with the fire truck and neighbors in the vicinity helped fight the fire which burned for two hours before it was brought under control. Tractors were used to plow fire-breaks around the area thus preventing adjacent wheat fields from being burned. The top photo shows a portion of the area burned over, while the close-up in the lower photo shows Jim Gaken, a volunteer fireman, spraying water on one of the last remaining "hot spots."

Labor Team Takes Eighth Straight Win

Chelsea's UAW-CIO Local 437 baseball team won their eighth consecutive league game Sunday behind the one-hit pitching by Harold "Lefty" Barth. Lefty was never in trouble as he struck out ten and walked only four. He was not touched by the Lansing centerfielder belted a double down the first base line.

Chelsea scored once in the second as Dave Crocker and Walt Braden singled and Lefty Barth drove a long fly to left scoring Crocker after the catch. Two more runs crossed the plate in the sixth inning. Andy Policht singled and Danny Ewald hit a sharp single to right which went through the fielders' legs, allowing Policht to score and Ewald to take third. Crocker doubled scoring Ewald and Braden singled. Ewald ended the last run crossed the plate in the eighth as Ewald singled, stole second and came home on Jim Gaken's single and Chelsea won the game, 4-0.

The local team now has a record of eight wins and no defeats to lead the Tri-County league by one full game.

FAMILY 'GET-TOGETHER'

A "get-together" of the Leggett family was held Sunday at the home of Mr. and Mrs. Henry Leggett at Cavanaugh Lake, in honor of Mrs. Jennie Leggett of Traverse City, mother of Mr. Leggett, who is their house guest and pot-luck dinner two men left on base. Harry Leggett of Detroit, Mr. and Mrs. Ernest Leggett of Northville, Mr. and Mrs. Lawrence Tilford and family of Dearborn, Mr. and Mrs. Harold Ransom and family of Dearborn, Mr. and Mrs. Jack Juergens and family of Detroit, Mrs. and Mrs. Earl Moyer and children of Inkster, and Mr. and Mrs. Walter Riemenschneider.

Mr. and Mrs. Paul Seitz and sons and Mrs. Fred Seitz attended the baptism of the latter's grandson, Frederick Martin, son of Mr. and Mrs. Walter Seitz, of Dearborn. They also were guests at a dinner given later at the Walter Seitz home.

Extra Care Needed...

At this time of year a word of caution is appropriate in regard to the dangers involved in open fires. All farmers, land owners, and city dwellers as well, are reminded that although the grass seems to be green, it is actually dry enough now to burn like tinder. Once a grass fire gets started now it becomes a real problem, especially if there is any breeze blowing.

The pictures on this page are graphic proof of what can easily happen. They show the fire which broke out in the Louin Wheeling farm on Sylvan road in Sharon township and spread 30 feet beyond the fence on the McAtee farm to the north. Four Chelsea firemen went out with the fire truck and neighbors in the vicinity helped fight the fire which burned for two hours before it was brought under control.

Tractors were used to plow fire-breaks around the area thus preventing adjacent wheat fields from being burned. The top photo shows a portion of the area burned over, while the close-up in the lower photo shows Jim Gaken, a volunteer fireman, spraying water on one of the last remaining "hot spots."

Soil Conservation Practices Studied at Niles Farm

A twilight meeting on soil conservation practices was held at the farm of N. H. Miles of 20735 Scio Church road Tuesday evening, July 18. Miles is co-operating with the Soil Conservation district in some pasture fertilization work and also a top dressing of fertilizer on a hay field. He has a rough piece of pasture land growing largely brome grass. It was in alfalfa, but the brome has not been taken over, and pasture has not been "hot," so he tried out some top dressing of fertilizer this spring. Part of the field was treated with 75 to 100 pounds of 33% nitrogen fertilizer to the acre; another part with 150 to 175 lbs. to the acre and the third part without any fertilizer. This demonstration really tells the story of what can be accomplished by the use of nitrogen fertilizer on old grass pastures. He has been keeping about 20 head of cattle, mainly, on this six acres and that is pretty good pasture for any farm land. He also has a demonstration (Continued on page ten)

Youths Must Register with Draft Board

Mayor William E. Brown, Jr., chairman of Selective Service Board No. 85, at Ann Arbor, said yesterday that three full-time clerks and a number of volunteer workers are rapidly bringing selective service records in this area up-to-date. The board has been inactive for four years, one girl working on a half-time schedule being the only clerk during that time. Plans to move to new and larger quarters are almost complete, Brown said, and announcement of the new location will be made as soon as negotiations are completed. At present, the office is in the Municipal Court building.

Brown stressed the fact that a large number of 18-year-old boys in this area are draft delinquents, most of them unknown. He advised all boys of draft age who are at all in doubt as to their draft status to telephone the Selective Service office at Ann Arbor and ascertain whether they are properly registered and classified. The telephone number, calling from a Chelsea telephone, is 20-2-9186.

Brown said all 18-year-olds must be registered within five days after their eighteenth birthday. The penalty for non-registration is severe, Brown said, but so far, the board has been lenient, especially when the violations were inadvertent. All draftees are required to notify the board of change of address; if they marry; have any children or dependents not already listed. Brown said many of these requirements are not only necessary compliance with the law but are to the advantage of the draftee himself in fixing his draft status. Because of the backlog of correspondence, Brown said, it is better to telephone the Selective Service office for any information desired.

Brown said that Board No. 85 has been assigned a quota of 102 men for pre-induction examinations but no date was set as to when the men should be called.

Mrs. Henry Leggett had as luncheon guests last Thursday, Mrs. James DeFrancesco and children, and Mrs. Harold Stirling of Detroit.

Postal Department Changed Name from 'Kedron' to 'Chelsea'

Change Announced
in Letter from U. S.
Senator A. Felch

Just 100 years ago today, July 20, 1850, Chelsea officially received its present name, according to photostatic copies of correspondence on the matter owned by Archie Wilkinson. Previous to that date, the post office address had been Kedron because of the creek at the north end of the village which reminded first settlers of the brook Kedron mentioned in the Bible. It is possible some of these first settlers, who came from New York state, were from the village of Kedron—there at least, they knew of the little eastern village and some historians claim the settlement here was named after it.

Elisha Congdon, one of the two Congdon brothers who platted the village, was postmaster in 1850 and, as noted on the copy of the communication from the post office department, was "continued as postmaster of Chelsea." The first Chelsea post office was probably situated in the first building erected within the village by Elisha Congdon and located on the site of the present Daniels' Buick garage. The building was later moved to the corner of East and Jackson streets and remodeled as a two-family house. It is now owned and occupied by Mrs. Mary Eder, according to records in the possession of the Chelsea Public Library.

The official communication in regard to the present name of the

New Contract To Give Lower Electric Rate

At Monday's regular meeting of the Village Council a new contract was signed with Consumers Power company; an ordinance was passed creating a fire district and governing the starting of rubbish fires in the village and a new subdivision was approved within the village.

The new contract with Consumers Power company, which supplies Chelsea's electric current, is expected to save Chelsea approximately \$2,500 annually, based on the 1949 volume of electricity purchased here. The new contract was only recently made available by Consumers and Chelsea became the first village in the area to purchase electricity on the basis of actual volume of current used.

Chelsea's 1949 volume of electricity used during 1949, this year's bill for the same amount of current, under the new contract, should be in the neighborhood of \$39,000. By using such a large amount of current the village gets the benefit of the company's "large consumer" demand rate. A revised method of billing on the part of Consumers makes possible this reduction in cost for all users of such large amounts as Chelsea used the past two years.

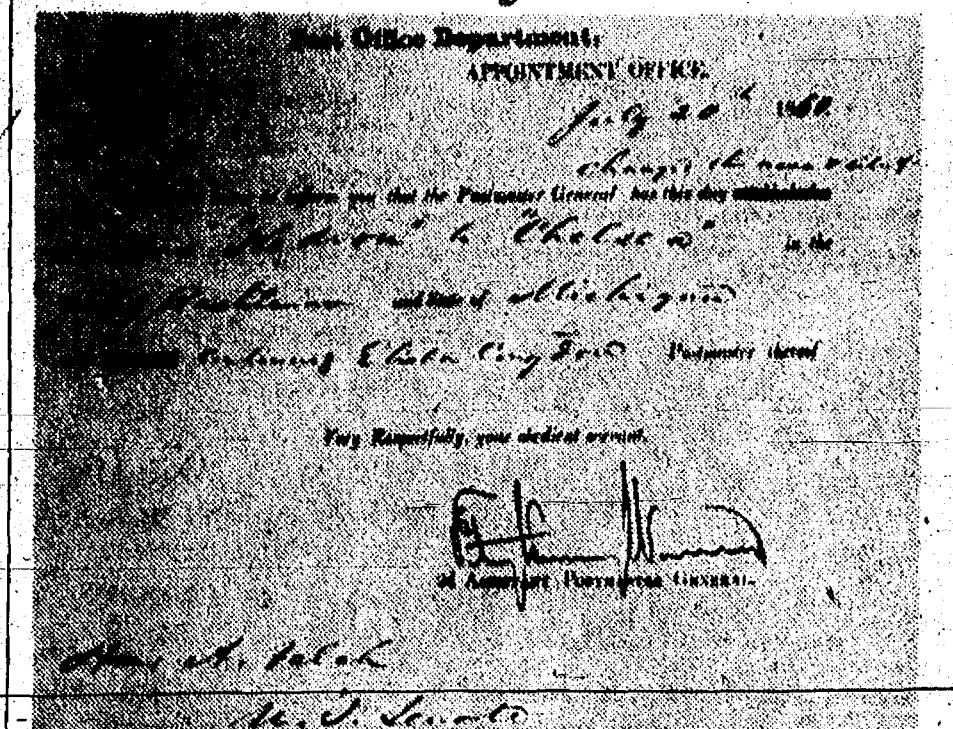

To date, Chelsea's domestic users of electricity have been averaging bills 50 cents per month higher than in most Consumers' territory.

The Chelsea Electric Light and Water department, together with Village Council committees, will require some time to revise the rate schedules here before the new rate can go into effect, village officials stated.

What the new contract means to Chelsea users is that there will be some reduction in the rate for domestic users and a revision of the rates for commercial use when the revised rate schedule is completed.

The previous contract with Consumers was negotiated in 1943. The ordinance creating a fire district regulates burning of rubbish, leaves, etc., not only in the business district, but throughout the village. The ordinance is printed in full on page 9 in this issue of The Standard. It goes into effect in 30 days. In the meantime, village workmen are preparing a pit on the sewage disposal plant property where storekeepers and others may take their rubbish and burn it.

Documentary Evidence

OFFICIAL NOTICE of the change in name from "Kedron" to "Chelsea" was given in a letter from the Post Office Department dated July 20, 1850. A photostatic copy of this document is shown above, the text of which is as follows: "Sir: I have the honor to inform you that the Postmaster General has this day changed the name and site of Post Office at 'Kedron' to 'Chelsea' in the county of Washtenaw and State of Michigan and continuing Elisha Congdon Postmaster thereof. Very Respectfully, your obedient servant, E. S. Warren, 2d Assistant Postmaster General."

The above communication was sent to Darius Pierce by Alpheus Felch, U.S. Senator from Ann Arbor, with an accompanying letter (of which Mr. Wilkinson also has a copy) reading as follows:

Washington July 22, 1850.

Dear Sir: Your letter relative to the change of name of the village of Kedron to Chelsea, Mich., was duly received and in reply to my communication to the Department on the subject I have just received the enclosed letter. I know nothing of the application for the change of name or location of the office until the receipt of this letter. I presume it is on the application of your people, but if not and not agreeable to those who do business at the office, I trust you will inform me. The community who do business at the office should arrange these matters. Very Respectfully yours, Alpheus Felch. Other copies of these important documents are filed in the Washtenaw County Historical Society.

First Load of 1950 Wheat Delivered Here

The first load of 1950 wheat was brought in to the Chelsea market Monday morning. The 204 bushels on the load was some of the finest white wheat to reach the market here in some time, according to Lyle Staisewerdt at the Chelsea Milling company where the load was sold. Harold Wing, who brought the wheat in for the premium wheat in for the first time, said the tests showed the wheat weighed a full moisture content was 12.6. The premium wheat brought \$1.37 per bushel. Monday's price for high grade wheat was \$1.86. This is 21 cents more than last year's price for July 16-18 in this vicinity.

Blaess Elevator and Chelsea Lumber, Grain and Coal company both expected their first loads of wheat yesterday or today, depending on prevailing weather conditions.

Mr. and Mrs. Alfred Heatley of Northville, spent Sunday of last week at the home of Mr. and Mrs. Staisewerdt.

PET SHOW—Some of the youngsters at the pet show held Monday of last week on the school grounds. The show included a baby skunk, a hamster, turtles, goldfish, cats, and all sizes and kinds of dogs. The children in the picture are shown with the dogs they exhibited. From left are: Marilyn Honbaum, Jimmy Keener, Norrene Packard, Evelyn Moore, Lynda Mayer, Olen Hart, Jr., Mary Hoffman and Lois Pierce. The pet show was part of the summer recreational program being directed by Mr. and Mrs. Robert Harvey.

County Democrats
Open Ypsilanti
City Headquarters

With a fanfare of optimism,
Washtenaw county's Democratic
committee today unveiled their
Ypsilanti city headquarters at 213
West Michigan avenue.
"This is the finest headquarters
Washtenaw county Democrats have
ever had," said Neil Staebler, state
chairman of the Democratic party.
"I will impress on Democratic or-
ganizations in other counties the
need and value of providing such
facilities for volunteer party
workers."
According to Jacques DeLaurier,
executive secretary, the new head-
quarters will attempt to fulfill
three main purposes: first, to pro-
vide a central point in Ypsilanti
for the organization of Democrats;
second, to provide a meeting hall
for Democratic party groups; and
third, to provide a central head-
quarters to promote John P. Daw-
son's campaign for congress.

Mrs. Schrader Talks with Son in Bavaria

Mrs. Walter Schrader, Sr., whose son, Pfc. William Schrader, has been stationed with the Army at Bamberg, Bavaria, the past 20 months, talked with him by transatlantic telephone about 9:15 Wednesday evening. Schrader, who will be 21 years old in October, enlisted in the service in July, 1948, and has almost another year to serve before he returns to the States. Mrs. Schrader said there was some delay in getting the call through because of some part of the line being out of order, but when the call did get through after a four-hour wait, the voices at the other end of the wire were very clear. Mrs. Schrader said it was a thrill to hear her son's voice from half-way across the world. Although it was the wee hours of the morning in Germany and William had to be

awakened to come to the phone, his mother said he sounded very natural when he asked, "Say, what time is it over there?"

CARD OF THANKS
We wish to thank all those who so willingly helped us fight the grass fire on the Wheeling farm, including the Chelsea Fire department. Your efforts will always be remembered.

Notes to the School Electors

The School Board meeting, held in the High School building on Wednesday, July 12, was attended by several sharpshooters. The meeting scheduled for Tuesday, July 18 was postponed.

It has been said that I am opposed to new housing for our schools, as is a large percentage of the voters who support me. Nothing could be farther from the truth. I realize that need, and if I remember correctly, not one single person with whom I have spoken has indicated an opposite view. What I do oppose is a "flying saucer" plan, out of reach, which few have seen and about which no one knows anything. We are going to work to get this district adequate school facilities. We believe our children are entitled to the best that we can afford; but we want to keep our feet on the ground.

I will not pretend to know all the answers to our problems. I am only looking for them; just as is each of us. I will be willing at any time to discuss the situation with anyone, whether he be for me or against me, in the hope of furthering a relationship of confidence and understanding which must prevail before we can reach our objective.

As it now stands, the next meeting of the school board will be the regular meeting on Tuesday evening, Aug. 8. All who can possibly do so should attend that meeting.

—W. D. PEARSON,
Board Member.

Perfect Facilities, Dignity, And Gracious Beauty

Pearl Eastman, Harold Messner Exchange Vows

Pearl Etta Eastman, daughter of Mr. and Mrs. A. J. Eastman, of Jackson, and Harold Messner, of Chelsea, were united in marriage at 2 o'clock Saturday afternoon, July 15. The ceremony, performed by the Rev. J. H. Wright at his home in Brooklyn, was witnessed by the immediate families of the couple.

The bride's parents were the couple's only attendants.

For her wedding the bride wore a blue crepe dress and white accessories. Her flowers were rumex lilies.

The bride's mother, dressed in navy blue, wore a corsage of American Beauty roses.

A reception, honoring the couple, is to be held Sunday, July 23, at the home of the bride's parents on Dalton road, Jackson.

The couple is now at home at 147 Orchard street.

Mrs. Messner, an employee of Volar Corp., of Dexter, is a 1946 graduate of Leslie High school.

Mr. Messner is an employee of Klumpp Bros. Construction company.

Mrs. Herman Gross will return to her home near Lima Center this week after an operation and having spent about two weeks in St. Joseph's Mercy hospital, Ann Arbor.

Club and Social Activities

SYLVAN EXTENSION CLUB

Ten members were present for a meeting of the Sylvan Extension club at Salem Grove church Thursday afternoon, July 13. The work of the afternoon was etching aluminum trays.

A meeting was held at the home of Mrs. George Heydlauff Tuesday afternoon at which time the work on the trays was completed.

WOMEN'S RELIEF CORPS

The WRC meeting was held in the Sylvan town hall Monday and plans were discussed for the entertainment of district officers here in September in honor of Mrs. Mabel Bair, district president. Mrs. Myrtle Price and Mrs. Catherine Hafner were appointed to act on the committee for the affair.

Last week, Tuesday, 20 WRC members enjoyed a picnic at the home of Mrs. Pearl Herman. Mrs. Pearl Whipple, who is leaving Chelsea next month, was presented with a farewell gift.

S. SYLVAN EXT. CLUB

Because of the illness of Mrs. Leon Chapman, at whose home the meeting was to have been held, South Sylvan Extension club members met with Mrs. Everett Van Riper for a social evening Thursday, July 13. Mrs. Van Riper was assisted by her daughter-in-law, Mrs. Gordon Van Riper. Twenty-three members and three guests were present. Each one present signed a get-well card which later was sent to Mrs. Chapman.

After the business session the recreation chairman, Mrs. Reuben Lesser, was in charge of the games which were the evening's entertainment feature.

Refreshments were served by the hostesses.

It was announced that the next meeting will be held September 14 at the home of Mrs. William Pritchard.

LIMA CENTER EXT. CLUB

The Lima Center Extension club held a picnic meeting at the home of Mrs. Harvey Fischer at Four Mile Lake Wednesday, July 12. A pot-luck dinner was served at 12:30 to 11 members, three guests and a number of children.

A short business meeting was held. The afternoon's activities included swimming for the youngsters.

AM. LEGION AUXILIARY

Mrs. William Weber, president of the local American Legion Auxiliary, announced yesterday that the unit now has two hospital beds which may be used free of charge by anyone in the community. Through the co-operation of Supervisor Fred Broessamle, the beds are stored in a small room at Sylvan town hall, Mrs. Weber said.

Mrs. J. A. Dumouchel is chairman of the Auxiliary's committee in charge of the hospital beds. Anyone desiring the use of one of the beds should call her at 2-1802, or Mrs. Weber, whose number is 5891.

Collins Plains

School Reunion Held

The Collins Plains school reunion was held on the school grounds Sunday, July 16, with 36 present from Pontiac, Ypsilanti, Jackson, Hamburg, Stockbridge, and the local vicinity.

A short business meeting followed the two o'clock pot-luck dinner and the following officers were re-elected: Earl Lee, president; Mrs. Callista Rose, vice president; Mrs. Alice Alexander, of Ypsilanti, secretary.

It was announced that next year's reunion will be held the third Sunday in July at the same location.

Barbara Luick Married Saturday in Battle Creek

Barbara Louise Luick of Battle Creek, daughter of Mr. and Mrs. William G. Luick, of Chelsea, exchanged wedding vows with Richard M. King of Battle Creek in a double-ring ceremony performed at 3 o'clock Sunday afternoon in the chapel of the First Congregational church in Battle Creek. Rev. Donald L. DeCoursey officiated at the service in the presence of the immediate families.

The bride, given in marriage by her father, wore a ballerina-length dress of nylon marquisette in white and pink, and a white picture hat. She carried a cascade bouquet of white gladioli.

Jann Blackmore of Battle Creek was her aunt's only attendant.

Her gown of light blue voile was ballerina-length also, and she wore a picture hat somewhat smaller than the bride's. Pink and white gladioli formed her bouquet.

David King of Battle Creek, brother of the bridegroom, served as best man. The mothers of the bride and bridegroom were escorted to their seats in the chapel by Dr. E. J. Blackmore of Battle Creek and Carl Peterson of Ann Arbor, both brothers-in-law of the bride.

A reception for the families was held at the Blackmore home in Battle Creek. Mrs. Carl Peterson of Ann Arbor, sister of Mrs. Ronald Harp of Battle Creek, sister of the bridegroom, cut the cake.

Following a two-weeks' honeymoon at Lake Geneva, Wis., the couple will be at home at 176 North 22nd street in Battle Creek. For going away the bride donned a pink suit with white and brown accessories and an orchid corsage.

The former Miss Luick is employed as a dental technician in the office of her brother-in-law, Dr. Blackmore, in Battle Creek. She is graduate of Chelsea High school and the U. of M. School of Dental Hygiene.

The bridegroom, who is a son of

Mr. and Mrs. Harold M. King of Battle Creek, is associated with his father in the H. C. King and Sons company of Battle Creek. He attended the University of Michigan and was affiliated with Psi Upsilon fraternity.

Pre-nuptial affairs in honor of the bride included a kitchen shower given by her sister, Mrs. E. J. Blackmore, and a linen shower given by Mrs. Dan Ewald and Mrs. Richard Kern.

IN BEAUTIFUL CHELSEA

It Wasn't So Very Long Ago

Items taken from files of The Standard of years past.

4 Years Ago...

Thursday, July 18, 1946...

Miss Jean Hubbard and David

Arsonson were married July 4 in

the Central M.E. church chapel

in Lansing. After a reception at

the bride's sister's home, the

couple left for a short motor trip.

Mrs. Emilie Toney died Tuesday

at St. Joseph's hospital in Ann

Arbor after an illness of a year.

She was a lifelong resident of

Lima and is survived by her hus-

band, two daughters, a son, and

nine grandchildren.

Blacktopping of the Chelsea

Dexter road began Friday. The

portion to be surfaced is from

Lima Center road west to Chelsea.

Kenneth Hallenbeck county road

superintendent, stated that the

cost of the blacktopping is

between \$4,000 and \$5,000 per mile

which comes entirely from license

plate and gasoline tax money.

Dr. and Mrs. H. Addis Lesson

celebrated their 50th wedding

anniversary July 15 with a family

reunion at their home in Ann

Arbor. The couple is well known

here as he has been district super-

visor of the Methodist church for

some time and was superintendent

of the Methodist Home here.

Bernhart Huehl died July 11 in

Ann Arbor after a few weeks of

illness. He was a former resident

of Chelsea, moving to Ann Arbor last

April. His widow, a daughter, two

sons, a sister and a brother are

surviving him.

Schuyler Foster was injured

Friday while driving near Harri-

son when another car turned di-

rectly in front of his car. Mr. Fos-

ter was taken to the Chelsea hos-

pital and was brought home

Saturday. He is recovering nicely.

Edmund Whipple died July 21.

Mr. Whipple was assigned to Route

1 when the rural free delivery

mail service was established 25

years ago, and has served the

same job since. He leaves a

widow, four sons, and two brothers

surviving.

A union-Sunday school picnic

will be held at Eisenbeler grove

July 29. The Methodist, Congre-

gational, St. Paul's, Salem M.E.

and North Lake M.E. churches

will take part. This is the

first time this event has ever been

held here and a large crowd is

expected.

The contract for the construction

of the new waiting room and

freight depot at Chelsea has been

awarded to Schwickherath & Eisele

of Chelsea. The building will be

completed by the end of the year.

A kid in Maryland has made

his own television set out of

parts scrounged from refuse

barrels in back of repair shops.

In spite of this, the kid is

putting the set together in his

TV. Getting all the wires and

parts in the right places is

harder than stamping out ants

at a family picnic. Now

instead of chemistry sets for

Christmas, the cry will be for

"I want television kit."

It's great from an edu-

cational standpoint, and it's

bound to teach the kid a thing

or two. This is not generally

recommended for

Mothers with high blood pres-

sure, however.

On July 30, a special train will

leave here to take Chelsea

baseball fans interested in seeing

the Detroit Tigers and New York

Yankees play at Ypsilanti. This

year has been arranged by the Kiwanis

club and will be called "Chelsea

Day." A group from Jackson will

also be on the train.

there are so many. But it's

N. LAKE EXTENSION CLUB

Mr. and Mrs. Chris Fitzsimons

were hosts to the North Lake

Home Extension club at a picnic

dinner at their home on Wild

Goose Lake Sunday, July 16.

About 50 guests attended.

Following the pot-luck dinner,

games were played and prizes

were awarded to Mrs. Laurence

Noah, Mrs. Ernest Hopkins,

George Kunkelman, Chris Fitzsimons

and Eugene Lindemann.

The meeting opened with the

hymn, "Break Thou The Bread Of

Life," as an introduction to the

devotional period presented by

Mrs. Harry Littler. Her topic

was the petition, "Give us this

day our daily bread," from the

Lord's Prayer.

Mrs. Mabel K. Foster gave an

interesting reading, "Career Wom-

en of the Bible," with special em-

phasis on Miriam, the sister of

Moses, who was described as "one

of the first women politicians."

During the business session, a

letter of thanks was read from Mrs.

Fischer at the Methodist Home

and Mrs. O. W. Morrow of Union-

ville, wife of the former pastor

of the Methodist church.

Breathing by Electricity

The newest weapon in the battle against infantile paralysis is demonstrated by Dr. Ethel T. Calhoun, medical director of the Sister Kenny Polio Center near Pontiac. It is an electro-phrenic respirator, which can be used in place of an iron lung in certain bulbar polio cases. When the pen-shaped conductor the doctor is holding is touched to the phrenic nerve, electric current forces the patient to breathe. The Kenny Center, which is supported by the United Fund, is the only hospital in Michigan where the famed technique of Sister Kenny is employed and patients are accepted from any part of the state. Nancy Withers, 4, of Royal Oak, is pictured.

FOUR MILE LAKE

Miss Arlene Moore was a week-end guest of Mr. and Mrs. B. Randal of Milan.

Mrs. Henry Engelhart and Mrs. Mata Lucht attended the funeral of their cousin, Joe Lucking, at Wayne Friday afternoon.

Mr. and Mrs. Edward Merkel of Dexter were Sunday visitors of Mr. and Mrs. Burt Taylor and Patsy Thompson, a granddaughter, spent a week there.

Mr. and Mrs. Harvey Fischer and family attended their Sunday school picnic from the Evangelical

church of Ann Arbor. It was held at Lakeside, Brighton. David and Robert stayed for two weeks at camp.

A group of young people gathered at the home of Miss Harriet Heiminger Saturday evening. Bible games were played and Gospel songs were sung. Refreshments were served by the group and homemade ice cream and cake were served by the hostess. They all enjoyed a most pleasant evening.

Dexter — An 1850 penny was found by Jim Bennett Monday while he was helping clear the lot where the new N. T. Bennett store is being built. The penny was approximately the size of a quarter, had 13 stars on it, and was apparently quite new when lost because it was little worn. —Dex-

In this case FEELING IS BELIEVING

No, the eye does not tell everything—not in this instance.

True, it tells you ROADMASTER is smart. It tells you it's big. It shows, if you watch closely, that this brawny beauty rides level and unperturbed even when road-roughness has its wheels fairly dancing.

A glance may even indicate how much lolling comfort there is here—what wide-open freedom passengers and driver know in this gay traveler.

But how can the eye tell you how you feel touching off the great power that's under this broad bonnet?

How can it reveal the silken, swift-mounting surge of oil-cushioned take-off—smooth, silky, un-

broken, as Dynaflo Drive works its magic?

Even when you watch a ROADMASTER settle down to a long steep pull and crest the top going away, how can it tell you what thrill your spirits get from such ability?

And what can it say of the lift that's yours traveling in a beauty that catches all eyes, swivels passing heads, marks you by its very lines as traveling in as fine a car as any man can ask for?

No, these things you have to feel for yourself, and we're delighted to help you do so.

Your Buick dealer wants you to know about ROADMASTER first-hand—wants you to drive it, try it, feel it out.

It doesn't cost a cent to arrange such a trial. It can do a lot toward opening your eyes to the day's highest standard of fine-car feel and fine-car action—not to mention "why pay more?" prices.

How about seeing your dealer right away?

Only BUICK has Dynaflo Drive* and with it goes!

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New V-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD front-end, taper-through fenders, "double-bubble" taillights • WIDE-ANGLE VISIBILITY, down-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steering torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

ARTHRITIS - RHEUMATISM

Do you suffer the pains of arthritis and rheumatism? Do your shoulders, hands, knees, or feet pain you? Do you wake up mornings fatigued, actually more tired than when you went to bed? Do you feel discouraged and down-hearted, as though it were all impossible?

Well, dear friend, I have gone through all of this for twelve years, with very little relief after having carried on a program of treatment which cost nearly thirty dollars a month for several years.

During these last twelve months however, I have found blessed relief, all without the use of drugs and at a cost of about two dollars a month. I cannot express my full appreciation for the marvelous improvement I have experienced.

If you will send me your name and address, I shall be very happy to forward to you information regarding the nature of the product that has given me such wonderful relief.

Saline 13, Webberville Ind. 11—(Saturday night).
Chelsea 4, Lansing Labor 0.
Fowlerville 13, Williamston 6.
Pinckney 6, Stockbridge 4.
Mason 9, Webberville VFW 3.

Saline—The Saline Observers pulled the prime upset of the Tri-County League season as they outlasted the Webberville Independents, 13-11. Webberville jumped into a three-run lead in the first but were unable to hold it, as Dale Bradshaw was wild and walked in the first four overruns. Harry Fosdick hurled all the way for Saline, getting ten Webberville batsmen on strikes. Independents 302 200 220—11 6 4 Saline 483 021 000—13 7 4 Bradshaw, Andrews (6) and Dunkel; Fosdick and Filsinger.

Williamston—The Fowlerville Merchants moved into second place by topping the Williamston Merchants, 13-5. Williamston started off scoring five times in the first three innings, but Fowlerville got to starter Bill Brandenburg with a nine-run outburst in the sixth and won going away. Al Elliot who relieved Bob Nash got credit for the win. Fowlerville 100 029 010—13 11 4 Williamston 014 000 000—5 5 4 Nash, Elliot (3) and Miller; Brandenburg, Wessendorf (6) and Stevens.

Webberville—Mason stayed in the running by coming from behind to knock off the Webberville VFW team, 9-3. Norm Rector, Mason pitcher, and Norm Jefferys of the VFW were hooked up in a nice pitchers' duel until the eighth when Mason garnered four runs to sew up the ball game. Mason 100 002 141—9 12 2 Webberville 000 000 000—3 8 2 Rector and Betcher; Jefferys and Heugnot.

Pinckney—Scoring three runs in the fifth on Keith Ledwedge's double, a walk to Joe Jeffery, and singles by Tom Good and Joe Lavey, the Pinckney VFW downed Stockbridge, 6-4. Don Jones went all the way for Pinckney while Stockbridge used three hurlers in an effort to pull into fourth place alone. Stockbridge 100 002 010—4 8 1 Pinckney 012 030 000—6 7 4 Campbell, Marshall (6), Hayhoe (8) and Breniser; Jones and J. Clark.

Frankfort—The time of year has arrived in Benzie county when the discussion of the weather as a general topic of conversation is superseded by "What is the price of cherries going to be?" This year the question is a vital one as it now shapes up with the figures 6 cents to 8 cents per pound for red sour cherries being the most often predicted. Most growers in Benzie county claim only a normal crop and some state that they won't have the tonnage they raised last year.

There is one possible bright spot for local cherry growers and that is the fact that the Federal government has become interested in the possibility of some support price.

Cherries is one of the few crops the U. S. government has supported in price. Benzie County Patriot.

Saline—The Saline Community Chest committee, at a meeting held last Friday at the home of Lawrence R. Deede, chairman, allocated \$200 toward the summer recreation program. The Community Chest allocation was made from the emergency fund which has been built up through reduced contributions to outside affiliated organizations. Saline Observer.

Grass Lake—Members of Grass Lake's American Legion post and Auxiliary met Tuesday night in a joint session to formulate plans for the annual V-J Day Celebration to be held this year August 11, 12 and 13. Most heated discussion of the evening centered around the traditional free ox roast. It was finally decided that due to the difficulty of maintaining sanitary food handling conditions at the park, some other form of "free lunch" will be provided this year. Grass Lake News.

Buchanan—Monday of this week there occurred at the Ralph Seabast farm, three miles southwest

of Buchanan, one of those mysterious occurrences such as are described in insurance policies, for want of any other explanation as an "act of God." Shortly before noon that day, while a force of three men engaged in filling it were out in the field for another load, a tubular steel silo, 14 feet nine inches in diameter and 40 feet high, took a notion to fall over. That silo had been standing there nearly 40 years, said Mr. Seabast. A short half hour before it had been standing straight as a plumb line. Mr. Seabast said that he had no theory of how the silo came to upset, unless the weight of 175 to 200 tons of silage in it had caused the ground to settle on the east side. Down under the base on that side there is an understrata of muck, over which the supporting table of ground might have suddenly given way under the added weight of silage. Berrien County Record.

Buchanan—When Harold Mann unloaded the mail in the drop box at the corner of Front and Main and opposite the Farmers Mutual Tuesday morning he found, mixed in the pink-scented notes that the business boys send out, what do you think? The half of a set of false teeth! Could it have been that the boys went out to drop in a letter and absent-mindedly dropped in their store teeth? Berrien County Record.

Northville—The Northville Police department is urging merchants to be wary of cashing checks for strangers. Last week the George Clark Hardware action for payment a forged check which resembled a pay roll check from the A. V. Cauhoren Corn Co. Mr. Clark paid the forger from \$51.74. He obtained identification from the gentleman but did not check the credentials thoroughly enough because the identification, too, was forged. Merchants are warned especially to beware of those who present pay roll checks. These checks are presented by professional forgers who know how to print a check so that

it looks like the real thing.—Northville Record.

Dexter—Fire at 3:30 a.m. Friday morning destroyed the sacristy and transept of St. Joseph Catholic church. The 78-year-old church structure itself was threatened by flames. Through the combined efforts of Rev. Charles J. Walsh, his brother, Harry Walsh, and the Dexter Fire department, with high pressure fog streams, the fire was quickly brought under control.—Dexter Leader.

South Lyon—The second of a

series of successful South Lyon days was held last Friday evening when Ken Gage of Brighton brought his little German band here to entertain. Also on the program was Roy Rue of Plymouth who did a number of seemingly impossible magician acts. Mr. Rue is becoming quite famous for his magical acts and has performed over television several times. The evening's entertainment was given a good start when Arnold Lukache flew over town and dropped a number of small parachutes with slips attached, good for merchandise at various stores.—South Lyon Herald.

WORKING DOLLARS: Americans in all walks of life, who invest their savings in telephone securities, make it possible for us to give you more and better telephone service. Their money is used to expand the telephone system . . . increasing the value of your telephone by providing more telephones that you can call.

VOICES WITH A SMILE—Many Michigan Bell operators have attended meetings recently to hear themselves talk—in wire-recorded conversations with other girls who took the part of customers. They've learned that the tone of their voices often can make a big difference in the quality of telephone service. Perhaps you've already noticed an improvement in your service as a result of these meetings.

MORE JOBS—Twelve years ago, only one-tenth of the telephones on Michigan Bell's rural lines were dial. Today, more than two-thirds of the rural-line telephones are dial. And yet Michigan Bell now employs more than twice as many operators as twelve years ago.

We're Servel Fans . . .

... and we're going to replace our old Gas Refrigerator with the newest model with the frozen food compartment

"Our silent Servel gas refrigerator has given us wonderful service for years and years, and it still works perfectly."

"But when we saw the latest Servel with the big frozen food compartment and the other new features we just had to have it. We're Servel fans for life. We like everything about the gas refrigerator — its silence, no machinery to get out of order, its low operating cost, and its long-time guarantee."

Once a Servel owner, always a Servel owner. Families which have had their faithful gas refrigerator in continuous service for 10, 15 or more years are delighted with the modern features of the latest models. More beautiful than ever are the new Servels styled by a famous designer. The 90-second quick-change interior accommodates all sizes and shapes of bottles and food packages. The roomy dew-action vegetable fresheners keep vegetables fresh for days and save frequent market trips.

Ordinance No. 51

AN ORDINANCE CREATING FIRE DISTRICT, THE PROHIBITION OF THE CREATION OF OPEN FIRES OUT OF DOORS IN SAID FIRE DISTRICT, OUTSIDE THE FIRE DISTRICT OF OPEN FIRES OUT OF DOORS FOR THE PURPOSE OF BURNING RUBBISH OR ANY FORM OF WASTE MATERIALS, AND TO PROVIDE PENALTIES FOR THE VIOLATION THEREOF.

THE VILLAGE OF CHELSEA ORDINANCES

Section 1. No person, persons, firm or corporation shall, within the Fire District hereinafter defined, create or knowingly permit on their premises, open fires out of doors, for the burning of rubbish, waste paper, leaves, wood, or any form of waste materials, for the purpose of disposing of the same, or for any other purpose.

Section 2. The fire district, within the meaning of this ordinance, is defined as follows: North limit is the New York Central Railroad; the south limit, the alley between Orchard and Summit Streets; the east limit, 100 yards east of Main Street; and the west limit, 100 yards west of Main Street.

Section 3. It shall be unlawful for any person, persons, firm or corporation, within the Village of Chelsea, outside of said fire district, to build an open fire out of doors and leave the same unattended, or to build an open fire within fifteen (15) feet of any

structure, or to build an open fire when weather conditions are such that such fire would be a hazard to surrounding buildings and property.

Section 4. Any person convicted of violating any of the provisions of this ordinance shall be punished by a fine of not more than \$100.00, or by imprisonment for not more than 30 days, or both such fine and imprisonment.

Section 5. This ordinance shall take effect and be in full force twenty days after its publication. Dated: July 17, 1950.

M. W. McCURE,
Village President.

R. B. DEVINE,
Village Clerk.

Conservation Meet...

(Continued from page one)

of 300 pounds of 0-20-20 on an alfalfa brome hay field.

The twilight meeting was held at 8 o'clock. Farmers in the community were invited to attend the meeting to see the results of the above fertilizer applications.

Fifty-two men attended Tuesday's demonstration meeting. Among these were Dr. L. G. Steiner of Ann Arbor and Walter Wolfgang of Chelsea, soil conservation district directors Dale Ball, soil conservationist and Jack Turner, soil conservation aide affiliated with the Washtenaw county soil conservation district, and Tom Boyce, soil technical engineer; also men from Dexter and west of Manchester.

Tuesday's demonstration showed that it was very evident that the part of the field fertilized the heaviest was more palatable and nutritious because it had been grazed so much heavier than the others.

The experimental demonstration with 0-20-20 fertilized alfalfa and brome grass resulted in a half-ton more hay per acre which Miles figured more than paid for all the fertilizer he used.

Last week's twilight meeting on Sam Ball's farm in Salem Township was attended by about 60 farmers in that community to see the results of Sam's demonstration on wheat.

LINDA BRADBURY

L. Bradbury
Awarded 4-H
Scholarship

Linda Bradbury, who has made for herself an outstanding record of achievements in 4-H work during the past seven years, has been awarded a college scholarship by the Ann Arbor branch of the National Farm and Garden association, according to Mrs. Walter Day of Ann Arbor, president of the group. The scholarship amounts to \$150 tuition at a college of the winner's own choice. Linda is tentatively planning to attend Michigan State College to major in Home Economics. The scholarship, which is renewable for four years, was awarded on the basis of "outstanding 4-H achievements, good grades in high school work, outstanding personality and personal charm," Mrs. Day said.

Linda's seven years in 4-H club work includes seven years in food preparation, five years in canning, sewing and shoe projects; three years in poultry; two years of personal accounts and junior leadership and one year of Girls' Day. She twice had exhibits at 4-H Club Week; represented the county on local, county and district judging teams for various demonstrations; has been on the Washtenaw County 4-H Council; has been an officer in the Service club and is at present a member of the Service club in the county. She has had exhibits in the State show for five years and two years ago was awarded a \$50 War Bond for outstanding 4-H leadership.

Linda, a 1950 graduate of Chelsea High school, is a daughter of Mr. and Mrs. Jack Bradbury.

PERSONALS

Mr. and Mrs. William Geddes and son, Billy Dick, and their son-in-law and daughter, Mr. and Mrs. Paul Kaimbach, attended the Scheenhals family reunion. It was the 68th annual reunion of the family and was held Sunday at Little Crooked Lake between Brighton and Howell.

Mr. and Mrs. Clarke Anderson and children of Mt. Vernon, Ind., left Friday after spending a week here with Mrs. Anderson's parents, Mr. and Mrs. Charles Rabley. Week-end guests at the Rabley home were their son and his wife, Mr. and Mrs. George Rabley, of Montgomery, Wednesday, Mr. and Mrs. Willie Lange and sons, Richard and Howard, of Detroit, spent the day here with the Rableys and their guests. Also guests here Wednesday were Mrs. Bertha Rabley and daughter Pauline, of Lima, Ohio. Thursday, the Clarke Andersons and Mrs. Charles Rabley were in Detroit to visit at the home of the latter's son, Bud Rabley.

Jr. Leaguers
Win Game
with Clinton

Chelsea Junior Leaguers maintained their first-place rating as they defeated the Clinton team in a close, extra-inning affair at Clinton Saturday. Chelsea scored twice in the first as Neil Buehler singled and scored on Al Knickerbocker's looping double to left. "Knicker" scored a few minutes later as he stole third and came home when the catcher threw the ball into left field.

Clinton counted in their half on a triple and a passed ball. They took the lead in the fourth on two doubles and a passed ball. Chelsea evened it up in the fifth when Tom Eisele walked and Phil Bareis singled, but Clinton took the lead, 4-3, in their half as Richard Eisele who took Bareis' place in the fifth, had momentary control trouble, and walked three and allowed one hit.

Chelsea again evened the count as "Skip" Wheeler walked and Richard Bareis doubled. No one scored in the seventh, so the game was forced into extra innings. In the top of the eighth, Knickerbocker singled, Emmet Hanker hit a fly to left which the Clinton man dropped and "Knicker" scored. With the score at 5-4, Rich Eisele hit a single, scoring two runs that clinched the game. The next game is this Saturday against Pinckney at the local ball field. Game time is 9:30 a.m.

DEATHS

Wm. L. Corey

Funeral services were held in Precious Blood church, Detroit, Monday of last week for William L. Corey, who died Friday, July 7. The family formerly resided in Chelsea in the house on West Middle street where a daughter, Mrs. Jerome Brazzil, now makes her home. The Corey home in Detroit is at 1847 Steele avenue. Survivors, in addition to the daughter, are his wife, Mary; three sons, John H., William L. and James F., of Detroit; one grandchild; and a brother and sister, George and Mary Corey.

Signal Light
Court Session
Held Today

Attorneys for the New York Central railroad, the Washtenaw County Road commission and the Chelsea Agricultural School Board of Education are to appear in the Ingham County Circuit Court today to present their arguments in regard to installation of a flasher signal at the Notten road railroad crossing.

The matter of installation of the flasher signal at this crossing has been under discussion for almost two years. The Chelsea Board of Education had requested the installation as a safety measure for its buses which have to cross the tracks at this point and last year the State Public Service commission ordered the road commission to install the flasher. The road commission, however, appealed the order in the Ingham county Circuit Court and a hearing was held there Dec. 27, 1949. Following the hearing the matter was again returned to the Public Service commission and today's court action is the next step in the proceedings.

Supt.-Mr. Kenneth L. Hallenbeck of the Washtenaw County Road commission, said yesterday that he believed final decision on the order will not be made today.

Schuyler Foster, who has been spending some time with his daughter, Mrs. Virgil Walling, and family in Dexter, has returned to his home here for the summer. His daughter, Izora of Wyandotte is spending the summer here with him.
