## Michigan MIRROR

By Gene Alleman

Illustrating the A-1 problem of Michigan government since the Harbor is this personal story of how your "Michigan Mirror" writer in 1940 invested \$75 to buy a \$100 U.S. Defense bond. That was ten years ago. The bond will come due next month—September. In ten years the value of the investment will have increased 33 1/3 per cent or about \$25 per cent each year. Our profit in terms of 1940 dollars will be \$25, but what has happened to the purchasing power of the 1940 dollar? No secret about that. It is worth about 60 cents, probably a bit less.

● The loss is \$40. Thus, our \$75 bond investment of 1940 is going to bring us \$60 worth of 1940 dollars. That, ladies and gentlemen, is what inflation has done to Michigan government bonds in the past ten years, by constantly driving down the purchasing power of the dollar, inflation causes a perpetual out-balance. As cost of living goes up, wages must be increased. As wages go higher, prices must go up. It's a vicious merry-go-round at the best.

● Our purpose in calling attention to our 1940 investment is not to criticize the buying of government bonds. Our intangible return from that 1940 bond was the priceless right of freedom, our American heritage which you and I would have lost if Germany and Japan had won World War II.

We would like to emphasize one point: The post-war inflation problems of Michigan governments and Michigan people will become more and more serious unless our government at Washington acts immediately to avoid the tragic mistakes of World War II.

● Every now and then a voice is heard in Washington which courageously forewarns against the needless price of inflation.

Bernard Baruch, chairman of the 1918 War Industries Board during World War I, has been advisor to two Presidents through two world wars. Recently he appeared before the Senate Banking and Currency committee at Washington. He condemned the Truman plan, which would over production (without price and wage controls) as an open invitation to more inflation.

Here is a quotation: "It may be argued that the menace of inflation is not so frightful today, since we are not yet at war. Actually, the danger is greater. Today our economy already is operating at full blast, with a demand for goods and services which is about 257 billion dollars—about six times what it was when Hitler invaded Poland. Living costs have climbed so high that serious hardship already is being inflicted on many, particularly those with low or fixed incomes."

"Everywhere cities and states are searching desperately for means of raising the salaries of teachers, firemen, policemen, nurses and others whose real wages have been so cruelly slashed by the inflation of the last ten years. How much further can our cities and states go and still avoid disaster?"

● "The inflation of the last ten years has undermined the stability of all our colleges, churches, hospitals and other institutions, shrinking the value of endowment funds while raising operating costs."

"It is forcing the reorganization of health insurance and hospitalization plans, raising the cost beyond the capacity of many to pay. It is cheapening the real worth of all insurance, all annuities, all savings."

"How much more inflation can our society stand?"

"Price and other controls are often opposed out of fear that such measures will concentrate power in the government and threaten our freedom of production. I, too, am opposed to government controls. But the gravest threats to the preservation of the American system today are not government controls. They are military defeat abroad and further inflation at home."

# Large Group Attends Party To Conclude Recreation Program

## Youngsters Receive Awards for Work in Summer Activity

Approximately 700 parents and children were on hand for the Recreation Council's Achievement night program at the athletic field Tuesday evening. As if by magic, 1,000 ice cream "paddle pops" and 1,000 bottles of pop were consumed at short order. The refreshments had been donated by the Central Fibre company.

There was a craft display, including stocking dolls, leather work and button bracelets and necklaces, and Red Cross swimming awards were presented to about 80 youngsters who had earned them. Robert Harvey, who has been director of the summer recreation program which closes this week, made the presentations. Mrs. Harvey was in charge of the handicraft projects.

An exhibition ball game between Junior League players from Manchester and the Chelsea team resulted in a win for the visitors by a score of 4-2. The Manchester boys yelled lustily and happily as they left for home in a Manchester school bus after the program.

About 90 tickets for the circus at Ann Arbor were distributed to the youngsters.

Prizes in the various races were awarded as follows: Sack race, 30 yards, for boys 9-11, Mike Murphy, first, and Jim Baxter, second; sack race, 30 yards, for boys 12-14, Jim McLaughlin, first, and Jim McLaughlin, second; three-legged race, Richard Eisele and Odies Richardson, first, and Jim McLaughlin and Tom Eisele, second; running race, 50 yards, for boys 7-8, Robert Steger, first, and Matt Murphy, second; running race, 60 yards, for boys 15 and up, Alfred Knickerbocker, first, and Emmett Hankard, second; 40-yard race for girls 7-9, Gloria Packard, first, and Angela Murphy, second; 40-yard race for girls 10-11-12, Susie Tobin, first, and Patay Wylston, second; girls three-legged race, Susie Tobin and Mary Hoffman, first, and Mary Patrick and Lonna Cesterle, second.

## Wagner Family Reunion Held at Adam Eppler Home

Mr. and Mrs. Adam Eppler entertained the Wagner family meeting in reunion at their summer cottage at Blind Lake Sunday. They were assisted by their daughters, Mrs. Robert Randolph, of Battle Creek, and Gertrude Eppler of Bowling Green, Ohio. The following, many formerly of Chelsea, were present: Mrs. S. A. Mapes of Lakeland, Fla., Mrs. Louis Eppler of Chelsea, Misses Elizabeth and Julia Wagner of Ann Arbor, Mr. and Mrs. Robert Burgess of Detroit, Mr. and Mrs. Ernest Wagner, Carolyn, Vincent, and Mr. and Mrs. Paul Wagner and daughter, Barbara, of Plymouth, Wis.; Dr. and Mrs. Reuben Wagner of Port Huron, Kermit Kline of Florida, Mr. and Mrs. Joseph Wagner and daughters, Jacqueline and Betty, and sons, Jimmy, and Mr. and Mrs. Akkins and daughter, Carolyn, and sons, Ronald, of Detroit.

The beautiful weather added much to the enjoyment of the day, those who attended stating that everyone had a grand time.

## Fire Chiefs Discuss Civilian Defense Plans

Thomas Young, local fire chief, represented Chelsea at a meeting called Sunday by Fire Chief Harold Losey of Pittsfield township. The meeting was held at the Pittsfield township fire station and included a picnic. Several talks were given on the civilian defense program and other subjects of special interest and the ground-work was laid for a county-wide organization which Young believes will work to the advantage of everyone concerned. Tentative plans were discussed for completion of the organization which would probably hold meetings each month to promote inter-department co-operation.

## Riemenschneider Reunion Held Sunday

Twenty-five representatives of the Riemenschneider family were present for the annual family reunion Sunday at Salem Grove church. Those present were from Ann Arbor and Chelsea and vicinity.

A pot-luck dinner in the church dining room was followed by an afternoon of visiting.

## Parking Prohibited

At the Council meeting Monday night it was voted to accede to requests of residents on North street and prohibit parking on the south side of that street, from Main street to Millmore street.

# Woman Killed in Two-Car Collision on US-12 Sunday

Funeral services for Julia Bennett of 20022 Omira street, Detroit, were held at the Staffan-Hindinger Funeral Home in Ann Arbor at 1:30 yesterday afternoon and burial followed in Woodlawn cemetery, Detroit, at 3:30. Miss Bennett was instantly killed about five o'clock Sunday afternoon in an automobile collision on US-12 at a short distance west of Staebler road. She was a press operator at the Murray Body Corp., in Detroit, and was starting on a vacation trip to Montana. She was born in Montana July 20, 1909. She had no close survivors.

Miss Bennett was riding in a car driven by John Oniatek of the Omira street address, who told officers they had been planning to drive as far as Chicago Sunday night. He suffered a broken leg and other injuries in the accident.

The other car involved in the collision was being driven east by Joseph Baskin of 19166 Appoline avenue, Detroit, who also sustained a broken leg. His wife, Frieda, was in critical condition at St. Joseph's Mercy hospital, Ann Arbor. It was reported that two young boys, nephews of the couple, who were in the car, were not seriously injured. The boys are Lawrence and Martin Parthov.

Father S. M. Sophocles of Ann Arbor officiated.

## Washtenaw Draft Quota Set at 64

Washtenaw county's draft quota for Sept. 29 induction has been set at 64. Mayor William E. Brown, Jr., of Ann Arbor, chairman of the county draft board, said yesterday that to fill this quota from the 393 men ordered for pre-induction examinations on Aug. 31, the entire machinery must move without any hitch if arrangements are to be completed in time. Draftees must be given 21 days to wind up personal affairs after induction orders are sent to them.

Brown again appealed for volunteer help to assist with the vast amount of clerical work to be done. He said that the work needs no special training. He urged anyone in the Chelsea area who can contribute even a half-day's work to do so as soon as possible. A day or two a week of volunteer work would greatly assist the draft board in getting its work up-to-date, he concluded.

The Sept. 29 call will probably include men who had their pre-induction examinations in Detroit last Wednesday, Aug. 2, in addition to those who will be picked from the group to be examined at the Detroit induction center Aug. 31.

## Washtenaw Bus Drivers Meet Here

Seventeen school bus drivers from Dexter, Manchester, Willow Run, Rawsonville, East Ann Arbor, Whitmore Lake, Saline and Chelsea met Tuesday in the local high school for the first of four school bus drivers' conferences to be held in the county this month. Next Tuesday they will meet at Pittsfield; Aug. 22 they will be at Manchester, and Aug. 29 the final session will be held at Dexter. The meetings are of four-hour duration and include classroom sessions followed by road demonstrations using a special Michigan State College bus.

Leslie Silvermale is director and instructor of the course which is sponsored by Michigan State College, the State Department of Public Instruction and, locally, by the Washtenaw County Board of Education.

The course for bus drivers is heartily supported by local school officials as being in line with their policy of making every effort to provide safe transportation for the pupils who ride the buses.

## Supervisors Defer Appointment of Zoning Commission

Tuesday's meeting of the Washtenaw County Board of Supervisors at Ann Arbor was adjourned until Sept. 11 after expected appointment of a county zoning commission failed to materialize.

After considerable discussion of the matter, pro and con, Chairman Leigh Beach said yesterday, the matter was finally tabled and the meeting adjourned until Sept. 11.

HARVEST TIME—Golden kernels of wheat are being scooped down in the wagon by Billy Sorensen as they pour steadily from the threshing machine at harvest time on the Alfred Lindauer farm recently. Looking on with a serious expression clouding his face, is two-year-old Gary Heister, son of Mr. and Mrs. David Heister who operate the Lindauer farm on Fletcher road. Billy is the son of Mr. and Mrs. Hugh Sorensen.

## School Board Hikes Non-Resident Fees for Coming Year

High School tuition for non-resident pupils for the year 1950-51 was set at \$188.77 at Tuesday night's meeting of the Chelsea Agricultural School's Board of Education. This is approximately \$50 higher than last year's \$127 and some cents, according to Harold Widmayer, secretary of the Board.

A petition was presented at the meeting by residents of the Riemenschneider school district, requesting that running water be provided for the three rural schools in the district—Riemenschneider, Sylvan Center and Pumpkin College. Acting on the request, a motion was passed that School Superintendent Albert G. Johnson draw up specifications and ask for bids to install pumps and equipment for running water.

Bids on the steel insurance for the school buses were opened at the meeting. Five bids were submitted. No action was taken before the meeting was adjourned to meet again at 7:30 next Tuesday evening, Aug. 15.

## Civil Defense Group to Meet Tuesday Eve

W. R. Guest, named by Village President M. W. McClure last week as Chelsea's director of civil defense, has announced that he has much of the groundwork of organization here completed and is calling a meeting of representatives of all cooperating agencies for Tuesday, Aug. 15, at 8 p.m. The meeting is to be held in the council room in the Municipal building.

Guest said he has already contacted police and fire department officials in regard to plans for public safety and local radio "hams" in regard to emergency communication. He said Marion Longworth and Loren Knickerbocker in both have offered their services in this regard—the defense program. Martin Miller has full data on emergency housing and feeding which he accumulated during the World War II emergency and has offered this also for use in the present program, Guest stated. He plans to contact industrial organizations in the community during the remainder of this week so that all groups in the community will be represented at Tuesday's meeting.

## Rod-Gun Club Makes Plans for Annual Guest Night

Forty-one members attended the Rod and Gun club meeting held Tuesday evening at the Legion Home at Cavanaugh Lake. Dr. L. J. Paul was winner of the evening's door prize.

Lunch was served at the close of the meeting by a Legion committee.

During the business session the date for the annual meeting of the club at the Christmas Seal camp at North Lake was set for Sept. 12. Guests are to be invited to that meeting and special entertainment is planned. Refreshments are to be served by a Rod and Gun club committee.

Plans were announced for the club's annual jamboree, the place and date to be announced later.

Mrs. A. L. Steger is a patient at St. Joseph's Mercy hospital, Ann Arbor, where she was taken Monday after becoming ill at her home.

## Extension Camp Dates Announced

The dates for the Washtenaw County Extension Women's camp at the North Lake Christmas Seal camp has been announced by Mrs. Anna B. Brown, Washtenaw county home demonstration agent. The camping period begins Tuesday, Aug. 22, at 4 p.m., with registration, followed by a picnic supper and get-acquainted party. Monroe county and Livingston county Extension women have been invited to participate, Mrs. Brown stated.

The general camp program includes crafts, music, speakers, swimming, boating and time for rest and recreation. Special features Wednesday, Aug. 23, will include work with plastics. Classes will be given both morning and afternoon and enrollment in each will be limited to 20. Robert Madsen, Monroe county 4-H club agent, will teach the classes. Enrollment preference will be given to full-time campers. The annual campers' square dance is scheduled for Wednesday evening.

The special program for Thursday includes a conservation program conducted by specialists from Michigan State College. There will also be 4-H demonstrations. Friday the special features will be craft work and a bunco party. Everyone is welcome, Mrs. Brown said, but reservations must be sent in to the Agricultural Extension office by Friday, Aug. 11. She emphasized that no one should be fed at camp without a reservation.

## Junior Leaguers Win One Game, Lose to Dexter

Chelsea's Junior Baseballers won one and lost one in league play the past week. Friday night they defeated the Grass Lake team by a score of 14-6. Chelsea got 14 runs on eight hits, as Bill Clark, Bob White, Don McClellan, Al Knickerbocker, Richard Bareis, Neil Buehler and Emmet Hankard all counted in the hit-and-run column. Buehler led the hitters as he collected two doubles and a single in four times at bat. In the meantime, Richard Eisele and Bruce Hoffman were limiting the visitors to three hits.

It was a different story Saturday morning, as the local boys were defeated by the Grass Lake team by a score of 4-3. The pitchers did a fine job but the hitting and fielding were shaky at the wrong times. Chelsea lost 12 men stranded on base.

The local team will be out for revenge and a piece of first place league standing this Saturday morning, as they face Dexter on the local field. Dexter has won four and lost none, while Chelsea has a five and one league record.

Line score: R H E Chelsea 602 080 x-14 8 6 Grass Lake 030 200 1-6 3 7 R. Eisele, Hoffman (4) and R. Bareis; Grass Lake: Weekes, Anderson (5) and McNally, Kohn.

Line score: R H E Chelsea 000 100 2-3 6 4 Dexter 100 030 x-4 6 3 P. Bareis, Hoffman (5), Knickerbocker (6) and R. Bareis, Nuttle, Cunningham (5) and Forshae.

## Trophy Displayed

The Southern Michigan Junior Baseball league trophy which is to be awarded the winning team in the league at the close of the season, is now on display in the window of Foster's store. The store calls for a home-and-home game for each team and will be completed this month.

League standings are not always available at press time but will be published whenever possible.

## Schlicht-Feldkamp Reunion Held at Clear Lake Park

The thirty-sixth annual Schlicht-Feldkamp reunion was held Sunday, Aug. 6, at Clear Lake county park with 74 present from Saline, Manchester, Chelsea and Ann Arbor. The oldest member of the family present was Dan Feldkamp of Manchester, while the youngest was Barbara Jean Kemner, daughter of Mr. and Mrs. Bernard Kemner, also of Manchester.

A pot-luck dinner at one o'clock was followed by a business meeting and an afternoon of sports.

During the business session it was announced that next year's reunion will be held at the same place the first Sunday in August.

Nathan Alber of Manchester was re-elected president of the group. Others elected were: George Ernst of Saline, vice-president; Betty Ernst of Manchester, secretary; and Doris Blumenauer, of Manchester, treasurer.

Raymond Stockinger and Richard Buss of Manchester were appointed to act as grounds committee; Mrs. Erwin Blumenauer, John Miller and Mrs. Thea Blumenauer, all of Manchester, as table committee; and Lodema Koebe and Verna Kothe of Manchester, and Ruth Eismann of Chelsea as sports committee for next year's reunion.

## Labor Team Wins from Stockbridge

Chelsea's UAW-CIO Local 437 team outlasted the Stockbridge Merchants for their ninth win against two defeats. Opponents' errors helped the Laborites gain a 5-4 decision.

Chelsea scored three in the fourth as with two out Braden singled, stole second and scored on Bill Rademacher's single. Bill followed him around as the center-fielder muffed the ball for a three-base error. Crocker singled, took second and third on wild pitches and scored as "Lefty" Barth was safe on an error.

The Laborites scored two in the sixth as Heydlauff was safe on an error, Crocker was safe on an error, Barth singled, Gaken was safe on an error, and a fielder's choice.

In the meantime, with Barth starting Stockbridge scored one in the second and two in the fourth. Crocker took over in the sixth when Barth came up with a sore arm, and allowed one unearned run in the eighth. Barth led the local team with two singles.

The next game will be played here Sunday at 2:30, against the Mason Merchants who are now in third place in league standings.

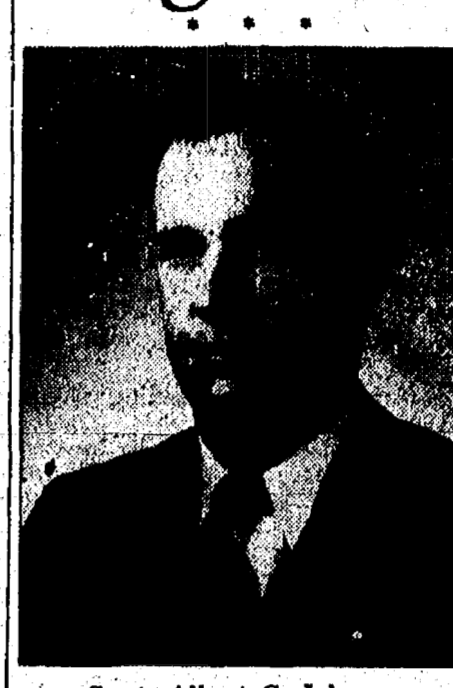

Line score: R H E Chelsea 000 302 000-5 7 4 Stockbridge 010 200 010-8 8 Barth, Crocker (6) and Gaken; Campbell and Breniser.

## Tri-County Baseball League Round-Up

Webberville — The Fowlerville Merchants qualified to oppose the Tri-County League All-Stars Aug. 19, by downing the Webberville VFW, 13-0, and hold their slim lead over second-place Chelsea, "Lefty" Al Elliott threw a neat one-hitter, with Ernie Monroe getting the only hit, a single in the eighth with two out. Elliott struck out 12 and was never in trouble.

Fowlerville has a busy week ahead, as they tangle with the same VFW team Thursday night at Fowlerville in a make-up game, and then Saturday night take on the 1949 league champs when they play the Webberville Independents. (Continued on page six)

#### RETURN FROM VACATION

Mr. and Mrs. Douglas Lange returned Wednesday evening of last week from a three-weeks' vacation trip to California. They visited Mr. Lange's sister, Mrs. William Powell, at San Diego, and stopped at interesting points en route, including five of the national parks. They stopped at El Cajon, California, intending to call on the Fred Halls and found they were in Chelsea visiting relatives and friends here. The Halls had left Chelsea Wednesday afternoon before Mr. and Mrs. Lange arrived.

#### Dexter Makes Plans for Remodeling Ford Mill Building

Dexter—A meeting was held informally Friday evening at the Dexter Fire hall with Architect Harold V. Maurer of South Bend, Indiana, at which the rebuilding of the Ford mill building was discussed. Those present at the meeting included Village President Dr. A. G. Wall, Village Clerk Harry G. Peters, all members of the Village Council and members of various committees who have been working on the project.

Present plans call for finishing off the ground floor with space for storage of four vehicles, a council room, a clerk's room, various utility rooms, hose-drying loft and public rest rooms.

Entrance to the building would be from Main street. Police offices will not be located there as present plans call for location of the police booth in the former pump-house in the Village Park at the corner of Main and C streets.—Dexter Leader.

Mrs. Faye Stein of Oak Park, Ill., niece of Mrs. Ben Widmayer, spent Friday, Aug. 25, with the Widmayers and on Saturday morning they all drove to Niagara Falls, Ontario and spent last week with Mrs. Widmayer's daughter and son and her granddaughter and family, returning Saturday.

Good Sleepers  
On the average, women get more sleep than men. Sleep investigators believe that one reason women get more sleep is because they usually fall asleep faster and this is partly due to their "getting ready for bed" routine. Husbands leave their wives about the time they spend creaming their faces, brushing their hair, and the host of other things women do as bedtime ritual. The experts approve, however, for this bedtime ritual establishes a conditioned reflex which helps to bring on sleep.

Rev. Robert H. Harpér  
Exposition of God's Word  
Lesson for August 13: Nehemiah 8: 1-4a, 5-6, 8, 10, 18  
Memory Selection: Nehemiah 8: 10

EZRA was the preserver of God's Word before he became its interpreter. He gathered the books of the Old Testament substantially as we have them today. But his greater work was interpretation.

Reading in the Word to the people assembled in the space before the water gate in Jerusalem, he was assisted by trained helpers who explained what had been read to smaller numbers when, at intervals, the assembly divided into "discussion groups." These helpers should serve as models for preachers and teachers of the present.

For they "read in the law of God distinctly; and they gave the sense, so that they understood the reading."

The great day brought a revival. The study of God's Word went on from day to day. The Feast of Tabernacles was revived, and on the eighth day there was "a solemn assembly, according unto the ordinance." It is evident that the lives of the people were powerfully affected for good.

A revival is needed in our country—on a scale necessarily more vast than that led by Ezra. It must begin with the reading of God's Word, now more rich and full by the addition of the New Testament. It must have the presence of the Holy Spirit, and the preaching of new life through faith in Christ. Let each of us begin in his own place and in his own heart. May God give us the eagerness of Ezra's hearers and a new will to live by the truth of the great Book!

## Guest Speaker To Be at N. Sharon Church Sunday Evening

Rev. Alvin Braze of the Iron Creek Baptist church will speak at the evening service of the North Sharon Community Bible church.

Robert Schneider, newly-elected Sunday school superintendent of the church, will speak at the morning worship service.

Rev. Roy Grindall, regular pastor of the church, will be the guest speaker at the Day Bible church, Battle Creek, Sunday, and will speak at the Camp Selah Bible conference the evening of Aug. 22.

The camp is located three miles north and two miles west of Read-

ing. Rev. Charles Shock of Reading is camp director and Rev. A. J. Berry, pastor of the Rives Baptist church, is program director.

The program for the first week is especially for youth ten years and older. All evening meetings are open to the public, and some of the speakers are: Rev. Ted Dolson, Hudson; Rev. A. E. Hook, Adrian; Rev. Charles Berry, Napoleon; Rev. Dallas Berry, Jackson; Rev. Paul Knask, Brooklyn; Rev. Don W. Reiter, Amboy; Rev. George Frank, Cambria; Rev. Klammer, Reading; Rev. William Malanowski, Cement City, and Rev. Howard Sugden, Jackson.

Rev. Howard Sugden of Jackson will be the speaker each evening at the Bible conference which will be held in the big tent. The conference will start Monday, Aug. 27 and continue through Labor Day.

for years..."

"... and now we're  
replacing it with a  
new refrigerator..."

"GUESS WHAT KIND WE'RE GETTING"

"Another GAS refrigerator, of course. We wouldn't think of switching. We're Servel fans for life."

"The only reason we are replacing our old gas refrigerator, which is still giving us good service after 15 years of steady use, is that we want the new features of the 1950 Servels, especially the big frozen food compartment."

Once a Servel owner, always a Servel owner. Families accustomed to the smooth, silent, trouble-free service of the gas refrigerator have been educated to the best refrigerator performance and want no less.

Only Servel gives complete and permanent silence. Only Servel gives a 10-year guarantee. Only Servel provides the low operating cost possible with natural gas.

## National Guard Will Continue To Accept Recruits

All National Guard units, including those that have been alerted for federal service, are continuing to accept qualified recruits, both veterans and non-veterans, it has been announced by the Adjutant General's office.

Alerted units have been authorized to expand to war strength. They may accept recruits who wish to train with their home town units up to 24 hours before the unit leaves its home station. Most other Guard units still have vacancies for qualified men, ages 17 to 35.

The 12 months extension of enlistments recently announced for members of the regular armed forces does not apply to enlistments in the Guard. Guardsmen whose enlistments expire prior to the effective date of federal induction will be discharged and re-enlistments accepted only on a voluntary basis. Enlistments expiring after the unit has been inducted into federal service, however, are automatically extended for a period of 21 months from the date of the induction order.

Steel Payroll  
Iron and steel payrolls in the past decade have risen more rapidly than employment. The number of wage-earners in the past two years has been approximately one-quarter larger than in 1938, rising from about 400,000 to 500,000. The payroll for these workers has more than doubled, however, climbing from \$650,000,000 to above \$1.6 billion.

Saline-Dick Corbin threw the first no-hitter of the season here Saturday night, as Mason breezed past the Saline Observers, 12-2. Corbin held the Saline hitters in the palm of his hand and then retired 21 men in a row. Saline spoiled his shutout by scoring 11 runs in the ninth on a hit batsman, two walks and an error. Corbin struck out 15.

The calendar says Aug. 14 is Victory Day. We hate to argue with the calendar because it does a nice job of keeping days in order.

— but in this case it's as optimistic as an umbrella salesman in the desert.

Aug. 14 did wind up a chapter in the Pacific phase of World War II, but it left more loose ends than a broken cobweb. Instead of picking up those ends and weaving them into a final victory pattern, we made too many concessions and got home too fast. Now we're paying the price. Victory Day belongs on the calendar... but not until people stop pushing other people around.

A Church of England Bishop forecasts that the human race of the future will be made up of a higher type of people. We can use them, too. **Don't Throw Away Dollars**  
**TO SAVE PENNIES on EGG MASH**

Figure it out! See for yourself how the savings you can sometimes make on price are too small to offset the extra profit you can make from Larro Egg Mash. Just one extra egg per bird every month can wipe out a difference of \$1.12 per bag. Let these figures prove it to you.

A Leghorn hen eats about 40 lbs. of Larro Egg Mash a year. Therefore, 1 ton of egg mash will feed 50 laying Leghorns for 1 year. 50 hens x 1 more egg = 50 extra eggs per month. 50 extra eggs per month x 12 months = 600 extra eggs per year from 1 ton of mash. 600 eggs—50 dozen x 45¢ = \$22.50 more income per ton of mash.

—actually \$1.12 per bag

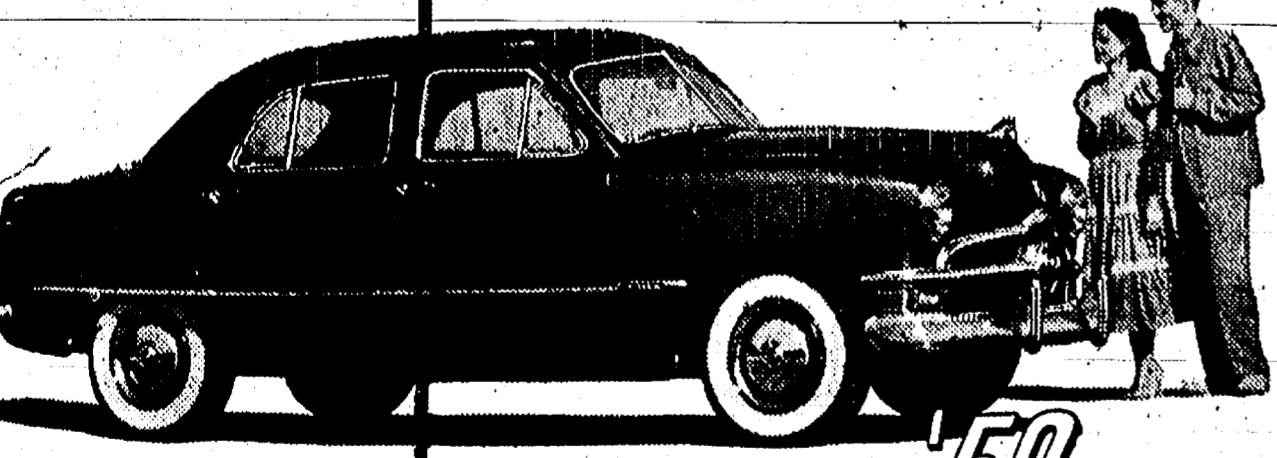

See how you can be fooled by a saving in price? See how high quality Larro Egg Mash makes profits jump? Put your Rock on Larro today—watch results!

Mr. Baruch pointed out that the Congressional price control bill of 1942 "legalized inflation" by permitting "wages to run free and farm prices to rise to 110 percent of parity." The result: "A terrible price" paid by inflation which "added a hundred billions to the cost of the war, needlessly prolonging the conflict, unnecessarily increasing the toll of dead and wounded."

That's why our \$75 bond of 1940 paid off with only \$60.

Major and Mrs. Bernard H. Schimmel and children, Beverly and Terence, have moved to Chelsea from Fort Adams, Rhode Island. They are living at 634 Taylor street. Major Schimmel is Professor of Military Science and Tactics of the Ordnance unit at the University of Michigan in Ann Arbor.

## 46th Division Heads For Field Training Near Grayling

All roads lead to Grayling for some 8,000 ground troops of the Michigan National Guard next Saturday, Aug. 12.

Motor convoys and trains from more than two score communities will concentrate the 46th Infantry Division and attached units at the Hanson State Military Reservation for what Major General Ralph A. Loveland, commanding general, has

termed "the most significant and critical" field training in the post-war history of the Guard.

More than 1,000 military vehicles of all types will be on the highway next Saturday, starting the early morning hours, as long convoys head for Grayling. The bulk of the troops will be moved by rail. A total of 258 passenger, baggage, and flat cars have been scheduled in the rail move. Fastest move to camp will be made by the division's 17 liaison aircraft.

Approximately 500 Guardsmen will be included in advance parties scheduled to move into camp Aug. 8 and 9. All units will send food service personnel to participate in the pre-camp training school. Other advance parties will arrange for the preparation of the camp site for the main body arriving Saturday.

Among the heavy items of ordnance moved to camp this year will be more than 70 tanks, mostly medium M-4 Shermans. The tanks will be used in the Guard's new armored center near Grayling for the training of the 24th Heavy Tank Battalion, the 46th Reconnaissance company, and the regimental heavy tank companies.

## Funeral Held for Farrell Infant

Graveside services were held in Oak Grove cemetery at 9 a.m. yesterday for the infant son of Mr. and Mrs. William Farrell, of 129 South street. Rev. P. H. Grabowski officiated. The baby died at birth in St. Joseph's Mercy hospital, Ann Arbor, Tuesday morning. Funeral arrangements were in charge of the Staffan Funeral Home.

## Funeral Services Held in Detroit for Herman O. Samp

Funeral services were held at the J. D. Martenson Funeral Home in Detroit Wednesday for Herman O. Samp, who was a Chelsea resident for 48 years before moving to Detroit some years ago. Mr. Samp died Sunday, July 30. Burial took place in Oak Grove cemetery here. Born Oct. 25, 1876, he was a son of Christian and Christina Samp. He was married in 1904 to Esther Self, who died June 27, 1922.

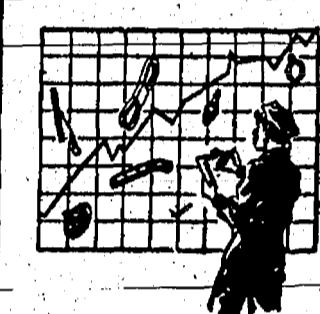

Survivors are three sons: Glenn, Nelson and Lester, of Detroit; two daughters, Mrs. Irene Rider of Detroit and Mrs. Doris Golder of Massillon, Ohio; a sister, Augusta Samp; and seven grandchildren.

## Kiwanis Team Wins Thriller from S. Lyon

A ball game which proved to be a real thriller was the one played by the South Lyon Kiwanis club team and the Chelsea Kiwanis team after Monday night's Kiwanis meeting in the Methodist church.

The game, played at the local athletic field, started out with two runs for Chelsea in the first inning. This lead was quickly wiped out when South Lyon scored eight runs in the third.

A seven-year-old boy playing with matches is reported to have been the cause of this fire which destroyed a barn valued at about \$6,500 containing over 30 tons of baled hay, about 350 bushels of oats and many other miscellaneous items. Only the fact that the wind was from the west, together with very prompt and efficient action on the part of the Williamston Fire department, saved the house and other buildings on the farm from total loss, it was stated.

The fire occurred Wednesday afternoon, July 12, at about six o'clock, on the Lloyd Hunt farm. —Williamston Enterprise.

**WHITE WITCH DOCTOR**  
by Louise A. Stinorl

Is completely fresh and different. Based on actual experiences of American missionaries in Africa, it is the story of a maiden lady from conventional black witch doctors, and produced a most potent magic.

# We at Frigid Products Say— Yes! Ask Your Neighbor How She Likes Her GE Refrigerator

- The chances are she'll tell you it's the most reliable piece of household equipment that she's ever owned—and day in, day out dependability is a basic must in any household refrigerator.
- If your neighbor owns one of the recent G-E Refrigerator models, she'll tell you of its many convenience and utility features that add so much to the complete enjoyment of her refrigerator.

## New GE Refrigerator Models Are Better Than Ever!

• New G-E Refrigerators are more efficient—built to last even longer than old G-E models, which have been giving their owners faithful service for a dozen years and longer! And greater efficiency means lower operating cost, too. Remember, General Electric's record is unexcelled for dependability—more than 2,200,000 G-E Refrigerators have been in use ten years or longer.

• Today, General Electric is proud to say that there has never been a better refrigerator than those that G-E is making for you now. But don't take our word for it—ask your neighbor!

### GE REFRIGERATOR-HOME FREEZER COMBINATION

**ZERO COLD.** Take, for instance, the new Refrigerator-Home Freezer Combination shown at the left. The upper compartment maintains ZERO for fast freezing and long-time storage of frozen foods (up to one year), and there's plenty of room for the large, economical gallon containers of ice cream.

**NO DEFROSTING.** The lower compartment keeps fresh foods and leftovers in a moist-cold atmosphere, so there's no need to cover dishes—foods won't dry out. But best of all, it never needs defrosting. There's no fuss, no muss, nothing for the homemaker to do but use her refrigerator and enjoy it.

## Reasons Why General Electric's The Buy!

- The heart of any electric refrigerator is the mechanism. That's why General Electric not only seals a permanent supply of oil in the mechanism, but also provides a force-feed lubrication system. This forces oil throughout the mechanism, so that moving parts float in a fine film of oil, eliminating metal-to-metal contact and wear.
- The same care is taken in cabinet construction and finish. The General Electric cabinet is all-steel—no wood to warp or to crack. The finish is the finest obtainable, consisting of two coats of enamel individually baked on the Bonderized surface at extremely high temperatures and for long periods of time. This finish is resistant to scratches, stains, grease, and should retain its original gleaming whiteness over the years.
