

Entire Grid Squad Guests of Kiwanians at Annual Banquet

**Ted Slane Named
'Most Valuable' as
Awards Are Made**

Kiwanis club members entertained the entire football squad of Chelsea High school, together with the coaches and cheerleaders, at the annual football banquet held Monday evening in connection with the regular Kiwanis meeting.

The meeting was held in the social center of the Methodist church and the Methodist ladies served the dinner. Charles Cameron acted as master of ceremonies.

John Magiera, assistant football coach, spoke of the development of the squad, describing the training and improvement noted in the players and Ray Lottin, coach, reviewed the games of the 1950 season. He compared the strength of the local team with others in this area and mentioned the general excellence of the Chelsea team which rolled up a record of seven wins, one tie and one game lost.

Awards were presented to the following: Richard Bercis, Robert Berte, Ted Bette, Charles Eder, George Heydlauff, "Let" Hoppe, Gerald Lehman, Donald McClear, Richard Merkel, Donald O'Dell, James Roberts, Donald Schrader, Theodore Slane, George Sweeney, George Winchester and Stanley Knickerbocker.

Bauer, John Bauer, Oscar Bongert, Kenneth Gahrbach, Jerry Hark, David Hoffman, John Hummel, Alfred Knickerbocker, Jerry Lesser, Donald Proctor, Donald Rowe, Duane Satterthwaite, Franklin Sweeney, Stanley Toney, Otto Riegger, and Dan Murphy.

The 1950 captain, Don Schrader, spoke briefly and introduced the 1951 captain-elect, Donald McClear.

The coach then announced that Ted Slane had been named the "most valuable" player on the team, and George Winchester, the player showing the most improvement.

Thomas Slaughter, freshman coach at Western Michigan College, Kalamazoo, was the principal speaker of the evening. He gave a graphic description of the part athletics play in the development of good citizenship. In a proper athletic program, he said, youngsters begin to realize that good teamwork is a necessity for success and will carry this lesson into adult life by being cooperative for the best interests of everyone concerned.

Slaughter said that just as there are rules and penalties in the games they play, so there are laws in the community which must be respected if penalties are to be avoided.

Color movies of one of the football games played by the Western Michigan team, concluded the evening's program.

Other Boy Scouts of Chelsea's Troop 25 received awards as follows: William Moody, first class; Douglas Kolb, first class and three merit badges; Robert Balmer, George Collier, Conrad Hafner, George Hoffman, James Keizer, Richard Leland, Charles Miller, Donald Mack, Gary Packard, Paul Weber, Eddie Wink, Hugh Weinberg and Glen Weir, second class ratings; Michael Murphy, tenderfoot; Alfred Knickerbocker, ten merit badges; Richard Schneider, two, and Douglas Schneider, three merit badges.

The awards were presented by football stars Roger Koffel, Leo Kocinski, and William Packard, and by Volney Jones, a member of the Washtenaw-Livingston Boy Scout Council training committee, and C. O. Nimtz, deputy regional executive.

The master of ceremonies Thursday evening was Ralph Keyes, Ann Arbor attorney.

Chelsea boys' workers said they were disappointed because of the small turnout of Chelsea parents at the Court of Honor.

Sixteen families were represented by the Boy Scouts who received awards but a check of participation taken publicly at the meeting showed representatives of only four families present. Other nearby communities averaged three-fourths of the parents present.

**Cage Squad
Wins Opener
at Manchester**

By DWIGHT GADD

Paced by Dave Crocker and Marty Tobin, Chelsea High opened its hardwired season last Friday by mauling Manchester on their way to the state capital.

The performance was rather spotty but the scoring was there, as expected. It was a typical opening night exhibition as the play was both ragged and smooth, to extremes, but the Bulldogs were sweet to behold when they were clicking and the evidence was very visible that if the team keeps its feet on the ground and has some hustle and fight it can really go a long way this year.

Both teams were guilty of poor and flighty ball handling early in the game. Crocker opened the night's scoring but the Bulldogs held to a tight defense. The Dutchman crew before spurring ahead 13-7 late in the quarter. Chelsea doubled their score in the second quarter as Crocker led the way with eight points, but the attack still hadn't jelled right and at the half the Bulldogs led by one 16-13.

The third period was the big one as things smoothed up in a hurry and the Bulldogs poured in 21 points to Manchester's six to turn the game into a near rout at 47-19, at which point Coach Magiera emptied the bench until the five-minute mark of the last period. Manchester nearly kept pace during the last quarter, being outscored only 14-13, but it was only a token gesture by then.

Dave Crocker led all scorers as he netted 24 points, with Marty Tobin taking runner-up honors with 11 points. Ray Dunny and Harold Breitenwischer led Manchester on eight points each.

Manchester salvaged something of the night by taking the Bulldogs 26-24, Jim Kroske led the winners with 11 points, while Bob Bertke netted nine for the Pups.

Last Friday's win was very significant for the Bulldogs as it was a team effort for 61 points in their first game of the year. Manchester was outgunned all the way and Chelsea could have scored higher had their attack gone well during the first half. The Bulldogs shot well and their overall high of nearly six feet showed under both boards.

One week from tomorrow night, Dec. 15, Hartland comes here to open the home season so plan to be at the high school that night. This team will show you some basketball.

**Board of Canvassers
Begins Recount of
Washtenaw Ballots**

The Board of County Canvassers recount of Washtenaw county's approximate 35,000 ballots was scheduled to begin yesterday in the court house at Ann Arbor. Rechecks in Wayne county began last week. No estimate has been made as to the probable amount of time it will take to complete the recount here or in the entire state.

The recount was requested by Harry F. Kelly, Republican gubernatorial candidate, who at election time was believed to have won the election but later was found to be more than 1,100 votes behind Gov. G. Mennen Williams.

The ballot boxes are being guarded by state troopers day and night until the recount is completed.

Mr. and Mrs. Edmund K. Miller, Jr., spent Saturday night and Sunday in Detroit as guests of Mr. and Mrs. Paul McNulty.

Blueprints of Main Street Improvement Received by Village

**Dogs Creating
Nuisance at School
by Running Free**

**Assurance Given
That Bridge, Paving,
Will Be Reality**

Indications that the promised improvement of North Main street and construction of a new bridge at the north edge of the village is definitely being processed through state and federal channels were welcomed this week in the form of a letter received from the State Highway department and read into the record of the Village Council proceedings Monday evening. The self-explanatory letter follows:

"In regard to project 81-88, final notification for public utility on 12-22 in the village of Chelsea from the New York Central railroad crossing north to the north village limits:

"Under separate cover we are mailing to you today a set of prints of the final plans of the above numbered project. You will be contacted by our district forester, W. R. Brownell, to arrange for relocation of your water mains, water valves and hydrants following official notice for their removal.

Yours very truly,
E. G. Schwoppe,
District Engineer,
State Highway Dept."

The blueprints mentioned in the letter arrived here Tuesday morning. Designated as Federal Project 5282-3, the prints show final plans for a 44-foot concrete pavement of eight-inch depth, with concrete curb and gutter. All elevations, driveways, side street entrance details and proposed detours are included.

Barring unforeseen set-backs because of war conditions which would delay the project, the village might possibly be moving the main mains and other utilities before spring.

The North Main street improvement program originally estimated to cost approximately \$60,000, is a joint state, federal and village project. State and federal funds would pay seven-eighths of the cost with the village paying the remaining one-eighth or approximately \$7,500.

No further word has been received by village authorities in regard to the new bridge since assured by the State Highway department during the summer that the project had been approved and was then being processed through federal channels at Washington. The bridge construction will be a joint state and federal project.

Sept. 17, 1891, he was married to Wealthy Allyn at the Allyn family homestead at Wild Goose Lake in Lyndon township. They came to Chelsea and made their home for a time in what is now the Walker home on East Middle street. The family home for many years has been the present home at 615 Madison street. **Gas Company
Will Install
Regulators**

During the week of Dec. 11, the Michigan Consolidate Gas company will install individual house regulators in the homes and industrial plants in that section of Chelsea north of the Michigan Central railroad tracks, according to information released this week by M. W. McClure, Chelsea branch manager for the company. This is being done to improve the gas supply in that section of the village and the change will also help other portions of the village.

This particular step will be accomplished now and the remaining homes in the village will be equipped with regulators next summer. This section north of the tracks is the first step of a \$150,000 program to improve the general gas pressure supply of the entire village.

The installation of an individual house regulator permits the company to increase the pressure of gas in the distribution mains in the village and the regulator reduces that pressure at the home or place of business to a satisfactory working pressure for the various home appliances. When this entire program is completed in 1951, Chelsea will be equipped with a system to insure proper gas pressures for all times.

When the work of installing the house regulators in that section north of the Michigan Central tracks, red cards will be distributed to the various homes, indicating that the company service men will soon be there to do their work. If the men cannot get into your home, a card will be left advising each home owner, and arrangements will be made for entry on another occasion.

During 1950 the company has replaced the four-inch high pressure line which supplies gas to Dexter and Chelsea with a new eight-inch high pressure line to the western limits of the village of Dexter and this is now in operation. The renewal of the remaining portion of this four-inch line from Dexter to Chelsea will be completed in 1951.

The replacement of this four-inch supply line was required to insure an ample supply of gas to the respective villages. The four-inch line was originally installed when gas was first furnished to the respective villages in 1912.

Each householders cooperation in this work will be appreciated and company men will try to finish their work in a few days, according to spokesmen for the gas company.

**Vander Velde
Lectures Here
Wednesday**

Lewis G. Vander Velde, professor of history and director of the Michigan Historical Collections at the University of Michigan, will appear here in the Fall Lecture Series at the Chelsea Public Library on Dec. 13. He had originally been scheduled to speak here Jan. 24, but has exchanged dates with Prof. Philip Wernette who was to have spoken on the topic, "Outlook for Business and Prices."

Professor Vander Velde's lecture here will be on the topic, "Some Unique Aspects of Michigan's History." He is well qualified to discuss this subject since he is at present working on a collection of material bearing upon the state's history. He has been assisted by the University to the extent of having an assistant supplied to make researches and certain collections, chiefly bearing upon the anti-slavery agitation of the state. As Chelsea was one of the links in the "underground railway" for escaping slaves, lecture-goers are looking forward to Prof. Vander Velde's appearance here in the hope that he will have unearthed some facts of special local interest.

The professor has also been actively engaged in gathering data and manuscript material bearing upon the history of the University. He has been a member of the staff of the history department of the University since 1928. He has published a book entitled "Prohibition Churches in the Federal Union, 1861-1899," which appeared in the Harvard Historical Studies in 1938.

**Blueprints of Main
Street Improvement
Received by Village**

Dogs running at large in the village, and especially those congregating on the school grounds, have become such a nuisance that the village has been brought to the attention of the Village Council.

During a discussion at Monday's Council meeting copies of ordinances from other communities, pertaining to regulation of dogs in public, show that in one nearby city owners may be fined up to \$50 for permitting dogs to run at will.

Chelsea already has an ordinance forbidding owners to allow their dogs to run loose in public and consensus of opinion at the Council meeting seemed to be that requests and warnings in regard to their dogs were not heeded. Drastic measures will have to be undertaken soon.

School officials, when asked about the dogs on the school grounds, said that there are often as many as a dozen dogs on the playgrounds and that there are frequent dog fights causing a terrific amount of confusion when all the children are together on the grounds.

Many of the younger children have been terrorized by being knocked down by the rampaging dogs and parents have made complaints and requests for some sort of action to curb the nuisance.

All owners of dogs in the community are asked to please try to keep them away from the school grounds and to keep them under control at all times.

MR. and MRS. ROBERT ROBBINS

Marjorie Proctor, Robert Robbins Wed at Salem Grove

Marjorie Irene Proctor, daughter of Mr. and Mrs. Kenneth Proctor, exchanged marriage vows with Robert Robbins, son of Mr. and Mrs. Boyd Robbins, in a candlelight service in Salem Grove Methodist church Saturday evening. Rev. Vern Panzer officiated at the double-ring ceremony in the presence of 125 guests.

Bouquets of large white chrysanthemums and daisy 'mums, together with the lighted altar candles and two seven-branched candelabras bearing lighted tapers, formed an effective background for

the bride, and David Meyers were the ushers.

Rev. Vern Panzer sang "I Love You Truly" with Mrs. Panzer playing the accompaniment. She also played the traditional wedding music.

The bride's mother, in nut brown with gold accessories, and the bridegroom's mother in grey crepe, wore corsages of bronze baby mums.

A reception was held in the church dining room immediately after the ceremony, the bride's table being centered with a three-tiered wedding cake topped with miniature wedding bells.

Jenna Kaimbach and Kathleen Eschebach, friends of the bride, poured, while Mrs. T. G. Riemen-schneider, the bride's former 4-H club leader, cut the wedding cake. Mrs. Dale Hansen of Jackson, another friend of the bride, served the bridegroom's cake. Wilma Jean Stark of Pleasant Lake, a cousin of the bride, was in charge of the guest book. Assisting at the reception, was the bride's aunt, Mrs. Floyd Proctor of Grass Lake; also Mrs. Dorr Whitaker, Mrs. Oscar Kaimbach, Mrs. Clifford Heyd-lauff and Mrs. Austin Artz.

Guests present were from Royal Oak, Owosso, Detroit, Ann Arbor, Pleasant Lake, Dexter, Clinton, Saline, Manchester, Grass Lake, Tecumseh, Jackson, Lincoln Park, South Lyon, East Lansing, Jackson and Chelsea.

The bride and bridegroom are graduates of Chelsea High school and the latter is now awaiting his call to the service. He is employed at the Chelsea Spring company.

The bride is employed in the Ann Arbor office of the Register of Deeds.

Mr. and Mrs. Robbins are making their home at 1052 Baldwin avenue, Ann Arbor.

PAST CHIEFS CLUB

The Past Chiefs of the Pythian Sisters met Monday evening at the home of Miss Flora Schleferstein with Miss Amanda Koch as assisting waitress.
A delectable supper, served at 7:30 o'clock, was followed by a short business meeting during which plans were discussed for a Christmas party.
Cards were the evening's diversion for the 16 members present.

SATURDAY TEA HONORS

MRS. SKENTLEBURY
Mrs. William Geddes entertained at a tea at her home Saturday afternoon honoring Mrs. W. H. Skentlebury, who recently became the wife of Rev. Skentlebury, pastor of the Congregational church.
Mrs. Otto Hinderer and Mrs. Charles Meservy poured.
Forty-two guests attended the tea.

BIRTHDAY DINNER

Mrs. Alice O'Connor, who observed her 87th birthday Saturday, was honored with a family dinner given at her home Sunday evening. Present for the dinner were the three sons at home, Joe, Dan, and Art O'Connor, Mr. and Mrs. Justin Wheeler and family, Mr. and Mrs. Clarence Ulrich, Mr. and Mrs. Lawrence Shanahan, and Robert, Mr. and Mrs. John O'Connor and Alfred Juergens.

Our Neighbors

Buchanan—Buchanan high was short two teachers Monday because they were marooned in Pennsylvania due to the big snowstorm which occurred there during the week-end. They are Ray Miller, instructor in manual training and drafting, and Miss Mary Flanagan, commercial instructor—Berrien County Record.

Stockbridge—Carolyn Drown, daughter of Mr. and Mrs. Glenn Drown, who is attending Kalamazoo Teachers college, has not been seen or heard of since Sunday evening and there is great alarm for her safety. She had spent Sunday with her parents here and returned to Kalamazoo with Mr. and Mrs. Chuck Hurst that evening. After reporting at her dormitory she went out to get her lunch. Nothing has been heard of her since she left the eating place. Mr. Drown has been in Kalamazoo since he received word that she was missing.—Stockbridge Brief-Sun.

(Editor's Note: The body of Miss Drown was found Sunday in a corn field about nine miles southeast of Kalamazoo. She had been criminally assaulted and killed by strangulation; it was reported.)

Louella Zeitz is Bride of Robert Trinkle at St. John's Church

Louella Marie Zeitz and Robert Clarence Trinkle exchanged wedding vows in a ceremony performed in St. John's Evangelical and Reformed church at Rogers Corners at 7 o'clock Saturday evening. Rev. John Fontana officiated. The bride is a daughter of Mr. and Mrs. Henry Zeitz of Boon, while the bridegroom's parents are Mr. and Mrs. Clarence Trinkle, of this community.

Approximately 150 guests attended the wedding and 200 were present at the reception which followed at the Lima Center Grange hall.

Tulips and baskets of white chrysanthemums, together with candelabras bearing lighted white candles, decorated the chancel of the church for the ceremony.

Mrs. Alton Wahl of Saline, accompanied on the organ by Mrs. Frank Mitchell, sang "O, Promise Me," "I Love You Truly," and "The Lord's Prayer."

The bride's gown of white slipper satin, featured a long train and a yoke of lace adorned with sequins and seed pearls. A headband of orange blossoms secured her fingertip-length veil and she carried a bouquet of white roses.

Mrs. Bryce Jamieson of Cadillac, a sister of the bride, and Mrs. Ellis Pratt, of Manchester, a sister of the bridegroom, attended the bride as matron of honor and bridesmaid, respectively. They were dressed alike in lilac satin ballerina-length gowns and carried yellow-roses. Both wore flower headbands.

Ruth Ann Trinkle, the bridegroom's young sister, was flower girl. She carried a crocheted basket of rose petals. Her floor-length dress was of yellow taffeta.

Assisting the bridegroom as best man was his brother, Loren Trinkle, while Ellis Pratt, his brother-in-law, and Bryce Jamieson, the bride's brother-in-law, served as ushers.

Following a week's trip through southern states the couple will be at home at 946 Cavanaugh Lake. At the reception Mrs. Herbert Hinderer cut the wedding cake and was assisted by Virginia Esch, Elsie Hinderer, Joyce Elsemann, and Mrs. John Hinderer. Janette Frey was in charge of the guest book.

The bride is a graduate of the

Mesick Consolidated High school and Mercy College of Nursing, Detroit. She is employed at St. Joseph's Mercy hospital, Ann Arbor.

mittee, while Mrs. Henry Schneider, church clerk, and Miss Laura Hieber, church treasurer, poured. The refreshment table was covered with a lace cloth and centered with an arrangement of bronze and yellow chrysanthemums flanked by lighted tapers.

Cub Scouts To Hold Pot-Luck Dinner Meet Tonight at School

A Cub Scout Pack Committee meeting was held Friday evening, Dec. 1, at the home of Mr. and Mrs. Clinton Collier. Cub Scout workers present were Mrs. Walter Schrader, Jr., welcomed as a new mother, Mrs. Alura Geer, Mrs. Hugh Sorenson, Mrs. Lloyd Keeny, Mrs. Clinton Collier, Lorenson Wenk and Cubmaster Willard Pearson.

The December Pack meetings were discussed and it was announced that there will be two because of the postponement of the November gathering.

It was also brought out at the meeting that new den mothers are urgently needed as several boys are waiting to be placed. There are no den mothers to take over. Present den mothers all have two or three more boys than the recommended quota for their dens. This is a disadvantage in handling the group properly and not to the best advantage of the boys.

On Dec. 7 (tonight) the Cub Scout Pack meeting will be held in the Home Ec. room and the gymnasium at the High school.

There will be a pot-luck dinner at 6:30 p.m. and a talent show. Coffee is to be furnished but everyone is to bring his own table service and the drinks for their children. New members of the Cub Scouts group, as well as their parents and friends, are given a special welcome to attend. Bobcat pins will be awarded at this meeting.

On Dec. 12 the Christmas Pack meeting will be held in the Home Ec. room, beginning at 7:30 p.m. Awards will be given and Santa Claus will be present with gifts and candy for all the children. Parents and Cub Scouts are invited.

The next Pack Committee meeting will be held Dec. 22 at 8 p.m. at the home of Mr. and Mrs. Hugh Sorenson.

LEGION AUXILIARY
Herbert J. McKune Unit No. 31, American Legion Auxiliary, held a regular meeting Tuesday evening, Dec. 5, in the Home Ec. room at the High school. Twenty-three members and one guest were present.

Business matters discussed and acted upon included the decision to continue the coin-card project another year.

A Christmas grab bag provided gifts for everyone present. Refreshments concluded the evening's gathering.

LEARNING-BY-DOING CLUB
The "Learning-By-Doing" 4-41 club held a business meeting last Saturday at the home of the leader, Mrs. Lewis Haselschwerdt. The first of their two projects for the year were expected to be completed for this meeting. A work meeting is to be held at the leader's home next Saturday, Dec. 9, it was announced.

Plans were made Saturday for a party to be held Jan. 8. If conditions for skating are good the party will be held at the home of Phyllis Breuninger, and if tobogganing is chosen because of weather conditions at the time, then the party will take place at the home of Betty Bradbury.

HELPING HAND CLUB
The Helping Hand club met Tuesday afternoon with Mrs. Winifred Coffron for continued work on lay robes for hospitalized servicemen. The club, composed of ten women of the east side neighborhood near Mrs. Coffron's home, has completed seven wool lay robes in the seven weeks since the club was organized. Four of the robes have been given to the Women's Relief Corps to be distributed and the remaining three will go to the Red Cross.

Club spokesmen said yesterday that the club members would welcome contributions of woolen pieces for the patch-work style robes so they may continue to make them. They have been assured the robes are much-needed items for the comfort of hospitalized servicemen.

Nine members were present for Tuesday's meeting.

Mrs. Coffron served refreshments at the conclusion of the afternoon's work.

TV NEWSREEL

By KARL KOENIGER.

Well, you can feel the holiday pace pick up around town like a Jackrabbit heading downhill. It's too bad Christmas comes after the football season, because many a football coach could get his boys in condition for a push by sending them on shopping tours. Some of the finest blocking and nudging of the year can be seen any day during the Christmas rush. Yet at the same time there's a feeling of good fellowship in the air. We may not always buy exactly the right gift, but at least we're thinking of others. And we're re-discovering that happiness lies in trying to make others happy.

From Margate, Eng., comes a report of "a sea monster with ears like a horse." Maybe it was just a nightmare. Christmas shopping doesn't need to be a nightmare of auto and bustle. Right now you can find gifts for everybody here. Yes, indeed. Fine appliances, television, phonographs . . . anything you want. You can always pay on convenient terms too, at CHELSEA APPLIANCES, 116 Park St., Phone 3063.

WESLEYAN CIRCLE
The Wesleyan Circle of the Methodist church met Thursday evening with Mrs. Herbert Sorenson. Twelve members and two guests were present.

The opening devotional service was given by Mrs. Nellie Kelly and the study period was in charge of Miss Ethel Morrow.

During the business meeting plans were completed for the Christmas project of providing baskets for shut-ins.

The hostess served refreshments at the close of the meeting.

'20-30' CLUB
The "20-30" club of Salem Grove community held its family Christmas party at Salem Grove church Friday evening, Dec. 1. Forty-four were present, including members and their children.

A ham supper "with all the trimmings" was served at tables decorated with red and green crepe paper bands and juniper and holly centerpieces. The favors were individual candles in miniature place holders which held the place cards. These also carried out the holiday color scheme. In charge of dining room decorations were Mr. and Mrs. Dorr Whitaker, Mr. and Mrs. William H. Selts, and Mr. and Mrs. Richard Wahl.

Gifts were provided for the children under the chairmanship of Mrs. Kenneth Proctor, Mrs. Clifford Haydlauf and Mrs. Vern Hansen. The adults held an exchange of gifts and the group also remembered one of the club members, Reuben Hartman, with a gift. Mr. Hartman is a patient at U. of M. hospital, Ann Arbor.

Supper was served under the leadership of Mrs. Austin Arts, Mrs. Dillman Wahl and Mrs. Henry Walters, who acted on the menu committee.

The evening's entertainment feature was a talk by Miss Cora Simpson of the Methodist Home, who was a missionary nurse in China for 40 years. She told of customs in China and described Christmas observances there.

no wonder so many are hoping for New GAS Ranges for Christmas

How do you wrap up in a Christmas gift package, years and years of cooking enjoyment . . . and hours and hours of kitchen freedom?

Whatever else you hope for this Christmas, let the family know it's high time your old stove is replaced with a handsome streamlined automatic GAS range. Don't be shy—shout it—repeat it every day: "I want a New GAS Range for Christmas."

Only the modern gas ranges can give you "1,000 heats at the twist of your wrist." No other range can remotely approach the modern gas range in SPEED cooking. Only gas gives you full, intense heat instantly. And for cooking that's "clean as a whistle," the modern gas ranges can't be beat. The new, improved burners produce perfect combustion of the clean blue gas flame.

See these beautiful cooking marvels in the stores and at the Gas Company — and see that your family gets the big idea that you want a new gas range for Christmas.

How can you pass up prices like these?

As we've been saying for quite a spell — "Whatever your price range — Better buy Buick."

But maybe we'd better get down to brass tacks, as to just what this suggestion means.

In the lower-price field, this has been happening:

Four out of ten Buick SPECIALS—bought by people with a car to trade in—have been bought by folks who formerly drove one of the so-called "low-priced three." They found they could afford a Buick!

In the fine-car field, something even more impressive has happened:

Four out of five people who looked at a ROADMASTER and another very distinguished automobile decided in favor of ROADMASTER!

So — whatever your price range, take a look at our prices — and at what you get for your money.

What you get is the thrill of owning the greatest Buick of all time — as registered by record-breaking sales.

What you get is power and style and comfort and performance that are hard to match in any other automobile.

More specifically — you get the power-with-thrift of Buick's famous Fireball high-compression engine — a style that stands out in any company — a ride with the comfort of coil springs on every wheel — and performance that makes you feel like the head man on any highway.

Better come in today — and see what can be done about getting quick delivery.

EDITORIAL

The senior play entitled "Mentime" will be presented Friday, Dec. 8, at 8:15 in the High School gym.

Report cards were given out yesterday.

The Hartland basketball team will play here Friday, Dec. 15.

Members of the Child Study club were visitors of the school yesterday.

SCHRAMMER NOMINATED FOR ALL-STATE

Chelsea boys mentioned on the first All-State football team were George Heydlauff, Ted Slane and Don Schrader.

The second team also included George Winchester.

Honorable mention went to Dick Merkel, Lee Hoppe, James Rodars, Kenneth Froctor, Charles Eder and Don McClear.

This is the first time that an all-star football team has been selected by the coaches of the league.

A much greater honor came to Don Schrader who was among those listed for honorable mention for All State.

Are you that noisy person the teacher keeps telling to hush up? Maybe you are the one who keeps the steady ball in an uproar. It could be that you're the one who is always asking the kid up front to do your math or borrow a pencil. Do you go for a daily walk in study hall just to gossip with your friends? Or maybe you're the one who wastes paper by throwing it at your friends? If you're one of these noisy persons, change your ways today. What does all this nonsense get you? Just a good bawling out from the teacher! Who benefits from the noise? You don't, and certainly not your neighbors. Settle down and get to work, boys! Watch the grades go up! If you must be so peppy make use of it at the game.

NEW FRIENDS

Have you been in the library lately? If you have, maybe you've noticed the dozens of new books. They are a very welcome addition to the library.

One is "Big Red," the story of a champion show dog, and a trapper's son who teaches him the ways of the woods. "Big Red" is written by Jim Kjelgaard.

"Show Boat," written by Edna

Ferber, is the story of Magnolia Ravenal and her people. Show boats were big floating theatres pushed by steamers up and down the inland rivers, bringing entertainment to the people.

"Captains Courageous," written by Rudyard Kipling, is about a rich boy who is a big snob. This son of a multi-millionaire goes on a boat trip. He gets washed off the deck of the liner by a big wave and then is picked up by the crew of a fishing boat. From then on our rich boy gets some fairly hard knocks which you'll learn about if you read the book.

Another book is "Bambi," by Felix Salten. This book is the story of a forest deer from the time he is a fawn until he is a full grown deer. It tells of his many adventures.

These are only four of the books but others are just as interesting.

CAN ANYONE EXPLAIN?

Those advanced math problems. Why the Hi-Y has four less members.

How Harvey acquired the nickname "Herman."

Why Lois didn't go to Phyllis' party.

Why Ed Hafner got dunked in a mud puddle.

Why George and Wanda both have colds.

What happened after the Manchester game.

Why third-hour study hall always has to stay after school.

Why Don S. is called "Wheel."

Why the Athletic Board had such a long meeting.

Who is the new football captain.

Why Crocker has reformed.

What freshman girl is interested in the senior class.

Why Cal got a new car.

How Marty got all wet.

HISTORY OF FOOTBALL

According to Radio Moscow last night, the Communist newspaper "Pravda" carried this sport history written by sportscaster Allensky Geerakoff.

It is an erroneous belief that football originated as rugby in England.

It actually originated as a classic-epic in the small Russian town of Chelasevsky and Dundeska, located in the southern Ukraine sector of the USSR.

It started as a release for the pent-up emotions of these two towns. The mayor of Chelasevsky, a Mr. Camerokoff (a Siberian Scotsman), suggested it to the mayor of the other small town.

Originally the game consisted of about 25 men on the two teams kicking around a capitalist's head. The game was held up for several years as a shortage of capitalist's soon became evident. However, in later years the ball was changed to a small leather bag filled with another ingenious Russian invention, oxygen.

Later the game was thinned down to its present modern size and rules were introduced. The game died out again in this sector for the obvious reason that the rules necessitated the installation of officials and when a decision was contested the officials volunteered for a government expense-paid trip to the Siberian salt mines. This being such an interesting trip, they never came back. However, the game has just freshly started up. It is rumored that Camerokoff has bet a slugged ruble against the opponent's left arm up to the elbow that "Chelasevsky will win."

PRINCIPAL VISITS STUDENTS AT MICHIGAN STATE

"My trip to Lansing was some what on the treacherous side because of the icy condition of the roads. It was very enjoyable and inspiring to visit our pupils at Michigan State college. The adjustments from High school to college that must be made by all freshmen, have been made very successfully by our pupils."

That is Mr. Cameron's honest opinion of his trip to Michigan State college on Monday, Nov. 27, during which he interviewed the freshmen students previously from Chelsea high.

Some of the students he interviewed were Bill Koselka, Bob Toney, Jean McClure, Linda Bradbury and Pat Scott. These people were unanimous in their praise of the delights of college life. All of them are doing well in their work and have made the necessary adjustments to college and its greater demands on their time.

These people are well adjusted socially and have easily found many new friends. In general, they think that Chelsea high prepared them quite well for college work. They suggested, however, ways of making the preparation even better.

Mr. Cameron returned to CHS with a feeling of accomplishment.

DEMOCRACY IN ACTION

A discussion was held on planning assemblies, and the following committee was appointed: Donna Noah, Dick Merkel, Alfred Knickerbocker and Katherine Merkel.

A decision was made that the Student Council buy a Santa Claus suit.

HI-Y

At the meeting of Nov. 22, George Heydlauff was moved up to fill the position of president.

Carl O'Dell is the new vice-president.

This meeting also included the planning of an evening meeting which will be held Dec. 12 in the Home Economics room.

The meeting of Nov. 29 consisted of a discussion on "Managers," led by David Crocker.

GAA

"Hurray! It's here again." Yes, basketball is here again, for the girls as well as the boys. Chelsea has a lot of girls going out for basketball this year, including 14 freshmen, 7 sophomores, 6 juniors and 8 seniors.

Everyone wishes the girls' basketball team a very successful season this year.

GAA girls started bowling Wednesday, Nov. 29. They divided into four teams with a captain for each team. The girls are now deciding on names for their teams.

They are now trying for their bowling averages. Quite a few new bowlers this year are doing very well.

ATHLETIC BOARD

The Athletic Board, at its last meeting, worked on a financial statement. Receipts from Sept. to Dec. 1 were \$1,694.48, and expenditures for the same period were \$1,571.67.

At this meeting the prices for this basketball season were set as follows: adults, 60c; students in grades 1-6, 25c; students in grades 7-12, 35c (purchased in the halls of school); students in grades 7-12, 40c if purchased at the gymnasium door.

The board approved recommendation for varsity and reserve letter awards for football.

The Junior High classes started December out right. Friday, the first day, they had a party in the gym. There were refreshments and entertainment beside the usual dancing.

NATIONAL GUARD MEETING

A National Guard meeting was held for Junior and Senior boys Tuesday, Nov. 28. A movie was shown and a discussion held afterwards. Two National Guard speakers were present to answer and explain questions about the National Guard.

BOYS' BASKETBALL CLINIC

Ten basketball girls attended the Washtenaw county annual basketball clinic at Barbour gymnasium Saturday, Dec. 2, in Ann Arbor.

Girls who attended were Jackie Hughes, Clara Lewis, Judy Murphy, Ruth Eiseemann, Lois Eisele, Jana Lou Weinberg, Mary Klobb, Jean Morgan and Dixie Rowe.

The girls received basketball techniques and coaching in the morning and in the afternoon played with other Washtenaw county teams.

BASKETBALL CLINIC

The boys' basketball clinic held at Chelsea High school gymnasium Wednesday, Nov. 29, was very informative to both the players and spectators of the sport. Four officials were present to explain the various rule changes that have been made this past year. The most important changes are the elimination of special rules concerning the last three minutes of the game, and the specification that a player must extend his arm above his head when charged with a foul. Following the discussion of the rules, the basketball team held a 10-minute scrimmage. When a rule was violated the officials explained it to the spectators.

CHRISTMAS TIME

Christmas is a time for fun and gaiety. Everyone likes to be happy and in the Christmas spirit. In order to do this we all try to attend as many programs and parties that will set the mood for Christmas. This adds much enjoyment to the wonderful holidays. This year our chorus teacher, Mr. Redner, thought it would be

nice to combine as many of the students and organizations as possible into one big Christmas program. He plans to have a series of living pictures illustrating various scenes connected with Christmas. In the pictures there will be as many of the students as possible playing the characters. The music will be furnished by the band, chorus and grades.

Some of the pictures which have been in similar programs and were successful are: a winter landscape; angel appearing to the shepherds; the Nativity; the three kings; home scene at Christmas.

Since the Christmas season is the happiest time of the year let's all turn out and see this wonderful Christmas program on Dec. 20.

Biographies

Who's that coming our way?

Why, it's Carl O'Dell. Did you know that Carl was born Jan. 27, 1933 in Ann Arbor, and has always gone to school in Chelsea?

He claims his favorites are stuffed peppers, baseball, listening to records, "Blue Moon," and his pet peeve is people who call him "Red." He has worked at several business places in town.

Yes, he thinks Chelsea should have a new school because this one is old and really worn down. If he found \$1,000 he would put it in the bank.

Carl plans to go to business college and when asked if there were any other information he could give us he said "I had my first tooth pulled when I was three."
