

Michigan, fretting anxiously over the possibility of a third world war within a third of a century, yawns widely when the reality is mentioned. Opinion seems to be, "we voted as per our duty, let the bigwigs fight it out now."

Biggest jolt to Republicans was the early Wayne recount. While the G. O. P. board of canvassers looked with jaundiced eye on that area and its previously bad ballot counting record and hinted broadly at collusion, the recount found the error—normal mistakes—the error—normal mistakes—favoring Williams, fair haired boy of the county. However, time will tell, as other Wayne county precincts are yet to be checked.

Politically speaking, Michigan eyes are now beginning to focus on the legislative session. A legislative cut in state appropriations, while spending more money than it receives. The specter of more taxes is stalking the quiet chambers of the lawmakers. Pressure groups already are being alerted to combat such a move. Many state agencies will ask an increase in appropriations, citing rising prices. They talk only "off the record"—and then not much. Can you blame them?

Speaking of taxes, a well-known Michigan name popped up recently in Congress. A. J. L. consultant Arthur Elder, took up the old cry of more corporation taxes. He told the ways and means committee corporations could stand from \$5 to six thousands millions of dollars more taxes. Elder, ex-head of Michigan Federation of Teachers and director of the U. of M. workers' educational services, was under fire in 1948 on charges that "Marxist ideas" were being taught.

State workers now are forming an unaffiliated union. Its aim: strengthening of civil services; more effective service to the public; better working conditions, and salaries on a par with private industry. The civil service commission recently granted a pay boost to state employees.

Average weekly earnings in Michigan manufacturing rose to \$74.69 in October with some counties going even higher. Meanwhile, the bidding high for technicians. M. S. C. officials say they won't be able to supply manpower for one-fourth the jobs available this spring.

Unemployment in Michigan is on the rise, and many people in automotive plants face layoffs by spring. Cutbacks in use of steel, aluminum and copper—to mention a few commodities—are due January 1. Credit restrictions are already here, car prices are going up again, and war orders are lagging.

Despite all the talk about the inflated savings bond, Michigan citizens have bought \$175,000,000 worth thus far this year—more than any other period since 1945.

The army claims its 83 percent rejection rate is better than that of World War II. Selective service says, "yes, but in World War II they were taking men from 18 to 38. Now it is 18 to 26." The 33 percent does not include the obviously crippled.

The battered liquor control commission has been tagged "sloppy". Senator Carlton H. Moritz (R-Kalamazoo) says "Kozaron (chairman) doesn't have a full grasp of the business."

David M. Martin, Flint, Democrat who recently made himself unpopular with brother party members by voting to reinstate former general Kunzig as executive director of the LUC, has been reappointed to the commission by a 20-0 Republican senate vote.

Governor Williams urges a \$25,000,000 building program during the next fiscal year on the mental health expansion program. The mental health commission says it can award only 16 or 16 million in contracts in that period.

Prices will be eight to 20 percent higher in the Grand Rapids furniture market after the first of the year. But spokesmen expect (Continued on page two)

Option Taken on Property for School Site

Electors To Decide Building, Bond Issue on Jan. 23

Chelsea Agricultural Schools' Board of Education has obtained options on most of the land in the Maywood-Pierce area which has been recommended as the most suitable site obtainable in Chelsea for an elementary school. Studies of available sites in the community show, for instance, that within a half-mile are centering in the Maywood-Pierce area are the homes of two-thirds of all children of pre-school and elementary school-age children in the entire community. The site here is thus considered easily accessible for a large share of the younger children in the community without depending on costly bus transportation.

The same tests made in the athletic field area show that only one-third of the children of the community live in the half-mile arc centering in that locality. An aerial map of the town was interpreted as showing that the growth toward the southwest is definitely toward the northwestern portion of the community where the proposed school would be located if built in the Maywood-Pierce area.

State school officials and other outsiders who have visited Chelsea and studied the school site problem here have stated that this community is one of the most difficult in the state in which to select a possible school site. Topographical maps have been made of the Maywood-Pierce area and the land has been drilled into lots to determine the underlying ground formation and its suitability for a school building. The land where the proposed school would be built is considered an ideal spot for a one-story, basementless school such as it is hoped may be constructed here.

Statements that the site is on low, marshy ground are not true, according to the evidence of the topographical maps and other facts made. While there is some low land farther back to the southwest edge of the plot which might some day be used for additional playground space, it has been determined that the low spot could easily be filled in later at no great expense for fill dirt. Excavations for construction jobs anywhere in the community, it was pointed out, would provide ample supplies of fill dirt to fix up an enlarged playground space later. For the present there would be plenty of playground space immediately surrounding the proposed new school building.

An election is to be held Jan. 23, 1951, at which time voters in the district will be asked to finance the building of a 14-room elementary school. Plans for the proposed school will depend on whatever it is possible to obtain for the amount of money made available for a school building program, should the bond issue be approved.

The election will also determine whether a 4.5 mill tax levy will be approved to retire the bond issue.

Child Study Club 'Shocked' by Local School Conditions

Twenty-four club members and friends of the Chelsea Child Study Club conducted on a tour of the Chelsea Public school plant last week, Wednesday afternoon, by Principal Charles S. Cameron, and several members of the Student Council. They were served refreshments and coffee by the tour girls at the conclusion of the tour and then met with discussion.

Study club members said they were shocked by conditions in the school plant, particularly in the locker rooms. Some characterized the latter as "fire traps". All expressed the conviction that a new school building was badly needed in Chelsea and offered their help in any way to bring the matter before the public for action.

Family Night Affair Held by Methodists

The Family Night supper at the Methodist church last Thursday evening was attended by approximately 60 men, women and children. The men, women and children, in an effort to reach a number of the school grounds at the site of the school building, moved to another location, possibly on the east side of Manchester road.

Hanna Meets with Red School Officials

John Hanna, owner of the local "mystery project" located south and west of Chelsea, met Tuesday evening at the Arthur Grau home with members of Sylvan township School District No. 7, in an effort to reach a number of the school grounds at the site of the school building, moved to another location, possibly on the east side of Manchester road.

W. Steinaway Loses Life in Trailer Fire

William H. Steinaway lost his life shortly after noon Friday when the fire of undetermined origin destroyed the house trailer in which he had made his home on the Floyd Walz farm the past three and one-half years.

The fire was discovered by Mr. Steinaway's son-in-law, Floyd Walz, after he noticed smoke in the general direction of the trailer located some distance from the Walz farm house. He drove immediately to the trailer and opened the door but the fire was already raging inside and he was forced back. He said later that the stove fell out as he opened the door.

He then broke a window of the trailer in an effort to get inside to see if Mr. Steinaway was trapped. He finally had to drive to Chelsea for help when it was discovered the fire had short-circuited the telephone wires.

The Chelsea fire department made a quick run to the fire which had gained such headway that the trailer and contents could not be saved.

Mr. Steinaway's body was found on the remains of the bed after the fire was extinguished.

Prayer services were held at 1:30 p.m., Monday at the Miller Funeral Home, followed by funeral services at St. Paul's Evangelical and Reformed church at 2 o'clock.

Burial was in Oak Grove cemetery, Manchester, Rev. P. H. Grabow, of St. Paul's church, officiated.

Mr. Steinaway, a former member of Emanuel church in Manchester, had been a member of St. Paul's church here for several years.

Born in Freedom township April 22, 1875, Mr. Steinaway was a son of William and Bernadine Meyers.

He was married in Freedom township on March 16, 1908, to Ida P. Schneider. After their marriage they lived for a short time in Jackson and then returned to Freedom township. Mrs. Steinaway died Oct. 14, 1942.

Just Around the Corner There's a World of Christmas Joy

Christmas is such exciting fun for all of us. Just around the corner, streets and shops bustle with a holiday heightened spirit... while in the stores themselves we find hundreds of "just what I want for Christmas" gifts. Yes, all the wonderful Christmas ideas are right here in our hometown. So come on downtown. No extra money to spend for traveling. Every cent of your Christmas budget goes to the buying of gifts when you buy here in our hometown.

Postmaster Suggests Care in Preparing Yule Mail

The Chelsea post office will remain open Saturday afternoons, on Dec. 16 and 23, until 5 p.m. No city or rural deliveries will be made on Christmas or New Year's Day and the post office will be closed on both of these holidays. However, the lobby will be open New Year's Day until noon and mail will be dispatched on the morning trains.

Greeting cards prepaid at the first-class rate may be sealed and contain written messages; they are dispatched and delivered first; forwarded, if necessary, without additional charge, and is undeliverable, returned at no further expense to the mailer provided the sender's return address is shown on the envelope.

Unsealed Christmas greetings sent as third-class mail without unauthorized writing enclosed are mailed with two cents postage. However, a minimum charge of three cents is applicable to such greeting cards which measure less than four inches long or two and three-quarters inches wide.

Patrons having a number of greeting cards to deposit are urged to tie them in bundles with addresses all faced one way before mailing so as to facilitate their handling in the post office.

All mail matter must be plainly and completely addressed, preferably in-ink, giving street address (including local Chelsea street addresses) or post office box or rural route number whenever possible.

Packages should be securely wrapped and tied with good quality paper and cord, but should not be sealed unless name and address of sender are shown together with printed inscription reading, "Contents, Merchandise Postmaster: This parcel may be opened for postal inspection, if necessary," as sealed parcels not so labeled or endorsed are subject to the letter rate of postage.

To encourage early mailing, senders are permitted to mark parcels "Please Do Not Open Until Christmas" "Happy New Year" "With Best Wishes" as well as numbers, symbols, etc., for the purpose of description, may be enclosed with parcel post mail.

To insure delivery before Christmas, outgoing parcels should be mailed on or before Dec. 16.

Letters or messages, no matter how brief, are not to be enclosed in parcels, as doing so subjects the entire parcel to the letter rate. Communications enclosed in envelopes prepaid at the letter rate may be securely fastened to the outside of parcels sent at the third- or fourth-class rate.

For those mailers who may wish to expedite handling and delivery of their cards or gifts, there is the air mail, the special delivery, and special handling service. Upon payment of the proper special delivery fee, in addition to postage, mail matter of any class is entitled to the most expeditious handling and transportation practicable, as well as prompt delivery by special messenger at the office of address. The special handling service is provided for parcel post only and provides the most expeditious handling and transportation practicable, but not special delivery at office of address.

Yuletide Services Are Being Planned by Local Churches

Christmas tree lights on the trees in the downtown area, provided by merchants for the trees in front of their stores, have added much to the gay holiday appearance of the community.

The Christmas spirit of merchants could very well suffer a great let-down, however, if the practice of "snatching" the colored light bulbs is not discontinued. On some trees in the downtown area almost all of the light bulbs have had to be replaced, only to be taken again.

This form of petty vandalism is the envy of the work of youngsters in the community who have been thoughtless rather than really vicious. Possibly a reminder that it is dampening the holiday spirit of "Peace on earth, good will to men" is all that will be needed to halt the practice.

Petty Vandalism Hampers Effort To Decorate Street

Present plans of the State Highway Department authorities are to advertise now for bids on the North Main street bridge construction project, with the date for opening the bids tentatively set for Jan. 18, 1951.

Village President M. W. McClure was given this information in a telephone conversation with Ralph Dibble, State Highway department engineer and assistant to the deputy commissioner.

Last week, information was received from the State Highway department in regard to work the village must do in preparation for the proposed new pavement from the New York Central tracks at the northern edge of the village. These activities seem to indicate that the bridge and North Main street improvement project, first announced June 16, 1949, will become a reality.

In the fall of 1949 the Bureau of Public Roads' engineer in Washington had refused to approve the bridge project with bridge down stream, to allow for a sweeping curve. Federal authorities wanted the bridge placed in line with a possible future relocation of M-92 angling from Main street to a point on M-92 near the Weikner road intersection. This caused a delay of several months.

Approval of the Bureau of Public Roads was received on modified bridge plans in April, 1950, and since that time the only assurance Chelsea residents had that the project was still "alive" were statements by Charles M. Ziegler, State Highway Commissioner, that the project had been approved and was "being processed" in Washington.

In April Ziegler wrote to Village President McClure, stating that he believed the bridge would be put under construction in 1950, thus assuring completion in time for the North Main street improvement to be completed in 1951.

Dibble told McClure this week that steel needed for the Chelsea bridge project was a standard beam which he believed would still be possible to obtain. Some steel products are becoming increasingly difficult to procure because of the unsettled world situation, he said.

Barring unforeseen delays, the bridge construction job could be underway by spring, observers here believe.

Radio Interference Being Tracked Down with New Device

The Chelsea Electric Light and Water Department truck is now equipped with a radio noise detector by means of which it is possible to discover the source of line interference affecting radio and television sets. All that needs to be done to discover the source of the interference is to drive around the neighborhood where complaints have been made and the nearer the equipment gets to the source of interference the louder it registers the sound.

By means of this detector the source of several cases of interference has been tracked down to defective oil burners which affect radio reception for an area of two or three blocks and in one case to a defective heating pad. To date, all interference discovered has been inside homes and not in outside installations or equipment, according to Homer Nixon, Public Works superintendent.

Kiwians Enjoy Xmas Festivities

The annual Kiwanis Ladies' Night and Christmas party was held in the social center of the Methodist church Monday evening, Dec. 11. Members and their guests, numbering 61, were present at the gathering.

Floyd A. McCartney, an insurance representative from Lansing, was the evening's speaker. He opened his talk by stating that he had made a survey of the opinions of people in all walks of life on what they considered the most important achievement during the first half of the present century. He said that almost unanimously the answer was that the development of the atomic bomb answered that description.

Disagreeing with the theory attaching so much importance to the atomic bomb, he mentioned a number of other achievements which he considered of much more importance.

First on Mr. McCartney's list he mentioned the development and steady rise of service clubs such as Kiwanis, Rotary, Lions, etc., all devoted to the welfare of the community, state, national and international relationships. He also mentioned the development of the airplane and mass production as exemplified in the automotive industry as just as important in his opinion as the atomic bomb.

Touching on various problems and situations of the present time he advocated support of the United Nations set-up as the best opportunity to secure peace. He also advocated the expression of ideas through UN channels and obtaining the sympathetic understanding of the people of the world in that way, rather than by force of arms.

Speaking of democratic ideology, he quoted the third Russian constitution, that of the Communist party, saying that the democratic principles set forth in it are much the same as in the United States constitution, yet Russian leaders have evaded the provisions and the people have none of the rights Americans have. He warned that constant watchfulness is necessary here if people of the United States wish to preserve their leadership in the democratic way of life.

School Will Present Combined Program

A varied Christmas program is to be given at the High School gymnasium Wednesday evening, Dec. 20, beginning at 7:30 o'clock. The public is invited to attend. The chorus, under the direction of Arthur Redner, will present traditional Christmas songs and carols and there will be band numbers with Robert Pfeuffer directing. Grade school students will also take part in the program under the leadership of their teachers.

Sunday School Children Groomed for Annual Event

Chelsea area churches are completing plans for Christmas programs by their Sunday schools and for special Christmas worship services. Two of the Protestant churches in Chelsea are this year for the first time, holding midnight services Christmas Eve. St. Paul's Evangelical and Reformed church is holding a midnight service followed by Holy Communion instead of the sunrise service on Christmas morning which has been customary for many years.

The Methodist church will also have a midnight-Communion service, the pastor, Rev. David Bryce, announced this week. Both of these services will begin at 11:30 p.m., Dec. 24.

St. Mary's Catholic church has always held traditional midnight services on Christmas Eve.

The Methodist Sunday school program will be held at 6 o'clock, Sunday, Dec. 17. All children of the Sunday school will take part and then will see the moving picture of Dickens' Christmas Carol. This will be followed by a tea for all parents and children and the appearance of Santa Claus.

The Congregational church Sunday school has its program at the same time as the Methodists, 5 p.m., Sunday, Dec. 17. The Sunday school program is in charge of Mrs. Paul Maroney, and will be followed by refreshments in the church dining room for parents and children. Mrs. Graham Sprague is chairman of the refreshment committee.

St. Paul's Sunday school program will take place during the morning church service at 10 o'clock, Dec. 24.

Zion Lutheran church and St. John's Evangelical and Reformed church at Rogers Corners will have their Sunday school Christmas programs Christmas Eve, beginning at 8 o'clock. The two Rogers Corners churches will announce further Christmas services next week.

Salem Grove Methodist church plans a Christmas Eve service, also, beginning at 8 o'clock. The Youth Fellowship will be in charge of the worship service and Sunday school children will take part.

Tank Truck Purchased by Townships

A 1,000-gallon tank truck, long considered a vital necessity locally for proper auxiliary fire equipment, is now to become a reality, following action by Sylvan and Lima townships groups and by the Village of Chelsea.

According to the agreement between the two townships and the village, the two townships have agreed to purchase the truck and equipment and maintain it, sharing the cost equally as provided for by Act No. 12, Public Acts of 1949, and the village has agreed to house, man and operate the tanker.

The truck, a two and one-half ton International, was purchased from the Chelsea Implement company, and the 1,000-gallon steel tank is being built by Lawrence Gorton. A high-pressure front-end pump will be installed on the truck, making it possible to fight fire as well as to provide water for other equipment.

It is expected to offer the use of the tanker to surrounding townships on a rental basis. The tanker will also be available to residents of Lima and Sylvan townships should they call a fire department other than Chelsea.

Residents of the village will be protected by both the tanker and village pumper whenever the Chelsea fire department is called.

The activity of Farm Bureau groups, the cooperation of the Lima and Sylvan township boards, and the Chelsea Village Council, the very helpful advice of Fire Chief Thomas Young and representatives of other fire departments, plus public interest in better fire protection all were credited by committee members with being instrumental in bringing about the purchase of this supplemental fire equipment.

The tanker is expected to add materially to the efficacy of the present fire-fighting apparatus, both in the rural areas and in the village proper.

SOUTHWESTERN DEANERY MEETING

The Southwestern Deanery meeting for Catholic women of this area was held Sunday afternoon, Dec. 10, at St. Mary's school hall in Wayne. Those attending from St. Mary's church here were Mrs. Karl Riegger, Mrs. George Hafner, Mrs. Wallace Wood, Mrs. Joseph Laban, Mrs. Joseph Harnet, and Mrs. H. R. Roy.

THE WEEK IN Washington

WITH CONGRESS BACK in session, the nation's capital once more resumed its stride, for although many here breathe a sigh of relief when congress adjourns, the city is not the same with the big plant on Capitol Hill idle and all the employees absent from the city.

And even though this is a so-called "lame duck" session and likely will accomplish little, the wheels of legislation are again turning, albeit slowly and creakingly. As a matter of fact this is the first full-dress lame duck session of congress to convene after election since the 20th or "lame-duck" amendment was ratified in 1933. The 80th congress reconvened for a few hours on December 31, 1948 for formal adjournment only, so it could qualify as a lame duck session.

It usually takes a couple of weeks to get a congress into action, so with the time on this session limited to not more than four weeks, no one here expects any action to speak of. The Democrats, despite the optimism of President Truman and the statistics which show Democratic losses smaller in this off-year election than any party in power since 1916, are disheartened. And while the Republicans are jubilant, they are looking ahead toward 1952 and will not risk any decision on major legislation until they come up with their new full strength in the new 83rd congress which opens January 3.

The first bill on the calendar is the railway labor act amendments in the senate, which made it unfinished business when it closed up shop in September.

As to President Truman's requests for military appropriations, they will likely come through, but only after the Republicans get their fill of what Senator Taft called a "re-examination" of our foreign policies. There probably will be a \$10,000,000 appropriation for the defense department for the Korean war and other defense measures; aid probably will be voted for Yugoslavia in the form of a loan or food grant; Hawaii and Alaska statehood bills, both already through the house, likely

will be shoved aside; a watered-down excess profits tax measure will get through the house, but likely will not clear the senate; rent control may be extended, but only on a sixty-day basis; if the Kefauver crime investigators want to risk another filibuster by Senator Malone of Nevada, the anti-slot machine bill might get through the senate. The bill already has passed, but Senator Malone, it will be remembered, blocked adoption of a conference report by a one-man filibuster.

Another reason why as little action as possible will be taken, is that both house and senate will return to meet in cramped quarters, the senate in the old supreme court room and the house in the larger ways and means committee room. Both senate and house chambers are torn up with the modernization program, but will be in shape for the opening of the new congress.

In the meantime, there will be some headhunting by the GOP membership with their whipping boy, Secretary of State Dean Acheson, the butt of most of their criticism. Some, however also are demanding the resignation of Secretary of Agriculture Brannan and even of Secretary of Defense George C. Marshall. Even some Democrats of the southern variety want Brannan's scalp for his order, later modified, clamping down on cotton exports. And with cotton selling for around 40 cents a pound too!

Then too, the Republicans, still short of control in either house, will want to woo, if possible the southern bloc and renew a tight southern Democrat-Republican coalition for control. Senator Taft of Ohio, back with a handsome 400,000 majority vote tucked under his belt, is cool to the whole lame-duck session idea. His answer to the question of what the session should do was one word—"Adjourn."

Then there is the nostalgic side to a lame duck session, for despite their political squabbles, members of the senate form a very exclusive club, and over the years these friendships run deep.

EASY DOES IT

IF THE RIMS of silk or rayon shades are soiled, scrub with a soft brush and mild soapuds before washing the shade. Wash and dry quickly to prevent the wire frame from rusting. Dip rayon and silk shades up and down in lukewarm soapuds until clean. Rinse in clear water in same fashion, until water remains clear. Drying with an electric fan is a good way to speed drying. Avoid direct sunlight or artificial heat. Genuine parchment, as well as metallic shades, may be cleaned with a mixture of one part turpentine and 10 parts mineral oil. Apply with a soft cloth, then wipe off thoroughly. To remove grease stains from rugs, apply Fuller's earth over the spot; let stand until grease is absorbed, then remove with whisk broom.

1/4 cup chopped nuts
maraschino cherries
Combine marshmallows and pineapple. Chill for 30 minutes. Fold in whipped cream and chopped nuts. Chill for 2 hours. Drop mixture by spoonfuls on a bed of shredded coconut (using about 1 cup), rolling each into a ball. Chill. Top with pecan or cherry before serving.

Chocolate stains on rugs, if fresh, can be removed by sprinkling with powdered borax, then moistening with cold water. Remove with cloth and cold water. Brush off borax when dry. Fresh grease spots on wallpaper can sometimes be removed if a blotter is held to the stain and a warm iron applied to it. Move the blotter as grease is absorbed.

Advertisement for Christmas Bakers featuring a cartoon illustration of a man and woman, and a large refrigerator. Text: 'CHRISTMAS came early to the Bakers this year... Already the Bakers have gotten themselves one of their nicest Christmas gifts for this year... the newest Servel gas refrigerator with the big frozen food compartment. They wanted to be sure they would be able to get the exact big, roomy Servel they needed. It was nearly 15 years ago that the Bakers got their first silent gas refrigerator for Christmas. It has given them splendid service since before the children were born. It was like parting with a faithful old friend to let it go, but they felt they were missing a lot in modern convenience by not replacing their old Servel with the latest model gas refrigerator. Once a Servel owner, always a Servel owner. When a silent gas refrigerator is replaced, you can be sure it will be replaced by another gas refrigerator. There is nothing like the cheap blue gas flame for continuous, silent, matchless refrigeration service. Only Servel the GAS Refrigerator STAYS SILENT—LASTS LONGER. Michigan Consolidated Gas Company. Serving 680,000 Customers in Michigan. 103 North Main Street Phone 2-2511 Listen to the Lee Smiths Show — WHRV, Ann Arbor — 7:15 P. M. Daily, Monday through Friday.'

SOCIETY

METHODIST WSCS
 The Deborah Circle of the WSCS of the Chelsea Methodist church was in charge of the program at the December WSCS meeting Wednesday evening, Dec. 6. The meeting was held in the social center of the church. The program, with Mrs. David Bryce as chairman, was on the Christmas story, with Mrs. Clara Miller and Mrs. George Kier taking part.
 Mrs. Raymond Schairer read Van Dyke's "The Other Wise Man" and the program was concluded with group singing of Christmas carols.
 The evening group of Philathea Circle, with Mrs. George Atkinson as chairman, served the refreshments.

WOMAN'S CLUB
 The Woman's Club of Chelsea met Tuesday evening with Miss Nina Belle Wurster with 23 members and three guests present. The Christmas program presented was in charge of Mrs. James K. Daniels, who opened and closed the program with appropriate readings. Carols were sung and a candlelight service was held, each member giving a Christmas quotation or prayer as she lighted a candle.
 At the conclusion of the program 26 boxes of Christmas cookies were packed for the club's annual project of presenting the boxes as gifts to shut-ins of the community.
 Refreshments were served by Mrs. Albert Johnson and Mrs. George Walworth.

PYTHIAN SISTERS
 Thirty-one members and guests were present for a family pot-luck supper of the Pythian Sisters on Tuesday evening, Dec. 12, at the K. of C. Hall.
 Following the supper a business meeting and election of officers was held. Officers elected for the coming year are: Mrs. Myrtle Price, most excellent chief; Mrs. Iva Pierce, past chief; Mrs. Martha Weimann, excellent senior; Mrs. Lillian Messner, excellent junior; Mrs. Louise Quarr, manager; Mrs. Neva Prudden, guard; Miss Amanda Koch, protector. The new officers will be installed in January.
 After the business session, Christmas carols were sung and there was an exchange of Christmas gifts.

CONGL. GROUPS AT YMCA
 Last Saturday a group of young people of the Congregational church and friends visited the YMCA in Ann Arbor for an afternoon of fun and recreation. Some of the group enjoyed swimming or dancing, others played volleyball and some viewed motion pictures. Another such event is being planned for after the holidays.
 Young folks who took advantage of the opportunity to attend Saturday were James McLaughlin, Connie Ann Steinbach, Bill Geddes, Marie Munden, Ronald and Darrell Satterthwaite, Larry Chapman, George Collier, Robert Keizer, Jim Keizer, Diane Barr, Delores Joseph, Genevieve O'Neil, Sally Vogel, Linda Walker, and Martha McManis.
 Adults who accompanied the group were Dale Keizer, Mr. and Mrs. Elwyn Beach and their guest, Mrs. Leota Nelson, of Goshen, Ind.

CHILD STUDY CLUB
 Mrs. Howard Flintoft was in charge of the program at Tuesday evening's Christmas Child Study club held at the home of Mrs. Lawton Steger. She read the Christmas story in the Bible and had the group sing appropriate Christmas carols at intervals throughout the narration.
 Charades representing various titles provided entertainment for the evening.
 A report of the club's greens market was given showing that the project had been very successful.

An auction was held at Tuesday's meeting to dispose of the remaining stock of wreaths and centerpieces made by members for the greens market.
 Twenty-one members were present at the meeting.
 Refreshments were served by Mrs. Charles Lancaster, Mrs. Lawrence Dietle, Mrs. Nelson Kreider, Mrs. Hugh Sorensen, Mrs. Waldemar Grossman and Mrs. John Alber.

Engagement
 Mr. and Mrs. Walter Schittenhelm of Grass Lake, have announced the engagement of their daughter, Mary Christina, to Robert L. Bauer, son of Mr. and Mrs. George Bauer, Jr., of Chelsea.
 The wedding date has not been set.

PERSONALS
 Rev. W. H. Skentelbury was in Ann Arbor Monday to attend a meeting of the Ann Arbor Ministerial Association.
 Mr. and Mrs. Lawrence Hovey and daughter Nancy, of Detroit, visited Sunday at the home of Mrs. Hovey's mother, Mrs. Henry Mohrlock.
 Miss Lillie Wackenhut entertained a number of friends at a Christmas party at her home on Wednesday, Dec. 6. Games were enjoyed and a number of prizes awarded, after which refreshments were served.
 Mrs. Myrtle Castle and sons, Don and Fred, of Jackson, spent Sunday afternoon at the home of Mr. and Mrs. Gottlieb Sager.
 Mrs. Elmer Phelps and daughters, Mary Jean and Margaret Ann, of Stockbridge, were Monday morning callers at the home of Mrs. Otis Titus and family.
 Mrs. Myrtle Castle and son, Richard of Battle Creek, spent the weekend at the home of the latter's parents, Mr. and Mrs. William Luick. An additional dinner guest at the Luick home on Sunday was Mr. King's brother, David, a student at the University of Michigan.

Mrs. Leota Nelson of Goshen, Ind., is spending some time here at the home of her granddaughter, Mrs. Elwyn Beach, and family.

New Volcano

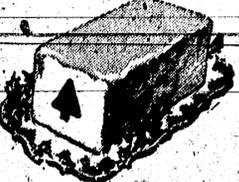

If you have ever felt as if you were sitting on top of a volcano, you can understand the plight of the Mexican farmer who in February, 1943, was plaidly working in his cornfield on the site of what is now the volcano Paricutin. The initial eruption occurred only a few feet from the astonished peon, and resulted in a volcano mountain of over 1,000 feet within ten months.

Leah Lomond

Of the 30 islands that dot Lomond, Scotland, Inchmurrin is the largest. On its southern tip are the ruins of old Lannox Castle, besieged in 1425 after the Lannox family plotted against King James I. From Inchcallich, known as the "Isle of old women," Roderick Dhu of "The Lady of the Lake" took a yew tree to make the Flery Cross.

"Test Drive" the '51 FORD with 43 "LOOK AHEAD" FEATURES

That upholstery will wear for years

and the instrument panel is so beautiful and convenient

That finish is baked on to last

The frame is extra rugged with 5 husky cross members

Yes, "Test Drive" the '51 Ford. Thrill to its "let-away" performance. Feel how cooperatively it handles. Know the feeling of safety that comes from sure Centramatic Steering and Double-Seal King-Size Brakes. Learn how the Automatic Mileage Maker saves gas. And remember, you can have your choice of Ford's famous 100-h.p. V-8 engine, or its companion in quality, the great 95-h.p. Six. What's more, Ford offers three advanced transmissions... the Conventional Drive—the Overdrive*—or Fordomatic Drive,* the newest and most flexible automatic transmission of all.

It's built for the years ahead

Ford's new Automatic Ride Control makes rough roads easy on us, and easy on the car

NEW AUTOMATIC RIDE CONTROL

You'll feel a brand-new kind of riding comfort with this unique three-way "partnership" of Advanced "Hydra-Coil" Front Springs—new Variable-Rate Rear Spring Suspension and new "Viscous Control" Shock-Absorbers. This superior new Ford springing system adjusts to any road condition automatically—keeps the going easy and level always—with no pitch, no bounce, no roll

Stop in and check the 43 new "Look Ahead" features the '51 Ford gives you. You can pay more but you can't buy better!

Still Together

Four Chelsea boys who were recently inducted into the Armed Services, are all stationed at Camp Atterbury, Ind. They are Donald Koch, Robert Moore, Richard Schulze and Clare Knickerbocker.

Mrs. Robert Triakle, the former Luella Zeitz, and Mr. Triakle are shown above in a photo taken at their wedding which took place at St. John's church, Rogers Corners, on Saturday, Dec. 2. The newlyweds are now making their home at 946 Cavanaugh Lake.

DEATHS

Miss Rachel Mosher

Miss Rachel Helen Mosher, a resident of the Chelsea Methodist Home since Dec. 27, 1947, died suddenly Monday evening while she was eating her supper. Miss Mosher was 80 years old. She was born these March 7, 1870, a daughter of Joseph Calvin Mosher and Jane Elizabeth Potts Mosher. She lived in Ypsilanti her entire lifetime prior to coming to the Home three years ago.

For many years she was an employee of the former Elkskin Mosaic factory at Ypsilanti located above what is now the Landis furniture store on Main street.

Miss Mosher was a lifetime member of the First Methodist church of Ypsilanti.

Survivors are a nephew, Carl Webb Mosher, of Ypsilanti, and a very close friend, Miss Helen Howlett, of 14 Ballard street, Ypsilanti.

Funeral services are to be held at 9:30 today (Thursday) at the Home with Rev. M. J. Betz officiating. Burial will take place in Highland cemetery, Ypsilanti.

BIRTHS

Mr. and Mrs. Max Collins of Jackson, are the parents of a son, born Sunday morning, Dec. 10, at Foote hospital, Jackson. Mrs. Collins is the former Dorothy Knickerbocker, daughter of Mrs. Maynard Knickerbocker, of Chelsea.

Born Friday, Dec. 8, at Mercy hospital, Jackson; to Mr. and Mrs. John Chaplin, a daughter, Susan Sybil.

Friends of Sgt. and Mrs. William Joseph have received announcements of the birth of a son, Douglas Wayne, on Tuesday, Dec. 5, at Hill Air Force Base, Ogden, Utah, where Sgt. Joseph is stationed. Mrs. Joseph is the former Helen Wehloff.

FAREWELL PARTY

Mr. and Mrs. Frank Reddeman, who have lived on Jerusalem road in Lima township the past 20 years, were honored at a neighborhood party at the Lima Center Grange Hall Thursday evening prior to their moving to Milan next week to make their home with a daughter and her husband, Mr. and Mrs. Eugene Ulrich. The Ulrichs, who have been living in Ann Arbor, are moving into a new home in Milan.

Thursday's party was arranged by Mr. and Mrs. Oscar Lindauer and Mr. and Mrs. M. L. LaChapelle.

Cards were the evening's diversion, with high scores going to Mrs. Douglas Weese and consolation award to Norman Dibble.

Mrs. Reddeman was presented with a purse and Mr. Reddeman from those present.

Cub-Pack Committee Holds Pot-Luck

Bobcat pins were presented by Cubmaster Willard Pearson to seven Cub Scouts at the Cub Scout Pack meeting held in the gymnasium at the High school Thursday evening, Dec. 7. Boys who received the pins are Tommy Dault, Gary Dault, Richard Scripster, Donald Fogg, Walter Braden, Jimmy Kreider and Larry Schrader.

Eighty Cub Scouts, parents and friends attended the Pack meeting which opened with a pot-luck dinner at 6:30 p.m.

Cubmaster Pearson welcomed Mrs. Walter Schrader into the Pack as a new den mother, and introduced Norris Rowe whose application for membership in the Cub Scouts had been received.

A local talent radio-TV show was the evening's program and included the following: presentation of flags, Mrs. Schrader's den; Cub song, Mrs. Alura Geer's den;

quiz program with Alex Mahar as announcer and Cubmaster Pearson as master of ceremonies; a skit, "The Broken-Down Ford," by Mrs. Hugh Sorensen's den; and sound effects by Mrs. Lloyd Keeny's den. It was announced that a Pack meeting and Christmas party will be held Dec. 22.

BIRTHDAY SURPRISE
Mrs. Walter Beutler was surprised at her home Sunday afternoon with a birthday party arranged in her honor by her husband. Those present were Mr. and Mrs. Loren Beutler and family of Jackson, Mr. and Mrs. Joseph Wright, Mr. and Mrs. Ezra Feldkamp, Mrs. Frances Alber, Miss Cora Feldkamp, Mr. and Mrs. Anthony Jurgens, Mr. and Mrs. Lionel Vickers, Edwin Beutler and Mr. and Mrs. Carl Beutler, and Mr. and Mrs. Robert McDaniels and Mr. and Mrs. George Bangard of Jackson.

LIMANEERS
Mrs. Fred Gentner was the hostess for the Limaneers' meeting held at her home Thursday, Dec. 7. Fourteen members were present. A pot-luck dinner at noon and an exchange of Christmas gifts preceded the afternoon's program in charge of Mrs. John Metzger.

AUDUBON SOCIETY
The Michigan Audubon Society, Washington chapter members were fortunate in seeing examples of very fine photography at their meeting on Dec. 5. The scenes shown were of the southwestern part of the United States, showing both wind and water erosion. In comparison, scenes of beautiful Michigan, with its colored leaves of flowers and trees were shown. There will be a lecture and field trip in the near future. For further information call Ann Arbor 28-0681.

Prizes in games and contests were awarded to Mrs. Harry Prudden, Mrs. Irwin Lounsbury, Mrs. Carl Schlosser and Mrs. Frances Alber, while Mrs. Herman Hashley received the door prize.
Next month's meeting is scheduled to be held Jan. 4, at the home of Mrs. George Krumm.

LIMA CENTER EXT. GROUP
Lima Center Extension Group held an all-day meeting, beginning at 10 a.m., on Tuesday, Dec. 12, at the home of Mrs. Oscar Stierle. A short business session was followed by installation of newly-elected officers in a candle-light ceremony conducted by Mrs. Vincent Ives.
A pot-luck dinner was enjoyed at noon and then the day's lesson on hooked rugs was given by Mrs. William Bahmiller.

The group's yearly community project of providing gifts of clothing and toys was completed and the articles are now ready for distribution to needy children at University hospital before the Christmas holidays. The group decided to continue the project another year with the provision that it be even larger next year.
The January meeting will be held at the home of Mrs. Clifford

WHY STUDENTS SHOULD NOT DROP OUT OF SCHOOL

There are many good, sound reasons why high school pupils should graduate and get their diplomas. One of the best reasons is that a diploma is needed to enter a college or institute of higher learning. The good, responsible jobs that we want, are not granted to extreme until a student has reached the age of at least a sophomore or junior, sometimes even a senior. So why not wait a year or possibly two before going out for a job?

Almost any job, except day labor, factory work, etc. requires that diploma to get a job! After you drop from school, you gradually break away from the old crowd or gang. They're having too much fun with school activities to bother with you.

To drop out of school so that you can get married is absolutely silly. If you're still in high school, you aren't old enough, really, to get married. If he or she can't wait until you're graduated to get married, he or she isn't worth marrying at all! You've got your

entire life to be married, if after all you still want to be. Everyone who is out of school says the happiest time of life is while you're in school—not when you're working and have responsibilities and requirement. Stay in school and get that all important diploma!

GAA
The Bowling team started out with a bang this season with Bea Fowler scoring highest. Other members of the team are Kay Murphy, Delores Buehler, Karen Chase, Donna Fowler, Janet Lotridge, Maryellen Moore, Phyllis Moody, Shirley Riihimaki, Kay Keeney, Larain Pexton, Doris Weinberg, Carolyn Shelly, Phyllis Vogel, Eleanor Schmidt, Cynthia Paul, and Linda White. The teams have

not as yet been organized but they soon will be.

STUDENT COUNCIL
The Student Council meeting was called to order by President Ted Slane. It was approved to pay Miss Schell for purchasing a Santa Claus suit.
After the treasurer's report was given a discussion was held on the Christmas party. The Christmas gift committee was appointed as follows: Alfred Knickerbocker, Richard Merkel, Cynthia Paul and Ruth Eiseeman. It was decided that the limit for school gifts be from twenty-five to fifty cents.
It was decided that the last ten minutes of study halls in the afternoon of the last day of school before Christmas vacation should be spent by singing carols.

Class News . . .
11th GRADE
The eleventh grade is giving a new meeting for the Chelsea-Hartford game on Friday, Dec. 15.
10th GRADE
The tenth grade is planning an ice skating party for some time soon. They are on the decoration committee for the Christmas party.

Grade News . . .
FIRST GRADE
The first half of the first grade is busy finishing Santa Claus to decorate their room, while the other half is making many Christmas ornaments for their tree. Judy Carr had a birthday on Dec. 10. Jack Weinmann has been having to do everything with his left hand since he has a broken collar

bone. We hope it will get well soon!

SECOND GRADE
The second graders have finished making a movie. It is made so that when they turn a knob on top of the box the health rules they have learned come on the screen. Martha Williams had a birthday last Wednesday. She passed out suckers to everyone.

THIRD GRADE
The third grade room is very pretty with all the Christmas decorations up.

FOURTH GRADE
Judy Rudd, who is in the fourth grade, had a birthday last week.

SIXTH GRADE
The sixth graders had their voices recorded Dec. 7. They are making Christmas decorations and they have started singing carols.

JUNIOR HIGH NEWS
A Christmas party has been planned by the seventh grade. They have drawn names. Neil Fahrner is donating the costume and Ted Nixon has consented to be Santa Clause.

EIGHTH GRADE
The studding party planned by the eighth grade for Dec. 2 was postponed because of weather conditions. The class has drawn names and are looking forward to their Christmas party.

Movies . . .

The eighth grade science class was shown the movie entitled "Formation of Soil."
The movie showed different examples of how these changes of formation are made, for instance, running water makes gullies and ditches in the fields.

"The Monroe Doctrine" was the title of the movie shown to the American History class. It told how the Monroe Doctrine was formulated and the importance of it.

"Health and Nutrition" was the name of the movie given to the Biology class. It told of the large number of people who are suffering from malnutrition. It also told what foods one should eat in order to avoid the disease.

Biographies . . .
It was a happy day at the Petta home on July 11, 1933 when the stork brought the blue-eyed, brown-haired, baby boy to Ann

Arbor. He was named Theodore Allyn and is now commonly known as Ted.

Ted's favorite day would be when he is listening to "Boon-Boon" on the radio. He likes football game (sports are his hobby) and football (his favorite). After the game he would fall asleep (his favorite recreation) while a steak meal was being cooked.

Ted's favorite class is advanced Math, while his pet peeves are school and Harvey Koselka. His happiest moment was when he made the varsity football team.

Ted attended Blauson Junior High and Ann Arbor High School. He has been very active in high school. He has taken Hi-Y, football, basketball and baseball in his junior and senior years.

He thinks we should have a new school because "the old one is lousy."
If he found \$1,000 he would put it all in the bank.
He plans to go to college and (Continued on page 12)

STUDENTS WHO CHEAT

Have you ever heard the expression: "He who cheats never wins?" Everyday a teacher tells us that familiar saying. Although it may not apply to us at the time, in the end you find it always true. Perhaps you do get a few right answers at the time and again you may get a few wrong. Many think it benefits them and they will continue to get good grades. But what if you should get your seat moved so that you weren't sitting next to anyone? How would you do your work? Your teacher would then know you weren't doing your own work. This would not only embarrass you when you came into your class, but you would feel self-conscious whenever you talked to your teacher or did a test.

SCHOOL SPIRIT

What do we mean by school spirit? First of all, the most important is the way the students cooperate when attending a game. We shouldn't continuously be the visiting team or say things to students who aren't participating in the game. Another, and very important thing which most people think of when they hear the term "school spirit" is how we cheer and boost our team. If we don't cheer and support our team we can't expect a good team. Another is when we are visiting at another school, we shouldn't throw paper and act like children. Let's remember these things at our next games!

FOOTBALL DINNER

The Annual Kiwanis Football Banquet was held in the Methodist Church on Monday, December the fourth.

After the meal, which was enjoyed by all, President Moore introduced Mr. John Hoyey from Dexter who led the singing, for the evening, after which Mr. Cameron was called upon to give a talk.

Mr. Cameron called on Mr. Maggeria who gave a short talk about football. His talk was followed by Mr. Louhen, the varsity coach, who briefly reviewed the year's games with seven wins, one loss, and one tie. He then presented the boys with their awards.

Ted Slane was voted most valuable player, and George Winchester, the most improved player.

Don Schrader, this year's football captain, presented Don McClear, who will be next year's captain.

Mr. Slaughter, the guest speaker from Western Michigan College, spoke on the topic: "Athletes make the better citizens."

The evening was rounded out by the showing of the movie of western Michigan vs. Butler University.

Ted Slane and George Heydauff received honorable mention on the Detroit Free Press All-State team.

Organizations . . .

ATHLETIC BOARD

The Athletic Board decided to pay for the basketball tickets.

The group considered substitute passes to be given to a person who wishes to go outside and smoke. The motion was tabled.

A discussion was held on selling tickets.

Stacy was appointed to see Mr. Starks about a score board to be set up on the stage.

The guards at the doors and on the stairs during basketball are Janu Weinberg, Shirley Riihimaki, and Don McClear.

HI-Y CLUB

The Hi-Y club held a meeting Tuesday night with their guest speaker as Reverend Bryce. After this a report was given by Ray Steinbach and Duane Lott about the Hi-Y convention held in Lansing which they attended last Friday and Saturday.

LATIN LINGO

The Latin Club had a potluck supper at the Lawrence Fowler home on December 9th. After supper the group went to see the movie "The Happy Years." A good time was had by all.

CHORUS

The chorus is working on their Christmas program. They have also received their operetta books entitled "Meet Arizona" which is to be presented in April.

The Happiest Kid on the Block

... will he be yours this Christmas?

HE CAN BE—he will be—if you bring home the television set that he's wanted so long, that he'll use so much.

Now he can choose his own programs, with you to help develop his tastes, instead of viewing the choices of someone else.

Laughter, music, adventure, magic—television at home means all that to a growing boy these days, but it means a lot more than just programs.

Now he'll spend a lot more time with Dad, watching ball games together and listening to Dad's stories about the very teams they're watching.

Now he'll be able to invite the gang over to his house for TV instead of having to slip over to the neighbors to see television himself.

No wonder the happiest kid on the block will be your son when you make this year his "Television Christmas."

With TV
this magic world
is his to enjoy
every day!

TELEVISION is moving faster than you think. New programs, new stars make their debut every week. The longer you wait, the more you miss! Here's just a partial list.

CHILD PERFORMERS—Talented singers, dancers, musicians, inspire your children to cultivate their own talents. They'll be more eager to learn—practice more willingly.

WORLD'S GREATEST athletic events—Fathers and sons follow their favorite teams together from a front row seat. Television helps teach your children sportsmanship.

THE WONDERFUL world of make believe enchants children for hours—is often both educational and entertaining. It sure helps Mom—especially on rainy days.

MUSIC DELUXE! Now you can see as well as hear your favorite orchestras, singers, instrumentalists! Yes, Television gets you right "on stage" seats, no money could buy!

LAUGHTER under your roof—the shared pleasure that binds your family closer. The greatest comedians of the entertainment world are in your living room every night on TV.

Peter Capra
Executive Director of the Boys Club of New York, says:
"Television is more than fun for boys. It is significant and true that since the inclusion of television in the Boys Club program, the Glee Club, Drama and Music Groups have improved tremendously in the number of boys participating. Television properly integrated in the over-all program of wholesome recreation will continue to make an increasingly valuable contribution by keeping growing boys informed, entertained and happy . . . essential factors in building character and developing personality."

Club and Social Activities

WRC SOCIAL MEETING
Fourteen members of the WRC were present for the social meeting of the organization held Thursday evening at the home of Mrs. Edward Walker. Games were the evening's entertainment feature and prizes were awarded by the hostess.

Mrs. Walker served refreshments at the close of the evening.

LYNDON FARM BUREAU
The Lyndon Farm Bureau's annual Christmas dinner was held at the Lyndon Town Hall Monday evening. The ham dinner, complete with "all the trimmings" was served at 7 o'clock to the 40 members present.

Gifts were exchanged and a social evening was enjoyed, with various games being played until a late hour.

The hall was appropriately trimmed in keeping with the season.

The supper and decoration committee included Mrs. Lawrence Shanahan, Mrs. Guy Barton, Mrs. Leonard Reith, Mrs. Tom Masterson, and Mrs. Mary Clark.

BIRTHDAY
Peter Young, who was 80 years old Tuesday, observed the occasion by going to Jackson on Sunday to spend the day with Mrs. Young who is being cared for during the winter at the home of a daughter, Mrs. Charles Bowdell. Mr. Young was accompanied by his daughter, Mrs. Herbert Rank, and family, at whose home he is spending the winter. Also accompanying them were his grandsons, Donald Rank, and family of Plymouth, Mich. Hubert Davis, of Michigan Center, had provided a beautiful birthday cake which was served with ice cream to those present.

ANNIVERSARY
Mr. and Mrs. Joseph Wright, who were married 25 years ago on Dec. 12, were guests of their children, Lucille Hawley, of Tecumseh, and Mr. and Mrs. Eldine Hawley, of Jackson, at a dinner in Marshall on Sunday.

The Wrights were presented with a gift as a memento of the occasion.

Remember, the busiest man is usually the happiest man.

VFW AUXILIARY
A regular meeting of the VFW Auxiliary was held at St. Mary's school Monday evening, Dec. 11, with 20 members and two guests in attendance. A new member, Mrs. Claude Biles, was initiated.

Present for the evening were Mrs. Ruth Loge, district president and inspecting officer, and Mrs. Grace Tonges, both of the Morley St. Oakes Auxiliary, of Lansing.

Announcements were made as follows: (1) The next Social meeting will be held in St. Mary's hall on Dec. 27 instead of the regular meeting tonight; (2) the business and social meeting will be held in January and will be held Jan. 15, the place to be announced later; (3) the Sixth District rally will be held in Howell, Jan. 14.

After the meeting, a lunch was served by Mrs. Estella Light, Mrs. Gertrude O'Dell and Mrs. Ruth Perkins.

CAVANAUGH LAKE GRANGE
Cavanaugh Lake Grange held its Christmas meeting at the home of Mr. and Mrs. T. G. Riemenschneider Tuesday evening, Dec. 5. Chester Notten acted in the absence of Franklin Van Valkenburg, the Master of the Grange.

The Christmas program opened with the Christmas story from the Bible, read by Jean Schweinfurth. Mrs. Max Hoppe read a meditation, "Good Tidings," and then the assembly sang several Christmas carols. This was followed by a vocal solo, "Birthday of the King," by Rev. Vern Panzer, and the song, "We Three Kings," by all the men present.

Apples, cookies and Christmas candy were served as refreshments.

It was announced that the next meeting will be a day meeting at the home of Rev. and Mrs. Vern Panzer on Tuesday, Jan. 2. The meeting will be preceded by a dinner at 12:30.

N. LAKE EXTENSION CLUB
The North Lake Extension club held their November meeting at the home of Mrs. Leo Heatley, Nov. 28th. It was an all day meeting and there were 10 members and one guest present. A pot-luck dinner was served at noon.

In view of the fact that one of our leaders was absent, we planned the program for the coming year, and will have a lesson on "Restyling Clothes" December 12th at the home of Mrs. James Hall.

The next party will be held December 9th at the Reuben Lindemann home.

The North Lake Home Extension club was entertained at the home of Mr. and Mrs. Reuben Lindemann, Saturday evening, Dec. 9, with about 40 guests attending.

After the bountiful pot-luck supper, progressive euchre was played with the following taking home the prizes: first, Mrs. Ezra Lesser and George Kuntzelman; low, Mrs. Albert Ruhlig and Leo Heatley; traveling prize, George Kuntzelman.

The next party is to be held at the home of Mr. and Mrs. Homer Spofor, Dec. 31. Bring a gift for the grab bag.

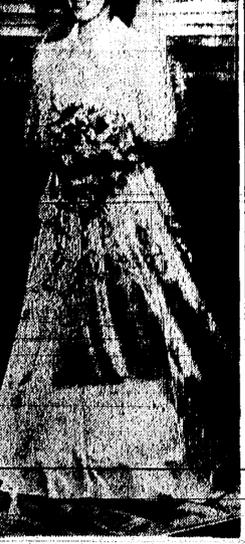

ZION LADIES' AID
The Ladies' Aid Society of Zion Lutheran church at Rogers Corners held a Christmas meeting in the parish hall on Wednesday, Dec. 6. Forty-two members and guests attended.

A luncheon was served at 12:30 and then a program was given as follows: Scripture reading and prayer by Rev. M. W. Bruckner; reading, "My Room in the Inn," by Mrs. Altan Grau; vocal duet, "Star of the East," by Mrs. Harold Eschbach and Mrs. May-Gross; vocal solo, "The Christmas Story," by Mrs. Altan Grau; a humorous reading, "Ma and the Auto," by Mrs. Ernest Wenk; reading, "Christmas in the Country," by Mrs. Harold Eschman; violin solos, "Holy Night" and "White Christmas," by Mrs. Elmer Haab, accompanied by Mrs. Grau; German songing by Mrs. Max Ziegler. Christmas carols opened and closed the program and several were sung during the program. Mrs. Bruckner played the accompaniment for the carols.

Games and distribution of gifts concluded the Christmas party.

The program committee included Mrs. Fred Heinrich, Mrs. Edwin Horning and Mrs. Walter Haab, while Mrs. Clarence Koenigler, Mrs. Martha Koenigler, Mrs. Reuben Loser, Mrs. Walter Loeffler, Mrs. Fred Prinzing, Mrs. Albert Schiller, Mrs. Ernest Schiller and Mrs. Ed. Schmidt were on the refreshment committee in charge of the luncheon.

Tables for the luncheon were arranged around the sides of the dining room and members and guests were seated only on the outer sides so all faced the center of the room. Garlands of greens edged the inner sides of the tables around the entire room. Placed at intervals among the greens were red candles and arrangements of Christmas tree ornaments, the whole forming a very effective holiday table setting. Favors were candy canes.

MRS. KENNETH LOUD
Schiller-Loud Vows Exchanged Saturday in Methodist Church

Baskets of pom-poms and large white chrysanthemums decorated the chancel of the Methodist church for the candlelight service during which Pauline Schiller and Kenneth Loud exchanged their wedding vows Saturday evening at 8:15 o'clock.

The double-ring ceremony was performed by Rev. David Bryce in the presence of approximately 200 guests.

The bride, who is the daughter of Mr. and Mrs. Elmer Schiller, is a graduate of Chelsea High school. Mr. Loud is a son of Mr. and Mrs. Fred Loud of Spring Arbor. He graduated from Parma High school and was in the Navy Medical Corps in which he is still a reserve.

and awaiting his call to active service.

The vocalist at the wedding was Anne Lambertson. She was accompanied on the organ by Claude Isham, a former piano teacher of the bride, Miss Lambertson sang "Because," and "I Love You Truly."

The bride wore a gown of white slipper satin with a bodice of imported lace and long, pointed sleeves of the lace. Matching lace applique adorned the full, hooped skirt which extended into a long train and matching lace and orange blossoms trimmed her fingertips well of illusion. Her bouquet was of white roses.

Eleanor Loud, sister of the bridegroom, was maid of honor. Gowned in festive green satin fashioned with a lace bodice, a lace peplum, and full hooped skirt, she wore matching mitts and carried Johanna Hill roses. She wore matching roses in her hair.

Mary Lantle of Napoleon, in American Beauty, Mrs. Stanley Weir, in peacock blue, and Estelric Eder, in starlight gold, were the bridesmaids. Their satin gowns were styled like that of the maid of honor. They carried bouquets of tallman roses and wore matching roses in their hair.

The best man was Archie Durham of Spring Arbor, and Oramel and Martin Schiller, brothers of the bride, and William Loud, brother of the bridegroom, were the ushers.

A reception was held in the church parlors immediately after the ceremony. Mrs. Oramel Schiller and Mrs. Marvin Schiller poured. Mrs. Frank Gross, Jr., of Ann Arbor, was in charge of the guest book; and Mrs. Gerald Towbridge of Jackson, and Doris Gilson cut the wedding cake.

When the couple left for a two-week honeymoon in Florida, the bride was wearing a navy blue suit with off-white accessories. Upon their return they will make their home on Mathews road near Spring Arbor.

A post-wedding dinner was given Friday evening at the home of the bride's parents.

program's short Christmas program was given including Christmas carols, responsive reading of the Christmas story from Luke 2, verses 8 to 19, and a reading, "Keeping Christmas," by Mrs. Glenn Rentschler.

During the business session, plans were made for sending a Christmas box and a subscription to a magazine to Henry Notten, a member of Salem Grove church who is in service and stationed in California.

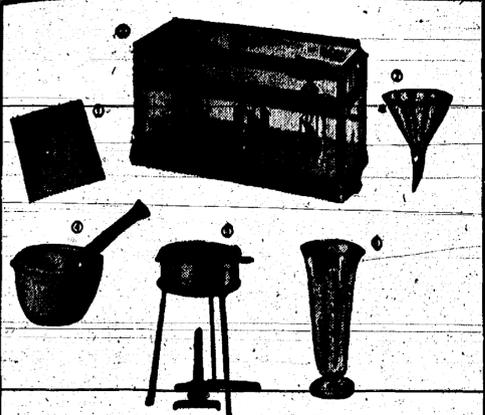

The next regular meeting of the WSCS will be held Jan. 3 at the home of Mrs. Oscar Kalmbach.

St. Mary's school. Songs included in the program were "Silent Night" and "Angels We Have Heard On High." Community singing of "O, Come All Ye Faithful," with Mrs. R. J. Lonsway at the piano, and an exchange of Christmas gifts followed.

Refreshments were served by the committee of the month, with Mrs. Albert Doll as chairman.

- **Pill tile.** Used for a variety of purposes, including the mixing of ointments and dividing of powders, as well as for rolling and shaping of pills.
 - **Prescription balance.** Used in weighing prescription ingredients, usually solids. So sensitive it can weigh one five-thousandth of an ounce.
 - **Filter paper and funnel.** Used to separate or filter out undissolved particles from liquids; eye drops, for example.
 - **Mortar and pestle.** Used for mixing and grinding operations to insure uniform and even distribution.
 - **Water bath.** Used like a double-boiler to heat mixtures, to melt ointment bases, or to maintain liquids at desired "below-boiling-point" temperatures, up to 100 degrees Centigrade (212 degrees Fahrenheit).
 - **Conical graduate.** Used to measure liquids accurately. Some of the smaller graduates measure quantities as little as a twentieth of a teaspoonful.

Rural Tele-news

MAKES HOURS OUT OF A MINUTE—The Fastax camera can take so many pictures so fast that one minute's action, when slowed down on a movie screen, would make an eight-hour show. Developed by Bell Telephone Laboratories, the camera is used to study the rapid motions of telephone switching equipment as well as the action of human vocal cords. Research aids such as the Fastax help to improve telephone service.

THE RINGS YOU CAN'T HEAR—It wasn't too many years ago that nearly every rural-line customer served by Michigan Bell could hear the rings of all other parties on the line. Today, thanks to technical improvements, nine out of every ten hear the rings of no more than half the parties on their line. This is but one of many ways Michigan Bell is providing steadily better rural service.

HOW DO THEY SOUND TO YOU?
In recent months many Michigan Bell operators have been attending meetings to find ways to give you better service. They've listened to their own voices on wire recordings... and analyzed many other phases of their work and they're putting their findings into practice. They hope you notice the improvement.

ELVE

LIGHT
(from page ten)

When he graduated from the high school, she had been on Mackinaw Island and she has seen the sand dunes at Lake Michigan. Maybe the Niagara Falls or the Tahquamenon Falls sprayed her with some of their water to keep her from growing.

She isn't the type that embarrasses easily and she's happy all the time. If you haven't guessed by now maybe this will help. She takes journalism and this year is a co-editor.

Of course, you know all along it's Leola. Aitastetter. Leola's plans for after graduation are not definite, but we wish her luck.

Who, of the senior boys, was born Aug. 24, 1932 in Detroit and attended the St. John Cantius and Southwestern High schools before coming to Chelsea? Who of the senior class likes peach pie for food, swimming for sport, music, fishing, and hunting for recreation; the song "Goodnight Irene,"

and hobby of model building? Whose pet peeve is soap operas, and who has taken jobs as a usher in a show, set pins, driven a soft drink truck, and who works in a plastics factory now? He has belonged to the H-Y club.

He has had quite a few happy moments but can't recall the one he would call his "happiest."

His most embarrassing moment was when he took part in a play and forgot some of his lines.

When asked if Chelsea should have a school he said, "Why, they should! Tripling up all the time is uncomfortable."

When asked what he would do if he found \$1,000, he replied, "I would find the 'jerk' who lost it and give it back to him."

He wants to spend three years in the Army and then he would like to join the state police.

He has traveled only in the north, where he has seen "a lot of beautiful scenery."

If you haven't already recognized this senior boy his name is John Blaznek, Jr.

He was born June 28, 1938 in Detroit. He has attended St. Mary's and Chelsea High. His favorites are chicken, football, ice skating, art and "Mona Lisa."

He has worked in a clothing store and he has been active in Latin club, Student Council, football, basketball and baseball.

When asked what he thought of Chelsea's need for a new school he said, "It's necessary because of the over-increasing population of school children."

His happiest moment was when school ended his sophomore year. His plans after graduation are undecided.

When asked what he would do if he found \$1,000 he said, "Probably drop dead with excitement, but I would turn it over to proper authorities." He has traveled to Washington, D. C., and the University of Indiana. He also went to the National Jamboree at Valley Forge.

If you haven't already guessed, it is David Hoffman.

Pumpkin college, high school and Henry Ford hospital are the educational trend of Donna Noah. Then—Donna will be a nurse.

On Donna's favorite day, her birthday, Oct. 29, we might observe her doing these things: eating chicken, playing basketball, howling and listening to "Noel." Donna becomes peevish at people who stow off.

Embarrassed? Yes, long ago when she gave her first speech in freshman English. Give her \$1,000 and she'd save it for college.

She has belonged to Journalism, G.A.A., Latin club and Student Council. Donna deserves a great deal of credit for the way she has handled school activities through-out Student Council, acting as its vice-president.

In Madison, Wis., Jan. 25, 1934, a baby girl by the name of Joan Ellen Schneider was born.

She has attended the St. Bernard's school in Madison, St. Mary's in Chelsea, and the Chelsea Agricultural school.

Joan's favorites are roast beef, horseback riding, reading, art, and "Maingena." Her hobby is collecting horses. Her pet peeves are her first name and people who laugh at her when she is serious.

Jean belongs to Latin club and chorus. She is the treasurer of the senior class.

Her happiest moment was when a senior boy took her to the prom and most embarrassing moment was when classmates wired her chair so when she stood up her skirt unzipped down the back.

When asked if Chelsea should have a new school she said, "Yes, this one is a fire trap and too crowded."

If she found \$1,000: "Why silly, I'd buy a horse."

She plans to go to State college after graduation and has been quite a traveler. She has been to Yellowstone Park, the Bad Lands, Black Hills, Teton National Park, Fish Hills, Wisconsin, Dallas and Idaho.

When asked if there was any other information that might help us, she said, "Yes, have you heard that the faculty is just a bunch of people hired to help the seniors run the school?"

Nancy Caroline Eisele was born in Ann Arbor, Jan. 1, 1934. She has always attended Chelsea schools. Her favorites include chop suey, basketball, swimming and singing. English and bookkeeping. "Third Man Theme." Her hobby is collecting figurines of elephants.

Nancy has done such jobs as baby sitting and housework. She has been a member of band for four years and she is a member of chorus. Nancy was treasurer of the band.

She thinks we should have a new school because she thinks the one we now have is too small for the number of pupils we have.

If she found \$1,000 she would take a trip and put the rest in the bank. She has traveled all around Michigan. Last summer she went to Canada and through the eastern states.

Nancy's plans for the future are to get a job in an office as a secretary or a bookkeeper.

Stanley Knickerbocker was born in Chelsea on July 14, 1932. He started school in Chelsea and must have liked it for he has never attended any other school.

In grade school he started mowing lawns and has continued working on farms and doing odd jobs.

Stanley must be sports-minded as football, basketball and baseball have always interested him. The activities, clubs and organizations Stanley has belonged to during high school have all centered around sports. They are Athletic Board, assistant coach of Junior football, and H-Y.

He went on a northern trip this summer and enjoyed it very much. He was given \$1,000 he would put it in the bank to help him through college which he plans to attend after graduation.

The happiest moment in Stanley's life was when his cast was taken off his arm and he was told that he would be able to play football in a month.

(7) Music, Mr. Redner and Mr. Pfeuffer.

These teachers, as well as the students and school organizations, are going to work very hard to have a fine program on Dec. 20.

A GREAT SUCCESS

The seniors of Chelsea High school presented their class play, "Clementine," last Friday night, Dec. 8. It was a magnificent performance and all who were present enjoyed it immensely.

All seniors taking part in the play did extremely well so congratulations to all of them, and especially to those who played the leads, Phyllis Harrison and Buddy Johnson. Other members of the cast were: Jane Ann, Lois Eisele; Cathy, Joan Schneider; Ann, Michael; Wanda, Eichelbach; Bertha, Donna Noah; Mrs. Kelly, Mary Klobuchar; Miss Pringle, Ruth Eisele; Mr. Kelly, John Lightner; Abe, Duane Gentner; Pete, Dave Hoffman; Tubby, George Heydlauff.

GRADE ASSEMBLY

The Senior class presented the play "Clementine" to the grade school on Dec. 7. The play was a great success.

HONORABLE MENTION

In the annual Free Press football poll taken last week, George Heydlauff and Theodore Slane were mentioned in the honorable mention list.

In the Ann Arbor News poll Donald Schrader was in the honorable mention list.

Chelsea is very proud of these boys and of their fine achievements.

Baptists Will Hold Fellowship Meetings

The Chelsea Baptist church announces two weeks of special fellowship meetings beginning Sunday, Dec. 17 at 8 p. m. The meetings will be held every night except Tuesday and Wednesday of each week. Paul Collins, chalk artist, with his action chalk board will be present. Rev. Roy Grinnell, pastor will preach and other special features will be presented as prizes to those bringing guests for the first time. Meetings will end Dec. 31 with a special night service at the Iron Creek church near Manchester.

SPEECH CLASS RADIO PLAY

The speech class presented a play, "The Unfriendly Village," Monday morning, Dec. 11 over an Ann Arbor radio station. Maureen Hoffman, Barbara Mshar, Bruce Peabody and Marty Tobin had the leading roles.

GRANDMOTHER GOES MODERN

This was the title of the style show given by the Home Ec. II and III girls last Tuesday evening. It was for the mothers.

Decorations were greens, and the refreshments which were made and served by the Homemaking I girls, were cookies, coffee and a cold drink. The girls modeled the clothes they made during the last 12 weeks.

After the showing there was a sewing machine demonstration which was all about "Sewing Machine Tricks."

CHRISTMAS PROGRAM

This year the school hopes to present the most beautiful musical program in years. Many of the school organizations and teachers will join together in making one big program. Since there will be many activities required in making it a big success, various teachers will be chairmen of the activities.

The following is a list of duties with one teacher acting as chairman of each: (1) Frames for pictures and general staging; Mr. Starks and Mr. Fischer; (2) Costuming; Mrs. Martin; (3) Programs; Mr. Fischer; (4) Lights; Mr. Benjamin; (5) Publicity; Miss Fox; (6) Decorations; Miss Schell;

DOC WILL SLEEPING OUT IN THE OPEN CURVE INSNANIAP

YES, AND SLEEPING INDOORS WILL HELP TOO, BUT TO BE SO CALM AND HEALTHY, DON'T GO TO SLEEP WHILE DRIVING A CAR.

BUT SINCE I HAD MY CAR OVERHAULED BY BALMER'S BRAKE SERVICE

DON'T WORRY—THE ASSURE OF DRIVING A CAR THAT'S SERVICED BY BALMER'S BRAKE SERVICE WILL KEEP YOU EXCITED AND AWAKE.

It's Just Plain Common Sense—

That car of yours cost a lot of money. It's just plain common sense to have faulty brakes fixed immediately . . . to have inadequate lights made right . . . to have necessary adjustments taken care of before they grow into larger troubles. We can put your car in top condition for so little. Then you can smile at driving hazards, steep hills, sharp curves . . . and let those who don't use common sense pay the bill.

Now is the time for all good men to come to the aid of their pocketbooks

There's been a lot of talk in recent weeks about "the buying power of the dollar"—past, present and future.

We can't foretell the future—but we can tell you this right now:

You'll look a long way before you'll find a car that offers as much for the money as you can get in a 1950 Buick.

Close to half a million of these cars have been built and sold this year.

Close to half a million people have checked their features and prices against the field—and decided they'd better buy Buick.

As to prices—they start down below some sixes. And whether you price the SPECIAL, the SUPER or the ROADMASTER, you'll find, on a cents-per-

FLOWERS For Christmas

The Nicest Way To Bring Pleasure to All the Family

Plant the Christmas spirit in almost any room of the house with one of these colorful poinsettia plants.

Whether it's the traditional poinsettias in a ribbon-tied container or a magnificent bouquet of roses, flowers to add zest and color to the Christmas living room are a must. Flowers cost little, yet repay many times over in pleasure. And remember, if you are in doubt about the right gift to give, don't hesitate, send flowers. We wire flowers anywhere.

ARTHRITIS Hundreds Claim Its Grip Broken! Dear Friend: Do you have Arthritis? Have you a relative or friend that is suffering from this painful, distressing ailment?

THE MAN had been sitting there in his parked car every Monday afternoon for four months now. It was beginning to get on my nerves, and even Ward was intrigued. "Who in the world do you suppose he can be, and why is he sitting in that same spot every week?" I queried.

Two New Members Are Accepted by Sylvan Farm Bureau... The Sylvan Farm Bureau meeting for the month was held Friday evening in the basement of the Odd Fellow hall on M-92.

Household Employees May Be Eligible for Social Security... Raymond Eldem, Social Security representative for Washtenaw county, reports that persons hiring household employees, even on a part-time basis, should get the pamphlet "Do You Have A Maid?"

Blame Warfare On Sumerians... THE ANCIENT SUMERIANS really started it all. This cultured people who lived about 4,000 B.C. in the land that was later known as Babylonia, was the first to have "organized warfare."

State's Divorce Rate Declines Steadily... Michigan's divorce rate has dropped one-half in the past three years, but in 1949 there was still one divorce for every 3.3 marriages in the state; the Michigan Department of Health reported recently.

Named Trustee... Big Rapids—Cameron Colquhoun of Chelsea, student in the Agricultural and Engineering Drafting department of the Trades and Industry school at Ferris Institute, has been named on the board of trustees of the Triangle club.

North Sharon Church Planning Special Holiday Programs... Special programs at the North Sharon Community Bible church the next two weeks include the appearance of the Cassidy Lake Chapel Choir at 7:30 p.m. Sunday, Dec. 17, and the story of the life of Christ told by Marilyn Patch at 10 a.m., Sunday, Dec. 17 and Dec. 24.

Household Employees May Be Eligible for Social Security... These pamphlets may be secured from any post office, from the collector of internal revenue, or by writing to the Social Security representative, North Main and Felch streets, Ann Arbor.

Blame Warfare On Sumerians... The Sumerians "fought in remarkable order, the warriors close together." They are described as advancing with their leaders "behind square overlapping shields."

State's Divorce Rate Declines Steadily... Michigan's marriages were continuing a downward trend which followed the war-created 1946 peak of 78,808 marriages. In 1949, only 63,109 marriages were performed. While 27.6 people out of every 1,000 undertook marriage in 1946, only 16.7 out of every 1,000 undertook marriage in 1949.

Named Trustee... If sandwiches are to be the main part of a meal, think of the nutritive value needed and include eggs, peanut butter, meat but also remember the many fruit and vegetable fillings.

Social Security Act Covers Farm Workers After January 1

Every farmer with hired help, and farm and other agricultural workers should become familiar with the new amendment to the Social Security program as soon as possible, advises E. B. Hill, agricultural economist at Michigan State college. Social security for farm workers will be effective Jan. 1, 1951.
Here in brief are some of the important provisions listed by Hill:
"Regular" farm workers are covered—farm operators and their families are not, with the exception of children over 21. A regular farm worker is one who works three months during one calendar quarter for one farm operator and who works at least 80 days and earns at least \$50 cash in the succeeding three-month period for the same farmer. Non-cash "wages" such as room, board or farm products cannot be counted.
The three-month periods begin in January, April, July or October. Workers may use the last quarter of 1950 to qualify. They pay no tax during the quarter in which they qualify.
Household workers on farms are considered farm workers. Wages paid by a farmer to his children under 21 years of age do not count toward social security. Neither do wages paid by a husband

to his wife, by a wife to her husband, or by sons and daughters to parents.

The farm worker should get a social security card from the nearest social security office if he does not already have a card.
What must the farm operator do?
Hill emphasizes that the program is compulsory and the operator will be held responsible for the collection and remission of the tax.
The farm operator should get the proper forms from the United States Collector of Internal Revenue. He fills in the name and social security number of his hired worker, number of days worked, and amount of cash wages paid the worker in that quarter. At the

end of each quarter the employer sends this report to the Collector of Internal Revenue along with the social security tax.

The tax is three per cent through 1953. One and one-half per cent is deducted from the worker's wages and one and one-half per cent is contributed by the farm operator. It will pay farmers with hired help to keep an accurate record of days worked, wages paid and taxes deducted.
Further details about how the social security program affects you can be obtained from your nearest social security office.

WOLVERINE Triple-Tanned SHELL HORSEHIDE

TAIN'T funny, wearing work shoes that dry out stiff-as-a-board after soaking. So needless, too, WOLVERINE Shell Horsehides dry out soft—stay soft—because they are tanned that way by the secret Wolverine tanning process. Cost less to wear on any job—farm or factory—because they wear longer. Come in, try on a pair.
