

● Hardly had smoke from the inaugural salute blown away when Governor Williams had legislative GOP leaders in to puff a peace pipe and discuss a method of cooperation. Republicans were suspicious. Says Senator G. Elwood Bonine (Rep., Vandalla): "Republicans are willing to cooperate for the good of the state but will judge Williams' sincerity by his actions."

Asked if there were GOP "strings" attached to its cooperation, Williams would say only "let's watch this thing grow a while before we say anything further."

● In budget-pinch Michigan, legislators are committed to scrape up funds for civil defense. Some defense leaders urge consideration of a "sub-capitol" from which the state could be governed if the Lansing offices were bombed. The lawmakers look at the accounts and say nothing.

● But an organization similar to the Forest Fire Service of World War II is being considered. Methods of combating possible subversive or actual open fire warfare in forested acreage was studied by state fire wardens at their annual meeting Jan. 8-11.

● The spectre of added taxes is stalking the legislative chambers. Will it mean a personal income tax as was discussed two years ago? Most lawmakers agree that more corporation taxes would be paid by the consumer. An alternative, more sales taxes, is lagging in popularity.

● Corrections Commissioner Ernest Brooks returned from his vacation to step into a hall of criticism that he has been too lenient with his parolees. Says Brooks: "I have done nothing not within my authority."

● Governor Williams has made Camp Grayling available to Indiana's National Guard. The Hoosier training camp, Camp Atterbury, has been taken over by the army.

● Michigan farmers are asking if ceiling prices on grains will be applied during 1951. They will need to buy grains if they are to effect livestock increases. Since the national stockpile of feed grains totals nearly a billion bushels, it is doubtful if ceilings will be imposed during the year.

● The liquor control commission is still in a lather. Chairman Harry Henderson has been replaced by Dr. B. M. Himm, Kalamazoo, but Henderson says he will not give up the job until his successor is approved by the senate. He hints at court action even though his term expired Dec. 15.

● The governor's supporters embarrassed him at a harmony banquet by booing when it was announced that Republican Lieutenant Governor William C. Vandenberg had sent his regrets. Vandenberg says he forgot his tax.

● Kit Clardy, Lansing attorney and co-founder of "Fighting Republicans, Inc.," jumps back into the spotlight with a series of radio broadcasts in the Capitol City and in Flint. His theme: "I am so reactionary I don't like to pay taxes to raise prices to require more taxes." Clardy was defeated by Blackney in the 1950 race for congress.

He dubs himself a conservative and refers to Washington as the home of the "small bore second raters."

● As the 50th administration gets underway in Lansing, the governor is house-hunting. Owner of the house he rented (\$275 per month) for two years, wants to sell. New state mansion? With a \$21,212,282 deficit last year, legislators probably will make short of the biennial suggestion that Michigan build a home for its governors.

● The automobile industry is breathing easier. A sudden spurt in new defense contracts and easing of aluminum restrictions has brought on the sudden good hum-

C. of C. Will Discuss Bond Issue

Kiwanis Club Will Also Hear Talk on School Problems

The coming election on a bond issue for the construction of a new elementary school in Chelsea is to be discussed next week on Monday evening at the Kiwanis club meeting. Tuesday evening the matter will be the subject of a discussion at the Chamber of Commerce meeting, and Wednesday evening, at the Elementary PTA meeting, the matter will again be explained.

School board members have repeatedly stated that if the proposed \$258,000 bond issue is approved they will do everything in their power to provide as many plain, substantial rooms as possible in the construction of new school facilities here.

On the question of a tax levy to provide funds to retire the bonds, it is to be held in the high school gymnasium from 10 a.m. until 8 p.m., Tuesday, Jan. 23. As planned, the tax levy would amount to 4.5 mills, which would be a reduction of 5 mill on the levy included as a building and site fund in the 1950 township taxes. At the 4.5 mill rate the proposed bond issue would be paid for in 10 years, providing valuation remained the same as at present, and provided delinquency in tax payments was not too great. However, to satisfy demands of bonding companies the issue was presented to the voters must provide for a 7 mill levy for 10 years of 18 years, merely as a precautionary measure in case of possible increases in tax delinquency.

Taxes may be levied for the retirement of the bonds only until the amount voted is raised, in this case until the \$258,000 would be raised. A table of tax rates for school purposes for the last five years was obtained from the office of the Washtenaw county school superintendent, Julius Haab. This table shows the school tax rates in the county for the five-year period beginning in 1946 and also the levy for operation purposes in the Chelsea Agricultural Schools district during the same period. The figures for the Chelsea district show that operational levies here have actually been less since reorganization took place in 1947. The tables for Washtenaw county rates are as follows:

In 1946, 3.5 mills; in 1947, 3.8 mills; in 1948, 4.1 mills; in 1949, 4.4 mills; and in 1950, 4.6 mills. Operational levies in the Chelsea Agricultural Schools district, the rates were: 1946, 10 mills; 1947, 10 mills; 1948, 10 mills; 1949, 8.5 mills; 1950, 8.3 mills. A three-mill levy in 1946 for a building and site fund in the Chelsea district was dropped when reorganization of the district took place in 1947.

State Bank Re-Elects Schaible President

The annual meeting of the Chelsea State Bank was held Tuesday morning, Jan. 9 at the bank. Reports given at the meeting show that affairs of Chelsea's bank are in a flourishing condition.

Directors were re-elected as follows: J. Vincent Burg, J. Fletcher, Andrew Guide, M. D. P. G. Schaible, and Arthur J. Walz. The board then organized and elected officers for the year, re-electing P. G. Schaible as president. Howard S. Holmes was named one of two vice-presidents of the institution. Other officers are J. L. Fletcher, vice-president and cashier, and George E. Paul, Jr., assistant cashier.

St. Paul's Names Officers for New Year

Ernest Guenther was re-elected to a two-year term and Luther Kusterer was elected to a three-year term as members of the church council at St. Paul's church. After the morning service last Sunday the Council met to organize for the year and elected Mr. Guenther as president.

Norman Elsemann was named vice-president; Lorenz Wenk, financial secretary; Luther Kusterer, treasurer, and Wilbert Breitenwischer, secretary.

FIRST ROBIN OF 1951
The first robin of the year 1951 was reported seen on the Reinhold Vergin place at North Lake, Tuesday afternoon, Jan. 2. This is unusually early for robins to reach here and some authorities believe a few of the birds probably wintered in marshes in the vicinity.

ENLISTS
Paul J. Niehaus has enlisted in the U. S. Air Corps and left the Fort Wayne induction center at 4 o'clock Monday afternoon to report at Lackland Field, San Antonio, Tex.

Mary K. Murphy Presented DAR Citizenship Award

MARY KATHLEEN MURPHY

Mary Kathleen Murphy, daughter of Mr. and Mrs. Thomas Murphy, was chosen by her classmates and the school faculty to receive the DAR Good Citizenship award for 1950-51. She was born in Milwaukee, Wis., Oct. 10, 1933.

Before entering Chelsea High school, Kay attended St. Joseph Parochial school in Dexter and St. Mary's in Chelsea.

Her high school activities have included membership in Student Council, Journalism Club and Chorus. She was the recipient of the American Legion award last year and is vice-president of the senior class.

After graduation she intends to obtain a business position.

Women's Guild Given Plans for 1951 Programs

Members of the Women's Guild of St. Paul's church heard the annual reports at the January meeting held in the church hall Friday afternoon, at which 34 members and one guest were present.

The opening devotional service was presented by Mrs. Norman Schmidt and the program on the topic, "Operation Iraq," was given in two readings by Mrs. Julius Elsiele and Miss Cora Feldkamp.

The year's program was presented by Mrs. Bruce Peabody, general education chairman for 1951.

Other chairmen for the year were appointed as follows: Mrs. Herbert Paul, spiritual life and stewardship; Mrs. Harold Widmeyer, social service; Mrs. Norman Schmidt, church decoration; Miss Amanda Koch, altar cloth committee; Mrs. John Osterle, card and sick remembrance; Mrs. William Beach, Christian citizenship; Mrs. Julius Elsiele, missionary; Mrs. Clarence Nicolai, thankoffering; Mrs. Julius Strieter, pianist.

Refreshments were served in the church dining room by the church committee, Mrs. George Seitz, Mrs. Julius Strieter and Mrs. Adolph Steinaway.

Ladies' Guild Becomes Woman's Fellowship

The Ladies' Guild of the Congregational church officially changed its name to Woman's Fellowship at the annual meeting held at the church last Thursday afternoon.

Officers elected for the coming year are Mrs. J. Baxter, president; Mrs. Norman Perkins, vice-president; Mrs. Robert Wagner, second vice-president; Miss Nina Belle Wurster, secretary; Mrs. Lawrence Wacker, treasurer.

PRIZE DEER—Norman Schmidt and his son Richard, are shown above, with the deer they shot during the recent deer-hunting season. Also in the picture, at bottom center, is the former's grandson, Charles Fredette. Norman Schmidt won the prize for bringing in the largest buck in the contest sponsored by Merkel Brothers. The deer weighed in at 178 pounds. It was haggled in Marquette county, near Gwinn, on Friday, Nov. 17. The Schmidts, father and son, were hunting with a party of four. Richard's buck, also a fine specimen, is shown beside him in the picture. Norman Schmidt's prize was a \$45 fishing-rod and reel. The prize for the lightest weight deer went to John Stofor. His deer, a 98-pound Spikehorn, was killed in Otsego county. The prize awarded him was a woolen hunting coat. Announcement of the contest winners was made by Merkel Brothers last week.

Cagers Win 8th Victory of Season

Meet Dexter Friday in Last Non-League Encounter of Year

By DWIGHT GADD
Chelsea High's rampaging basketball team won their eighth straight win last Friday night as Manchester visited the Dohogues and received a 49-26 mauling for their second loss to the Bulldogs this season.

This win was far from being as impressive an affair as most of their earlier victories but the caliber of the opposition tended to make the Bulldogs a trifle lethargic and Coach Magiera substituted more freely than usual. In their earlier meeting in the first game of the season, Chelsea won 61-32. However, a 23-point margin of victory is highly respected and if they had been pressed in this last game we are certain it could have been more.

Chelsea opened a 10-4 margin in the first quarter but then trailed in the second quarter and Manchester closed the gap to 19-17 at the half.

Marty Tobin led the way in the third quarter by netting six points as Chelsea outscored their visitors 13 to 5, and then the Bulldogs turned on the heat a little in the last quarter, outscoring the Dutchmen 17-4, to win going away. Tomorrow night the Bulldogs meet their last non-league foe before the Huron League title chase starts as they host their rivals in the east, Dexter's Dreadnaughts, in the second of the first affair 62-32, but only after a first-half fight which saw Dexter lead all of the first quarter and some of the second before they were snowed under in the last half.

See you at game time!

N. Sylvan Grange Host to Pomona Meeting Tuesday

Eight of the ten granges in Washtenaw county were represented among the 50 persons who attended the Pomona Grange meeting Tuesday. North Sylvan Grange was host for the meeting.

The meeting was preceded by a pot-luck dinner, after which the following program was given: vocal solo, "Somewhere a Voice Is Calling," by Mrs. Vincent Ives; a talk by George Hurrell, describing his work and problems as director of the county's Planning Commission; piano selection "Moon Dawn" by Friml, played by Mrs. Philip Broesma.

At the business meeting Brother Willy Grange deputy for Jackson and Washtenaw counties, stated that he would be in the two counties to work with all granges from March 10 to 24. He said he plans to have a Grange Rally in each of the two counties, the dates to be announced later.

A new member was taken into Pomona Grange at Tuesday's meeting, Mrs. Fred Seitz, of Lafayette Grange.

The next Pomona Grange meeting is to be held at the Presbyterian church in Ypsilanti the second Tuesday in February.

Sunday afternoon visitors at the home of Mr. and Mrs. Ernest Fitzmiller were Mr. and Mrs. Robert Schulz and daughter, June, and Mrs. Lizzie Hammond of Ann Arbor, and Mrs. Amanda Schiller. Saturday evening callers were Mr. and Mrs. Lewis Schanz, of Ann Arbor.

ROD & GUN CLUB
Robert E. McAlpin, conservation education consultant of the educational division of the Department of Conservation, was the commentator for the showing of the colored film "We Live By The Land," shown at the Chelsea Rod and Gun club meeting Tuesday evening. The picture was obtained through the cooperation of the Department of Conservation for the special "Farmers' Night" program of the club. Mr. McAlpin, in his comments, mentioned the state's efforts to preserve and conserve the land and its productivity.

Present for the meeting, held at the American Legion Home at Cavanaugh Lake, were 42 members of the club and eight guests. Legion members served a lunch after the meeting.

The Chelsea Fire department was called out about 8 a.m., Monday, because of a chimney fire at the Vernon Parks residence on East Summit street. There was no damage.

RIP VAN WINKLE'S RUDE AWAKENING

Two Youths Admit Killing Drown Girl

Two Vicksburg farm youths have been apprehended and reportedly have confessed criminal assaulting 19-year-old Carolyn Dröwn of Stockbridge, before chocking her with her own bathtub. Her body was dumped in a field near Kalamazoo and was not discovered until a week later on Dec. 8, when the snow melted. Carolyn, a student at Western Michigan College, was a Stockbridge girl. She disappeared Nov. 26 after she had returned to Kalamazoo following the Thanksgiving vacation.

Both youths held in the slaying are 24 years old. They are Raymond L. Olson, father of a four-year-old daughter, and now separated from his wife, and Valorous "Bud" Mattheis.

Their arrest was brought about by a tip from a Ludington farmer who overheard them talking together when they were returning from a hunting trip several weeks ago.

The reported confession first stated that the two youths picked the girl up as she left a Kalamazoo theatre, offering to give her a ride to her dormitory so she wouldn't be late. She was due at the dormitory at 10:30. It was at home, the confession stated, that she had eaten at a restaurant near the dormitory.

The two youths are being questioned in regard to other slayings of similar nature which have occurred in the past few months. The youths now have at least reported confessed they forced her into the car on a street opposite the Western Michigan College campus, and that they both participated in the strangulation slaying.

No formal charges have as yet been lodged against the youths but along with the prospect of probable first degree murder charges comes the discussion of revising the state laws to permit capital punishment in Michigan.

Cpl. David Clear Killed in Korea

Corporal David Clear, son of Mrs. Clifford Clear, of Birch Run, was killed in action in Korea on Oct. 14, according to official notification received by his mother last Wednesday. Corporal Clear was 24 years old. He had many friends here, having made his home for about four years with his sister, Mrs. Goldie Hoover, of North street.

Survivors, in addition to his mother and Mrs. Hoover, are five sisters and two brothers, Mrs. Julia Coleman, of Chesaning, Mrs. Caroline Burns, of Cheboygan, Mich., Mrs. Margaret Savinsky, of Cheboygan, Wis., Mrs. Eva Shepherd, of Saginaw, Clifford, Jr., in the Navy, Burton and Norma, at home.

St. Paul's Members Honored for Their Attendance Record

Attendance records at St. Paul's Sunday school show that three teachers and 13 scholars had perfect attendance for the year 1950. The teachers are Mrs. Bruce Peabody, Mrs. LeRoy Satterthwaite and Ellen Elsiele.

Pupils who were present every Sunday of the year are Duane Satterthwaite, Mrs. Ernest Fitzmiller, David Bertke, Lee Satterthwaite, Douglas, Richard and Lloyd Schneider, Earl and Dean Guenther, Bruce Peabody, Hazel and Genevieve Hailey and Frederick Wack.

Duane Satterthwaite heads the list with seven consecutive years of perfect attendance to his credit. Next are his mother, Mrs. LeRoy Satterthwaite, and his grandmother, Mrs. Ernest Fitzmiller, with seven non-consecutive years of perfect attendance; then David Bertke with six non-consecutive years (the last five consecutive); and Lee Satterthwaite, three-year-old brother of Duane Satterthwaite, and Douglas and Richard Schneider, each with two years to their credit at St. Paul's Sunday school. The Schneider twins, Douglas and Richard, and their brother, Lloyd, also had perfect attendance records the past two years in Maryland where they lived while their father was in the service.

Attendance pins will be awarded those having one year of perfect attendance; those with two-year records will be given wreaths to attach to their pins, and the others will be presented with bars to attach to their pins, each denoting the proper number of years of perfect attendance.

An interesting fact noted was that one entire class had perfect attendance for the whole year of 1950. This is the class of boys taught by Rev. W. G. Grabow, which includes David Bertke, Douglas and Richard Schneider, Earl and Dean Guenther and Bruce Peabody.

Officers elected for the year to direct the activities of the Congregational church were elected at the annual meeting held Thursday evening following a supper served by the Woman's Fellowship of the church.

Officers elected are: Vernon Parks, Walfrid Impola and Mrs. Elton K. Musbach, trustees for three years; David Beach, Thomas Holmes and Edwin Dickelman, deacons for three years; Elwyn Beach, deacon for two years to fill the vacancy caused by the resignation of George Goodell, who moved to Dundee; Mrs. Edwin Eaton, Mrs. Harold Spaulding, Mrs. Ben Widmayer and Mrs. Stanley Beal, deaconesses for three years; Mrs. H. C. Schneider, clerk for one year; Mrs. David Beach, treasurer of benevolence for one year; Irwin Nothnagel, Sunday school superintendent; Elton K. Musbach, official tabulator; Mrs. Lawrence Wacker, Mrs. M. J. Baxter and Henry Orbring, music committee; Mrs. David Beach, Mrs. Norman Perkins and Miss Nina Belle Wurster, missionary committee; Norman Perkins, member of nominating committee for three years.

The trustees then met and elected Col. P. S. Holmes, chairman of the board; Mrs. Laura Hieber, treasurer, and Henry C. Schneider, financial secretary.

New Firemen

At the regular monthly meeting of the Chelsea Fire Department Monday evening, in the fire hall, Marvin Schiller and Donald Walz were taken on as new volunteer firemen.

Dogs Returning To Plague Kiddies on Playgrounds

Dogs are again becoming a nuisance on the school playgrounds, according to school officials. For some time after a request was made two months ago to keep dogs off the playgrounds, the dogs have returned, but for the last week or two the dogs have been back in full force.

School officials consider it a potential danger, especially to younger children, to have the dogs on the playground and they are hoping their request to keep the dogs off home will be heeded.

KIWANIS CLUB

Kiwanis, with nearly 100 per cent membership attendance, enjoyed an excellent dinner at their weekly gathering in the social center of the Methodist church Monday evening.

Many matters of importance were discussed along with the acceptance of a tentative budget for 1951.

Polio Drive Will Begin Monday

More Than 100,000 Persons Stricken in Last Three Years

The 1951 March of Dimes begins Monday in Washtenaw county and throughout the United States as a massive attack against the only epidemic disease known to man that is still on the increase—a disease that in the last three years has stricken more than 100,000 people and cost the National Foundation for Infantile Paralysis an unprecedented \$58,000,000 for patient-care alone.

Mrs. George N. Hall, County Director of the campaign, said today every phase of community life was represented among the volunteers who start the drive with the avowed intention of raising more money than ever for the fight against polio during the two weeks of the drive ending Jan. 31.

"The need confronting us," Mrs. Hall said, "is the greatest in the history of our 13-year-old battle against polio. The costs of the last three tragic polio years have left the National Foundation's epidemic aid funds exhausted.

"Many thousands of men, women and children left crippled by past epidemics depend upon the March of Dimes for a fighting chance to achieve some degree of normalcy. And we must face the inevitable outbreaks of 1951, with their unknown number of new patients."

Reviewing last year's accomplishments of the National Foundation, Mrs. Hall estimated that caring for polio patients in 1950—when well over 30,000 people were stricken—had cost the National Foundation approximately \$20,000,000, with millions in unpaid bills still remaining.

"Lend Me A Hand" is the slogan of this year's drive, symbolized by Larry McKenzie, the boy on the 1951 March of Dimes poster.

Mrs. Walter Mohrlock, 606 Taylor street, is chairman of the campaign in the Chelsea area.

Otto Paul Nill Dies in Jackson Hospital

Otto Paul Nill who had made his home here with the J. Clifford Bradburys on Jackson road for the past one and one-half years, died Tuesday evening at Foots hospital in Jackson where he had been a patient since last Friday.

Born in Michigan, Sept. 27, 1883, he was married Nov. 15, 1911 to Jessie M. Simons who preceded him in death in June, 1949. They had made their home in Jackson.

Only remaining survivors are a number of distant relatives. A son died in March, 1928, of Friends met at the C. K. Wetherby funeral parlors in Jackson until time for the services at 11 a.m. Friday. Burial will take place in Dexter.

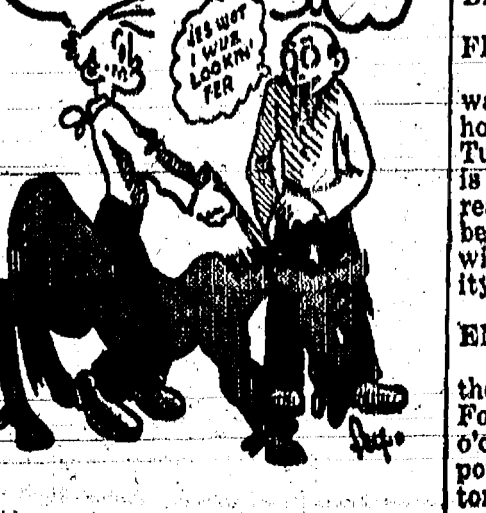

HOLIDAY DECORATION—The Nativity scene, above, painted directly on the wall in a niche between the bookshelves in the living room in the home of Dr. and Mrs. L. J. Paul was the subject of many complimentary remarks during the recent holiday season. Dr. Paul plans to paint a different scene in this space each year as part of the Christmas decorations in the house. A beautiful effect was obtained in the coloring of this year's scene. The walls of the room are pale green and the background of the picture is a darker green with the figures in soft white. Touches of gold were introduced in the halos and in the decorations on the robes of Joseph and Mary. At the base of the picture are plastic figures of angels which give interesting detail. The picture is outlined with Christmas greens and colored lights.

TOWN AND HOUSE SHOP—THIRD FLOOR
Also At The College Shop

THIS WEEK IN Washington

QUICK SENATE ACTION on the excess profits tax bills, the huge 20-billion-dollar defense appropriation, debate over the cost of living, the indictment of another Republican congressman for payroll kickbacks, contention over the GOP ouster resolutions aimed at Secretary of State Dean Acheson, all highlighted the last week of the lame duck congress as the capitol prepared to take over the new 82nd congress.

In the meantime the economic stabilization agency has set up a set of fair standards for American business and industry as a stop gap for mandatory wage and price controls until the control agencies are set with personnel to administer mandatory controls. The fair standards action is a 1951 version of the old NRA fair standards which were in effect prior to the last war. The effect is to put a limit on profits as was predicted in this column, since the rule is that manufacturers or industrial producers may not increase their prices where not dollar profits before taxes are equal to or in excess of its average net dollar profit before taxes for the period 1940-1945. Exceptions are made where actual cost of production and wages would force selling of a commodity at a loss.

In the meantime the ESA is engaged in seeking to work out an equitable arrangement over wages with the union leaders, a sort of chicken-and-the-egg dilemma.

The house passed the 3-billion-dollar civil defense measure by a vote of 247 to 1, the lone dissenter being Rep. Clare Hoffman of Michigan who said he was willing to provide protection for only steel mill blast furnaces and that was all. The measure will provide for a national air raid warning communication net, will train thousands of volunteer workers, plus some paid workers, will stockpile medical and disaster relief equipment and will build bomb shelters for at least a part of the nation's urban folk. Local units of government are expected to pay about half the costs.

Mr. and Mrs. Emery Pickett spent Sunday with Mr. and Mrs. William Landis near Stockbridge.

Of interest to farmer-operatives throughout the country is a ruling of the tax court of the United States that contributions to the National Tax Equality association are not deductible for income tax purposes. The suit brought by the Roberts Dairy company of Omaha sought relief for \$750 purposes for a donation of \$750 to NTEA which was denied. The court held that NTEA was not an educational and scientific organization as claimed by NTEA officials, but in fact was for the purpose of "carrying on propaganda, or otherwise attempting to influence legislation." One of the highlights was the testimony of Vernon Scott of Chicago, a vice-president of the NTEA, who said that since its inception NTEA "did not, to his knowledge ever urge anybody to write their congressman about anything."

The government in its brief said "Despite the denials of the petitioners' vice president and NTEA's chief administrative officer, it appears obvious that the activities of NTEA are designed to promote or influence legislation. Without doubt NTEA exists for the purpose of bringing about the removal of the tax exemptions . . . in favor of the cooperative associations which compete with petitioner and other contributing members . . ."

Sen. Arthur Vandenberg, the staunch leader of the bi-partisan foreign policy in the senate, may resign when the new congress convenes, due to his health condition. The senator had said he would be ready to take his seat on January 3. Since the election of a Democratic governor in Michigan however, there is some doubt cast over this story of resignation. Had a Republican been elected governor, the plan was for the new governor to name Senator Vandenberg's son as his successor. However, now if he resigns, a Democrat would succeed him, making the senate division 80 Democrats and 46 Republicans—instead of 49 and 47. There is little question but that the new congress will make foreign policy, both in the Far East and in Europe one of the first subjects on its agenda.

PERSONALS

LAFF OF THE WEEK

"I'm Worried About Junior — He Doesn't Seem To Give A Hoot About Anything."

BIRTHS

Born Sunday, Jan. 7, at St. Joseph's Mercy hospital, Ann Arbor, to Mr. and Mrs. Thomas Young, a daughter, Mary Elizabeth.

MICHIGAN MIRROR

(Continued from page one)

mor. After Governor Williams' trip to Washington, procurement agencies suddenly announced new contracts with auto makers to produce trucks, jeeps, shells and other military equipment.

Michigan's 1949 "three-man" grand jury law, requiring the service of three circuit court judges for indictments, has been under fire of the State Bar of Michigan and the state association of prosecuting attorneys. The new law bans granting of immunity to witnesses, a controversial feature of the old "one-man" grand jury law. The state association criticizes the new law as unworkable. During the past 18 months no three-judge jury has been in action. A committee was created by the 1950 legislature to study the matter.

CHELSEA HOMEMAKERS' EXTENSION CLUB

Ten members attended the meeting of the Chelsea Homemakers' Extension club held Monday evening, Jan. 8, at the home of Mrs. Vernon Parks.

Because the material did not arrive for the UN flag, the group planned to work on, the hostess suggested several games which were much enjoyed, and later she served refreshments.

Christmas cards and magazines for veterans' hospitals were turned in at this meeting. It was announced that the next meeting will be held Feb. 12 at the home of Mrs. Elwood Keizer. The lesson will be on salads.

Mr. and Mrs. W. B. Zogleman and children, Mike and Diane, returned Wednesday afternoon from Wichita, Kans., where they had spent the holidays with the former's parents, Mr. and Mrs. Chris Zogleman, and other relatives.
