Victors over  
Stockbridge****Last Inning Rally  
Brings 2-1 Win  
Thursday Afternoon**

By DWIGHT GADD

Chelsea High's baseballers opened their 1951 season last week on a happy note as they thumped Dexter, 10-0, behind Marty Tobin's no-hit hurling on Tuesday.

The Bulldogs, who had come from behind to nip Stockbridge, 2-1, on Thursday, Friday's tilt with Jackson St. Mary's was postponed because of inclement weather and will be played at a later date.

In the curtain raiser at the local field on Tuesday, Marty Tobin showed mid-season form as he set Dexter down hitless, facing only 22 men—one over par—as the Bulldogs notched an easy win over the Drexelites, 10-0.

The Bulldogs asked the game away in the bottom of the first as three Dexter errors, a walk, two stolen bases, a single by Don McClellan and a double by Stan Knickerbocker were good for three runs.

In the third, singles by Don McClellan, Dick Merkel, Marty Tobin, and Stan Knickerbocker, a double by George Winchester, plus a Dexter error, gave the Bulldogs five more runs for an 8-0 lead, and they added their last two in the fourth on Marty Tobin's single to make the final read, 10-0.

Tobin's near-perfect performance saw him strike-out eight batters, receive good support, as only one error occurred behind him. Not a ball was hit to the outfield and no Dexterite reached second. Of the four to get on base two were errors, one was a walk, and one was a double play, and the other died on first.

Stan Knickerbocker, Don McClellan, and Marty Tobin led the Chelsea hitters with two hits in four trips.

Murray, Nuttle (3rd), and Ormsby, Tobin and Knickerbocker.

Thursday's game had a Frank Merriville finish by the Bulldogs as they pulled the game out of the five with two out in the last half of the seventh for a 2-1 win over Stockbridge.

Buddy Johnson, on the hill for the Bulldogs, pitched good ball—striking out six, walking two, and allowing only five scattered hits—but Chelsea ran into some good lucking by two Stockbridge boys.

Barore and Myran Batdorf, to make it a close, well-played game, Stockbridge notched their lone run in the sixth on three hits and it was the only inning that they even threatened seriously. Chelsea threatened in the first, fourth, and fifth innings but all without the benefit of a hit. Bob Basore was fast—and wide—and walked enough to be in trouble, five, but he also struck out enough, nine, to get out every time. Myran Batdorf took over in the fifth, had a bad inning but kept the Bulldogs hitless, then lost the game in the last of the seventh as Chelsea came to life with three straight hits.

Ted Betts opened the seventh with a single to right and Marty Tobin, pinch-hitting for Johnson, singled to center with both runners moving up a base as the center fielder threw missed everyone in the infield. Alfred Knickerbocker "skied-out" to right but Betts was thrown out at the plate as he attempted to score after the catch. George Heydlauff walked, stole second, and then with Tobin on third and Heydlauff on second, Stan Knickerbocker, looped a Chinese letter over second and a ball game was all over as both bulls scampered home for the 2-1 win.

**Village Council Asked  
To Sell Small Strip  
of Land for School**

William G. Kolb, representing the Chelsea Agricultural school Board of Education, appeared before the Village Council at its regular meeting Monday evening.

The strip of land south of Pierce street, now owned by the Village. The strip of land was originally turned over to the Village for possible future extension of Grant street.

The time the area was subdivided, the property upon which the proposed new elementary school is to be built.

The matter was turned over to the street committee.

Forriers don't sell women's coats any more. Now they peddle 'em RFC.

**Chrysler Executive  
Talks to Chamber  
of Commerce Group**

Carl A. Peterson, Jr., assistant to the secretary of the Chrysler Corporation, spoke before the Chelsea Chamber of Commerce at its regular monthly dinner meeting in St. Paul's church hall Tuesday evening.

Answering questions of Chamber members, he said he didn't think the Chrysler proving ground would cause any great change in Chelsea as to living conditions and housing.

He said according to present plans only 25 to 200 persons will be employed there. He said the company is going forward with its plans to develop the area and a garage large enough to house four army tanks is already under construction at the west edge of the project area.

Peterson said both military and domestic equipment will be tested at the proving ground, according to the company's plan at present.

Questioned specifically about housing, Peterson pointed out that the Chrysler company has never made it a policy to build homes for its employees and that such an undertaking was not planned here.

A movie, designating advertising as "The Magic Key" to business success, was shown at the meeting.

Approximately fifty members and guests were present.

**Directors Approve  
\$1,500 Budget for  
Recreation Fund**

The Recreation Council met with the chairman, Charles Lancaster, last Thursday evening and approved a budget of \$1,500 for the summer's program. This amount provides for an enlarged swimming program which has been requested by the club and organizations.

The enlarged swimming program will require additional help for supervision for which the budget, as adopted, provides five dollars a day. The enlarged program will also require increased transportation allowance.

The Council also discussed the advisability of purchasing ligas for use in the summer activities as well as the provision of necessary athletic equipment.

Another meeting is to be held at the end of this month or early in April at which time it is hoped a decision will be reached in regard to naming a director for the summer program. Several prospects for the position are now under consideration. Council spokesmen have stated.

**Dr. William Haber  
Will Address  
Lecture Group**

Dr. William Haber of the University of Michigan will speak here Wednesday, April 25, at the Chelsea Public Library in the current lecture series. His subject is to be "Security and Freedom." The lecture begins at 8:30 p.m.

A recognized authority in the field of social security and industrial relations, Dr. Haber has also had extensive experience in the field of public administration. During the war, he served as Director of Planning for the War Manpower Commission and also as director of War Mobilization and Reconstruction.

He has been a member of the National Advisory Council on Social Security and of the Michigan Unemployment Compensation Commission. As State Relief Administrator from 1933 to 1937, he was responsible for the administration of the emergency relief for Michigan.

As Executive Director of the National Refugee Service in 1939-41, Dr. Haber has also had a major responsibility in connection with the immigration of refugees.

Dr. Haber has been professor of economics at the University of Michigan since 1936, having come to the University from the faculty of Michigan State College.

At the convention Monday the Federation passed a resolution supporting the Atlantic Union Committee Resolution which members believe will be before Congress within the next few weeks. Women at the convention signed individual and joint petitions, one of the first to sign being Mrs. Mary Markley, of Ann Arbor, who is 87 years old. Mrs. Markley was instrumental in organizing the Washtenaw county Federation of Women's Clubs which held its first meeting in Ypsilanti May 24, 1916. At that time Mrs. Markley was president of the Woman's club of Ann Arbor.

Mrs. Joseph Kangery, of Ironwood, Mich., president of the Federation of Women's Clubs, sent a message extending best wishes for a successful convention.

One hundred women attended the luncheon which was served at 12:15 by members of St. Mary's Altar Society of which Mrs. Wainwright is president. Mrs. Carl Lentz was the chairman of the Altar Society committee in charge of the luncheon.

Thirty-five candles and the notation "55th Birthday" in yellow icing decorated the large birthday cake which centered the table.

Mrs. Markley, founder of the county Federation of Women's Clubs, celebrated her 87th birthday at this time and tributes to past presidents of the organization were offered. Past presidents who attended the convention were Mrs. Ruth B. Buchanan of Ann Arbor (1928-30);

Mrs. Naomi Aird, of Ypsilanti, and Mrs. Dalton Bishop of Dexter, drafted the courtesy resolutions and Mrs. John Alber, of Chelsea, reported for the registration committee.

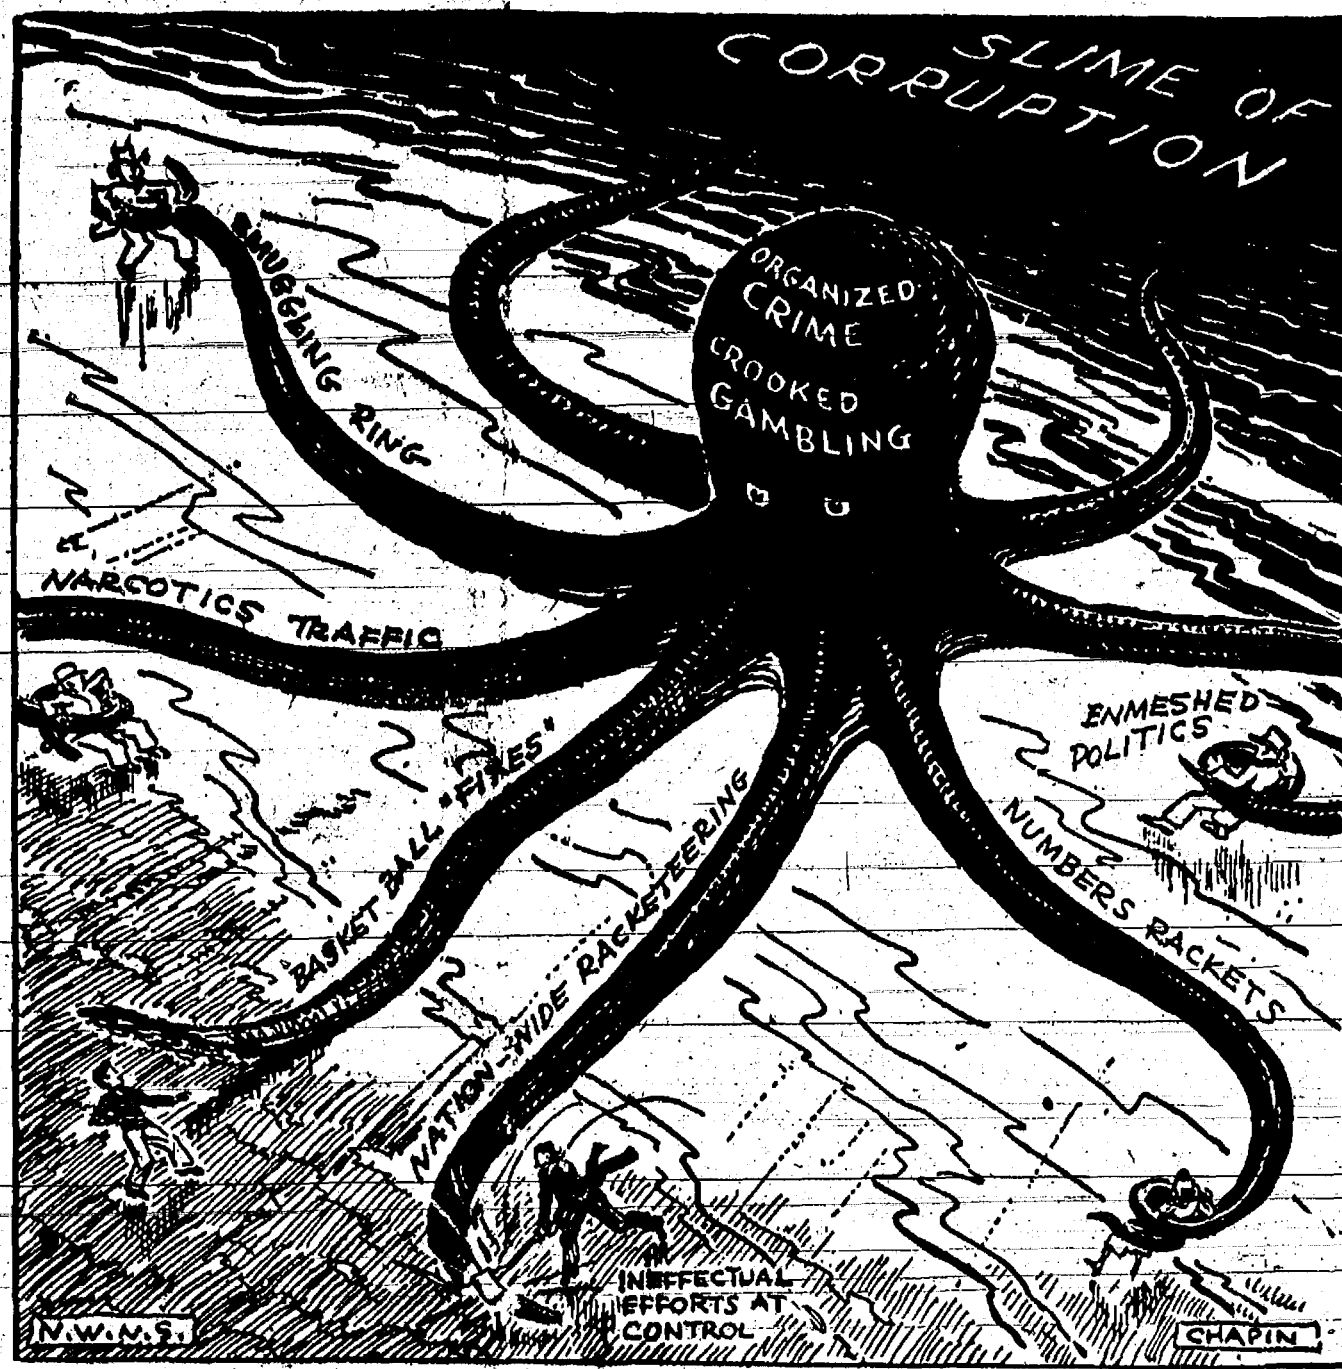

Hugh Sorensen was awarded a certificate of achievement in photography at the Michigan Press Photography Conference at Michigan State College last Saturday.

Certificates for best of show pictures were presented at a special luncheon at 1 p.m. by William K. Cumming, Jr., conference director and instructor in photography at MSC. More than 225 pictures from 49 photographers were entered in the competition.

Sorensen was one of 21 press photographers from the entire state to receive an award. He entered the competition as the Chelsea Standard's photographer. Competing for the coveted awards were photographers from many of the largest city dailies in the state.

With reports still incomplete, Washtenaw county Red Cross drive for funds has gone over the top with a total of \$57,430, according to a report by Joseph Hooper, chairman of the drive. The county's quota was \$59,880. Chelsea has reported \$1,998 with a quota of \$1,850.

RED CROSS DIRECTOR QUILTS  
Announcement of the resignation of Mrs. Merle T. Mallin as Executive Secretary of the Washtenaw county Red Cross has been made by Cecil O. Cress, chairman of the County Red Cross Board of Directors. Mrs. Mallin's resignation will become effective July 1.

**THE OCTOPUS****Mrs. Osborn Pleads  
for Atlantic Union**

Speaking at the 35th anniversary convention of the Washtenaw county Federation of Women's Clubs held in St. Mary's school here Monday, Mrs. Chase S. Osborn of Sault Ste. Marie, wife of the late Governor Osborn, spoke on the Atlantic Union Resolution.

"In March 1949," Mrs. Osborn stated in her address, "the Atlantic Union Resolution was launched in Congress. This resolution asks the president to invite the signers of the Atlantic Pact to meet in a federal convention to explore the possibility of a Union of the peoples in the Atlantic Pact countries."

Mrs. Osborn continued, "Treaties cannot work. Atlantic Union can. In April, 1951, more than 120 members of both Houses of Congress are supporting the Atlantic Union Resolution. Four members of the Senate Foreign Relations Committee favor it. The senator who introduced it and has been fighting for it since, is Senator Estes Kefauver, a few months ago not so well known, but now, almost overnight, a national figure."

Mrs. Osborn said that Senator Kefauver specifically named the Atlantic Union as one of "the important issues that require his attention" at the time he insisted on turning the crime investigation over to a commission. Mrs. Osborn stated that the Atlantic Union will launch another drive to get the Atlantic Union Resolution out of sub-committee to the floor of Congress. She said Washtenaw county has two members on the Council of the Atlantic Union Committee: Professor Frank W. Sloan of the history department of the University of Michigan, and Dr. Warner G. Rice, chairman of the English department and director of the U. of M. Library.

At the convention Monday the Federation passed a resolution supporting the Atlantic Union Committee Resolution which members believe will be before Congress within the next few weeks. **Gerald Lehmann  
Awarded MSC  
Study Scholarship**

Gerald A. Lehmann, valedictorian of the class of 1951 at Chelsea High school, has been awarded a scholarship at Michigan State College, according to an announcement made by Mrs. Alfred Kuhl, chairman of the Michigan State College scholarship committee. A total of 406 scholarships have been awarded by the college for the 1951-52 year; it was stated.

The grants are awarded on basis of an honor scholarship, average financial need and good extra-curricular activities in high school. The scholarships cover total course fees at Michigan State for one year, although they may be renewed for a total of four years if the student maintains a high scholastic average, Prof. Clark said.

Gerald, who will be 18 years old on May 22, has attended the Chelsea Public school from the kindergarten through elementary and high school grades. Extra-curricular activities in high school included football, basketball and baseball as well as participation in the Junior play and Chorus and membership in the Latin club, Hi-Y and Journalism club.

He plans to take courses which will prepare him for teaching mathematics and science.

The day's program included a singing led by Mrs. Breakley at the piano, a solo by Mrs. Woodrow Griffith, of Chelsea, opening prayer by Mrs. Lawrence Ward of Milan annual reports of officers; roll call of federated clubs and reports of activities of each club during the last year. Of the 32 clubs in the organization 29 gave reports.

The Chelsea Child Study club was the hostess group for the convention. The president of the club, Mrs. Lawton Steger, welcomed the Federation and extended greetings from the local club. Mrs. Charles Kern, of Saline, responded for the convention.

Mrs. Naomi Aird, of Ypsilanti, and Mrs. Dalton Bishop of Dexter, drafted the courtesy resolutions and Mrs. John Alber, of Chelsea, reported for the registration committee.

Construction Started on N. Main St. Bridge

The Price Construction Co. of Lansing, which was awarded the contract for building the new bridge at the North Main street entrance to the village, began work here Friday. The first activity noted was when the huge shovel passed through town Thursday. Dredging for re-location of the creek channel was begun on Friday.

The beginning of operations at the bridge location was welcomed by residents as the community as an indication that the long-sought bridge at this point is to become a reality before the year is out.

## Ann Arbor Scout Leader Will Attend World Jamboree in Austrian Alps

The Portage Trails Council, Boy Scouts of America, has announced that Daniel S. Ling of Ann Arbor, will attend the Seventh World Jamboree to be held in Salzburg, Austria. He will be one of 1,000 Scouts and Leaders of the United States, who will sail from New York on July 13. There will be eight teams in the jamboree, before the jamboree in Austria, then five more days of sightseeing in Europe before sailing from Cherbourg on August 19 on the S. S. Brazil. They will arrive in New York August 28.

Scout officials estimate that there will be 17,000 Scouts from 40 different countries camping together in the United States Zone of Occupation in the Austrian Alps, known as the Salzammergut. This will be the 17th World Brotherhood Jamboree.

The 1,000 Scouts and Leaders of the United States will be divided into Troops and Patrols and Mr. Ling will serve as one of the Troop Leaders. He started in Scouting in 1937 and has been very active ever since, and in the opinion of Scout officials, is well-qualified to act in that capacity.

## March of Dimes County Drive Tops Last Year's Total

Washtenaw county's 1951 March of Dimes which is held each year to raise funds for the National Foundation for Infantile Paralysis, was an outstanding success. Mrs. Robert Langford of Ann Arbor, Chapter Chairman, reported to day.

Mrs. Langford said the generous support given the March of Dimes this year resulted in the collection of \$25,009.12, to date. Last year, the chapter raised \$19,802.92 in this county.

"Every dime and every dollar received is needed to pay hospital and medical bills of those stricken by this crippling disease during the past three epidemic years."

Mrs. Langford said the generous support given the March of Dimes this year resulted in the collection of \$25,009.12, to date. Last year, the chapter raised \$19,802.92 in this county.

Fifty per cent of March of Dimes funds are retained by local chapters for paying medical and hospital costs of polio patients. The balance is sent to the National Foundation and used for research, education, training of personnel and for furnishing epidemic aid to chapters whose local treasuries become exhausted.

## Report Cancer Funds Drive Being Well Received

James L'Angelle, of Ypsilanti, Washtenaw county campaign chairman of the fund-raising drive of the American Cancer Society, asserted that the reception accorded Washtenaw County's army of volunteers in the combined education and fund-raising campaign to date indicates that the public is becoming more aware of the fact that cancer is a real "killer." More than ever, people are conscious that science must be given all possible financial aid in its search for the cause of cancer and its positive cure.

"None of us can be sure that cancer won't strike our own household—possibly ourselves. The cancer control crusade is everybody's crusade. When we contribute dollar annuities to the scientists we are purchasing protection for ourselves and for those we love," L'Angelle stated.

A film, "Breasts—Self Examination," was to be shown at Chelsea High school last night to the women's groups of the community. This film was made by the American Cancer Society in conjunction with the National Cancer Institute of the U. S. Public Health Service.

Mrs. Ren Hutzler is chairman for Chelsea of the Washtenaw County Unit. George L. Ennen is president of the Washtenaw County Unit and Mrs. William Heister of Ypsilanti is Co-Commander and publicity chairman for the Cancer Crusade for 1951. "Strike back at cancer—before it strikes you," she generously to the American Cancer Society and support its 1951 campaign.

**VFW AUXILIARY**  
Seventeen guests and twenty-five members were present Monday evening at the installation of officers of the VFW Auxiliary here. Fifteen of the guests were from Graf-O'Hara Auxiliary, Ann Arbor. Mrs. Augusta White, of Ann Arbor, a past department president, was the installing officer. Mrs. Carl Lentz, the outgoing president, was presented with a past president's pin and with a life membership in the National Home at Eaton Rapids.

Officers installed Monday are: Ann Werner, president; Eulalee Packard, senior vice-president; Bernice Schneider, junior vice-president; Dorothy Lentz, secretary; Ruth Hutzler, treasurer; Mary Ritter, conductor; Mary Kniss, chaplain; Alda Juergens, guard; Birdie Chaplin, trustee, two years; Loretta Doll, trustee, three years; Ruth Perkins, flag bearer; Muriel Wheeler, banner bearer; Vera Helm, patriotic instructor; Mary Ritter, historian; Magdalen Weber, musician; Myrtle Price, assistant musician; Cleotia Frayer, Sally Weiss, Gertrude O'Dell and Estella Light, color bearers one, two, three and four, respectively.

Following the installation, refreshments were served by a committee headed by Mrs. Magdalen Weber as chairman and Mrs. Lynn Main was awarded the door prize.

**SYLVAN FARM BUREAU**  
Mr. and Mrs. Reuben Leaser, Mr. and Mrs. Roy Miller and Mr. and Mrs. N. H. Miles entertained the Sylvan Farm Bureau at a meeting held at the J. V. Burg home Friday evening, April 18. There was an exceptionally fine attendance. Two new members were accepted at this meeting—Ed Green and Carl Heydlauf.

Irwin Pidd, of Dexter, insurance chairman, explained a new insurance plan to the group and this was followed by two short movie comedies supplied by Stanley Beal and shown by a representative of the Detroit Edison company.

Mrs. Walter Wolfgram gave a brief report of a recent meeting of Farm Bureau discussion leaders with State Representatives Joseph Warner and Lewis Christman. Cards were the entertainment for the remainder of the evening and a lunch was served by the three hostesses.

Mrs. L. P. Vogel was an overnight guest Tuesday at the home of her daughters, Mrs. Margaret Mallek and Miss Erma Graber, in Detroit.

**COMMITTEE MEMBER**  
Kalamazoo—Mary Gage, of Chelsea, was a member of the committee in charge of arrangements for the annual "Bosses' Night" dinner given by office and retail tradesmen in the Business Studies department of Western Michigan College which was attended by 125 persons. The dinner, given last Wednesday evening, was sponsored by students doing practical work in offices and retail establishments in the city in connection with their campus work.

## THIS WEEK—Washington

AFTER A HIATUS in the proceedings of its many "side show" investigating committees, the congress appeared ready to get down to some real work on vital legislation affecting the welfare of the entire nation.

In the meantime the "great debate" on troops to Europe drone on in the senate, and before the issue came to a vote, about as many resolutions and amendments to proposed resolutions had been introduced as there are senators in the chamber.

Democratic leaders in Washington are pretty low in spirits as a result of the recent probes because of the fact that the crime investigation had shown a link between the mob leaders and political machines in the larger cities, mostly Democratic. On the other hand the Republicans were exultant and were bending every effort to have the probe of crime and the RFO continued indefinitely for political purposes.

Some political footnotes which are considered indicative by sage observers here include: for the first time in three years post office patronage has been restored to Mississippi congressmen; Gov. James F. Byrnes of South Carolina has announced he would not seek the presidency on a states right or any other ticket in 1952; the Democratic party in Kansas City, under the first time in 10 years, failed in an attempt to win the mayoralty election March 27; the attorney general of New Hampshire announced he would check campaign funds of Senator Charles W. Tobey of that state, a result of the charge made by former Mayor O'Dwyer of New York before the Kefauver committee in New York (the former New York mayor charged Senator Tobey did not know the source of his own campaign funds); the Democratic national committee plans a resurgence of activity in the upcoming Jackson day dinners and the word is that President Truman is planning a stiff special message to the congress.

In spite of the halt in the two big probes, others are up-coming. Slated for immediate action are hearings on the rubber program before a senate small business committee; hearings over defense mobilization officials' handling of the congress.

the tax amortization feature for plant expansion in the defense production act of 1950; probe of aluminum production and allocation; probe into conditions surrounding an air force base at Sampson, N.Y., at Camp Pickett, Va., and at Ft. Jackson, S.C.; probe of the New York, New Haven and Hartford Railroad; a mining house-subcommittee on production of critical minerals and metals; hearings on the two-year railway labor dispute which has brought about two strikes; the Tideland Oil question; and the unending un-American activities committee probes.

The house and senate have both passed the bill to authorize planting of more peanuts, a big crop in the south, in 1951, than the present marketing quota, but the bill is now stalled and sidetracked, since the house has refused to accept senate amendments to the measure. Although Congressman Harold Cooley, North Carolina, tried to get the house to accept the bill as amended, saying it was better than none at all, the members voted him down.

*You'll be SINGING IN THE RAIN*

What's more fun than a pleasant, pelting shower of just-right hot water—especially when you are tired or nervous. How the spirits lift—how the old fatigue rolls off. No wonder, when the shower's going, you can hear Pop and Mom and even the kids singin' in the rain.

Why not TODAY replace your old fashioned water heater with a new automatic GAS water heater that will give your whole family all the hot water they want all the time night and day. You WALK LESS—WAIT LESS—WORK LESS when you have Instant Hot Water. And remember—a GAS automatic water heater costs less to buy, less to install, and less to operate than any other automatic type.

**INSTANT HOT WATER**

You can enjoy automatic hot water two whole years while completing payments in small monthly amounts. See your plumber, dealer or the Gas Company.

## CARD OF THANKS

I wish to express my thanks and deep appreciation to my relatives, friends, and neighbors for their many acts of kindness and thoughtful messages of good cheer during my stay in the hospital and since my return home.

To the Chas. W. Seay, F.O.E. Auxiliary, the Psychics, Sisters and members and friends of the Congregational church, for the beautiful flowers and messages. Mrs. Rex-Miller.

## CARD OF THANKS

I wish in this way to extend my thanks to the Women's Guild, Rev. Grabowski, friends, and relatives for cards, flowers and all the kindness shown me during my stay at St. Joseph's Mercy Hospital in Ann Arbor. Hilda W. Gross.

## Need Skilled Know-How

When it is desired to have a piece of fine furniture refinished because of serious scars it has received, it is usually wise to have the work done by a skilled furniture repairman and finisher.

## "Baby-Proofing" Cupboards

Little children will be less likely to get into mischief in cupboards and medicine chests if a strip of cellophane tape is used to seal the doors. This also is effective against tiny prying fingers on chests of drawers.

## Kiwanis Club Shown World Series Movies

Charles Cameron was in charge of the program at the Kiwanis club meeting Monday evening. With Richard Schneider operating the projector he showed movies of the 1950 baseball world series. H. T. Moore gave a report of the meeting held in Port Huron last week in honor of Frank Stager, secretary of the Michigan District of Kiwanis International, on the occasion of his retirement as mayor of Port Huron. Representatives from the Chelsea club at the meeting were Mr. and Mrs. Moore and Mr. and Mrs. P. F. Niehaus.

If you're wondering who are the stars on television these days, here's your answer. The "actors" who are getting the biggest reception come from here, there and everywhere. They come from Senate Investigating Committees. They come from the Underworld. They come from churches. They work in factories and in big industry. They're school teachers, nurses, doctors and even barbers. And television is candidly catching Mr. and Mrs. John Q. Public at the bus stop, in the privacy of daily living. It's exciting and interesting to every person who owns a TV set. You'd never believe such drama existed in a steel mill, or in a court room, or in the daily run of living — unless you couldn't see it with your own eyes. TV catches and dramatizes it all. It's drama that you can't afford to miss — brought comfortably and conveniently into your home by the all-seeing eye of TELEVISION.

In order to get the kind of television set and the model you prefer — it's a good idea to CHOOSE RIGHT NOW. Prices will soon go up due to increased taxes. And supplies will be going down due to material shortages. Come in and select your set from our leading lines. You will find the model you want. And you will be able to get the kind of service to assure you of long-range satisfaction. It is guaranteed at CHELSEA APPLIANCES, Television Headquarters, 115 Park St. Phone 3063.

**Marshall Islands**  
The Marshalls, probably visited by Saavedra in 1529, take their name from the British captain who, with Gilbert, explored the southern atolls in 1788. Japan, as Great Britain's ally, ended a three-decade German tenure at the start of World War I, and was assigned to administer the group for the League of Nations in 1920. They are now wards of the United States under United Nations trusteeship.

## THE CENTRAL IDEA

Things you'd like to know about your Railroad

Your Railroad's 125<sup>th</sup> Birthday

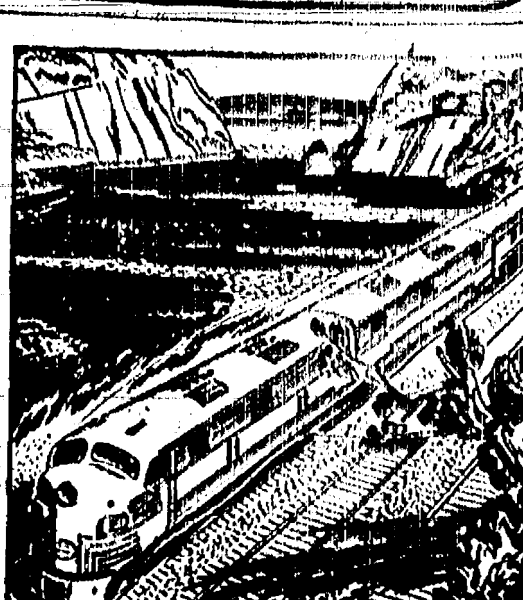

SQUIRE WITH A DREAM was George William Featherstonhaugh. On April 17th, 1826, . . . brief months after Britain launched the world's first steam train . . . he won for a railroad between Schenectady and Albany . . . the start of New York Central!

FIVE YEARS LATER, that pioneering dream came true. The 16-mile Mohawk & Hudson Rail Road was complete. And its first locomotive . . . the American-built DeWitt Clinton . . . pulled a trainload of notables over the line, showering them liberally with sparks all the way!

PIONEERING AGAIN, in the 1890's, Central explored new realms of speed and luxury. Its Empire State Express, with Engine 999, set a world's record of 112 1/2 miles an hour. And the Exposition Flyer was the first to link New York and Chicago on a regular, twenty-hour schedule.

THE NEW in New York Central brings the story up to date. Miles of streamlined coaches and all-room Pullmans. Smooth new Diesel-electric power. A fleet of 68,000 new freight cars. A multimillion-dollar program to keep your Railroad 125 years young! For that is the CENTRAL IDEA.

## Report from Washington

By Congressman George Meader

Washington, D. C., April 18, 1951.—The dismissal of General MacArthur by President Truman has brought home to the Congress its unmistakable responsibility in the development and announcement of a clear-cut American foreign policy.

The shock to the people of the United States and to the entire world from the President's removal of a great general has intensified and brought into sharp focus the feeling of insecurity and doubt existing in the minds of our people with respect to the purpose and direction of our foreign policy.

If ever there has been any subject on which the Congress and the people need to have the facts and the best thinking of the country, it is with respect to our military and foreign policy during these chaotic days.

The means for obtaining these facts and for bringing factually-

supported thinking to bear on this problem is the investigative power of the Congress. The employment of this remedy has been presented in the resolution adopted by the Policy Committee of the Republican Party and the Republican Conference of the House, urging that the Congress conduct an investigation of our military and foreign policy.

Such an investigation is long overdue. It is vital to the future course of this nation and to the promotion of peace and stability in the entire world.

This investigation must be conducted open-mindedly. There must be no preconceived conclusions, prejudices or prepossessions. There must be a complete absence of recrimination or reproval.

It must, however, be conducted in a penetrating, incisive, forthright and forceful manner. The Congressional committee conducting such an investigation must have only one goal—the interest of a free society under free institutions of Government.

It must have but one guide—the truth. An investigation conducted by politically-minded Representatives and Senators, seeking primarily to put the opposing party in a bad light, could only add to the confusion and division among our people and the peoples of the world.

It is time we got down to bedrock and placed the interests of this country and of the people of the world above the fortunes of any political party.

There can be no question of President Truman's authority to relieve General MacArthur. The President is Commander-in-Chief of the Armed Forces of the United States, and the United Nations has delegated similar power to him over the United Nations forces in the Korean conflict.

One question not so easily answered is whether General MacArthur has been guilty of insubordination. A clear line of demarcation exists, I feel, between disobedience to a superior's order involving military action and submission to censorship.

The disagreement, not only among the members of the Congress and others in official Washington, but also among the people throughout the country, concerns the wisdom of the President's action.

The removal of General MacArthur is a symptom of weakness. The violent, spontaneous reaction to his removal reflects the lack of a clearly-defined foreign policy. If our foreign policy had been clear, and had been understood, and had been supported by the American people, this explosive reaction would not have occurred.

Our foreign activities long have deserved more intensive attention by the Congress. The Foreign Affairs Committee of the House and the Foreign Relations Committee of the Senate should have conducted continuous and penetrating exploration of all aspects of our government's dealings outside our borders, which in recent decades have come to assume a rapidly-increasing proportion in our total national life.

If the Congress now makes intensive studies of our foreign affairs and helps evolve an intelligent and effective foreign policy, the MacArthur episode may be turned from disaster to a force for permanent progress in our international affairs.

Regardless of past mistakes, the need now is to press forward with a determined and high-minded decision to ascertain the basic facts and principles upon which a long-range, sound policy for this country in its relations with the rest of the world can be established.

Morenci—My wife tells me every so often how crummy I look. Dirty clothes, no necktie, etc.

Last week I found the perfect answer for the no necktie commitment.

In a small town in California, a country editor was wearing a necktie. He was also working late all by himself, as I often have done.

Wham! His necktie caught in the press and it was all over. He strangled to death.

None of that stuff for me. No necktie!

Rochester—In one of the finest demonstrations of enthusiasm and welcome ever accorded an honored guest in Rochester, the people of this area turned out in hundreds on Saturday evening to attend the old-fashioned square dance at the high school and to welcome Governor and Mrs. Williams in a royal fashion.

Not only did the Governor stun

the skeptics by arriving, he dumbfounded and upset the police and others by ARRIVING ON TIME.

He was met by a special group at the Clinton River at ten p.m. — the appointed time — and picked up his escort and arrived at the school only three minutes later.

The dance was sponsored by the Women's Relief Corps to raise funds for the group's work for the benefit of veterans and for a nurses' scholarship fund. Mrs. Geo-

## Peach growers profit from new, hardy, early-ripening variety

Peach growers who long have wanted an early-ripening fruit that would ship well are profiting from the new Fairhaven peach. This variety is the fourth peach developed at the South Haven station of the Agricultural Experiment Station of Michigan State College. It is designed for the market period after Redhaven but before Halehaven, Kalhaven and South Haven. The new Fairhaven features a hardy bud that is resistant to cold and fog, and a fruit that is firm and ships exceptionally well. When ripe, it is freestone. Growers interested in a sturdy, early-ripening peach can get further information by calling, writing or visiting their County Agricultural Agent.

### Plow Speeds Farm Telephone Service

A specially designed plow is used to bury wire along roadsides for telephone service in rural areas where this type of construction is less expensive than building lines on poles. The plow leaves no trench, buries the wire in a single operation. This is another example of telephone efficiency working for you . . . speeding construction of more rural telephone facilities, and helping to keep cost of service low. It's one of the reasons why the proportion of farmers with telephones in Michigan is among the highest in the nation.

"Is It too late, Doctor?"

Fortunately, it's not too late for more and more Americans who are going to their doctors in time . . . at the first sign of any one of the seven danger signals which may mean cancer: (1) any sore that does not heal (2) a lump or thickening, in the breast or elsewhere (3) unusual bleeding or discharge (4) any change in a wart or mole (5) persistent indigestion or difficulty in swallowing (6) persistent hoarseness or cough (7) any change in normal bowel habits.

By showing Americans what they can do to protect themselves and their families against cancer, the American Cancer Society is saving thousands of lives today. By supporting science and medicine in the search for the causes and cures of cancer, the Society hopes to save countless more tomorrow. ### Not Guilty Plea Made for Mrs. Tucci in Circuit Court Case

Mrs. Marjorie Tucci stood mute in Circuit Court, Ann Arbor, Monday afternoon on the hearing on a charge of leaving the scene of a personal injury accident and a plea of not guilty was entered for her by her attorney, John P. Keusch.

Bond was set at \$500 and Friday, July 13, at 9 a.m., was set as the time for her case to be tried.

The charges were placed against Mrs. Tucci following an accident in which Mrs. Irene Oesterle was injured when she was struck by a car reportedly driven by Mrs. Tucci. The accident took place on South Main street just outside the village limits about 11:30 p.m. Saturday, March 31.

### All Townships Wish To Match Funds for Road Improvement

Supt.-Mgr. Howard Minier, of the Washtenaw county Road Commission, said this week that all townships in the county have now indicated either by letter or telephone that they wish to participate in the county's plan whereby townships match the amount provided by the county for road improvement within the various townships. The county has provided \$40,000 for this purpose. The dollar for dollar matching of funds by the townships will provide an \$80,000 improvement program for roads in Washtenaw county this year.

Township board meetings will now be held, Minier said, to determine the work to be done in their respective townships and the estimated cost of the road improvements planned.

Weight restrictions were still in force in the county Monday night. Minier had hoped the roads would be sufficiently settled so the restrictions could be lifted last week but weather conditions proved unfavorable. Speed limits of 35-miles an hour are still in force for truck traffic yesterday.

### LAFAYETTE GRANGE

Born Tuesday, April 17, at St. Joseph's Mercy hospital, Ann Arbor, to Mr. and Mrs. Alvin Schiller, a daughter.

Born Sunday, April 15, to Mr. and Mrs. David S. Winans, at Mercy hospital, Jackson, a daughter, Deborah Lee.

The present investigation of racketeers reminds one of the bank cashier who ran off with \$50,000, stole his best friend's girl—and the only concern the people had was over who was going to teach his Sunday school class.

### NEW BOOKS

"THE RIDDLE OF MacARTHUR"  
By Gunther  
John Gunther went to Japan shortly before the outbreak of the Korean war, to find out what was truth and what was fiction in this legendary figure. Get this brand-new book at the
