It's politics and football time again, with football having the edge in news play throughout Michigan. Politics we always have. Football only in the fall.

Currently pre-campaign campaigns are in progress. Democrats are calling Republicans do-nothings. Republicans admit Democrats have done things, but cry "we don't like it."

Policy committees have been active. G.O.P. again is aiming at a unified policy which will preclude any split in voter ranks. Democrats are banking, apparently, on labor and recent welfare legislation to supply the impetus for Gov. Williams campaign.

Toughest row to hoe is that of Sen. Blair Moody. In office only six months he faces a rough and tough election. He's been in Michigan so much lately he and Williams are referred to as the "Toni twins."

One columnist takes exception at the constant political jockeying. He says: "An office is inaugurated at noon, rearranges the office furniture, appoints a deputy and secretary and that night is campaigning for re-election at a cold roast beef and greasy gravy dinner. The poor voter just doesn't get a rest."

President Truman has asked Michigan Democrats to keep him posted on developments in the senatorial race for Moody's newly-acquired seat. G.O.P. leaders nationally are keeping in contact with state leaders to see if any progress is being made toward recapturing the seat held for more than three decades by Republicans.

Edward W. Frey, state's new election director, hopes to use television to educate city dwellers on the proper marking of ballots and to encourage "watch the ballot" election such as we had last year. Election workers also will attend instruction schools. Catch: A lot of voters don't have TV sets.

The polo season has passed its peak. Paralysis has been about one-fourth what it was last year.

More than 6 million dollars have been collected under the reform highway legislation. The new law requires counties to use 75 per cent of their share for maintenance and construction of primary roads, 25 per cent for local roads. State's share is \$2,295,261.

Truck output in Michigan still is climbing to new records. Passenger car production has been hit by shortages, but trucks are making 1,400,000 before the year is out.

The Little River has been added to the ever-expanding hunting territory of the lamprey eel. A 28-inch eel was taken from the river. Devotee lake with the usual deep-sea, showing death was caused by a lamprey.

Fishing law violators in July paid \$6,799 in fines and spent 170 days in jail. There were 890 conservation law infractions, 294 involving fishing regulations.

Controller Robert F. Steadman has asked the civil service commission if it is contemplating a pay raise to state employees. Last year the CSC set Steadman's budget plans by granting sweeping raises after he had prepared the budget. The commission has a "moral responsibility" to cooperate, he says.

General MacArthur may address the Michigan legislature. In reply to an invitation MacArthur said "it would be a great honor indeed... but the time of the regular session is so distant it would be impossible to make any definite commitment."

Nothing can stop a public relations man. J. R. Ferren, Washington, D. C., walked right through a plate glass window next to the main entrance of the Lansing State Journal building. Ferren, in charge of public relations for the Senate Day Advertising Agency at Grand Lodge, delivered his releases, then walked out the door to go to the hospital to have five stitches taken in a cut wrist.

Altar Society Names  
Officers for New Year

The first fall meeting of St. Mary's Altar Society was held Wednesday evening, Sept. 6 at the school hall with 87 members attending. The annual reports of various committees were read, followed by election of officers. The new officers are as follows: president, Mrs. G. L. Staffan; first vice-president, Mrs. Glen Hansen; second vice-president, Mrs. Joseph LaPan; secretary, Mrs. John L. O'Hara; treasurer, Mrs. Kathleen Hatt; historian, Mrs. Albert Doll; parliamentarian, Mrs. R. J. Lonswey; executive committee, Mrs. John Kusch, Mrs. Carl Riegger, Mrs. Joseph Haver.

Notice was given of the Quarterly meeting of the Southwestern Denominational Synod, Sept. 23 at 2:30 p.m. Refreshments were served at the close of the meeting with Mrs. William Weber acting as chairman of the committee in charge.

## Auto Fire on US-12

A gasoline leak on a rented car driven by Robert Richards of Detroit, set the car afire on US-12 near here about 5:45 p.m. Thursday. The fire was extinguished before the Chelsea Fire department arrived on the scene, minutes after the alarm was sounded.

Chelsea Chamber  
of Commerce To  
Meet Tuesday

All merchants in the community, whether they are members of the Chamber of Commerce or not, are being urged to attend the first meeting of the fall season which will be held Tuesday evening, Sept. 18, in St. Paul's church hall. Principal business of the evening will be a general discussion of plans for the Chelsea Community Fair. Tickets for the dinner, to be served at 7 p.m., may be obtained by contacting Howard Flintoft, president of the Chamber of Commerce.

This is the only regular meeting of the Chamber of Commerce before the fair opens October 3 and many matters of special interest to Chelsea merchants will be brought up at the meeting.

Kindergarten  
Enrollment  
Now Totals 73

Enrollment at the Chelsea Agricultural school, as tabulated the first of the week, lists a total of 715 pupils. This figure will need to be revised later as pupils are still being registered. The present figure is an increase of 19 over last year's enrollment.

Figures for the various elementary grades are as follows: Kindergarten 73; First grade 59; Second grade 50; Third grade 59; Fourth grade 50; Fifth grade 42; Sixth grade 53.

Total for elementary grades is 386. The kindergarten figure is an increase of 20 over the 1950 enrollment. The group is divided into morning and afternoon sessions.

The elementary grades are all divided into two sessions as follows: Kindergarten 34 and 39; Second grade 26 (Sylvan Center school) and 24 (Savage School); Third grade 32 (Klemmenschneider school) and 27 (Pumpkin College); Fourth grade 28 and 22; Fifth grade 24 and 18; Sixth grade 27 and 26.

The unequal number in the sections of some of the grades is the result of unequal sizes of the rooms in which the sections are located, the larger rooms having the larger number of pupils. The division of pupils is such that there are no overloaded classes this year.

Kindergarten enrollment is 73; First grade 59; Second grade 50; Third grade 59; Fourth grade 50; Fifth grade 42; Sixth grade 53.

Total high school enrollment is 329.

Haists Show  
Champion  
Ewe at Fair

Washtenaw county folks figured very prominently in the State Sheep Shearing Contest and the Wool Show held at the Michigan State Fair.

Champion sheep shearer for 1951 is Lowell Rothen of Ann Arbor. Lowell won both the preliminary and final contests from a field of 13 contestants. This is the largest number to take part in the contest in recent years.

Clifford Bohne, Grass Lake, was runner-up in the contest, followed by James Woodward, Clinton, and Allan Fairbank, Manchester.

Glenn Feldkamp, Manchester, won second in the Sweepstakes contest, open only to former state champions, and Robert Kirk, Manchester, was fifth. Feldkamp was state champion in 1946 and Kirk in 1946.

Theo Uphaus, Manchester, 72-year-old former sheep shearer, won first place in the blade shearing contest.

George Haist and son of Chelsea exhibited the Grand Champion fleece in the Wool Show. It was a Black Top Delaine ewe fleece. This award is almost a perennial one for the Haist family. They also had the first place Black Top ram fleece, the first and second Delaine market fleeces and the first and second quarter blood market fleeces. Doris Haist won the Corriedale ram and ewe fleece classes.

Barbara Kuhl, Manchester, exhibited the first prize Suffolk ewe fleece and F. J. Grossman, Manchester, won both the half blood and three-eighths blood market wool classes.

Needless to say, Washtenaw county won first place in the county wool exhibit.

OLDEST CHELSEA RESIDENT OBSERVES 87th BIRTHDAY. Samuel F. O'Brien celebrated his 87th birthday Tuesday, Sept. 11.

Mr. Guthrie, who is in good health and takes interest in daily events, received numerous cards, and gifts and several friends called throughout the day to extend best wishes.

In the evening a dinner was served by his two daughters, Mrs. Alice Floyd and Miss Lida Guthrie. His granddaughter, Mrs. H. F. Robinson, and husband, and two great granddaughters, Judy June and Elaine, were present for the occasion.

## NEVER-ENDING BATTLE

Half of '51 OHS Grads  
Continue Their Education

Of the fifty-seven 1951 graduates of Chelsea High school, 28 have made plans to continue their education at colleges and business schools this fall or after working for a time. Of this number six will be enrolled at the University of Michigan and six at Michigan State College.

Those who plan to attend the University of M. are Ruth Eisenhart, Ted Betts, Duane Gentner, David Crocker, Stanley Knickerbocker, and Martin Tobin. Thelma Ferguson, a 1949 graduate of Chelsea High school has also enrolled at the University.

Attending Michigan State College at East Lansing will be Gerald Lehmann, Joan Schneider, Verla Mary Clark, Raymond Steinhack, Lois Eisele and Calvin Summers.

Michigan State Normal College at Ypsilanti is the choice of Mary Weinkauf and Leola Altstetter, while Western Michigan College of Education at Kalamazoo was selected by George Heydauff and Don Schrader. Buddy Johnson will attend the University of Miami at Coral Gables, Fla., and Fred Fischer will study for the ministry at Asbury College, Wilmore, Ky. Donna Noah will take up nursing training at Henry Ford hospital, Detroit.

Georgia Ann Salzgeber, Doris Vickers, Louise Walz and Phyllis Harrison have already been or soon will be attending a comptometer training school, the former three at Jackson.

Ted Slane, now employed at Argus in Ann Arbor, Claude Deatrick, employed at Dexter Machine Products; Robert Geer, who worked at a local filling station; this summer and Allan Burke now at Chelsea Products, plan to attend schools later. Kenneth Proctor, presently farming at home, plans to take a short course later at Michigan State College. Robert Gimmy, who with Duane Otto, is planning a travel agency, will attend a Detroit trade school.

Others of the class are now employed as follows: David Hoffman, U. of M. recording room; Maurine Hoffman, U. of M. Hospital office; Mary Klobuchar, Federal Screw Works office; Melvin Leach, Pleasant Lake Gas Storage plant; Kay Murphy, Chelsea Spring company time office; Carl and Donald O'Sullivan.

At the time he became interested in the new abrasive dental technique, Capt. Broesamle was stationed at the Corpus Christi naval hospital, Dr. Black, a native of Battle Creek, is a practicing dentist in the Texas city. Capt. Broesamle's association with Dr. Black resulted in his becoming proficient in the use of the new technique and for a year he taught the method to intern and post-graduate dental officers at the Naval Dental School, Bethesda, Md.

To date, 32 postgraduate officers and 22 interns have completed the course and are qualified to handle the equipment. Captain Broesamle is the only Navy dentist at Norfolk qualified to use the air-abrasive method at present.

A description of the method states that abrasive is essentially a non-mechanical means of cutting teeth while employing the use of a blasting stream of gas carrying powdered aluminum oxide as an abrasive. The system is comparable to sand blasting except that no sand is used. A fine, piercing jet of abrasive-charged carbon dioxide is directed under a pressure of 75 pounds at super-sonic speed—more than 1,000 feet per second.

Federated Womens  
Club Presidents  
To Hold Luncheon

The annual club presidents' luncheon of the Washtenaw county Federation of Women's Clubs will be held Monday, Sept. 17, at the Saline hotel in Saline, Mrs. Meredith Bixby, of Saline, president of the federation, has invited representatives of the thirty-two clubs in the federation to attend the luncheon which has been scheduled for 1 o'clock.

A board meeting of the Chelsea Child Study club, and Mrs. R. W. Riemenschneider, this year's president, are among those invited to be present. Others attending from the county will be officers and department chairmen. Mrs. Gerald Coe of Saline, in charge of luncheon reservations.

Mrs. Elsa A. Fisher, supervisor of the U. of M. Extension program for the Ann Arbor area, will speak on the subject of adult education, with special emphasis on the Extension program.

A board meeting for all officers and department chairmen will be held at the hotel at 11:30 a.m. and, following the luncheon, members will be invited to visit the Meredith marionette studios and observe the rehearsal of their new production, "The Magic Stalk."

Navy Capt. Kenneth Broesamle Gains  
Recognition for New Dental Technique

Capt. Kenneth M. Broesamle, DC, USN, who is Senior Dental Officer of the Navy's Receiving Station Dental department at Norfolk, Va., is gaining considerable public attention because of the new air-abrasive dental technique in which he is a specialist. For ten days in January, 1950, Captain Broesamle and Dr. Robert B. Black, of Corpus Christi, Tex., originator of the new technique, demonstrated the painless method of drilling teeth at the U. of M. Dental College in Ann Arbor. Recently, Capt. Broesamle demonstrated the technique on a color TV broadcast.

Capt. Broesamle is a native of Chelsea and is the son of Mrs. Minnie Broesamle, of West Middle street and the late Philip Broesamle.

At the time he became interested in the new abrasive dental technique, Capt. Broesamle was stationed at the Corpus Christi naval hospital, Dr. Black, a native of Battle Creek, is a practicing dentist in the Texas city. Capt. Broesamle's association with Dr. Black resulted in his becoming proficient in the use of the new technique and for a year he taught the method to intern and post-graduate dental officers at the Naval Dental School, Bethesda, Md.

Kiwanis Ball  
Club Defends  
State Title

The Chelsea Kiwanis club softball team will play the Ypsilanti club's team in the championship game at Rainey Park in Lansing Monday night at 8:30 when the annual state Kiwanis convention will be in progress. Rainey park is on US-16 between East Lansing and Lansing.

Nine Chelsea golfers will also play in the golf tournament held there during the day.

Delegates of the local club who are to represent Chelsea at the convention are: Col. P. S. Holmes, president; Charles Lancaster, vice-president; and Paul F. Niehaus, secretary. Alternates named are John Kusch, Anton Nielsen, and Wally Grossman.

Last Monday's ball game with the Garden City Kiwanis club was called off because of rain but Garden City Kiwanians came here for an interclub dinner meeting in the social center of the Methodist church.

Reports given at the meeting indicated that the Garden City club was defeated by Chelsea, 3-2. The Chelsea Kiwanis club was very much enjoyed by the 32 children who attended as guests of Chelsea's Kiwanis club. Adults who accompanied the youngsters are Mrs. Kathleen Hatt, Mrs. Anton Nielsen, Mrs. Robert Harvey, Elden Moore, Charles S. Cameron and Albert C. Johnson. A letter of appreciation received from the children was read.

Committees for the Kiwanis club's amateur show were named at Monday's meeting. General chairman is Charles S. Cameron. The show is scheduled for October 27.

The various committees are as follows: Tickets—Clarke Parker, Dr. E. J. Sutter, Lowell Davidson, Harold Jones, Robert Foster, Alfred Mayer, Talent and Audition—Dr. P. G. Sharrard, Don Alber, Wally Grossman, John Kusch, P. F. Niehaus, Mike Green; House—Tom Smith, Anton Nielsen, George Doe, Col. P. S. Holmes, Albert Johnson, P. G. Schable, R. A. McLaughlin, H. T. Moore; Advertising—Kenneth Runelman, M. W. McCree, Carl Schneider, John Albert, Lloyd Heydauff, Special Agent Charles Lancaster, James Daniels.

Drivers Injured in  
Truck-Car Crash

Roy B. Morris, of Chicago, Ill., and Lloyd W. Farnum, of Plymouth were injured about 11 p.m. Monday in a truck-car collision on US-12 between Fletcher road and the Chelsea-Manchester road. The truck, a semi-trailer type, going west, was driven onto the road shoulder in an attempt to avoid colliding with the eastbound car as it reportedly swerved into the westbound lane.

The truck skidded more than 200 feet and then rolled over while the car skidded about 45 feet according to reports of the mishap. Both drivers were taken to St. Joseph's Mercy hospital, Ann Arbor. Morris suffered back injuries and Farnum a fractured left leg, chest injuries and head lacerations.

Utilities affected on the North Main street project include those of the Michigan Bell Telephone company, Consumers Power company, village electric lines and the plugs and Michigan Central signal lights on the north side of the railroad tracks.

Nielsen said yesterday that Consumers' Power company and Bell Telephone company representatives were here this week making arrangements to proceed with the relocation of their utilities. Village utilities will also be moved as soon as possible, he said. State Highway department plans for the North Main street pavement were realized by Robert Devine, village clerk, Monday of this week.

Antique Car Show  
Will Add Interest;  
Door-Prizes Offered

The Chelsea Community Fair Board met Tuesday evening in the Municipal building and plans were made to finish up negotiations for the purchase of the fair grounds. The Board is ready to take over the land as soon as the abstract is ready.

After the by-laws are drawn up after voting on fair matters will be by share and Fair Board members are advising the purchase of the non-interest bearing mortgage

## Work Bee Today!

A "work bee" is being held at the fair grounds this afternoon and all men who can do so are urged to go out and help. There is some cleaning up to do and fence posts are to be set. Stan Beal will be out with a power post hole digger and a load of cement for setting the corner posts will be delivered at 3 o'clock. Plenty of help will be needed to get everything ready by the time the cement arrives. The arena for the rodeo and horse-pulling contests must be constructed, also.

The Washtenaw county Highway department crews have surveyed and lined up the location for the fence construction so work can proceed as soon as volunteer workers arrive. The "bee" is to start at noon.

Notes by people in the community if they wish to have a voice in future fair policies.

The Board officially approved the giving of special prizes for local teams entered in horsepulling contests.

Another feature decided upon at Tuesday's meeting is an antique car exhibition of about 20 old model automobiles. The cars will appear in the parade and then be on display at the fair.

Business places will again contribute door prizes to be given away Saturday night, Oct. 6. The method will be the same as in previous years—guest cards being provided by all merchants in the community for signatures of those who visit the stores.

It was emphasized at the meeting Tuesday that all entry blanks and exhibits of all kinds must be filled out and filed with the chairman of the various departments by Saturday, Sept. 22. Entry blanks are available in all downtown stores, at the school and from Fair Board members.

Plans for the parade to be held Saturday, Oct. 6, are being prepared after last year's. Those who enter floats in the parade may nominate a candidate for queen of the fair.

Charles Lancaster was appointed chairman of the finance committee at the meeting Tuesday and Lloyd Heydauff and Clarke Parker were named to assist him.

The premium list for the fair is to be published in the next issue of The Standard.

Dates for Chelsea's Community Fair are October 3, 4, 5 and 6.

North Main  
Utility Work  
Is Started

Village President Anton Nielsen received a letter the past week from C. A. Weber, road engineer with the Michigan State Highway Department, in which he stated that all utility work to be done on North Main street in preparation for paving should be done immediately. Weber's letter stated that the plans on the North Main street paving project have been approved and signed by the State Highway Department and have been submitted to the Bureau of Public Roads for approval. Continuing, he stated that while the project might be advertised and the contract let soon, the department does not propose to start work until advised that all utility work has been arranged.

Weber explained that in the past two years the department has experienced delay in getting utility work out of the way in several locations in the state and in the future they are expecting the work to be done ahead of the contractor, by cutting the pavement, or other suitable means, so that the paving contractor will not be delayed.

Utilities affected on the North Main street project include those of the Michigan Bell Telephone company, Consumers Power company, village electric lines and the plugs and Michigan Central signal lights on the north side of the railroad tracks.

Nielsen said yesterday that Consumers' Power company and Bell Telephone company representatives were here this week making arrangements to proceed with the relocation of their utilities. Village utilities will also be moved as soon as possible, he said. State Highway department plans for the North Main street pavement were realized by Robert Devine, village clerk, Monday of this week.

New Bus Delayed,  
Cars Transport Pupils

The new 54-passenger school bus had not arrived in time for the opening of school and private cars have been used to pick up pupils residing nearest to Chelsea. The bus is expected to be here this week and when it is put into service as bus No. 7, the drivers will be as follows: Bus No. 1, Charles Nagora; No. 11, Wendell Mitchell; No. 13, Richard Kern; No. 14, Russell Altmaetter; No. 15, George Bretschneider; No. 16, (station wagon), Frank Reed; No. 17, Ed Miller.

THE NEW TAX BILL, likelihood of another congressional look at a price control bill, step-up in military spending and production as result of world-outlook, sensational in veterans schooling probe, living cost increases, political bickering and possibility of an October adjournment date were high lights of congress.

The Senate by a vote of 59 to 10 passed an army civil functions bill allowing \$638,576,213 for civil functions of the army engineers, cemetery expense for the quartermaster and expense of the Panama Canal zone government in fiscal 1952. Senator Paul Douglas was beaten back three times in moves to reduce rivers and harbors funds as was Senator Homer Ferguson of Michigan.

Sentiment in favor of the army civil functions bill was strengthened, of course, by the Kansas-Missouri floods, but there was every indication that the congress would refuse to stand the cost of losses in that catastrophe. It would mark a precedent, and it was pointed out in some sectors that neither the Kansas nor Missouri state legislatures had made a single move to help their own people who stood the losses. The congress already had appropriated \$25,000,000 for emergency relief of the flood sufferers.

Observers here point out that in the Pick-Sloan plan for relief of floods in the Missouri river valley there is nothing but a patchwork development because there is no over-all guiding plan. These same observers declare that the great demand for completion of dams and reservoirs, some of which are included in the civil functions bill, in Kansas, will be built at the expense of flooding great areas of farmland which under a more comprehensive plan would be perfectly usable. Some suggestion has been made that, if the proposal of a Missouri Valley Authority is too all-inclusive, that a national committee be named with no axe to grind, to make recommendations, possibly for breaking down the authorities into smaller valleys such as the individual watersheds of the Kaw, the Platte, the Big Blue and other rivers.

Observers saw in the opposition the usual charges from men like Representatives Wolcott and Howard Buffet of Nebraska, that any governmental help is socialism.

Congressman Thomas D. Curtis (R-Mo.) pleaded with newspapers or any body for recognition of a slash of \$15 million which he said

John Klink and nephew, Fred Klink, Jr., of Waterloo, spent Labor Day week-end sight-seeing in the upper peninsula. They visited Tahquamenon Falls, Pictured Rocks at Munising, Big Spring at Indian Lake near Manistique and returned home last Monday.

John 4: 4-14; Acts 10: 25-28; Colossians 3: 11  
Memory Selection: Acts 10: 34-35  
ALL THROUGH recorded history, there has been a contest between races. Through the centuries the Israelites developed an intense racial pride and an attitude of hostility toward men of other races. Thus, in the time of Christ, the Jews had "no dealings with the Samaritans."

This is illustrated in the story of the meeting of Jesus and the woman of Samaria at Jacob's well. The inhabitants of Jerusalem and of Judah regarded the Samaritans as a mongrel race. And the disciples, when they returned from buying bread, marveled that Jesus was found talking with a woman of Samaria. He had not shunned talking with her and he welcomed the opportunity of bringing to her the word of life.

After the disciples had begun their ministry, Cornelius and Peter each had a vision that resulted in the making of the first Gentile convert. Peter was brought to realize that the gospel is for the Gentile as well as the Jew. Paul was the apostle who saw most clearly that Christianity is a world religion, and in the course of his ministry he gave it that direction. And he wrote a very fine comment on Christianity which shows (Colossians 3: 11) that it is designed for all kinds of men.

It is plain to see that, while we recognize and respect the barriers between races, we should bear no ill-will toward men of other races, and accord them every opportunity to attain unto good and wholesome life.

## Young People's Group Arranges Service at N. Sharon Church

Sunday, Sept. 2, the young people of the North Sharon Community Bible church held their first meeting in the reorganizing of their group. The following officers were elected: president, William Aldrich; vice-president, Marilyn McAtee; treasurer, Beth Irwin; secretary, Charlotte Wheeling. For the present time the group will have charge of one complete evening service a month. In the near future they hope to be able to take charge of every other evening service. They will direct the service Sunday, Sept. 16, and since it will be their first service, it was voted that the officers should take complete charge. The speaker will be William Aldrich; the song leader, Marilyn McAtee, and Charlotte Wheeling will play the piano and sing a solo.

## PERSONALS

Mr. and Mrs. Loren Munro who were married Saturday afternoon in the Congregational church are pictured cutting the wedding cake at the reception held at the home of the bride's parents, Mr. and Mrs. Eugene Malott.

## Joyce Marie Malott, Loren Munro Wed Saturday Afternoon

Joyce Marie Malott, daughter of Mr. and Mrs. Eugene Malott, and Loren D. Munro, son of Mr. and Mrs. Ross Munro, were married at 3 o'clock Saturday afternoon in the Congregational church with Rev. W. H. Skerret officiating.

For her wedding the bride was gown in traditional white satin. The illusion yoke of the fitted bodice was edged with a wide band of Chantilly lace and finished at the neckline with a matching lace collar. The full skirt extended to a long train.

The lace trimming was repeated on her fingertip-length veil which was secured to a Juliet cap trimmed with orange blossoms. She carried a bouquet of white roses and stephanotis combined with streamers of ivy and white satin ribbon.

Barbara Murray, of Detroit, as maid of honor, wore a coral gown featuring a lace bodice with a boat neckline, a full net skirt and a satin sash. A bouquet of chrysanthemums in autumn colors and matching flowers in her hair completed her ensemble.

The bridesmaids, in similarly styled gowns of aqua and toast respectively, were Joyce Crawford and Marlene Heydlauff. Their flower girls were gold and brown chrysanthemums.

A reception followed at the home of the bride's parents, 19000 Old US-12.

The couple will reside in Ann Arbor where Mr. Munro is a senior in the University of Michigan. He is to receive his degree in engineering in February. He is affiliated with Triangle fraternity.

The bride attended Michigan State College the past two years. Both are graduates of Chelsea High school.

For traveling the bride wore a gray flannel suit with red accessories and a corsage of white roses and stephanotis.

Cpl. Clare Knickerbocker, Pfc. Donald Koch, Pfc. Robert Moore and Pfc. Richard Schulze, left Tuesday for Camp Atterbury, Ind., after a ten-day furlough at their homes here. The four Chelsea boys have been together in the same outfit since their induction in November, 1950, except for intervals while some were attending a small arms Army school at Aberdeen, Md.

Stainless Steel

In Great Britain a high level of demand for stainless steel was maintained throughout 1949. Production of wrought corrosion and heat-resisting steels continues at maximum capacity with the demand still considerably in excess of supply and order books are filled for months ahead. The two principal producers of stainless steels in Great Britain are committed to erect and operate under joint management a new stainless steel rolling mill which will increase considerably plate and sheet rolling capacity.

## Goodwill To Pick Up Sept. 25-26

An expanded training program for the handicapped, launched by the Goodwill Industries of Detroit last spring, has made a gratifying start, with about 100 new employees added to the working force in the last six months.

However, heavier contributions of discarded household articles are necessary if Goodwill is to go ahead with the stepped-up rehabilitation program.

In an effort to stimulate such contributions, a Goodwill truck has been scheduled to pick up discards from homes in this community on Sept. 25 and 26.

"Materials of every kind are badly needed at the present time if the Goodwill departments are to operate at capacity," declared Mrs. Helen Kopka, who directs the collecting of contributed articles for Goodwill.

"Clothing, including hats and shoes, are always particularly welcome since the conditioning of garments is one of the major operations of the Goodwill Workshop and accounts for a substantial part of the operating revenue. Furniture also can be used to particular advantage just now so the articles may be reconditioned for the up-coming fall-upurge of buying in the Goodwill Stores."

Mrs. Kopka has announced that Mrs. David Bryce has consented to serve as a volunteer for Goodwill in Chelsea. Housewives having articles to turn in are urged to telephone 3231 so that a pickup can be scheduled on the day the Goodwill truck is in this community. The articles will be picked up at the home of each contributor. Persons living in the country who have discards may leave them at the Methodist parsonage, 128 Park street, to make pickup more easily accomplished.

The Goodwill program is providing both employment and job training for about 600 handicapped men and women this year.

Mr. and Mrs. Donald Adam and family, of Dearborn, were Sunday afternoon visitors at the home of Mr. and Mrs. Ernest Adam. Saturday guests were Mr. and Mrs. William Weltner, of Detroit.

## Miss C. Feldkamp Named President of St. Paul's Guild

The Women's Guild of St. Paul's church elected Miss Cora Feldkamp as its president for 1952 at the September meeting held Friday evening at the church. Mrs. Harold Widmayer was elected secretary. The two new officers will succeed Mrs. Lorenz Wenk and Mrs. Carl Mayer, whose terms expire in December.

The meeting was preceded by a pot-luck dinner in the church dining room. Approximately fifty members were present.

A candlelight devotional service in the church was presented by Mrs. Floyd Walz. Assisting her were Mrs. Howard Flintoft, Mrs. Bruce Peabody, Miss Amanda Koch and Mrs. John Oesterie, who sang quartet numbers, and Mrs. Julius Eisele, Mrs. Eugene Fischer, Mrs. Joseph Wright, Mrs. Elaine Fredette, Mrs. Darrell Larson, Miss Cora Feldkamp, Mrs. Herbert Paul and Mrs. Harold Widmayer, who gave readings, and Mrs. Carl Mayer, the organist.

Mrs. Clarence Nicolai and Mrs. Norman Schmidt presented the program on "Ventures in Sharing."

During the business session it was voted to charter a bus for the Guild members' trip to the Kellogg food plant. Originally planned as a September activity, the date for the trip was set for October 12 because of conflicting activities this month. Members who wish to take the trip are to contact Mrs. Roy Bertke, Mrs. Charles Lancaster or Mrs. Norman Schmidt for reservations by October 2.

Hostesses for the evening's meeting were Mrs. Albert Ashfal and Mrs. Ernest Adam.

## Club and Social Activities

### "20-30" CLUB

Mr. and Mrs. Dillman Wahl entertained the "20-30" Club of Salem Grove Community at their home at Clear Lake Friday evening, Sept. 7. Twelve members were present.

Progressive euchre was the evening's diversion and prizes were won by Mrs. Irene Hartman, Mrs. Kenneth Proctor, William H. Seitz and Austin Artz.

A pot-luck lunch was served after the games.

### LIMANERS

The Limaners met Thursday afternoon with Mrs. Elmer Lindow with a good attendance. Two guests were also present.

During the business session plans were discussed for the group's participation in the Community Fair next month. The Limaners are planning to exhibit a quilt made during the past months at the regular meetings.

It was announced that, because of the Community Fair the next meeting of the Limaners will be moved forward a week and will be held Thursday, Sept. 27, at the home of Mrs. John Metzger.

The afternoon's activities included descriptions of vacations related by several of the members.

### PAST CHIEF'S CLUB

The Past Chiefs club of the Pythian Sisters was entertained at the home of Mrs. Harry Prudden for a regular meeting Monday evening. Seventeen members were present for the dessert supper served by the hostesses, Mrs. Prudden and Mrs. John Metzger.

Cards were the evening's diversion.

### LYNDON FARM BUREAU

The Lyndon Farm Bureau picnic was held at Clear Lake county park Sunday with a pot-luck dinner at 1:30 followed by an afternoon of visiting.

It was announced that the annual election of officers will take place at the meeting Friday evening in Lyndon Town Hall.

### BIRTHDAY

Mr. and Mrs. Charles S. Ritter entertained twenty-five relatives and neighbors at a birthday party on the lawn at their home Tuesday evening, Sept. 4, in honor of their daughter, Megs. Out-of-town guests were Mrs. James Birch and daughter, Carol Ann and the latter's great-grandmother, Mrs. Wuerth, of Ann Arbor, and Sfc. Louis Birch, who left Friday for Fort Custer after a 30-day furlough.

### WCS

The WCS of the Methodist church held its first meeting of the 1951-52 season in the social center of the church Wednesday evening, Sept. 5. There was a good attendance.

Mrs. J. V. Fisher, Mrs. Raymond Schairer and Mrs. James Daniels presented a candlelight devotional service during which Mrs. L. H. Walker sang the solo "My Task." The accompanist was Mrs. George Walworth.

The program on the topic "Gullies" was presented by Mrs. Walter Harper, Mrs. LeRoy Hoffman and Mrs. David Reyer. The theme of the program was a discussion of the peoples of various countries of the world and their relationship with America through the work of Christian women here.

Mrs. Edwin Gaunt, the new WCS president, presided at the meeting and the members of the Deborah Circle served refreshments.

### LEGION AUXILIARY

Twenty-five members were present for the September meeting of Herbert J. McKune Unit No. 81, American Legion Auxiliary, held Tuesday evening, Sept. 4, at the Legion Home. Hostesses for the meeting were Mrs. Lucille Barr and Mrs. Anna Dvorak.

Mary Lou Tobin, who attended Girls' State at Ann Arbor in June as a representative of the Auxiliary, gave a report of her experiences.

Other reports given included those of the various chairmen and reviews of the District II meeting in Dexter and the department convention in Detroit given by Mrs. Ruth Chiswell and Mrs. Myrtle Schooley, respectively.

Mrs. Schooley was selected president of the Auxiliary and with her staff of newly-elected officers will be installed at a joint installation service for officers of the Post and Auxiliary Sept. 22.

Mr. and Mrs. Leroy N. May are shown as they appeared at the reception in the church parlors at the Grass Lake Federated church following their marriage Friday evening.

### Miss Judy Vermeulen, Becomes Bride of Leroy N. May

Cathedral candles lighted the sanctuary of the Federated church at Grass Lake for the double-ring wedding ceremony uniting Judy Ann Vermeulen and Leroy N. May in marriage at 7:30 Friday evening.

Banked huckleberry greens and white gladioli together with the white, velvet-covered prie dieu made an effective setting for the service read by Rev. Bertram McNally, pastor of the Methodist church. He was assisted by Rev. Burt Phelps, Jr., the new pastor at the church. The bride was given in marriage by her father Franklin C. Vermeulen, of Jackson.

George Winans, brother-in-law of the bridegroom, was the soloist. Accompanied on the organ by William Snyder, of Grass Lake, he sang "Because" and "The Lord's Prayer."

For her wedding the bride was gowned in Chantilly lace over white satin. A fitted jacket of the lace was worn over the bodice. The jacket featured a standing collar, long sleeves, ending in pointed outline at the wrists, and a double, flared peplum. The skirt was flared and extended into a short train. Her silk illusion veil was fastened to a bonnet brim of shimmering net, trimmed with seed pearls. She carried a white, satin-covered Bible on which an arrangement of stephanotis and a white orchid had been mounted.

The bride's twin-sister, Jan Carol Vermeulen, of Grass Lake, was maid of honor and the bridesmaids were Mrs. Robert Gross of Chelsea, and Helen Painter, of Grass Lake, another sister of the bride. All the attendants wore gowns styled alike with a bouffant ballerina skirt of net and the bodice of velvet in a deeper shade. The maid of honor was in orchid

and purple while the bridesmaids were in green. They all wore velvet shoes matching the velvet of their gowns. The four attendants carried arrangements of mums and matching flowers in their hair. Miss Vermeulen's flowers were pink while the others' were yellow.

Preston Grossman, son of Mr. and Mrs. W. J. Grossman, acted as ringbearer. Richard Kern was best man and W. J. Grossman, Robert Gross and David Strieter, a brother-in-law of the bridegroom, were the ushers.

Patricia Williams, of Jackson, Mrs. Howard Bush, of Grass Lake, Mrs. Zackery Skokas, of East Lansing, and Mrs. George Winans, Mrs. David Strieter and Mrs. Richard Hootzer, sisters of the bridegroom, assisted at the reception which followed in the church parlors.

When the couple left for a honeymoon in northern Michigan, the bride was wearing a three-piece wool suit of gray and gold with which she wore gray accessories.

The couple will live in Chelsea following their return, Sept. 16. They recently purchased the Ely Dairy Bar and have operated it the past month.

For the wedding, the bride's mother, Mrs. Frank C. Painter, of Grass Lake, wore a tawny-colored gown of silk faille with sash black accessories and a corsage of blond

### Engagement Told

The engagement of Chrisoula Barthena Misalides, daughter of Mr. and Mrs. Mike Misalides, to John Hofhaneian, son of Mrs. Sophie Hofhaneian, of Grass Lake, was announced this week by the parents of the bride-to-be. The wedding date has been set for Sept. 15 at the United Brethren church.

### Attend VFW Rally

Eight women from the Chelsea VFW Auxiliary attended the Sixth District VFW rally at Tecumseh Sunday. Included in the group were Mrs. Janet Hutzler, Mrs. Magdalen Weber, Mrs. Clara Hutzler, Mrs. Eulalie Packard, Miss Alda Juergens, Mrs. Anna Werner and Mrs. Dorothy Lentz.

The VFW Auxiliary department president, Mrs. Velma Kidd, of Ferndale, made her official visit to the district at this meeting and a highlight of the program was the presentation to her of a belt fashioned of silver dollars in observance of her silver wedding which occurred on Tuesday.

## Can you guess which are poisons?

As you can see, the drugs in each pair have confusingly similar  
names. But in each pair, there is one poisonous drug and one that  
is relatively harmless.

**Barium Sulfide** is fatally poisonous when taken internally. Its  
principal use is in certain external applications.

**Barium Sulfate** is harmless. An insoluble, white substance, it is used  
as an aid in x-raying and fluoroscopic the digestive system.

**Mercurous Chloride** is the relatively safe compound of the other  
pair. It is occasionally prescribed in small doses as a laxative.

**Mercuric Chloride** is a violent poison if taken internally. It is used  
externally as a skin disinfectant.

**Easy Makes His "Cat" Tread Lightly**

Driving home on Three Ponds Road yesterday, I was flagged down by Easy Roberts' boy Skeeter. "Take it slow," he advised. "Dad's crossing this road with our tractor, just beyond the bend."

Around the curve I saw why Skeeter stopped me. Easy had laid two rows of old truck tires across the road, and was driving his new "Cat" tractor over them!

"More trouble this way," Easy explains, "but it does keep those tank tracks from tearing up the asphalt when I have to cross over to our other fields. After all, the roads belong to all of us—and I guess I'd get mad if someone else chewed them up."

From where I sit, Easy is my kind of citizen. He doesn't just give democracy lip service. He honestly believes it's his duty to consider the other fellow's interests. Whether it's the right to use the public highways or the right to enjoy an occasional glass of beer, Easy's out to protect his neighbor's "right of way."

Things you'd like to know about your Railroad

**THE CENTRAL IDEA** **New York Central's Own "Fire Fighters"** **NEW YORK CENTRAL SYSTEM**

- QUICK-CHANGE** artists are plentiful on New York Central. The shop mechanic may shift his overalls to a fireman's rubber coat. The section crew may change their motor rail car for a fire engine. All members of one of the world's largest volunteer fire departments.
- FIRE TRAINS**, manned by these Central volunteers, have everything from fire axes to gas masks—even carry their own water in tank cars. Smaller units have fire-fighting jeeps. The smallest unit consists of just a specially trained man with a chemical extinguisher.
- ON ALARMS**, these volunteers race to the rescue—not only of railroad property—but of any property in their reach. You'll find them beside the fire engine, battling brush fires... or with fire departments helping to put out some blazing plant along the line.
- SO YOU SEE**, these New York Central fire fighters are actually an extra volunteer department to protect you. It's just one more way in which your Railroad forms a living part of every community along its 11,000 miles. And that's always **THE CENTRAL IDEA**.

## Here's Proof: AN ACTUAL GRANDDAM—DAM—DAUGHTER CASE HISTORY

Look at the increased weight of the Larro-fed second and third generation Holsteins above. That means additional milk because animals with greater roughage capacity can produce more milk. That means the daughter in the above study should produce at least 2500 lbs. more milk than the granddam. That's why profitable dairymen raise their calves on Larro "Farm-tested" Calf Builder. ## OPENING ASSEMBLY

Mr. Cameron opened the school year by welcoming the assembled students back to school. He then introduced the faculty, including the three new teachers, Miss Vandy, speech, Mrs. Rima, instrumental music, and Mr. Rima, instrumental music. Mr. Cameron explained the importance of the Athletic Board and the Student Council to the school, and the honor and responsibility of membership in either organization.

Students were again reminded of the rules and regulations at dances, in buses and at school. Mr. Cameron also stressed that pupils are not to drive cars during the noon hours.

The opening assembly was concluded with the assigning of home rooms.

## NEW COURSES OFFERED

This year, for the first time, driver training will be offered at Chelsea High. It will be a one-semester course with approximately 32 students participating each semester. Mr. Magiera has been trained at the University of Michigan to teach the course. Chelsea High is also going to organize a debating team this year under the direction of Miss Nanny. This team will be open to all students who have taken or are now taking speech. After the team is well organized, it will be in competition with other schools.

## FOOTBALL SCHEDULE

"Signals, Hike, One, Two."  
"A 50-yard dash... and it's a touchdown!"  
These are some of the sayings that can be heard at the athletic field where approximately 35 energetic boys are practicing foot-

ball. The boys started practicing Monday, Aug. 27.

The schedule for this season is as follows:

Sept. 14—Dexter, here.  
Sept. 21—U. High, here.  
Sept. 28—Saline, there.  
Oct. 5—Dundee, here.  
Oct. 12—Lincoln, here.  
Oct. 19—Roosevelt, here.  
Nov. 2—Milan, there.  
Nov. 9—Manchester, there.  
The boys have been working hard and everyone wishes them luck in their coming games.

## Class News...

### SENIOR CLASS

The seniors have elected their class officers for this year as follows: president, Sally Leeth; vice-president, Beatrice Fowler; secretary, Evelyn Woods; treasurer, Harvey Koseika; and Student Council representative, David Berke.

### JUNIOR CLASS

The juniors have elected officers for this year as follows: president, Otto Kieffer; vice-president, Dorothy Speer; secretary, Donna Hinden; and Student Council representative, Douglas Schneider. A treasurer for the class will be selected in the near future.

### ENROLLMENT DATA

Present enrollment of Chelsea High school, grades seven through 12, is 329. The individual class enrollment is as follows: seventh grade, 46; eighth, 43; ninth, 70; tenth, 57; eleventh, 62; and twelfth, 46.

Next week a complete enrollment record of grades kindergarten through twelve, will be available.

### Scottish Game

Leading candidate as least-known U.S. sport is curling, a Scottish game played on ice and vaguely similar to shuffleboard. U.S. curling centers include New York, Boston, Detroit, Chicago, Milwaukee and St. Paul. Last week American curlers heard the most exciting news in years. They were tendered (and accepted) an invitation to play in Scotland next January as guests of the Royal Caledonian Curling Club, the sport's oldest organization. Twenty-six U.S. players will be selected to form the first American curling team ever to play abroad.

Frankfort—The city park located at the west end of Main street received a new rustic swing this week which has been put in by the city crew. The money for the swing was raised through the sponsoring of the canasta parties each week at the city hall this summer. Mrs. William Muehlmann was in charge of the parties. — Benzie County Patriot.

Rochester—Construction on the first high school building ever to be erected for Avondale District 10-F neared completion this week. The \$500,000 brick and cinder block building contains the equivalent of 17 rooms and stands on a 30-acre plot on Auburn road. The contracts, site and equipment are all included in the cost value. In addition to regular high school class rooms, painted in pastel shade with green chalkboards, the new building contains several specialized departments.

One of the most outstanding rooms in the building is the music room. A special acoustical tile ceiling soundproofs the department from the rest of the building—Rochester Clarion.

Pinkney—Green Oak township has started a campaign to get every farm in the township posted against hunting. This is in retaliation for the recent drastic action of the state conservation commission in legalizing the use of rifles for hunting deer in southern Michigan. Of course they have no control of state land and the state has considerable in Green Oak including Island Lake state park. At a mass meeting at the Green Oak town house, the speaker said posting was necessary to protect the farmers of the township. — Pinkney Dispatch.

South Lyon—Phil Weamer of Rushton road who specializes in raising fine fruit put four of his Red Haven peaches on a scale and found that they weighed two pounds 12 ounces. Mr. Weamer attributes the large size of his peaches to proper thinning of the crop soon after the fruit starts developing. — South Lyon Herald.

Northville—The electric storm last Thursday night kept the Detroit Edison company repairmen busy working on lines, transformers, meters and major appliances throughout the entire area. Harry Wagenschutz, local Detroit Edison manager, reports that the storm was the worst in recent years with his office receiving hundreds of distress calls. — Northville Record.

Frankfort—Betsie River bass are one of the Benzie angler's favorite fish. Ike Kinney, who has probably caught more fine fish out of this river than anyone else in this area and Mrs. McKinney caught six fish between them Tuesday by bringing their season's total to 26. The largest one in the string was 17 inches long. Their largest for the season is 19 inches. Both of them use nightcrawlers for their fishing. Ike, who has fished the Betsie for the past 20 years, states that the river is producing more fish this season than it has in many summers. — Benzie County Patriot.

### DEATHS

#### Mrs. Mary Barber

Mrs. Mary Barber, a resident of Waterloo for many years, died Sunday morning at the home of her daughter, Mrs. Mina Moeckel, 621 Dewey St., Jackson. She was 90 years old. Mrs. Barber was an honorary member of the Ladies' Aid Society of the Waterloo E. U. B. church.

Funeral services were held at 2 p.m. yesterday at the Milner Funeral Home in Stockbridge and burial took place in Mt. Hope cemetery, Waterloo.

Survivors of Mrs. Barber are two daughters, Mrs. Moeckel, with whom she moved to Jackson during the past year, and Mrs. Edna Walz, of Concord; a son, William Barber, of Waterloo; two grandchildren, Odema Moeckel, of Jackson, and Wendell Barber, of Stockbridge; and four great-grandchildren.

**Joseph Wood**  
Joseph Wood, baby son of Mr. and Mrs. Clarence Wood, died at the home of his parents early Saturday morning. Born April 3, 1951 at St. Joseph's hospital, Ann Arbor, the baby was five months old.

Funeral services were held Monday morning at St. Mary's church with Father Lee Laige officiating and burial took place in Mt. Olivet cemetery.

Survivors are the parents, Clarence and Nancy Fleming Wood; a sister, Janice Ann, a brother, David; the maternal grandparents, Mr. and Mrs. Clarence Fleming, and the paternal grandparents, Mrs. Mary Wood, of Dearborn, and Charles Wood, of Chelsea.

**Sirens Shriek on Chrysler Proving Site**  
Air raid warning sirens being tested at the Chrysler Proving Grounds southwest of Chelsea Monday and Tuesday caused widespread conjecture as to the source of the weird sounds until it was learned they originated on the Chrysler property.

The Chrysler company reportedly builds two types of sirens. The sound carries for miles and was clearly heard in Chelsea.

**FORMER SALEM GROVE PASTOR VISITS FRIENDS**  
Rev. George Nothdurft, of King-wood, W. Va., who has spent the past two weeks in Milan assisting in an expansion program of the Methodist church there, was a dinner guest last week Wednesday at the home of Mr. and Mrs. Arthur Wahl. Sunday Mr. and Mrs. Wahl, Mr. and Mrs. Don Lee Wahl and family, Mr. and Mrs. Lehman Wahl, of Manchester, and Mr. and Mrs. Walter Bohne, of Francisc, went to Milan and enjoyed a picnic dinner with Rev. Nothdurft at the park there. Rev. Nothdurft was formerly the pastor of Salem Grove church.

## Library Has Huge Record Collection

Citizens of Chelsea may well be proud of their public library. One of the unique features of our library is the record collection which may be borrowed from on a weekly basis. This collection consists of most of the standard symphonic works, and recently a noteworthy addition was made to round it out.

This new addition consists of several religious choral works which represent the highest spiritual musical expressions of western man. The list, which is made up of long playing records, includes a group of hymns and anthems sung by the Tabernacle Choir of the Mormon Temple in Salt Lake City. Other works of major importance are Mozart's Great Mass in C minor, Schubert's Mass in E flat, Haydn's Mass in Time of War, Requiem by Berlioz and Mozart, and Bach's Magnificat in D. Careful listening to this music is more than a musical experience. For instance, the E flat Mass of Schubert is a sublime expression of lyricism and religious emotion as it ushers us into the presence of God with awe and mystery, bursts out with joy in the GLORIA (Glory be to God on High) and sings with unexcelled beauty of the Incarnation of Christ in the CREDO (Creed).

None of the composers of the above works ever had the opportunity to hear so frequently the great works of music which are at our disposal any time we wish to hear them. It is the hope of the library board that the record library will become a popular feature of its program and that the community will be culturally advanced.
