Railsplitters Never Halted after First Quarter Tie Score

Chelsea's Bulldogs, playing host, received from Lincoln Consolidated High school, their second straight defeat, 36 to 32, last Friday night.

The first quarter ended with the score tied at 13-all. Joe Greenwood led Chelsea with five points, while Mowle Smith led Lincoln with 11 points.

The second quarter found Lincoln racking up 12 points to Chelsea's seven. The half ended with the score standing at Lincoln 25, Chelsea 20.

In the fourth quarter Lincoln held the Bulldogs to an almost complete standstill as the game ended with Lincoln leading 36 to 32.

Chelsea tried for baskets 60 times and connected 12 times for a percentage of 20. Lincoln tried 85 times and connected 17 times for 26.2 per cent.

Chelsea's second team lost to Lincoln's second squad, 29 to 23. Phil Brels and Dave Elkins led the Bulldogs with eight each while Lloyd Schneider and Tom Finkle added three points each.

Lowell Davison Promoted to Spring Plant Managership

LOWELL DAVISON

Lowell Davison is now plant manager at the Chelsea Spring company. News of his promotion to the position was released only this week although he has been in full charge of the plant, including the shop and office, for several weeks.

His predecessor, John C. Hampson, is now plant manager of the Fall Spring and Wire company in Detroit.

Davison's former position as plant superintendent had been filled by George Boots, former tool room foreman.

The plant has almost tripled in size during the interim, having increased from its former 50,000 sq. ft. of floor space to the present 140,000 sq. ft.

Products manufactured here include automobile springs of all kinds and stampings of flat steel such as spring clips, choke rods, spring extensions and many other items.

County Roads Re-Classified for Tax Funds

New Scheme Lists Total of 430 Miles as Primary Roads

Pending final approval June 1 by the State Highway department, Washtenaw county has received tentative approval for labeling 430 miles of its roads as primary roads under the new motor vehicle tax law.

Under the new plan 75 per cent of all the road money received by the county must be spent on primary roads and only 25 per cent on local roads.

Formerly 50 per cent of all money was spent on primary and 50 per cent on local or secondary roads. Under the former set-up only 296 miles of county roads were listed as primary roads.

When plans were submitted to the State Highway department the first of the year the Washtenaw county Road Commission listed 450 miles of roads for primary rating but this amount was cut to 430 miles before tentative approval was given.

Roads in this vicinity now listed as primary roads are as follows: Lima Township—Fletcher from the south township line to US-12; Dexter-Chelsea; Oak Church; and Parker from US-12 south to township line.

Lyndon Township—Werkner-Stofer from M-92 to Territorial; Hadley from Territorial to the north township line; Waterloo from M-92 to the west township line.

Sylvan Township—Cavanaugh Lake, from Chelsea to the west township line; Kalmbach, from US-12 to Cavanaugh Lake road; Old US-12; Sylvan from US-12 to south township line; Chelsea-Manchester; Seio Church (one mile in the southeast corner of the township).

Sharon Township—Chelsea—Manchester; Sylvan from north township line to Grass Lake road; Sharon Hollow from Grass Lake road to south township line; Grass Lake road to Chelsea-Manchester west to township line; Below-Walker from Sharon Hollow road to west township line; Pleasant Lake road from east township line to Sharon Hollow road; Sharon Hollow to west county line; Ahrens.

Parker; Fletcher from north township line to Pleasant Lake road; Erna to south township line; Pleasant Lake road.

Grade PTA Hears Talk by U. of M. Prof.

Dr. Robert Fox, associate professor of Education at the University of Michigan and principal of the University's elementary school, was guest speaker at the Elementary PTA meeting Wednesday evening.

Records are kept of the donors and their blood types so that in case of emergencies where rare blood types are needed, possible donors could be contacted in record time.

Contribution of blood by the various Posts might be compared to paying the premium on an insurance policy. For the amount contributed annually, all veterans in the Second District are assured of blood, if needed, for themselves, their wife (or husband) and their children.

Chelsea's Post commander, David Stricker, and Ed Gandy, second vice-commander, may be contacted by any veteran in the community who wishes to contribute blood for the project.

The five Chelsea men who contributed blood Thursday are Dudley and Robert Foster, Leroy May, George Winans and David Stricker.

Another Week of Changeable Weather! Chelsea had another week of all kinds of weather. Last Thursday a 60-degree temperature prevailed during the day, followed by high winds at night and a drop to 28 degrees by Friday.

VENTRILOQUIST ACT

Legion Posts Maintain Vet. Blood Bank

Five members of Herbert J. McKune Post No. 31 were in Ann Arbor Thursday night to give a part of blood money in the newly inaugurated American Legion Ventriloquist Act.

The purpose of the District Blood Bank project is to provide needed blood free to all veterans in the Second District. Each Post in the Second District is to contribute ten pints or more of blood each year.

According to the Blood Bank Committee, headed by W. H. Buettner, Post 31, the blood bank project is to provide needed blood free to all veterans in the Second District.

The aim is to have enough blood in the Bank at all times to meet any or all veterans' requests. By having the Bank at University hospital it will be possible to transfer blood to any hospital or home within a two-hour radius of Ann Arbor.

Persons who donate blood for the American Legion Blood Bank need spend less than a half-hour at Ann Arbor, Legion officials state. At present the nights for donating are Tuesdays and Thursdays from 7 until 8:30 p.m.

Records are kept of the donors and their blood types so that in case of emergencies where rare blood types are needed, possible donors could be contacted in record time.

Benefit Card Party Nets \$112 for Local Polio Fund Drive

The card party sponsored by the March of Dimes campaign chairman and held last Thursday in the Municipal building netted the polio fund \$112. This amount will go toward the fund being raised for paying the \$15,000 deficit incurred in Washtenaw county for patient care.

Similar benefits are being held throughout Washtenaw county to help wipe out the deficit.

Thirty-seven tables were in play during the evening.

Mrs. Richard Sinn, county March of Dimes chairman, was a guest at the card party and extended greetings to those present and expressed appreciation for the attendance.

Paul F. Niehaus acted as master of ceremonies and was assisted by Terry Genter. Hostesses for the evening were Mrs. Grant Schooley, Mrs. Floyd Genter, Mrs. Walter Mohlock and Judy Davison.

High school boys, news boys, Boy Scouts and Girl Scouts assisted the committee by helping move equipment and with other preparations.

Anti-Rabies Clinics Will Be Repeated

Clinics for the vaccination of dogs against rabies will be sponsored again this year by the County Veterinary Medical Association and the County Health Department.

They are scheduled for the last week in January and early in February to permit dog owners to comply with the law passed by the Board of Supervisors in 1948 which required that all dogs be vaccinated for rabies within a 12 month period before the license deadline on March 1.

The county veterinarians and health authorities have noted with some pride that this jointly sponsored program of rabies prevention through dog vaccinations has practically eliminated mad dogs in this county.

A dog control officer attached to the county sheriff's department has been another important factor in the Washtenaw county program for the control of rabies.

The dog vaccination clinics in this vicinity are scheduled as follows: Sylvan Town Hall, Chelsea, Tuesday, Feb. 5, and Wednesday, Feb. 6, from 7 to 8:30 p.m.

County Road Commission building, Manchester on Wednesday, Feb. 6, from 7 to 8:30 p.m. Lyndon Town Hall, Lyndon township, Monday, Feb. 4, from 7 to 8:30 p.m.

Fire Station in Dexter, Saturday, Feb. 2, from 2 until 4 p.m. The usual fee of \$1.50 will be the rule at all the clinics.

Police Nearly Swamped by Accident Calls

Slippery Snowfall Saturday Causes Flurry of Crashes

Snow, turned to slush by rain which followed, was given as a contributing cause in a series of accidents in this vicinity about noon Saturday. Police Chief George Doe, on duty at the time, was kept busy going directly from one to another in quick succession.

No fatalities resulted, but Mrs. Harvey Knickerbocker, of 528 McKinley street, was taken to the hospital suffering from shock and bruises, and an East Lansing man and two Inkster women were treated for cuts and bruises.

The series of accidents began at 11:30 a.m., just after the fire department had returned from a call to the Hoffman home on Old US-12. Cars driven by Jimmy Howard, 13600 old US-12, and Roy Kalmbach, 476 Guthrie road, collided at the corner of West Middle and Main streets.

Kalmbach's car was severely damaged and Howard was issued a ticket for making an improper turn, according to police reports.

The second accident was on US-12, east of Lima Center. A car driven by Glenn P. Devan, 342 Park Lake, East Lansing, going east, went out of control and swung across the highway where it went completely around a west-bound trolley truck and collided with the right front of the truck.

Devan was treated for cuts on the nose and right eye.

Mrs. Knickerbocker was injured in the third accident and Chief Doe received the call while still investigating the second crash.

The Knickerbocker car, traveling east on US-12, and a west-bound car driven by Vivian Pilon, 2624 Oakland Drive, Inster, collided near Baker road. As the right front of Knickerbocker's car and the left front of the Pilon car collided, Knickerbocker's car was turned around and he and his wife and 22-month-old daughter, Marcella, were thrown to the pavement.

Marcella, 22 months old, daughter of Kathy-Louise, fastened in a swing seat, remained in the car. Both children and Mr. Knickerbocker were supposedly only shaken up and bruised but otherwise uninjured and Mrs. Knickerbocker was taken to St. Joseph's Mercy hospital, Ann Arbor. Later, however, it was discovered that Mr. Knickerbocker had suffered a fractured left shoulder.

Vivian Pilon and her twin sister, Lillian Worden, riding with her, were cut and bruised about the head and face.

At 6:45 Saturday night, cars driven by Andrew T. Fritz and Frederick Roberts were damaged when they collided as Fritz backed out of the alley on West Middle street, just west of Main street.

District Grange Meet at Lima Center Hall

State Grange officials will be present at a district meeting to be held in the Lafayette Grange Hall at Lima Center tomorrow afternoon, Jan. 25, beginning at 2 o'clock. All members of granges in Washtenaw county as well as others who may be interested are invited to attend the open meeting. The meeting was called by Grange Deputy Thomas Willeys of Concord.

State Grange Overseer Verne Stockman, of M. Pleasant, Assistant Grange Steward William Brake, of Bellaire, Merrill Eady and others will speak during the afternoon and present the overall Grange program.

THIS WEEK IN Washington

AVOWED PURPOSE of Winston Churchill is to solidify British-American friendship more on the lines which were in evidence throughout the war, and which have become a little ragged since that time.

ator Robert A. Taft of Ohio and Eisenhower. They place both Harold Stassen and Governor Warren of California in the "stalking horse" class as seeking to corral delegates which will go to Eisenhower in the GOP convention in the move to "stop Taft."

The President's plan for re-organization of the internal revenue bureau by abolishing the offices of internal revenue collectors in the states and setting up 25 regional offices with all appointments except the top men under civil service is a long range plan, and has generally received favorable comment. However, it will mean taking from the members of the congress traditional patronage and just how this congress will take the plan remains to be seen.

This session of the congress will be a wordy session, probably one of the noisiest of record, and there is indication that little will come from it in the way of solid sound legislation. From his state of the union message, however, the President has not completely given up hope in getting through some of his Fair Deal program.

In political circles, backers of General Eisenhower are jubilant over the general's careful admission that the general tenor of his political conviction is that he is a Republican. Some Republicans here see in the general's admission a tendency to be a little too careful in that he did not come right out and declare his Republicanism.

Another Fair Deal plank, now in the math ball class, is Missouri valley authority which likely will not see daylight during this session, despite the need for some legislation to stop disastrous floods on the Missouri and other western rivers.

However some Republicans have expressed the opinion they had hoped General "Ike" would have been more forthright. If Eisenhower has gone as far as he can go, ethically, while still in his general's uniform and is in fact a candidate, the political dogsters here see the fight for the GOP nomination narrowed down to Sen-

Top battles will be fought out on further support of the North Atlantic Treaty nations, a new agricultural policy and a new national production act for 1952. The sensational high prices of potatoes and attempt of the Office of Price Administration to enforce ceilings on white potatoes has brought the farm price support program directly into the limelight, for just a short year ago, under mandate of the congress, the department of agriculture was dumping potatoes after paying out hundreds of millions of dollars of taxpayers' money in price supports.

Dexter Congl. Church Changes Affiliation

The Congregational church in Dexter has changed its name to Dexter Gospel church, and has officially withdrawn from the Congregational denomination, according to announcements made last week by the pastor, Rev. Henry A. Campbell.

The Jackson Association of Congregational Christian churches, although the pastor said the church had not been officially connected with the denomination, since its constitution was amended early in the 1900's.

New officers of the church are to be elected at a meeting to be held Feb. 1.

How close did we come to our goal of 600 4-H members? Well, with three more days to go, we have now reached a total of 450 different 4-H members enrolled in winter 4-H clubs.

I believe we have made a very substantial increase in our 4-H membership, and should have, from all directions, one of the largest and most successful years in 4-H club work in our county.

I have sent a letter to all 4-H leaders informing them of these proposed changes in our 4-H policy and would appreciate your comments on them and any other suggestions you may have for improving our 4-H program.

I have recommended to the council that our county clothing judging contest be held in March (tentatively 29) instead of in June or July.

EASY DOES IT
WHEN YOU WANT to be certain your cupcakes will not stick to muffin pans, cut plenty of waxed paper rounds just big enough to fit the bottom of the pans. Put one of these in before pouring the batter.

RECIPE OF THE WEEK
Braised Beef Ribs (Serves 6)
6 pounds of beef ribs, cut in serving pieces
1/2 cup drippings or shortening
1 cup vinegar
1/2 cup water
1/2 cup chili sauce
1/2 cup horseradish
1/2 cup Worcestershire sauce
1/2 teaspoon red pepper
Brown beef ribs in drippings. When browned, add remaining ingredients, cover and cook over low heat or bake in a moderate oven (325 deg. F.) until tender, about one hour.

RECIPE OF THE WEEK
Muffins will bake light and fluffy if you grease the pans and heat them before spooning in the muffin batter.

RECIPE OF THE WEEK
Just a bit of cornstarch over a cake before putting on the icing. This will help prevent it from running off.

RECIPE OF THE WEEK
Any ironware used for cooking should be thoroughly dry before it is put away. If the oven is still warm, place the utensils in there to finish drying completely.

RECIPE OF THE WEEK
Pearl-handled knives, forks and spoons can be polished very easily by rubbing with fine salt. Use a chamois cloth on them afterwards.

GIRL SCOUT NEWS
BROWNIES
Mary Anne Sorensen, Lynn Lipphart and Marjorie Hepburn taught the Brownies one new game at the meeting in the kindergarten room Tuesday, and Stephanie Wagner, Jane McLaughlin and Nyla Kurtz taught them another.

Zion Brotherhood Entertains Group from Ann Arbor

Forty members of the Brotherhood of Zion Lutheran church, Ann Arbor, were guests of the Brotherhood of Zion Lutheran church, meeting held in the parish hall at Rogers Corners Thursday. About 40 members of the local Brotherhood were also present.

group or one area to dominate, control, and dictate to the entire state. "To this let me add: Whether large urban centers like Detroit were not given proper representation in the past is not the issue now, and should not be the consideration in designing the present or the future. If the metropolitan areas were denied proper representation at one time, to reverse the situation now and put all the control of the state under their control for the future would be no more proper than was the previous situation. Two wrongs do not make a right. The question in Michigan is: What is the best and proper way to reapportion now?"

Mrs. Carrie Wahl was the guest of her son, Dillman, and family, of Clear Lake, Sunday. She attended services with them in the morning at Salem Grove church and spent the afternoon at their home. Her son, Edward, of Clinton, also spent the afternoon there and returned with her to her home here to spend the evening.

For many years the Automobile Insurance Policies issued by this office have included protection far beyond and coverages much broader than those provided by most competitors. Broad form Coverage, plus Service, have been the greatest advantages enjoyed by policyholders.

NOW, even more coverages and many new advantages are offered. Don't be misled by lower rates and cheaper insurance.

Weight Restrictions Off on County Roads

Weight restrictions have been lifted on all Washtenaw county roads and state trunklines, Howard G. Memier, county Road Commission manager, said yesterday. Restrictions had been in force during the warm weather over the past week-end, but Tuesday night's cold again made it safe to lift the safeguards at dawn, Wednesday. Memier emphasized, however, that load restrictions may be imposed again at any time due to the changing weather.

He emphasized that all county roads are to remain on the weight restriction list as long as it is deemed best to prevent breakdowns. He said he believed most residents of the county are in sympathy with this program of safeguarding the roads during the time when the danger of severe road damage is greatest.

MICHIGAN MIRROR

(Continued from page one)

of Michigan's present population. Therefore, under 100 per cent reapportionment, four counties could dominate the rest of the state in legislative affairs. By concentrating efforts on the election of pro-labor candidates, labor unions could achieve their goals readily. It is the belief of several upstate legislators that four counties, even if they do have 51 per cent of the state's population, cannot speak for ALL of Michigan. The argument is advanced by State Senator Chester Coleman, of Muskegon, that the legislature should act on a "fair" reapportionment plan in 1952 rather than let things drift further.

Here's a stopper for upstate voters: How would you like to have your legislature, at Lansing controlled by four counties?

It's not so far fetched as it sounds. Such would be possible legally under a reapportionment plan advocated by Michigan leaders of the American Federation of Labor and the Detroit CIO. In fact, petitions are to be circulated soon by the AFL asking that reapportionment of the legislature along the lines of the 1950 census be initiated by Michigan voters next November.

If voters approve, the bill would go automatically before legislators in 1953.

A resolution, sponsored by Senator Coleman, would add two senators and freeze the senatorial districts. This would assure geographical representation whereby such cities as Ann Arbor, Saginaw, Jackson, Battle Creek, Kalamazoo, Lansing, Grand Rapids and Flint could control the Senate.

The house of representatives would be enlarged approximately 10 per cent along federal lines. Population consideration would predominate.

Senator Coleman comments: "Where you have a highly industrial, highly agricultural and highly recreational state such as Michigan, with one of the most varied economies of any state in the Union, a strictly population-majority control does not seem to be a suitable control."

Coleman pays credit to Senators G. Elwood Bonine and Edward Hutchinson for work done on the compromise reapportionment plan.

The Marshall senator believes it will be unfortunate to simplify the issue of reapportionment by calling it an outstate vs. Detroit fight, or a urban-rural contest. He explains his viewpoint as follows:

"This question cannot be solved by appeals to emotion. Few issues before the legislature are purely city versus farmer; few purely Detroit versus outstate. If that were true, the rural interests would not survive the legislative process in Michigan today.

"No thinking person can claim the legislature of Michigan is now rural dominated. Actually, 16 of the 32 senatorial districts include population centers in excess of 50,000. A senator from such a district certainly cannot be said to represent purely rural areas or only rural issues and interests. I can certainly testify to that.

"The real issue and the one to which all citizens of Michigan should direct their attention is how best can reapportionment take place in Michigan so that all interests—fruit, fishing, trucking, railroad, city, township, industry (large and small), the professions, tourists, and mining—be given effective representation.

"Some of us believe it can best be achieved by a plan which requires balanced consideration of all groups of people, all the areas, all the interests of Michigan. We do not believe it will be achieved by any plan which permits one

Rev. Barber Issues Booklet of Poetry

During the past week Mr. and Mrs. M. W. McClure received a booklet of poems written by Rev. Ray W. Barber, a former pastor of the Chelsea Congregational church and now chaplain at Southern Michigan prison in Jackson.

contains 21 poems. Several are on the subject of nature's beauties, some are of a religious nature, and one, dedicated to the children of the Sunday school at the Gary, Ind. church, is on the Christmas theme. Rev. Barber was pastor at the Gary church after leaving Chelsea. Several of the poems are dedicated to members of his family and to former parishioners.

ST MARY'S School Notes

GOOD READERS
Four first graders proudly took home their first reader during the week, after exhibiting their reading skill before the three upper grades. The group included Diane West, Catherine Wengren, Elaine Eder and Richard Steele.

Coal Comparison
Last year China produced 40 million tons of coal to more than double the 1949 output, but there are four states in this country which did better.

END OF FIRST TERM
The first semester of the school year will come to a close Friday, Jan. 25. This week the pupils of grades five through eight are taking standardized achievement tests in reading, arithmetic, English and spelling. A progress chart sent home to the parents will inform them of their children's grade rating in these subjects.

"We did it Again!"

That's the jubilant news that comes from Flint to every Buick dealer—and here we pass the thrilling story on to you. It sure is true for '52 that better automobiles are being built—and Buick is building them. Read the good word and you'll agree.

Let's pare this down to plain statements of fact and let them speak for themselves:

The dynamic darling pictured here is the 1952 ROADMASTER.

It has the mightiest engine in Buick history.

It has the biggest brakes of any postwar Buick.

It is the quietest car that Buick ever built.

It has the richest fabrics and smartest tailoring that ever graced a Buick's interior.

It has the greatest trunk space since spare tires moved off the front fenders.

It has the most superb ride in Buick history.

It has the finest carburetor that Buick research has ever devised.

And with all its new power, it delivers more miles per gallon.

But that is not all.

For those who wish it, there is a brand-new version of power steering that works like a helping hand—gives you the

same sure feel of control you have always known in straightaway driving—takes less than one-fifth the effort needed to turn the ordinary wheel standing at curbside.

Sure, we're putting our best foot forward when we talk about ROADMASTER.

But you'll find a host of notable features in SUPERS and SPECIALS too—plenty to make them, as always, the standout buys in their fields—for ride, for comfort, for style, for room, and for power.

Come in—look this triumphant trio over—and you'll know why every Buick dealer from coast to coast is going around with a smile on his face.

Ed Got Red In His Own "Hot Water"

Big Ed started a "Pay-Your-Bill" campaign last week and ended up with a slightly red face. Ed's been our Water Commissioner for ten years, and for ten years now he's been getting riled up over slow payments of bills.

So, he finally decided to do something drastic about it. Last week he sent notices that if the slackers didn't pay up by Friday, he'd shut off their water.

Naturally, some still didn't square accounts. Ed ordered their water turned off, and 14 homes

went without all week end—the Commissioner's among them. Seems Ed forgot to pay his bill.

From where I sit, Ed's mistake is one we all make at times. We are too quick to accuse others while forgetting our own faults. Lots of us do it, for instance, over a difference in taste for a soft drink or a friendly glass of beer. Let's respect each other's preferences and we'll all stay out of "hot water."

Rural Schools .

SYLVAN CENTER

Sylvan Center school is doing its part in the March of Dimes. Most of the children have responded very generously.

The following people had perfect attendance for the last marking period: Larry Coleman and William Giddis.

The epidemic of colds has subsided and most of the children are back in school and busy completing their first semester work.

Malcolm Reinhardt has recovered from his long illness in the University of Michigan hospital and is back in school. Leniss Beach is recovering from a tonsillectomy.

RIEMENSCHNEIDER SCHOOL

The children have enjoyed the story of Paul Revere and made silhouettes to go with the story. They are starting on the story of Benjamin Franklin and will make silhouettes of this story, too.

In reading, they have been reading stories and telling them to the class.

They have been doing exceptionally well in spelling, with almost everyone getting "A's." There has been a lot of sickness lately and children have been out

with bad colds, sore throats, and chicken pox.

PUMPKIN COLLEGE

Jerry Abdon fell last Tuesday and pulled out two teeth by the roots which were wired back in place. All the children felt very sorry for their schoolmate.

Organizations ...

HOME EC.

Seventh Graders have been studying breakfasts and served a "brunch" as one of their projects.

Home Ec. I girls have finished their home nursing unit and are discussing the control of diseases.

Homemaking II girls have been studying the buying of clothes and are now planning a unit on foods.

The Homemaking III girls have changed classes with the boys' shop class for six weeks. The girls will learn the important things they can do around the house.

LATIN CLUB

The Latin club received a letter from the Latin club of Manchester High school asking Chelsea about the club's constitution. At present, Chelsea's Latin club doesn't have a constitution.

The roller skating party was cancelled because there weren't enough drivers.

Movies ...

Various movies were shown during the past few weeks. Short-hand class saw "The Secretary's Day." It pictures the many duties of a busy secretary.

Biology classes had three movies shown to them. One explained "Digestion"; another, "Eyes and Their Care." Friday they saw the many different species of reptiles from the movie "Reptiles."

Seventh grade history class learned about transportation between two continents from the feature film entitled "Great Cargo."

The American Government class saw the movie "Propaganda Techniques" which showed the various techniques in advertising and political campaigns, and how the politicians get people to believe as they do.

The World History class saw the movies on Napoleon Bonaparte, "Man on the Rock," and "Conquest." The first told about the death of Napoleon on the island of St. Helena. "Conquest" told about the countries he conquered and how he conquered them, and about his own life.

The Shorthand class saw "Can You Read Gregg?" a movie that showed them how to write good shorthand.

The Physics class saw "Nature of Sound." It told about the study and effects of sound.

The Art class learned different things about sculpturing in "Sculpturing Is Fun."

In "Birds of Prey" the Biology class learned about various kinds of birds.

Mobile unit grades apples in the orchard, boosts profits

Field tests have shown that mobile orchard graders increase the net income from apple crops, especially where fruit is stored orchard run or marketed in unfaced crates. Michigan State College Agricultural Experiment Station, in cooperation with the U. S. Department of Agriculture, tested a grader that weighed about 450 pounds and was powered by a 1-hp. gasoline motor. With it, 6 or 7 pickers and a sorting crew of 4 picked

Results of using the mobile grader were: less handling and bruising, no unnecessary handling of undergrade fruit, increased picker output, less packing-house space needed and longer storage life of apples. For more information, telephone, write or visit your County Agricultural Agent.

Rural telephone service steadily improves

In 1951 Michigan Bell added 9,000 more telephones in rural areas. It made service better for 4,000 others with new equipment that put fewer parties on their line or gave them better ringing. Nearly three of every four establishments in Michigan Bell rural territory have telephones now; most are on lines with eight telephones or less. Money for extending and improving service must come from people who invest their savings in the telephone business. Naturally they expect the business to earn a fair profit, to pay them a fair return for the use of their money.

MSC Farmers' Week Offers Many Feature Events for Ladies

Women who attend Farmers' Week, Jan. 28 to Feb. 1, at Michigan State College, might well find it is Farmers' Week, too, Anna B. Brown, county home demonstration agent, said today in announcing the annual program.

With a program developed to please a wide range of interests and ages, Mrs. Brown urged both rural and urban women to attend the event held on the MSC campus at East Lansing.

High point of the week for women will come Thursday afternoon when MSC co-sponsors a fashion showing of clothes made in home economics classes. New ideas in fabrics, styles and pattern variations will be featured in the show that last year attracted nearly 5,000 Michigan homemakers.

Specialists from the college home economics staff, as well as national authorities, will discuss a variety of subjects in Tuesday, Wednesday and Thursday meetings. Talks on short-cuts for homemakers with heart trouble, home management, house design and interior decoration are scheduled for Tuesday. The Wednesday agenda includes such topics as new fabrics, weight reduction and foreign affairs. On Thursday, woman's role in this "Defense Decade" will be discussed and will be followed by a talk on democracy in our homes.

President John A. Hannah and Gov. G. Mennen Williams will be on the general meeting program Wednesday afternoon. Demonstrations of television production will be held Tuesday, Wednesday and Thursday afternoons, Mrs. Brown said.

Barefoot Paradise

There are no snakes in Hawaii's grass, according to the World Book Encyclopedia. Though reptiles usually thrive in tropical climates, Hawaii is the sole exception to the rule. Snakes are unknown in this paradise of the Pacific.

Birthday Party Honors 14 Ladies at Methodist Home

Fourteen ladies at the Methodist Home were honored at a joint birthday party held at the dinner hour last Thursday. One of the fourteen, Mrs. Phoebe Ross, was the recipient of additional honors Saturday, Jan. 19, her 98th birthday. The Saturday observance included the surprise presentation of a birthday cake for Mrs. Ross as a gift from the Home dining room and kitchen employees with whom she has always been popular. Mrs. Ross is a spry little person and it has been her custom to help often in the kitchen at the Home. She still helps when there are things she can do.

Mrs. Ross came to the Home nine years ago from Farmington. Her many friends there frequently come to visit her and last Thursday the choir from her home church came here and gave a concert.

Mrs. Ross' sister, although considerably younger than she, is also a resident at the Home. She is Mrs. Rhoda Roche.

At Thursday's birthday party, the table where the birthday celebrants were seated was centered with a bouquet of yellow chrysanthemums.

Each of the 14 ladies received ball point pens as birthday gifts from the organization known as "Chelsea Home Friends."

Those whose birthdays occur in January and who were honored Thursday, in addition to Mrs. Ross, are Mrs. Lillian Brown, Mrs. Carrie Mowrey, Mrs. Martha Cooper, Mrs. Fannie Buehl, Mrs. Sarah Tuck, Mrs. Jennie Parker, Mrs. Olive Arson, Mrs. Minnie Fisher, Mrs. Ernestine Penniman, Mrs. Elizabeth Schock and Mrs. Lottie Mastin and the Misses Mae Clark and Charlotte Leslie.

All were at the dinner table with the exception of Mrs. Mowrey, Mrs. Tuck, Mrs. Penniman, Mrs. Schock and Miss Leslie. Some of these were unable to leave their rooms and at least one was away visiting relatives.

Eye Strain

How can you tell if your child is suffering from eyestrain? Some of the common indications are: redness of the eye membranes, irritation of the lids, poor appetite, holding of the head in odd positions, fatigue, sulkiness, and headache, according to the Better Vision Institute. If the child is troubled with eyestrain, he will not "outgrow" it, as some parents think. Corrective measures must be taken under professional guidance.

DEATHS

Mrs Lyman Stafford

Mrs. Lyman Stafford died early Friday morning at her home, 19900 Old US-12, West, following several months' illness. She and Mr. Stafford had lived in their home here since last fall. They had made their home at Layton's corners, in Jackson county since their marriage July 27, 1948.

Mrs. Stafford was the former Rosa W. Brown, a daughter of Jeremiah and Rachel Anne Moss Brown. She was born March 4, 1887, in Fairhaven, Minn.

She was married Feb. 18, 1907, in Kimball, Minn., to John LaBarge, who was an employee of the Great Northern Railway until moving to Chelsea in 1926. They lived here until 1934 and then made their home in Ypsilanti where Mr. LaBarge died July 4, 1944.

Following his death Mrs. LaBarge came back to Chelsea and lived on Taylor street until her marriage to Mr. Stafford.

She was a member of the Order of Eastern Star. Funeral services were held at 2 o'clock Monday afternoon in the Staffan Funeral Home with W. B. VanSycoc, first reader of First Church of Christ, Scientist, Ann Arbor, officiating. Burial followed in Oak Grove cemetery.

Survivors of Mrs. Stafford are the husband; a son, John LaBarge, of Ypsilanti; a daughter, Mrs. Willard Carlson, of Chelsea; two sisters, Mrs. Dora B. THAWING SALT DELIVERED \$150 per 100 lbs. DIAL 6911 Chelsea Lumber, Grain & Coal Co. Eye Strain How can you tell if your child is suffering from eyestrain? Some of the common indications are: redness of the eye membranes, irritation of the lids, poor appetite, holding of the head in odd positions, fatigue, sulkiness, and headache, according to the Better Vision Institute. If the child is troubled with eyestrain, he will not "outgrow" it, as some parents think. Corrective measures must be taken under professional guidance.
