

Rev. T. Toy Begins Duties Here Today

**Congregational
Pastor at Hudson
for Nearly 7 Years**

Rev. Thomas Toy, who accepted a call to become pastor of the Congregational church here, begins his new duties today, Jan. 1, and will be in charge of the services at the church the coming Sunday, Jan. 4. Services will begin at 10 a.m., with Sunday school to follow at 11 a.m.

Rev. Toy comes here from Hudson, where he served as pastor of the First Congregational church since March 20, 1946. During his six years and nine months in the Hudson church, 150 members were added and a total of \$27,000 was raised for church and parsonage improvements.

Rev. Toy was also interested in community affairs and has been an active member of Lebanon Lodge No. 26, F&M, and the Hudson Kiwanis club.

Rev. and Mrs. Toy are the parents of four grown children. Two sons, William T. and Robert M., both married, live in Lansing. One daughter, Mrs. Edward Bowen, Jr., lives on a farm near Williamston, and the remaining daughter, Mrs. L. K. Rodwell, is at present in Honolulu where her husband is stationed as a master sergeant with the U. S. Marine Corps.

Rev. Toy was born in Cornwall, England, and received his education and preparation for the ministry in his native land. He was ordained in the Pennsylvania conference church in Lansing, of which he became pastor March 21, 1924.

Before going to Hudson, he had served a church in Muskegon.

Rev. and Mrs. Toy will be moving into the Congregational parsonage, 221 East Middle street, Tuesday, Jan. 6.

Rev. Toy succeeds Rev. W. H. Skentelberry whose resignation became effective Sept. 1, when he took over his duties as pastor of the Congregational church at Litchfield. Rev. Skentelberry had served the Chelsea church 10 years.

Rev. Nathaniel Skidmore of Jackson, retired Congregational minister, has served as interim pastor of the local church and delivered his final sermon in that capacity last Sunday.

Funeral Services To Be Held Friday for Mrs. J. H. Boyd

Mrs. J. Howard Boyd died at 5:15 Sunday afternoon in St. Petersburg, Fla., where she and her husband had planned to spend the winter. Mrs. Boyd had been ill for some time and had made the trip south by plane.

She was born March 16, 1887, in Ashtabula county, Ohio, she was the former Bernice Marian Sinclair, a daughter of Edgar and Bada Stowell Sinclair.

She had made her home in Chelsea since her marriage to Mr. Boyd Jan. 16, 1915, with the exception of about three years when they lived in Ann Arbor. Their present home here is at 202 Lincoln street.

Mrs. Boyd was an active member of various organizations in the community including Olive Chapter No. 108, OES; Pythian Sisters; Past Chiefs club of the Pythian Sisters; Rebekah Lodge; the Congregational church and Mayflower Chapter of the church. She was one of two remaining charter members of the Pythian Sisters lodge.

The body was to arrive here by train at 9:30 a.m. Wednesday and was to be taken to the Staffan Funeral Home. Friends may call at the funeral home.

Funeral services are to be held there at 2 o'clock Friday afternoon, with Rev. Thomas Toy of the Congregational church officiating. Burial is to take place in Oak Grove cemetery.

Survivors of Mrs. Boyd, in addition to her husband, are her mother, Mrs. Edgar Sinclair, of Geneva, Ohio; two sisters, Mrs. Helen Thomas of Eaton, Ind., and Mrs. Paul Shriver, of Chelsea; and several nieces and nephews.

New Industry Moving into Bowser Plant

The Bowser plant on Old US-12, closed since 1947, will house Chelsea's newest industry, a branch of the Gudegan company, of Chicago, manufacturers of electronic parts.

This plant is to begin production in January, according to present indications.

Turner Electric company has already begun installation of the power setup, and preliminary wiring in preparation for installation of the company's machinery.

Elmore Ayer, of Chicago, who will be in charge of the plant here as manager, was in Chelsea Monday and explained that the Gudegan company is a subsidiary of Elmore, Inc. The Chicago plant employs between 400 and 500 persons.

The local branch will initially employ 28 persons, mostly women. All local people will be employed, none being transferred from Chicago.

Moving of machinery into the plant here will begin the coming week, according to present plans.

Principal products to be manufactured here will be capacitors and electronic products for radio, television and telephone equipment.

Bowser, Inc., Chelsea Division, employing approximately 75 persons, operated the plant under lease as a gear division until purchasing the building in 1946.

The plant closed down Christmas Eve, 1947, and subsequently all equipment was moved to the company's factory in Chicago.

Since that time the building here has been used each fall to house Chelsea Community Fair exhibits.

Move into New Grade School Building Nearly Completed

Russell Alstaetter, custodian of Chelsea Agricultural schools, his three assistants and three extra men have been busy this week moving elementary school equipment into the new building.

The principal part of the moving is about completed and everything will be in readiness for school to open Tuesday morning, Jan. 6.

Pupils in the elementary grades, kindergarten through the sixth grade, will have an extra day of vacation during the week-end, and over the week-end with last Monday.

Tuesday afternoon was the time set for an official inspection of the building. Present for the inspection tour were members of the Board of Education, a representative of the architects, Lewis C. Kingscott & Associates, the head contractor, Wallace Bjorklund, Sr., Supt. Charles S. Cameron, and Custodian Russell Alstaetter.

Mr. and Mrs. Frank Visel, Mr. and Mrs. Charles Ritter and daughter, Cecelia Birch, and Howard Neale of Ann Arbor, were Christmas dinner guests at the William Birch home.

At the midnight chime of the bells, a New Year will cross the horizon of Time... bringing with it the promise of a page, unread... the hope of a new day's dawning... the inspiration of a fresh beginning. May the promise be fulfilled, the hope realized, and the inspiration rewarded with achievement for you and yours in 1953.

Farm Outlook for New Year To Be Discussed at Saline

The farm outlook for 1953, the latest in income tax changes, and methods of boosting profits on Washtenaw county farms are the topics to be discussed at the "Farm Outlook" meeting to be held at Saline on Jan. 7, according to Don Johnson, county agricultural agent.

The meeting is being sponsored by Washtenaw county Bankers Association and Agricultural Extension Service.

James Wilson and Everett Peterson, agricultural economics specialists from Michigan State College, will be on hand for the meeting which will begin at 8 p.m. in the high school building. Everyone is invited.

The principal part of the meeting will be built around an actual southern Michigan farm which has 120 acres of crop land. At the present time there is a herd of eight dairy cows, eight young stock, and a small flock of laying hens on this farm.

The possibility of increasing the size of the dairy herd, building up the productivity of the cows, and cutting grain and protein supplement costs by producing good quality legume roughage will be considered.

The effect of these three important changes on the cropping program, investments, labor requirements, gross income, expenses, and net farm income will be examined.

Tire Blow-Out Near Lima Center Causes Injuries to Two Ladies

Dorothy Eisenman, 121 East Summit street, and Gladys Whittington of Lima Center, were injured at 12:30 Friday noon when the car Miss Eisenman was driving went out of control after the left front tire blew out. The car crashed through the stone wall and fence at the Adolph Steinway farm just east of Lima Center.

Miss Eisenman's injuries were reported to include a broken nose and fractured ribs, while Miss Whittington suffered a cut on the left temple and possible broken ribs.

The ladies were headed for Detroit where they were planning to remain overnight and attend the wedding of Miss Eisenman's niece, Dorothy Brennan, Saturday morning.

Miss Mabel Nelson of Detroit, spent from Tuesday until Monday here with her sister, Mrs. Alfred Mayer, and family. Also Christmas dinner guests of Mr. and Mrs. Mayer were Mrs. Sarah Mayer of Ann Arbor, and Mr. and Mrs. Elmer Mayer.

Business To Return to Competitive Basis in New Year Ahead

**Financial Writer
Sees Tapering Off
Some Later in Year**

By Roger W. Babson
Business will start the year 1953 in high gear. The pace will slacken, however, as the year unfolds, with total business volume for 1953 smaller than for 1952. The powerful supports of the great boom—construction and automobiles—will lose strength as the year advances.

Barring World War III, 1953 will find business operating under less government control than any year since the outbreak of the Korean war. But don't expect removal of price controls to help profit margins.

Intense Competition Predicted
Salient economic feature is the fact that our productive capabilities have been expanded to a point where, barring World War III, output can take care of both arms and civilian needs.

The handwriting is on the wall against inefficient operators. Their days are numbered. The successful businessman next year will be the one who can control his costs and stay out front in his market.

I strongly urge my business friends to get out and sell, and sell hard next year; but hire the best cost accountants you can for the buck office. "Order takers" will find fewer jobs as 1953 moves along.

War and Peace
Forecasts for 1953 are made on the assumption that World War III will not strike during the year. However, I want to make it clear that "all bets are off" the day Stalin dies or retires.

The H-bomb gives us another lease on time. Our first lease, from Hiroshima in 1945 to the Russian A-bomb explosion in 1949, was frittered away in idle bickering. This time we will have another "breather." It may be our last chance.

1953 will be most important in the struggle for World Peace. We will need more than an H-bomb to win the peace. We shall need a great rise of spiritual strength, which is not now evident.

The New Business Boom
The new business boom following World War II was beginning to run out of steam when the Korean war gave it a new lease on life. However, the stimulus of defense spending is already fading. Barring further international troubles, defense activity in 1953 will be a floor under, and not a new stimulus to, business activity.

Capital expansion will move into a readjustment phase some time in 1953. This has been an outstanding economic force behind our long period of good times. Nevertheless, I do not now anticipate any sharp break in business, but a slide starts it should be gradual, not steep.

Big credit expansion has been a powerful "shot in the arm" for business during the past two years. I predict that in 1953 loan repayments will become more important than new credit advances. This could handicap over-all business unless advertising expenditures are increased.

Under an Eisenhower administration I do not look for expansion of our money supplies as a result of increased deficit financing. Thus, another stimulating force will be absent next year despite the better confidence following the Eisenhower landslide.

More Conservatism in Government
Although General Eisenhower ran far ahead of his ticket, there has been a considerable gain in the conservative complexion of Congress. The margin in favor of conservatism is not measured by the slight excess of Republicans over Democrats. It results from the fact that several Democrats can be counted in the conservative column. The emphasis will be on purifying bureaus and commissions.

All government departments will be at the service of the Republicans after Jan. 20. Never before in the history of the United States has a conservative government had such a powerful bureaucracy at its finger tips. In 1953 we shall see the use of these bureaus to aid rather than handicap business.

Hang Onto Your Job
Unemployment will be no problem for the workers of the nation during the early months of 1953. The demand for and the supply of labor are in good balance. Later, however, unemployment will increase, reaching its highest point toward the end of the year.

While employment runs high during the first part of the year, strikes will continue to plague management. Unions, however, will be cautious so that they will not bring down on their heads the legislative wrath of a conservative Congress.

During the early months of 1953 amendments to the Taft-Hartley Act will be moderate. Great labor turmoil would surely result in severe restrictions on labor being read into the Act. All in all, I forecast a decline in strike totals for 1953.

Looking to the year 1953, I am urging my friends and their children to work more faithfully at their jobs. They should not be fooled by present high demand for labor. Early 1953 should be used to "dig in" and work harder. Drifters will be the first to be let go.

Price Forecasts
Barring World War III and severe droughts, the supply of most raw materials, farm products, and manufactured goods promises to be adequate during 1953. Even the so-called invisible inventories in the hands of consumers are high as a result of heavy buying since the outbreak of the Korean war. I anticipate few shortages next year.

Do not forget that there is always a big IF in the supply situation with regard to farm products. Severe drought could cause havoc. One is already long overdue. Scan closely weather reports from the nation's "bread basket."

The demand for goods will be stronger in the first half of the year than it will be during the latter half. Disposable income will hold close to current high levels during the first half of 1953.

Total pay rolls will hold well, with prospects favoring a slight drop during the late months of 1953.

Earm gross income will strengthen along seasonal lines during the first four or five months of 1953. If we can avoid drought, I look for a lower farm income during the second half of the year.

The trend of wholesale commodity prices will remain in a basic long-term downswing. Look for temporary price recoveries in many goods during the early part of 1953, but do not let them fool you.

Unless more international troubles or drought strike hard, living costs should average some lower in 1953 than in 1952. Here again, tapering off will occur late, not early in the year.

Over-all trade in 1953 will be close to 1952 levels, as far as physical volume is concerned, with a moderate decline in dollar terms. The most attractive merchandising investments should be: (1) Supermarket groceries; (2) Variety chains; (3) Mail order stores; and (4) Department stores, excepting a few in the largest and most congested cities.

Demand for capital goods will hold strong during most of 1953. A definite slowing, however, will

CARD OF THANKS

I want to thank all my friends,
neighbors and relatives who sent
me such beautiful cards, flowers
and other gifts while I was at the
hospital and since my return home.
Nancy Koeniger.

CARD OF THANKS

We wish in this way to thank
our relatives, friends and neigh-
bors who so kindly remembered
us in the loss of our dear sister
with their many beautiful flow-
ers, offerings, memorial service and
their many kind expressions of
sympathy. We also wish to thank
our pastor, Rev. A. Blum, for his
comforting words and the funeral

CARD OF THANKS

I wish by this means to express
my gratitude to my friends and
relatives for the flowers, pinning
fruit and cards sent to me while
I was at the hospital and since my
return home. I especially wish to
thank those who so kindly donated
blood and also the Chelsea Blood

PERSONAL NOTES

Mr. and Mrs. William Blaess and family spent Christmas in Ann Arbor with Mrs. Blaess' parents, Mr. and Mrs. George Randel.

Lt. Eldon Eisele, stationed at Camp Lucas, Sault Ste. Marie, left Sunday after spending a week here with his parents, Mr. and Mrs. Julius Eisele.

Christmas dinner guests of Mr. and Mrs. Edwin Gaunt were Mr. and Mrs. William E. Gaunt of Detroit, Mr. and Mrs. William J. Piper and son, David, and John Piper, of Royal Oak, and Mr. and Mrs. James Gaunt. The Edwin Gaunts and Mr. and Mrs. William E. Gaunt were Christmas breakfast guests of Mr. and Mrs. James Gaunt.

Ronald Allison, stationed with the U. S. Navy at San Diego, Calif., called on Chelsea friends Christmas Day and visited Mr. and Mrs. Walter Leonard and Mrs. John Osterle. He was accompanied by his fiancée, Lorraine. Employed in the composing room at The Standard until his enlistment in the Navy in October, he was spending a Christmas leave at the home of his parents, in Lansing.

John Pierson spent from Tuesday until Sunday at Hightstown, N. J., with his parents, Mr. and Mrs. John S. Pierson.

Mr. and Mrs. Robert E. Gillette and sons, of Muskegon Heights, spent Christmas with Mrs. Gillette's parents, Mr. and Mrs. Otto Luthi.

Mr. and Mrs. Paul F. Niehaus, with Lucille Myers, of Detroit, spent Christmas in Lansing at the home of Mrs. Niehaus' mother, Mrs. G. Fred Bauerle.

Christmas dinner guests of Mr. and Mrs. Elton Musbach were the Kenneth Musbach family of Munith, and Mr. and Mrs. William Freiermuth of Fitchburg. Evening visitors were Mr. and Mrs. S. H. Ray of Bellevue.

Mr. and Mrs. Richard Bahnmiller of Flat Rock, Mr. and Mrs. Harley Prudden of Dearborn, Pam, and Mr. and Mrs. W. W. Green and son, Billie, of Ann Arbor, were Christmas dinner guests of Mrs. Clarence Bahnmiller.

Christmas Eve guests of Mr. and Mrs. J. J. Barels were Mr. and Mrs. Fred Barels and family, of Jackson, and Christmas day dinner guests were Mr. and Mrs. Dan DeLong and Mrs. Margaret Hershey of Tecumseh.

Christmas dinner guests of Mr. and Mrs. Paul Barbour were Mr. and Mrs. Glenn Barbour of Zephyr, Leon Wenk and daughter, Patsey, of Detroit, Mr. and Mrs. E. J. Bahnmiller, Ernest Moyer and the Misses Cora Feldkamp, Nedra Moyer and Amanda Koch.

Lucille Hawley of Tecumseh, spent Christmas Eve here with her parents, Mr. and Mrs. Joseph Wright. Christmas day they were dinner guests of Mr. and Mrs. Edine Hawley at their home in Jackson.

Christmas guests at the home of Mr. and Mrs. Walter Gage were Mr. and Mrs. Elba Gage, Mr. and Mrs. H. G. Gage, and sons, Mr. and Mrs. Leigh Luick and sons; also, Joan Buku, of Belleville, and Mr. and Mrs. Ed Easterle of Ann Arbor. Mary Ann Gage of Kalamazoo, was an evening caller.

Miss Gladys Schenk of Dearborn, and Mr. and Mrs. Frederick Koller and son, Curtis, spent Christmas with Mr. and Mrs. Paul Belser. The Belser's daughter and her husband, Mr. and Mrs. Bernard R. Wolf, and their children, of Homewood, Ill., spent from Friday until Sunday here.

Sunday dinner guests of Mrs. Louis Eppler were Mr. and Mrs. Adam Eppler, their daughter, Gertrude, of Bowling Green, Ohio, and Miss Augusta Harris of Ypsilanti. Afternoon and evening callers were Mr. and Mrs. George Roessler and Mr. and Mrs. Fred Knoedler of Ann Arbor, Mrs. A. A. Schoen of Dexter, and Mr. and Mrs. Robert Giff and children, of near Pontiac.

Jennie Myers, daughter of Mr. and Mrs. Stewart Myers of Fenton, is spending the holidays with her grandparents, Mr. and Mrs. John Myers, of Wilkinson road. The Myers' son, David, is home on 30-day leave and Christmas day a family dinner was held in his honor. Present from out-

Stopping Distance Increases Sharply on Packed Snow

Chief of Police George W. Doe said today he made one important New Year's resolution.

"I'm going to urge the people of our village to be a little more careful to avoid trouble. In that way, we will have fewer traffic accidents; fewer hospital emergency cases, yes, and fewer sudden deaths this winter."

"When it snows during January and February, traffic often packs the snow hard before it can be removed. Sometimes rain or sleet, or thawing followed by freezing, coat the streets with ice," Chief Doe continued.

"Now, when we have ice or snow, the first thing all motorists should do is to slow down. On hard packed snow, a speed of 30 miles is equal to 60 miles on dry concrete in stopping ability."

"Say it another way: At a speed of 20 miles a car can stop in 21 feet on dry concrete. But on hard packed snow, it takes about 70 feet with conventional tires, and 40 feet with winterized tires, and 40 feet with tire chains. On glare ice tire stopping distances are about tripled, and for chains they are doubled."

The chief said these figures were quoted from reports of tests conducted annually by the Committee on Winter Driving Hazards of the National Safety Council.

"In addition to dependable traction," he continued, "we must have good vision for safe winter driving. Vision depends on a clear windshield and good headlights. A clear windshield depends upon live rubber wiper blades, sufficient power in the wiper motor, and a defroster in the windshield. The driver should also carry something to scrape ice and snow off the windshield and other car windows."

Mr. and Mrs. Joe Sealey of Ann Arbor, here to spend the holiday week with Mr. and Mrs. Walter Harper were Mr. and Mrs. William Peterson of Cadillac, and Mr. and Mrs. Arthur Collins of Allen Park, and their children.

Mr. and Mrs. Ernest Adam spent Christmas in Dearborn with their son, Donald, and family. Mrs. Adam remained to spend the weekend.

Dinner guests Friday of Mr. and Mrs. Elton Musbach were Mr. and Mrs. William Freiermuth, of Fitchburg, Mr. and Mrs. Clum of Lake Odessa, and Mrs. Bessie Mitchell of Munith, all of whom had attended the funeral of Don Lee Wahl.

Pfc. Richard Mohrlock, who had been stationed at Chanute Field, Ill., spent Christmas with his relatives here and left Sunday to visit friends in Detroit. He will return for New Year's and remain until he leaves to report at a Louisiana air base on Jan. 5.

Mr. and Mrs. Alvin Schiller were hosts for a family gathering at their home Sunday, Dec. 21, those present including Mr. and Mrs. Roland Roehm and family, of Ann Arbor, Mr. and Mrs. Jack Warren and sons, Norma Schiller and Lucille and Judy Martin.

Babson Forecast...

(Continued from page one)

quicken the trend toward sub-
sistence farms.
36. As public housing programs
are far behind schedule, the new
Congress will not promote such in
1953 unless the need for pump-
priming becomes much greater.

Tax Easing Will Be Slight

37. Tax relief will come mostly
from expiration of present laws
rather than from a new enlight-
ened tax program. Easing fur-
ther international problems, the
present corporate excess-profits
tax will be permitted to expire at
the end of June, 1953.

38. If the need for new taxes
continues high, after expiration of
the excess-profits tax, the new
Congress may consider additional
excise or manufacturers' sales
taxes. They may also serve to
discourage consumer spending, if
the war danger becomes acute.

39. State and local taxes may
be increased moderately here and
there during the year 1953. How-
ever, I do not look for total ad-
vances in such to be so great in
1953 as they were in 1952.

40. There will be no increase
in capital-gains taxes during 1953;
but read paragraph 45 below. In-
come taxes may be reduced.

Foreign Trade Outlook

41. Exports will fall again in
1953. The drop in imports will
be much less than in exports. The
new administration will be urged
to promote foreign trade instead
of foreign aid. Only by buying
our neighbors' goods can we get
them off the relief rolls. To save
ourselves, I predict, we will buy
more abroad, though this will be
hard on some United States manu-
facturers.

42. I look for no change in the
official United States buying price
for gold. We won't "monkey with"
the mint price of gold until the
nation gets really "hard up."

Conclusion:

Profits Prospects, Stocks and Bonds

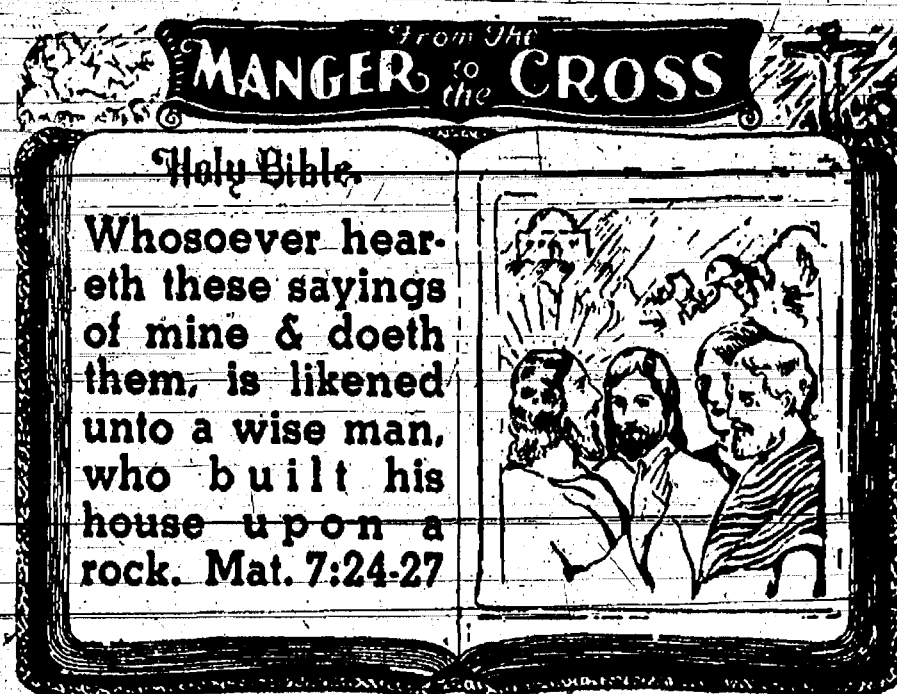

43. For the year as a whole I
look for business profits to be
slightly lower than in 1952. Earn-
ings will be better during the early
months, with a decline occurring
later in the year. Profit margins
will be cut by stiffer competition
from both domestic and foreign
sources.

44. Recently upped wages, plus
some additional 1953 boosts, will
also put heavier cost pressure on
profits.

45. Some companies that have
been hard hit by excess-profits
taxes may show improved earn-
ings when the excess-profits tax
expires June 30.

46. There will be a cushion
under falling profits provided by
the current very high tax rates.
If profits slide, Uncle Sam will
share the heavier loss. This very

fact, however, will make it difficult
for Congress to reduce the rate
of taxation.

47. Stocks are high historically.
We are approaching the end of a
long period of prosperity, much
of which is based upon artificial
measures. Therefore, sometime
during 1953 I forecast lower stock
prices than exist today.

48. Yet, do not forget that the
stock market was at about the
same price point when President
Hoover won by a landslide in 1928.
With business prospects good for
early 1953, confidence might again
cause a temporary boom. If an
"Eisenhower bull market" devel-
ops, I strongly urge readers to
take profits and build up reserves.
Within 12 months after Hoover
entered the White House the In-
dustrial Averages fell 100 points.

49. New administration will not
favor "soft money" policy. There-
fore, some further rise in interest
rates seems probable. For this
reason, I favor high-grade, short-
term bonds, rather than long-term.

50. Finally: Wise investors are
taking no action unless prepared
to follow a carefully planned and
supervised investment program.
The keynote of this program will,
in 1953 as in 1952, prove to be a
policy of diversification and selec-
tivity. Among those groups which
offer safety and good yield are
certain fire insurance stocks, bank
stocks, variety chain store stocks,
food processing companies and
telephone companies. Even these
may fail us unless our nation has
a real spiritual awakening. This
must include both you and me.

JAN. 3rd! First Showing of the

NEW **FORD** TRACTOR
Golden Jubilee MODEL

★ MOST ADVANCED Hydraulic
System in any Tractor!
★ EXTRA POWER with New
Overhead Valve Engine!

Yes, it goes on display Saturday, Jan. 3rd, ready to show you what a really modern tractor can and should be.

It's ready with extra power, extra size, extra weight. It's ready to demonstrate new handling ease, comfort and convenience.

It's ready also to introduce you to the most advanced hydraulic system in any tractor. We call it Live-Action Hydraulic Control. That means split-second hydraulic response any time the tractor engine is running. Then there's a choice of hydraulic speeds when you want even faster action. It is called Hy-Trol.

This new tractor is ready with its great new overhead valve Ford "Red Tiger" engine. With its greatly reduced piston travel, lessened friction and other advanced design features, this engine develops ample reserve power with new economy of gas and oil.

Most important of all, Ford's Golden Jubilee Model is eager to show you what it can do—what this great combination of modern advancements and every time-proved Ford Tractor advantage means in more and better work, done more easily and more profitably.

Here he comes! A brand-new, grand-new year... bright-eyed and bouncy... chock full of promise! Like all babies, of course, his future depends a lot on his "bringing up." Train him early in the ways he should go. For instance...

Give him the thrifty habit of saving... the business-like habit of paying by check... the sensible habit of looking to this bank for sound financial counsel.

Plants Remember Workers at Christmas

Chester Spring employees who wished to have the Christmas week-end off were permitted by the company to take Friday off without losing their holiday pay. A recognition of the holiday pay clause in factory-union agreements is that employees shall be present the day after any holiday for which they receive pay. The rule was waived for the Christmas holiday. Employees at the Spring plant were also let off an hour early the day before Christmas without deduction of their pay.

Central Fibre employees received their usual Christmas gift of a large box of assorted nuts.

PERSONALS

Guests for two days Christmas week at the home of Mr. and Mrs. Don Houle were Mrs. Houle's sister and husband, Lt. and Mrs. Robert Olsen, and their son, George. Lt. Olsen had been stationed in California and has been assigned to duty in Korea. Mrs. Olsen and her son will remain at their home in Cheboygan.

Guests Christmas week at the home of Mr. and Mrs. Don Houle were the former's parents, Mr. and Mrs. Peter Houle, of Escanaba, and his brother, Sgt. Ray Houle, stationed with the Air Force at Albuquerque, N. Mex., who was home on leave. Also guests Christmas day were another brother, Roy, and his family, of Flint.

DEATHS

Miss Sophia Realy

Funeral services were held Thursday, Dec. 18, in St. Jacob's Evangelical Lutheran church at Waterloo for Miss Sophia Fredericke Realy, 78, who died Monday, Dec. 15, following a heart attack. She had suffered from a heart ailment for a number of years. Rev. A. Bloom officiated at the services and burial followed in the church cemetery.

Born April 21, 1874, in Waterloo township, she was a daughter of Jacob and Katherine Archenbom Realy. Survivors are one sister, Mrs. Ida Schumacher, and three brothers, Charles, Daniel and Albert Realy, all of Waterloo township.

Mr. and Mrs. Elwin Hulce and sons, of Rosecommon, spent Christmas here with Mrs. Theodora Bahamiller. They were accompanied home for the week-end by Hugh Weinberg and returned to spend this week here.
