

With the dust barely settled on this year's state election, Republicans already are casting around for a gubernatorial candidate for 1951.

It's strictly conversational at this point, but at least five hopefuls are being considered as the next Republican governor. Oddly enough, Fred Alger, who lost last election by a great hair, isn't even being considered. Not even he is figured as being washed up in Michigan politics, but it is expected he will be offered a post in Washington by the new GOP administration.

Names getting more than casual mention for the 1954 campaign are D. Hale Brake, who has made it no secret that he would like to be governor, Owen J. Cleary, new secretary of state and for four years chairman of the State Republican Central Committee, Donald S. Leonard, Detroit police commissioner, John B. Martin, Jr., auditor general, and Frank G. Millard, attorney general.

Brake has served ten years as treasurer of Michigan and eight years in the senate. He seriously considered entering the race for governor in 1950, but he is a strict party man and stepped aside for Harry F. Kelly, who Republicans thought would have a better chance against Williams.

Cleary had his eyes on state political office as far back as 1946 when he ran for lieutenant governor, and it is no secret that he considers his election as secretary of state a stepping stone to a higher office.

Don Leonard surprised the state when he pulled up a substantial vote for governor in last year's primary. He now has a fine job as top banana in the Detroit police department but he would like to be governor, and many observers consider him the most likely to win the nomination two years from now.

John B. Martin has political ambitions. He served one term in the senate and jumped from there clear up to the auditor general's office. He lost out in the primary to Charles E. Potter when he took a crack at the U. S. Senate, but he's by no means discouraged. He's not going to be content as auditor general for long.

Millard was the best vote-getter on the Republican state ticket last year, which probably the only reason his name is being heard. He hasn't announced his intentions, but he's not expected to for a good while yet. As attorney general, however, his name will keep popping up before the public. Republican policy makers are very sensitive to anyone who can grab off a haul of votes.

Now for the Democrats. Immediately the question is "Will Williams run again, if not who will succeed him?" It generally is conceded that Williams has a weather eye peeled for the U. S. senate seat of Homer Ferguson. Assuming that to be true, what Democrat has the vote-getting ability needed to win over any Republicans?

Blair Moody, who was appointed to the senate by Williams and then knocked out of the seat by Potter, may have a go at it. Philip Hart, federal district attorney, former corporation and securities commissioner and once candidate for secretary of state, is a good man to watch. George J. Burke, Jr. also is moving steadily upward in Democratic politics. Burke recently was reappointed chairman of the liquor control commission.

The entire question is purely speculative, but that's what is puzzling around the capitol these days. At least it makes for interesting conversation.

Michigan isn't the only state to spend more than its income. According to the Tax Foundation, a New York organization, 27 states in the U. S. are busily engaged right now in deficit spending. But Michigan was first and has remained so consistent. In 1948 Michigan was only state with a deficit. By 1949 it was running in the red. And this year is the only one continuously operating with a deficit the last seven years.

Encouraging: Some 21 per cent more women entered nurse's training in Michigan in 1950 as compared to 1951. This set a post-war enrollment peak of 1,674 women.

Gen. A. P. Decker (R-Decker, Mich.) who recently made headlines when he announced his intention of sponsoring a bill banning the sale of the revised version of the Bible in Michigan, has been swamped with letters urging him to carry on his announced plan. Decker still is exploring the legal barriers to the bill.

## Band Uniform Fund Passes Midway Total

Friday Dance Adds \$180 to Amount Collected to Date

The Band Parents club now has reached the half-way mark toward the goal of \$2,500 for new uniforms for the Chelsea school band, according to Mrs. Floyd Fowler.

The total was reached by the addition of proceeds of the dance given by the club Friday evening and attended by approximately 200 people. Proceeds of the event amounted to \$180 less some small expenses.

Music was contributed by a six-piece orchestra from South Bend, Ind. The six young men began their musical careers in high school bands, played during their years of military service, and formed the band when they returned to civilian life. One of the members is a brother of Eugene Shroyer, Chelsea band instructor.

Members of the Band Parents club served refreshments during the intermission.

Decorations carried out a Spanish patio theme with flower boxes along the balcony and upright supports decorated to represent stone pillars.

Band members did the decorating under the direction of Eugene Shroyer and Principal John Griffin.

The committee in charge of arrangements for the dance included Mrs. G. L. Staffan, Mrs. Karl Koenig, Mrs. William Brister, Mrs. William Geer, Mrs. Clair Smith, Mrs. Hugh Sorensen, and Mrs. Floyd Fowler.

Chaperones included Mr. and Mrs. Hugh Sorensen, Mr. and Mrs. Clinton Collier and Mr. and Mrs. Gerald Carr.

## Nielsen Installed as New President of Kiwanis Club

Harold Coolman, lieutenant governor of Division VI, Michigan District of Kiwanis International, installed the new officers of the Chelsea Kiwanis club Monday evening at the regular meeting held in the social center of the Methodist church.

Charles M. Lancaster, secretary, Paul E. Niehaus, treasurer, Robert G. Foster, director, and James H. Hough, director, were elected for one-year terms; and James H. Hough, Basil E. Shell and Maxwell G. Sweet, directors for two-year terms.

Committed appointments were made for the various functions of the organization.

## Bethel Church Plans Remodeling of Their Parsonage

Bethel church members, at their annual meeting held at the church Sunday afternoon, adopted a resolution to proceed with an extensive remodeling plan in the church parsonage. The entire interior of the century-old home will be renewed and remodeled at an estimated cost of \$11,000. It is believed the home was built in the 1890's.

Members of the church are providing the oak logs from which the lumber for interior finish will be saved. Thirty of the logs have already been contributed.

Three church board members whose terms had expired were re-elected. They were Russell Hughes, whose term is for three years, and Leon Feldkamp and Theodore Parkkone who will serve two years.

Other members of the board are Armin Hauessler, Walter Bihlmeyer, Walter Lindemann and Edwin Wild.

## Install Flasher Signal Light at Baker Road

A three-way traffic flasher signal was installed during the past week at the Baker road intersection on U. S. State Highway department with Seco township paying one-third of the installation cost.

The Washtenaw county Road Commission will be responsible for one-third of the maintenance cost with the state paying the remaining two-thirds.

Baker road is the south entrance highway to the village of Dexter.

Mr. and Mrs. Paul Barbour and children, and Miss Amanda Koch spent New Year's day as guests at the home of Mr. and Mrs. E. J. Bahnmiller.

Pvt. David Myers is spending a 30-day furlough here at the home of his parents, Mr. and Mrs. John Myers, and is to report Jan. 17 at Camp Kilmer, N. J., for overseas assignment. He is expecting to be sent to Germany. Pvt. Myers entered military service Nov. 28, 1951, and has been stationed at Camp Polk, La.

## Cagers Lose in Consolation Tourney Play

The Chelsea Bulldogs split with one win and two losses in the Albion Invitational Basketball Tournament during the week of Dec. 28 through Jan. 2.

In the first game with Bronson, Chelsea suffered her first defeat, 80-51. Except for the first few minutes of play, Bronson kept the lead with the half-time and final scores being 29-24 and 60-51.

Bob Bertke was top scorer for the Bulldogs with 17 points. Neil Buehler followed with 13. For Bronson, Ken Duncan hit the jackpot with 26 points, and Don Sobeski was second in honors with 18.

The second game, with Springfield, in the consolation round, turned out brighter for the Bulldogs with them coming out on top, 40-29.

During the first half Springfield excelled in the scoring, with Darrell Arnold garnering 18 points. During the second half, however, Chelsea broke into the lead and kept it until the final whistle blew.

Bob White and Neil Buehler scored 14 and 13 points, respectively, for the Bulldogs, while Darrell Arnold topped Springfield's scoring with 28 points.

In the final game, with hopes on the consolation trophy, Chelsea and East Jackson clashed in the most spectacular game of the entire tournament.

Throughout the entire game the lead wavered back and forth with a range of one or two points. The first quarter ended with 10-10 tie, and half-time found the Bulldogs leading by one slim point, 23-22.

In the second-half the spectators were kept in a cold sweat most of the time as the slim margin between the two team's scores continued. The third quarter ended at 36-36 in East Jackson's favor.

With two seconds left, the game score was 52-51 with what appeared to be a certain victory for the Bulldogs. But in a long quick shot that was literally thrown at the hoop by Randall Alexander, and with still a little more than a second left, East Jackson scored to grasp the trophy from the eager hands of the Bulldogs. The final score was 53-52.

With the holidays past and the basketball season setting back to normalcy again, Chelsea will play Milan here this Friday night. Game time is at 8:45.

## New Year's Eve Accident Causes Injuries to Two

A Battle Creek man was seriously injured and a local woman received cuts and bruises when their car was involved in an accident on U. S. 12 west of Chelsea at 8:50 New Year's Eve.

As reported by sheriff's deputies, the Chelsea woman, Mrs. Maggie Adams, 2038 Manchester road, had driven her car from in front of a restaurant at 18750 U. S. 12 and headed across the highway to turn east.

The Battle Creek man, Mitchell Starr, swerved his eastbound car sharply to the right in an effort to avoid colliding with the Adams car and the left side of his car hit the rear of the other vehicle.

Starr's injuries were listed as chest and internal injuries, numerous abrasions of the face and fracture of the left upper arm. He was taken to St. Joseph's Mercy hospital, Ann Arbor.

## Property Damage

A property damage accident occurred at 9:50 p.m. New Year's day at U. S. 12 and Fletcher road when a west-bound car, driven by David S. Gaul, of Ann Arbor, stalled on the highway and was struck by one driven by Thomas Edwards, of Wyandotte.

The impact pushed the stalled car off the north side of the highway. No one was injured.

## Polio Funds Drive Now in Progress

Local Polio Patient Realizes Full Benefit Dimes Can Give

With the 1953 campaign for contributions to the March of Dimes drive for the National Foundation for Infantile Paralysis in progress here, it is interesting to note the reaction of at least one of Chelsea's polio victims who said, "I never realized how much good the March of Dimes does until polio struck home."

The observation was made when Mrs. Herbert Sanborn, Chelsea fund chairman, visited Mrs. James Gaken, young Chelsea mother of two children, who has been undergoing treatment at University hospital. She was home for two weeks over the holidays, returning to the hospital Monday for further treatment.

Mrs. Sanborn, in soliciting support of the drive for funds, here made the following statement: "Polio is a growing problem, and every state has been affected."

While scientists, supported by the March of Dimes sought a means of preventing polio's crippling after-effects in a mass test of 55,000 youngsters, polio claimed approximately the same number of victims throughout the country. In 1952 it struck more adults than ever before, hitting one out of every four victims in many regions with the dreaded bulbar form of the disease.

To thousands of people the March of Dimes was more than a slogan. To them it meant help from an iron lung, or a hot pack, or a child, or a training service, or a physical therapist. The demand for professionally trained personnel has prompted the National Foundation to make a \$5,000 grant for use by the University of Michigan in a four-year program of training personnel to assist polio patients in physical therapy.

There were six new polio cases in the Chelsea area during 1952.

## School Board Discontinues PTA Council

At a special meeting of the Board of Education Friday night it was voted to discontinue the Parent-Teacher Council. The reason given for its discontinuance was that the purpose for its organization has not been fulfilled.

The constitution of the Council stated its purpose as follows: "To provide a systematic plan for cooperative planning on the part of parents, teachers, administrators and members of the Board of Education. The Council shall be considered advisory in nature."

It is believed the PTA and room mother groups serve the same purpose, making the Council unnecessary.

## Last in Family of Village Founder Dies in California

Frank M. Congdon, last of the sons and daughters of the Hon. James M. Congdon, one of the founders of Chelsea, died Sunday, Jan. 4, at Los Angeles where he had lived for many years. He was born March 25, 1882, in the Congdon homestead west of what is now South Main street and Old U. S. 12. His mother was the former Sarah Maine.

He left Chelsea in his early manhood and spent some years in Oregon before moving to California.

He is survived by a son, Walter B. Congdon, of Los Angeles; Mrs. A. A. Palmer and Mrs. Verne Fordyce, of Chelsea, and Mrs. George Leonard, of Baline, are nieces.

According to a telegram received by the Burghardt Funeral Home, services were to be held at Pierce Brothers Funeral Home, 720 West Washington street, Los Angeles, Calif. Interment was to be in Los Angeles, also.

## Grange Members Discuss Government

A dinner meeting of Cavahough Lake Grange was held Tuesday, Dec. 29, at the home of Mr. and Mrs. Franklin Van Valkenburg with 27 present, including five guests.

The afternoon program was opened with patriotic songs by the group.

The program was in charge of T. G. Riemschneider and included talks on phases of government at county, state and national levels by Mr. Riemschneider, Harold Glazier and Franklin Van Valkenburg.

Walter Riemschneider took part in the program, also, and gave a talk on the topic, "The Price of Peace."

The next meeting of the group is scheduled for Feb. 8 at the home of Mr. and Mrs. T. G. Riemschneider.

## OUR OWN JOHNNY From WASHTENAW COUNTY

## JOIN THE MARCH OF DIMES NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

OFFICIAL POSTER—Washtenaw county's specially designed March of Dimes poster is a picture of six-year-old Johnny Copley, son of Prof. and Mrs. Frank O. Copley, 300 Oakway, Ann Arbor. Johnny was a victim of polio during the epidemic this summer, and the picture of him was taken at University hospital. Although still on crutches, Johnny returned to school on Dec. 15. Complete recovery from the crippling effects of the disease is expected. The local campaign for collection of funds to aid polio victims is now in progress in Chelsea and throughout the county.

## Series of Classes Begins Today for Expectant Mothers

A new series of classes for expectant mothers is being organized in Chelsea today, (Thursday). The course is offered by the Washtenaw County Health Department in cooperation with physicians in Chelsea and Ann Arbor.

Miss Belle McKinney, public health nurse, will be the instructor.

Any expectant mother is welcome to attend, Miss McKinney states.

The course includes movies, discussions and demonstrations, and is divided into seven sessions on successive Thursdays. The classes are held in the social center of the Methodist church beginning at 2:30 p.m.

Topics for the seven sessions are as follows:

1. How Your Baby Grows Before Birth.
2. Hygiene of Pregnancy.
3. Feeding the Family.
4. The Layette and Supplies.
5. Home from the Hospital.
6. Bathing and Dressing Your Baby.
7. The Early Development of Your Baby and His Place in the Family.

## Miss Ruth Foster Named Jackson City Librarian

Miss Ruth Foster of Grass Lake, a niece of Mrs. H. H. Fenn and Mrs. E. McKinnis, has been appointed city librarian in Jackson.

The appointment was made by City Manager Joseph A. Warren after a promotional civil service examination.

During the 30-years that Miss Foster has been employed at the library she has served in various capacities including head of circulation, reference librarian and assistant librarian.

Miss Foster is a member of the American Library Association, Michigan Library Association, the Jackson Women's Club, U. of M. Alumnae Association, American Association of University Women, and the League of Women Voters.

She earned her master's degree in library science from the Rackham school of graduate studies at the University of Michigan. She had received her bachelor of arts degree in English at the University.

Miss Foster succeeds Mrs. J. G. Hemmstreet, who has retired.

## VFW Social Meeting Held Monday Evening

The January social meeting of the VFW Auxiliary was held Monday evening at the home of Mrs. Dorothy Hart with 17 members and guests attending.

Games were played and refreshments were served by the month's committee.

Mrs. Alura Geer was awarded the prize.

It was announced that next month's social meeting will also be held at Mrs. Hart's home and will take place Feb. 2.

Mr. and Mrs. Dillman Wahl and daughter, Loretta, of Clear Lake, spent Friday evening here at the home of Mr. and Mrs. J. Lewis Wahl.

## First Classes Held in New School Building for Grade Children

## Needy Families Remembered at Christmas Time

Through the efforts of individuals and groups of the Chelsea area many homes received a hint of the Christmas season. It is hoped that gifts of new clothing, food, and toys reached families of all in need in our community.

The giving by individuals and groups was expressed in various ways. Toys were presented by some groups at their Christmas meetings. Others brought gifts of food from the home supply or new clothing. Hand-made dolls were also contributed. A trimmed tree was given by one group. Still other groups and individuals gave food baskets or money to be used as needed.

In all, 57 children were remembered with Christmas wrapped packages of several articles of new clothing and toys, and 17 food baskets were distributed.

Special acknowledgment is due the many people who helped to make this possible, not only those who gave, but those who helped wrap and deliver these expressions of Christmas-sharing.

## Red School Officials Talk with Chrysler

Members of the Red School district school board and representatives of a committee appointed to work with them in making a decision regarding the Chrysler company's proposal for acquiring the land on which the school building is located, met with representatives of the company in the Chrysler proving ground offices Tuesday morning to discuss the situation.

Also present were representatives of the Chelsea Agricultural Schools Board of Education, Supt. Charles Cameron, and the Sylvan township supervisor, Elba Gage.

Consolidation with the Chelsea district was discussed but no decision or recommendation was offered at this time.

An informal meeting of electors in the Red School district is to be called soon. Purpose of the meeting will be to give electors the opportunity to express their opinions and wishes in the matter.

The school ground, at the corner of Pritchard and Manchester roads, forms a jog in the proving grounds eastern boundary line. In the original bid to acquire the parcel of land the company offered a plot of ground at the south edge of its property to which the school building might be moved.

## December Snowfall Totals Negligible 4 Inches This Year

Although the December, 1952, snowfall was only four inches, as compared to 30 inches for December 1951, cost of accidents has greater insurance officials told Howard G. Minier, Washtenaw county Road Commission manager, this week.

The clear pavements on highways, inviting greater speeds, are believed to be responsible. Ice and snow, while increasing driving dangers, also alerts drivers to the necessity for extra caution and slower driving, insurance men believe.

Minier said that although road workers were not required to clear away quantities of snow during December they were busy every day on routine and special maintenance work, some of which was caused by the unseasonable, mild weather of the past month.

## St. Paul's Church Names Two New Board Members

At the annual meeting of the congregation of St. Paul's church New Year's day, Roy Bertke and Lawrence Dietle were elected to serve as members of the church board. They succeed Ernest Guenther and Norman Eismann whose terms had expired.

Sunday, the five-man board met to organize for the coming year and elected Wilbert Breitenwischer, president; Lawrence Dietle, vice-president; Roy Bertke, secretary; Lorenz Wenk, financial secretary; and Luther Kusterer, treasurer.

At the annual meeting, also, it was voted to hold a special meeting of the congregation, Sunday, Jan. 18, to vote on the question of retaining or discontinuing the present schedule of time for church and Sunday school services.

## Rev. Menzel To Speak at Anniversary Event

Rev. T. W. Menzel will be in Washington, D. C., the coming week-end and will speak Sunday at the 120th anniversary service in his home church, Concordia Evangelical and Reformed church.

Rev. T. A. Schmale of Ann Arbor will be in charge of the services at Bethel church, Freedom Township, and St. John's church at Rogers Corners in Rev. Menzel's absence.

## Board Withholds Acceptance Until Work Is Completed

The pleasure and satisfaction of faculty members over the fact that the move into the new elementary school building had become a reality was reflected in the faces of the 435 children in grades kindergarten through six who attended classes in the new building for the first time Tuesday morning.

Rubbers and galoshes were shed at the door so the shining newness of the tiled floors would not be marred.

Teachers expressed satisfaction with the sound-absorbing construction which prevents noise from carrying in the halls as pupils pass through to and from their classes.

School board members, Superintendent Charles Cameron and Basil Shell, elementary principal, were in hand when the first pupils arrived. Supt. Cameron said it was a delight to watch the expressions on the youngsters' faces as they entered their new school for the first time.

Formal dedication and open house ceremonies will take place at a later date, but school officials have repeatedly stated that people of the community are invited to visit the school at any time.

Equipments, such as desks, tables and chairs, has been moved from the old building into the new one to be used until such time as new equipment can be provided. One of the two kindergarten rooms has new equipment.

Furnishings for the principal's office had not yet arrived when the new school was opened.

The move into the new school is the culmination of several years of effort on the part of civic-minded people of the community to provide adequate school facilities for the increasing number of children being enrolled each year.

The 14-room school, provides two sections for each grade and two complete kindergarten rooms.

The move to the new building was accomplished during the Christmas vacation.

School board members, architects and builders' representatives made an inspection tour of the building last week, Tuesday. Because of a large number of minor details still to be taken care of the school board members, on recommendation of the architect, withheld approval and acceptance of the building until these details are taken care of.

The unfinished details include such items as pointing up walls, replacing some acoustical tile, installing paper towel dispensers, and generally giving the entire plant an over-all, final clean-up.

At the old school, several of the rooms vacated by elementary grades are already being put to use by the high school students. In the past, the school has been assigned one of the rooms, the choir has one of its own, and visual aids are being set up in a third.

Russell Altstaetter and his staff of custodians have begun painting some of the rooms and as soon as the renovation is completed other high school classes will be moved in.

## Additional Street Lights To Be Installed Where Most Needed

A public telephone booth was installed Tuesday at the corner of Main and Middle streets. Approval for its installation was given to representatives of Michigan Bell Telephone company at Monday night's Village Council meeting.

Other business at the Council meeting included presentation of a petition to have several parcels of property at the north end of Howard road annexed to the village. The property is owned by Harold Spaulding, Roland Spaulding, Tom McClellan and Leon Shutes.

The petition will be brought to the attention of the Washtenaw county Board of Supervisors for action on changing the boundaries of the village.

The project of installing additional street lights in needed spots throughout the village is to be begun immediately, the Council decided. Plans for extra lights had been discussed for some time.

Our Own Acts Affect Our Good Health . . .

. . . and common sense living is an excellent guide to follow. The functions of medicine and surgery are most often used to help nature overcome the results of our own abuses and neglect.

By normal care, by regular living, and with the aid of frequent examination by your Doctor, you can maintain better health. An important part of this care is the use of highest quality drugs and medicines, such as those of Parke, Davis & Company—which are regularly stocked at this pharmacy.

On Display January 9th

**W. R. DANIELS - 208 Railroad Street, Chelsea, Mich.**

**H**ERE you see pictured the Golden Anniversary ROADMASTER—engineered, styled, powered and bodied to be fully worthy of its paragon role in this fiftieth year of Buick building.

A quick listing of simple facts will reveal just cause for celebration.

- ★ It has the world's newest V8 engine. Vertical valves; 12-volt electrical system; 180 pounds lighter; entire engine is so compact, a new, more maneuverable chassis has been built around it.
- ★ It has 188 Fireball horsepower. A new Buick record; engine horsepower per pound increased 40%.
- ★ It has a compression ratio of 6.5 to 1. Highest compression on the American scene today; bettered fuel economy.
- ★ It has a dynamic-flow muffler. For the first time in automotive history, a muffler with zero power loss.
- ★ It has a new Twin-Turbine Dynaflo Drive. Now adds far swifter, quieter, more efficient getaway to infinite smoothness at all speed ranges.
- ★ It has new braking power. Most powerful braking action of any Buick in fifty years; plus the new ease of Power Brakes, optional at extra cost.
- ★ It has a still finer ride. The softest, steadiest, most buoyantly level ride that Buick's advanced engineering has yet produced.

It has, also, wondrous handling ease, with Power Steering as standard equipment. It has superb comfort. It has sumptuous fabrics and tailoring. And its acoustics are so thoroughly mastered that it may well be one of the world's most quiet cars.

But no listing of facts can do true justice to this phenomenal automobile, or to its brilliant brothers, the 1953 SUPERS and SPECIALS.

And no words can really tell you the beauty you see, the comfort you feel, the excitement you experience—when you look at and drive any one of these big, beautiful, bounteous Buicks for 1953.

Will you come in and see for yourself that these are, in simple truth, Buick's greatest cars in five brilliant decades?

Equipment, accessories, trim and models are subject to change without notice.

## THE NEW 1953 G. E. STRATOPOWER TV SET with ULTRA VISION

### The Most Powerful Set Ever Built COMPARE

• FRINGE AREA RECEPTION—the "Stratopower" chassis has an exclusive shielded input transformer and grounded grid input stage followed by a second RF amplifier for maximum utilization of signal from the antenna which greatly improves reception in fringe areas. In addition, a newly developed interference suppressor holds the picture steady under the most adverse conditions.

• 267% MORE SENSITIVITY—than in G-E receivers manufactured prior to 1952. Remarkable picture clarity and quality is provided where many sets cannot hold an acceptable picture.

• DOUBLE SHIELDED TUNER—provides improved reception by minimizing unwanted noise in both sound and picture. Radiation into neighboring receivers is prevented.

• SELECTIVE SUPERHETRODYNE TUNER CIRCUIT—provides brilliant sound and picture reception equivalent to radio having a 5-gang condenser. It has 4 selective-tuned circuits ahead of the converter.

• AUTOMATIC SOUND TUNING—provided by an improved intercarrier audio circuit.

• 41 TO 46 MEGACYCLE I.F. BAND—recommended by RTMA and used by G. E. for several years. Minimizes interference from amateur transmitters and diathermy.

• UNIFORM FOCUS—sharp and clear picture detail over the entire screen is provided by the General Electric Uniform Field Scanning System.

• SUPPRESSED RETRACE LINES—a special blanking circuit suppresses diagonal retrace lines at even the highest level of picture brightness.

• 12-INCH DYNAPOWER LOUD-SPEAKER—with G-E Alnico 5 permanent magnet. Provides superb tonal reproduction.

• GOOD INTERLACE—provides greater picture detail and permits viewing of large pictures at closer range.

• SIGNAL STRENGTH COMPENSATION—an auxiliary stabilizer control on the back of the receiver provides adjustment to cover the widest range of receiving conditions. This control is usually adjusted only at the time of installation.

ALWAYS BETTER BUYS AT

### HERE'S HOW IT WAS DONE!

WE SEARCHED the length and breadth of this land to bring our customers the greatest dinette value in the history of American merchandising. We finally found a factory large enough to take on this tremendous venture.

THE RESULT—we saved our customers one million dollars because: we ordered thousands of sets in only one style and three colors. We built them during the factory's slack season, eliminated expensive warehousing, cut costs in every way!—AND CAUSED A SENSATION IN THE NATION.

WE PRESENTED a dinette set value that brought folks flocking to our stores. Our factory ran 24 hours a day to keep up with the demand!

### WE'VE DONE IT AGAIN!

SINCE that great event we've been working toward the day when we could repeat it—bigger and better than before!

NOW—HERE IT IS—a dinette set that has more wanted features, newer styling—it's a greater value at a low price!
