**Bulldogs Lose  
Third Huron  
League Game****University High  
Will Play Here  
Friday Evening**

The Chelsea Bulldogs suffered their third Huron League defeat Saturday, when Ypsil. Roosevelt ran over the quintet, 64-38 on the Ypsi. court.

Throughout the game, Roosevelt kept a wide margin on the scoring, with the first period ending 18-7. Neil Buehler and Dick Scheika each shot five points for their respective teams.

The scoring continued slowly in the second period, with half-time ending 25-16, in Roosevelt's favor. Joe Greenwood topped the Chelsea scoring with five, while John Williamson racked up four for Roosevelt.

After the half both teams stepped up the scoring, but the third quarter ended 50-29 still in Roosevelt's favor. Roosevelt's Tom Kidd made ten while Chelsea's Neil Buehler made seven.

During the final period the Blue and Gold stalked a last futile stand, but Roosevelt remained on top with a final score of 64-38.

High-point man for Chelsea was Neil Buehler with 19, and for the Roughriders, Tom Kidd and John Ovey with 17 and 12, respectively.

Chelsea counted 40 per cent of the foul shots with 14 of 35 tried, while Roosevelt made nearly 47 per cent with 15 of 32.

In the reserve game, the Bulldogs lost, 35 to 25, to Roosevelt's reserve squad, Harold Stott and Lloyd Schneider followed each other in scoring honors with 11 and 10 points, respectively, while Williamson made 11 for Roosevelt.

Chelsea will play host to University High of Ann Arbor in their next Huron League contest at the local gym tomorrow night. The reserve game starts at 6:45 p.m.

A clause in the bill Sen. Nichols has introduced absolves the state of any financial liability—and this is the weakest point in the proposed law. No one is anxious to buy bonds in a venture so shaky the state itself won't take a chance on it. But the same rider was pasted on the Mackinac Bridge Authority and the Blue Water Bridge Authority—and they both have made out.

Charles Ziegler, state highway commissioner, in 1951, opposed the bill, using his time-worn argument that he hated to see anyone taking money out of state coffers without some more concrete evidence of success.

But the financial absolutism clause sounds suspiciously like the one he tagged on the Mackinac Authority—and he may go along with it this year so long as he can be assured his precious highway funds will go unscathed.

Sen. Nichols now wants \$650,000 out of the highway gas tax funds for surveys and studies.

Insurance companies, cautious as usual, have made little comment. The Legislature has said only that it favors a study of the situation.

As chairman of the senate highway committee he has promised that the bill will be brought out on the floor. He says the time is ripe to face facts and recognize that Michigan's highways are a mess.

But the lawmakers traditionally are opposed to any radical change and this law could alter the entire format of highway financing in the state.

Says Sen. Nichols, "It's about time."

Michigan's new congressman, Victor A. Knox, former speaker of the house, is holding his own in Washington. Seen recently in the House of Representatives restaurant wearing a green polka-dot tie, he was braced about his choice of neckwear.

"Going Democratic?" another Michiganian asked.

"I've been here a long time before I ever heard of Williams," Knox is said to have replied.

"Green polka-dot tie?"

"Yes," says Knox. "Also wear pants."

Some 22 months ago a nervous and confused young father touched a match to a pile of maps and, igniting the \$4,500,000 state building.

Michigan's state government is just beginning to recover from the holocaust.

In the last few weeks the Insurance, Agriculture and Public Service departments have moved into the top floor of the building, and by January the top three floors will be occupied.

The young father is in Jackson State prison, divorced from his young wife and baby. It all began Feb. 8, 1951, on a cold, quiet afternoon. Richard C. Shay, a plump, smooth-faced minor employee of the state highway department was worried about his draft status. Shay, then 18 years old, had a pretty blond wife and a seven-month-old daughter.

"I was afraid to go to war," he said afterwards. "I just didn't see any reason for spending two years in training."

He planned to start a small fire where he worked on the mezzanine floor and later confess to it. "I thought if I admitted it I'd be placed on probation and wouldn't

**POLIO VICTIM**—Mrs. James Gaken, 310 Pierce street, has returned home after approximately three months in University hospital.

Mrs. Gaken was taken to the hospital on Oct. 8, when she was stricken with polio, and was discharged on Jan. 16. The above picture was taken at the hospital.

Although it is still necessary for Mrs. Gaken to walk with crutches, her progress is such that within the near future she expects to discard them. She still returns to the hospital regularly for physical therapy.

Mr. and Mrs. Gaken have two young sons, Mickey, who will be two years old in April, and Larry, who is three.

"During my stay in the hospital," Mrs. Gaken said yesterday, "I was in a position to see some of the results of the work done by the National Foundation for Infantile Paralysis. It is most gratifying to see what is done with the dimes and dollars given by the people to the March of Dimes."

County Democrats To Hold Convention in Ann Arbor

Keynote speaker at the Washtenaw county Democratic convention to be held Thursday, Jan. 29, will be Talbot Smith, Ann Arbor attorney.

Mr. Smith acted as campaign manager for John P. Dawson, unsuccessful Democratic candidate for Congress in the recent election.

The convention is scheduled to begin at 8 p.m. in the Washtenaw county court house with the roll call vote for permanent chairman, as prescribed by the Michigan Election law. While the Rules, Resolutions, and Credentials committee meet, following their appointment by the permanent chairman, Mr. Smith will address the delegates to the convention.

Main business of the convention is to elect delegates to the State Democratic convention, which will be held in Grand Rapids Feb. 7. The state convention will nominate Democratic candidates for state offices to be filled in the spring election.

Washtenaw county Democrats will send 19 delegates to the state convention, the number being based on the Nov. 4 Democratic vote for Secretary of State.

Grade PTA Plans Special Observance of Founder's Day

Elementary PTA members, at their regular meeting Wednesday evening, made plans for a PTA Founder's Day observance to take place Feb. 18. Present plans are to have a pot-luck supper at 6:30, followed by a program. Charles Clark was appointed chairman of the table committee and Mrs. Walter Gable, Mrs. Willard Pearson and Miss Mildred Latonen will be in charge of table decorations. PTA officers will assume charge of the dining room.

Date for the annual PTA spring carnival was set for April 24. Thirty-four members were present for Wednesday's meeting which was opened with the PTA prayer read by Mrs. Russell Bernath.

It was announced that Mrs. Waldemar Grossman is chairman of the school-wide program this year, and that Mrs. Haskell Warden, Jr., and Mrs. Norman Messner are in charge of the stamp program.

Hostesses who served a lunch at the close of the meeting were Mrs. P. E. Sharrard and Mrs. R. A. McLaughlin.

St. Paul's Choir Members Entertained

Mrs. Paul F. Niehaus, who directs the junior choir of St. Paul's church, entertained the choir members and Mrs. Carl Mayer, the organist, at a dinner at her home Thursday evening.

Members of the choir presented both Mrs. Niehaus and Mrs. Mayer with gifts in appreciation for their efforts on their behalf.

**Anti-Rabies  
Clinics Set for  
Entire County****Proof of Vaccination  
Required To Secure  
License for Dog**

Dog rabies vaccination clinics jointly sponsored by the County Veterinary Medical Association and the County Health Department will be held the first two weeks in February. The clinics are scheduled to permit all dog owners to meet the Feb. 28 deadline for securing a dog license without penalty.

The veterinarians group and the health department report another year relatively free from rabies. For the fourth successive year, since the rabies vaccination regulation was adopted by the supervisors in 1948, the dog vaccination program and the dog control program of the Sheriff's department have eliminated this menace in Washtenaw county.

Adjoining counties are still being plagued with rabies in dogs and livestock and with Pasteur treatments for exposed individuals.

The Washtenaw county Health Department reports for 1952 show one cat and one skunk afflicted with rabies. For the past two years there have been no rabies exposures in this county requiring complete Pasteur treatment.

Clinic fees will remain \$1.50 for each dog, in some areas local authorities will sell licenses at the clinics.

The schedule is as follows: Chelsea—Tuesday and Wednesday, Feb. 24 and 25, 7 to 8:30 p.m., Sylvan Town Hall.

Lyndon Township—Thursday, Feb. 5, 7 to 8:30 p.m., Lyndon Town Hall.

Dexter—Saturday, Feb. 7, 2 to 4 p.m., Fire Station.

Manchester—Wednesday, Feb. 4, 7 to 8:30 p.m., Road Commission building.

Willow Village—Monday, Feb. 2, 4 to 8 p.m., Fire Station.

Superior Township—Tuesday, Feb. 3, 2 to 4 p.m., Superior Town Hall.

Ann Arbor—Wednesday, Feb. 4, 4 to 8 p.m., Armory.

Saline—Thursday, Feb. 5, 7 to 8:30 p.m., Fire Station.

Ypsilanti—Thursday, Feb. 5, 7 to 8:30 p.m., Woodruff school.

East Ann Arbor—Saturday, Feb. 7, 4 to 8 p.m., old school.

Whitmore Lake—Saturday, Feb. 7, 2 to 4 p.m., Fire Station.

Milan—Feb. 9 and 10, 7 to 8:30 p.m., Community building.

Augusta Township—Wednesday, Feb. 11, 7 to 8:30 p.m., garage at school.

Salem—Friday, Feb. 13, 2 to 4 p.m., Fire Station.

Rev. Hans Leitner Tells Kiwanians of POW Experience

Rev. Hans Leitner, Ph.D., pastor of Salem Grove and a Methodist church, was introduced by Paul G. Schable as the evening speaker at Monday's Kiwanis club meeting in the social center of the Methodist church in Hanover.

Rev. Leitner, in his talk, related his experiences as a German prisoner of war in England from 1945 until 1948. He said he was pastor of a Methodist church in Hanover when Hitler took over and he was conscripted as a soldier.

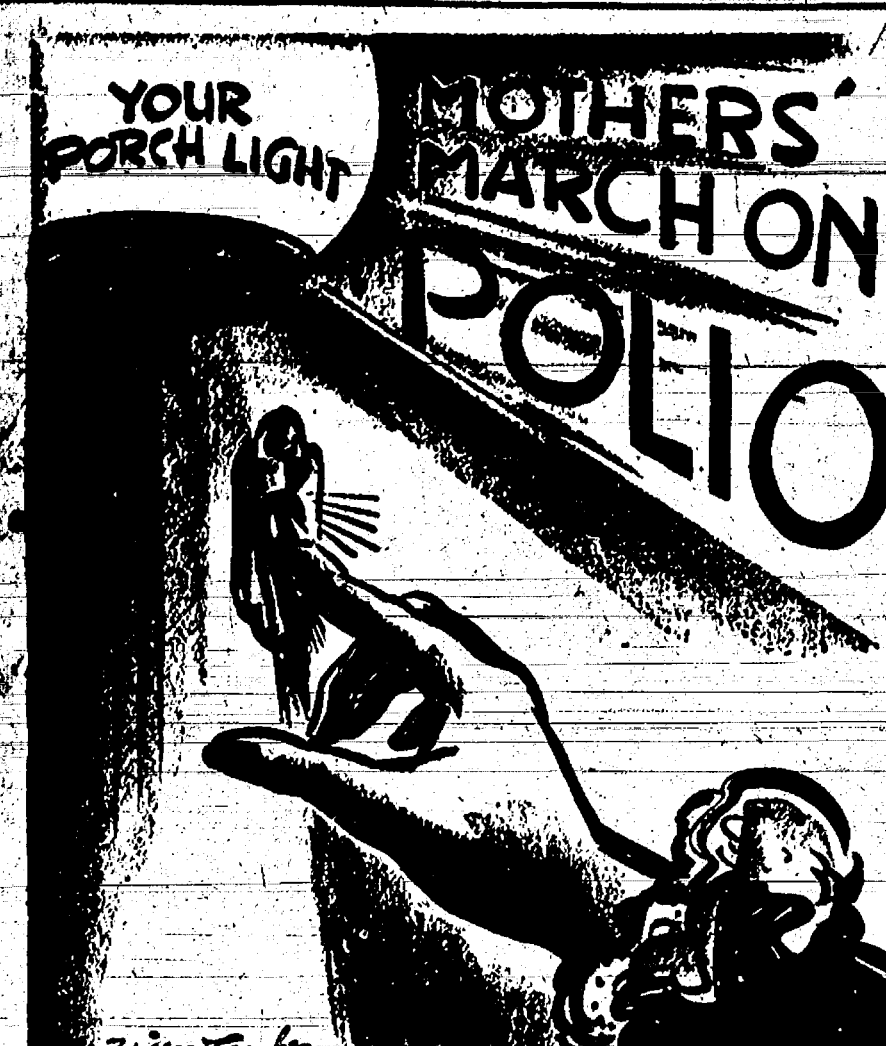

As Hitler ruled out chaplains in the service, he was forced to become a regular soldier. He was a corporal at the time he was captured.

His family, he said, remained in the Russian zone of East Germany during his imprisonment and he himself was in the Russian zone only 10 months ago. He promised to appear before the club again at some future date and show some of his collection of pictures.

During the business session Paul Niehaus reported on the Kiwanis Michigan District Mid-Winter meeting in Grand Rapids and Don Alder reported on the Michigan Sixth District meeting held at Brighton.

Members were reminded of the Feb. 14 amateur show project and the annual rummage sale to be held July 10 and 11.

It was announced a board meeting was to be held last night at the home of Anton Nielsen.

**Traffic Accidents  
Cause Injuries  
to Three Persons**

Three traffic accidents last week in this vicinity resulted in painful injuries to three persons, major damage to three cars and serious damage to three cars and an oil truck, according to Chelsea police reports.

The first of the series of accidents occurred at 3 p.m. Friday when Clara Knickerbocker reportedly lost control of the oil truck he was driving on a hill on North Territorial road, one-half mile west of Island Lake road, and the truck slid across the highway and collided with a westbound car driven by Delores Dockett of 18017 Bradley road, Gregory. The driver of the car and a passenger, Loretta Gullett, sustained bruises of their left knees and Mrs. Dockett's forehead was bruised. The car and truck received minor damage.

Friday evening at 8:25, a car driven by George W. Tomi, 10530 North Territorial road, Dexter, stalled on the railroad track at the crossing at Four Mile Lake, and was struck by an eastbound train when Tomi and a passenger, Stanley Chapman, of C street, Dexter, failed in their attempt to push it off the tracks. The car was smashed but the men were unhurt. It was foggy at the time of the mishap.

Saturday, at 8:55 a.m., a four-car wreck occurred on I-12, one-quarter mile east of Free road, when a westbound car driven by Mrs. Freda Ann Howard, 263 Going street, Pontiac, went out of control as the driver tried to regain the highway after getting onto the gravel shoulder. It was snowing at the time.

A three-Hudson car collided with three Hudson cars driven by John F. Piegner, Lora K. Caldwell and DeWitt E. Nims, all of Jackson. Piegner's car and Mrs. Howard's car were severely damaged and had to be towed away.

The Nims and Caldwell cars, with left rear damage, were driven away under their own power. The Piegner car was struck on the driver's side and Piegner was taken to the hospital when he complained of pain in his left side.

Heating Troubles Give Children Holiday

A burned-out transformer on the boiler at the new elementary school necessitated the closing of school all day Thursday of last week. Because of the incapacitated boiler the heating system could not be operated. School was resumed Friday.

Rev. and Mrs. E. C. Stringer of Ann Arbor, called on Mrs. George Webb Wednesday morning.

Pvt. Arden Musbach of Camp Atterbury, Ind., spent Sunday here with his parents, Mr. and Mrs. Elton Musbach.

Young People Appear in Court on Charge of Entering Homes

George and Carl Young, 19-year-old twins, Alta Young, 21, and Helen Snyder, 26, stood mute when they appeared in circuit court Tuesday afternoon. Trial was set for Feb. 11.

The four were picked up two weeks ago on charges of breaking into cottages owned by Dr. Howard Baker and his son, and entering the Leo Merkel home.

Another youth, 19-year-old Jared Smedley, was also implicated. The gang was also linked with a wave of pilfering from parked cars here.

The four who appeared in court Tuesday have been free under bond.

NAMED NEW PRINCIPAL AT WHITMORE LAKE SCHOOL

Mrs. Lyle Engle of Dexter, daughter of Mr. and Mrs. George Webb of North Lake, has been appointed principal of the Whitmore Lake school and assumed her new duties early this month.

FISH STORY—To prove her story of a 14-pound, 38-inch pike which she speared through the ice at Half Moon Lake recently, Mrs. Julius Herman has the above photo.

**Porch Light Parade  
of Mothers Tonight  
Will Aid Polio Fund****Special Meeting  
of School Electors  
Next Wednesday**

A special meeting of the electors of the Chelsea Rural Agricultural School District will be held Wednesday, Feb. 4 in the auditorium of the high school from 7 until 9 p.m.

The purpose of the meeting is to submit the proposition: "Shall the Board of Education of the Chelsea Rural Agricultural Schools District No. 1, Fractional, Sylvan township, counties of Washtenaw and Jackson, State of Michigan, be authorized to sell the school district's interest in the Pumpkin College school, the Riemenschneider school, the Savage school, and the Sylvan Center school?"

An elector must be 21 years of age, a citizen of the United States, a resident of the state of Michigan for six months, and a resident of the district for 30 days.

**Two Accidents  
in Dexter Area  
Cause Fatalities**

A Dexter resident and an Ann Arbor man lost their lives in accidents in the Dexter area within 36 minutes of each other late Saturday afternoon.

The Dexter man, 73-year-old Jay Geraghty, was on his way home at 4:15 p.m. when his car was struck by an eastbound New York Central freight train at the C street crossing in Dexter. He had evidently failed to notice the blinker signal lights or hear the train whistle.

He died about 6:45 p.m. at St. Joseph's Mercy hospital, Ann Arbor, of a fractured skull and crushed chest.

His wife died two weeks ago. They had lived in Dexter since moving there from a farm in Webster township a year ago.

The Ann Arbor man who died as the result of the second accident in Dexter was William C. Hatchett, 40, of 242 Murray avenue, an employee of the King Seely Corp.

According to reports of the accident, Hatchett's car skidded sideways on an icy spot in the road and was struck broadside by a car driven by Clinton V. Postoff, of Gregory.

Hatchett died in St. Joseph's Mercy hospital, Ann Arbor, two and one-half hours later.

The two fatalities brought the total, to date for Washtenaw county, to nine deaths, declared by officials to be one of the worst records in many years for the month of January. Only one traffic fatality occurred in January, 1952.

**Donkey Basketball  
Games To Benefit  
Uniform Fund**

Donkey basketball games in the Chelsea High School gymnasium next Tuesday and Wednesday will benefit the school band uniform fund, according to Mrs. Floyd Fowler, president of the Band Parents club.

Chelsea players will include Bill Robbins, High School Principal John Griffin, Supt. Charles S. Cameron, Don and John Alder, Reuben Lesser, Lee Welas, Julius and William Blaess and others.

Mothers of band members will be in charge of serving refreshments at the games.

The donkey games will begin at 8 o'clock each evening. Manchester men being the opposing team Tuesday and Dexter Kiwanians participating Wednesday.

Preceding the donkey games, girls' teams from the two neighboring communities will play, beginning at 7 p.m.

The metal scrap drive recently carried on by the Band Parents club, netted the band uniform fund \$209.40.

**Chelsea Standard  
Again Wins Honor for  
General Excellence**

At the 85th annual meeting of the Michigan Press Association, held in East Lansing Friday and Saturday last week, the Chelsea Standard was again honored in a general excellence contest in which newspapers from all over the state participated.

Publishers of Michigan newspapers selected The Standard for the third-place award in its circulation grouping of from 2,000 to 4,000.

Two years ago The Standard was awarded first place in a similar contest in the 1,500 to 3,000 circulation bracket. First-place winners are not eligible to compete in the contest the year following the highest award.

**One-Hour Canvass  
Tonight Climaxes  
Drive for Funds**

Tonight Chelsea will participate for the first time in the nation-wide Mothers' March to aid in the collection of funds to fight polio.

The Mothers' March, to be held from 7 to 9 p.m., climaxes the March of Dimes drive held this month for contributions to the local chapter and National Foundation for Infantile Paralysis.

In Chelsea, 60 women will participate in the house to house canvass, calling wherever a porch light is burning. Co-chairman for the drive, appointed by Mrs. Herbert L. Sanborn, local March of Dimes chairman, are Mrs. Edwin Suter and Mrs. Waldemar Grossman.

During the hour of the drive for last-minute contributions, members of the Chelsea High school band will play from a truck circling the city's streets, weather permitting.

Contributions to the March of Dimes fund totaled \$1,108.00 on Monday, Mrs. Sanborn said, and it is hoped that the Mothers' March will swell the fund beyond last year's total of \$2,601.19, since the need is now much greater.

Captains in charge of the mothers who will participate in the Mothers' March are the following members of the Chelsea Child Study club, sponsors of the project: Mrs. Malcolm Bruce, Mrs. Lawrence Dietle, Mrs. Glen Hass, Mrs. John Alber, Mrs. William Blaess and Mrs. Parker Sharrard.

Also acting as captain in charge of North street, Buchanan street and the North Main street trailer camp will be Mrs. Ismael Pickel-simer who volunteered her assistance.

Her three-year-old son, Teddy, was one of Chelsea's 1952 polio victims and is still returning to the hospital for periodic check-ups to determine the benefit of exercises his father has been taught to give him at home. Teddy's left arm is affected.

Members of the school band who will play from a truck during the Mothers' March, are volunteering their efforts with the cooperation of Eugene Shroyer, band director, and Mrs. Lawrence Fowler, president of the Band Parents club.

Anyone not contacted during tonight's drive and who wishes to make a contribution may call Mrs. Sanborn or Mrs. E. J. Sutter, Dexter, Ann Arbor, Saline and Ypsilanti combined, raised \$8,936 in last year's Mothers' March projects.

Washtenaw county's goal for this year's March of Dimes campaign is \$50,000. Last year's total of \$38,815 was raised in the county, half that amount remaining for use in the county. The county is still short \$5,000 for expenses incurred for oxygen, braces and nursing.

The past five years the county has remained in the same position, retaining half the amount raised in the annual campaign and then being required to ask for more money before the year is out because expenses exceeded the amount.

Chelsea was third highest in the county in the amount contributed in the campaign last year and Mrs. Sanborn and her committee are hoping to maintain that position this year.

**Directors of Credit  
Union Name New  
Officers for Year**

The Board of Directors of Credit Union No. 7440 held their annual meeting at the K. of C. hall Wednesday, Jan. 21 at 8:30 p.m. and elected the following officers for the coming year.

Joseph T. Merkel, president; Ben Staphis, vice-president; William Dettling, treasurer; Mark McKernan, clerk; Jack Dumouchel, director.

Credit committee: Norbert Merkel, chairman; Emmett Hanked, secretary; Edward Laler, member.

Supervisory committee: Francis Hafner, chairman; Robert Devine, secretary; Donald Houle, member.

Educational committee: Raymond Culhane.

**PTA Contributes  
Entertainment Funds  
to March of Dimes**

The Junior-Senior High School PTA meeting Monday evening was opened with the song, "God Bless America," led by Eugene Shroyer.

Mrs. James Hough read the opening PTA prayer.

Following the general business meeting games were played and proceeds realized were turned over to the school's March of Dimes fund.

Tenth grade room mothers, as hostesses, carried out the Valentine Day theme in decorations and refreshments.

Present for the meeting were 21 parents and 14 teachers.

## INSIDE THE CAPITOL

by Attorney-General Frank G. Millard

One of the many duties of the Attorney-General is to act as legal advisor and attorney for the Insurance Commissioner. Recently, while acting in that capacity, it became necessary to defend the Commissioner in an action for a declaratory decree brought against him by an automobile club. The club contended that it could extend its credit to members for the payment of attorneys' fees and bail bonds; that this was not insurance but only a service and therefore not within the intent of the Insurance Code.

The trial court, however, agreed with the Attorney-General that "a contract with reference to the furnishing of an attorney on the credit of the company amounts to and is insurance." Likewise, it held that the furnishing of credit for bail bonds was also insurance. This being a case of first impression in this state, it will be an important precedent. It is also important in that it has stopped the unregulated practice of these "so-called" auto clubs of deceiving an unsuspecting public. Auto clubs that are offering this insurance through an affiliated insurance company are not affected by the decision.

**EARTH MOVING JOB**—Mammoth machinery cuts hillside down to grade level at northwest curve of high speed oval test track at Chrysler Engineering Proving Grounds near here. For the network of 45 miles of test roads and tracks under construction throughout the 3800-acre proving grounds, more than 2,000,000 cubic yards of earth have already been moved. At the present time approximately 90 per cent of the earth moving has been completed. Concrete surfacing of the 4.71-mile oval test track will begin in May.**Chrysler Awards Contract for Paving Auto Test Tracks**

Detroit—A contract to pave the high-speed test oval and two straightaways of the new 3800-acre Chrysler Engineering Proving Grounds, near here, has been awarded to the S. J. Groves and Sons Company of Minneapolis, Minn., a builder of the new U. S. air base at Thule in northern Greenland.

In making the announcement, James C. Zeder, vice-president and director of engineering and research, Chrysler Corporation, stated that the paving operation will

begin in May and will involve many special techniques to overcome the unusual problems connected with paving the scientifically-designed curves of the test track. He pointed out that the 4.7 mile oval section has been engineered to permit testing speeds as high as 140 miles per hour on its curves without side thrust.

Laying reinforced concrete on its carefully calculated contours will require special modifications in paving equipment which will be worked out through the collabora-

tion of engineers of Chrysler Corporation and the Groves company. The contract provides for the construction of reinforced concrete pavement for the test oval and two straightaways of 2.23 and 1.59 miles in length. Paving is scheduled to be completed on or before Oct. 1, this year.

The excavation and grading work for these courses, which is about 90 per cent completed, is the largest earth-moving project ever undertaken in the state of Michigan by a private organization. More than 2,000,000 cubic yards of earth have already been moved in the grading for the oval and the two straight-

aways alone. The S. J. Groves and Sons company has completed many large projects. Among the most recent are the Oklahoma Turnpike, the New York-Ontario Turnpike, and a considerable portion of the New Jersey Turnpike. The firm also was a major contractor in connection with the new Fairless Works of the U. S. Steel Corporation at Morrisville, Pa. It has constructed many dams and river, irrigation and flood control projects, in addition to its work on the dramatic Thule project which, until recently, was a top secret government project.

**Causes of Frostbite**

Chilling, wetting, hunger, exhaustion, anxiety, blood loss, smoking and body immobility are some of the factors which may contribute to the freezing of limbs, according to a study made of a group of American soldiers in Korea returned for treatment of frostbite.

## TWO TURBINES are quicker than One

WE raised our eyebrows the first time the engineers told us about it.

A new Dynaflo Drive? Better than the one that over a million and a third people are so happy with?

That's right, the engineers assured us. A new Dynaflo that's just as smooth, just as simple to operate—but far faster, and quieter on getaway, and a great deal more efficient.

This, we told ourselves, we have to see. And we did.

We tried the new Golden Anniversary Buick with Twin-Turbine Dynaflo Drive\*—and mister, it's spectacular!

As before, no gears ever shift in this wonder drive.

As before, you have infinite smoothness through every speed range—feel wonderfully fresh and relaxed even after a long day's drive.

But on getaways you can soar to cruising speed in less than a half dozen seconds—and with lullaby quiet.

At every speed range you have more efficient power transfer. Acceleration is increased 20%, but with fewer engine revolutions—which means you get going quicker, with less engine speed, less getaway sound.

What works these wonders is a new kind of engineering which places two

turbines instead of one in the Dynaflo transmission. At the same time, fewer parts—four elements instead of five—simplify the unit even more.

But there's more than just this sensational Twin-Turbine Dynaflo to be had in the 1953 Buicks.

There's new power—including the world's most advanced V8 Engine in Supers and Roadmasters. There's a still finer Million Dollar Ride. There's superb new comfort and handling ease, and a host of other advances—87 in all.

Why not come in this week and try one of the greatest Buicks in fifty great years?

\*Standard on Roadmaster, optional at extra cost on other Buicks.

## Surprise Ending!

That raffle for our Volunteer Fire Department went over fine. We're going to have money to get a new engine—and then some.

Our local merchants really donated some wonderful prizes. Like Buzz Ellis, the radio-TV dealer, giving that big television set... and the Superior Motors putting up a brand-new car.

There was a humorous note, too. The prize of a year's supply of coal—donated by Baker Coal Yard—was won by Mrs. Thayer, whose husband is the biggest fuel-oil dealer in the county! What did

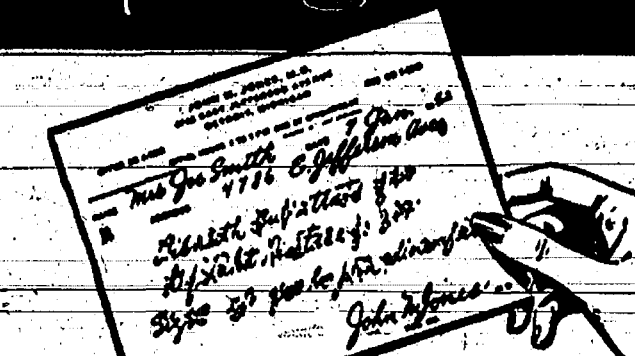

Mrs. Thayer do with the prize? She gave it to a church and even a member of. (Her Church uses her husband's fuel oil.)

From where I sit, that's real generosity. But then, Mrs. Thayer never did believe in dividing people into groups. She's "for" everybody—whatever church they go to, whether they like TV or radio, people who enjoy temperate beer, people who don't. A really warm-hearted person.

Chelsea shippers and consignees of freight who for the past 60 years have called at the Michigan Central freight office located at the east end of the freight warehouse,

"About that little mistake in your bookkeeping, Miss Smith. \$78,000 did you say?"

will, from now on, be cared for in a new, modern freight office located in the west or men's waiting room in the passenger station one block east of the warehouse. The Chelsea Milling Company was the first shipper to present a bill for shipment and W. E. Boone was the first person to receive a freight bill at the new offices.

A proposition to prohibit hunting on Sunday in Washtenaw county will probably be submitted to the voters in April.

A red fox which was very rare in this vicinity, was caught in a trap last Sunday by Joseph Liebeck on his farm in Sylvan township.

Visualizing the Chelsea of the future and heeding the demands of the state for more sanitary and healthful conditions, the council awarded a contract to provide eight miles of sewer to care for the needs of the village.

ALTENBERG BROTHERS

"It happened 40 years ago..."

Hal W. Cobb, Central Division safety supervisor for Michigan Bell, talking to Field Engineer Warren A. Pickering outside the telephone building in Saginaw, recalls that the Benefit-Pension Plan started the same year he began his telephone career.

"I'll always remember my first day with the Telephone Company back in January, 1913. It was 12 below zero the day I started as a lineman."

"That same month the Company's Benefit-Pension Plan was established. The Company put up the money in 1913 to get it started and has paid all the costs ever since."

"The Telephone Company's Plan not only provides retirement pensions. It also gives financial help to employees of all ages in meeting emergencies that may come with sickness, injury or death."

"For instance, there were the times when I was sick in a hospital for weeks and got my pay checks just the same, thanks to the Benefit Plan."

"One of these days I'll be retiring and, believe me, it's mighty comforting to know that I can count on a good pension when that day rolls around."

"Having our Benefit-Pension Plan with me all these forty years has meant a lot to me in peace of mind. It was a good, sound plan to begin with. And it's been kept up to date to meet the needs of changing times. I'll stick our Plan against any of them."

"It's People Who Make Telephone Service Good"

Michigan Bell Telephone Company

### AN IMPORTANT KEY TO GOOD TELEPHONE SERVICE

Michigan Bell's Benefit-Pension Plan is one of the oldest of its kind in industry.

It is one of the things that makes the Telephone Company a good place to work.

Telephone men and women have the protection and security of a complete benefit and pension program with all costs paid by the Company. This includes liberal benefit payments for sickness and accident disability, death and retirement.

Folks do a better job when they have a feeling of security. The Plan contributes to that feeling among telephone people. So it's a good thing for your telephone service, too.

The Benefit Plan is an important part of what we mean when we say... "Our policy is to furnish the best telephone service at the least cost to the public, consistent with financial safety and fair treatment of employees."

### SEMESTER RECORDS

The pupils of grades five through eight took home their Progress Charts this week. The red bars on these graphs show the grade rating of the pupil as measured by standardized achievement tests in reading, arithmetic, English, spelling and handwriting. At the end of the year the results of tests will be shown on the same charts by blue bars.

TO FOURTH GRADE PARENTS  
The fourth graders were given folders printed by the Archdiocesan School Office informing their parents of the material covered in all subjects in fourth grade to prepare the children for the second four years of grade school.

### FREE DAY

Monday, Feb. 2, will be a school holiday to enable the Sisters to attend the Archdiocesan Teachers' Institute at Our Lady of Mercy High School in Detroit.

Freedom Ideal Homemakers Extension club held the January meeting on Wednesday of the past week at the home of Mrs. Henry Niehaus.

Mrs. Niehaus and Mrs. Alfred Kuhl were co-hostesses and served refreshments after the lesson to the nine members and six guests present.

The day's lesson on basket weaving was given by Mrs. Niehaus and Mrs. Charles Krueger.

The next regular meeting, on Feb. 11, will be held at the home of Mrs. Alton G. Grau. At that meeting the lesson topic will be "Oven and Broiler Meals."

### JERUSALEM HOMEMAKERS

The Jerusalem Homemakers Extension club was held Tuesday evening, Jan. 20, at the home of Mrs. Frank Kalmbach. There were 16 members and three guests present.

A short business meeting was held.

Preceding the meeting, Mr. Trinkle of Ann Arbor, gave a talk on interior decorating.

The next meeting will be held at the home of Mrs. Walter Wolf-sang.

Refreshments were served by the hostess at the conclusion of the meeting.

### BUSY BEAVERS 4-H CLUB

Our executive leader, Arthur Cook, will go to East Lansing, Jan. 29 to help plan the grass day program.

The sewing girls have their garments very well underway.

Mrs. Harold Wals's photography group has been taking many unusual pictures this winter season.

The Handicraft boys had a successful meeting Friday evening. Several of the projects are now for finishing. Lunch was enjoyed by the group.

Carol Hannevald, reporter.

### Our Neighbors

Dexter — Mrs. James Pombier, daughter of former principal, James M. Cretcher and Mrs. Cretcher, was one of the passengers on the Miami-to-Boston Miamian train which was wrecked early Saturday in Georgia. — Dexter Leader.

Manchester — Lawrence Pajot received a letter Saturday from Texas stating that charges have been placed against a suspect in the murder of his cousin, Joe Campbell, on New Year's Eve. Campbell was shot four times and fire was set to his clothing as he was making his rounds working as a collector for a finance company in Dallas, Texas. — Manchester Enterprise.

Northville — Tamenund J. Dickerson, 27, of Salem, was drowned in a tragic boating accident at White Lake, 18 miles west of Pontiac Sunday evening, Jan. 18.

Standing with him when he crashed through about seventy feet from shore was Clayton Seib, of White Lake. He managed to reach shore, but returned too late with a tree limb for Mr. Dickerson to grasp.

Mr. Dickerson's body was recovered from seven feet of water quickly because he had a flashlight, turned on in his pocket. — Northville Record.

Morenci — State Representative Wade VanValkenburg of Kalamazoo has been elected speaker of the Michigan House of Representatives for this term.

Mr. VanValkenburg, a native of Lenawee County, is a brother of John VanValkenburg and Carl VanValkenburg of Morenci. — Morenci Observer.

Milan — Cause of the disastrous fire last week at the Dundee Truck Lines Freight Terminal, located on US-112 just west of US-23 is still unknown. Investigations are being conducted by State Police and representatives from the State Fire Marshal's office.

The entire garage, housing six truck tractors and numerous items was completely razed. — Milan Leader.

Scottville — The possibility of a tri-city airport to serve the population of the Ludington-Scottville-Manistee area was discussed at a meeting held Tuesday night in Ludington. — Mason County Press.

Frankfort — Green Bay got more than its share of ice and last week the slush and floating ice cakes piled up enough to imprison the Ann Arbor Car Ferry No. 7 for nearly two days. The No. 7 took 47 hours to make the trip to Menominee and back which usually takes 14 hours. The Wabash finally broke her loose.

The No. 7 was stuck in exactly the same place in the bay that the old Ann Arbor No. 1 was stuck in for 63 days in 1899. Capt. Butler, who now resides on Crystal Lake, was the master of the No. 1 at that time. — Benzie County Patriot.

South Lyon — Attractive seven-year-old Marilyn Longwill Lee of Sandbach, England, flew unaccompanied by relatives to America to make a new home here with her grandparents, Mr. and Mrs. James Bohnert of West street. — South Lyon Herald.

LeRoy, Ill. — LeRoy became the first municipality in McLean county to have a fluoridated water supply as Oliver Giddon, superintendent of the water works, threw the switch Monday morning which caused the small metering machine to begin its slow task of pumping the sodium fluoride solution through the long plastic tube into the water main. — LeRoy Journal.

Rochester — One of the high points of the business meeting of the First Baptist church was the reading of the annual financial report of the church. It was in this

reading that it was discovered that the total church free-will offering for the year was \$40,192.84 of which \$10,822.00 was used in missionary endeavor.

Buchanan — Howard Wilson of Bakertown is reported to be the oldest person in Michigan with a license to drive a car. This came to light when claim was made that a man near Lansing was the oldest license holder.

Mr. Wilson will be 92 on Feb. 24, next. He has driven many years, but has never had an accident, never had any sort of a traffic ticket, always carried insurance but never collected damages. He never wears glasses except when reading and his long-range sight will spot a man a half mile away. — Berrien County Record.

Northville — This issue of the Record will mark the end of its publication at 120 North Center St., where it has been printed almost continuously since 1930.

Unless unforeseen difficulties or inclement weather (such as the recent ice storm) make it impossible, the Record will be moved from presses to paper mills, to its new quarters at the corner of Main and Center streets during the week end. — Northville Record.

Saline — One of Saline's most public spirited citizens, Gerald Coe is this week's "Who's Who in Saline."

Coe was born on a farm near Chelsea in 1914. He first came to Saline in 1929.

In 1940, Coe purchased Fitzgerald's Barber Shop in Saline and in 1945 he moved his shop to its present location at 101 N. Ann Arbor street.

Coe has been one of Saline's most selfless workers in community projects. — Saline Observer.

## Chrysler Proving Grounds Plan Revealed

## CHRYSLER ENGINEERING PROVING GROUNDS

**PROVING GROUND PLAN**—This map is the first detailed outline for public view of the Chrysler Corporation's Sylvan township "mystery" project south of Chelsea. After the land was purchased over a period of more than two years, it was revealed that the project was to be a proving grounds for automobiles and other Chrysler products. A group of newspapermen was taken on a tour of the area recently. Roads have been built and work on test tracks is progressing

rapidly. Some buildings also have been erected on the 3,800-acre area. There are 45 miles of test roads and tracks being constructed, requiring 2,000,000 cubic yards of earth to be moved. The earth-moving job is approximately 90 per cent done. Paving on the oval test track is to begin in the spring, with announcement of the award of a contract for paving being made this week. (See story on page 5.)

## DEATHS

## Guion T. Newark

Guion T. Newark, an employee of the American Express company, now the Railway Express company, for more than 50 years prior to his retirement in March, 1938, died Saturday afternoon at 111 West Middle street where he and his wife made their home. They had been living in Chelsea since his retirement.

Born March 5, 1873, in Kalamazoo, he was a son of Guion T. and Anna Padgham Newark.

His wife, to whom he was married Feb. 2, 1897, is the former Maud Humphrey. She is his only close survivor.

Funeral services were held Tuesday at 2 o'clock at the Staffan Funeral Home with Rev. David Bryce officiating.

Burial was in Oak Grove cemetery.

## Samuel Buehler

Samuel Buehler, formerly of Chelsea, died early Saturday at his home, 825 Manchester road, Saline. He had been ill for some time.

Born here Sept. 26, 1875, he was a son of Jacob and Christine Mohrlock Buehler.

He was employed in Jackson for a time after leaving Chelsea

and was married there on May 6, 1903, to Mary C. Kaiser, who survives. They made their home on a farm near Saline for a number of years before moving to the present home when he retired in 1929.

Surviving, in addition to Mrs. Buehler, are two daughters, Mrs. Roland Bremeritz of Fenton, and Mrs. Raymond Burmeister of Saline; nine grandchildren; two sisters, Mrs. George Satterthwaite and Mrs. John Forner, both of Chelsea; and a number of nieces and nephews in this vicinity.

Rev. Alvin Siemsen of Saline officiated at services held at 2 o'clock Monday afternoon in the Lockwood Funeral Home. Burial was in Oakwood cemetery, Saline.

Attending the funeral from Chelsea were Mrs. George Satterthwaite, Mrs. John Forner, Mr. and Mrs. Homer Nixon, Mr. and Mrs. Lero Buehler, Mr. and Mrs. Verno Buehler, Mrs. William Kolb, Mr. and Mrs. LeRoy Satterthwaite, Mr. and Mrs. Vernon Satterthwaite and Mrs. Leon Chapman.

Dr. Harmond Webb of Detroit, was visiting his mother for several days this past week. Mr. and Mrs. Fred Janke of South Lyon, and Mr. and Mrs. Lyle Engle of Dexter, were guests of Mr. and Mrs. George Webb on Sunday.

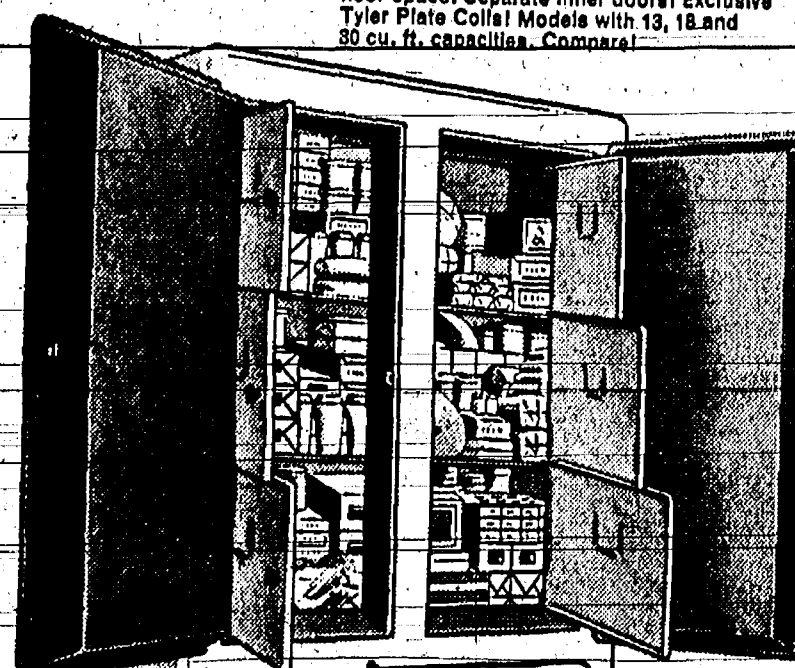

Mr. and Mrs. H. M. Butler of Toledo, Ohio, and Mr. and Mrs. Lynn Kern left Tuesday morning for a vacation trip to Florida.
