tioning once the deficit is liquidated.

2. A one-or-two year special tax program must be decided upon to liquidate the deficit.

3. Too high a proportion of state income is earmarked by law for specific purposes. The legislature must be left free to control monies which are now assigned automatically to prescribed funds. This creates large balances of unused money in special funds while the general fund is depleted.

4. Distribution of taxes where by state money is divided among counties, cities, villages and townships, for schools and other purposes must be revised because gross inequities exist under the present system.

5. The tax study reported that \$25 to \$30 million additional will be needed next year for financing. They expect to raise this money in two ways. One is by changing the method of distributing state money already mentioned. The other is to force local government units to raise more of their own money. This, they say, can be accomplished by requiring all valuation be done according to state equalization figures.

6. This would affect nearly every county except Wayne which is already fully equalized. It would raise the amount of money going to local units for schools and other services by 22%. It is fair to assume it would mean a real and personal property tax increase averaging 22% for outside residents, money which would be paid directly to their own communities and lessen the need for similar amounts of state aid.

7. Dr. William Miller and Dr. John F. Sly, the Princeton experts, did not seem to think the matter of making up the \$80 million deficit too difficult a problem. They recommended several methods, many of which have been previously considered and rejected by the legislature for one reason or another. Calling for "a one-time solution to this one-time problem," the tax team said the general requirements for the tax to meet the deficit should cover as many as possible different groups of people to increase its chances that it will be removed once the amount is raised.

March of Dimes Total for Chelsea Passes \$3,900 Mark

As final figures in Chelsea's March of Dimes campaign were tabulated this week by Mrs. Herbert Sanborn, local chairman, it was revealed that the total amount contributed here is \$3,903.22. This puts Chelsea in third place in the county with only the cities of Ann Arbor and Ypsilanti in the two highest places.

This year's total is an increase of 50 per cent over last year's \$2,601.85, which, at that time, was considered an excellent record.

Mrs. Sanborn credited the success of the drive to "the wonderful co-operation of workers in the campaign and exceptional generosity of the people of the community."

Mrs. Sanborn's figures show this year's contributions in the various divisions as follows: manufacturing and labor, \$1,408.19; (an increase of \$564.24 over the \$843.95 contributed last year); time cards, \$373.50; schools, \$380.85; Mothers' March, \$591.10; carter's in business places, \$327.98; organizations, \$196.00; poultry auction at Community Fair, \$36.00; and a contribution marked "A Friend," \$10.

A general increase over last year in contributions in all divisions, plus the \$561.10 realized from the Mothers' March, accounts for the large amount raised here.

This is the first year the Mothers' March project was carried out in Chelsea.

The fourth and final quarter saw victory come to the Vikings. Bob White led in scoring with six points, while all of Dundee's team sank two points each. The final score was 63-52.

Bob Lowe and Ken Knabusch each sank 15 points to lead the scoring parade for the winners, while Bob White and Bob Bertke led the losing Bulldogs with 12 points each, with Neil Buehler setting 10.

Dundee took 15 foul shots and made good on 14, for an average of 93 per cent. Chelsea took 23 charity tosses and made good on 18 for a per cent of 78.

Tomorrow night Chelsea plays its last game in the Huron League for this season as they travel to Milan to tangle with the Big Reds.

The Bulldogs lost to Dundee's second team, 28-23.

Jerry Wenzel led the scoring with eight points, aided by Paul Dean. Harold Stipp paced the losers with nine, assisted by Jim Greenwood.

INSIDE THE CAPITOL

By Lee M. Thurston, Superintendent of Public Instruction

The spring election of April 6 is about six weeks away. Last fall nearly three million Michigan people went to the polls to vote for president, governor, and other important state and national offices. The question now is: How many will vote in this spring election?

If we look at past records, it may be only one quarter of the number who voted in the fall. Could this mean that the citizens are less interested in their schools,

colleges or judicial offices, or the office of Highway Commissioner? Or is it the fact that there are no great national campaigns involved with red-hot debate on many political issues? This reasoning is to me to be the true one. It is a well-known fact that people are more concerned about their schools than about any other public institution because they involve our children and youth.

The question might be raised as to why we do not elect our supreme court justices and the school and college officials at the time of the fall election when many more people express their opinions at the polls. A search for the answer will reveal that the men who wrote our Constitution were wise in the ways of life and politics. It apparently was

their desire to remove school, college, and judicial offices as far as possible from partisan politics and still retain the values of the two party system. In spite of many faults that can be pointed out, this system has worked well. The men and women on the Board of Regents, the State Board of Agriculture, and the State Board of Education—the controlling boards of the University of Michigan, Michigan State College, and the teachers' colleges—are of the highest caliber.

I urge every voter in Michigan to go to the polls and to select, in terms of their individual choices, the best qualified candidates.

Some folks make their joys more incidents and their sorrows great events.

WATERLOO PTA

At the last meeting of the Waterloo PTA it was voted to discontinue the PTA and form a new club to be known as the Waterloo School Community Club. The next meeting is to be held at the school on Friday, March 20, at which time officers will be elected. Present P

Schneider Twins ...

(Continued from Page 1)

that a Scout has qualified to receive two religious awards. The Committee on Awards approved the twins' applications at a meeting held Jan. 22 in Minneapolis, Minn. The twins had begun work for the award in December, 1951, under the guidance of Rev. Grabowski.

The twins' first religious award was the general Protestant honor, the God and Country award, which they earned under the guidance of Chaplain Theodore Pfeiffer in August, 1950, at Fort Meade, Md., when the family lived in the east while Mr. Schneider served in the U. S. Army.

That award required 200 hours of church service by each boy as well as other work.

The twins have an extensive background in both Scout and church work since they became Cub Scouts in September, 1946.

They achieved Star rank in February, 1950; Life rank in August, 1950; were made Eagle Scouts March 12, 1951; received Bronze Palm awards in March, 1952, and Gold Palm awards in September, 1952. Each has 31 merit badges.

Richard and Douglas have held every troop office and are now junior assistant scoutmasters, the highest boy positions. Both are ordeal members of Munhacks Lodge No. 88, Order of the Arrow, and this year Richard is serving as treasurer of that organization.

Both attended Philmont Scout Ranch in New Mexico, in 1951, and last year they attended the Order of Arrow conference in Miami, Ohio.

Their church activities include membership in the Young People's League, the Sunday school and the Uihara club, holding various offices in the Young People's League and acting as custodians of the church the past two and one-half years.

Sunday's ceremony will probably mark the height of the twins' scouting careers. They are seniors at Chelsea High school and plan to attend college next year.

Mr. and Mrs. Max Seeds and daughter, Raenell, of Lansing, visited Sunday at the home of Mr. and Mrs. Mike Misales. Mr. Misales and two sons have been ill, the former having recovered sufficiently to return to work.

Club and Social Activities

WESTERN WASHTENAW FARMERS CLUB

Assisting as hostesses were Mrs. Herbert Rank and Mrs. Walter Riemenschneider.

FOUNDERS' DAY

PTA Founders' Day was observed locally by the Elementary PTA at a pot-luck dinner in the gymnasium at Chelsea High school Wednesday evening. Approximately 85 persons attended.

The after-dinner program was opened with the PTA prayer read by Mrs. John Chaplin, PTA president.

The highlight of the evening was a tape recording of class activities at the elementary school, presented by the elementary school principal, Basil Shell.

JERUSALEM HOMEMAKERS EXTENSION CLUB

The Jerusalem Homemakers Extension club met Feb. 17 at the home of Mrs. Walter Wolfgang. Roll call, in response to "Favorite Oven or Broiler Meal," was taken, with 17 members and one guest present.

A new member, Mrs. Martha Hinderer, joined the group.

After the business meeting, the lesson on "Oven and Broiler Meals" was given by the leaders, Mrs. Walter Wolfgang and Mrs. Arthur Williams.

Games were played and refreshments were served by the hostess at the conclusion of the evening.

LYNDON HOME EXTENSION CLUB

Because Mrs. Howard Boyce, who had planned to entertain the Lyndon Home Extension group this month, is in Florida, the members met Thursday afternoon with Mrs. Henry Prin, the club chairman.

Oven and broiler meals were demonstrated by Mrs. George Beeman and Mrs. Thomas Masterson.

Mrs. Prin was instructed to write the first letter from the club to its "pen pal" in England.

The hostess served a lunch at the close of the meeting, and it was announced that the next meeting on March 19, will be at the home of Mrs. Mary Clark.

SYLVAN EXTENSION CLUB

Mrs. Clarence Lehman was in charge of roll call at the Sylvan Extension club meeting Thursday afternoon at the home of Mrs. Ewald Lentz. Valentine jingles were given as roll call response.

Mrs. William Dreesman, club chairman, presided during the business session when Mrs. James Liebeck became a new member of the club.

Mrs. T. G. Riemenschneider and Mrs. Oscar Kalmbach gave a demonstration of the day's lesson pertaining to oven and broiler meals, and each member is to prepare a similar meal at her home and give a report at the next meeting.

Plans were discussed for the 4-H club spring banquet for 4-H club members and parents in the community.

The March meeting is to be held at the home of Mrs. Oscar Kalmbach. The lesson topic is to be "Care of the Sewing Machine."

FRANCISCO EXTENSION CLUB

Francisco Extension club, with 12 members and one guest present, held the February meeting at the home of Mrs. Walter Bohne. Valentine jingles were repeated during roll call and the lesson, "Dooryard Flowers," was presented by Mrs. Walter Gardner and Mrs. Herbert Mohrlock.

A special interest lesson on ceramics will be given at a meeting to be held at the church schoolhouse at 1:30 p.m., March 18.

N. LAKE EXTENSION CLUB

The North Lake Home Extension club was entertained by Mr. and Mrs. Eugene Lindemann Saturday evening, Feb. 21, with about 45 guests in attendance.

After the pot-luck supper, progressive euchre was played and the following lucky players took home the prizes: high, Mrs. Reuben Lindemann and Byron Soule; low, Mrs. Chris Fitzsimmons and George Lee; traveling, Luther Hildinger.

The next party will be given by Mr. and Mrs. Max Kalmbach on March 7, with the usual pot-luck supper.

N. W. FREEDOM FARM BUREAU

Mr. and Mrs. Alfred Kuhl and Mr. and Mrs. Will Reno entertained the Northwest Freedom Farm Bureau at the Reno home Friday evening with 47 members and guests present.

A sound film, "The Story of Wool," obtained from Michigan State College, was shown by Don Johnson, Washtenaw county agricultural agent.

In observance of Cherry Pie Week, and because of Washington's birthday, cherry pie was served. Also served as refreshments were ice cream and coffee.

Paul Menzel, Dennis Gary and Lauren Miller, of the Pleasant Lake 4-H Handicraft club, gave a demonstration of their work at the meeting. In the absence of their leader, John Luckhardt, who was ill, John Miller acted as leader during the demonstration.

March 20, the regular meeting will be held at the home of Mr. and Mrs. Reuben Stabler.

Navy after two years service. The Kirbys had made their home in San Diego, Calif. Mr. Kirby is the former Patricia Richards who graduated from Chelsea High school in 1942.

Also making her home with Mr. and Mrs. Richards is their daughter-in-law, Mrs. Richard Richards. Their son, Richard, is serving as a first lieutenant in the Medical Corps at Fort Sam Houston, Tex., and his wife will remain here until he is assigned and she can join him.

Salesmen Reported Offering Seed Oats Unsold to Michigan

Don Johnson, Washtenaw county agricultural agent, has stated that reports are being received from reliable sources that out-of-state salesmen are calling on Michigan farmers and promoting the sale of seed oats which are not suited for use in Michigan.

The varieties which have been offered, when field tried, have yielded an average of 8 to 10 bushels less per acre than Michigan certified seed, and are being offered at considerably higher prices than Michigan seed.

Farmers who purchase such seed oats stand to lose money, Johnson pointed out.

He listed several facts regarding the operation of these salesmen, saying that usually, some new or so-called new variety of seed oats is offered for sale and in certain cases the varieties are practically unknown.

The salesmen make great claims for the performance of the varieties they are trying to sell; however, performance tests were conducted in other states or counties rather than by the Michigan Agricultural Experiment Station.

Prices of the varieties offered are exorbitant when compared to Michigan-grown, certified seed. "Certified is the best we have," Johnson said, "especially, as to variety purity."

As an illustration, according to Johnson, one of the varieties being sold is Nemaha. Yield tests in Michigan in 1950-51 show that it will yield two to five bushels per acre less than the Clinton variety which is one of the recommended varieties for Michigan.

The Nemaha variety is more suitable for Kansas and Nebraska.

If the Mohawk variety is being sold there would be no advantage to producing it in preference to Clinton as the two varieties are very similar in all respects, including yield and test weight.

In view of these facts, Johnson said, the following recommendations are made to Michigan farmers in the interest of maximum yield and economy:

First, insist on performance records which apply to Michigan conditions. These can be obtained from the Farm Crops department of Michigan State College or from the county agricultural agent.

Second, do not purchase seed of varieties on which no performance records are available for Michigan conditions.

Third, beware of salesmen who claim to have seeds higher in variety purity than Michigan certified seed. Such seed is not available commercially.

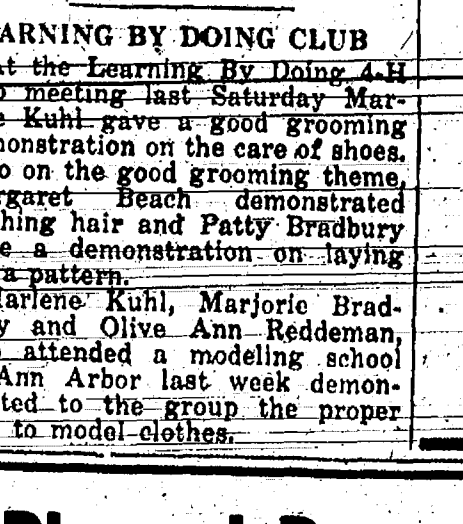

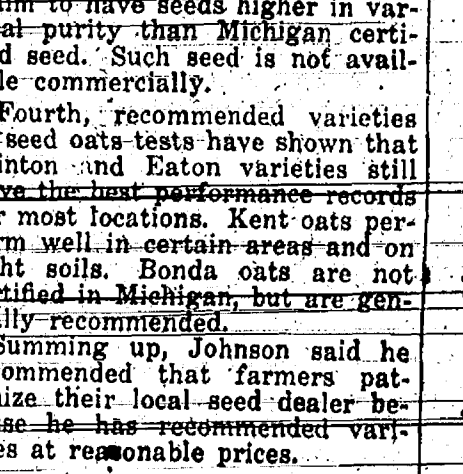

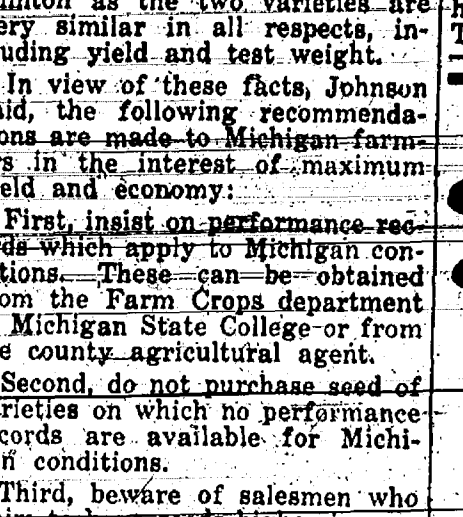

Fourth, recommended varieties of seed oats tests have shown that Clinton and Eaton varieties still have the best performance records for most locations. Kent oats perform well in certain areas and on light soils. Bonda oats are not certified in Michigan, but are generally recommended.

Summing up, Johnson said he recommended that farmers patronize their local seed dealer because he has recommended varieties at reasonable prices.

Avoid Trouble by Following Safety Theme, Say Police

"You can't go wrong if you follow the advice given in the theme of the new national traffic safety campaign, 'Know and obey the traffic laws,'" according to Sergeant John Horvath, commander of the Jackson post of the Michigan State Police.

"That's the title selected by the National Safety Council and a good one it is," said Sgt. Horvath. "And the campaign slogan fits right in. Don't learn traffic rules by accident."

In Michigan the campaign is sponsored by the State, State Commission, with municipal, state and county police organizations, as well as safety organizations and others.

"Just knowing the traffic rules is not enough," Sgt. Horvath said. "Even the unintentional driver, thoughtless violator causes just as bad a mishap as does the deliberate, reckless driver. And seven out of every 10 fatal accidents are the result of violations on the part of one or more drivers."

"Last year 49,000 persons were killed or injured on Michigan streets and highways. That's equal to the population of a good-sized city. There were 165,000 accidents."

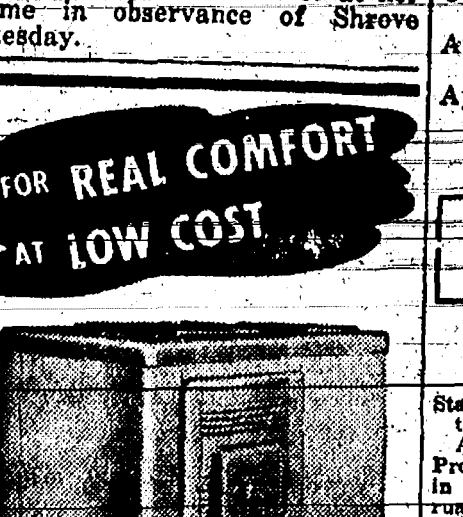

"The only sure way we have at present to reduce this terrible toll is by drivers themselves being more faithful in obeying the rules of the road. If every driver practiced courtesy, caution and common-sense we wouldn't have these accidents. He should not only know his job, but keep his mind on doing it the right way. That's his best guarantee of staying out of trouble."

Miss Lillie Wackenhut, entertained at a pancake dinner at her home in observance of Shrove Tuesday.

TYPICAL SCOUT FAMILY—The Edwin H. Grob family of Ann Arbor, has been selected as the "typical Scout family of Michigan" and was received by Gov. G. Infirmary Auxiliary Now Conducting Membership Drive

Mrs. Ralph L. Belknap of Ann Arbor, membership chairman of the Washtenaw county Infirmary Auxiliary, has announced that a membership drive is being conducted throughout the county, its aim being to enlist 4,000 women of the county. Members are not obligated to volunteer time unless they wish to do so.

Group membership is available for \$2.00 and individual membership for \$1.00. At present, membership numbers 300, an increase of 250 over the first of the year.

The Auxiliary, organized in 1949, is made up of a group of volunteers who have as their objective the improvement of physical and recreational welfare of patients and residents of the Washtenaw county Infirmary.

Projects undertaken since its organization include arranging birthday parties; providing personal shopping service; arranging for special entertainment programs and movies; improving day room facilities and purchasing draperies and curtains to add to the homeliness of the rooms.

Future plans of the group include setting up an occupational therapy program, the purchase of wheel chairs and furnishing a recreation room for men. In connection with the latter project, members are hoping for the contribution of an old pool table which they may renovate and install. Purchase of a new table would be beyond their means, Mrs. Belknap said yesterday.

Robert Reynolds, supervisor of the Infirmary, speaking of the Auxiliary's efforts, said "The residents have expressed their appreciation for the interesting and beneficial program which the Auxiliary is conducting for them." Continuing, he stated, "The welfare of the residents being the aim and goal of both the Auxiliary and myself, we have been able to accomplish many improvements which would not have been possible otherwise."

Officers, in addition to Mrs. Belknap, are: Dorothy A. Goss, acting president; Mrs. Ray W. Knap, vice-president; Mrs. David W. Geller, recording secretary; Mrs. George A. Kennard, membership co-chairman.

Committee chairmen include Mrs. A. M. Waldron, personal shopping chairman; Mrs. L. G. Kurtz, recreational chairman; Mrs. L. C. Stuart and Miss Goss, nursing home survey committee; Mrs. Robert W. Spitzer, ways and means; and Mrs. E. B. Bokum, house committee. All are from the Ann Arbor area.

Trustees are Mrs. Alexander G. Ruthven, Dexter; Mrs. Herbert L. Sanborn and Mrs. Leigh Palmer, Chelsea; Mrs. George Laskey, Mrs. Howard Heath and Mrs. Harry Jacob, Milan; Mrs. Fred Arend and Mrs. Everett Wolf, Saline; Mrs. Walter Laubengayer, Mrs. Volney H. Jones, and Mrs. Arne Arnesen, of Ann Arbor; and Mrs. H. E. Bates and Mrs. Chandler Hill, both of Ypsilanti.

Ann Arbor Family Chosen as 'Typical Scout Family'

The family of Mr. and Mrs. Edwin H. Grob, of 1803 Upland Drive, Ann Arbor, selected as "Typical Scout Family of Michigan," was received by Governor G. Mennen Williams in his Lansing office Wednesday, Feb. 11.

They were selected for the honor from among entries nominated by Scout Councils all over the state.

The family includes (back row, from left): Gerald, 14, a Boy Scout with Ann Arbor Troop 6; and Neal, 16, and Robert, 15, both Explorer Scouts. Front row (from left): Paul, 10, a Cub Scout in Pack 106; Mrs. Grob, a registered Brownie leader, with Karol, of pre-teen age on her lap; Suzanne, 8, also too young to be a Brownie; and Mrs. Grob, institutional representative in scouting; James, 13, Boy Scout with Troop 6; Gov. Williams; Barbara, 12, a Girl Scout; and Nancy, 9, a Girl Scout.

The father in the group is one of a family of eight children of Mr. and Mrs. Herman Grob. His mother, no longer living, was the former Emma Lutz, a sister of Mrs. Walter Trinkle of Chelsea.

The family lived in Lodi township at the time of the mother's death. During their visit to Lansing, members of the Grob family were introduced to both houses of the State Legislature and visited all points of interest in the state capitol, accompanied by Scout Executive Joe A. Juncker of the Portage Trails Council.

Anniversary Week celebrations throughout the nation this year stressed the Scout Family theme, depicting how parents and other members of the family have an important relationship to the Scout program.

Farmers Home Administration Tells Change in Procedure

The Farmers Home Administration announced today that their agency has been further decentralized by placing more responsibility on the local county committees.

Under the new procedure the local committee determines not only who is eligible for production loans, but how much the county Supervisor may loan for operating during the current crop year. The farmer is eligible if he is a citizen with past farm experience, of good character, but lacks adequate security to obtain credit elsewhere. In the past the local supervisor would determine if an eligible applicant was to receive a loan and the amount. Under the new method this committee has to be informed of the farmer's plans, the size and quality of the farm he plans to operate, and then they will determine if he is eligible and the maximum he may borrow during the current crop year.

The local committee consists of two farmers. Those currently serving are Glen O. Weber, Saline, and William Densham, Jr., Dexter.
