Mrs. T. W. Menzel, regional vice-president, will preside, and Mrs. E. G. Schaible, synodical president, will address the meeting during the morning.

The afternoon meeting will begin at 1:30 p.m. with Mrs. Ward Hartman, of Columbus, Ohio, as the principal speaker.

Fifteen churches of the Ann Arbor Region of the Michigan-Indiana Synod will be represented at the meeting. These include churches in Lansing, Owosso, Ann Arbor, Manchester, Saline, Jackson, Albion, Freedom township, Rogers Corners, Francisco and Chelsea.

Officers will be elected for the coming year during the morning business session.

The April meeting of the Pilgrim Chapter of the Congregational church was held at the home of Mrs. Frederick Belser Thursday evening. Mrs. Carl Schwiager was co-hostess. Rev. Thomas Toy led devotions and reviewed three chapters of "Knowing and Using the Bible."

It was decided to purchase the necessary equipment for the nursery.

A gift was sent to Mrs. William Kurtz of Saginaw, in appreciation of her sponsorship of the chapter. The May meeting will be held Thursday, May 21, at the home of Mrs. Max Hepburn.

CHAT 'N' SEAU

Mrs. Claude Spiegelberg and Mrs. Clara Hutzler entertained the Chat 'n' Seau Tuesday evening for a regular meeting which was held at the home of Mrs. Spiegelberg. Twenty members were present.

Mrs. Elwyn Beach presented the opening devotional service and concluded an interpretation of Howard Chidley's article "Do You Know About Protestantism?" The first part of the topic had been discussed at the March meeting.

BAPTISM

Michael Kurt, son of Mr. and Mrs. George D. Rabley, of Montgomery, was baptized Sunday in St. Paul's church, with Rev. P. H. Grabowski officiating. Sponsors were Mr. Rabley's sister and her husband, Mr. and Mrs. Elton Hawkins, of Shepherd.

Following the service, Mr. and Mrs. Charles Rabley entertained at a dinner at their home, those present including Mr. and Mrs. George D. Rabley and son, Mr. and Mrs. Elton Hawkins and son, Charles, of Shepherd, and Mrs. George Rabley's parents, Mr. and Mrs. Theo Hummel, of Jackson.

Afternoon caller were Mr. and Mrs. Harold Gracey of Lima Center.

PLAN PARTY FOR MOTHER'S 80TH BIRTHDAY

Mrs. John Millron, of Copenish, who has been visiting at the home of her sister, Mrs. C. P. Slane, the past three weeks, is leaving to return home this week-end. She will be accompanied by Mrs. Slane and they plan to attend a party Saturday evening in honor of their mother, Mrs. Bertha McKay, in celebration of her 80th birthday.

Mrs. Millron, who will be remembered as Elaine McKay, a former Chelsea resident, and Mr. and Mrs. Slane, with their son, David, recently returned after being discharged after service in the Army Medical Corps in Germany, were dinner guests Thursday evening at the home of Mr. and Mrs. Stephen Slane.

AFTERNOON PHILATHEA

The afternoon group of Philathea Circle met Wednesday at the home of Mrs. Guy Barton, with Mrs. Mary Clark as co-hostess.

Fourteen members were present for the dessert luncheon which preceded the meeting.

Mrs. Marshall Richards, president of the group, presided at the business session when officers were nominated and elected as follows:

Mrs. Calvin Summers, Sr., president; Mrs. Mary Clark, vice-president; Mrs. W. G. Price, secretary; and Mrs. Roy Kalmbach, treasurer.

During the business session, also plans were completed for the Mother and Daughter banquet to be held May 1.

Mrs. Carl Schlosser, as devotional leader, gave an interesting interpretation of the concluding passages in Corinthians I which deal with making best use of the talents one possesses and doing one's best to serve wherever 'his or her lot may be cast.'

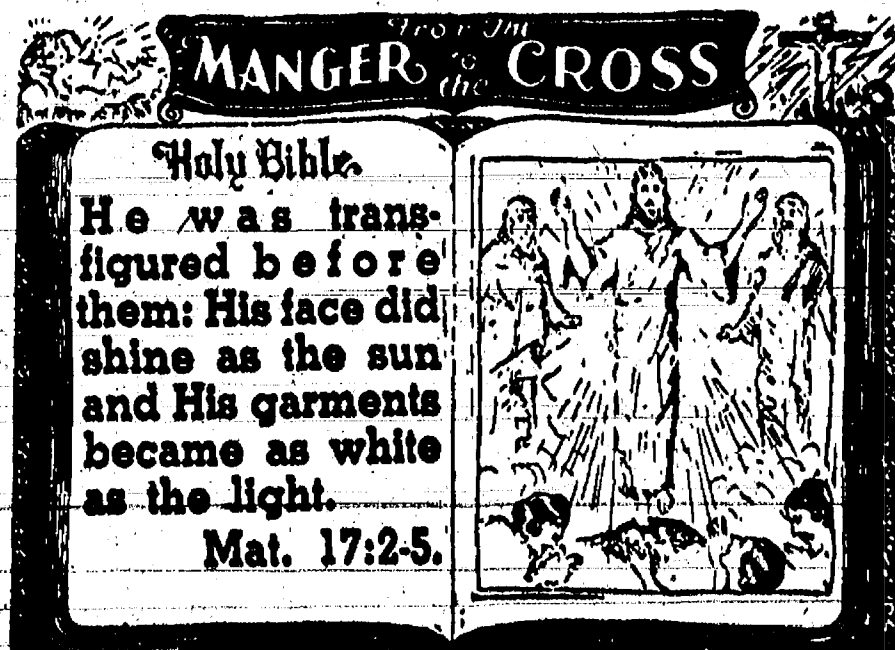

Mrs. Summers was in charge of the program period. Her topic was in the form of a pre-publication report of F. Olin Stockwell's book, "With God In Red China," in which he describes his experiences in a Communist prison camp.

The May meeting of the Circle is to be held at the home of Mrs. Peter Boehm.

To Make Use of Right to Former Jobs Veterans Advised

Frederick G. Beattie, Field Representative of the Bureau of Veterans' Readjustment Rights, Department of Labor, Detroit, today stated that there are a great many servicemen returning at the present time who, from indications, are ignoring their statutory re-employment rights by failing to re-turn to their former employers. In a period of high employment, such as at present, they may be giving up valuable rights for the future by failing to do this.

Beattie suggested that before allowing their 90 days application period before losing rights to lapse, it would be well for the veteran to seek out the former employer and discuss the situation with him.

Furthermore, in the case of those men who are desirous of attending school, it is well again to contact the employer to learn if he has a leave absence policy for this purpose, thus maintaining, in those cases where the employer does have an educational leave policy, their reemployment rights.

Five Ladies Honored at Birthday Party

Anne Campbell, Detroit poet, and her mother were guests at the birthday dinner at the Methodist home last Thursday. Miss Campbell read a number of her poems during a special program period in the home lounge in the afternoon.

Table decorations were miniature-sprinkling cans filled with daffodils and arranged in the form of a circle. A yellow and white color scheme accented the spring theme in all the decorations and table appointments.

Five ladies of the Home family whose birthdays occur this month were presented with birthday gifts by the Chelsea Home Friends of the Detroit Methodist Conference. Those whose birthdays were celebrated are Mrs. Evaline Rodda, Mrs. Margaret Potter and the Misses Huldah Abbott, Rosa Bradley and Edna Fraser.

Engineer Suffers Broken Leg in Train Sideswiping Accident

Herbert O'Hara, of Jackson, New York Central engineer, suffered a broken leg when he was pinned in the cab of his engine after it sideswiped a freight car while maneuvering cars into the Chelsea Milling company siding here at 11:07 a.m. Friday.

At the time of the accident O'Hara was acting as fireman while the fireman Robert Gray operated the engine. Two freight cars, as well as the tender of the engine had succeeded in passing a box car standing on the track close to the spur which forms the Chelsea Milling company's siding but the cab of the engine caught the corner of the car, ripping off its side ladder. O'Hara's injuries resulted when a large metal box was dislodged by the jar of the collision, striking him as it fell. He was taken to St. Joseph's Mercy hospital, Ann Arbor.

Clouds of steam and smoke, billowing from the engine, grayed the appearance of a fire and the Chelsea Fire department was called and made a quick run to the scene. The engineer and fireman are both Jackson men.
