Tornado Hits Pleasant Lake Farm Home

Alvin Haeussler, 30, Killed as House Is Demolished

The Oscar Haeussler farm home on Pleasant Lake road, east of Pleasant Lake, was demolished and the Haeussler family killed when struck by falling timbers and stones from the foundation wall as a tornado struck the vicinity at 8:10 p.m. Monday.

Haeussler was believed killed instantly but was rushed to an Ann Arbor hospital in the hope his life might be saved. Death was attributed to a broken neck and a crushed chest.

The tornado struck with such force that the two-story, solidly built home was a mass of wreckage as soon as the funnel-shaped cloud swooped down on it.

Alvin Haeussler and his wife, Ruth, with their four-month-old son, made their home in a trailer near the family home and fled to the trailer for shelter when they saw the storm headed their way.

In the house at the time it was struck, were Alvin Haeussler, his wife and son, his mother, his sister, Betty, and brother, Glenn, and a neighbor, Luther Schaeble. All were huddled near the west wall of the cellar while the elder Haeussler had delayed to watch the storm and was heading toward the cellar.

The younger Haeussler's trailer home was blown for some distance and landed on its top.

Destroyed, in addition to the house, were a three-car garage, a tool shed, chicken house and corn crib. The large barn was left almost intact. The milk house near the house was also left standing.

Three cows in the garage were badly damaged as the garage was destroyed.

Several head of cattle, known to have been in the woods, had not been located the next day. Trees were uprooted and broken in the woods and around the farm-house.

Before striking the Haeussler farm, the storm had damaged barn doors on the Edgar Little farm on Ernst road and knocked down trees, a windmill, a chimney and television antenna at the Linke farm on Lima Center road.

After striking the Haeussler place the tornado hit the Robert L. Walker farm on Ellsworth road, blowing down two barns, a shed and a brooder house with 250 chickens.

The house remained standing. In the house at the time were Mr. and Mrs. Walker, their 14-year-old daughter, and Mrs. Luella Wiedmayer and her three small children who had stopped for shelter a moment before the storm struck.

Altogether, six separate tornadoes roared through parts of Michigan and northern Ohio Monday evening, the worst striking Flint at the northern outskirts of the city and causing 113 deaths and injuries to several hundred. Property damage was estimated at approximately \$10,000,000.

Local people with relatives in Flint awaited word from them. The Joseph Caplan and Mrs. Alfred Faulkner heard directly from relatives assuring them they were safe and not in the devastated area.

Harold Blair, whose parents live there, was told that they were out of the danger area.

Mrs. James Allen, whose brother's home was in the neighborhood of the Beecher school which was said to have been severely hit, was successful with help through Red Cross channels in receiving word of his and his family's safety. Their home was not hit by the storm.

The Herbert Laros family, relatives of the Wilbur and Otto Hinderers, the Sam Bonnets and Mrs. Martha Weinmann, were believed to be out of the danger zone.

First of the six tornadoes struck at Erie, near Toledo, at 8:25 p.m. Four people were killed there.

Other places hit were Milford; Tawas City, where a family of four vacationers died; Cuyahoga, Ohio, where ten persons lost their lives; Cleveland, Ohio, with eight killed; Elyria and Ceylon, Ohio, with one killed at each place; and Brown City, near Lakeside, with one dead.

The tornado area covered a semi-circular arc of approximately 850 miles extending from Tawas City to Bowling Green, Ohio.

National Guard units, State Police, nurses, doctors and ambulances were rushed to the Flint area and Gov. G. Mennen Williams went there himself as soon as he heard of the disaster.

In the Pleasant Lake tragedy, people rushed to the scene to assist the family as fast as they could. Several farmers in the Rogers Corners area had watched the progress of the funnel-shaped cloud and said debris of all kinds flew high in the air instant after the tail of the huge black cloud dipped down. To some of them it brought back memories of the twister which struck the Rogers Corners area June 6, 1917, causing extensive damage and they were eager to do everything possible to help the stricken family.

TORNADO DAMAGE—This twisted heap of rubble is all that remained of the Oscar Haeussler farm house Tuesday morning after a freakish twister formed in Freedom township Monday evening and struck the Pleasant Lake farm. The Haeussler's son, Alvin, was killed as he took refuge in the basement and falling timbers crushed him. Other members of the family escaped unharmed.

Dates Named for Dental Fluoride Treatment Here

Mrs. John Chaplin, chairman of the committee in charge of arrangements for the fluoride clinic for school children here, said yesterday that the dates have now been set. The clinic will begin here Wednesday, July 15, and continue through July 16, 17, 20 and 21.

The dates were announced following a meeting at Chelsea High school with Miss Ruth Rogers, consultant in public health dentistry with the State Department of Health, and attended by Mrs. Chaplin and Mrs. Russell Bernath.

Children entering kindergarten and those who have finished the second, fifth and eighth grades are to be given the dental decay prevention treatment.

Mrs. Chaplin said parents who wish their children to have the treatments should register them immediately. Likewise, any cancellations of registrations should also be made as soon as possible so that the schedule may be set and volunteer workers assigned.

The clinic is to be held in the Chelsea High school gymnasium.

Keith Lightner and father, Daniel Lightner, of Hartford, were Thursday overnight guests at the home of Mr. and Mrs. Henry Heim.

Dairy Association Presents \$6,000 to Judging Team

Donald Proctor, with Robert Meyer of Ypsilanti, Marilyn Tyge of Traverse City, and David Van Den Heuvel of Hart, fellow members of the national championship dairy cattle judging team, and Nevada Pearson, assistant state 4-H club leader, were guests of honor at a dinner given for them in the Kellogg Center at Michigan State College, East Lansing, Monday evening. They were guests of the Michigan Purebred Dairy Cattle Association which has been instrumental in raising funds to finance the team's trip to England the end of June to compete in the international contests. The team will be accompanied by Mr. and Mrs. Pearson.

A check for \$6,000 was presented to the team for the expenses of the trip, the money representing contributions from many organizations and interested persons in the state. They were also presented with movie equipment with which they will record their experiences.

Donald Proctor and Robert Meyer, the Ypsilanti member of the team, were accompanied to East Lansing by Frank Genderson, Washtenaw county 4-H club leader, and Howard Heath of Ann Arbor.

Lightning Bolt Darkens Local Streets

While Chelsea escaped tornado damage during the past week, Friday's thunderstorms, with their downpour of rain, resulted in a week-long black-out of street lights in all areas of the village with the exception of the downtown area.

Lightning struck a transformer at the Van Buron street sub-station, necessitating repairs which are expected to be completed tomorrow when necessary parts are to be here.

Lightning also struck the fire whistle Friday afternoon, touching it off for an extra long blast but causing no damage.

Rev. Toy Finds War Ruins Replaced with New Buildings

"Lynton" Newton Road, Tron, Cornwall, England, May 21, 1953

Dear Friends: We disembarked from the Queen Mary Monday evening and it took three hours for customs to clear passengers and baggage. The last day at sea was most disagreeable and everyone was tired and impatient. We had a typical English welcome, torrents of rain. On leaving the beautiful new dock terminal which has been put in use since my trip we were unable to find hotel accommodations for the night in Southampton. Not being able to secure a train for the long trip to Cornwall until 10 a.m. the next morning we hired a taxi for the 21-mile ride to the old city of Salisbury, where we secured a room for the night. Incidentally, it only cost us \$5.00 for the 21-mile taxi ride.

Early Tuesday morning before taking the train we visited the old Salisbury Cathedral, construction of which was begun in 1220. It is an imposing edifice sitting in the middle of an acre of the greenest grass one could ever see. Of course it was designed by the great architect of St. Paul's and many of the great, historic structures, Sir Christopher Wren. One has a very real feeling to realize on sight that there is not sufficient annual income to keep such a structure in decent repairs and that it is doomed to slow deterioration.

The old city of Salisbury, site of many ancient battles for possession and power, hasn't changed since I received my discharge from the British Army on its plains in 1919.

The rain ceased as Mrs. Toy and I boarded the train for the six-hour ride southwest, the sun broke through and we looked out on fields as well kept as in any part of the world. Lots of fat contented dairy cattle, and the banks alongside the railroad tracks were dotted with beautiful wild flowers.

One gets a strange feeling as the train pulls into the depot of his home town after any long absence, and to be greeted by one's own flesh and blood. We are resting up a bit in our aunt's and uncle's home after a rather strenuous trip, and after the rest and a good visit the rejuvenated travelers will again take up their journeying. I have already been informed that next Sunday I preach in my home church which I am sure will be a most enjoyable experience.

It is now Friday, May 22, and this morning we presented our passports to the local officer of the Ministry of Foods and secured ration coupons to cover the period we are to be in England. The only foods left on the ration list are fresh meats, bacon, butter, cooking fats and sugar. Their meat ration is 40 cents worth per person each week or approximately one-half pound. The other rations per week are three ounces of butter, five ounces of bacon, and one-half pound of cooking fats. The sugar ration is quite adequate for normal use. Poultry is difficult to obtain.

Salem Grove Church To Mark Centennial In Sunday Services

Special Afternoon Program Follows Pot-Luck Dinner

Salem Grove Methodist church is celebrating the 100th anniversary of its founding at two services to be held Sunday.

The morning service will begin at 11 o'clock and the speaker is to be Dr. Frank Fitch of Ann Arbor, district superintendent. The afternoon service is scheduled for 2 o'clock.

There will be a pot-luck dinner at the church following the morning service.

Music during the afternoon program will include hymns by the congregation, the songs "Only Trusting," by Mrs. Oscar Kalmbach and Walter Kalmbach, "Wonderful Love of Jesus" by Norma Bailey, Nancy Nelson and Mary Lou Sexton, and "Heart Divine" by the choir.

Former members and friends will be welcomed by Mrs. Truman Lehman; letters from former pastors will be read; and there will be brief talks by any former pastors who are present.

Expected to be present are Rev. Vern Panzer of Reinbeck, Ia., and Rev. Ernest Davis of Addison.

Efforts to locate Rev. Henry Lenz, pastor of the church for a total of 18 years, were unsuccessful.

The church, founded in 1853, was known for many years as the Salem German Methodist Episcopal church, the name being changed to Salem Grove during the pastorate of Rev. Lenz.

The church site was donated by William Riemenschneider who had taken up land from the government and settled here at that time. A small frame building was erected in 1853 by volunteer workers of the congregation.

The present church was built in 1889, during the pastorate of Rev. George Mitter. The former building was moved across the road and used first as a shelter for the ministers' horses and later, after some remodeling, became a garage.

The present parsonage was built in 1929, after the original one, built in 1870, together with old church records, was destroyed by fire.

Until 1874, the church was affiliated with the Ann Arbor District. From 1874 until the fall of 1933 it was known as a part of the Francisco Circuit and since 1933 has been a part of the Detroit Conference of the Methodist Church.

Pastors who have served the church during the century are Rev. Jacob Schweitzer, Rev. John Schweinfurth, Rev. Jacob Krebber, Rev. E. Bauer, Rev. Seb Barth, Rev. Andrew Mayer, Rev. Henry Krell, Rev. Gustav Bertram, Rev. Valentine Jahraus, Rev. Jacob Braun, Rev. Gustav Herzer, Rev.

G. A. Reuter, Rev. Conrad Wehnes, Rev. John Schneider, Rev. G. H. Fiedler, Rev. Adam Weber, Rev. Theodore Schumann, Rev. George Mitter, Rev. Andrew Kreemig, Rev. C. A. Miltzer, Rev. Paul Wuerfel, Rev. L. S. Katterhenry, Rev. Joseph E. Beal, Rev. George C. Nothdurft, Rev. Hartman Bau, Rev. Carl Ertel, Rev. Fred Schweinfurth, Rev. Fred Ross, Rev. Henry Lenz, Rev. Lewis Green, Rev. Robert Vandehardt, Rev. Ernest O. Davis, Rev. Vern Panzer, and the present pastor, Rev. Hans Leitner.

Of these, Rev. Lenz served a total of 18 years. He was here from 1903 until 1907; again in 1918 and 1919; and from 1922 until 1943.

Next longest in point of years served is Rev. George C. Nothdurft, who was pastor from 1911 to 1918.

Fire Dept. Called

An overheated oil burner at the Dale Passow home, 13204 Old US-12 East, was the cause of a fire alarm at 11:30 a.m. Sunday. According to Fire Department records the fire was out when firemen arrived.

SPECTACULAR BLAZE What could have developed into a disastrous business block fire broke out last Wednesday noon in an upstairs apartment over Kustera's store. Prompt action on the part of the fire department quickly snuffed out the flames, but not before Mrs. Grace Lake and her daughter, occupants of the apartment, lost all of their possessions.

Women's Guild Meets Friday Evening

Thirty-six members and guests braved the thunderstorm and down-pour Friday evening to attend the June meeting of the Women's Guild of St. Paul's church. The gathering took place in the church hall.

Mrs. Fred Seitz and Mrs. John Oesterle were in charge of the combined devotional service and program on the topic, "The Bible Speaks To Us Today Through Hymns."

In keeping with the theme, all parts of the devotional service were sung and included "The Lord Is My Shepherd," by Mrs. Eugene Fisher, Mrs. Bruce Peabody and Mrs. Helen Young, and "An Evening Prayer," by Mrs. Oesterle, substituting for Mrs. Lloyd Alban, who had an attack of laryngitis.

Eleanor Schmidt, a guest at the meeting, sang "I Believe," accompanied on the piano by Mrs. Wilbert Breitenwischer.

Mrs. Seitz and Mrs. Oesterle had arranged the program in story form relating the circumstances which formed the background for the composition of a number of favorite hymns. Included in the list

were early hymns of the Protestant church, including several in German; also, hymns of more recent origin.

During a story of Martin Luther's musical contributions to the Protestant Church, Carol Ann Mayer sang his composition, "Away In A Manger," accompanied on the piano by her mother, Mrs. Carl Mayer.

All members present participated in singing familiar hymns following their mention in the program story.

Mrs. Oscar Lindauer, Guild pianist, was the accompanist for the hymn singing.

During the business session, in charge of Miss Cora Feldkamp, Guild president, it was voted to hold a meeting in the basement dining room of the church July 10. The meeting will include a pot-luck evening meal followed by an informal program and social hour.

Ice cream and cake were served at the close of the meeting Friday by Mrs. Adolph Steinway, Mrs. William H. Seitz, Mrs. Alvin Vail and Mrs. Julius Strieler.

Mr. and Mrs. John Stark of Springfield, spent Sunday here at the Plemeier home.

RECORD-BREAKING GAS MILEAGE

for the driving YOU do!

This year's Chevrolet brings you the most important gain in economy in Chevrolet history. And it's the kind of everyday economy that saves you money wherever and however you drive!

Inch along through heavy traffic. Roll up the miles in steady highway cruising. Long trips or short errands, byroads or boulevards, you get far more miles per gallon in this great new Chevrolet.

Now high-compression power is the reason. Both the new 115-h.p. "Blue-Flame" engine in Powerglide® models—and the advanced 108-h.p. "Thrifty-King" engine in gearshift models—deliver more power on less gasoline. Acceleration and hill-climbing ability are greater, fuel consumption is lower!

This is the kind of economy that counts the most—important gasoline savings for the driving you do, together with lower over-all costs of upkeep. And along with it, you enjoy all the other advantages that only the new Chevrolet offers you. Come in and see for yourself!

*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission available on "Two-Ten" and Bel Air models only.

19 Chelsea Women Help at Kaiser Blood Donor Clinic

Nineteen Chelsea women spent from 8:30 a.m. until 3:00 p.m. yesterday at the Kaiser-Frazer plant at Willow Run as volunteer workers with the American Red Cross Mobile Blood Clinic unit. The clinic is being held this week at the plant and Red Cross units in the various towns of the county are each furnishing workers for one day.

Mrs. Dudley Holmes, Red Cross Blood Program chairman for Chelsea, was chairman of the day yesterday.

Volunteers who helped throughout the day were Mrs. George Turnbul, as hostess; Mrs. Deane Rogers, Mrs. Leigh Palmer, Mrs. Donovan Sweeney and Mrs. Elton K. Musbach, registrars; Mrs. Russell McLaughlin, Mrs. Harold Brooks, Mrs. Clair Smith, Mrs. Glen Hass, Mrs. Clinton Collyer and Mrs. Lyle Haselwerdt, nurse aides; and Mrs. James Daniels and Gertrude Young, as registered nurses.

Mrs. M. J. Baxter, in charge of the canteen at the clinic for the day, will be assisted by Mrs. D. A. Riker, Mrs. Lawrence Wacker and Mrs. Elmer Lindemann.

All the workers will be luncheon guests of the Kaiser-Frazer company.

It was explained that half of the blood contributed at the plant will be for Kaiser-Frazer employees and the remainder will be for defense purposes.

Contract for New 54-Passenger Bus

Chelsea Agricultural Schools Board of Education, meeting at the school Tuesday evening, awarded the contract for a 54-passenger GMC bus to W. J. Groves.

Members of the board also signed contracts with the Village Council for construction of cement walks at the north and east sides of the new elementary school.

It was announced that the annual election of board members, scheduled for July 13, will be held from 2 until 8 p.m.

The terms of Harold Widmayer and Willard Pearson expire this year. Petitions to have candidates' names placed on the ballot must be in the hands of the secretary of the board on or before June 23, to comply with the law. Each petition must bear the signatures of 25 qualified electors of the district and no elector may sign more than two petitions as two offices are all that are to be filled.

BAPTISM

Mary Jill Flintoft, daughter of Mr. and Mrs. Howard Flintoft, was baptized during the morning service at St. Paul's church last Sunday.

Officiating at the ceremony was Rev. E. J. Grabowski.

Sponsor for the baby was Mrs. E. F. Zeeb, of Ann Arbor, an aunt of Mrs. Flintoft.

Following the service, Mr. and Mrs. Zeeb were guests at a family dinner at the Flintoft home.

PAST CHIEFS CLUB

Past chiefs club of the Pythian Sisters met Monday evening at the home of Mrs. Mildred Weinberg, with Mrs. Fred Gentner as co-hostess. There were twelve members present.

Following the dessert supper, plans were discussed for the next meeting which is to be a picnic at Pierce park, July 6, at 6:30 p.m.

Cards for the evening entertainment following the business session.

LIMANEERS

The Limaneers, at their June meeting Thursday, sewed on a quilt they are completing, following their noon pot-luck dinner at the home of Mrs. Alvin Fommarsand.

There were thirteen members, three children and one guest present.

Mrs. Harry Prudden, Mrs. Alfred Lindauer and Mrs. Joseph Wright reported on the flower bed they arranged in Pierce Park as a Limaneers club project. They stated their decision to have only one flower bed this year, instead of two as originally planned, was made after due deliberation. They said the project is an experiment this year. If the flowers are undisturbed by children who play in the park or by deliberate vandalism, the project will be enlarged, and will be continued annually.

Youth For Christ Will Hold Rallies Saturday, June 13, 20

As a continuation of the ninth anniversary of Youth for Christ which began here with a rally at Sterling's barn last Saturday, movies will be shown there Saturday, June 13, at 8 p.m., and a third rally will be held at the same location June 20, also at 8 p.m.

The movies to be shown this week include the Korean missionary film, "Land of Heartbreak," and "Japan Welcomes the World." Both are productions sponsored by the Pocket Testament League.

On June 20, the featured film will be "Oh! Town, U.S.A.," produced by Billy Graham, nationally known evangelist and producer of "Mr. Texas," which he called "the world's first Christian western film."

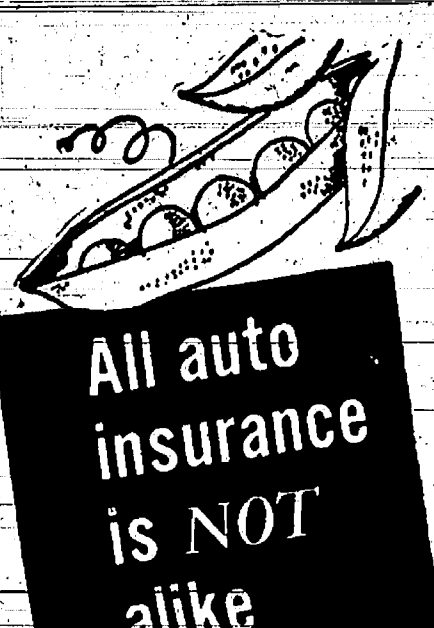

Graham's new film features the evangelist and members of his team in their city-wide evangelistic crusade in Houston, Texas, last summer. Highlighting the film are scenes from the meeting in Rice Stadium where 60,000 gathered to hear Graham.

Featured in the film are professional football players, Coleman Townsend Evans and Redd Harper, and Cindy Walker, stars of "Mr. Texas."

Sterling's barn is located at 12670 North Territorial Road.

Safety Campaign Terms Passing in City 'Needless'

Chief of Police George Doe called attention today to the fact that passing cars on city streets with parked cars and frequent intersections can be exceedingly dangerous.

He said, "There are not many conditions which justify passing on a city street where parked cars only allow one moving lane of traffic in each direction. The speed limit on most city streets is 25 miles per hour. If the car ahead is going 20 miles per hour, the difference in speed is only 5 miles per hour. To be able to go 5 miles per hour faster for a short trip will not save enough time to make it worth while to pass."

"Parked cars add a special hazard to passing, and hide pedestrians, especially children, who may thoughtlessly run out into the street. In many areas, the block lengths are not long enough to permit passing before reaching the intersection," he added.

All motorists are urged to cooperate with the traffic safety campaign under the leadership of State Highway Commissioner Charles M. Ziegler, and sponsored by the Michigan State Safety Commission, of which Ziegler is chairman.

The Chief suggested the following safety tips to help motorists who wish to pass with safety:

- (1) Be sure that there is no close behind you which may try to pass you as you pull out.
- (2) Make sure that there is no car right ahead of the car you are going to pass which might block you.
- (3) Be certain that there is no oncoming car or, if there is one, that it is far enough away so that you have plenty of time to complete your pass before it arrives.
- (4) Assume yourself that there is no intersection, driveway, or filling station entrance from which a car could come and interfere with your passing maneuver.
- (5) When you are certain of cars behind you and in front of you, and all entrances to the roadway, then pass rather quickly so that you do not have to stay on the wrong side of the roadway very long. It is recommended, that, when highway conditions and the speed limit permit safe passing, that you travel about 15 miles per hour faster than the car you are passing. Less than this will take you too long. More than this will make it harder for you to stop in time if an emergency develops.

Obey the official safety slogan "Keep in Lane—Don't be a Road Hog."

Certain Self-Treatment Should Worry You, Too...

Powerful and effective, many new drugs can produce remarkable results. Likewise, much damage can result from improper use or overdose. Dangerous immunities can develop. Permanent injury can be done—even life can be endangered.

For good reason, there are restrictions on the use of penicillin, Chloromycetin, certain sulfa compounds and other drugs without the care and prescription of a physician. When your health requires it, consult your Doctor. He will prescribe these new and potent remedies when he feels they are required.

The bride's gown, of lace and net over white satin, featured an off-the-shoulder neck line. Her fingertip-length veil was held in place with a crown-shaped headpiece of rhinestones and she carried a bouquet of white roses. She completed her ensemble with a beaded necklace of pearls, her gift from the bridegroom.

Virginia Rowland, of Hamburg, as maid of honor, was gowned in orchid net over tulle. She wore a lace stole over the bodice of matching lace and carried white carnations and 'mums.

Barbara Elliott and Mrs. Nona Johnson, of Ann Arbor, wore yellow and green, respectively, for their role as bridesmaids, their gowns being styled like that of the maid of honor.

Robert Grams, of Ann Arbor, was best man, while Felix Cabianca and Donald Johnson, of Ann Arbor, and Leon Hinderer, brother of the bride, were ushers.

Paul Barbour was the soloist and Mrs. Carl Mayer was his accompanist and also played the traditional wedding music.

At the reception in the church hall, immediately after the ceremony, Connie Frank, of Ann Arbor, niece of the bridegroom, was in charge of the guest book. Mrs. Bruce Feabody and Mrs. LeRoy Satterthwaite cut and served the six-tiered wedding cake while Ruth Guenther presided at the punch bowl and Eleanor Schmidt served the ice cream.

Following a wedding trip to Washington, D. C., and Niagara Falls, the couple will be at home in Ann Arbor. For going away the bride wore a yellow gabardine suit and a corsage composed of flowers taken from her bridal bouquet.

The bride is a graduate of Chelsea High school while the bridegroom graduated from Ann Arbor High school.

Benefits of 4-H Work Explained Monday to Kiwanis Members

Mrs. Walter Wolfgang and Jack Fowler, 4-H club leaders in this vicinity, were guest speakers at the regular Kiwanis club meeting Monday evening. Introduced by Dr. P. E. Sharrard, they explained the aims and ideals of 4-H club work and the great benefit to the youthful members. They also pointed out ways in which service clubs, such as Kiwanis, may help in the work.

Both Mrs. Wolfgang and Fowler commended the club for providing space at their coming rummage sale for 4-H club members to dispose of their farm produce. The two speakers also mentioned the honors earned by two Washenaw county boys in the national 4-H dairy judging contests which gave them the coveted opportunity to compete in the international dairy judging contests in England this summer. One of the boys is Donald Proctor of Chelsea.

A guest at Monday's meeting, held at the social center of the Methodist church, was D. I. Brown of Jackson. Charles Lancaster, past president of the Kiwanis club, presided at Monday's meeting in the absence of Anton Nielsen and Donald Alber, president and vice-president, respectively, who were attending a meeting at Ferndale. Kiwanians were reminded of the general rummage sale pick-up scheduled for next Monday following the regular meeting.

Rev. Toy's Diary ...

(Continued from page one) get as there is not sufficient to go around, but fish is plentiful.

Tomorrow I go to a cricket game which will not be as interesting to me as baseball, there is not the excitement or pep. We continue to have our sea legs and find ourselves rocking occasionally. It will wear off in a couple more days.

The week-end was England's first general summer holiday, all business, schools, banks and factories were closed Friday to Tuesday, and fortunately the weather was fair. All transportation facilities were taxed to capacity. We stayed at home and relaxed, but yesterday (Tuesday) we took a two-hour train ride to the historic city of Plymouth. With the exception of Coventry, Plymouth suffered more from bombing than any other city in England including London. Every large department store in the heart of the city, the civic center which included one of the most beautiful city halls in all of England and the ancient places of worship were all totally destroyed, along with about ten per cent of the residential area.

A present about one-fourth of the businesses have been restored and are in buildings as modern as anything in America, with roof gardens and garden terraces, escalators and elevators. The balance of business is still being carried on in temporary quarters as is much of the education. In ten years at the present rate of construction, Plymouth, from which the Pilgrims sailed for America, will be one of the modern cities of Great Britain. From now until next Tuesday, which is the actual day of the Coronation, feverish preparation will go ahead completing the decoration of homes, streets and public buildings and parks. I have been requested to act as one of three persons to pass judgment on the home decorations here in my native community, and determine who should receive the awards. They thought that I would be impartial. Until we have traveled a little more here in Cornwall and have other items of interest to write about, good luck and God's blessings on my friends in Chelsea.

P.S.: The camera has not arrived yet, so I am behind in taking pictures. It is in England but being held up by customs officials.

Alvin Haussler ...

(Continued from page one) dig out of the ruins and salvage what they could. Although Michigan is not considered in the tornado belt, the lower part of the state has suffered disastrous twisters twice in less than three weeks. Port Huron, together with Sarnia, Ontario, were hard hit by a tornado May 21. Funeral services for the Pleasant Lake victim of Monday's storm are to be held today.

Alvin Haussler was 30 years old and was a son of Oscar and Ottile Meyer Haussler. He was born in Freedom township Dec. 9, 1922.

He was a graduate of Saline High school with the class of '41, and was a member of Bethel church, Freedom township.

He is survived by his wife, the former Ruth Wild, to whom he was married March 22, 1952; a four-month-old son, James Alvin; his parents, Mr. and Mrs. Oscar Haussler; two sisters, Mrs. Donald Steiner, of Great Falls, Mont., and Betty Haussler, at home; and three brothers, Victor, of Saline township; Weston, of Tecumseh; and Glenn, at home.

Prayer services are being held at 2 o'clock this afternoon at the Janitor Funeral Home, in Manchester, with further services at Bethel church and Reformed church, Freedom township, at 2:30. Rev. T. W. Menzel is officiating and burial will be in the church cemetery.

For the Record ...

Chelsea Fire Department records of the grass fire on US-12, Monday, June 1, were corrected this week to show that the fire was not on the Floyd Darby farm but on adjoining property owned by Detroit parties. The location had been incorrectly identified as ownership at the time of the fire.

DEATHS

Mrs. Germaine Foster

Mrs. Elizabeth Foster, wife of Germaine Foster of Grass Lake, died Friday night in a Jackson hospital following an illness of several weeks. Funeral services were held in Grass Lake Monday morning followed by burial in Mt. Olivet cemetery here.

In addition to the husband, Mrs. Foster is survived by a son and three daughters.

ROGERS CORNERS HERDERS

Rogers Corners Herders 4-H club met Tuesday evening at the home of David Grossman with all members present. A tour of in-

spection included visits at all members' farm homes to see and comment on their project animals. At the business meeting arrangements were made to attend a livestock meeting in Ann Arbor.
