

Census Tells of Need for Classrooms

Third Kindergarten Section Crowded into School Kitchen

The 1953 school census, recently completed, shows that again, this year, there is a substantial increase in the number of children over the previous year's census. The increase over 1952 is 96 children, census figures show.

There are as many children (733) 6 years old and under as there are children in the total age groups 7-19 (727).

The great increase in the age group under 6 has placed a burden on the school facilities. Kindergarten pupils for the year 1952-53 numbered 118. Approximately 95 of these pupils will attend the elementary school during the year 1953-54. This number requires three sections and there are only two regular classrooms for them.

It will be necessary to house the third section of the first grade in the kitchen during the next school year.

In the next four years an enrollment of 100 or more is anticipated in the kindergarten each year. Each year this group will require three rooms as they become first graders. Beginning this fall (1953) and for the next four years, it will be necessary to have an additional room. By the year 1958, there will be three sections in each grade whereas there are but two sections now. This situation requires that serious consideration be given immediately for additional facilities for the elementary children, according to school officials.

Comparison of the census for the past four years shows a steady increase, both in the pre-school group (children under 6) and in the school age group. The average increase is 58 children for the last four years.

Under five years, the number of children for the years 1950-51-52 and 53 have been 401, 467, 489 and 514, respectively.

In the group 6 through 19 years the four-year figures are 795, 823, 871 and 946.

The 1953 census figures by age groups are as follows: under 6, 103; 6-10, 115; 11-14, 95; 15-17, 101; 18-19, 94.

Total number of children under five is 614 while the total for ages 6 through 19 is 946.

Birthday Party at Methodist Home Honors Nine Ladies

The July birthday party is being held during the dinner hour today at the Methodist Home, a party of color scheme being carried out in the table decorations by means of small flags and red, white and blue flowers.

The Chelsea-Home Friends of the Detroit Conference of the Methodist Church have provided gifts of stationery and other useful items for each of the nine ladies whose birthdays are being celebrated.

Miss Alice Switzer, who will be 84 years old July 18, is the oldest of the group. She is confined to the Home hospital and will be unable to attend the party.

Of the others, Mrs. Katherine Littlefield and Mrs. Zella Wilkin are away visiting relatives.

The six who were to be at the special birthday table in the dining room are Mrs. Carrie Tedman, Mrs. Charles Hill, Mrs. Laura Lightall, Mrs. Elizabeth Bodell, Mrs. Lucy Leighton and Miss Katherine Blackburn.

Miss Blackburn is a retired deaconess, having served in Detroit churches for 40 years before coming to the Home. She was 88 years old on Tuesday of this week.

K. of C. Will Install New Slate of Officers in Ceremony Tonight

Officers of the Chelsea Knights of Columbus, headed by Lehman Wahl as grand knight, will be installed tonight with District Deputy Eugene Sheehan, of Ann Arbor, as installing officer.

Other officers who will be installed are: Walter Bury, deputy grand knight; William Schwab, chancellor; Edward Laler, record-keeper; Duane Rowe, treasurer; Norbert Merkel, advocate; George E. Atkinson, warden; Erwin Gill, lecturer; James Versailles, inside guard; Edward Beissel, outside guard; Stephen Clark, trustee for three years.

The new officers will serve for the year which began July 1.

Mr. and Mrs. Ted Balmer and son, Robert, and Mr. and Mrs. Floyd Balmer were in Ypsilanti Saturday and took part in the Fourth of July parade. They made the trip in Ted Balmer's 1908 Ann Arbor antique car.

Legion Post Plans To Make Fireworks an Annual Event

Some firecrackers were heard here over the week-end but the holiday was a typical "quiet Fourth" in this vicinity.

The weather was ideal for family picnics at nearby lakes. It was estimated that 1,000 people were on hand at Cavanaugh Lake Saturday evening to witness the fireworks display put on by the Hereward McKune Post No. 31 as a Fourth of July community project.

Cars were parked all around the lake in addition to those in the parking space arranged near the Legion Home.

Three deputies were on hand to direct traffic.

Began last year on an experimental basis, the popularity of the project and its great success led members of the post to decide to make it an annual affair.

More than 500 people were served at the picnic social at the Legion Home before the fireworks display, which began at 9 o'clock.

George Heydlauff Dies Suddenly Sunday Evening

George D. Heydlauff, lifelong resident of this vicinity, died suddenly Sunday evening at his home, 4011 Kalmbach road, where he had lived the past 53 years. He was a member of Salem Grove Methodist church.

Born Aug. 14, 1873, in Waterloo township, he was a son of Andrew and Christine Wals Heydlauff. The family home for many years was near the St. Jacobs Lutheran church and he attended the church school and the Stroebel rural school.

May 10, 1900, he was married to Ruby Hotaling and they lived their entire married life on the farm where he died. They celebrated their golden wedding in 1950.

Mr. Heydlauff was active in the operation of his farm until the time of his death.

The body was at the residence until the time of the funeral which took place in Salem Grove Methodist church at 2 o'clock yesterday afternoon. Burial was in the church cemetery. Rev. Hans Leitner officiated.

Survivors of Mr. Heydlauff, in addition to Mrs. Heydlauff, are a daughter, Mrs. Walter Kalmbach of Francisco; three sons, Lloyd, Willis and Clifford, all of this vicinity; a sister, Mrs. Christina Winter; and nine grandchildren.

Crack Down on Speeders Promised by Police Chief

Going into the third week of the all-out drive against speed, Michigan's number one highway killer, Chelsea Chief of Police George Doe today announced that his department had apprehended five traffic violators exceeding the speed limit or driving too fast for conditions, since the program began.

"Our department is determined to bring the speed problem under control and the men have been instructed to be particularly vigilant for motorists who are driving too fast," the chief said. "The old excuse, 'I didn't see him in time; it's far too often an attempt to avoid the fact that the driver was going so fast he couldn't stop in time,'" the chief added.

In almost half of Michigan's traffic deaths the fatal instrument is an automobile accelerator which was pressed down too far. The motorist who pushed the accelerator down too far was violating the basis on which his driver's license was given to him—that he KNEW how to drive safely and WOULD drive safely. Every day dozens of motorists have their licenses taken away from them for driving records that show much speed was a predominant element in these cases.

"Too much speed makes the difference," Chief Doe said, "between whether you can stop in time to avoid an accident—or not, whether you cause only property damage, injure someone, or kill someone, or whether or not you lose control of the car in trying to avoid one."

He urged all motorists to cooperate on the safety program and keep constantly in mind the safety slogan of the State Safety Commission—CHECK YOUR SPEED.

Infant Boy Suffers Concussion in Fall

Stephen Bott, two-year-old son of Mr. and Mrs. Norman Bott, of Boyce road, suffered a concussion Sunday morning when he fell from the hayloft while playing in the barn. It is believed he struck his head on a tractor.

He was taken to University Hospital, Ann Arbor, for treatment, and was kept in an oxygen tent.

Mrs. John Kalmbach, Mrs. L. T. Freeman and Mrs. Marna Austin spent the Fourth in Ann Arbor at the home of Mr. and Mrs. Hollis Freeman.

FLYING TRIP—ON a flying trip to compete for international honors at the Royal Livestock Show in London, England, is Michigan's championship 4-H Club dairy judging team which recently won the U. S. title at Waterloo, Iowa. From left to right are Marilyn Tyge, 16, of Traverse City; Donald Proctor, 17, of Chelsea; Robert Meyer, 18, of Ypsilanti; and David VanDenHeuvel, 18, of Hart. Seeing them off was Don Gardner, assistant to the president of Michigan Racing Association. The Association gave \$2,000 to help make the trip possible.

Conference Delegates Met by Scottish Bagpipe Band

Edinburgh, Scotland, June 19, 1953. Dear Friends: Since sending my last report on our travel through England we have had some most interesting experiences and visited places of antiquity.

We left the old Roman city of Bath at 2:30 p.m. Tuesday, and rode through the beautiful countryside of the counties of Gloucestershire, Worcestershire and Shropshire, just touching a corner of Herefordshire. We stopped at such historic spots as Cheltenham, Tenbury and Shrewsbury.

The Cotswold Hills of Gloucestershire, dotted with some of the finest sheep in the world, was a very picturesque sight, indeed. Just a few miles from us for most of the journey were the mountains of South Wales. We stopped over Wednesday night at the ancient town of Stroud in Gloucestershire.

Thursday morning we had a sight-seeing trip. We forever placed Shrewsbury in our hearts as one of the loveliest spots of earth. Their extensive park system called the "Quarry" and flower gardens called the "Dingle," were very beautiful. St. Charles Episcopal church was the finest exhibit of antique architecture we have yet seen. We took many pictures and we hope will be good to show our friends when we return.

From Shrewsbury we changed transportation by luxury road coach to the train and headed for the dirty, busy city of Manchester in the center of England's great industrial area. An evening of sight-seeing here was sufficient as the sullen skies and mists of the previous day turned to floods of rain.

We departed from Manchester at 9:30 a.m. today by one of the fastest trains in England with its destination, Edinburgh, Scotland, in mind and joy. The weather was very bad so we passed through England's northwest counties of Lancashire, Westmoreland and Cumberland without seeing much.

As we entered Scotland with its hills and mountains, dotted with flocks of sheep and pine trees, the weather cleared a bit and we enjoyed the scenery as we took our reservations at rest-our weary heads. At long last the wanky Grosvenor hotel conspired to give us a room 30 by 30 feet, with huge mirrors, and lighting fixtures, plush carpets and two beds. I dare not tell you the first night, but really the first time had to step out of our class, with no alternative but to sleep on park benches.

Of course the Queen and the Duke are to visit Edinburgh next Tuesday and people are already here to assure themselves accommodations. We have just returned from a window shopping spree on the famous Princess Street. The stores are on the north side and on the south side there is a magnificent park system nearly a mile long. Towering high on a huge rocky terrain south of the park is the famous castle and grounds. Tomorrow morning, we are to join delegates from other countries and our American friends for a sight-seeing trip before boarding the train at 4:30 p.m. for the two-hour trip to St. Andrew's University and the quiet, beautiful little city of the same name. It will be simply grand to be in such a peaceful spot well settled in our room at the University Hall of residence.

We trust that the many pictures we are taking here will be good to show our friends when we return to Chelsea. We're not for the general use of our people in granting us a long leave of absence our at about St. Andrew's and the pro-

gram of the International Council of Congregational Churches. Saint Andrew's University, St. Andrew's, Scotland, June 23, 1953. We are now in the fourth day of this great International Congregational Conference here at St. Andrew's, and it is a stirring and inspiring experience.

There are about 300 regular delegates and a like number of associate delegates and certified visitors. There are only 65 regular delegates from the United States, of which I am highly privileged to be one; 50 associate delegates which includes Mrs. Toy, and about 40 American visitors.

The University itself was founded in 1411, and rightly boasts of the finest set of buildings of any university in Scotland, and there are few universities in the British Isles to equal it. St. Andrew's itself is a small city of only 11,000 inhabitants, situated on the east coast of the North Sea, but it has a great and long history. It is spotlessly clean and has a greater number of hotels and huge residences than any place of comparable size we have ever visited. Its playing grounds and park system are exceptionally extensive and need I mention the fact that the popular game of golf had its origin here. Many prominent courses are accessible to the public. The hospitality and charity of the people is simply beyond description.

On Sunday evening we worshipped in Holy Trinity church, a magnificent structure worthy of being designated a cathedral. The local Presbyterians, Baptists and Episcopalists worshipped with us, and Dr. Boyton Merrill of Columbus, Ohio, did America proud by preaching a great sermon.

The university head and the city provost and he left for Edinburgh to help the great Queen Elizabeth on her official visit to that great city yesterday.

We read today that the temperatures in some of our midwest states has been close to 100 degrees for a few days. The temperature here at St. Andrew's yesterday climbed to 74 which was the highest yet this year. In the evening after sunset, Mrs. Toy and myself wore outer coats, but the local citizens thought it to be very hot. Today it is about 70 degrees, which is considered a normal summer day.

The conference continues through Sunday when it will officially close with a great Communion service on Sunday at 8 p.m. We have been informed that we must vacate all rooms by 10 a.m., Monday as another conference moves in. So it goes in this picturesque bit of God's marvelous world all summer. We trust that the many pictures we are taking here will be good to show our friends when we return to Chelsea. We're not for the general use of our people in granting us a long leave of absence our at about St. Andrew's and the pro-

Legion Auxiliary To Install Officers Monday Evening

The annual dues luncheon and installation of officers of Herbert J. McKune Unit No. 31, American Legion Auxiliary, is to be held Monday, at 6:30 p.m., at the Legion Home at Cavanaugh Lake. Officers of the past year, headed by the president, Mrs. Clete Frayer, will be hostesses at the luncheon.

All committee chairmen are to give their annual reports during the business session which will be held following the luncheon.

Mrs. Margaret Birch, newly elected president, and her slate of officers, will be installed by Mrs. A. L. Brock, a past president of the Auxiliary, now of Boynton Beach, Fla.

The outgoing officers have suggested that those who find it impossible to attend will help greatly in bringing records to date for the new officers, if they would send their dues with some one who plans to be present.

A meeting of all officers of the past year is to be held at 3 o'clock Sunday afternoon at the home of Mrs. Frayer. At that time, final plans will be completed for Monday's luncheon meeting.

Kiwanis Club Members Prepare for Rummage Sale

A regular meeting of the Kiwanis club was held Monday evening in the social center of the Methodist church, guests present including Rev. Michael Kundrat, of Cadillac; Wade A. Shook, of Ypsilanti, field representative for Portage Trails Boy Scout Council; E. L. Klager, of Ann Arbor; and William Harris, a Belleville Kiwanian who extended an invitation to Chelsea Kiwanians and their wives to attend the Belleville club's seventh anniversary party, July 30, at Belleville High School, July 30.

Paul F. Nixson, who returned from a trip to California Saturday night, gave an interesting report of his experiences and said he attended Kiwanis meetings in three western cities.

Following the meeting, members adjourned to Sylvan, Town Hall to prepare for their rummage sale which is to be held Friday and Saturday of this week.

Extension Office Secretaries Attend Conference at MSC

Mrs. Kathleen Hatt attended the secretaries' conference held in East Lansing last week, Tuesday, Wednesday and Thursday, in connection with the 4-H Club-Week activities.

Representatives were present from all over the state, each county cooperative Extension office sending one of its employees as its representative. Mrs. Hatt represented the Washtenaw county office.

Speakers at morning sessions were from the Michigan State College Journalism and speech departments.

Tuesday afternoon the entire group was taken on a tour of the campus, visiting all offices and departments that were open and observing office routines.

Two Grass Fires Give Local Firemen Week-End Workout

Grass fires resulted in calls for the Chelsea Fire department at 8:22 p.m., July 4, and at 8:45 p.m., Sunday, July 5.

The July fire, believed to have been started from a discarded cigarette on US-12, west of M-93, burned over approximately 3 acres on the Roy Senecal property.

The Sunday call came from Waterloo township, the location being given as across the road from the "milk ranch."

The Cassidy Lake, Grass Lake and Chelsea Fire departments had been called but the fire was almost entirely out by the time the equipment reached the scene.

Believed Hit-Run Driver Responsible for Man's Death

The man found dead in a ditch beside US-12, west of Fletcher road Tuesday, June 30, has been identified as Martin J. Dado but no relatives were located.

Investigation resulted in the decision that he was the victim of a hit-run accident. The body was discovered by Tim Schulze, 14-year-old son of Mrs. and Mrs. Lester Schulze, of near Lima center. The man had been dead for more than 24 hours.

Harold Lixey was unopposed for the office of plant chairman in the June 25 election.

Annual Meeting Scheduled Monday in Grade Building

Next Monday, July 13, from 2 until 8 p.m., in the all-purpose room of the Chelsea elementary school at Maywood and Pierce streets, is the time and place for the annual school election of the Chelsea Agricultural Schools district.

Two school board members are to be elected. Terms of Harold Widmayer and Willard Pearson expire this year.

Petitions have been certified for Howard Flintoft, Dorr Whitaker and Harold Widmayer as candidates.

Requirements for electors are that they must be 21 years old or over; be a citizen of the United States; a resident of the state for six months and of the school district for 30 days.

Electors need not be property owners but are eligible to vote for school board members.

Re-creation Program Highlights

The Red Cross swimming instruction program for Chelsea children participating in the summer recreation program has been changed to Monday and Friday instead of Wednesday and Friday. This change will be in effect until the end of the summer recreation program.

Tournaments are now in progress at the athletic field in the various activities offered. Tournaments are set up in two groups as follows: for 12-year-olds and under, and for 13-year-olds and older.

The Seniors' and Middlets' baseball teams will play Stockbridge, Friday, July 10, at 5:30 p.m., at the athletic field. A feature of the high school playground program, Friday morning.

The Chelsea Seniors of the recreation program summer baseball league lost their game last Friday to Grass Lake by a score of 3 to 7. Bill Bass and Bob White shared the pitching chores for Chelsea. Grass Lake scored five runs of Phil Bareis in the two and one-third innings he worked, and three runs off Bob White in the four and two-thirds innings.

Denny Murphy and Otis Richardson were the hitting stars for Chelsea.

The Chelsea Middlets (12 years old and under) also lost their opener to Grass Lake last Friday by a score of 5 to 3. With the score 5 to 3 against Chelsea in the seventh inning, our local lads loaded the bases with two outs and Fred Wenk at the plate. Fred hit a line drive and made a star out of the Grass Lake first baseman as he speared the ball for the final put-out to save the game for Grass Lake.

Pitching duties were shared by George Mayer and Olen Hart. Loren Keizer was the hitting star for Chelsea.

Summer Band Concert Is Scheduled for Friday Evening

The Chelsea Community summer band group will present its first concert of the season tomorrow evening, beginning at 7:45 p.m., in front of the Municipal building.

The 45-minute program will include marches, overtures and favorite old-time selections.

Membership in the band is open to any interested people in the community. Rehearsals are held each Wednesday at 7:30 p.m., at the Chelsea elementary school.

It was announced that there are still vacancies in the daily lesson schedule for beginning students. The band lesson program is open to all school children in grades 5 through 8.

Employees Extinguish Blaze at Spring Plant

A flash fire at the Chelsea Spring company's plant at 12:45 p.m. Friday had been extinguished by the time Chelsea firemen reached the scene a few minutes after the alarm was sounded.

Paint thinner caught fire at the plant and employees went into action immediately with the three mobile fire extinguishers kept in readiness for such emergencies.

LoRoy Landwehr suffered second degree burns of both arms and was slightly burned about the face during the blaze.

FINANCIAL REPORT

Chelsea Agricultural Schools
 Sylvan Township School District No. 1 Fractional
 JUNE 17, 1953

June 18, 1953.
 Board of Education
 Chelsea Agricultural Schools
 Chelsea, Michigan

We have examined the receipts and disbursements of the General Fund, Building and Site Fund, and Debt Retirement Fund of the Sylvan Township School District No. 1 Fractional, known as the Chelsea Agricultural Schools, for the period from June 17, 1952, to June 16, 1953, and the High School Student Fund of the Chelsea Agricultural Schools for the period from June 17, 1952, to June 16, 1953. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Our examination did not include any tests of the child accounting records or state enrollment reports based on these records.

In our opinion, the accompanying receipts and disbursements statements present fairly the operations of the Chelsea Agricultural Schools and the High School Student Fund for the period from June 17, 1952, to June 16, 1953, in conformity with generally accepted accounting principles.

Very truly yours,
 Icerman, Johnson & Hoffman
 By C. A. Hoffman.

On all these points of comparison... *farther ahead than ever!*

Chevrolet's farther ahead than ever!

... IN NEW AND ADVANCED STYLING—The new long, low, sleek lines of the 1953 Chevrolet set new standards of beauty in the low-price field. Here you will see careful detailing and a richness of appointments always before found only in much costlier cars.

... IN HIGH-POWERED PERFORMANCE—The most powerful engine in the low-price field! The entirely new 115-h.p. "Blue-Flame" engine in combination with new Powerglide* brings you new high-compression power and a wonderful gain in economy, too. In gearshift models you will find the advanced high-compression 108-h.p. "Thrift-King" engine.

... IN SMOOTH, SIMPLE AUTOMATIC DRIVING—Expect faster getaway with Powerglide's new automatic starting and passing range... and new economy, too. Chevrolet's new Power Steering* takes over 80 per cent of the work of steering, makes parking unbelievably easy.

... IN ECONOMY AND VALUE—Now, you'll get many more miles out of every gallon of gasoline. You'll save on over-all operation and upkeep, too. Yet Chevrolet remains the lowest-priced line in the low-price field.

... IN AMERICA'S FAVOR—Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. In fact, latest official registration figures show that Chevrolet is over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ton" and Bel Air models only. Power Steering available on all models.

BOY SCOUT NEWS

Chelsea Boy Scouts who attended the second camping period, June 28 to July 4, at Bruin Lake camp, are Don Wood, Matt Murphy, James Collins, Charles Koenigster, Charles Romine and Byron Pearson.

Richard Schneider was Scoutmaster for the week's camping period for the six Chelsea boys and four from Howell, Bill Baller, Terry Dunham, Bob Carroll and Charles Schmuck. He was assisted by Richard Duke, field executive of Postage Council, and Don Ham, of Milan.

The group took an 18-mile canoe trip through Hi-Land lake to the little community named Hell.

The boys, during their week of camping, received instructions in the following: knife and axe, rope yard work, riflery, archery, swimming, compass, first aid, plant life and nature study.

Wednesday night was Parents' Night and each of the Chelsea boys had at least one parent present, the majority having both in attendance.

Monday night of this week 12 boys of Chelsea's troop went swimming at Big Silver Lake. They were accompanied by Scoutmaster Edwin Dickelman.

Mr. and Mrs. Al Mahar and daughters, Joyce and Nancy, spent Friday night and Saturday at Muskegon. They were accompanied home by their son, Jimmy, who had spent ten days at Camp Pendaloun.

Driver Ticketed Following Truck-Car Collision Thursday
A car driven by Leonard Adkins and a 1 1/2-ton stake truck driven by Paul E. Shilling, of Norwell, were involved in a collision on M-24 north of Werker road at 3:24 p.m. Thursday, according to reports of sheriff's deputies.
Schilling told investigating officers that he saw the Adkins car coming fast and drove his truck and its trailer into the brush at the side of the road in an effort to avoid the collision.
Marks on the highway showed the Adkins car, headed north, had skidded a total of 142 feet before sliding into the truck, the sheriff's deputies' report stated.
Adkins was ticketed for driving too fast for conditions and not having his car under control.
The left rear of the Adkins car was considerably damaged but neither driver was hurt.

Ever try the lap of Luxury?

Deep, foam-rubber cushioning in both the seats and the seat backs lends added luxury to ROADMASTER comfort.

Distinctive sports-car touch with wheel covers, as illustrated optional at extra cost.

We'd like to spoil you a bit. We'd like to seat you in a 1953 Buick ROADMASTER and let you be coddled in the most sumptuous comfort on four wheels. What we have in mind is more than just a sampling of the spacious roominess here—and of the cushions that cradle you in opulent and enveloping softness. It's the magnificent luxury of ROADMASTER travel that we'd like you to know... The soul-satisfying feel of bossing almost limitless power from the world's newest and most advanced V8 engine...

The casual ease with which you command sparkling getaway from Twin-Turbine Dynaflo—and the sheer comfort of its new quiet and infinite smoothness... The matchless gentleness and levelness of ride from all-coil springing, torque-tube steadiness, liquid-smooth power delivery—making you barely aware of motion, of road irregularities, of stopping and starting... And the consummate ease-of-handling you enjoy from the most maneuverable ROADMASTER in Buick history. A car with the hydraulic help of POWERSTEERING. A car with the velvety control of Yours in every 53 Roadmaster at NO extra cost.

still finer braking—plus the added convenience of Power Brakes,* if you wish. Surely, you ought to look into this supremely satisfying ROADMASTER for 1953—and see for yourself that the lap of luxury is more than a figure of speech when you take your seat here. Why not visit us soon? *Optional at extra cost.

AS MIDNIGHT STRUCK...

WE'LL HELP YOU...

OPERATOR...

OPERATOR PANSY LEE HENSLEY ANSWERED...

"FOR THE LAST FIVE YEARS I'VE HAD SERIOUS HEART TROUBLE. AN ATTACK CAME LATE ONE NIGHT. I COULD HARDLY MOVE."

"TO INCH MY WAY TO THE TELEPHONE WAS MY ONLY CHANCE TO GET HELP... I TOLD THE OPERATOR WHAT HAPPENED, GAVE HER MY SON LEON'S NUMBER TO CALL!"

MRS. FRY CALLED THE CALL THROUGH, ALERTED SENIOR OPERATOR ELEANOR FRY...

MRS. RIEGLER BACK FROM THE TELEPHONE OFFICE.

BUT MRS. RIEGLER COLLAPSED AGAIN JUST BEFORE HER SON ARRIVED...

MOTHER!

ARE YOU ALL RIGHT?

YES, I FEEL A LITTLE BETTER...

"AFTER I SPOKE TO LEON, HE CALLED THE DOCTOR, LEFT FOR MY HOUSE AT ONCE."

"THAT SWEET OPERATOR CALLED BACK, ASKED IF I NEEDED ANYTHING, KEPT TALKING TO COMFORT ME."

"LEON CAME VERY QUICKLY AND THE DOCTOR CAME A FEW MINUTES LATER."

"I'LL NEVER FORGET MISS HENSLEY AND MRS. FRY... OR BE WITHOUT MY TELEPHONE... IT CAN MEAN LIFE ITSELF IN AN EMERGENCY!"

WHEN YOU THINK OF ALL THE CALLS YOU MAKE AND RECEIVE... AND HOW LITTLE EACH CALL COSTS... YOU REALIZE THAT YOUR TELEPHONE IS ONE OF YOUR BIGGEST BARGAINS... WORTH A LOT MORE THAN IT COSTS.

Corn Off the Cob
Here's a simple and easy way to get your corn off the cob for canning or freezing. Use an angled cake pan. Place the ear on the projection in the middle of the pan and with a sharp knife slice the corn from the ear. The kernels will fall into the pan since the hole is filled with the ear.

Prescription Pharmacists

To Which Extreme Are You Nearest...?

Some people go years without much attention to health. Others may need the Doctor on hand to start the day—every day. Between these two extremes are great numbers of thinking people caring for their health in an orderly manner.

They see their Doctor at regular intervals for guidance. They take the medicine he prescribes according to direction. They report unusual symptoms promptly. All these are common sense precautions and intelligent steps in health care, as is the practice of bringing your Doctor's prescriptions to this fine pharmacy.

It's what happens Here that counts

The heart of every ALL-CROP Harvester and Allis-Chalmers Forage Harvester is its cylinder. Expert repairing and adjustment and original Allis-Chalmers replacement parts keep these key units working at their best... letting the entire machine give top-notch performance.

We're proud of our service to customers... proud of our shop, tools and quality work on farm machinery. We want your harvester to continue to give "like-new" service. Our factory-trained mechanics have the "know-how" and equipment to make proper repairs and adjustments.

For a real difference in the harvest field, let us give your Allis-Chalmers harvesting machinery a complete inspection, including the cylinders — where proper operation counts most.

The only convertible that outsells Ford!

WHAT IS IT that makes Ford's Sunliner America's best seller? Is it its high-compression V-8 power? (No other convertible in Ford's field has this kind of engine.) Is it the fine craftsmanship of its Crestmark Body? (No body in its field can match Ford's choice of exterior and interior color combinations.) Is it its new spring and shock absorber action which makes even roughest roads feel smooth? (The Sunliner's springs are tailored to its weight.) Is it the choice of Fordomatic, Overdrive or Conventional you get? (You won't find such a choice in any other car in Ford's field.)

No, it's not just any one of these things that make Ford America's largest-selling convertible. It's all 41 of Ford's "Worth More" features... features which folks know make Ford worth more when they buy it, worth more when they sell it.

Test Drive America's No. 1 Convertible! Ford Sunliner!

Goodwill Industries To Collect Discards Here Next Monday

As a result of greatly increased contributions of discarded materials in the past few months, Goodwill Industries of Detroit has been able to increase its payroll to nearly 400 physically handicapped men and women. To continue providing jobs for these people, Goodwill Industries needs to maintain a high rate of collections in Chelsea and other communities.

The Goodwill trucks will be in Chelsea on Monday, July 13, to pick up repairable clothing, furniture, shoes, toys, small appliances and other household items. Anyone who has materials to contribute to Goodwill's employment and training program for the handicapped may call Mrs. Carl Mast at Chelsea 2-1772 and arrange to have the Goodwill trucks stop.

MICHIGAN MIRROR

islator? Here is Mr. Brake's recommendation:

All who have responsibility in connection with the administration of the trust fund—the local committees, state trustees, and those who wait upon the Legislature—should keep steadfastly in mind the primary purpose of the trust fund, namely to furnish emergency help to veterans so that they need not go to the welfare line of unexpected difficulty. Anything tending to prevent the accomplishment of that original purpose should be insistently avoided.

DEATHS

Paul M. Fisher

Paul M. Fisher, brother of Dr. J. V. Fisher and Eugene Fisher, died at 2 a.m. Monday in a hospital at Arlington, Va., of injuries received in an automobile accident at midnight. Sunday had been his 37th birthday.

Mr. Fisher had made his home for some time in Washington, D. C., but recently located at Baltimore, Md.

Mr. Fisher flew east after being notified of the accident.

The body was to be cremated and memorial services will be held in Ann Arbor.

In addition to the two brothers here, Mr. Fisher is survived by his mother, Mrs. Charles A. Fisher, of Ann Arbor; another brother, Dr. John A. Fisher, of Philadelphia; and an aunt, Mrs. Earle Steele, of Huntington, Ind.

Elmer Schweinfurth

Funeral services were held at 10 a.m. Monday in the Gorsline-Rudman Funeral Home in Lansing for Elmer Schweinfurth, formerly of Chelsea, who died Thursday following almost a year of illness.

A son of Philip and Louise Notten Schweinfurth, he was born on the old Schweinfurth homestead on Kilmer road Oct. 4, 1887. He lived there until he was 18 years old and then worked in the Scherer store located at that time in Franciscop. Later, he worked in Jackson and 20 years ago moved to Lansing where he was employed as a salesman by the Paul Automotive Parts Co.

Survivors of Mr. Schweinfurth are his wife, Alta; two sons, Bill and Philip; two sisters, Mrs. Carrie Fahrner of Grand Rapids, and Mrs. Carl Mast; and two brothers, Albert and Floyd Schweinfurth.

Among those from this vicinity who attended the funeral were the Albert Schweinfurth family, Mr. and Mrs. Alton Gieske, Mrs. Leonard Loveland, Miss Mabelle Notten, Chester and Eric Notten, Mrs. Lina Whitaker, and Mrs. Dorr Whitaker.

Mr. and Mrs. Walter Miller and family of Gayesse Pointe Park, spent the holiday week-end at the home of the former's parents, Mr. and Mrs. Martin Miller. Saturday evening visitors were Mr. and Mrs. Darwin Bush and sons, of Stockbridge.

Reward Offered for Air Rifle Violators

Street lights, windows and glass containers in the cemetery are among the items listed as having been broken by shot from air rifles during the past week, according to Police Department records.

Police Chief George Doe warns that it is illegal to shoot air rifles in the village and said that the ordinance against such shooting will be enforced.

A reward is to be paid to anyone providing information leading to the apprehension of persons using air rifles within the village limits.

 The Friendly Store

IN JANUARY 1952
 WE SAVED OUR CUSTOMERS

ONE MILLION DOLLARS ON 2 TRAINLOADS OF CHROME DINETTES

HERE'S HOW IT WAS DONE!

WE SEARCHED the length and breadth of this land to bring our customers the greatest dinette value in the history of American merchandising. We finally found a factory large enough to take on this tremendous venture.

THE RESULT—we saved our customers one million dollars because we ordered thousands of sets in only one style and three colors. We built them during the factory's slack season, eliminating expensive warehousing, cut costs in every way — AND CAUSED A SENSATION IN THE NATION.

- Double Tube Chrome Queen Anne Legs Won't Wobble
- Solid Wood Centre Back Won't Loosen, Durable Cover
- 3" Shredded Moulded Foam Rubber Seats, Durable Cover
- Triple Plated Chrome Frames, Superior 16 Gauge Metal

WE PRESENTED a dinette set value that brought folks flocking to our stores. Our factory ran 24 hours a day to keep up with the demand!

WE'VE DONE IT AGAIN!

SINCE that great event we've been working toward the day when we could repeat it—bigger and better than before!
