

Personal Mention...

Mr. and Mrs. Herbert Sanborn of Detroit, visited friends in Chelsea, Saturday.

Ned and Kent Kubitz, of Lambertville, spent the week-end with Douglas and Ronald Warren at Cedar Lake.

The Thomas Guireys, of Berkeley, spent the week-end here as guests of Mrs. J. V. Burg.

Mrs. Howard Flintoff and children and her brother, Carl Schneider, are spending the week at their cottage at Torch Lake.

Week-end guests of Mr. and Mrs. Jack Warren at their Cedar Lake cottage were Mr. and Mrs. William Ploeger and daughter, Gretchen, and Mrs. Jennie Campbell and son, Marvin, of Capac.

Mr. and Mrs. Carl Fletcher of Asheville, N. C., who came here Saturday for the wedding of their daughter, Mary Ann Gage, and Donald Gage, were guests of Mr. and Mrs. Elsie Gage until Monday and then went to South Haven to visit at the home of Mr. and Mrs. Donald Harden.

Township Board Votes Survey Fund for Waterloo Road

Members of the Waterloo Road Improvement Committee and members of the Lyndon Township Board held a special meeting Tuesday evening at the home of Supervisor Orson Beaman to discuss plans for action necessary to expedite the blacktopping of Waterloo road.

As a result of the joint meeting, the Township Board unanimously voted to appropriate \$200 for the Waterloo County Road Commission to survey Waterloo road in preparation for blacktopping.

This action was in line with a suggestion made by Howard G. Minner, Waterloo County Road Commission manager, that the first step necessary for a possible road improvement program was for such an appropriation by the township board. Minner made the suggestion at a meeting of Lyndon township residents in Lyndon Town Hall Aug. 7. At that time residents of the area had planned to pledge the \$200 when the township board failed to make the appropriation.

The Waterloo Road Improvement Committee was named at the Aug. 7 meeting and includes Bert Conroy, Sam Markey, Leigh Beaman, Paul Papsdorf and L. D. Guinan. All were present at Tuesday's meeting with the exception of Papsdorf who was out of town.

All members of the Lyndon Township Board attended also. Headed by Orson Beaman, the board includes Mrs. Calista Rose, Mrs. Emma Goodwin, Lloyd Boyce and Emory Pickell.

The committee, in presenting its arguments for early blacktopping of four and one-half miles of Waterloo road, repeated statements made at the Aug. 7 meeting. In the opinion of the committee the state is obligated to pay defray the cost of blacktopping the road because of the large area of state-owned land in the township.

Wide advertisement of the state's Waterloo recreation area, as well as visiting days at the state-owned Cassidy Lake Technical school result in great numbers of cars traveling the road each week-end, according to the committee. The exceptionally heavy traffic on week-ends should be considered in making plans for the road, the committee pointed out.

General theme of the committee at the Aug. 7 meeting and reflected by the committee at Tuesday's meeting indicated opposition to the Waterloo County Road Commission's overall road improvement program which schedules Waterloo road for blacktopping by 1958.

MEA President Will Address Local School Faculty

M. P. Anderson, president of the Michigan Education Association and superintendent of the Berkeley schools, is to address the faculty of Chelsea High school as well as the elementary school at the opening teachers' meeting at the high school this morning. He will speak on the topic: "Professional Organizations."

All day today and tomorrow morning will be taken up with teachers' meetings with tomorrow afternoon reserved for getting rooms ready for the opening of school Tuesday morning.

This afternoon and tomorrow morning meetings will be held in each building. John Griffin, high school principal, will conduct the high school faculty meetings and Arthur Schumuk, new elementary principal, will be in charge at the elementary faculty meetings.

Farm Crops Being Hurt by Drouth

High Temperatures Causing Damage to Corn Crop Prospects

Many Washtenaw county farmers have begun cutting their corn and getting it into silos as fast as possible to prevent further damage from the prolonged drouth, according to the Washtenaw county Agricultural Extension office in Ann Arbor.

Scattered showers Sunday, the 28th day since rain had fallen here, were so light that they were of practically no benefit.

Clover and alfalfa seedlings are suffering from the prolonged drouth, but are expected to recover later if fall rains are normal. Also suffering greatly from the lack of rainfall are late potatoes.

Accompanying the lack of rain for the past week have been temperatures in the high 90's.

The heat wave the past week has been general throughout most of the United States with no real relief promised before the end of this week. Nights have been relatively cool, however.

The southern part of the lower peninsula of the state seems to be harder hit by the heat wave since the northern section had received more rain early in the season and consequently is not so completely parched.

Fire permits have been cancelled for the lower part of the state, except for domestic purposes.

National ABA Will Meet at Mich. State

The National Association of Artificial Breeders will meet at Michigan State College, Sept. 13, 14, 15 and 16.

The Chelsea ABA board of directors have received notice that all ABA members and friends are welcome to attend the meeting and A. C. Baltzer, MSC dairy specialist, recommends Tuesday, Sept. 15, as of interest to all. Reservations must be made for the banquet. Call your local inseminator for details.

The program for Tuesday includes panel discussions by guests N. P. Halston of Michigan State College, Lester Gilmore of the Ohio Agricultural Experiment Station, Wooster, Ohio, and others. This will take place at 2 p.m. in Kellogg Auditorium.

In Kellogg Center, rooms 103 and 104, also at 2 p.m., talks will be given by J. K. Stern, of Washington, D. C., president of the American Institute of Cooperation, and Stanley Brownell, professor of animal husbandry at Cornell University, Ithaca, N. Y.

Wheeler McMillen, editor of the Farm Journal, Philadelphia, Pa., will be the principal speaker at the banquet at 6:30 p.m. in Kellogg Center Auditorium.

The local ABA will have an exhibit at the Chelsea Fair again this year showing a county map and the location of all members. The next directors' meeting will be held at the home of Floyd Fowler, Sept. 14, 1953.

PVT. RICHARD L. KISS

With the 43rd Infantry Division in Germany—Pvt. Richard L. Kiss, son of Mr. and Mrs. Tibor Kiss, Chelsea, Mich., recently arrived overseas for duty with the 43rd Infantry Division.

Now in southern Germany, the 43rd Infantry Division is constantly undergoing intensive field training and maneuvers as part of the North Atlantic Treaty Organization (NATO) defense force for western Europe.

Pvt. Kiss entered the service Jan. 12 of this year, and received his basic training at Camp Atterbury, Ind. After spending a further month at his home here in May, he was sent overseas on June 6. Members of his family who hear regularly from him, say he is now stationed near Augsburg, Bavaria. He is a rifleman in company 1 of the division's 102nd Regiment.

Everett School Electors Approve District Division

Electors of the Everett rural school district approved annexation of the district to the Manchester and Chelsea districts in the election Friday night. Of the 14 members who were present to vote, 13 voted "yes" and one "no."

Dividing line of the former district is Grass Lake road, from the west edge of the district to Chelsea-Manchester road, then south to the sectional line and east to the end of the district.

Both sides of Grass Lake road and all property north of the dividing line goes to the Chelsea district, while all property south of the line becomes part of the Manchester district.

School Bus Pickup Schedule for First Week Announced

Parents of rural kindergarten children will be expected to provide transportation for their children for the first week of school until the noon kindergarten run can be planned, according to an announcement by Supt. Charles Cameron. After the runs have been established all rural kindergarten children will be transported home at noon.

It is very necessary that information to the kindergarten children is accurate and parents of kindergarten children who did not attend the pre-kindergarten conferences last spring should accompany their children to school the first day to give the kindergarten teachers the information they need about the pupils.

The rural kindergarten will be in the morning sections and the town children in the afternoon sections.

All other grades the same bus schedules will be followed as last year.

Pupils who are picked up at Washington and Madison, McKinley and Middle, McKinley and Dewey, North Street and North Main, and Wilkinson and Middle in the morning will not be transported home for lunch. They may bring their lunches or they may go to school and ride the bus back to school after lunch. Pick-ups are made in the same places after lunch as in the morning. These same pupils will be transported to the same stops after school.

Pupils living in the districts annexed to Chelsea since Sept. 1952, will be called by telephone concerning the time of bus pick-ups.

All pupils from the West School district and the part of the Everett school district annexed to Chelsea will be transported to schools in town.

The North Lake school pupils in kindergarten through grade three will go to school this year at the North Lake school, while those in grades four through eight will be transported to Chelsea.

Third Polio Case Is Reported from Chelsea Area

Another polio case was reported from the Chelsea area during the past week, Norman Hills, 11-year-old son of Mr. and Mrs. LaVern Hills of Conway road, having been taken to U. of M. hospital after he became ill Aug. 29.

Ralph Stinehelfer, who has been at the hospital since Aug. 9, is now able to be up in a wheel chair part of the day. He has been moved to the main part of the hospital and is allowed to have visitors.

County Polio Cases

New polio cases reported by the Washtenaw county Health Department include the following:

David Friday, 8, 1511 Mt. Claire, Ann Arbor, Aug. 27. Non-paralytic.

Ronald G. Ebaugh, 11, Monroe street, Ann Arbor, Aug. 27. Non-paralytic.

Bonnie Miller, 15, 1116 East Catherine, Ann Arbor, Aug. 28. Non-paralytic.

Shirley Fritts, 5, 2027 Woodale, Ypsilanti, Aug. 28. Non-paralytic.

Stephen N. Aumeiff, 11, of 378 East Ann street, Ann Arbor, Aug. 28. Paralytic.

Charles Clark, 9, of 1016 Daniels street, Ann Arbor, Aug. 28. A post-polio case reported Aug. 28 was that of Jerry Fritts, 4, of 2027 Woodale, Ypsilanti.

Petition Asks for Vote on Sylvan Zoning Ordinance

Sylvan township's proposed zoning ordinance will not go into effect Sept. 13, it was announced yesterday, after a petition had been submitted at the township board meeting Tuesday evening requesting a referendum.

The petition was presented by Harrison West.

At the discretion of the board, a special election may be called or the question may be held over until the next biennial spring election in 1955.

In other action at the meeting and in accordance with provisions of state statutes, the Sylvan Township Board had notified representatives of outlying township committees to attend Tuesday's meeting and submit their financial statements and statements of their anticipated needs for the coming year with a view toward including financial aid for their upkeep in the 1954 township budget. The budget is customarily submitted at the annual township meeting for approval.

Representatives of Salem, Grove, Mount Calvary, Sylvan Center and Vermont cemeteries are to have the required statements at the next regular meeting of the Township Board if they plan to have their needs included in the budget.

Provisions of the statutes are that townships help defray expenses of township cemeteries where perpetual upkeep is provided, or where changing financial conditions and high costs burden the small associations.

Parade Committee Urges Planning Now for Float Entries

George Atkinson, as chairman of the parade committee for the Community Fair, has announced the rules for the entering of floats.

He states that anyone in the community may enter a float and each float may have one "queen" to be entered in the queen of the fair contest. The queen, however, must ride on the float she represents.

The committee is lining up as many bands as possible to take part in the parade and is generally working toward the goal of a bigger and better-than-ever parade.

The parade is scheduled for 2 p.m. Saturday, Sept. 26.

Others on the committee with Atkinson are Charles Cameron, James Daniels, George Doe, Don Albor and Ted Balmer.

Blaze Extinguished in Peat Marsh

About 4:20 Monday afternoon the Chelsea Fire department was called to the old peat marsh in the southeast section of the village to extinguish a fire which had been ignited by Mrs. Henry Ahnemann.

An area approximately 50 feet square burned over before firemen reached the scene and they worked for more than an hour before they were satisfied it was extinguished.

Timely discovery of the fire prevented what might have been a huge blaze. If the fire had gained too much of a start in the dried-out peat bogs, it might have burned for weeks, or even months. Fire Chief Ted Balmer said.

SCHOOL BELLS—This picture, loaned by Dr. A. L. Steger, will bring back memories of the opening day of school to many still living in the community who were standing on the steps at the east entrance to the Chelsea school when it was taken in 1887 or 1889. The exact date has slipped from memory, but with the assistance of Miss Minnie Allyn, all but one of the faces have been identified as follows: first row (left to right); George Clark, Augustus Steger, Henry Stinson, Frank Taylor, Ralph Freeman, Nate Bowen, Archie Bacon, Charles Miller; second row—Minnie Wackenhut, unidentified, Edith Foster, Hattie McCarter, Nina Crowell, Leora Laird, Nora Miller; third row: Emil Kantelehner, Charlotte Steinbach, Anne Bacon, Effa Armstrong, Jennie Woods, Lettie Wackenhut, Pauline Girschach; fourth row: Jennie Taylor, Carrie Tyndall, Alice Mullen, Fannie Hoover, Ida Keusch, Flora Kempf, Ed Winter, Chauncey Staffan; fifth row: Etta Hepler, Allie McIntosh, Josie Hoag, Ruth Loomis; sixth row: Carrie Strahle, Addie Clark, Minnie Allyn, Pearl Davis, Cora Taylor, Edna Grenny; seventh row: Ed Whipple, Julius Schmid, Munson Burkhardt, A. A. Hall, superintendent of schools, Maggie Keusch, Anna Bessel, Katie Staffan, Lucy Lowe, teacher.

Plans Laid for Permanent Chelsea Blood Bank Program

Steps were taken at a meeting held in the social center of the Methodist church Monday evening to form a permanent Chelsea Blood Bank unit. A temporary Chelsea Blood Bank has been in operation here the past one and one-half years.

At the meeting Monday, representatives of industries and organizations of the community discussed and formulated by-laws for governing the permanent unit.

Present at the meeting were Malcolm Bruce, personnel director at Chelsea Springs, who is Chelsea Blood Bank chairman; Mrs. Leigh Palmer, Chelsea Red Cross chairman; and Mrs. Dudley Holmes, blood program chairman for the Red Cross here, and chairman in charge of arrangements for the clinic to be held in the Congregational church Sept. 17 and 18. She also attended Monday's meeting as a representative of Chelsea Milling company.

Others present and the industry they represented are Ray Morehouse, Chelsea Products; Homer Conley, Central Fibre Products; Marie Crouch, Gudeman company; Deane Rogers, Mitchell Pickelsimer and Harvey Lixey, Federal Screw Works; Robert Greenough, and E. P. Anderson, Chrysler Proving Ground; Donald Dancer and Rha Alexander, Masons; Ed Hafner, Chelsea Manufacturing Corp.; Wilbert Breitenwischer, St. Paul's church; William Schatz, Chelsea Rod and Gun club; Mrs. Walter Pilemeier, Congregational church; Paul Mann, Chelsea Chamber of Commerce; Harvey Fischer, Lafayette Granger, Rev. S. D. Kinde, Methodist church; Lehman Wahl, Knights of Columbus.

Mrs. Holmes, in announcing the Blood Bank Clinic, mentioned certain changes in the list of qualifications as blood donors.

These include the rule that men will have served overseas with the military service and be eligible to give blood for a full year after their return to this country. It was also ruled that only eight weeks

95 County Youth Are Exhibiting at State 4-H Show

Ninety-five Washtenaw county 4-H club members entered 122 exhibits at the State 4-H Show at Michigan State College this week. The show began Tuesday and ends tomorrow, the highlight of today's program being the Dress Revue tonight. No one from this county is in the revue this year for the first time in several years.

Fifty of the Washtenaw county exhibitors have been staying on the campus during the show. They are accompanied by Don Johnson, Washtenaw county agricultural agent, Frank Gendron and Dunes Girschach, 4-H club leader and assistant leader, respectively, and Mrs. Lawrence Boettner of Bridge-water, and Mrs. Gerald Payne, of Ypsilanti, adult leaders.

Leon Hatt, of this vicinity, is competing in clothing judging, while Lloyd Grau, also of the Chelsea area, is one of four boys from the county who are participating in dairy judging contests. The others are Gordon Schultz and Arnold Girschach, of Ann Arbor, and William Klager, of Saline.

David McCalla, of Whitmore Lake, and William Nixon, of Detroit, are entered in livestock judging contests.

Community Fair Association members at a meeting held Tuesday evening decided to hold a horse pulling contest for Thursday night, Sept. 23, the opening night of the Community Fair.

The Schaeferes are now home on leave from the India Mission field and are living at Rogers Corners and are near Mrs. Schaefer's parents, Rev. and Mrs. M. W. Bruckner. They will be leaving the day after Christmas to return to India where Rev. Schaefer is to be principal of the Penikese High school.

Board Seeks Site for Grade Building; See Proposed Plan

North Lake School Okays Annexation to Chelsea District

The North Lake school district, at a meeting of electors Monday evening, approved annexation of the district to the Chelsea Agricultural Schools district.

Of the 93 votes cast 77 were "yes" and 16 "no."

Supt. Charles S. Cameron announced yesterday that the Chelsea school custodians will begin work at the North Lake school immediately to have it ready for opening on Sept. 8.

The school will be operated this year for grades kindergarten through three, with Lucille Cam-burn as teacher. Grades four, five, six, seven and eight will be transported to Chelsea.

Transportation for grades kindergarten through the third will be determined this week, Supt. Cameron said, and all the people affected will be contacted.

Lima Township Zoning Ordinance Printed This Week

Lima township's proposed zoning ordinance is published in its entirety in this issue of The Standard. The ordinance, as prepared, is the work of the Lima township zoning committee headed by Jack Brundage as chairman. Others on the committee are Arthur Kuhl, Harry Peck, Charles Bohman and Walter Gage.

The proposed ordinance has been approved by the zoning committee of the Washtenaw County Board of Supervisors and the Lima Township Board. The ordinance will become effective in 30 days if a referendum is not petitioned for.

A public meeting was held in the Lima Town Hall Thursday evening, July 23, to discuss the various provisions of the proposed ordinance. Members of the township board and the zoning committee were present.

At that time there was some difference of opinion on parts of the proposed ordinance and the township board took up the matter at its Aug. 20 meeting and an adjourned session of that regular meeting held Aug. 26, before the ordinance was approved and submitted for publication.

A. D. Mayer Named New Lt. Governor of Kiwanis Division

Alfred D. Mayer, of the Chelsea Kiwanis club, was elected lieutenant-governor of Division VI of the Michigan District of Kiwanis International at the convention in Ann Arbor. The election was held yesterday morning.

Coed C. Burton, Detroit realtor, and member of the Detroit Strathmore Kiwanis club was elected governor of the Michigan District.

Gorton Rietmiller, a former Chelsea area resident, was elected lieutenant-governor from District I, in Highland Park.

The new Michigan District governor was chairman of the "On to New York" committee for the International Kiwanis convention, a past lieutenant-governor and is active in church work. He told convention delegates his motto for the year will be "Do More in '54."

Paul F. Niehaus, of the local Kiwanis club, who was on the program and music committee, led singing at the Tuesday morning session with Mrs. Niehaus as piano accompanist.

A total of 1,178 Kiwanians and women registered for the convention.

LICENSE PLATES, HALF PRICE

Full year 1953 auto license plates will go on sale at half price on Tuesday, Sept. 1, according to an announcement made yesterday by A. D. Mayer, manager of the Secretary of State's branch office here.

Tax of 1.5 Mills Will Be Sufficient To Finance Program

At a special meeting of the Chelsea Agricultural Schools Board of Education Monday evening, all members were in accord in the decision that a bond issue of \$198,000 would be needed for construction of a proposed eight-room elementary school. This amount, they estimated, would cover the cost of the building and all other items incidental to its construction, including the site.

Assessed valuation of the district, with recently annexed rural districts included, will be in the neighborhood of \$8,500,000, it was pointed out.

With this amount of valuation, the tax rate which would need to be levied is approximately 1.5 mills, or \$1.50 per \$1,000 of assessed valuation.

Tax rate for the present elementary school bond issue has been 3.5 mills, with the probability of its being lowered this year. Thus the amount of taxes for the average individual taxpayer would not be greatly increased.

The site chosen for the proposed new school is an eight-acre plot located north of the line of a proposed extension of Elm street, east of Taylor Lane. The property is the northwest corner of the Henry Merkel farm.

The Board went on record with a motion to "accept the location and price of the Henry Merkel property, subject to negotiations."

Merkel had met with Board members in a closed session before the special meeting with the architectural representatives.

However, negotiations are not yet completed and until such time they are, the property must be considered as the tentatively-planned location for the proposed school.

The site was first choice of the three under consideration, one in the northwest section and an additional one in the northeast section.

As a continuation of their planning for additional elementary school facilities here, members of the Board inspected tentative plans Monday evening for an eight-room building. The plans were submitted by John Lattin and Terry Bennett, representatives of Lewis C. King, Scott & Associates, of Kalamazoo. The architectural firm is the one that furnished the plans for the elementary school completed here during the past year.

Principal feature stressed in the plan, as submitted, is what the architects term "flexible, self-containing classrooms," which provide separate entrances, cloak room and toilet facilities for each of the rooms without the necessity of passing through long corridors. This they pointed out, is not only an ideal arrangement for young children, but cuts down considerably on construction costs.

The plan includes a multi-purpose room, serving kitchen, teachers' and health rooms; office space and the eight classrooms deemed necessary by the Board because of the large number of children already enrolled in the lower grades and the increasing number of children of pre-school age who will be entering school in the next five years.

The present elementary school is already taxed beyond capacity in the lower grades, chiefly in the first grade, extra sections of which will be housed in the kitchen when school opens next week.

Mrs. Rosie Maroney has been engaged to teach an extra first grade section, it was announced yesterday by Supt. Charles Cameron.

The architects' plans, while admittedly tentative, served as a guide for making a decision on the amount of a proposed bond issue to be submitted at the earliest possible date to electors of the district.

Prescription

Pharmacists

NOT ON YOUR
FINGERS

AND TOES...

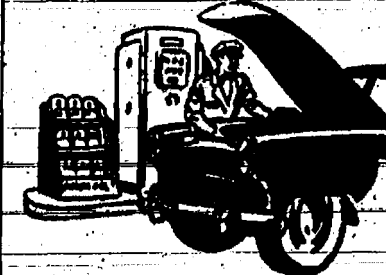

... can you count the factors entering into your prescription. Pharmacy deals with a multitude of details, and the many thousands of items in your pharmacist's stock prove the point.

Your prescription specifies drug, amount, strength, size, and dosage. Add to these the order of mixing, compatibilities, and hundreds of procedures and diversities within the knowledge of your pharmacist. They multiply the selective factor of medicines, and establish pharmacy as a most complex profession. All of these skills are employed to serve you when we fill your prescription.

Sludged Oil
Is Bad for
the Engine...

Grind of summer driving leaves oil gritty causing extra wear. Change oil now! Try PURE Lube-oil, Gas, Batteries and Tires.

HANKERD SERVICE

Corner South Main and Van Buren Phone 7411

after a busy day

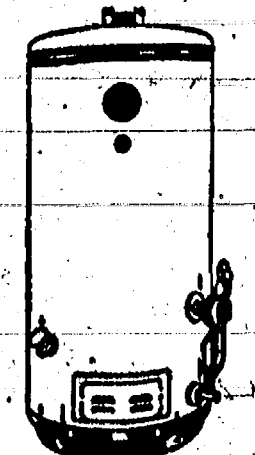

What's more refreshing
than a bath of

INSTANT HOT WATER

With a gas automatic water heater your family will have plenty of hot water at all times for baths and all the household needs.

Be sure your water heater is large enough for your growing family. If there are four of you, or you have new appliances using lots of hot water like an automatic dish washer or laundry, you'll find a 40 gallon water heater more satisfactory.

If you have an old-fashioned water heater that must be turned on and off, an automatic gas water heater will save you all those trips to the basement, and you'll never have to wait for water to heat.

**Today It's Hats Off**
To His Majesty,
the American Worker!

The man who turns blueprints into production and daring dreams into glorious realities. Always in the line of America's steady forward march to a better life for all... the American worker is the envy of his fellows 'round the world. Working with better equipment by better methods... he produces more, earns more and enjoys more. Free to think, speak and choose for himself... his sturdy independence and steadfast loyalty make him the keystone of America's strength... the brightest promise for America's future.

65 Guests Attend Bairs' Open House

Approximately 65 guests were present Sunday at the open house in observance of the silver wedding anniversary of Mr. and Mrs. Harold Bair. The guests, in addition to Chelsea friends and neighbors, were from Detroit, Inkster, Flint, Birmingham, Pontiac, Ferndale, Hazel Park, Talo, Portage Lake, and Lansing.

Table decorations included a large bouquet of red-centered yellow gladioli and blue delphinium which was a gift from Mrs. Bair's "secret" son in the past, Noble Grands club of Rebekah lodge.

The party was arranged by the Bairs' daughter, Shirley. Assisting her in serving were Mrs. Douglas Stiff of Flint, Mrs. Julian Frey of Inkster, and Rebecca Brown.

In place of a guest book, those present were asked to sign their names on a 12-inch wooden plate which Mrs. Bair plans to shellac.

DAV Nets \$160 in Forget-Me-Not Sale

The Disabled American Veterans of Washtenaw County Chapter, No. 13, realized approximately \$160 from the sale of the DAV forget-me-nots on the streets of Chelsea Friday night and Saturday, according to Mrs. Warren Ross, of Ann Arbor, senior vice-commander of the DAV auxiliary.

The workers, three adults and four children, said they were very pleased with the friendliness of the people and with their generous response.

Money raised by means of the forget-me-not sale is used in service work for needy Washtenaw county veterans and their families.

Police Urge Extra Caution for Safety of School Children

Police Chief George Doe today announced that the Village of Chelsea is cooperating with the State Safety Commission on the annual September "Watch Out For Kids" traffic safety program.

"Each year," the Chief said, "motorists need to be reminded that children are returning to school and that there is a special need to watch out for them, many of whom have just returned from carefree vacations and have not adapted themselves to the routine of going to and from schools."

According to Chief Doe more than 3,000 children were struck down by automobiles on the streets and highways of Michigan during the last 12 months. Eighty of them died and many were crippled for life.

"Our department will pay particular attention to speeding near schools during the first few weeks of September as a forceful reminder to all motorists to watch their speed as they watch out for kids in school areas," the Chief continued.

A state-wide educational program, using several hundred thousand posters is underway. In every community motorists can expect to see the poster depicting a little girl running out from between parked cars with the slogan "Watch Out For Kids."

The leaflets give excellent advice to parents. They are urged to teach their children this simple rule by repeating it over and over again: "Stop at the curb, look both ways, wait until it's safe to cross, walk across the street."

New York Woman Killed in US-12 Crash

At 10 a.m. Saturday, Mrs. Frances Lowell of Rochester, N. Y., was killed when her car rammed the rear of a two-trailer, steel-loaded truck on US-12 just east of Steinbach road. A passenger in the car, who later told officers he was asleep in the back seat, was taken to St. Joseph's Mercy hospital with injuries to the neck, chest, left leg and kidney. He is Everett M. Lowery of Sedus, N. Y., who is a school teacher.

According to reports of the accident, the truck driver, Lawrence O. Strickland, was unaware of the accident until he stopped at the road side after he felt a jar and believed a tire had gone flat. The car was wedged under the rear of the second trailer with the two occupants inside.

Because of the absence of skid marks on the pavement, it was believed Mrs. Lowell, driving east, did not see the truck, possibly because of the sun.

Mrs. Lowell's is the 32nd traffic death in the county since the first of this year. The total number of highway deaths for the entire year in 1952 was 24.

CARD OF THANKS
We wish by this means to express our thanks and appreciation to our friends and neighbors for the good wishes, cards and gifts we received in observance of our 25th wedding anniversary.
Mr. and Mrs. Harold Bair.

CARD OF THANKS
Many thanks to those who so kindly remembered me with cards and flowers during my recent illness.
Mrs. Mark McClear.

CARD OF THANKS
I wish in this way to express my thanks and appreciation for the flowers and cards sent to me while I was in the hospital and since my return home.
Mrs. Theodore Combs.

CARD OF THANKS
The Sisters of St. Mary's are deeply grateful for the thoughtfulness shown by the ladies of the parish at their pantry shower held Aug. 27.
Sisters of St. Mary's.

CARD OF THANKS
We wish to thank, with deepest gratitude, the Chelsea Fire Department, Cassidy Lake Fire Department, Conservation Office, Conservation Officer, Conservation Department, the men from the Waterloo, Cassidy Lake, and Michigan Parole camps, all our friends and neighbors and anyone who helped in any way to fight the fire in our huckleberry marsh. Our appreciation cannot be adequately expressed in words alone. Your assistance in a time of need will always be remembered.
Ken and Irene Proctor.

Disabled American Veterans
Washtenaw County
Chapter No. 13

Dr. and Mrs. A. L. Steger returned Wednesday from a week's vacation trip to the Straits and into Canada.

GUEST SPEAKER SUNDAY AT ST. PAUL'S CHURCH
Rev. A. H. Mayer, field representative of the Evangelical Outreach and Old Peoples Home, of Detroit, was the guest speaker at the Sunday morning service at St. Paul's church.

Mr. and Mrs. Carl Jones of Pinckney, and Mr. and Mrs. Stephen Slane and daughter, Sharon, spent a week in Kankakee, Ill., as guests of Mrs. Curry Goodpastor. On their return on Monday of last week, they stopped to visit Mrs. Slane's uncle, E. M. Jones, and family, at Union City, and Sharon remained to spend the week, arriving home Saturday.

AL. To provide for the collection of zoning permit fees.

Section 2.04—Building

Any structure, either temporary or permanent, having a roof and walls, or built for the shelter or enclosure of persons, animals, or property of any kind. This shall include tents, awnings, vehicles, whether mounted or not on wheels and situated on private property and used for purposes of a building.

Section 2.07—Cabin

Any building, tent, or similar structure which is maintained, offered or used for dwelling or sleeping quarters for transients, or for temporary residence, but shall not include what are commonly designated as hotels, lodging houses, or tourist homes.

Section 2.08—Cabin Court or Park

Any tract or parcel of land on which two or more cabins as herein defined, are maintained, offered or used for dwelling or sleeping quarters for transients.

Section 2.09—District, Land Use District or Zone

A part or parts of the unincorporated area of Lima Township for which the zoning regulations are prescribed.

Section 2.10—Dwelling, Permanent and Temporary

A. One-Family Dwelling—A dwelling occupied by but one (1) family, and so designed and arranged as to provide living, cooking and kitchen accommodations for two (2) families only.

B. Two-Family Dwelling—A dwelling occupied by but two (2) families, and so designed and arranged as to provide living, cooking and kitchen accommodations for two (2) families only.

C. Multiple Dwelling—A dwelling otherwise than a one- or two-family dwelling.

D. Temporary Dwelling—Cabins, tents, trailers, garages, and basements, if used for dwellings, are designated as temporary dwellings.

Section 2.11—Erected

Signifies built, constructed, reconstructed, moved upon, including any physical operations on land required for a building. Erection, fill, drainage, and the like shall be considered part of erection.

Section 2.12—Family

Any number of individuals living together and cooking together on the premises as a single non-profit householding unit, as distinguished from a group occupying a hotel, club, or similar structure, together with all necessary employees of the family.

Section 2.13—Farm

Unplanted contiguous land operated as a single unit on which farming is carried on, including the production and keeping of all common types of farm animals, and provided, That green-houses, nurseries, orchards, apiaries, poultry farms, truck farms and similar specialized or intensive agricultural enterprises shall be considered farms.

Section 2.14—Farm Buildings

Any building, other than a dwelling, erected, moved upon or maintained on a farm which is essential and customarily used on farms in the pursuit of agricultural activities.

Section 2.15—Garage (Private and Commercial)

A. A private garage is any detached building, not over one (1) story or ten (10) feet in height at the eaves for storage of self-propelled private passenger vehicles or trailer coaches where no service for profit is conducted.

B. A commercial garage is any garage other than a private garage.

Section 2.16—Highway

Any public thoroughfare dedicated and maintained for the operation of vehicular traffic.

Section 2.17—Hotel

Any building where lodging with or without meals is furnished to transient or resident guests for compensation and containing more than four (4) sleeping rooms and having no cooking facilities in any individual lodging, but wherein a restaurant may or may not be located.

Section 2.18—Lodging House

Primarily a family dwelling where lodging with or without meals is furnished on a weekly or monthly basis to three (3) or more persons who are not members of the family occupying and operating the premises, but not necessarily to anyone who may apply.

Section 2.19—Home Occupation

A gainful occupation conducted by members of a family only within its place of residence, provided, That space used is incidental to residential use and that no article is sold or offered for sale except such as is produced on the premises; clinics, hospital, barber shops, tea rooms, animal boarding

Section 2.20—Setback Lines

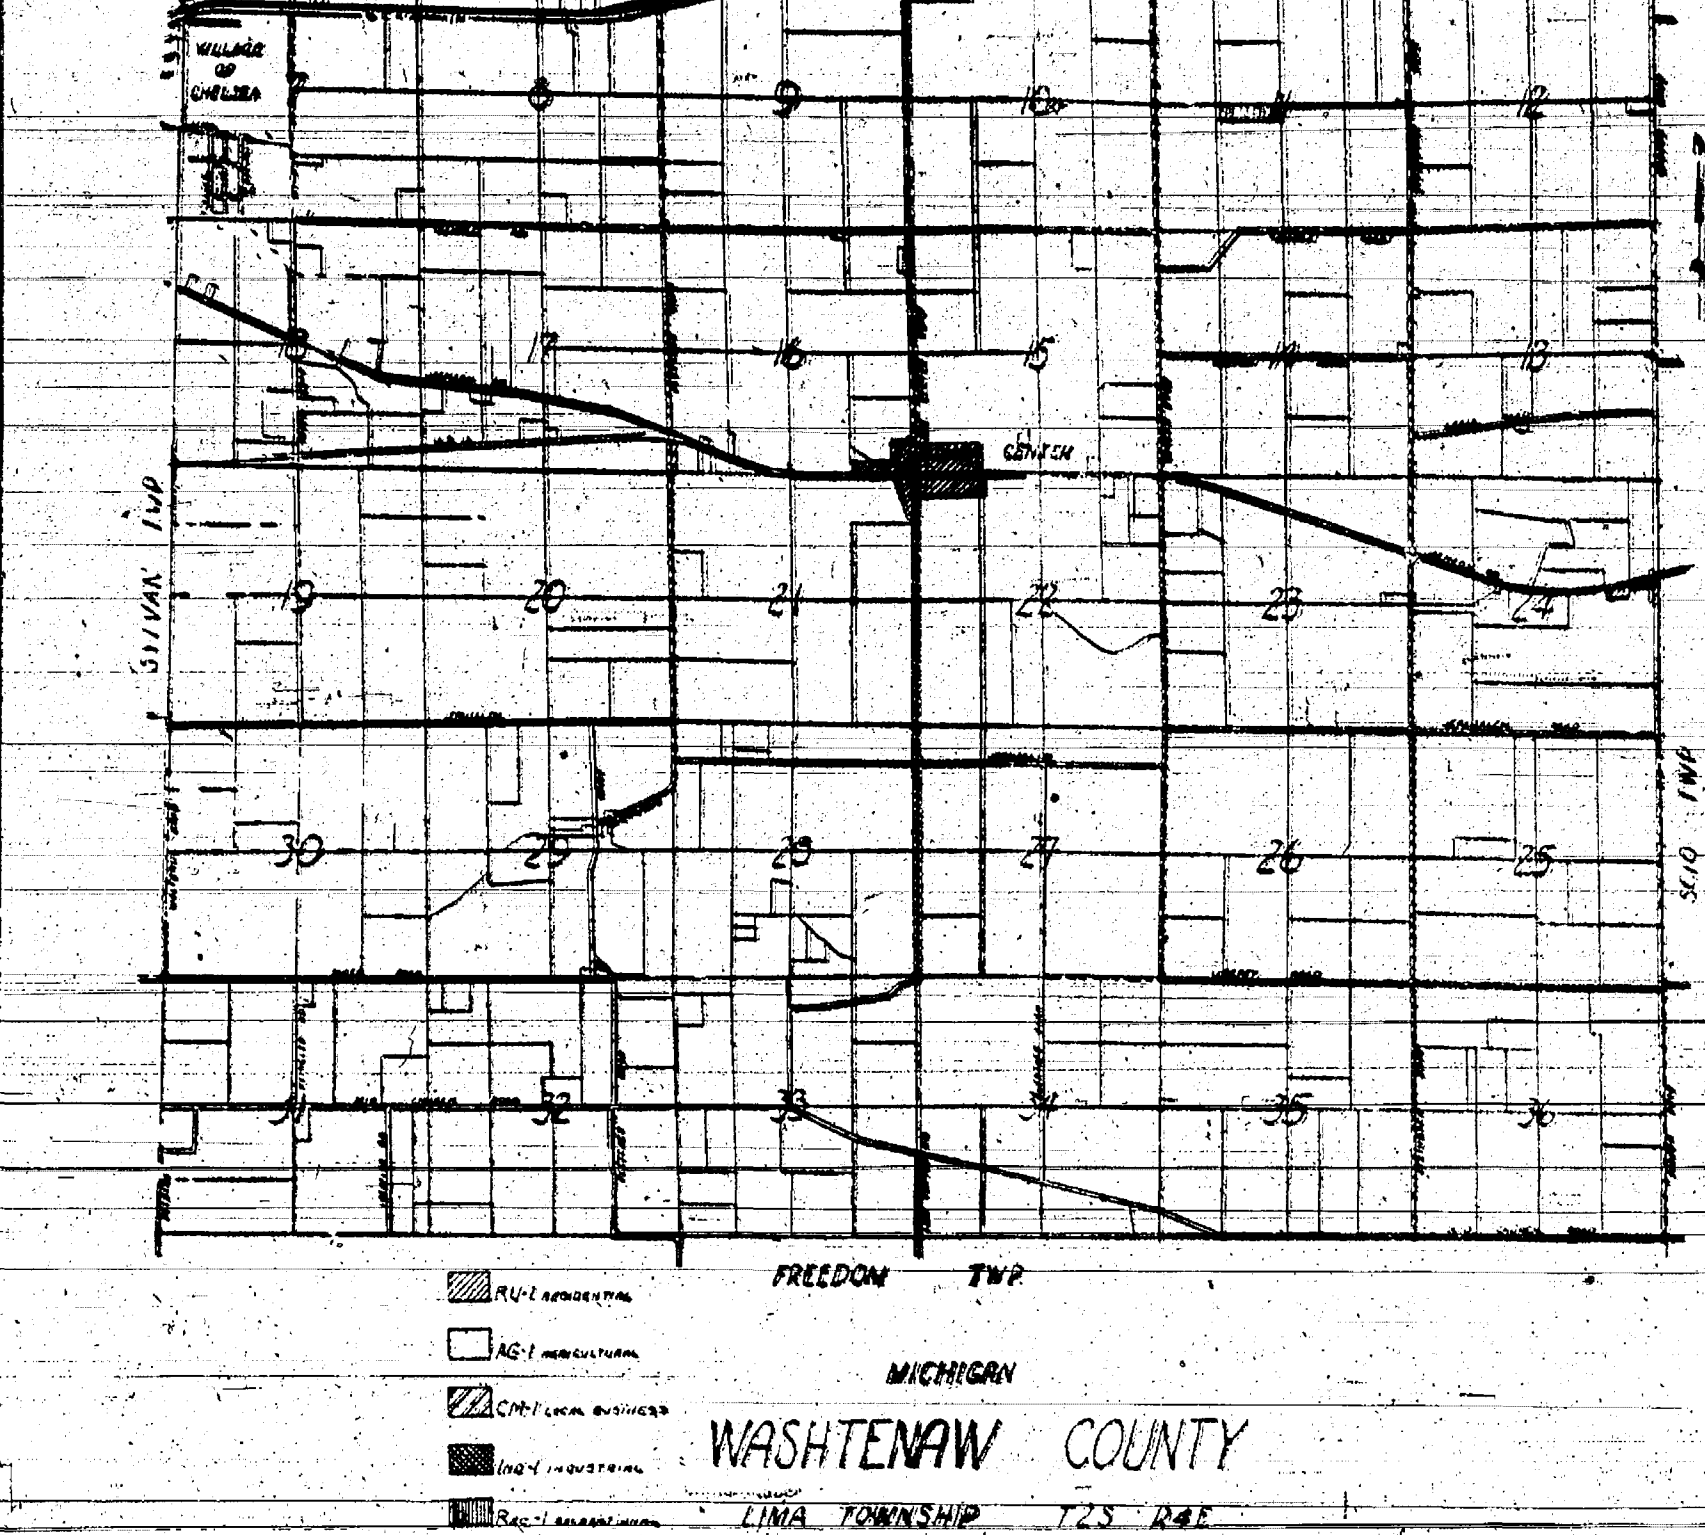

Lines established from time to time by zoning board, adjacent to highways or streets for the purpose of defining limits within which no building or structure or any part thereof shall be erected or permanently maintained.

Section 2.21—Street

A public thoroughfare which affords a principal means of access to abutting property.

Section 2.22—Structure

A structure is any production or erection of work artificially built up

Section 2.23—Lot

The parcel of land on which one (1) principal building and its accessories are placed, together with the open spaces required by this Ordinance.

Section 2.24—Corner Lot

A lot on which at least two (2) adjacent sides abut for their full length upon a street, provided that such two sides intersect at an angle of not more than 135 degrees.

Section 2.25—Lot of Record

A lot which is part of a subdivision and is shown on a map thereof which has been recorded in the office of the Register of Deeds, Washtenaw County, or a lot described by metes and bounds, the deed of which has been recorded in said office.

Section 2.26—Non-Conforming Building or Use

A building or the use of a building or land conflicting with the provisions of this Ordinance.

Section 2.27—Parks

A park is a non-commercial recreational area.

Section 2.28—Public Assembly Buildings

Buildings and outdoor areas in which numbers of persons congregated from time to time for educational, religious, social, or recreational purposes, including churches, schools, community buildings, clubs, lodges, theaters (in-door or outdoor), places of amusements and similar assemblies.

Section 2.29—Public Utility

Any person, firm, corporation, municipal department or board, authorized to furnish and furnishing under municipal regulation to the public, transportation, water, gas, electricity, telephone, steam, telegraph, or sewage disposal and other services.

Section 2.30—Restaurant

A business located in a building where food, beverages, or meals are prepared, served, and sold for consumption on or off the premises and deriving the major portion of the receipts of the sale of such commodities.

Section 2.31—Retail Commercial Establishment

A store, market, or shop in which commodities are sold or offered for sale in small or large quantities to the retail trade, grocery and general stores, meat markets, public garages and automobile service stations are included in this classification.

Section 2.32—Roadside Stand

A structure used or intended to be used solely by the owner or tenant of the land on which it is located for the sale of only reasonable products of the immediate locality.

Section 2.33—Setback Lines

Lines established from time to time by zoning board, adjacent to highways or streets for the purpose of defining limits within which no building or structure or any part thereof shall be erected or permanently maintained.

Section 2.34—Street

A public thoroughfare which affords a principal means of access to abutting property.

Section 2.35—Structure

A structure is any production or erection of work artificially built up

Section 2.36—Tavern

Any place where malt, vinous, or spirituous liquors are sold for consumption on the premises is defined as a tavern for the purpose of this Ordinance.

Section 2.37—Tourist Home

Primarily a family dwelling where lodging with or without meals is furnished for compensation chiefly on an overnight basis and mainly to transients, but not necessarily to anyone who may apply.

Section 2.38—Tourist Cabin—Court

A. Any building in a cabin court which is maintained, offered or used for overnight human occupancy.

B. Any parcel of land on which two (2) or more cabins are located.

Section 2.39—Trailer Parks

Any site, lot, field, tract or parcel of land on which are situated two (2) or more inhabited trailer coaches, either free of charge or for revenue purposes, and shall include any building, structure, tent, vehicle or inclosure located therein and used or intended for use as a part of the equipment of such park.

Section 2.40—Use

The purpose for which land or a building thereon is designed, arranged or intended to be occupied or used, or for which it is occupied or maintained.

Section 2.41—Yard

A space open to the sky and unoccupied or unobstructed except by encroachments specifically permitted under action of this Ordinance, on the same lot with a building or structure. Yard measurements shall be the minimum horizontal distances.

A. Front Yard—A yard extending across the full width of the lot between the front lot line and the nearest line of the main building.

B. Rear Yard—A yard extending across the full width of the lot between the rear lot line and the nearest line of the main building.

C. Side Yard—A yard extending from the front yard to the rear yard between the side lot line and the nearest line of the main building or of accessory building attached thereto.

Section 2.42—Existing Building

An existing building is a building existing in whole or whose foundations are complete and whose construction is being diligently prosecuted on the effective date of this Ordinance.

Section 2.43—Words Requiring Special Interpretation

Any words requiring special interpretation not listed above shall be used as defined in the Housing Law of Michigan, Act 167 of the Public Acts of 1917, as amended.

ARTICLE III GENERAL PROVISIONS

Section 3.01—Scope

Except as hereinafter provided, no building, lot, land or part thereof shall be used, altered, constructed or reconstructed nor shall alterations be made in any existing building in Lima Township except in conformity with the provisions of this Ordinance which apply to the zone in which it is located.

Section 3.02—Non-Conforming Uses

A. The lawful use of any building or structure and of any land or premises existing prior to the effective date of this Ordinance may be continued; if such use of building or structure entails no original construction, alteration, or enlargement thereof, does not constitute a public nuisance, or endanger the public health, safety, or welfare. No other non-conforming use of any building, structure or any land or premises shall be undertaken following the effective date of this Ordinance.

B. If the non-conforming use of any building, structure, land or premises is changed to a conforming use, such use shall not hereafter be reverted to any non-conforming use.

Section 3.03—Reconstruction of Damaged Non-Conforming Buildings and Structures

Nothing in this Ordinance shall prevent the reconstruction, repair or restoration and the continued use of any non-conforming building or structure damaged by fire, explosion, or acts of God, or acts of the public enemy, subsequent to the effective date of this Ordinance, wherein the expense of such reconstruction does not exceed sixty (60) per cent of the total replacement cost of the entire building or structure at the time such damage occurred, provided that such restoration and reconstruction shall take place within six (6) months of the time of such damage, further, that said use be identical with the non-conforming use permitted and in effect directly preceding said damage.

Section 3.04—Repair, Alteration and Completion of Non-Conforming Buildings and Structures

A. Nothing in this Ordinance shall prevent the repair, reconstruction, improvement or reconstruction of the non-conforming building, structure, or part thereof existing at the effective date of this Ordinance, rendered necessary by wear and tear, deterioration, and depreciation; nor prevent compliance with the provisions of the Building Code or Housing Law of Michigan relative to the maintenance of buildings or structures; provided, however, that the cost of such repair, reconstruction, improvement, rehabilitation or compliance shall not exceed thirty (30) per cent of the reproduction value of such building at the time such work is done and provided further, there shall be no change of use of said building or part thereof.

B. Nox shall anything in this Ordinance require any change in the existing use of the building or structure, or any part thereof, which plans have been prepared and filed, heretofore, with the Township Zoning Inspector and the construction of which shall have

been diligently prosecuted for a period of one (1) month prior to the effective date of this Ordinance, and which will be completed within twelve (12) months after the effective date of this Ordinance.

C. No basement, cellar, garage, or any incompletely constructed structure in use as a dwelling at the effective date of this Ordinance shall be used as a dwelling for more than twelve (12) months following said date, unless such structure has been brought to a state of completion in conformity with the regulations of this Ordinance relative to dwellings in the district in which said structure is located.

Section 3.05—Yard and Lot Area Requirements

Where a lot abuts upon an alley, one-half (1/2) of the width of said alley may be considered a part of such lot for the purpose of computing the depth of any rear yard required under this Ordinance. In determining lot and yard requirements, no area shall be counted as necessary to more than one principal building or use, and no area necessary for compliance with the open space requirements for one main building shall be included or counted in the calculation of the open space necessary to any other main building or use.

Section 3.06—Location and Size of Accessory Buildings

All accessory buildings shall be in the rear yard except when built as part of the main building. An accessory building attached to the principal building of a lot shall be made structurally a part thereof, and shall comply in all respects with the requirements applicable to the principal building. The accessory building unless attached and made part of the principal building as provided shall not be closer than ten (10) feet to the principal building.

Section 3.07—Temporary Dwellings

No cabin, tent, trailer, garage, basement, or other temporary structure whether of a fixed or movable nature may be erected, moved, or used for any dwelling purposes whatsoever for any length of time except under the following limitations:

A. The location shall not be injurious to the surrounding property or neighborhood.

B. The water supply and toilet facilities serving the structure shall conform to the minimum requirements as set forth by the Washtenaw County Health Department.

C. An application for a permit for the erection or movement, shall be made to the Board of Appeals on a special form used exclusively for the purpose, and filed with the Township Clerk. The application shall be accompanied by an endorsement of the Township Zoning Inspector approving the location of the proposed structure and of the proposed water supply and toilet facilities therefor.

D. The Board of Appeals shall give due notice of a public hearing on such application, and shall have power to refuse the application if the design or proposed construction of the structure shall be such as to indicate that the structure is intended to stand as permanent or completed dwelling, or the erection, movement, alteration or use be detrimental to the public health, safety and welfare.

E. If the application is approved, the Township Clerk shall issue the owner and occupant a permit for such erection, movement, alteration, or use; the permit

for such shall clearly set forth that the structure permitted is intended as a temporary dwelling, and that said dwelling is to be vacated upon the expiration of a specified time limit to be determined by the Township Board of Appeals. On delivery of the permit, the owner and occupant shall certify in a space allotted for the purpose that he or she has full knowledge of the terms of the permit and hereby certifies that the structure shall be transferred to any other owner or occupant.

Section 3.08—Use of Trailers and Similar Movable Dwellings

Automobile trailers, trailer coaches and similar portable dwellings shall not be permitted to be used or occupied as dwellings, except by temporary permit issued by Board of Appeals.

Section 3.09—Vehicular Parking Space and Access Thereof

A. For each dwelling, business, commercial, industrial or other similar building hereafter erected or altered, and located on a public highway in the township, including buildings or structures used principally as a place of public assembly, there shall be provided and maintained suitable space off the right-of-way that is in general adequate for the parking or loading of vehicles in proportions shown on the following table, and such space shall be provided with safe exit to and safe entrance from the public thoroughfare but not exceed one (1) such exit and entrance. Said exit and entrance may be combined or provided separately. Approval for the location of such exit and entrance shall be obtained from the County Road Commission which shall also approve the design and construction thereof in the interests of safety, adequate drainage, and other public requirements. A minimum of two hundred (200) square feet, exclusive of drives, entrances, and exits, shall comprise one (1) automobile parking space.

Hospitals and institutions of similar nature, one (1) parking space for every three (300) hundred square feet of floor space or part thereof.

Hotels, one (1) parking space for every two (2) guest rooms.

Retail business establishments, adequate parking space to accommodate the patrons of the business.

Restaurants and similar establishments serving food or drink, one (1) parking space for every one hundred (100) square feet of floor space or part thereof.

Taverns, one (1) parking space for every sixty-six (66) square feet of floor space or part thereof.

Dwellings, one (1) parking space for each family unit occupying the premises.

Churches, theaters and other places of public assembly, one (1) parking space for each four seats of seating capacity.

B. In addition to the above, space shall be provided for each space for persons employed or intended to be employed in the production of one parking space for every two such persons.

C. Where parking space is located other than on the same lot with the building to be served thereby, such space shall be located on the same side of the public highway with maximum distance from the main entrance of the building not greater than one thousand (1000) feet for all buildings of public assembly, and not greater than five hundred (500) feet for all other buildings specified in this section.

Section 3.10—Public Service Facilities

The erection, construction, alteration, or maintenance by public utilities or municipal departments or commissions of underground or overhead gas, electrical, steam or water distribution or transmission systems, collection, communication, supply or disposal systems including mains, drains, sewers, pipes, conduits, wires, cables, fire alarm boxes, police call boxes, traffic signals, hydrants, towers, poles, and other similar equipment and accessories in connection therewith, but not including buildings, reasonably necessary for the furnishing of adequate service by such public utilities or municipal departments or commissions, or for public health or safety or general welfare, shall be permitted as authorized and regulated by law and other ordinances of the Township of Lima in any use district, it being the intention hereof to exempt such erection, construction, alteration and maintenance from the application of this Ordinance; provided, however, that the erection or construction is designed and erected to conform harmoniously with the general architecture and plan of such district in which it is to be erected.

Section 3.11—Removal of Soil, Sand or Other Material

The use of land for the removal of topsoil, sand, gravel or other material to be sold from the land is not permitted in any district except under a Temporary Certificate from the Board of Appeals, which may be denied or issued in appropriate cases after filing of an application accompanied by a suitable agreement or bond that such removal will not cause stagnant water to collect, or leave the surface of the land at the expiration of such permit in an unstable condition or unfit for the growing of turf or for other land uses permitted in the district in which such removal occurs.

Section 3.12—District Boundaries

A. Unless otherwise shown on the Approved Zoning Map showing use districts in unincorporated portions of Lima Township, Washtenaw County, Michigan, the boundary lines of use districts shall follow along the lines indicated on the United States Land Office Survey Maps, of the lines of legal subdivisions of land indicated on such maps; or the center line of highways, streets, alleys, or waterways; or the shore lines of water bodies; or the boundaries of un-

incorporated areas; or the boundary lines of recorded plats; or property lines of legal record on the date of enactment of this Ordinance; or the extension of any such line.

B. Where the boundaries of use districts are not shown on said map as following along any of the above lines, such boundaries or approximately such boundaries unless otherwise indicated, shall be construed to be parallel to and one hundred (100) feet from the center line of the nearest street or highway.

Section 3.13—Water Supply and Sewage Facilities

In the interests of protecting the public health and welfare every building or structure hereafter erected, altered or moved upon any premises and used in whole or in part for dwelling, recreational, business, commercial or industrial purposes shall be provided with:

(a) A safe and sanitary water supply.

(b) A safe and sanitary means of collection and disposal of human excreta and domestic, commercial, and industrial waste.

ARTICLE IV—DISTRICTS

Section 4.01—Districts

For the purpose of this ordinance, all the unincorporated area of Lima Township is hereby divided into land use districts to be known as, and having the following symbols:

RU-1—Single Family Residential District.

RU-2—Multiple Family Residential District.

RF-1—Residential Small Farm District.

RK-1—Resort Residential District.

RKC-1—Recreational Area District.

AG-1—Agricultural District.

CB-1—Local Retail Business District.

IND-1—Industrial District.

Section 4.02—Zoning Map

The area assigned to said districts and the boundaries thereof are shown upon a map known as a Zoning Map of the Township of Lima, copies of which are available for inspection by the public in the office of the Township Clerk, Township Zoning Inspector, and County Planning Commission.

ARTICLE V—RU-1 SINGLE FAMILY RESIDENTIAL DISTRICT

Section 5.01—Uses Permitted

No building or part thereof shall be erected, altered, or used, or land used in whole or in part, for

Lima Township Zoning Ordinance

(Continued from page seven)

erected or used for one or more of the following specified uses:

1. All uses permitted in RU-1 Districts.
2. Two-family income dwellings.
3. Two-family dwellings.
4. Single-family, semi-detached and terrace dwellings in groups of not more than eight (8) housekeeping units when all are constructed at the same time.
5. Private garages, either separated or in connected groups, having common and unseparated divided walls between contiguous private garages.
6. Offices of physicians and dentists, provided they are located in a dwelling.
7. Boarding, rooming and lodging houses or tourist homes.
8. Home occupations.
9. Open parking lots for the storage of privately owned automobiles, if the space used for parking is separated from all required yards and contiguous streets by an ornamental wall or fence four (4) feet in height, and if all vehicular access to such lot is from alleys and not directly from any street and such use is approved by the Board of Appeals to be not injurious to the surrounding neighborhood and not contrary to the spirit and purpose of this Ordinance.
10. Institutions of a philanthropic and charitable nature.
11. Buildings and uses customarily incidental to the above permitted uses.

Section 6.02—Building Height
No building hereafter erected or altered in RU-2 Districts shall exceed thirty-five (35) feet in height or two and one-half (2 1/2) stories.

Section 6.03—Lot Area
Every lot occupied by a one-family dwelling shall have an area of not less than six thousand (6,000) square feet and shall have an average width of not less than sixty (60) feet. Every lot occupied by a two-family dwelling shall contain a lot area of nine thousand (9,000) square feet and shall have an average width of not less than sixty (60) feet. Every lot occupied by a single family terrace with more than two housekeeping units shall contain a lot area of nine thousand (9,000) square feet plus twenty-five hundred (2,500) square feet for each family unit over two units. If a parcel of land has less area than herein required and all boundary lines touched under other ownership prior to the effective date of this Ordinance and have not since been changed, such parcel of land may be used for a single family dwelling, if public sewer and water service is available.

Section 6.04—Percentage of Lot Coverage
No dwelling together with accessory buildings hereafter erected on any lot in RU-2 Districts shall cover more than thirty (30) per cent of the area of such lot, provided, that this requirement shall not apply to any lot which at the time of this Ordinance becomes effective is less than the specifications herein in area, provided, if such lot was of record at the time of the adoption of this Ordinance. All multiple dwellings shall have a minimum of eight hundred (800) square feet per dwelling unit.

Section 6.05—Front Yard
Each lot in RU-2 Districts shall have a front yard of twenty-five (25) feet in depth.

Section 6.06—Side Yards
All lots in RU-2 Districts shall have two (2) side yards, one with a minimum width of not less than five (5) feet and the aggregate width of both side yards shall not be less than sixteen (16) feet. The side yard along the common lot line between two or more adjoining lots may be omitted when two or more dwellings are erected at the same time on such lots to form a permitted semi-detached or terrace dwelling, provided, that the remaining side yard on each of the two outer-most lots of such group shall have a width of not less than ten (10) feet.

Section 6.07—Side Yards Abutting Upon a Street
In RU-2 Districts the width of side yard abutting upon a street shall not be less than six (6) feet at the first floor level.

Section 6.08—Rear Yard
Each lot in an RU-2 District shall have a rear yard of a depth not less than thirty-five (35) feet.

Section 6.09—Off-Street Parking Facilities
Off-street parking facilities shall be provided as hereinafter specified in Section 3.09 of this Ordinance.

**ARTICLE VII
SMALL FARM DISTRICT
Section 7.01—Uses Permitted**
No building or part thereof shall be erected, altered or used, or land used in whole or in part for the following uses:

1. All uses permitted in RU-1 Districts.
2. Nurseries, greenhouses and truck gardens.
3. Raising and keeping of fowl, goats and rabbits may be permitted provided they are housed and maintained on half (1/2) acre in area. Upon land area of one (1) acre or more all domestic animals may be kept provided they are properly housed and fenced so as not to be a public nuisance. Animals fed garbage which originates other than on the premises will be considered a nuisance.
4. Roadside stands, provided they

are set back from the nearest highway right-of-way line at least thirty (30) feet.

5. One (1) non-illuminated sign not over nine (9) square feet in area advertising the sale of products produced on the premises.
6. Detached one-family dwellings.
7. Home occupations.
8. Accessory uses, buildings and structures customarily incidental to any of the above permitted uses including dwellings for the use of domestic employees of the owners, lessees or occupants of the principal building on a lot or land parcel. If such accessory buildings contain a complete housekeeping unit, then same shall conform to yard and dwelling area requirements of sections 5.03 and 5.08.

Section 7.02—Lot or Land Parcel Area
Each dwelling or structure hereinafter erected, or moved shall be located on a land parcel of not less than five (5) acres and having not less than ten (10) rods in width.

Section 7.03—Building Area
No dwelling shall be hereinafter erected or altered in District RF-1 which shall be less than nine hundred (900) square feet of floor area on the first floor if one story, or eight hundred (800) square feet of floor area on the first floor if two stories.

Section 7.04—Yard Requirements
1. Front yard—Requirements for each dwelling or structure hereinafter erected shall be not less than forty (40) feet in depth or not less than the established front yard of adjacent existing dwellings.

2. Side yards—For each dwelling or structure hereinafter erected shall not be less than thirty (30) feet for each side yard.

3. Rear yards, every lot or land parcel on which a dwelling building or structure hereinafter is erected, altered, moved shall have a rear yard not less than forty (40) feet in depth.

Section 7.05—Off-Street Parking
Same as Section 3.09 of this Ordinance.

ARTICLE VIII RR-1 RESORT RESIDENTIAL DISTRICT

Section 8.01—Limitation
Resort residential districts may be created only in areas adjacent to a body of water and extending not more than five hundred (500) feet from the high water line of such body of water.

Section 8.02—Uses Permitted
No building or part thereof shall be erected, altered or used, or land used in whole or in part for other than one of the following uses:

1. All uses permitted in section 5.01 of this Ordinance.

Section 8.03—Lot Areas
Each dwelling hereinafter erected shall be located on a lot not less than sixty-six (66) feet in width throughout the length, nor less than fifteen thousand (15,000) square feet in area, provided, that these minimum lot dimensions shall not prevent the use of single lots of a subdivision, recorded on or before the effective date of this Ordinance, which are smaller in size than required above and whose owners possessed no contiguous land from which the above requirements could be met on the effective date of this Ordinance.

Section 8.04—Building Area
No dwelling shall be hereinafter erected or altered in district RR-1 which shall have less than four hundred eighty (480) square feet of floor area on the first floor level.

8.05—Yard Requirements
1. Front Yards—Every lot or parcel of land abutting on a body of water on which a dwelling or main building is hereafter erected, altered, or moved shall have a water-front yard not less than one hundred (100) feet from the high-water line, or thirty-five (35) feet from the street line, provided, however, the front or water-front yards of said buildings shall not be less than the average depth of the front or water-front yards of existing buildings. In case of a corner lot, no accessory building shall project beyond the front yard of either street.

2. Side Yards—Every building including all accessory buildings hereafter erected or altered shall have a side yard on each side thereof which shall be not less than ten (10) feet in width.

3. Rear Yards—Every lot on which a dwelling or main building is hereafter erected or altered, shall have a rear yard of not less than thirty-five (35) feet in depth.

Section 8.06—Off-Street Parking
Off-street or highway parking facilities shall be provided for as specified in section 3.09 of this Ordinance.

Section 8.07—Livestock
No livestock other than common household pets shall be housed or maintained on any premises in this district.

ARTICLE IX AG-1 AGRICULTURAL DISTRICT

Section 9.01—Uses Permitted
No building or part thereof shall be erected, altered or used or land used, in whole or in part for other than one or more of the following uses:

1. Farms, including both general and specialized farming, commercial estates, and similar agricultural enterprises, but not including premises operated for the disposal of sewage, rubbish, garbage or offal, or for rendering plants.
2. Farm dwellings, farm buildings and structures including roadside stands.
3. One-family detached dwellings other than farm dwellings.
4. Home occupations.
5. Churches, schools, parks, cemeteries, picnic grounds, playgrounds, golf courses and similar facilities for outdoor recreation and exercise, community and organizational buildings, nurseries, greenhouses, airports, landing fields, hospitals, riding stables, livestock auction yards, mines, quarries and gravel pits provided, however, that the location, erection and use shall first have been approved by the Zoning Board after public notice given in a newspaper of general circulation in the township of a statement of the proposed use and location and the time of a hearing. It shall appear that the proposed location, erection or use is healthful, safety or general welfare, or to the character of the neighborhood wherein it is proposed to locate such use, then such use shall be permitted.
6. Accessory uses, buildings and structures customarily incidental to any of the above permitted uses.
7. Carnivals, outdoor circuses and similar migratory amusement enterprises subject to Board of Appeals.

Section 9.02—Size of Land Areas
Every land area in District AG-1 upon which a dwelling is to be erected, altered or moved shall have a minimum area of not less than one (1) acre, with not less than ten (10) rods in width providing it fronts on a public highway or street.

Section 9.03—Yard Requirements
1. Front Yards—Every parcel of land upon which a dwelling is to be erected, altered or moved shall have a front yard not less than fifty (50) feet measured from the nearest highway or street right-of-way boundary.

2. Side Yards—Dwellings hereinafter erected or altered shall have two (2) side yards each of which shall not be less than twenty-five (25) feet.

3. Rear Yards—Dwellings, same as in Section 5.03 (3).

Section 9.04—Building Area
Dwellings shall conform to area as in section 5.06 of this Ordinance.

Section 9.05—Signs - "Billboards"
Signs will not be permitted in District AG-1 except under a Temporary Permit from the Board of Appeals which may be denied on issued upon the filing of an application accompanied by a suitable agreement or bond.

ARTICLE X CM-1 LOCAL RETAIL BUSINESS DISTRICT

Section 10.01—Uses Permitted
No building or part thereof shall be erected, altered, or used, or land used, in whole or in part, for other than one or more of the following uses:

1. All uses permitted in all residential districts.
2. Retail stores.
3. Restaurants and similar food serving establishments.
4. Personal services establishments such as barber shops and beauty parlors.
5. Gasoline service stations.
6. Storage garages.
7. Salesrooms and repair shops for automotive vehicles, home and farm equipment.
8. In-door theaters, bowling alleys, and similar facilities for recreation.
9. Pick-up shops for laundry and dry cleaning.
10. Newspaper and magazine distributing stations.
11. Signs or other advertising display of a size not exceeding twenty (20) square feet for each lot when pertaining to the sale, rental or use of the premises on which the sign is located.
12. Large signs for general advertising shall not be permitted except upon the approval of the Board of Appeals.
13. Accessory uses, buildings and structures customarily incidental to any of the above permitted uses.

Section 10.02—Limitations on Uses
No building or land shall be used wherein the operation of any machinery or the conduct of any process or activity, or the storage or display of merchandise be such as to create a nuisance or to be offensive by reason of the emission of smoke, odor, fumes, dust, waste, or vibration.

Section 10.03—Residence Requirements For Dwellings
A building used exclusively as a dwelling shall comply with the requirements as to height, lot area, yards, and floor space as in the residential district abutting on said CM District at the nearest distance from said lot.

Section 10.04—Yard Requirements For Commercial Buildings
Every building hereafter erected, other than dwellings, shall have a front yard of not less than twenty-five (25) feet in depth.

1. Front Yards of Commercial Buildings—Every lot or partial lot shall have a front yard of not less than twenty-five (25) feet in depth and to be considered as the distance from the highway right-of-way line to the nearest point of the front exterior wall.

2. Side Yards of Commercial Buildings—Side yards shall not be required along interior lot lines except on that side of a lot abutting upon a lot used for dwelling purposes in which case such yard shall be not less than four (4) feet.

3. Rear Yards of Commercial Buildings—No rear yards shall be required except where the commercial zone abuts on the residential zone in which case there shall be a rear yard of not less than fifteen (15) feet.

Section 10.05—Height of Commercial Buildings
No building shall hereafter be erected or altered which exceeds thirty-five (35) feet.

Section 10.06—Size of Commercial Buildings
In CM Districts no commercial building shall hereafter be erected or altered having a first floor area of less than four hundred and eighty (480) square feet.

Section 10.07—Off-Street Parking or Highway Parking
Off-street or highway parking facilities shall be provided as specified in section 3.09 of this Ordinance.

ARTICLE XI REC-1 RECREATIONAL AREAS DISTRICT

Section 11.01—Uses Permitted
No building or part thereof shall be erected, altered, or used, or land used, in whole or in part for other than one or more of the following uses:

1. All uses permitted in RU-1, RU-2, RF-1 and AG-1 Districts, subject to all conditions imposed thereon.
2. Any non-commercial recreational use, or under the ownership, sponsorship or direction of a public body, school, agency, while such use must first be approved by the Board of Appeals.

ARTICLE XII IND-1 INDUSTRIAL DISTRICT

Section 12.01—Uses Permitted
No building or part thereof shall be erected, altered or used, or land used in whole or in part for other than one or more of the following uses:

1. All uses permitted in RU-1, RU-2, RF-1, AG-1 and CM-1, subject to all conditions imposed thereon.
2. Any industrial use except those prohibited by the provisions of Article XIII of this Ordinance, provided, however, such industrial use shall first have been approved by the Zoning Board after public notice given in newspaper of general circulation in the township of a statement of the proposed use and location and the time of the public hearing thereon at least ten (10) days before such hearing date. If, on such hearing, it shall appear that the proposed location, erection or use be detrimental to the public health, safety or general welfare, or to the character of the neighborhood wherein it is proposed to locate such use, then such use shall be denied.

ARTICLE XIII PROHIBITED USES

Section 13.01—Prohibited Uses
All the following uses are prohibited in all Districts:

1. Incinerators in plants designed and constructed to accomplish reduction.
2. Commercial slaughterhouses.
3. Piggeries or hog farms operated for the disposal of garbage, offal and the by-products of slaughterhouses.
4. Yards for storage and salvage of junk, waste materials, machinery, used building materials or automobiles and trucks.
5. Drive-in Theaters.
6. Publicly or privately owned dumps and/or garbage reduction plants.
7. Taverns.
8. Cement, lime and plaster manufacturing and processing.
9. Chemical manufacture or processing.
10. Explosive manufacture, storage or processing.
11. Any business or industry likely to cause odor, dust, fumes, gas, excessive noise or vibration, which shall make it obnoxious to the public interest.
12. Farms or businesses for the commercial production of fur-bearing animals.
13. Boat livery or businesses which have to do with renting of boats or water crafts for fishing or any other purpose.
14. No structure shall be erected or placed within fifty (50) feet of the lateral line of the right-of-way of intersecting highways on corner lots.
15. Trailer Park.

ARTICLE XIV ADMINISTRATION

Section 14.01—Zoning Administrators
The provisions of this Ordinance shall be administered by the Zoning Inspector, who shall be appointed by the Township Board of Lima Township, for such term and subject to such conditions as such rate of compensation as said Board shall determine and the duty of the enforcement thereof shall rest with such administrative officials or officials as shall be authorized therein by law. The administrative officials shall for the purposes of this Ordinance have the power of police officers.

Section 14.02—Record of Non-Conforming Uses
A. Immediately following the effective date of this Ordinance, the Zoning Board of the Township shall make a record of all instances of uses of buildings, structures, premises and land which, on the effective date of this Ordinance, are in violation of the regulations of the Districts in which said properties are situated, such record to contain the name and address of the owner or the owners of such non-conforming uses, and of any other occupant than the owner. Such record shall constitute prima facie evidence of the extent and number of non-conforming uses existing at the time this Ordinance became effective, and shall be on file in the office of the Township Clerk.

Section 14.03—Building Permits and Certification of Occupancy
A. Except as otherwise provided in this Ordinance, it shall be unlawful to build or use or permit the building or the use of any structure or part thereof hereafter created, erected, altered, or moved upon a premises from another premises in whole or in part, or to change or enlarge the use of any building, or

part thereof, until a Zoning Permit, in accordance with the provisions of this Ordinance shall have been issued by the Zoning Inspector. If such structure is to be used as a dwelling a County Building Permit must also be issued concurrently in accordance with the provisions of the Washtenaw County Building Code for Dwellings. One or both permits must be obtained before any work of excavation or construction is begun.

B. A Certificate of Occupancy shall be applied for coincident with the application for a Zoning and/or Building Permit.

C. Before any permit shall be issued under this Ordinance an inspection fee shall be paid in an amount determined by a schedule as established by the Lima Township Board.

ARTICLE XV BOARD OF APPEALS

Section 15.01
In accordance with Section 18, Act 184, Public Acts of Michigan, 1943, as amended, there shall be a Board of Appeals on Zoning and Building Permits.

The Board shall comply with all provisions and requirements as set forth in said Section.

Section 15.02—Jurisdiction
The Board of Appeals may, in specific cases and subject to appropriate conditions and safeguards, determine and vary the application of the regulations herein established in harmony with their general purpose and intent, as follows:

A. To permit the structures or uses requiring the approval of the Board of Appeals under the provisions of this Ordinance, provided, that in addition to the application for any such permit there shall be filed with the Board of Appeals the written consent thereto of the owners of all other parcels which are located in their entirety, within a distance of three hundred (300) feet from any part of the premises involved in the application, in the case of other platted parcels, and in the case of other unplatted parcels there shall be filed with the Board of Appeals the written consent of the owners of all other parcels within a distance of three hundred (300) feet from any part of the premises involved in the application. In the event the applicant for any such permit shall be unable to secure and file the written consent of a majority of the owners of all other parcels or land, as aforesaid, then any such applicant shall file with the Board of Appeals the names and present addresses of all owners of the aforesaid other parcels and upon the filing thereof the Board of Appeals shall set a date for a public hearing on the application. The Board of Appeals shall cause a legal notice of the time, place, date and purpose of the hearing to be given at least five (5) days before the date set for the hearing on the application concerned, and to be given by mail to all aforesaid owners. The Board of Appeals shall adopt rules of procedure which shall govern the conduct of all such public hearings.

B. The Board of Appeals of this Ordinance in such a way as to carry out the intent and purpose of the plan, as shown upon the Zoning Map fixing the several zoning districts. Said map is on file with the Township Supervisor and Township Clerk.

C. In those cases where a district boundary line divides a lot of record, the Board of Appeals shall have power to permit the extension of a use permitted on the less restricted portion of such a lot to that portion of said lot which lies in the more restricted district, provided, that such extension shall be made for a distance of not to exceed fifty (50) feet beyond the district boundary line in any case.

D. Permit variation in the use and location of buildings on any lot abutting a different zoning district, provided, that the use of location shall not have an undesirable effect upon the more restricted district and provided, further, that the requirements cannot be less than fifty (50) per cent of the requirements for the more restricted district, and provided, further, that the variation shall not extend more than fifty (50) feet into the more restricted district.

E. Permit in any district the keeping of fowl or rabbits for the use and consumption of the occupants of the premises provided, that in any district restricted against such a use under this Ordinance, such a permit shall be granted only after the holding a public hearing on the application therefor as prescribed in paragraph A. of this Section. Any person making application for such a use shall file with his application the names and addresses of the owners of all parcels of land any part of which lies within three hundred (300) feet of any part of the premises to be so used. The Board of Appeals shall give legal notice of all such hearings to all such owners in the manner as prescribed in paragraph A. of this Section. The Board of Appeals may require in granting such a permit, that the fowl or rabbits, shall be so housed, fenced, or otherwise kept that their use will not constitute a nuisance.

F. To permit variations in the requirements for other courts in dwellings, and to permit such variations or modification of yard, lot area, percentage of lot coverage, or requirements of this Ordinance as may be necessary to secure an appropriate improvement of a parcel of land which was of such size, shape or dimension, or which has such peculiar or exceptional geographical, or topographical conditions, that it cannot be appropriately improved without such variation or modification, provided, that the purpose and spirit of this Ordinance shall be observed, public safety secured, and substantial justice done.

G. Permit the erection and use of a building, or an addition, to an existing building, of a public service corporation to be used for public utility purposes, in any permitted district to a greater height or of larger area than the district requirements herein established, and permit the location in any use district of a public utility building, structure, or use, provided the Board of Appeals shall find such use, height, area, building or structure reasonably necessary for the public convenience and service, and provided, further, that such building, structure, or use is designed, erected and landscaped to conform harmoniously with the general architecture and plan of such district.

H. Permit the erection of a building to its full height or use, as originally planned, when foundations and structural members are designed to carry such buildings higher.

I. Permit a carnival, outdoor circus or migratory amusement enterprise in an AG-1 District, provided, that attached to the application for a permit shall be a letter of consent from the owners of the property to be used for such purposes; also an affidavit that such location is a minimum distance of fifteen hundred (1,500) feet from any existing residential building and a minimum distance of one hundred (100) feet from the street or highway right-of-way.

J. In order to avoid cases of unusual hardship, and to avoid injustice in undeveloped or partially developed areas, the Board of Appeals shall have authority to permit a ten (10) per cent deviation in the requirements for floor space as follows:

1. In the case of a vacant lot or other building plot where the existing uses on the adjoining lots on both sides are below the minimum requirements set forth in this Ordinance, such deviation may be permitted for a residence building erected on said vacant lot; provided, however, no such deviation shall be permitted where a building is erected on a vacant lot or building plot between two lots or parcels already built upon by houses which fully conform to the requirements of floor space as set forth herein for the district concerned.

Where there are practical difficulties or unnecessary hardships in complying strictly with the provisions of this Ordinance, the Board of Appeals may in specific cases, adjust any such condition in harmony with the general purpose and intent of this Ordinance so that the public health, safety and general welfare may be secured and substantial justice done.

He utility purposes, in any permitted district to a greater height or of larger area than the district requirements herein established, and permit the location in any use district of a public utility building, structure, or use, provided the Board of Appeals shall find such use, height, area, building or structure reasonably necessary for the public convenience and service, and provided, further, that such building, structure, or use is designed, erected and landscaped to conform harmoniously with the general architecture and plan of such district.

I. Permit the erection of a building to its full height or use, as originally planned, when foundations and structural members are designed to carry such buildings higher.

J. In order to avoid cases of unusual hardship, and to avoid injustice in undeveloped or partially developed areas, the Board of Appeals shall have authority to permit a ten (10) per cent deviation in the requirements for floor space as follows:

1. In the case of a vacant lot or other building plot where the existing uses on the adjoining lots on both sides are below the minimum requirements set forth in this Ordinance, such deviation may be permitted for a residence building erected on said vacant lot; provided, however, no such deviation shall be permitted where a building is erected on a vacant lot or building plot between two lots or parcels already built upon by houses which fully conform to the requirements of floor space as set forth herein for the district concerned.

Where there are practical difficulties or unnecessary hardships in complying strictly with the provisions of this Ordinance, the Board of Appeals may in specific cases, adjust any such condition in harmony with the general purpose and intent of this Ordinance so that the public health, safety and general welfare may be secured and substantial justice done.

ARTICLE XVI AMENDMENTS, VALIDITY AND PENALTY

Section 16.01—Amendments
The Township Board may from time to time amend, supplement, or change the regulations and boundaries of districts or provisions of this Ordinance in the manner prescribed by Act 184 of Public Acts of Michigan for 1943, amended.

Section 16.02—Validity
This Ordinance and the various parts, sections, and sub-sections, phrases, and clauses thereof, are hereby declared to be severable. If any part, sentence, paragraph, section, sub-section, phrase or clause is adjudged unconstitutional or invalid, it is hereby provided that the remainder of the Ordinance shall not be affected thereby. The Township Board hereby declares that it would have passed this Ordinance, and each section, sub-section, phrase, sentence and clause thereof irrespective of the fact that any one or more sections, sub-sections, phrases, sentences or clauses be declared invalid.

Section 16.03—Penalties
Any building or structure which is erected, constructed, reconstructed, altered, converted, maintained or used, or any use of land or premise which is begun, maintained, or changed in violation of any provision of this Ordinance, and is hereby declared to be a nuisance per se. Any person, firm or corporation or the agent in charge of such building or land who violates, disobeys, omits, neglects or refuses, to comply with, or resists the enforcement of any provision of the Ordinance, or any amendment thereof, shall be fined upon conviction not less than one dollar (\$1.00), nor more than one hundred dollars (\$100.00), together with the costs of prosecution, or shall be punished by imprisonment in the county jail for not less than one (1) day nor more than ninety (90) days for each offense or may be fined and imprisoned as provided herein. Each and every day during which any illegal erection, construction, reconstruction, alteration, maintenance or use continues shall be deemed a separate offense. The Township Board, the Township Zoning Inspector, the Board of Appeals, the Attorney of the Township or any owner or owners of real estate within the district in which such building, structure or land is situated may institute an injunction, mandamus, abatement or any other appropriate action or actions, proceeding or proceedings to prevent, enjoin, abate, or remove any said unlawful erection, construction, maintenance, alteration, reconstruction, or use the rights and remedies provided herein are cumulative and in addition to all other remedies provided by law.

The foregoing ordinance was adopted by the Township Board of Lima Township, Washtenaw County, Michigan, on an adjourned session of a regular meeting held Aug. 26, 1938, and ordered published in The Chelsea Standard, a newspaper having general circulation in said Township, as required by Act 181 of Public Acts of the State of Michigan for the year 1938, as amended.

Club and Social Activities

HELPING HAND SOCIETY

Members of the Helping Hand Society held a picnic on Tuesday of last week at the Dexter farm home of Mrs. E. J. Smith.

Among those present were Mrs. Gertrude Hammond of Owosso, who is spending some time with her sister, Miss Lillian Foster.

WASHTENAW COUNTY FARM BUREAU PICNIC

Between four and five hundred people attended the Washtenaw county Farm Bureau picnic at Dexter-Huron Metropolitan park Saturday.

Following the pot-luck dinner there were games for the children in charge of Mrs. William Donham, of Dexter, Mrs. Walter Wolfgang, of Chelsea, and Frances McCalla, of Whitmore Lake.

Adult entertainment included horseshoe, pitching and baseball, while the principal event of the day was the distribution of the prizes contributed by merchants and implement and feed dealers of the county.

MISCELLANEOUS SHOWER

Mrs. Roy Bradley of Ann Arbor, entertained at a miscellaneous shower Thursday evening in honor of Kathleen Eschelbach, whose marriage to Claude Arnett is to take place in St. Paul's church Sept. 19. The party was held at the home of Mrs. Bradley's parents, Mr. and Mrs. Herbert Schenk.

Forty-four relatives and friends attended the affair and Miss Eschelbach received many lovely gifts.

Progressive games were played during the evening with the honor guest and her mother, Mrs. Walter Eschelbach, receiving the prizes.

As a memento of the occasion each guest gave Miss Eschelbach a favorite recipe for her recipe file.

BUSY BEAVERS 4-H CLUB

Mrs. George Liebeck took her five rabbit and poultry members to see some chinchillas near Chelsea recently.

Mr. and Mrs. Norman Mollenkopf and Mr. and Mrs. Martin Hannebold took part in the conservation aerial tour recently.

Some of the members attended the work bee at the fairgrounds Saturday.

—Carli Hannebold, reporter.

Tuesday-evening callers at the home of Edwin Beutler were Bruce Beutler of Ypsilanti, and his grandparents, Mr. and Mrs. Walter Beutler.

FOE AUXILIARY

Eight members of the Royal Oak Foe Auxiliary attended the "hobo" party given by the Chelsea Foe Auxiliary at Pierce park on Thursday of the past week. The affair was pronounced a grand success by Chelsea Foe Auxiliary officers.

25th ANNIVERSARY

Mr. and Mrs. George E. Atkinson were entertained at their home, 307 Cavanaugh Lake, on their 25th wedding anniversary, Sunday, Aug. 30. The party, which was a surprise to them, was arranged by their daughter and her husband, Mr. and Mrs. Cecil Cobb, and their son, David Atkinson.

Gladioli and asters were used as decorations for the affair and a three-tiered wedding cake, topped with a miniature bride and bridegroom ornament used on their wedding cake 25 years ago, centered the refreshment table. The couple received many lovely gifts.

The 41 guests present were from Detroit, Highland Park, Dexter, North Lake, Stockbridge, Grand Rapids, Jackson, Cavanaugh Lake, and Chelsea.

VFW AUXILIARY

Eighteen members and guests attended a pot-luck supper at the home of Mrs. W. G. Price-Monday evening, the committee in charge being Mrs. Price, Mrs. Thelma Franklin, Mrs. Estella Light and Mrs. Anna Dvorak.

"White elephant" games were the evening's entertainment.

During a short business meeting plans were discussed for members to make uniforms according to patterns arranged for by the National Auxiliary. Ten of the members announced their decision to make such uniforms of a cotton and orlon material in the required beige color.

The Auxiliary accepted the offer of the Ann Arbor group for initiating any new Chelsea candidates in October.

Final plans were also discussed for the District Rally to be held Sept. 20 at Camp Norcom with the local organization as hosts.

The next regular business meeting is scheduled for Sept. 21 and will be the inspection meeting.

Mrs. Thelma Franklin was awarded the door prize at Monday's meeting.

Mrs. Bert White returned home Saturday after spending a week at the home of her daughter, Mrs. John Clark and family, in Romulus.

Mrs. Wallace Franklin, Jr.

Ypsilanti Girl,
Pvt. Wallace Franklin
Speak Nuptial Vows

Louise Alicia Schoolmaster, daughter of Mr. and Mrs. Wesley Schoolmaster, of Ypsilanti, and Pvt. Wallace H. Franklin, Jr., of Fort Leonard Wood, Mo., were married in the First Methodist church, in Ypsilanti, at 2 o'clock Saturday, Aug. 22. Rev. Foster Hoff officiated at the double-ring service.

The bridegroom is a son of Mr. and Mrs. W. H. Franklin, of Cavanaugh Lake.

Chantilly lace and nylon tulle over satin fashioned the bride's gown which featured a tiny, flared train, a high collar and a full skirt of lace which reached the hemline of the tulle skirt. Her veil, in fingertip-length, was of French illusion and was held in place with a lace Juliet cap embroidered with sequins and seed pearls. Pearl earrings and a matching pearl necklace, together with her bouquet of white chrysanthemums and roses, completed her ensemble.

Jane Ann Fairbanks, of Ypsilanti, was maid of honor and Mrs. William Koselka, of Ann Arbor, was a bridesmaid. Both wore gowns of ruffled nylon-hat in waltz-length, and wore matching stoles.

Miss Fairbanks was in yellow and Mrs. Koselka in pale green. They carried bouquets of orange and yellow chrysanthemums and wore matching headresses.

Bruce Franklin, who attends military school at Sweetwater, Tenn., was his brother's best man, and William Koselka of Ann Arbor, and Theodore Betts were the ushers.

A reception was held at the home of the bride's parents. Friends of the bride assisted at the reception.

For going away the bride wore a navy blue dress with red trim and white accessories and a corsage of white roses from her bouquet. After a week's trip through the midwest states, the bride will make her home with her parents while he returns to Fort Leonard Wood. She is employed at the King-Seely Corporation office in Ypsilanti.

The bride and bridegroom were both students at the University of Michigan. Pvt. Franklin plans to complete his studies in dentistry after his discharge from the Army.

For the wedding the bride's mother wore a blue grey silk dress with white accessories, while the bridegroom's mother wore a navy suit. She also chose white accessories, and both mothers wore corsages of yellow gladioli and red rosebuds.

HONORED AT SHOWER

Leona Hatt and Earl Kuhl, who are to be married Sept. 12, were honored at a neighborhood shower given Thursday evening at the home of Mr. and Mrs. Everett Van Riper, and their daughter, Nancy. There were 45 guests present.

Prizes won in the games played during the evening were presented to the honored couple and they also received many lovely gifts.

Mary Ann Gage
Becomes Bride of
Donald Labo Saturday

Mary Ann Gage, daughter of Mr. and Mrs. Elba Gage, became the bride of Donald R. Labo of Flint, in a candlelight service in the Congregational church at 7 o'clock Saturday evening. Rev. Thomas Toy officiated at the double-ring ceremony in the presence of 150 guests.

Star-flowers, white gladioli and palms were used to form the setting for the bridal party before the altar.

Before the ceremony Paul Niehaus sang "I'll Love You Always" and at the close, "The Lord's Prayer." The organist was Mrs. Lawrence Wacker.

Rose-patterned Chantilly lace and tulle fashioned the bride's gown designed with a low, scalloped neckline on the short-sleeved, princess-style bodice. The full, chapel-length skirt featured a panned hipline. A face-framing, half-hat pointed at the sides and edged with pearl-trimmed satin, held her fingertip-length veil of illusion. She wore long lace mitts and completed her ensemble with a cascade bouquet of white roses, stephanotis and green and white ivy.

Her necklace and matching earrings of Japanese pearls were a gift from the bridegroom when he was enroute home after serving with the army in Korea.

Mrs. Donald Eder, the former Loretta Lindauer, was matron of honor, wearing for the occasion a floor-length gown of white frosted organza over yellow taffeta. The organza was threaded with a design of lilacs of the valley. A headpiece of yellow pompons matched those in the colonial bouquet of yellow roses and pompons she carried.

Arla Bovee of Lowell, a cousin of the bride and daughter of Mr. and Mrs. Glendon Bovee, was the flower girl and Edward Gage, son of Mr. and Mrs. H. G. Gage, and a nephew of the bride, was the ringbearer. A niece of the bride, Patricia Gage, daughter of Mr. and Mrs. Walter Gage, lighted the altar and window candles. The flower girl wore a floor-length dress of blue nylon, while Patricia wore sheer pink.

Robert Rider of Flint, was best man and James Gibbs of Flint, and Donald Eder acted as the groom's attendant.

For the wedding the bride's mother wore a pink lace dress with navy accessories, while the bridegroom's mother wore navy crepe with navy accessories. Both wore corsages of white carnations.

A reception was held in the church parlors after the ceremony. Assisting were the bride's sisters-in-law, Mrs. H. G. Gage and Mrs. Walter Gage, who served the punch; Irene Jurczak, a former Kalamazoo roommate of the bride, who cut the cake, and was assisted by the bride's cousin, Mary Wilcox, of Saginaw; and Mrs. Louis Jackowski of Ann Arbor, and Doris Downer, former classmates of the bride, who poured.

Mary Jane Jarvis of Kalamazoo, was in charge of the guest book at the reception.

When the couple left for a wedding trip to points in Canada, the bride was wearing a dress of sheer aqua and black print with white

Mr. and Mrs. Donald Labo

accessories, and a corsage taken from her bridal bouquet.

Mr. and Mrs. Labo will make their home in Flint after Sept. 8.

A 1949 graduate of Chelsea High school and a 1951 graduate of Western Michigan College, the bride had been living in Kalamazoo where she was employed in the offices of the Upjohn company.

The bridegroom, a son of Mr. and Mrs. Raymond W. Labo of Flint, graduated in 1947 from Flint Central High school. He received his discharge from the army after two years' service, in 1952. He is employed by General Motors Corp. in Flint.

Following the rehearsal Friday evening, members of the wedding party and relatives here to attend the wedding, were entertained at a buffet supper at the home of the bride's parents.

DESSERT BRIDGE CLUB
Mrs. L. T. Freeman entertained the Dessert Bridge club at her home Monday afternoon.

FAMILY REUNION
Mr. and Mrs. Clarence J. Fleming and their daughters and families attended a family reunion at Cass-Benton park, Northville, on Sunday, 72 people being present. Oldest in attendance was an uncle, Sam Butts, of Dayton, Ohio, while the youngest was "Skippy" Farrell of Dearborn, a grandson of the Flemings.

DEATHS

Mrs. Bertha Notten

Mrs. Bertha Notten, who had been a patient at the Colonial Manor Convalescent Home since May 21, 1953, died there Friday afternoon. She was a life-long resident of Sylvan township and had lived at the present home, 189 East Summit street, since 1931.

Mrs. Notten was a member of the Western Washtenaw Farmers club; North Sylvan Grange, Salem Grove Methodist church, and the Women's Society for Christian Service.

Born Aug. 13, 1871, on the Kalmbach homestead on Kalmbach road, Sylvan township, she was a daughter of Adam and Caroline Brosamle Kalmbach.

Jan. 3, 1902, she was married to Fred W. Notten and they made their home on the Notten farm on Notten road until his retirement in 1941. Mr. Notten died Dec. 30, 1948.

Survivors of Mrs. Notten are a daughter, Mrs. Lloyd Heydlauff, two sisters, Mrs. Mary Herzog, of Chelsea, and Miss Ricks Kalmbach on the old homestead; two grandchildren, Marlene and George Heydlauff; and several nieces and nephews.

The body was at the Burghardt Funeral Home until Monday noon when it was taken to Salem Grove church where funeral services were held at 2 o'clock.

In the absence of Rev. Hans Keitner, who was away on vacation, Rev. S. D. Kinde of the Chelsea Methodist church, officiated.

sea Methodist church, officiated. Burial was in Salem Grove cemetery.

Mrs. Bessie Cook

Mr. and Mrs. Charles Cameron were in Alden to attend the funeral of Mr. Cameron's sister, Mrs. Bessie Cook, who died Sunday following an extended illness. Funeral services were held in the Alden Methodist church.

Mrs. Cook is survived by her husband, Harry T. Cook, Antrim county prosecutor, a son, Harry T. Jr., and two daughters, Endi and Cameron.

Miss Blanche Stephens

Miss Blanche Stephens, 68 years old, who died at Kalamazoo on Tuesday of last week, was brought here for burial in Oak Grove cemetery Friday morning.

She was a daughter of Chauncey and Bertha Keyes Stephens and lived in Chelsea during her girlhood. She left here 40 years ago and made her home in Jackson until her health failed and she went to Kalamazoo to live with relatives.

She is survived by a sister, Mrs. John Weimaster, the former Mildred Stephens, and her family.

David J. Rossbach

David J. Rossbach, of 3333 Oakwood street, Ann Arbor, a Chelsea resident from 1929 until 1940, died Monday at St. Joseph's Mercy hospital. He had been ill at his home the past month and was taken to the hospital when he became suddenly worse on Monday.

Funeral services are being held at 9:30 a.m. today (Thursday) in St. Francis church, Ann Arbor, with Rev. Fr. Leon Kennedy officiating. Burial is to be in St. Thomas cemetery, Ann Arbor.

Born in South Dakota, Sept. 28, 1878, he was a son of Albert and Elizabeth Rossbach.

Survivors of Mr. Rossbach are his wife, Rose, a daughter, Mrs. Earl Altman, of Pittsfield Village; three sons, Albert, of Ann Arbor, and Wayne and Robert, of East Ann Arbor; a brother, Earl Rossbach, of Sioux City, Ia.; two sisters, Mrs. Johannah Schoonover, of Idaho, and Mrs. C. A. Hamilton, of South Dakota; and three grandchildren.

Local FFA Members

Return Friday from 1,114 Mile Tour by Bus

Lloyd Grau, president of the Chelsea High school FFA chapter, Edson Whitaker, vice-president, Norman Feldkamp, last year's treasurer, Duane Satterthwaite, newly-elected treasurer, Walter Beuerle, Ronald and Darrell Satterthwaite and Larry Chapman all agreed that the high point of the FFA tour taken by 15 local boys last week was the visit to the Curtis Candy Farms, at Cary, Ill.

Norman Feldkamp said, however, that while it is a wonderful sight to see, it is so much beyond the average farmer's income that there is little chance for anyone in average circumstances to attain such perfection. Norman liked the whole trip and especially liked the dolls in Wisconsin, which he said was "a swell trip and a wonderful opportunity to see how others do things." He said he hoped a trip could be planned again for next year and that it would be possible to make it a longer one.

Lloyd Grau, who is taking part in dairy judging at the State 4-H Show this week, was much interested in seeing the dairy cattle at the Curtis farm and said the trip is of exceptional educational value, he believes.

Edson Whitaker said he was impressed with the whole trip and would like to see it done every year. He said the group learned something of value at every place they stopped.

Walter Beuerle said the whole trip was enjoyable and especially liked the dolls in Wisconsin, which he said was "a swell trip and a wonderful opportunity to see how others do things." He said he hoped a trip could be planned again for next year and that it would be possible to make it a longer one.

Norman Feldkamp said, however, that while it is a wonderful sight to see, it is so much beyond the average farmer's income that there is little chance for anyone in average circumstances to attain such perfection. Norman liked the whole trip and especially liked the dolls in Wisconsin, which he said was "a swell trip and a wonderful opportunity to see how others do things." He said he hoped a trip could be planned again for next year and that it would be possible to make it a longer one.

Public Library Offers Annual Lecture Series Plus Adult Art Course

Arrangements have been completed by the Chelsea Public Library for the eighth annual lecture series which it sponsors. The series begins Tuesday, Oct. 6.

Dr. Henry J. Gomberg, assistant director of the Michigan Memorial Phoenix project and research associate on the project, "Biological Effects of Irradiation," for the Atomic Energy Commission at the University of Michigan, is scheduled as the speaker at that first lecture of the series. He will speak on "Atomic Energy."

Nov. 8, Prof. William Haber will present a lecture on the topic: "Labor Relations"; Dec. 1, Prof. John Hall will speak, his topic to be "Japan, Meeting of the East and West"; and Jan. 5, the fourth and last lecture of the series, will be on the subject, "Literature, Censorship and the Public Morals."

The lecture series is one of two adult education programs sponsored by the Chelsea Public Library.

The other project is an art course which was given for the first time last year. The art course begins Tuesday evenings for eight weeks. Registrations for both courses may be made at the Chelsea Public Library.

Professor Cassara will begin the art course with preliminary talks on color, composition and techniques of water and oil painting. All materials for the course will be brought to the first meeting Oct. 5, when they may be procured by members of the class.

CHLSEA PUBLIC LIBRARY

NEW BOOKS

"THE EAGLE AND THE WIND"

Is another compelling novel of the American Revolution. The treachery, war, murder, and love are combined by author Herbert B. Stover into a story all will enjoy.
