Second Win

Over Milan in  
Past Five Years**

Friday evening, Oct. 16, Chelsea defeated Ypsilanti 31-0 on the local athletic field.

Chelsea won the toss and decided to receive. In the first quarter, Don Proctor returned a punt 40 yards to Roosevelt's four, and then crashed over to score. The extra point attempt failed.

Near the end of the first quarter, End Phil Bareis blocked a punt on the Ypsi. 30 to set up Chelsea's second score. The quarter ended with the Bulldogs threatening to score from the 16.

To start the second quarter, Bob Berke smashed up the middle for 12 yards. On the next play, Proctor ran around left end to score. Again the extra point attempt failed.

The third TD resulted from an 81-yard drive in 15 plays, with Buerle, Elkins and Downer opening huge holes for Bob Berke and Don Proctor. The scoring play was a pass from Bud Ringe to Phil Bareis from the five.

The half ended with Chelsea leading, 18-0.

Early in the third period Bob Keizer covered a fumble, but Chelsea was unable to move and was forced to punt. Later in the third quarter, Chelsea took possession of the ball on Ypsi's 45 and marched to score in six plays. The last play of the drive was a 22-yard pass from Don Proctor to Bud Ringe. The extra point attempt failed again.

The final score came in the fourth period. With passes bringing the ball in close, Bud Ringe scored from the one on a quarterback sneak. The extra point was good on a pass from Ringe to Bareis and the final score read Chelsea 31, Roosevelt, 0.

The Bulldogs picked up 180 yards on the ground and an additional 105 in the air. They completed 7 of 14 passes.

The defensive line, made up of Bob Keizer, Duane Satterthwaite, Dave Elkins, Walt Buerle, Phil Bareis and Bob Berke, backed by linebacker Ted Nixon, played its outstanding game of the year.

Jim Hough also turned in a fine game until he twisted his ankle in the final quarter.

The Bulldogs reserves did a fine job also; as Lloyd Gray and Jim Speer replaced injured starters.

Ron Satterthwaite and Gary Packard saw no action as both were sidelined with injuries. Packard should be ready by Friday.

Friday, Oct. 23, the Bulldogs travel to Milan to play the "Big Red" at 7:30. It has been five years since a Chelsea victory over Milan has gone into the record books, and this is the year for a change so a thrilling game is in prospect.

The Chelsea High school band will make the trip and will perform between halves.

Visitors Saturday afternoon at the home of Mr. and Mrs. Stanley Kosinski were General Dwight Beach of Fort Campbell, Ky., and his brother, David Beach, General Beach, and General Kosinski served together in Battery B, 15th Field Artillery, in San Antonio, Texas, in 1934. General Beach was in Chelsea for a week-end visit with his wife, Mrs. D. E. Beach.

There are economic as well as morale values to the local control aspect of the Guard. Col. Herbert F. Layle, Quartermaster General for Michigan, uses cost of rationing as an outstanding example. "The regular army spends \$110 per day, per man," he claims. "But during the Flint disaster, we were able to supply rations of equal quality for 70c per man and pay prevailing local prices."

Serious need exists, say Guard officials, for more armories. At present there are 30 state-owned buildings and 27 armories under rental.

Purposes of the Guard, says the General, are two fold: to be ready for service as a unit in case of national emergency and to aid civil authorities in civil disaster.

"We have an obligation," he states, "to all members—but particularly young men in the 17-35 age group." The General was referring to present draft law which exempts a man in this range if he has enlisted in a National Guard unit. Such youths are not drafted unless they miss five drill sessions in one year, or are discharged from the Guard for some other reason. "But it is our job to see that these Guardmen receive training of a high caliber so they will be well prepared if they are called to active army duty," General explains.

**Special Sunday  
Services To Mark  
Girl Scout Week**

In observance of Girl Scout Week, Brownies and Girl Scouts will attend services in a body Sunday at the Methodist church and Rev. S. D. Kinke will mark the occasion with an appropriate sermon related to the special occasion.

It is expected that approximately 50 girls will be present with their leaders, Mrs. Willard Pearson, Mrs. Julius Blaess and Mrs. Edna Worden, for the Brownies, and Mrs. J. V. Fisher, Mrs. Glen Haas, Mrs. David Longworth, Mrs. Lawton Steger, Fayetta Wacker and Mrs. John Jenkins for the Girl Scouts.

Mrs. Russell Bernath, president of the Chelsea Girl Scout Association, and other Association officers will also be present.

Girl Scout Week is observed each year during the week of the birthday of the founder of the Girl Scouts, Juliette Low. Her birthday occurs Oct. 31.

In many communities the week is observed by planning activities for each day. During that week Girl Scouts make a special effort to show the community what they are doing.

Locally, attending church in a body is the only activity planned for the observance of Girl Scout Week.

**Two Conservation  
Officers Injured  
in Auto Crash**

Conservation Officer Don Boyer and Darrell Kniss, predator animal control officers for this district, received cuts, bruises and chest injuries when their car was involved in a collision with a loaded milk truck on Sylvan road near Wingate road Tuesday morning.

The conservation officers were on their way to investigate a hunting violation when the accident occurred at 9 a.m. Tuesday.

According to a sheriff's deputy's report the milk truck, headed east, was on the left side of the road as it rounded a curve and the left front of the truck hit the left side of the Boyer car.

Later the same morning, two Ann Arbor youths suffered face and head injuries when their car, reportedly traveling at a high rate of speed on Bleeker road, turned over after striking a rise in the road, landing in the ditch.

The injured youths are Walter Behnke, 18, the driver, and James Yahr, 17.

The Bulldogs reserves did a fine job also; as Lloyd Gray and Jim Speer replaced injured starters.

Ron Satterthwaite and Gary Packard saw no action as both were sidelined with injuries. Packard should be ready by Friday.

**SELLS BLACKSMITH SHOP**—After 70 years as a blacksmith in Chelsea, Henry Schumacher has arranged to sell the shop on Park street to the Village. The top photo shows Mr. Schumacher reminiscing over old times as he prepares to observe his 85th birthday Sunday, Oct. 25. The lower photo shows the shop on a busy Monday morning 41 years ago with several farmers waiting to have shoes fitted on their horses.

**Henry Schumacher Closing Shop  
After 70 Years as Local Smithy**

Henry Schumacher will be 85 years old on Sunday, Oct. 25, and in observance of the occasion he is looking forward to a visit from his son, Earle E. Schumacher, of Maplewood, N. J. His daughters, Dorothy and Doris, teachers in the Minneapolis, Minn., schools, had a pre-birthday dinner for him before he returned here three weeks ago after spending the summer with them.

Mr. Schumacher, who was a blacksmith here since he was 15 years old, is averaging 40 years on Park street to the village.

He told village officials some time ago that when he decided to sell the shop he would give the village first refusal to buy it. The property adjoins the municipal parking lot.

The building has been at the same location for 64 years. It first been located, more than 20 years ago at the northeast corner of South Main and Van Hook streets, beside the home of parents, Mr. and Mrs. Jacob Lunnicher. His sister, Miss Minnie Schumacher, still lives in the family home there.

After a few years the building was moved across the road to the location now occupied by Hank's gas station. It was moved to the present location on Mr. Schumacher's twenty-first birthday and he and his father were in business there until the father's death more than 40 years ago. He continued the business himself and was active in the work until he was almost 80 years old. Even after that he worked at his forge, making andirons, door knockers and other articles as gifts for his friends and relatives and doing occasional repair jobs.

Horse-shoeing was the chief business carried on at the shop years until the automobile and mechanical farming equipment made horses practically obsolete. However, he did shoe a horse there about a year ago.

While the shop was located on

South Main street it once figured in an attempted bank robbery. The would-be robbers broke into the blacksmith shop to obtain tools with which they thought to gain entrance to the old Glazier Bank. They were frightened away from the bank, according to the story, and stole a team of horses from a stable behind what is now the McLaughlin home on Main street. The team was used to make their successful get-away.

Mr. Schumacher has always made his home here. For a number of years he has spent the winters in Florida and part of each summer with his daughters in Minnesota. While in Chelsea he rooms at the McKine house. His wife, the former Louise Wacker, died when the children were young.

He was born on East Summit street in the home since rebuilt and now owned by Roland Spaulding.

Exceptionally well-read, Mr. Schumacher is extremely interested in world events as well as local happenings.

His son, Earle, is chief metallurgist with the Bell Laboratories of the American Telephone and Telephone Co. in New York. Two years ago he was sent to Europe for a series of lectures in universities in England, France, Switzerland and other countries.

In recalling early days of his career as a blacksmith, Mr. Schumacher said he and his father were paid 15 cents per shoe for refitting and nailing or \$1.25 per set of four new horseshoes. Later they were paid 20 cents a shoe for refitting and \$2 per set of four new shoes. It amuses him to relate how much grumbling there was from his customers when the price was raised.

For the present, little change will be noted because of the sale of the property as Mr. Schumacher will be permitted to retain possession at least until next spring when he returns from Florida. He

will be leaving later this month or in November for his annual trip south.

Mr. Schumacher is believed to be the last blacksmith shop to operate in Washtenaw county.

**Grade Building Plan  
Will Be Decided at  
Election Next Week****Sharply Increasing  
Enrollment Forces  
Action by Board**

Regarding the proposed new elementary school issue to be submitted for approval of electors of the Chelsea Agricultural Schools school district next Thursday, Oct. 29, members of the Board of Education and Superintendent Charles S. Cameron joined in making the following statement: "Your school board, after considered deliberation and expert advice, feels that the need for the approval of the \$198,000 bond issue is imperative. They see, as alternatives, half-day school sessions or holding school in church basements, public halls and like accommodations. Your board is certain that when the following facts are known and understood, this approval will be granted on Oct. 29."

Their statement continues: "One of the first duties of a Board of Education is to keep the school patrons informed about the conditions of the schools. The crowded condition of the elementary school together with the increase in normal birth rate has had the serious consideration of the board for some time. After careful study the Board of Education decided that the best solution to the local problem is to build a new elementary school on a new site."

Future plans of the Board include the acquiring of a site and the erection of a high school building. The present enrollment in the elementary grades including the parochial pupils in St. Mary's

Officials Are Guests  
of Kiwanis Club**

Chelsea Fire department officials were guests of the Kiwanis club at Monday's meeting in recognition of the department's service to the community. Those present included Fire Chief Ted Balmer, Assistant Chief Kenneth Schanz, Lieutenant Fred Harris, Captain George Atkinson, and Secretary Treasurer James G. Galt.

They were introduced by Don Alber, program chairman.

According to department reports firemen made 66 runs outside the village and 23 in Chelsea during the year.

A Conservation department film, "Fighting Forest Fires in Michigan," was shown, depicting how forest fires are discovered and how men are organized into a coordinated fire-fighting unit. Pictures and charts were combined in illustrating the methods used.

Other guests at the meeting were Leon Agan of Dexter, and Luther Kusterer.

Charles Lancaster was appointed chairman of the nominating committee to secure candidates for officers for 1954. Others on the committee are Dr. P. E. Sharrard and Paul Schable.

Eight Kiwanians planned to attend the International inter-club meeting at Chatham, Ont., Tuesday evening, it was announced, and approximately 11 Kiwanians and their wives expect to attend the Oct. 29 birthday party of the Dexter Kiwanis club.

Halloween parade prizes were announced and it was decided that judging of costumes will take place at the start of the parade. Starting time is 6:45 p.m. at Chelsea High school.

There are to be five classes of prizes, listed as follows: costumes; spookiest; most original; funniest; and most typical of Halloween.

Each of the five classes of prizes will be awarded \$5 for first place; \$2 for second place; and \$1 for third place.

Malcolm Bruce, general chairman of the Halloween party, is to name a committee to investigate the possibility of promoting a store window picture contest for school students. The contest would call for water color paintings on the window glass and prizes would be provided.

school is 655. The bulk of this enrollment will not reach the high school until 1959-1960. At that time the issue for the present elementary school will be practically paid off and the millage on the proposed issue in the election Oct. 29 would be very small.

This condition would permit the board to submit to the electors an issue for a high school building at that time. At the bonding capacity of the district is limited to 10% of the county equalized valuation, to insure reasonable interest rates, the board could not at this time bond for enough money to erect a high school building. However, a building and site issue of three to five mills for a period of five years for the purpose of acquiring a high school site and erecting a high school building in the future, will be submitted to the electors in the near future. Then in 1959-60 a sum of money would have been accumulated to begin a high school facility.

There are two propositions to be voted upon on Oct. 29. The first proposition is to raise the millage and the second proposition is to borrow a sum of \$198,000 and issue bonds therefore. To vote on Proposition I a voter must be a citizen of the United States; above the age of 21 years and have resided in the state of Michigan six months and in the school district 30 days preceding the election. To vote on Proposition II a voter must have the above qualifications and in addition must have property assessed for taxes within the school district or be the lawful husband or wife of a qualified voter of the district having property so assessed. Both propositions must be approved by the electors before the school may be erected.

At the present time the elementary enrollment is 546. Because of the large enrollment (102) in the first grade, four sections were established, two of these meet in regular classrooms, one meets in the kitchen and one in the all-purpose room. The second grade is divided into three sections, because of the large enrollment (76); two of these sections meet in regular rooms and the third section in the all-purpose room. Two sections therefore meet simultaneously in the all-purpose room.

Because of the use of the all-purpose room for classes, the children have no room for play activity indoors when the weather is bad. Also, it is necessary for the children to eat lunch in the corridors on tables that must be put up each noon and taken down after lunch and stored in the halls.

The library which was housed in the kitchen has been moved to the principal's office and the principal has moved into the secretary's office. The instrumental classes formerly met in the all-purpose room, but are now meeting in the health clinic. The elementary band must wait until classes are over in the all-purpose room at 3:00 p.m. before the band may rehearse.

At the present time three sections are without regular classrooms and the pre-school census indicates there will be more sections without regular classrooms unless facilities are provided before Sept. 1, 1954, it has been pointed out. The census figures of May, 1953, show 101 children four years old; 95 three years old; 115 two years old; 105 one year old; and 100 under 1 year.

The facilities planned by the school board to adequately provide for the present elementary children and the pre-school children is an eight-room school, comparable in construction to the present elementary school; plus all-purpose room, office, serving kitchen and storage to be built on the Holmes property on McKinley street north of the N.Y.C. railroad tracks.

This McKinley street site was selected because of its central location, accessibility, lowest price of sites considered, and to eliminate the danger of crossing the railroad tracks.

To acquire this site and erect this building the district would have to bond for \$198,000. With the assessed valuation of the district being more than \$6,000,000, the tax levy required spread over a 20-year period, would average one and one-half mills per thousand dollars of assessed valuation each year. At this rate the issue would cost the average taxpayer approximately a penny a day over a period of 20 years. No more than the \$198,000 could be raised for the issue and when the amount had been raised the issue would terminate.

The School Board unanimously urges all qualified electors to vote next Thursday "to relieve the conditions described and to prevent holding part-time school sessions or hold school in inadequate facilities."

The election will be held in the high school gymnasium from 10 a.m. until 8 p.m. Thursday, Oct. 29.

Members of the School Board are Dr. J. V. Elsher, William G. Kolb, Earl Beeman, Dorr Whitaker and Howard Flintoff.

**SPEED TEST TRACK**—The perfectly engineered curve begins to take shape at the Chrysler Engineering Grounds, about two miles south of Chelsea, where construction crews are preparing the smoothest automobile test track in the world. At the custom-paved curves of the 4.7-mile oval, the angle on the parabolic six-lane road rises from two to 35 degrees. Hand-paving is required to insure the closest accuracy. Chrysler engineers expect to run experimental cars on the track this fall. In addition to the oval, the Proving Grounds will boast a 10.5-mile endurance course and two acceleration straightaways.

## Food Firm Reports Ad Volume Increase

Newspaper advertising has come a long way since the turn of the century. Above, a 1953-model miss, Joni Gamble, admires a typical Kroger advertisement of more than 50 years ago. Then, B. H. Kroger, founder of the retail food company, used a small block of space in a Cincinnati newspaper to tell customers about his "fine coffee, teas, and spices." Today, in contrast, the company's 71st fall sales event, now in progress, will be backed by nearly 20 million lines of newspaper advertising in the 7,000 issues surrounding pretty Joni. In case you're wondering, all those ads at once would fill a super-size 10,000-page newspaper. A regular user of newspaper advertising for more than 50 years, Kroger spent approximately six million dollars for newspaper advertising last year, according to William J. Sanning, advertising manager.

**SECOND EVANGELICAL  
UNITED BRETHREN CHURCH**  
(Waterloo)  
Rev. G. P. Peck, Pastor

**BUSY BEAVERS 4-H CLUB**  
The regular meeting was held Saturday evening at the home of Betty Mollenkopf. The following new officers were elected: Marilyn Liebeck, president; Maryann Musolf, vice-president; David Cpos, secretary; Carol Hannewald, treasurer; Barbara Mollenkopf, reporter; Robert Hannewald, recreation leader; Maryann Musolf, Vivian Liberski and Robert Hannewald, special events committee.

It was decided to have a theatre party. Clarice Cook, Robert Hannewald, Marilyn Liebeck, Karl Musolf, Maryann Musolf, Janice Walz and Carol Hannewald had perfect attendance for the year.

Several members attended the county roller-skating party Thursday evening in Jackson.

The reporter's scrapbook was turned in Oct. 10.

George Liebeck was elected to the Board of Directors of the County 4-H Leader's Association and Mrs. Arthur Cook was elected secretary.

**THIRD GRADE BROWNIES**  
The third grade Brownie troop met in the kindergarten Thursday and elected officers as follows: Patsy Mepans, president; Dorothy DeFant, vice-president; Sandy Sharrard, secretary; Mary Alban, treasurer.

Leaders are Mrs. Willard Pearson and Mrs. Julius Blaess.

The group went on a hike and gathered leaves and waxed them. Refreshments were served by Patty Carter and Christine Fisher.

## Fox Hounds Lost Near Island Lake by Wayne Sportsman

A Walker fox hound, in an exhausted condition, was found on the Spencer Boyce farm Monday morning and was returned to its out-of-town owner that afternoon because of the fact that it was wearing an identification tag giving the owner's name.

J. O. Byrd of Wayne, had been in the vicinity of Island Lake Sunday with two dogs for training runs and they wandered away, he said. The other dog had not been recovered yesterday.

When Boyce found the dog a telephone call was made to the Wayne address and the owner and his 85-year-old father came out that afternoon to pick him up.

**3. ALWAYS LOOKING AHEAD.** New York Central 4-H Clubs. Also, it constantly seeks better ways to transport food. Ideas like the new, adjustable-deck livestock cars and super-low-temperature refrigerator cars now rolling on the Water Level Route.

**2. OPEN DOOR TO WORLD MARKETS.** Central tracks handling 88% of U.S. Atlantic trade. And in recent years, New York Central has invested millions to improve its shipside facilities that include up-to-the-minute food-handling equipment.

**4. IT'S A TWO-WAY JOB.** In any weather, the year around, Central's great new locomotive fleet not only hauls food to market, it also speeds supplies and equipment to the farms. ### Grass Lake Girl, Pvt. Dale Lindemann Married Saturday

Claudia Pitts, daughter of Mr. and Mrs. Arlen L. Pitts of Grass Lake, and Pvt. Dale Lindemann, of Fort Knox, Ky., were married Saturday evening at the home of the officiating clergyman, Rev. Forrest Cook, at Grass Lake. Only the immediate families of the couple were present.

Pvt. Lindemann is the son of Mr. and Mrs. Reuben Lindemann of Dexter Town Hall road, Dexter.

The couple's attendants were the bridegroom's cousin, Neil Beach, and the bride's sister, Mrs. Wayne Clark, of Grass Lake.

Following the ceremony, additional relatives joined the families and the bridal party for a gathering at the home of the bride's parents at 1878 Craft road, Grass Lake.

The couple left for a week-end wedding trip before Pvt. Lindemann left Sunday to return to Fort Knox. Mrs. Lindemann, for the present, will live with her parents.

For the wedding, the bride wore a white ballerina-length gown fashioned with a lace bodice having a Peter Pan collar. The full skirt was of net over taffeta. A crown-shaped headpiece held her shoulder-length veil and she carried white roses on a white ribbon.

Mrs. Clark, in sheer pink over taffeta, wore a corsage of white roses.

Mothers of the couple were in blue and wore corsages of pink roses.

The bride graduated from Grass Lake High school and is now employed at the Clark Equipment company in Jackson.

Pvt. Lindemann, following his graduation from Dexter High school, farmed with his father before he entered the armed services. He recently completed basic training with the Third Armored Division at Fort Knox and is now enrolled in the leadership training school for an eight-week course.

## DEATHS

## Mrs. Herbert Schaefer

Mrs. Herbert G. Schaefer, the former Irma Ruth Brueckner, died at University hospital, Ann Arbor, Friday night after undergoing surgery there. Mrs. Schaefer had been flown home from India in September, 1952, for surgery at Johns Hopkins hospital, in Baltimore, Md., and had been living with her family at Rogers Corners the past year.

She and her husband, Rev. Herbert Schaefer, had been in India as missionaries of the American Lutheran Church since 1947 and were planning to return after Christmas. Their two children, Eileen and Diane, were born in India.

A daughter of Rev. M. W. and Martha Buehler-Brueckner, Mrs. Schaefer was born here July 9, 1927, and graduated from Chelsea High school with the class of 1944. She attended Capital University, in Columbus, Ohio, and on May 30, 1946, was married to Rev. Schaefer at Zion Lutheran church, Rogers Corners.

Survivors, in addition to her husband and two children, are her parents; two sisters, Esther, wife of Rev. James Hunter of St. Clair, and Johanna, now Mrs. Robert Warren, of Temperance; and three brothers, Rev. Bruno Brueckner, of Capac, Moritz Brueckner, of Detroit, and Rev. Theodore Brueckner, of Saginaw.

The body was at the Staffan Funeral Home until Monday noon and lay in state at Zion Lutheran church until the funeral service at 2:30 p.m.

Rev. W. E. Sund, pastor of St. Paul's Lutheran church, Dearborn, and vice-chairman of the Board of Foreign Missions of the American Lutheran Church, officiated. Burial followed in the church cemetery.

Mrs. Robert E. Gillette and sons, Kurt and Greg, of Muskegon, spent from Monday until Wednesday at the home of her parents, Mr. and Mrs. Otto Lucht.

## Safety Campaign Urges Protection for Pedestrians

Chief George W. Doe today announced the opening of a statewide traffic safety campaign aimed at reducing accidents to pedestrians. "Our community is cooperating with the State Safety Commission on this important program to protect the underdog in traffic, the pedestrian," the Chief said.

The pedestrian protection educational program is launched this time of year because increasing hours of darkness make it much harder for motorists to see pedestrians. "The official safety slogan for October and November, to be used on posters, leaflets, newspaper and radio programs is 'Darkness Hides Walkers—Slow Down.' This gets at the heart of the problem, the pedestrian is hard to see and he doesn't know it."

The Chief stated that the police department of Chelsea will give special attention to motorists who commit traffic violations near pedestrians.

Commenting on the unequal battle between the man on foot and the man behind the wheel the Chief said, "It takes very little speed to kill a pedestrian, even 10 miles per hour can be fatal. Once a car bumper hits a pedestrian at knee level and his head hits the pavement, a fatal accident is very likely."

"The responsibility of retaining a driver's license requires a motorist to always slow down when approaching a pedestrian and to be especially on the lookout for pedestrians at night," the Chief concluded.

## MICHIGAN MIRROR

(Continued from page one)

Developing local interest is a principle aim of Guard officers in state headquarters. They consider their office one to give advice or support when requested. They are anxious to leave as much of the administration of each unit as possible to people in each community. And they emphasize that they are glad to work with anyone from areas interested in organizing new units or improving those already in existence.

## Former Francisco Area Farmer Killed by Enraged Bull

Earl McConnell, a former Francisco area resident, was gored and trampled to death by a bull on his farm, west of Jackson, on Tuesday evening of last week. He was found dead by members of his family who went in search of him when he failed to return to the house from his evening chores.

The McConnell family lived near Francisco until about eight years ago when they moved to the present home.

Mr. McConnell was 47 years old, having been born Nov. 27, 1905, in Montcalm county.

Funeral services were held Friday afternoon at the Wetherby Funeral Home, Jackson, with Rev. P. H. Grabowski, of St. Paul's church, here, officiating. Burial was in Woodland cemetery, Jackson.

Mr. McConnell is survived by his widow; two daughters, Mrs.

Robert Tyler, of Jackson, and Carolyn, at home; his mother, Mrs. Ida McConnell, also of Jackson; a sister, Mrs. Loyal Brown, of Michigan Center; and a brother, Leland McConnell, of Jackson.

Mr. and Mrs. George Thompson and daughters, Janice and Georgia, of Tiffin, Ohio, were Sunday guests at the home of Mr. and Mrs. Gottlieb Bollinger.
