Community Chest
Plans at Luncheon

The Woman's Club of Chelsea, in its promotion of plans for possible formation of a Community Chest program in this community, is having a luncheon meeting in the Congregational church at 12 o'clock Tuesday noon, Dec. 1.

Representatives of factories, businesses and the Chelsea Agricultural Schools Board of Education have been extended an invitation to be present. Also invited to attend are representatives of the Child Study club, the Chamber of Commerce and the Kiwanis club.

The 20 people expected to be present form a cross-section of people of the entire community and it is believed their opinions of the proposed project will give an indication of the feelings of the people they represent.

A Community Chest program would combine various drives for funds which now are undertaken on an individual basis. Each community decides the fund drives to be included in its individual program.

Mrs. Warren Daniels is the representative of the Woman's Club in charge of the study investigation possibilities for formation of a local Community Chest organization.

Grade PTA Buys
New Movie Screen
for Classroom Use

There were 72 members and guests present Wednesday evening of last week to hear Dr. Helen McCall Tewe of the University of Michigan Extension Service, give an enlightening lecture on the topic, "Discipline or Obedience." The meeting was held in the elementary school.

During the business session plans were announced to purchase a daylight screen for the school's audio-visual program as well as three record players for the school.

The PTA will also provide candy canes for Santa Claus to deliver to school children for their Christmas room parties.

It was announced that there will be no Elementary PTA meeting in December.

Refreshments were served by Mrs. W. J. Cross and Mrs. Lawrence Riemenschneider.

During American Education Week, Nov. 9 to 14, according to an announcement by Arthur Schmunk, elementary principal, 77 room visits were made on Thursday and Friday of the week in response to invitations which had been sent to parents.

Santa Claus will arrive in Chelsea, in person, at 1:30-Saturday afternoon, according to information from the Chelsea Chamber of Commerce. He is coming in by plane and will land in the vicinity of the athletic field.

Santa Claus will be escorted to the steps of the Chelsea post office by the village fire truck and the school band, and there he will meet boys and girls of the community and talk to them about what they would like for Christmas.

A private mail box, for letters to Santa Claus only, will be set up near the post office and any child who wishes to write to him may "mail" it in this special box, free of charge. No postage is required when letters to Santa Claus are put in the special box (not the regular post office mail box).

Santa Claus will pick up his mail from the special box each Saturday, beginning this week, and he has promised to answer each letter he receives.

His first mail pick-up here will be this coming Saturday, Nov. 28.

Junior Red Cross
To Hold Special
Membership Drive

During the week of Nov. 30, a membership drive will be conducted in local schools to enroll Junior Red Cross members for the coming year.

The Junior Red Cross is entirely separate from the American Red Cross and all money received in the membership drive is used for special projects. The group often assists the Red Cross, if called upon for special services, and has assisted polio fund chairmen by addressing envelopes. The group has also made favors for veterans' hospitals.

Teachers in the elementary school will be in charge of enrolling members in the lower grades.

At the high school, Mrs. Alan Conklin is in charge of registration, with committees from each grade assisting.

Representatives in the high school grades are as follows: Debra Scriber and Charles Slocum, seventh grade; Gloria Brown and Kathy Meester, eighth grade; King Hanna, Olive Reddeman and Barbara Collins, ninth grade; Fayetta Whitaker, Dorothy Gullett and Marie Munden, tenth grade; Jean Young (last year's president), Leila Trinkle and Mary Lou Giddett, eleventh grade; Judy Davison and Cynthia Paul, twelfth grade.

Each student who enrolls in the Junior Red Cross will receive a membership card and button. As soon as the drive is completed a meeting will be held and officers will be elected.

Thanksgiving
IN THE
Old Tradition

LET US approach this Thanksgiving Day in the spirit of the Pilgrim Fathers. Let us enjoy the feast, of course, the family reunions, and the gatherings with friends. But let us not lose sight of the inspiration and true purpose of the occasion, gratefully to give thanks to God for the blessings we have received.

Social Service Group Plans
Christmas Aid for All Needy

Christmas time is almost here, the Social Service committee of Chelsea reminds everyone.

Again, attention is being directed to the less fortunate in the community, those families who, even in this time of plenty, must exist on very meager provisions.

There are children who do not have adequate homes, food and clothing, and there are aged people whose incomes provide but a meager existence. These are conditions caused by the social ills of today; therefore, must be considered a community problem, according to the committee.

"By sharing our gifts with those less fortunate," the committee points out, "we may supply in the lives of some of those affected, the spark for a better future living."

Many people are eager to help and yet are not acquainted with the need. The Social Service committee solicits the cooperation of individual persons, organizations and school officials in obtaining a complete list of families in need.

All cases are checked by the committee and the list thus formed is then used to distribute the gifts adequately and fairly.

Individuals may ask for the opportunity to give gifts or food to one person or an entire family.

Granges Hold
Joint Installation
Wednesday Eve

Officers of Lafayette, North Sylvan and Cavanaugh Lake Granges were installed in a joint ceremony held Wednesday evening in the Salem Grove church basement. Cavanaugh Lake Grange was the host group for the installation meeting.

Approximately 35 members of the three groups attended the ceremony.

A pot-luck lunch was served at the close of the meeting.

New Restaurant
Opens on Main Street

Chelsea has a new restaurant and cafeteria with the opening this week of Powell's Restaurant at 105 North Main street.

Clifton and Alma Powell, a Mr. and Mrs. team, will actively participate in the restaurant, as well as in the catering business they established a year ago. Both cafeteria and table style service are features of Powell's Restaurant.

It is believed that this is the first time cafeteria service has ever been offered in any eating establishment in Chelsea.

Cooperative
School-Job
Plan Okayed

Junior-Senior High School PTA members, faculty and school board members, junior and senior class students and their parents and specially invited business men who attended the PTA meeting Monday night expressed themselves 100 per cent as being interested in getting a cooperative educational program started in the Chelsea school.

A poll was taken by ballot following an explanation of the plan by Arthur Hansen, of the Michigan State Department of Public Instruction, and a panel discussion in the form of a question and answer period.

Acting as members of the panel of business men were Lowell Davison, Julius Blass and Bud Turner, while students who participated as panelists included Sharon Dancer, Joan Merkel and Ralph Owings.

The cooperative educational plan, as proposed, provides for on-the-job training for high school students while they study related subjects in school. The plan is designed as a benefit to prospective employers as well as prospective employees.

There will be no Junior-Senior PTA meeting in December, the next regular meeting being scheduled for Jan. 25, 1954.

Unwritten Laws of the Road

Sponsored by the Chelsea Police Department in cooperation with the State Safety Commission.

No. 3: Don't Hit a Pedestrian When His Back Is Turned

When you start up and turn right on a green signal light watch for a pedestrian who steps off the curb to cross on the same green signal. By starting on the green and keeping within the crosswalk he has the right of way. The more important point is that he has his back to you and can't see you coming.

Certainly he is in your way. Obviously he should turn his head and look left before stepping into traffic. Naturally you would like to have him wait for you to cross first but he is the underdog in the traffic stream. Give him a break. Remember, when you park your car you, too, become a pedestrian.

TROOP 2

Monday, Nov. 23, the troop went to Donna Moore's home for a party. We had some of what we thought people might have if unexpected guests were to drop in. We had peanut butter sandwiches, cocoa, cheese sandwiches, pineapple and pears. Before we ate we played a game about movie and T. stars. We plan to sing at the Convalescent Home some time before Christmas.

Our Heads
in Thanks . . .

Today, in the spirit of the first Thanksgiving, let us give thanks to the Creator for all the blessings we have received . . . both as individuals and as Americans . . . a free people, living without fear in a free country. Like the Pilgrim Fathers, let us humbly acknowledge our debt to Divine Providence for all that we are and may hope to become. bor, and provide a dependable, adequate supply of food and fiber for the consumer," says Clark L. Brody, vice president of the Bureau.

High price supports are hard on the city of a nation," he said. "It presents a difficult ethical problem to farmers when they are paid money for crops that they know are not put to efficient use."

A state speed limit is backed by the Grange. They suggest a 60-mile an hour limit by day; 50 miles after dark. The Bureau, however, is not sure a speed limit will solve the problem. It urges more study.

Support for distributing money from sales tax on a current basis is forthcoming from both groups. This matter is expected to be considered in the next session of the legislature under a bill proposed by Rep. Rollo G. Conlin (R-Lenawee). Under the present system there is a two-year lag between the time sales tax money is collected and the time it is returned to local branches of government.

Township government, now under attack as unfair and inefficient, also gets backing of both groups. "We believe in home rule, but we also realize that we must be willing to do our part to make good government a reality in our local communities," reads a Farm Bureau resolution.

Other subjects advocated by the Grange include: no limits on earnings of people drawing social security benefits; hospital privileges for osteopathic physicians; uniform inter- and intra-state traffic laws.

Grange resolution opposed: voting rights for 18-year-olds; lifetime front and rear license plates; additional fortification of milk which would be a move "to turn it into a patent medicine."

There was approval from the Farm Bureau for improved state grading; uniform Sunday hunting regulations on a regional basis; promotion of the "Ask the Farmer First" campaign for hunters.

Bureau resolutions were against: changes in the state sales tax diversion plan; taxation on a state equalization plan; compulsory social security for farmers; a federal sales tax.

These policies were expressed only after much serious thinking and discussion. The responsibility for them was keenly felt. This is best demonstrated by a few lines in the foreword of the Farm Bureau list of resolutions. They read: "We cannot, as the spokesman for nearly 60,000 Michigan farm

families, afford the luxury of unsound decisions. The prestige and strength of the Farm Bureau requires that our policies be a part of the solution—not part of the problem."

CARD OF THANKS
Carol and Patricia Lawson wish to thank their friends, teachers and classmates for the lovely cards and letters they received during their recent illness.

From where I sit... by Joe Marsh

The Missus Keeps Posted

Ever since our electricity was cut off last year on account of me forgetting to mail in the payment, the Missus has been sort of leery about giving me letters to mail.

At first she'd ask if I mailed them, then double-check my coat pocket at night. She stopped that, and I figured she was convinced I'd learned my lesson.

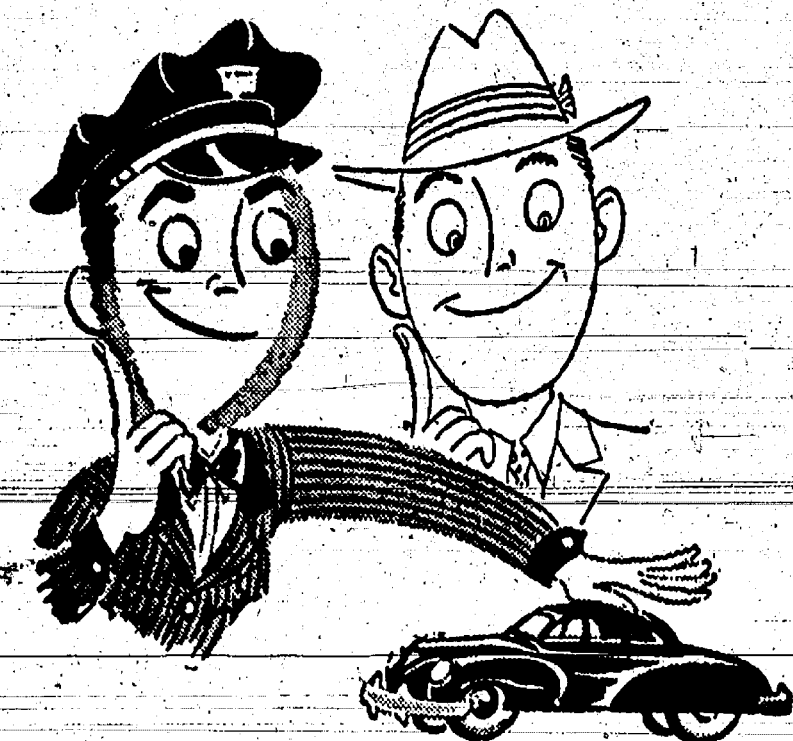

Then yesterday, I got a postcard at the office in a familiar handwriting. I turned it over and by golly it was from the Missus herself! It read: "Thanks, Joe, for mailing my letters." Well!

Looks like she figured I still needed some checking-up and slipped that postcard in the last batch of letters.

From where I sit, an occasional check-up is a good thing. Check-ups on just how tolerant we are of other people's preferences and tastes, for example. I like a glass of beer with supper, you may prefer cider—but if I ever try to switch you to my choice, simply "address" me with a reminder of your rights.

Leitner-Bruns Nuptial Vows Spoken in Jackson

Lydia Elisabeth Leitner, daughter of Rev. and Mrs. Hans Leitner, and Rev. Wilfried Heinrich Bruns, son of Mr. and Mrs. Gustav Bruns of Oldenburg, Germany, were married at 9 o'clock Saturday afternoon in the Francis Street Free Methodist church in Jackson.

The ceremony was performed by the bride's father, pastor of Salem Grove and North Lake Methodist churches, assisted by Rev. R. Cusk, pastor of the Jackson church.

For her wedding the bride was escorted by a white satin-trimmed long train. Chaperon full-length veil was held in place with a wreath of myrtle, grown by the bridegroom's father and flown here from Germany. She carried white roses.

The bride's sister, Waltraud, was her maid of honor, and the bridesmaids were Bonnie Abramson of Coldwater, Joyce Swart of Detroit, and Ruth and Julia Knight, of Imy City.

Miss Abramson and Miss Swart wore light cream-colored gowns of net over taffeta and the remaining three attendants wore pink. All carried red roses.

Men attendants in the wedding party included the bride's brothers, Wolfgang, Joachim and York Leitner, and John Biedefeld, of Spring Arbor College, and Hans-Gert Beckman, of Greenville College, Greenville, Ill.

Michael Lewandowski and two young daughters of Mrs. Colleen Moore assisted as flower bearers and train and veil bearer.

Following the ceremony, a reception was held in the church basement where Mrs. Evelyn Lewandowski acted as hostess.

In accordance with German custom, the family and guests joined in singing the song "Jesus' Geh' Voran," ("Jesus Still Lead On").

Preceding the ceremony, the bride's brother, Wolfgang, had sung "O Perfect Love," accompanied on the organ by Eleanor Connor.

The couple left after the reception for a three-day trip in northern Michigan and, for the present, are making their home with Rev. and Mrs. Leitner.

They plan to enter Seattle Pacific College to complete studies preparing them for missionary work of the Free Methodist Church.

Both the bride and bridegroom attended schools in Germany, the bridegroom later completing two years of study in a Bible school in Switzerland, and the bride two years at Spring Arbor College.

Guests present at the wedding were from Chelsea, Jackson, LaPeer, Imlay City and Coldwater, and from Greenville, Ill.
