Judy Hough Chosen 'Miss Heartbeat' at Cleary College Ball

Judy Hough, daughter of Mr. and Mrs. James Hough, was elected 'Miss Heartbeat' of Cleary College for 1954.

She was one of the five top nominees for the final selection after a spirited two-week campaign had taken place.

Balloting was very close, it was stated, with final selection taking place Wednesday, Jan. 27, and the name of the winner remaining a closely guarded secret until she walked down the aisle to be crowned amid the applause of the crowd Saturday night.

Judy Hough was escorted by Walter Greig, executive vice-president of the college, while Dr. Owen J. Cleary, college president, placed the coveted crown upon her head.

Runners-up in the campaign for the honor were Mary McCord of Ypsilanti, Jean Brown of Ypsilanti, Shirley Heath of Milan, and Lillian Dickinson of Northville.

Dairy Group To Hear Top MSC Speaker

Parsons To Speak at Municipal Building Thursday, March 4

Plans for two of the top dairy meetings of the year for Washtenaw county have been completed recently.

As most dairymen know, Dairy Herd Improvement Association work and Artificial Breeding Association work go hand in hand.

Both are sponsored by the Extension service of Michigan State College.

One of the best speakers available from MSC Extension service will speak at both annual meetings on March 4 and 5.

Those farmers who have heard George E. Parsons speak before will want to hear him again at one or both of these meetings.

On March 4, at Chelsea Municipal building, Parsons will use charts to demonstrate how USDA and HR proofs are made on bulls and how these proofs can be influenced by different factors.

On March 5, at Pittsford Grange Hall, Parsons will show colored slides taken during his trip to Europe in 1950.

These pictures, pertaining to German agriculture, have been shown in other parts of the state but never in this area.

All farmers who saw A. C. Baltzer's pictures on dairying in northwestern Europe will want to see these.

These are both open meetings and anyone who keeps dairy cattle should plan to attend, according to local spokesmen.

If there are enough applications for DHIA work sent in to Don Johnson, county agricultural agent, the Washtenaw-Chelsea unit will apply for a second tester.

Applications so far have exceeded the openings but have not been enough for a second tester.

For further information farmers are asked to call Don Johnson at the court house.

BOOM OR BUST—This strange looking equipment moved onto the farm operated by Norman and Loren Hinderer Sunday afternoon.

Sun Oil Company To Start Drilling on Hinderer Farm

By the end of this week, according to present indications, workmen for Sun Oil company will be starting to drill for oil on the Sager road farm of the Hinderer brothers, Norman and Loren.

The farm is known as the old Turn-Bull place.

Equipment began moving in the past week-end and on Monday work was begun on drilling a well to supply the water needed for the project.

The location of the present attempt to locate oil is approximately one mile north of the unsuccessful well drilled on the Edwin Horing farm on Waldo road last fall.

At that time, attempts to locate oil were abandoned after reaching a depth of 3,241 feet.

Since then, producing wells have been brought in on the Charles Curtis farm near Clinton and the Roy LeMasters farm near Salem at the northeast edge of the county, and oil men have renewed their efforts to lease land in all sections of the county.

Both of the successful wells were drilled by W. C. Taggart of Big Rapids.

Kiwanis Club Entertains Local Boy Scout Troop

In observance of Boy Scout week, Chelsea Boy Scouts were guests of the Kiwanis club at the regular weekly dinner meeting in the social center of the Methodist church Monday evening.

With Karl Koengter as program chairman, Probate Judge Jay H. Payne was introduced and spoke briefly on the history of the Boy Scout movement as well as the good work being done by the organization and its many volunteer workers.

Scouts and their leaders had prepared the program which was presented, including talks by Boy Scouts Robert Steger, Loren Keizer, Charles Koengter and James Mahar, and presentation of award pins to Boy Scouts by Dr. E. J. Sutter, acting Scoutmaster.

Alas guests at Monday's meeting were Paul Morley and John Weber, of the Boy Scout organization; Janet and Kathleen, daughter of Chelsea High school seniors; and Edwin Klager of Ann Arbor.

The second issue of "Chelsea Kiwanian," a monthly bulletin of Kiwanian activities, was distributed by James Hough, second vice-president of the club.

The "Voice of America" freedom scroll was circulated for members to sign and several announcements were made as follows: Farmers Night will be held next Monday, Feb. 15, and each Kiwanian is expected to invite three farmers of the community; and there is to be a Kiwanian team in the Band Parents club-sponsored donkey basketball game Feb. 23 and 24 for the benefit of the band uniform fund.

Robert J. Leggett of Battle Creek, driver of one of the cars in the Dec. 5 traffic accident on US-12 in which Thomas E. Bauer and Viola Buku of Chelsea, and John Ragland of Battle Creek, were killed, was brought into Circuit Court in Ann Arbor, on a charge of negligent homicide.

Tuesday, Feb. 3 a not guilty plea was entered for him when he stood mute on the charge.

Thursday, he reportedly changed his plea to "no defense" and was scheduled to hear sentence March 2.

Falling to post \$2,500 bond, he was remanded to the County Jail to await sentence.

Contracts Awarded for Construction of New Grade School

Building Activity Is Scheduled To Begin Within Two Weeks on McKinley Road Site

Construction of the new north elementary school on McKinley road is to begin within two weeks, according to terms of contracts awarded at the Chelsea Board of Education meeting Tuesday evening.

Successful bidder on the general contract was the Gallagher-Schurrer Company, of Pontiac, whose price is \$141,003.

Turner's Electric Service, of Chelsea, with its bid of \$11,750, received the contract for the electrical work and the contract for plumbing, heating and ventilating went to the Wheeler-Blaney Company, of Kalamazoo, for a total of \$41,141.

The total amount of the bids accepted is \$193,694.

Nine bids had been submitted on the general construction and seven each on the electrical and the plumbing, heating and ventilating jobs. This is one more in each of the three classes than the figure announced last week.

Passed at Tuesday's meeting was a resolution to invest part of the \$198,000 voted for the new north elementary school in short term notes. Interest on the notes will help pay the interest on the bond issue, it was pointed out.

Planning for additional elementary facilities started in earnest before the opening of the present school last fall. At that time the school board stated that if the increasing number of children entering school were to have classroom space next fall something needed to be done immediately to provide it.

The new south elementary school completed during the year was already overtaxed for classroom space in the lower grades where three and four sections of each grade were the rule when school opened.

Through study of the situation by the board led members to a decision that a new eight-room school in another location was needed, possible addition to the south elementary school not being considered advisable.

Aug. 24 the board went on record with a resolution to plan for a new elementary school north of the New York Central railroad tracks.

Oct. 16 an option was obtained on the Holmes property on McKinley road, and on Oct. 29 the proposal for a \$198,000 bond issue for a new school was submitted to electors and was approved by a large majority.

Industries and business people of the community had publicly endorsed the school board's plan prior to the election.

Lewis C. Kingscott & Associates of Kalamazoo, is the architectural firm that drew the plans for the new school. The firm also drew the plans for the south elementary school.

At the school board meeting Tuesday announcement was made regarding payments on the bond issue for the south elementary school which was completed this year. According to the announcement, it is anticipated that on April 1 when a \$10,000 payment is due, the board will be able not only to pay the \$10,000 and any interest due, but will also be in a position to call in \$19,000 in bonds.

Basic Questions Answered Regarding Function of Township Zoning Ordinances

"What is zoning, how will it affect me, and why is it needed?" These are questions that come to the forefront when zoning is mentioned.

The legal background for township zoning is covered by Act 184 of the Public Acts of 1943, State of Michigan.

The proposed Sylvan township zoning ordinance has been discussed at an open meeting, has been published in The Chelsea Standard, and now must be voted on.

The township zoning committee believes that a series of newspaper articles, explaining the program and why it is needed, is the best way to present the ordinance to the public.

As a result of this belief, a series of articles will deal with specific questions.

Questions mailed to members of the township zoning committee will be answered in this series.

Let's answer the "why" of zoning first because it provides a base for the zoning program. Our state of Michigan is in what is called the third migration or "live on the land" movement.

Distances today are no longer a factor for a desirable living area. The security of land and a space to break in has brought a great wave of new rural residents. We have all seen the many new homes and new home developments in former rural areas.

Many industrial plants have also moved from the city to follow the movement of their workers. Careful land use based on needs and

Manchester ABA Schedules Meeting for Next Wednesday

The Manchester Artificial Breeders' Association has scheduled a meeting at Manchester High school for Wednesday, Feb. 17 at 8 p.m.

Byron Carpenter, field man from the Michigan State ABA, will be present as principal speaker.

Entertainment features will include slide pictures of the national champion 4-H dairy judging team's trip to Europe last summer, shown by Don Proctor, and other pictures by James Pratt of Manchester.

Refreshments will be served.

The Chelsea ABA meeting is scheduled for March 4.

Girl Scout Cookie Sale Now in Progress

The annual Girl Scout cookie sale is in full swing here this week with neighbors, friends and relatives responding generously to the sale.

According to Mrs. Eugene Fisher, Mrs. William Storey and Mrs. Dudley Holmes, who are in charge of the project, as Girl Scouts need more cookies to sell they pick up new stocks at the home of Mrs. Storey, 521 East street, corner of Washington, or Mrs. Dudley Holmes, 146 East Middle street.

The cookie sale is the only means of raising the work of the Girl Scouts here this year and the girls and their leaders are gratified with results of the sale, to date. The sale will continue until the entire stock of cookies has been sold.

Recreation Council Meeting Scheduled

A meeting of the Chelsea Recreation Council is to be held at Chelsea High school Monday, Feb. 22, at 7 p.m., according to an announcement by Don Aber, president of the group.

The meeting is of utmost importance, he said, and all officers, directors and representatives of organizations should plan to reserve that date so they may be present.

Retailers Division Formed in C. of C.

At the final meeting of the series of Retailers Round Table sessions held Feb. 3, a new organization was formed. The new group has been given the name "Retail Division of the Chelsea Chamber of Commerce."

Officers of the newly-organized group are George Winans, president; Robert Vanderkelen, vice-president; and Jack Merkel, recording secretary.

Meetings will be held the first Wednesday evening of each month at Chelsea High school.

Hospitalized with Burns

Pvt. Elmer L. Scherdt, Jr., stationed at Camp Pickett, Va., since August, 1953, is now confined to the base hospital with severe burns of his left leg from the hip to the ankle. He received the burns when he was building a fire in a barracks stove. Gasoline, which had been spilled on his clothing, ignited as he worked at the fire. It was believed he would be hospitalized approximately five weeks.

Enlisting in the service April 8, 1953, he was first stationed at Fort Knox, Ky. He was home in December for a 14-day furlough.

Pvt. Scherdt is the son of Mr. and Mrs. Elmer Scherdt, of Chelsea-Dexter road.

Mrs. Rose Whitaker is a patient at St. Joseph's Mercy hospital, Ann Arbor.

Mr. and Mrs. Albert Fink and sons of River Junction, spent Saturday afternoon at the home of Mrs. Fink's father, Edwin Beutler. Saturday evening visitors were Mr. and Mrs. Walter Beutler and Sunday afternoon guests were Mr. and Mrs. Alvin Jedede and family, of near Saline.

Rev. S. D. Kinde Is Speaker at New Church Dedication

Rev. S. D. Kinde is spending this week at Iron Mountain where he is participating in dedication activities of Trinity Methodist church which he served as pastor

from 1944 until 1952. The building project planning was begun during Rev. Kinde's pastorate and the \$150,000 church was recently completed. Rev. Kinde will be the principal speaker at the dedication service Sunday morning, Feb. 14, climaxing a full week of dedication activities. Mrs. Kinde is expecting to be

in Iron Mountain for the services Sunday morning. She will be leaving tomorrow with friends from Detroit. During Rev. Kinde's absence, Rev. Grant Wessel of Ypsilanti, will deliver the sermon at the Feb. 14 service here. In keeping with the youth emphasis of the Methodist Church this month, young people of the

church will be in charge of the service. Evelyn Ann Moore, president of the Youth Fellowship, will preside at the service. Others who will participate are Tim Schulze who is to give the invocation; Byron Pearson, who will lead the responsive reading; and Glenn Weir, who will pronounce the MYF benediction.

Women's Guild Committee Plans Nursery Project

Forty-two members were present for the February meeting of the Women's Guild held Friday evening in St. Paul's church hall. A feature of the program presented by Mrs. Lawrence Dietle and Mrs. Fred Seeley, Jr., was a film showing the work of the Evangelical and Reformed Church in Honduras. The program topic was "The Church At Work." Appropriate devotional material was presented by Mrs. Oscar Lindner. A committee composed of Mrs. Carl Mayer, Mrs. Eugene Fisher and Mrs. Louis Burghardt, who were appointed last month to study the possibility of a nursery project for the church reported that interviews with mothers of younger children showed them to be in favor of such a program. With Mrs. Burghardt of the preliminary committee as temporary chairman a group of eight mothers was appointed to plan details of the nursery project. Members of this committee are Mrs. William Blass, Mrs. Lawrence Dietle, Mrs. Theodore Faist, Mrs. David Strieter, Mrs. Richard Schmidt, Mrs. Charles Winans, Mrs. Richard Riemenachneider and Mrs. John Stoffer.

Fire Dept. Meeting Interrupted by Call to Spring Plant

Chelsea firemen undoubtedly set a record for quick response to a fire alarm Monday evening when a call from the Chelsea Spring plant was received while they were holding the regular monthly meeting in the fire hall in the Municipal building.

The call was received at 9:45 p.m. when one of the smokestacks at the plant became overheated. Firemen reached the scene a minute or two after the call was completed. A workman at the plant had barely had time to get on the roof with a fire extinguisher with which he quickly brought the blaze under control.

The firemen returned to their interrupted meeting. Earlier, in line with the department's program of inspecting all industrial plants, the firemen had visited Central Fibre Products plant. After their tour of the plant was completed they were served a buffet lunch.

Jan. 11, firemen had visited the Chelsea Products plant. They also were served refreshments there after their tour of inspection. The visits at the plants and attendance at the regular monthly meetings the past two months was almost 100 per cent.

Local Bandsmen Visit Music Festival

Eugene Shroyer, Chelsea High school band director, took five players of the brass section of the band to Ypsilanti Saturday for a visit to the district solo and ensemble festival. The festival is sponsored by the Michigan School Band and Orchestra Association.

Shroyer said the visit was planned to acquaint the local players with the procedures at the festival in preparation for possible entry of local contestants next year.

The five boys heard cornet, tuba and trombone selections. Chelsea boys in the group who attended the festival are Byron Pearson, Bob Balmer, Carl Riemenachneider, Bill Sorenson, cornet players, and Neil Fahrner, alto horn player.

The Independent Order of Odd Fellows was established in the United States in 1819.

DRIVER TRAINING
With the change in semester classes, many students are wondering how much they will learn of this semester's classes. They might not be familiar enough with the subject to know if it will be of value to them.
Driver training is one subject that every student should have, whether he is taking a college prep course or training for vocational education. The reason for its great importance is that practically every high school student learns to drive a car by his 16th birthday, and, as everyone knows, safe driving is the responsibility of each and every driver.

STUDENT COUNCIL
Plans were approved for a seventh grade dance to be held Feb. 19. Boy and girl discussion assemblies were planned. The following were appointed to look into plans for it: Junior High girls—K. Vogel, chairman; Junior High boys, L. Keizer, chairman; Senior High girls, D. Haist, chairman, J. Doe, secretary; Senior High boys, D. Atkinson, chairman; P. Hoffman, recorder.
Committees for fire prevention and obtaining chaperones were appointed. J. Doe, J. Gilbert and G. Staffan were put on a committee to try to familiarize the students with Student Council activities.

STUDENT COUNCIL REPRESENTATIVES
New Student Council representatives for this semester and the first semester of next year are as follows: Senior, David Atkinson; Junior, Ruth Ann Stapish; Sophomore, Fred Hoffman; Freshman, George Staffan. These students are elected by the class as a whole and will represent their home-room.

PHYSICAL EDUCATION
The girls' physical education classes are beginning a new unit on deck tennis. Other sports to be included during the second semester will be volleyball and bowling.
The boys' physical education classes are currently playing cage ball. Other mid-winter sports will include tumbling and square dancing.

JUNIOR HIGH NEWS
The seventh graders are planning a junior high dance for Feb. 19 from 7:30 until 10 p.m. There will be decorations put up by the chairman, L. Keizer, and his committee.
On Saturday afternoon, Jan. 28, a surprise birthday party was given for Denny Schumm by some of the mothers at his home. The majority of his class attended.
Movies . . .
The speech and civics classes saw a movie on Thomas Jefferson. "Spring Chicken" and "Easy as Pie" were seen by the Home Ec. class.
The civics class saw "Some People Stayed Home." "Our National Government" was seen by the American history and government classes.
The "Rough Riders" of Spanish-American war fame were organized and commanded by Theodore Roosevelt.
The axe was one of the first tools designed by primitive man.

Survey Shows Relation Between Vision and Wages

A detailed survey on vision has shown clearly that there is a direct and tangible relationship between reliable, professional eye care and higher wages and production.
The Huron Valley Society of Optometrists, in revising these findings, has noted that employees in one plant averaged a wage increase of seven dollars a month after proper visual correction.
Management in this same plant earned a five per cent increased return on capital equipment used by these employees.
Conversely, 37 per cent of all spoiled work in a second plant was blamed on inefficient vision, while production jumped 10 per cent and spoilage dropped after a visual program was introduced at a third.
Along with these improvements where proper eye examinations were conducted, employee morale was also sharply increased.
A group of solderers at a fourth plant earned 14 cents an hour more than their fellow employees at piece work, after they had received eye examinations and glasses were prescribed for those employees needing them.
These findings, the Society of Optometrists reports, point to the importance of reliable, professional vision correction from both the standpoint of management and the individual employee.

GIRL SCOUT NEWS

TROOP III
Monday, Feb. 1, Girl Scouts of Troop III held their regular meeting at the Municipal building. Mrs. David Longworth and Mrs. Kenneth Leader held a Court of Honor with the patrol leaders and assistant leaders.
Activities for February, International Friendship Month, were discussed. Mrs. J. V. Fisher reviewed the second class badge requirements with the remaining girls.
After the leaders rejoined their patrols, plans were made for the month. Carol Hoffman was welcomed as a new member. An evaluation was made of the Invitational. The ice-skating party was planned and ice safety was discussed.
Saturday, Feb. 8, 28 girls went to Carol Reith's home on Island Lake for an ice skating party and hot dog roast.
Monday, Feb. 10, 38 girls attended the regular meeting. New members are Mary Jane Meyers, Naudine Meyers, Alice Webb, Barbara Hoffman and Janet Bergman.
World wide, signifying membership in the World Association of Girl Scouts, were distributed. The skating party was evaluated. Mrs. G. Hass discussed with the girls the dance they will do for the Father-Daughter program.
The meeting was adjourned early after which members went to Diane Holmes' home where Girl Scout cookies were distributed.

TROOP I
The fifth meeting of Troop I was called to order Feb. 2 at 7:30 p.m.
The following officers were elected: Janet Bernath, president; Nancy Mayer, vice-president; Helen Lentz, secretary; Loretta Johns, treasurer.
The girls planned what they would do at the birthday of the Girl Scouts.
Girls planned to start work on their child care badges.

Prescription  Pharmacists

Certain Self-Treatment Should Worry You, Too...

Powerful and effective, many new drugs can produce remarkable results. Likewise, much damage can result from improper use or overdose. Dangerous immunities can develop. Permanent injury can be done—even life can be endangered.

For good reason, there are restrictions on the use of penicillin, Chloromycetin, certain sulfa compounds and other drugs without the care and prescription of a physician. When your health requires it, consult your Doctor. He will prescribe these new and potent remedies when he feels they are required.

From where I sit... by Joe Marsh

Wish I'd Said That

You know Miss Perkins. Well, she's been driving her own car around our town for a little more than 30 years.

The other day she had a bit of trouble parking down on Main Street. Didn't quite make it the first try, so she pulled out to start over when a fellow waiting to pass started tooting his horn impatiently.

On the second try she was still having a little difficulty and so this smart aleck hollered, "Lady, do you know how to drive?" "Yes, young man," Miss Perkins answered, "I do. But I don't have time to teach you now."

From where I sit, it's not always easy to have a good answer ready when you need it. But when somebody insists that I vote for his candidate, for instance, or choosetee instead of a temperate glass of beer with dinner, I know the answer. It's all a matter of personal preference... and none of us like "backseat driving" from anybody.

THE 200-hp CENTURY!

SENSATION IN POWER AND PRICE

It's a record-breaker in more ways than one—this spectacular CENTURY.

It's a record-breaker in power-to-weight ratio—with the greatest power-per-pound-figure in all Buick history. It's a record-breaker in horsepower-per-dollar—brings you more power than you get in any other car in America at the price.

And what this phenomenal CENTURY can deliver in thrilling and safer road command is a deep satisfaction. It's there, this CENTURY power, to give you brilliant performance at a modest price...

To give you getaway with immediate response—cruising and hill-climbing with unbelievable ease—and enormous emergency reserve power instantly at hand when you need it.

Why not drop in this week to see, sample and price the tomorrow-styled Buick CENTURY? We believe you will find it the power and price sensation of today's automotive world.

NO OTHER CAR GIVES YOU ALL THIS:

- GREATEST STYLING ADVANCE IN YEARS with completely new bodies across the board; lowered roofline, longer and higher fender sweep, exclusive sweep-year design.
- BIGGEST VENTILATION ADVANCE in Buick interior comforts new, screened intake just below windshield brings in huge quantities of outside air at hood-high level, free of road heat and fumes.
- TWIN-TURBINE DYNALOW • SAFETY POWER STEERING • AUTOMATIC-BOOSTER POWER BRAKES • POWER-POSITIONED 4-WAY FRONT SEAT • POWER-OPERATED RADIO ANTENNA • WIRE WHEELS • EASY-SEE GLASS • ELECTRIC WINDOW LIFTS • DRAFT-FREE AIRCONDITIONER
- HIGHEST VISIBILITY ADVANCE with back-swept windshield that gives 29% more visibility; greater glass area around full 360° arc.
- FINEST MILLION DOLLAR RIDE—from all-coil springing, torque-tube drive, longer wheelbases—and a new front-end geometry that stabilizes "cornering," insures more positive control, more responsive handling.
- HIGHEST VS HORSEPOWERS in Buick history—from advanced vertical-valve V8 engines with up to 8.5 to 1 compression and 300 hp—plus more fuel efficiency from new Power-Head Piston
- PLUS THE WIDEST SELECTION OF MODERN FEATURES—either as standard equipment or extra-cost options.

Telephone Your Club News to GR 9-6661

CHILD STUDY CLUB
The Child Study club met Tuesday evening at the home of Mrs. Glen Hass, with Mrs. William Blaess and Mrs. Luther Kusterer as assisting hostesses.
Christopher recordings on sex instruction, purchased by the club, were the evening's program feature. There were 17 members present.

LAFAYETTE GRANGE
Lafayette Grange met Wednesday evening at the home of Mr. and Mrs. Jack Bradbury. There was an exceptional good attendance. The program included readings as follows: "Agriculture," an original poem by Lydia Lavendar, of Ann Arbor, given by Mrs. Fred Seitz; "Cash Preferred," by Mrs. Louis Grossman; "The Philosopher," by Albert Pletemeter; "Let Me Live On A Farm," by Mrs. Carroll Ordway; and "My Farm," by Harvey Fischer.
The program was concluded with a February quiz and was followed by a social hour and refreshments.

MODERN MOTHERS
Modern Mothers Child Study club met Tuesday evening with Mrs. LaVern Niehaus, Mrs. George West as co-hostesses. There were eleven members present and Mrs. John Morkel, Mrs. Ralph Oesterle and Mrs. Jack Musser were accepted as new members of the group.
The program period was given over to a discussion of the talk given at a previous meeting by Miss Belle McKinney, Washtenaw county health nurse.
Mrs. Lucile Kelly, kindergarten teacher, will be the speaker at the Feb. 23 meeting to be held at the home of Mrs. Philip McGibney. Mrs. Wilbur Werner is to be the co-hostess.

SALEM GROVE WSCS
The Salem Grove Women's Society for Christian Service held the February meeting Wednesday afternoon at the home of Mrs. Chester Nottin. Fifteen members attended.
In the absence of the president, Mrs. Howard Wahl, the meeting was in charge of the vice-president, Mrs. Austin Artz, who also presented the program on the topic, "How The Methodist Church Helps Rural Negroes."
Adding to the interest of the topic were pictures Mrs. Artz had taken while she lived in Georgia when her husband was stationed there with the army some years ago.
The opening devotional service was presented by Mrs. Clarence Lehman.
The hostess served a lunch at the close of the program.
Patterns for aprons and mittens for Korean children were distributed to each member who wished to sew for the world service project.
It was announced that the next meeting, scheduled for March 3, will be held at the home of Mrs. Dillman Wahl at Clear Lake.

MR. AND MRS. CLUB
Ice skating, sledding and hiking provided entertainment at the Methodist Mr. and Mrs. Club meeting held at the home of Mr. and Mrs. Calvin Summers at North Lake Thursday evening. A large campfire on the shore of the lake added to the enjoyment of the outdoor sports. Later games were played and a wicker roast was held at the fireplace in the living room. A pot-luck supper was served in the house, also.
Twenty members of the club were present.
The next meeting will take place March 4 at the elementary school with Mr. and Mrs. William Storey and Mr. and Mrs. Raymond Schaller in charge.

A birthday dinner Sunday at the home of Mr. and Mrs. John Prentice honored the former's brother, Lester Prentice. Guests included Mr. and Mrs. Milton Barber and daughter, Ruth Ann, and Mrs. Laura Barber, of Munith, and Mrs. Grace Kushnau.

St. Paul's Church Get-Together Features Talent Show

Approximately 225 members and friends of St. Paul's church attended the annual get-together held in the church hall Thursday evening, Feb. 4. The gathering included a dinner served at 6:30 p.m. in the basement dining room and a home talent program presented in the upstairs auditorium later.

In charge of the dinner and dining room committees were Mrs. Alfred Lindauer and Mrs. LeRoy Satterthwaite.
With David Strieter presiding as master of ceremonies, the program opened with electric guitar music by Claude Arnett. He also played the accompaniment for group singing and for vocal selections by himself and Howard Flintoft and William Lubann.
Lynn Lipphart played accordion selections and a group of seven boys of St. Paul's Sunday school who are in the brass section of the Chelsea school band, played several selections. Directed by Howard Flintoft, the group included Douglas and Ronald Warren, Danny Mayer, John Mehan, Fritz Wagner, Dennis Schumm and Peter Flintoft.
Linda and Valerie Burghardt, unaccompanied by instrumental music, sang duets; Susan Schroen sang a solo; and the beginners' department of the Sunday school sang several selections.
Other highlights were a humorous courting song presentation, "Kathie My Love," by Mrs. Herbert Paul and Mrs. Martha Weismann, in costume; and a skit, "The Auto Ride," by women of the Ever-Faithful class of the Sunday school.
Program chairmen were David Strieter and Howard Flintoft.

1916 CHS Graduate Wins Degree After 38 Years as Teacher

Mrs. Myrtle Young Bidwell, a 1916 Chelsea High school graduate and a daughter of Mr. and Mrs. Peter Young, received a bachelor of science degree in elementary education from Michigan State Normal College, Ypsilanti, last week.
Mrs. Bidwell has taught in the schools of Jackson county for 38 years, including six years at East Liberty and 17 years at Liberty Mills before going to her present position as fifth grade teacher in the Grass Lake schools in 1947.
Her degree was earned through work in summer sessions and night extension work without taking any time out from her regular school teaching schedule.
Mrs. Bidwell is a sister of Mrs. Inez Rank, who also teaches at Grass Lake.

Slower Speeds, Chains Urged by Police When Icy Roads Prevail

Chelsea Chief of Police George W. Doe yesterday warned local residents to beware of icy spots on pavements if they want to avoid accidents.

"It takes from 3 to 12 times as long to stop on packed snow or glare ice as it does on dry concrete," the chief said.

Regardless of the type of tire a driver uses, he'll have to cut his speed to about 15 miles an hour on glare ice to equal the stopping ability on dry concrete at 50 miles an hour, the chief added. And on kind of tire must be held down to about 28 miles an hour to achieve the same result.

"Even with the help of reinforced tire chains, speeds should be held to no more than 25 miles an hour on glare ice, and 35 miles an hour on hard packed snow to equal stopping ability on dry concrete at 50 miles an hour, the chief said. He gave National Safety Council tests as authority for his figures.

The chief also came up with some helpful advice about the use of tire chains.

"Keep your chains tight," he said. "Snug fitting chains wear substantially longer than chains that are loose on any kind of surface, but particularly over sections of bare pavement.

"It's not the weight of the car or wear that results in premature breaking of chains," he explained, "but the centrifugal force which slaps too loose cross chains against the road surface with great force. This makes them break from impact fatigue."

Chief Doe said the best procedure is to put chains on as snug as possible, drive a short distance—just a few blocks or miles—and then tighten the side chains.

"Many motorists will be surprised to learn they can usually take up one or two links of side chain after driving a short distance," the chief said. "The chains have adjusted themselves to fit the tire after being driven, and this makes tightening easy. Then you are set for several hundred miles and get maximum wear."

Such a practice, he said, will double or even quadruple the life of tire chains.

Even with chains, the chief pointed out, motorists must still reduce speeds for safe winter driving.

Mr. and Mrs. Herbert Howell and children, of Jackson, were Sunday supper guests of Mrs. Howell's mother, Mrs. Fred Seitz.

DEATHS

Vincent Y. Halladay
Funeral services were held at 2 p.m. Thursday, Feb. 4, at the Tate Funeral Home in Hart, for Vincent Young Halladay, who died Tuesday afternoon at his home, 155 Dale street, Grand Rapids, following a long illness. He was the father of Mrs. Lawton Schaeble of Chelsea. Also surviving are another daughter, Mrs. Otis Hogue of Battle Creek; two sons, Elkins and Harvey Halladay, of Hart; and four grandchildren and four great-grandchildren.

Burial was in the cemetery at Hart.

Born Sunday, Feb. 7, at Mercy hospital, Jackson, to Mr. and Mrs. Francis Dalton of Jackson, a daughter, Sharon Ann. Mrs. Dalton is the former Phyllis Hoffman, daughter of Mr. and Mrs. Maurice Hoffman.

Slippery Roads Cited as Factor in Two Collisions

Wednesday, Feb. 3, at 8:40 p.m., a car driven by George A. Bot Jr., of Stockbridge, and a tractor driven by John Prentice were involved in a collision on Leeke road. The left front of the car and one of the tractor wheels were damaged.

The accident occurred at the top of a hill with both headed south and Prentice going north. The road was reportedly slippery.

At 11 a.m. Friday, a car driven by Robert Dalton Smith slid into a parked car owned by Elmore Romine near the corner of North and Fillmore streets. Icy road conditions were reportedly a factor in causing the mishap.

expected to amount to \$19 million. Of this \$3 million automatically goes to counties. Of the remaining \$16 million about \$6 million has already been programmed.

The governor wants to be sure the balance of the \$10 million is matched with federal dollars. Ziegler says he hopes so too.

On that point, all are agreed.

Open board meetings for governing bodies of Michigan State College and University of Michigan would be required by a proposal by Sen. Harold D. Ryan (D, Detroit). A similar measure he sponsored last year died in committee. At present MSC open meetings to accredited newspaper reporters; U. of M. holds closed sessions.
