# LOOKING FORWARD

For over fifty years . . . first as Schenk's and for the past ten years as Glick's, this store has been supplying many of your needs. Your continued patronage has proven that you have liked this store. Now, under new ownership, every effort will be made to serve you well. We shall strive at all times to offer merchandise of unquestionable quality at lowest prices. We aim to make this store the last word in good storekeeping.

# We Believe In Chelsea And Surrounding Area

We firmly believe that Chelsea and surrounding area have a great future in prospect

We firmly believe in the many fine industries that are located here, and feel sure that more are sure to be attracted to this area in the future.

We firmly believe that the many fine farms in this area are bound to prosper because of the fertility of the soil, the capable management and nearness to great markets.

We see great prospects for this area being Southern Michigan's greatest vacationland because of the many fine lakes that are in the near vicinity.

We believe to the extent that we plan a greater store to serve you.

## We Believe We Will Be Very Happy Here in Chelsea With You.

This will be a happy store. We like folks, and we think folks like us. It's fun, day in and day out, to serve good quality goods to people at low prices. To see people smile instead of scowl . . . to be able to say to ourselves, as we close up at night: "Well . . . again today we have added something to the happiness of people."

"The road to happiness lies in two simple principles," so said John Rockefeller, III. "Find out what it is that interests you and that you can do well, and when you find it, put your whole soul into it . . . every bit of energy and ambition and natural ability you have."

For thirty-eight years I have had the pleasure of working at this job of serving people. I look forward to many pleasant years ahead here in Chelsea serving you.
