part-by-part proof...

**Plymouth**

is your "best buy"

In the lowest-price field!

Recently a 1954 Plymouth and current models of the other two best-known low-price cars were taken apart by Plymouth engineers and compared, part by part. Standard "stock" models were used. We've listed some typical findings below.

Plymouth is "best buy" in many ways. Here are just a few!

**Front Wheel Brakes**

Plymouth engineers provide two hydraulic brake cylinders in each front wheel to ensure smooth stops without "grabbing." The other two low-price cars have only one.

**Seat Springs**

Plymouth uses coil seat springs, for longer lasting support. The "other two" have a zigzag platform type. Also, Plymouth's "springs-on-springs" design adds more comfort.

**Piston Rings**

Plymouth has four rings on each piston; the "other two" have three. Result: decreased carbon deposit, more consistent power output. Increased oil economy, too!

**Microscopic Oil Filter**

Standard on most Plymouth models. Keeps abrasive dirt out of the engine, reducing wear, and achieving greater oil economy. Extra cost on the other two low-price cars.

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today... and get the facts!

Ask us for the big illustrated booklet that shows how Plymouth leads in frame construction... engine design... performance... economy... comfort... safety.

Go for a drive in America's "best-buy" low-price car!

## Chelsea Herald of 1873 Recalls Lyndon Murder

Mr. and Mrs. Fred Girard who lived in Detroit for many years and are now making their home at 12190 Jerusalem road, brought two Standard office during the past week. Both were Chelsea Herald, forerunners of the present Chelsea Standard.

One, dated Aug. 14, 1873, was filled with an account of the "murder" of Martin Breitenbach in Lyndon by a party of huckleberry pickers from Delhi whom he had ordered out of his huckleberry marsh. The story, in detail, was carried on page two of the four-page paper.

Mr. Breitenbach was Mrs. Girard's grandfather. She is the former Alice Mullen.

In the same issue was a notation stating that "we are informed Chelsea is going to have a new passenger depot." Passenger trains stopped here at 8:58 a.m. and 3:24 p.m. for eastbound passengers and 9:40 a.m., 4:00 p.m. and 8:30 p.m. for westbound passengers, according to a timetable printed in the paper.

A market report listed hams, 10 cents per pound; shoulders, 6 cents; beef, \$4 per cwt.; hogs, \$3.50 per cwt.; and \$4 dressed; potatoes, 50 cents per bushel; corn, 25 cents per bushel; wheat, \$1.75 per bushel; flour, \$5 per cwt.; and hay, \$14 per ton.

The other paper brought in by Mrs. Girard was dated June 9, 1898, and contained a personal item about herself as follows: "Miss Alice Mullen of Detroit, came to Chelsea on her wheel (bicycle) and visited her parents recently. She returned in the same manner."

## Rebekahs Observe Mothers' Day

Thirty-eight members and guests were present for a Mothers' Day dinner given by Rebekah Lodge in the 100F Hall Tuesday evening. Honored as the oldest mother present was Mrs. P. M. Brosamie. She was presented with a bouquet of flowers.

Also honored were Mrs. Charles Smith, Jr., the youngest mother, and Mrs. Mac Packard, Mrs. Donley Boyer and Mrs. Lambert Mepans, each having four daughters present.

## Mothers Club Plans Pot-Luck Picnic

Eighteen members were present for the May meeting of the North Lake Mothers club, held Monday at the home of Mrs. William Dehn in observance of Mothers' Day. Children of North Lake school presented the group with a box of candy.

A family pot-luck picnic dinner was planned and is to be held at the University Fresh Air Camp at Patterson Lake at 7 p.m., May 24.

Also planned was a picnic at the camp for children of North Lake school on June 9, the last day of school for the present school year.

The September meeting is to take place at the home of Mrs. Chester Bowling at Half Moon Lake.

## GIRL SCOUT NEWS

GIRLS SCOUTS TEA  
Girl Scouts of Troop I held a Mothers' tea Monday at the home of their leader, Mrs. John Jenkins. Judy Wagner welcomed the guests and was also in charge of games. Winning mother and daughter team in the games were Mrs. John Keusch and Ellen.

Norma Larson and Loretta Jahns poured punch at the table centered with a bouquet of tulips surrounded by picnic figurines. Each mother present was given a tiny corsage from her daughter.

## Convertible Granary-Garage Plans Available

Farmers planning to build storage for their grain this year may be interested in this 2,500-bushel grain bin which is convertible to a double car garage. Designed by the Midwest Planning Service, agricultural colleges, plans for this structure are available through the county agricultural agent's office in the basement of the Court House, Ann Arbor.

The structure measures 20 by 20 feet and has 8-foot walls. Openings are left for garage doors, which can be closed to use the

garage space for grain storage. The building is partitioned in 10 by 20-foot bins. Walls are asbestos-cement board over ship-lap sheathing. Roof is corrugated steel over nailing girts. The grain is placed in the bins through gable ends or the roof hatch. Ask the county agricultural agent for Midwest Plan 7222. He also has other grain storage plans which may suit your needs better.

Farmers should request of the County Agent Extension Folder F-184, "Prevent Damage to Stored Wheat."

## INSIDE THE CAPITOL

By Clair L. Taylor  
Supt. of Public Instruction

The United States has exploded two H-bombs. Immediately the world started a shout and clamor which like the bomb itself has reached giant proportions. The public reactions have been the most unfavorable where there is little understanding and in places unfriendly to our country.

At this point we might well ask the question, "What does this have to do with education?" The fact is, this new hydrogen device will place new and added responsibilities upon our schools and colleges. They have the greatest responsibility for the education of children and youth to the full meaning of the bomb. This can be a strong factor in the elimination of fear and panic. A well educated people adjust to changing world conditions more readily.

Schools and colleges can play an important role in national defense by cooperating with civil defense authorities. And, too, education must accept the responsibility for channeling the elements of this destructive device to peace time uses. This is the task facing America's education institutions today.

Whenever we bring forth a new invention, no matter how terrifying, we push out the borders of knowledge. We are all aware that this country would never use the H-bomb for destructive purposes unless driven to it by the Communists. Only our ability to retaliate has held them back.

Through education we can use this device for improving the American way of life and our standard of living.

We are fortunate to have a great leader in this country like President Eisenhower. He has a strong educational background, a deeply religious spirit, and at the same time is a trained and ex-

### TO PARTICIPATE IN EXERCISE "HILL TOP"

Pfc. Earl R. Guenther and Pfc. Alva O. Fouty, who entered the Army in May, 1953, are now stationed at Fort Lewis, Wash., and both are being moved to Yakima, Wash., Firing Center where they are to participate in "Exercise Hill top" with the 44th Infantry Division.

Pfc. Guenther, a son of Mr. and Mrs. Ernest Guenther, is a gunner in Company A, 108th Tank Battalion, at Fort Lewis.

Pfc. Fouty, in the same company, is a tank driver. He is a son of Mr. and Mrs. Veri Fouty of Cavanaugh Lake road. His wife, Velma, is living at Benton Harbor.

### WILL REPORT TO FORT LEE QUARTERMASTER SCHOOL

Pvt. Daniel Maroney arrived home Sunday for a visit with his parents, Mr. and Mrs. Paul C. Maroney. Pvt. Maroney has been stationed at Camp Chaffee, Ark., but has received orders to report to Fort Lee, Va. Quartermaster school.

### PFC. BUDDY JOHNSON UNDERGOES SURGERY

Pfc. Buddy Johnson is a patient at Madigan Army hospital, at Tacoma, Wash., where he underwent surgery Tuesday. He left Chelsea last Thursday after spending a 10-day furlough at the home of his parents, Mr. and Mrs. Ole Johnson. His wife and daughter, Brenda Lee, are making their home here with his parents.

### SPEND FURLOUGH TOGETHER IN KEOTO, JAPAN

Sgt. J. Neil Lentis spent a five-day furlough recently with Walter Zeeb who is now at Keoto, Japan. The two Chelsea men enlisted together in the U S Marines and remained together until they were separated for their second assignment overseas.

## BOY SCOUT NEWS

### TROOP 25

Drills for the Memorial Day parade were held at Monday's meeting. Scouts will attend the Boy Scout Fair in Detroit at the Fairgrounds. Boys wishing to go are to meet at the Municipal building Saturday, May 15, at 10:30 a.m.

Only those boys wishing to at-

tend Spring camp are to attend Monday's meeting, May 17. Spring camporee will be held Friday May 21. Cost is \$3.00.

Jack Winans had the scouts fill our forms about groups and their leaders. Quartermaster James Collins and Paul Weber checked equipment for Spring Camporee, out forms about groups and their leaders. —Robert Steger, scribe.

## The "Write" Prescription

Noticed three half-finished letters lying on the counter down at Jones' Drug Store last week. "Writing three at once, Doc?" I asked.

"No," Doc said, "you are—you and the rest of the town. Those are for the boys from our town who are at the National Guard encampment."

"Everyone who comes in adds a line or two, and when a couple of pages are filled, I mail them. That way the boys hear from folks who might not write otherwise. They sure do enjoy it."

From where I sit, little things can add up pretty big. A few short notes make a letter. Boys from our little town help build up a strong National Guard to protect our freedom. Even freedom is made up of a lot of things—living where we like, voting the way we think is right, choosing between coffee, tea, or beer at dinner. And anything that adds up to freedom gets my stamp of approval.

## Michigan Mirror

Like two fighters in the opening rounds of a slugging match, Democrat and Republican brass are probing and sparring in a search of each other's defense. Both are anxious to discover any weakness of the opponent; each is striving to cover his most vulnerable points.

Campaign machinery has been readied for action and already has started to function. Most people expect campaigning to be rugged. Michigan is considered one of the crucial and key states. What happens here is of national political importance. Neither side will lose the election for lack of aggressive effort.

Certain similarities exist in the hopes and fears of both Republicans and Democrats. Each claims that it will be campaigning on a "hot string" that the other has huge financial supporters from "vested interests."

Both the Republican spokesmen and Gov. G. Mennen Williams claim credit for all good recent legislation; each claims the other was prodded into constructive action by pressures of the moment.

An element of truth, as is usually the case in politics, is present in all these claims. But it is hard to separate from fabrication.

John Feikens, chairman of the Republican State Central Committee, says the CIO will "try to buy an election in Michigan with a million and a half dollar war chest." John Murray, publicity director for the Democratic State Central committee, po-poos this, saying, "We are always hearing about gigantic sums of money unions are pouring into our campaigns; but we never see any of it. I wish someone would tell me where we can get our hands on it."

The five GOP candidates for governor are considered the most potential source of trouble for Republicans. It is agreed by political observers that bitterness within the party after previous political campaigns cost the Republicans many many votes; probably the governor's chair last election.

Republicans are hopeful that the "second" man in the Democrat primary might cause party disunity for their opponents. Blair Moody was no surprise as a senatorial candidate. Patrick V. McNamara, who also wants the job, has been more than a little pointed about charging Williams with "boss rule." He provides a warm issue that could turn into a hot one.

Extreme care is being taken by both parties to reduce chance of a split within their own ranks.

Republican leaders have secured tacit agreement from candidates that they will campaign against Democrats and not each other. All candidates will be headed the same at the GOP convention in Grand Rapids Aug. 20-21, no matter who won the primary Aug. 3. All will be accorded equal time June 15 at a gigantic political rally.

Sweet works have been forthcoming from Gov. Williams regarding McNamara. He refers to him as "an honorable gentleman who has every right to become a candidate in the senator's race."

The governor has said he will not campaign for either McNamara or Moody in the primary. But he also takes the stand that he appointed Moody to the Senate and cannot do anything that could be interpreted as a withdrawal of support. "The governor and the party will bend over backwards trying to be neutral," said a Democratic official.

A decision may be made within 30 days about the location of America's West Point of the Air, said R. B. Miller, chairman of the Battle Creek-Air Academy committee and publisher of the Battle Creek Enquirer & News.

Civic leaders in this area have conducted a rigorous campaign for location of the U.S. Air Academy at Fort Custer, a former army camp now standing idle.

Michigan's bid in behalf of Fort Custer was presented to the Site-Selection Commission which visited the fort on April 28. Miller welcomes all support from anyone for the location of the Air Academy at Fort Custer. Sources in touch with the Site Selection Commission state that while any "pressure tactics" would be sharply resented, its members are interested in public reaction to the location of the site.

"After all," stated the Battle Creek publisher, "Anybody feels happier about coming to a place where's he's appreciated and wanted. Miller said that any material sent to him would be immediately forwarded to the Academy Site Selection Commission as further evidence of Michigan's unity in inviting the Academy to come to this state.

Warning to careless drivers—State Police officers have been directed to maintain a more rigid enforcement of traffic laws on Michigan's highways. Commissioner Joseph A. Childs, alarmed by the 14 per cent increase in accidents, mostly rural, wants law breakers arrested whenever possible.

"Violations are the cause of most accidents, we are going to redouble our efforts to encourage drivers from violating," said the Commissioner.

## PRAYER FOR THE WEEK

Thou, Oh God, creator and preserver of life, grant that we may attune our hearts to Thy Spirit; that our lives may reflect Thy goodness and mercy, and that we may love life. Amen.

## EIGHTH GRADE DAY

The annual Eighth Grade Day will be held this year on May 17. At noon of this day all the eighth graders from St. Mary's and the rural schools from the surrounding area will be greeted by the eighth grade of Chelsea school, Mr. Cameron, and Mr. Griffin.

After a short talk about the classes and schedules next year, they will go out to the athletic field. A supper will then be furnished by the eighth graders of Chelsea and will be served by another class. Following a short dance the parents of all the pupils are to be invited to the school to discuss further the classes and schedules.

## BAND ASSEMBLY

On Wednesday, May 5, the Dexter Band gave a concert in the Chelsea Gymnasium. The program began with the National Anthem and was followed by a march. Then four selections from Hans Christian Andersen were played. The highlight of the program was the playing of Schubert's "Ave Maria." Their final piece was the television hit, "Drag-Net."

Then the Chelsea band, along with the Dexter band, played two marches, one of which was the "United Nations March." Following that there was a comedy performance of the "Hokey-Pokey" played by our high school band.

## LIBRARY FIELD TRIP

Recently some of the members of the Library club went to Springfield to a book bindery. They were taken on a tour of the book bindery and learned many interesting and helpful facts.

## GIRL'S PHYSICAL EDUCATION

The girls in Physical Ed. class have been working hard on softball practice. Many of the girls are on the GAA softball team; therefore this gives them a lot of practice.

The gym was beautifully decorated with Hawaiian girls, palm trees, beaches and various other things. The orchestra (Jim Service) was enclosed in a garden of orchids.

On the stage were mountains and water with the moon shining down on them.

There was a false ceiling of dark blue crepe paper with stars sparkling on it.

The gym looked very realistic.

## Organizations

### ATHLETIC BOARD

Members of the Athletic Board discussed the amount of money which should be set aside for each sport next year. A vote followed.

### STUDENT COUNCIL

The schedule was planned for student election, and committees were appointed to supervise the voting. An assembly is still in the process of being planned.

A need for a revision in the system now used in operating the record player was discussed. Judge Doe was appointed to organize this new system.

The final decision on the revised system of electing treasurers was given, and it was concluded that each organization had the sole power to adopt this suggestion. The Student Council only had the jurisdiction to suggest it's adoption.

Civil Defense assembly is being scheduled in the near future.

### JOURNALISM

The Journalism field trip was cancelled. Candidates for next year's editors are busy writing letters of application to the Journalism club. There will be one more issue of the school paper published before school is out.

### FFA

April 30 ended the FFA award year. At the award assembly June 2, FFA members with 500 points or more will receive awards.

On April 20 the FFA members voted which of the seniors in FFA deserved the DeKalb award. The seniors are Lloyd Grau, Duane Satterthwaite, Walter Beuerle, and Donald Schneider. The winner will not be announced until Class Night which is to be held June 8.

The qualities looked for in picking a winner are outstanding scholarship records, outstanding leadership ability, and an outstanding supervised farming program.

Last week the nominating committee made up of the four seniors mentioned named candidates for president, Edson Whitaker and Kenneth Haist; vice-president, Jim Hibbs and Llewellyn Lehman; secretary, Larry Chapman; Herbert Erke and Paul Hopkins; re-

leased thru United Artists

## ST. MARY'S School Notes

### FIRST HOLY COMMUNION

Twenty-three second graders experienced one of life's most exalted spiritual highlights on Sunday, May 9 when they were recipients of their first Holy Communion. Robert Blough, Dorothy Christwell, Robert Devine, Frances Eder, Diann Foster, Paul Haas, Lynn Harvey, Damiana Heine, Cecilia Henninger, Michael Hitchingham, Alice Howe, George Klink, Catherine Kramer, Phyllis Klingler, Joyce Mahar, Joseph Merkel, Joseph Nyles, Margaret Ritter, Douglas Rowe, Joseph Steele, Thomas Tuttle, James Wood, and Michael Zogelman will daily increase their realization of the added obligations and responsibilities coinciding with the new advantages and graces.

### MOVIES

Three films operated by a lay representative of the Society for the Propagation of the Faith were viewed by the children on Tuesday, May 4. These motion pictures entitled, "A Story about You," "The White Sisters of Central Africa," and "It Happened in Africa," portrayed the advancement of the Christian religion and civilization in Africa along with an earnest appeal for prayers, sacrifices, and funds as indispensable supports to the continuation of progress in the mission fields.

### MAY CROWNING

The annual crowning of the image of the Blessed Virgin Mary took place on Sunday, Mother's Day, an appropriate time to honor our spiritual as well as our earthly Mother. This activity is symbolic of the praise and honor due to the Blessed Virgin in view of the merits of her Divine Son. The earthly crown of blessings placed on the Virgin's head by Karen McAlister, the May Queen, is a symbol of a spiritual crowning which occurs simultaneously in the heart of each of her devoted children. Shirley Blough and Frances Eder also had distinctive roles in the ceremony as the May Queen's attendants. Norma Hafner carried the pillow bearing the crown.

### Survival Is Not All

Tremendous gains have been made over the years in the skill and knowledge of the medical profession. Curing disease, accomplishing surgical miracles, and the discovery of new drugs can be classed as one of the wonders of the world.

But survival is not all. Even though broken bodies can be mended and diseases cured, what about the broken spirits and mental anguish caused by financial strain due to accident and illness? You and I have seen it time and again.

My Company, Woodmen Accident, has been furnishing protection against financial losses due to accident and sickness for 64 years. Such protection for you or your family costs only pennies a day! Let's talk it over—

### How far away is a helping hand?

Mr. George Cronin of Detroit found out recently. When he arrived home from his nighttime job at 3 A.M., he sat down to read for a while. His wife was visiting in Chicago so he was alone in the house.

When he got up to go to bed he felt a tingling in his arm. Seconds later he collapsed to the floor with a stroke.

Although he was barely conscious, Mr. Cronin knew he must somehow reach the telephone many feet away. With tremendous effort, inch by agonizing inch, he finally made it.

The operator who answered was Rosa Gies. Speaking with great difficulty he mumbled the telephone number of a friend. Miss Gies telephoned the friend who soon was at Mr. Cronin's side. Meanwhile, the operator remained on the line in case she could be of further help.

Mr. Cronin is now well on the way to recovery. After the incident he expressed his gratitude in person to Miss Gies. For her helping hand and his telephone had spared him hours of discomfort.

# "Best Seller" for 3 good reasons

CAN YOU SEE • STEER • STOP SAFELY?  
CHECK YOUR CAR — CHECK ACCIDENTS

Buick now outsells all other cars in its price class and above

YOU'VE probably noticed it right in your own neighborhood.

Bright new Buicks appearing here, there, everywhere. And more and more of them in recent weeks.

Know what's happening?

Folks in growing numbers — (and maybe you'll be joining them soon!) — are finding Buick styling, performance and value far too wonderful to pass up.

So Buick is selling at a record pace—outselling all other cars in its price class and above.

Matter of fact, latest figures for the first quarter of 1954 show that, in total national volume, Buick is outselling every other car in America except two of the so-called "low-price three."

A look and a ride and a peek at the price tag will be all you'll need to know what's back of this best-selling success.

There's styling in Buick that's the greatest beauty advance in years — the very look of tomorrow—and with the spectacular panoramic windshield that's part and parcel of this dream-car look.

There's performance in Buick as never before—with record-high V8 power, with the

sensationally smooth whip of Twin-Turbine Dynaflo,™ with the buoyant ride of all-coil-springing, with a new precision of control and handling.

And there's value in Buick that's hard to match—with prices starting near the "low-price three"—prices that buy more Buick beauty and power and thrill and sheer automobile than smart money ever bought before.

How about you?

Are you ready, willing and waiting to be shown that this best seller called Buick is the buy of the year for you, too? Drop in this week, or give us a call, and we'll arrange a demonstration.

## Bates-Toney Vows Taken Saturday Dexter Church

Jarolynn A. Bates and Robert Toney were married at 2 o'clock Sunday afternoon in the Dexter Methodist church, with Rev. Atholus Richard officiating in the presence of 175 guests.

The bride is a daughter of Mr. and Mrs. H. Carl Bates of Dexter, and the bridegroom's parents are Mr. and Mrs. Lewis Haselschwerdt of Steinbach road.

The bride's gown, of white imported embroidered organdy, was fashioned with a fitted bodice having short sleeves and a rounded neckline. The skirt extended into a cathedral-length train. Matching organdy was used for the cap which held her fingertip-length veil. She carried a bouquet of white roses centered with a white gladiolus.

Mrs. William E. Stewart of Detroit, as her sisters' matron of honor, wore white organdy over pink taffeta, styled with a waist-length skirt. The bodice was short sleeved and was finished with a rounded neckline matching the bride's gown. She carried violets and wore a headband matching her gown.

Mrs. Robert Stacey of Dexter, and Ruthann Curtis of Portland, were bridesmaids and Suzanne Turner of Allen Park, niece of the bride, was flower girl. Mrs. Stacey and Miss Curtis wore white organdy over pale green taffeta and the flower girl, carrying a basket of violets, wore white frosted organdy over pink taffeta. The bridesmaids carried bouquets of violets and wore headbands matching their gowns.

William Bates of Dexter, brother of the bride, and Robert Anderson, of Detroit, were ushers and Stanley Toney, brother of the bridegroom, was best man.

Soloist at the service was Joann Adams of Detroit.

Following the ceremony, a reception was held in the church parlor where Mrs. Glendon Bovee of Lowell, had charge of the guest book, and Dorothy Bates of Chicago, cut the cake.

The couple left after the ceremony for a short trip through Michigan and to points in Canada and after Saturday, May 15, will be at home at 202 1/2 M.A.C. avenue East Lansing.

For going away the bride wore a blue-grey suit with navy and white accessories.

The bride, a graduate of Dexter High school, who has attended Michigan State College two and one-half years, will resume her studies there in June.

The bridegroom, a senior at the college, graduated from Chelsea High school. He is a member of Theta Xi fraternity.

Mr. and Mrs. Paul Bollinger and family and Mr. and Mrs. Gottlieb Bollinger spent Sunday afternoon in Monroe.
