Graduation Activity Fills Coming Week for '54 Senior Class

Baccalaureate Service To Be Held Sunday Evening

Howard Robert Jones, professor of school administration in the University of Michigan School of Education, will speak at the Commencement exercises at Chelsea High school, it was announced this week by Superintendent Charles S. Cameron.

Dr. Jones has acquired high standing in the field of education and his biography is included in "Leaders in Education," "Who's Who in the East" and "World Biography."

He is a member of Phi Delta Kappa, Kappa Delta Pi, American Association of School Administrators, National Society for the Study of Education, Department of Secondary School Principals of the National Education Association, and New England Teacher Preparation Association. In 1948-49 he was vice-president and in 1949-50, president of the latter organization.

From 1946 until 1951, when he joined the staff of the University of Michigan, he served as president of the State Teachers College at Plymouth, N. H., and also offered instruction in school administration at the University of Connecticut and the University of New Hampshire and Yale University.

Commencement week begins Sunday evening with the Baccalaureate service in the Methodist church.

Rev. Thomas Toy of the Congregational church, will deliver the sermon to the class of 1954. His topic will be "How To Get The Most Out Of Life." The service begins at 7:30 p.m.

Class Night will take place Tuesday, June 8, at 7:30 p.m., followed by the commencement exercises Wednesday, June 9, also at 7:30 p.m.

Plan Advanced To Replace Narrow McKinley Bridge

Representatives of the Chelsea Village Council, Sylvan Township Board, Chelsea Agricultural Schools District, and Washtenaw County Drain Commission met with representatives of the Washtenaw County Road Commission at the McKinley street bridge Tuesday afternoon for an on-site discussion of possible methods for financing replacement of the present, narrow structure.

It has been estimated that an adequate bridge over the creek at this point would cost approximately \$14,000.

As a result of Tuesday's discussion, a tentative agreement was reached whereby the cost might be shared on a percentage basis and the representatives of the groups present will present the proposed plan to their respective boards for official action.

The proposed wider bridge is being advocated as a safety measure for the additional traffic which will follow completion of the new north elementary school next fall.

Two Local Youths Win Engineering Scholarships at U-M

Theodore Allen Betts, son of Mr. and Mrs. Wesley Betts, and William Frank Koselka, son of Mr. and Mrs. Frank Koselka are among the 46 outstanding University of Michigan students who were granted engineering scholarships for the year 1954-55. It was announced this week. Both are graduates of Chelsea High school.

The scholarship committee, composed of engineering college faculty, chose the undergraduate students on the basis of scholarship, financial need and character, according to the announcement.

Betts received a William James Olcott scholarship while Koselka's is a Frank Sheehan aeronautical engineering scholarship.

Koselka was first awarded a Joseph Boyer scholarship. This was replaced later with the Frank Sheehan award which has a financial value three times as large as the Boyer award.

Prospective CHS Freshmen Urged To Register Now

High School Principal John Griffin has announced that eighth grade students planning to enter the ninth grade at Chelsea High school next fall who are not yet registered, should do so as soon as possible. He said they may come to attend the Baccalaureate service on Friday, June 4, or Monday, Tuesday or Wednesday, June 7, 8 and 9.

Exam, Picnic Schedule Told for School

All Class Picnics Scheduled for Next Thursday

Final examinations at Chelsea High school begin tomorrow, Friday, June 4. The schedule, as arranged, will change the time for the noon lunch hour.

There will be two examination periods tomorrow, the first from 10:30 a.m. until 12:30 p.m. and the second from 1:30 until 3:30 p.m. Monday and Tuesday, June 7 and 8, there will be three examination periods each day as follows: 8:30 until 10:30 a.m.; 10:30 a.m. until 12:30 p.m.; and 1:30 until 3:30 p.m.

According to an announcement by Superintendent Charles Cameron, buses will make their regular runs the last week of school, with the exception of Thursday, June 10, when class picnics are to take place.

Friday, June 11, buses will run one-half hour later than the customary time. Report cards will be issued at 9 a.m. and buses will leave to take pupils home at 9:30 a.m.

The bus pick-up in town will also be 30 minutes later than usual on Friday, June 11.

During examination time, Superintendent Cameron said, it will be necessary for pupils to be in school only during examinations.

Thursday, June 10, classes will have their annual picnics. In this connection Principal John Griffin announced the ruling that students who go to the picnics must travel on the school buses rather than private transportation facilities, if they are to be considered a part of the school picnic.

Citizenship Awards Given to Students By Kiwanis Club

High School Principal John Griffin was in charge of the program period at the Kiwanis club meeting Tuesday evening and introduced the students who had received Kiwanis citizenship awards at the honor assembly at Chelsea High school.

Students honored are Loren Keezer and Carol Barr, seventh grade; Frederick Wenk and Nancy Mayer, eighth grade; Jim Weir and Marlene Kuhl, ninth grade; Lawrence Lehman and Sharon Dancer, tenth grade; Ralph Owings and Joan Merkel, eleventh grade; and Lloyd Grau and Davis Haist, twelfth grade.

The twelfth grade students were not present at the meeting since both were with the other members of the senior class on the anniversary of the Great Lakes.

Griffin also announced that Ralph Owings has been selected to attend the American Legion Boys' State at East Lansing, with the Kiwanis club underwriting the cost of his stay there.

An announcement was made at the meeting that Kiwanians are invited to attend the East Ann Arbor club's birthday party June 15. Also, that a rummage sale pick-up is scheduled for next Monday evening.

President Don Alber appointed a committee to plan for raising funds to provide needed items for the children's playground at University hospital, a Kiwanis-sponsored project.

Small Twisters Cause Damage Sunday Evening

The city of Ann Arbor and parts of Scio and Sharon townships suffered some damage from two small tornadoes that struck about 8:30 p.m. Monday.

In Scio township 10 trees were blown down and a tool shed roof was blown off at the Robert Gilbert farm, 8300 Marshall road. One of the falling trees smashed the porch roof on the house.

A chicken house on the Clarence Troitz farm on Jacob road in Sharon township was also damaged.

Telephone service in Ann Arbor was interrupted and electric power was off for four and one-half hours in Dexter, when utility lines were blown down in Ann Arbor during a thunderstorm which accompanied a 57-mile-an-hour wind.

The fury of the storm by-passed the Chelsea area during the storm drenching the ground after the month-long drought.

New Pastor Named For Waterloo Church

Rev. H. L. Mann assumed the pastorate of the Second E.U.B. church at Waterloo Sunday, June 30, succeeding Rev. P. Peck who has transferred to Lake Okeuch.

This is Rev. Mann's first full-time charge. He served as assistant pastor at Oswego Prairie, Ill., for a year.

Memorial Plaque Dedicated to Grass Lake Servicemen

In a Memorial Day ceremony the Momm's club of Grass Lake presented a new honor roll bearing names of servicemen of the community who served in World War I and II and in the Korean conflict. The honor roll, a bronze plaque, was a project of the Momm's club and was paid for by means of contributions from private citizens and organizations. It is placed in downtown Grass Lake.

Mrs. Irma Campbell, president of the Momm's club, made the formal presentation and the plaque was accepted by Village President Richardson.

Mrs. Joseph Czaplak of Bank road, a Gold Star mother, was asked to place a wreath on the plaque in memory of those who lost their lives. Mrs. Czaplak's son, Lt. Eugene Czaplak, was killed in an airplane crash, Dec. 17, 1946.

The Grass Lake band played appropriate selections during the dedication and Rev. Bertram McNally offered the dedicatory prayer.

Mr. and Mrs. Reuben Mayer and daughter, Carolyn, of Detroit, were Sunday guests of Mrs. George Mayer.

REUNION IN KOREA—Three servicemen all from Chelsea, got together for a reunion "somewhere in Korea" the week-end of April 25 and had the above picture taken. From left are Jack Wellnitz, Duane Hall and Jerome Burg. Sgt. Burg, stationed at Chong P'yong, had a four-day pass and decided to look up Jack Wellnitz. He hitch-hiked 75 miles and eventually found Wellnitz on Saturday, April 24. They then telephoned Duane Hall, stationed 10 miles farther north, and he joined them for Sunday. Cpl. Wellnitz, whose wife and the 17-month-old son he has never seen, are staying with her parents, Mr. and Mrs. Walter Scott, has been overseas 18 months. He is chief switchboard operator for the 24th Division's 19th Infantry Regiment. He is expecting to sail for the U. S. early in June and is due for discharge in July. He is a son of Mr. and Mrs. J. J. Wellnitz. Cpl. Hall, son of Mr. and Mrs. LeRoy Hall, has been overseas one year. He is now a clerk in Battery-B of the 26th Anti-Aircraft Artillery Battalion. Before entering the service he was employed at Chelsea Drug.

Sgt. Burg, also overseas since May, 1953, is the son of Mr. and Mrs. J. V. Burg. Employed at Chelsea Drug before entering the service, he is now serving as pharmacist in the 542nd Medical Company.

Fred Seeley, Sr., Retires from Chelsea Spring

Fred Seeley, Sr. retired Friday under the Chelsea Spring company's pension plan and he and Mrs. Seeley left Friday evening for the home at 33457 Schoolcraft road, in Livonia, to which they had already moved their furniture. Their home here was at 309 Grant street.

Seeley began work May 14, 1912, for the L. A. Young Industries, of Detroit, which, from 1936 to 1939 was part of the Falls Spring and Wire company, fore-

runner of the present Rockwell Spring and Axle company, of which Chelsea Spring is a division. He was a driver for the company until four years ago when he was put in charge of all rolling-stock and truck drivers.

On his last day on the job the truck drivers presented him with a gift.

This week-end Mr. and Mrs. Seeley plan to start on a trip to New York City. They will remain there a week and then go to visit their son, Richard, who is stationed at Camp Lejeune. At the conclusion of a two-week stay there they will travel for the remainder of the summer and return to Livonia early in September.

On Tuesday, May 25, the Bulldogs traveled to Dexter for a night game and came home with a 4-0 victory.

Phil Barois was on the mound for Chelsea and turned in an excellent game, striking out 13, allowing three hits and walking one.

The Bulldogs jumped off to a 3-0 lead in the first inning. Lloyd Grau was hit by a pitched ball, stole second and moved to third on Bruce Hoffman's sacrifice. Grau scored as Phil Barois laid down a perfect bunt. Phil took second on the play and scored on Ralph Owings' single. Owings stole second and took third on a wild pitch. Ralph scored as Duane Satterthwaite also bunted.

Chelsea picked up their final run in the seventh as Bruce Hoffman scored when Dexter made three errors on him.

Owings, Satterthwaite and Bob White had hits for the Bulldogs.

Line score: Chelsea 800 000 1 4 3 1 Dexter 000 000 0 0 3 3

On Wednesday, May 26, Chelsea played their last home game of the year as they entertained St. Thomas.

Bob White led off for CHS with a single and promptly stole second. He scored the Bulldogs' first run as Ralph Owings' infield hopper was booted.

In the second game the Bulldogs scored in the first as Lloyd Grau doubled and moved to third on an infield out. Grau scored on Phil Barois' good squeeze bunt.

In the fifth Hugh Weinberg singled and scored on Lloyd Grau's long triple. However, Grosse Ile picked up a run in the fourth on a triple and a long fly to go with the unearned run scored in the first.

In the last of the seventh, with one out and a runner on second, a long hit to deep right field ended the ball game.

It was a tough one to lose for Pitcher Bruce Hoffman who had turned in his last game of the year. Bruce struck out six and walked three while giving up only four hits.

Line score (first game): Chelsea 020 010 0-3 3 2 Grosse Ile 002 012 x-5 5 1

Line score (second game): Chelsea 100 010 0-2 4 1 Grosse Ile 100 100 1-3 4 0

Coach Al Conklin will lose two seniors from this year's squad, second baseman Lloyd Grau who hit .318 for the year, and Duane Satterthwaite who hit .272. Ralph Owings was this year's leading hitter with an average of .327. Mike Murphy and Roger Stevens led in the fielding department as neither made an error all season.

Phil Barois was the leading pitcher, with a record of four wins and three losses. He gave up but 27 hits in 68 innings, while striking out 112 men and walking 26. He gave up 13 earned runs.

Bob White had a 2-2 record. He gave up 14 hits in 19 1/3 innings, while walking 13, and striking out 30.

Bruce Hoffman had a 1-4 record. In 55 1/3 innings he struck out 41 while giving up 19 hits and walking 20.

With a veteran pitching staff plus improvement by newcomers Hugh Weinberg, Jim Baxter, Jay Ferguson, Mike Murphy, Glen Weir, and Gary Packard next year's outlook is good if the Bulldogs can improve their batting averages.

Poppy Sale Nets Vet Organizations Total of \$375

Approximately \$375.00 was the total amount of receipts in the annual Poppy Day sale of the local American Legion and Veterans of Foreign Wars organizations on the streets of Chelsea. Of the amount, \$172.92 was received by the Legion group and \$200.02 by the Veterans of Foreign Wars group.

The American Legion Auxiliary committee in charge for Herbert J. McKune Unit No. 31 included Mrs. George West, Mrs. Clarence Ulrich, Mrs. George Hafner and Mrs. Elmer Mayer. Daughters of members assisted in the sale.

The VFW Auxiliary committee included Mrs. Carl Lentz, Mrs. Clara Hützel and Mrs. Mac Packard. Girl Scouts of Troop 1 assisted VFW members in the sale from 4 until 6 o'clock in the afternoon.

Proceeds of the sale are used by the two organizations for veteran rehabilitation, aid to families of veterans and child welfare work throughout the year.

Rowdy Youngsters Destroy Flags On Soldier Graves

Many of the flags placed on graves of soldier dead in Oak Grove and Mt. Olivet cemeteries Memorial Day by service organizations of the community were subjected to acts of vandalism perpetrated by members of a group of children 8 to 12 years of age soon after the exercises were concluded, according to information from persons who saw the group in action.

The flags were pulled from their holders and carried away. In some instances, according to the report, flags were torn or broken in the process of being pulled out and the ruined flags were left behind.

All children who marched in the parade were given flags approximately 8 by 10 inches in size while the flags which mark the soldiers' graves are that size. It was suggested that parents investigate if their children came home from the Memorial Day exercises with the larger flags.

One woman reported that the flag on a relative's grave had been taken away on Memorial Day for several years and she had replaced it herself each time. She said, however, that she had never witnessed such widespread desecration of the graves as there was this year.

The matter was brought to the attention of one of the service organizations of the community.

Freer School District Residents To Discuss Proposed Annexation

Residents of the Freer school district No. 4, fractional, Lima and Sylvan, will meet at the schoolhouse Monday, June 7, at 8 p.m. to discuss the proposed annexation of the district to the Chelsea Agricultural Schools school district.

Driver of the truck, John L. Green, 34, of Kalamazoo, was taken to the hospital, reportedly refused treatment and appeared to be uninjured except for small cuts and bruises. He was pinned in the cab of his truck after the vehicle left the highway and turned over on the south side of the road, knocking down trees and tearing off the front truck wheels. He had a window and climbed out of the cab.

The tractor Koselka was driving had the left rear wheel torn off and the tractor, itself, came to rest off the north side of the highway.

Koselka was thrown to the pavement and was lying in the west-bound lane of the highway, Doe said.

In a statement made to sheriff's officers in Ann Arbor later, the truck driver reportedly said the accident occurred as he was passing the tractor on a straight stretch of road.

Members of Koselka's family said Wednesday morning that his skull was fractured, his collarbone broken and it was feared he suffered other broken bones and possible internal injuries. He was still unconscious but physicians told the family that he had a fair chance for eventual recovery.

Ten-Leaf Clover Shown by E. Whitney

Tuesday morning Earl Whitney brought into The Standard office a ten-leaf clover he had picked on the lawn at his home on Old US-12 at Pierce's Lake. He said he has found any number of the traditional "good-luck" four-leafed clovers, and many with five, six and seven leaves, but this is the first time he has ever seen a ten-leafed one.

In fact, he said he was afraid no one would believe him and for that reason he brought the freak, multi-leafed clover with him.

Members of Zion Lutheran church at Rogers Corners held a special meeting in the parish hall Tuesday evening and voted to proceed immediately with plans for construction of a new parsonage on Fletcher road near the parish hall.

Resignation of the pastor, Rev. M. W. Brueckner, was announced at the same time. His resignation

and retirement will become effective Aug. 1, when he will have completed 55 years in the ministry. He has been pastor of Zion Lutheran church since June 1926.

Appointed as a building committee at Tuesday's meeting were Arthur Kuhl, chairman; Norman Hinderer, Reuben Lesser, Harold Eisman and Mrs. Alton Grau.

The present parsonage, which has been vacant since last fall, is to be sold. Rev. and Mrs. Brueckner have been living in their own home nearby for the past year and will remain there.

Frank Koselka Critically Injured in Tuesday Crash

Frank Koselka, 1741 North Lima Center road, was critically injured at 4 p.m. Tuesday when the tractor he was driving west on US-12 and a large semi-trailer truck, loaded with baled paper and headed in the same direction, were involved in a crash approximately one mile east of Manchester-Chelsea road.

Police Chief George Doe, who was called to the scene, said there appeared to have been no eyewitnesses. Koselka was so badly hurt he could not tell what had happened and was taken by ambulance to St. Joseph's Mercy hospital, Ann Arbor.

Driver of the truck, John L. Green, 34, of Kalamazoo, was taken to the hospital, reportedly refused treatment and appeared to be uninjured except for small cuts and bruises. He was pinned in the cab of his truck after the vehicle left the highway and turned over on the south side of the road, knocking down trees and tearing off the front truck wheels. Jean McClure, daughter of Mr. and Mrs. M. W. McClure will graduate Sunday from the School of Science and the Arts at Michigan State College, where she majored in divisional social science. At the same time she will receive her teaching certificate in secondary education.

Her activities at college include membership chairman of Alpha Xi Delta; second vice-president of Pan-Hellenic Council in charge of student counseling; member of the Student Faculty governing committee; and work on the Wolverine, Spartan and Campus Chest staffs.

She was one of 50 senior women honored at Lantern night ceremonies for outstanding service to Michigan State College and on Monday night of last week was named senior of the year by Alpha Xi Delta.

She acted as delegate to the Big Ten Pan-Hellenic Inter-Faculty Council conference at the University of Wisconsin in 1952 and was a delegate to the national Alpha Xi Delta convention in Pasadena, Calif., in 1953.

Miss McClure has accepted a position as teacher of history and social studies at Bentley High school, in Livonia.

Her plans for the summer include a nine-week Michigan College tour of Europe. She will sail June 16 from Quebec aboard the Canada Line RMS Franconia and will visit England, Holland, Germany, Switzerland, Italy, Isle of Capri, Monaco, France, Spain and the Balearic Islands in the Mediterranean.

Linda Bradbury is to receive a bachelor of science degree in general home economics at graduation exercises to be held at 10 o'clock Sunday, June 6, at Michigan State College. During her four years at the college she has been a member of the college Extension club, serving as its secretary for one year and as recreation chairman one year. She is a daughter of Mr. and Mrs. Jack Bradbury.

Miss Dorothy M. Thomas, daughter of Mr. and Mrs. W. A. Thomas, 1025 Trinkle road, will receive a bachelor of arts degree at the Albion college Commencement Monday morning, June 7, in the Krenge Memorial Hall. Following the Commencement address by Dr. Grover Tolson, editor-in-chief of The Toledo Blade, bachelor of arts degrees will be awarded to 192 young men and women and the graduate students to two. Miss Thomas will receive her State Teacher's Certificate.

You and Your Money

"So You're Going To Buy A House"

By Dr. Lawrence S. Ritter
Assistant Professor of Economics
Michigan State College

Owning a home, while it is often desirable, is not always a wise financial move. The most important elements involved in buying a house are the purchase price, the cost of maintenance, and the location of the property.

The last factor is most often neglected, but it is of major importance. For as towns and cities grow, various once-pleasant neighborhoods deteriorate and properties located there decrease in value.

On the other hand, formerly in-expensive areas increase in value while, of course, some areas remain relatively stable. It is not an easy task to guess the areas which are most likely to increase rather than decrease in value.

The cost of maintenance is also a factor which is often neglected or at least underestimated by the prospective home buyer.

Interest on and amortization of the mortgage, taxes, various forms of insurance, and the cost of repairs and maintenance must be added to the heat and light bills to reckon the true monthly cost of owning a home.

The National Housing Agency recently estimated that a man making less than \$4,000 a year should not attempt to buy more than a \$10,000 home, assuming that he makes a ten per cent down payment and thus has a \$9,000 mortgage to carry.

It is quite certain you can stand this fixed drain on your income before you assume it.

The purchase price is something which most people consider most carefully and on which they have the most accurate information. But even here they would do well to consider the value of the home several years from the date of purchase. For it is not impossible that they would want to sell because of the necessity of moving or because of changing family size and needs.

Are here, elements of risk enter, such as the possibility of a drop in real estate values due to a depression, or an excess of house building, over which the individual has no control.

It is quite possible that owning your own home may be a wise financial move. But be sure to take all the pertinent elements into account when you make your decision.

Butter is just one of the many dairy products made from the "almost perfect food" milk. It contains the fat, is not impossible to eat, and has some Vitamin A, too. Because it is a fat, it is a good energy food and USDA nutritionists say each person should have one pound of butter or other fat each week for a well balanced diet.

Safety Campaign Stresses Care in Passing Autos

Chief George Doe today announced that the village of Chelsea is cooperating with the State Safety Commission on a state-wide program aimed at reducing traffic accidents due to dangerous passing.

According to Chief Doe passing is one of the most difficult and dangerous maneuvers a motorist can make in traffic. This is because in most instances it requires crossing the center line and facing oncoming traffic head-on, prior to getting by the car ahead and pulling back into the right hand lane.

In an all-out effort to help motorists to do their passing more safely an intensive public education program is planned over the two months of June and July. The sponsors of the program have made possible the distribution of 200,000 leaflets containing 20 safety tips on passing and 10,000 posters carrying the message "Share The Road—Keep In Lane."

The Chief pointed out that motorists should be particularly careful in trying to pass a car on city streets where parking on both sides leaves only one lane open in each direction for moving traffic. "Trying to pass a car between one intersection and the next with short block lengths of 300 feet is hazardous especially if the end of the passing maneuver takes place almost at the intersection," he said.

Chief Doe called upon all motorists to cooperate on this safety campaign and improve their passing habits so that we may reduce traffic accidents.

Sandra Cannehl Leaves on Bicycle Tour of Europe

Sandra Cannehl, 18-year-old daughter of Mr. and Mrs. Paul Cannehl of Jackson, is one of a group of 15 Jackson young people who will make a bicycle tour of Europe. They boarded the Greek ship, S. S. Columbia, at Montreal, Thursday. The ship will dock for a few hours at Ireland and then go to Southampton, England, where bicycles will be purchased. The bicycles will be their only means of transportation for the 40-day tour of the continent.

The group will travel by bicycle to London and then to points of interest in Belgium, Germany, Austria, Switzerland and France.

For the return trip they will board ship at Cherbourg and dock at Hoboken, N. J., July 29. The entire trip will take approximately 70 days.

Mrs. Cannehl, Sandra's mother, is the former Leah Schanz, a former Chelsea resident.

Two Plead Guilty Monday to Drunk Driving Charges

Robert Luke of Jackson, and Raymond E. Walker of Romulus, pleaded up here the past week-end on charges of drunk driving, appeared in Municipal Court, Ann Arbor Monday, May 24, and pleaded guilty as charged, according to sheriff's deputies reports. Both were ordered to pay \$50 fine and \$50 costs or spend 30 days in jail. Both also had their driver's license confiscated for revocation.

Luke was picked up by Police Officer Frank Reed at 12:10 a.m. Sunday, May 23, after the patrol truck he was driving turned over at the intersection of Old US-12 and new US-12 west of Chelsea. He was alone in the vehicle.

Walker was picked up at 7:50 p.m. May 23, after he drove south on South Main street at a rate of more than 50 miles per hour. The arrest was made by Police Officers Roland White and Frank Reed.

Passage of the St. Lawrence Seaway legislation opens up new business possibilities for the State of Michigan—beyond anything we have seen in this century. The transformation of the Great Lakes ports into seaports will affect business and agriculture in many ways.

The important thing is that we plan carefully and wisely for the changes which must take place to enable the Great Lakes ports to handle ocean-going vessels. Already, action has started along this line. Senator Ferguson has indicated that he plans extensive conferences with business leaders in the State to speed up action. The Michigan Water Resources Commission has been asked to prepare a careful study of the problems which are bound to be raised in such development and the Michigan Waterways Commission has also begun an analysis of the many questions involved. Naturally, the Michigan Legislature will have much to do with whatever plans are finally worked out. The important thing is that the whole effort be coordinated in such a way as to get maximum results.

The job in Michigan does not have to be done overnight. In fact, much that will need to be done can be accomplished as the new resources for foreign trade begin to make themselves felt. It will probably be a matter of 10 or 15 years before the full impact of the Seaway has been fully absorbed.

Our object ought to be the preparation of an extensive long-range plan which can be carried out over the next few years in some logical order. If Michigan's business and government leaders will spend a year studying this problem and preparing such a plan, it will be time and money well spent.

GUESTS OF MICHIGAN MILK PRODUCERS FOR DETROIT TOUR

Donald Proctor of Chelsea, Gordon Schultz of Manchester, and Paul Geiger of South Lyon were guests of the Michigan Milk Producers Association for a Detroit tour Friday and Saturday, May 21 and 22.

Together with boys selected from counties throughout the state, they visited radio and television studios, went to the ballgame Friday and attended a banquet in their honor in the evening.

SELFRIDGE FIELD WEATHER BALLOON DISCOVERED HERE

A large, orange-colored balloon which came to rest in a field on the William VanRiper farm Tuesday, May 18, proved to be a weather balloon from Selfridge Field.

The balloon was broken when discovered. Because of the weather recording devices attached, the Van Ripers were not certain what it might be and called the sheriff's department. The balloon was taken to Ann Arbor and later returned to Selfridge Field. It was learned later that a

similar balloon was found near Ann Arbor.

It's a safe bet that the man who is around asking for sympathy will make bad use of it.

'Killer' Speed Exacts Greatest Toll in Summer

"Slow down and live longer. Drive too fast and die that much sooner." That's the message of Sgt. John Horvath commanding officer of the Jackson post of the Michigan State Police, in pointing out that June, July and August are the months when speed, the No. 1 public enemy on the highway, takes its greatest toll.

Michigan law enforcement agencies are now cooperating in a state-wide campaign to make motorists more speed conscious.

"Last year 45 per cent of the traffic violations reported in fatal accidents were for speeding or driving too fast for conditions," Sgt. Horvath said. "Safety appeals are meant for all. If drivers will gear their speed to existing conditions, such as traffic and weather, it will definitely cut down the number of fatalities."

In 1953, there were more than 1,900 persons killed and nearly 58,000 injured in 184,000 accidents in Michigan. This was an increase over 1952 of nine per cent in deaths, 15 per cent in injuries and 16 per cent in accidents.

Motor vehicle travel in Michigan during the summer months will jump from the daily average of 71,000,000 miles to 80 million. "This means greater exposure to accidents," Sgt. Horvath said. "The state law does not set a specific speed limit, but it does require that speeds be no greater than conditions justify. In other words, be sensible and use good judgment at the wheel. Avoid that accident. It's possible."

HONOR GRADUATE IN KOREAN NCO ACADEMY

Cpl. Sam Ghidotti, Jr. (right) of Grass Lake, receives congratulations from Colonel F. T. Unger, 1 Corps Artillery commander, after graduating from 1 Corps Non-Commissioned Officer Academy in Korea. The academy teaches tactics, weapons, administration and the psychology of Army leadership. Ghidotti, honor student, received the highest honor in his class, is regularly stationed with the 25th Infantry Division Quartermaster Company as a mechanic. He entered the Army in March 1953 and has served in Korea since last October. Ghidotti, whose wife, Carolyn, lives at 7736 E. Michigan avenue, Kalamazoo, is the son of Mrs. Lester Hall, of 2821 Mount Hope road, Grass Lake, and Sam Ghidotti, of Kalamazoo.

ELDEN MOORE IMPRESSED BY BEAUTY OF GERMANY

Mannheim, Germany—Pvt. Elden R. Moore, 23, son of Mr. and Mrs. H. T. Moore, 705 South Main street, Chelsea, Mich., is serving at Mannheim, Germany, with the Seventh Army's 1st Anti-Aircraft Artillery Group.

Pvt. Moore, a clerk in the group's 302nd Operations Detachment, arrived in Europe in April from Fort Knox, Ky., where he completed

RECEIVING SPECIAL AMPHIBIOUS TRAINING

Marine Pfc. Donald O'Dell, son of Mr. and Mrs. William O'Dell, 801 McKinley road, is now stationed at Kaneohe Bay, in the Hawaiian Islands, for six months of specialized amphibious and coordinated air-ground training.

Trainees are members of an amphibious reconnaissance group attached to the 1st Provisional

TRANSFERRED TO FORT BENNING, GA.

M/Sgt. William Schrader telephoned his mother Thursday afternoon from Fort Benning, Ga., and told her he was enroute to Fort Benning, Ga., for four months of advanced NCO school. He has been stationed at Fort Lewis, Wash., and will return there at the conclusion of the special training period at Fort Benning.

His brother, Pvt. Donald Schrader, is now stationed at Fort Sill, Okla., and on a recent three-day pass, visited relatives at Miami, Okla.

The two servicemen are sons of Mr. and Mrs. Walter Schrader, Sr.

MEET ACCIDENTALLY IN JAPANESE HOTEL

Two Chelsea servicemen, now serving in the U. S. Marines were surprised when they met accidentally in a hotel in Japan while both were on recent week-end leaves. The two are Sgt. J. Neil Lantis, of Camp McNair and Cpl. Theodore Slane of Camp Fuji. Both have been overseas approximately ten months.

Sgt. Lantis enlisted in the Marines in October, 1951, while Cpl. Slane began his three-year enlistment in January, 1952.

Sgt. Lantis—the son of Mr. and Mrs. Robert Lantis, now of Napoleon. Cpl. Slane's parents are Mr. and Mrs. C. P. Slane.

ROGERS CORNERS HERDSMEN

The Rogers Corners Herdsmen met Tuesday evening May 25 at the home of Bill Pidd. Thirteen members were present. Members finished filling out enrollment blanks. The leaders, LeRoy Heller, answered any questions members had on ethetics and ifrs.ee. had on their steers and heifers.

Bryin Frankle told members what to look for in buying dairy cattle and Norman Loeffler explained what to look for in buying steers.

The next meeting will be a tour to inspect their cattle. Following the tour members are to meet at LeRoy Heller's home and conclude at Earl Heller's home for a short meeting.

LINING THAT COUNTS

Being a conservative isn't a state of mind-it is the feathered condition of the nest.

CARD OF THANKS

We wish to thank all our kind relatives, friends and neighbors for the many acts of kindness, expressions of sympathy and floral offerings received during our recent bereavement.

CARD OF THANKS

I wish to thank my friends, relatives and neighbors and the students at Chelsea High school for the cards, fruit and other gifts I received while I was a patient at the hospital and after my return home.

Here are some tips from the USDA on selecting grapefruit:

Choose grapefruit which are firm, well-shaped, have fairly smooth skin and which are springy to the touch as well as heavy for their size. Some grapefruit have a reddish brown color. This skin condition is called russeting and does not affect the flavor of the fruit.

Michigan education circles were shocked last week when a giant-sized fly turned up in the ointment, an ointment carefully prepared to lubricate state school finances.

Cause for concern was a letter signed by Prentiss M. Brown, former U. S. senator. Writing as chairman of a group called the Michigan Committee for Better Schools, Brown makes a strong plea for changes in the State Constitution. Since these changes must come about by referendum, the letter urges that readers circulate petitions so that the question can be listed on the ballot.

Government finance involves technical economic terms. It is extremely difficult for Mr. Average Man to understand. Talk of equalization, valuation, millage limitations, etc., seems very complicated to people who do not deal often with such terms.

State school people, who now consider the Conlin plan for improving sales tax diversion provisions much more desirable, are worried that the voter will become confused about which amendment to vote for. The result they fear is that he will vote against both. Quickest way to beat the new threat is to keep it off the ballot.

Opposition to the "Better Schools" plan was not long in developing. Representatives from the State Department of Public Instruction; MEA, a professional organization representing 38,000 of Michigan's 43,000 teachers; Michigan Association of School Administrators; Michigan Farm Bureau and several other groups took stands against the proposals. Strong terms were used.

Dr. A. J. Phillips, executive secretary of MEA, said the passages would "seriously curtail the educational opportunities of public school children." Wesley Thomas, director of public relations for the group, called the Better Schools publicity "misleading to the public."

Harold R. Brown, chief of finance for the State Department of Public Instruction, charged that "real dangers" for the school system exist in the plan.

Surprise was exhibited by several of the people that Prentiss M. Brown would identify himself with a program they considered to be so poorly conceived. Stanley Powell of the Farm Bureau said that apparently the Detroit group had tried to solve speedily problems other groups have worked on for years in search of fair, practical answers.

Biggest objection is to a provision which would freeze into the Constitution a formula setting definite percentages of income for schools. This matter, opponents say, should be left to the discretion of the legislature. Secondly, they claim that proposals restricting amounts school districts could receive to two-thirds of funds raised there, would make it impossible for some districts to operate schools at all. Still another objection is that terms of the proposed amendment are very unclear.

Since only schools in metropolitan areas are expected to benefit under this plan, and because Nicholas J. Rini of the Detroit Board of Commerce has advanced proposals similar to this, a finger of suspicion is pointed in the direction of Detroit. "This is another attempt to improve on situations described in the Princeton report," said Jack Milligan, assistant director of the Department of Public Instruction. "But the cure is worse than the disease."

Some counties receive much more money back from the state under present law than they pay in, according to the Michigan State Aid Survey of 1953, compiled by two Princeton tax experts.

Classic example is Kalkaska which is listed as receiving \$716 in state aid for every \$100 raised by local taxation. Wayne County residents, who compare that figure with the \$53 they receive from Lansing for every \$100 they send, are anxious to revise things in their favor.

"The unhealthy, destructive condition," says Brown's letter, "is largely traceable to the alarming and fantastic dispersion of state tax collections through uncontrolled and unneeded grants-in-

aid and other payments for the benefit of local governments and schools."

"The sales tax provides ample money. Presently there is no semblance of rhyme or reason as to who gets it or why. A more equitable distribution will result in better schools and equal education for all Michigan children. This maldistribution of state aid is so glaringly faulty and unnecessarily costly to the individual taxpayer that the Congress of Industrial Organization (CIO), women's groups and other organizations are giving their active support."

The Conlin plan makes sales tax diversion more sound financially by requiring that current returns be used as a basis for payment, rather than totals from previous years. It changes the present breakdown only slightly; a flat two cents of every three collected is earmarked for schools. Local cities and townships would receive, (as they do now) one-half the remaining penny, minus collection costs. The other half cent goes to the treasury.

Room for honest difference of opinion exists under the American system of government. Whether voters of Michigan will decide in favor of the Conlin plan, the proposals of the Better Schools Committee, or neither is something that they themselves will decide.

Next year's license plate may be seen at the State Capitol. It is a deep but pronounced shade of green with white numerals and will bear the Michigan slogan: "Water Wonderland."

The green and white combination also happens to be the colors of Michigan State College which is celebrating its centennial anniversary in 1955.

This year, the first in many that colors other than silver and black were used—blue and gold were selected for auto license plates. These are the official colors of the state and of the University of Michigan.

How about 1956? No decision has been reached—maybe it will be gold and brown, the combination representing Western Michigan College of Education at Kalamazoo. Nobody knows.

Activities

HOME EC.

All the Home Economics girls are working on reviewing the past year's work. The girls are also trying to finish their home projects due June 1.

Home Ec. I girls are finishing a short unit on baby-sitting. Home Ec. II girls have finished their unit on home furnishing and are helping with the inventory of the home-making room.

CLASS NIGHT

The annual class night for the seniors will be held in the high school gym on Tuesday evening, June 8 at 8 o'clock. At this time the giftatory will be read by S. Baldwin, D. Weinberg, K. Widmayer, and C. Paul; the class will be by J. Otte, S. Marsh, and L. Wahl; and the class prophecy by R. Deacy and D. Atkinson.

Organizations

JOURNALISM CLUB

The Journalism club has elected Nerissa Klingler, Linda Walker, and Jean Young as co-editors of the Hi-Light for next year. Nerissa is the daughter of Mr. and Mrs. Ralph Klingler. Linda Walker is the daughter of Mr. and Mrs. Lyman Walker of Cavanaugh Lake. Jean is the daughter of Mr. and Mrs. Irwin Young. Jean is the first co-editor of the Journalism club who has ever been re-elected. The first alternate of these girls is Barbara Collins who will be a sophomore. Her parents are Mr. and Mrs. William J. Collins. Jean, Linda, and Nerissa will be seniors next year. This summer the co-editors of the club will attend a two-week course in Journalism at Michigan State College or the University of Michigan.

SPEECH CLUB NEWS

Last Friday after school, speech club had a picnic at Clear Lake. Hot dogs, potato chips and pop were the refreshments. Everyone thought this a fine way to begin bringing about the end of the school year.

FFA

FFA decided that their trip this summer would be to go to Pennsylvania the week of August 16.

JOURNALISM CLUB

The Journalism club will lose 12 students this year by graduation. They are as follows: Sandra Baldwin, Jeanette Bertke, Ronald Ducey, Judy Doe, Helen Eisenman, Doris Haist, Douglas Kolb, Beverly Smith, Jane Smith, Doris Weinberg, Janet Widmayer, and Katy Widmayer. A committee consisting of Beth Irwin, Martha McMannis, Fayetta Whitaker, and Jean Young, was

chosen to make plans for the annual Journalism picnic.

ATHLETIC BOARD

A request for awards for cheerleaders was approved and put into the constitution. They will receive letters their first year, and certificates after that. They are now entitled to the same awards as the boys receive for athletics.

LIBRARY NEWS

The library group chose some delegates to go to a meeting of the Students Librarian Association of Michigan on May 1 at Michigan State Normal College, Ypsilanti. The group was taken on a tour of the campus and then they ate lunch in the Alumni building. They heard author Elizabeth Howard speak about her book, and in the other afternoon meetings they heard lectures on how to improve libraries.

Kindergarten

Mrs. Kelly's classes made some flying birds which stay in the air. They also have acquired a parakeet which both amuses and entertains. They take turns caring for it. They are looking forward to their end-of-the-year picnic.

THIRD GRADE

Third grade is planning a trip to Ann Arbor for the class trip. There they will have a tour through the natural science museum. Sunday and played at a Mother and Daughter banquet at the Methodist church there.

GRADE FOUR

Children in Mrs. Smith's group are counting the days until school is out. They are now finishing their workbooks. Library books are being returned, but are not being re-checked.

GRADE FIVE

Mr. Poulson's arithmetic group is receiving fractions and sentence structure. Mrs. Crandall's group is also reviewing. In social science, they have been studying Alaska.

EIGHTH GRADE

The eighth graders are planning to go to Pleasant Lake on Thursday, June 10, for their annual picnic. They will go by school bus and take sack lunches. They are all looking forward to being in high school next year.

Class News

Sophomores had a class meeting to vote by secret ballot for three girls and three boys best qualified for the good citizenship award sponsored by the local Kiwanis club. The sophomore candidate, Ken Haist, won the position of vice-president of Student Council in the school election.

ELEVENTH GRADE

A class meeting was held to choose three boys and three girls for the Kiwanis club citizenship awards. The juniors are to be in charge of games for the school picnic.

SENIORS

The seniors' caps and gowns for their graduation have arrived. Rehearsals for graduation have been held at the high school gymnasium and at the Methodist church.

Movies

The only movie that was shown this week was "Religion in the Family," shown to Mr. DeMar's sociology class, Monday.

Orion curtains have demonstrated their ability to resist the wearing effect of sunshine, reports Esther Meacham of the Michigan State College department of textiles and clothing. They stand up well under heat, smoke and soot. And Orion, like nylon, resists mildew.

ST. MARY'S School Notes

ACHIEVEMENT TESTS Metropolitan achievement tests were given this week to the students of grades five through eight.

VISITOR

Jeffrey Spaulding brought his rabbit to school on Wednesday.

PROGRAM

The seventh and eighth graders were most pleasantly entertained upon witnessing a number of classmates perform at an amateur program on Friday. Some of the numbers included guitar solo by Reginald and Jerry Blough, a clarinet solo by Jerome Forner, and a baton performance by Helen Lentz and Catherine Dorer. A ball dance was featured by Karen McAllister, Robert Steger and Donald Wood added an amusing touch with some quick wit. Interrelated between numbers were eight piano selections by Ellen Keusch and Robert Weir. It was evident that everyone considered the afternoon highly profitable as well as delightful.

We won't win the good will of nations until we have helped insure the good health of their people. Hunger and unemployment are the twin tyrannies that can snuff out any program for peace. —Robert E. Hannagan.

To Which Extreme Are You Nearest...?

Some people go years without much attention to health. Others may need the Doctor on hand to start the day—every day. Between these two extremes are great numbers of thinking people caring for their health in an orderly manner.

They see their Doctor at regular intervals for guidance. They take the medicine he prescribes according to direction. They report unusual symptoms promptly. All these are common sense precautions and intelligent steps in health care, as is the practice of bringing your Doctor's prescriptions to this fine pharmacy.

Schaules Seeks Nomination as Register of Deeds

William Schaules, Lyndon township sales representative, today announced his candidacy for register of deeds on the Democratic primary ballot.

Schaules, a business man in Ypsilanti until recently, is making his first race for public office.

With his son, Richard E. Schaules, the candidate formerly operated Schaules & Son Tile company, with a retail store in Ypsilanti and outlets in Wayne county. The company provided a service to building contractors.

Three and one-half years ago Mr. Schaules' built a home at 2919 Waver road, three miles north of Chelsea. He is now sales representative in eight northern central states for the Interstate Rubber company, contacting jobbers and dealers.

"My experience in sales work would enable me to bring the best practices of business administration into the important position of Register of Deeds," Schaules said. "Coupled with that I am familiar with conditions in Washtenaw county, having operated a business in Ypsilanti and for the last 35 years owning a cottage on North Lake where my family and I have spent our summers."

Schaules was born in Detroit and graduated from Lansing High school. He subsequently had a year's training in salesmanship and public speaking. During World War I he was a member of the 32nd "Red Arrow" division, being hospitalized in Texas.

During World War II Mr. Schaules served as a veterans' counselor for the United States Employment Service in the Detroit branch office.

Since moving to their home near Chelsea, Mr. Schaules and his wife have been active in the community, she in the North Lake Methodist church and he in helping organize the Lyndon Township Democratic club, their son Richard, and his wife Elberta, with their two young children, are presently building a home at Stofer and Island Lake Roads.

Mr. and Mrs. George D. Rabley and son, of Montgomery, spent the week-end at the home of the former's parents, Mr. and Mrs. Charles Rabley. They were joined Sunday by their daughter and family, Mr. and Mrs. Clark Anderson and children, of Mt. Vernon, Ind. Mr. Anderson returned home Monday, while Mrs. Anderson and children remained to spend this week.

Excluding the Presidents who were assassinated, three U. S. Presidents have died in office.

Waterloo, Palmer Schools Hold Annual Graduation Exercises

Under the sponsorship of the Community Club the eighth grade graduation of the Waterloo and Palmer school was held at the Gleamer Hall Saturday, May 22. A banquet was served to about 100 guests and members of the graduating class. The class colors, light green and orchid, accented the decorations.

The program was presented as follows:

Valedictory was given by Donna Klink, Donna Walz and Wanda Johnston; Class History and Will was given by Tom Dault, Warren Leisinger and Jennifer Hibbs; Class Prophecy and Giftatory was given by Judy Woolley, Gary Dault, Brian Leisinger, John Klink and Jennifer Hibbs; accordian solo by Ronald Walters; Song "School Days" by group; address by Herbert Hueman, attorney, of Jackson.

Mrs. Raymond Gadd presented diplomas to Donna Walz, Donna Klink, Warren Leisinger and Tom Dault. Mrs. Walter Zeeb presented a diploma to Wanda Johnston.

Marilyn Isham Wins U-M Award

Marilyn Isham of Battle Creek, daughter of Claude Isham, is one of eight seniors at Lakeview High school, Battle Creek, who received University of Michigan Regents' Alumni honor awards this year.

The awards are given on the basis of high school records in scholastics and leadership and results of aptitude tests.

Marilyn is treasurer of the senior class and was president of her class during her sophomore year. She was a member of the Student Council three years; played in the school band four years; was in the school Band Follies two years; and has taken part in district and state solo and ensemble music festivals for five years.

She has been a member of the Latin, Dramatics, Girl Recreation and Rainbow clubs and the Junior Musicians League of Battle Creek. She makes her home in Battle Creek with her mother, Mrs. Mabelle Isham.
