

GRAND CHAMPION—Thirteen-year-old Earl Heller is shown above with Fred Schumm who purchased Heller's grand champion steer at the fat stock auction at the Community Fair. Earl has had champion steers at the fair for several years past. The steer, a Hereford, weighed 1030 pounds and sold for 60 cents per pound, for a total of \$618.00. The steer was grand champion in the beef cattle class. Earl is the son of Mr. and Mrs. Carl Heller.

RESERVE CHAMPION—Kenneth Haist's Shorthorn steer was the reserve champion in the beef cattle section at the Community Fair and was sold at the fat stock sale at the fair Friday afternoon to Lloyd Heydlauff, shown above with Kenneth. The steer brought 38 cents per pound, a total of \$457.90 for its full weight of 1205 pounds. Kenneth, a junior at Chelsea High school, is 16 years old. His parents are Mr. and Mrs. Erwin Haist. Championships are almost legendary in his family, his father and grandfather, George Haist, having had champion sheep for 25 years or more. Kenneth's steer projects are his own venture, however, and he has a good start at keeping up the family tradition of raising prize-winning stock.

Iron Content in Water Due to Broken Filter

Homey Nixon, Chelsea Public Works superintendent, explained yesterday that the iron which has been appearing in the village water system the past few days is a temporary condition and does not affect the safety of the water.

The water is by-passing the iron filter apparatus until a defective part in the mechanism can be replaced.

The part has been ordered at the factory and should be here in a few days.

Methodist Home Open House Set

Harvest Open House at the Methodist Home, scheduled for tomorrow from 1 p.m. until 4 p.m., will feature the dedication of the chimneys which were installed last May as a gift from the Chelsea Home Friends.

Also expected to be in place for the annual event is a picture of "The Last Supper," a gift from the Chelsea Home Friends. The picture will be hung in the foyer of the Home Chapel and honors Rev. H. C. Daley of Highland Park, who is retiring after serving as treasurer of the Chelsea Home Friends since 1946.

A special invitation is extended by Rev. M. J. Betz, superintendent of the Home, to everyone in the community to attend the open house.

The Chelsea Home Friends is an organization of women with representatives in every Methodist church in the Detroit Conference which includes the eastern part of the Lower Peninsula and the entire Upper Peninsula.

Throughout the year these women do many things that are the "extras" which help make the Methodist Home more home-like for the old people who live there.

The group does nothing toward actual maintenance of the Home but concerns itself chiefly with things for the pleasure of the residents.

The chimneys to be dedicated tomorrow are only one of many projects the group has undertaken. The group of women had previously furnished pictures for the lounge and when the chapel was built, they provided the new electric organ. The chimneys have been in use since last spring.

Movies, in addition to those regularly provided by the Home; special remembrances at Thanksgiving and Christmas; birthday gifts for each member; gifts for all the men on Fathers' Day and carnations for Mothers' Day are among the extras provided through the efforts of the Chelsea Home Friends.

Bishop Marshall R. Reed of Detroit, will dedicate the chimneys at the service tomorrow following their formal presentation by Mrs. Paul Kepler of Detroit, president of the Chelsea Home Friends, and their acceptance by Rev. John W. Parrish of Detroit, chairman of the board of behalf of the trustees and Chelsea Home Board. The dedication will take place at 2 o'clock.

Anthems by the Home choir and special organ and chimes music by Mrs. Mildred E. Cheever will be part of the dedication ceremony.

Rev. S. D. Kinde, pastor of the Chelsea Methodist church and a member of the Home Board, is in charge of the dedication program.

George Heydlauff, son of Mr. and Mrs. Lloyd Heydlauff, has recently been promoted to the rank of second lieutenant in the ROTC unit at Western Michigan College, Kalamazoo, where he is a student.

Dates Announced for First Color Tour Of Waterloo Area

Perfect Attendance Records Honored At Salem Grove

At promotion exercises at Salem Grove Methodist Sunday school last Sunday, Llewellyn Lehman and Robert Rentachler were honored for seven years of perfect attendance.

Judy Welch and Gale Artz were commended for three years of perfect attendance and the following six received pins for one year of perfect attendance: Arnold Esch, Harold and Juanita Webb, Danny and Charlene Caister and Mary Ann Winter.

Bars to attach to the pins they already had were presented to those with the three and seven-year records.

Mrs. Truman Lehman, Sunday school superintendent the past 25 years, made the award presentations.

Alternate Routes To Be Marked for Visiting Sightseers

Plans for the Chelsea Waterloo Area Color Tour are nearing completion with the dates set for Oct. 9 and 10. The color tour, sponsored by the Chelsea Chamber of Commerce, with M. J. Anderson as general chairman, is expected to attract large numbers of people from the Detroit area as well as from points throughout the state.

Outdoor programs on television will announce the event and The Detroit News will publish a description of the area together with directions for the routes which are being set up by John Keusch and Lloyd Heydlauff, members of the Chamber of Commerce committee planning the project.

Two separate routes are being planned, one to take from one to one and one-half hours and the other from two to three hours.

A Chamber of Commerce welcome booth is to be set up at the northwest corner of Main and Middle streets. Business people of the community will act as hosts to offer information regarding the routes and places where meals may be had, if desired, and will also distribute literature pertaining to Chelsea and the Waterloo area.

Chelsea, it is being emphasized, is the gateway to the Waterloo Recreation Area and to the lake country to the north, east and west.

The entire route of both tours, beginning with the entrance to Chelsea, will be placarded so visitors may follow the signs and need not refer to maps. Directions for reaching picnic areas, lakes and other points of interest will be plainly marked on signs along the routes.

Locally, the color tour will be the "kick-off" affair for a slogan contest. A \$25 savings bond is to be offered as a prize for the best slogan submitted to describe Chelsea and vicinity.

Fire Dept. Schedules Open House

Special Observance Will Mark Fire Prevention Week

Fire Prevention Week has been proclaimed for the week of Oct. 3 through 9 and Fire Chief Ted Balmer has announced that the Chelsea Fire Department is planning to observe the occasion by holding open house in the fire hall in the Municipal building Friday afternoon and evening, Oct. 8.

Instructions related to fire prevention will be available and firemen will be on hand to answer any questions. Children who attend will receive comic books and gifts from the firemen.

Fire Prevention Week is the oldest and most widely observed of all special weeks, according to Chief Balmer. It traditionally includes the anniversary date of the great Chicago fire which on Oct. 9, 1871, took 250 lives and destroyed 17,430 buildings at a direct loss of \$168,000,000.

Olen Siegrist of 242 East Middle street, noticed in a recent "34 years ago" column in The Chelsea Standard that in 1920 Fred Hoffman had displayed four potatoes with a combined weight of more than 8 pounds.

Not to be outdone by an old-time record like that, Siegrist weighed four of his Pontiac strain crop of potatoes which he dug this week and found they weighed 9 pounds and 12 ounces.

He brought them to The Standard office Tuesday afternoon to back up his story. Largest of the four tubers weighed 2 pounds and 10 ounces.

Asked whether he had displayed some of the outside potatoes at the Community Fair, Siegrist said he would bring them in time to event.

Work Progressing Rapidly Now on New Grade School

Work on the new north elementary school is proceeding rapidly with ceramic tile practically completed this week in rest rooms and entrances and on window sills and boot compartments.

Acoustical tile on the ceilings in the all-purpose room and lavatories and much of the carpentry is also completed.

Laying of asphalt floor tile in one of the wings is expected to be started within the coming week.

Sewer installations are almost completed and sidewalks and curbing will be poured next week.

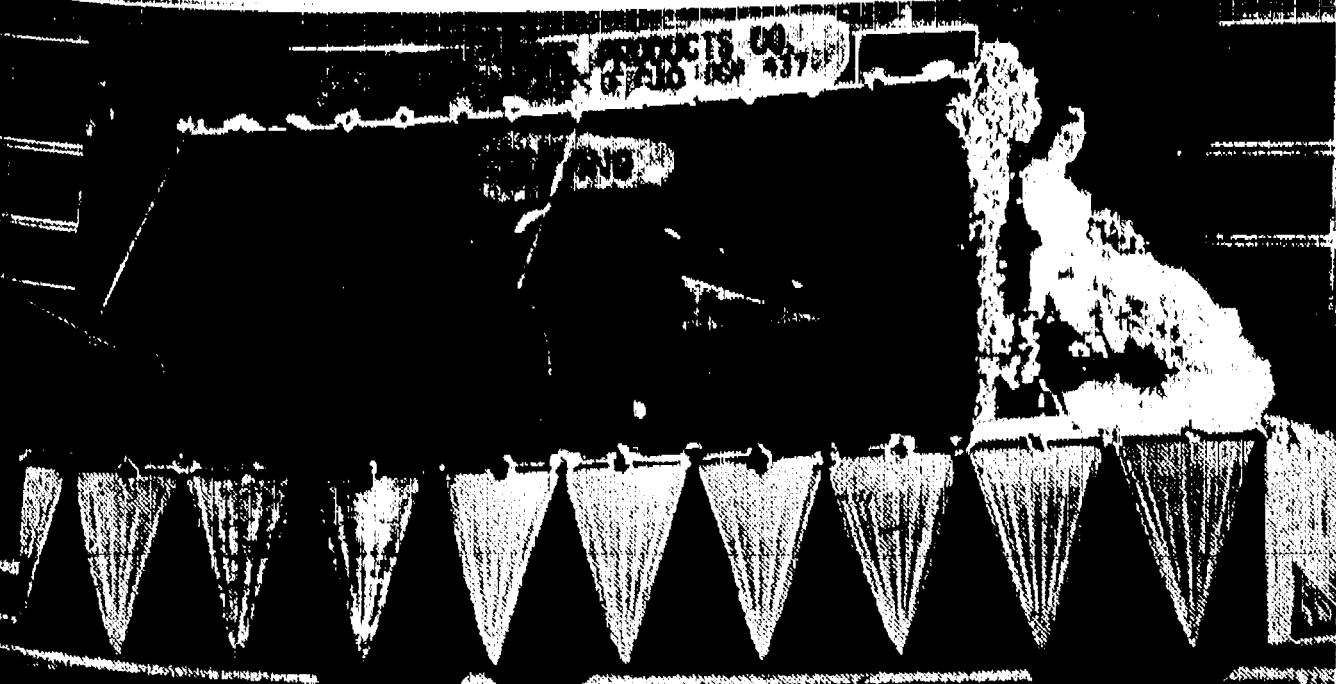

As soon as the sewer installation and sidewalks are completed work is to be started on leveling the grounds and applying gravel to driveways and the parking lot.

Superintendent Charles Cameron said yesterday the date is still indefinite as to when it will be possible to move into the new school.

Virginia Hiser of Dundee, was a week-end guest at the home of Paul Hiser.

A Service That Keeps Faith With The American People

Higher average incomes have, through the years, resulted in higher standards of living. And the funeral profession has steadily kept pace with all advancement.

The notable improvements made in both the extent and quality of service and merchandise have not been extravagantly priced.

On the contrary, as is shown by our wide range of prices, every family, regardless of its circumstances, may arrange for a funeral of highest standards at a price it can afford to pay.

14 Local FFA Youth Take Part In Pig Scramble

Thursday night in front of the grandstand at the Community Fair 14 Chelsea FFA boys were joined by 10 Dexter FFA members in the annual pig scramble.

While the Chelsea boys were searching for the red registered Duroc, the Dexter youths, in the same arena, were scrambling for the 10 black registered Berkshires.

Pigs for the Dexter group were contributed by Dexter people.

The pig scramble originated at the 1951 Community Fair. At that time 14 farmers and businessmen of Chelsea contributed funds to purchase 14 registered gilts and 14 registered FFA boys.

The original 14 pigs were purchased from breeders at Ann Arbor, Owosso and Ovid.

The boys who participate in the pig scramble agree to care for the gilts, have them bred to a registered Duroc boar, and give the best gilt in the first litter to his sponsor. The sow and the rest of the litter remain the property of the FFA boy.

This has remained the pattern for each successive pig scramble and the sponsors have returned the gilts to the pig scramble each year.

To date, 66 registered Duroc gilts have been placed with Chelsea FFA boys under the plan.

To further improve the swine raised by the boys, the Chelsea FFA chapter last year bought the registered Duroc boar, Fanny Kind, 2nd son of the Iowa State Fair junior champion. According to Philip Smith, Chelsea FFA advisor, the first litters secured have proved the wisdom of the animal's purchase.

Sponsors of the Chelsea pig scramble project are Frigid Products, Elsie Elevator, Glick's Department Store, Dorr Whitaker, Farmer's Supply, F. W. Merkel, Chelsea State Bank, Warren Daniels, Foster's Men's Wear, Joseph Merkel, Stricker's Men's Wear, Lawrence Wacker and Kusterer's Food Market.

Kiwanis Club Hosts Teachers Monday Evening

Salvation Army Major Robert McMahon, of Saginaw, entertained Kiwanis club members and their guests Monday evening with a humorous address which he called "Therapeutic Risibility" and defined as healing by laughter.

Major McMahon stated it as his conviction that most people take themselves and others, as well as the everyday happenings of the world, altogether too seriously. He recommended the cultivation of laughter to lighten the tensions of present-day living.

Members of the faculty of the Chelsea public schools, their husbands and wives and wives of Kiwanians were guests at the dinner meeting held in the social center of the Methodist church.

Other guests among the 135 people present were Mrs. Vale Hull of Adrian, Pat Quinn of Ann Arbor, and James T. Booth of Saginaw.

The school teachers were introduced by School Superintendent Charles Cameron who was program chairman.

Entertainment included trumpet duets by Miss Martha Smith and Eugene Shroyer, accompanied on the piano by Miss Connie Steinbach.

Committee Plans Strategy for Waterloo Road Improvement

A committee appointed following the public meeting called by the Sportsman's Club of Detroit Sept. 18 in regard to wishing improvement of Waterloo road, met Saturday evening at the L. D. Guinan home to organize and elect a chairman. Guinan was named temporary chairman.

Present at the meeting were Harry Wiley, president of the Tri-County Sportsman's club of Ann Arbor, Calvin Summers, president of Chelsea Rod and Gun club, Leigh Eisman, Charles Staphis and Guinan, representing the farmer's group, J. V. Burg, temporary representative of the Chelsea Chamber of Commerce, and J. T. Wilkinson, Chief of Region III of the state Conservation Department.

Ways and means to approach the Waterloo road blacktopping, which Lyndon township residents are seeking to have done, was the principal subject of discussion at Saturday's committee meeting.

The four-and-one-half mile stretch of road is scheduled for completion in 1957 on the county's long-range road improvement plan and residents of the township claim that is "too long to wait for the improvement."

Increased Interest in Adult Education Courses Needed

Superintendent Charles Cameron reported this week that response to the announcement of the proposed adult education program has been good but not sufficient as yet to offer any of the suggested courses. At least 10 people must be enrolled in a course before it can be offered.

Superintendent Cameron said yesterday he would appreciate it if people who are interested in any of the suggested subjects will fill out the form repeated in this issue of The Chelsea Standard (on page 12) and send it in very soon.

Courses which have been suggested include art, painting, physics, chemistry, English, mathematics, physical education, home mechanics, wood refinishing, typing, shorthand, driver training, etc. Class meetings would be held for a two-hour period once every week.

Tuition would range from \$4 to \$10 per course.

Powerful and effective, many new drugs can produce remarkable results. Likewise, much damage can result from improper use or overdose. Dangerous immunities can develop. Permanent injury can be done—even life can be endangered.

For good reason, there are restrictions on the use of penicillin, Chloromycetin, certain sulfa compounds and other drugs without the care and prescription of a physician. a big success due to the extra help of the chorus.

The rally was opened with a "Chelsea-Flat Rock" pep song, followed by "Come On Team, Fight" from the cheerleaders. Mr. Conklin, introduced by Jim Hibbs, stated that for the past two years Flat Rock has beaten Chelsea but that this year would bring a change. Mr. Conklin suggested that the student body not forget that the "P" team played Saturday Sept. 24, and if possible to come out and support them. "Coach, Team, Pep, Steam" was the second cheer well done by the cheerleaders. The chorus followed with a song titled "Bulldogs."

Mr. Glasser, assistant coach, was introduced. He expressed to the students his fondness of teaching at Chelsea high. He also mentioned that from his point of view, the team had been working very hard this last week and that a victory was on schedule for the game, "C-C-Conklin" and "Glasser," two songs honoring the coaches, brought loud applause from the student body and faculty. The rally ended with "Yea Team" from the cheerleaders, and the school song, "The Chelsea School Song." The teachers are looking for as much school spirit at the coming games as was displayed at the pep meeting.

Bulldogs Drop First League Game

Chelsea High school opened its home season Friday only to absorb a 24-7 setback at the hands of Flat Rock's Rams.

Flat Rock opened the scoring in the first period as they took the opening kick-off and marched 65 yards to score. Passes played a big part in the drive and the T D came on a long 25-yard aerial.

The Bulldogs started to roll and late in the second quarter had penetrated to the Rams' 17, only to have an intercepted pass halt the drive.

Chelsea received the second half kick-off but a fumble on the second play gave Flat Rock the ball on the 36. A pass interference penalty aided the Rams and they punched it over from two yards out.

On the following kick-off Flat Rock again recovered a fumble and marched 25 yards to score. Thus the Rams had two T D's while the Bulldogs had the ball for only one running play.

However the Bulldogs bounced back to score themselves as they marched 85 yards to score. The drive started slowly as Bud Binge was dropped for a ten-yard loss when he dropped back to pass. However Jim McLaughlin broke away for 15 yards and the drive was on. With Butch Downer, Ted Nixon and McLaughlin carrying the ball, the Bulldogs marched steadily downfield. Nixon scored the T D as he blasted over the line from two yards out. Butch Downer added the point after he slipped around end.

Later on in the fourth period Flat Rock scored again on long 60-yard run.

Except for the bad breaks in the third quarter the Bulldogs rned in a good ball game.

Chelsea guard Jim Hough suffered a blow in the head and had to be removed from the game, but a check-up revealed no serious damage.

This week the Bulldogs travel to Lincoln Consolidated.
