Chamber of Commerce Offers Prize for Slogan To Describe Community

Contest Open to All;
Entries Must Be
Received by Nov. 1

M. J. Anderson, chairman of the Chamber of Commerce's color tour project, said this week that the color tour has "put Chelsea on the map" for people in the southern part of Michigan and, in addition, seem to have given local people a new appreciation of the beauties of the community in which they are living.

He said the success of the color tour project may be credited to the cooperation and help received by his committee from people of the entire area.

The Chamber of Commerce, in its planning for appropriate signs at entrances to Chelsea, is sponsoring a slogan contest.

A \$25 government bond is to be offered as a prize for the best slogan incorporating information regarding the beauty of the area, its farming, industrial and mercantile advantages, potential oil industry, its nearby educational and automotive centers and other desirable features.

The prize-winning slogan is to be used on the signs to be erected on US-12, directing people to the community. Deadline for entries in the slogan contest has been set for Nov. 1. Entry blanks may be found in a Chamber of Commerce advertisement in this issue of the Standard.

Four Courses Now Offered in Adult Education Classes

Adult education classes at Chelsea High school will begin Monday evening and will be held each Monday from 7:30 until 9:30 p.m. for a period of eight weeks.

Four courses are being offered for this first period as follows: driver training, with Ray Glasser as instructor; sewing, taught by Mrs. Lillian Conklin, home economics teacher; wood refinishing, in charge of Jack Musser, shop instructor; and typing, with the instructor still to be named.

Interest was also indicated in public speaking and shorthand and there is a possibility the courses might be added. Interested persons should plan to attend a meeting in the high school study hall Monday evening to select what they would like to take.

Registration for the courses offered will take place at 7 p.m. and books and supplies may be procured at that time.

Tentatively, plans are to offer two 10-week periods of courses after the Christmas vacation. If the people enroll for a course it can be offered, providing an instructor can be secured.

Approximately 70 people were present Monday evening when plans were completed to begin the present 8-week course next Monday, Oct. 25.

New Grade School Nears Completion

Grading of the grounds at the new North Elementary school is now in the process of being completed and the playground is being filled in north of the bridge.

As soon as the grading is completed gravel is to be hauled for the driveways and parking space. At gravelled walk is also to be constructed from the bridge to the school.

The school building itself is practically completed with the exception of the heating plant.

The date for opening the new school is still indefinite. Superintendent Charles Cameron said yesterday.

The Youth Group will meet in the Home Chapel for a hymn sing at 8 p.m. and will be accompanied by the organ by Mrs. Mildred Cooper. Song leader is Jerry Reed of Howell.

At the Village Council meeting Monday evening, plans were discussed and action taken to improve the storm sewer on Adams street.

The storm sewer there has proved inadequate for carrying off surface water and flooding of cellars in the area has been a problem for some time.

Kiwanis Club Will Honor 80-Year-Olds

Chelsea Kiwanis club members are spearheading the drive for equipment for the Forney Children's hospital in the University hospital children's ward at Ann Arbor.

The local club has voted to provide a television set for the project and members will visit all clubs in the Sixth Division to promote the contribution of other needed items which will add to the pleasure of hospitalized children.

The Chelsea group is sponsoring a pancake supper to raise funds for the purchase of the TV set and at Monday's Kiwanis meeting Jack Merkel was appointed general chairman in charge of the event.

H. T. Moore again made announcement of the annual octogenarian meeting when 80-year-olds and over are to be guests of the club. The event is scheduled for Nov. 1.

Harold Jones reported on progress of plans announced for the Chelsea Community Chest at a meeting Friday evening and John Griffin, chairman of the economy run automobile contest for high school drivers announced plans for the event. Ten Kiwanians were delegated to ride in the cars driven by the competing students.

The program period was in charge of Charles Cameron who gave a resume of the tentative plans of the Chelsea school district for the next five years.

Guests at Monday's meeting, held in the social center of the Methodist church, included Fred Schreier of Milan, Jerry Payne of Ypsilanti, District VI Governor-Elect William Myers of Milan, and Philip Bareis, one of Chelsea High school's seniors.

County Council of Veterans Supports Juvenile Home

Washtenaw County Council of Veterans met in Chelsea Monday evening with members of VFW Post 4078 as hosts. The meeting was held in the Pythian Sisters hall. Members of the Ladies Auxiliary, meeting the same evening, were in another part of the hall, served refreshments to the men's group.

Roll called showed nine veterans groups of the county represented, from American Legion, DAV, VFW and Spanish American veterans organizations.

The Council went on record with a vote to back the Korean Bonus bill, which is Proposal No. 3 on the November ballot.

The group also re-affirmed its decision to do everything possible to secure prompt approval at the November election of the proposal to transfer money from the county's general fund for construction costs of a new juvenile detention home at Ann Arbor.

In addition to the above chapters are MYF groups from Whitmore Lake, Novi, South Lyon, Ann Arbor First and West Side churches, Stockbridge, Manchester, Dexter, New Hudson, Salem Grove North Lake and Ypsilanti.

Judge Payne Asks Support for New Juvenile Home

Judge Jay H. Payne, guest speaker at the Chelsea Chamber of Commerce meeting Tuesday evening, discussed the need for the proposed juvenile detention home for Washtenaw county and explained the inadequacy of present facilities for the care and temporary housing or detention of children who for various reasons come under jurisdiction of the Juvenile Court.

Judge Payne stated that the new quarters proposed for construction on the Washtenaw County Infirmary grounds seem to fit the needs at this time and "should have been provided years ago."

The judge was introduced by E. W. Eaton, program chairman for the evening.

Reports of committees given at the meeting credited "wonderful cooperation of the entire community with the success of the color tour project sponsored in this area by the Chamber of Commerce. The tour continues through the end of the month."

Thirty-five members and guests were present at the meeting Tuesday, held in the Congregational church dining room.

Group Discusses Formation of Local JCC Chapter

Fifteen local men and five Ann Arbor "Jaycees" attended a meeting Tuesday evening for the purpose of discussing the possibility of forming a Junior Chamber of Commerce chapter here. The meeting was held in the UAW-CIO hall.

Another meeting was planned for Nov. 9 and Robert Vanderkelen was appointed temporary chairman of the group, with Jack Winans as temporary secretary.

George Knickerbocker was delegated to secure a meeting place for the Nov. 9 gathering.

Vanderkelen announced yesterday that any men of the community between the ages of 21 and 35 years who may be interested, may contact him, or a committee he appointed, for information. The committee includes Jack Winans, Jerome Burg, Elmer Kiel, Alan Conklin and Eldean Eisele.

The Ann Arbor men who attended the meeting here are Dr. Walter F. Jarvis, president of the Ann Arbor Junior Chamber of Commerce, Otis Hardy, Jr., Hillman, Bruce Maslin and Richard Mendes.

The Ann Arbor men, in explaining the aims of the organization, emphasized that it is a civic service group which trains young men for leadership in their community; is organized of, for and by young men; is inexpensive to belong to; and affords opportunity for contacts with men of the same age and interests not only in their local communities but all over the state and nation.

"Being a young organization of young men in the American tradition, nothing is impossible," was the general theme of the talks by the Ann Arbor group who pledged support in helping to organize here if the local group decides to do so.

Maxwell G. Sweet was present at Tuesday's meeting and spoke approvingly of the proposed organization. He suggested several items in which such a young men's organization might interest itself including an ice skating rink; vote registration movement; and a city charter project.

Officers will be elected at the Nov. 9 meeting if the group definitely plans to form a local chapter.

At 12:15 p.m. Sunday the cars, with full tanks of gas and the Kiwanis passengers, are to be weighed in at Chelsea Lumber company. They will then proceed to Alber Motor Sales where the gas used in driving to and from the scale will be replaced.

Grid Team Turns Back Milan, 14-6

Will Meet U. High
Friday Night on
Ann Arbor Field

By a score of 14 to 6 Chelsea High earned right to ownership of the new Kiwanis football trophy to be given annually to the winner of the Chelsea-Milan game.

The Bulldogs won the toss and elected to kick off because of the adverse weather conditions (rain fell throughout the game). On its third play Milan fumbled and the Bulldogs recovered on the Big Red's 35. On first down Ted Nixon smashed up the middle for eight yards to start off the drive. However, after penetrating to the Milan 23 the Reds held for downs.

Shortly after the start of the second quarter the Bulldogs got another break when on fourth down a bad pass from center sailed over the Milan punter's head. Milan recovered but it was first down for Chelsea on the Milan 20.

This time the Bulldogs were not to be denied as they sent Nixon crashing over the middle from six yards out through a hole opened by the Bulldog line. Nixon also smashed over for the extra point.

Following the kick-off Chelsea's stubborn defense, led by Bob Keizer, Ron Satterthwaite, Jim Speer, and Glenn Weis, forced the Big Reds to punt to the Chelsea yard line. There the Bulldogs started a march that traveled 64 yards for a touchdown. With Nixon smashing up the middle, through holes opened by Jay Ferguson, Joe Bauer, Bob Keizer and Gary Packard, the Bulldogs picked up a first down. Then Butch Downer swept wide on a pitch-out for 25 yards. Jim McLaughlin picked up eight on a sweep the other way. Nixon cracked up the middle for a first down as Don Mshar got a fine block on the line backer.

The drive momentarily stalled on the Milan 13 but with time running out in the half—Bud Ringe dropped back and hit Phil Bareis in the corner of the end zone for a TD. Bareis smacked over center for the extra point. Thus for this season the Bulldogs have converted every extra point attempt, all on running plays.

The complexion of the game changed in the second half as the Big Reds came battling back. Long runs on draw plays by Leonard Love, Milan fullback, put Chelsea in the hole in the third quarter and Dave DuCharme scored from six yards out on a wide sweep.

In the fourth quarter the Bulldogs played a conservative game and ran out the clock to win for the second year in a row by the identical score of 14-6.

Ted Nixon and Jim McLaughlin turned in fine blocking jobs for Downer on his wide sweeps. Also Bob Keizer and Ron Satterthwaite did an excellent job of stopping Milan's offense.

This week the Bulldogs travel to Ann Arbor and play U. High on Wines field at 7:30 p.m.

First Community Chest Campaign Is Scheduled To Start in November

Named To Direct First Campaign
Stuart R. Booker
Named President at
Friday's Meeting

Alfred D. Mayer and Lowell Davison have been appointed co-chairmen of Chelsea's first Community Chest campaign and plans for launching the drive for funds for the 1955 budget were completed at a luncheon meeting yesterday in St. Paul's church hall. The drive will be launched early next month.

Stuart R. Booker, elected president of the Community Chest at a meeting held Friday evening, emphasized that the primary aims of the organization are to consolidate, as far as possible, all fund-raising drives in order to relieve the community of the multiplicity of campaigns of former years; to carefully arrange the allocation of funds to the benefiting agencies; and, if possible, to raise an amount which will prove sufficient to permit a sizeable amount to remain for local needs. Some of the latter mentioned included Boy Scout work, the recreation program, general social welfare work and other local projects.

All benefiting agencies will be determined by the budget committee. This committee, headed by E. W. Eaton as chairman, was named at the meeting Friday in the Council room of the Municipal building and met there again last night to receive appeals from organizations interested in receiving benefits from the fund. There will be other meetings of the budget committee to give those groups who had not been notified of last night's meeting an opportunity to make their requests and present their 1955 budgets.

On the budget committee with Eaton are Harold Jones, Paul Mann, Mrs. Warren Daniels, Charles Baize, Dr. J. V. Fisher and Mrs. James Hough.

Appointed as the first finance committee for the Community Chest were Maxwell G. Sweet, chairman, and Harold Jones, E. W. Eaton, Paul Mann and Charles Blanchard.

Other Community Chest officers elected to serve with President Booker are Harold Jones, vice-president; Mrs. Warren Daniels, secretary; and Robert Foster, treasurer.

These officers will serve until the first of the year when full-term officers will be elected. Dr. J. V. Fisher was named chairman of a nominating committee to present a slate of candidates. Others on the nominating committee are Mrs. Warren Daniels, William Rademacher, Malcolm Bruce and a representative of Amalgamated Local No. 487, UAW-CIO. The union representative had not yet been named.

Named to the board of directors to complete the second group of seven of the required 21-member board, were Mrs. James Hough and Mal Bruce.

The remaining seven members will come from the benefiting agencies when these are determined.

Previously named members of the board of directors are Stuart R. Booker, Mrs. W. R. Daniels, Ishmael Picklesimer, William Rademacher, Charles Baize, Maxwell G. Sweet, Charles Blanchard, E. W. Eaton, Dr. J. V. Fisher, Robert Foster, Harold Jones and Paul Mann.

Organizing Social Club in Lyndon

William L. Schaules of Lyndon township, is at present engaged in organizing a social club in that area. The aims of this club will be to promote community neighborliness, with committees to work for better roads and community improvement, and a women's auxiliary to call on the sick and needy. The money which is raised by the club will be used on buildings and recreational equipment. The state will be urged to donate acreage for a recreation field for youngsters and teen-agers, and 4-H club work.

All those who would like to help with this project may get in touch with Schaules.

George Taylor of Detroit, called Friday afternoon at the home of Mr. and Mrs. Claude Spiegelberg.

Mrs. William Mayer Dies Sunday While Attending Church

Mrs. William Mayer, a former Chelsea area resident and widely known as a lecturer, died suddenly Sunday while attending church service at the Munnith Methodist church. Mrs. Mayer, who was the former Mildred McDaniels, had lived at Munnith since her marriage to Mr. Mayer Oct. 8, 1931.

Mrs. Mayer was not only active in the work of her local church where she was general superintendent of the Sunday school; but had served in various offices of the Ann Arbor District and the Detroit Conference of the Methodist Church. She was a past president of the Women's Society of Christian Service of the Ann Arbor District and a past chairman of social relations and local church activities for the Detroit Conference.

Mrs. Mayer attended the fourth assembly of Methodist women at Milwaukee, Wis., last spring as a delegate of the Detroit Conference and had lectured on the activities of the assembly before many WSCS groups. She had long been recognized, also, as an authoritative lecturer on the Holy Land which she visited some years ago.

She was a former Chelsea High school teacher; was a member of Pleasant Lake Chapter, No. 157, OES, and also of the Women's Christian Temperance Union.

She was a graduate of Chelsea High school and Albion College. Born Nov. 12, 1886, she was a daughter of Edward and Susie Burkhardt McDaniels of North Lake.

Mrs. Mayer is survived by her husband, one son, Robert H. Mayer, of Chelsea; a step-grandson, John Harris; and two brothers, Warren Daniels and Charles McDaniels, also of Chelsea.

Funeral services were held at the Munnith Methodist church at 2:30 p.m. yesterday, followed by burial in the Munnith cemetery. Officiating at the services were Rev. James Nixon of Chicago, former pastor of the Munnith church; Rev. John B. Griffin, the present pastor; and Rev. Harvey G. Pease of North Lake.

Mrs. Joseph Wright, Mrs. Walter Beutler and Mrs. Otto Hinderer were in Ann Arbor yesterday to attend the funeral of a cousin, Mrs. Julia Glover.

Mrs. Joseph Villeneuve and son, Peter, of Newberry, are spending some time at the home of Mr. and Mrs. John R. Thomson and family. Mrs. Villeneuve is Mrs. Thomson's mother and is caring for the family until Mrs. Thomson and her twin sons return from the hospital.

...with Trigger-Torque performance

You'll be delighted at the wealth of conveniences the Thunderbird offers. Two tops are available: a disappearing fabric top... and an easy-to-lift-on hard top. The extra-wide vinyl upholstered seat is foam-rubber-cushioned... power-operated 4 ways. Windows roll up... by power, if you like. There is a tachometer... and a clock with a sweep second hand. There is a telescoping steering wheel. And you can have power steering and power brakes.

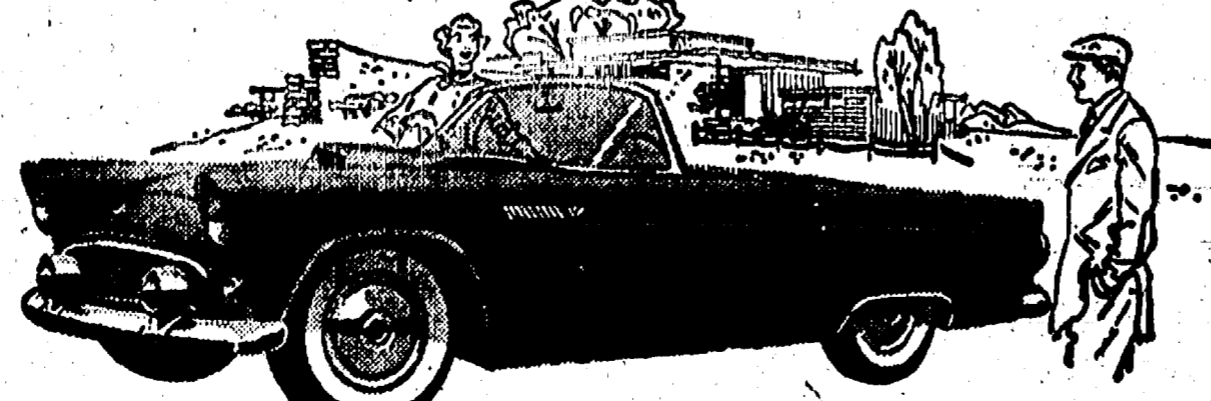

Something totally fresh is here—a bewitching new all-steel beauty that sets the styling keynote for other Ford cars to come.

But, styling gives the merest hint of what the Thunderbird has to offer. In traffic and on the open road the Thunderbird's Trigger-Torque performance is literally a revelation. Here is hair-trigger response... fleet, liquid agility... backed by a reserve of swift, sure power to meet safety's every demand. Trigger-Torque performance stems from Ford's new Thunderbird Special V-8—a high-torque engine with 4-barrel carburetor, dual exhausts, wide-opening valves and Ford's famous low-

friction design. And you can have the Thunderbird with the transmission of your choice—Conventional, Overdrive, or new Speed-Trigger Fordomatic.

Ford's Ball-Joint Front Suspension not only velvet-cushions your ride, it also allows the Thunderbird to handle with utmost ease—to corner with greatest stability.

But, more important, the Thunderbird is the product of the same advanced engineering... the same manufacturing skills that have made Ford products so dependable, so value-full and so desirable to so many.

The Basic Idea Behind the All-New 1955 PONTIAC

On Display October 29 and 30

ABOUT 30 years ago General Motors Corporation presented to America a new car called Pontiac. This new car was the direct result of a very specific idea.

The idea was this: to create a car which took its style, its engineering principles and its features from the very best and most expensive in America—and to build these into a car priced just above the very lowest!

Naturally, such an idea produced a wonderful and highly popular car—a car which millions of satisfied owners have driven with outstanding pride and pleasure.

Now, nearly three decades later, an entirely new Pontiac has been created for 1955—a car completely new from the ground up!

One thing, however, about the 1955 Pontiac remains unchanged—its basic idea—to offer the American public the very finest car that can possibly be built to sell at a price within easy reach of any new-car buyer.

When you see the new Pontiac on Friday or Saturday—Oct. 29 or 30—you will be immediately impressed by its remarkable new styling. No other car in the world looks like this new Pontiac!

When you drive it you will be astonished at its performance. For the 1955 Pontiac introduces the powerful new Strato-Streak V-8, an all-new engine that has already been proved in more than 3 million test miles!

When you price the new Pontiac you will come face to face with the basic Pontiac idea—you will be agreeably surprised that so much car, so much sparkling newness, so much luxury, so much downright goodness can be priced so near the very lowest.

We cordially invite you to come in on Friday or Saturday and see for yourself what a superb all-new General Motors masterpiece has been created to carry the wonderful name "Pontiac" for 1955.

From where I sit... by Joe Marsh

Smitty's Not-So-Silent Partner

Dropped into Smitty's gas station last week and met his new partner who turned out to be a real talker.

"What'll it be?" asked Smitty. Before I had a chance to answer I heard a strange voice "Fill her up! Fill her up!" And there was Smitty's partner—one of those parakeets perched next to the gas pump.

"Took me a month," Smitty said, "but I finally taught him to say those magic words. It's sure paid off—he's had a good influence on my customers."

From where I sit, Smitty's bird may be good for business—and may get him a few laughs. But when people act like parakeets, they're not so funny. For instance, those who keep insisting over and over again that their neighbors shouldn't have a glass of temperate beer with their supper now and then. They're simply repeating their own ideas, without any regard for the rights of others.

Here's the

3-Way Bonus

that's sweeping Buick to record sales in October!

BUICK BONUS

Record-making allowance in October

One look at the national sales figures tells you this: Buick is outselling every other car in America—regardless of price class—except two of the "low-priced three." And just to keep sales soaring—we're willing to give a whole of an allowance this month—to keep success rolling in high. So come in—get a car and a deal that are too good to miss.

BUICK BONUS

Higher resale value

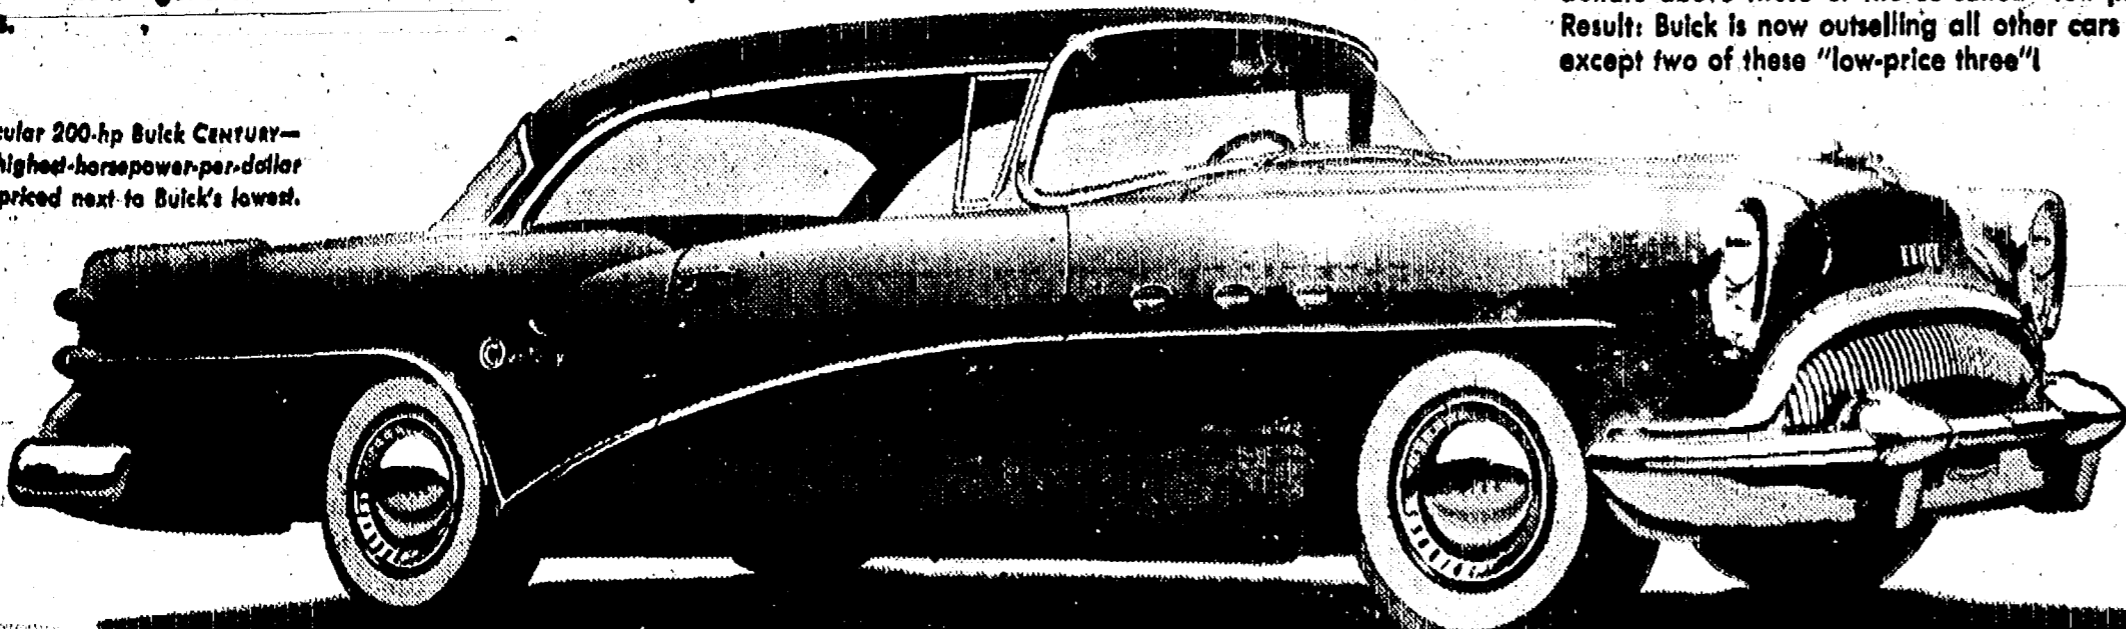

Year after year, Buicks have always carried a high resale value. But the 1954 Buick has an even bigger edge in its year-ahead styling. It will still be fresh and new-looking when other '55 models come out. So the new Buick you buy today will keep you plenty of dollars ahead when you trade it in.

BUICK BONUS

Tomorrow's styling today

You can see it on every new Buick on the road—glamorous new-day styling keynoted by that broad panoramic windshield that most other cars won't have till 1955 or later. And with this advanced styling, you get Buick's record-high V8 power, luxurious room and comfort, that famed Million Dollar Ride—and all for prices that start just a few dollars above those of the so-called "low-price three." Result: Buick is now outselling all other cars in America except two of these "low-price three!"

The spectacular 200-hp Buick Century—America's highest-horsepower-per-dollar car—and priced next to Buick's lowest.
